T78N - R32W OF 5TH P M

-
- This is a detailed cadastral map of a section of Grant County, Wisconsin. The map is bounded by Baker Twp to the north, Valley Twp to the east, Beaver Twp to the south, and Adair Twp to the west. It features a grid of sections, with various landowners such as Robert Keinne, Charles Oberholtz, Arthur Kuster, and others. A prominent road, likely Highway 6, runs diagonally through the lower half of the map. The map includes numerous numerical values representing acreage and section numbers, as well as names of landowners and their families.
