TREES, SHRUBS AVAILABLE

The Louisa Soil and Water Conservation District will take tree seedling orders through February for the spring planting season.

Varieties available are Arborvitae, Austrian Pine, Colorado Blue Spruce, Eastern White Pine, Black Walnut, and Red Oak. Shrubs available are Nanking Cherry, Common Purple Lilac, and Rosdosier Dogwood. Bareroot seedling and shrubs are \$1 each. Seedlings are sold in bundles of ten.

Two grades and sizes of Potted Scotch Pines are also available, with prices ranking from \$20 to \$30 each.

To place an order while supplies are still available, stop by the SCS office, 514 Isett, Wapello, or call 523-6411. Customers must pay for trees when ordered. Checks should be made payable to Louisa SWCD and sent to 514 Isett, Wapello, Iowa 52653. Delivery will be made in April of 1994. Trees may be picked up at the SCS office.

Tubex tree shelters and stakes are also available through the district. Call or stop in for prices on these items.

Trees may be used for wildlife, forestry, ornamental and windbreak purposes. All seedlings are hardy, bareroot stock. There is no guarantee on stock sold at these prices except that seedlings will be good quality when they are received.
