

Fredericka Fricke
Richard Davis

GONE BUT NOT FORGOTTEN

A precious one from us has gone,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.
God in His wisdom has recalled,
The boon His love had given,
And though the body slumbers here,
The soul is safe in Heaven.

The above was on the funeral card of Frederecka
Fricke Davis.

We felt it appropriate to print it as it teaches
us all that God calls us at anytime in life,
even young mother's who have small children
to raise.

Eleventh Child of Christian and Caroline Fricke

FREDERICKA FRICKE

born August 25, 1879
died January 19, 1914

RICHARD JAMES DAVIS

born May 11, 1866
died January 9, 1937

Married November 11, 1899

Frederecka was born northeast of State Center of the family farm.

Richard Davis was born in Wales, England and came to the United States when he was four years old. His family settled near Big Rock, Illinois.

George Davis came to Marshall County and some time after he had his brother Richard come to work for him. While here he met and married Frederecka Fricke and they settled down in Iowa.

The first few years of married life they lived in Marshall County about five and one half miles northwest of State Center.

Then they moved to Sherman Township in Story County with most of the children born during the time they lived there.

In the fall of 1913 they journeyed to Minnesota in an Overland Touring car and bought one fourth section of ground in Faribault County Minnesota with plans of moving to Minnesota in the spring of 1914.

Frederecka was excited about the move to Minnesota but before the move was made death came to the home and Frederecka was buried at St. John's Cemetery in January of 1914.

With the ground already purchased Richard and his young family moved to Minnesota leaving the youngest child, Ivan to live with Frederecka's sister Minnie Eckhardt. Ivan was only about sixteen months old.

Richard had housekeepers for awhile to help care for the family but mostly the family did for themselves.

As the children in the family got old enough they each returned to State Center to work, live and marry.

In 1926 Richard moved back to Iowa and lived with his children most of the rest of his life.

(Irene Davis Mishler brought up the funeral card from her mother's funeral and on it we found the spelling for her name to be Frederecka. In the printing of this book it is done as Fredericka and will remain that way as even the index tabs are that way. This information was brought July 1982 after the typing was complete and the tabs had been printed.)
