Soil Conservation Queen Contest To Be Held Again

Soil Conservation Districts in Iowa are searching for the Iowa farm girl that will be named "Queen of Conservation" in September of this year. The winner of the state contest will be the official queen of the Iowa Soil Conservation Districts Field Day and State Contour Plowing Match scheduled to be held September 9th and 10th near Van Meter, Iowa in Dallas County.

Other official duties of the queen will include acting as official hostess for the Annual Conference of Soil Conservation District Commissioners, Fort Dodge, and an appearance at the 1965 Convention of the Farmers Grain Dealers Association of Iowa (Cooperative), Des Moines. She will also appear at several county meetings and events through the state.

This will mark the fifth consecutive year the contest has been co-sponsored by the Farmers Grain Dealers Association of Iowa (Co-operative), Des Moines, and Iowa's 100 Soil Conservation Districts. The contest always creates a great deal of interest through the state and the crowning of the state winner will culminate the search for that certain girl who will be queen.

The girl who is...

queen in ceremonies at the Plowman's Banquet, to be held in connection with the State Field Day, in Adel on September 9th. The state contest will bring the regional winners from all over the state to compete in the judging and will be one of the most effective lobbying organizations, which is one of the most on Association of Letter Carriers, most of them belong to the National Take mailmen, for example. men serving you in Washington. men's payroll -- you have spokes-
