My dear Mr. Coburn:
Will you pardon
me if I tell you
I have enjoyed
on many occasions
your grand inter-
pretation of char-

actors? It is be-
cause of that ad-
miration for
you and that
pressure to write
asking a favor. If
you have a book
plate - and it is
unthinkable that
you should
have - would
you mind char-
ing one with
me? I should
like it immen-
sely.
Yours very truly,
Miss Helen Wilson
