

Then 'N Now

Hawkeye Corn Cultivator,
W. FURNAS' PATENT, FEB. 10, 1861

THE COMMON SENSE POTATO-DIGGER

The Best Potato-Digger
on the Market,
AND AT A
LOW PRICE.

It is easy work to dig potatoes with this Digger. It will dig as fast as ten or twelve men can pick up. It will dig cleaner than can be done with a fork. It will not cut or bruise the potatoes. A boy can operate it, and do good work.

Send for Catalogue and Prices.
Ask your dealer for it and take no other.
