Annual meeting open house held

The 103rd annual meeting open house was held Monday, July 13, which happened to be one of the hottest days of the year. Despite the heat, 126 members braved the temps to enjoy a free meal outside! Shane Wulf, Black Hawk County Soil and Water Conservation District watershed coordinator, was available with information on water quality, cover crops and nutrient management along with maps of

watershed areas. There was also information on Farm Bureau programs and benefits. As members registered for the annual meeting they were asked for a goodwill donation to the Northeast Iowa Food Bank. Any donation received will be matched by Farm Bureau. A donation of \$640 will be given to the food bank from Farm Bureau members. We'd like to thank all the members who donated!
