Don't put chemicals on your yard.

Me and my dad are

A color photograph of a woman with short brown hair and glasses, wearing a red short-sleeved button-down shirt and a dark skirt with a colorful floral pattern. She is holding a framed certificate in front of her. The certificate is from the '1987 10th STEEL CONSTRUCTION AWARD PROGRAM' and is awarded to 'KIM THAYER JOHNSON' for 'LEADS'. The certificate also lists the awarding organization as the 'AMERICAN INSTITUTE OF STEEL CONSTRUCTORS' and mentions the '10th ANNUAL AWARD PROGRAM' and '1987'.
