W4²4632 Otto Schafmeister, second born, second son of Ludwig and Mathilde Schafmeister, met his wife in Bolivia, were married at La Paz. They met at a school where Irmgaard was teaching, it is possible that he was an instructor there, too. He held a degree in Philosophy and was head director of students at Perleburg in der Westspringnitz. He returned to Lemgo in 1945 after retirement and died of cancer on 29 November of the same year.

Irmgaard Schneider Schafmeister was born in Mecklenburg in a little town, now Mecklenburg D.D.R. She still has sisters there that she corresponds with but seldom visits since the area seems very foreign to her now. She has her own large house, her garden, and keeps very busy. As any fond grandmother, she greatly enjoys her three grandchildren.

W4²46321 Renate Schafmeister, only daughter, first born, to Otto and Irmgaard Schafmeister, was born in Mexico City, Mexico. She is by profession, a teacher in Parochial School. She has been ill and has not resumed her work at this time. She lives with her mother in Lemgo at 492 Lemgo - Hinter Den Posten 10, W. Germany.

W4²46322 Otto Ludwig Schafmeister, second born, only son of Otto and Irmgaard, was born at Perleburg in der Westspriglitz. First research indicated that he was a Mathematician at the University of Bonn. He is presently at the University at Bochum or the "Ruhr Universität", on the Ruhr River. They reside in the south of Bochum in a freehold flat, near a small wood with park facilities, where the children can play. He married Karen Blanke in 1968. Otto is about 3 miles or about a quarter of an hour from the university by car or occasionally he rides his bicylette. For 12 years they had a Volkswagon, but this year are driving an Opel Kadett Corovan. Their third child, Anna, was born in January of 1980, prematurely, but now is a healthy happy baby. They reside at 4630 Bochum, Krockhausenstrasse 10, W. Germany.
