# Class History

Ann Hale

Ron Sampson

THIS IS THE DAWNING OF THE AGE OF AQUARIUS  
WITH HARMONY AND UNDERSTANDING,  
SYMPATHY AND TRUST ABUNDING.  
NO MORE FALSEHOODS OR DERISIONS  
GOLDEN LIVING DREAMS OF VISIONS  
MYSTIC CRYSTAL REVELATIONS  
OF THE MINDS TRUE LIBERATION.  
AQUARIUS.

Destined to graduate in the Age of Aquarius were 62 eager classmates, with dreams of visions of what the next 13 years would bring. These 62 were: Allen Bennett, Mike Combs, Gary Granseth, Steve Fontanini, Asa Hutton, Billy James, Steve Leonard, Denny Lint, Normie McCleary, John Monaghan, Derald Phillips, Ronnie Reece, Dave Roberts, Billy Roush, Ronnie Sampson, Randy Sanger, Johnny Shields, Randy Smalley, Greg Suddeth, Rich Thimmesch, Mark Trusty, Steve Udrovich, Larry Weigel, Ronnie Wisecup, Connie Albaugh, Marcia Aunan, Linda Battani, Brenda Buchholz, Deetra Buehler, Sue Clark, Sue Conkel, Jeanette Davidson, Susie Downey, Julie Ersland, Cindy Giofreddi, Patrice Gordon, Anney Hale, Barbie Hall, JoDee Hall, Mary Hall, Ronda Harwood, Ellen Heston, Sherry Hutchins, Sandi Jones, Susie Kochheiser, Denise Logli, Debbie Long, Karla Lundstrom, Denise Martin, Susie Martin, Bev Nagle, Anita Niemier, Marilyn Parrish, Lynn Price, Kris Righi, Barbie Robinson, Kathy Salak, Yvonne Scherbart, Diane Silver, Holly Stelpflug, Barbie Voshell, and Debbie Wisecup.

Meek as lambs, yet fearless as any Aries could be, the first graders advanced on their journey to graduation. An additional six embarked on this journey to the ultimate goal. Those were: Perry Cooper, Lowell Hoffman, Geoff Huff, Dennis Riggs, Jacque Moss, and Donna Tscherter.

Under the sign of Pisces, the second graders continued merrily on their way paying little or no attention to any authority. Joining the class were: Mike Howell, Eric Norris, David Neely, Debbie Brinkman, Denise Brown, Debi Garner, and Kay Miller.

Coming into the awareness of the Scorpio Age, the third graders began to show their worldliness. Aiding in this search for knowledge were: Sam Lorenzano, Craig Zoellner, Janice Froehle, and Chris Husted.

Always looking forward to the future, the fourth grade Capricorns were joined by these four members: Tom Froehle, Ron Lennard, Diana Steege, and Bonnie Wissink.

The determined fifth graders charged forward under the sign of Taurus the Bull. Also to participate in the stampede were: Mike Brauer, Doug Miers, Nelson Saner, Bob Wenig, Debbie Chalstrom, Paula Dean, Kathy Johnson, Loretta Miller, and Kathy Sullivan.

Advancing to bigger and better things, the Sagittarians of the sixth grade welcomed the wisdom and authority brought to them by the five new students: Ray Bowden, Connie Beard, Jacque Cuthrell, Donna Grant, and Deanna Pierce.

The timid but eager seventh graders were apprehensive of the year to come, for they knew this was the year of the Gemini. With this in mind they received 16 new Gemini's: Steve Burrows, Steve Crawford, Dennis Crowe, Mike Denger, Kerry Leech, Roger Pearson, Denny Starr, Kathy Baxter, Debbie Buck, Diana Buck, Faith Carey, Liz Corey, Donna Day, Robin Higgins, Julie Treangen.

Enjoying the happy medium of the Libra, the eighth graders were joined by 10 more classmates. The resourceful new libras were: Danny Bach, Bill Berg, Ray Smajd, Steve Valentine, Rich Voshell, Sandra Fousek, Faith Nettleton, Pattijo Phipps, Shelly Robbins and Sharon Schreur.

Rob Basham, Terry VanOort, Peggy Gatrost, Connie Pestotnik, and Ruth Politsch arrived to show the colors of Leo the Lion. The strong and proud freshmen were now leaders, but were soon destined to follow.

The crab of the cancer sign, which is a symbol of a backward motion, was a true representative of our sophomore class. However, soon to be more forward with this class were: Charlie Anderson, John Jacobs, Chuck Lintner, Ed Thayer, Mary Ceretti, Marla Dowden, Judy Williams.

With ten years behind them, the calm and confident Virgos of the junior class were soon to realize their hopes. Coming in time to share this were: Mike Ballard, Arlen Bloom, Ken Buttz, Bill Cole, Buz Phelps, Mary Eppenbach, Linda Gaster, Michelle Knosby, Pam Lemon, Dianne Michael, Debbie Nicholl, Janice Pratt, Carren Rail, Sylvia Witte.

This is now the Age of Aquarius, where harmony and understanding abound, our dreams of visions have now been realized, and the revelations of the future are soon to be ours. Buehler, H. Stelpflug, D. Logli.

The Annual Staff, like sports and cheerleading, is very time consuming. The editors and co-editors meet every night, Monday–Friday, after school from 3:45–6:00. They are responsible for the page layouts, planning, organization, identifying pictures, write-ups, and designing of the annual. The yearbook and ad salesmen raise the money for the annual, while the business manager keeps track of the incoming money in her books and writes the letters to different companies. No annual would be anything without pictures. Throughout the year the photographers are called upon to take pictures of different events. Last, but not least, the typists' job is to type all the printing needed to complete the annual.

DE stands for Distributive Education, a vocational education program that combines work and study for students interested in merchandising, marketing, management, and service operations. On the high school level DE is available to seniors interested in entering the business world. It is a complete curriculum supplementing the normally required high school courses. DE students usually put in about 15 hours a week working for a cooperating business firm in the local community. The student might work at a department store, a shoe store, a food market, an automobile service station, or any other cooperating firm. The student, of course, is paid for the hours he works, and his experience serves as a laboratory in which he can practice the theory he learns in the classroom.

La Marseillaise, the French national anthem, echoes throughout the classroom at the opening of the presented on topics of French history and culture. One of the themes chosen is to study each month a particular province in France, its customs, traditions, dress and food. When possible, native French speakers are invited and some of the cuisine from that province is prepared.

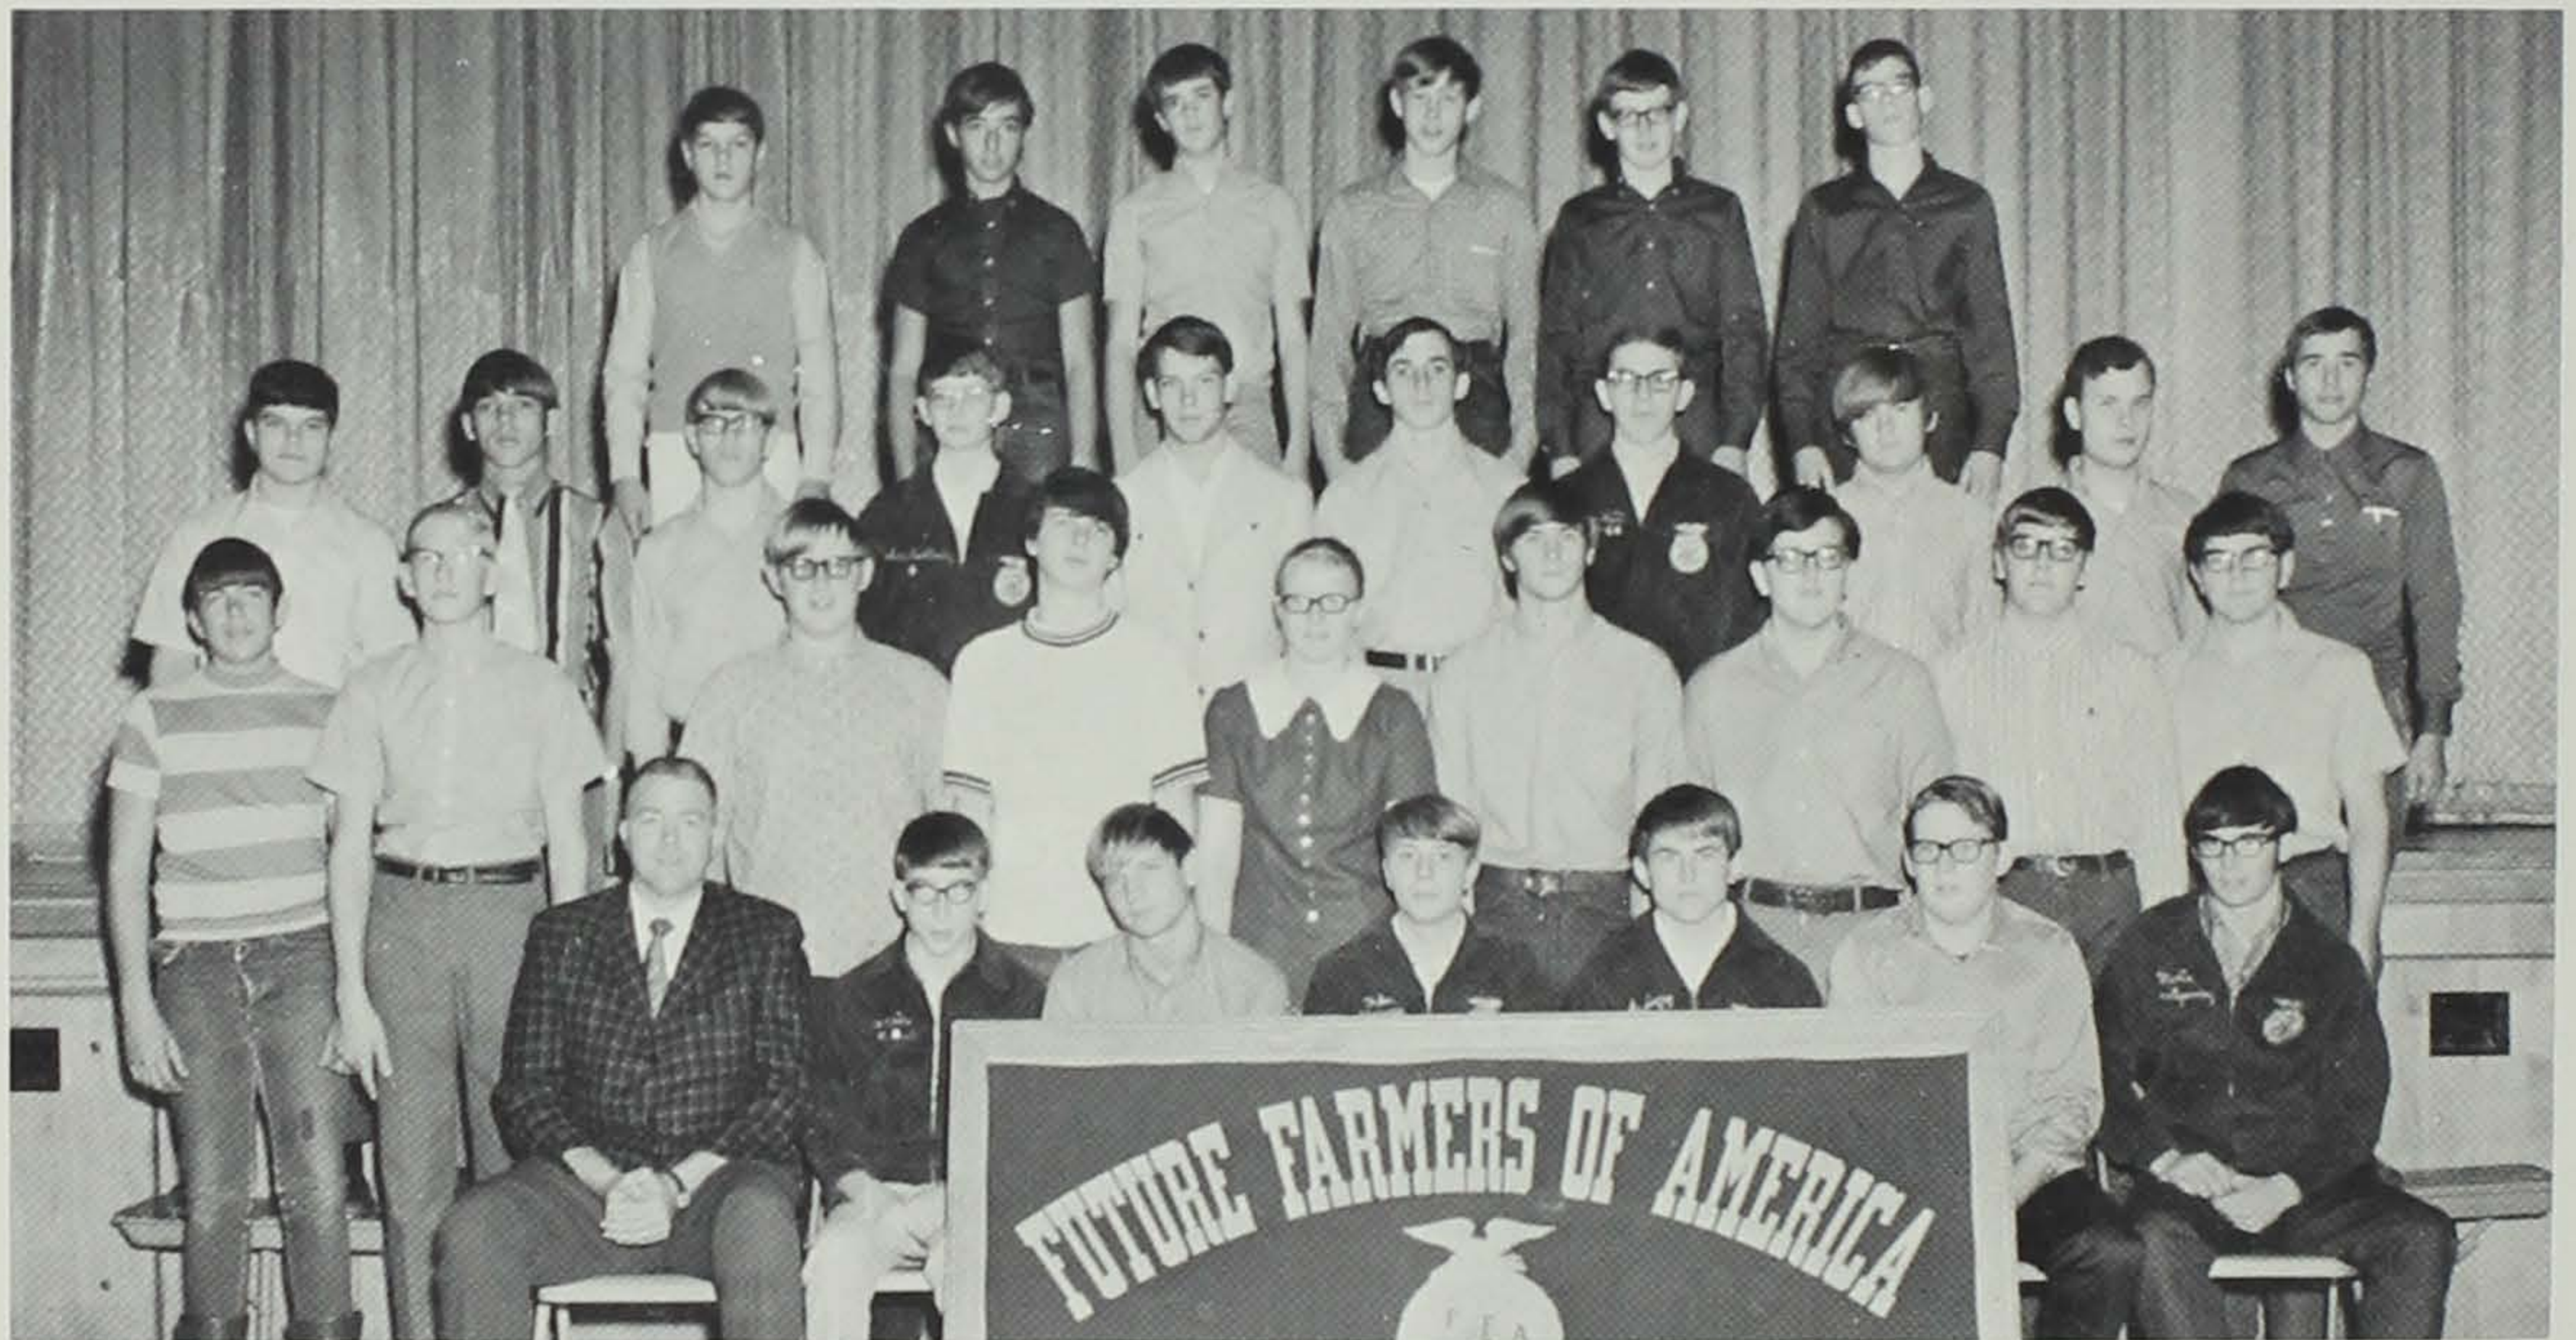

For entertainment the students present skits in French, play games in French and sing French songs, especially French Christmas carols.

Everyone looks forward to the annual Christmas party, the Mardi Gras party in the Spring and pique-nique at the end of school.

Junior Municipal Council is an opportunity for Ankeny High Students to become involved in city affairs. Working closely with the Mayor and Councilmen twice a month gives students a meaningful insight into the functions and problems of city government. Junior Municipal Council members also serve as informers to the rest of the students when they report findings from regular council meetings back to their individual history and government classes. Also, each Junior Council member has the opportunity to accompany a city head of a department for a day to see what his job actually involves. We want to take this opportunity to thank the mayor and councilmen for their support and enthusiasm for this program.

We've had a lot of fun as well as trials, such as trying to put together the special column, "The Rapper." Each year we hope the HAWK SQUAWK, and enthusiasm for our school paper continue to grow.

New vending machines have been added. The Student Council has represented the students and their ideas.

The Student Council's goals for this year are to better the community by various projects, create a better relationship between the students and the faculty, and let each and every person express his own thoughts.

"Talking is only half the battle, doing it is what counts!"  
 . . . AND THE STUDENT COUNCIL DOES IT!! . . .

# *Bleacher Bums*

Row 1: Ron Lennard, Mark Trusty. Row 2: Gary Owen, Buz Phelps.

Many of the crowds at the Ankeny High School athletic events may have heard the cheers of a certain group of students. These are "Bleacher Bums."

Organized by Buz Phelps, a senior, the Bleacher Bums instilled spirit throughout the year. The main device used in this program was the "Spirit Stick", which was given to the class with the largest attendance at the games.

"The Bums have about twenty members," remarked Buz, "and I feel we have helped the school spirit a lot. Buz brought this idea from Hall High School in Little Rock, Arkansas. "We had about two hundred down there," Buz admitted, "but we can carry this all through the sports year."

Many of the students like the idea of the Bums having their own uniforms with "Bleacher Bums" written on the front and their names and years on the back.

As one can see, the youth of today are not complete rabble rousers but can be organized into a worthwhile function.

Several outstanding jazz musicians from the Des Moines area were brought in to work with the band during the past year, and several trips were taken to hear other stage bands and small groups.

# Marching Band

After many long hours of practice, the members of the Ankeny Marching Band were ready to leave for Winnipeg, Manitoba, to participate in Canada's Manisphere Celebration. Ankeny was one of the bands invited to take part in an international marching band contest.

On the night of June 24, approximately ninety band members, Mr. Friedmeyer, and the chaperones boarded three buses bound for Winnipeg.

The Voyageur Inn in Pembina, Manitoba, was our home for five days. One idea that made the trip pleasant was the open door policy. Mixed company was allowed in the rooms as long as the doors were left open. This policy made our free time more enjoyable. All of us felt that Winnipeg is an impressive, up-and-coming city that is full of many friendly people. Twice we were able to take advantage of its fantastic shopping centers. The band members also swam in an olympic-sized swimming pool and had an opportunity to go to a teen dance at the University of Manitoba.

Saturday was an eventful day. In the morning, Ankeny competed in the Class AA marching band competition. The brand new band uniforms and the eye-catching new twirlers' outfits added that necessary sparkle to the band's performance. We placed second in this division. That night all the bands assembled at the international band jamboree and presented a mass concert. Sunday was another important day. The Ankeny band was a part of an immense parade held in honor of Manitoba's one-hundredth birthday. We marched 3 1/2 miles in a record 95 degrees heat. We were glad when the parade was over, but unhappy when our trip came to an end. That afternoon, we left for Ankeny. We arrived at the home of the Hawks early on the morning of June 29.

Mr. Dick Duffy, the new assistant, was the marching band instructor. He spent many long hours preparing the band for its performances in the football games. This year, the band chose new officers. They are Rich Thimmesch, president; Ed Thayer, vice-president; Steve Akers, secretary-treasurer; and Debbie Garner, publicity.

The band prepared itself for its Christmas concert and also for those held in January and in the spring. There was an exchange concert with another school. A member of our trombone section, Barb Hall, was selected to play with the All-State Band at October auditions.

The club presents two regular productions each school year. The first, presented in the fall, is generally a comedy, while the spring play is usually in a more serious vein. Although both of these are drama club sponsored, anyone in school may participate. In addition, there is a small winter production, a one act play, which is put on by the drama club only, and is usually presented only to an audience of students.

# "Harvey"

Edlwood P. Dowd is a middle-aged bachelor who likes company and liquor, which is how he met Harvey. Elwood does not mind that Harvey is a six-foot-tall rabbit and that other people usually fail to see him. But Veta, Elwood's widowed sister, does mind. A woman of social obligations, determined to marry off her daughter Myrtle Mae, she cannot tolerate an oversized bunny among her respectable guests. Elwood will have to be committed to a sanitarium for wacky alcoholics. So she takes him to Chumley's Rest. The supporting cast—an elderly socialite lady, a judge, and the staff of Chumuey's Rest—are all drawn into comic situations because of the imagined rabbit. Or maybe Harvey is real.

## *"You Can't Take It with You"*

At first the Sycamores seem mad, but it is not long before we realize that if they are mad, the rest of the world is madder yet. They demonstrate how to enjoy life with just enough money and take it easy, (You Can't Take It With You, you know). Everybody "does his own thing".

In contrast to these happy people are the Kirby's, wealthy socialites whose son Tony has fallen in love with Alice Sycamore, the really normal daughter in the family. Complications arise when Tony brings his mother and father to dinner on the wrong night. The painful meeting of the families is complicated by the visit of a Russian dancing instructor, Kolenkhov, an inebriated actress, and a raid from the FBI.

The 1970 Junior-Senior Banquet and Prom was held May 2, 1970 in the John Deere Union Hall. The Junior Class financed and planned the entire event.

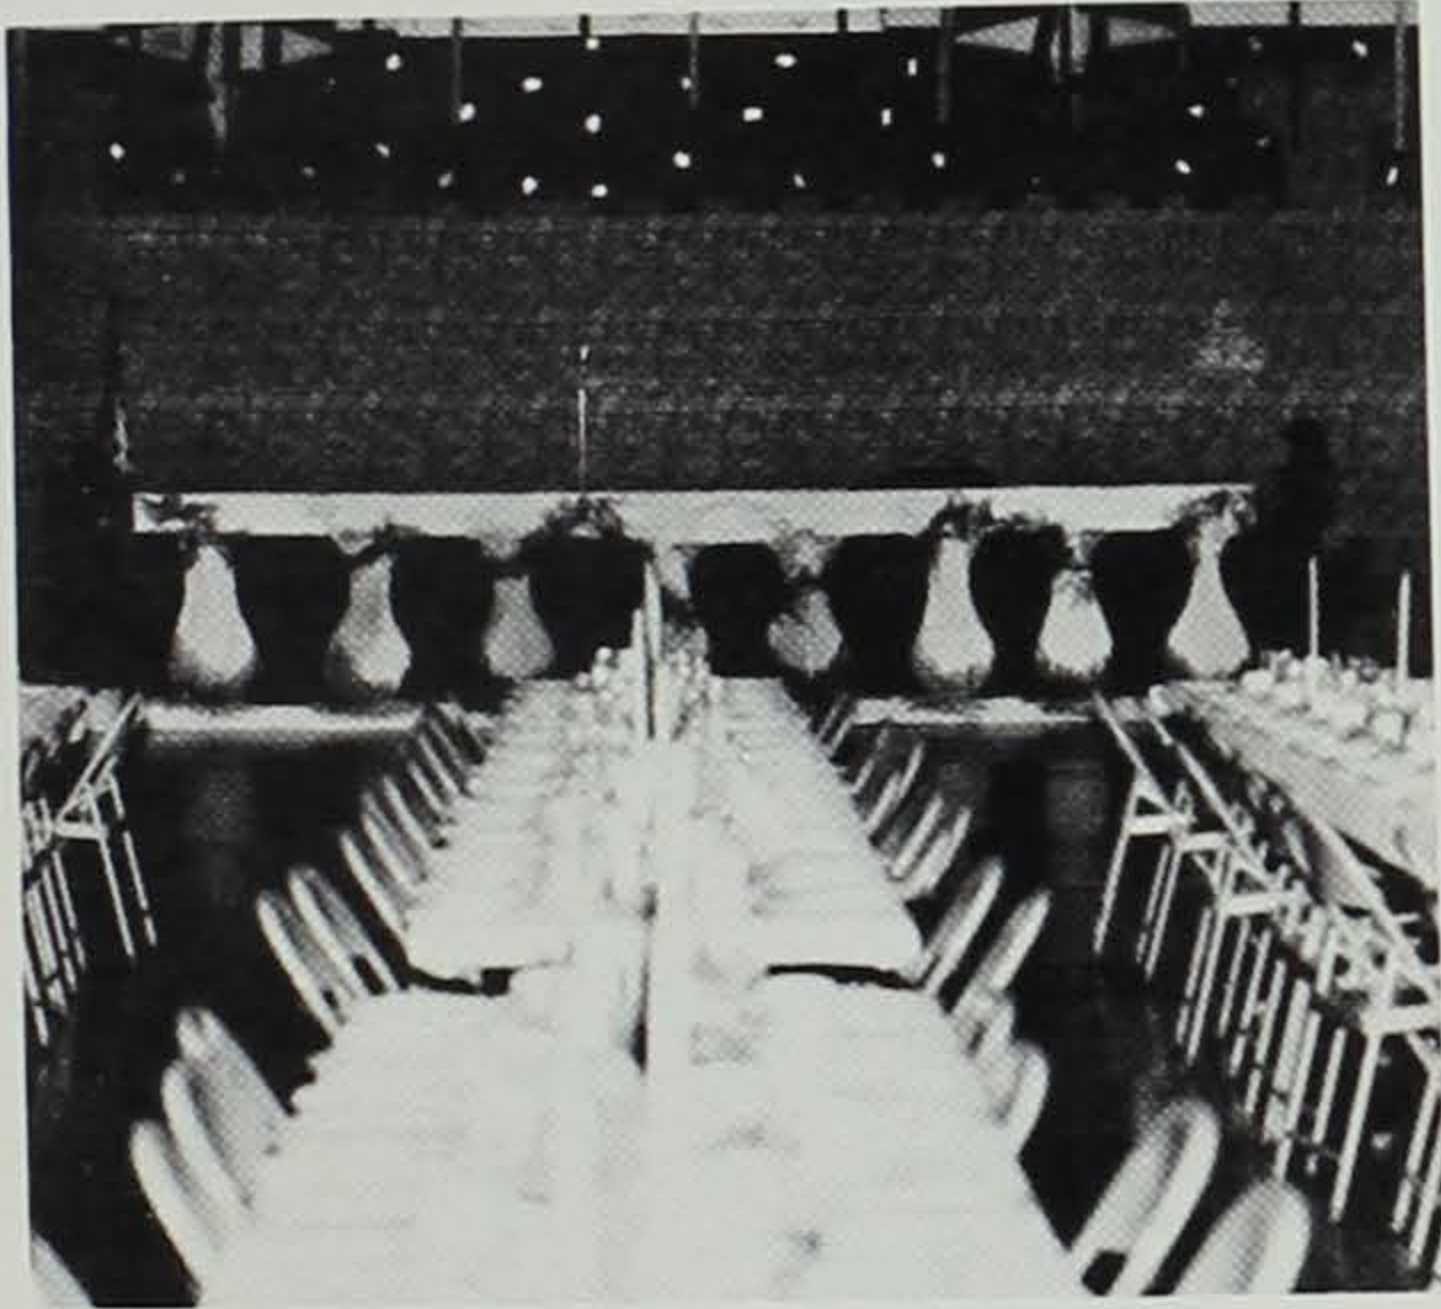

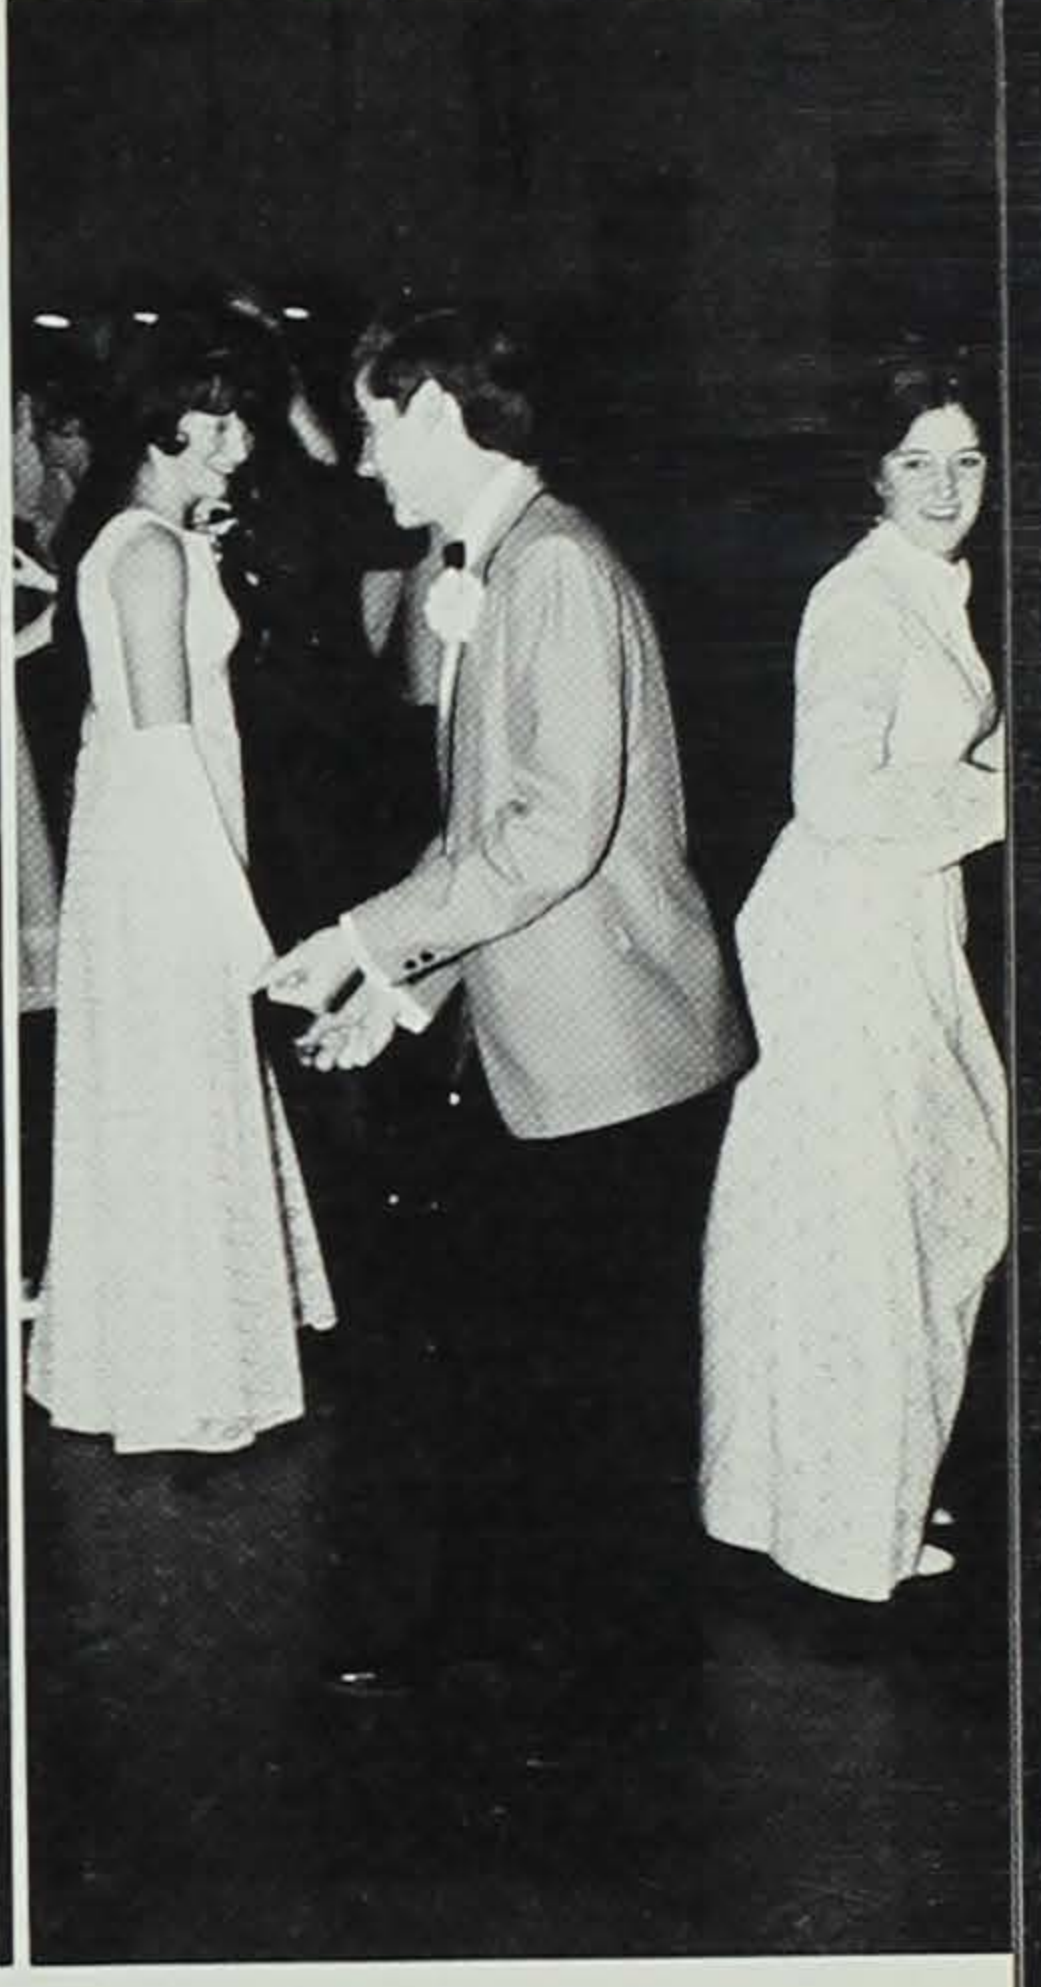

Decorated in green and yellow crepe paper, with a castle-like effect to the walls, it was difficult to tell you were in the 20th century. In the middle of the floor there was a silhouette of a couple dancing. The tables were decorated with the same silhouette and yellow candles.

The Junior Class spent many hard, long hours working on the prom, but all agreed that it was worth it—the prom was proclaimed a great success by all.

# Week 1970

Shelly Robbins was crowned homecoming queen during the half-time of the Ankeny-Grinnell game on October 16. John Jacobs reigned as homecoming king. The queen and attendants were escorted around the football field while the band formed a heart. The homecoming dance was held October 17 in the Neveln Gym. Student Council decorated the gym in colors of maroon and gold in keeping with their theme "Kickoff to 71."

The 1970 Crystal Ball was held December 23 in the Neveln Junior High Gym. The Senior Class sponsored it—with the senior executive council responsible for planning the entire event.

Using Christmas as their theme, the executive council decorated the gym with red & white crepe paper streamers. A fireplace, flocked Christmas tree, and a love seat provided a homey atmosphere for Santa and Mrs. Claus.

Con Brio, a local group, provided the music for those who attended.

If you can't be a pine on the top of the  
hill,  
Be a scrub in the valley—but be  
The best little scrub by the side of the  
rill;  
Be a bush if you can't be a tree.

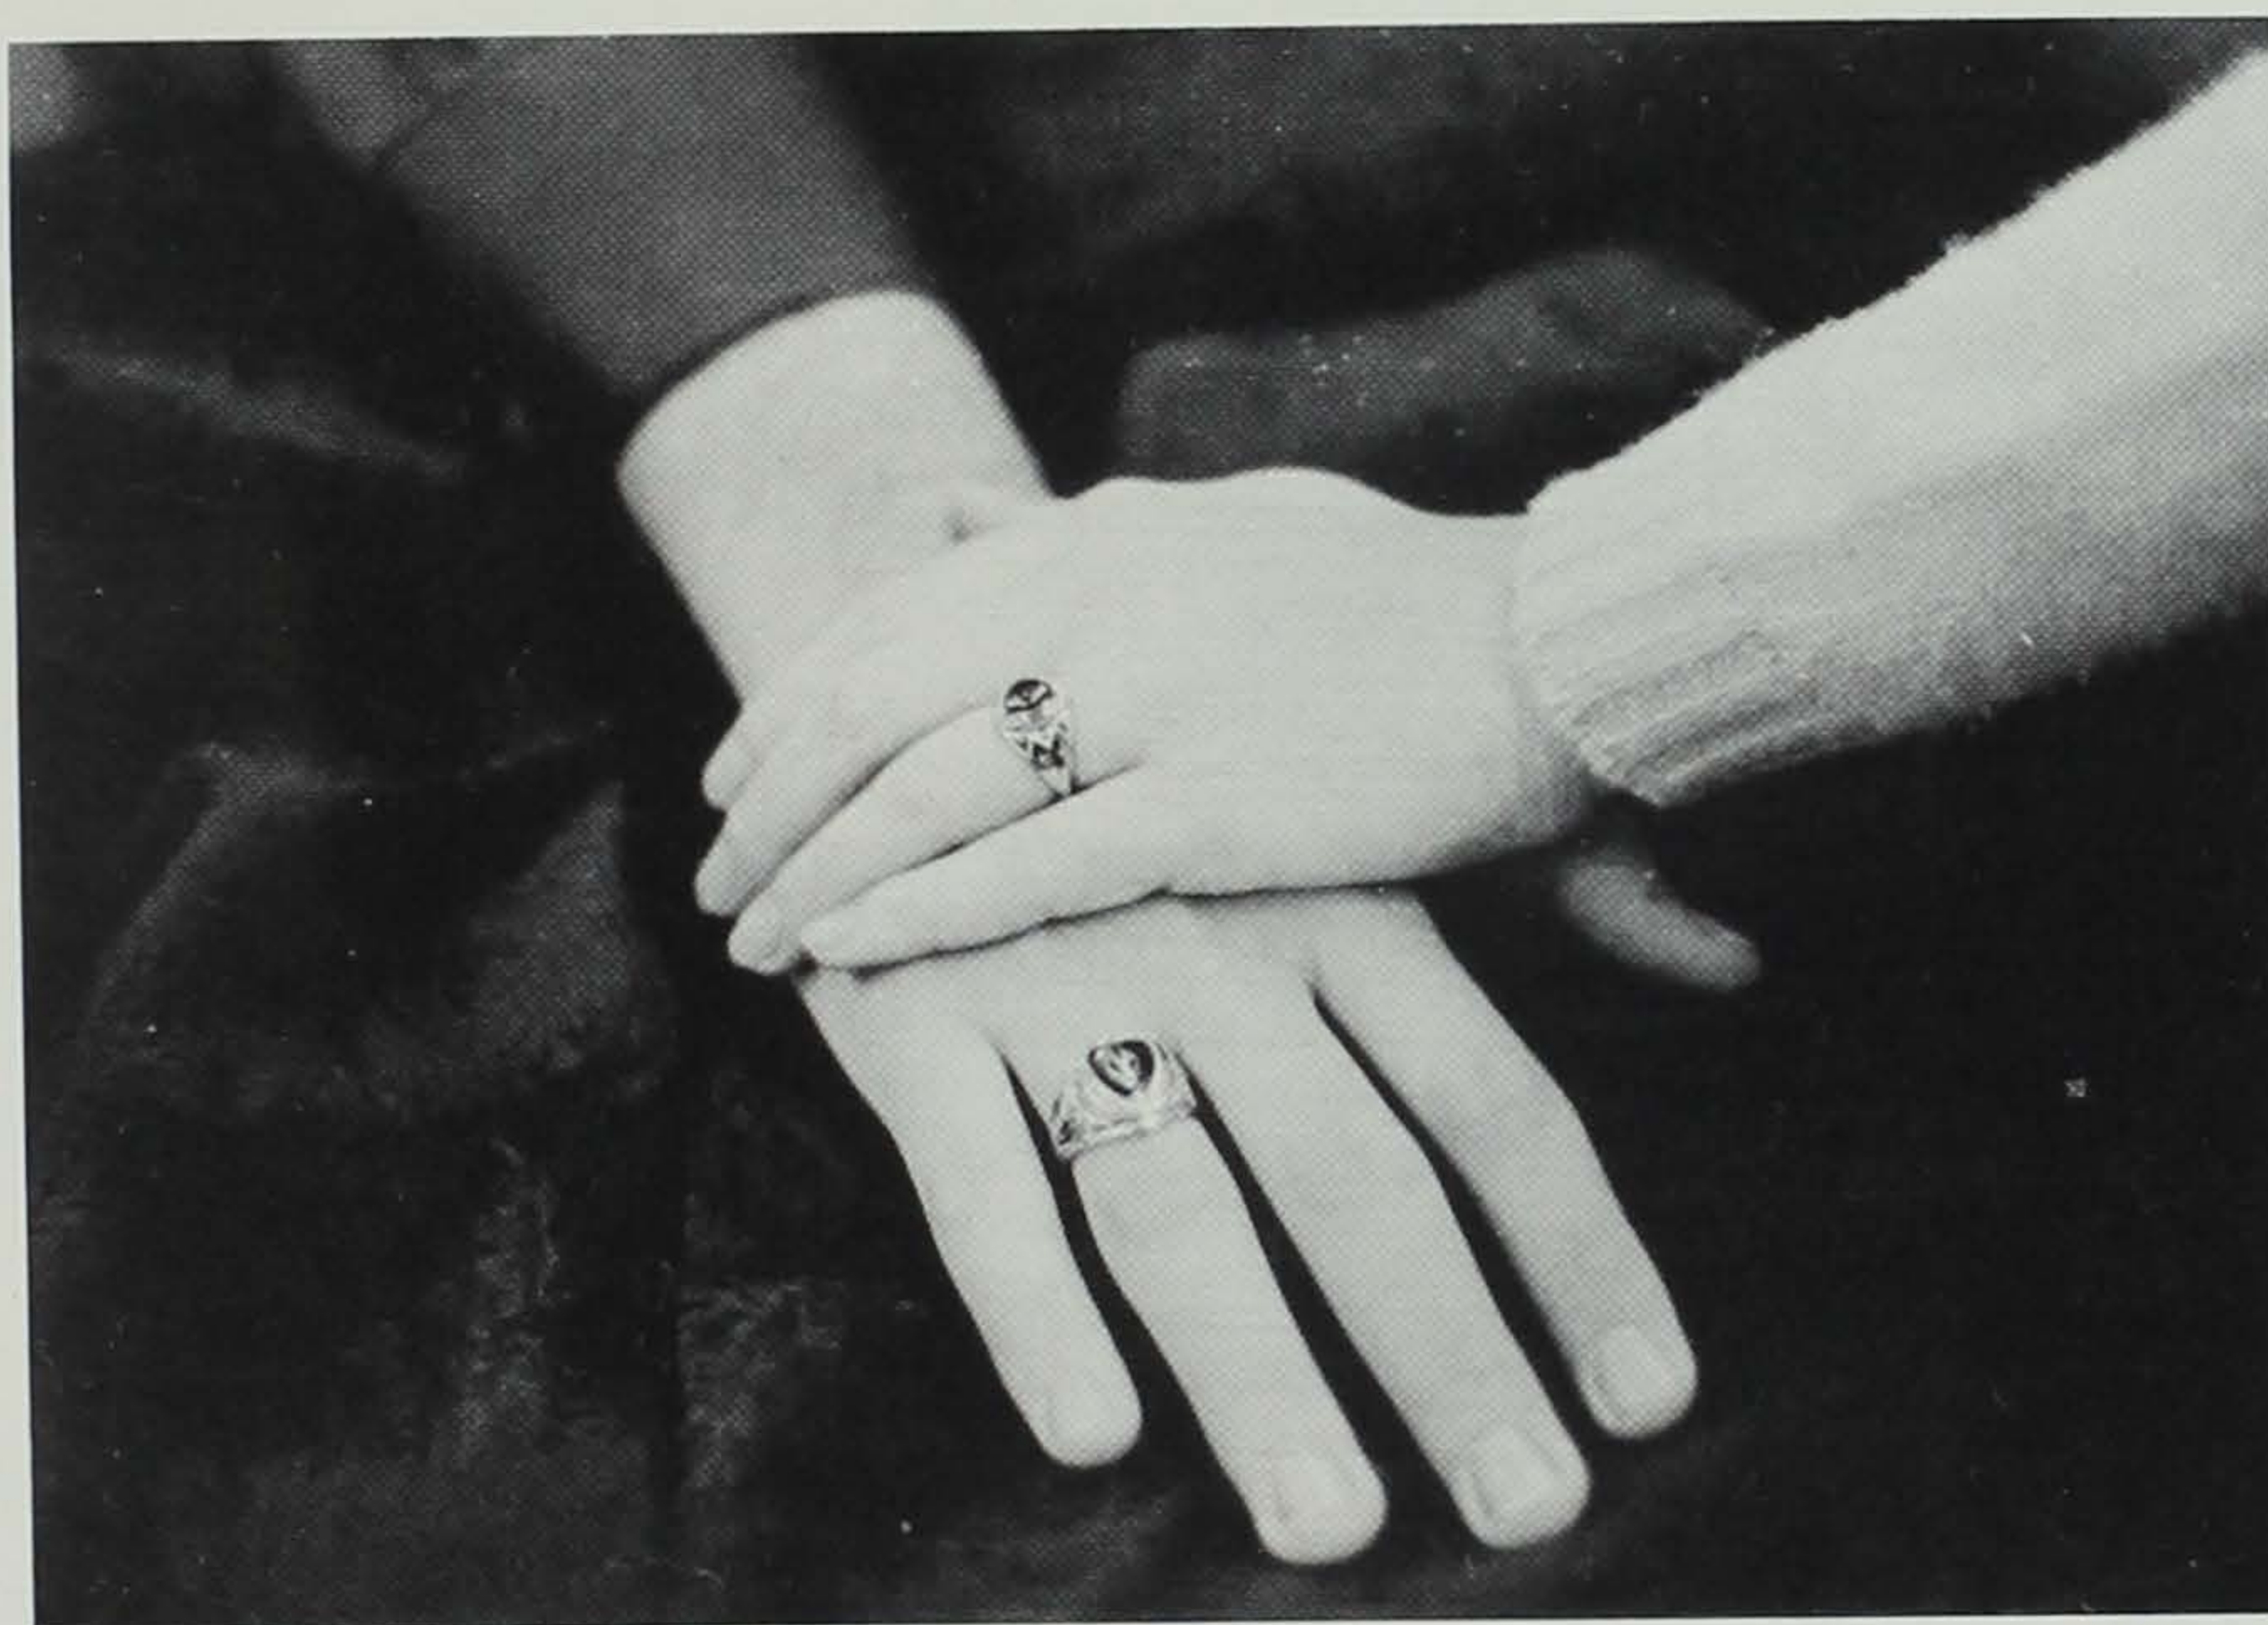

If you can't be a bush, be a bit of the  
grass,  
Some highway happier make;  
If you can't be a muskie, then just be  
a bass—  
But the liveliest bass in the lake!

We can't all be captains, we've got to  
be crew,  
There's something for all of us here,  
There's big work to do, and there's  
lesser to do,  
And the task we must do is the  
near.

If you can't be a highway, then just be  
a trail,  
If you can't be the sun, be a star;  
It isn't by size that you win or you  
fail—  
Be the best of whatever you are!

Three conference basketball championships in four years. A track record of being conference champs two years running, state champs two years ago, and an undefeated season last year. An unblemished wrestling season as five athletes moved into state competition. Cross-Country teams whose dominance is always felt as they were conference champs as well as state champs this year. We would like to thank and honor those athletes and coaches for their time, effort, and loyalty in times of success as well as failure. We, more than most, realize the price that must be paid in order to win. But most of all, we respect and feel privileged to be able to compete at a school where the academic stature is top-notch as are the athletics. Participating in a relatively new league, the Central Iowa Conference, the Ankeny Hawks have been by far the most dominating

figure on the sports scene. However, by looking at the past two years' records, one would not guess that Ankeny has the second smallest enrollment among the eight schools. For an outsider criticism could come easy. The Hawk gridders are playing with fewer upperclassmen players than any team in the CIC. Yet Ankeny is playing the toughest schedule, and few experienced players, the Hawks have beaten two teams never before defeated by an Ankeny team. In baseball, the Hawks struggled with only two seniors last

year and the rest underclassmen. With this type of a team, the Hawks were in the thick of the title race until the last two weeks of the season. In recent years Ankeny has been eliminated from the basketball tournaments by highly rated teams who went on to win the districts. We have never thought of our school as a "loser", rather we have always been proud of our teams and anxious to defend them on and off the playing field. We also feel that we have the most competent and talented sports administration and coaching staff in the state as well as the most loyal and spirited student body anywhere. Ron Sampson.

## IS THE WORLD GROWING FAST ENOUGH?

It depends. Either population is growing too fast or food production is not growing fast enough. World population may double in 33 years. Does this mean mass starvation? Not if we develop today's agriculture and harness coming breakthroughs in feeds, fertilizers, farming methods, and machinery. Can the world grow food fast enough? John Deere will help farmers make the answer to this question "yes."

# Before Leaving . . .

Just as it is the people that make times and places memorable, it is the people of a time and place that make accomplishments possible. And it is to many people that we owe warm thank you's for inspiration, guidance, and assistance in the realization of our dream for the 1971 HAWK.

Teachers, friends, and students some of which never knew—from them unknowingly came the **Inspiration** for the 1971 HAWK.

**Guidance** in shaping these ideas came from many people. A very special thank you to Mr. John Hunter, HAWK adviser, whose patience and expert advice could solve any problem. And . . . for his confidence in us and reassurance when the going was rough.

**Assistance** on the 1971 HAWK came from a staff of enthusiastic hard-working volunteers. Many sincere thank you's go to these people . . . especially to Kathy Thorpe and Deanne Nelson, assistant editors, who shared our sense of responsibility and devotion to the 1971 HAWK and whose excellent advice, moral support, and long—long hours of work are deeply appreciated.

To the business staff, we owe many thank you's . . . to Kay Miller, business manager, for excellent management and careful handling of the HAWK's public relations; to the ad salesmen—Diane Silver, Barb Robinson, Marilyn Parrish, Denise Logli, Karla Lundstrom, Connie Albaugh, Kris Righi, Holly Stelpflug, Pam Lemon, Marcy Schreiner, Pam Thornton, Sharon Schreur, and Bonnie Wissink, without whose work the yearbook could not have been financed. Then we cannot forget the yearbook salesmen, Ellen Heston, Connie Pestotnik, Paula Dean, Deetra Buehler, Diane White, Cindy Minks, Sandy Mundt, Linda Paten, Michelle Wheatley and Debbie Vanderlinden for their terrific salesmanship this year. To these people—our thanks. Appreciation goes to Ann Hale and Ron Sampson for our class history. And, of course, what would our HAWK be without photographs? Special thanks to Debbie Rieke, chief photographer and to the many others who contributed.

There were the typists. Thank you . . . Connie Albaugh, Kris Righi, Connie Pestotnik, Pam Lemon, Kathy Johnson, and Debbie Chalstrom. A very special thank you to Sandy Jones for her extra time and help.

Because there were so many other people who helped in the publication of the 1971 HAWK, they cannot go unnamed. Thank you Greg Suddeth and Ronda Harwood for helping us photograph our class rings. Guy Deal, Ann Hale, Linda Battani, Gary Owen, Steve Fontanini, Sharon Schreur, and Dennis Betz—thanks for the use of your cars. A very special thank you to Jack and Jim, our fearless divider page photographers, for their patience and understanding. We owe a lot to them, for without their advice and counseling we could not have seen those long, pain-staking nights of photographing through. Then we must not forget to thank Jerry Bucklin, Chevrolet, Ankeny Motors, Jimmy Nantista, Orville Lowe, and Sumner Pontiac for loaning us their new cars to use on our divider pages.

Finally, a special kind of thank you to our principal, Mr. Darl Mullins, whose continued interest in our work has meant a great deal.

The 1971 HAWK attempts to capture the kaleidoscope of ideas, moods, activities, and especially people and personalities, which have made 1970-71 at Ankeny High School a memorable year. We sincerely hope our book brings you much enjoyment.

## *Memories . . .*

"Certain moments linger strangely  
 In the memory.  
 Unimportant in themselves  
 Such memories may be.  
 Yet they live when other things  
 Have faded from the mind.  
 Time in passing seems to leave  
 The little things behind.  
 A sunset view, a sudden glimpse  
 Of startling loveliness;  
 The smell of lilacs in the rain;  
 The color of a dress.  
 A sentimental song;  
 My home, a tree, a road;  
 An insignificant remark;  
 A tiny episode.  
 We forget the crucial times,  
 The really big events,  
 And recall the details of  
 The trifling incidents.  
 Life's dramatic hours  
 Of greatest joy and sharpest pain  
 Fade away into the past . . .  
 But the memories still remain."
