W4²4858 Louis Kohl Brandt, Sr. was born in San Diego, CA in 1912. His father, Louis, had sold his farm near Franklin, WI in 1911 and moved west. In 1922, they moved to Kenosha, WI and Louis received his elementary and high school education there. He attended the Whitewater State Teacher's College at Whitewater, WI and received his B.E. degree majoring in English, Social Studies, Education. Both Louis and his wife graduated from this college in 1936. In 1940, he received his M.A. degree in Labor Economics, Monetary Theory. In 1943, graduated with a Ph.D. in Private and Public Finance, Economic Theory, and Social Psychology.

His dissertation (or written theses) was on "Shifting and Incidence of Property Taxes," directed by Prof. Walter A. Morton. He retired in 1975 after 30 years of teaching and administration work in Mississippi Universities. He taught in the University of Southern Mississippi, Hattiesburg, MS, 1968-1975. He was Chairman of Department of Finance, 1968-1973, and Professor of Finance 1973-1975.

After retirement he still taught courses and Seminars in Financial Management, Insurance and Economic Principles, teaching at A and I University, Kingsville, TX, 1976-1977. He was Vista Volunteer from 1979-1980 in Newport, Kentucky - poverty groups, newspaper work and seminars for small business. In April 1976 he was honored at the University at Whitewater as a distinguished Alumnus.

In 1959-1961, he served in Foreign Services with the University of Wisconsin Team, Ford Foundation financed, to teach and direct at Gadjah Hada University at Jogjakarta, Indonesia. He lectured in finance, supervised graduate case studies and thesis, participated in a special Executive Training Institute and recommended Indonesian students for advanced study in the United States. This was a tour around the world. Leaving the U.S. in 1959, he and his family spent several days in Tokyo, Hong Kong, and Singapore. On the return trip they traveled for 7 weeks through the Near East and Europe. When in Germany, they visited the ancestral Brandt Farm of Futig, near Detmold, in Lippe.

Louis is credited with a book, printed by Prentice-Hall in 1972, entitled, "Analysis for Financial Management", another in 1965, "Business Finance", also by Prentice-Hall, and 1948, "Corporate Fees and Taxes", by the Bureau of Business Research, University of Mississippi.

He has been listed in "Who's Who in America", honored by Beta Gamma Sigma, honorary business groups and professional organizations.

He established the "Brandt Publication Award Fund" at the University of Southern Mississippi in 1978. This is an endowment fund, the interest on which is paid every two years to the faculty person, in the College of Business, who has published some outstanding scholarly works. This is his "pet" project—to try to increase the size of the fund each year.

To this I would like to add a credit of my own. During a bad flood at Hattiesburg, I wrote to Louis and his wife to find out if they had been hit. They answered that they lived above the flood area but that day had helped a colored woman clean the mud out of her home and helped to make her home, in the poverty stricken area, liveable again. This was voluntary on their part, to help those people less fortunate than they are—for which all of us would award them an additional degree of "OK!".

W4²48581 Louis Kohl Brandt, Jr. formed the Brandt Co. in 1972, "the world's leading designer and manufacturer of solids control equipment". He is now President and sole Stockholder of the company that manufactures equipment for oil drilling. Wherever in the world that oil drilling is being done, his equipment is an important part of it. Some of this equipment consists of Screen Separators, both single and Tandem, Mud Cleaners, Desanders, and Desilters, and portable blowers for drilling rigs, all in different sizes. For instance, on a Tandem Triple Unit, oil passes through at the rate of 2400 gallons per minute while the unit screens solids from liquid.

Louis, Jr. received his Electrical Engineering degree from the University of Texas. Office and manufacturing plant and warehouse are all in Texas.

In Memory of

IVA LEONARD ACKMANN

11 Dec. 1895 — 4 May 1979

She was instrumental in gathering most of these family records and aided with the history of the Sandmann Family until her death, at 84 years. She shall always be remembered— with love!

Wilhelmine "Henriette" Wehrmann, 9th born of Franz Dietrich "Karl" and Anna Maria Multhaupt Wehrmann, was born on 19 August 1832 in Tevenhausen, Lippe, Germany. She was baptised on 19 August 1832 at the Germany Reformed Kirche at Langenholzhausen. Lippe, Detmold.

Taufen:

Charlotte Knoener of Bovenhausen, Lippe
 Sophia Stockmeier of Bovenhausen, Lippe
 Amalia Boger of Bovenhausen, Lippe
 Sophia Jurgensmeier/Nagel

She migrated to America in 1851 with her parents, her sister, Karoline, Fredericke, Anna Maria Dorothea, and a brother, Simon. Preceding them in 1847 were a brother, Frederick "Karl", and Katherine, another sister.

She married Frederick Sandmann at Saran Reformed Church on 15 April 1857. In 1871, they migrated to Nebraska and settled on a farm. They traveled by covered wagon, a son, William died on the way out.

Records at Fairbury, the county seat of Jefferson County, describe the land purchase as follows:

Oct. 26, 1870

Section 9 NE $\frac{1}{4}$ in Jefferson Township, rural Plymouth, was purchased by Fred Sandmann and wife from Nikolas L. Povclevan and wife.

The Sandmann family joined the Town Herman, Sheboygan County, WI settlement in 1848 - 3 years before his future wife, Wilhelmine Henriette Wehrmann.

They traveled to Nebraska with a group, all from Town Herman, made up of the families of Adolph Arpke, Schnuelle, Ernest Stahl, Steffen, and Tasche, to establish a colony near Harbine. Frederick Sandmann had gone out to Nebraska and purchased land in 1871, then returned for his family. Apparently his parents followed as they are buried there, possibly on the Sandmann Farm.

Charter members of the Hope Evangelical and Reformed Church near Harbine, Nebraska, established 14 January 1883, as follows: Adolph Arpke, Ernest Stahl, W. Scherling, L. Scherling, P. Bock, R. J. Arpke, Fred Sandmann, Adam Herwig, and J. Gretzinger.

It is said that Edw. "Frederick" Sandmann first traveled to Nebraska, purchased land and came back to tell his wife of the nice level land and flat fields. She asked, "Does it have trees and water on it?" When he replied that it didn't, she refused to go. She knew the importance of these things for the pioneer life. He kept the land and bought another farm near a little creek with trees along it's bank. In August, on the 26th day, year 1903, the estate of Frederick Sandmann, said land was purchased by his son, George Sandman. Their grandsons, Otto and Fred, still own the farm. In 1977, Otto was 74 years old and Fred, 66 years of age.
