Homecoming Week

Homecoming week started off on a Tuesday this year because of Labor Day weekend. On Tuesday, the theme was to wear an article of clothing that represented a favorite sports teams. Wednesday was a day in which students and staff flashed back to the '80s. To uphold the tradition that one day of the week represents the theme of the dance, Thursday's theme was A Night in Black and White. To wrap up the week, AHS students showed of their school spirit by decking themselves out in maroon and gold.

The week was full of various activities, which included beat-a-car, Cream the Council, and the powderpuff game. One of the most exciting and memorable moments of the week was the in-school pep rally which is something we haven't had

in at least 3 years. A highlight of the assembly was the Spice Boys, which included seniors Danny Manning, Tyler Larson, Sean Presnall, Aaron Tjarks, and Ben Butler. An event that AHS students look forward to all week is the staff versus student football game. This year, the staff put up a good fight, but in the end, the students were victorious. The week ended with an exciting game against Roosevelt. During half time, the homecoming court was introduced. The nominees for the court included seniors Kerry Meighan, Chelsea Gauger, Allie Haight, Kellie Evans, Theresa Berger, Ed McCoy, Tory Forest, Carl Beck, Matt Waldschmitt, and Nour Aly. It was another successful and fun homecoming week at Ankeny High School.

Homecoming Dance

Homecoming Dance, A night in black and white

Homecoming dance...a night to get together with your friends, put on your fancy shoes, and dance with someone other than your mirror. The first dance to kick off the year came and went in no time at all, unless you're on student council, that is. Everyone knows, or at least should know, that the dances don't just happen. The gym doesn't have a fairy godmother that makes her all pretty, but at midnight she turns back into her plain old self.

Homecoming started over the summer for the forty students of student council in two voluntary meetings without teacher input. During that time the theme (A Night In Black And White) was decided. The idea was then given to Annette Shaw, a professional decorator, who came back with a list of ideas and supplies. Katie Riley and

Megan Renner said, "The decorations were flippin' sweet. I liked this year's theme-- the best since our sophomore year."

Another decision that had to be made was who the DJ was going to be. Luckily this year it was an easy decision because the DJ from last year, who everyone liked so much, was available homecoming night. And with the addition of a giant screen the dance was possibly the best dance ever. Senior Ed McCoy (Homecoming King) said, "The dance was good, but I was really sweaty."

If you went this year (like you should have), you know it was an awesome dance, so next year after you thank your parents for your new dress or the money to take your lady friend out for a night on the town, find a student council member and say thanks for a great night.

Seniors Tim Pearson and Ilene Hobin dance the night away.

CRYSTAL BALL 2006: SATURDAY NIGHT FEVER.

Members of the National Honor Society were responsible for making "Saturday Night Fever" come to life. From accomplishing their goal of getting the same DJ from Prom last year to the decorations, refreshments, and neon accessories--this year's dance was a great success.

NHS got the idea for the same DJ when they attended the 2006 Prom and enjoyed the variety of music played. This DJ proved to be successful once again as the dance

floor was packed when the dance concluded.

There was also the traditional King & Queen. This year, the senior class was represented by Carl Beck and Kerry Meighan, Ben Alison and Laura Baumhover for the juniors, and Kelsi Sawatzky, Sarah Bechtal, and Ross Naylor for the sophomores.

As you can see, the Crystal Ball dance this year was a great experience. Thanks to Mr. Garner and the NHS for a great night.

We're going to party 'till the sun comes up!

This year's After Prom was a huge success. The After Prom committee spent countless hours making the night perfect for us. There were so many activities to do that students almost needed the whole five hours to experience all of them. Students were able to get tattoos and massages, have

caricatures drawn, gamble in the casino, and play a few holes at the mini golf course. The students were also able to just let loose, have fun, and compete on the various blow up activities. We were all entertained once again by watching our fellow students get hypnotized. There was something for everyone at this year's After Prom.

AHS Students travel the world!!!

This year, Ankeny High School students visited Europe and parts of Asia. Some students took a tour of Europe with a larger choir, while the French students went to France either in the summer of 2006 or during their spring break. One yearbook student, Cassi Hentzel, went to South Africa in January.

On the France trip, the students had a very busy itinerary. They were in Paris for several days before they traveled to Geneva, Switzerland. Along the way, there were many laughs, stories, and good times with friends. Many of the days were filled with the usual sights and sounds of such a wonderful place: the

Eiffel tower, the Louve, the Musee d'Orsay, along with spending some time in great restaurants and relaxing on the beach in Nice.

Mrs. Joan Pace was one of the staff members who took students over the summer. She reflected, "I have taken many French students to France since I have been at AHS. This group of students made this trip the best ever. The 50 students were courteous, respectful, and a lot of fun to be with. I will always have fond memories of the trip and the student who made it so unforgettable." Hopefully more AHS students will get to experience the world in the months to come.

Spring Break 2007

When you think of Spring Break, do you think of relaxing on the beach, watching the sunset, or just a time away from everything? Well, students from Ankeny High School can only think of three words to describe their spring break trips, and those three words are "IT'S PARTY TIME".

When Ankeny students plan for their spring break trips they usually go for the warmest places. One of the many popular destinations for AHS spring breakers is Cancun, Mexico. The reason Cancun is one of the most popular destinations for

spring breakers is because of its beautiful beaches, warm weather, and awesome sites.

The cost for a seven day trip to Cancun for one person is close to \$1,500, so it's not like everyone traveled to warmer waters.

While some students traveled as groups, others went with parents or family friends on their break, making it more than just time away from home. Another group of AHS students went to France, which is covered in our Foreign Trips pages.

Whether you stayed at home or traveled afar, here's to a great week of relaxing.

Taking Care of Business

Some students just can't wait to get out of high school. In fact, many of them run out the door at 3:05 to head home and relax or to make sure they make their practices on time. But there is a growing number of students who make sure that their car is packed with their work clothes, because they go directly from school to their part-time job.

The reasons for working are as numerous as the students working. Many simply have a little time at night and on the weekends, so a few hours here and there aren't a big deal. In fact, the little extra spending cash is nice.

Other students work when they

can. If there is a club or sport taking up too much time, many students simply "quit" for a couple of months, but then they are ready to go once summer roles around.

There are even some seniors thinking about the future when they are working. Some seniors that graduate at semester do so for the sole purpose of working and saving up money for college and expenses. Others try and squeeze all activities, friends, and work throughout the entire year, worried about missing something.

As Ankeny continues to grow, more and more part-time jobs are going to be filled by AHS students.

Hawk Spirit

WELL DESERVED Coach Pezzetti receives a gift from Coach Brechja after reaching 300 wins.

It's Great to Be a Hawk!!!!

Fans of Ankeny High School have a number of opportunities to express themselves. One of the best ways to get out any pent-up energy is to dress up for Homecoming week. Dress codes are thrown out the window; the only thing that matters is having fun and showing school spirit.

Other members of the student body make sure that their energy is shown at as many sporting events as possible. There are the face painters, the front-row fans, the body painters, and the loud hecklers. Throughout this Hawk sporting season, the yearbook staff noticed

that a large number of students took cheering for their favorite team (or player) to a new level. The surrounding photographs show that the great successes of this year's teams were witnessed and appreciated by students, staff, and the community alike.

The Hawk sports teams made sure there was much to cheer about. Playoffs and state tournaments, road trips and state championships, were all a part of this year's highlights. Thanks to the fans, staff, and community for making it great to be a Hawk!!!!

TUG-OF-WAR Senior girls get ready to face the junior girls in a tug-of-war battle. Senior Annie Hagemann is very excited about their second win!

May 1st was a Successful Advisement BBQ!

Every year the students look forward to the two hour advisement BBQ. This year was no different. At 10:50 A.M. students were racing for advisement. Many spent the first hour perfecting their piece of the side walk. While others started eating or playing soccer on the football field. Even the teachers were in the festive spirit. Doc Savage had his cowboy hat; Mr. Allen got to show off his trash skills, Mr. Asmussen dove for a potato sack race victory.

Once again, the weather cooperated and everyone was allowed to lounge around the football field and

take part in the variety of activities that were available. As usual, the most entertaining events were the Tug-O-War and the rock climbing wall. However, one of the best parts of the day is that each advisement does their own thing. Some groups eat lunch and hang out the entire time. Others simply eat together and then go off to hang out with their friends.

Letting students out of the school for two hours really helped them relax before the chaos of graduation and semester exams. Hopefully next year's BBQ will be just as fun!

Playing the Games We Love

Out of all the things that Ankeny High School has to offer, the most popular are the things that students can do without the structure and expectations of sanctioned high school athletics. With a student body as large and diverse as AHS, the activities that students will do with their time are as equally varied.

Some students at AHS decide to train and be athletic on their own time, participating in bodybuilding or triathlon competitions. Many of these students commented that they enjoy the individual challenge rather than participating in a group activity.

Other students mimic the

moves that are seen on the X-Games on ESPN and practice to be the next great skater or skate boarder. The Ankeny Skate Park allows them to hone their skills and dream big.

Other students take part in the AHS Intramurals throughout the year. A variety of activities are available throughout the year, including ping pong, 3 vs. 3 basketball, badminton, and dodgeball, a favorite among participants and fans alike.

Whatever the sport, activity, or hobby, it is clear that AHS students are active in areas outside the school walls.

ANDERSON'S ARMY WON THE INTRAMURAL DODGEBALL CHAMPIONSHIP THIS YEAR.

Softball

"Teamwork: Less Me, More We"

The 2006 season was a rebuilding year for the Hawkettes. The Hawkettes based their season on a strong foundation of talent. The Hawkettes will return starters in seven different positions next year. The team played solid defense throughout the season, losing nine games by one run and another four games by just two runs.

The Hawkettes pitching staff gained experience, and it will help them to be more effective

in the 2007 season. A great deal of emphasis will be placed on hitting to compliment the defensive core which is already established.

The Hawkettes had six players receive Honorable Mention: **Annie Bevill, Hilary Fort, Kaley Brown, Ashley Clark, Whitney Teed, and Jessica Humpfer.** Even though the season did not go the way the Hawkettes wanted, the lessons learned will easily be applied to the 2007 season.

Baseball

"Swinging for the Fences"

This year's 2006 baseball team had a successful year once again. They finished with a 26-13 record, including a 13-7 record in conference play, good enough for a third place finish. The Hawks tried to take another season of more than 20 wins and return to the state championship game, but they were tripped up by Des Moines Lincoln during the sub-state final game.

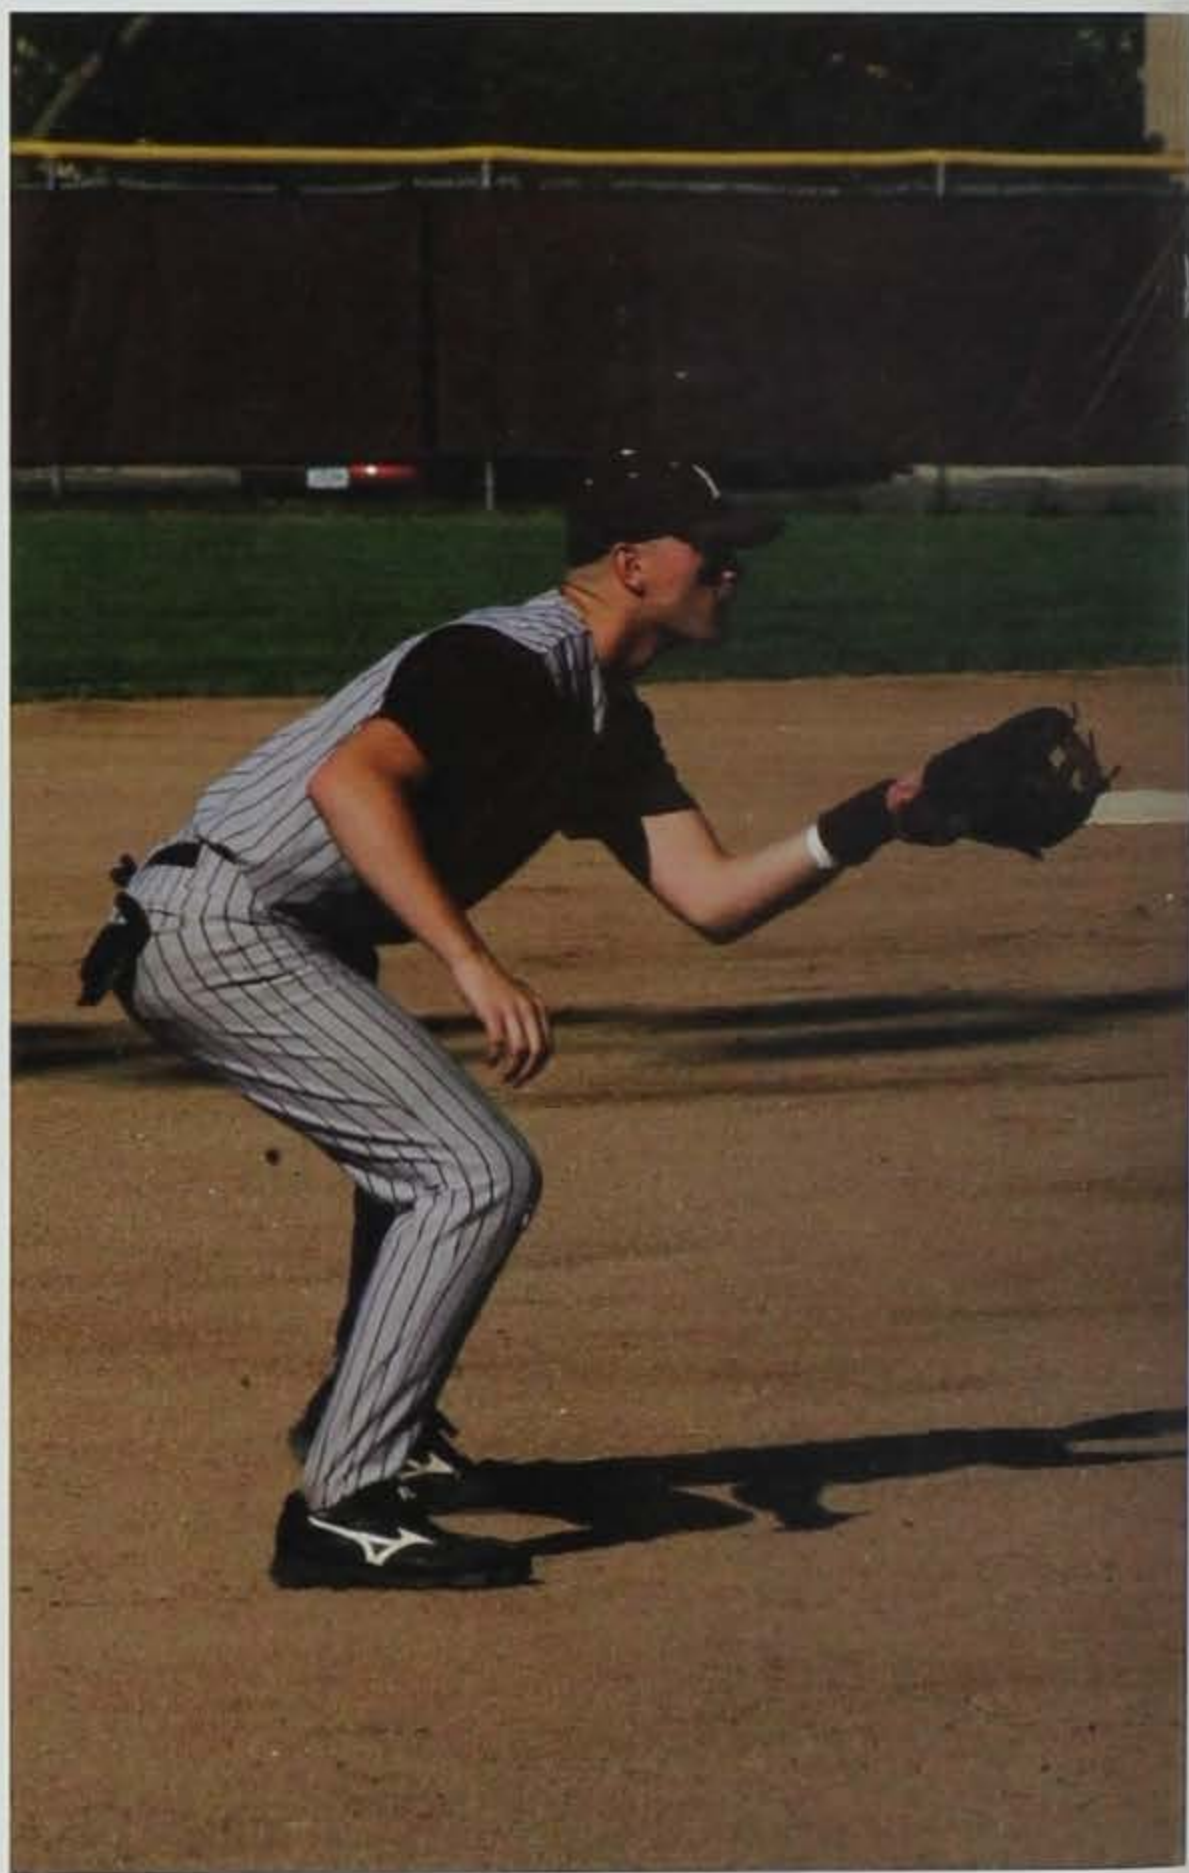

Although the season did not end as planned, the team had a very successful year, and a num-

ber of graduating seniors planned to play baseball in college. **Aaron Jarosh, Tim Easter, and Jeff Reynolds** were selected first team all-state. Jarosh, Easter, Reynolds, and Chappellear were also selected as first team All-District and All-conference. **Jared Chappellear** was chosen second team all-state, as well as playing in the IHSBCA All-Stars Series.

Although a number of seniors have graduated, the Hawks look to return to state in the summer of 2007.

"The Dirty Dozen"

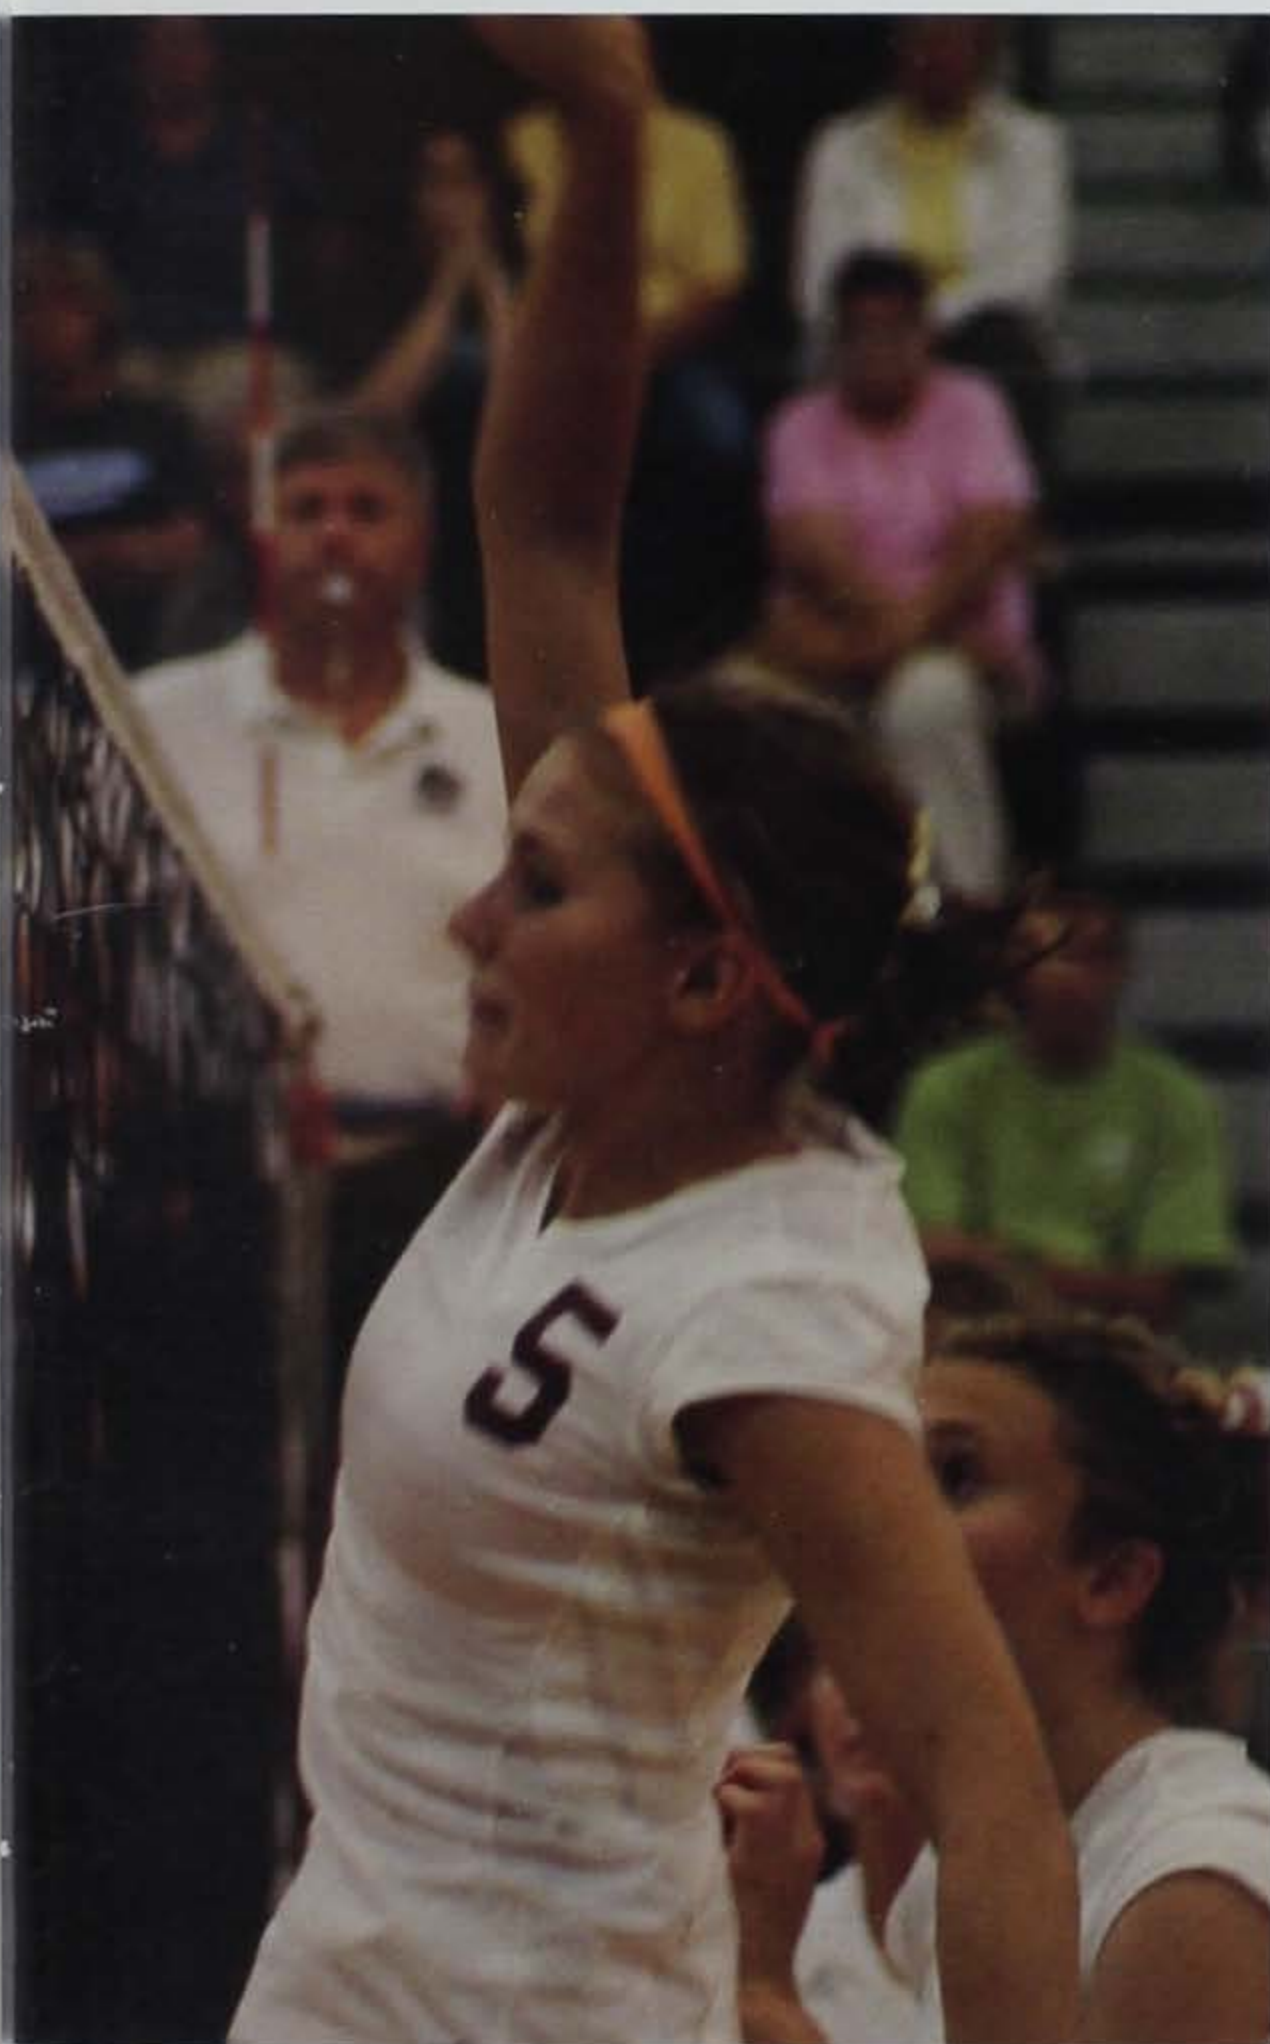

The Hawkettes' season was not what many expected. Skeptics claimed the 2006 season to be a rebuilding year, but the Hawkettes proved the doubters wrong and qualified for the state tournament once again. They also took second in the CIML Central Conference finishing the season with 65 wins and 23 losses.

The team won their first game 3-0 and cruised to the Valley Invite championship.

They also finished as semi-finalists at Osage, Boone, Bettendorf, and Sioux City Heelan.

The road to state lead the Hawkettes through Urbandale and Lewis Central. The season ended sooner than anticipated with a loss to Oskaloosa in the first round of the tournament.

Even though the Hawkettes graduate five seniors, they look forward to continuing their success and hope to bring back another state championship next season.

"A Winning Tradition... The Legacy Continues"

The 2006 Hawk football team had a successful season. The Hawks ended their regular season with a 7-2 record. The Hawks started off the season strong in the first game beating Fort Dodge 48-14. The Hawks were on a roll winning against Roosevelt, Marshalltown, Sioux City North, and Dowling. The Hawks earned Coach Pezzetti his 300th win at Marshalltown, an unbelievable accomplishment for a great coach.

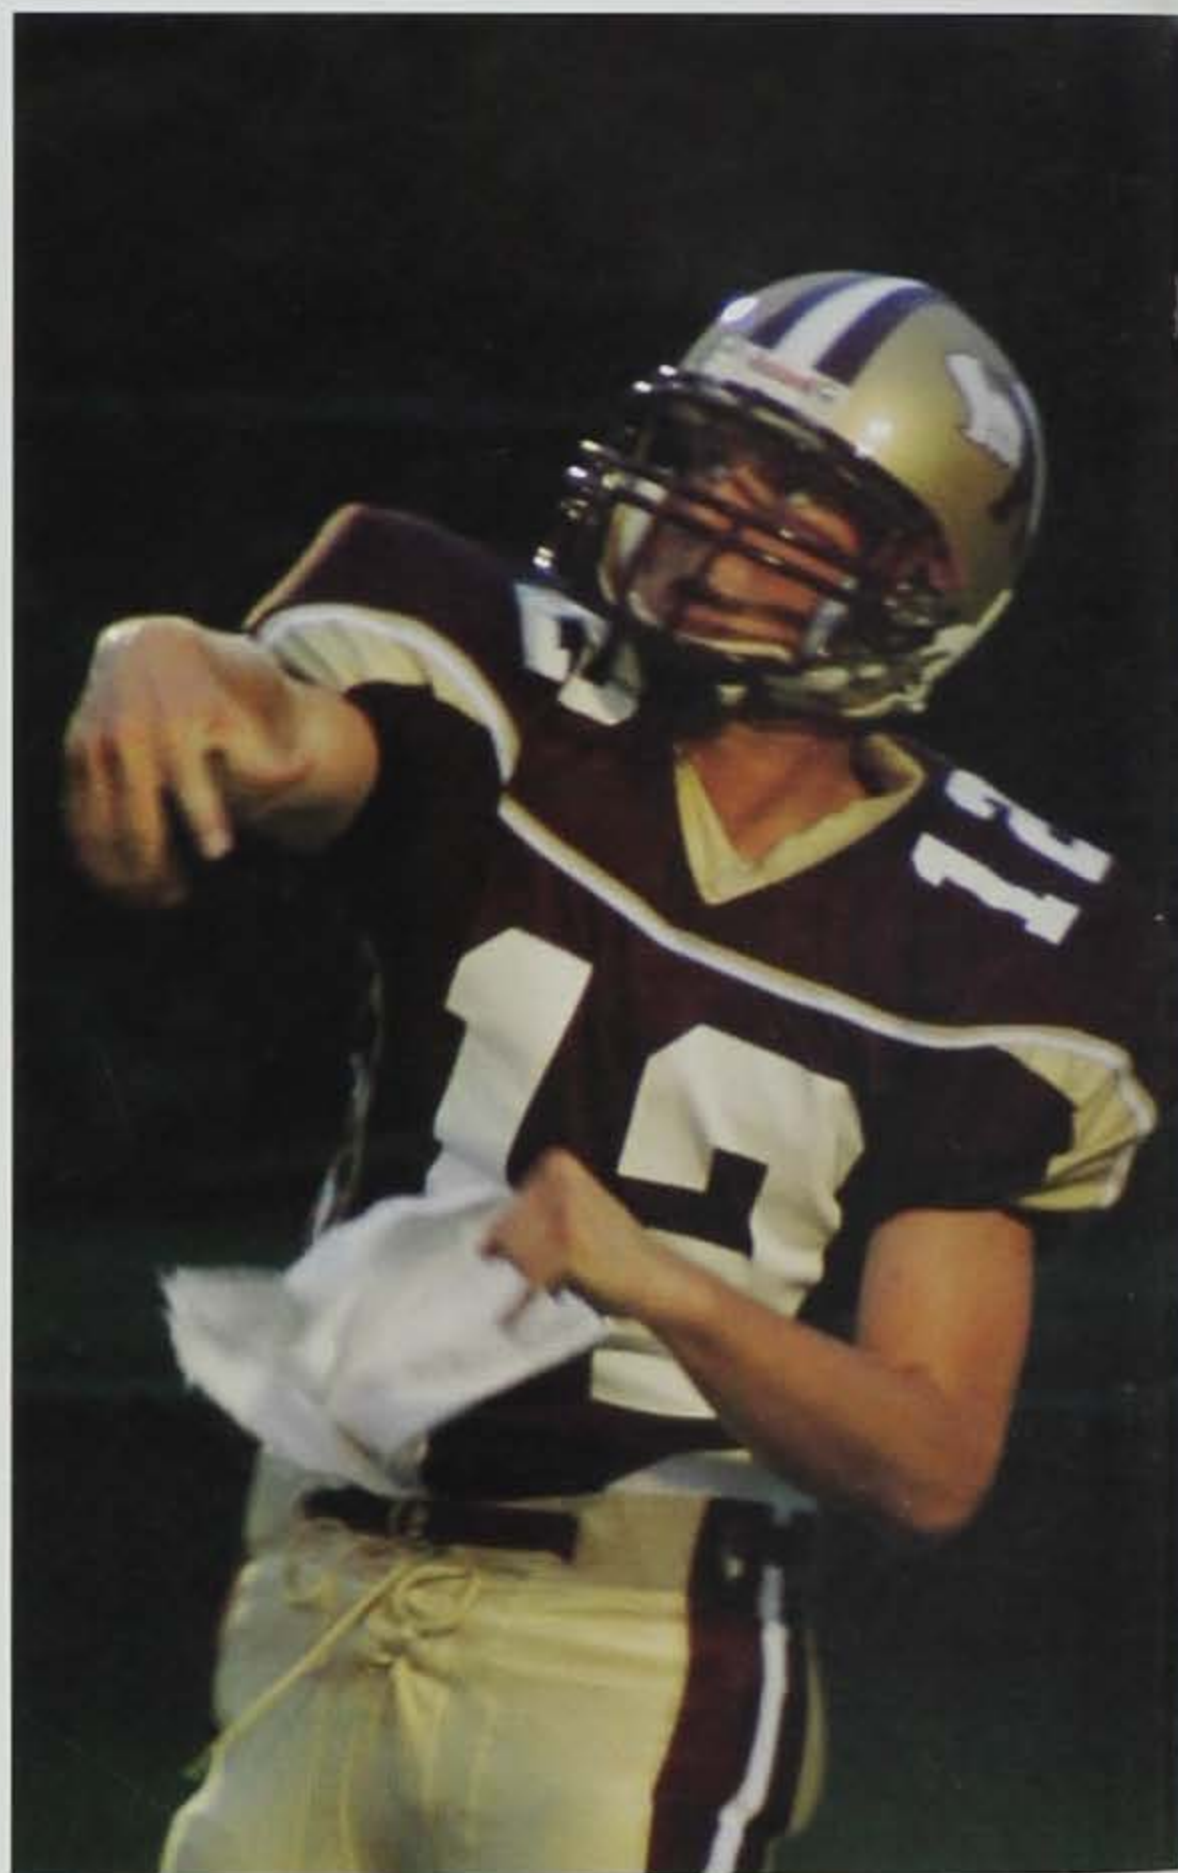

After two tough losses to S.E.

Polk and Johnston the Hawks regrouped for Senior Night beating Urbandale, then beating Indianola to secure their 6th straight Playoff appearance. The Hawks upset the heavily favored Newton Cardinals in a 38-21 victory. This win gave the Hawks a second chance against S.E. Polk.

The Hawks ended their season in the second round of the Playoffs in an overtime loss to the Rams. They finished their season with a successful 8-3 record.

"Rounding Up The Competition"

The varsity team also accomplished a lot. Facing a very competitive conference, the Hawkettes raced respectively against some of the best teams in

the state all year. They placed in the top 5 in six out of nine meets, and they qualified for state after becoming district runner ups.

The 14th ranked hawkettes finished the state meet with a 14th place victory. State runners included freshman Emily Roberts (16:05), senior Kelly Vogel (16:31), junior Hayley Vance (16:33), sophomore Kelly Peddy (16:33), senior Tara Larson (16:43), junior Hannah Singletary (16:58), and freshman Kaitlin Schultice (17:39).

"Swimming With the Stars"

The Hawkette Swim team continued the success they had in past swimming seasons. The girls had an 11-1 record before heading into the post season. After dominating both the Conference and Regional meets, the Hawkettes returned to state. At the state swim meet, the Hawkettes opened with winning the medley relay in a time of 1:50.04. This time broke the school record by three-hundredths of a second and earned the group All-American consideration. Participants in the medley relay were

Ashley Johnson, Jaryn Studer, Amanda Johnson, and Emily Kramer. Ankeny's Jaryn Studer also won two of her individual events. The Hawkettes placed third at state for the second year in a row.

Ankeny head coach Mark Nordby and assistant coach Michelle Stout were named Coaching Staff of the Year, just as they were in 2004. Overall, the Hawkettes had a successful year and look forward to continued success next season.

Girls Golf

"Bound for State"

This year, the girls golf team was looking to build upon the success they experienced last season. It would be tough since they lost last year's state champion to graduation. However, the team was ready for the challenge.

This season started off tougher than expected, and the golfers lost their first two head-to-head matches. However, with strong placings at the Urbandale and Valley invitationals, the girls were laying the groundwork for a strong finish.

In the month of May, the team finished first against Dowling and Johnston while claiming first place at the SE Polk and Newton Invitationals. The girls took this momentum to the end of the season, winning the CIML and placing 2nd at Regionals, qualifying them for the state meet.

At state, the team shot a 663, good enough for a second place finish. Junior **Amanda Davidson** placed 8th, leading the Hawkettes to another great season.

"A Putt Above the Rest"

The Hawk Golf team completed another exciting season ending with a 4th place finish at the state golf meet held at Crow Valley Golf Course in Bettendorf. While the Hawks got off to a rough start with a 6th place finish at the CIML, they rebounded and beat both SE Polk and Johnston in dual meets early in the season. The Hawks then went on several 4th and 5th place finishes and suffered several defeats in dual meets to Ottumwa and Dowling. The Hawks finally

came together as a team to win their District tournament at Ottumwa, qualifying them for the state meet. The team was lead by seniors **Dustin Wells**, who placed 1st at the Newton Invite, **Scott Montgomery**, **Matt Williams**, and **Brad Lorenz**. Rounding out the line up for the Hawks included junior **Jordan Voss** and sophomore **Nolan Henkle**. Congratulations on another great season.

Girls Basketball

"Take it to the Bank"

The Hawkettes had a very good season again this year. They finished the season with a 12-11 record including victories over Mason City, North, Fort Dodge, S.E. Polk, Indianola, Urbandale, Johnston, and Ottumwa.

After a tough rebuilding year last season, the Hawkettes started out this season with a fresh attitude, new plays, and a few new players. The team snapped a five game losing streak against Dowling Catholic with an impressive

win over the Maroons at home. The Hawkettes added more excitement to the season with an amazing win over Urbandale, where the girls out scored the J-Hawks 25-0 in the final quarter.

While the Hawkettes were knocked out of post season play with an early loss to Marshalltown, the girls finished with a great season under their belts.

The Hawkettes return the core of their players next season and look forward to continuing their winning tradition.

Boys Basketball

"Burying The Competition"

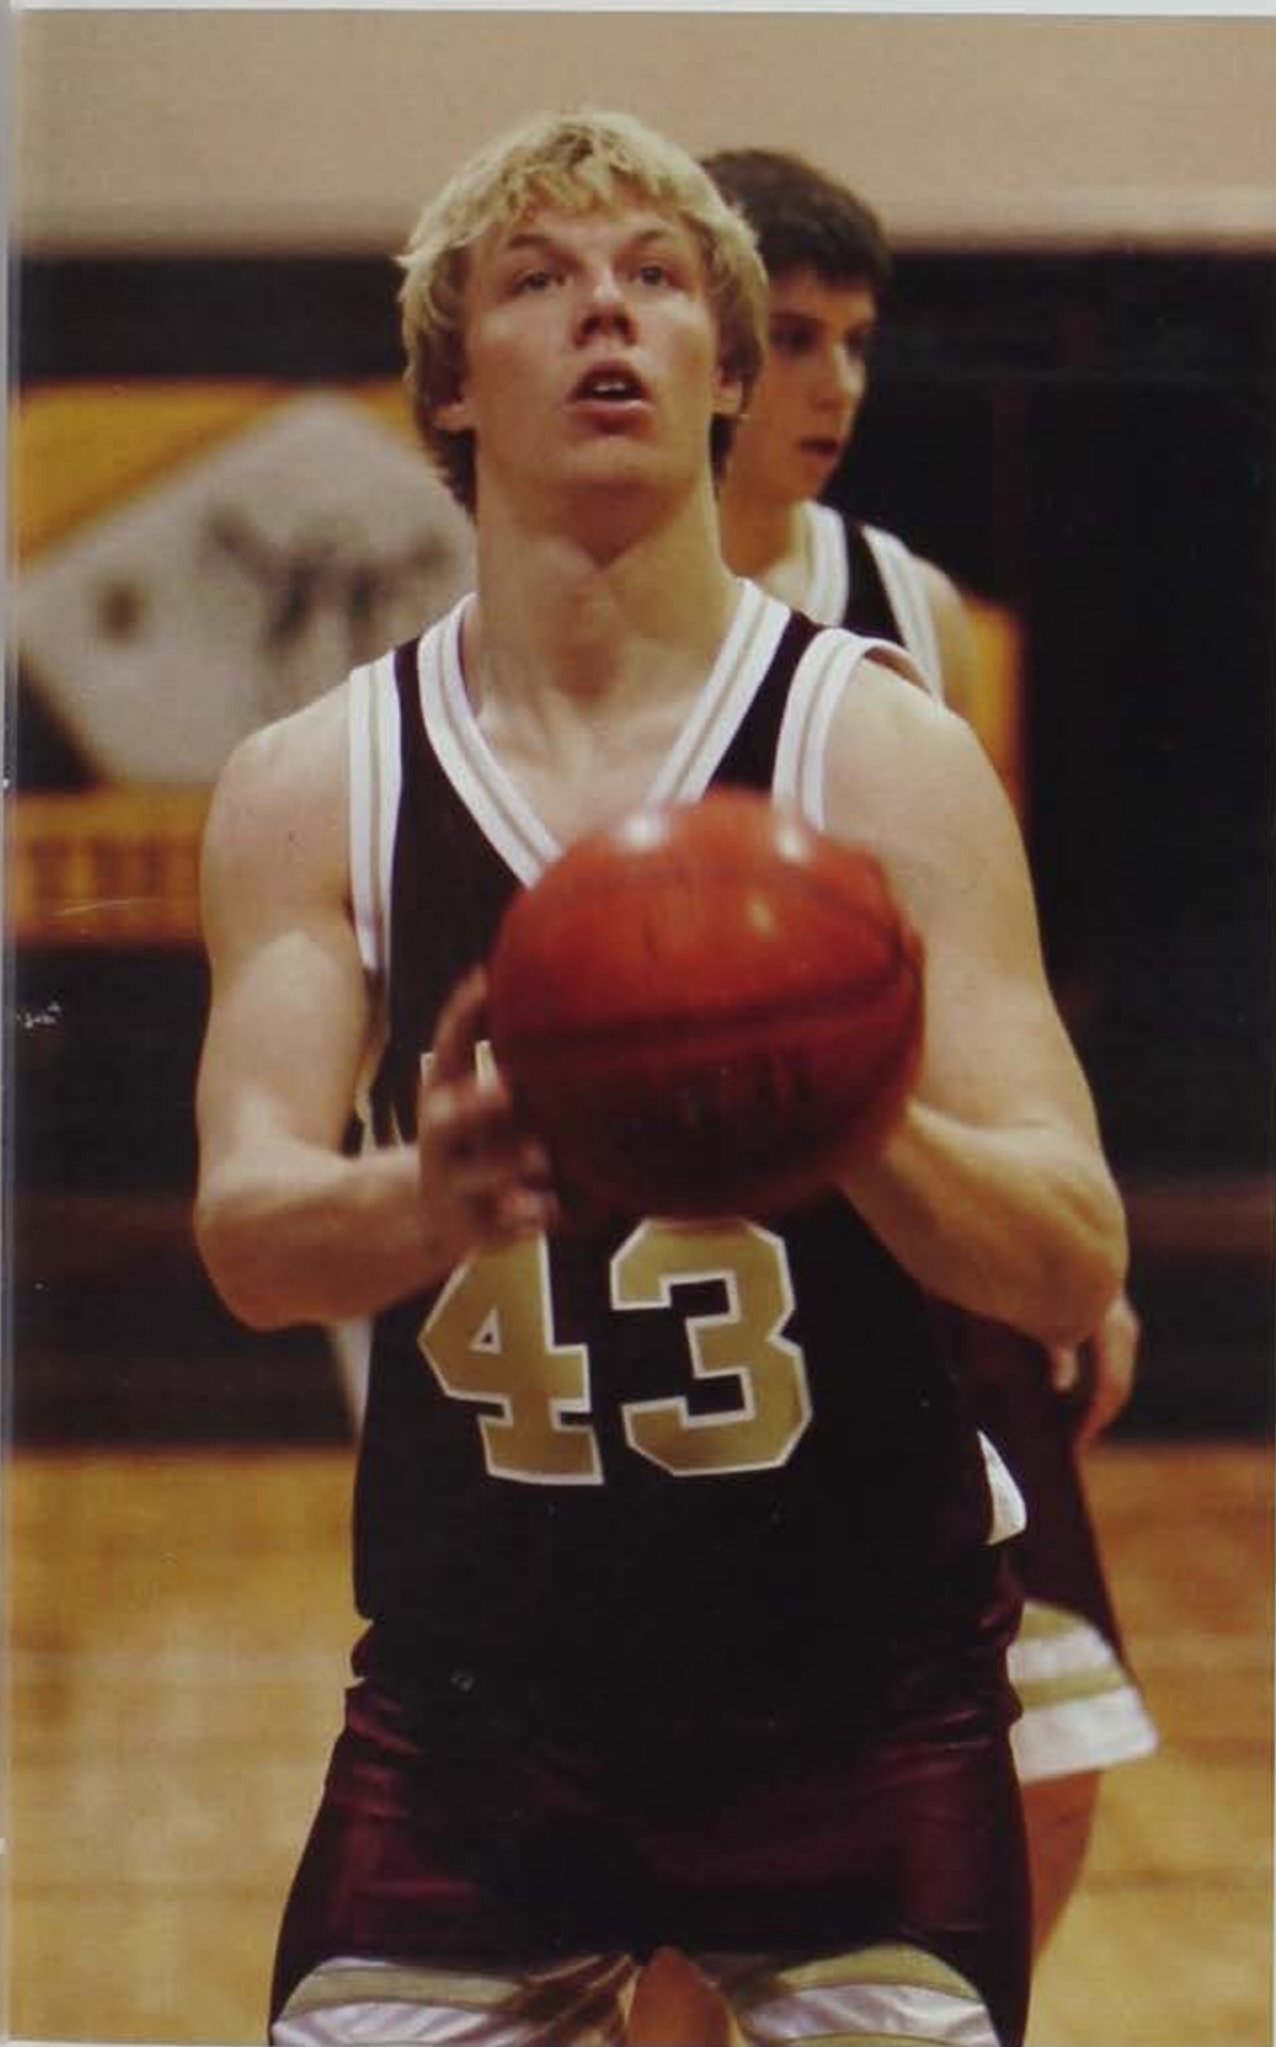

The Boys Basketball team had a good season. They started the season hot with two wins in a row. They finished as strong as they had started and ended the season with a 16-7 record.

The Hawks were led by senior **Kevin Smith** but had a strong supporting cast in senior **Jake Richardson** and juniors **Zach Barragan**, **Morris Smeader**, and **Tyler Egli**. The Hawks were fond of shooting from behind the 3-point line all season; the team shot 274 three-point shots this season.

The Hawks got on a roll at the right time, making it to Sub State. They defeated Boone by a score of 74-46 and Johnston by a score of 59-53 allowing them to play in Wells Fargo Arena.

When the time came for the State Tournament, the Hawks were defeated 35-52 loss against the Urbandale J-Hawks.

The Hawks should be very proud of their season and look forward to going back to state again next season.

Winter Cheerleading

"Lets Go Hawks!"

The winter cheerleading program was composed of three varsity squads and three sophomore squads. The varsity squads consisted of girls basketball, boys basketball, and wrestling. The three sophomore squads were divided up as maroon, gold, and white. Sophomores cheered for both basketball and wrestling.

Throughout the year basketball cheerleaders were required to practice at least twice a week and cheered at games on Tuesdays, Fridays, and some Saturdays.

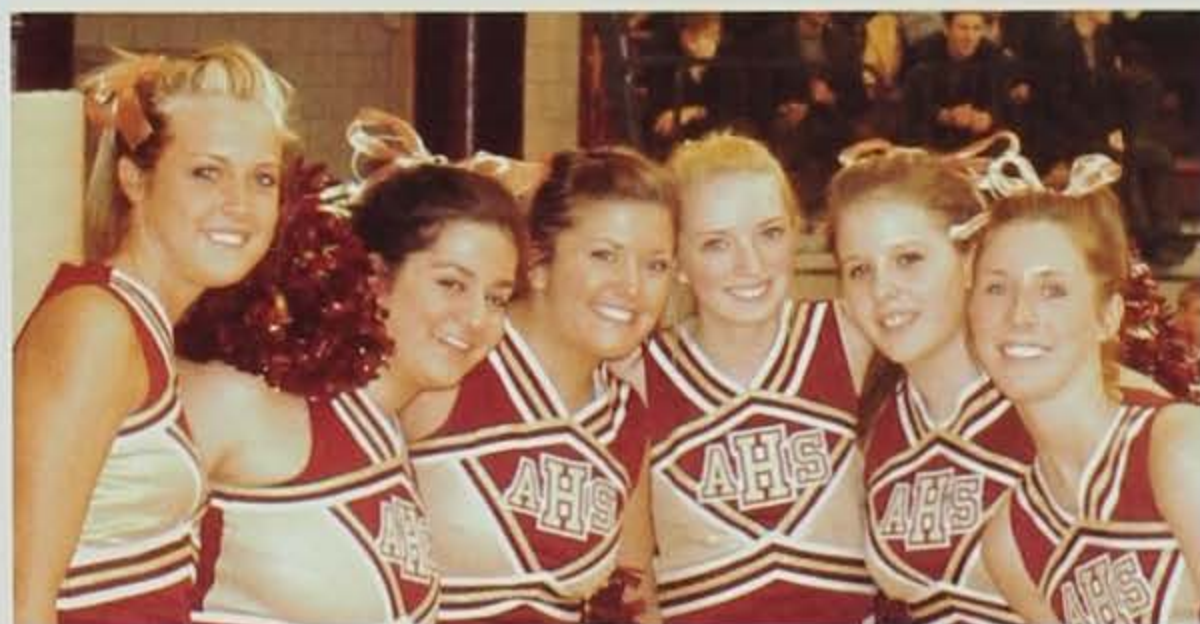

Wrestling cheerleaders practiced on Wednesdays and cheered at meets on Thursdays and tournaments on

Saturdays.

Sophomores put in a lot of practice time when they were not cheering for basketball on Tuesdays or Fridays, or supporting the wrestling team during Saturday tournaments.

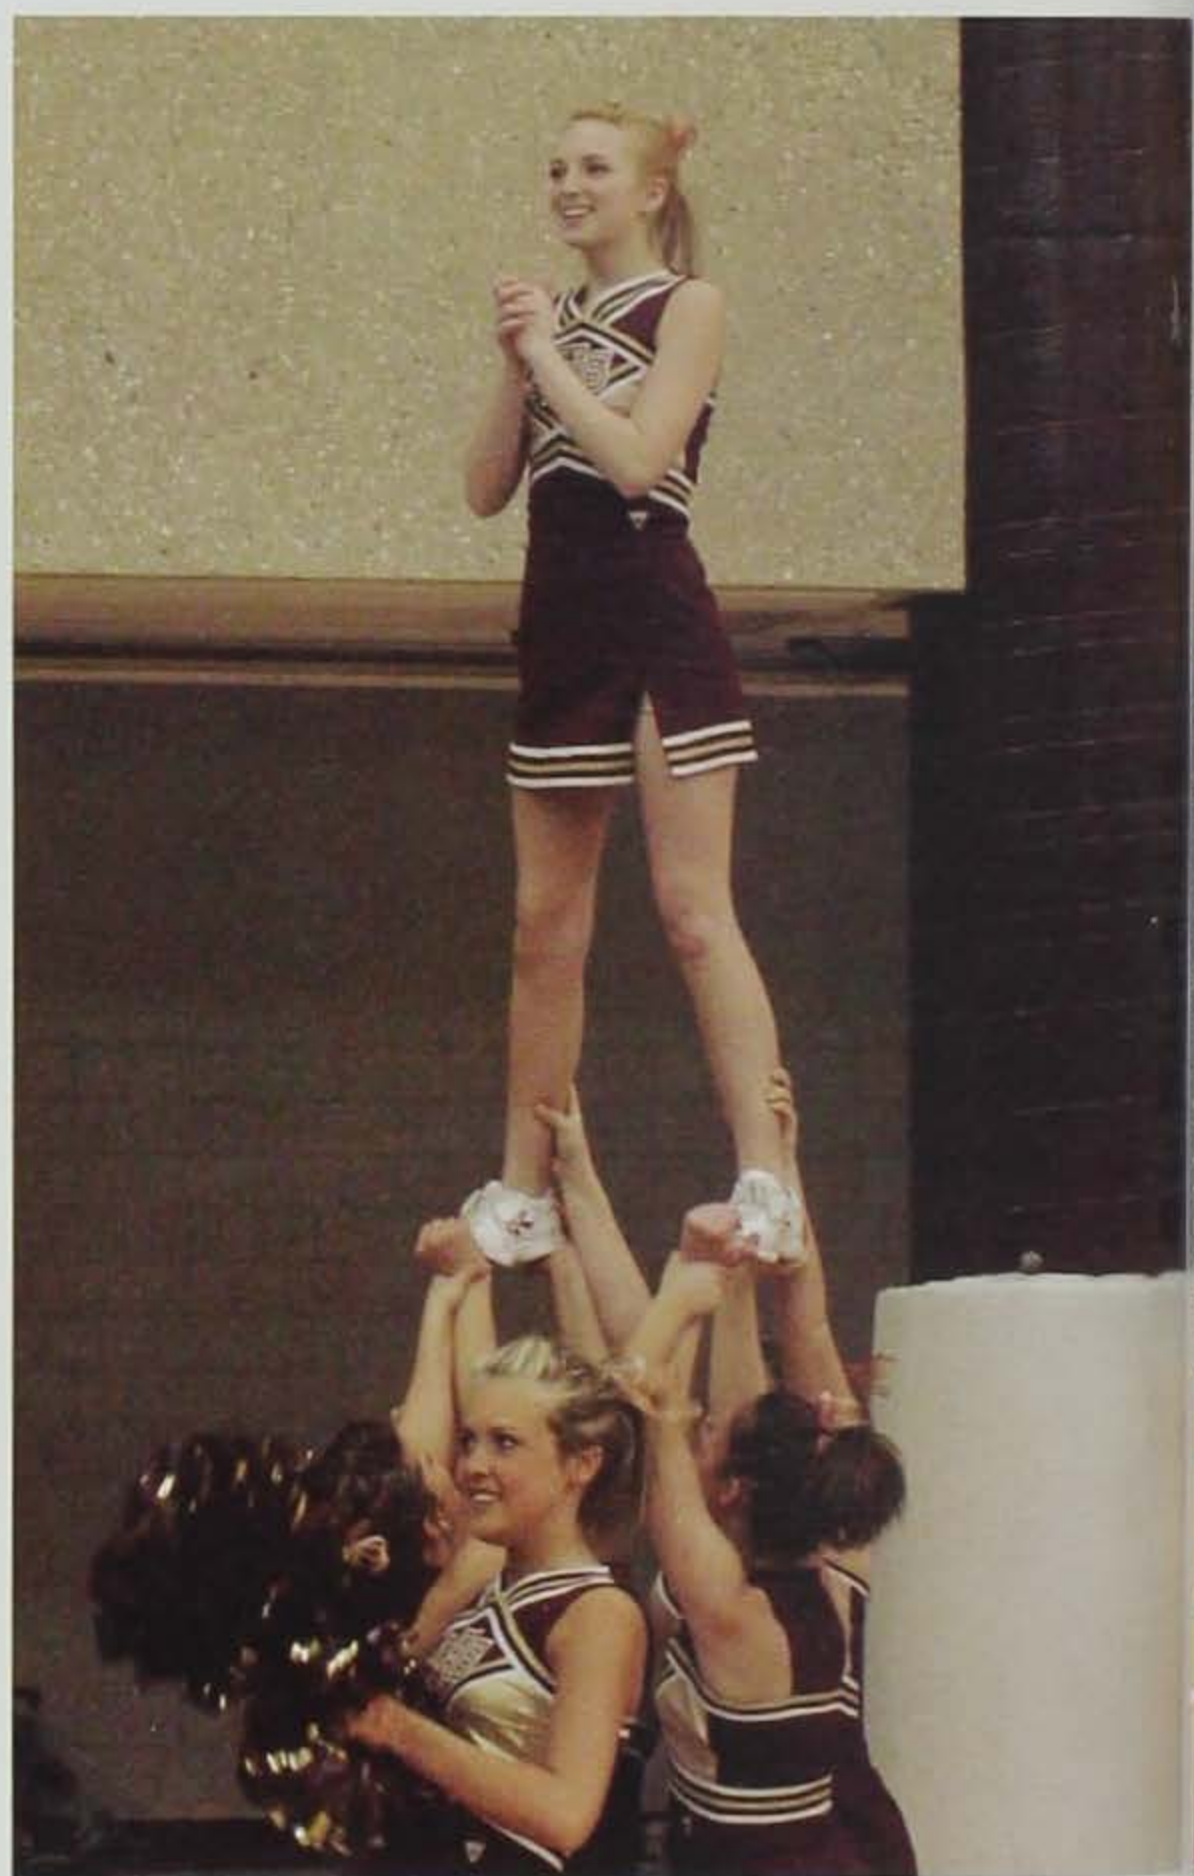

This year the winter cheerleading program also added an additional squad, known as the transition squad. This group of girls cheered for both wrestling and basketball when members of the designated squads could not cheer.

Overall, the winter cheerleaders had a successful season cheering both basketball teams and wrestlers to victory.

Girls Track

"2007: License to Win"

This year's girls track team continued its long tradition of qualifying individuals and relays for both the Drake Relays and the State Track Meet.

Just as in all of the spring sports, the weather did not cooperate early on, making the Drake Relays cutoff deadline a touch more stressful for runners and coaches alike. However, 9 girls qualified for Drake in 3 relays and two individual events.

As the weather got better, so did the team. By the time the district meet

rolled around, the girls were ready. 20 individuals qualified for the State Meet in 12 events, a strong showing for the team.

At the final meet of the year, the placings were not as high as the team would have liked. However, the times were some of the best of the year, including the fastest 4 X 800 time of the year for **Emily Roberts, Laura Arneson, Lindsey Schlegel, and Tara Larson.**

The team should be proud of their accomplishments as they look to get

Boys Track

"Train Hard; Win Easy"

The boys track team had another great season filled with personal bests and some Drake and State qualifiers. The beginning of the season was difficult because two of their early track meets were cancelled due to weather. However, they were still able to qualify 15 runners for the Drake Relays. At Drake, Senior **Josh Funk** jumped 20'8.75" placing 4th, while the 4 X 800 team of **Kyle Svoboda**, **Joe Murphy**, **Josh Boersma**, and **Andy Strachan** placed 8th.

The team continued their good showing at Drake by qualifying 16 runners for the state track meet. **Josh Boersma** placed 7th in the 3200 meter run with a time of 9:37 and placed 7th in the 1600 meter run as well. **Justin Cassidy** placed 6th in the 400 meter run with a time of 50 seconds flat. **Andrew Foley** placed 5th in the shot put with a throw just shy of 53 feet.

The team looks to build upon their 2007 success and have an even stronger showing in 2008.

Girls Tennis

"It's Not All Fun and Games"

As with many of the other spring sports in 2007, the weather proved to be just as big an opponent as the other teams. Many matches were postponed due to bad weather, making each day a question whether or not the team would even play.

Once the weather cleared, the tennis team hit the court with experience and determination. The team recorded 4 wins throughout the season, including 3 against CIML opponents. The team was

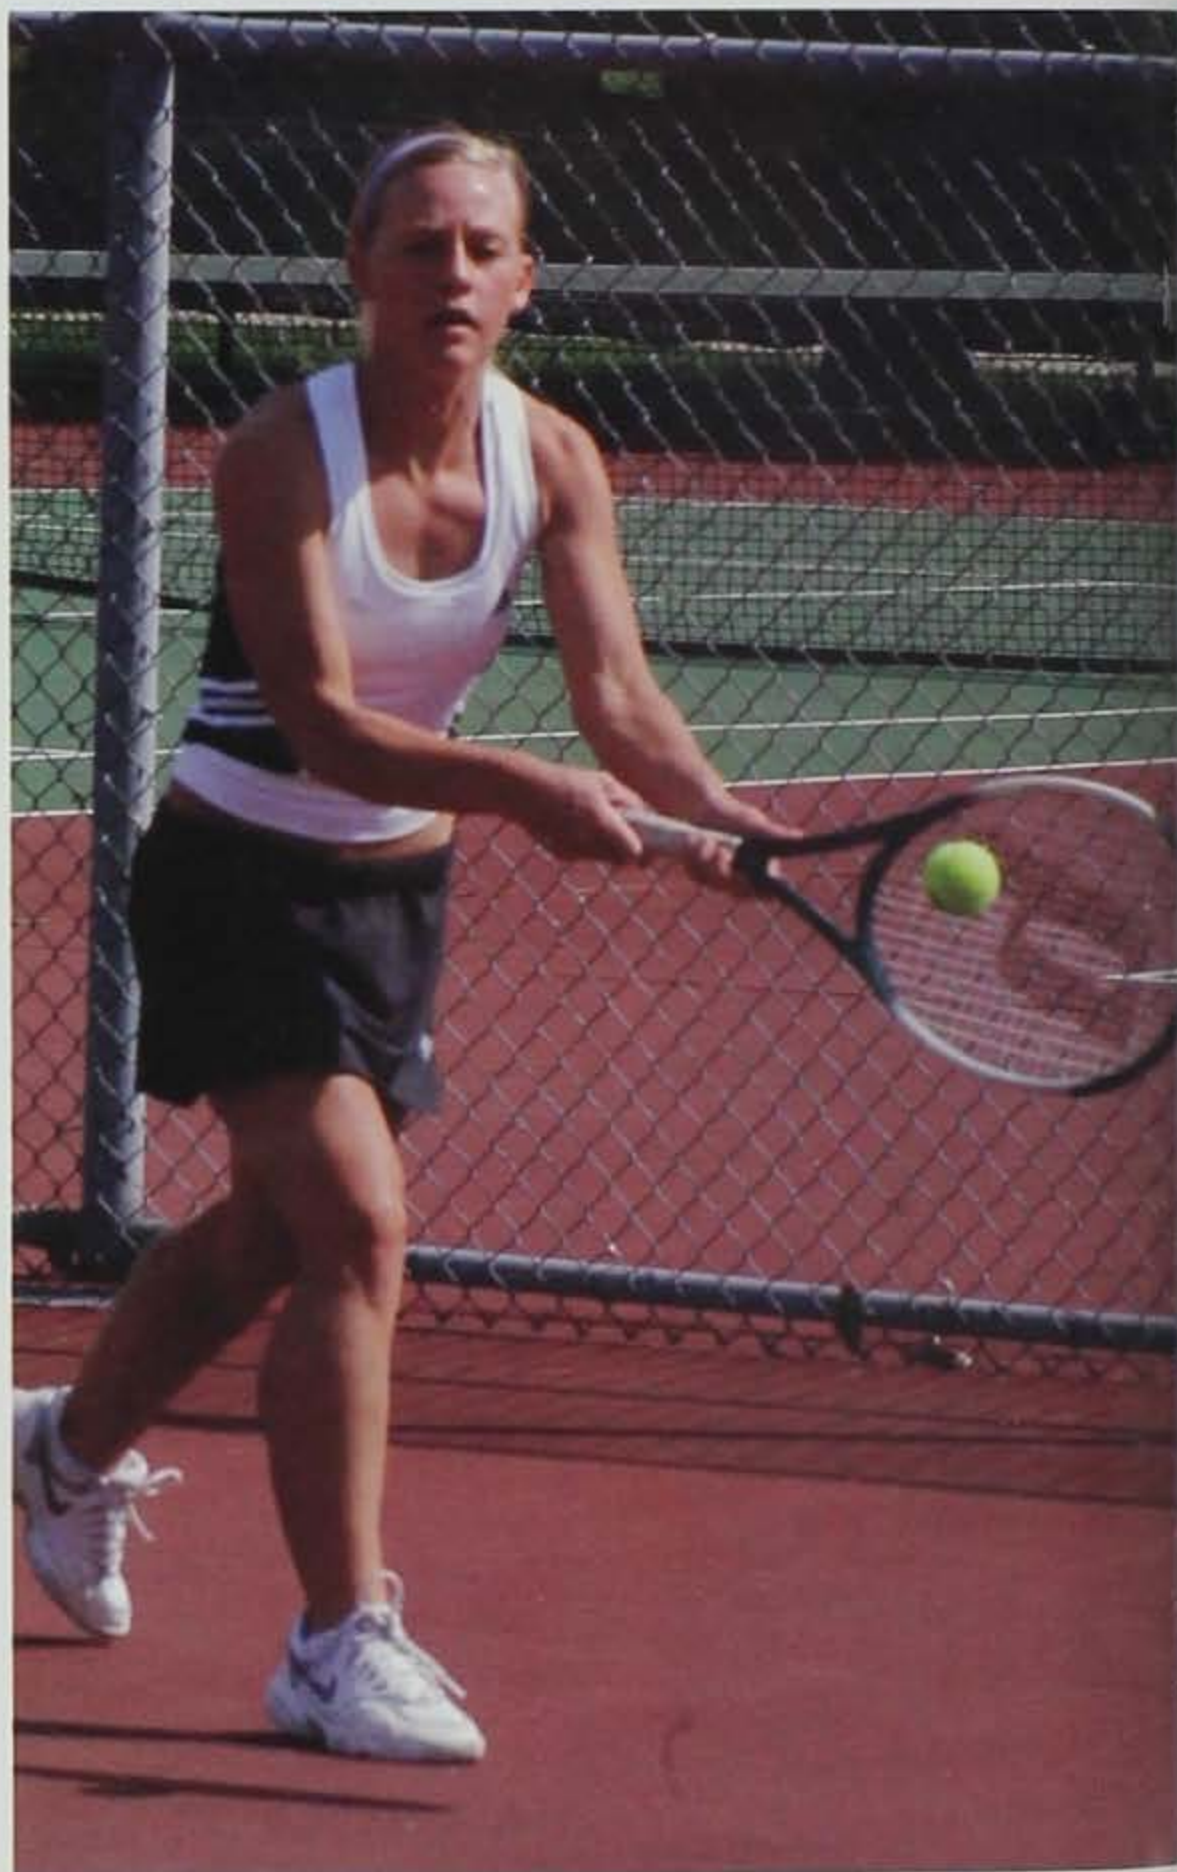

also able to capture 1st place at the Indianola Invitational.

With 37 girls out for tennis this spring, it was up to the senior girls to lead the way. They were able to step up during the team regionals, beating DM North 5-0. However, they ran up against a good Marshalltown team next, ending their season.

Congratulations to the team for a great season, and thanks to the many seniors for their hard work and dedication.

Boys Tennis

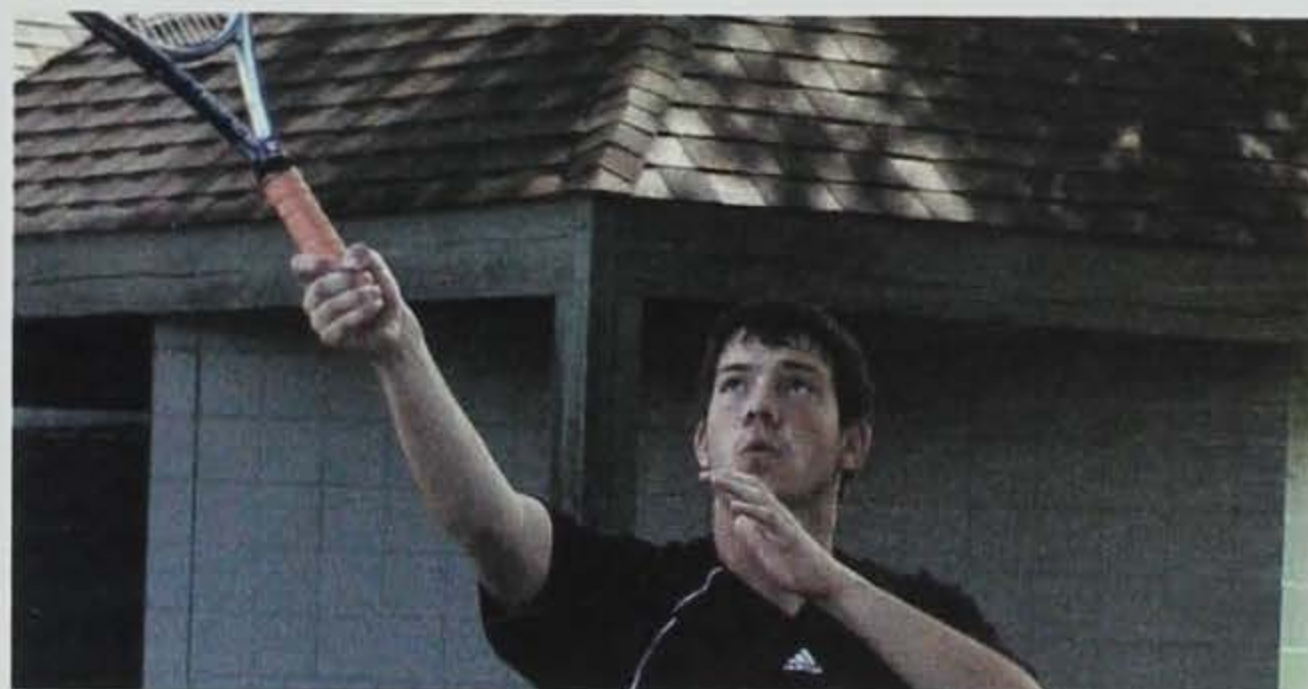

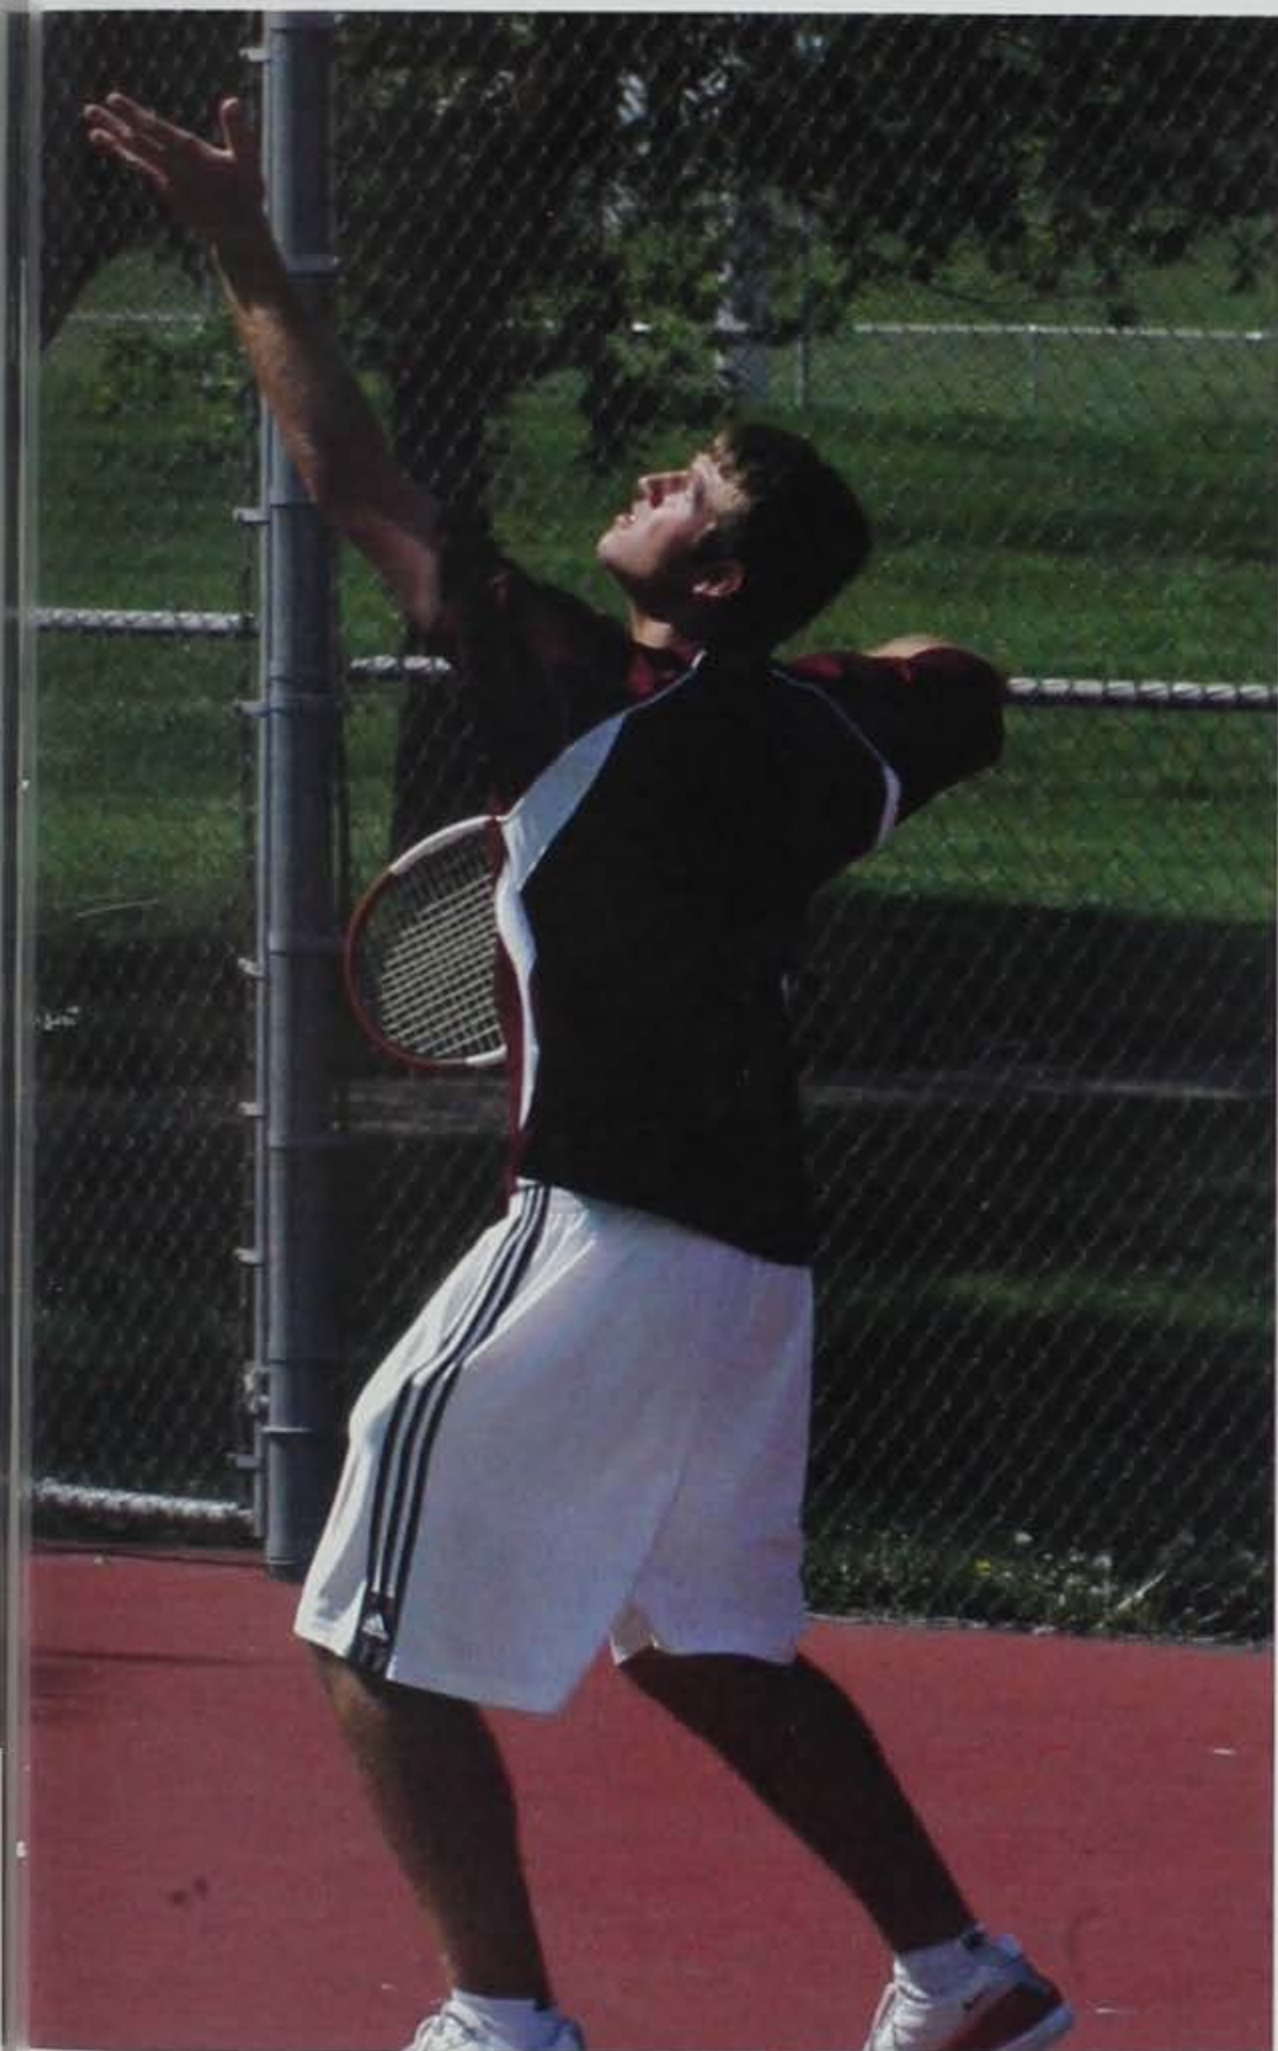

"Riding to Victory"

This year's boys tennis team had a lot of good competition. To combat that competition, the Hawks relied on the experience and leadership of the upperclassmen, many that have been a part of the tennis team for most of their high school career.

With so many individuals out, the team was able to go to many meets and tournaments with a full singles and doubles team in their arsenal. They controlled the CIML and had success on many levels, ending their season with 9 wins and 2 losses.

After the regular season was finished, the Hawks took their success to the next level. While the team did not qualify for the state tournament, they were only one match away, the closest the team has come to state since 2003.

Three players took their games to state: Senior **JR Tallman** qualified for the 4th year in a row, an Ankeny record. **Chad Remus** and **Austin Wiser** finished 5th in doubles, the highest ever by an Ankeny team. Congratulations on a great spring tennis season.

Girls Soccer

"Climbing to Success"

This year's girls soccer team looked to make strides from last year's successful season. With a young team and many players back, the Hawkettes look to get out of the gate fast. They did quite well, winning their first 11 matches of the season, either outright or by penalty kicks. The team fell only 2 more times, ending the regular season with a record of 13 wins and just 3 losses.

The Hawkettes looked to take their successful season and make a strong run to the state tournament

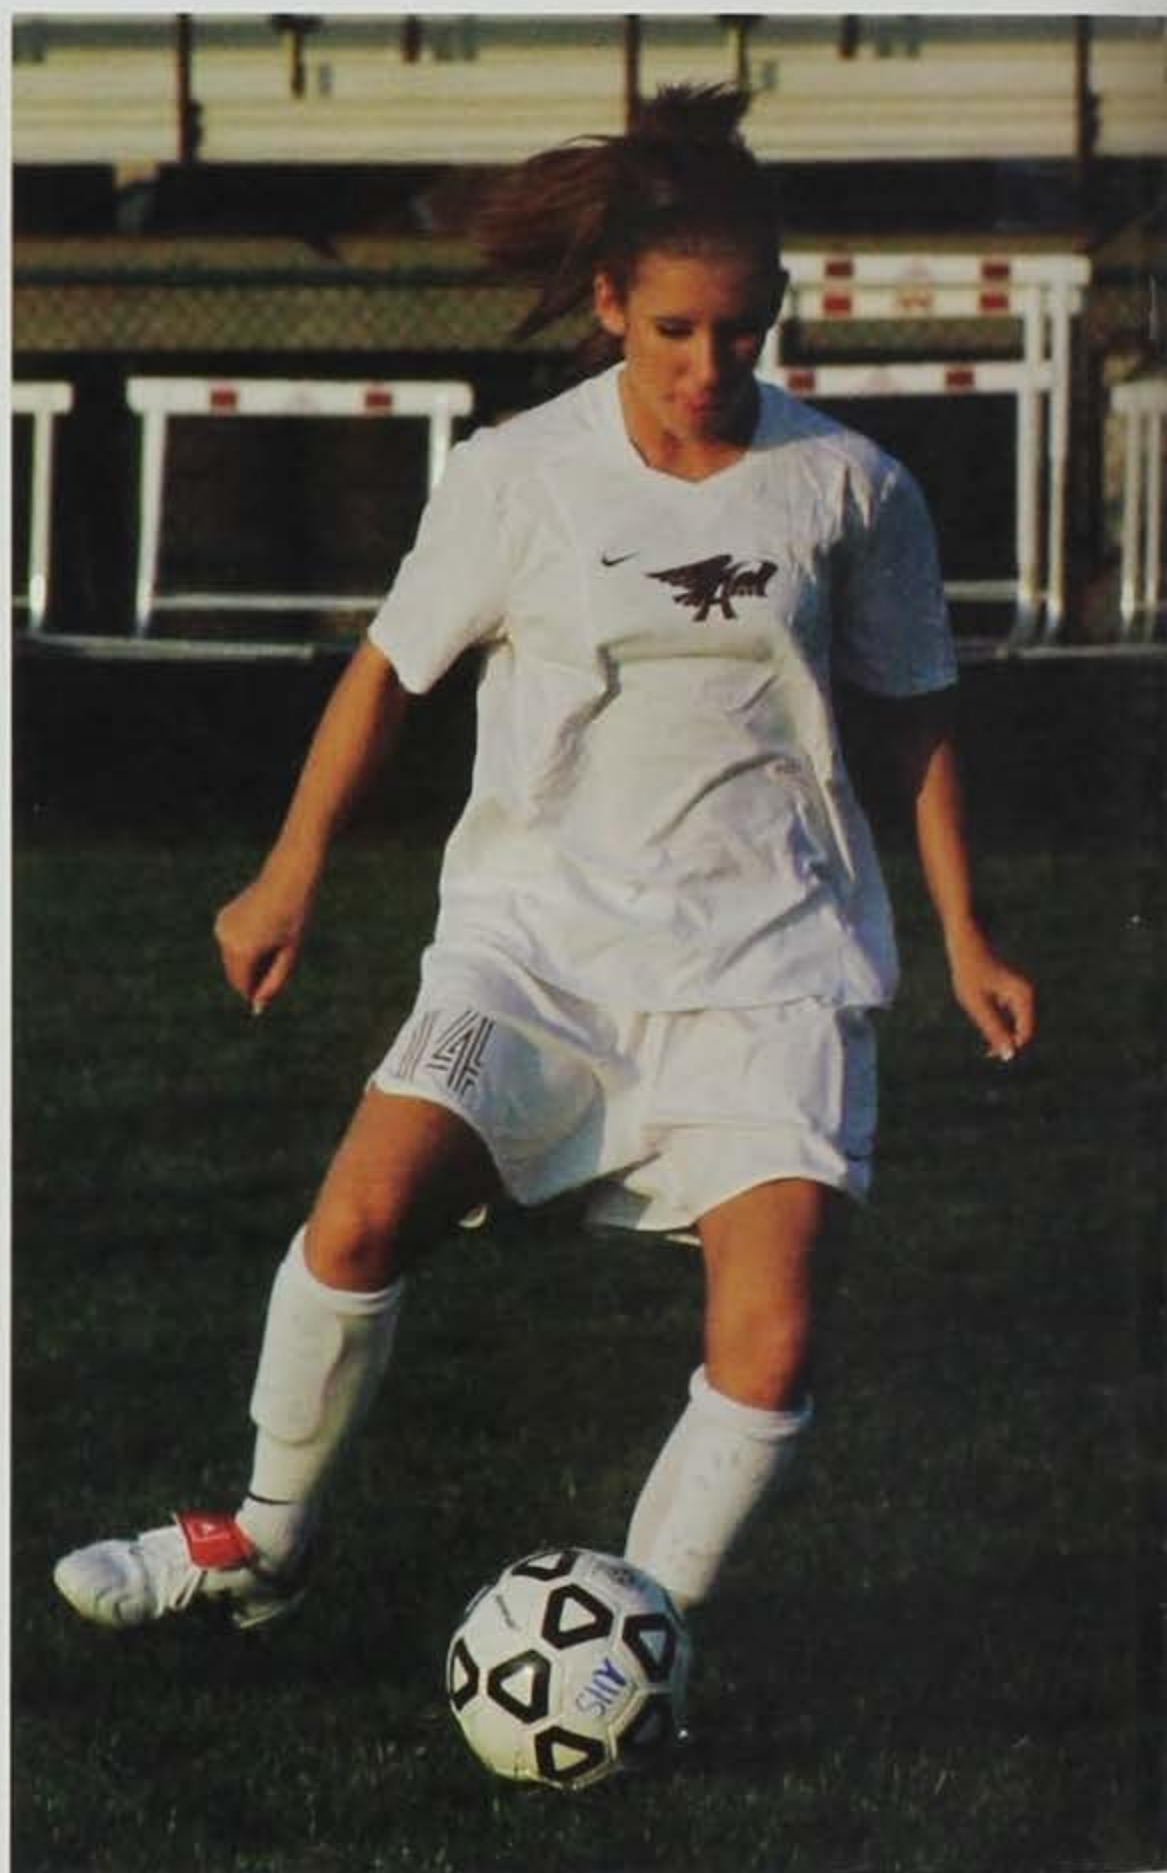

in Muscatine. In their opening regional game, they easily handled Marshalltown 4-1. However, they were unable to get past Valley, falling 0-2. The team ended with a final mark of 14 wins and 4 losses.

Gillen Witherspoon and Bailey Martin earned all-conference honors, with Jenny Kahler, MacKenzie Misel, and Sydney Copley earning conferences honors as well. Congratulations on a great season.

Boys Soccer

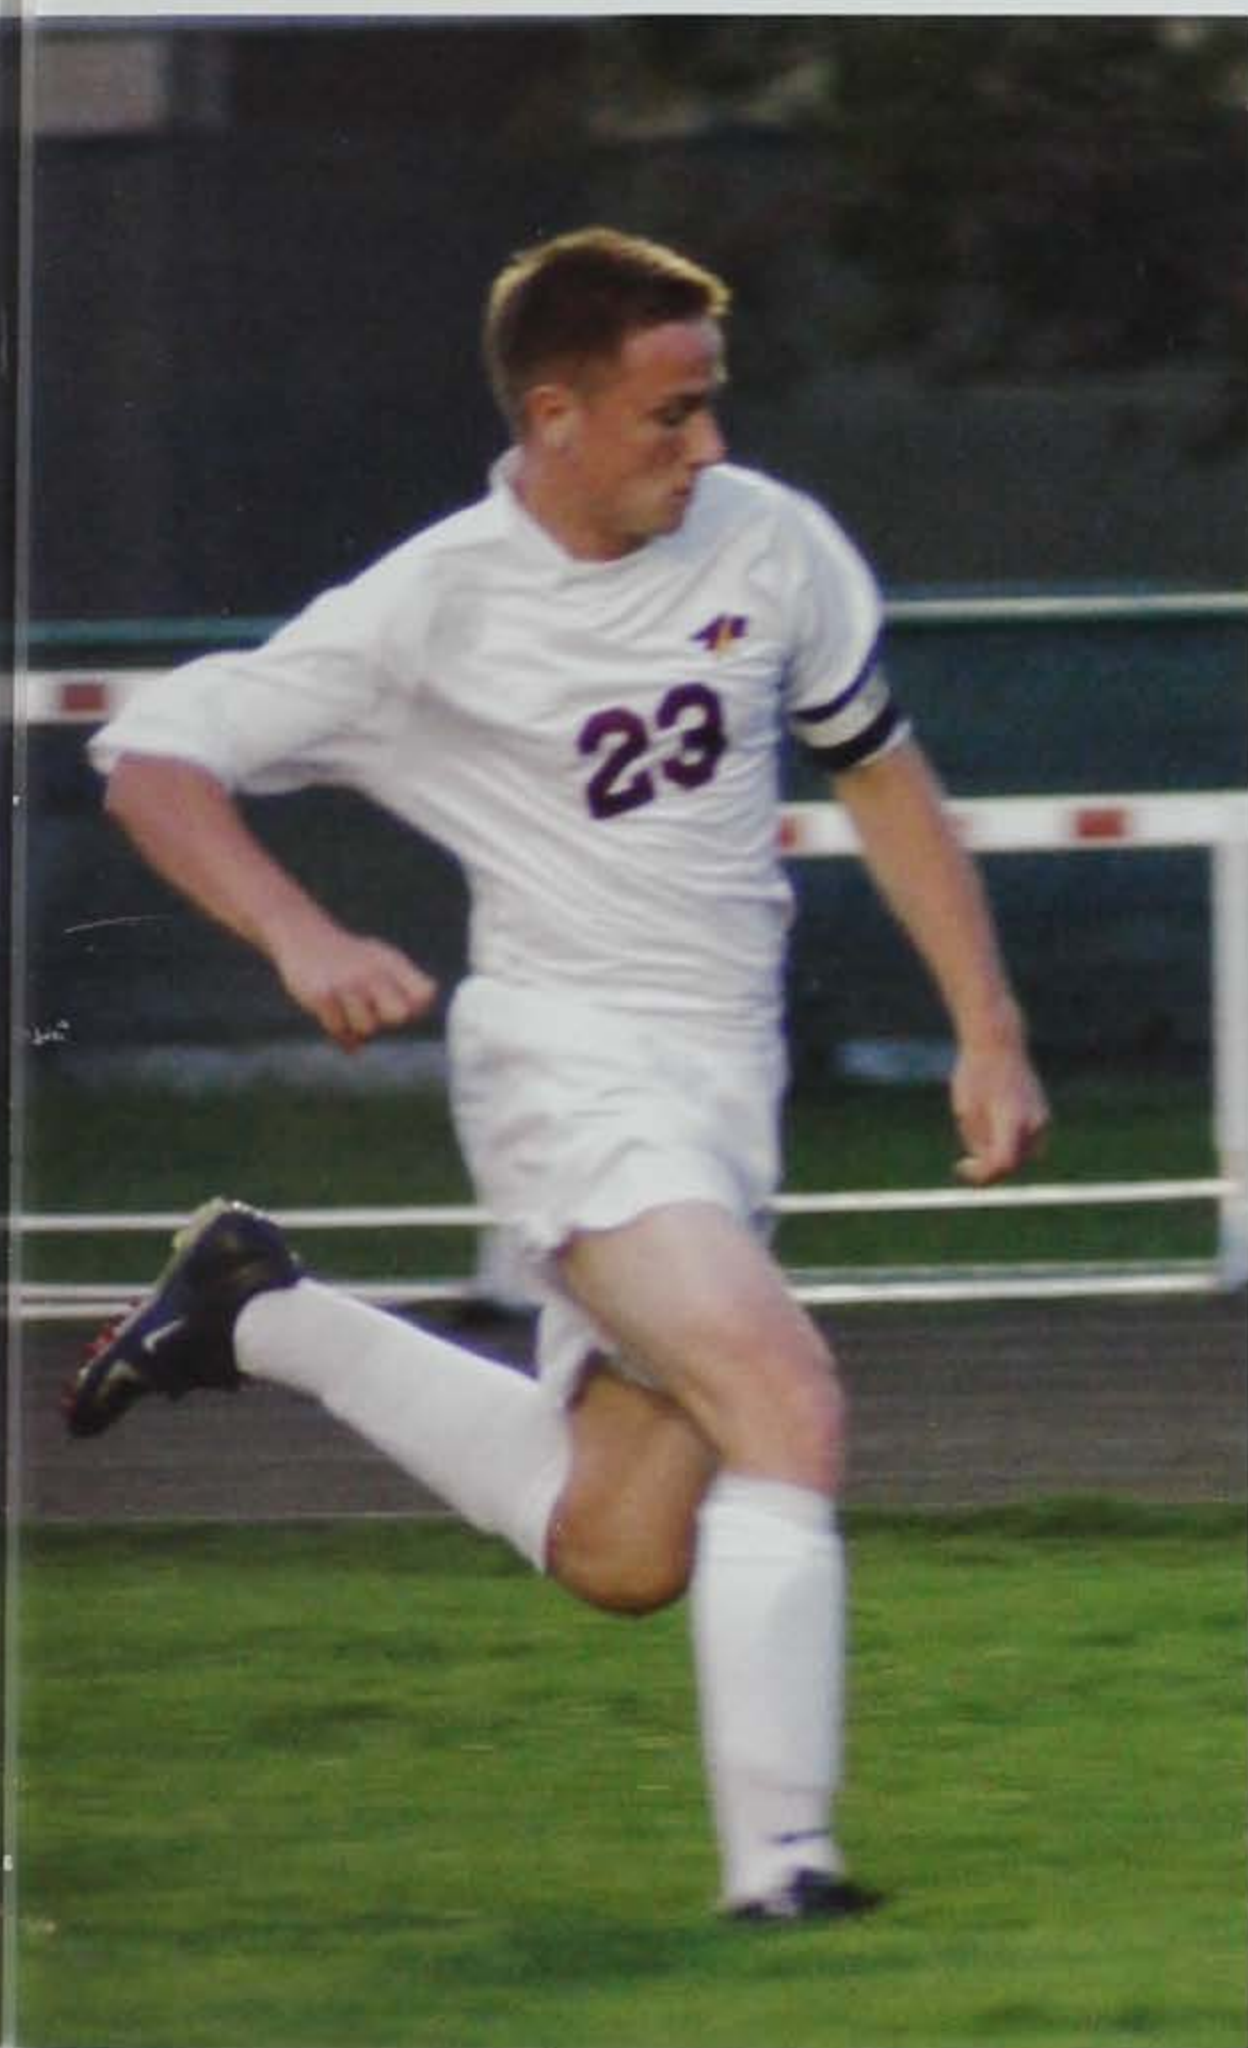

"Unfinished Business"

The motto for this year's boys soccer team was "Unfinished Business." Although they qualified for the state tournament last year, they made a quick exit. With many of the players returning this year, many had the feeling that this time around would be different.

The season started off with a very big win against Valley. Not only did they win, but the team netted 3 goals. The momentum from this early victory carried on throughout the season, as the team won contest after contest,

only slipping once in their 21 total games. The team didn't just win; they dominated, scoring 71 goals this season compared to 11 that they allowed.

The team got to state by winning its three substate games handily, then finished what they started last year. Heart-stopping games against Cedar Falls, Valley, and Iowa City West all ended in Hawk wins and a state championship, a first for the Hawk soccer team. Congratulations on finishing what you started last season.

YEARBOOK

The yearbook handles many different and difficult tasks all year long. The first step in the process is to decide the theme and the layout for the book; once these are decided, a cover must be created. After designing the cover, the yearbook class goes into the town to raise sponsorship money for the yearbook. The next step is designing the pages and making assigned deadlines throughout the year.

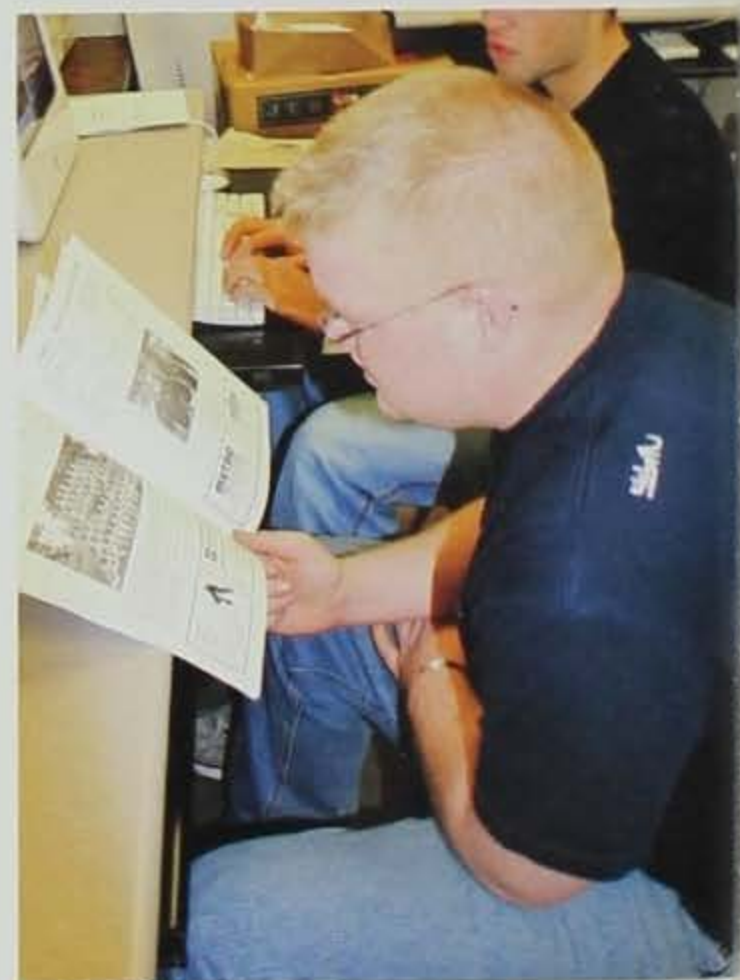

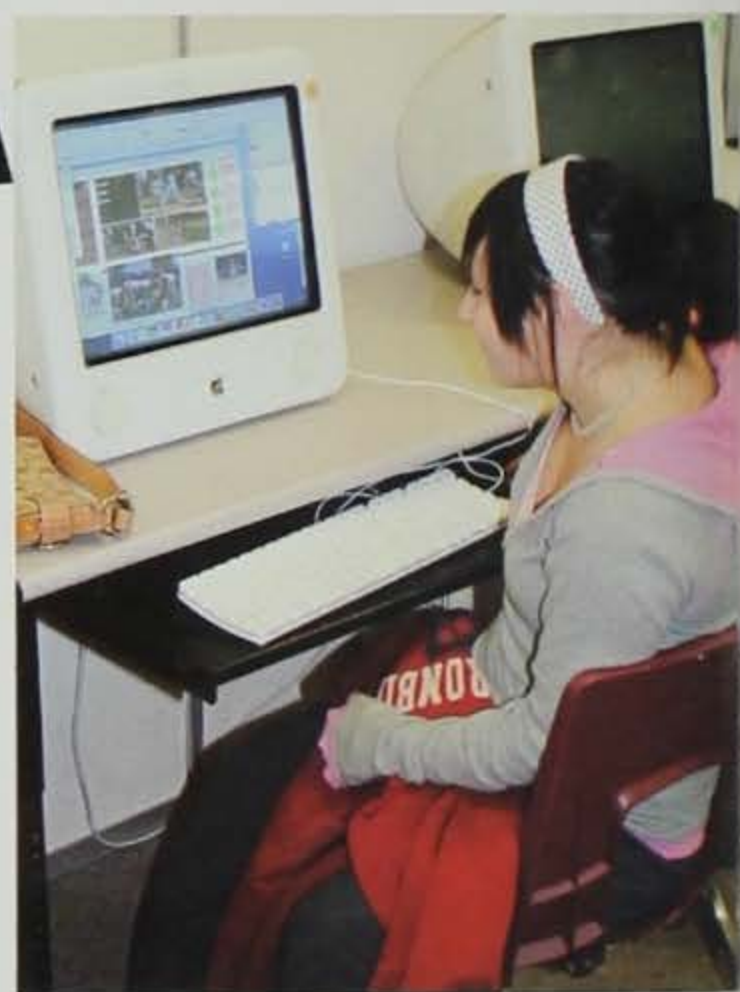

Students are allowed to choose the pages they want to work on. The students then choose the pictures, write captions, and edit their pages using the InDesign program in the publications lab. The next step is for the main editors, who were **Alisha Luke** and **Molly Ledvina**, to further edit the pages by making changes and fixing any mistakes. The last and final step is for the yearbook advisor, **Mr. Russell**, to make any last decisions before the pages are shipped off to be printed.

This year's yearbook staff worked together very well and enjoyed creating the first all-color yearbook for Ankeny High School. The staff hopes you enjoy the 2007 yearbook.

THE TALON

The *Talon* is the school sponsored newspaper that gets distributed around the school. It is also sent around the community and to other schools as well as the Kirkendall Library.

The *Talon* meets every day during second period Publications class, which is led by Mr. Dave Caldwell. To join, students must first pass one semester of Journalism.

The staff writes about a variety of topics such as sports, entertainment, school events or issues, and more. This year, the paper went to real newsprint instead of card stock, allowing the staff and readers to get more of a "real" newspaper experience.

The *Talon* sponsored Battle of the Bands VI, which raised \$2500 for the family of Matt Bonney. Overall, it was another exciting year for this student publication.

This year's Talon Staff included (L to R)

The spirit of Interact is giving back to the community by volunteering time and skills wherever they are needed. In this way, Interact also involves the students that participate in Big Brothers Big Sisters and with those that participate in another group at the high school called Circle of Friends.

Throughout the year, students found time to play games at Penelope Apartments in Ankeny, make and deliver blankets to children at Blank Children's Hospital, and hosted some students from Mexico.

There are countless students that volunteer their time in various ways, making both the high school and community a great place to live. Thanks to all who give their time and talents, and Interact looks forward to continuing to be a group that is an outlet for students looking to give back.

SADD

SADD is made up of a group of students who host a number of annual events. They're the ones that get the halls looking great during homecoming week. They make sure everyone is wearing red during Red Ribbon Week. They organize and help with the two blood drives at the high school, which saw a record amount of students participate in this small act of kindness. They were also the group that put on Grim Reaper day, a simulation that showed the effects of drinking and driving.

SADD is organized and lead by Ms. Saetveit. Many SADD members also volunteer in the community and go with Circle of Friends to Adventureland. Through their time and efforts, they hope to share with their fellow students information and awareness to help them make better decisions.

This year's SADD group consisted of (L to R) Front Row: Ben Millar, Andy Strachan, Laura Arneson, Jeremy Green, Kevin Shannon, Lute Olson, Dani Cisna, Tanner Linden, and Hayley Vance. 2nd Row: Kelsi Sawatzky, Kelsie Kahnk, Kaitlin Severson, Kyle Vols, Melanie Sharp, Lexi Ulrich, Korrie Gould, and Dani Lang. In the fall, there is a Hay Ride and Haunted Forest in October and an outdoor movie night in November. During the winter, a traditional trip to the Buccaneer Hockey Game is followed by some friendly games of bowling.

The spirit of Circle of Friends is related to the students and staff that participate in SADD and Interact. In fact, a June trip to Adventureland is planned with members of SADD. It is a great group to be a part of and is a great part of Ankeny High School.

FCA

FCA, or Fellowship of Christian Athletes, is a group that meets on a semi-annual basis in the PE Wellness room. The group has no specific agenda; instead, they take advantage of the time and talents of individual members or guest speakers that might come to chat for an hour. Ideas and events are organized by staff leaders **Dave Richards** and **Dave Caldwell**.

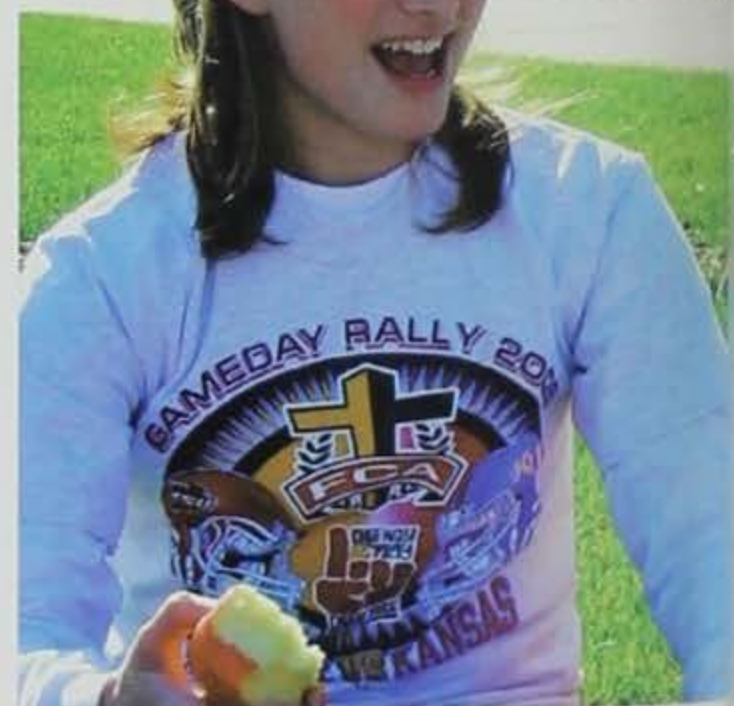

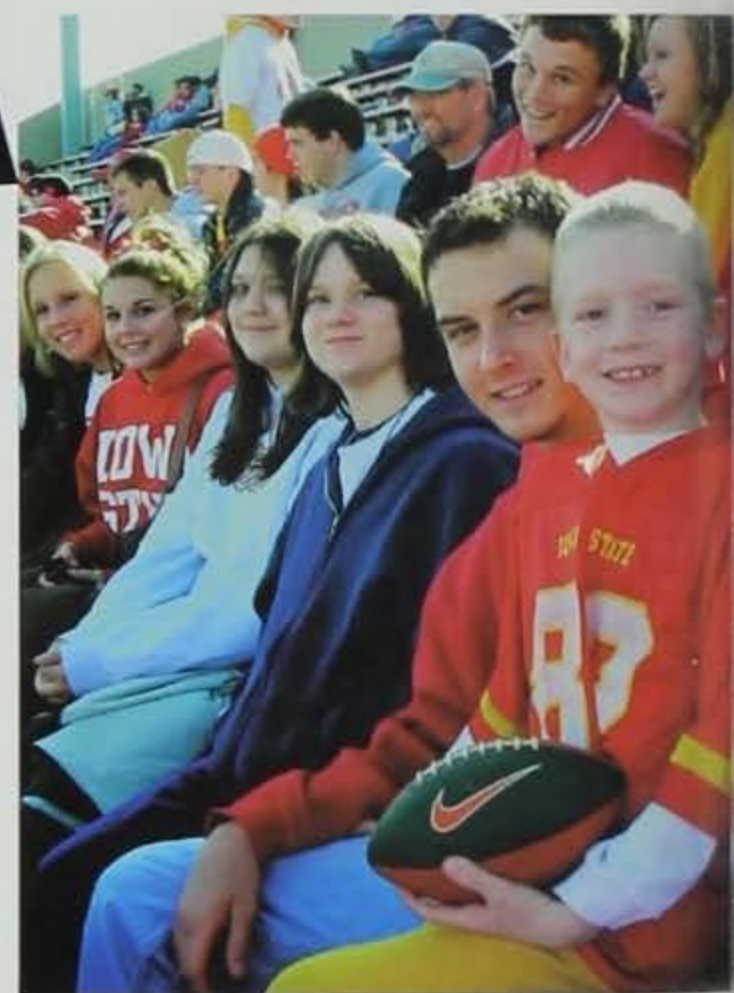

In the fall, the group participated in some national events, including "See you at the pole," and a FCA rally held at Iowa State University. The group also met to have some simple fun and games nights, including some ultimate frisbee and dodgeball.

In the spring, guest speaker Staci Mason came to talk about "Matters of the Heart." The group made sure it was known that anyone could attend this special event by placing posters throughout the school letting students know the when and the where. The group welcomes all students whenever they can attend and looks forward to growing next year.

This year's FCA members included (L to R) Front Row: **Hayley Vance**, **Tanner Linden**, **Andy Strachan**, **Lute Olson**, **Jeremy Green**, and **Kelsey Kahnk**. 2nd Row: **Jessica Humpfer**, **Laura Arneson**, **Kyle Vols**, **Jake Nadermann**, **Kaitlin Severson**, **Dani Lang**, and **Micaela Lang**.

The National Honor Society is a select group of students that meet a specific number and level of requirements. Each year, students who have achieved a high level of academic success may begin the process of becoming a NHS member. Academics is not the only part of acceptance; a committee of six teachers looked at a number of criteria. Not only did students need to have an unweighted GPA of 3.5 or above, but they must have a strong record of leadership, character, community service, and extra curriculars.

New members are induced at a public ceremony in the spring. While members are expected to continue their positive influences throughout AHS, they also organize the school's Crystal Ball dance. Congratulations to the new members and good luck to the seniors in their future endeavors.

Overall, the day was a good balance of leadership skills and fun with fellow seniors. All of the individuals selected to participate in this conference should be proud of their accomplishments and hard work throughout the year.

Students' pictures were posted in various places around the Des Moines area. At the end of the school year, the pictures were returned to AHS and were posted around the media center. Congratulations on the wonderful honor.

With the group numbering about 100 students it has become a staple in AHS activities. BPA started seven years ago when a small group of students recruited Ms. Hinshaw to sponsor them. Since then the group has rapidly gained popularity.

This year the group attended fall conference, then proceeded to have weekly practices on Tuesday nights. Ankeny students performed exceptionally well this year at State with many placing in the top 10 of their events. Both events were held at the Holiday Inn on Merle Hay Road in Des Moines. STUDENT COUNCIL

Student Council is made up of a group of students who are selected by their peers every year. The council is made up of both boy and girl members from each grade. Every year Student Council takes part in planning the Homecoming Dance, organizing a can drive, and holding a student exchange with another school. For the dance, members spent Saturday morning decorating for the "Night In Black and White," and Saturday night cleaning up after the dance. The group also picked up cans and non perishable food items from advisements during the can drive week.

Members were also given the opportunity to go to Waukee High School for a day; later the council invited the Waukee council to Ankeny. This year the council also made blankets and donated them to the Cancer patients at Blank Children's Hospital.

BOOK CLUB

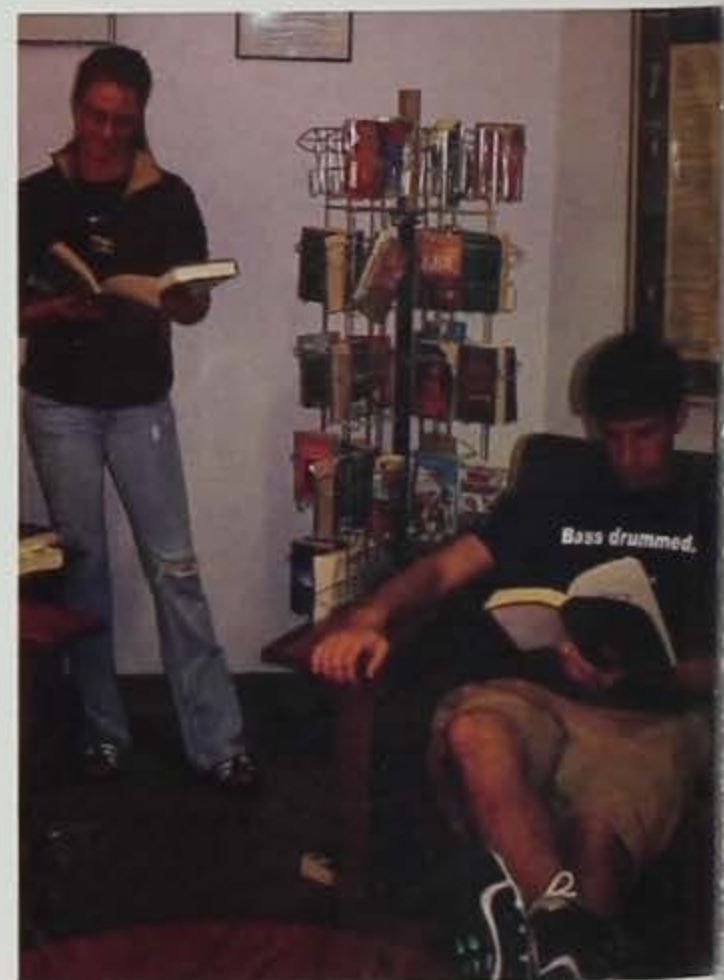

Book club is a group that meets once a month at Taraccino Coffee House. Before each meeting the students and staff pick a new book for the next month. They try and choose a wide variety of books and topics to discuss. However, members that attend don't even need to read the book to come. Sometimes even the staff members that attend the meetings have not yet read the book for that month. The main goal is to talk about good literature.

Another goal of the club is to promote reading in the school. In the media center, the book club is in their second year of a "book swap." Students are able to take copies of books left by other students. The club only asks that if you take a book, you either return it or leave a different book in its place.

This year's book club included (L to R): Front Row: Lindsey Smith, Tiffany Smith, and Riley Dawson. 2nd Row: Marissa Berrier, Ross Broadbooks, Beth Gragg, and Mary Thiry.

CHESS CLUB

Chess club is a club that usually meets twice a week. On Tuesday and Thursdays after school, a number of students can be found in the media center enjoying an hour or so of chess. As a group, there are some that simply like the social aspects of the club. Others practice more intensely so they can compete at the state tournament.

This year the practice paid off. The chess team attended the championship in Cedar Rapids to defend their title and won. This makes it their third consecutive year finishing in first place. Team members for this year's championship were senior *Brent Aronsen*, senior *Jack Hou*, junior *Charles Li*, and junior *Kelsey Dixon*. What makes this feat even more impressive is the fact that they competed with one less member than the other teams, giving up a point per match. Congratulations to the entire team on their continued success.

This year's chess club included (L to R) Front Row: Serge Stines, Andrew Rasmussen, Tiffany Smith, Linda Cornelison, Steven Holmes, Nour Aly, Taylor Webber, and Tim Pearson. 2nd Row: Riley Dawson, David Finch, Kelsey Dixon, Jack Hou, Brent Aronsen, Charles Li, Katie Prowant, and Jake Loney.

Ankeny High School's Bowling Teams, Model UN Team, and Scholastic Bowl Team had very successful seasons. Below are just a few individual team highlights.

GIRLS BOWLING

Seniors *Ally Hoover* and *Tori Brown*

"We finally got sanctioned by the athletic union this year, which means individuals can earn athletic letters."

Sophomore *Ben Bergstrom*

"I enjoyed traveling and being able to compete with other schools. It's a fun sport, and I encourage a lot of people to go out next year."

MODEL UN

Junior *Connor Schenck*

SCHOLASTIC BOWL

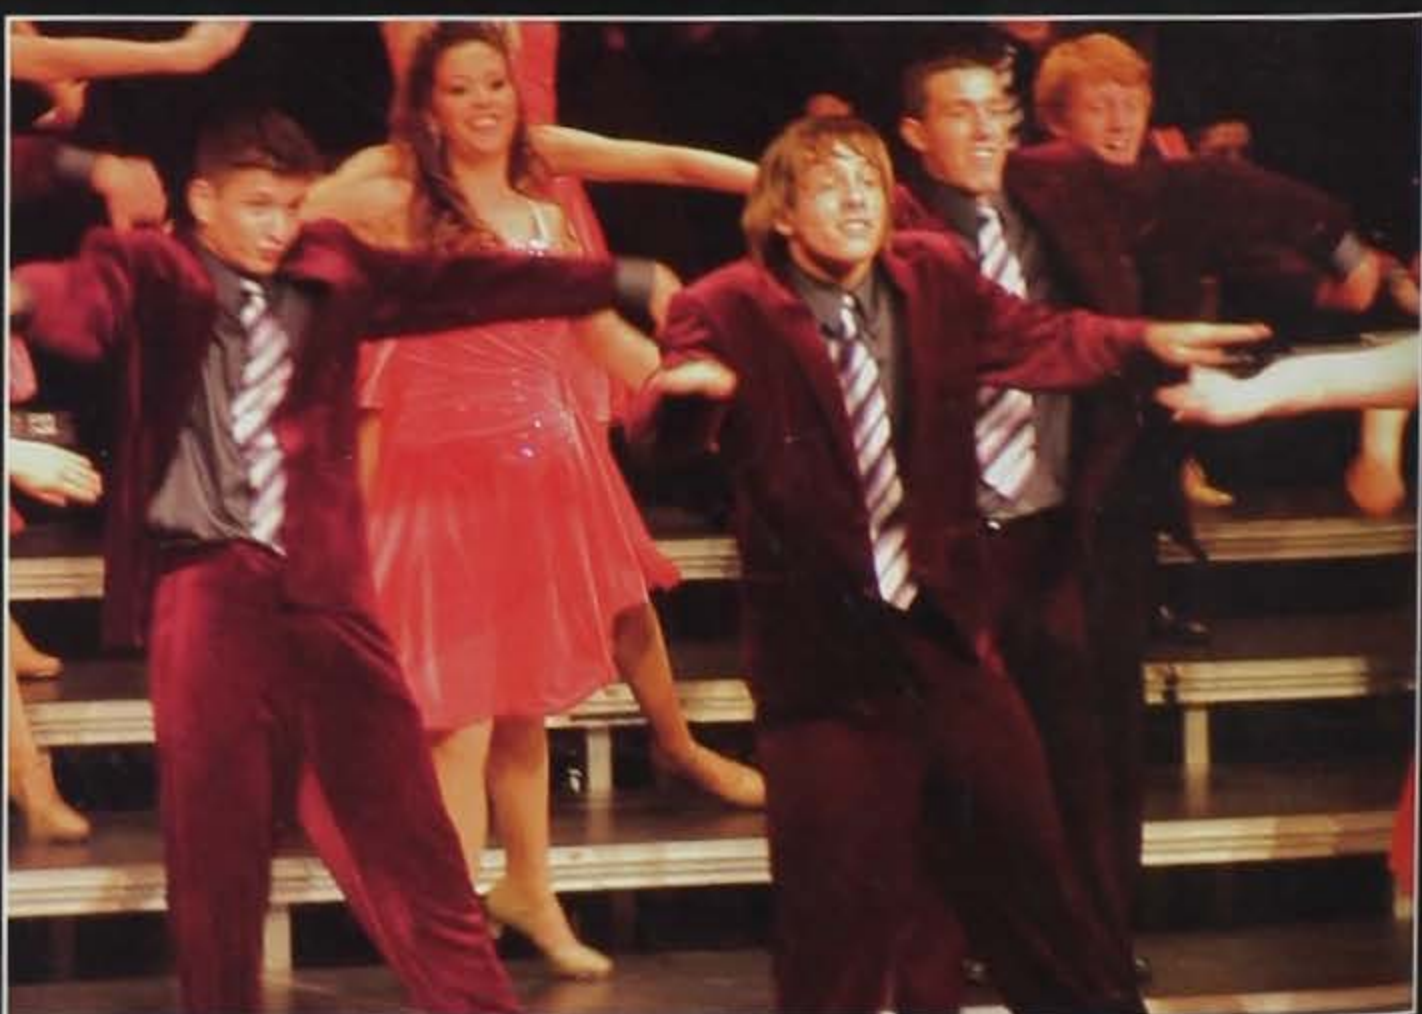

Senior *Alex Hutchins*

"I like getting to compete against other teams, and being able to use knowledge I have acquired throughout my years in school. It's fun because we don't really prepare; it's just what we know. The best part is discussing the questions on the ride home when we have all our trophies."

Band

Band involves a number of individuals that meet every day to practice what they have been practicing on their own. Their preparation allows them to compete and perform in a variety of concerts; some of these include a Gala Concert in November, a Winter Concert in December, and a Spring Concert in March. Many band members auditioned and were selected to perform at the All-State concert in November. Such a high number of students auditioning and selected shows the talented members of these ensembles.

When asked what makes band so special, senior **Megan Smith** simply said, "Band is awesome!" Senior **Skye Brown** added, "Band is like an ice cream cone: it's sweet and refreshing. Although it sometimes gets a little sticky half way through, at the end you'll be licking your fingers." Congratulations to all members for a successful and wonderful performance season.

Marching Band

The 2006 Ankeny Marching Hawks had a big season this year. This season's show focused on the music of Gershwin and the talent of the Marching Hawks. They performed in four competitions this fall. They placed fifth at the Eastview Marching Invitational, first at the Little Hawk Marching Invitational, second at the 5 Seasons Marching Invitational, and third at Valleyfest. One of the most enjoyable moments for the Marching Hawks was traveling on the bus to competitions and putting on an amazing performance for their audience.

The Marching Hawks season was full of enjoyable highs and frustrating lows. The members enjoyed fun memories from band camp and competitions. The season wasn't all fun and games, though; the Marching Hawks put in countless hours of hard work and dedication into their shows. Their season started with a full week of early morning and late night practices.

The Marching Hawks performed at half time of every home football game including post season games. They should all be proud of their hard work this fall.

Choir

Choir is one of the fine arts groups at the high school that consistently involve a large number of students, and the groups consistently bring home honors and accolades.

One of the first things that kicks off the year is the All-State auditions at Indianola high school. Of the 28 students that auditioned, 26 were asked to perform, a great honor for the singers and the entire choir.

The season is quite busy for the large ensembles, including concerts in September, December, April, and the large group contest. This year, all large groups received a Division I rating, the highest a large group can receive. The choir also continued the tradition of singing several songs at graduation, making sure the seniors go out in style. Congratulations on another successful year of performing.

Show Choir

Show choir is a group of talented students that take it to the next level in their various competitions. They have competed in many competitions from the time between summer and the end of March. One of the many was the Mt. Pleasant Music in Motion. They received many awards from this, just like in many of the competitions they enter. They got best band, best choreography, best vocals, best female soloist (Sophomore **Kameron Churchman**), and best representation.

Students in show choir are placed in three groups: Visual Adrenaline, Perpetual Motion, and Intensity. Their time and dedication throughout the year has lead to yet another successful season. When asked about show choir, Senior **Ashley Paulson** from Visual Adrenaline says, "We laughed, we cried, we won big trophies. Nothing in the world will replace these memories."

Drama

This year, the Ankeny Drama Department had another successful season during the 2006-2007 school year. The fall drama, *Up the Down Staircase*, followed the struggles and successes of a first year teacher. Senior **Emma Peterson** liked being in the fall production because, "It was a great show with a large cast, so a lot of students got to be involved."

In the spring, the drama department tapped into the talented music department to help with a classic American musical, *Annie Get Your Gun!* The play follows Annie Oakley as she goes from a talented nobody to a star in show business. Along the way, she tries to find love and makes sure her family is taken care of. Senior **Ben Mueller** reflected, "I really enjoyed dressing up like a cowboy and having pretend gun duels." If you didn't get to these shows, you missed some great performances. Congratulations to the cast, directors, and crew for another great year of dramatic productions.

Speech

Speech consists of two "seasons": large group and small group. Large group is made up of choral readings, miming and other group acting categories. Small group is more one on one with storytelling, acting, and a variety of other individual events.

This year, students were asked to perform at the All-State festival in several categories. In the individual area, **Brianna Routh** was honored in the Storytelling category. In the Large Group season, two ensemble acting groups were invited: *Sylvia* and *The Boys Next Door*. *Sylvia* was made up of **Ben Millar**, **Allison Kelly**, and **Kelsie Kahnk**. *The Boys Next Door* was made up of **Paige Hansen** and **Taylor Kinney**. Congratulations to all the speech participants on a great season.

This year's speech participants included (L to R) First Row: Jordan Pennekamp, Travis Kerr, Corbin Albaugh, Ben Millar, Briana Vera, Megan Renner, Taylor Kinney, Jessica Freeland, and Kari Paca. Second Row: Heather Smith, Daniel Poe, Josh Neff, Elizabeth Stuhr, Jake Elmquist, Dani Cisna, David Finch, Kelsie Kahnk, Libby Keltner, Emily Bechtel, Christi Donaghy, and Allison Kelly. Third Row: Morgan Landon, Amissa Arbogast, Sam Gaddis, Mandy Trusty, Andrew Heiderscheit, Brianna Routh, Riley Dawson, Linda Cornelison, Ross Broadbooks, Paige Hansen, Gina Grozier, and Jonathan Brugioni.

Debate

Students that participate in debate have a variety of categories to choose from. There is the more traditional Lincoln-Douglas debates, and the newer area of Public Forum. AHS students did well in many of the areas they participated in.

At the state tournament, the team placed 4th. Individually, **Chad Schwickerath** had a 4th place finish in Public Forum, while **Leland Schipper** advanced to the elimination debates. **Kevin Shannon** also received a 1st place award at the tournament. Congratulations on another great season.

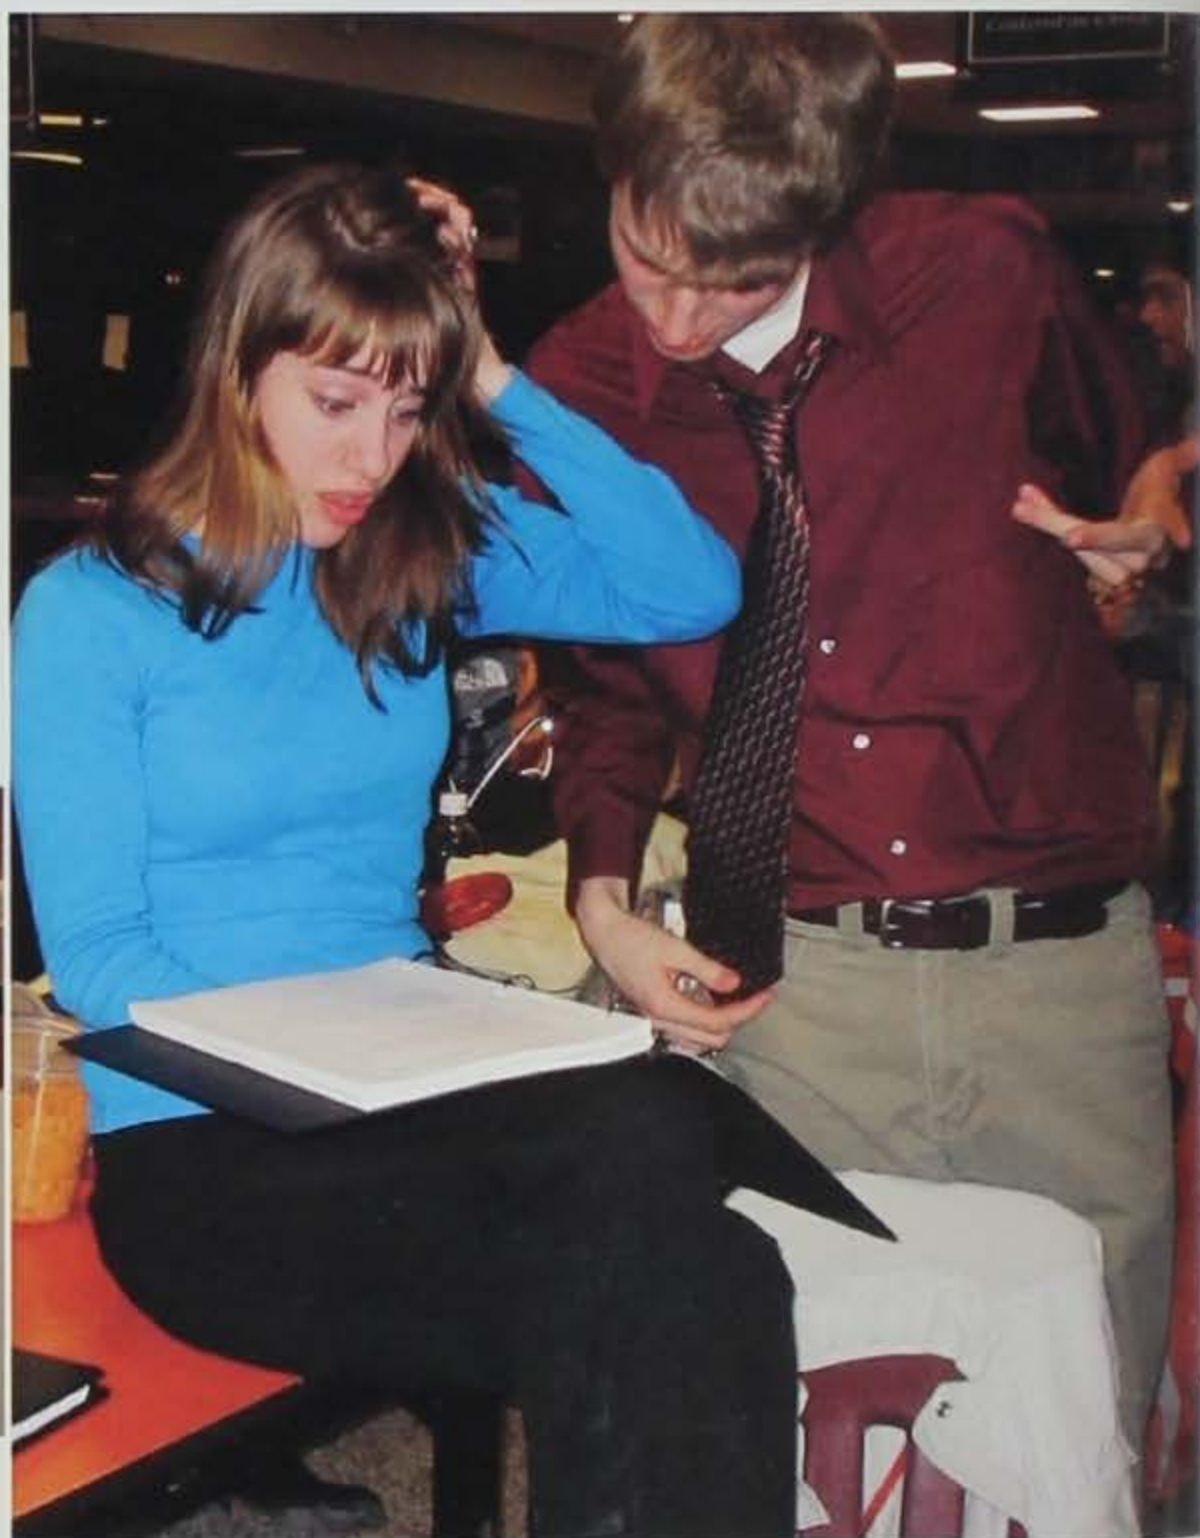

This year's debate team included (L to R) Front Row: Conner Schenck, Kevin Shannon, Chad Schwickerath, Katie Prowant, Jake Loney, Jake Hou, and Charles Li. Back Row: Julia Epp, Lyric Larpenteur, Irma Bacinovic, Illene Hobin, Amra Alibasic, Tracy Degner, and Chelsea Schaffer.

Mock Trial

Mock Trial is a group that focuses on a typical courtroom scenario. Students who are involved work together to help memorize the witness testimony, figure out the questioning strategy for the lawyers, and understand all aspects of the case at hand. This year's scenario involved an accidental death due to a fire. The owners of the business were being questioned because there was only one exit which was very small, meaning there was a possibility of criminal negligence.

After weeks of preparation, the team from AHS placed first at regionals and got a win at the state level. They should be proud of their hard work in this unique group at Ankeny High School.

This year's Mock Trial team included (L to R) Front Row: Abbey Sturm, Lyric Larpen-
teur, Tiffany Smith, and Kayla Boyle. Back Row: Taylor Kinney, Adam Bockelman,
JR VanValkenburg, Conner Schenck, and Andrew Heiderscheit.

Senior Editors

A special thank you to our senior editors who spent countless
hours making the yearbook what it is. Our student editors,
Alisha Luke and Molly Ledvina, helped throughout the book;
Kristin McCoy and Brandon Sisson were responsible for the
layout and organization of the senior photos. Thanks for a job
well done.

Colophon

The 2006-2007 *Hawk* is a 224 page yearbook with a
press run of approximately 1100 books. The student
body totals approximately 1550 students. The cost of
the book was \$48.

All type was set using Adobe InDesign CS on an Apple
Macintosh based desktop publishing system. Pages
were submitted to our Jostens plant in Visalia, CA, via
CD. The cover was created by Tara Larson with design
help from Jostens and a photograph from Sophia Dem-
bling. Interior paper is 100 # glossy with black ink.

The entire book is in process color, a first for Ankeny
High School. These color pages are funded through the
support of many businesses and parents that sponsor
the yearbook and purchase senior baby ads.

All photos were taken with Canon and Nikon digital
equipment. The senior large photograph was taken and
supplied by Mullica Photography. Sports group shots
were taken and supplied by Denny Williams Photog-
raphy. Student portraits were supplied by LifeTouch
Photography. The senior baby ads were designed and
created by Molly Ledvina and Whitney Cowie. Senior
photos were provided by a number of local photogra-
phers.
