Like in the past years, this year's pep assembly was full of Hawk pride. The activities included cream the council, encouraging speeches from the football team, the band show, and the cheerleaders' performance. Announced by Mr. Lage and Mr. Asmussen, the pep assembly's primary goal was to pump up the crowd for homecoming. Overall, the pep assembly was a great success.

# Jobs

Balancing school and a part time job can be tough, but the students here at AHS seem to make it work. Many students have jobs to help pay for things such as cars, gas, clothing, and entertainment. Students tend to work 15-20 hours per week during school, and generally make between \$5.15 - \$8.00 per hour. Some students don't enjoy the pay or the hours, but enjoy their job because of the social atmosphere. So, even a menial job might allow students to socialize and get to know people in the community. Others work not for the pay, but the enjoyment of the job. Regardless of the reasons, more and more students work.

With the number of students at Ankeny High School increasing, the number of alternative sports are also growing. Each year more and more students pick up these interests outside of the high school. Some of the sports the students choose to be a part of outside of school include: Dance, Dodge Ball, Snowboarding, Competitive Cheerleading, and many others. As more and more students enter the high school building, these interests will continue to grow.

# Foreign Trips

At Ankeny High School there are many opportunities to go on foreign trips. The French students are going to France the summer of 2006. The Drama Club went to Scotland, anyone that is in Spanish could go on the Spain trip in the summer of 2005, and the Italy trip during spring break was optional for anyone who wanted to go. All the students had a fun time on these trips and it is an experience they will never forget.

The Baseball team had another fantastic season. The summer was full of many surprises which made this year a record-setting season for the team and for coach **Mark Hey**. They played a total of 46 games; of those games, the boys won 39. With the team winning most of their games and practicing throughout the summer, the team made their way back to the State Tournament.

The Hawk's 8th trip to the State Tournament was just as successful as their season. At state they defeated Clinton and Council Bluffs Lewis Central. In the championship game, the Hawks faced a tough opponent in West Des Moines Valley. It was a close game, but Valley pulled ahead late and the Hawks lost with a final score of 6-8. Even though they were not successful in their final game, the team set many individual, team, and state records.

The Varsity team gets pumped up before the big game at the State Tournament. The hard work and dedication paid off for the team this season. They won a majority of their games and set many school records, including most wins, most home runs, and most RBI's by an individual player. **Coach Hey** remarked, "The senior leadership was great to see."

*The Hawkettes circle up for the pre-game tradition as they discuss tactics and pump each other up.*

The Ankeny Softball team had a great 2005 season, even though they had a considerably young team this year.

The Hawkettes were guided by two seniors: **Kelsey Nurnberg** and **Stephanie Sharp**. The team brought up sophomores, freshmen, and eighth graders to help the team throughout the season. A number of players were recognized for their outstanding talent. **Kelsey Nurnberg** placed on the 2nd All State Team, and was four strike-outs away from breaking the school record with 339 strike-outs this season. **Christina Lemon** and **Lori Evans** both received honorable mention from All State.

The team's overall record ended with a mark of 21-30. The team started off slow, but ended strong. They accomplished their goal of making it all the way to sub-state. They easily beat out Urbandale and Waukee, but then fell to Johnston. Overall, the girls had a very talented team and a successful season.

As soon as August started, the Hawkettes knew they had a tough road ahead. 8 seniors graduated from a state championship team and the returning players had to learn to mesh with new players to form an even stronger bond. The girls started strong, winning all regular season matches. Their only losing matches were to Iowa City High and Ames in tournament action. Their tough practices and determination lead the Hawkettes to a strong season. After winning the CIML Central Conference for the 5th consecutive year, the Hawkettes focused their road ahead. After pounding both Des Moines North and Des Moines East in under an hour, they headed to Saydel to face Newton for the finals. Tough serves and strong passing lead the Hawkettes for yet another state tournament birth.

The state tournament would provide the arena to showcase the chemistry the girls had built through the season. After defeating Dubuque Hempstead and Cedar Falls, the Hawkettes faced their toughest match yet against Bettendorf in the finals. In a race to 5 games, the Hawkettes came out on top 15-10 in the final set. This group that formed such a great team started out playing together in fifth grade. Who knew they would finish together winning a state title.

The football team huddles up to decide the next move against Sioux City North. Ankeny would go on to win 38 to 9.

The Hawks had a rough start with two losses at the beginning of the season. The first was to top-ranked Valley, a rematch of last year's State semi-finals game, and then to Ames in double overtime.

In the weeks following, the Hawks had wins against Des Moines East, Sioux City North, Indianola, and Johnston. After a loss to Dowling, their playoff hopes were on thin ice. The Hawks fought back and ran over their next two opponents, Urbandale and Southeast Polk. With those two wins under their belts, the Hawks made it to the playoffs. In the first round, the Hawks faced the Railsplitters from Des Moines Lincoln. Lincoln put up a good fight, but it wasn't enough. The Hawks pulled ahead with another win. In the next round, the Hawks played the Maroons from Dowling Catholic.

The Hawks put up a good fight, but Dowling came out on top, again. Even though the season ended with a loss, this season is one the Hawks should be very proud of.

The Varsity team tries to calm their nerves at the beginning of their meet at Otter Creek. They placed third as a team. By competing against tough competition all season, including a trip to St. Paul, MN, the varsity runners were able to win both the CIML conference meet and their district.

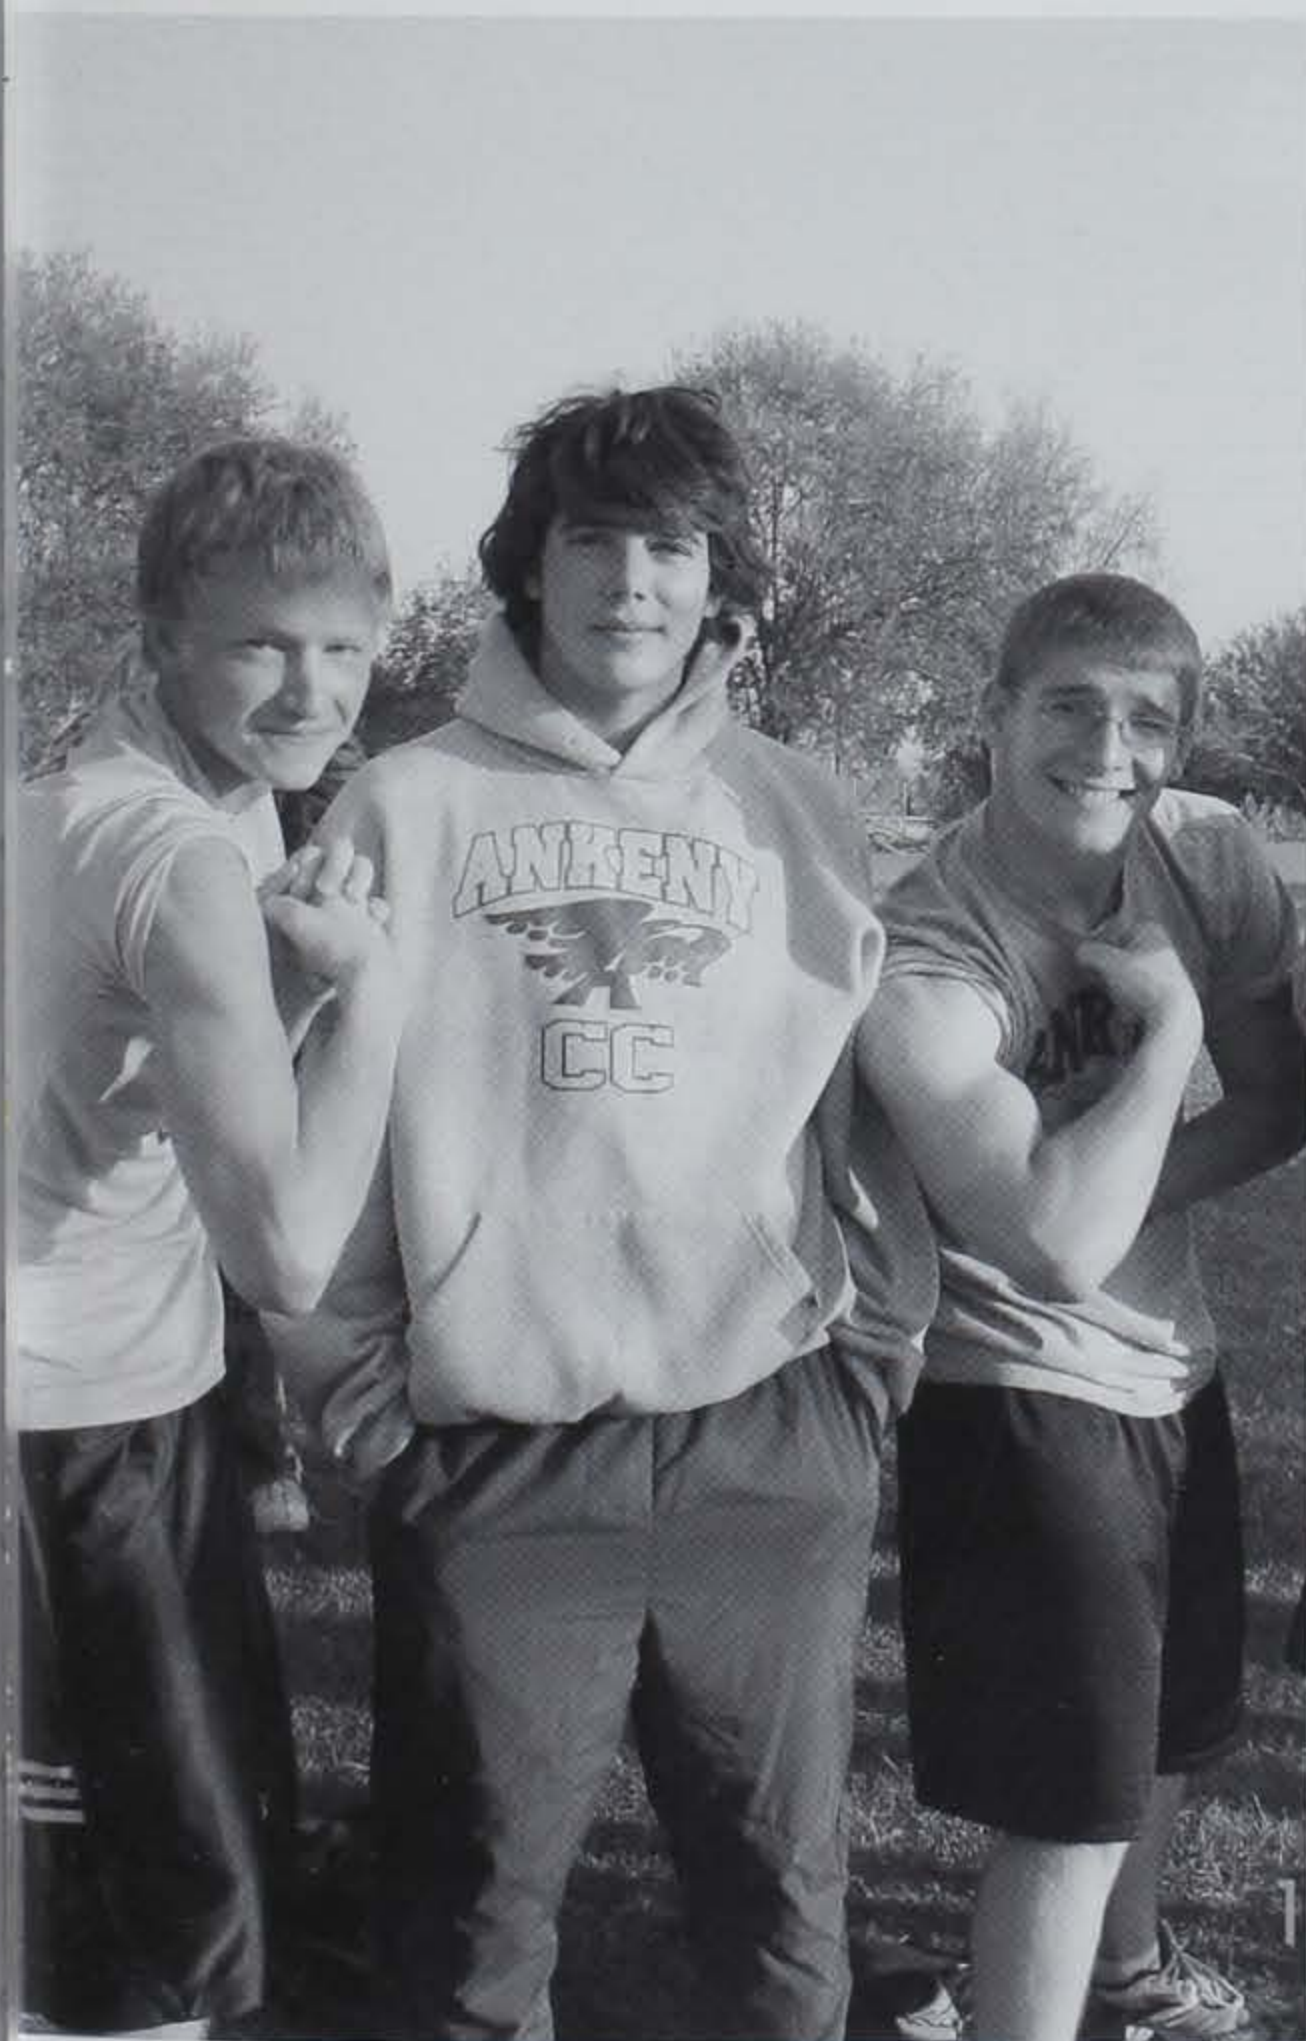

The Ankeny Boys Cross Country Team ran its way through a great 2005 season, leaving many defeated in their path.

The boys started off the season perfectly with a 1st place finish at the Little Cyclone Invitational in Ames. They beat out six other opponents. The junior varsity team came close to copying their varsity teammates, placing second at the same meet.

All the hard work and dedication the team demonstrated in practices paid off during the Cardinal Invitation in Newton. The varsity and junior varsity pulled through with a first place finish. Varsity runners **Josh Boersma**, **Kris Spoth**, **Jon Wignes**, and **Dru Jorgensen** all finished in the top five individually.

The Hawks continued their success in the final meets of the season, including a 1st place finish at the CIML meet in Ankeny. After a strong showing at districts, the team finished the season with a 4th place finish at the state meet. The team was obsessed with success the entire year.

This cross country season, the girls had one goal on their minds: making it to state. To achieve this goal, the girls participated in summer running sessions. At every meet during the season, they worked hard to better themselves to reach their final goal of state.

This season the girls defined the true meaning of team. They did everything from pre-game spaghetti dinners to successfully placing in this year's state meet. They placed fifth or higher throughout the season, including three runner-up finishes. One of these finishes included a runners-up position at the conference meet, where they were just 18 points behind the defending conference champions from Urbandale.

Last year, the team had one runner, Haley Vance, qualify for state; however, this year the entire team qualified for the meet, placing 9th.

The Hawkettes had a very successful season and are looking forward to making state again next year.

The boys swim team took the high seas, otherwise known as the AHS swimming pool, with ambition and readiness to work hard. The boys have to be up and at the pool early in the morning and stay after school to practice more. They spend a minimum of ten hours a school week in the pool, many logging more hours on the weekends. All of this practice paid off as the team took 10th place at the state meet. As a team they pulled together to form an outstanding group that worked hard. The fact that it was a younger team did not slow them down; the team won 5 meets.

One thing that the senior swimmers enjoyed was winning districts and then placing 10th at state. It was an amazing season for the Hawks. Every practice and every meet brought the Hawks closer together as a team and as friends. The friendships and teamwork helped them make their way to state. The seniors took their knowledge and shared it with the new swimmers to make the team a well-oiled machine.

- Coach Mark Nordby

The Ankeny Hawkette swim team finished their season with an 8-1 record. At the IC High Invite they finished in 4th place out of the 8 schools competing. The Ankeny Hawkette swimmers broke the old school record by scoring 1568 points in the Regional Power Points. In the 100 breaststroke, sophomore **Jaryn Studer** placed 1st in state and broke the school record. The Hawkettes also scored an All-American Honor in the 200 Medley Relay. This is the 1st time in Ankeny boys or girls history to make an automatic All-American relay time. Another great accomplishment is the fact that this team continued the streak of 5 conference championships and 5 regional championships. The teams' success is a testament to the effort and ability of this team to handle pressure and their commitment to each other.

They were very positive and helped the team stay focused on our goals. But they also loved to laugh and have fun. They had a nice blend of strong work ethic along with keeping the fun times going."

From left to right: **Jordan Voss**, **Dustin Wells**, **Aaron Nihart**, **Andrew Pendleton**, **Scott Montgomery**, **Matt Williams**, and **Coach Weddingfield**.

This year was a big year for the Ankeny Hawk Golf Team because they went to state and finished third at the meet. The team accomplished many things this year with their strong commitment and good teamwork. Junior **Dustin Wells** stood out this year; he was medalist in 10 of 14 meets, including 5 meets where he earned 1st place honors. Junior **Matt Williams** was also an individual medalist in 3 different meets.

The boys showed their talent at the end of the season. **Coach Weddingfield** reflected, "If you look at how we finished in other tournaments throughout the season, we didn't seem to be very tough or competitive, but we saved our best for the end of the season when it was most important."

At the state meet, senior **Aaron Nihart** placed 4th and junior **Dustin Wells** placed 14th. Overall, the team demonstrated that teams can start slow, but with determination and dedication, a strong finish is within reach.

The 2006 Hawkette Golf Team witnessed success time and again, ending with a fantastic finish at the state meet. The girls dominated the head to head competitions throughout the season, losing only to Valley in early April. The other five teams that faced the Hawkettes were not able to overcome this strong team.

The Hawkettes also found success in many of the invitationals throughout the season, including a 1st place finish at the Urbandale Classic and several 2nd place finishes facing tough competition. All of the dedication and long hours on the golf course helped the team enter into CIML play ready to win. With a score of 332, the girls took the CIML crown. The girls team shaved off 3 shots to win their regional, which set up a trip to state.

At the state meet, the girls played two challenging and competitive rounds, placing 2nd as a team. **Abbi Sunner** won the individual title shooting a total of 148, and **Amanda Davidson** was six shots back and finished 7th. Congratulations on a very successful season.

*Above: The team huddles and raises their hands in unity before each game. It helped the team compile a winning record in a very strong and evenly matched conference.*

The Ankeny boys basketball team started off the season with a punch; no one could stop them, and they opened the season with a record of 7-0. This accomplishment is even more impressive when the competition is looked at. The team battled through arguably the best conference in Iowa. Several of the teams in the CIML ended the season with records over .500, making the conference very balanced with talent. The Hawks also had tough teams on their schedule, including Hoover, the eventual state champions.

The Hawks seemed to be on another run, ending the regular season with 6 wins out of 7 games, but they were unable to stop Ames in the early round. The senior leadership will be missed, but the Hawks will return several players and be strong again next season.

The girls basketball team had an outstanding season this year, but unfortunately they were just short of going to the Wells Fargo Arena after losing to Dowling in the regional finals.

This basketball season proved to be a challenging one. The girls record was 12 - 12, and the girls lost more than half of last year's team to graduation; however, the team did not let these challenges phase them and they never gave up. The girls made it all the way to regionals where they defeated Indianola 46-27, and Lincoln 43-42. Both of these successful games led them to the regional finals. At the regional final they put up a tough fight against Dowling Catholic, but came up six points short, 35-41.

Even though the girls came up one step short of going to state, they enjoyed a successful season. The team worked hard and overcame many obstacles, and are looking forward to next season where they hope to go that extra step and make it back to state.

Front Row (L to R): **Nick Wonderlin**, **Tory Forest**, and **Aaron Tjarks**.

The Hawk wrestlers continued their tradition of successful seasons. Starting out with a young inexperienced team, Coach Ewing didn't know how the season would go. In the beginning of the season the Hawks met up with Roosevelt and lost by twenty two points. Later in the season, they beat the same team from Roosevelt by twenty points. Coach Ewing believed his domination against Roosevelt showed the team's progress throughout the year. As the season came to a close, the Hawks sent seven wrestlers to Wells Fargo Arena to participate in the state individual tournament. The Hawk's top finishers were senior Eric Remus, who placed third, and sophomore Travis Evans, who placed fourth. Senior Nick Wonderlin, juniors Tory Forest and Aaron Tjarks, and sophomore Casey Sledge also competed at state.

After participating at state, the Hawk wrestlers qualified for the 8 team field in the dual meet state journey in Cedar Rapids. The Hawks fell in the quarter finals to the eventual state champion team from Iowa City West. Congratulations on a great season.

Winter cheerleading is the backbone of spirit at all winter sporting events at Ankeny High School. Regardless of basketball or wrestling, a sophomore match or a varsity game, our cheerleaders are there. This year's winter squad consisted of a number of different girls covering the variety of sports Ankeny has to offer.

These girls had fun while doing a tough job: putting on a show for fans while cheering on the Hawks to victory. There are countless hours of preparation and rehearsal that is put in each day. The girls also have many time commitments during the weekends for various games and tournaments. Some individuals got the chance to cheer for the state wrestling participants at Wells Fargo Arena. Thanks to the cheerleaders for all of their hard work.

This season, the Hawk track team started off strong, fast, and never looked back. In every regular season meet they participated in, the team placed no lower than 3rd. The early success in the season allowed 14 individuals to qualify for the Drake Relays. The Hawks took 9 total events, both individual and team, to the Relays. Senior **Aaron Jarosh** won the long jump with a distance of 21'-10.50". The other individuals and relay teams turned in some impressive times.

The team took this momentum from the Drake Relays and sprinted ahead to a 2nd place finish in the CIML Meet while winning the District Meet. Winning the District Meet means a number of individuals participated in the State Track Meet. Twenty-one runners took to the new blue track of Drake towards the end of May. Aaron Jarosh jumped longer than he did at Drake, but was not able to take the crown. The 4 X 800 team placed 5th, while **Dan Bachman** placed 7th in the shot put. The other members of the team ran well and had strong times to end another strong season on the track.

The Ankeny Girls track team had a great season this year. The team was able to place no lower than 5th during the entire season, including a 3rd place finish at the CIML Conference meet and a 2nd place finish at the Regional meet. Throughout the season the girls worked hard and had many top performances. The 4 X 100, consisting of **Kaitlin Severson**, **Katie Kever**, **Erica Willey**, and **Christine Andresen**, qualified for the Drake Relays. The girls also sent 12 events and 19 individuals to the state meet.

While at the State Track Meet, the team scored 9.5 points, placing 23rd overall. Christine Andresen continued her fantastic season, placing 4th in the 400 meter dash. **Hannah Johnson** tied for 6th in the high jump, and the 4 X 200 relay team placed 8th. All of the other individuals and relays at the meet finished with strong times in a competitive field. The team looks to build upon this experience and return to the State Meet with higher goals and expectations in their sights.

The Ankeny High School soccer teams have had another satisfying year. Soccer is open to boys in grades through 12 interested in the sport. Tryouts are held towards the beginning of March where the boys are then split up according to their skills.

The JV team is made up of mainly sophomores, juniors, and seniors. They practice every day from 4:00 to 6:00 in order to prepare for games. The JV team is coached by Chris Roberts.

The Varsity team is made up of mainly sophomores, juniors, and seniors; however, this year two freshmen made the team. The varsity team competed in the CIML tournament at Johnston and placed 4th overall. The varsity team is coached by Rick Issacson.

The playoffs turned out to be magical this year. The boys easily passed Newton in the first game; the Hawks then beat Ames in overtime to advance to their first ever state tournament. They were unable to pull off a win against Bettendorf at state, but the team should be proud of their efforts this season.

This year's soccer team had the challenge of replacing a large portion of last year's team that graduated. To fill this gap, a number of freshmen and sophomores stepped up to the challenge and filled the gaps that were needed. The season started out very strong, including winning the first four games of the season. Among those four was a victory over a strong team from Ames.

The team hit a rough spot in the middle of the season and was not able to overcome some of the competition it faced. However, the team looked to be on the rise again before heading into the playoffs.

The first game looked favorably towards the Hawkettes; they met the same Ames team that they had defeated before. However, the end result was not what they hoped, and the Hawkettes bowed out of the hunt for state early.

With a number of underclassmen returning, the team looks to improve on this year's results and has plans to make it to state next year.

This season, the Hawks found success as a team, and many individuals were able to participate at the state tennis meet. The regular season saw the Hawks break the .500 mark with a record of 7 wins and 5 losses. Four of those wins were in the CIML conference, allowing the Hawks to capture second place. With captains **Chad Remus**, **Thomas Rosin**, and **Tom Salter**, the team looked ready to take on a tough Ames team in the preliminary sub-state playoffs, but could not get past the little Cyclones. **J. R. Tallman** was able to place second at districts and captured 7th place at the state tournament.

The Hawks also had several doubles teams compete at districts in Waveland. The duo of **Chad Remus** and **Austin Wiser** won their first match, but could not overcome a pair of teams from Johnston. **Matt Jones** and **Tom Salter** also started with a win, but could not muster another throughout the day. With the JV team compiling a record of 5 wins, 2 losses, and a tie, the Hawk tennis team should return strong next season.

This season the girls tennis team found success all over the court. While their final record showed success and struggles, the girls showed that they could compete against some of the best teams in the state.

The girls recorded victories as a team this year over North, Indianola, Johnston, SE Polk, and Urbandale. They were also able to place first at the Indianola Invite in April. While no individuals made it to the state meet, **Beth Olson** and **Steph Gibbons** managed to make it to state in the doubles competition. The pair competed well together, just missing the medal round and finishing in the consolation round. Congratulations are in order for this wonderful achievement.

The girls team and the boys team were also able to play in the mixed doubles competition together. In the mixed doubles, Beth Olson and JR Tallman placed 3rd in state. Congratulations to these two individuals, and to the entire tennis team on a great season.

Hockey at Ankeny High School took monumental steps this year. Ankeny finished the regular season in fourth place, with a record of six wins, seven losses, and five ties. "My most memorable moment of the season was playing at Wells Fargo Arena. We beat both Urbandale and Des Moines," said senior **Sherman Vilson**. One of the things that made the hockey team so successful was their ability to come together and with each different game, be able to adapt to certain scenarios and create an effective defense. With seventeen goals and eleven assists, freshman **Curtis Newman** became the league scoring leader for the regular season. Although Ankeny was eliminated from the medal round during the playoffs by Waukee, they won the consolation bracket to end the season. In reflecting on the year, the team enjoyed the win against the then undefeated Dowling Maroons and competing at Wells Fargo Arena. Ankeny is looking forward to returning most of their team next year, and becoming even more competitive.

If you were to ask someone who the Golden Highlights were, you might have received the typical answer, "Our high school dance squad". Although that is true, there is much more to this squad than just showing off their dance abilities. Although there were few, these girls were not only amazing dancers, but a close group of friends who met every Tuesday and Thursday after school in the P.E Wellness area to practice dance routines for the upcoming game, or to practice for an upcoming competition.

This year they not only got a new name, but also a new coach. The group decided to go for simplicity and change their name just to the Dance Team. The Dance Team performed during several basketball game half-time shows.

# DEBATE

Debate starts in late September to early October. They practice after school for up to two hours. Debate consists of a lot of individual motivation, and requires a lot of research and knowledge about current events. But it's not all one on one; some is working with a partner. The competitions are held on Friday and Saturday, usually against Metro teams, but the big competitions are against high schools from across Iowa.

"My favorite part of debate was learning more about political topics through research." Kevin Shannon, Junior

# FALL PLAY

THE SURVIVOR BY SUSAN NANUS

This year's fall production brings to attention a dark period in world history: the Holocaust. The play takes place in a Jewish ghetto which is being overrun by German officers. The audience is put in the shoes of eight different Jewish teenagers who work together in order to escape the captivity. The Holocaust claimed the lives of many victims, and the play portrayed this imagery greatly. All of the characters in the play are killed except for one, *The Survivor*, who manages to live and retell the stories for newer generations. The remaining survivor is played by senior **Matt Johnson**.

In order to put on great produc-

tions, the drama club meets every day to practice and rehearse their lines. They also spend time designing, constructing, and painting the set that is used in the auditorium. The funding for all of this was raised by the students themselves through various fund raisers and community service activities.

Congratulations to the drama department for another great production.

"The Survivor made me realize how lucky I am to live in a free country where our liberties are protected."

- this year's spring  
musical covered  
them all. The spring  
musical was based  
on a story of com-  
bined fairy tales,  
including "Little  
Red Riding Hood",  
"Cinderella", "Jack  
and the Beanstalk",  
and "Rapunzel".

Written by

Stephen Sondheim,

*Into the Woods* begins with an evil  
witch casting a spell on a baker  
and his wife. The baker had stolen

vegetables from her garden, so she  
cast a spell on them so they won't  
be able to have children. In order  
to reverse the spell, the baker must  
collect four items which play a  
major role in the other fairy tales.  
He must steal Jack's white cow,  
Cinderella's slipper, Little Red  
Riding Hood's cape, and a lock  
of hair from Rapunzel.

Each tale intertwines through-  
out the musical; each character  
depends on a strength or weakness  
of another. The play is full of con-  
flicts which are sparked by selfish  
interests made for the betterment  
of a character. Congratulations  
on another successful musical  
production.

Although choir is a class during the school day, they go to competitions similar to the Marching Hawks. Choir only has two competitions, but they have many different performances throughout the year. Their first concert was within the first month of school; it is one of the most basic performances, simply

because it is so early in the year and they have little time to prepare for it. Their second and

biggest concert of the year is the Festival of Choirs. It lasts for three days and the money raised goes to buying new dresses, tuxes, and having them dry-cleaned. At the Spring Show, all three of the choirs performed parts of different musicals including *The Lion King*, *Wicked*, and *Mama Mia*. Following the Spring Show is the State Large Group Contest, which is held on the first Saturday in May. The last performance of the year is at graduation. All the choirs come together to sing "America the Beautiful" and the "Battle Hymn of the Republic".

# SHOW CHOIR

CHAMPIONSHIPS ARE NOT GIVEN, THEY'RE EARNED.

Ankeny Show Choir has evolved throughout the past few years, but many can say that this year has been one of the best. The Choral department is divided into three show choirs: Intensity, Perpetual Motion, and Visual Adrenaline.

Intensity is an all women's group consisting of sophomores, juniors, and seniors. Intensity competed in an all-women's division at Mt. Pleasant, Urbandale, and Davenport. Congratulations to Intensity on a great year.

Perpetual Motion is the JV show choir at Ankeny High School. Made up of 68 sophomores, juniors, and seniors, PM has competed at Lincoln, Mt. Pleasant, Urbandale, and Davenport. Great Job PM!

Visual Adrenaline is the varsity show choir at Ankeny. It is made up of 44 singers and dancers. They competed at Linn-Mar, Lincoln, Mt. Pleasant, Urbandale, and Davenport. Known for their excellent choreography, VA earned Grand Champion 4 out of the 5 competitions they traveled to.

Congratulations to all three show choirs on a very successful year. There is nothing but greatness expected for the future.

# CONCERT BAND

For the record, concert band continues their pattern with another great year. At the high school, there are two different bands. There is a band made up of only sophomores, and the other band consists of both juniors and seniors.

"The thing I liked about band was how well we performed and how close we became as a group."

Carla Schaffer, senior

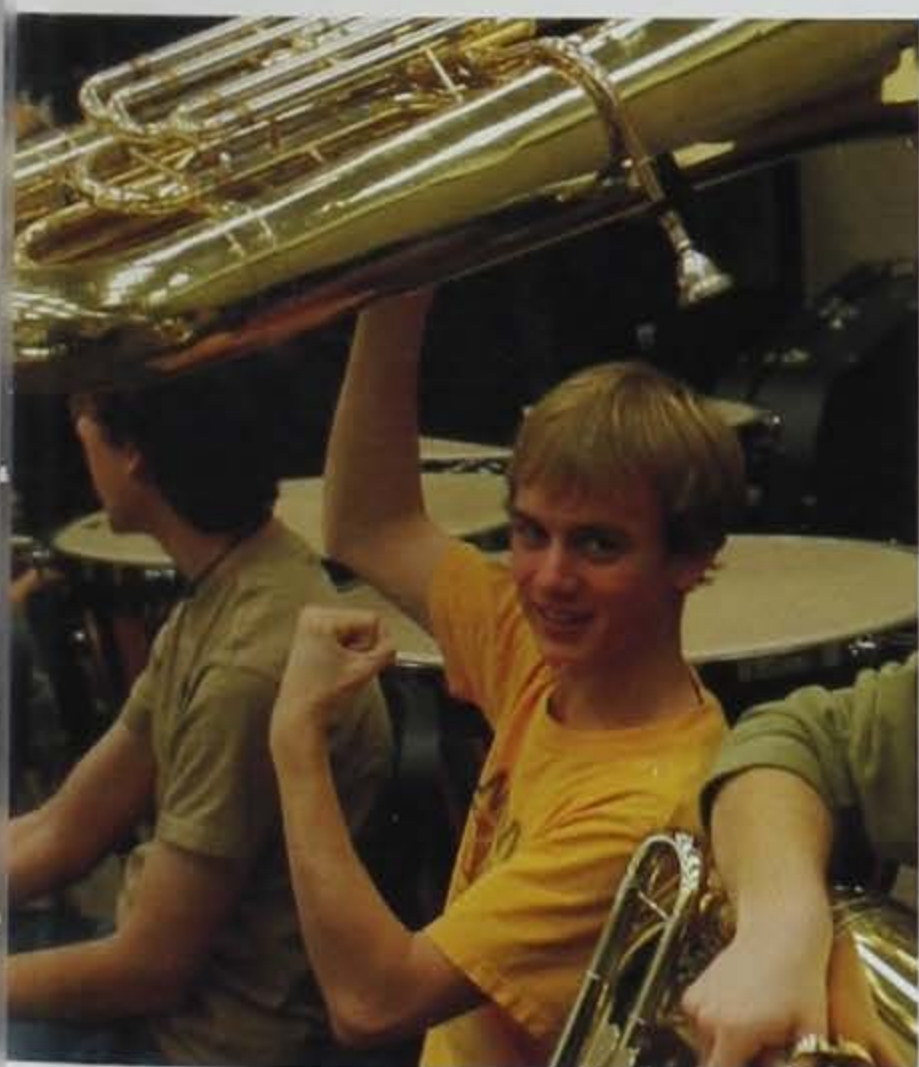

The sophomore band is directed by Mr. Poppen and contains 51 members.

The junior/senior band consists of 116 members and is directed by Mr. Haack. This year, the bands went to two different

competitions. The first competition they attended was held at Wauke. Here the junior and senior band was awarded best in class. The next competition was the state competition which was also held at Wauke. Both bands earned a division one rating at this competition.

In order to do so well, both bands practice every day. The junior/senior band has class during 1st hour, and the sophomore band practices 2nd hour.

The band has done a great job representing the fine arts department at the high school.

# MARCHING BAND

The 2005 Ankeny Marching Hawks had a very successful season this year. They traveled and performed at competitions in cities such as Iowa City, Cedar Rapids, and Oskaloosa. They took home the first place trophy at all three of these events, including awards for best drum majors and best percussion. They also performed at Valleyfest and took home the third place trophy.

There are so many people involved in marching band that it takes 7 buses and a police escort to get them back to the high school after an out of town performance. The marching band has many supporters. When being escorted back

"You're with these people so much, they become like family to you."

-Senior Megan Erickson

"Competitions are the best, because the crowd is so responsive that it gives you goose bumps."

-Sophomore Darren Hushak

to the high school, many parents and other Marching Hawk fans line the streets and parking lots to show support for the band.

The infamous Talon is the one and only newspaper here at Ankeny High School.

This year, the Talon not only received new journalists, but also obtained a new look.

Since it was in such high demand, the Talon journalists were generous enough to make the Talon available twice a month instead of once a month.

This year's Talon members from left to right. Row 1: Joey Wright, Briana Vera, Divya Kunapuli, Carla Schaffer, and Jessica Freeland. Row 2: Ben Butler, Jenni Bubke, Casey Austen, Alex Hutchins, and Gillen Witherspoon. Row 3: David Baker, Andy Gray, Aaron Woodard, and the Talon advisor Mr. Caldwell.

## You hear it first!!

Above: **Andy Gray**, senior, goofs around in Mr. Caldwell's room before handing out Talons. **Andy** was part of the four students who joined the Talon staff in the second semester. You could always count on **Andy's** stories bring drama to the newspaper.

Even though the Talon might be a bit small, it's still a good source of intellectual reading.

It includes everything from students criticizing each other on their moral beliefs, to the juiciest gossip that can only be read in, you guessed it, the Talon.

## Yearbook

The yearbook staff has many tasks to complete during the year. The most important task is documenting the year, but to do so many steps need to be taken. The first task is to design a cover and theme for the yearbook. The next thing is to raise the money to put the yearbook together and then they begin the long, excruciating hours to complete the yearbook.

Each Staff member gets to choose what pages they complete based on what they like to do. Along with picking the pages, they also get to choose the pictures and write the captions. Because pages are done individually, each page is unique, allowing for individual creativity.

This year's yearbook staff included:

Row 1: (L to R) **Chelsea Williams**, **Amber Oliver**, **Margaux Haines**, **Carloyn Zucker**, **Courtney Wessels**, **Breanna Robinson**

Row 2: **Brianna Millard**, **Kassi Kennerly**, **Rachael Syverson**, **Tiffany Tingley**, **Ashley Clark**, **Aimee Taylor**

Row 3: **Cory Sevald**, **Alisha Luke**, **Kallie Smith**, **Leah Cummings**, **Tori Anastasio**, **Drew Hochstetler**

On Valentine's Day the yearbook class was serenaded by a singing quartet from senior **Shyla Statler** to senior **Chelsea Williams**.

"The best things about being in yearbook is that I get to be a part of my senior yearbook and help document the year."

- Senior **Ashley Clark**

"I can be creative and express myself while creating not only my junior yearbook, but everyone's yearbook."

- Junior **Margaux Haines**

This year's After Prom theme was *Mad Trip*. Many AHS students and their guests attended and enjoyed the variety of activities which included mini-golf, a huge blow up slide, a moon bounce, a mechanical bull, the casino, the bungee jump, Karaoke, and human fooseball. Later in the evening a hypnotist entertained the students by hypnotizing many people and having them do humorous things. There were many prizes to win throughout the night, including I-Pods, refrigerators, and even a car.

After Prom is organized to allow students to have a safe and fun time. Thanks to all the volunteers and sponsors who helped make it a fun night for all.

# Advisement BBQ

The Advisement BBQ is typically held towards the end of the school year. This year's theme was *Life is a Beach*. All the advisement groups got a cement square to draw a themed-related picture. After taking some time to draw, everyone headed to the football field to eat lunch and play some games. Some of the games that were at the BBQ this year were spinning bat races, hula-hoops, potato sack races, ultimate frisbee, football, soccer, and rock climbing. There are some people who also enjoy sitting on the bleachers and enjoying the good weather. It is a fantastic afternoon for students and faculty alike.

As the 2005-2006 year comes to close, the Seniors of 2006 get ready to end their high school careers and graduate. The class of 2006 graduated on May 1st at 1:00 in the afternoon at the Drake Knapp Center.

It was a beautiful ceremony with Chris Spoth, Beth Olson, Kelsey Propm, Brittany Duerson, and Kyle Hanna as the speakers. They all gave very insightful and memorable speeches.

The class flower was the yellow rose. The class colors were maroon and gold. The class motto was, "The key to happiness is having dreams--The key to success is making them come true."

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

## August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

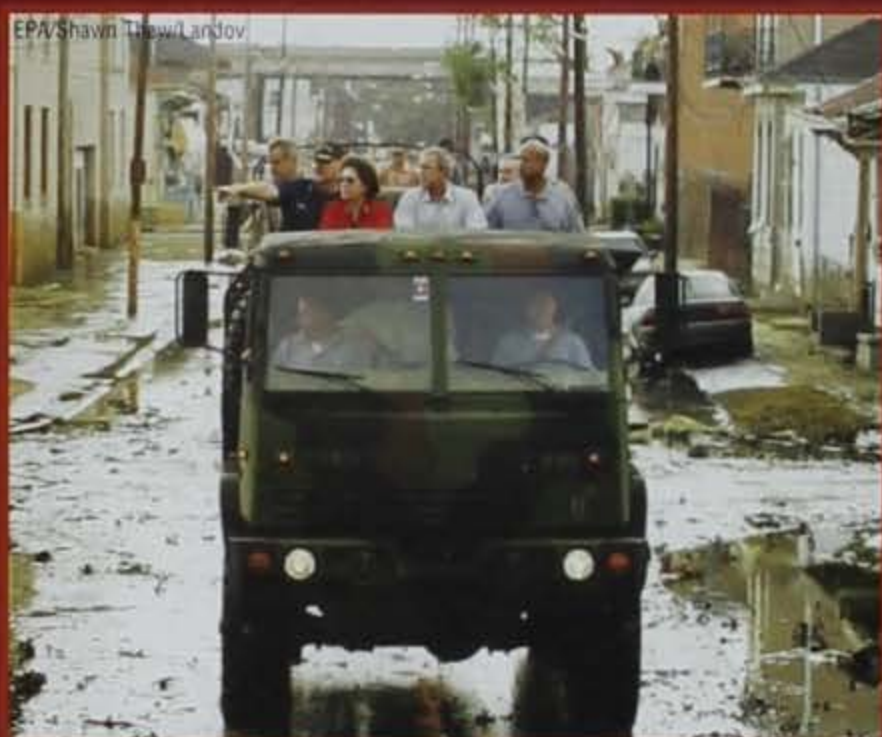

## September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

## October

- 24 Hurricane Wilma hits southwest Florida.
