

RESOLUTION

BE IT RESOLVED: That by the Mills County, Iowa Board of Supervisors, that the Constitution and By-Laws of the Golden Hills Resource and Conservation and Development Project, subject to the qualifications contained in the following paragraph is duly endorsed and sponsored by the full powers of this body.

The Mills County Board of Supervisors, in granting their approval to enter into the above named project, condition their acceptance on the interpretation of Article VI, Section 1, that operating funds, when they are "assessed", do not constitute a legally enforceable debt against Mills County and that any such operating funds necessary for this project be requested from the Board of Supervisors and that they will, at that time, approve or disapprove the payment of any monies to support this organization.

This action authorized at an official meeting of the Mills County Board of Supervisors on this 3 day of August, 1976 at Glenwood, Iowa.
