Mrs. Eileen Miller Honored For Soil Conservation Work

Mrs. Eileen Miller, state clerk in the Hardin County Soil Conservation District office at Eldora, was honored Monday at the 22nd Annual Conference for Soil Conservation District Commissioners held in Mason City.

Mrs. Miller was presented a "Certificate of Recognition" by Bryan Weberg of Kiron, member of the State Soil Conservation Committee, and William Greiner, Ankeny, director of the State Soil Conservation Committee, for 10 years of service to the Hardin District. The presentation was made at the Awards Banquet of the conference.

An employee in the Hardin Soil Conservation District office since March, 1958, Mrs. Miller has made a valuable contribution to the district's program.

The State Soil Conservation Committee recognizes annually the state clerks and planner-aids for distinguished records of service to their soil conservation districts. A total of nine clerks from throughout the state received certificates at the conference.
