Mr. Chas. W. Gasswint
406-08 So. Federal Avenue
Mason City, Iowa

Dear Mr. Gasswint:

Thank you for your letter concerning your company's wish to bid on the tent requirements for the Soil Conservation Field Day at Guthrie Center.

I am sorry to say that the bidding took place back in May and the committee has acted on these bids and orders have already been made. I am sure that the committee would have appreciated a bid from your company, but for some reason your concern was overlooked when a request for bids was made.

Perhaps we will be able to extend an invitation to you for another one of our events.

Sincerely,

LOUIE O. HANSEN
Sec'y, Conservation Field Day
