On these pages we present our building pictorially. Built in 1923, it is one of the finest institutions of its kind in the state. Though we may not realize it, we are indeed privileged to be able to attend such a school.

Besides many large, well-lighted classrooms, it has two gyms, a swimming pool, an auditorium seating thirteen hundred and fifty, and a cafeteria feeding several hundred daily. There are also well-equipped shops for woodworking, mechanical drawing, and art work; three laboratories for experimentation in chemistry, physics, and biology; a kitchen for home-economics students, a large typing room, a fine printing shop, and a greenhouse for agricultural students.

With the wide variety of subjects offered in our curriculum, it should be possible for every student to find something in which he is really interested. The mastering of that subject may take some work. It may mean that the student will have to put in a few hours on home work now and then.

Although they may not seem so now, studies are good for us. They offer exercise for our minds, and they teach us to think clearly.

Curriculum

THE CULTURAL SIDE

First period...average Senior is in band...tries to wade through anything from a Wagnerian overture to a Sousa march. Second period...political argument in Butch's Economics class. Next, experiments in Crozier's Physics class...and those jokes! After lunch, fourth period...English Lit, and a journey into the England of Shakespeare's day with Edna B. Fifth period Algebra Class...functional relations...logarithms...quadratic equations... Our Senior is very much confused, but he is saved by 3:23 bell.

BOARD OF EDUCATION

The Board of Education is the mainstay of our school system. It is composed of seven prominent citizens interested in the welfare of future generations. They devote their time and effort to further the education of Ottumwa's youth.

These men have many duties. Among these are selecting modern school equipment and hiring instructors and custodians. We wish to thank these board members for their help and the pleasures and privileges which they make possible for us.

To these, the men and women who compose our faculty, we, the student body of Ottumwa High School owe a debt of sincere gratitude. It was their undying effort and inexhaustible patience that helped us through all of our troubles and trials. Theirs was the aid and counsel, freely and willingly given, that gave us the encouragement when it was needed. Theirs were the hands which guided us along the seemingly endless road to better and higher education. From these teachers we have received loyal support and great inspiration for all of our endeavors.

There are fifty-four regular teachers in high school, of which three are new this year. To this number must be added the four on the office staff, making a total of fifty-eight on our faculty.

This year a change in the faculty was made necessary when Mr. Bollman was chosen City Physical Education Director. His place was taken by Fred Maasdam, who previously coached at Packwood. Other new members of the faculty are Mrs. Jean Alford, who is filling a vacancy in the commercial department and Mrs. Eleanor Alton, in the clothing department.

THE STUDENT COUNCIL

THE SUPREME COURT

Of the many organizations in our school one of the most helpful is the Student Council. The fourteen members are elected annually by the student body on the basis of leadership, scholarship, and character. Election to this is an honor.

Some of the many duties of the Student Council are: the management of the "Lost and Found," "Noon Movies," a check room for all high school activities, and the school club-room. The president presides at Pep Chapels and conducts

the Student Council court. The council also directs the very efficient Reserve System in which students, chosen by the councilmen, are placed in the halls to enforce the "pink slip" rule during class hours.

The officers of the Student Council are: Phil Darbyshire, president; Harvey Ware, vice-president; Ann Rowe, secretary; Bill Bibb, treasurer. The faculty adviser, Miss Miller, gives freely of her time in helping the council make its projects successful.

Row I—Alice Fiedler, Bettimae Barthelow, Joanne Knebel, Dorothy Baker, Joyce Lingle, Mary Margaret Bremhorst, Mary Krumboltz, Martha Kapp.

Row II—Marjorie Caster, Audrey Damm, Donna Herteen, Sally Cramblit, Janet Foster, Ellen Jane Bolick, Doris Lucille Anderson, Bob Bastron.

Row III—Marilou Bragg, Darlene Anderson, Ruth Jean Heinje, Lyda Clausing, Jim Lynch, Charles Eckroat.

Row IV—Lloyd Cornell, George Evans, George Holmes, James Heasley, Bob DeKraai, Jack Geiger, Ralph Eaton, Garry Ebbert, Charles Dingle, Frank Beall.

STUDENT RESERVES

Row III—Bill Pettijohn, Patty McCoy, Dorothy Smith, Mary Martha McClure, Jim Sheets, Vernon Miller, George Mosher, Roger Poling, John Zuehlke.

Row IV—Leon Vaughn, Jim Rickard, Max Sigman, Max Tullis, Jack Shumaker, Amy McNeil.

ENGINEERS

Behind the scenes of our school are men and women of whom we are scarcely aware as being a part of our efficient system. These are the engineers who help keep the wheels of Ottumwa High School running; yet, it is to them we owe the cleanliness and beauty of the building. Every day and even at night some work to keep our building in order. No novices at this work are these engineers, three of whom have been on our staff for about fifteen years. Each of these engineers has his part to play in keeping our school in perfect order.

CAFETERIA

Many people probably do not realize what an important part the school cafeteria plays in our school life. Every day more than five hundred people eat there. About three hundred students use the cafeteria to eat the lunches which they bring from home each day, and approximately two hundred people buy lunches which have been prepared by our efficient cooks, Mrs. Thompson and Mrs. Bottorff. Mrs. Thompson has been with our school cafeteria for about eighteen years, assisted by Mrs. Bottorff who has been here for about eight years.

Ernest Wilkinson, Lawrence Vogel, Leslie Thompson, Chet Mier, Everett Dunham, William Fisk.

SENIOR CLASS OFFICERS

THE LAST MILE

At long last we, the members of the Senior Class, will have reached our goal. Soon we, the 1942 class will have placed in our hands the diploma, cherished symbol of high school life. When we receive that diploma, the sudden realization that our high school career has come to an abrupt end will sweep over us. Memories will flash before our eyes, memories of history, mathematics and other classes and subjects necessary to reach our educational goal. The social side of our school life will not pass by unnoticed. Memories of parties, picnics, the Senior Prom and other dances will linger with us. Remembrances of athletic prowess, dramatic ability, musical talent, and distinction in the fields of speech and art will be cherished thoughts in years to come.

MISS CRESWELL, Adviser
HARVEY WARE, President
BOB WILLIAMS, Vice-President
BILL AMOS, Secretary
FRANCES MICHAEL, Treasurer

We are not unmindful of the teachers who have so willingly guided us through these four years. Under the capable and willing guidance of our class officers and under the leadership of Miss Creswell, our class adviser, we feel that we have attained a glorious ending to our four year high school career. Harvey "Gabby" Ware, as president, has guided our class through our four years in high school with distinction. Never before in the school's history has the same person been chosen as class president all four years. As teacher, adviser, and friend, Miss Creswell has never failed the class as a whole or as individuals. Without her aid our achievements might never have been attained. Her advice and counsel were always freely given. To her the Senior class extends a heart-felt "thank-you."

JUNIOR CLASS OFFICERS

SOON THEY'LL BE SENIORS

Three-fourths of our high school life has been left behind us. Through our freshman, sophomore, and junior years we have had fun with our studies and activities. As we think of our "prep" years, we have no misgivings. Our only regret is that we have but one more year in Ottumwa High School.

Our class, the class of 1943, is the largest ever to be enrolled in our high school. Therefore, more responsibilities have been placed upon us. In recognition of this fact, we are going to do our best to fill the place left by this year's seniors.

Already, we have proved ourselves in the fields of music, dramatics, athletics, and various other activities into which our school enters.

Even though we have fun, we have not forgotten that we must be serious, also. Looking into the future, we know that a sound education and healthy mind are going to be two of the greatest factors in saving democracy.

All of these things—studies, extra-curricular activities, social life, and we, ourselves, when put together go to make up part of our success in the future.

SOPHOMORE CLASS OFFICERS

TWO DOWN, TWO TO GO

"One of the finest groups that we have had" was the opinion voiced by a member of the faculty when asked his opinion of this

year's sophomore class. With such a statement about them, the upper-classmen may feel confident in leaving the school's name and honor in their hands when they graduate.

You will find them already outstanding in the many extra-curricular activities, laying a firm foundation for achievements in their last two years. As yet, many of them aren't stars of the basketball, football, or track teams, but it

is wise to bear in mind the fact that they will compose the greater part of these teams in 1943 and 1944.

One can readily understand how this group deserves what has been said about it when one considers the leadership of their class officers and the friendly aid of their class adviser, Miss Farrar, who has helped them over the rough spots in their year as sophomores. As an adviser she is "tops" in the minds of all the sophomores because of her sincere interest in their studies and activities.

FRESHMAN CLASS OFFICERS

ONLY THE BEGINNING

Although the freshmen are only first year students, they have entered into high school activities with a will to work. Since

the activities taken on in the first year have much to do in deciding an individual's activities for later high school days, you can expect to see these freshmen right on top in years to come. Because they know that "All work and no play make Jack a dull boy," they do both with a determination to get the most out of their school life. One of the greatest ambitions of the lower classmen has been fulfilled. They are

attending "Big High."

These freshmen, guided by their capable adviser, Miss Vinton, now begin the climb up that well-known ladder of success. In these unsettled times it will not be easy going, but we feel sure that they will end right there on top. So when you hear the freshmen yell "Watch us work and watch us strive. We're the class of '45," you will know that to them this is not just a class yell, but the password to their future life.

THE LIGHTER SIDE

Classes over for the day, the studious, hard-working Senior becomes the gay, light-hearted man-about-town, for there's... basketball practice... or a meeting of the ad staff of the News... or perhaps debate practice. In the evening maybe there's play practice... or a Spanish Club meeting out at Hamley's... or maybe a football game. Outside activities play an important part in this Senior's school life. Were it not for them, life would be pretty dull for him and for every other student of O. H. S.

TORCH CLUB

The one organization in our school which inspires a great number of students to do their utmost in scholastic work and extra-curricular activities in order to gain a membership is the Torch Club. However, only a few are chosen to be honored; they are students who have not only a high scholastic standing but also outstanding traits of character and leadership. If and when a student reaches the coveted goal, he considers this distinction one of the high points of his high school career. This organization is under the direction of Miss Enoch.

LIBRARIANS

Dale Zuehlke checking call cards with Alice Bates and Donna Embree.

The Librarians' Club, an important organization, renders special service to the school. The library opens at eight-thirty in the morning and at twelve-fifteen at noon. Students may make use of these precious minutes before class in an atmosphere quiet and helpful to last minute study. Many students use the library during sixth period for additional research and study. Among the improvements in the library this year are additional stacks and many new fiction, biography, and travel books. The additions bring added enjoyment and aid to the student body.

Students from the study hall now use the library more freely. During

the study hours pupils may go back and forth from the study hall to the library for books, magazines, or reference material.

Besides finding research and fiction books for students, members of the Librarians' Club check out books, take care of library slips, type, file, and give general help to Miss Gallanar, the school librarian.

The officers are: Bernard Hamilton, president; Glen White, vice-president; Ruth Palmer, secretary-treasurer. Under the capable guidance of Miss Gallanar, this club will continue to be one of the most important in our school.

THE 1942 ARGUS ANNUAL

COMES BUT ONCE A YEAR

This, the Argus Annual, is your yearbook. It is planned with your likes kept in mind. The Annual staff has, in the past year, worked to present you with one of the finest year books in the history of the Annual. We feel that this goal has been attained and we are sure that the salient qualities of this publication will be fully appreciated. We have given subsidiary details the same degree of attention given to details of major importance. This year we have experimented with the divisions and instead of the usual four divisions, we have only two, Curricular and Extra-Curricular. We are grateful to the students, the faculty members, and especially to our adviser, Miss King, who has cooperated so willingly with us. Our appreciation is most sincere.

The Argus Annual advisory group was composed this year of the six staff heads for the yearbook. These students, with Miss King, worked strenuously on the Annual. During their advisory period the group worked on and carried out the plans for the yearbook.

To those interested in journalism this organization affords great enjoyment and valuable training. The "News" had a large staff this year, as those who really like this type of work always can gain admittance to the staff.

In addition to participation on the "News" those persons outstanding in service, character, and scholarship are awarded membership in the "Quill and Scroll," a national journalistic society.

The adviser of the "Argus News," Miss Ochs, has aided greatly in the publication of the paper through her help and interest. Also to the printing department goes a vote of thanks for its aid.

DRAMATIC CLUB

CURTAIN GOING UP

One of Ottumwa High School's most active and prominent groups is the Dramatic Club. It is among the largest of the organizations in school and one which does much to further public performances by the students. Under the expert guidance and direction of Miss Stover, they present three plays each year.

In addition to the casts for the plays, there are many crews to take care of every detail in the produc-

tions. Their stage and electrical crews are always present to help with stage setting and lighting at all high school and civic productions presented in our auditorium.

Every year the Dramatic Club officers are elected by the popular vote of the members. Officers for this year are: Jeanne Moore, president; Marjorie Strohauer, vice-president; Norma Metz, secretary; and Barbara Salter, treasurer.

PLAYERS' CLUB

MASTERS IN THEIR FIELD

Within the Ottumwa High School Dramatic Club there is a very select group of dramatists, an "inner circle," known as the Players' Club. It is a sort of senior organization composed of the most competent and experienced members of the Dramatic Club. These students are usually only those who have been members of the Dramatic Club for at least three semesters.

Any member of Dramatic Club is eligible for membership in the Players' Club. In order to attain this honor, one must earn seventy-five points through hard work as actors, as members of the various stage, costume, and business crews, as crew managers, or by selling tickets. These members act as advisers or helpers to the new students of the Dramatic Club. They perform many responsible duties such as judging the Dramatic Club try-outs. They also have charge of appointing the permanent crew managers.

Every year the Players' Club produces a spring play, which is cast from their organization. They carry on their own business transactions.

Since there is no need for either a secretary or a treasurer of the Players' Club, they have only a president and vice-president. This year they are, respectively, Chandler von Schrader and Frank Douma. Their leader and counselor is Miss Bertha C. Stover, Dramatic Club adviser.

FASHION

SCENE: NEW YORK IN 1850

Something new! Something different! This was the theme of the first dramatic club play of the year. Such things as the actors' poses, style of speech, old soliloquies and asides, which the actors used as a method of telling their inner feelings to the audience, made up the old fashioned play.

Many of those in the cast were old hands, but there were new members also who showed that they, too, had outstanding talent.

Everyone worked exceedingly hard, and Miss Stover was kept very busy to bring about the smooth, polished play that resulted.

"The Chimes of Normandy" was the light opera chosen by the Mixed Chorus of Ottumwa High School for their musical production this year. It was written by Robert Planquette. The setting of the operetta was Normandy, France and deals with eighteenth century life. This production was one of the most eagerly awaited events of the school year.

Directing the production was Selma G. Aas, music supervisor, who was assisted by Bertha C. Stover, dramatic coach. The student directors were Norma Metz, Mary Osborne, and Marcielle Terrill.

Jacqueline Rankin and Robert Miley.

Jack Bullock, Alda Tullis, Mary Alice Ratcliffe, John Brenneman.

DECLAM

MY FRIENDS

"Declam" is undoubtedly one of the more helpful activities in school for the development of one's personality and one's ability to speak before a large audience with poise and self-assurance. Each year the members of "Declam" take part in several local contests, which are held to determine the most outstanding speakers of the club. They go to the county, district, and state declamatory contests. The state winner may even go as far as the national contests.

Our school sends several representatives to the Iowa Nine, which has separate contests for the boys and for the girls.

Miss Dorothy Lindley, the organization's helpful adviser, does splendid work in keeping "Declam" what it is to-day.

DEBATE

AND FURTHERMORE -

If you are self-conscious or nervous when speaking before an audience, participation in the Ottumwa High School Debate Club will help you overcome the fear of public speaking.

Under the direction of Miss Lindley, the members have practice debates, go on trips out of town, and have the concession at football and basketball games.

The National Forensic League, national forensic society, has in recent years been installed in O. H. S. Membership to this inner society is gained by an accumulation of twenty points for various activities.

The officers of Debate Club are: George Schleicher, president; Walter Johnson, vice-president; Barbara Savage, secretary; John Stansberry, treasurer.

BAND

PROF'S PARADERS

Our band is a volunteer organization and although the members do have a few trips as a reward, they work very hard to become as expert on their respective instruments as possible.

As large as our band was this year, there was no "driftwood," no silent or "dummy" horns; each person realized that his particular part was important and played it accordingly.

Much credit should go to Mr. Dayton for his patient work with the organization. We were also blessed with a very fine drum major, Wallace Michener, and two very capable drum majorettes, Barbara Jean Pherigo and Jean Collier.

ORCHESTRA

WALDO'S LITTLE SYMPHONY

Among the many organizations in our school one of the most important is the orchestra. Any student who has displayed sufficient talent to become a member of the orchestra receives valuable training and experience under the guidance of Mr. Scott.

The orchestra plays a prominent part in the activities of the school year. It furnishes musical entertainment for all Dramatic Club plays, for the Christmas pageant, and various other activities. Each year this organization takes part in the state-wide musical festival in some neighboring city.

Within this organization there are numerous small groups who are always willing to entertain outside audiences.

Ottumwa High School has reason to be proud of its Mixed Chorus. It is one of the most popular and one of the largest organizations in the musical department of our extra-curricular activities. It is also very prominent in public performances as many civic organizations call upon it for entertainment.

The Chorus is made up of approximately seventy-five students who participate in the annual operetta, the Christmas pageant, the spring concert and either the State Music Festival, or the State Music Contests. Their instructor is Miss Selma Aas, and their accompanist is Betty Stockberger.

SMALL GROUPS

TRIO

Jean Click, Jacqueline Rankin, Wanda Shields,
Mary Elizabeth Wilson (accompanist).

Another such organization is the girls' trio. They very capably present old and modern compositions, beautifully and effectively done. They are much in demand among the various civic clubs of the community. They sing, also, for church gatherings and school assemblies. The girls meet twice each week for rehearsals under the direction of Miss Aas. Here they gain an understanding of the music which they sing so well. Every year one of our small vocal groups is entered in either the State Music Contests or the State Music Festival. Sometimes this trio is chosen.

SEXTETTE

Seated: Mary Elizabeth Wilson, Mary Osborne
(accompanist), Betty Burkhalter.
Standing: Barbara Proctor, Franny Michael,
Ellen Belle Baker, Ruth Dickson.

Among the small vocal groups within the Ottumwa High School music department, there is an organization known as the girls' sextette. The six girls composing it, along with their accompanist, are well-known in the community for their artistic representations of best-loved songs and ballads. All of these girls sing in the Mixed Chorus. To become a member of this group, a student's voice need not be an exceptional one. However, it should have a clear quality and an accurate pitch. This group is under the expert direction of Miss Selma G. Aas.

The Hi-Y club is, without a doubt, the outstanding boys' club in the school. It is a nation-wide organization and, therefore, you will find the Ottumwa branch carrying on correspondence with branches in distant cities getting ideas from them as well as giving them information as to meetings, etc.

During the year the Hi-Y enters into many school and state activities. Probably the highlight of the club's work is sponsoring the annual homecoming day.

This year the club had fine officers to lead it in its work. Mr. Hamley of the high school and Mr. Hickman of the Y helped greatly with the club.

HI-TRI

TO FACE LIFE SQUARELY

Every year physical and mental health is being stressed in connection with school, and here in O. H. S. the organization of Hi-Tri aids.

Weekly at the Y. W. C. A. the members of this girls' club take part in various kinds of sports such as basketball. At the meetings, every two weeks, discussions on personal problems and character are held in addition to the social gatherings. Also there are out of town conferences which aid the girls in a better understanding of each other.

The group's adviser is Miss Daniels, and the officers are: Betty Kalec, president; Mollie Docterman, vice-president; Mary Lynch, secretary; and Patricia Manns, treasurer.

ART CLUB

BRUSH WIELDERS

One of the most interesting organizations in our school is the Art Club. This club was formed for the purpose of creating greater interest and keener appreciation of drawing and other phases of art. Any art student and any other pupil having talent for this work may belong to the club.

The Art Center in our community has been of great value to this club. Many meetings are held there as the members study various works of art.

The officers of the club are: Opal Curran, president; Patricia Manns, vice-president; Betty Nupp, secretary; and Betty Kalec, treasurer. The club adviser, Miss Daniels, gives freely of her time and advice.

PRINTING CLUB

LET 'EM ROLL

Certain members of Mr. Webert's printing classes who want to do such outside work as printing the stamp cards and Argus News compose the Printing Club. The members, to do such work, necessarily have to put in extra hours and show great interest in the art of printing. As a reward they gain much valuable experience under the expert supervision of Mr. Webert. In later life if they want to continue this type of work it is all the more valuable to them.

We should appreciate them all the more because of the fact that their efforts go quite unheralded; so here's a million thanks to a fine organization.

The Commercial Club consists of members of the different commercial classes, who wish to learn more about the problems of business. They meet twice each month at which time they discuss problems of interest to the members. At several of their meetings prominent men discussed present day business problems. The business men's co-operation has been very helpful.

One of the club's main events is participation in the Iowa State Commercial Contest, which is held each year to give outstanding members an opportunity to compete with students of other schools.

The club functions under the capable supervision of Miss Taylor and Mr. Haahr.

LATIN CLUB

COLLEGIUM LATINUM

Here is a club to everyone's liking, for it has its own special songs and password. A prospective member of Latin Club must have his grades above a certain average and pass an examination to be eligible.

The Latin Club's purpose, through the guidance of its sponsors, Miss Nye and Miss Ver Heul, is to improve the members' understanding of old Roman customs and ways. And to further this understanding the officers are patterned after the Roman form of government. They are: Robert Baker, Norma Metz, consuls; Mary Krumboltz, praetor; Walter Johnson, Dorothy Hawkins, censors; Jeanne Moore, quaestor; Evelyn Houdyshell, secretarius; and Francis Stoessel, janitor.

"Le Cercle Francais" is a club for all the students studying French in Otumwa High School. Its purpose is to acquaint the members of the club with customs and habits of the French people. This is carried out through entertainment at monthly parties held in the club room. French songs are sung, and stories about France are told.

This organization is led and directed by Miss Fast, who is interested in promoting knowledge of the French language and customs among high school students.

The officers of the French Club are: Frances Michael, presidente; Chandler von Schrader, vice presidente; George Mosher, secretaire; and Ann Rowe, tresorier.

SPANISH CLUB

EL CIRCULO ESPANOL

Another of the school's foreign language organizations is the Spanish Club. This club has a membership of about thirty students. One of the aims of Spanish club is to help the students of the various Spanish classes become better acquainted with one another. Many of them find that they have common interests.

Aside from their social activities, the members have studied the life and customs of the Latin-American nations. At their meetings they have heard lectures and seen motion pictures made by people who have travelled in those countries.

The officers are: Marion Higdon, president; Colleen Amelang, vice president; Bernice Smelser, secretary-treasurer.

HOME EC. CLUB

"ADD TWO CUPS OF FLOUR--"

Of the many extra-curricular activities in school, one contributing many useful ideas for later life, is the Home Economics Club. This club was formed to further interest in the home and school and to develop the ability and graciousness of becoming a good hostess. During the school year each member has the opportunity of being hostess at the monthly meeting and planning the program and refreshments.

Occasionally the group has the privilege of hearing authorities on home making and personal grooming. The club often visits different stores to study modern home equipment.

The officers are: Betty Blizzard, president; Jean Leon, vice president; Cleone Mercer, secretary; Donna Ross, treasurer. The club's adviser is Miss Kasischke.

F. T. A.

FUTURE TEACHERS

In Ottumwa High School there has been formed a group which is beneficial to the members not only now but also after graduation. This is the F. T. A. or the Future Teachers of America.

Under the supervision of Miss Standing the pupils in this group prepare for their future vocation by studying methods of teaching both in this locality and all over the nation. They also study lives of great teachers and educators.

Many people graduate from high school without even a fundamental knowledge of their vocations, but through this association and training these future teachers will have a working knowledge of professional teaching, which will be of great benefit to them.

Stadium Dedication

NIGHT FOOTBALL FOR OTTUMWA

Donaldson and Swanson raise flag.

On the evening of October 2, 1941, Ottumwa High School dedicated the new ninety-thousand dollar stadium. As the high school band marched down the field to stand at attention before the United States flag, the powerful lights surrounding the stadium were slowly lowered, until, they were completely extinguished. The flag remained lighted only by a number of red flares as the cheer leaders raised it. During this time the band was playing the national anthem.

In the first half of the game played between the Ottumwa Bulldogs and the Fairfield Trojans, our boys showed unusual football skill.

At the half, short speeches of dedication were made by Mr. Walter H. McElroy, president of the Board of Education; Mr. Ray Murray, W. P. A. director; and Mr. H. V. Wilson, School Board member and chairman of the athletic field board.

The evening ended in triumph for the mighty Bulldogs by defeating the Trojans, 24-0.

COACHING STAFF

FRED MAASDAM

A newcomer among O. H. S. coaches is Fred Maasdam, who serves as coach of the Freshman-Sophomore athletes on both the gridiron and the hardcourt. Mr. Maasdam also assists Don Newell in track activities, and is boys' physical education director.

Mr. Maasdam attended Parsons College where he lettered in football and track. Coach Maasdam started his coaching career at Richland, later moving to Washington. He also coached at Packwood before coming to Ottumwa. Although he has served but one year at O. H. S. Mr. Maasdam has become exceedingly popular with the students and his fellow faculty members.

Don Newell continued his fine record at O. H. S. by again turning out excellent squads in both football and track. He also served as an invaluable assistant coach in basketball.

Coach Newell himself drew much acclaim as an athlete, when he lettered in football, basketball, and track for four years at Iowa Wesleyan College. Since receiving his diploma at Iowa Wesleyan, Mr. Newell has served as coach at Fenton, Eddyville, and, of course, Ottumwa. Coach Newell's thirteen years at O. H. S. make him dean not only of Ottumwa High School coaches, but also of all the coaches in the Little Six Conference.

DON NEWELL

E. J. KALTENBACH

E. J. Kaltenbach has served his third successful year as head basketball coach at O. H. S. and his fifth year in the system. Besides his basketball duties, "Butch" invariably turns out tough forward walls in performing his duties as line coach in football.

In the spring Coach Kaltenbach turns to golf, his linkmen having captured the Little Six Championship both years he has coached the sport.

After obtaining his B. A. degree from Iowa State Teachers' College, Mr. Kaltenbach became superintendent of public schools in Clermont. Later he served in the same capacity at Melbourne. "Butch" also taught at East High, Waterloo, before coming to Ottumwa.

FOOTBALL SQUAD

"LITTLE SIX CHAMPS"

The 1941 football edition of O. H. S.'s "Battlin' Bulldogs" finished with one of the greatest records ever to be produced by an Ottumwa eleven. Last fall's squad has been ranked with O. H. S. heroes of the days of Ralph O'Dell. Don Newell's powerhouse met serious trouble just once when they were held to a 7 to 7 tie by Ft. Madison. Muscatine was the only other aggregation able to penetrate the Bulldogs' "stonewall" defense for a touchdown. However, this was scored after Ottumwa held a margin of eighteen points. O. H. S. rolled over the rest of their opponents, amassing a total of two hundred sixty-two points to their rivals 13.

Don Newell's thinclads finished the 1941 season with a very fine record. In their first two meets the O. H. S. speedsters rose to great heights, winning the Little Six Indoor Meet and capturing second in the State Indoor Meet. After this the Ottumwa track and field athletes finished third in the Osky Relays, fourth in the Valley Relays, and second in the Fort Madison Relays. Then came three successive triumphs for the Bulldogs. These victories came in the District Meet at Burlington, and in dual meets against Albia and Oskaloosa. Coach Newell's warriors ended their season by finishing second in the Little Six Outdoor Meet.

BASKETBALL SQUAD

CHAMPIONS OF IOWA

This was a big year for the O. H. S. basketball squad. At the end of their regular playing season they had become co-champions of the Little Six, beaten only by Muscatine.

Entering tournament play, they advanced from Sectional meet through the District to the Sub State, which they won, 30-28, in a thrilling overtime battle.

At the state tournament in Des Moines Ottumwa reached the finals by defeating Chariton and Spirit Lake. They entered the finals favored to lose to Davenport, the defending champion, by about fifteen points. But they played their greatest game of the season, and, leading from the start, they defeated the great Blue Devils, 37-30.

CROSS COUNTRY

"THE ROAD BACK"

Paced by the veteran, Joe Lord, the O. H. S. Cross Country Team finished another successful season. In dual competition, Ottumwa lost to Knoxville and defeated Fort Madison. Next the Bulldogs travelled to Iowa City for the State Mile Race, where they captured fifth place. Coach Newell's squad later returned to Des Moines for the State Cross Country Meet. This race was run over two miles of rough terrain of the Waveland Golf Course. The Bulldogs captured third place in the team rankings at this meet. Joe Lord, Bob Day, and Joe Wilford placed high on the list of individual performers.

CHEER LEADERS

"SPELL OUT OTTUMWA"

What makes us display vim and vigor at a football or basketball game? Of course, the credit belongs to the cheer leaders! To them goes the difficult task of providing pep for our student section. They are the ones who put us in the proper mood during a Pep Chapel.

Every year try-outs are held for any who have a desire to become cheer leaders. This year those who have been chosen by popular vote of the students to represent the Ottumwa High School cheering section are Don Swanson, Bob Bastron, Lois Donaldson, and Evelyn Miller. The substitutes are Don Pumroy and Marjorie Donaldson.

GOLF

FORE !!!

Ottumwa High School athletic department's most consistent performers, the golf team, had another successful season. The divot diggers' greatest feat was accomplished when they took the Little Six title for the fifth successive year. Coach Kaltenbach's crew was also very successful in dual and triangular meets, winning seven of their eight engagements. The lone defeat, at the hands of the Albia Demons, was later avenged by the O. H. S. pellet pounders.

That the Ottumwa Bulldogs have gained fame in statewide golfing circles was shown when they were invited to the Cedar Rapids invitational golf tournament. Competing against twenty of Iowa's finest high school golf teams, the O. H. S. golfers were a credit to the school by gaining third place.

Chan von Schrader warms up for a tough meet.

Row I—Phil Darbyshire, Jim Rickard, Charles Taylor, Roger Poling.

Row II—Coach Kaltenbach, Chan von Schrader, Jack Matheus.

INTRAMURAL

FRIENDLY ENEMIES

Vernon Miller's team vs.
Bob William's team.

For boys who like competitive athletics and are not yet large enough physically or not quite good enough in ability for the varsity teams, an intramural league is formed each year. In this league the boys have their own teams and compete for the championship of the league with just as much enthusiasm as if they were fighting for the championship of the Little Six. There is one positive element, and that is, although every team cannot be the champion, everyone has a lot of fun. That is the principal idea behind the league, along with the idea of promoting good sportsmanship and clean play among boys.

Row I—Kenneth Brookes, Roger Dalin, William Patrick, Eugene Stansberry, Don Koetting, Dwayne Humphrey, Bob Shumaker, Ernest Heckart, Bob Hall, Bill Applegate.

Row II—Coach Maasdam, George Holmes, Bobbie Williams, Warren Riley, George Simpson, Dick Batterson.

G. A. A.

A SOUND MIND IN A SOUND BODY

The Girls' Athletic Association creates an interest in athletics such as volleyball, hitpin, and baseball. This organization offers these sports for the enjoyment of its members, and for the good health which they promote.

Everyone in the G. A. A. is extremely eager to obtain an "O" which is presented to members who have earned five hundred points. To earn points the girls must participate in various sports. If five hundred extra points are gained, the girls obtain a state membership.

The officers of the club are: Frances Michael, president; Ruth Bush, secretary; Marjorie Donaldson, treasurer. The capable adviser is Miss Compton.

Row I—A. Young, M. Leonard, M. Palmer, B. Leedom, D. Nord, R. Bowen, B. Barton, D. Hampshire, P. Ross.

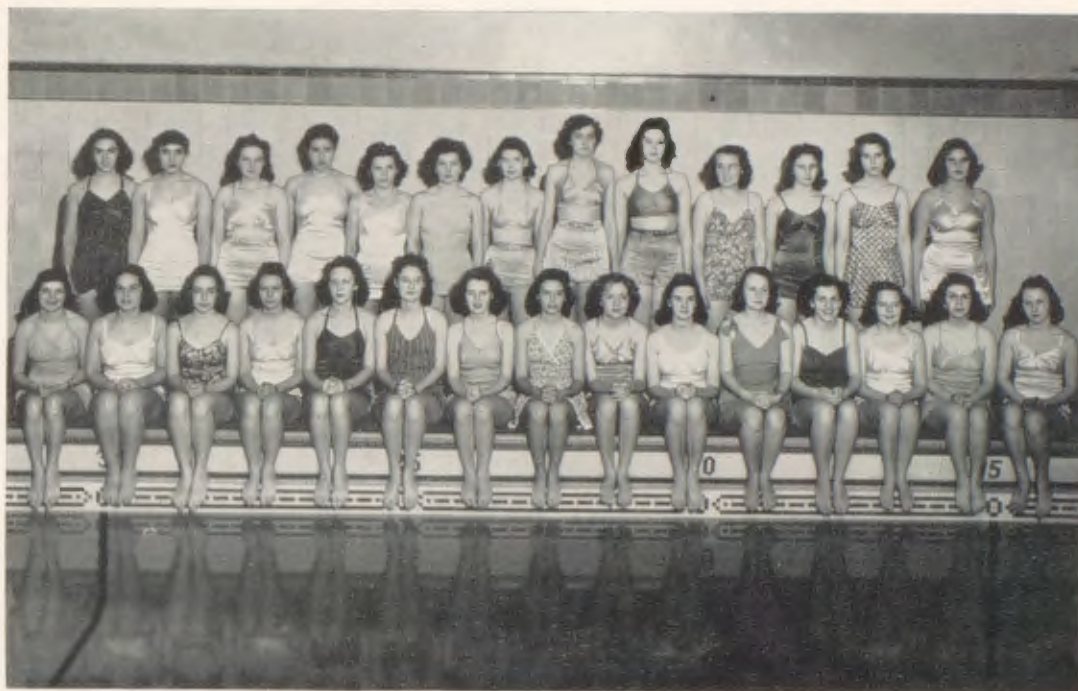

Row II—N. Peck, B. Overturf, D. Osteen, M. Donaldson, L. Donaldson, B. Ware, B. Williams, G. Cavall, Miss Compton.

Row III—D. Lingle, D. Johnson, L. Harness, J. Krizer, D. Smith, F. Michael, D. Cloud, H. Pottorff, D. Freeman.

SHARK CLUB

"THEY SWAM AND THEY SWAM ~ ~ ~"

Shark Club is a girls' organization composed of outstanding swimmers. The members of Shark Club act as life-guards for the various swimming classes during the day; therefore, the entrance tests must be very rigid to allow only the best swimmers to belong. After obtaining membership, the girls are required to pass the junior lifesaving test.

Each year the Shark Club presents an outstanding pageant, which displays difficult and spectacular feats in diving and swimming, under the direction of Miss Davidson, the club instructor.

The officers are Shirley Baker, president; Barbara Markley, vice-president; Patsy Packard, secretary; and Barbara Salter, treasurer.

Row I—A. Sheldon, M. Blazer, R. Jones, B. Markley, S. Baker, D. Baker, J. Knebel, C. Morrell, S. Cramblit, R. Heinje, J. Calhoun, P. Stoltz, J. Dempster, B. Barthelow, B. Salter.

Row II—B. Blazer, G. Collett, M. Bremhorst, B. Collett, P. Packard, R. Cary, M. Lyman, V. Titterington, J. Lanning, Z. Young, B. Stuhr, D. Gustaveson, M. Marinelli.

HOMECOMING

One of the most eagerly awaited events of this year more than ever was the Homecoming which is held every fall. This year's homecoming was a great success due to the tireless efforts of the Hi-Y.

Several days before the Homecoming, enthusiasm ran high throughout the school as the student body voted for the queen and her attendants.

The festivities began with a colorful and lengthy procession which wended its way through the business district and moved on to our new athletic stadium. Music was furnished by our high school band, which was followed by floats, bicycles and the Homecoming Queen and her attendants. Prizes were awarded to the various clubs for their novel floats. After the parade came the football game between the Ottumwa Bulldogs and Burlington's Greyhounds. A huge crowd filled the new stadium breaking all previous attendance records. In honor of this glorious event our team gave us a 20 to 0 victory over the Greyhounds.

As a conclusion to a perfect day, a dance was held at the Y. M. C. A. The members of the victorious O. H. S. team were the special guests at the dance. It was here that Jean von Schrader, candidate of the Argus Annual, was crowned queen by Gust Soteropulos, president of the Hi-Y. Her attendants were Betty Jean Loerke, Spanish Club candidate, and Jeanne Neiswanger, Student Council candidate. The music for this gala occasion was furnished by Art Reifsnyder's orchestra. All in all it was a perfect Homecoming.

*"Wars...break up immovable routine, clear the ground of rotten races...
open a fair field to new men."*

You exclaim, "But you can't mean that!" But we do. They are words from Ralph Waldo Emerson, words we all should try always to remember.

You, Class of 1942 of the Ottumwa High School, are stepping out into a world, the like of which time never before has recorded. A world which none of us imagined, even so recently as the day you entered the high school course of study.

Emerson, true and tried counselor, announced quietly: "The first lesson of history is the good of evil. Good is a good doctor; but Bad is sometimes a better."

These things you may ponder: The good of evil; wars breaking up immovable routine; a tendency in things to right themselves; a war-wise system shattered, opening a fair field to new men.

That, Class of 1942, is where you fit in, as once more we have the answer to our doubts and questions.
