Friday evening, May fourth
Nineteen Hundred Seventy Three

The 1973 Junior-Senior Prom was held May 4, 1973 in the Firestone Union Hall. The Junior Class and Student Council financed and planned the entire event. They spent many hard, long hours working on the prom, but all agreed that it was worth it--the prom was proclaimed a great success by all.

Honored Athletes Of Boys' A-Club

The Ankeny "A-Club" is an organization which promotes recognition for the lettered athletes. Any boy at A.H.S. is eligible for membership after earning a varsity letter in any sport.

"A-Club", sponsored by Coach Ireland, worked the refreshment stand and bought a new whirlpool for the school as club projects.

Equal Rights Brings Girls' A-Club

Ankeny High girl letter winners organized a Girls A-Club this year under the leadership of Coach Rassmussen and Mrs. Nichols. An executive council consisting of the four officers and representatives from each sport provided guidelines for the club in future years. The year ended with a picnic at the Ledges State Park.

Pep Club and Pom-Pon Girls Lead School Spirit

The Pep Club was organized primarily for the fall season. The purpose of the club is to promote school spirit and support school activities. This year the biggest and most successful project was the Powder Puff Game. Pep Club was fun, and a step toward responsible membership was taken.

This first year group of eighteen Pom-Pon girls was selected from the Pep Club members. They attend most home sporting events in their colorful uniforms and perform half-time shows during the winter season.

DECA Enters Business World

Distributive Education, or DECA as it is referred to in Ankeny, is a supervised program for Seniors. Students attend classes in the morning and work at an approved training station in the afternoon. They are expected to furnish their own transportation and work at least 15 hours a week.

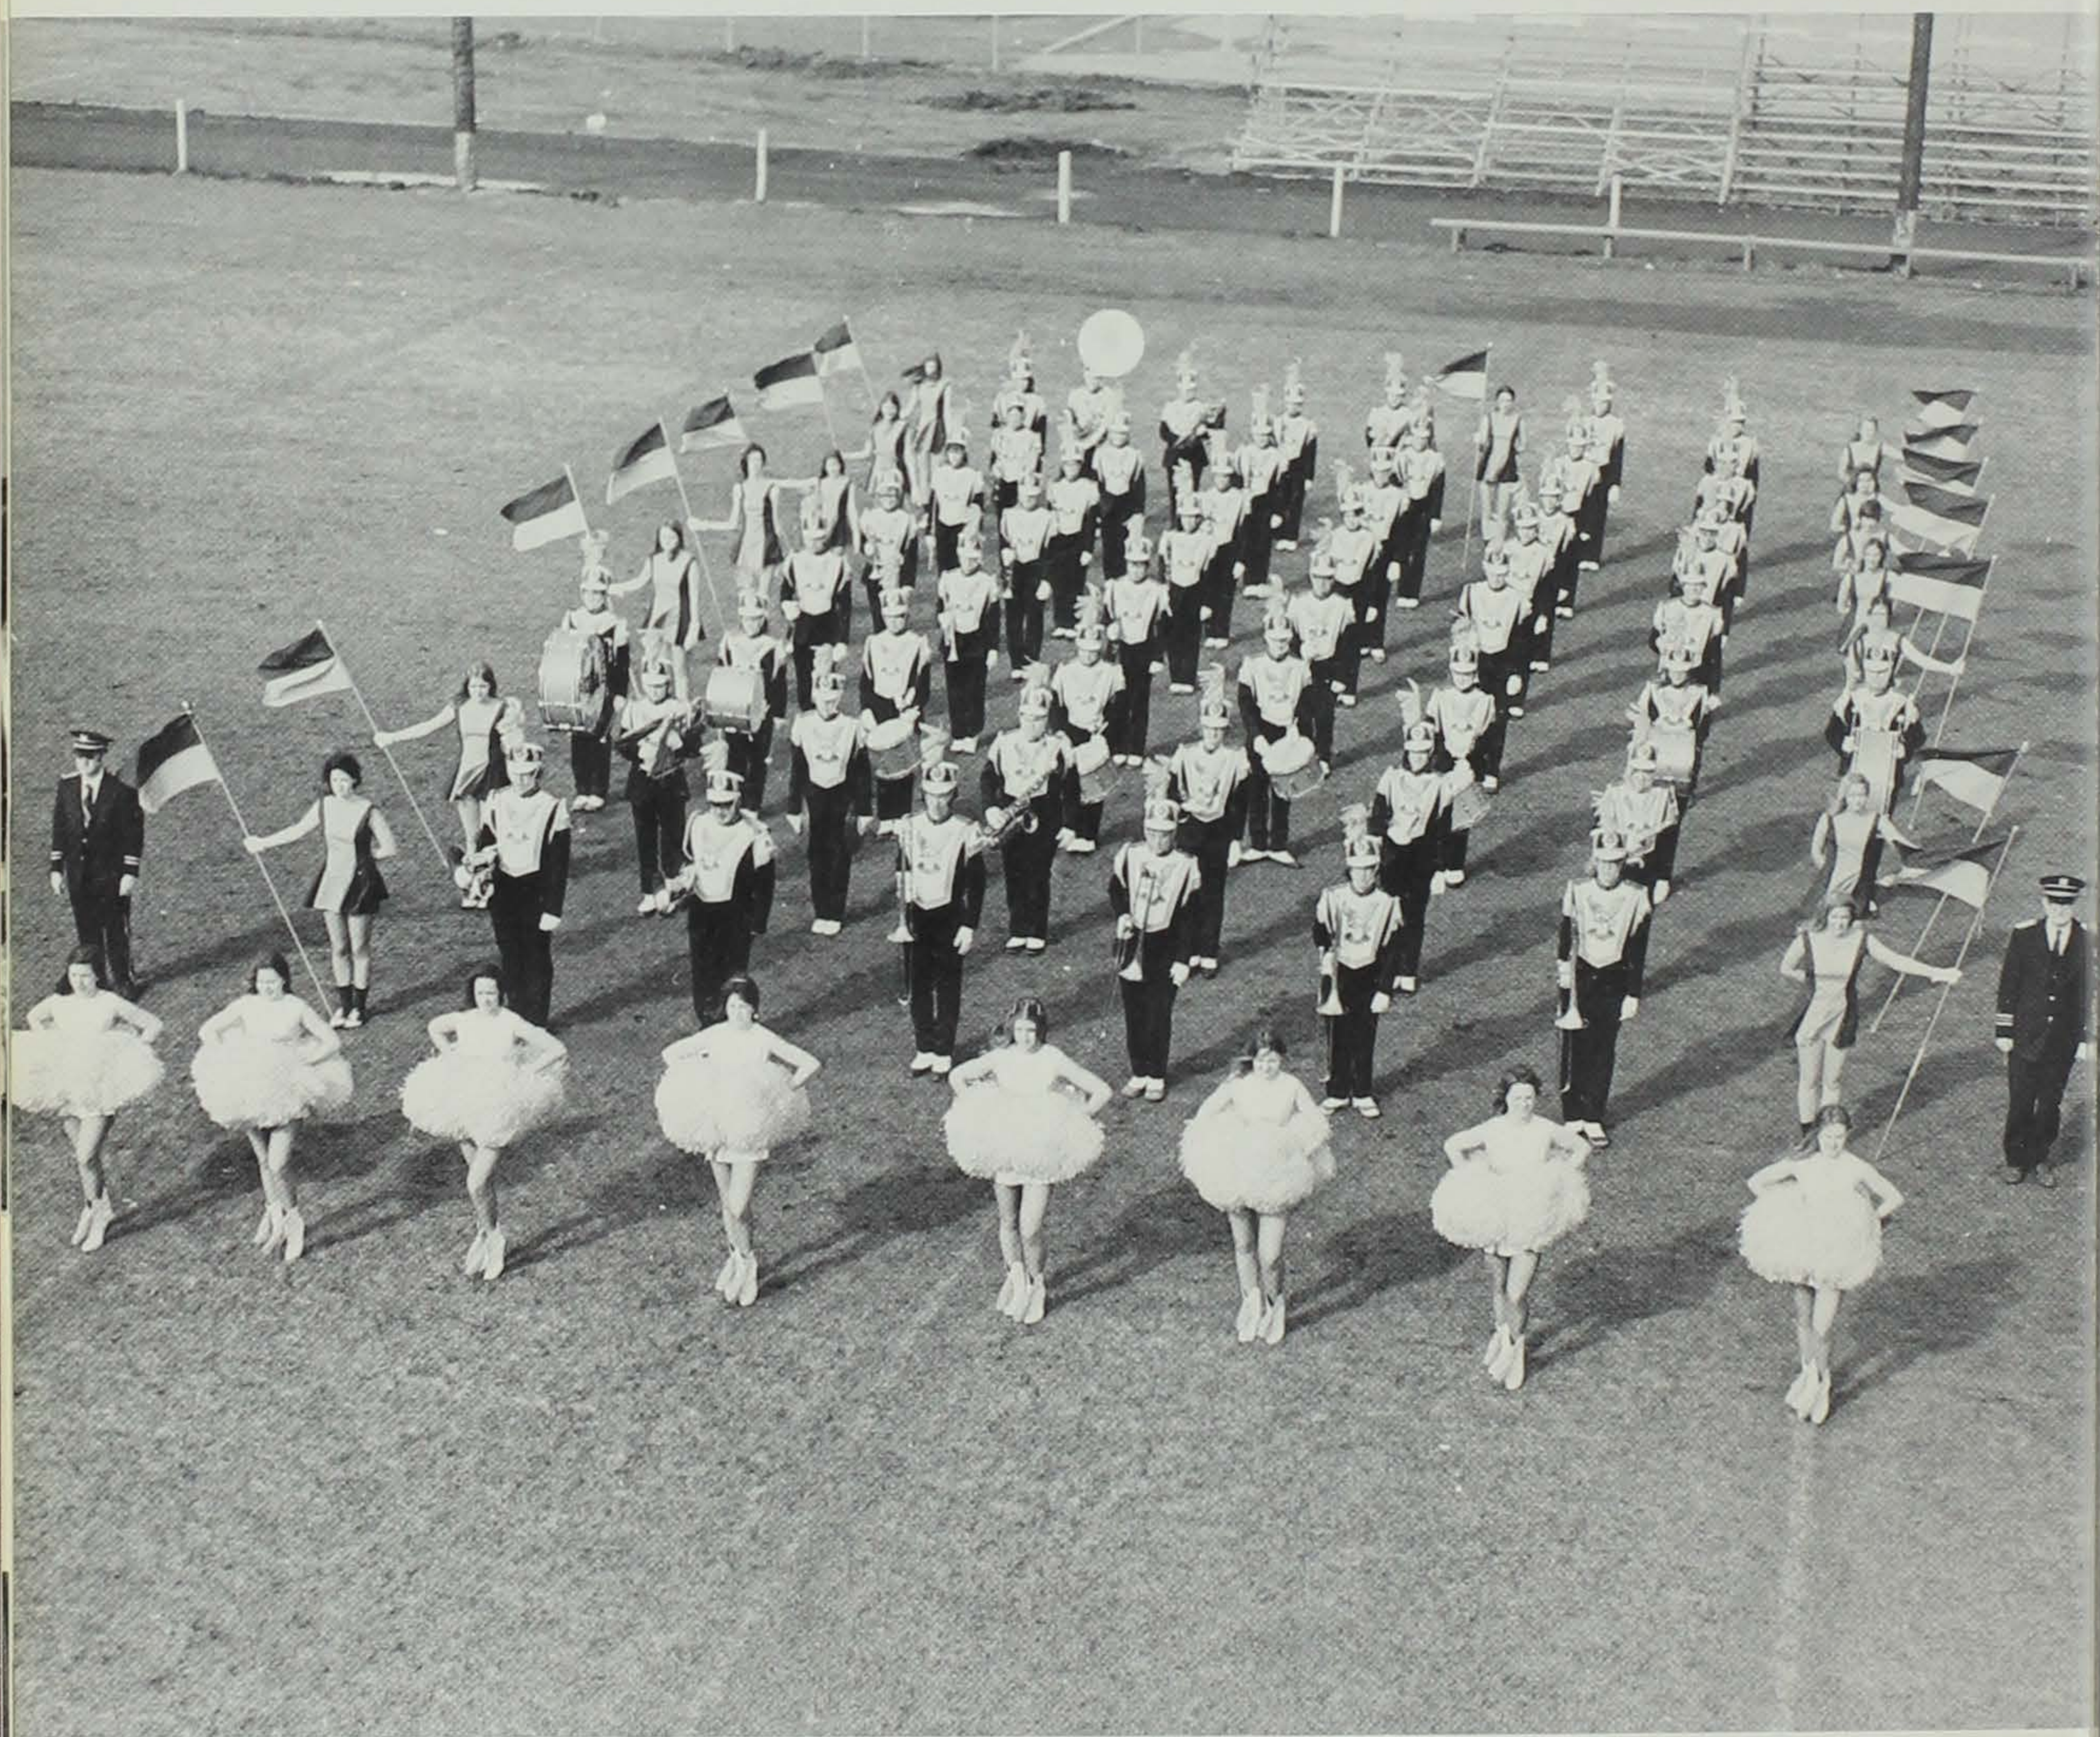

DECA offers the students of today an opportunity to get into the world of work and gain valuable experience. It is designed to help the student "learn and earn".

On the job training allows many of the students to develop their career objectives while attending high school, while allowing others money and a chance to explore certain careers.

Activities included this year: Dividing into two chapters, Local Officer Election, State Officer Candidacy Test, Delegate Assembly at Waterloo, Iowa, Area Party at Hoover High School in Des Moines, Regional Contest at Area 11 or DMACC, State Leadership contest in Des Moines, Iowa, National Career Development Contest at Atlantic City, New Jersey.

The high school vocal groups presented two major concerts this year. One before Christmas, and another during the Fine Arts Festival in the spring. The three groups also traveled to several different high schools and presented concerts.

Other activities included participation in large and small group contests and performances for several school and community organizations. The groups also sponsored a candy sale to purchase a sound system and an electric piano.

Students Develop "Nose for News"

Journalism is a one semester elective course for juniors and seniors. It is a course that broadens the student's mind in our society, it also gives one access to the various organizations at Ankeny High School

The school newspaper, Hawk Squak, is written by the journalism class. Style and technique are developed as the student progresses.

The Annual Staff, like sports, is very time consuming. The editors and co-editors meet after school, Mon. -Thurs. , from 3:30-6:00. They are responsible for designing the annual, making up layout mats, identifying students' pictures, putting pictures in their proper places, write-ups, typing the pages and proof-reading them before they are sent. The year-book and ad salesmen raise the money to support the annual. The business manager keeps track of all incoming and outgoing money. She also writes to different companies. No annual would be anything without pictures. Our photographer are called upon to help us to remember the year with pictures from the many different activities.

Dramatic Students

The main purpose of the Ankeny High School Drama Club is the advancement of the standards of excellence in the dramatic arts. Most specifically this organization shall encourage students to attain a better mastery of the language, to develop poise and self-control, and to appreciate dramatic literature and its technique. This year they presented "The Miser", "The Red House Mystery", and several readings.

These student librarians provide the extra assistance that makes our library services more efficient. They donate their time to such duties as keeping shelves in order, checking books out and re-shelving books.

Honor Society Upward Bound

The Hawkeye Chapter of the National Honor Society is a select group of sophomores, juniors and seniors. Faculty members evaluate prospective members on the basis of scholarship, leadership, service and character.

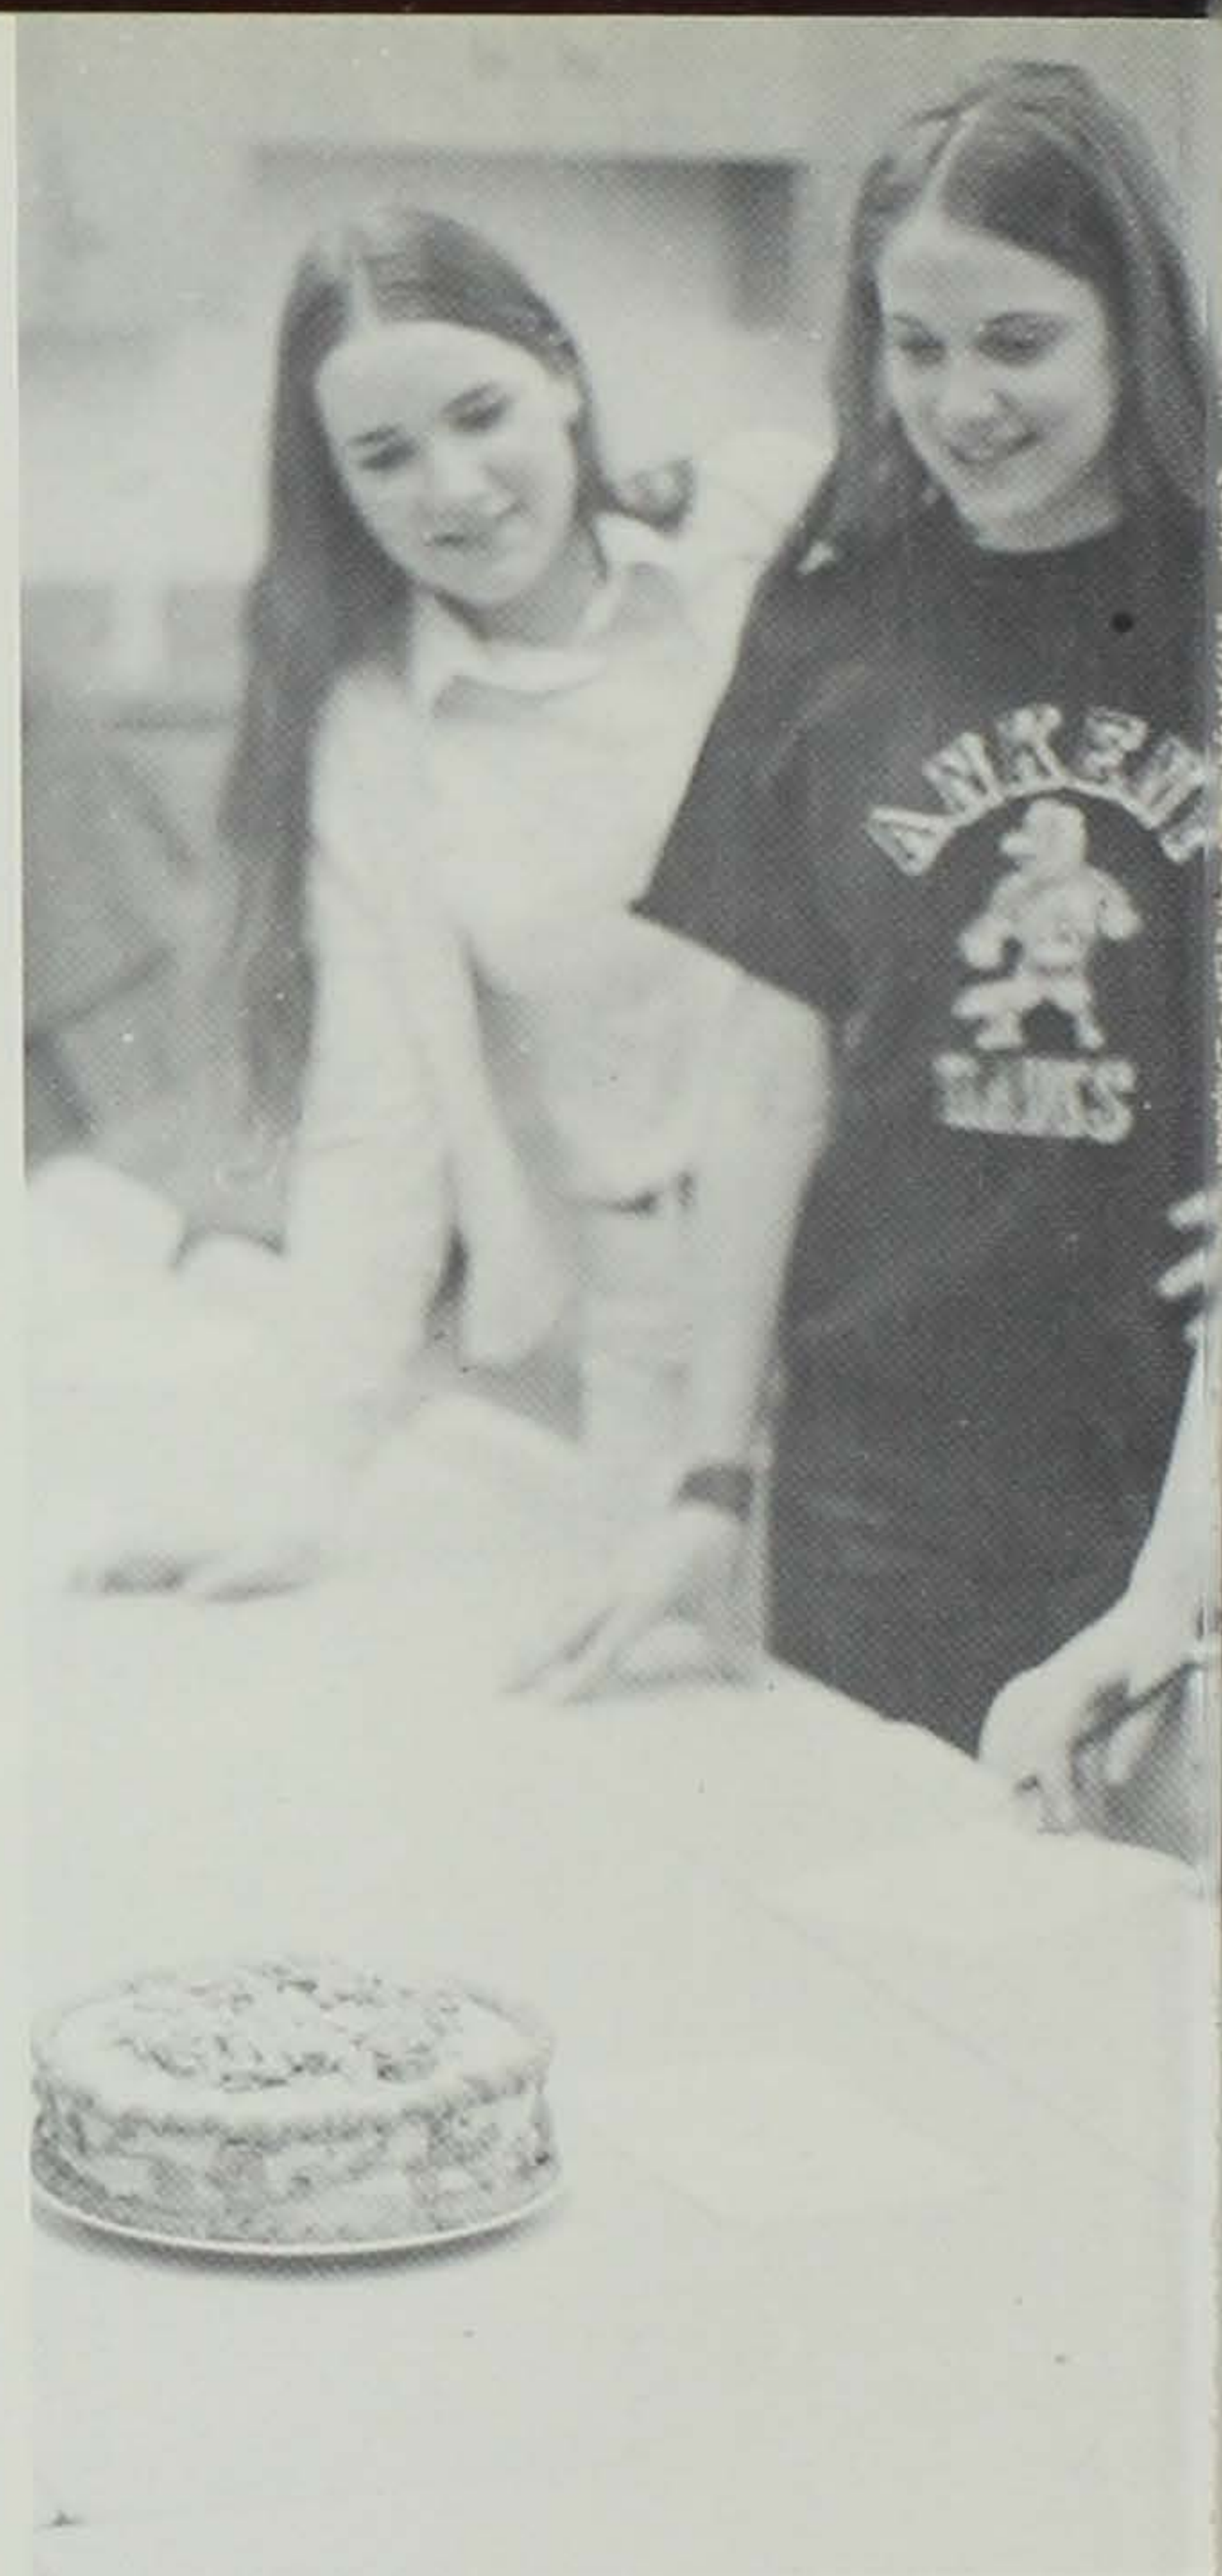

Activities this year included an annual Christmas party, a pizza party, and induction ceremonies in April.

FHA is an organization interested in the area of home economics. We have had several trips this year for our group. They were eating out at Babe's, the movie "Sounder", a day at the Amana colonies, and a picnic for our seniors and new members.

Health Careers is to help inform students of the many opportunities open to them in the medical field. As such, we have many guest speakers from various medical fields. We toured the Area Community College's medical facilities, the Iowa Commission for the Blind, and Smouse Opportunity School.

Activities this year included the annual trip to Youngers Rehab. Center and a service project for the Sunny View Rest Home. We closed the year with a potluck dinner and election of officers.

FFA

Learning to Do

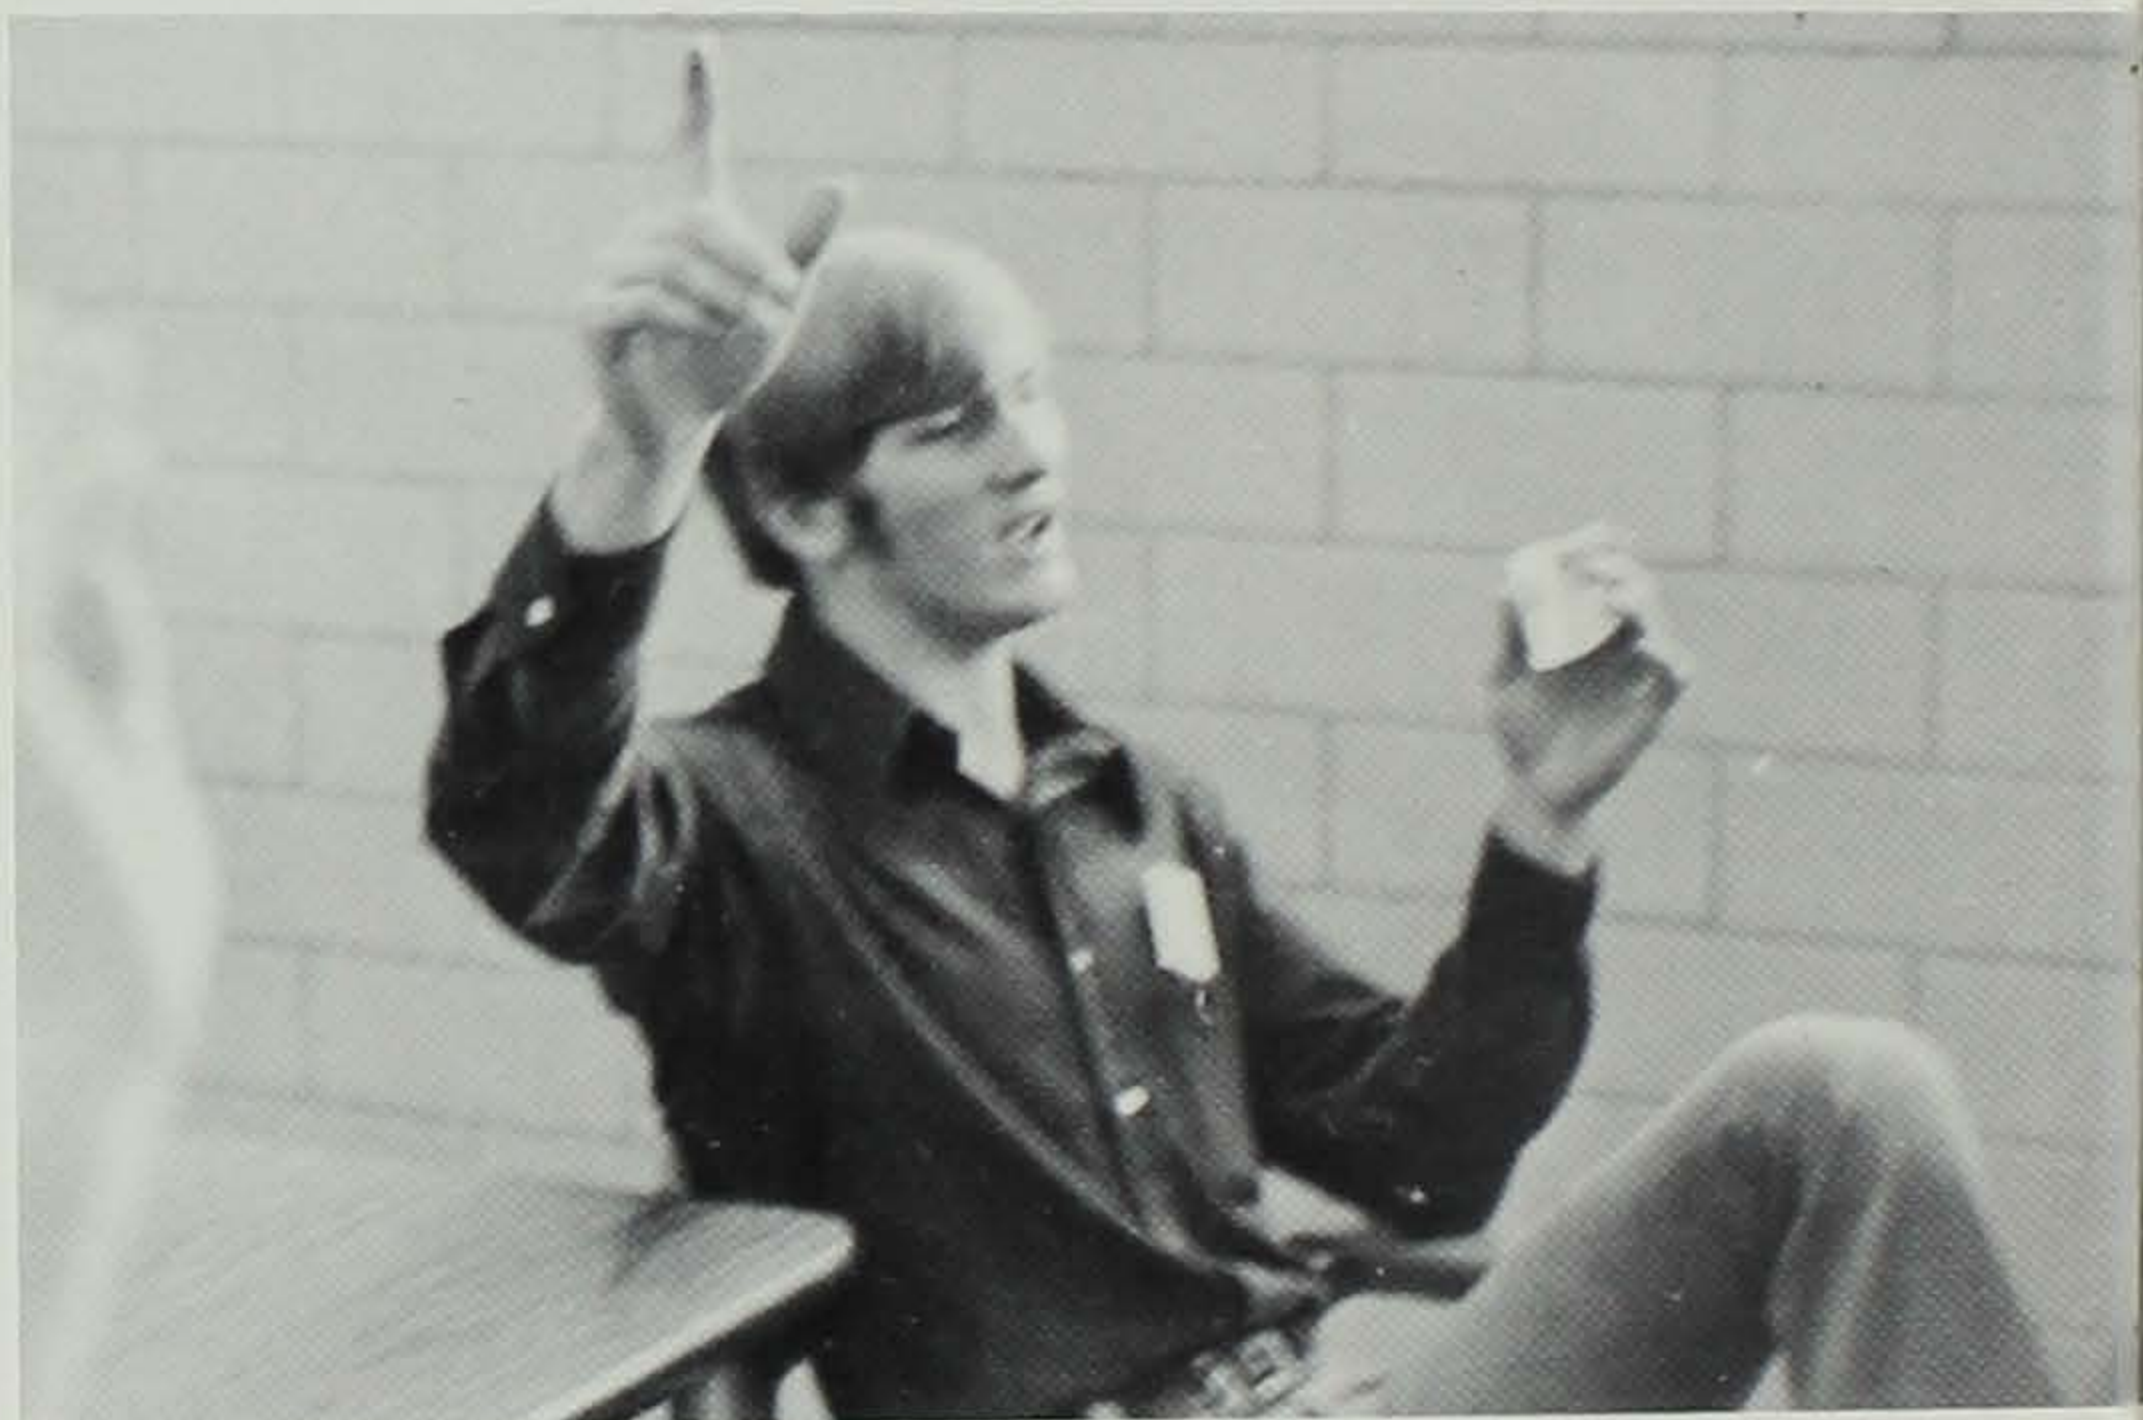

The Ankeny Chapter of Future Farmers of America has as its primary purposes the development of agricultural leadership, citizenship and cooperation. Membership is open to those students in vocational agriculture. Our chapter conducts many activities during the school year and also during the summer months. During the school year, FFA is very busy electing officers and attending the many different contests and conventions.

"A school is merely a building . . . without a student body it is nothing."

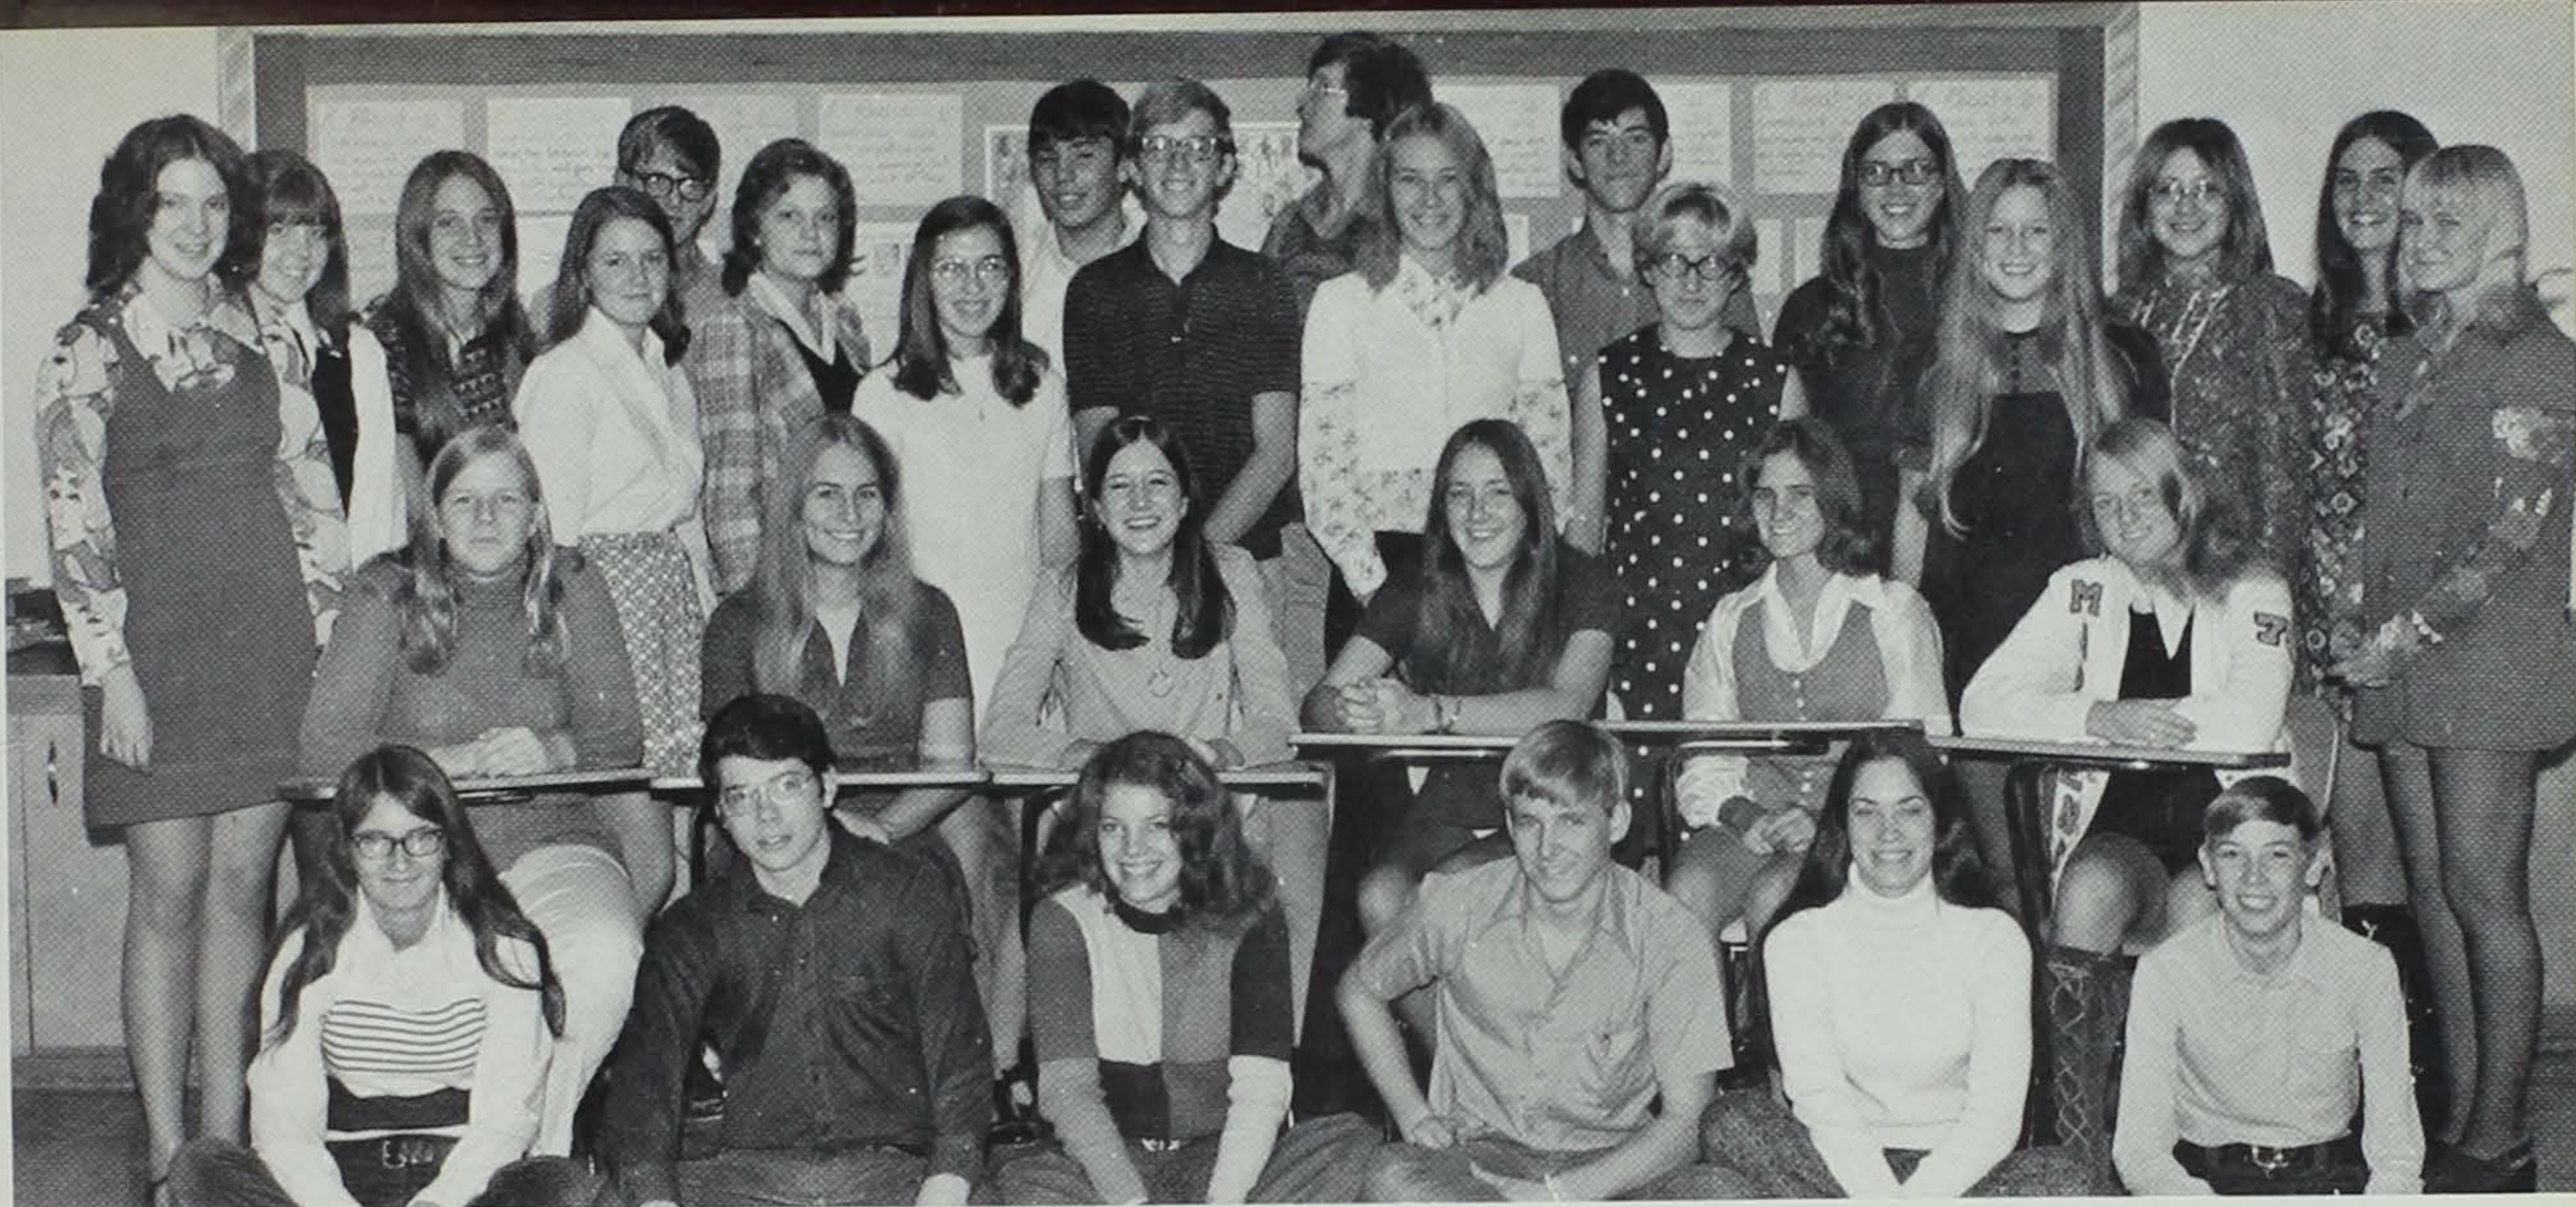

Student council is the voice of the students opinion. The student council is here to get things done. This year, as in the past, it has been the responsibility of the student council to take care of the homecoming festivities and to represent the students and their ideas.

French Club

Eating, acting, caroling, singing, teaching, playing games--these are a few of the ways in which members of LE CERCLE FRANCAIS learn about and enjoy the French culture. The first of the year found members busily preparing French Canadian CUISINE to sell at the International Food Fair in Des Moines. Also, in the fall, members attended a French movie at Drake, enjoyed a slide presentation by a high-school student who spent the summer in France, began correspondence with students in French-speaking countries, viewed a French television program, and spent an evening tasting various French cheeses. For their Christmas party, members enjoyed fondue and caroling in French.

French Club is an after-school activity open to all students who have completed Level 1 of French. Venez nombreux!

Spanish Clubs promote opportunities to become acquainted with the hispanic world and its language. When possible Spanish speakers are invited. Films and presentations enable the students to achieve a greater understanding of Spanish peoples and customs. Some of the activities during the year include: Christmas party, and taco party, learning carols and practicing dialogues.

Walking tall

Finishing touches

Graduation.

It seemed eons away just a moment ago.

Mixed emotions have filtered through my
Mind

Escape, relief, excitement.....sadness.

The social machine will swallow our beings
and try to smother our ideals and life styles

The strength you have given me to
be what I choose shall prove invincible.

From you, I have learned to question
the so-called absolute and
speak the formidable.

Through you, I have learned to accept
people for their thoughts and reject
them when I sense their wrongness.

With you, I have discovered the meaning
of life...we must attain our life goals
in such a short time.

Even though my future is yet a maze--
I feel you have somehow helped me in
my decision.

Remember these past few years--

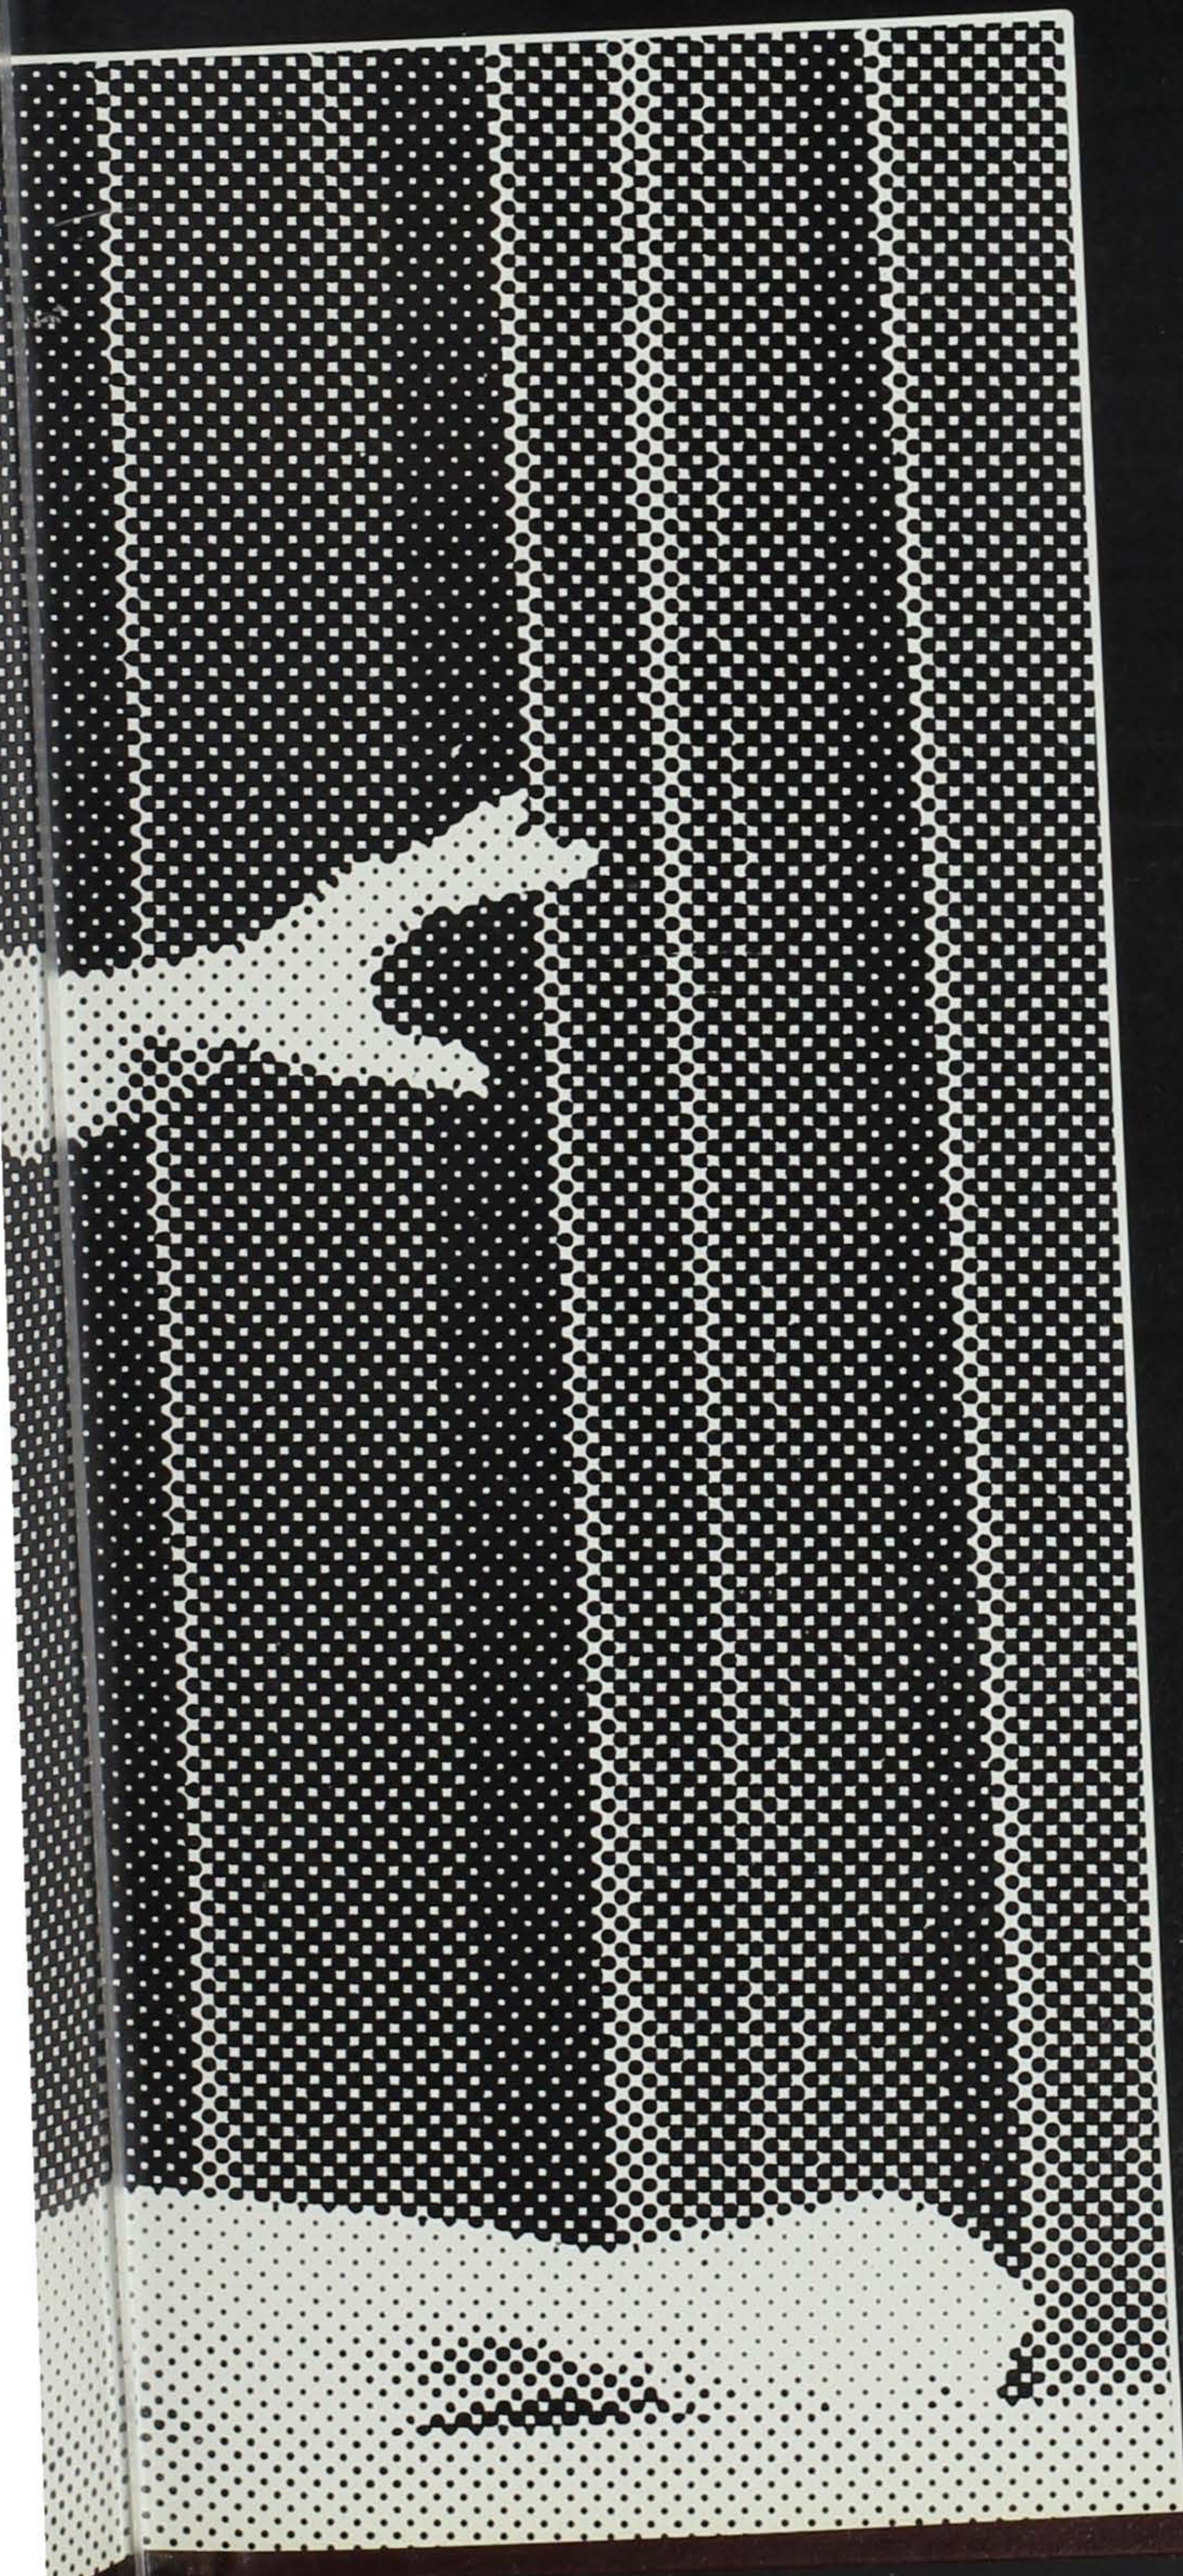

Cherish those fleeting seconds we spent
Together.

Remember me friend--for I will long

Remember you.

Gymnasts Flip

We came into our second year with a squad of 14, double the number of our first year. The new equipment and the experience of the sophomores should make us a competitive team. The team has only one senior, three juniors, and the rest are sophomores--a young team with enthusiasm and a future!

Row 1: S. Saveraid, K. Thayer. Row 2: J. Nichols, C. Reynolds, N. Moore, M. Swartfager, S. Albaugh, S. Crawford, Row 3: C. McConkey, P. Redmond, T. Boettcher, N. Parrish, A. Daniels.

Volleyball Ends Second Season

The Ankeny Girls Volleyball team begins practice in December. Competition for the girls is limited due to the tight scheduling of the gym. They compete in the annual Christmas Tournament, three or four dual meets and the District competition. There are 2 squads, an A squad, usually older girls, and a B squad, usually first year girls.

The girls play Power Volleyball, which is unlike the volleyball played in PE. Power Volleyball rules are used throughout the nation in competition for high schools and colleges.

The Junior Varsity cheerleaders found 1972-73 a much busier year than they expected, but fun.

The Varsity squad added some new faces. The football squad donned new uniforms for a cold season. The winter sports cheerleaders spent four very busy months cheering for the basketball and wrestling teams and painted some catchy and colorful signs.

Sophs are what??! . . .

One Coors coming up!

Juniors cheer their hero (Popeye).

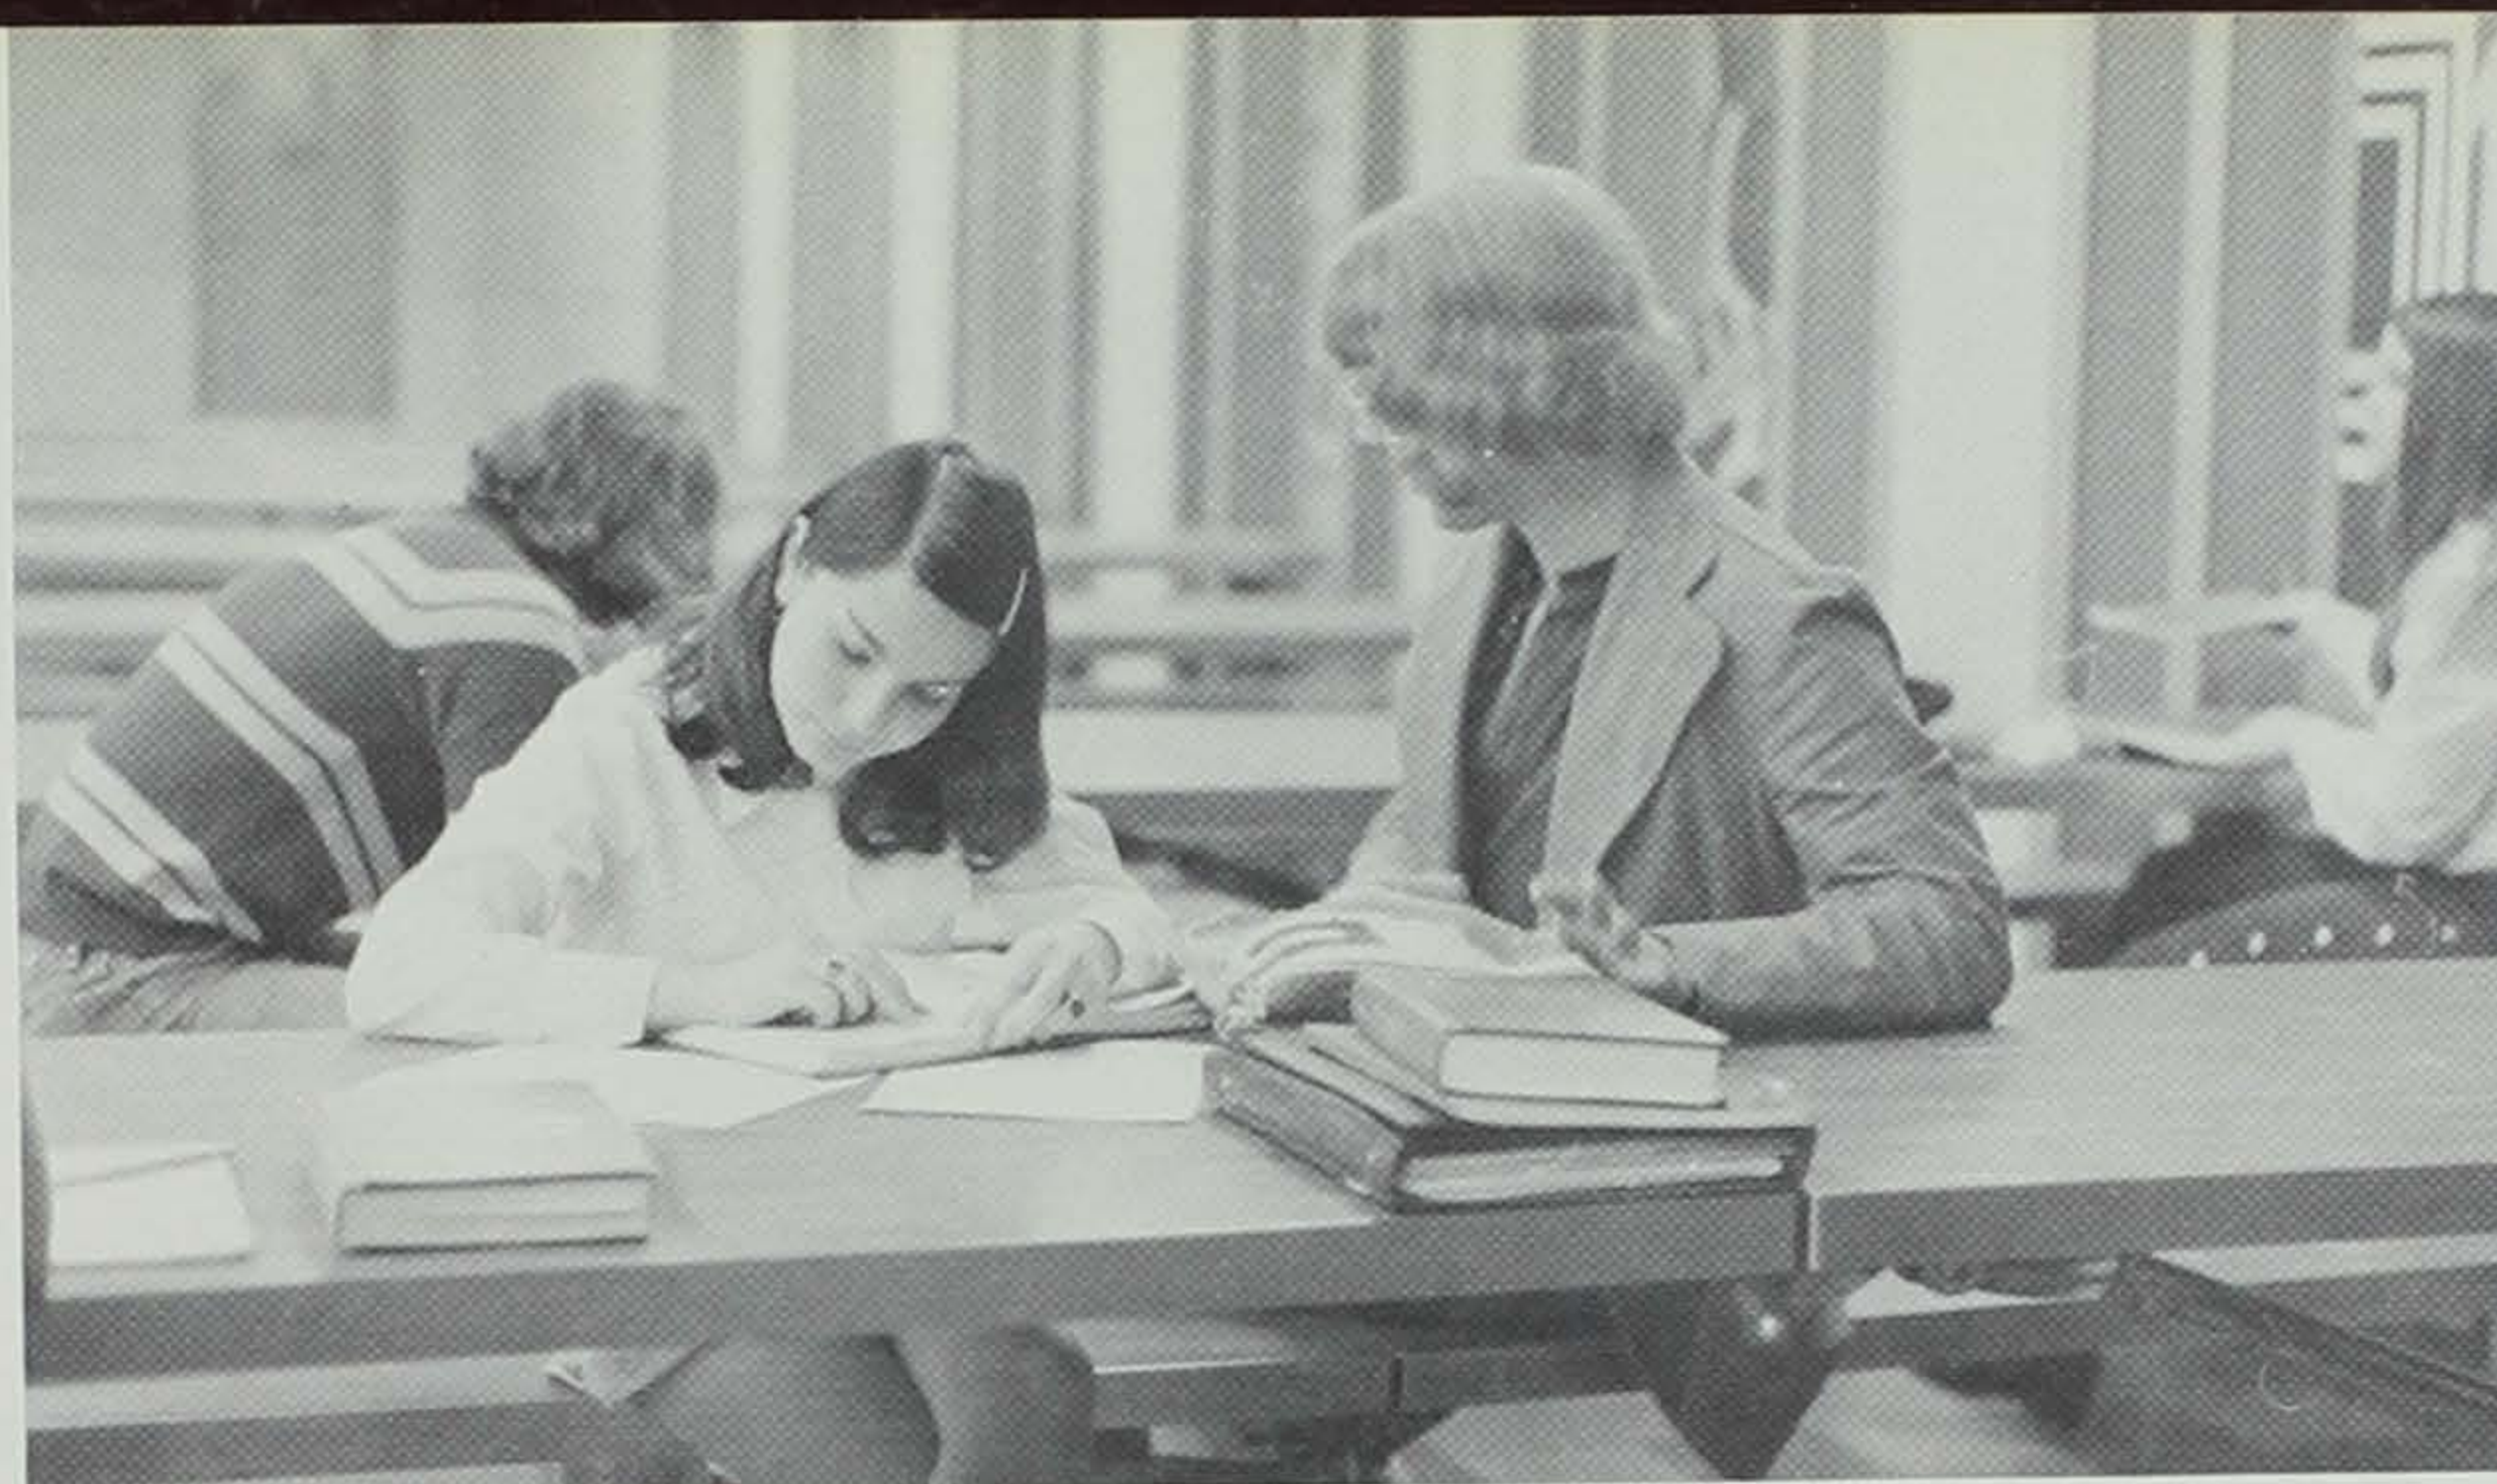

Celia E. Mendiburu of Merida, Yucatan, Mexico spent the past year with the Cowan family of Ankeny.

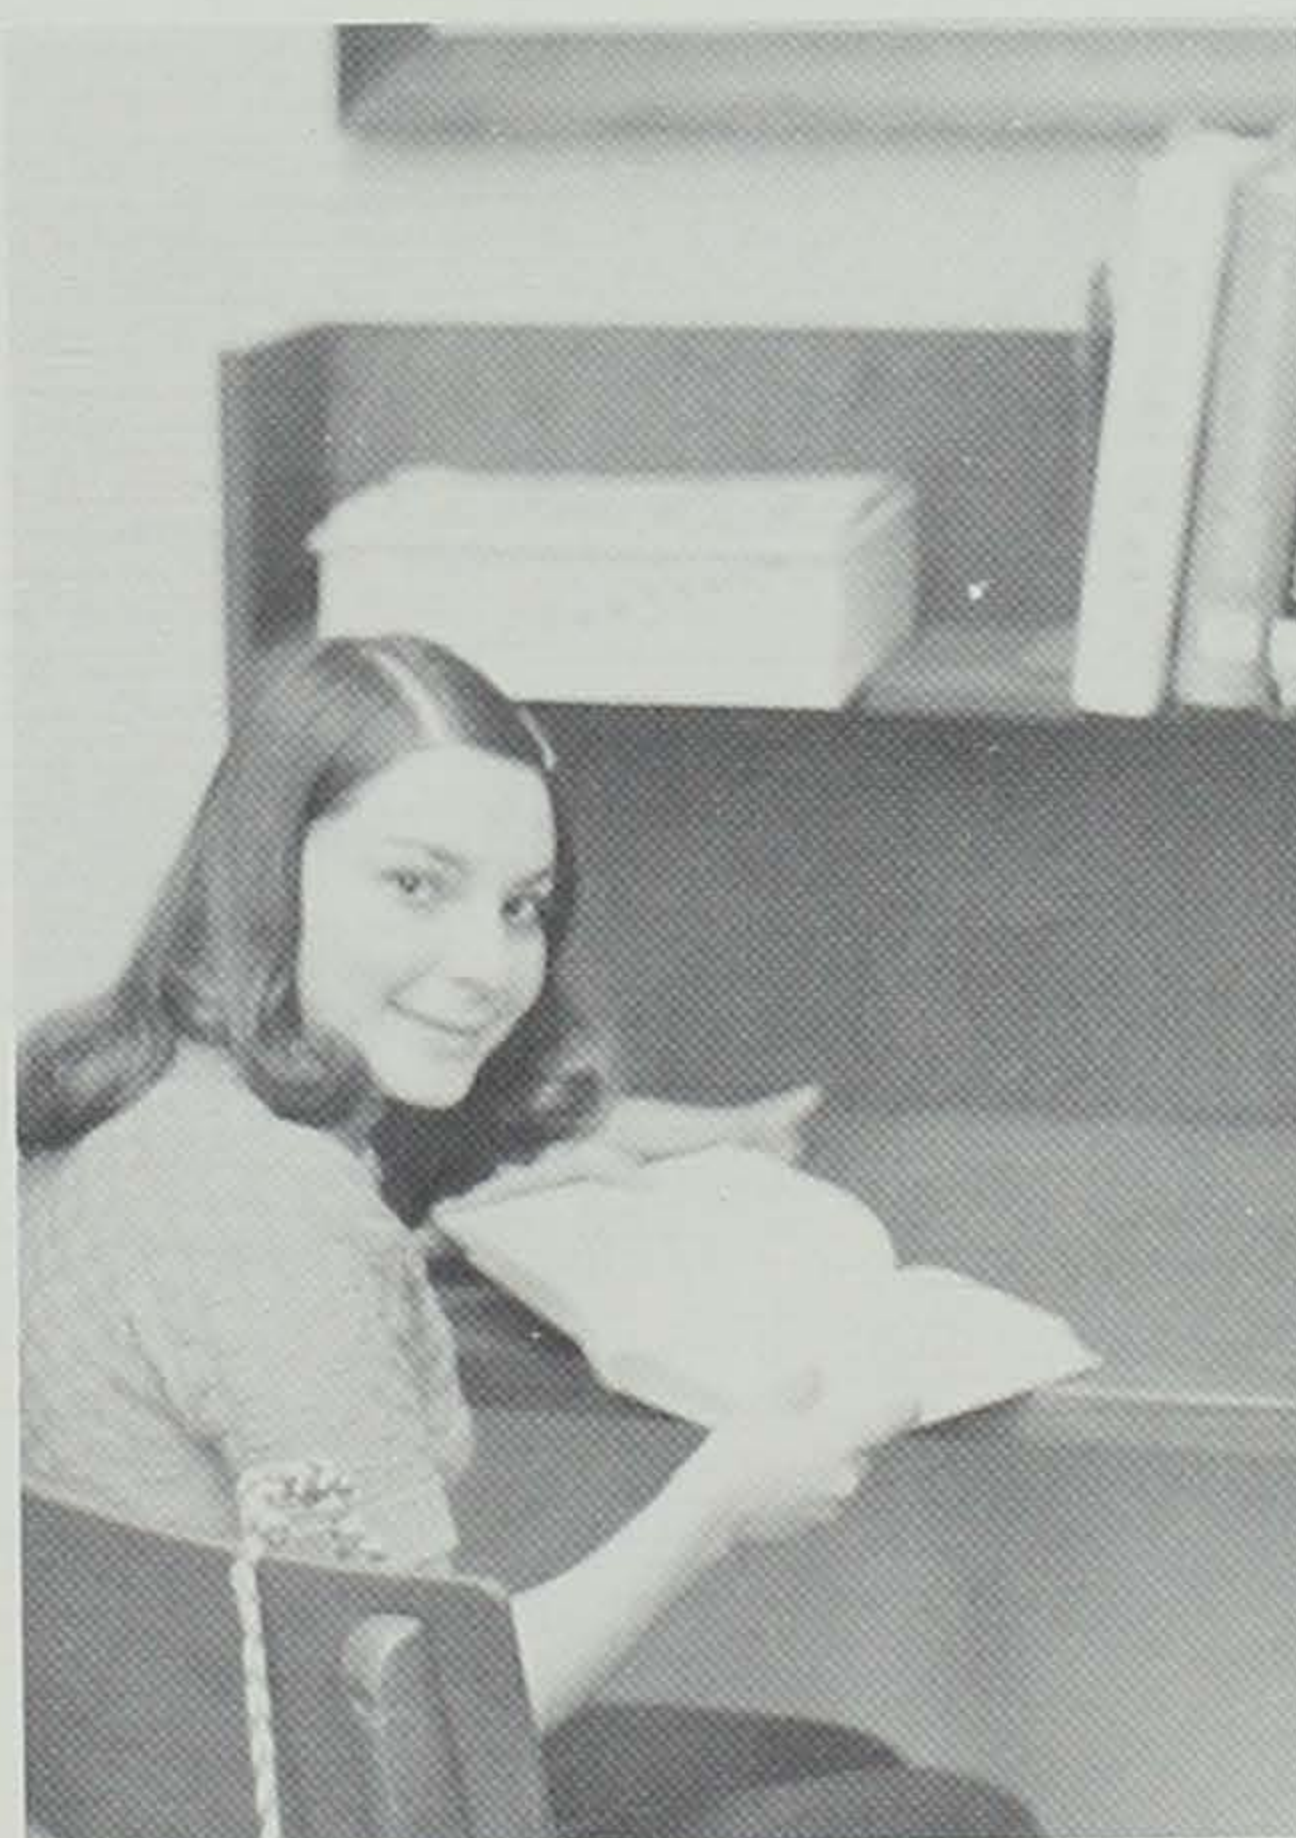

In 1969 she graduated from Roger's Hall, an English school in Mexico and in 1972 she graduated from a secretarial school. She has also obtained a degree for teaching ballet.

Her hobbies include swimming, traveling, and studying.

We hope that Celia enjoyed her stay here in Ankeny as much as we did!

The Name Synonymous with Results!

The next two years... important, aren't they?

After your high school years, the next two are mighty important—the transition years, the formative years, the maturing years.

At Grand View we know the importance of your next two years—that's why we offer personalized attention in small classes, excellent academic and residential facilities, an outstanding faculty, reasonable tuition, and plenty of extra-curricular activities. And what's more, we have a very special inter-institutional Three-Year Program that you might be interested in.

Grand View is a fully-accredited, private, two-year co-educational liberal arts college of the Lutheran Church in America, founded in 1896, and located in Des Moines, Iowa's friendly capital city with a population of 220,000.

But, that's only a beginning. May we tell you more? Just write or call:

We, the editors of The Hawk 73, would like to express our thanks to those who helped make it a success: Beth McCabe for all her hours of typing; Tim Madison and Greg Field for their contributions of quality photographs; Jerre Leinen and Mary McKenna for their management of the annual's business; and our assistant editors, Barb Coulson and Melinda Faulkner, who shared in the work and frustrations. A very special thank you to Mr. Hunter, our advisor, for his repeated advice and reassurance.

The Hawk captures the faces of ideas, moods, activities, people and personalities, which helped to make 1972-73 a memorable year. We hope that our book brings at least a few good laughs.
