

IOWA DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP

PATTY JUDGE
SECRETARY OF AGRICULTURE

March 9, 2006

Arlen Becker, Chair
Warren Soil and Water Conservation District
909 E. 2nd Avenue, Suite B
Indianola, IA 50125-2812

Dear Arlen:

This letter serves to supplement the project agreement between the IDALS/DSC, the Warren, Clarke, Lucas, and Marion Soil and Water Conservation Districts and the USDA/NRCS with respect to the Whitebreast Creek Watershed Project. As requested by the District, DSC will provide \$16,303.80 in additional Watershed Protection Fund (WSPF) financial assistance to the project for SFY2006 to support the line item "Terrace" in the budget. The same cost share constraints apply to these funds as those previously stated for this line item in the initial supplemental allocation from WSPF. The District will need to make the appropriate changes to the project WSPF ledger in order to reflect these supplemental funds.

Please make a copy of this letter for the District's records. A copy of this message has also been sent to the other SWCDs participating in the project.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in black ink, which appears to read "James E. Gillespie".

James E. Gillespie, Field Services Bureau Chief
IDALS-Division of Soil Conservation
