THESE WILL BE GUNS OF VICTORY

steel throats will be hurled a message that the enemy cannot fail to hear and understand in its full import. At the moment this inspiring picture of military activity was made 5000 artillerymen at Camp Hancock were hauling the guns into position for review

TURNING MUSCLES INTO STEEL CORDS

far as the eye could reach a sea of brown moved with all the rhythm of a perfect piece of music that morning at Camp Hancock of our boys who will help in the big job went through the setting-up exercises that turn mere muscle into steel
