The 2007-2008 *Hawk* is a 212 page yearbook with a press run of approximately 1000 books. The student body totals approximately 1500 students. The cost of the book was \$48.

All type was set using Adobe InDesign CS on an Apple Macintosh based desktop publishing system. Pages were submitted to our Jostens plant in Visalia, CA, via CD. The cover was designed by Janae Finnestad with help from Matt Baltes. Interior paper is 100 # glossy with black ink.

The entire book is in process color. These color pages are funded through the generous support of many businesses and parents that sponsor the yearbook and purchase senior baby ads.

All photos were taken with Canon and Nikon digital equipment. The senior large photograph was supplied by Monahan Photography. Sports group shots were taken and supplied by Denny Williams Photography. Student portraits were supplied by LifeTouch Photography. Vocal Music pictures were taken and supplied by Doug Martin. The senior baby ads were designed and created by Elizabeth Kritenbrink, Lindy Meyer, and Katie Tomlinson. Senior photos were provided by a number of local photographers and organized by Lindsey Woody and Liz Yeager.

The Hawkette softball team had to work extra hard during the 2007 season because of the absence of seniors on the team. Sophomores and even freshmen were brought up to help make a strong team.

The team battled hard all season, ending up with 14 wins and 33 losses. Although it was not as good of a record as the team would have liked, they gave it their best and gathered some great experience for next season. Even though the team struggled, they were able to with the Carlisle Tournament, a strong signal of the good things to come.

Even though **Alison Pick** was only a junior, she sees what's possible for next year: "This season was a learning experience and I think next year we can only get better."

The Ankeny High School Baseball team begins playing games in the early summer; however, their work begins long before that. Players usually start practicing in the winter. They wake up early in the morning and go to the school to throw around balls and practice a little.

All of this extra work and early mornings eventually pay off in the summer time when they start their games. This past year the team successfully made it to the playoffs; however, they suffered an unfortunate loss in the first round of the playoffs. They didn't make it to their desired goal, but they did have a successful season finishing the year with a 25-17 record.

Some of the guys said that they learn to work as a family, that they spent a lot of time with the team, (some weeks more than others) but because of that the players are very close to each other. Coach Hey was very proud of the Hawk's season and the time spent working with them.

“Impossible is nothing!”

This year's season began with a great start. The Hawkettes took first at the Valley tournament and took their competitors 3-0 in their first three matches including defeating Johnston 3-1 who they lost to last year. The Hawkettes were conference champs this year and were ranked number one all season.

Many memories were made during this season and traditions continued, including dancing to 'Crank Dat' in the locker rooms before games and the girls coming out onto the floor with their towels.

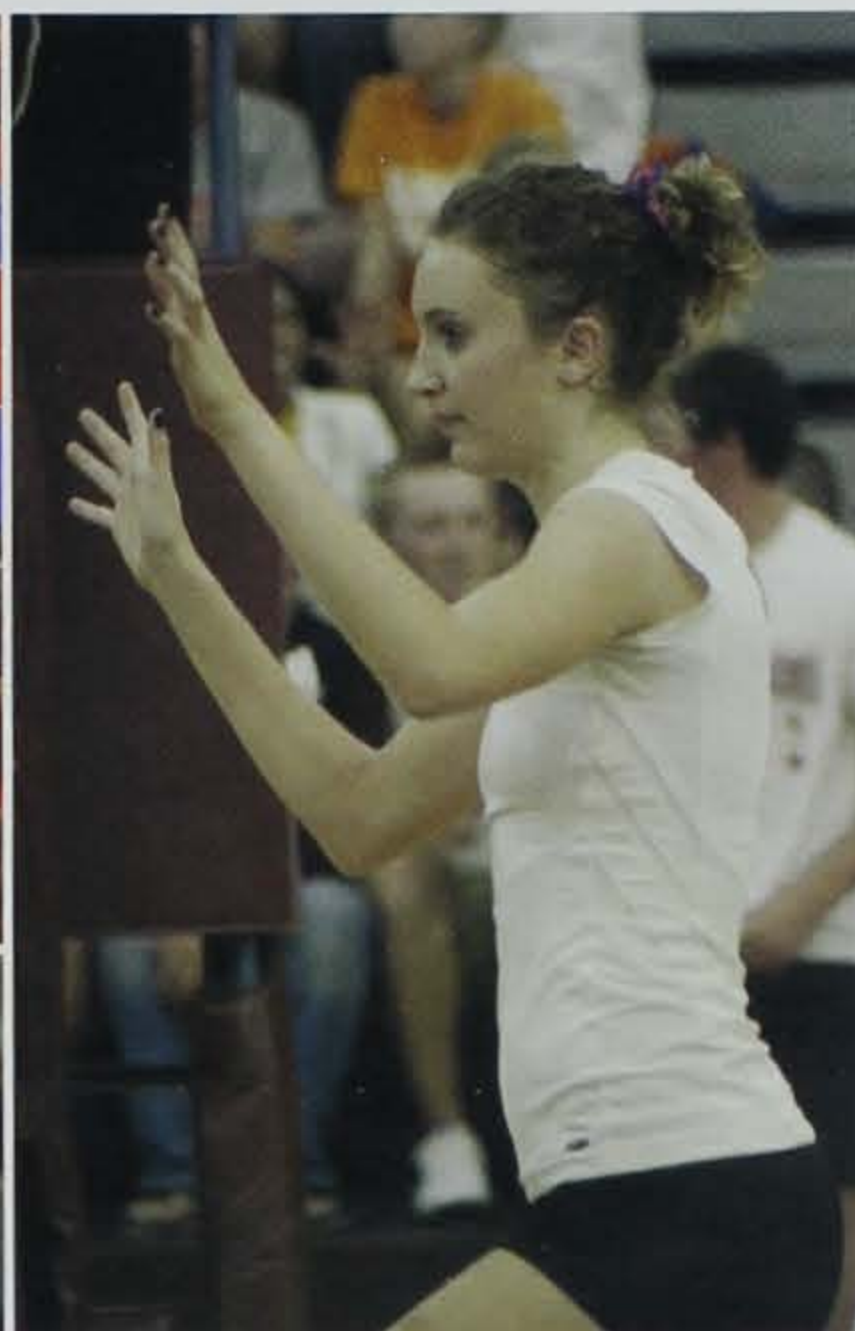

Although the Hawkettes were undefeated for all their matches, a victory over Cedar Falls in the semi-finals at state could not quite be accomplished losing in an almost two hour match 2-3. Even though the team will be losing 6 seniors this year, the girls have a strong belief that next year will be just as successful. Congratulations!

"My most memorable part of this season was dancing in the locker room and bonding with the team. Next season we will definitely miss our seniors because it will be hard to fill their shoes, but I think we'll come back strong."

After a memorable year, the Ankeny Hawks made history by attending the UNI Dome twice. A strong team and amazing teamwork lead the Hawks to finishing 2nd place in the State Championship game against Bettendorf. The season was filled with excitement and many proud moments for the Hawks.

The Hawks started out a great season in the first game by defeating Fort Dodge 45-8. The wins kept on coming including a homecoming win against Sioux City North. During the playoff games there was much anticipation for exciting games. After slaughtering Waukee, SE Polk, and Valley the Hawks proved they could handle anything.

Unfortunately, a tough, well-played season lead to an upsetting loss at the State Championship game at the UNI Dome. Fans watched with shock as the final seconds of the clock ticked and within the last 34 seconds Bettendorf scored to win the game, 16 to 21. It was an incredible season that will be remembered at Ankeny High School forever!

“Being a Cheerleader was a lot of hard work this year, but all the hard work was worth it!”

-Senior Angela Louvan

The Ankeny Varsity Football Cheerleaders had a very exhilarating season. The girls practiced every day after school working hard on cheers for games, stunts, and their state routine. The squad loved to cheer on the Hawks every Friday night and get the crowd fired up. Their favorite thing this year was cheering the Hawks to a great finish in the finals at the UNI-Dome. They also performed in the State Cheerleading Competition November 3rd, bringing an honorable performance to the mat receiving 6th place.

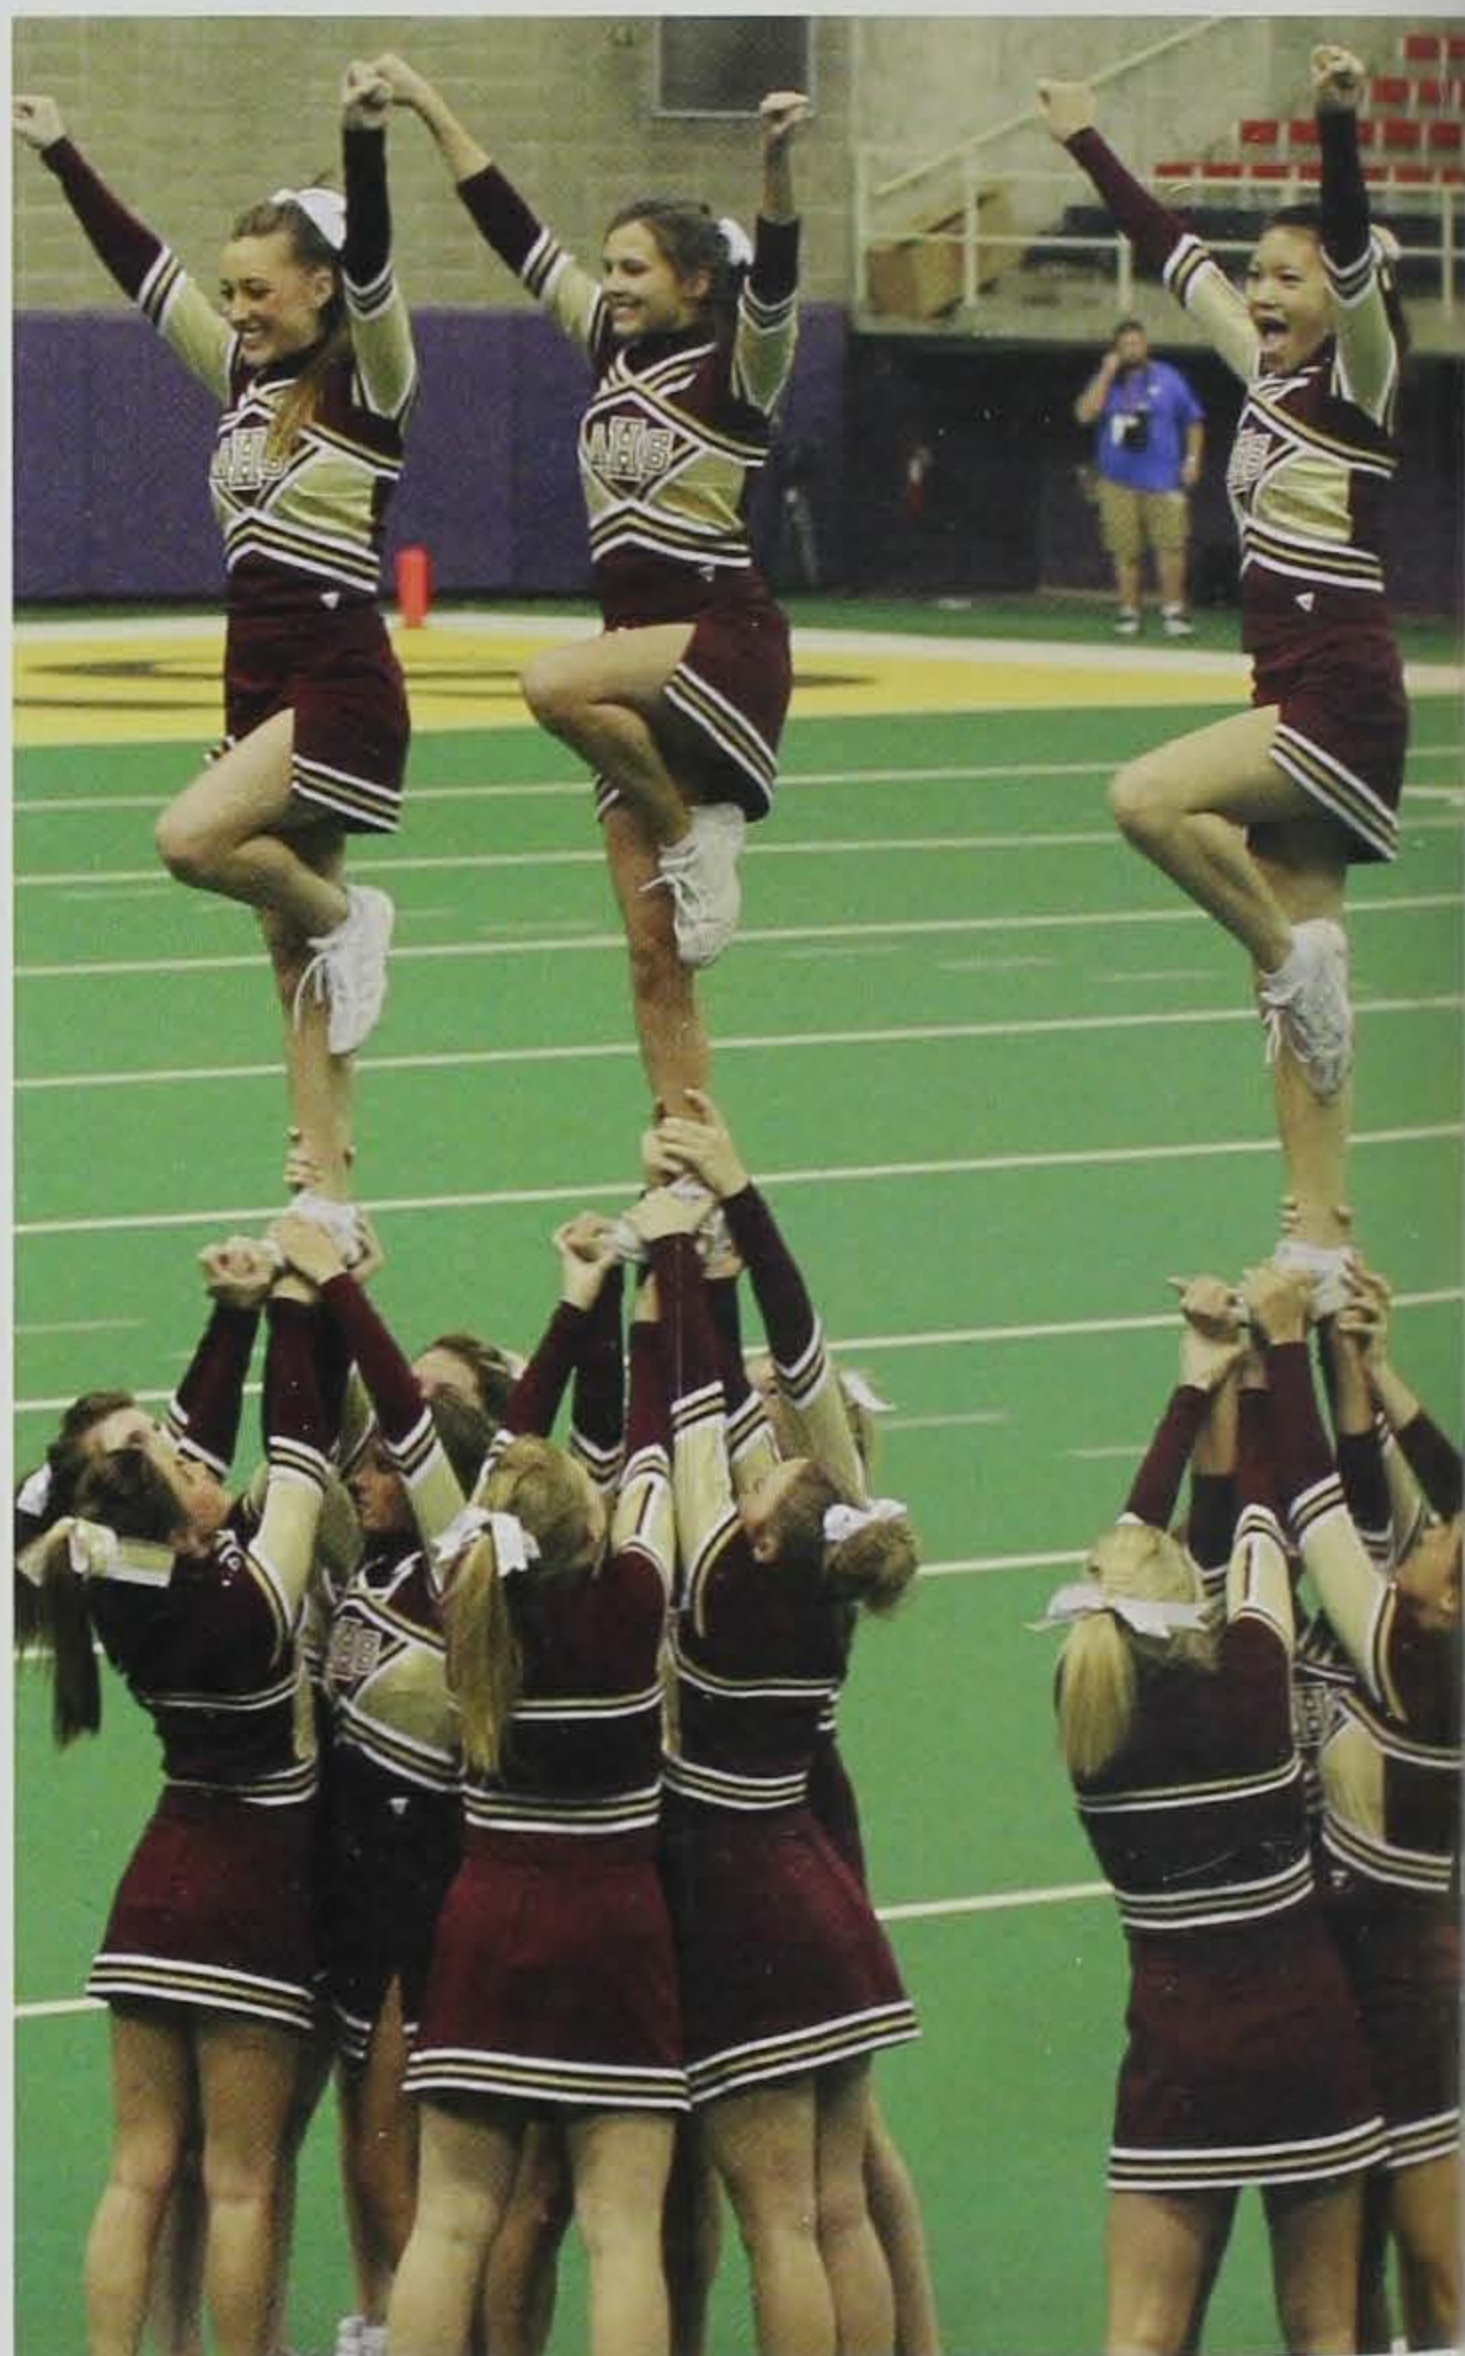

Homecoming week is one of the cheerleaders most involved activity during the season. They work hard on decorating the hallways and buying presents for the football players each day.

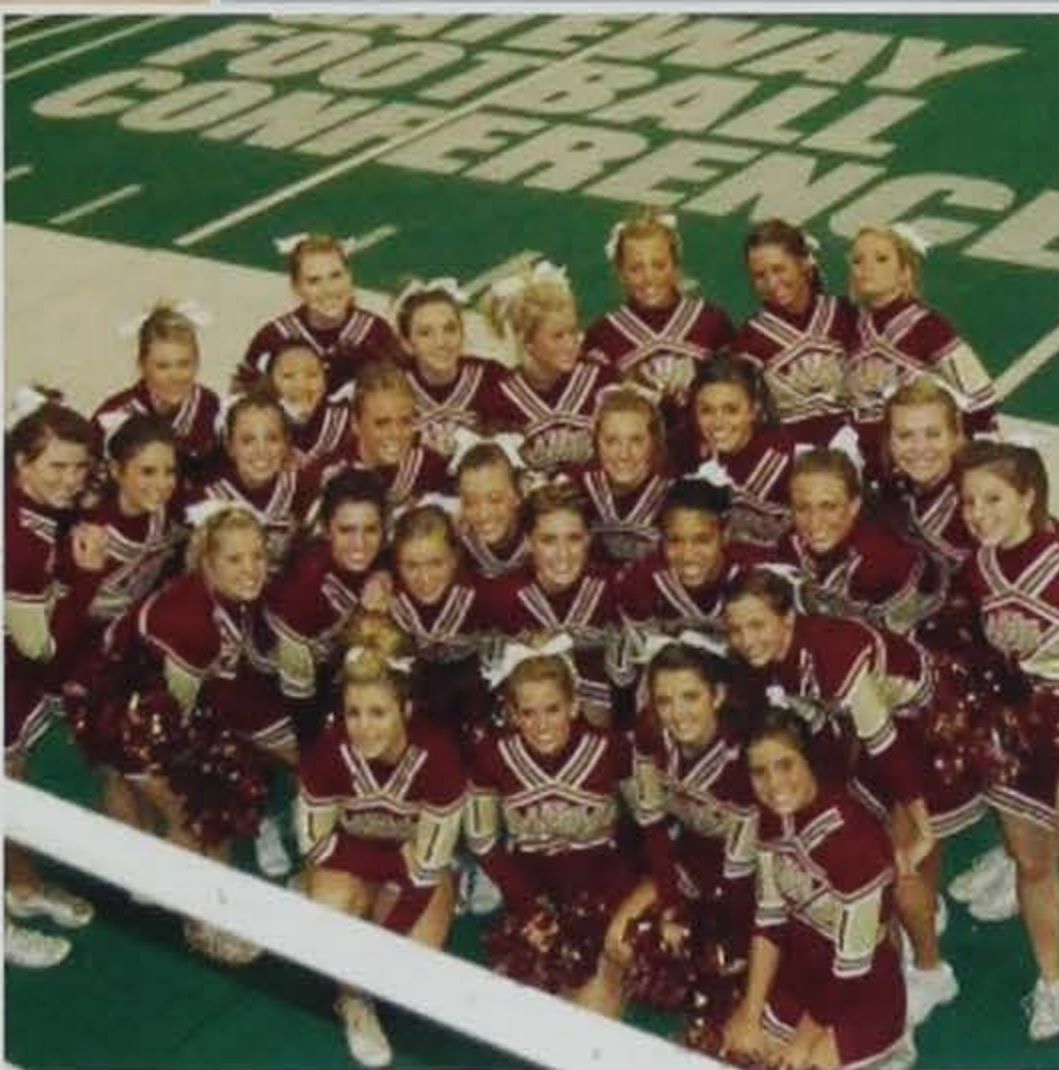

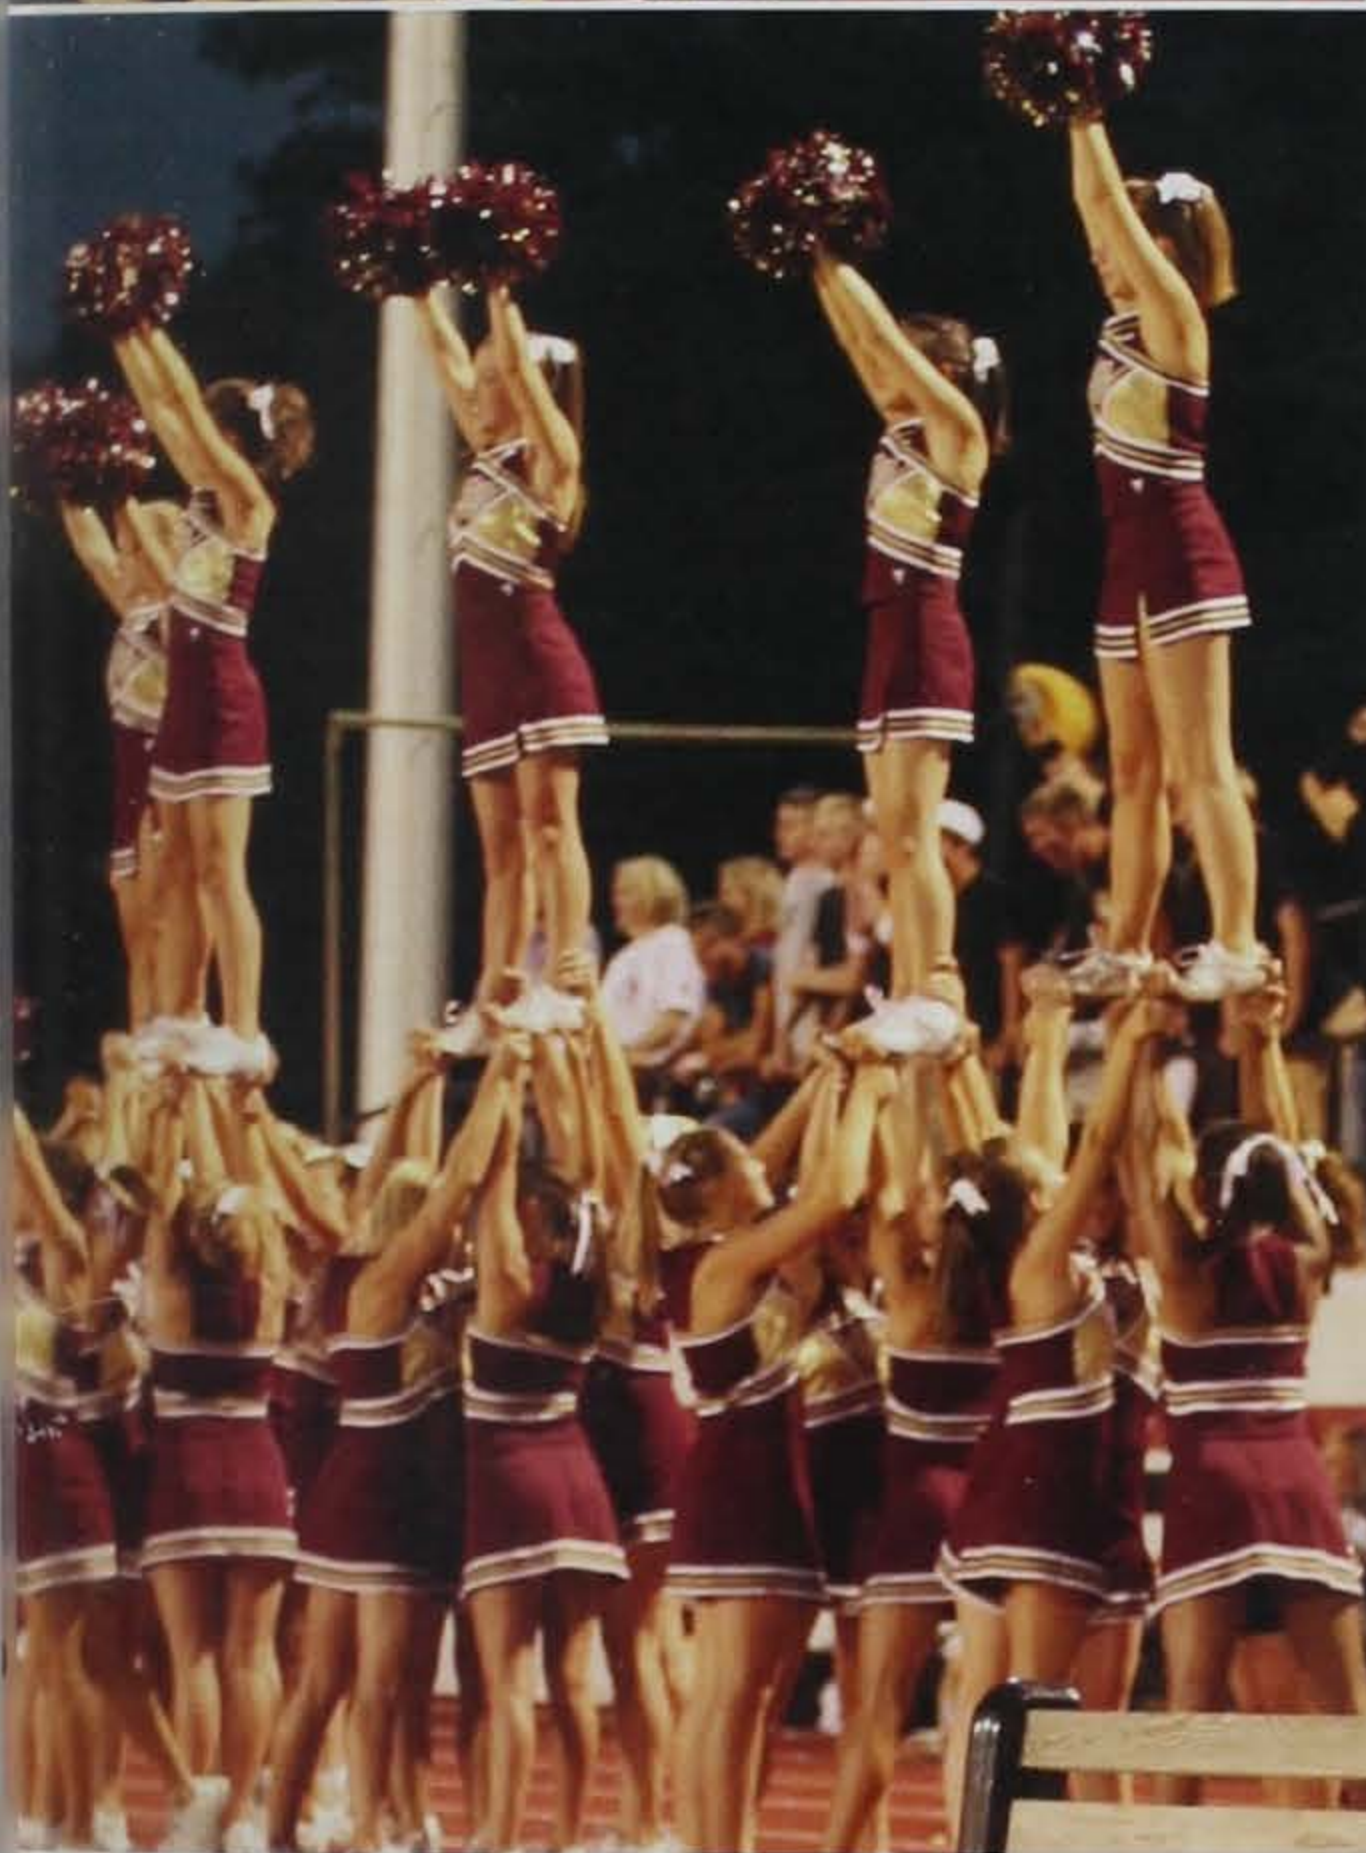

The Ankeny Cheerleading Squad had a fun and focused season. They worked hard and never gave up. Congratulations to the cheerleaders and coaches on a very successful season.

The Hawkettes worked hard in the off-season and the early days of August to continue their long tradition of success. They placed 2nd in their first invitational of the year at Hoover. Their early success helped them compete meet after meet, leading up to a 4th place finish at the conference meet and a 5th place finish at districts.

The girls Cross-Country team provided a friendly, laid-back but serious atmosphere. The girls train hard during the week, which makes them look forward to game day on Friday for practice, which allows the girls to have a day of fun. Most of the Cross-Country runners, when asked what the best part about Cross-Country is girls will say, "When you get to *eat* after you run your race in a meet." Parents do a great job of providing all the snacks for the runners.

The girls had a good season, and although the seniors must go, the others are committed to coming back and running hard.

The Girls Swimming team had a successful season this year. They started out strong September 4th beating Mason City, Hoover and placing 1st at the Dowling invite. They ended their regular season with six wins and three losses. They placed 2nd at Conferences, moving on to a 3rd place finishing at Regionals, and finally moving on to State to place 15th.

Individually, swimmers did a fine job. Many went on to Regionals, and almost all of the Regional team went on to swim at State. The 200 medley relay, 50 freestyle, 200 freestyle relay, and 100 freestyle all made the NISCA Top 16.

The team was led by senior captains **Lindsey Rogan** and **Emily Kramer**. The team had seven 4th year varsity letters, and the team voted senior **Emily Kramer** as the most valuable team mate. The most improved Varsity swimmer was sophomore **Allie Hable**. Congrats on another great season.

The boys swim team had an irreplaceable year finishing 9th at State. This all started a first place finish at their second invite at Marshalltown. They went on to finish 7th at the IA City Invite, and 4th at the Washington Invite. Then in the conference meet they walked away with 2nd place. Senior **Jake Van Roekel** walked away as a conference champ in the 200 freestyle.

It was then on to state. The boys finished 9th at State with many individual placers. The team also finished 5th in the 200 free relay and 8th in the 400 free relay. This year was a great and memorable year for boys swimming. Although they are losing a lot of strong seniors, they will have many remaining underclassmen to build on the success of this year in the year to come.

No matter what sport a team plays, there is always the thought of perfection in its mind. This year the girls from AHS lived this dream with a perfect golf season that ended in a state championship.

The season started off as expected, with many of the girls returning from last year's 2nd place finish. The weather delayed some of their meets, but it did not stop the victories. Only Ottumwa was able to manage a tie early in the season. Otherwise, the girls went into the CIML meet very confident.

After winning the CIML, the girls easily took first place at their district, qualifying them for the state meet in Marshalltown. After the first day of play, Ankeny was up 20 strokes over the 2nd place team. They continued their winning ways and brought home a state championship, winning by 22 strokes. Senior **Amanda Davidson** was one shot off the medalist for the meet. Congratulations on your hard work and your state championship.

The 2007 Boys Golf Team, coached by Mike Weddingfeld and Curt Ingham, had another good season this year. They worked hard throughout the fall and it paid off by finishing in the top 2 teams at four separate meets. These finishing helped the team heading into conference and district play.

At the conference meet, the team finished 4th among a strong group from the CIML. At districts, the team came in with a 7th place showing, which did not allow the team to return to the state meet.

The team graduates many talented seniors that have been with the team throughout high school. Their leadership will be missed, but the team will be ready to return to state in 2009.

The Hawkettes had an awesome season. Their overall record was 19-3. When asked which game was the most amazing and gave the team the best feeling, the girls said the Dowling game with the 40-39 win in double overtime. To celebrate after a win in the locker room, the girls would listen to music, dance around, eat, and Coach Albertson would bang on the lockers and the girls would yell in excitement. Sounds pretty awesome.

The Hawkettes had two team injuries that kept players **Hayley Vance** and **Kiara Bomben** out most of the season. Hayley and Kiera were always on the bench to cheer on their teammates and provided inspiration for the team.

It was an exciting season, and although the Hawkettes got knocked out early on in the playoffs, they still can be proud of the season they had. The team will be losing six seniors this year, who will be greatly missed. Junior **Stevie Talley** said, "The best part was the seniors because they made the season so much fun, I'm going to miss them." Well said, Stevie.

The Hawks had another very good season. The boys record this year was 14-8. After a slow start the boys rebounded and won more and more games. Highlighted games of the season were beating Southeast Polk, 58-55, they broke 100 points at the East game, 102-78, and Urbandale was defeated 60-55.

The seniors for the year were: **Zach Barragan**, who was named Hawks Most Valuable Player, **Tyler Egli**, who was named the team's Best Defensive Player, **Morris Smeader**, who was the Best Free Throw Shooter, **Justin Cassidy**, Ankeny's Best Shooter, **Aaron Secrest**, Most Improved Player, **Lute Olson**, **Nathan Schrinier**, **Alex Johnson**, **Nate Schlorholtz**, and **Austin Helmbrecht**. The team is losing a lot of valuable players, but next year is still looking good for the Hawks. Congratulations on a great season!

This season's Winter Cheerleading squads had a lot of fun. Coach Shanks, Coach Barr, and Coach Murphy helped coach Winter Cheerleading. The squads are Boys Basketball, Girls Basketball, Wrestling, and Sophomores. Even though the actual season was during October through March, the cheerleaders began practicing in the summer at a NCA cheerleading camp.

The squad bonded during this and learned new skills. They gave a couple performances as one big winter squad throughout the year. Some cheerleaders got the chance to cheer at the state wrestling tournament. Thanks to the cheerleaders, winter sports received spirit every game.

This year was a great year for wrestling. In the 27 matches the team had throughout the season, they won 22 of them. They also claimed 1st place at several dual and weekend invitationals, including the Ft. Dodge Invite and the Ankeny Duals.

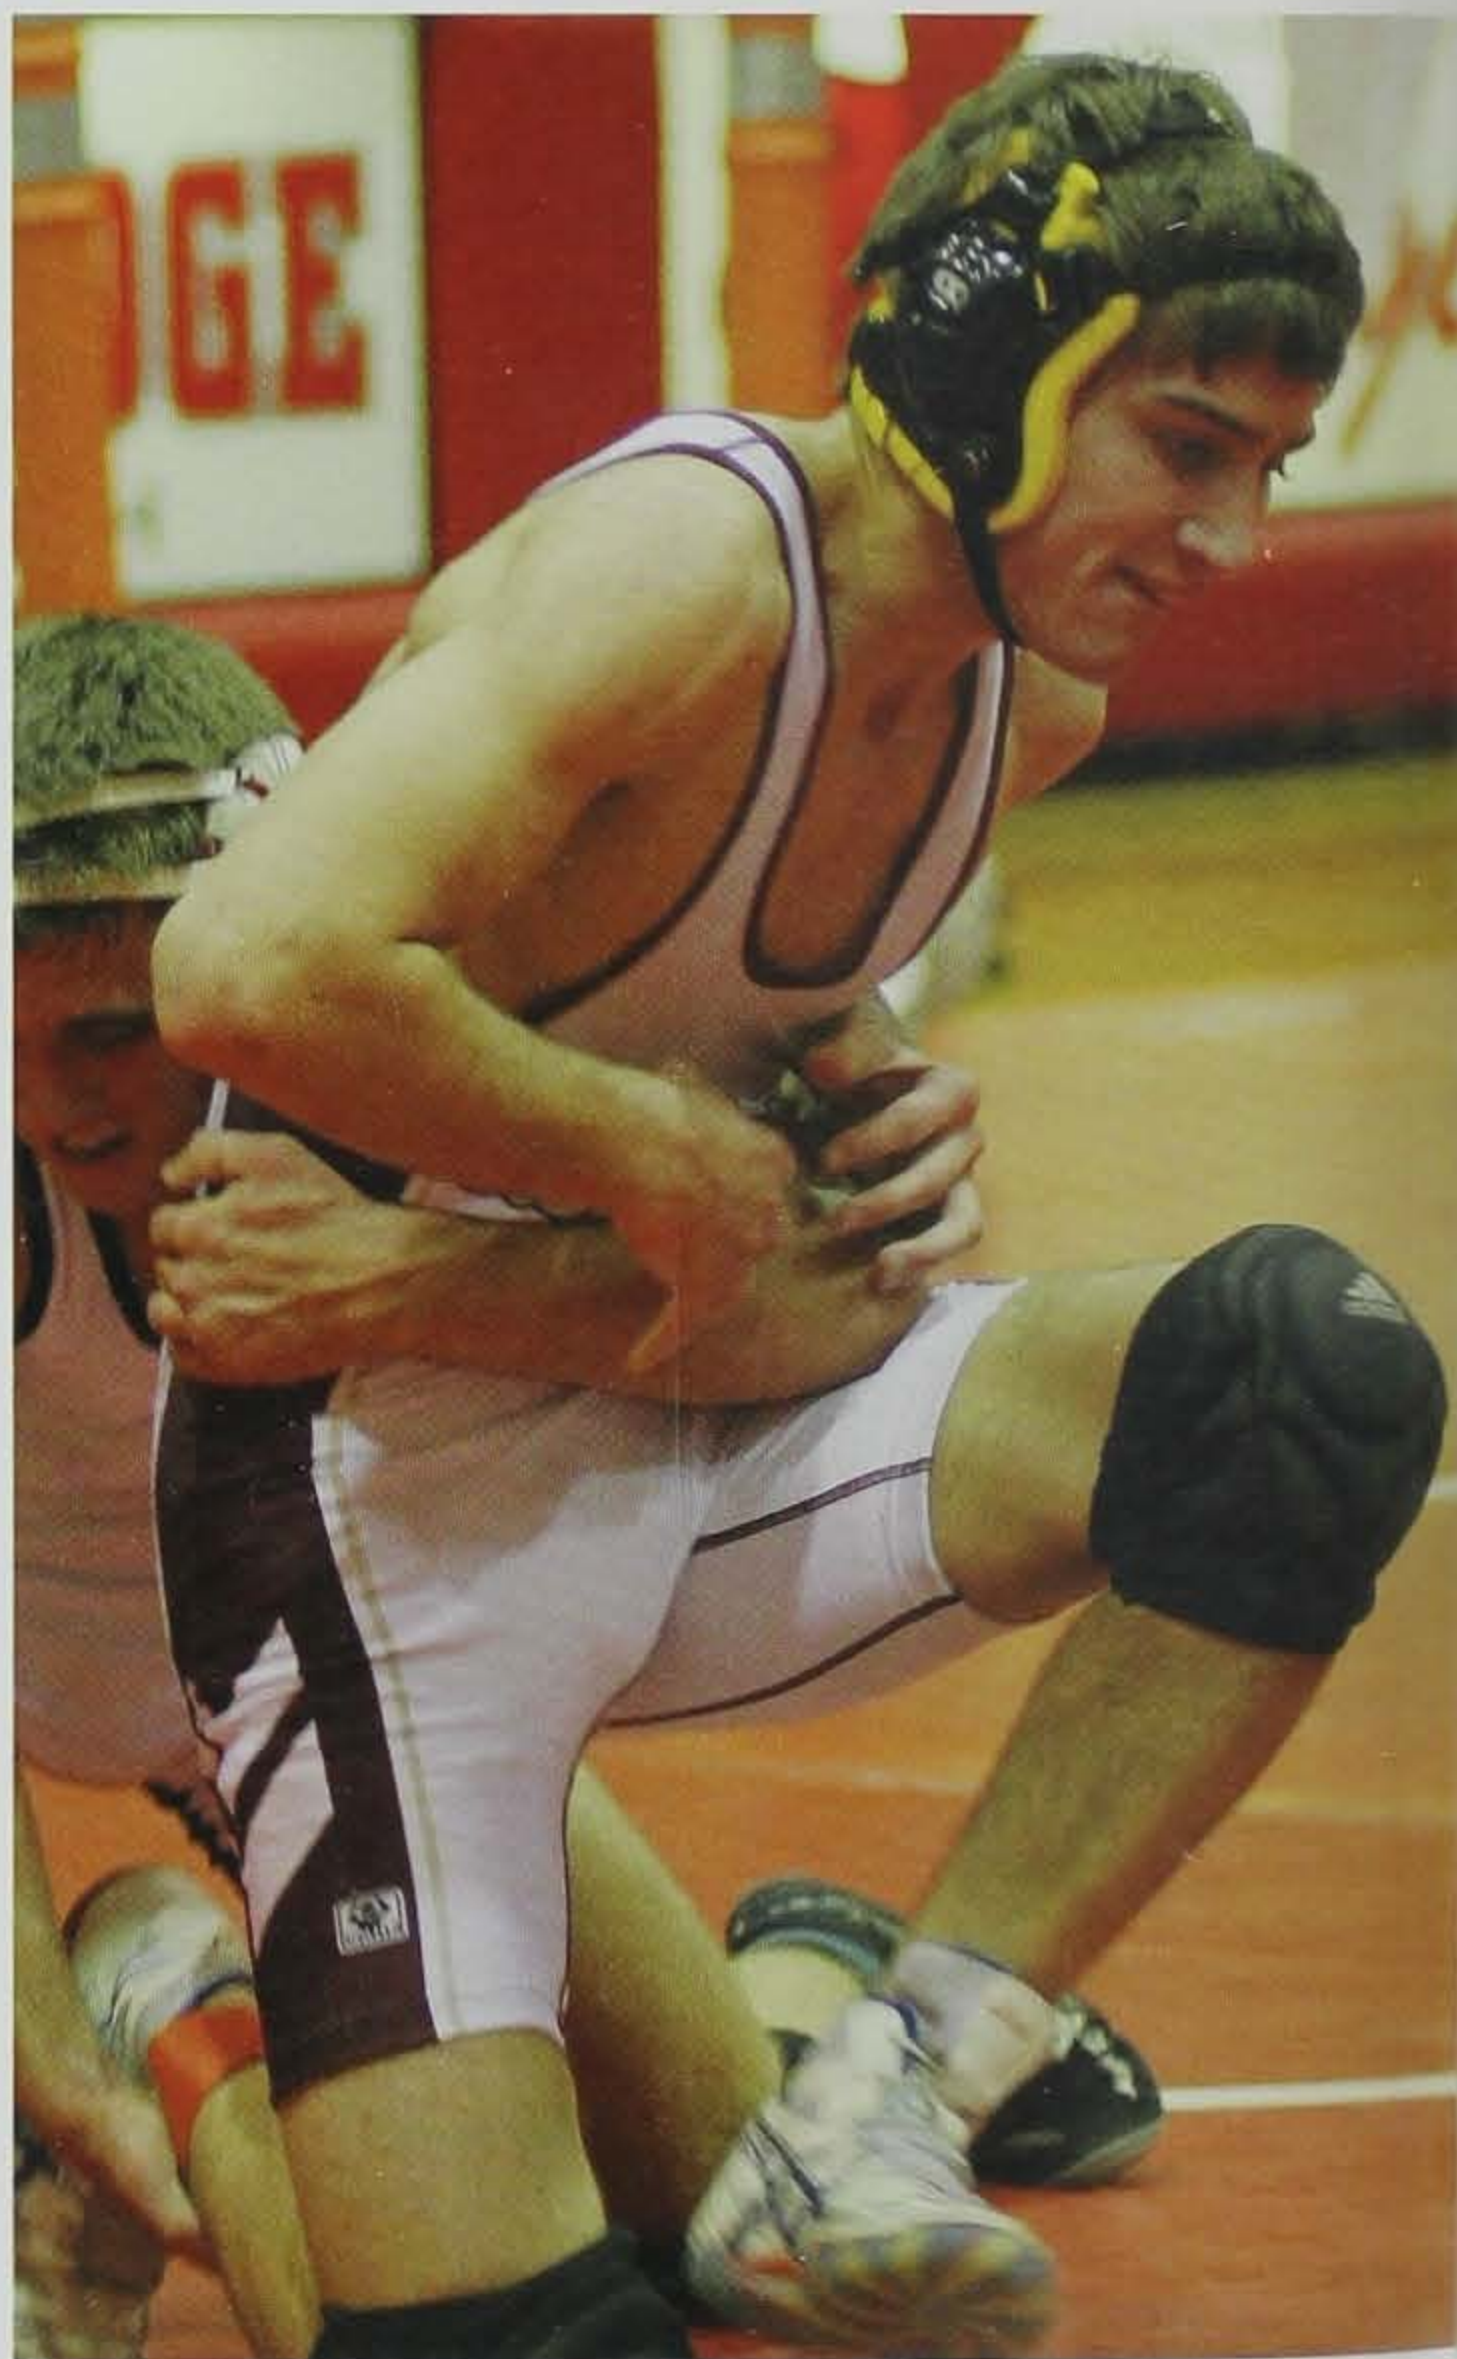

The team finished 2nd in districts this year and 15th in state overall. The team sent 5 wrestlers to the state meet: **Casey Sledge, Travis Evans, Tyler Middleton, Joe Rasmussen, and Nate Rouse.** These 5 men represented Ankeny well at Wells Fargo Arena.

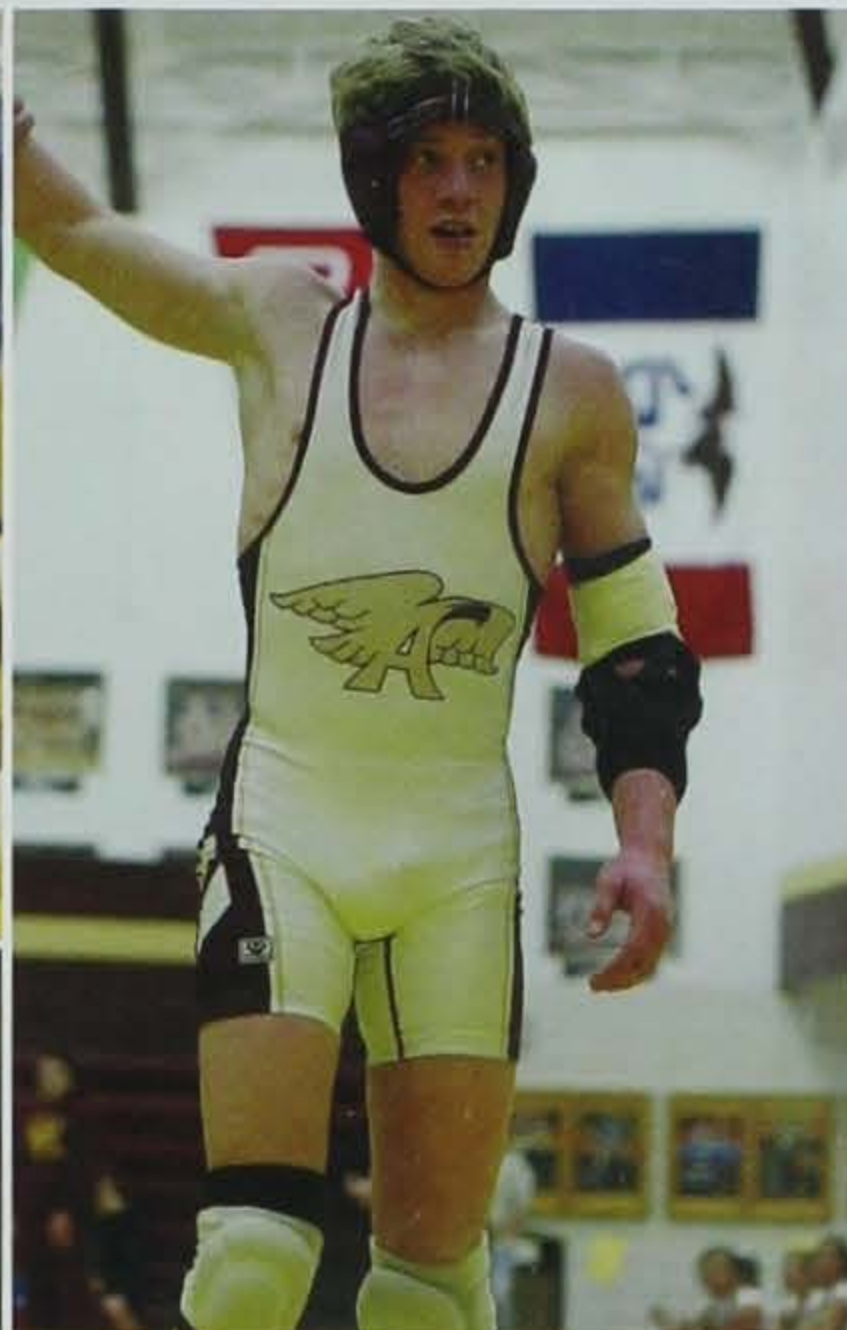

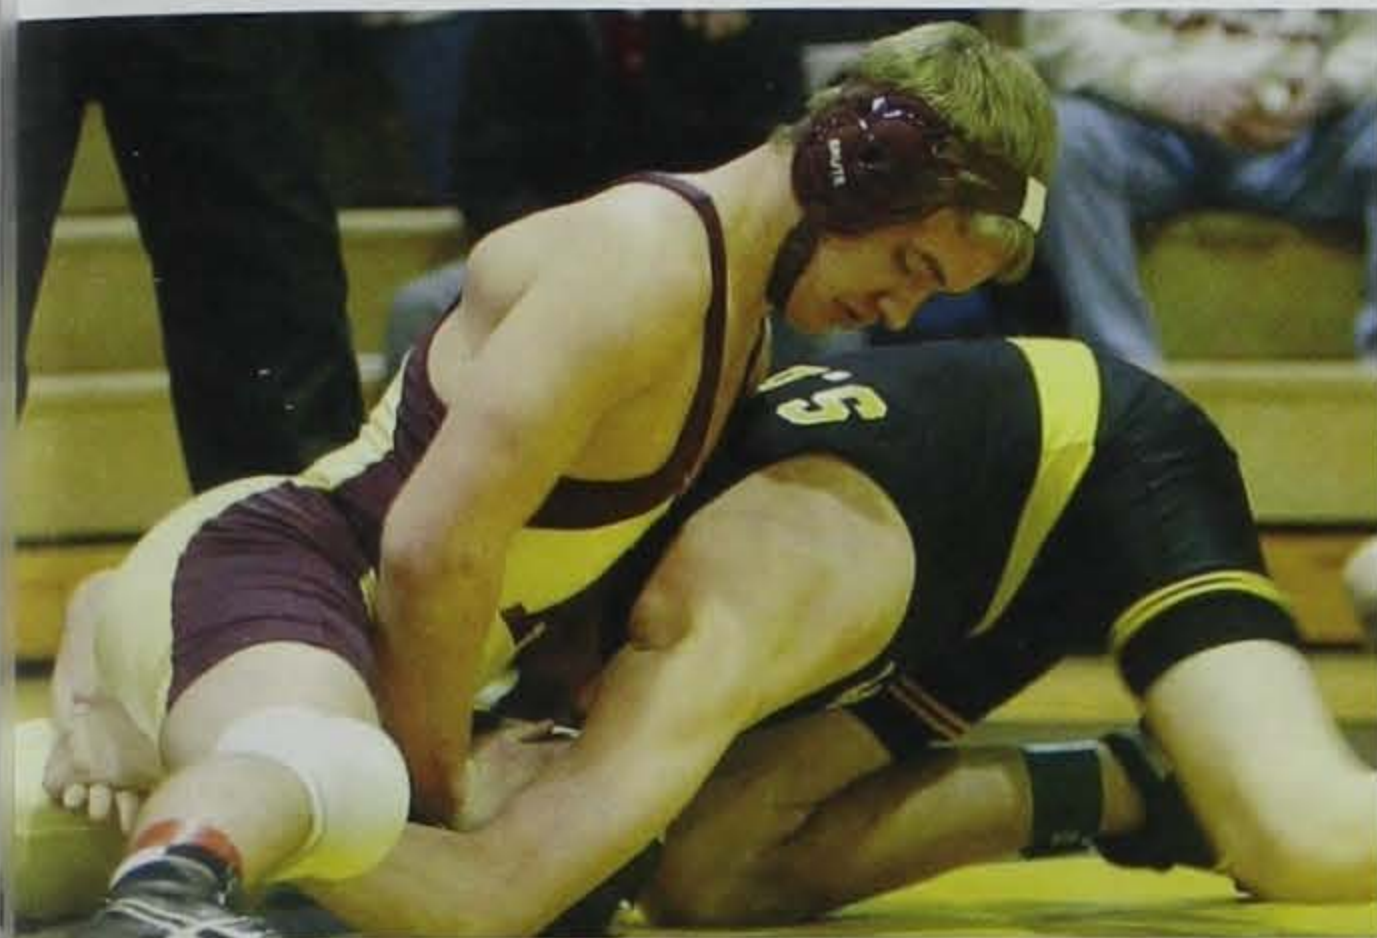

The team did a great job this year in many of the duals and invites. They should feel proud of the achievements they earned and the tradition of excellence in Ankeny wrestling they have set for the future. Congratulations on another great season.

This year was the first year that the state of Iowa sanctioned girls bowling. That means individuals can now earn an athletic letter and they are considered another official activity of the high school rather than just a club that meets after or before school.

The girls traveled all around central Iowa for their meets, hosting only two meets at Ankeny Lanes. The team ended with a record of 6 wins and 4 losses. This year's team consisted of two seniors, three juniors and one sophomore.

Many of the girls enjoyed traveling to the meets and bonding with the team. Although the team will lose two seniors, the girls are optimistic about next year.

Book Club

Book club is an informal group of students and teachers that meet once a month at local coffee houses. The members are not held accountable for any responsibilities or duties; in fact, they don't even have to complete the book the group decides to talk about. Instead, it is a group that enjoys talking about books and literature.

Some of this year's reads included *Dracula* by Bram Stoker, *1776* by David McCollough, *House of Leaves* by Mark Danielewski, and *I am the Messenger* by Markus Zusak. Book club frequently meets at Cafe Diem, and all are welcome.

Chess Club

Chess club is a group of students that meet informally on Tuesdays and Thursdays after school. However, members can be seen playing random games during their free time, especially some of the seniors with multiple free periods. The team is coached by retired AHS teacher Chuck Lierman. After months of practicing, the team traveled to Cedar Rapids to defend their state title. Although close, AHS was once again unable to flex the mental intellect and take home first place. Congratulations to the entire team.

Student Council

Student Council is the a major part of what goes on here at AHS. They plan many of the events that take place throughout our school. One of the major events that they sponsor is Homecoming. They plan out everything from the week to the dance itself. Planning for Homecoming starts in the summer. The group pulls together a list of about ten choices for themes and then narrows it down to three. By the time school starts the theme is chosen and the group has broken into three smaller committees. One picks the decorations, one chooses the DJ and photographer, and one is in charge of PowderPuff. By the time that the dance rolls around the whole group meets on Saturday morning and decorates the gym for the dance.

Some of the other things that Student Council sponsored this year were Punch Out Poverty, one of the Blood Drives with SADD, and the Senior Breakfast. Punch out Poverty was done in advisement in December when each group was asked to pick a service project that they could do to help others in the community. This was not required but most advisements participated. The Blood Drive was sponsored by SADD and Student Council in both the spring and the fall.

In May, the Student Council holds the Senior Breakfast. This is held for the Seniors on one of their last days at AHS. Its a way for them to get together here one last time before graduation. Student Council is a main part of out high school and we wouldn't have many of the events that we have without them behind it.

BPA

Business Professionals of America

It was another outstanding year for the members of BPA.

This year, Ankeny continued the tradition of high participation and great success. The two state officers for the year were seniors **Matt Sexton** (President) and **David Finch** (Vice President) who showed outstanding leadership throughout this experience. With 115 members overall there was a record high membership, which was a highlight for BPA and the participation Ankeny High School displays.

Awards varied for both Fall and State Conferences.

Ankeny students performed exceptionally well this year at State with many placing in the top 10 of their events. 68 students worked hard all year long and ended up competing up at the state level. After the results of the conference were placed 28 Ankeny members qualified for national competition. A total of 9 students will be going to Nationals in Reno, Nevada, in May.

Ms. Hinshaw worked hard and showed dedication to all the members of BPA and everyone seemed very thankful to have her helping them. Congratulations to all the students who worked hard and experienced success.

French V top scorers were Brandon Landhuis and Ingrid Bisenius. The club sold poinsettias and candy bars to raise money. They also participated in the CF walk at Gray's Lake. They hosted students from St. Etienne, France in the fall and this summer a group will be traveling to France and Belgium.

NCYL

National Council on Youth Leadership

Seniors at AHS were chosen to attend a two day conference at Drake University. The conference dealt with leadership and how to use leadership skills throughout life. **Hannah White** said, "NCYL was a great opportunity. It gave us a chance to work with other students on leadership."

The NCYL participants also had a ceremony on the last night where students won Scholarships. **Leland Schipper** and **Laura Arneson** were the hard-earned Scholarship winners from Ankeny. NCYL participants also got professional pictures taken by Tim Vorland. The pictures were posted at different locations throughout Des Moines.

Science Club is a group of girls who enjoy science. As **Callie Pittard** said, "We just like to hang out and be nerds." They have only done a few things throughout this year. They went on a trip to the Omaha Zoo with Circle of Friends. The girls said that was their favorite thing they have done this year; they had so much fun. **Alicia Fitzsimmons** said she also loved getting to design Science Club t-shirts and doing a Ty-dyeing experiment. All of the girls said they really enjoyed being in Science Club this year.

FCA

FCA meets twice a month and teaches lessons from the Bible. While they have students that attend regularly, FCA is open to anyone that would like to participate. FCA is not just all work and no play; they frequently play dodgeball, football, and a variety of other games to help burn the stress from school away.

The FCA has a blowout once a year including a variety of games, activities, and prizes. The prizes are bought by the members of the group and with the help of the teachers. This year the FCA gave away a 3rd generation iPod Nano and a bunch of free pizza. The FCA is headed by Mr. Caldwell and Mr. Richards.

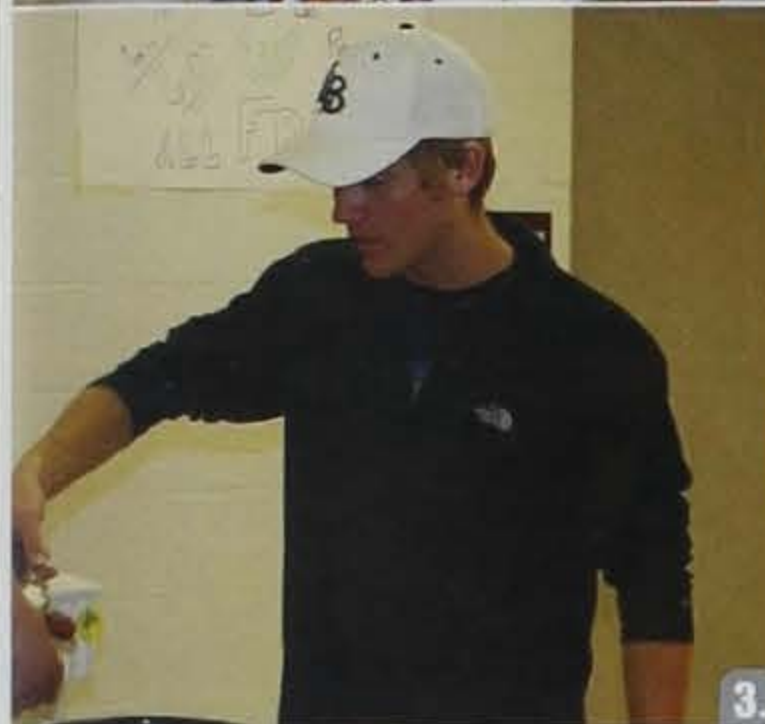

FCA's balance of activities and thoughtful reflection on the scripture is making it one of the growing clubs at Ankeny High School. Mr. Caldwell and Mr. Richards commented on how great this year's senior class was as leaders, and hopes that next year the participation will only grow.

Students Against Destructive Decisions

SADD is a group that meets every Monday morning before school; this group was led by Ms. Saetveit. The president of SADD was **Laura Arneson** and the Vice President was **Michelle Nannas**.

The group discussed ways to help people make good decisions and the dangers of drugs and alcohol. This year the members of SADD helped organize and run two blood drives. Also, a few members took a field trip to the State Capitol to meet with our representative. A small group of SADD members also went through a training session and went to a few elementary and middle schools to inform the students about making good decisions.

Circle of Friends

Circle of Friends is a group that meets about once a month for an event that has been planned. The group is led by Mr. and Mrs. Dagel and anyone is welcome to join or attend a monthly event if they choose. The purpose of the group is to give the AHS special needs kids a chance to make friends with other AHS students.

It's a great group to be involved in and the members are a lot of fun! They really enjoy meeting people and making friends. This year the Circle of Friends had a kickoff breakfast, went to a corn maze, went laser bowling, went to the science center and had their first annual circle of friends dance at the lake side center. The last event of the year was held at Adventureland Park. Thanks to everyone for a great year.

National Honors Society

National Honors Society is a group whose membership needs to meet a certain level of requirements. To become a member of the National Honors Society, students have to achieve a high level of academic success. The students also can get in by teachers looking for certain criteria. Students also need to have a unweighted GPA of 3.5 or higher. They must also show or be willing to participate in a number of community service projects.

In the spring there is a public ceremony for new members. There is a guest speaker, parents and faculty are invited, and the leadership of the group each gives speeches on the pillars of NHS. Congratulations to all new and existing members of NHS.

Interact

Interact is a group of students want to extend their participation in the community through volunteering or other projects. Interact helps give back to the community. They have worked on food drives and they worked on making blankets; this year, with the help of several of the advisement groups, they ended up finishing 15 blankets. They also participate in the Big Brother, Big Sister program. The Interact president for this year was Sophomore Averi Tjarks. The students enjoy volunteering and giving back to their community. Thanks to all the members for all their dedication and hard work!

This year, the Model UN teams from Ankeny represented countries: Myanmar, Indonesia, and Bangladesh. The annual event is held over a weekend at UNI in April. While all participants did well and had an enjoyable time, Ross Broadbooks got outstanding delegate for his work in the Disarmament Committee. This is an outstanding accomplishment considering the wide variety of students and schools that participate over the weekend.

According to Senior Brandon Landhuis, the 20 students that ended up attending not only battled other countries in delegations, but also had to fight the weather. Eating inside Arby's with 20 soaked students was "interesting".

The Talon

The Talon is the school newspaper for Ankeny High School. The staff writes and prints monthly issues and includes all the topics that involve the student body, from current sports to movie reviews to heated debates. *The Talon* uses authentic printing paper for each issue and is advised by Mr. Caldwell. The editor of this year's paper was **Taylor Ware**.

The staff was smaller this year than in year's past; however, that hasn't slowed down the paper deadlines. Many students enjoy reading the paper during their free time in the media center or during study hall. In fact, according to **Ryan Howe**, the most enjoyable thing about being a part of the newspaper is the ability to inspire the student population.

The Talon meets during the school day immediately following yearbook class. This allows the staff to take advantage of having the entire student body available for information and photographs. When the press date nears, many of the staff can be found in the publication room throughout the day making sure things get done before the issue goes to press. A big thanks to the staff for keeping AHS up to date.

Yearbook

Yearbook is a club that meets during the school day. Every day during 1st period, the members of the yearbook class dedicate their time and effort into planning, designing, and completing the yearbook. While there are some events that take time outside of class, the staff is able to complete a majority of the book during the school day.

There are many components to the class. Students must be able to use InDesign, Adobe Photoshop, and a variety of digital photography equipment. The class must distribute the previous year's yearbook, organize sponsor sales, and make decisions about the layout and theme of the book. Each student is given a variety of page deadlines based on the time of year and the student's interests.

The class also had several field trips this year. In the fall, the class went to Grand View College to learn more about careers in publications, including newspaper, magazine, and even writing. One of the speakers was an original Saturday Night Live writer. In the spring, several students braved the rain for Iowa State's celebration of the 1st Amendment. The class is excited for the yearbook to be completed and can't wait until it is delivered next fall.

Many students at Ankeny High School don't know about Debate. Debate consists of motivation and research and the knowledge about current events. Debates can be done individually or with a partner.

Debate starts in late September to early October. Competitions are held on Friday and Saturday against Metro teams, with big competitions against high schools from all across Iowa. This year an Ankeny High School student, **Andrew Heiderscheit**, will represent Ankeny for the first time in a long time at Nationals in Las Vegas, Nevada. Congratulations to Andrew and the entire team.

Mock Trial

"It was fun making new friends and learning new things about the law." -- Sophomore Adriyel Mondloch

Mock Trial is a group at AHS that wants to learn more about court trials by pretending to be both prosecutors and defendants for a specific trial they pick each year. This year Mock Trial's trial of the year was a case *State of Iowa vs. Hollis Price*, a case involving documents of the Lewis and Clark expedition. This year Mock Trial got as far as sub-state before their case was closed.

Mock Trial practices after school for two hours on weekdays and is coached by Mr. Adamson.

Large Group Speech is directed by Mr. Shapiro. Individual Speech is directed by Mrs. Lawler. Speech consists of many different sub categories like improvisation, choral reading, ensemble acting and musical theatre. Individual speech goes through a similar process of competitions, but IE speech can perform at other weekend tournaments. In IE, students perform in categories like prose, acting, radio news, or literary program.

The first competition of the year is districts; groups compete in front of judges

hoping to progress to the next step, called state. At state the groups who made it past districts compete for high ratings and the chance to perform at All-State.

The All-State competition is very hard to make and only the elite groups do. This year four groups made it to All-State in Large Group: a group improv, a musical theatre group, and two ensemble acting groups. IE All-Staters included **Dan Poe, Jakob Elmquist, Jessica Burrell, Jordan Pennekamp,** and **Kelsie Kahnk**. Congrats on a great year!

"The best part of speech this year was the times we spent goofing around between the different events and just having a lot of fun with my friends in the group!"

~ Junior

Andrew Heiderscheit

"My favorite part of large group speech this year would have to be making All-State in both my ensemble and improv. I got to work with three amazing actors (Taylor K, Ben M, Paige H) for my ensemble and I am very proud of this piece!"

"The scene I did with Taylor Kinney when we were singing...I remember Taylor was gone one day so I sang by myself and my voice squeaked, which was funny but kind of embarrassing."

~ Senior **Jakob Elmquist**

As the curtain closes, the audience is left with a great sense of enjoyment. This year's fall play, *M*A*S*H*, under the direction of Mr. Shapiro, displays life during the Korean War. About fifty of Ankeny High school students practiced for five and a half weeks to master their characters for this year's production. The play deals with two bone headed but talented surgeons-- "Duke" which was played

by Taylor Kinney, and "Hawkeye", played by Jake Elmquist, who are drafted into the Korean War. Jake Elmquist said that "It was fun working with new people that are interested in acting." Tyler Weber said his favorite part was "when Boone was eating the sandwich and said that boone got the most laughs!"

Congratulations to the drama department for another great production.

"Little Shop of Horrors"

Left: Seniors **Ben Millar** and **Heather Smith** start falling in love and can't help but sing about it.

Below: Senior **Sam Statler** and junior **Kamerin Churchman** open the show with a little song and dance.

Little Shop of Horrors is a musical about a florist shop worker, Seymour, who was played by Ben Millar. Seymour raises a plant that feeds on human blood. Even though he feels guilty about giving the plant human blood, it brings people into his shop. During the course of the play Seymour goes from being an unknown shop hand to having a famous plant which brings him fame and fortune.

However, as the plant grows it needs more and more blood. This leads Seymour to justify kill-

ing Orin (Jonathan Brugioni) an evil dentist who abuses Seymour's love Audrey (Heather Smith). But it doesn't stop there-the plant ends up taking over Seymour's life and the world.

Senior Paige Hansen said, "One of the most enjoyable experiences of *Little Shop of Horrors* was getting to perform with such a great group of people."

This four day musical turned out to be a huge success. Congratulations to everyone who participated in the play and behind the scenes.

"This musical was the funniest show I have done because all of my friends were in it with me. It was the best musical Ankeny has done yet."

~ Senior **Jonathan Brugioni**

"Managing the props for this year's musical was thrilling! Though I wasn't on stage, I still felt like part of the team. It took a lot of work and a few late nights, but it was fun and rewarding experience."

My favorite moment was when Heiderscheit 'stole the spotlight', so to speak, while retrieving a machete."

"In the words of Ashley Paulson: 'We laughed, we cried, we won big trophies!' The season and group was AMAZING! On behalf of ACM participants we wish Mr. Dean the best of luck in his upcoming adventures!"

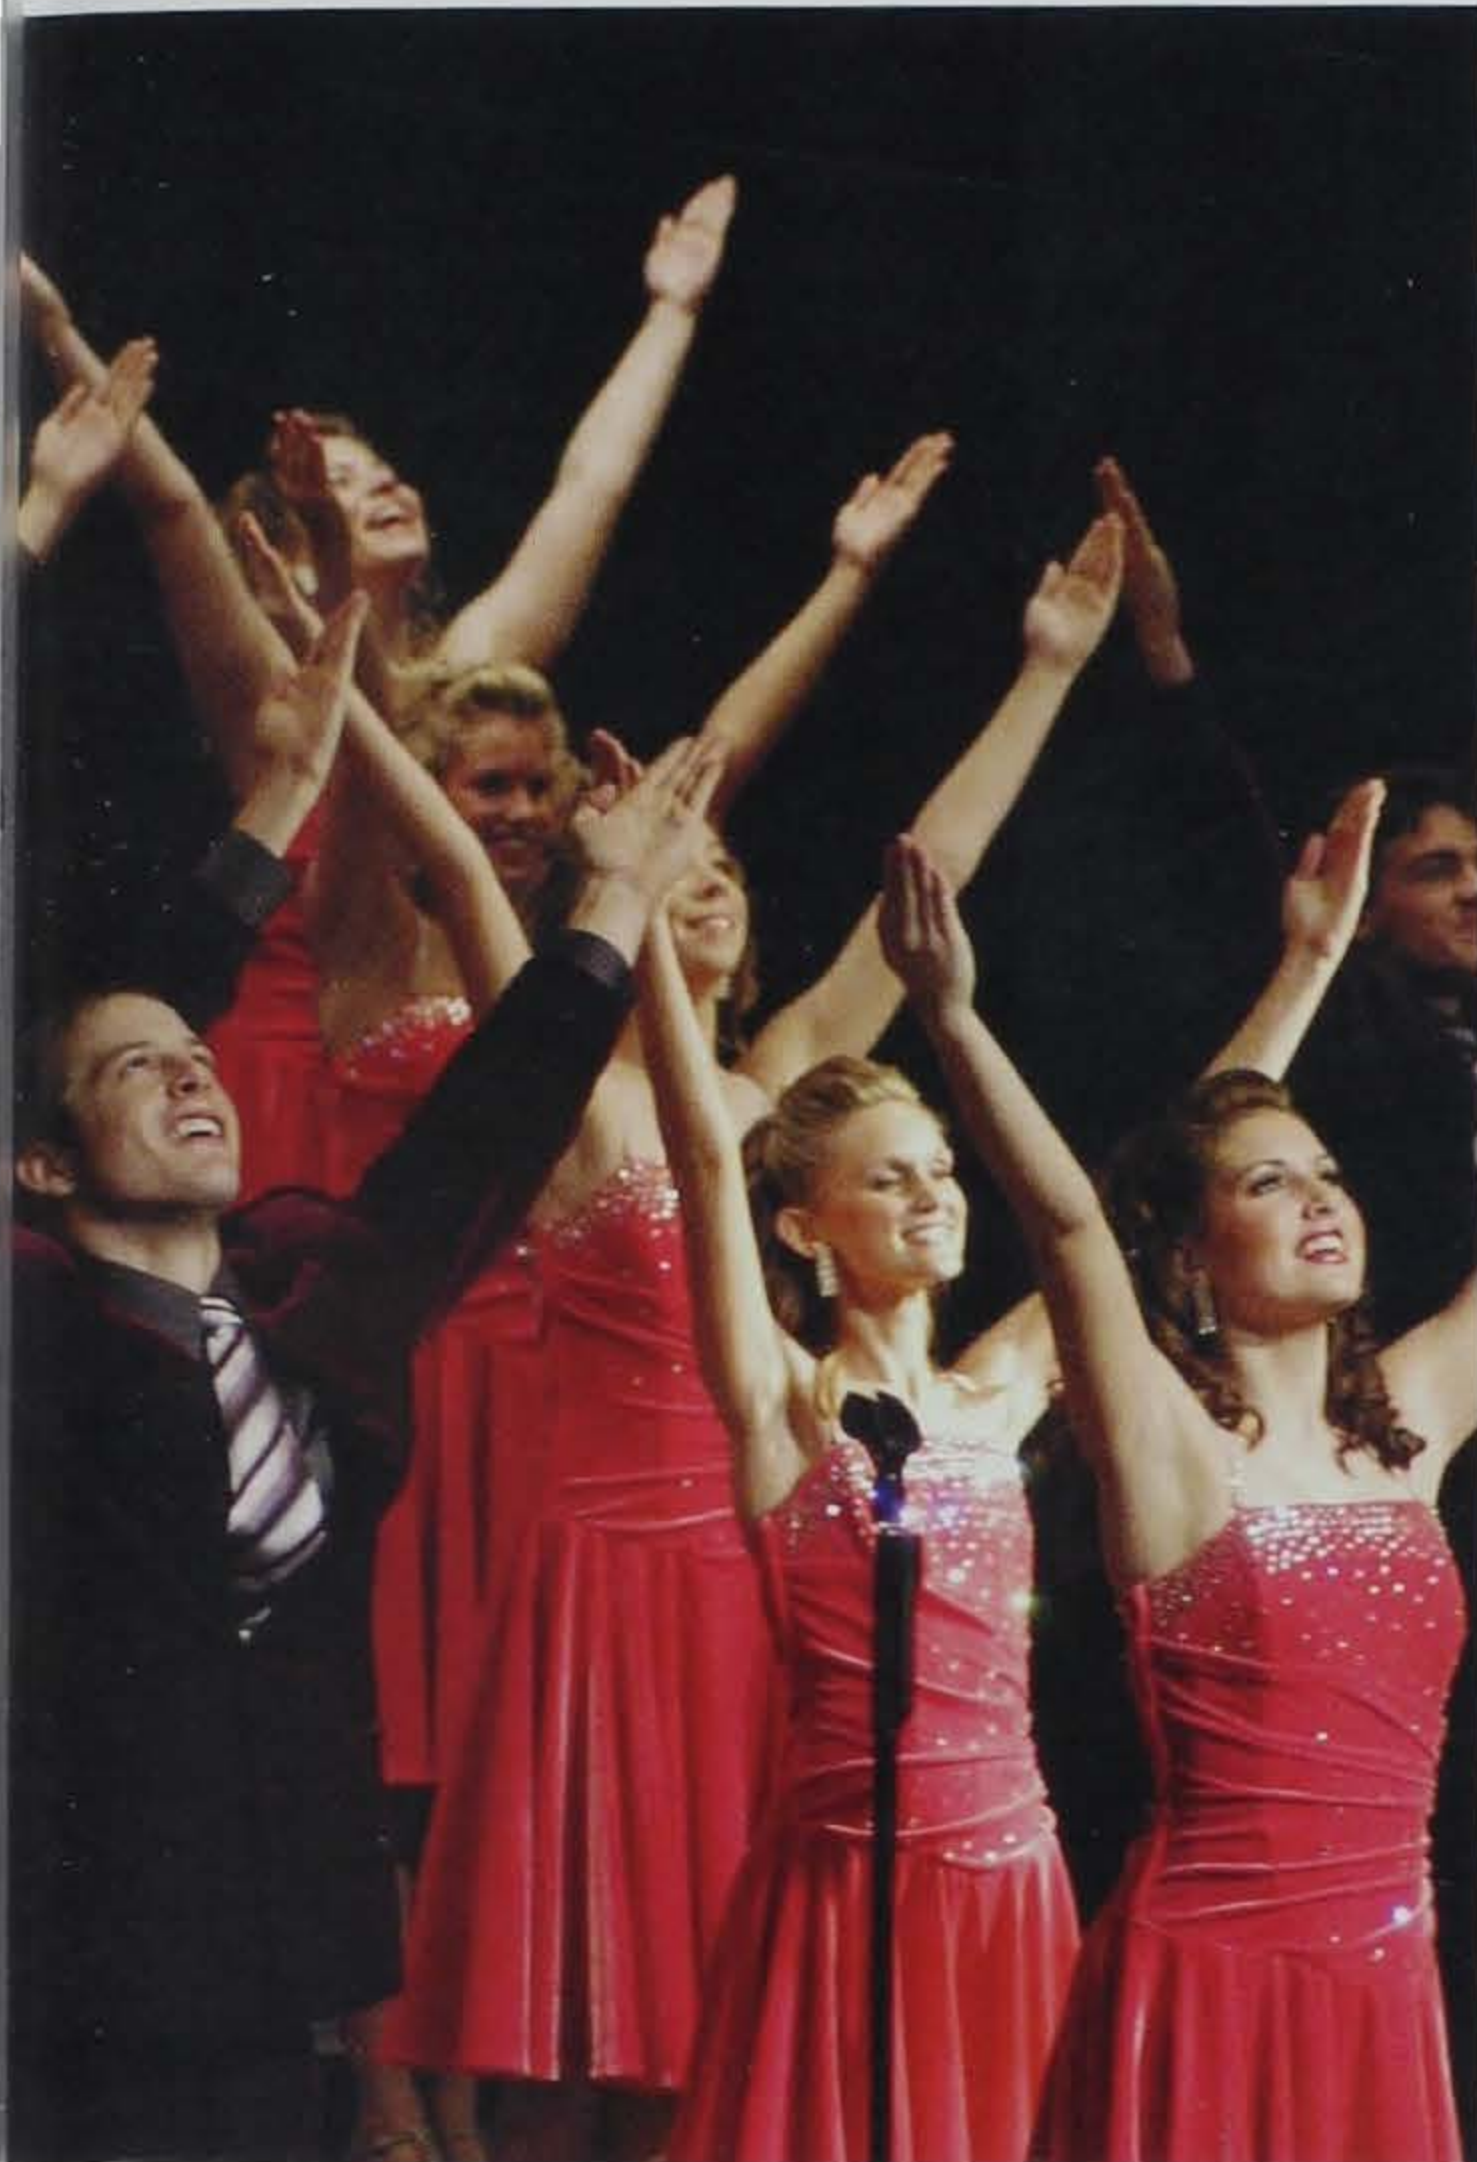

~ Senior

The 2007-2008 Ankeny Show Choir season was extremely successful. The first competition of the year was held at Johnston High School. Intensity, the all girls group, took First Place in the women's division; Perpetual Motion, the JV group, competed open class; and Visual Adrenaline, the varsity group, won Grand Champions as well as Best Vocals and Best Choreography caption awards. **Samantha Statler**, a senior in VA, won "Best Female Soloist." The second competition was held at Lincoln Southwest High School. Intensity got second place in the women's division, PM got eight place and VA won

Champions, Best Vocals and Best Choreography. **Jonathan Brugioni**, a senior in VA won "Best Male Performer."

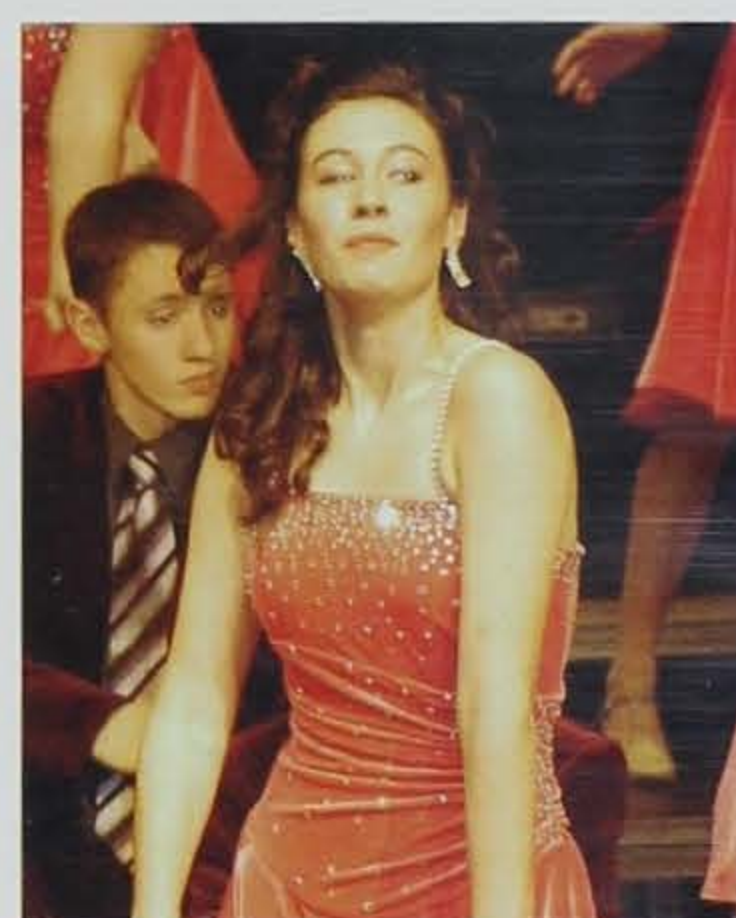

The third competition was held at Urbandale High School. Intensity won First Place, PM won First Place and VA won Grand Champions, Best Vocals, and Best Choreography. **Samantha Statler** and **Taylor Kinney** won Best Female and Male Soloists as well.

The final competition of the year was held at Millard West High School in Omaha, Nebraska. Intensity got Second Place, PM made it to the finals and got Fifth Place and VA won Grand Champions and Best Vocals. Congrats to all the groups!!!

This year the concert choirs at Ankeny continued their long-standing tradition of excellence. Ankeny has 5 choirs: Concert Choir, an auditioned group; Ankeny Singers, a non-auditioned group composed of students 10-12; Cantamus, an all sophomore women's choir; Varsity Men's Chorus; and Cantilena, a women's choir.

The fall started off with the traditional All-State auditions. 27 individuals represented AHS and 25 were selected for the prestigious

All-State choir.

The concert choirs then moved ahead and got their voices ready for another outstanding performance before winter break. Four other performances followed throughout the year, including the Festival of Choirs and an exhibition concert in Omaha, Nebraska.

The choirs ended the year with straight Division I ratings at IHSMA State contest. Congratulations on another great year.

"I liked being with my friends, singing, and having Mr. Dean as my conductor."

~ Sophomore Catherine Gehlsen

"I liked being choir president because I liked leading my fellow students to success."

Marching Band

Right: This year's marching band was lead by senior **Ryan Damman**, junior **Kamerin Churchman**, seniors **Allie Anderson** and **Taylor Kinney**.

Below: Members take a little break after practicing for a performance for a home football game.

"My favorite part of band would have to be the competitions. I love it when we are finished performing and the crowd is clapping for us, after all of our hard work."

~Senior Sara Tourte

"When we put on our uniforms there's more than 70 years of tradition riding on our backs. Each and every person has to do their part otherwise they wouldn't call us the Best band in the Land."

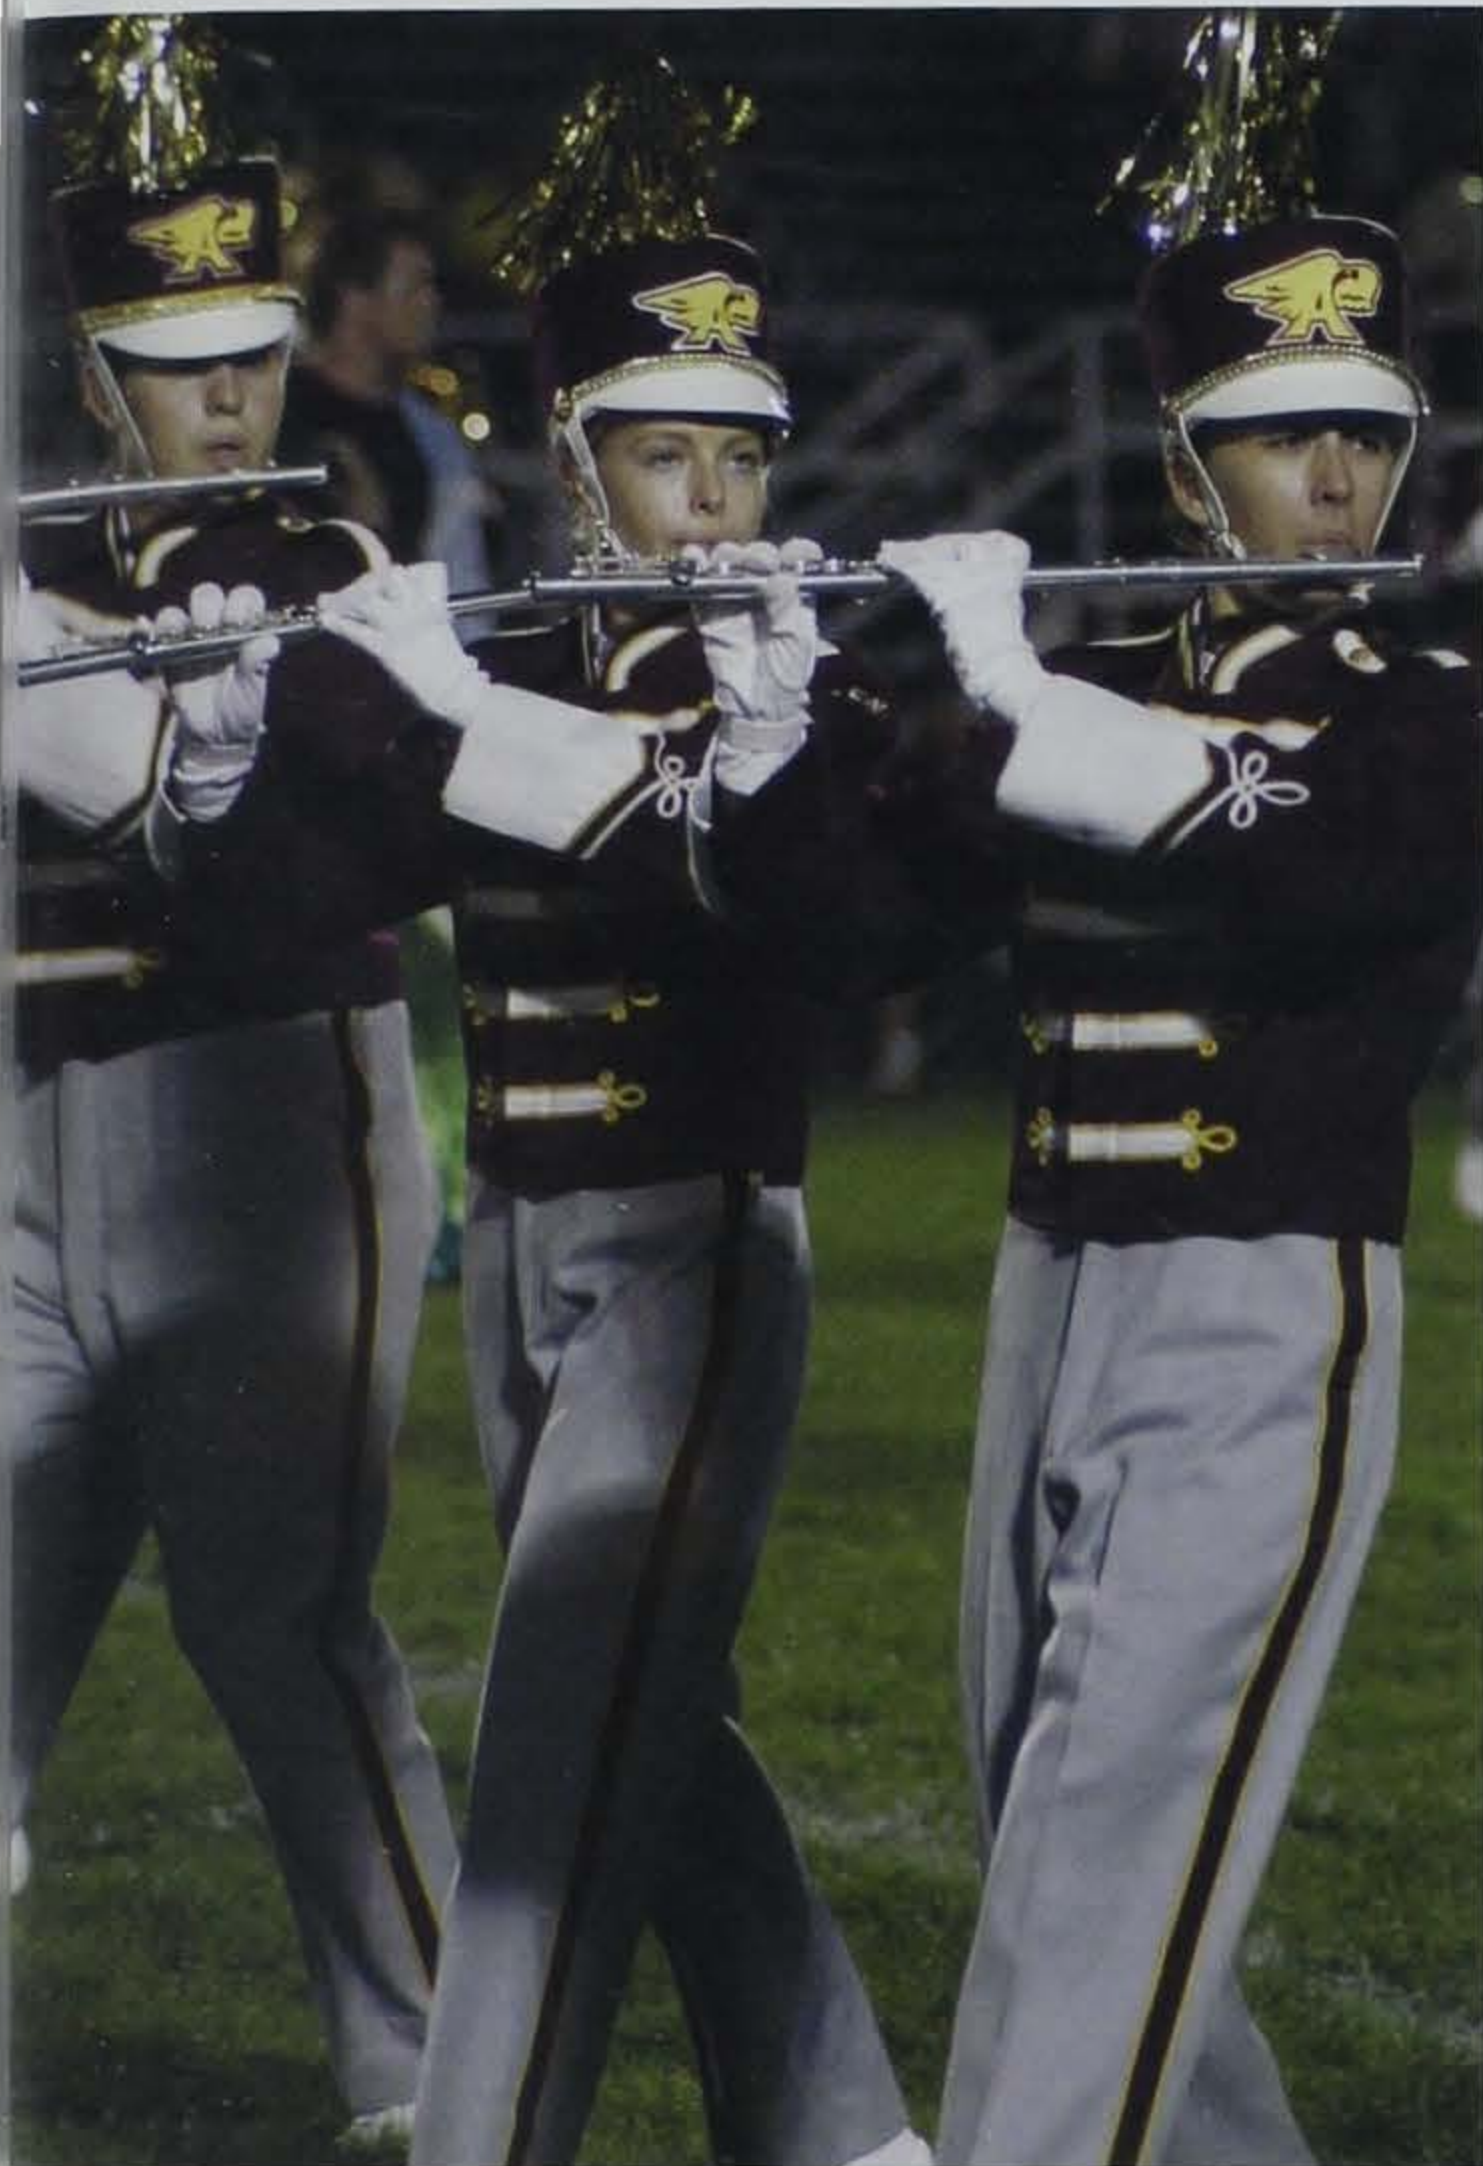

~Junior Emilea Nissen

The 2007 Ankeny Marching Hawks continued their history of success this season. Their accomplishments included being awarded first place in each of their first three competitions. Not only that, they were invited to perform at a UNI game during half time this year; they're the only high school band in the whole state to perform at a UNI football game.

To perform a great show, every member has to do his or her part for the band. Stressful as it can be, practicing

nonstop and rehearsing everything always pays off in the very end. The Marching Hawks put in hard work and dedication for every show they competed in.

A lot of memories have been formed this season. Many of The Marching Hawks mentioned hilarious events happening from band camp to practices; the Timmy Pearson incident; and Mr. Poppen's belief that a bird was a spy sent from Valley. Congratulations on another great season Marching Hawks!

Concert band is made up of many talented musicians and begins immediately after marching band. During concert band, members are encouraged to try out for All-State. Members that are auditioning practice from summer until October. These auditions are very exclusive. This year 15 auditioned and 7 made it which is a very big accomplishment. The All-Staters this year were **Sarah Sontag, Mona Porter, Mary Thiry, Rachel Jones, Tyler Owen, Andy Dietz, and Taylor Kinney.**

Throughout the year, the bands play at Christmas time, in the Spring, and at the commencement ceremony. Concert band also took part

in large group where they received a Division I rating.

Jazz band also begins practicing in the fall. They play year round and participate in many jazz festivals. The Jazz Ensemble this year placed 1st at the Charles City Jazz Festival. They placed 4th and the SCIBA Jazz Festival and 5th place at the Hoover Jazz Festival. They also qualified for the 2008 Iowa Jazz Championships. The Jazz Combos placed 2nd and 5th at the Hoover Jazz Festival.

Nathan Temeyer and **Brandon Landhuis** were also selected to the 2008 IAJE 3A/4A All State Jazz Band. Congratulations on another great year.

"I really enjoyed being involved in band during high school! Band students are so friendly and truly great people to be around. I am proud to have been a part of such a tremendous group of musicians! I will hold the memories I have made in band forever!"

~Senior **Ryan Damman**

"My favorite part of band is probably the road trips for marching band even though we're in school buses. Band is also a really good way to release stress while doing something fun and productive."
