Al through the yeere we've dayly werked and tryed,
Withe scriveners of elde in patience vyed
To mak this booke a thing of gras and joy
As would give cheere to highe scole girle or boy.

To yow, the memberes of the senior clas,
Who sone must leve us now, and onward pas,
We yeve this booke to croun your grettest hour
As highe yow stand in wisdom, gras, and power.

To yow, the clasmen, who must carrie on
The scole's traditions after they are gon,
This volume settes and marks another goal
That yow must mete ere the nexte senior role.

And to the facultee who dayly toil
To smothe for us the rode that's never royal,
And mak us almost glad to go to scole,
We yeve our prayse, longe may they firmly rule;

Cafeteria

About 300 persons eat in the O. H. S. Cafeteria each school day. About half of this number is served by the Cafeteria force. A special feature inaugurated in the Cafeteria this year is luncheon music by The Masters of Rythm. The "serve yourself" type of service is in use and the management aims to furnish healthful food at the lowest price.

Row 1—Lewis, Reed, Myer, Estyo, Baine, Levings. Row 2—Marland, Barber, Van Ness, Bloomgren, Hamilton, Johnson.

Janitors

The Janitor force at O. H. S. consists of 10 men and two women, headed by Fred Leving, chief engineer, working in a day and night shift. Besides the routine duties of cleaning the building, they perform special tasks for the various departments. They have in the past proved invaluable to the athletic department, the Dramatic Club, Student Council, and student publications.

In Memoriam

To Leland Austin

As when a listener, quiet and alone,
Sits in a Chapel, drenched in crimson glow,
And feels it, half-rent by the organ's flow,
Quiver and rock from arch to deep sunk stone,
Will find his heart, responding to that tone,
Until those great pulsations, first to slow,
Mount to the grand crescendo---from below.
His being, swept to stars above his own,
Is rushed on crashing rythms to the sun,
Then suddenly---a silence. All is done.

So were our hearts stirred to the very core
By his great self that seemed our walls to fill
With a soul's richness that is echoing still,
Where master melody is heard no more.

To Morris Reed

So quietly he came, so swiftly leaving,
We hardly knew him when he journeyed on,
But there's a place left empty by his passing
No one can fill but he---and he is gone.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–2000) and is projected to increase by a further 1.5 million by 2020 (Office for National Statistics 2001).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has identified the need to develop a new paradigm of care for the ageing population, one that is based on the concept of 'active ageing'. This paradigm is based on the idea that older people should be able to live independently, to be active and to participate in society.

The Department of Health (2000) has identified a number of key areas for action in order to achieve this paradigm. These include: (1) the need to develop a new paradigm of care for the ageing population; (2) the need to develop a new paradigm of care for the ageing population; (3) the need to develop a new paradigm of care for the ageing population.

The Book of the Wanderings of the '32

According to Charlotte

CHAPTER I

1. And so it came to pass in the year A. D. 1928, a certain company cometh before the prophets for instruction and it so happened that they had but lately cometh from the outer darkness termed the grades.

2. The Prophets gathering certain of its seekers spoke to them in this wise, "Ye the chosen of your generation are called to lead your brethren in seeking, Ye Cramblit, Lowenberg, and McLeod are the chosen ones who are instructed to guide your brethren."

3. And the prophets who spoke unto them were twain, Searles and Douma, they were so called.

CHAPTER II

1. And with the blessings of our Lord they thereby passed into their second state of understanding.

2. The road being broad that leadeth to destruction, the tribe wandering from the guiding light stumbles in to the thicket, otherwise christened the Sophomore Party.

3. However, when they beggeth forgiveness from the upper tribes they were forgiven and restored to the straight and narrow once again.

4. Time passeth quickly and, since by the grace of the Lord the upper tribe had been once removed, thus the tribe of '32 passed to a higher state.

CHAPTER III

1. With the guidance of a prophet from a neighboring tribe called Stranahan, the wanders buildeth a new pit

which they falleth into and they calleth it the Junior Brawl.

2. And though their prophet came unto them and spake to them of their mistake they repenteth not and indulged in another of the worldly sins which they calleth the Junior Mid Year.

CHAPTER IV

1. And so it came to pass that a new prophet came unto the tribe, and was called Geffert.

2. And so as the years rolleth by, the day came when the wandering tribe of '32 was delivered from their wanderings on the day of June 1932 A. D. The tribe buildeth no buildings nor did they erect any cities but no harm came of this since it was ordained that they should do neither. And so it has been that we have watched these children of their parents as a tribe and now it is as it should be for we are going to take them one by one and see if the child of the house of Dunning resemble the house of Lowenberg.

EXODUS

THE BOOK OF GENERATIONS

COUGHLIN 19, 32. And into our midst cometh a torrent who kicketh and bite and it is said that they were going to chain and beat him but instead the tribe took pity on him and gaveth to him a ball of the foot which he might kicketh and bite as he so desired.

GENOCHIO 19, 32. And a second time into our midst cometh a child of

the wind but this time it was a soft breeze and to this one the Prophet Smith handeth a book and sayeth, "Ye shall take this and go unto your audience and readeth to them and it shall so delight them that they will cry for more."

FERGUSON 19, 32. The Wanderers were growing restless for a voice had saideth unto them that a guiding light would shine upon them but as yet it had not shone. Then as the voice promised a beautiful light come down and it was called Delores, and the tribe was content but to look and be amazed for its beauty was uncomparable.

DOOLEY 19, 32. Behold for again the Lord blesseth the tribe and into their midst came a tall lad with hair that shone like the sun and when he opened his mouth music came forth. The tribe named him a one of their own and called him Fouts, and he bringeth much glory unto the tribe under the guiding hand of the Prophet Aas.

CELANIA 19, 32. Then to the joy of the prophets another whirlwind entered the tribe but when he had established himself and they called him Charles, their joy became unfounded for he lead the tribe into turmoil.

MERRINGER 19, 32. Happiness was disappearing in the tribe when behold the prophets took pity on them

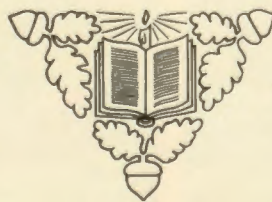

and sent among them a lad with gilded fingers who bringest with him an instrument which they called a piano and with his fingers he tickled the piano and he lived amongst them and they called him Jack.

DUNNING 19, 32. The tribe were suddenly led astray like many sheep without a shepherdess then the prophets delivered a leader unto them and she lead them and they were thankful. They called the shepherdess Virginia.

GIBBONS 19, 32. Versatility was a virtue that the tribe lacketh and as a gift the prophets gave unto them a lad of slight proportions but with a brain beyond all comparison. They welcomed him into the tribe and called him Eddie.

KITTERMAN 19, 32. The tribe lacketh a scribe to write their legends and fables, so the prophets being satisfied with the behaving of the tribe sent a scribe amongst them and the tribe was then satisfied and thanked the prophets and went on their way.

FINIS 19, 32. And so it came to pass that the sun set and the wanderings of the tribe were over. Each member then with the blessing of the prophet Douma separated and went into the world and later perhaps one shall read more of their wanderings. The benedictions of the Prophet Douma be upon you all. Selah!

Tourney and Juste

In days of olde, the doughty knights rode out
And murdered countless dragons, round aboute,
Until, at laste, they quitte wiped out the brede;
There are no captive maydens to be frede,
So now, our knights, when bookes and studies pall
Must turn to track, or foote and basket ball.

In days of old, the doughty knights rode out
 and murdered countless dragons, round about;
 At last, at last, they quite wiped out the breed;
 There are no captive maidens to be freed,
 O now, our knights, when hoores and studies fall
 Just turn to track, or foot and basket ball.

Van Antwerp

Newell

Coaches

J. F. VAN ANTWERP—*Head Coach.*

The master mind of Ottumwa Athletics is a name well suited for Van. He has done more to raise Ottumwa, in the estimation of other large schools, than any coach of former years. For the past year Coach has been concentrating on the future and we feel that he will be rewarded with championship teams. In football Van has a much used trick bag and in basketball he has his famous half time orations.

E. W. TIEDE—*Business Manager of Athletics.*

The school can well be proud of the present athletic department. Gifted with the best coaches in Iowa, the best facilities of any other school in the state, and the best business manager.

Mr. Tiede has been with the Ottumwa High School for many years. He has always done everything in his power to better the athletic department of the school. He furnishes the teams with the best transportation, food, and hotels available. No school in the state has the reputation of having better care than the Ottumwa athletes.

DON NEWELL—*Assistant Coach.*

Newell is the fellow who builds the stars and fighters of future bulldog teams and teaches the scrubs the fundamentals of football and basketball.

He is an expert in track, being a star in his college years. Don took complete charge of the State Championship team this year in cross country.

Although little is heard of the work which the assistant coach does he is the main cog in producing powerful teams. The boys and Coach Van Antwerp are all appreciative of his help.

Captain RALPH SPRINGER;
Half Back.

An all Little Six half back, Captain Springer was one of the best in the state this year. Although he played under a great handicap all year due to a broken nose received in the first game with Davenport, he never once let this hinder him in any way. He was always playing the game hard, clean and square. He was a great captain and was highly admired by his teammates, coaches and fans.

CLEMENT KENNEDY; Halfback

Although only a Sophomore "Hoot" put all he had into the game and proved a worthy man of the backfield. He was especially effective on the spinner play. We have two more years of Kennedy's hard fight and plunge with the Bulldogs.

LAWRENCE PEPPERS; End.

"Pep," playing his first year of football, developed rapidly ere the season closed. He was a hard blocker and a vicious tackler. Next season Peppers will add his strength to what we hope will be a great line. He has been selected as Captain for next years' team.

HAROLD MOON; Quarterback.

Playing in more than half of the games, "Dean" showed what speed really meant. His passes, bullet-like and straight, made him more than a valuable man. He was one of the best "triple threat" men on the squad. He will be missed next year.

BOB EDDY; Left Guard.

Although this was Eddy's first year in football, he played like a veteran after the first game or two. He is gifted with fighting ability, size, and extreme strength, all which make him feared by all his opponents. Bob has two more years of competition and much is expected of him.

BOB McLEOD; Halfback.

With three years of football experience, one with Washington High of Cedar Rapids, Bob was a great addition to the team, possessing the ability to pass, punt, and run with the ball. He was one of the best punters in the conference, averaging over forty yards.

JACK LITTON; Center.

Another inexperienced man, but the bulwark of the team. His weight made him high impossible for opposing linemen to move. Jack out-played and out-fought his opponents like a veteran. A great deal is expected of him in the future, especially in his defensive work.

CHUCK CELANIA; Fullback.

Ranking among the best defensive fullbacks in the state, Charlie did all that was expected of the man chosen to fill the shoes of Captain Warren from the previous season. Not only was he a valuable defensive player but also a great blocker on the offensive. For this reason he was moved up to the line the latter part of the season.

CLARENCE PATTON; End.

Playing under the handicap of injuries during most of the season, Patton was forced to sit on the side lines a great deal of the time. Opponents who did play against Patton found him to be a hard man to stop when breaking through interferences. His tackling was deadly and sure. He will be sorely missed next year.

BILL BAILY; Tackle.

Bill will be remembered as the man who saved the Mt. Pleasant game by catching Bennett from behind in the last minute of play, when the Panther captain had a clear field ahead of him. Bill was big and fast but due to lack of experience he was forced to take turns with the other three tackles.

RALPH O'DELL; Tackle.

O'Dell, playing his first year of football, scrapped like a veteran for nearly the whole season. His weight and experience should make him a feared man for next year. O'Dell has three more years of football.

CRAIG HILL; End.

Not being a regular, Hill was inserted in a number of games as a last resort for victory. Many long gains were made due to Hill's ability to catch passes. He was also speedy in getting down under punts and stopping runs.

JIM STREEBY; Tackle and End.

Although Jim did not play at one position all season he saw a great deal of service. Jim had great ability for breaking into the back fields of opposing teams as well as taking out interference on end runs. Next year Ottumwa foes will again have to reckon with Jim.

TOMMY COUGHLIN; Guard.

Playing his last season of high school football, Tommy was an All-Little Six guard. His size was no handicap, for he out-played, out-fought, and out-talked every one of his opponents, regardless of their size. Coughlin has put a brilliant record behind him and his spirit will be missed next year.

Football Squad

Coach "Jimmie" Van Antwerp had only six lettermen around which he was to build a team that carried on one of the hardest schedules the Ottumwa High School has ever had. Out of these six lettermen there were only three who had played as regulars the year before; Captain Ralph Springer, half back; Bob McLeod, quarterback, who came here from Cedar Rapids where he had played with Washington High's Tigers; and Tommy Coughlin, guard.

Breaks which might have daunted more experienced teams befell the bulldogs when they took the field against the state championship aggregation of Davenport High, on September 17. Out-scored in the first half, the Ottumwans came back in the last half to hold Davenport scoreless while Springer fought his way goalward for Ottumwa's touchdown.

On the following Friday night, Ottumwa tied Washington 0-0 on the latter's field. Washington was considered by critics to be the pre-season favorite to win the Conference Title, but the Bulldogs outfought Washington, failing to score.

Again Ottumwa set out on the war path, this time traveling to Muscatine to defeat the "Little Muskies" 13-7 under their own arc lights. The Bulldogs were lead by the flashy spirits of Springer and the passes of Moon. Mt Pleasant came here next to settle a little argument as to who was the leader in the Conference, but this quarrel went unsettled because of a 0-0 tie. Patton's playing was outstanding in this game and climaxed when he ran down Bennett to spoil a sure Mt. Pleasant touchdown.

The last Little Six game, Burlington, was shrouded by the old jinx which seemed to hang over Ottumwa this year, 6-6.

In closing the season Ottumwa defeated Albia 7-0 by a forward pass from McLeod to Hill. This was a battle of passes in which over fifty percent of the plays called for the air guns. The annual Thanksgiving Day festivities were closed by a disastrous defeat at the hands of our ancient foes at Oskey. The score was 37-0.

Row 1—Bertroche, Lyman, Peppers, Herrington, Black, King, Trautwein. Row 2—Swanson, Ayers, Kelter, Apley, Shepp, Toole, Orbin. Row 3—Rumph, Hill, Boyd, T. Anderson, Morrow, Kennedy, P. Anderson.

LITTLE SIX CONFERENCE RACE

In the first conference game of the season, the fighting Bulldogs beat Fairfield 23—22. This game was marked by the usual uncertainty, and although there were some ragged plays, it was a toss up all the way through. In the next game the Bulldogs went to Muscatine to play a team that had not been beaten in two years in Little Six competition. Ottumwa held the Little Muskies down to 13 points to 9.

The Mt. Pleasant game on Ottumwa's floor was another defensive battle with the superior work of the Bulldog's guards and center determining, to a large extent, the outcome, Ottumwa 11, Mt. Pleasant 9. In the Burlington game at Burlington, Reeves, feeling sorry for the Greyhounds, dropped the ball into the opponent's basket. The score was 19—14, in favor of Burlington.

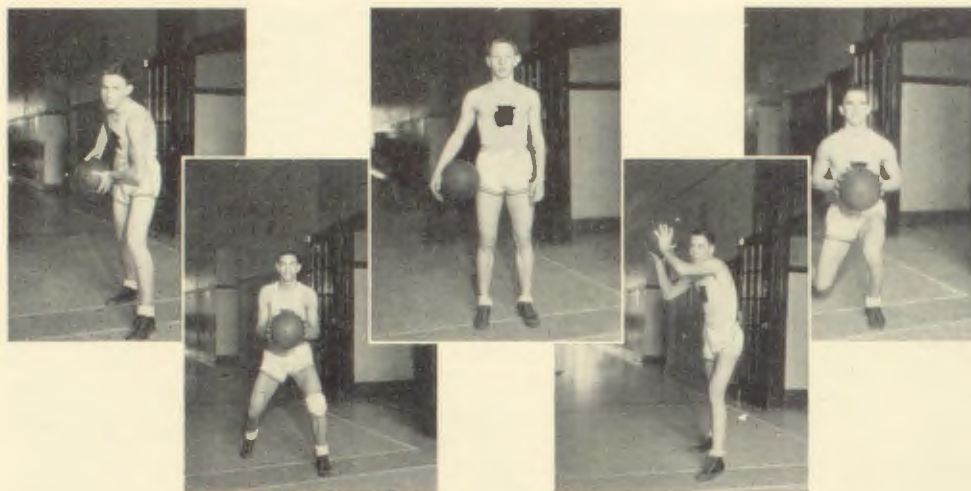

On their home floor the Bull-dogs whipped Washington by a score of 27—24. Shepp was high point man with 16 points. This was the last game for three regulars—Moon, Reeves and Frazer, all being victims of the eight semester ruling.

The first game of the second semester in the conference was a setback for the newly organized Bulldogs. They went to Fairfield and although playing excellent basketball, they could not overcome the lead of 14—5 that Fairfield had obtained in the first half and lost 24 to 21.

Muscatine, on the Bulldog's own floor and without Barko, lost a mediocre game of 20—13. Mt. Pleasant took the count of a Bulldog team that was not up to standing and the result was Mt. Pleasant 24, Ottumwa 13.

In the Burlington game, however, the Bulldogs came back with a bang and nosed out the Greyhounds, 30—28.

The final game of the conference race was with Washington, and the Bulldogs, with the typical fighting spirit swamped them to the tune of 34—21, thus leaving themselves on the top of the heap, tied with Mt. Pleasant and Fairfield for the conference champions.

Joe Bertroche

Basketball

DICK TRAUTWEIN—Guard.

Although not on any honor teams, Dick was only a sophomore and has two full years left in which to prove his worth as a basketballer. Dick was regarded as a very consistent player on a large floor and wasn't far from that on a small floor. Long shots were Trautwein's specialty and many games were sent into overtime periods or won by these shots.

JOE BERTROCHE—Forward.

Although playing his first year of basketball for the red and white, Joe developed into one of the coaches most valuable men. He could always be depended on to fight to the last gun, and above all, stay with his men. He was a whirling, twirling, hard playing, forward who was not only liked by his coaches but by his teammates and schoolmates. Joe will be missed next year.

HAROLD MOON—Forward.

Probably the biggest loss at the end of the first semester, Harold proved his ability as a basketballer. His bullet-like passes were deadly in aim and his snappy pivot and dribble-in shots were unrivaled by his opponents. Moon's "pep and enthusiasm" was missed but was given to many who heard him as a Sports Announcer over the air.

MAX SHEPP—Center.

Playing his first and last season for O. H. S., Max was an outstanding center in the Little Six Conference being runner-up for individual scoring honors, and was named on the second All-Little Six Honor Team. His defensive playing was outstanding and his work under the baskets was remarkable. Shepp's ability to make free throws aided in winning many games. He was captain during the second semester and was selected on the all-district team.

MELVIN REEVES—Forward.

The old jinx, eight semester rule, again caught up with O. H. S. this year taking the only three veterans, of whom Mel was one. While playing only half of the season, Reeves was Captain and the flash of the team. His push shot was one of Ottumwa's scoring threats early in the season and his defensive work could be counted on.

Basketball

BERNARD BLACK—*Forward.*

Another member of the honor team, second All-Little Six and the All-Sectional, Black earned these honors and more too. His nimbleness and speed were noticeable above each of his opponents, whom he out-witted and out-played at every turn. Misfortune overtook him in the district meet, where he suffered a sprained ankle. Black, being only a sophomore, should do great things next year and will be a menace to Barko's scoring record.

EARL APLEY—*Forward.*

Starting as a guard at the first of the season Apley developed into a classy forward due to his speed, he was regarded as one of the fastest players in the conference. He was especially outstanding in the game against Washington of Cedar Rapids, being all over the floor at once. Pivoting and driving into the basket, were his specialties.

"FLASH" FRAZER—*Guard.*

Was a real guard, and being a victim of the eight semester rule was unable to prove himself as he would otherwise have done. Frazer stood out on defence like a sore finger on a one armed man's hand. He could always be depended on to do his share of the guarding, and many a time, if it hadn't been for his brilliant defensive play, the scores might have been different.

BILL KELTER—*Guard.*

One of the best guards in the state this year, Bill was on the second All-Little Six, All-Sectional, and All-District Honor Teams. His defensive game was the best played by any this season. His ability to make dribble-in shots, as well as long shots, was a feature of the games in which he played.

RUSSELL HERRINGTON—*Forward.*

A junior with another year to go, "Lefty" became prominent on the team shortly before the Bulldogs began waging their fight for the State Title. He held individual scoring honors at the sectional tournament and was chosen on the honor team. A great deal of this is due to his favorite left handed hook and push shots. "Lefty" was scrappy on defense, being all over the floor at once, especially in intercepting opponents passes.

Track

Slowly but surely Ottumwa is coming out of its track slump. With few or no experienced track men, Coach Van Antwerp and his aid, Don Newell, developed a few record breakers and trained other men who will be back in the future.

Starting the season with first annual Little Six Indoor Meet, the Bulldogs did exceptionally well for an inexperienced team, placing third among more experienced teams such as Burlington, Fairfield and Muscatine. Freeman, Rex and Cole were outstanding in this meet. The following week, April 4, found the Bulldogs at the State Indoor Meet. Though the team did not place they gave their opponents much competition. Bob Freeman ran third in the 120 yard high hurdles.

Opening the outdoor season Ottumwa invaded Oskaloosa for a night dual meet. Winning four out of five relays and placing first in practically all of the other events, Ottumwa snowed Osky under with a score of 96 $\frac{1}{4}$ to 43 $\frac{3}{4}$. A week later the Bulldogs returned to Oskaloosa to attend the annual relays. Here they competed against the best teams in this part of the state. The team didn't place high but Freeman broke the meet record in his specialty, running it in 16.9. On May 2, Ottumwa played host to Fairfield for its second dual meet. Again an overwhelming victory was marked up for Ottumwa, the score being 91 to 44. Next came the Little Six Outdoor Meet in which Ottumwa placed third, showing much promise of annexing the title next year. Ottumwa's outstanding performers were Freeman, who ran the high hurdles in 16.2 to break the conference record; Cole, who neared the record in the high jump, and Albertson as well as the mile relay team. In the race for the state title, which commenced at Fairfield with the district meet, Ottumwa tied for fifth place. Freeman and Cole qualified for the state meet where the former placed third in the final heat of the 120 yard high hurdles.

Cross Country

The Ottumwa High School cross country team under the coaching of Don Newell, won major honors at the Muscatine Invitational Meet at Muscatine on October 26, winning over a field of seventy-five contestants.

Harold Kissinger, lithe, leather-lunged Bulldog paced the pack nearly all of the way to capture first place. John Schmidt brought Ottumwa additional points by placing fifth place, while Howard Frazer completed the scoring by counting seventh. La Gurna Hood fourth member of the team finished out of the point table.

The victorious Ottumwa aggregation then traveled to Iowa City to attend the State High School cross-country meet which is held annually. Ottumwa again defeated Muscatine, the defending champions 23—38.

Schmidt lead the scoring for Ottumwa at this meet placing fourth, Kissinger and Hood placed seventh and twelfth respectively. Giving Ottumwa the State Championship with the low score of 23.

Of those competing in the meets this year three will be eligible for competition next fall. Schmidt a sophomore, Hood and Kissinger juniors.

Twenty-two schools were entered in the contest. The following is the team standing for the first ten schools.

Tumbling Squad

Although not a major sport, tumbling requires a great deal of skill, discipline, and courage. It is thought by some that the art of tumbling requires no team work, that everything is up to the individual himself. However, tumbling requires much more team work than do some of the other minor sports. The tumblers developed this year to such a point that they were asked to perform before many audiences. Among the outstanding ones were the Teachers' State Convention, the home basketball games, and many clubs and lodges.

Next season most of the tumblers return but the parallel bar performers, Melburn Hill and Jess Carnal, will be lost by graduation. We hope their places can be filled by men as skillful as they.

Coach Trites started "tumbling" in the school four years ago and each year the interest seems to grow among the boys, as a larger number of boys are reporting for this branch of activity.

During the past year this type of work has been included in the programs of all the gymnasium classes, where a number of the boys were first initiated into the arts of the exacting sport. A number of the members have developed to a high state of proficiency, and have received much comment from the spectators during the performance of their exhibitions.

OFFICERS

President—RALPH SPRINGER

Secretary-Treasurer—HAROLD MOON

Vice-President—TOMMY COUGHLIN

Adviser—J. F. VAN ANTWERP

The Boys' "O" Club, after sponsoring a dance the first semester, found themselves in debt about fifty-nine dollars. A tremendous debt for such a small organization. But, due to skillful management of the adviser, officers, and the club as a whole, they managed to balance their debt and finish the year with money in the treasury for the oncoming club.

Membership in this organization is limited to those who have won letters either in basketball, football, or track. To complete the requirements for a letter in basketball, and football an athlete must play over half of the playing quarters during the entire season. To receive a letter in track one must win ten points while competing in the seasons track meets, or place in the state meet.

These "O" Club men are the ushers at all athletic events in the gymnasium and are the ones responsible for the various dances given throughout the year for the teams.

Cheer Leaders

Organize cheering and any team can plunge ahead.

So we think and we have our cheer leaders to back us.

It is their duty to work up pep and enthusiasm for our teams on the football field, the basketball floor, or at the track meet.

TOURNAMENTS

Ottumwa was assigned to the Sectional Tournament at Bloomfield and had little trouble in winning the tournament. The first game was with Bloomfield and although they were on enemy territory the Bulldogs won easily 34—21. The second game was nothing short of a massacre. Our second team played all but the first quarter and held Moravia to 54—4. The final game with Centerville was a little closer. The Big Red team held the Bulldogs until the last quarter but in the last few minutes of the game the team pulled ahead and won 29—24.

By winning the Sectional, Ottumwa won the right to hold the District here. In the first game we swamped Indianola 26—13. The second game was an old fashioned thriller. Albia led through the whole game up to the last four seconds when Black made a free throw to shove Ottumwa in front. We won 25—24.

The next night Eldon gave the Bulldogs the scare of their lives, driving them to the last four seconds, when Toole, substitute center, threw the winning free throw.

After having won the District, the fighting Bulldogs went to Des Moines to play in the State Tournament. They played a terrific game with Washington High of Cedar Rapids. Up until the last three minutes they were trailing by a considerable margin. Then with a burst of speed a fighting team of maniacs crept ahead of Cedar Rapids 16—14. With twenty seconds to play Cedar Rapids tied the score at 16 all. In the overtime period Ottumwa wilted, having spent all their strength tying the score. The final score was 27—18.

Thus the Bulldogs closed another successful season. They won 14 games and lost 8. It was a typical Ottumwa season. The team started out rather slowly and worked up to a whirlwind finish.

We are happy to announce that our 1932 Annual received "First Class Honor Rating" in the national competition of High School and College year-books. We hope for the same good results when we enter this book, next fall.

We are members of "Quill & Scroll," the national Honorary Society for High School Journalists, and at present have active members; Virginia Dunning, Russell Harper, Maxine Kitterman, Francis Darbyshire, Betty Kane, Helen Hannum.

This year has been a hard one for any school publication. We find that several of the large schools in the state have discontinued their year-book this year. We have endeavored to carry-on and hope the results will be satisfactory from every standpoint.

AIM

The Argus News is the laboratory in which the Journalism students demonstrate that which they learn in the class, and is the medium by which news and features are presented to the students.

ACTIVITY

In addition to the publication of the bi-monthly issue, the Argus News instituted this year, the publication of a daily news sheet "The Argus Daily." This paper, which contains announcements, school news and foreign and national affairs is ready in Advisory groups.

In connection with the publication of the Daily, the Journalism students take charge of the bulletin board, on which is posted the Daily Associated Press dispatches, and all other news of interest to the students.

The Argus News has also sponsored a weekly High School radio broadcast. This feature of WIAS was on the air every Thursday evening at 7:30. In this program, new talent, as well as that already familiar to the community was presented. These weekly broadcasts aided in bringing the High School before the community.

AIM

To help other students and the teachers in definite school tasks and reference work. To make more information available and thus enrich and broaden the student's field of knowledge.

ACTIVITIES

Besides serving one period everyday, the students making up the Librarians' Club helped in High School Night and also sponsored a pep assembly. The social activities of the club include picnics, parties and coasting parties as well as a taffy pull. A contest was sponsored to discover the most interesting book or magazine in the library.

REMARKS

Members of the librarians' club give a peculiar service to the school. They must be familiar with the books in the library, their arrangement and have ready an endless supply of patience to meet the demands made by the students.

Girls' Glee Club

The Girls' Glee Club took part in both operettas, "Once In a Blue Moon" and "Oh, Doctor." They also sang for commencement.

The Boys' Quartet has been perhaps the most popular musical organization this year. They have sang for various groups, broadcasted over WIAS and were always ready to sing on a few hours notice. They appeared before the Teachers' Convention, and aided in many special programs, both for school and town groups.

 Act II. Living room of the Wheeler home.
 Act III. The same. That evening.
 Act IV. The same. Next morning.

SYNOPSIS

The play “Clarence” takes place in the early fall of 1919.

Clarence has just received a discharge from the army. He comes to Mr. Wheeler's office looking for a position. He overhears some of the family scandal and because of this Mr. Wheeler employs him at his home. Clarence is at once taken into the family confidence and advises each one what to do in difficult circumstance.

Mrs. Wheeler accuses the governess, Miss Pinney, of being in love with Mr. Wheeler. Cora, Mrs. Wheeler, and the maid, are all in love with Clarence while Clarence is in love with Violet Pinney. Miss Pinney in turn is being sought by the Villain, a grass widower, who poses as Cora's lover. The difficult knot is untangled only when Clarence's true identity is revealed.

AIM

The aims of this club are to assist the members to become better fitted for positions so the business men will have confidence in the office employees and to promote fellowship and good-will among the members interested in this work.

ACTIVITIES

By means of this club, members may have the advantage of hearing inspirational and practical talks of leading business men and women of the community, investigating business methods, interviewing business men and making reports to the club of the knowledge thus attained.

The club is working out a scrap-book, "The Business Men of Ottumwa," to be placed in the school library when finished. Each member is assigned to some prominent business man of the city for an interview. The data is collected upon the kind and amount of the man's business; his climb to his present position; and any other facts he may give us regarding his business.

Several prominent business men of Ottumwa have been kind enough to come to our club meeting which are held every four weeks and discuss, with us, present day business problems. We have found this to be very helpful and interesting and we appreciate their cooperation.

Reserves

AIM

The reserves aid in the government of the school. They are on duty in the halls every period, aiding in making O. H. S. student government one of the models of efficiency and practicability in the state.

ACTIVITIES

Reserves are elected from each advisory group. One from freshman groups, three from sophomore and five from junior and senior advisories. These representatives are stationed in the halls where they sign "pink slips," give information to strangers and prevent disturbance. Reserve meetings are held at intervals, when new rulings are explained.

REMARKS

Reserves are also often called as witnesses in the Student Council court. If the reserve notices someone breaking one of the student council rules, or finds anyone in the halls without a pink slip, the offenders name is turned into the council librarian on duty that period. The person is called for trial and often the case is decided on the reserves testimony.

Reserves have responsible positions and it is seldom that one proves unworthy of the trust placed in them.

Then there was the burglar who stole a bath tub. Police expected him to come clean.

Young: "My girl's a brick."

Youngster: "Mine's a hard baby too."

Sayles: "I just met the biggest shooter of the bull that I have ever listened to."

Evans: "How does it feel to be an ex-champion?"

The Store of Authentic Styles

Out of the multitude of ideas brought out each year, a few are retained and most are soon forgotten.

It is in the "FEW" that are true fashions—the Styles that mark the mode of the season which may be acquired through depending upon the judgement of those who are accurate authorities in design—that we have become a center of fassions.
