RE: Senate File 382 (LEG-1)

Senate File 382, an act which changes the name of "soil conservation district" to "soil and water conservation district" was signed into law by Governor Branstad on April 21, 1987.

This name change will take effect July 1, 1987, and amends the following sections of Iowa Code:

- 25A.2 - state agency tort liability
- 39.21 - nonpartisan office elections
- 108.10 - artificial lakes provisions of Department of Natural Resources
- 175 - Agricultural Development Authority
- 176B.3 - Land Preservation and Use Commissions
- 306 - highway construction plan review
- 427 - property tax exemption for impoundment structures
- 467A-D - soil and water conservation laws
- 471.4 - eminent domain for subdistricts
- 479.47 - pipeline construction
- 613A - municipality tort liability

In addition to this name change, the law makes minor changes in wording but does not alter the intent of the law.

Due to the length of this legislation, copies are not being distributed at this time. If you have any questions, please contact this office.
