Nineteen Hundred and Seventy-Two

Volume XXVI

look to this day

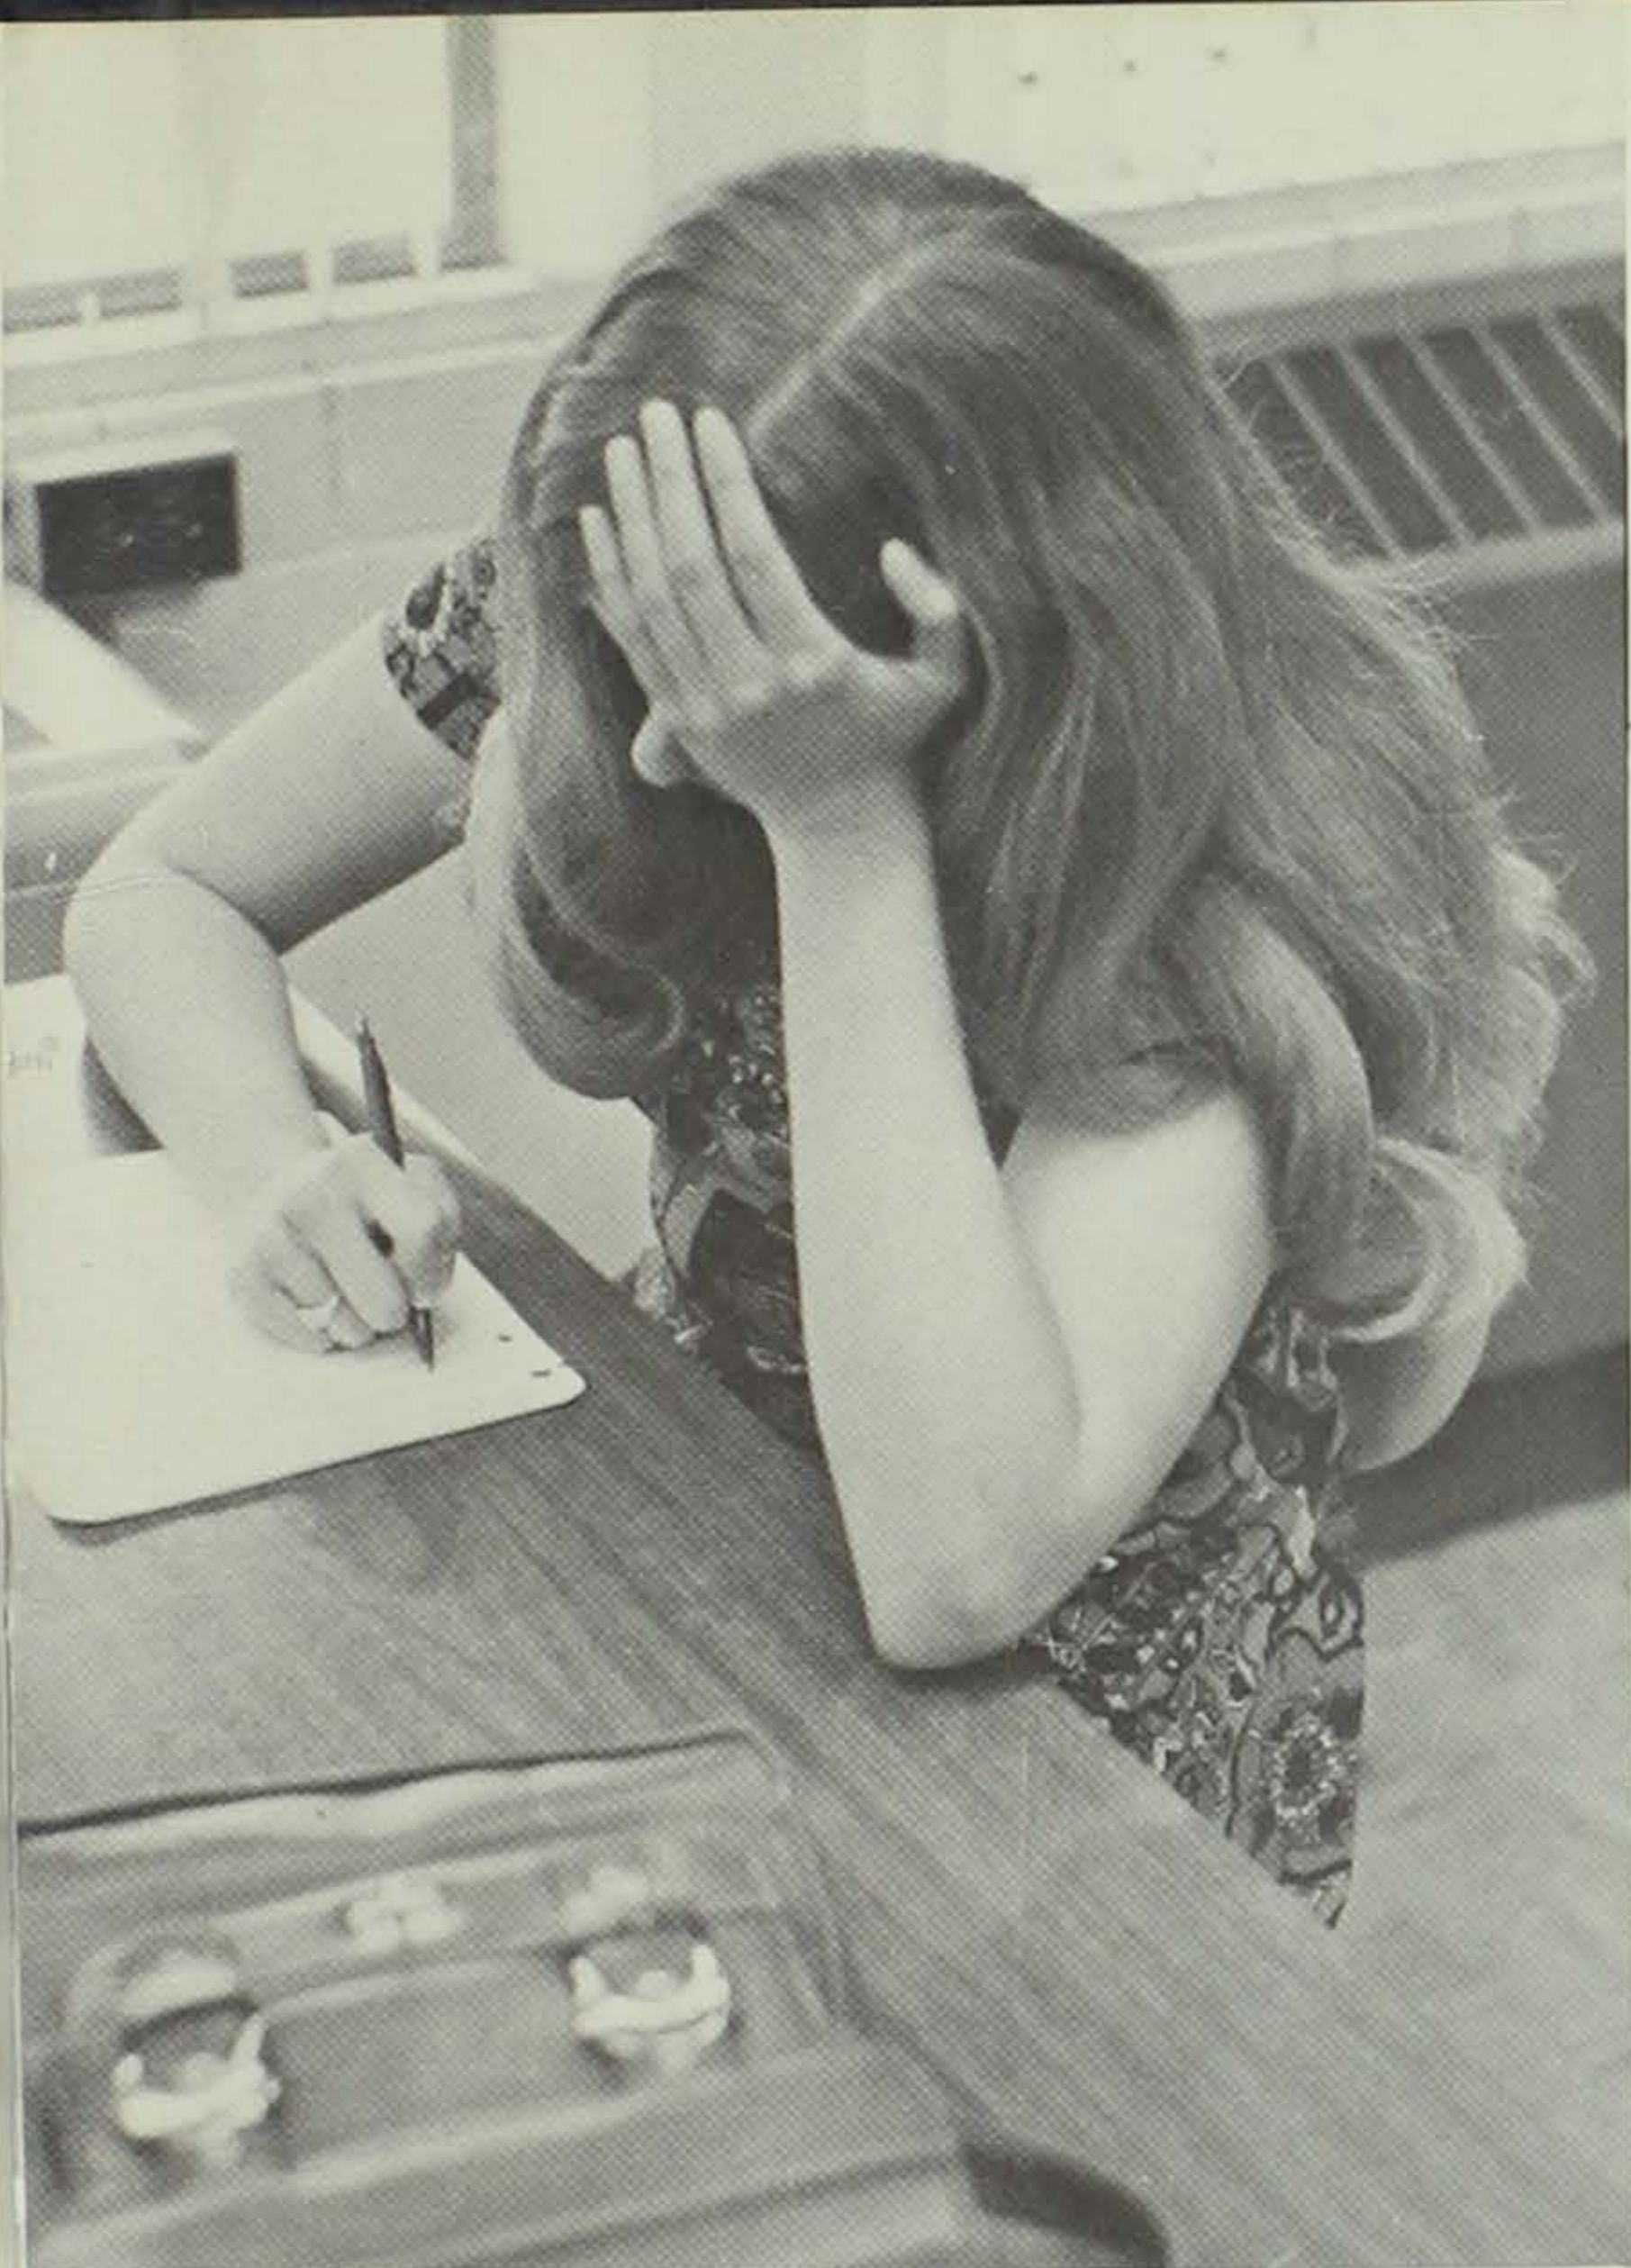

for it is life--

the very life of life

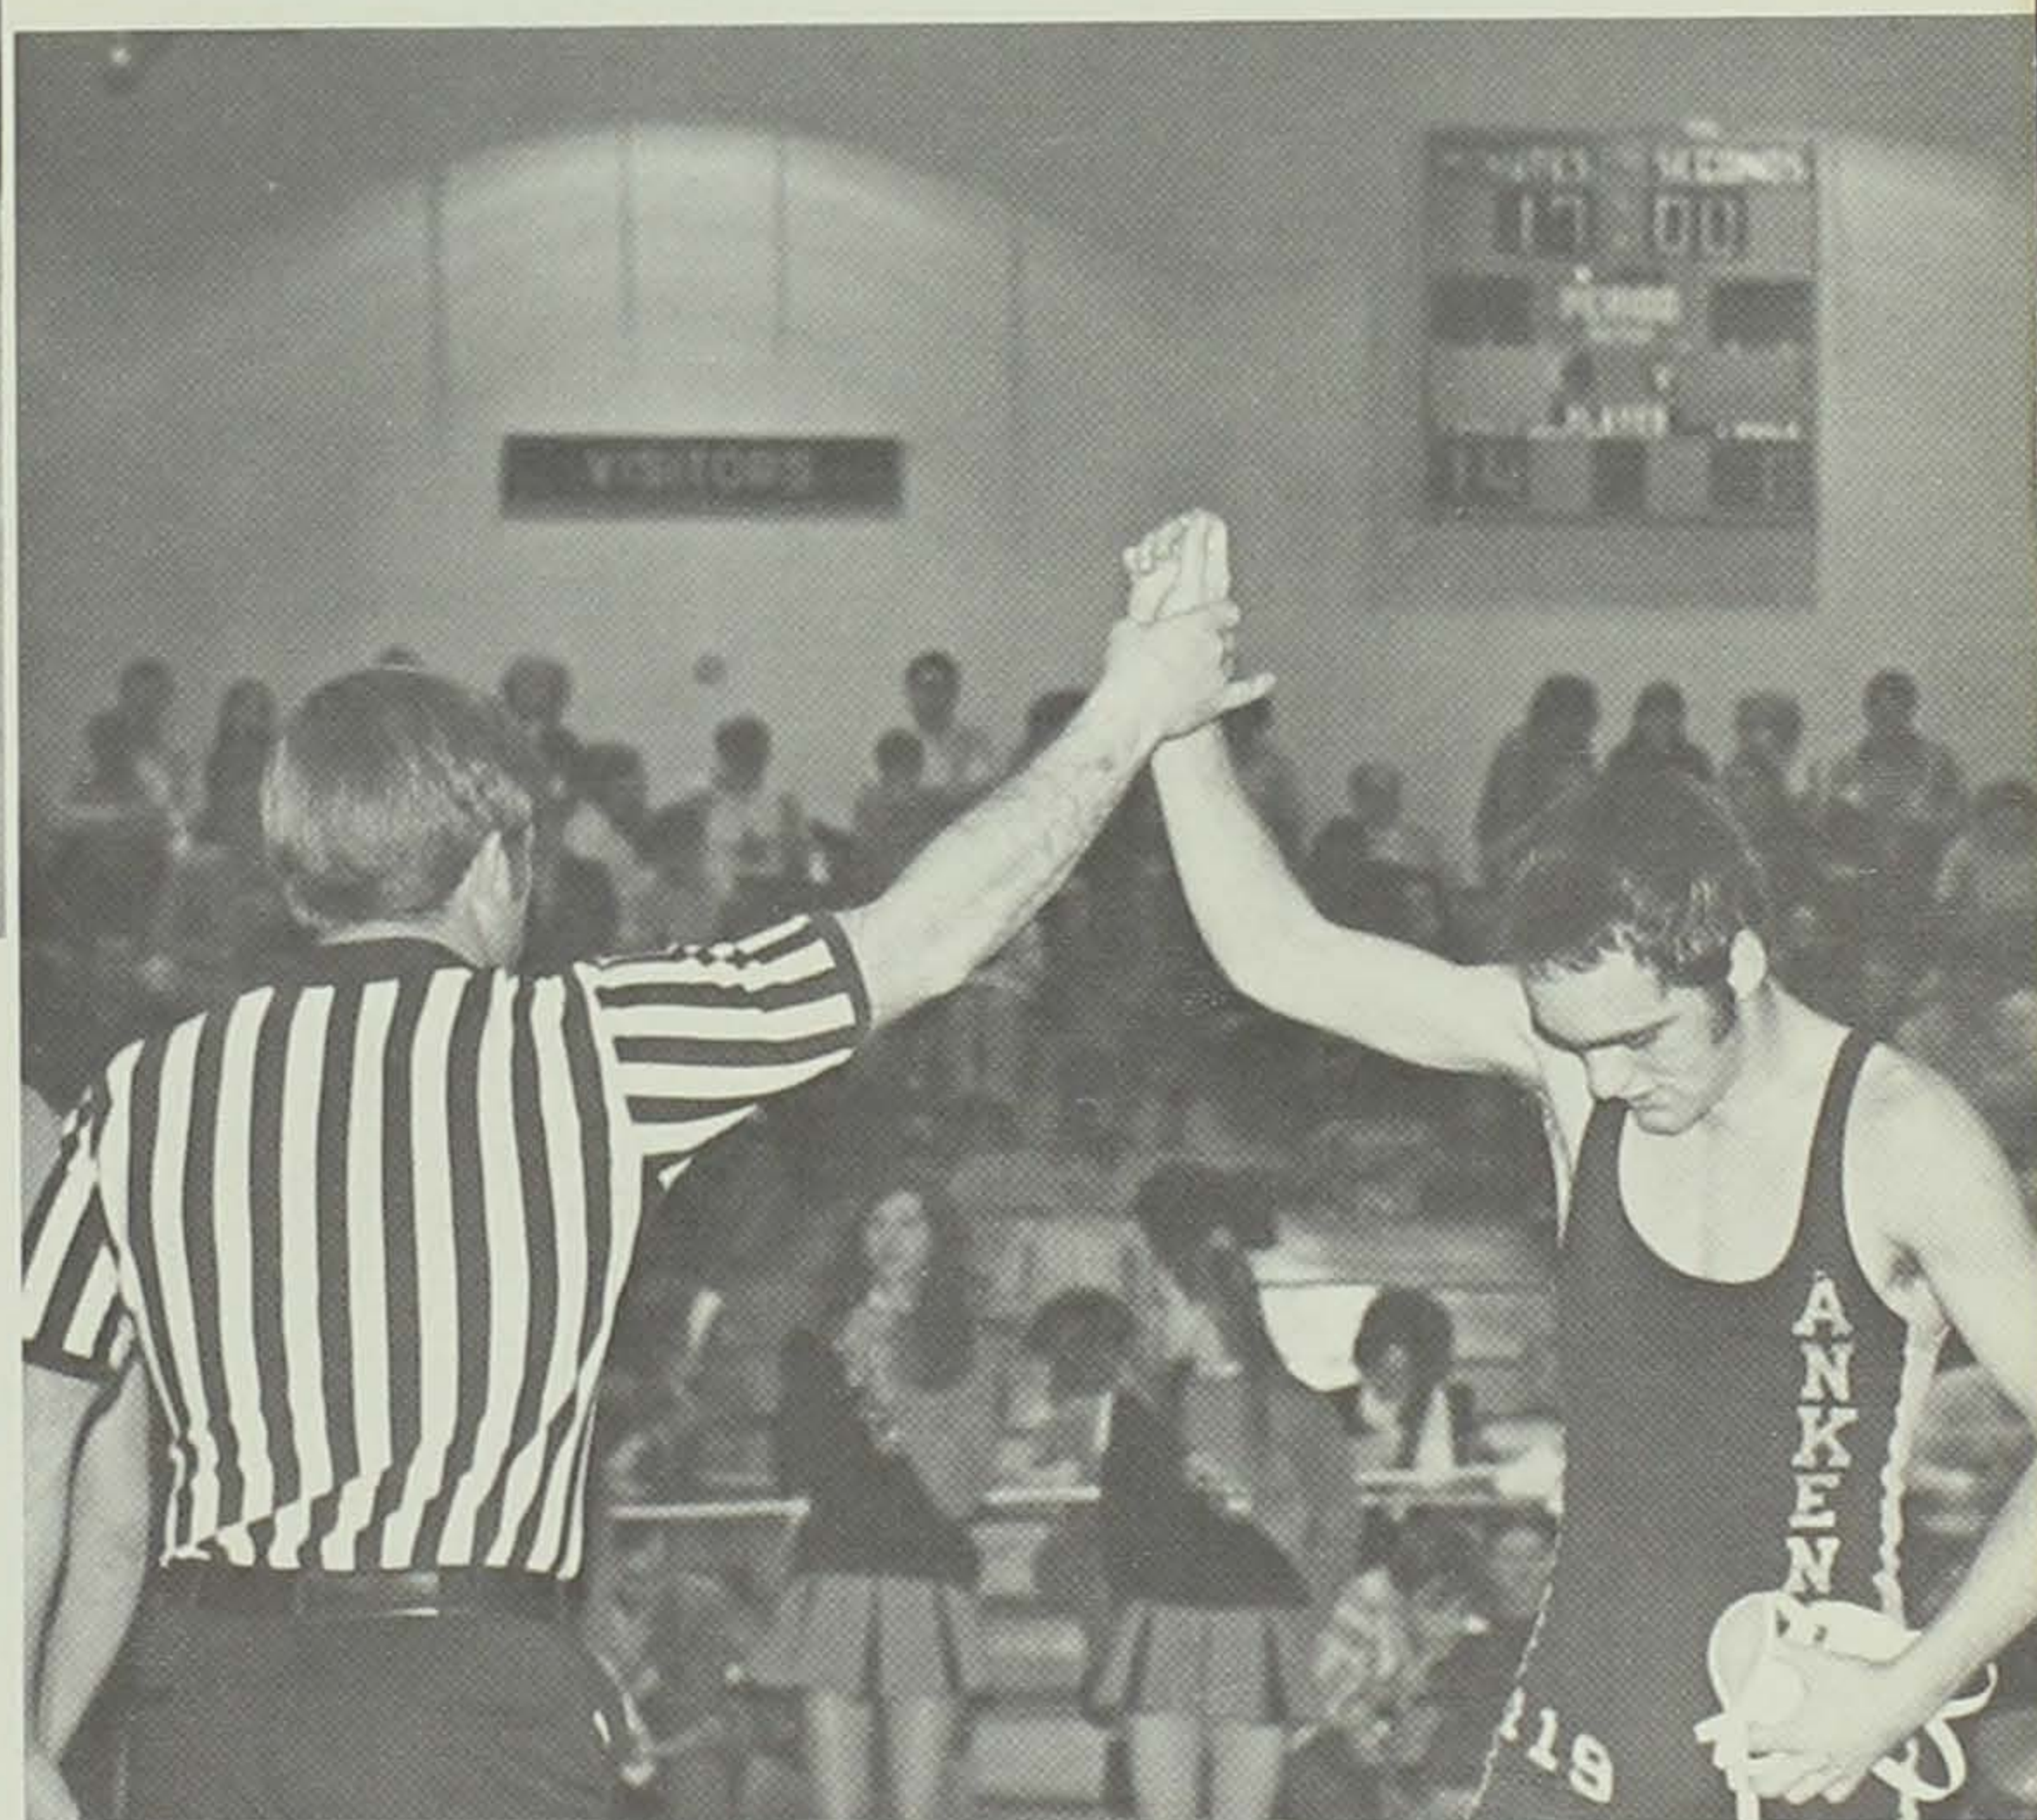

in it's brief course

lie all the verities of your existence

the bliss

of growth

the splendor

of achievement

the glory

of action

for yesterday

is but a dream

and tomorrow

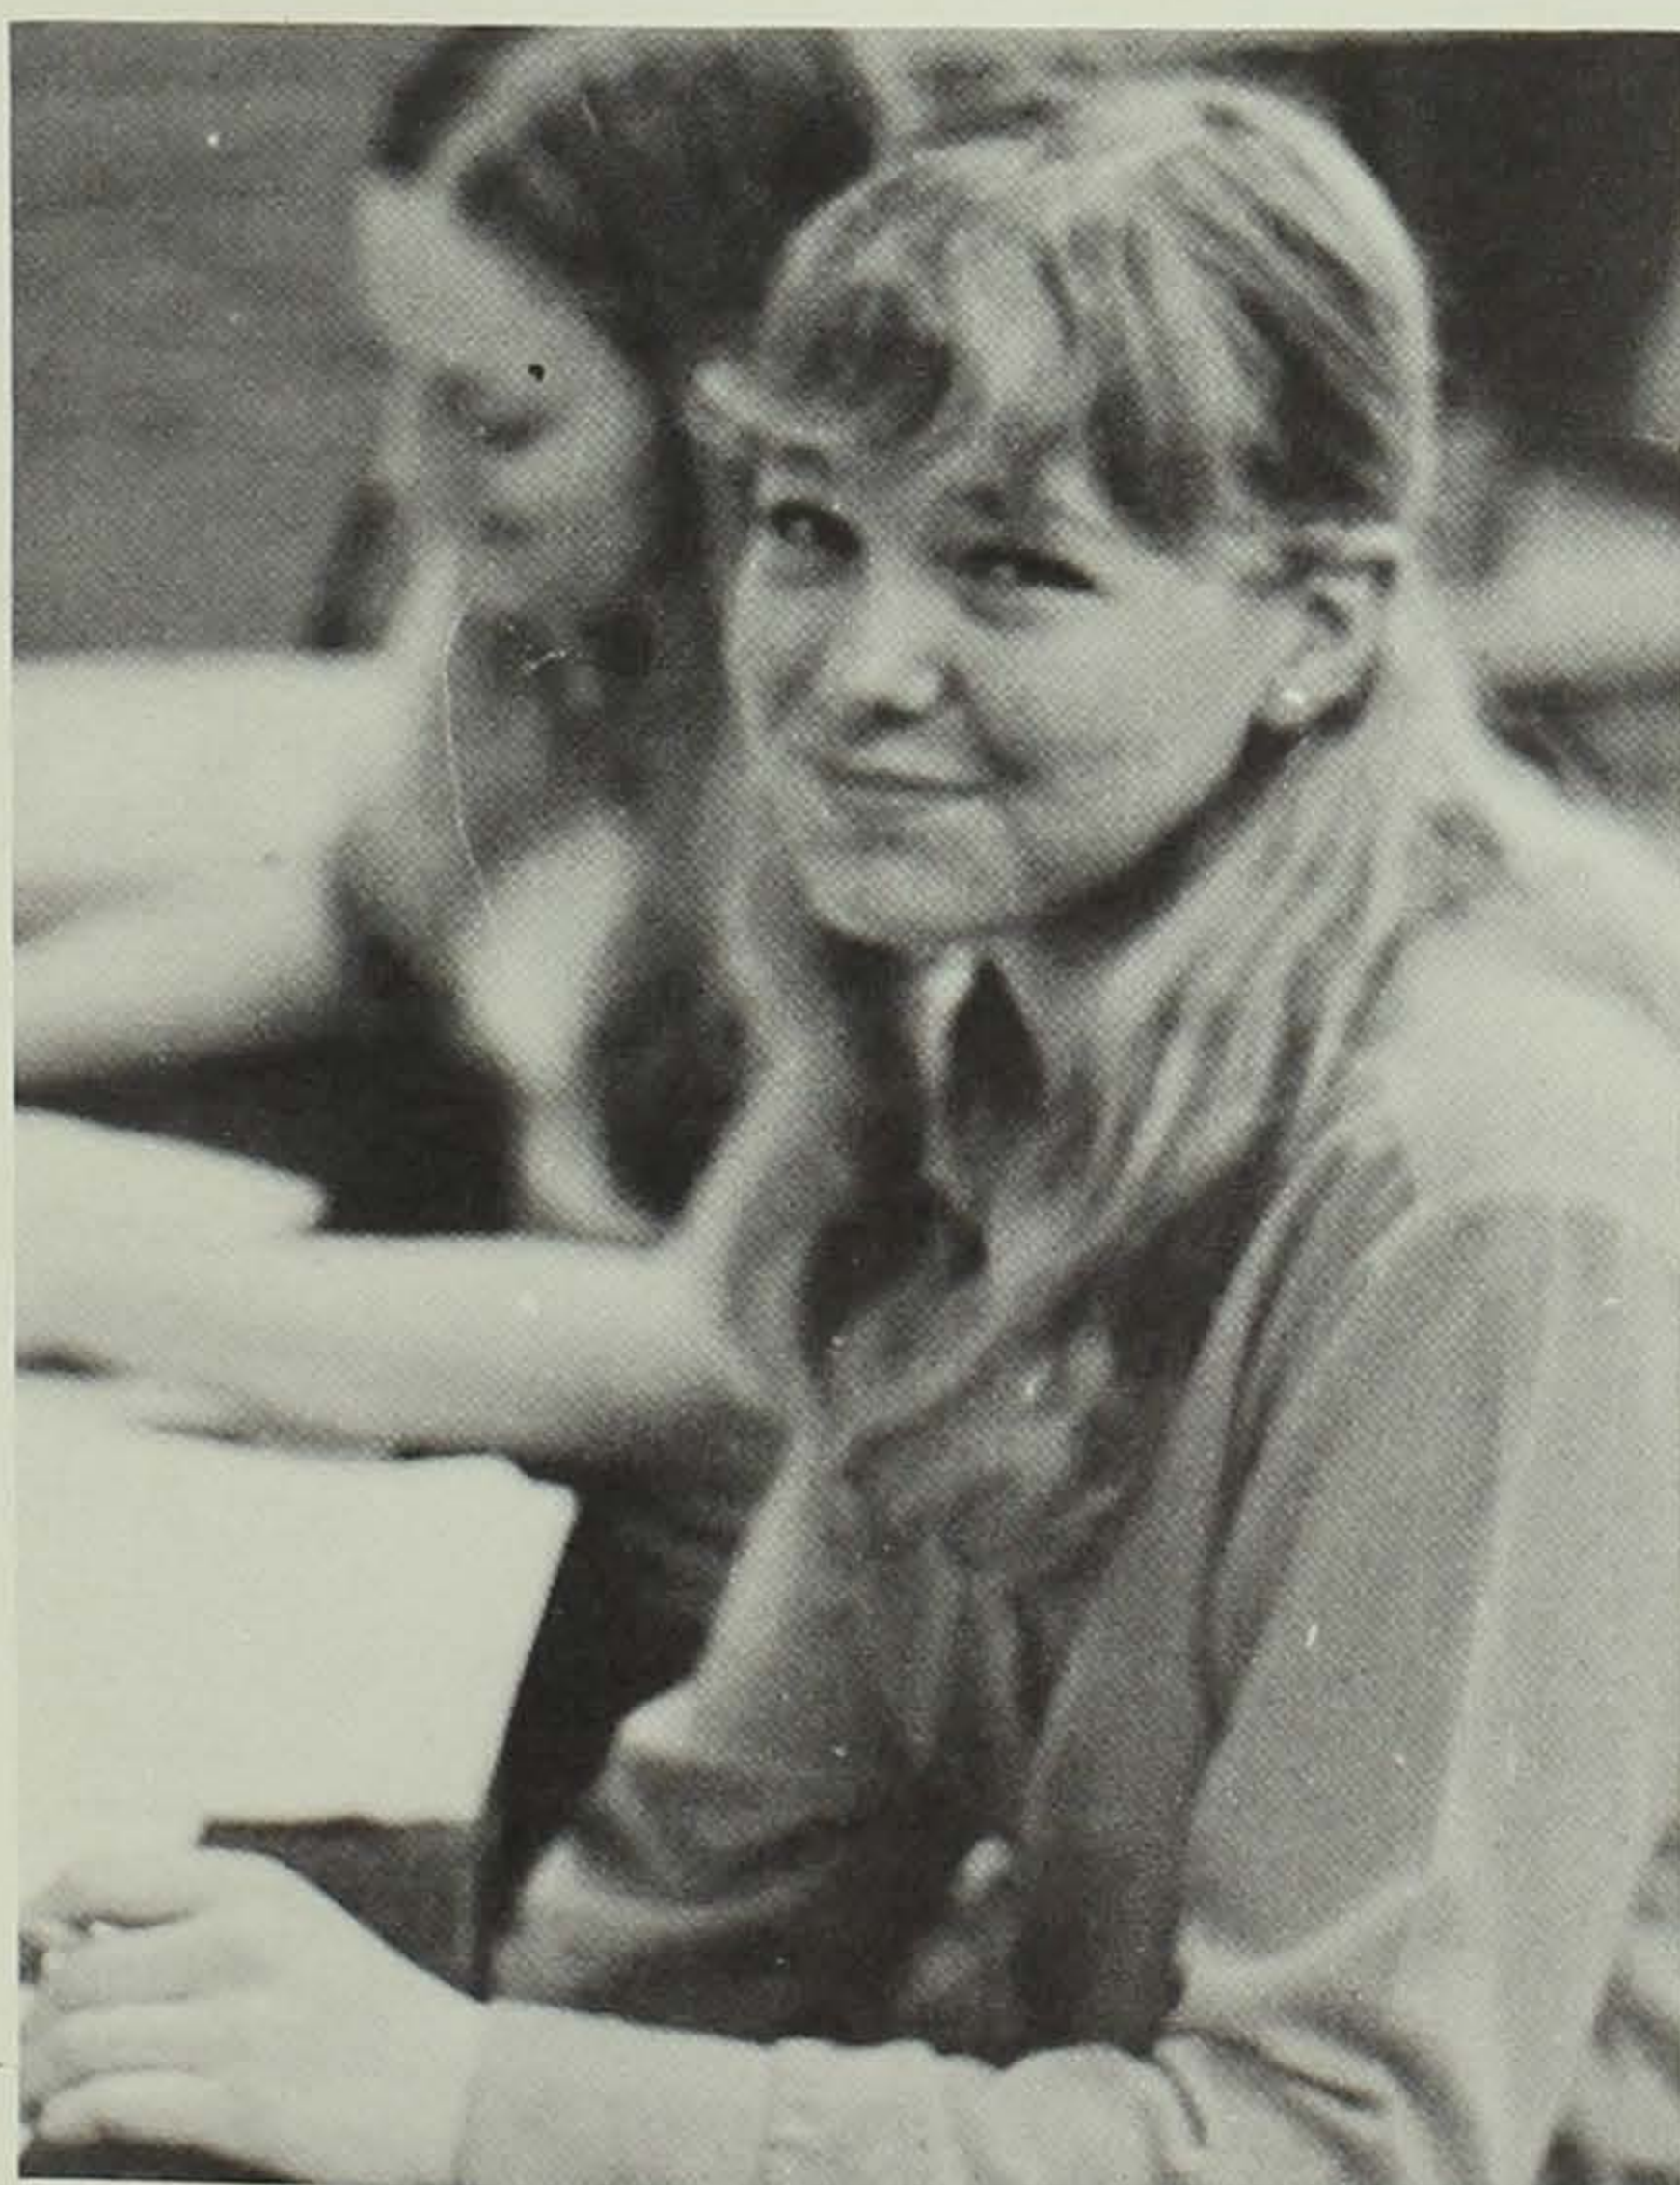

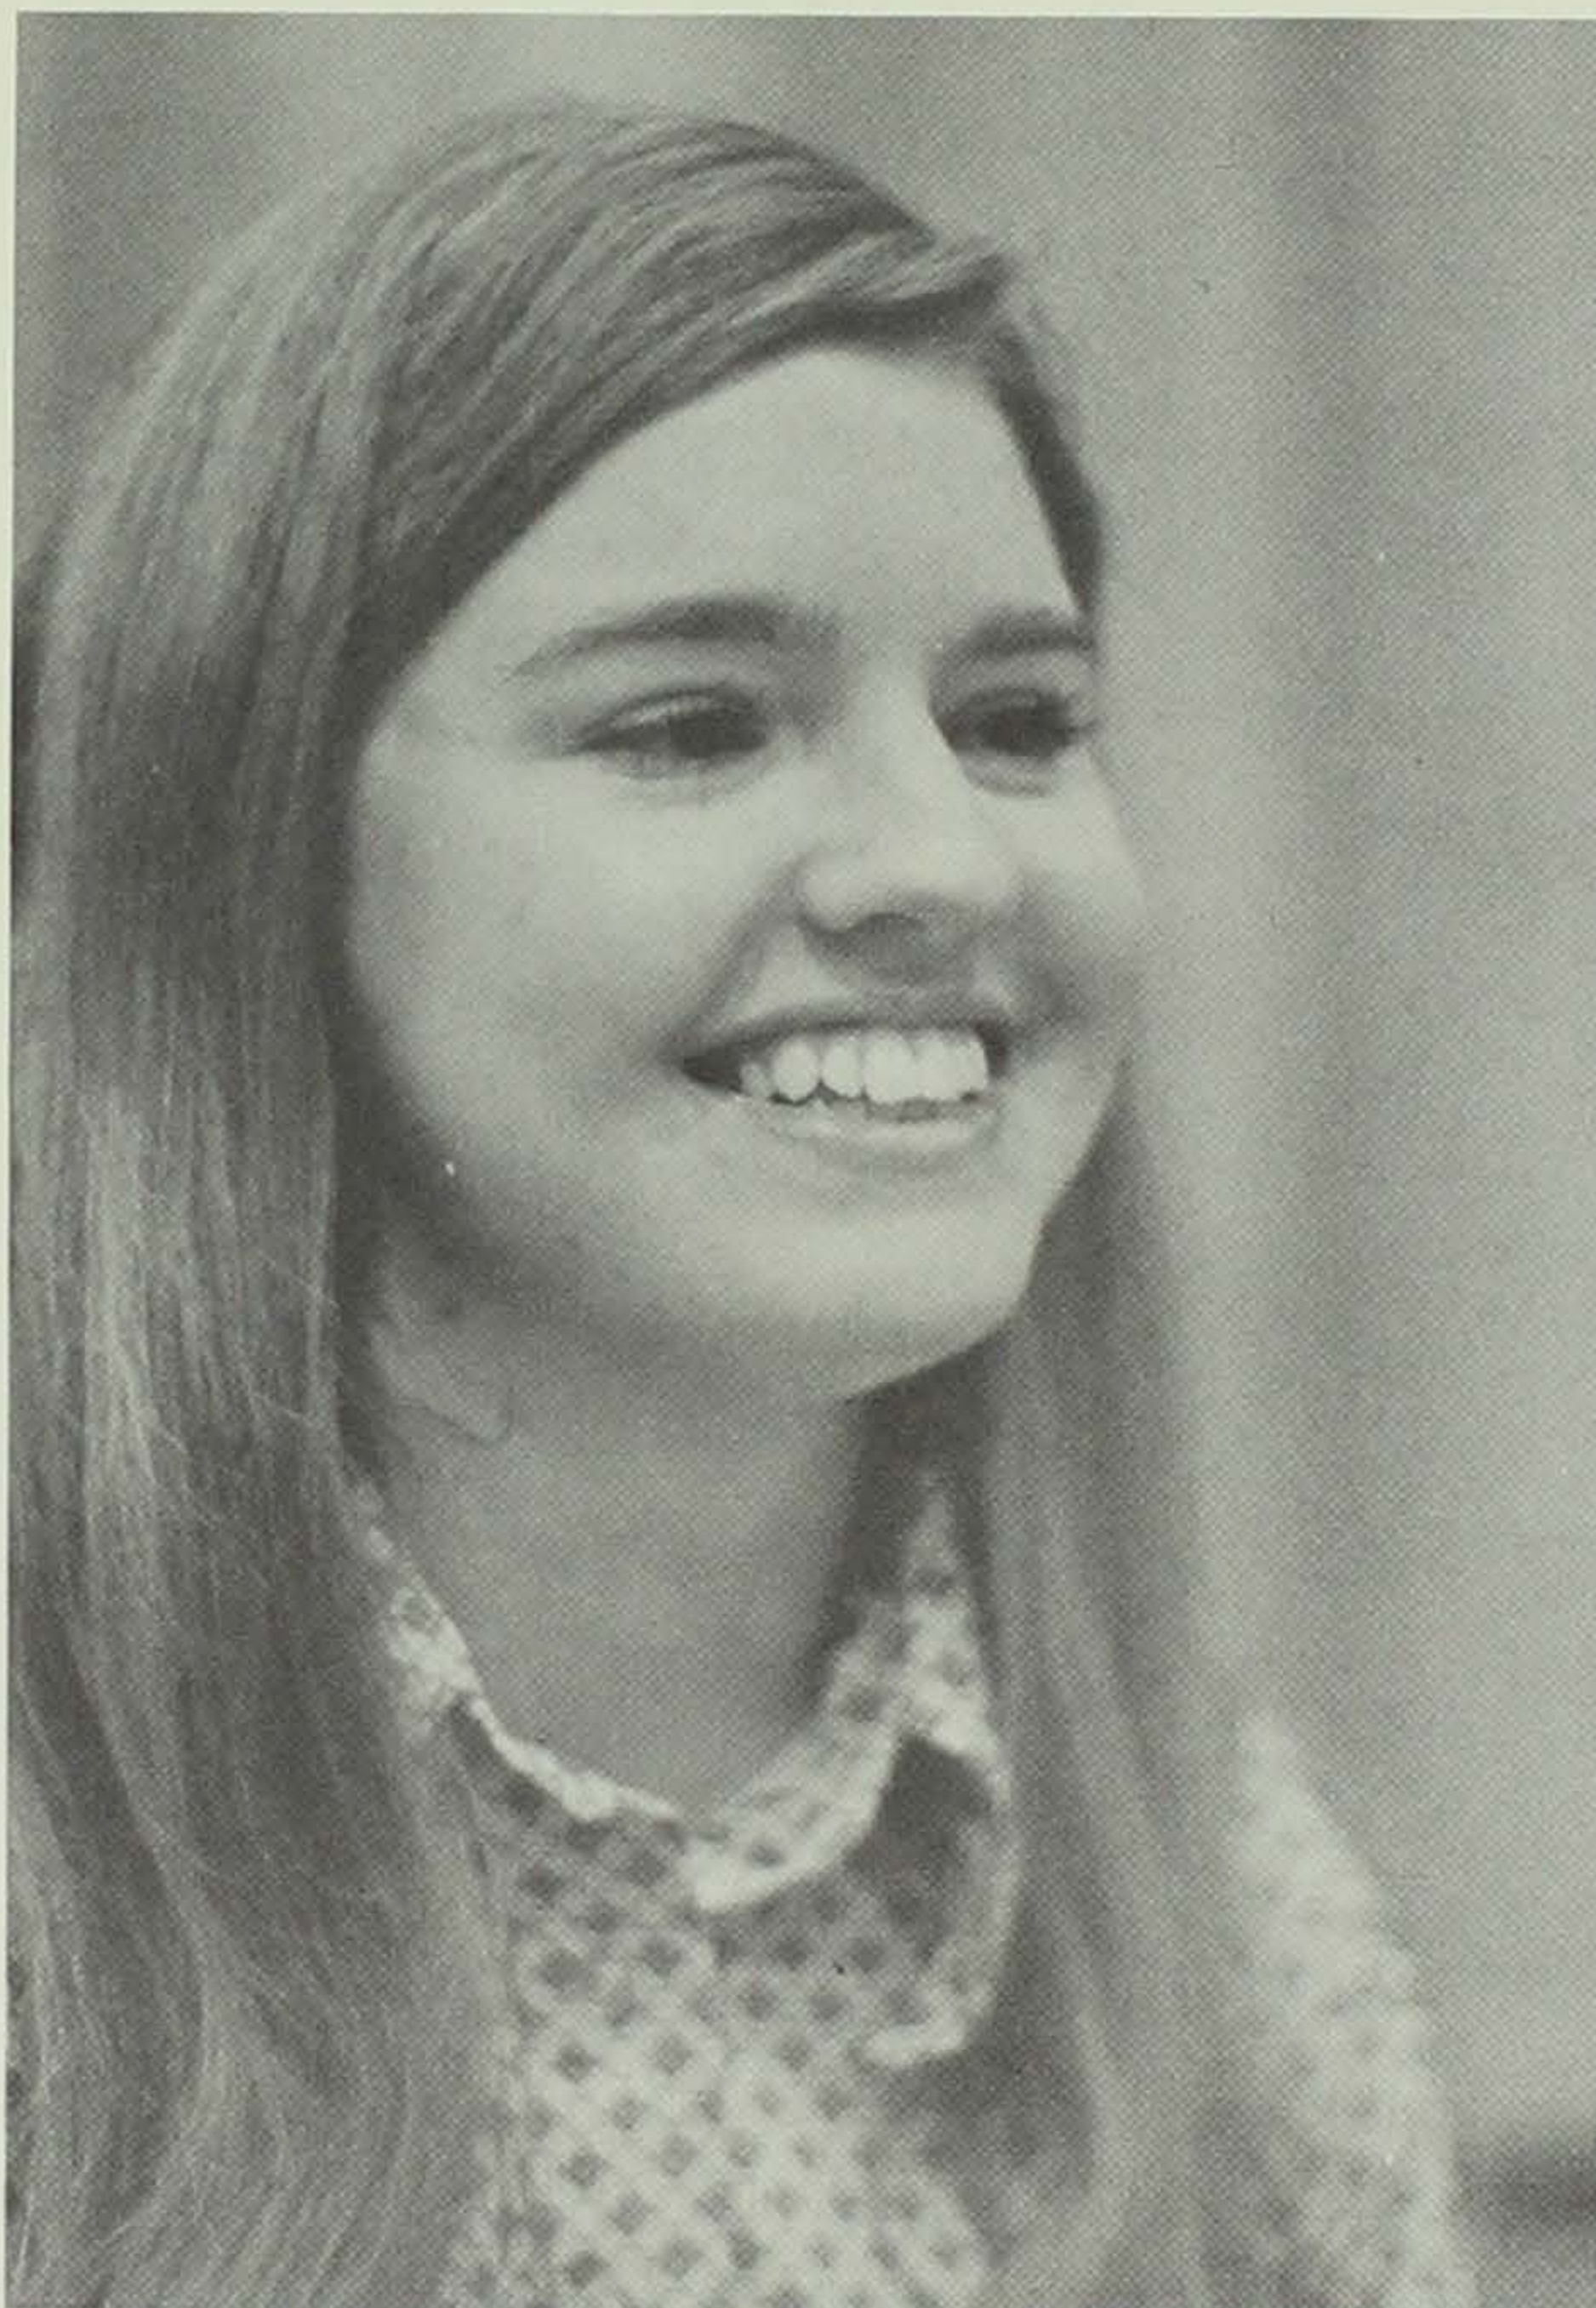

is only a vision

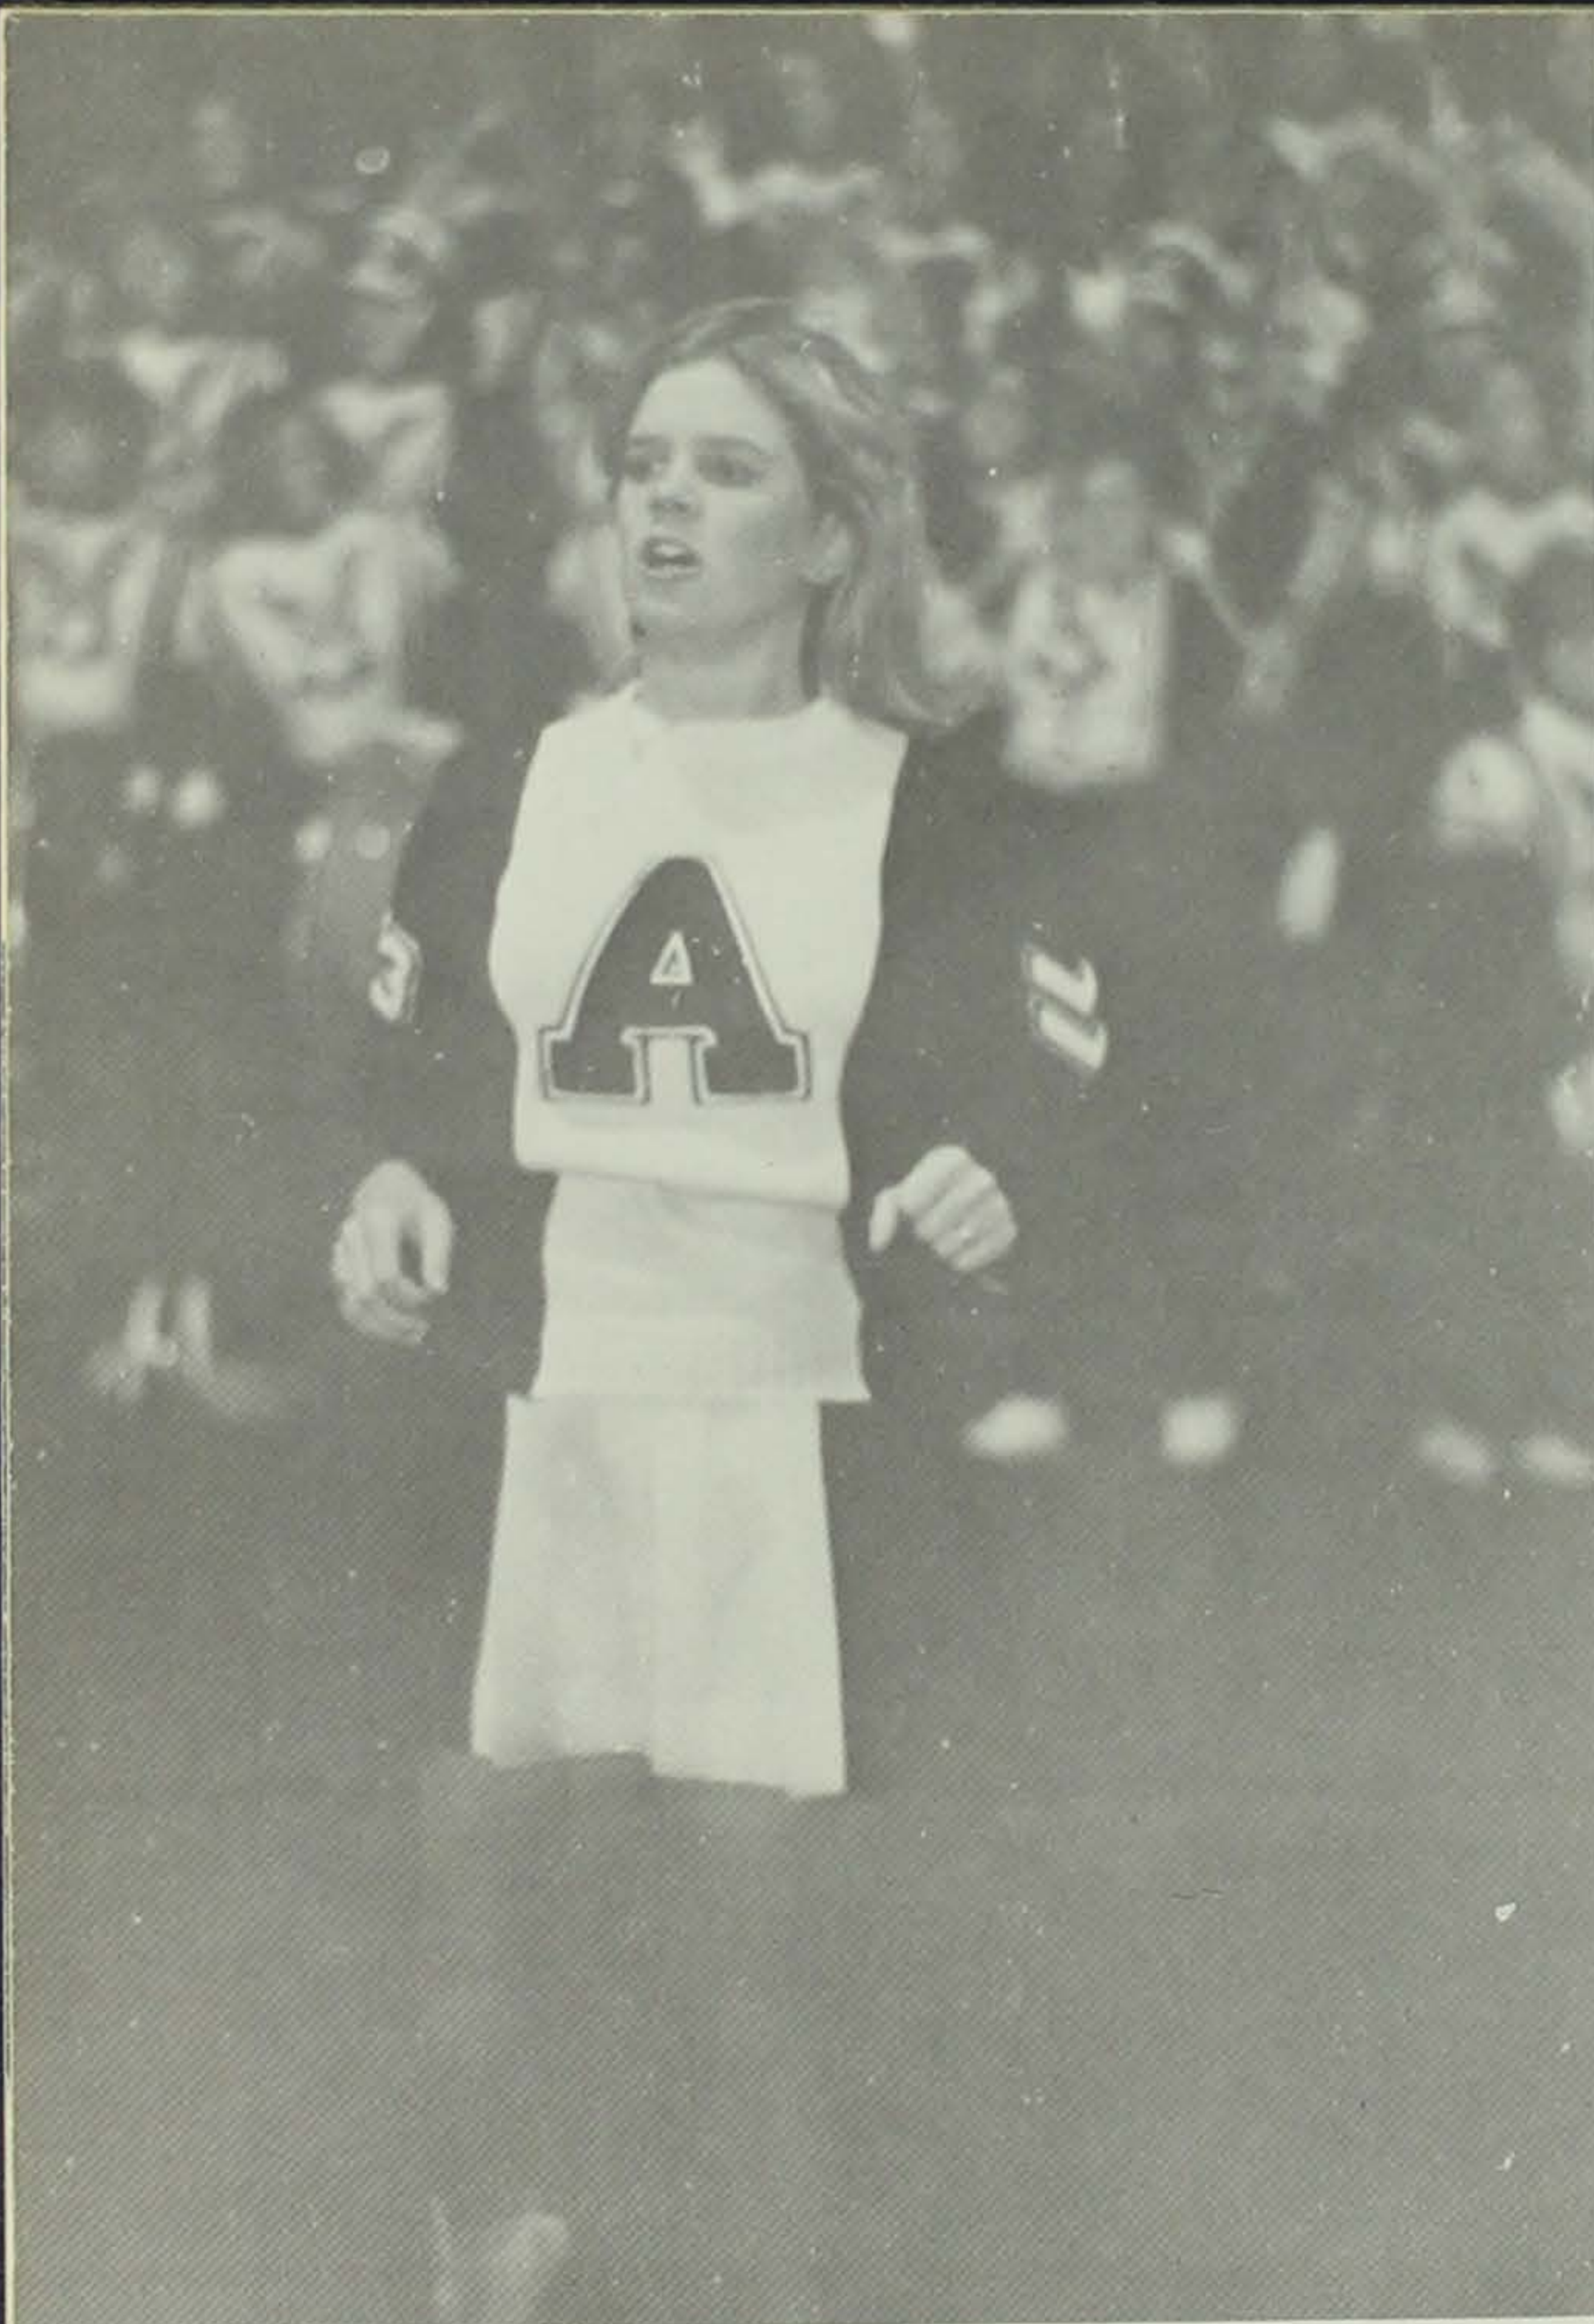

but today well lived

makes every yesterday

a dream of happiness--

and tomorrow

a vision of hope,

look well,

therefore to this day--

A black and white photograph of a wooded landscape. In the foreground, there is a dense field of tall, dry grass or brush. A rustic fence made of horizontal logs or branches runs across the middle ground. Behind the fence, several tall, bare trees with intricate branch structures stand against a pale, overcast sky. The overall mood is quiet and somewhat somber.

such is
the salutation
to the
dawn

In a school that is not heaped with tradition, the annual staff at Ankeny High School has continued the highly honored custom of dedicating the Hawk annual to an outstanding community leader. Last fall, the staff chose Noel J. Liechty who had served on the school board of Ankeny for a great number of years and who provided guidance for Ankeny during many trying years.

The late Mr. Liechty was a lifetime resident of Ankeny and at the time of his death last February, was in his 2nd year as president of the Ankeny State Bank.

Noel J. Liechty

The best use of life is to spend it for something that outlasts life.

Notoriously battling the ABC's--Randy Herring, Raymond Miller, Dean Peterson, Eric Peterson, Tom Yancy, Mary Evans, Brenda Smith, Diane White, and Deb Sawatsky were welcomed by their fellow second grade classmates.

Inspired to bigger and better things, the future class of '72 pursued to seek the wisdom hidden in the depths of third grade. They were joined by; Mike Crawford, Tom Spieker, John Sullivan, and Marcy Schreinr.

Obsessed with the task of recruiting, the veteran members of the elite fourth squadron signed in Mike Brazelton, Curt Bush, Larry Cheely, Steve Leydens, Curt Smith, Dana Barker, Florence Barrett, Mildred Doescher, LuAnn Goldman, Kathy Miller, Deanne Nelson, and Kris Petrie.

Reaching the pinnacle of success as fifth graders--Dave Albright, Jack Frost, Steve Howell, Jack Price, Chris Bayliff, Robin Beech, Ann Chittick, Pat Dockstader, and Janet Larson entered to aid the effort to make their mark.

Securing the crown of the elementary fortress, the 98 were joined by these ten members; Cal Daley, Tom Jones, Dan Marquardt, Ron Moon, Jennifer Gamm, Jackie Leinen, Ronna Melos, Cynthia Minks, Connie Shafer, and Dawn White.

Obtaining the needed boost into Jr. High with the assistance of Tim Buchholz, Rick Hansen, Stan McCarthy, Roger Metcalf, Spencer Welsh, Candace Barnhill, Elaine Beckwith, Lindy Dee, and Sandy Mundt--the cautious but determined seventh graders advanced onward.

Frantically pursing to establish a measure of leadership Dave Beckman, Dan Button, Rich Gunnarson, Tom Hellman, Susan Ogilvie, and Benna Yarrington arrived to add strength to the all-ready power-packed eighth grade organization.

1 Securing the throne, the valiant freshmen greeted the newly crowned Lee Bergstrom, Randy Colwell, Aaron Jones, Steve Reeves, Doug Schreurs, Loren Steinkamp, Margaret Brighton, Regina Harris, Barb Miller, Sharon Novak, Marica Thayer, and Tammy Wood.

Bob Ballard, Craig Colton, Rick Craig, Richards, Steve Rullestad, Joe Van Kathy Kerr, and Chris Sund helped

9 Guy Deal, Dave Douglas, Gary Miller, Dave Nicholl, Rick Phillips, Pete derah, Georgeann Babcock, Pat Cahill, Carole Chase, Sandy Hodge, launch our arrival into high school.

A-Club Displays Speed, Stamina & Strength

The Ankeny "A-club" is an organization which promotes recognition for the lettered athletes, as well as the athletic program of the school. Any boy at A.H.S. is eligible for membership after earning a varsity letter in any sport.

"A-club" is sponsored by Coach Larry Ireland. One of the projects for the year was working the refreshment stand at all of the athletic events.

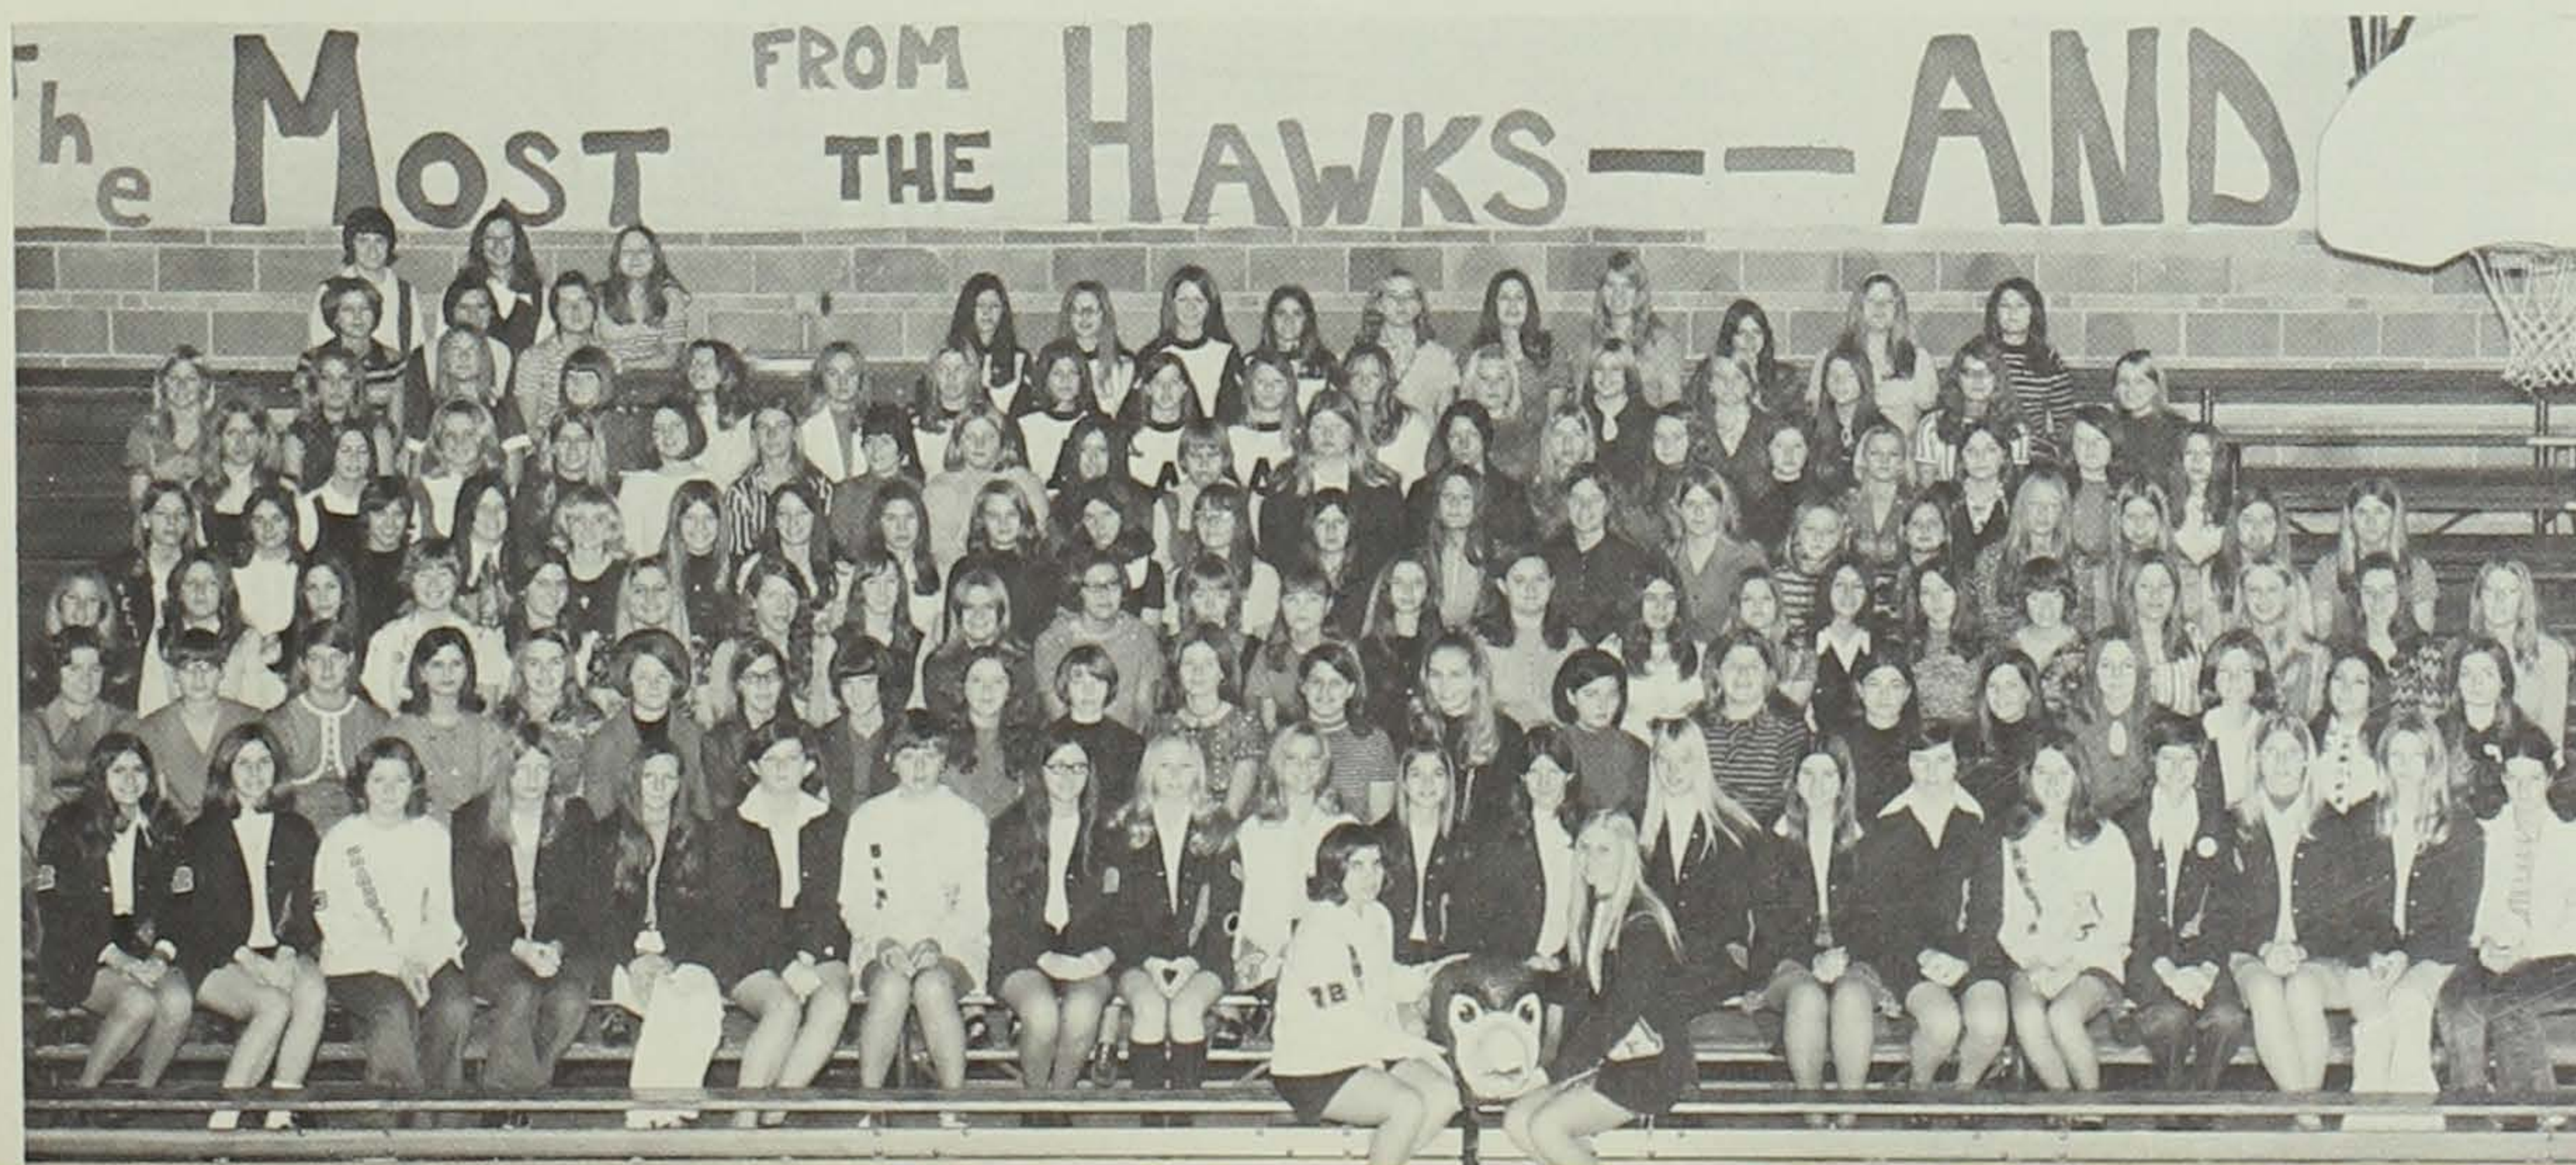

Pep Club is an organization to support our athletic teams--boys and girls! Football pep club was active--painting signs and contributing to school spirit in their section of the stands. Winter sports pep club has opened concessions for the girls basketball home games and supports the boys wrestling and basketball teams also. The largest project has been a new Hondo--it is a hard job but one that will endure to honor Pep Club of '72.

Art Club Displays Artistic Talent

Students learn by viewing an art studio.

The purpose of Art Club is to help students who are interested in attaining more knowledge of what goes on in the various areas and to help develop their own interests in art. Art Club meets once a month. Each meeting features either a guest speaker, film, field trip, or creative project. To be a member, a student must attain a B grade in art class. The club is sponsored by Mr. John Hunter.

Members make Christmas decorations for school.

With many new members this year, the club has been able to do many things. Some of our activities during the year included selling cookbooks, a white elephant sale, a bake sale, a Christmas party, a Halloween party, and making candles with their mothers.

FTA Encourages Members for Teaching Careers

The purpose of F. T. A. is to give each member an opportunity to learn of the educational requirements, duties, and responsibilities of people in the teaching profession. The club meets once a month. These meetings include films, business, speakers and other planned activities. This year the club members acted as guides for the P. T. A. Back to School Night in October, visited Drake University on Prospective Teacher Day in November and operated a coat check room at the home basketball games. We were honored to have Patty Dockstader as the District Music chairman this past year and Jerri Leinen as the District Historian for next year.

"A school is merely a building. . .without the Student body it is nothing."

Student council is the voice of the student's opinion. The student council is here to get things done. This year, as in the past, it has been the responsibility of the student council to take care of the homecoming festivities. They also held a slave auction to raise money for a tape deck in the student center. The Student Council has tried to represent the students and their ideas.

Newspaper Staff Makes Headlines

Journalism is a one-semester elective course for juniors and seniors. It is a course that broadens the student's mind in our society, it also gives one access to the various organizations at Ankeny High School.

The school newspaper, HAWK SQUAWK, is written by the journalism class. Style and technique are developed as the student progresses.

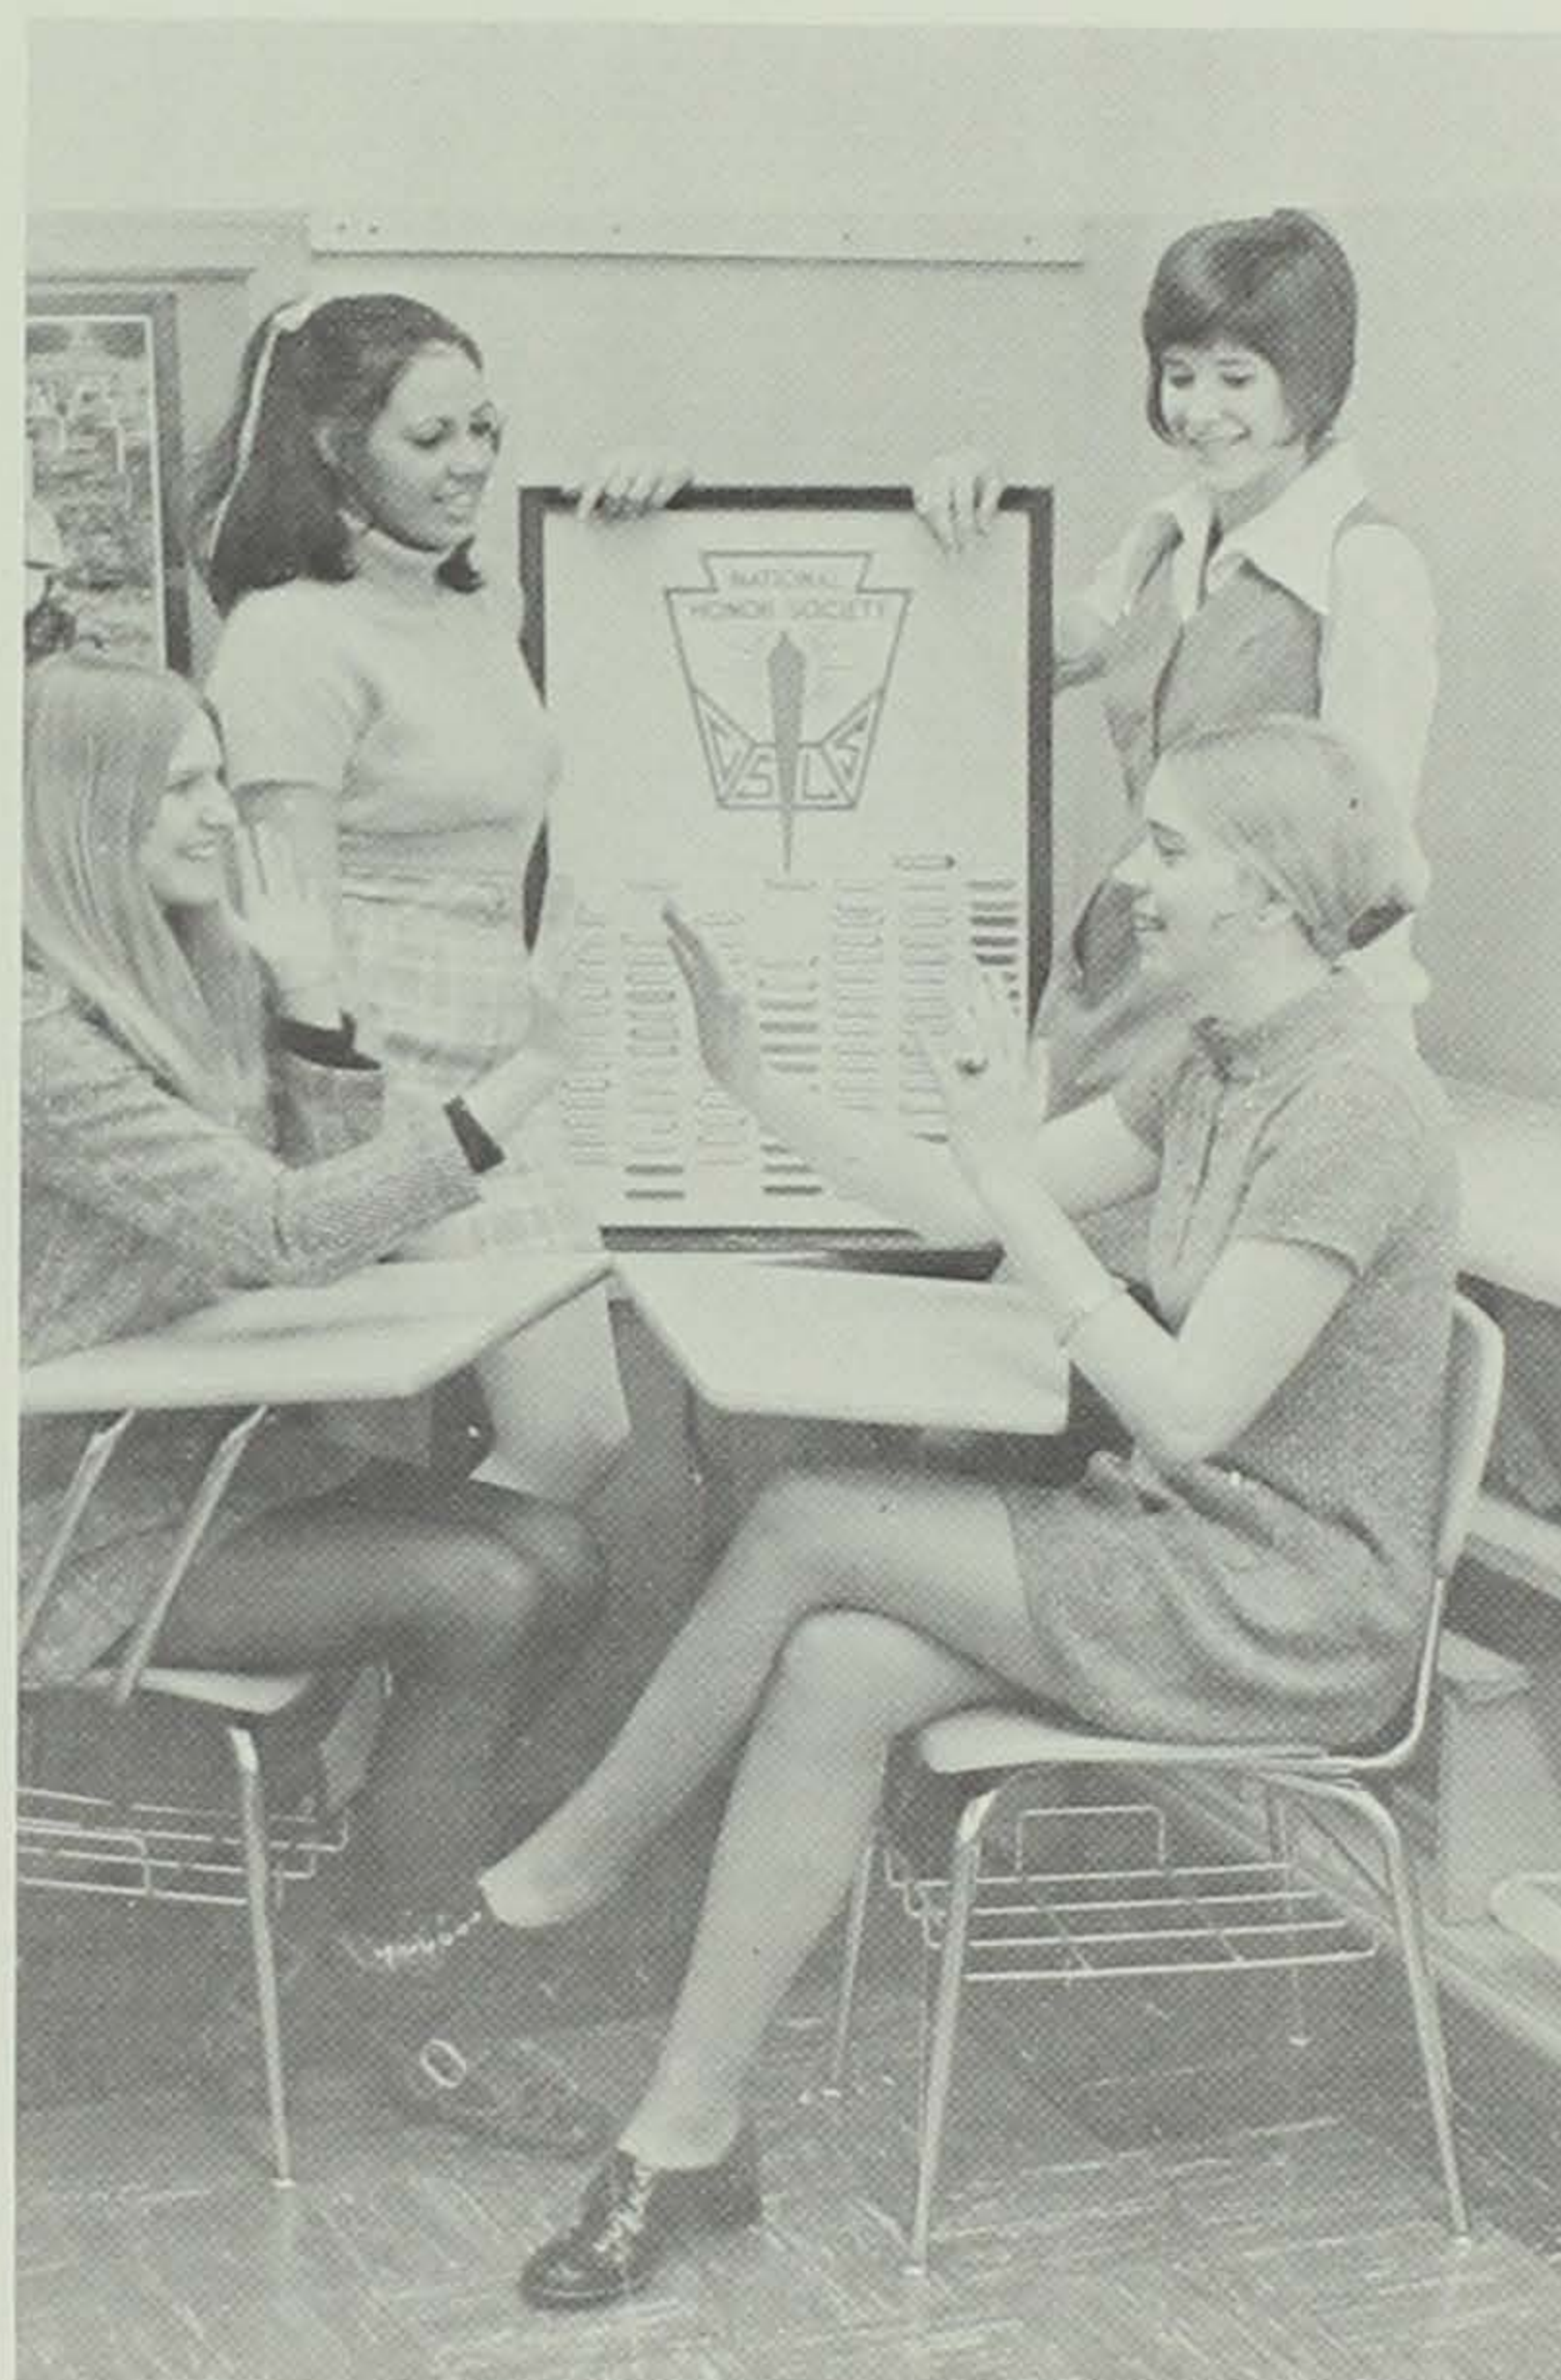

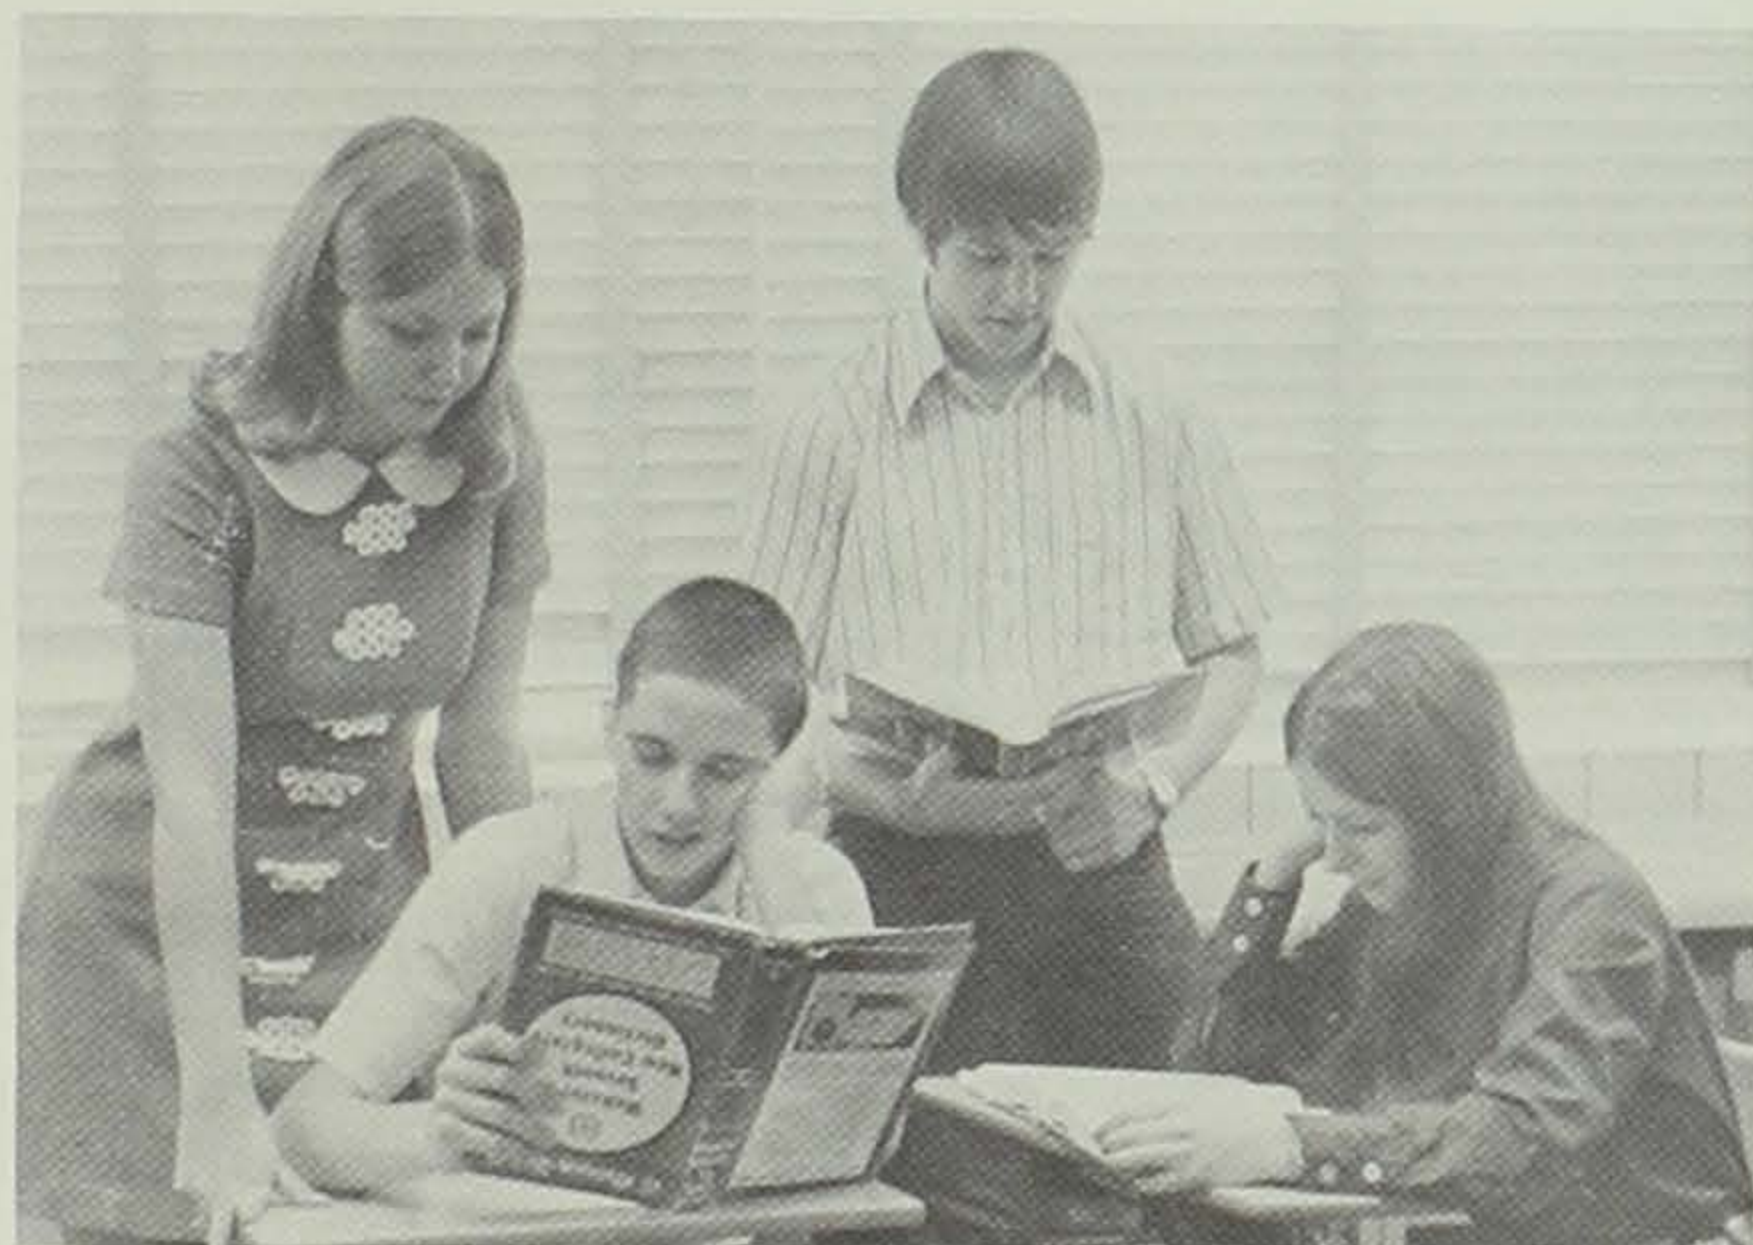

We've had a lot of fun writing "Hondo's Herald," hope you have enjoyed it also.

The Hawkeye Chapter of the National Honor Society is a select group of sophomores, juniors, and seniors. Faculty members and student representatives from each grade evaluate prospective members on the basis of scholarship, leadership, service and character.

Honor Society activities this year included Christmas caroling at teachers' houses followed by a party, a skating party, presenting a skit for a pep rally, and sponsoring a volleyball tournament at the high school.

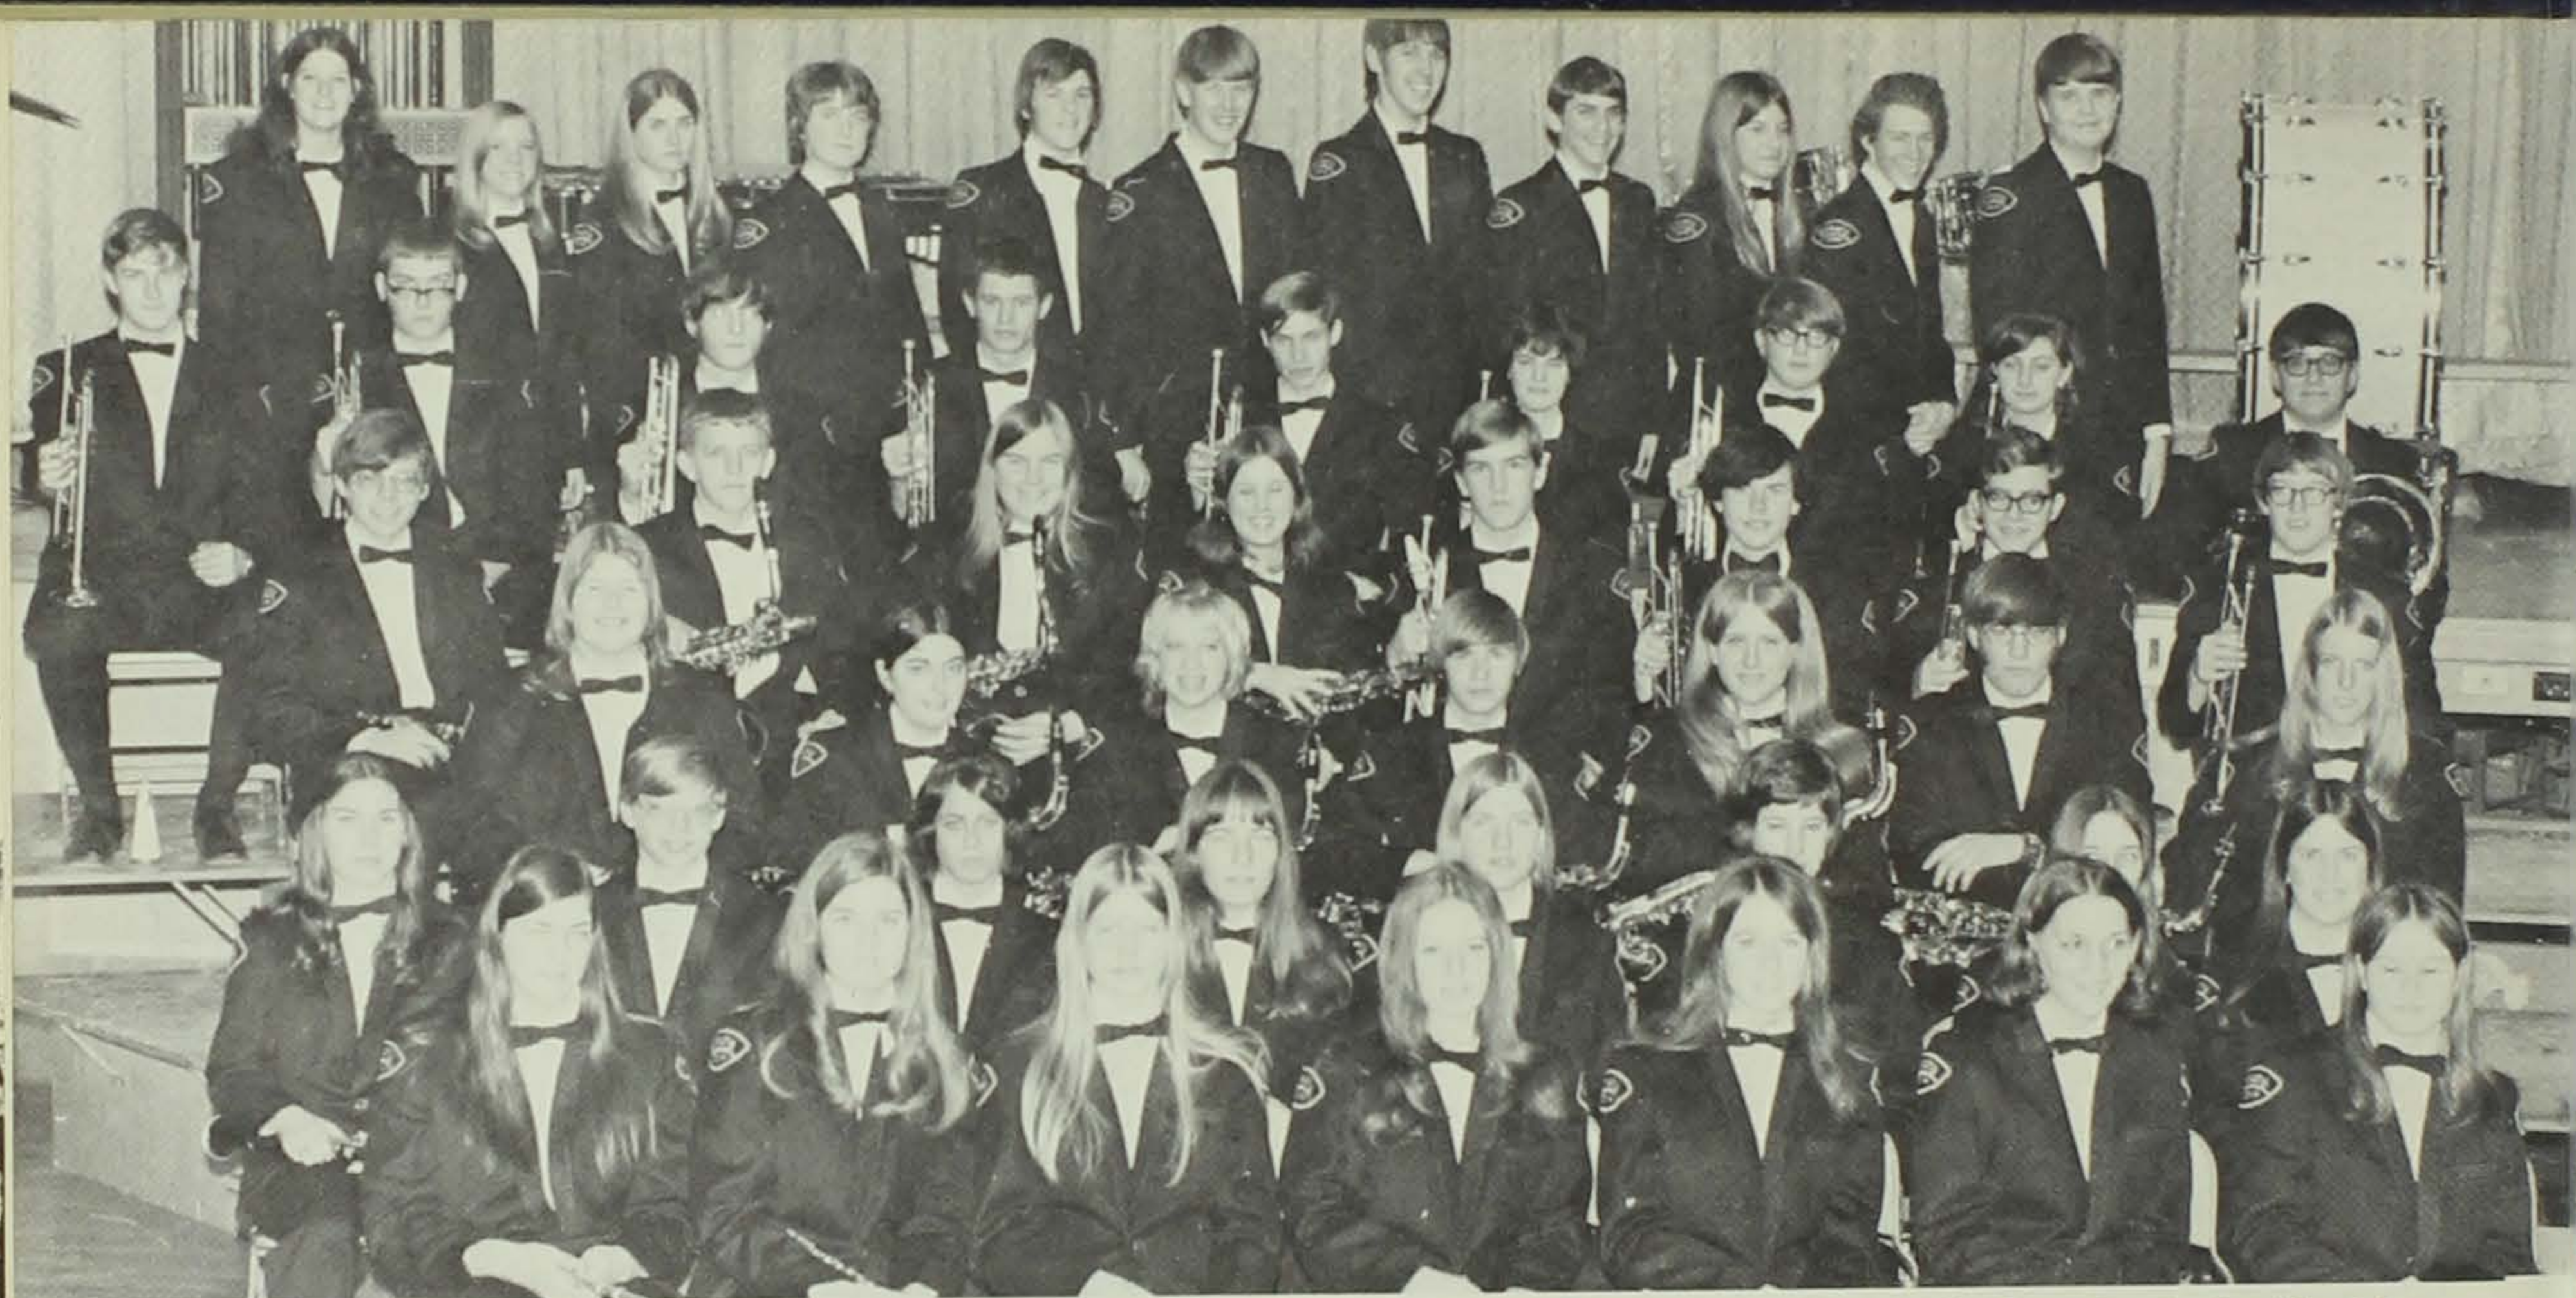

This year NHS induction ceremonies were held in February. NHS meets once a month. These meetings include business, planned activities, and speakers.

The Annual Staff, like sports is very time consuming. The editors and co-editors meet every night after school, Mon.-Fri., from 3:30-6:00. They are responsible for designing and planning the annual, making up layout mats, identifying students pictures, putting pictures in their proper places, write-ups, typing the pages and proofreading them before they are sent. The yearbook and ad salesmen raise the money to support the annual. The business manager keeps track of all incoming and outgoing money. She also writes to different companies. No annual would be anything without pictures. Our photographers are called upon to help us remember the year with pictures from the many different activities.

FFA Trains Boys in Agri. Business

The Ankeny Chapter of Future Farmers of America has as its primary purposes the development of agricultural leadership, citizenship and cooperation. Membership is open to those students enrolled in vocational agriculture. Our chapter conducts many activities during the school year and also during the summer. Our chapter has a special project which is a corn test plot operated at the John Deere Plant. The local vocational agriculture teacher serves as our advisor.

Health Careers is to help inform students of the many opportunities open to them in fields of science and medicine.

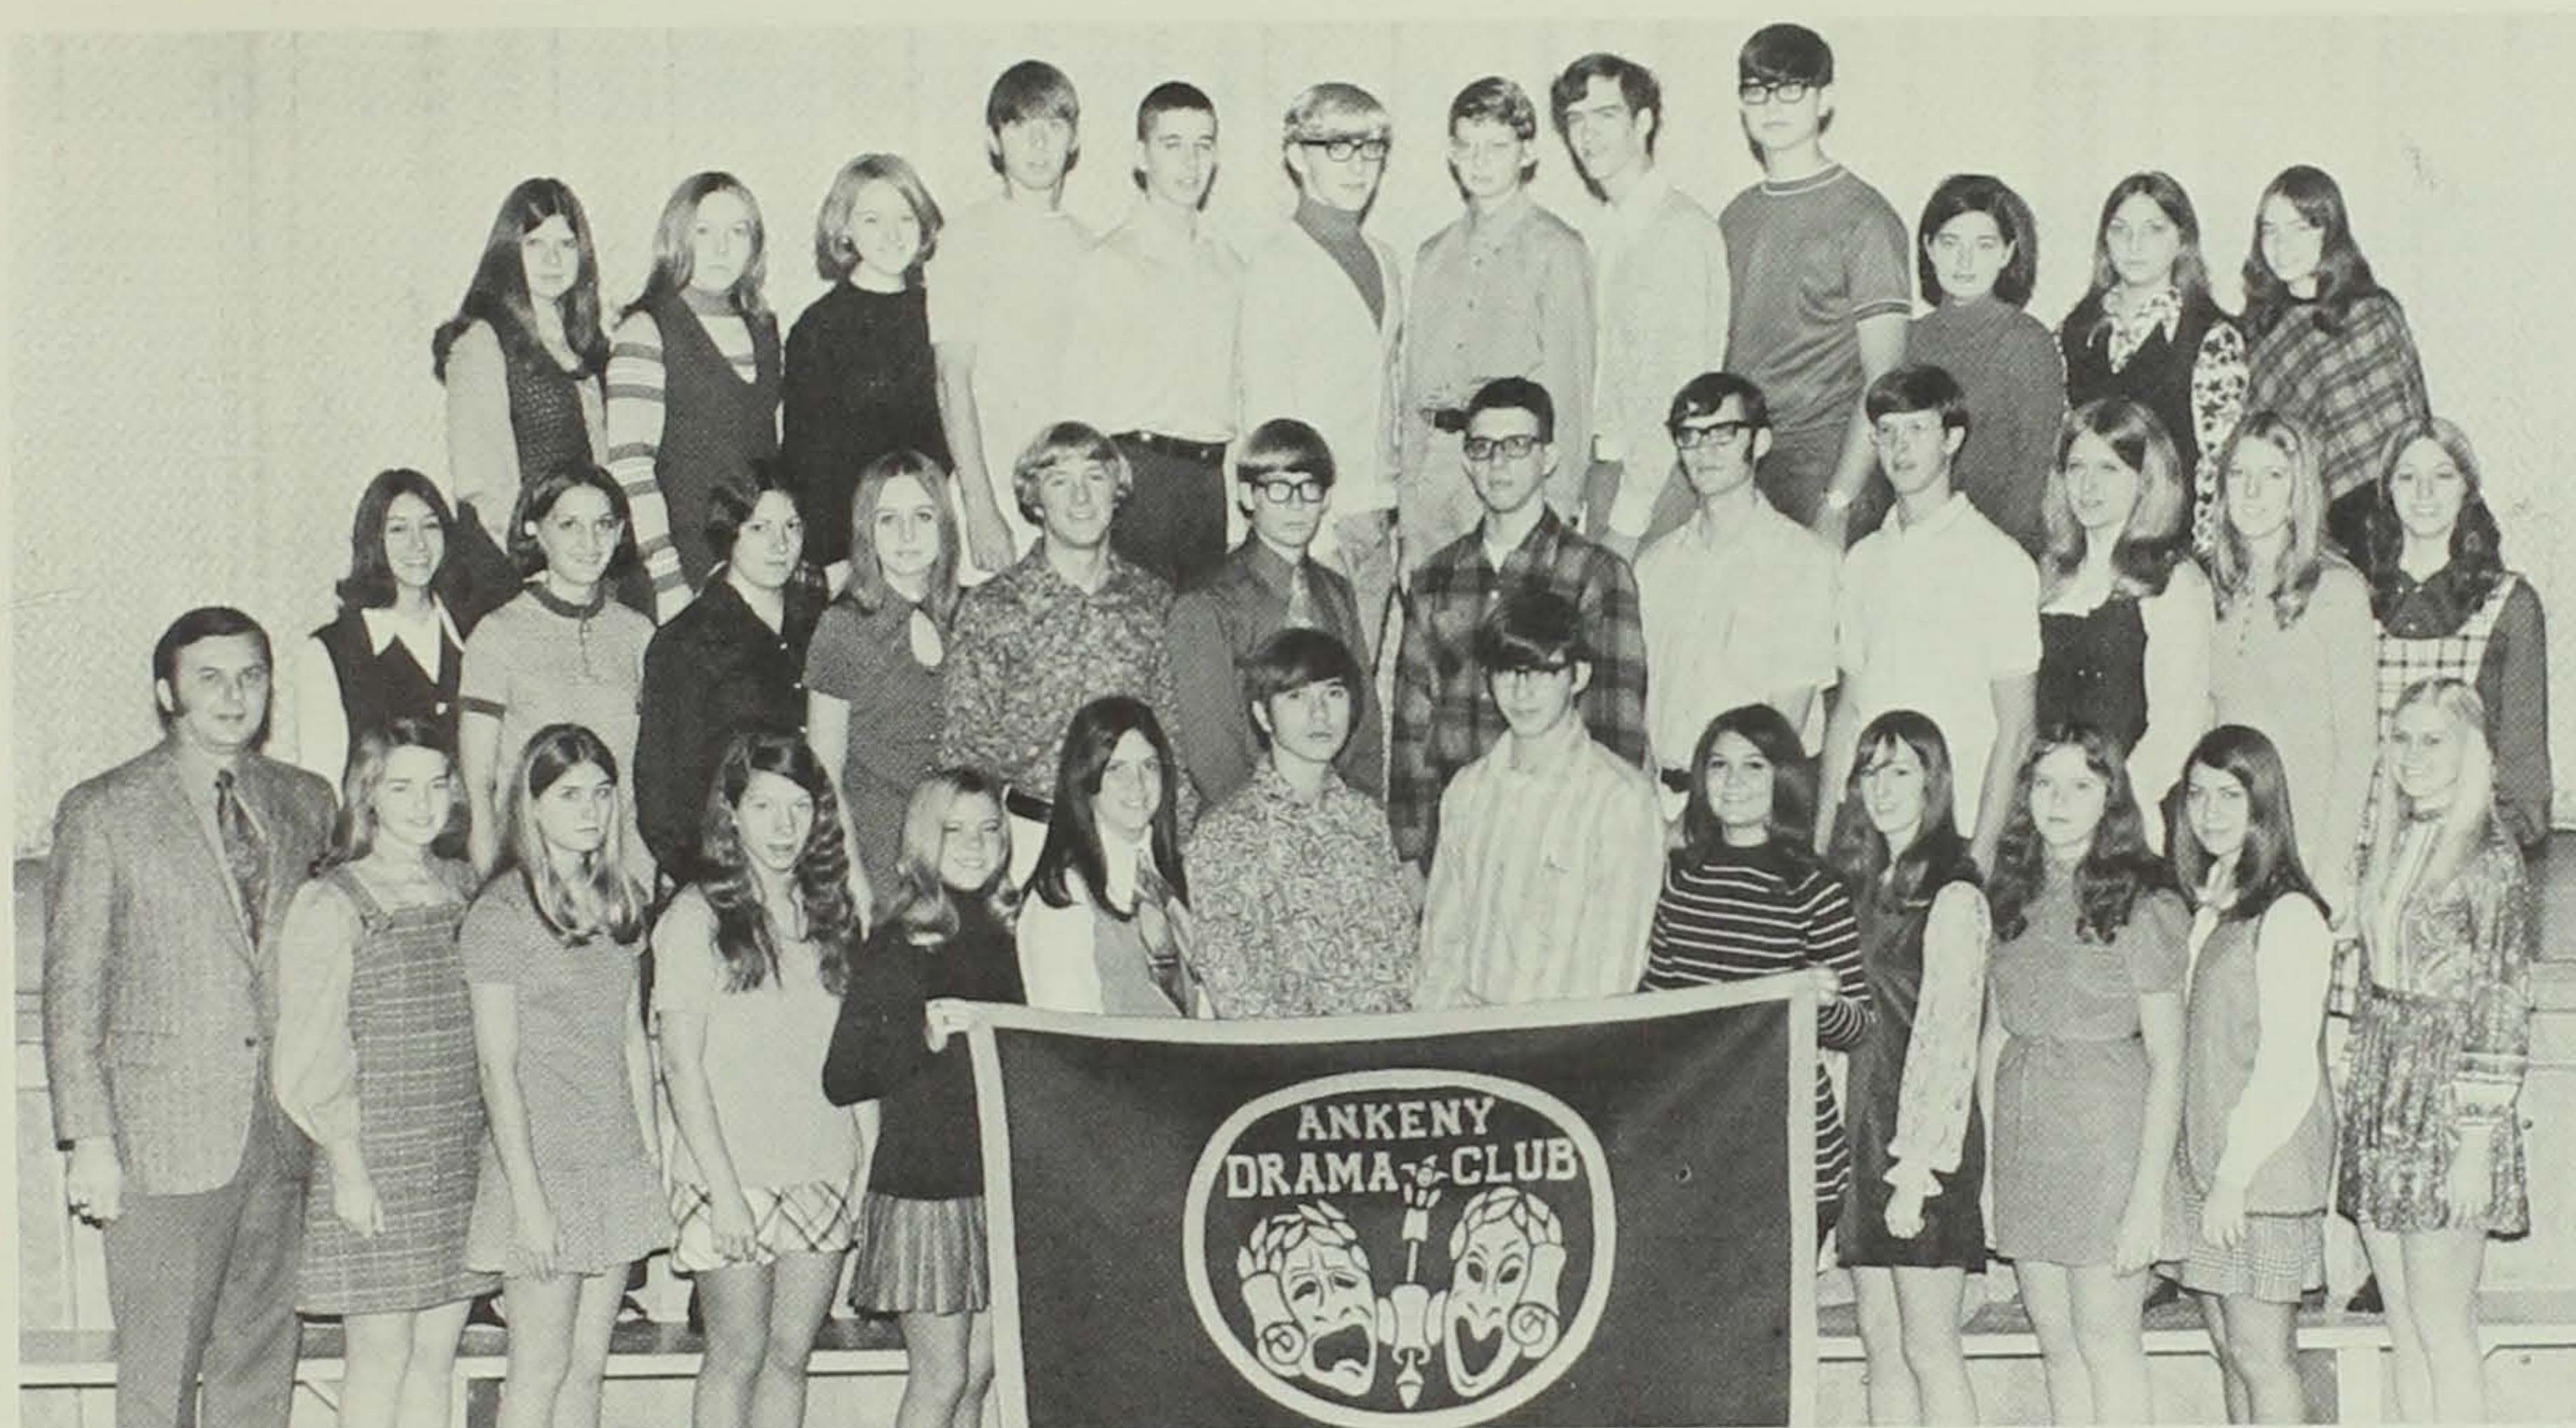

Our activities this year included an annual trip to Younkers Rehabilitation Center. We also toured the Community Blook Bank and the Area Community College's medical facilities. We started out the year with a get acquainted picnic. At each of the following meetings we had guest speakers which were from various medical fields.

We closed the year with a potluck supper, initiation for new members, and election of officers for the next year.

Move Opportunity on Stage; or Behind The Scenes?!

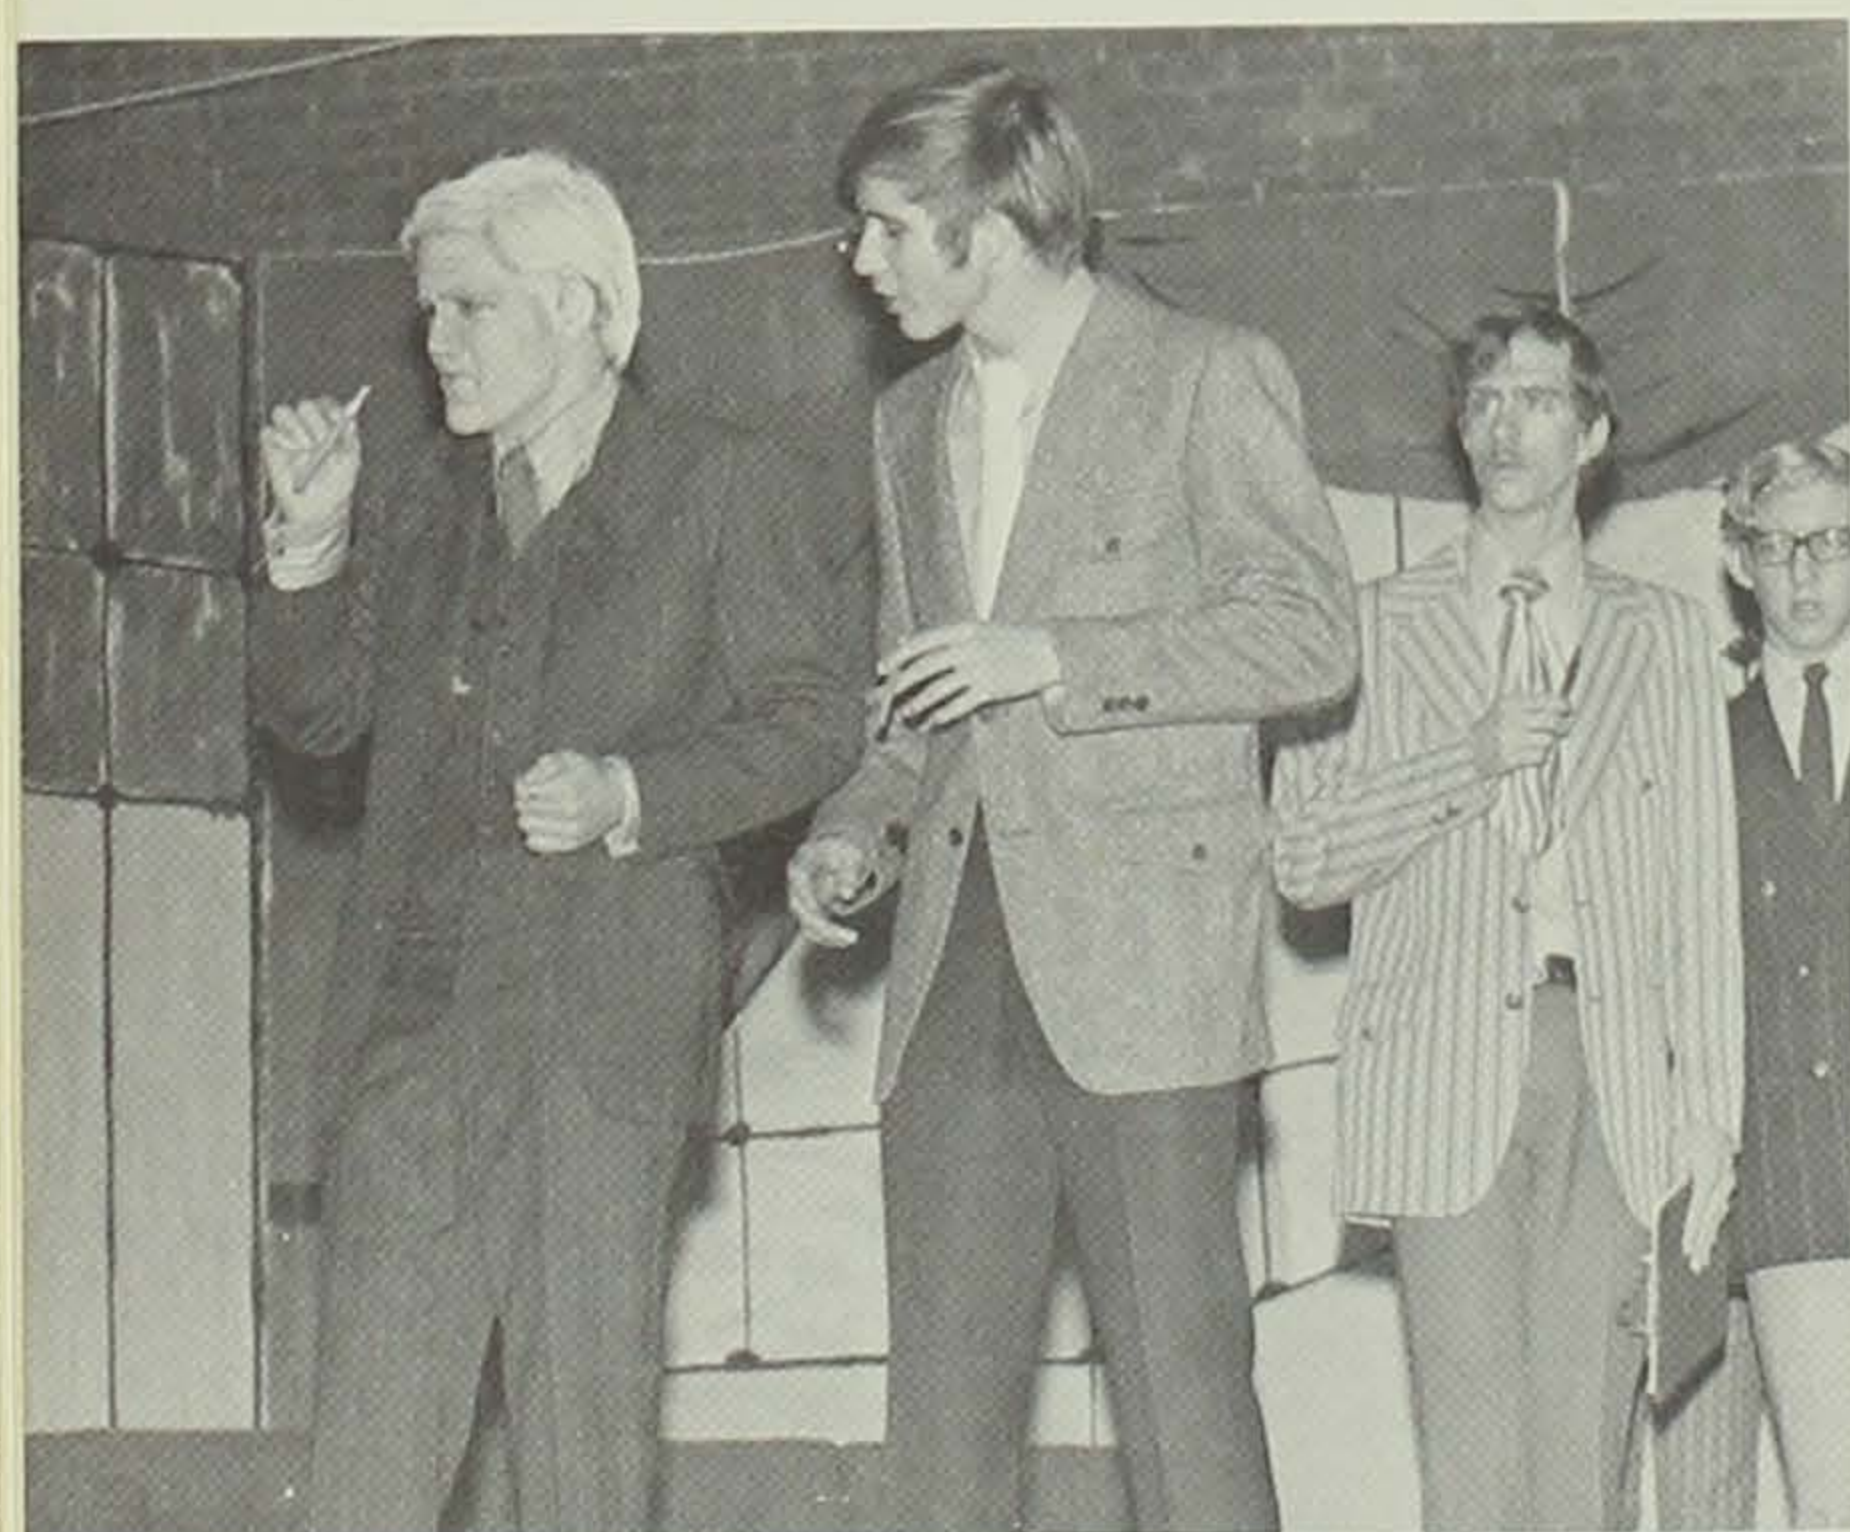

The main purpose of the Ankeny High School Drama Club is the advancement of the standards of the excellence in the dramatic arts. Most specifically this organization shall encourage students to attain a better mastery of the language, to develop poise and self-control, and to appreciate dramatic literature and its technique. The club is scheduled to meet every two weeks so that students may participate in some sort of dramatic activity. This year the club presented "The Stolen Prince" to all the elementary students, readings at the Christmas program, did other readings and skits throughout the year, and was the nucleus drawn upon for the spring all-school play.

Junior Municipal Council

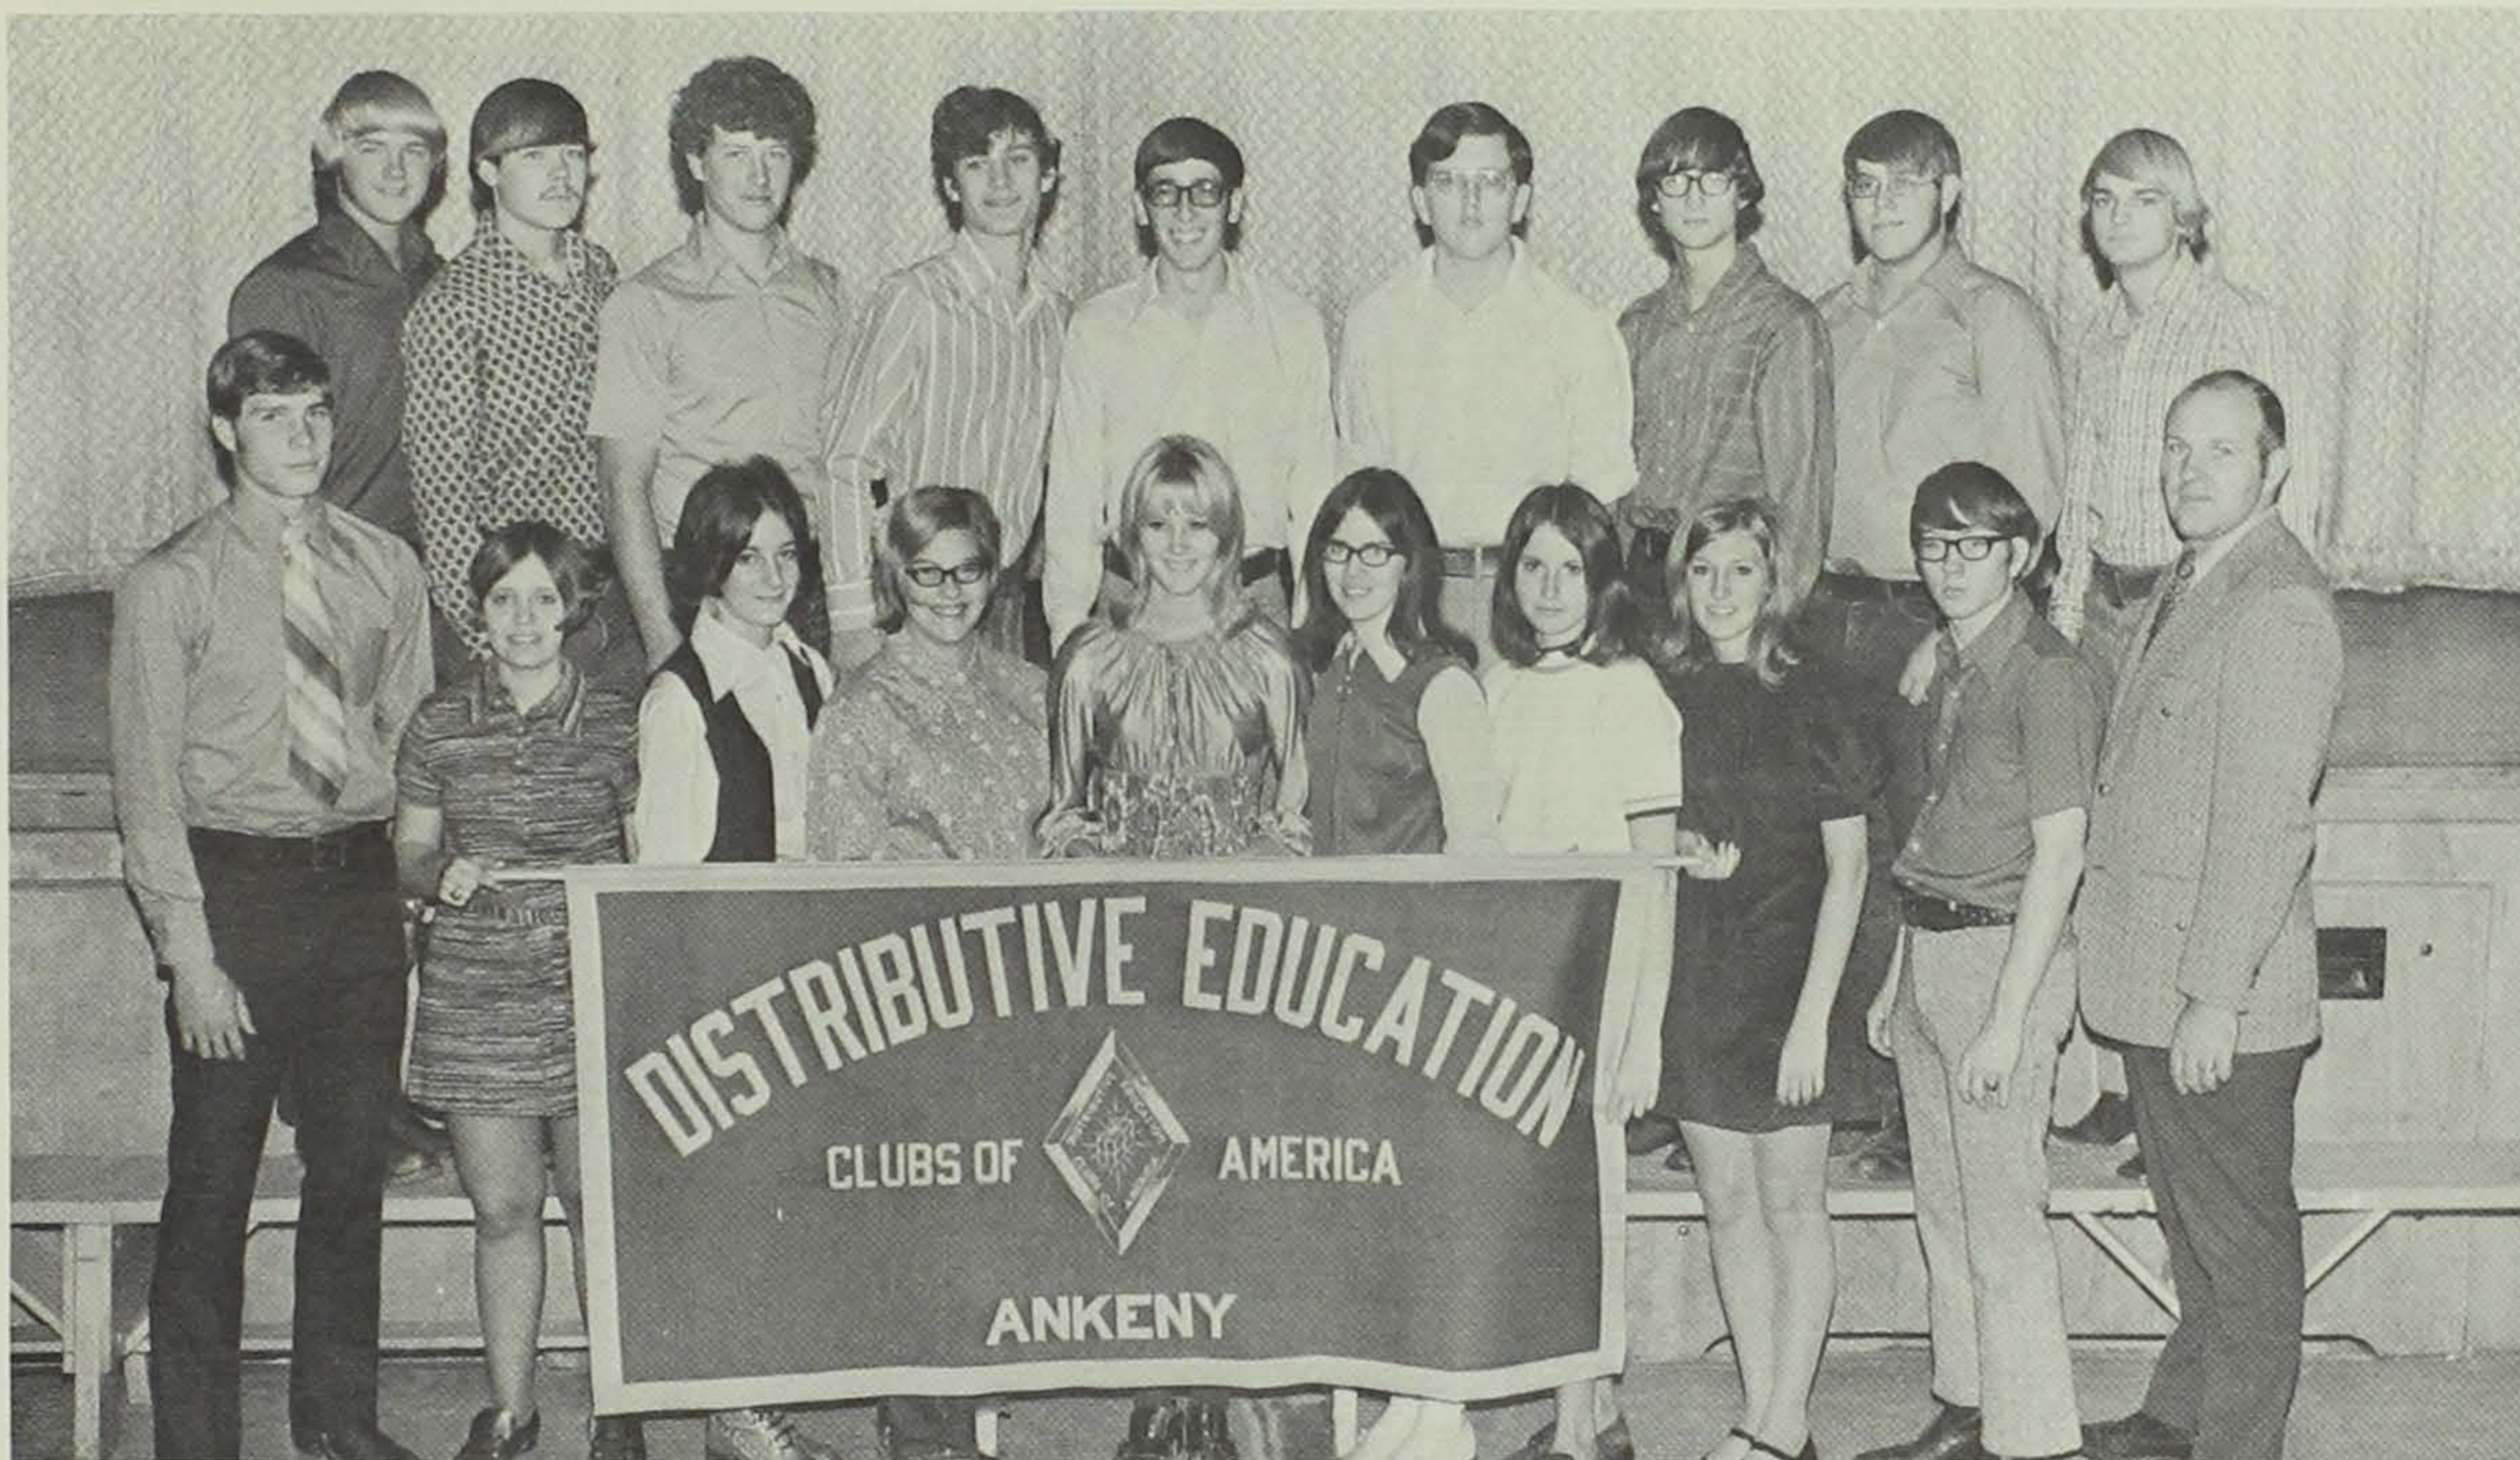

The Leaders of Tomorrow?

Mayor--Rick Craig, Councilmen--Randy Colwell, Scott McCabe, Ray Miller, Charlie Wheatly, Michelle Wheatly, Clerk--Robin Hurd, Chris Sund.

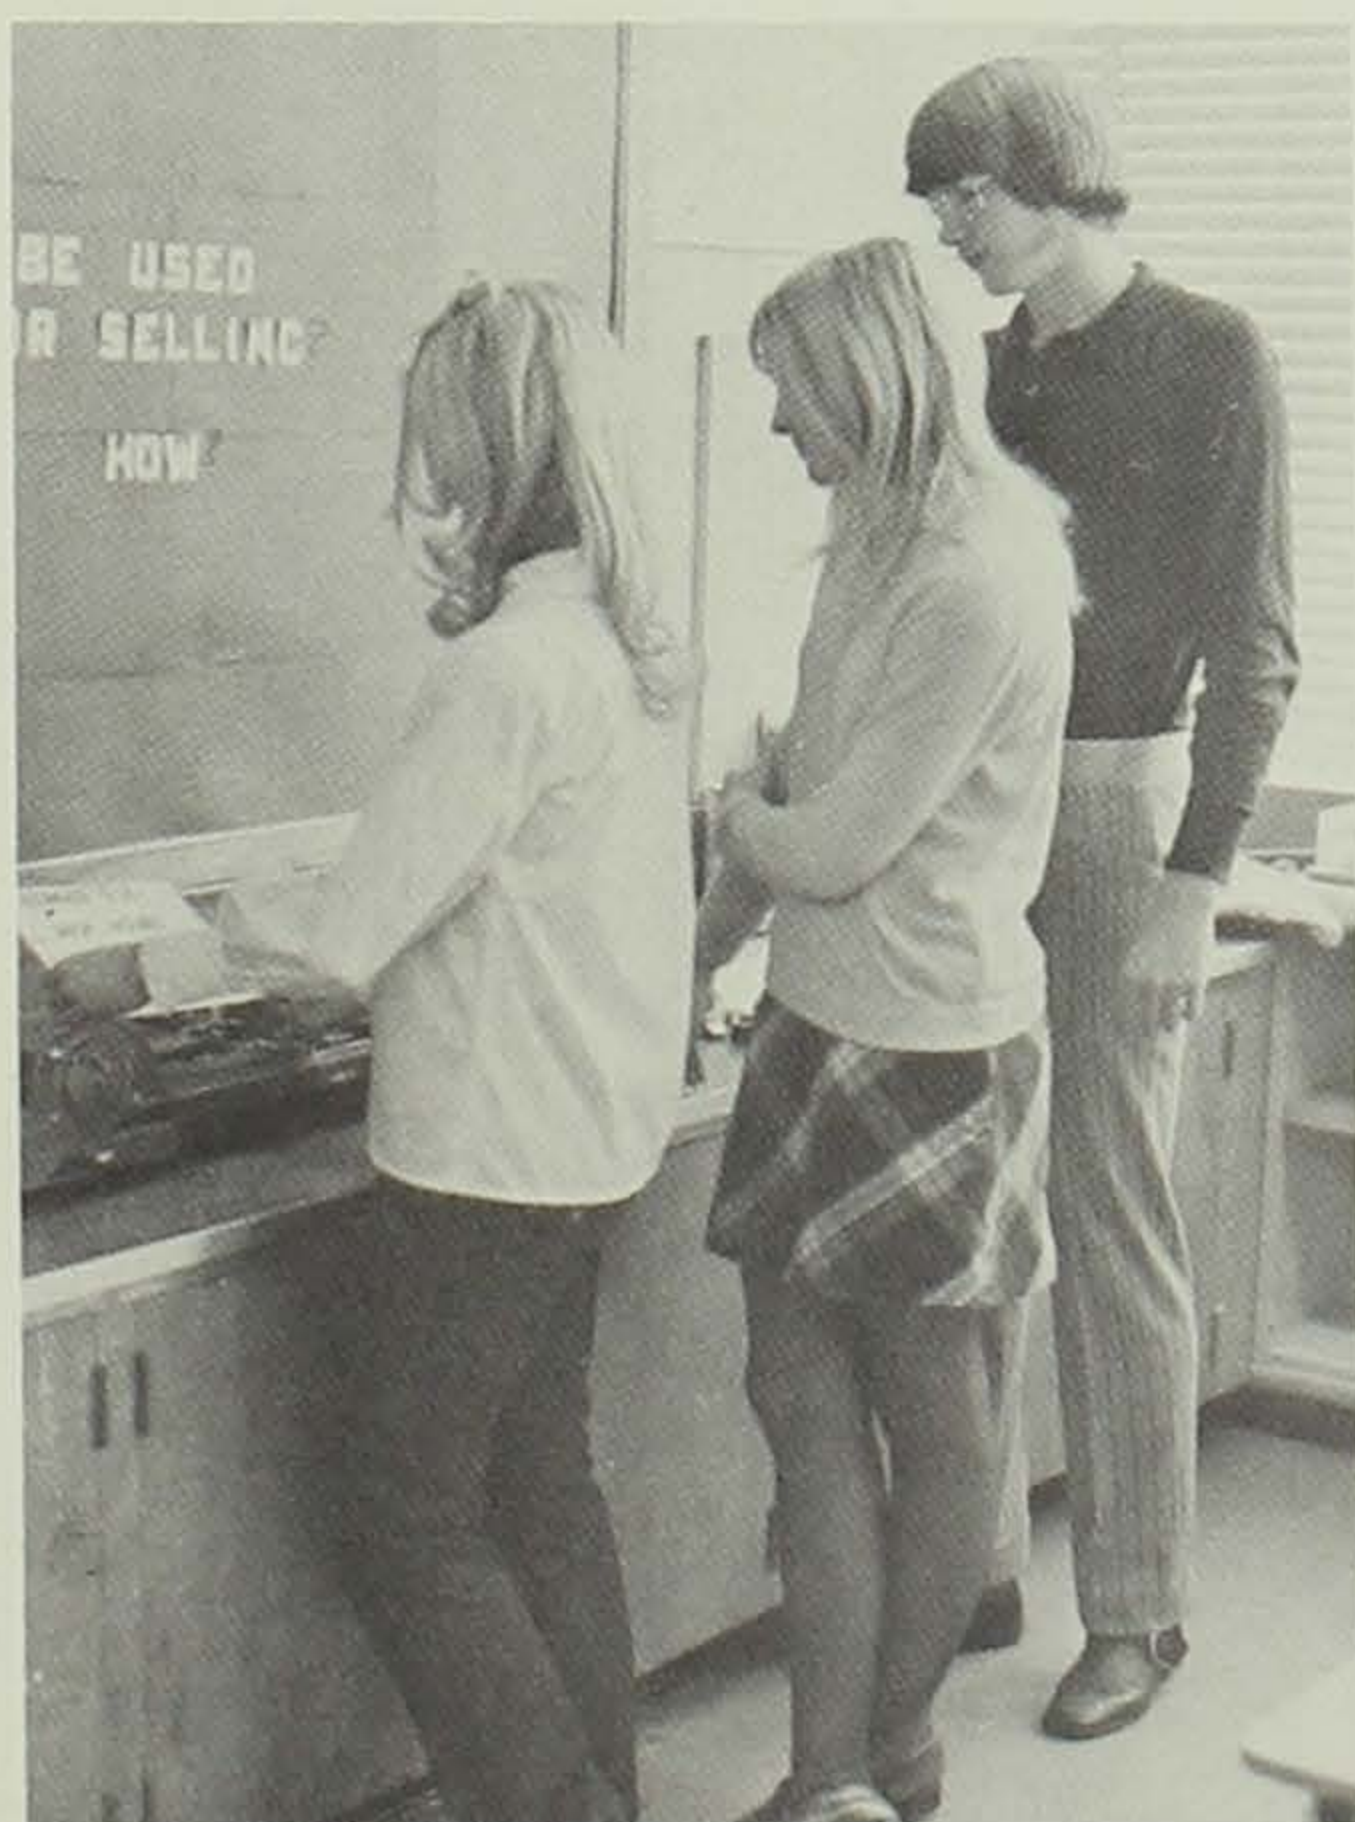

Junior Municipal Council is an opportunity for Ankeny High Students to become involved in city affairs. Working closely with the Mayor and Councilmen twice a month gives students a meaningful insight into the functions and problems of city government. Junior Municipal Council members also serve as informers to the rest of the students reporting Council activities to them. Each member also has the opportunity to accompany a city head of a department for a day to see what his job actually involves. We want to take this opportunity to thank the Mayor and Councilmen for their support and enthusiasm for this program.

DECA Students Learn by Experience

DE stands for Distributive Education a vocational education program that combines work and study for students interested in merchandising, marketing, management, and service operations. On the high school level DE is available to seniors interested in entering the business world. It is a complete curriculum supplementing the normally required high school courses. DE students usually put in about 15 hours a week working for a cooperating business firm in the local community. The student might work at a department store, a shoe store, a food market, an automobile service station, or any other cooperating firm. The student, of course, is paid for the hours he works, and his experience serves as a laboratory in which he can practice the theory he learns in the classroom.

Varsity Winter Sports Cheerleaders

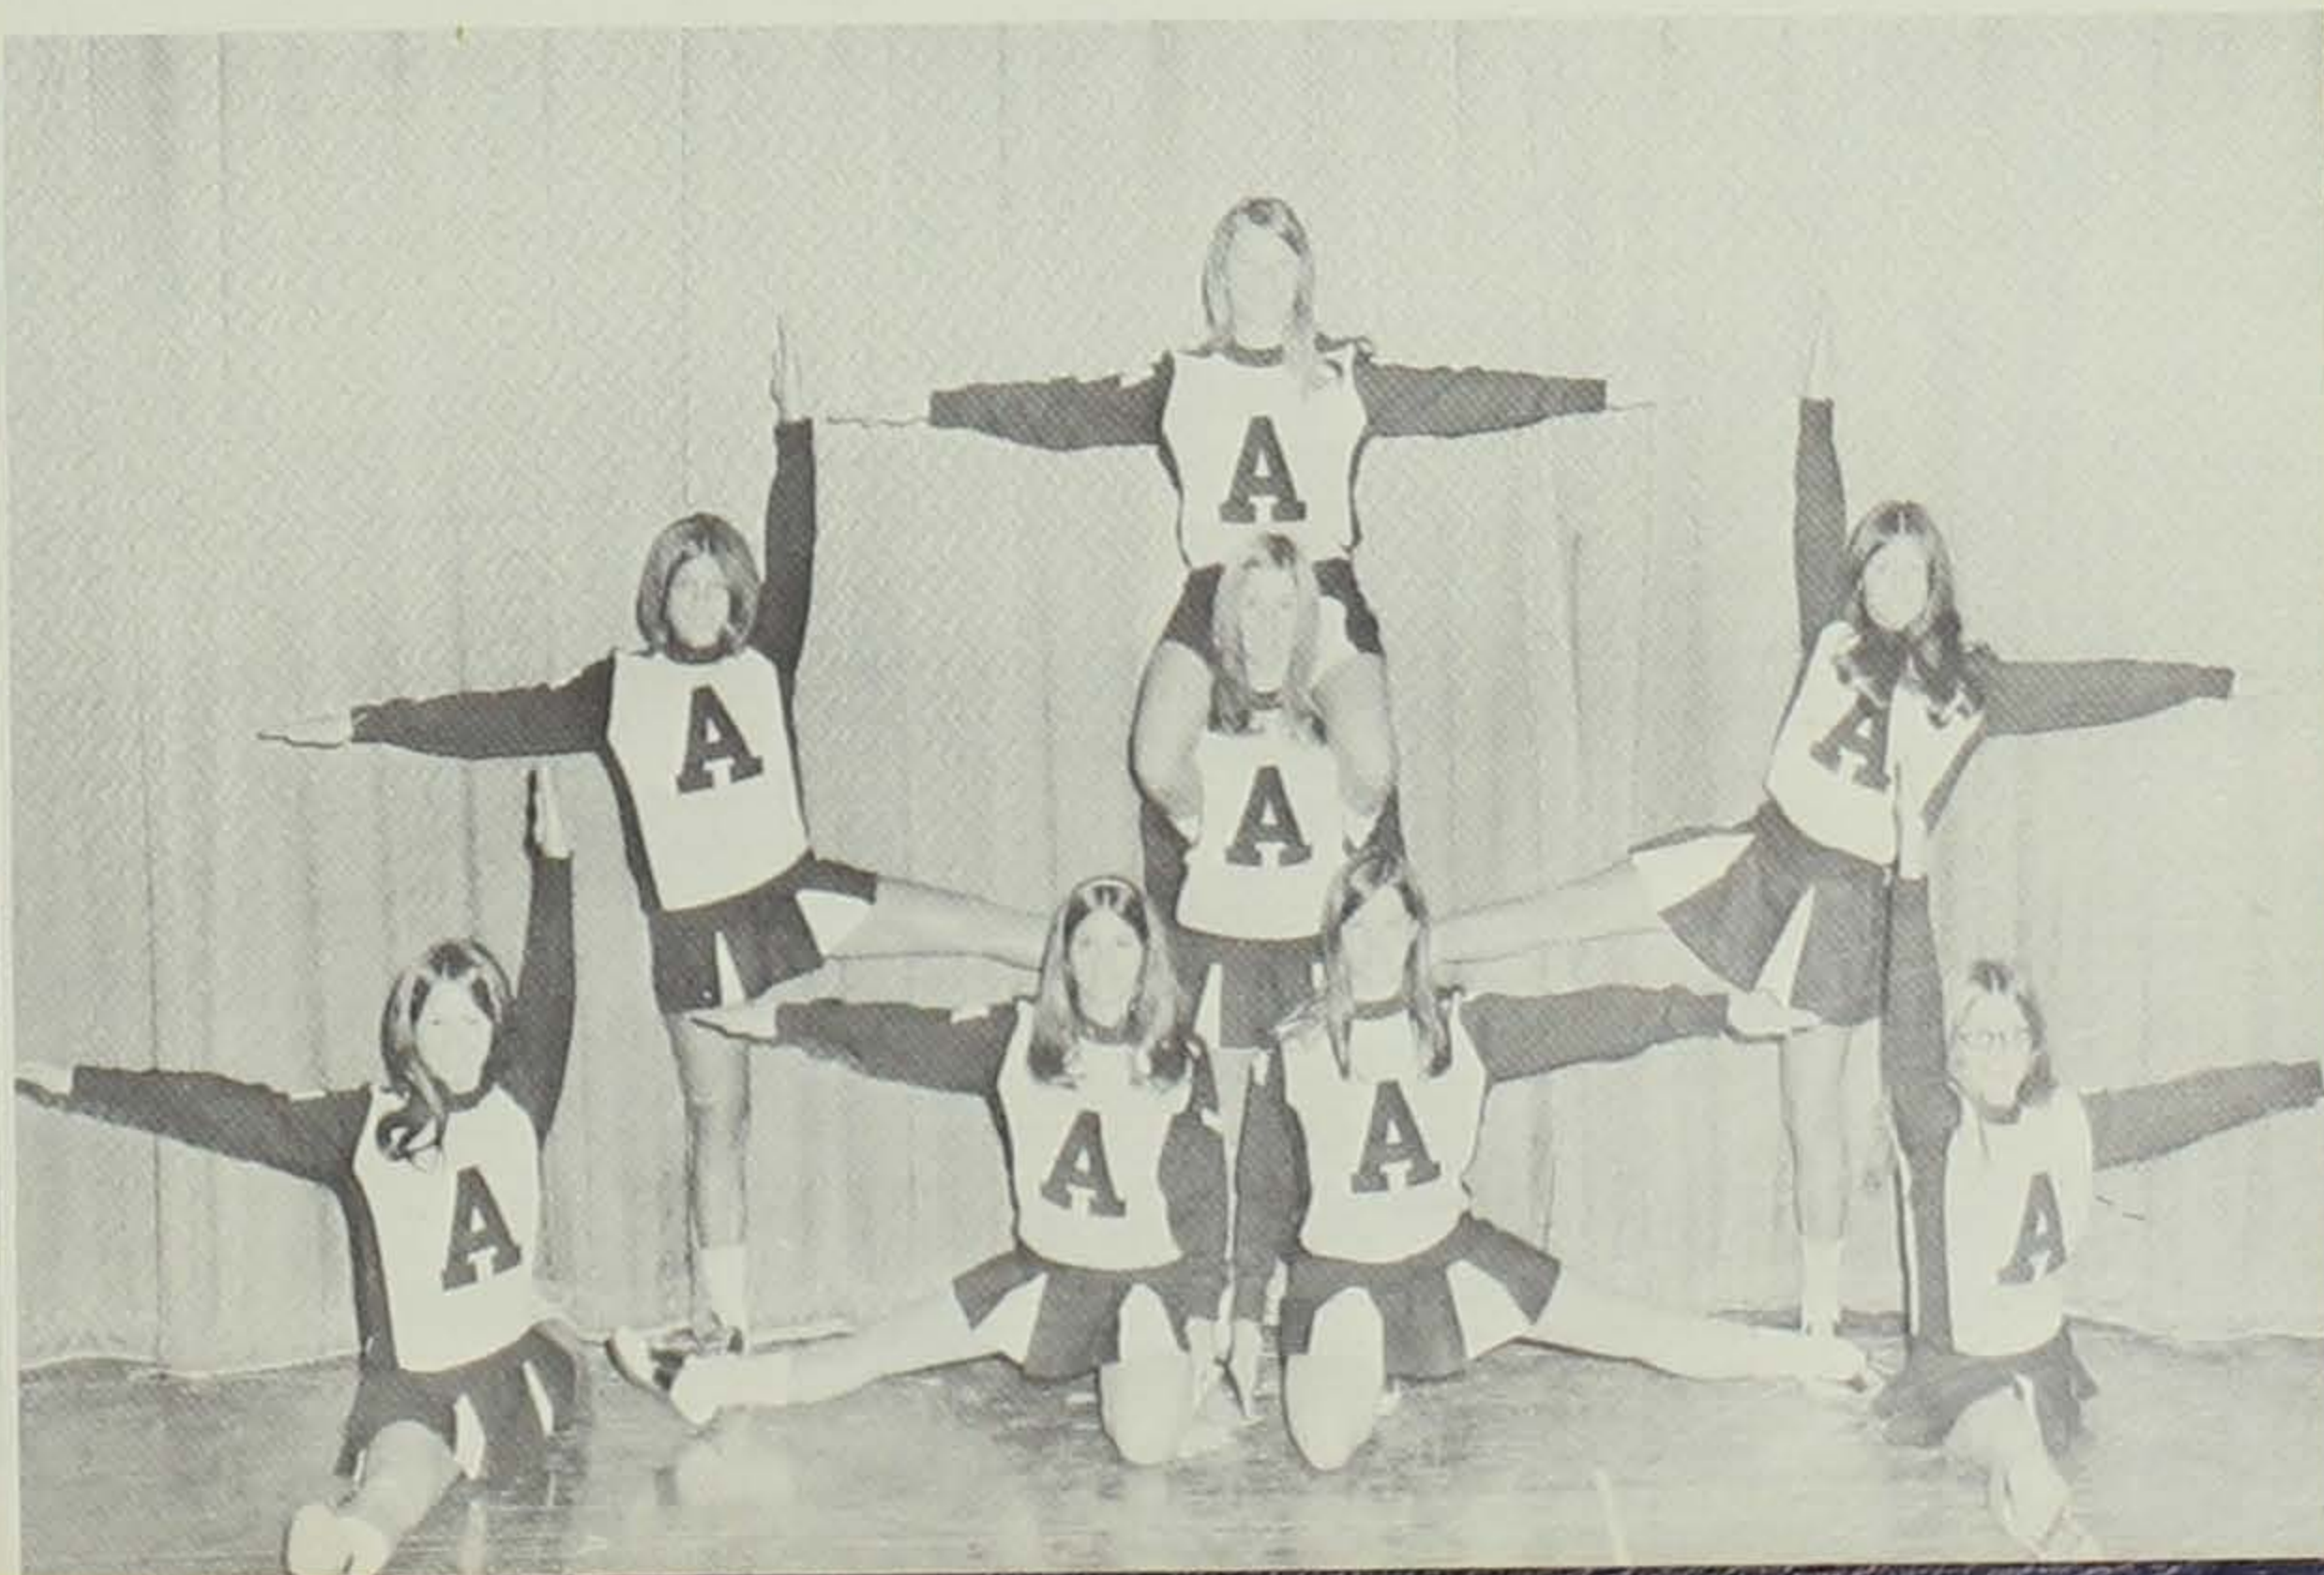

The cheerleaders this year worked very hard to plan pep rallies, paint signs and spark spirit. In addition, they spent many hours travelling to represent our school at various athletic events--sometimes three in a week.

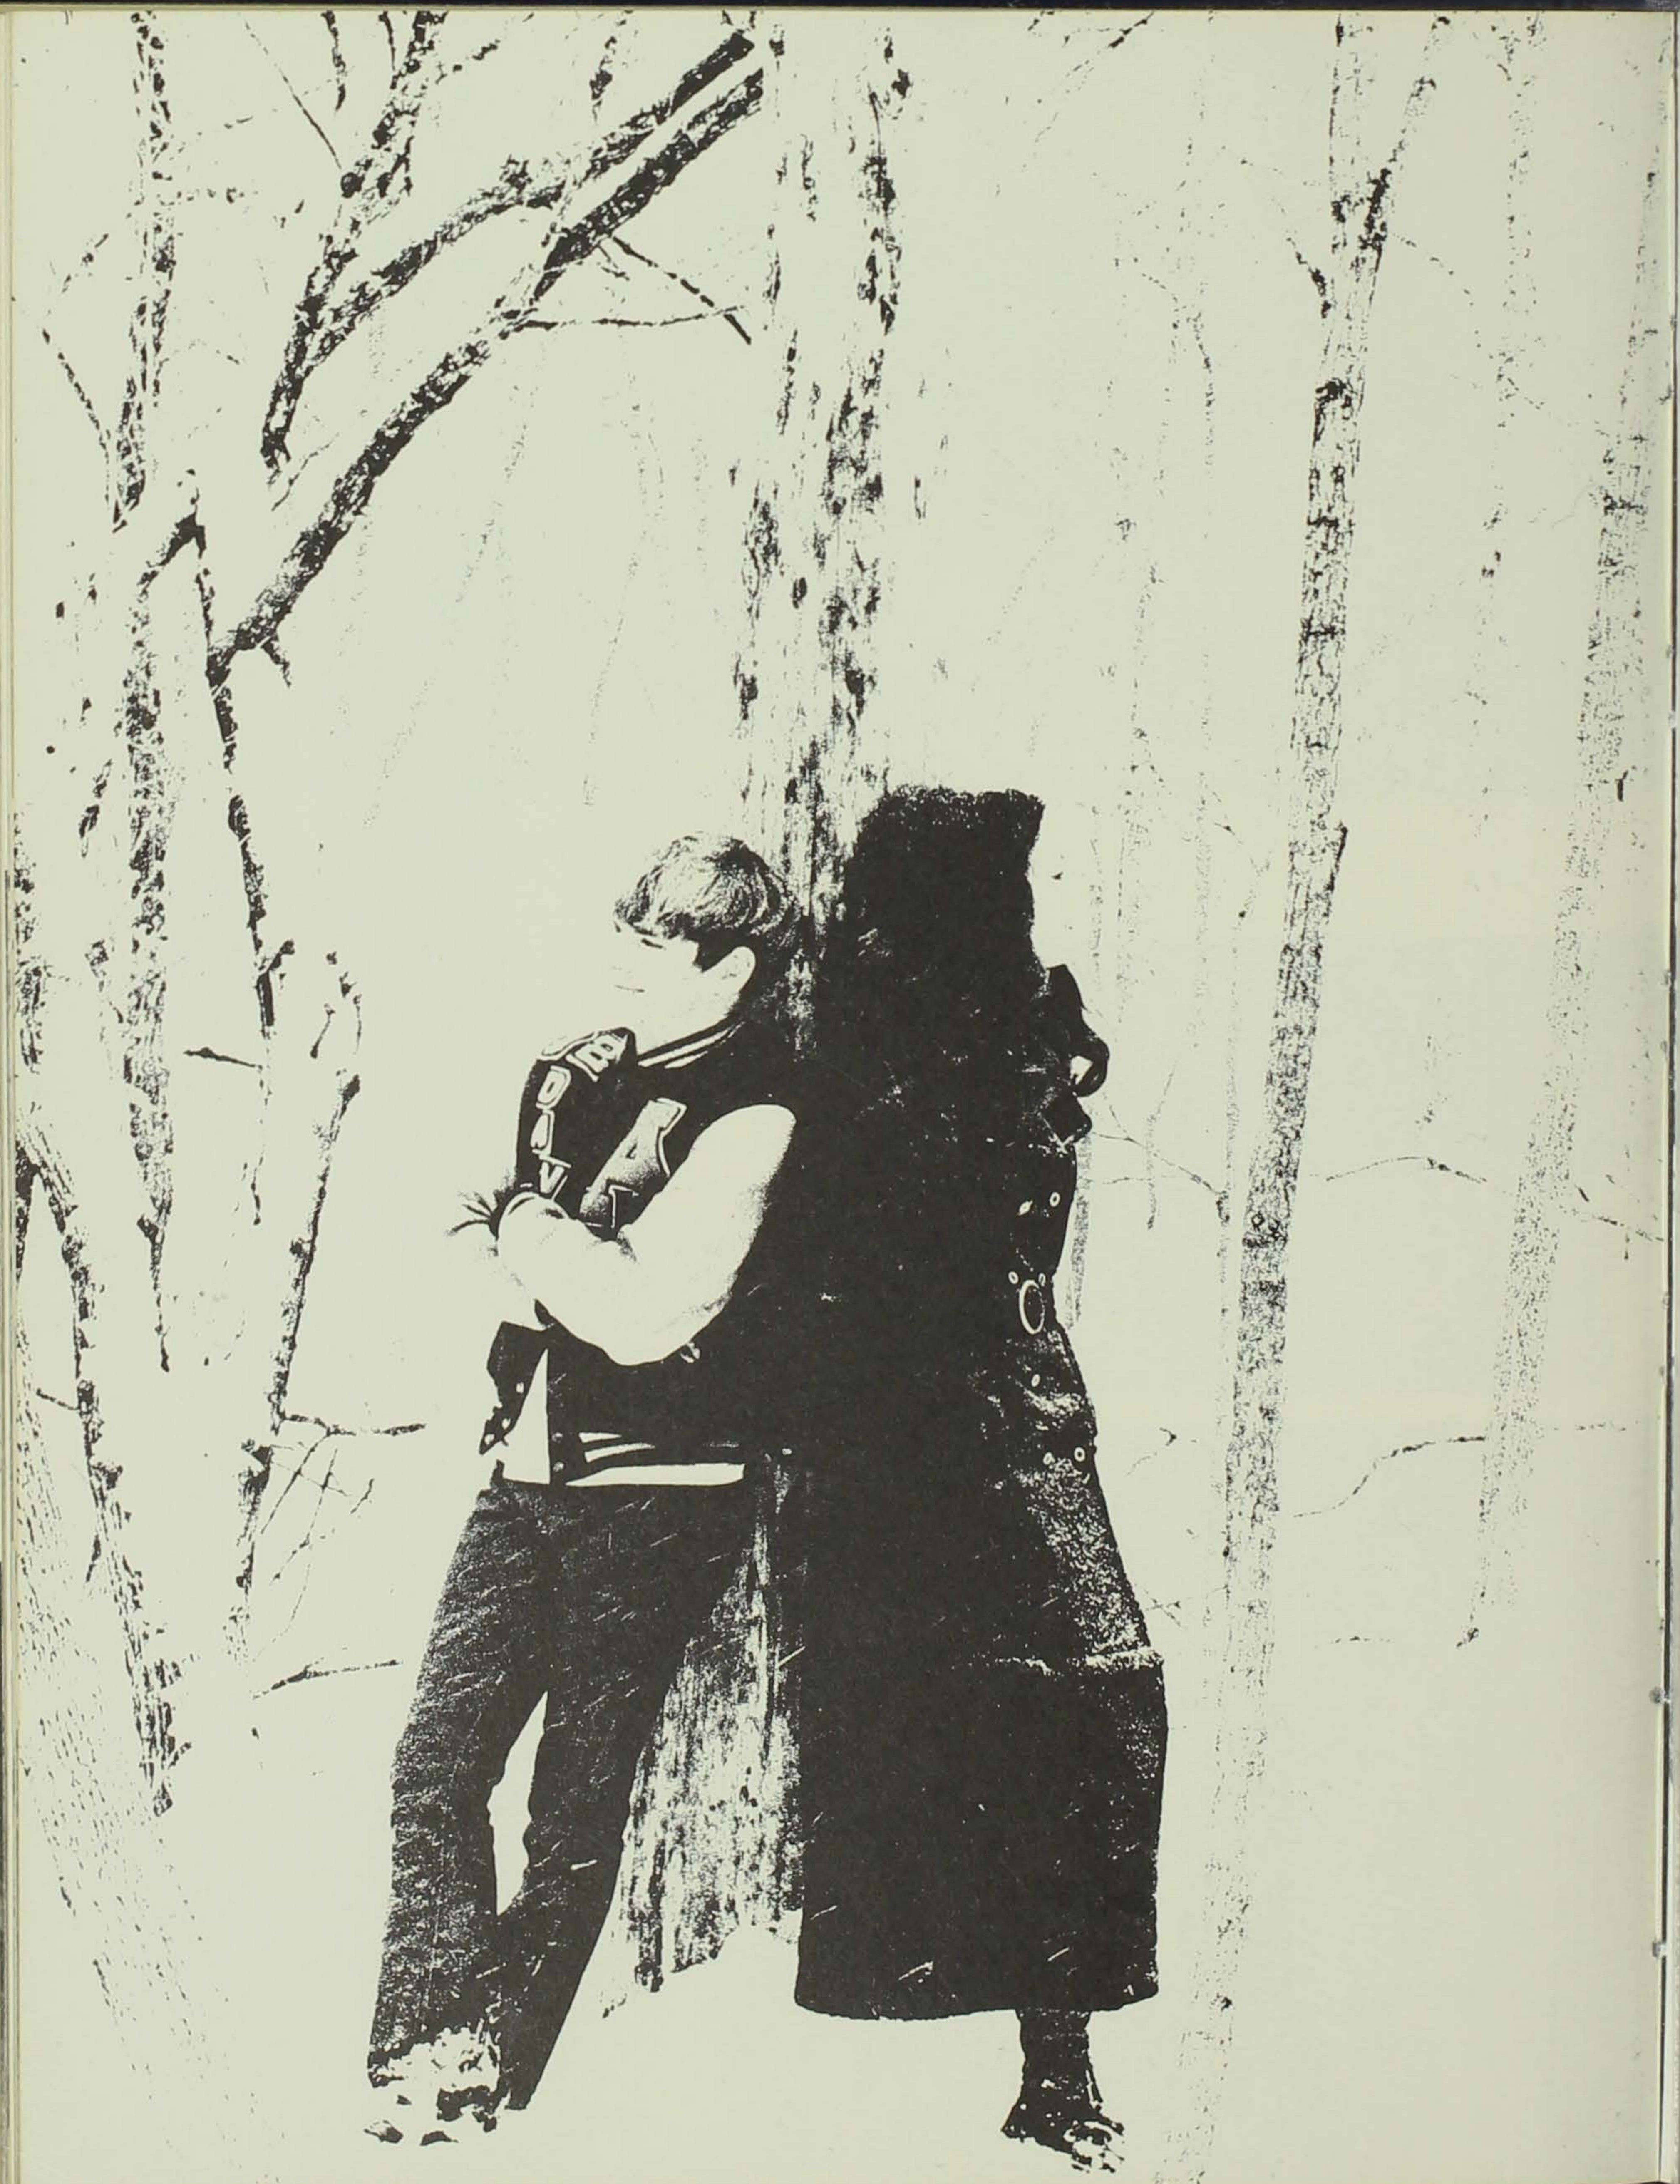

"The cheerleaders this year were excellent in every way--skills, spirit, enthusiasm and responsibility. It has been a "great" year for them."

IS THE WORLD GROWING FAST ENOUGH?

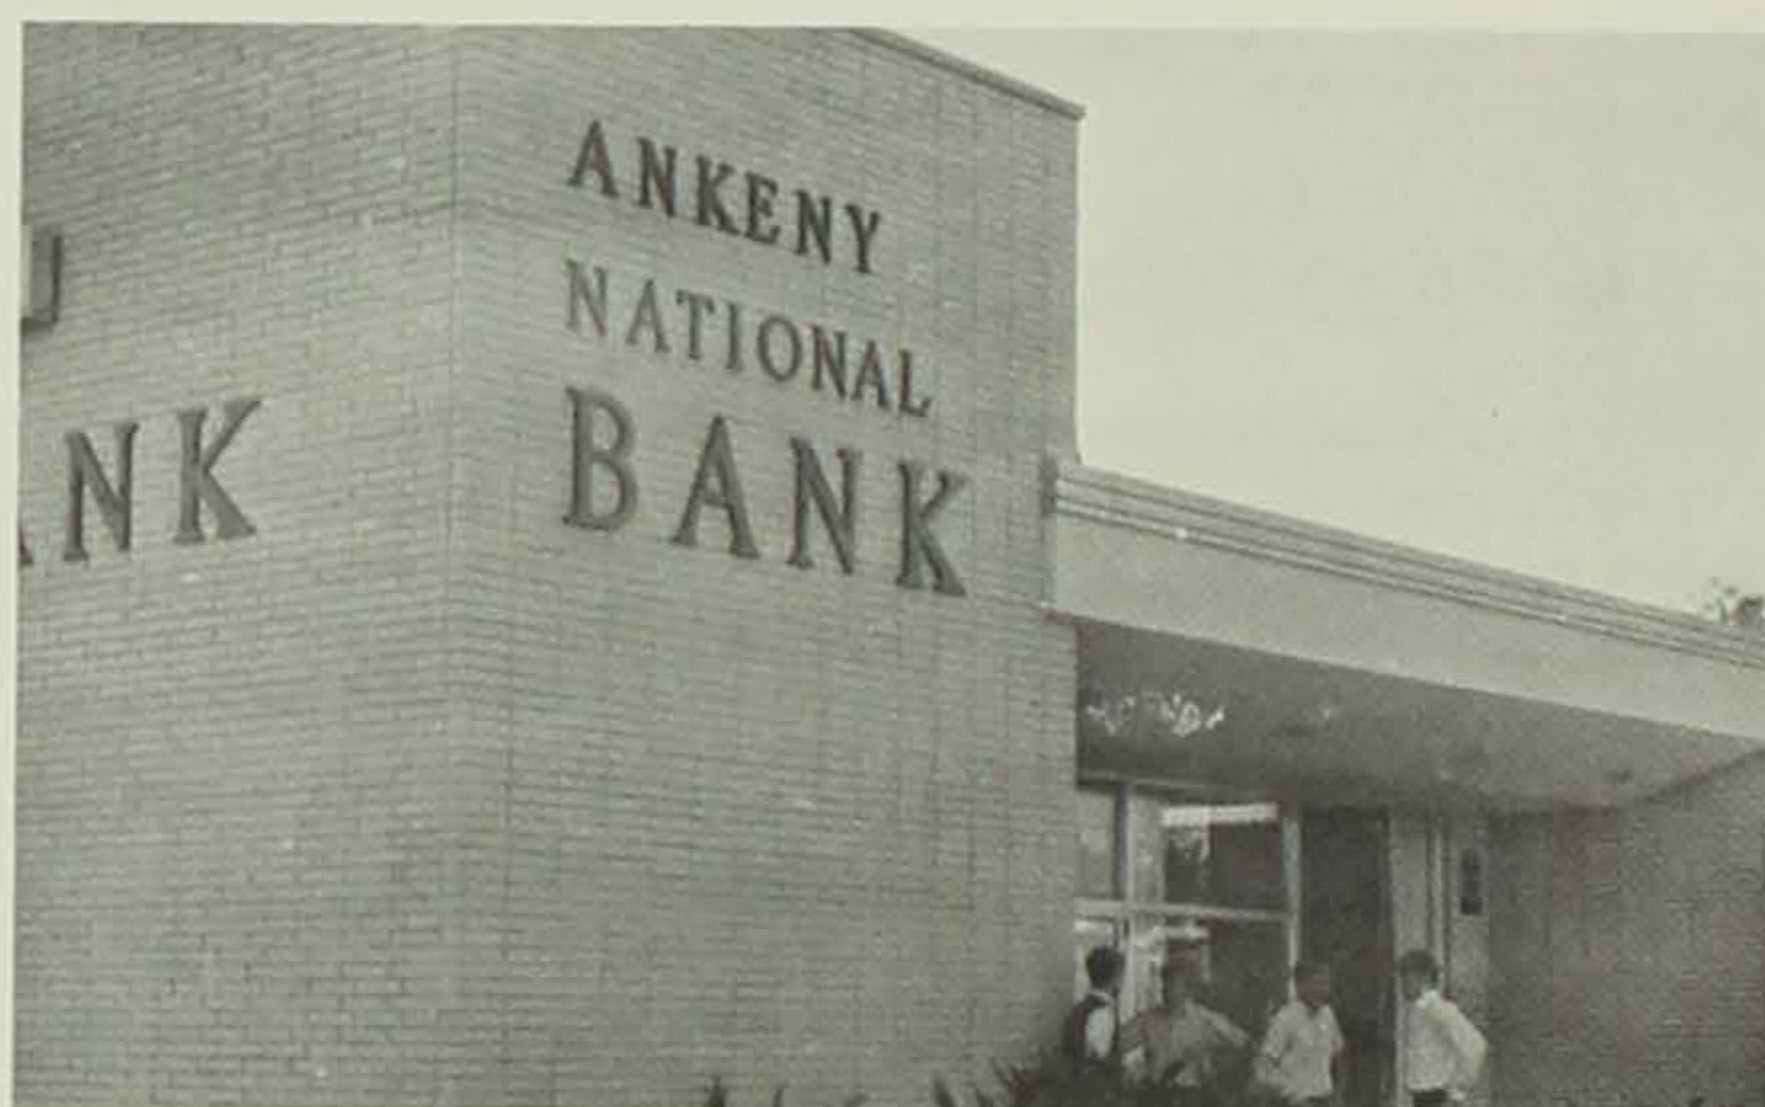

It depends. Either population is growing too fast or food production is not growing fast enough. World population may double in 33 years. Does this mean mass starvation? Not if we develop today's agriculture and harness coming breakthroughs in feeds, fertilizers, farming methods, and machinery. Can the world grow food fast enough? John Deere will help farmers make the answer to this question "yes."

Are you going to be a lunch lady when you grow up?

I can't believe I ate the WHOLE thing!

A memory is so vague and a minute so elusive, yet it is the job of the yearbook to capture all of the important memories and moments. It must also record the flood of feelings which passed in this year--happiness, sadness, victory, defeat, anxiety and most of all hope.

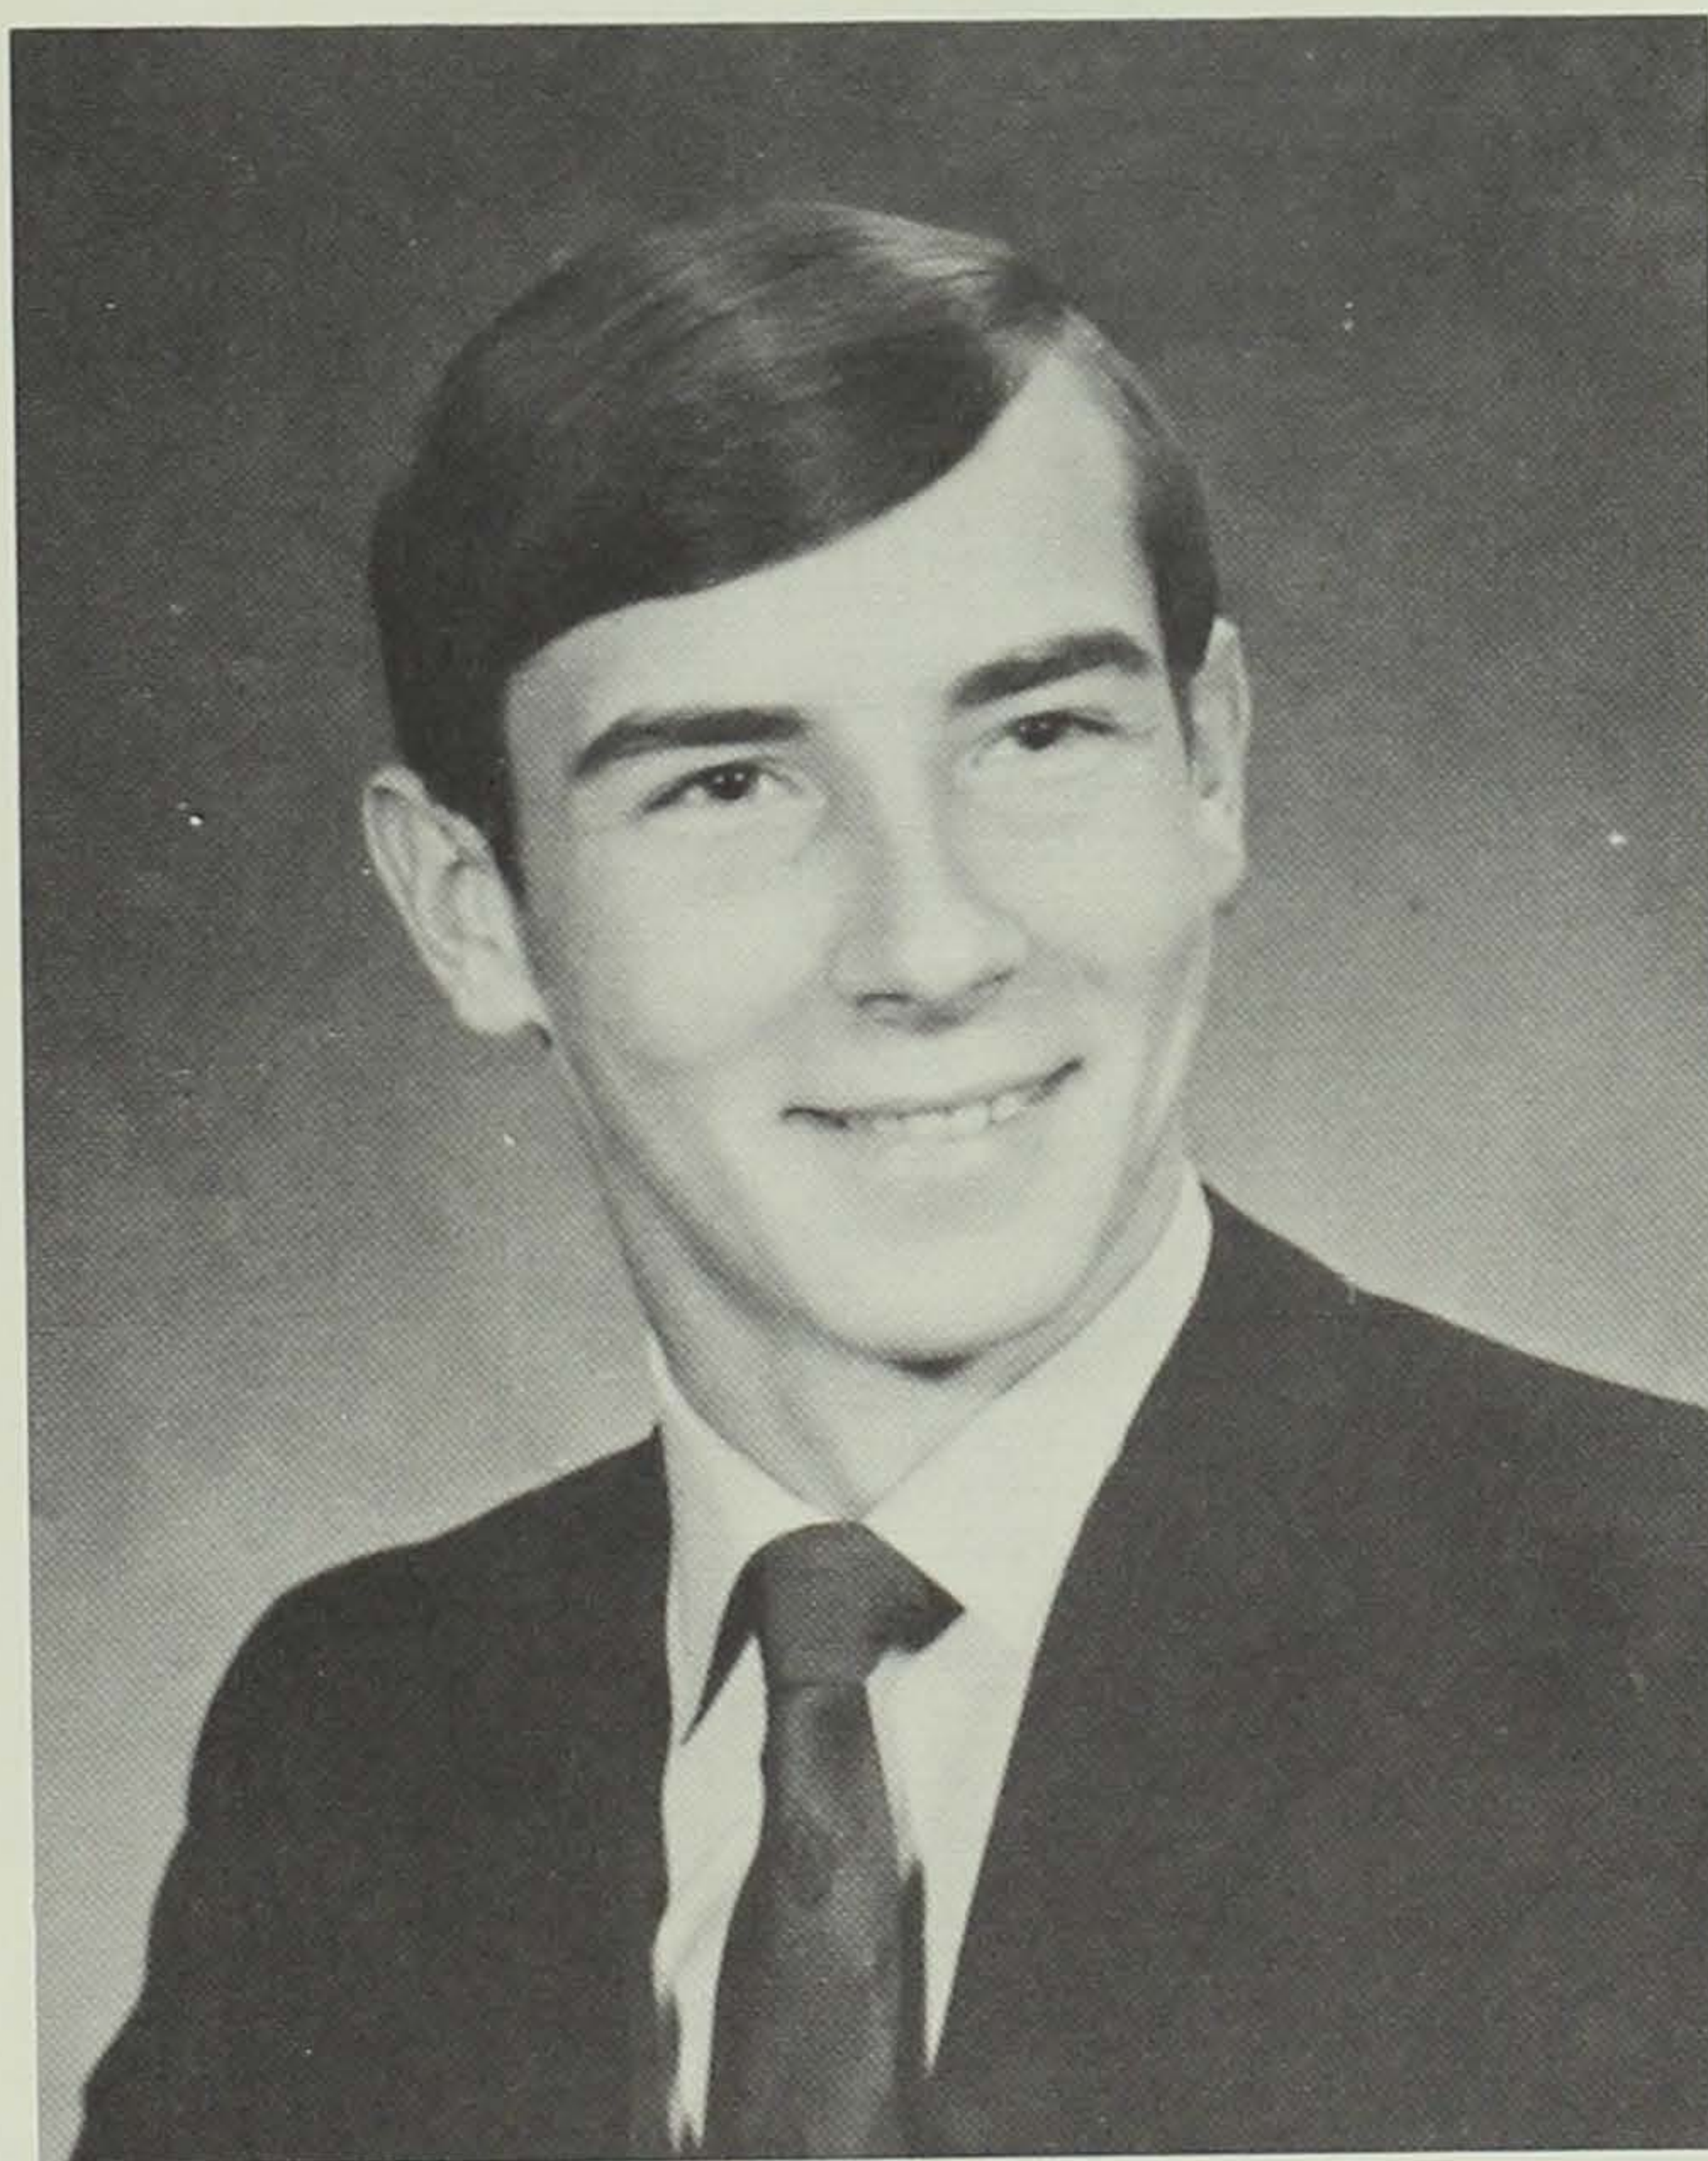

This year was one of rain and mud, excitement and boredom, controversy and confrontation. It passed too quickly. We can only hope that we captured your year in the way you remember it. This will show you our year,

1972.

In Memoriam

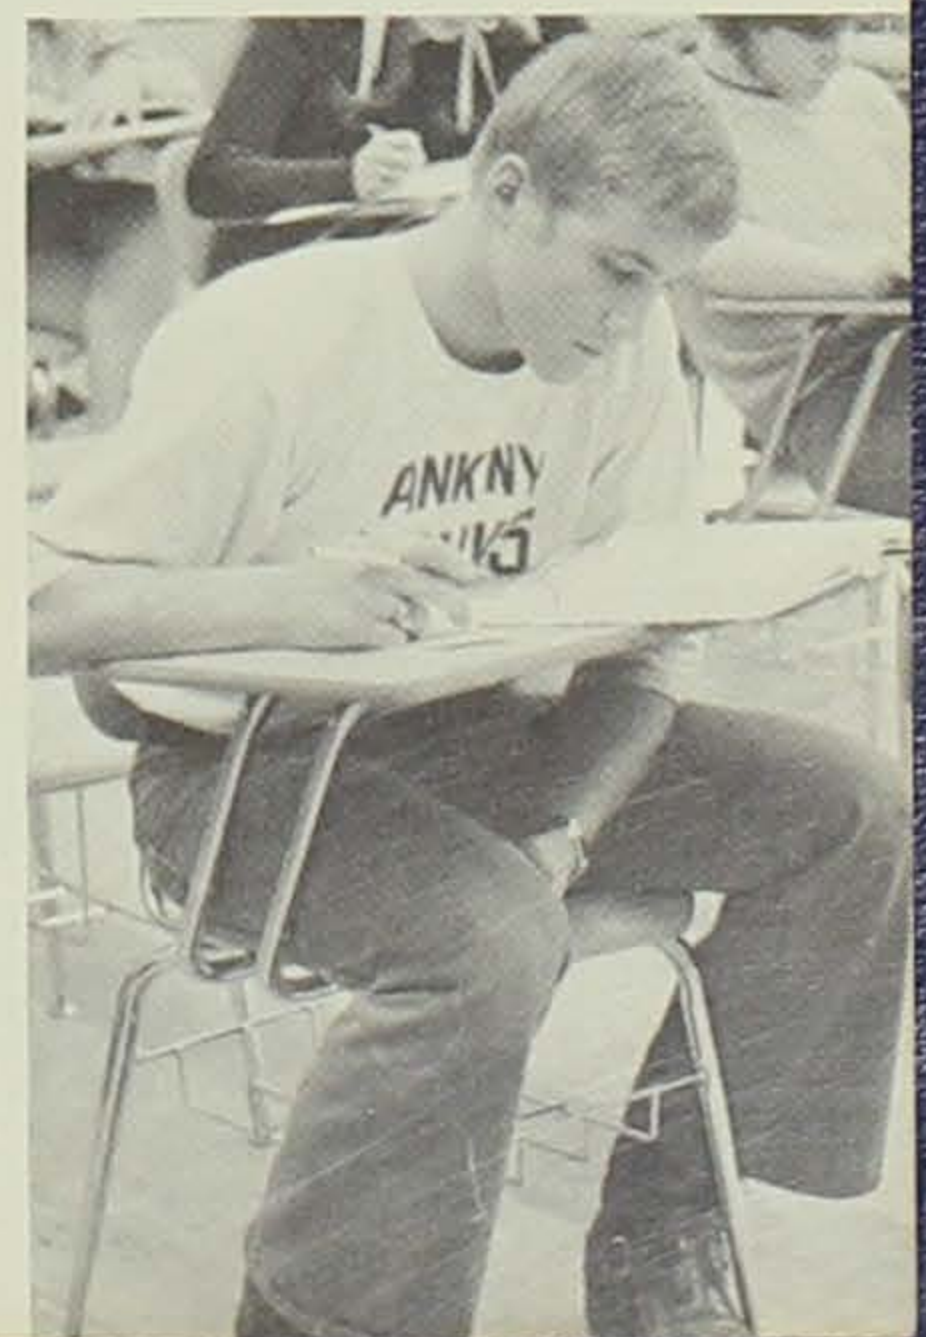

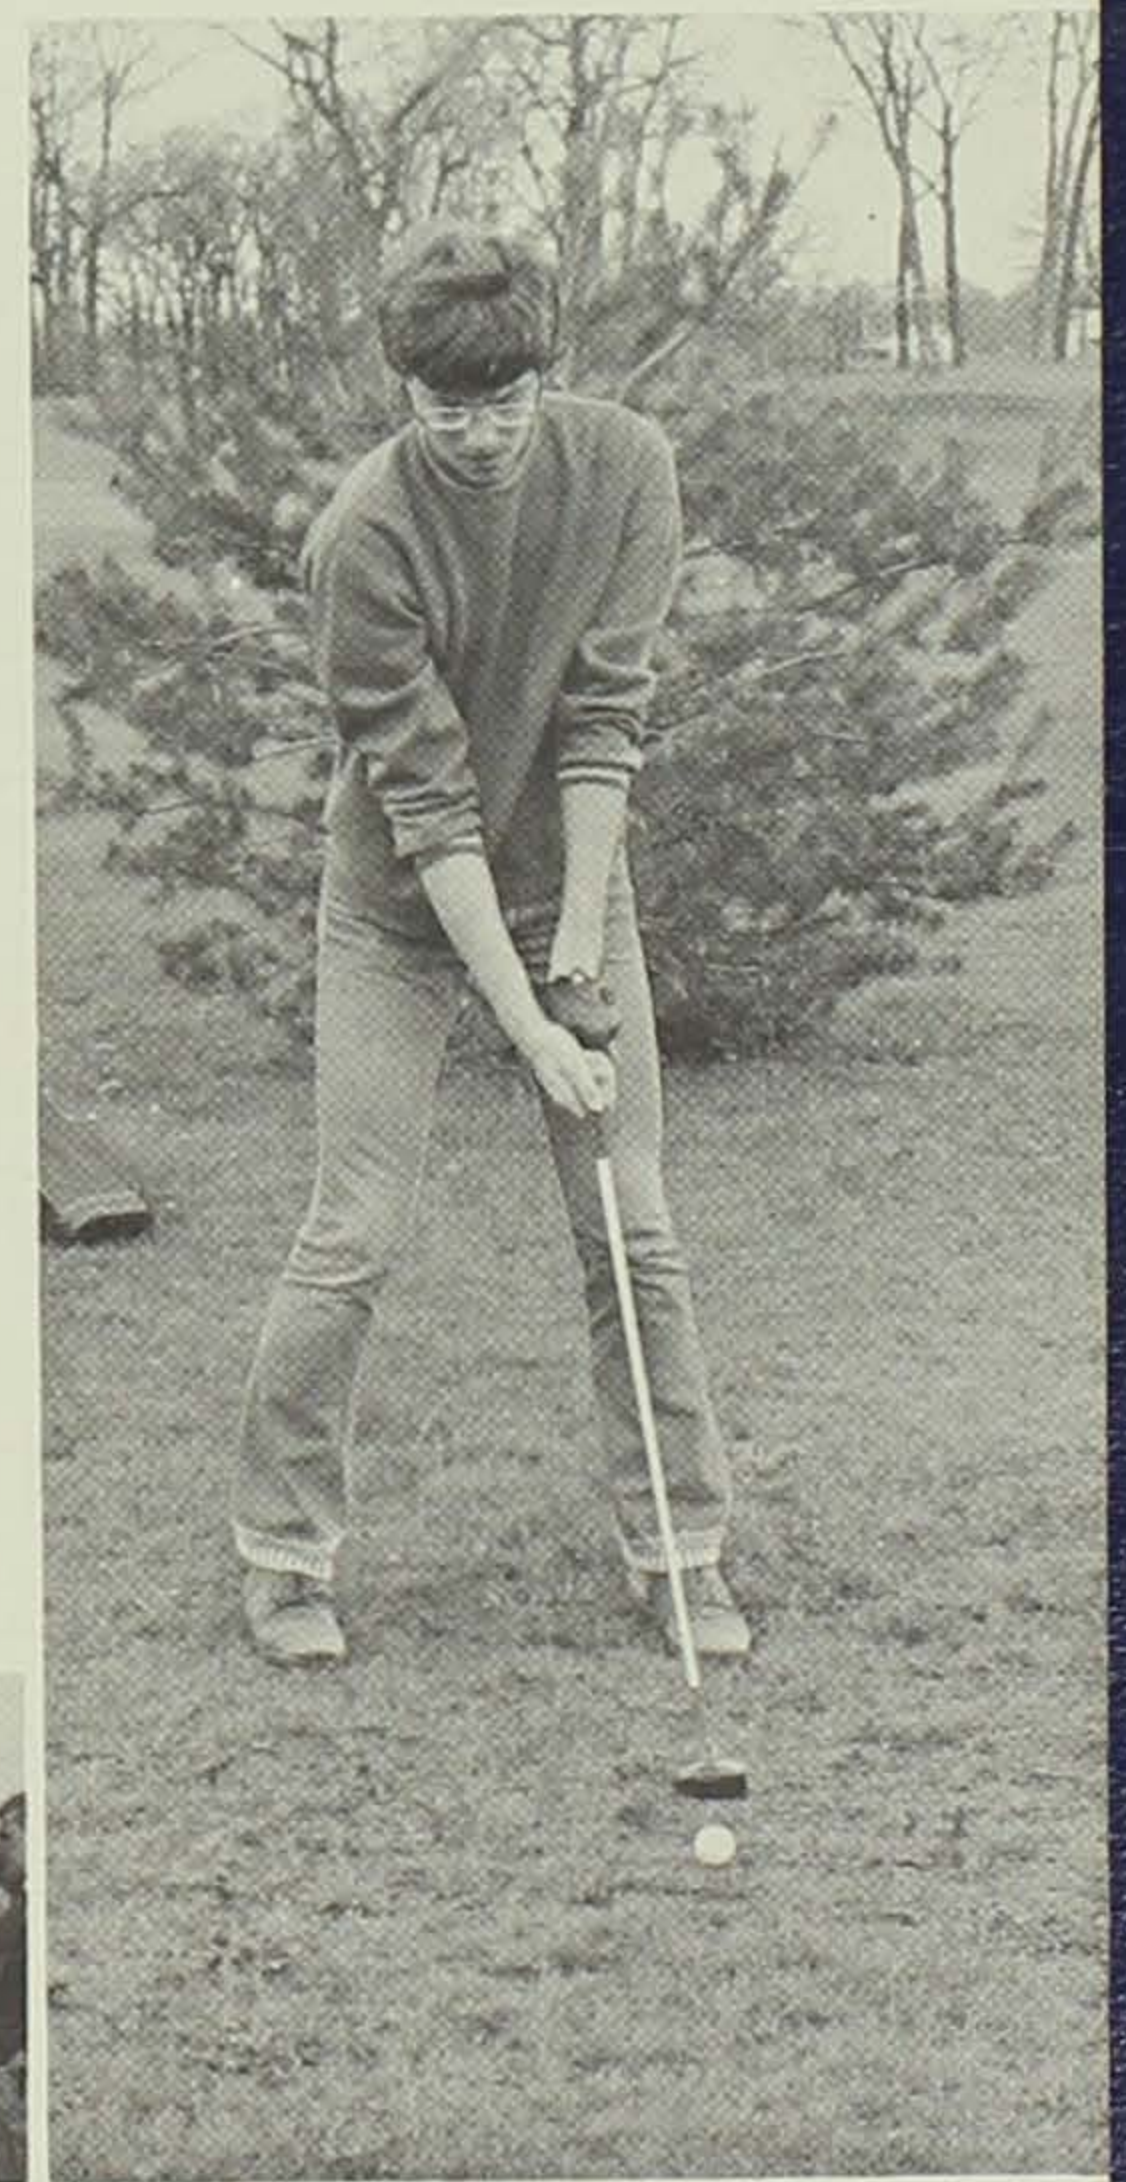

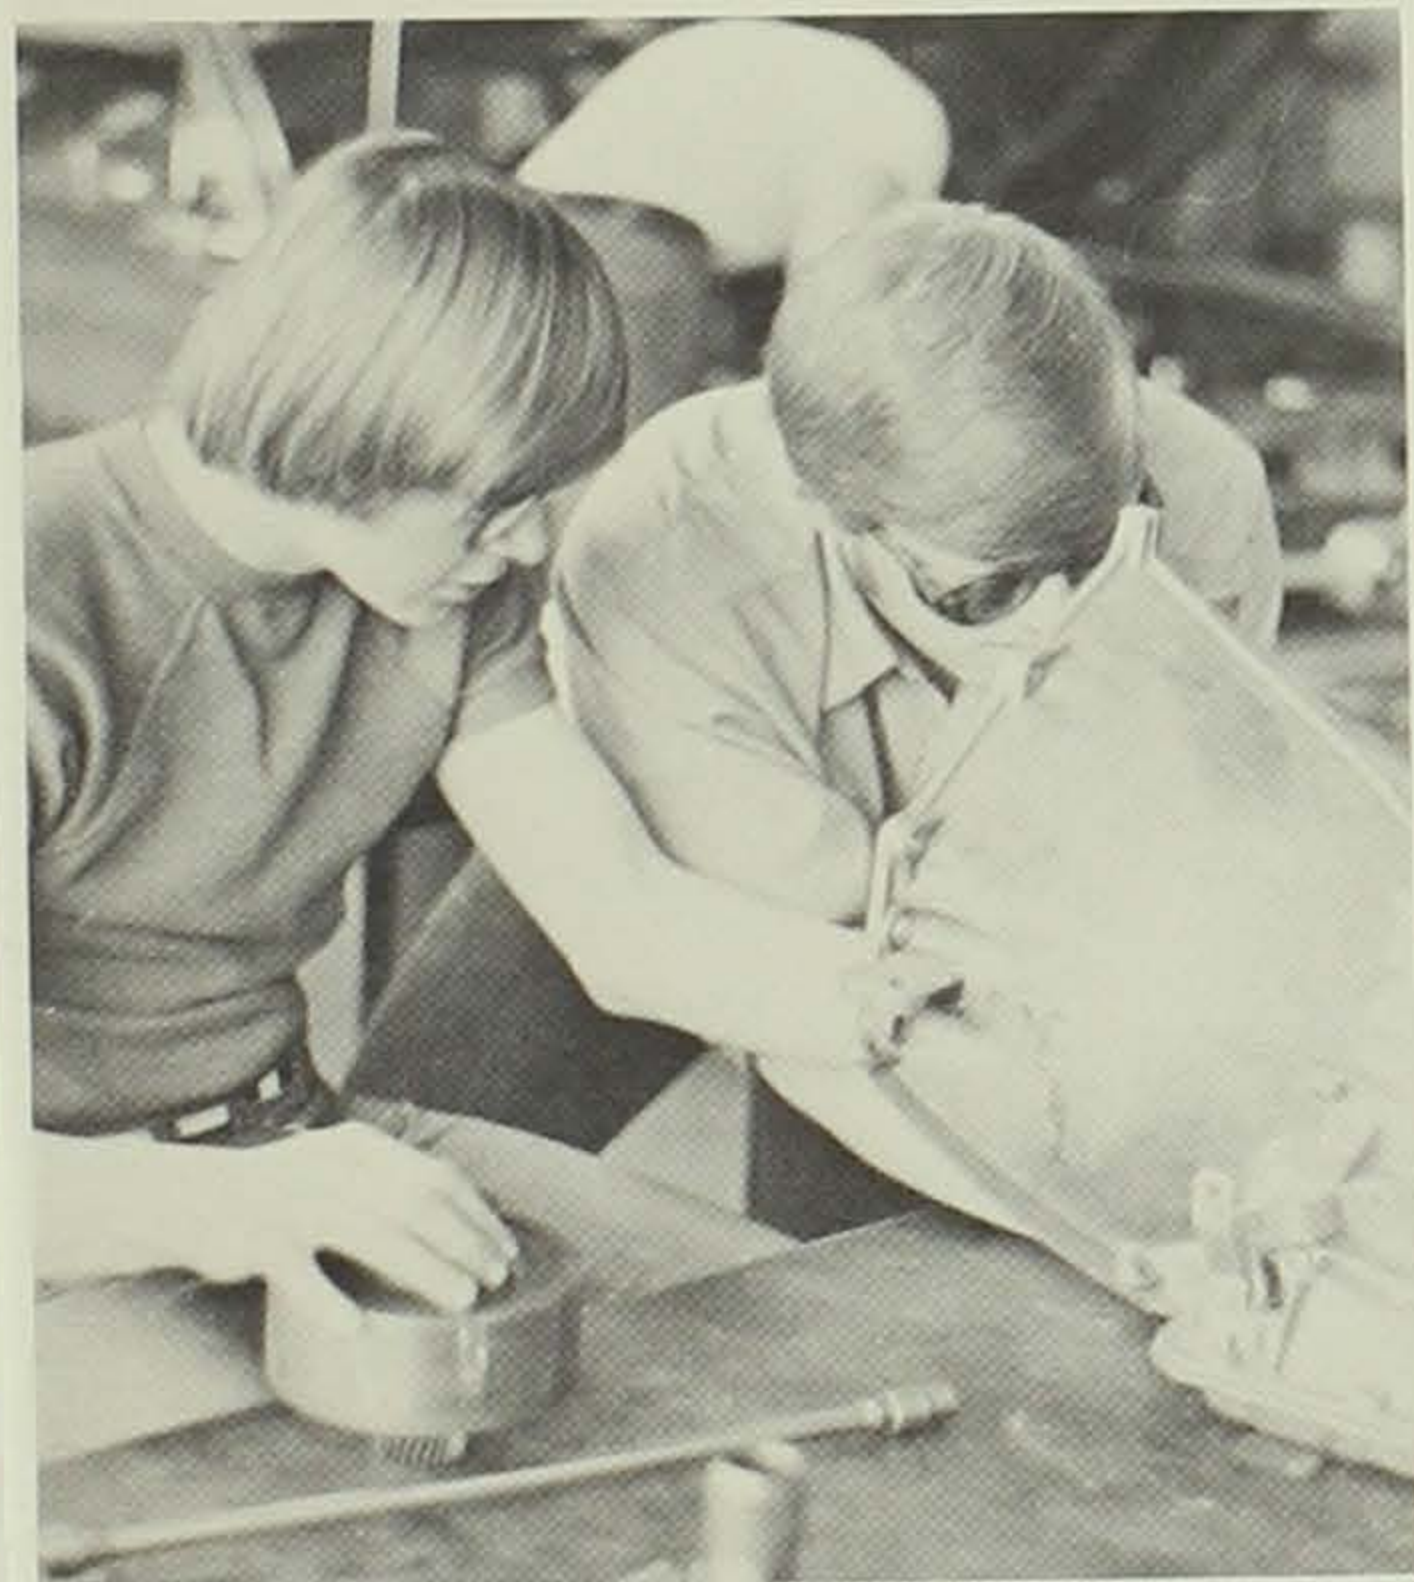

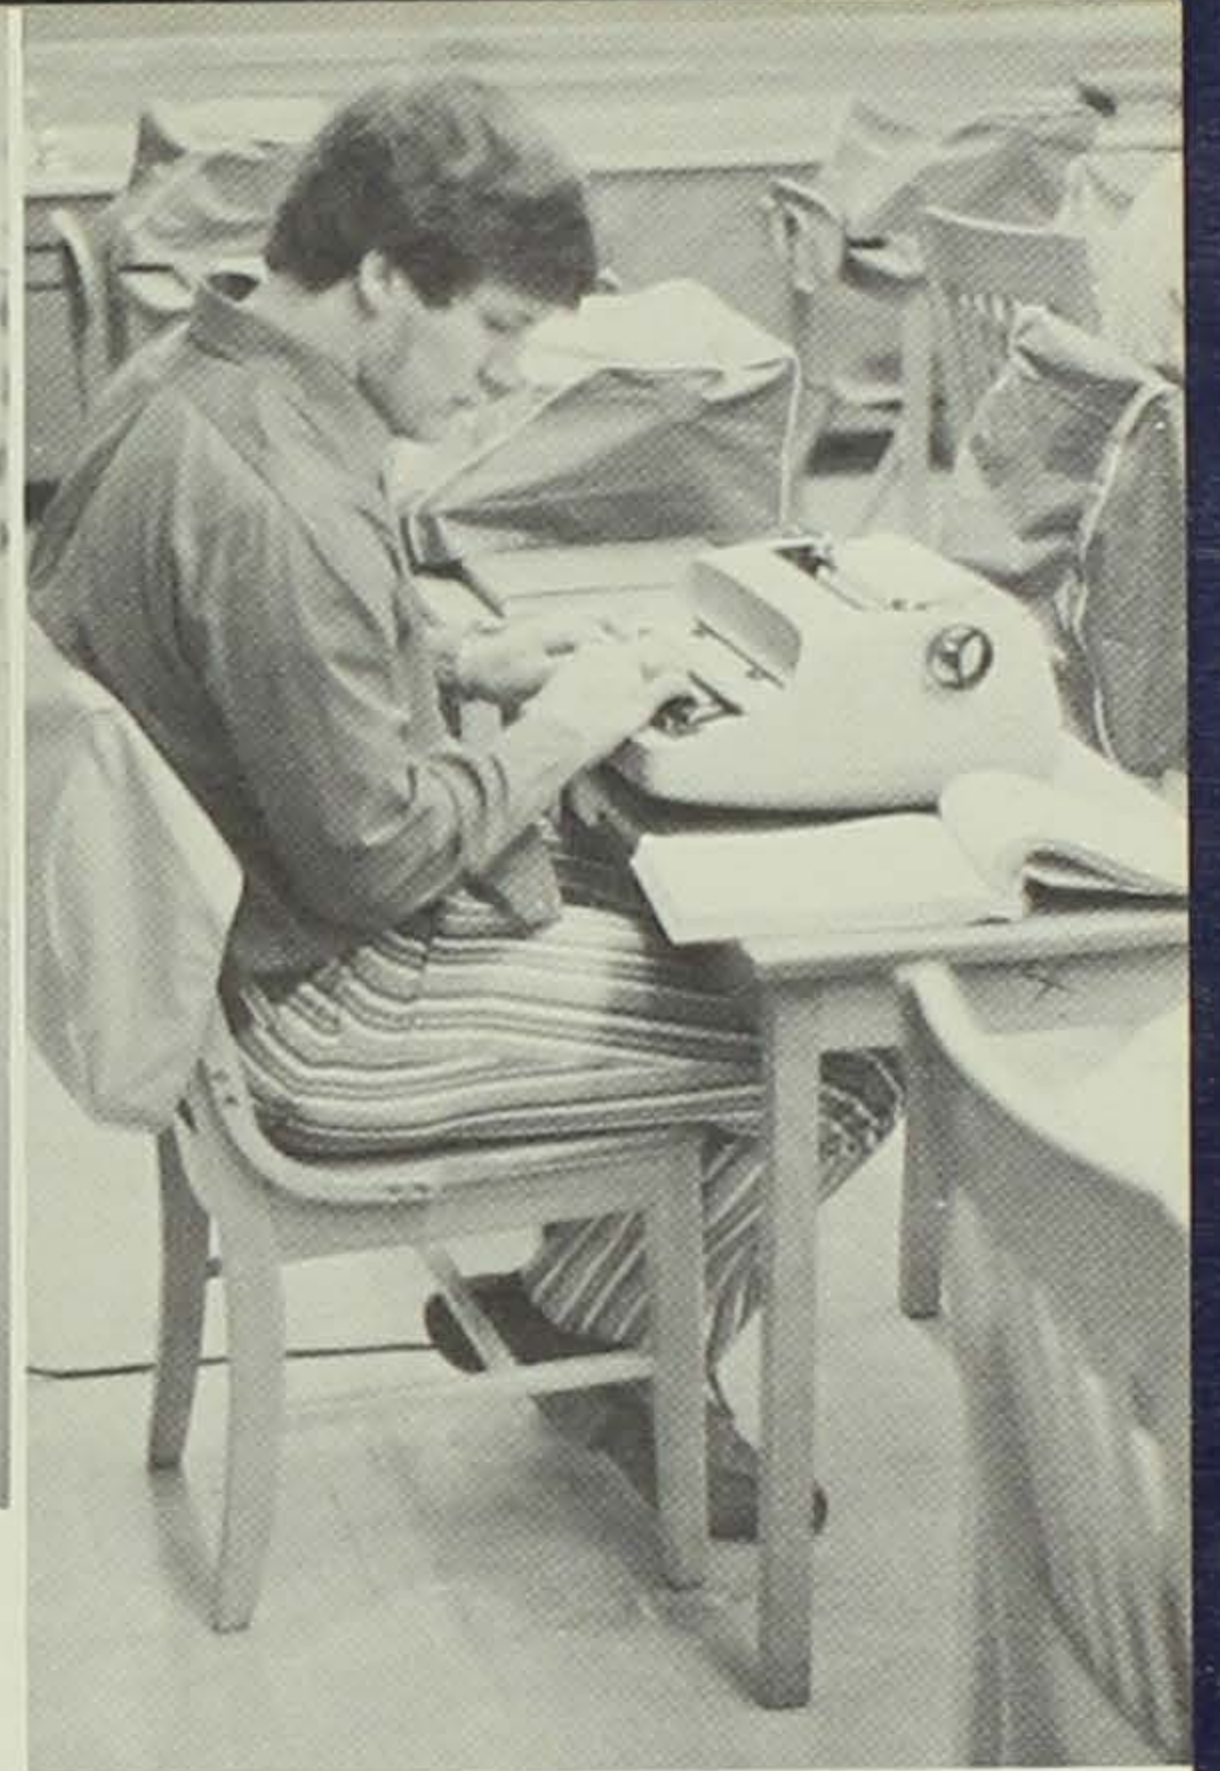

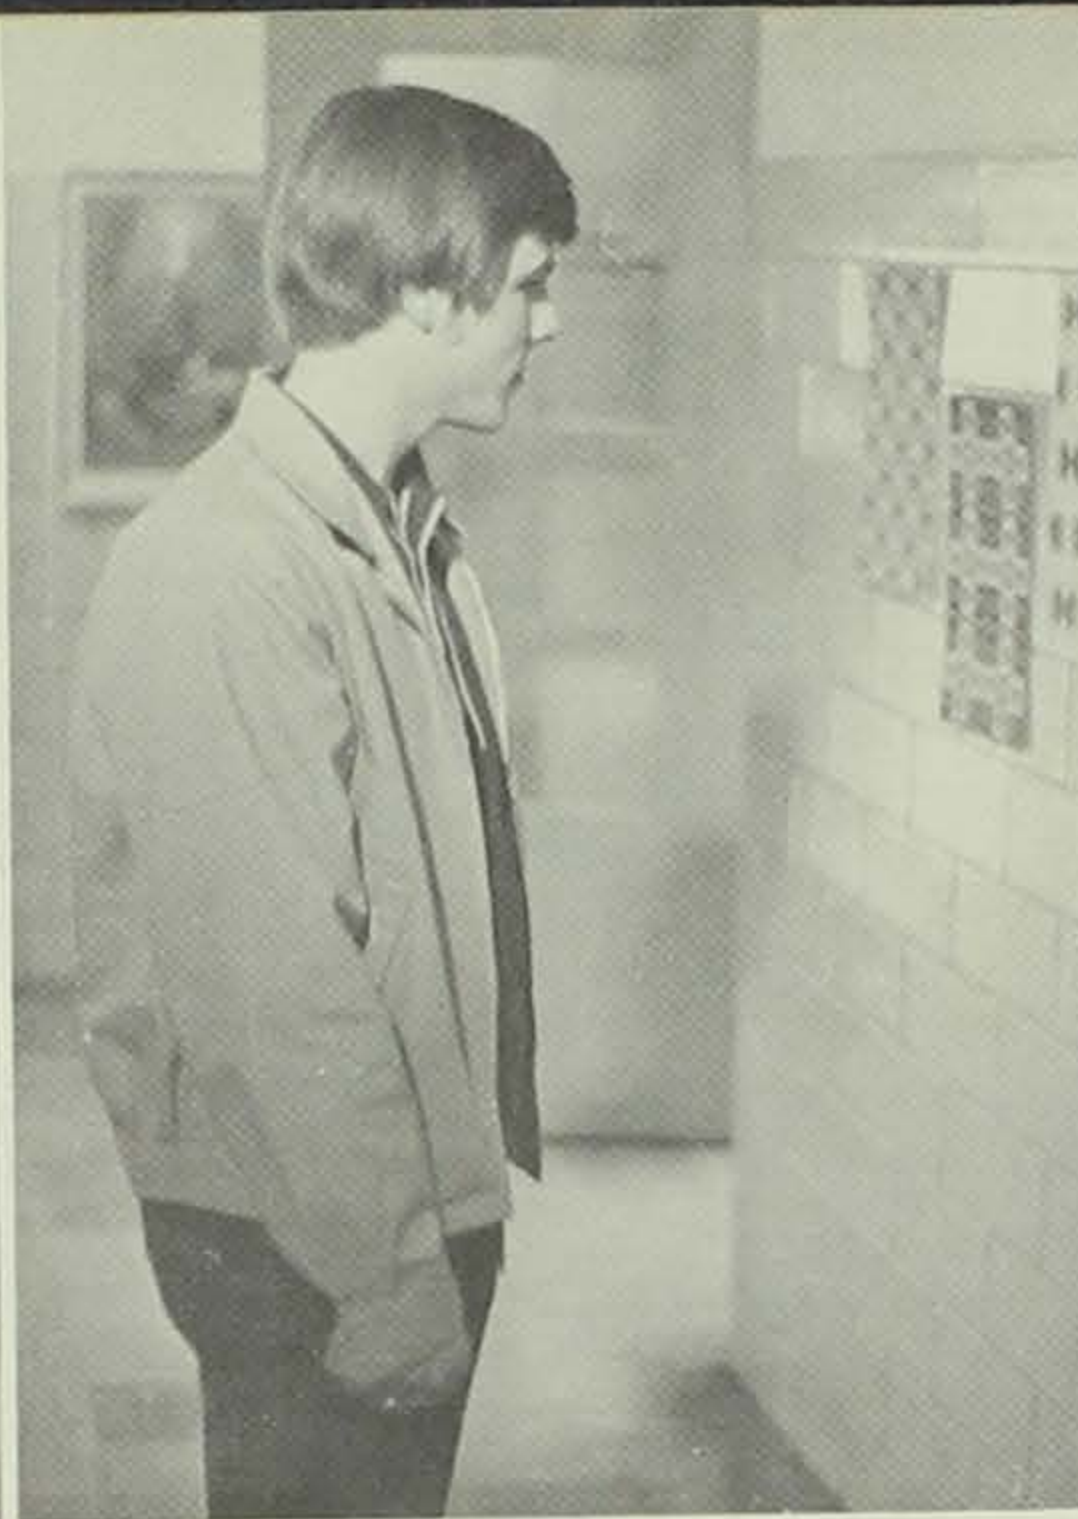

Rusty Davidson

1952-1971

We have no dearer words for our hearts friend,
For him who journeys to the world's far end,
And scars our soul with going; thus we say,
As unto him who steps but o'er the way--
"Good-bye"
