THIS CERTIFIES THAT

The MILLS Soil Conservation District of the State of Iowa has successfully completed its first 10 years as an effective means by which farmers and other local people have been enabled to work together in conserving and improving Iowa's soil and water resources for this and future generations. In grateful recognition of the contribution the district and its people have made to the public welfare, we hereby affix our seal and signatures.

The Honorable

Wm. A. Beardsley
Governor of Iowa

W M Harbysch

Chairman, State Soil Conservation Committee
