MICHAEL MOHR

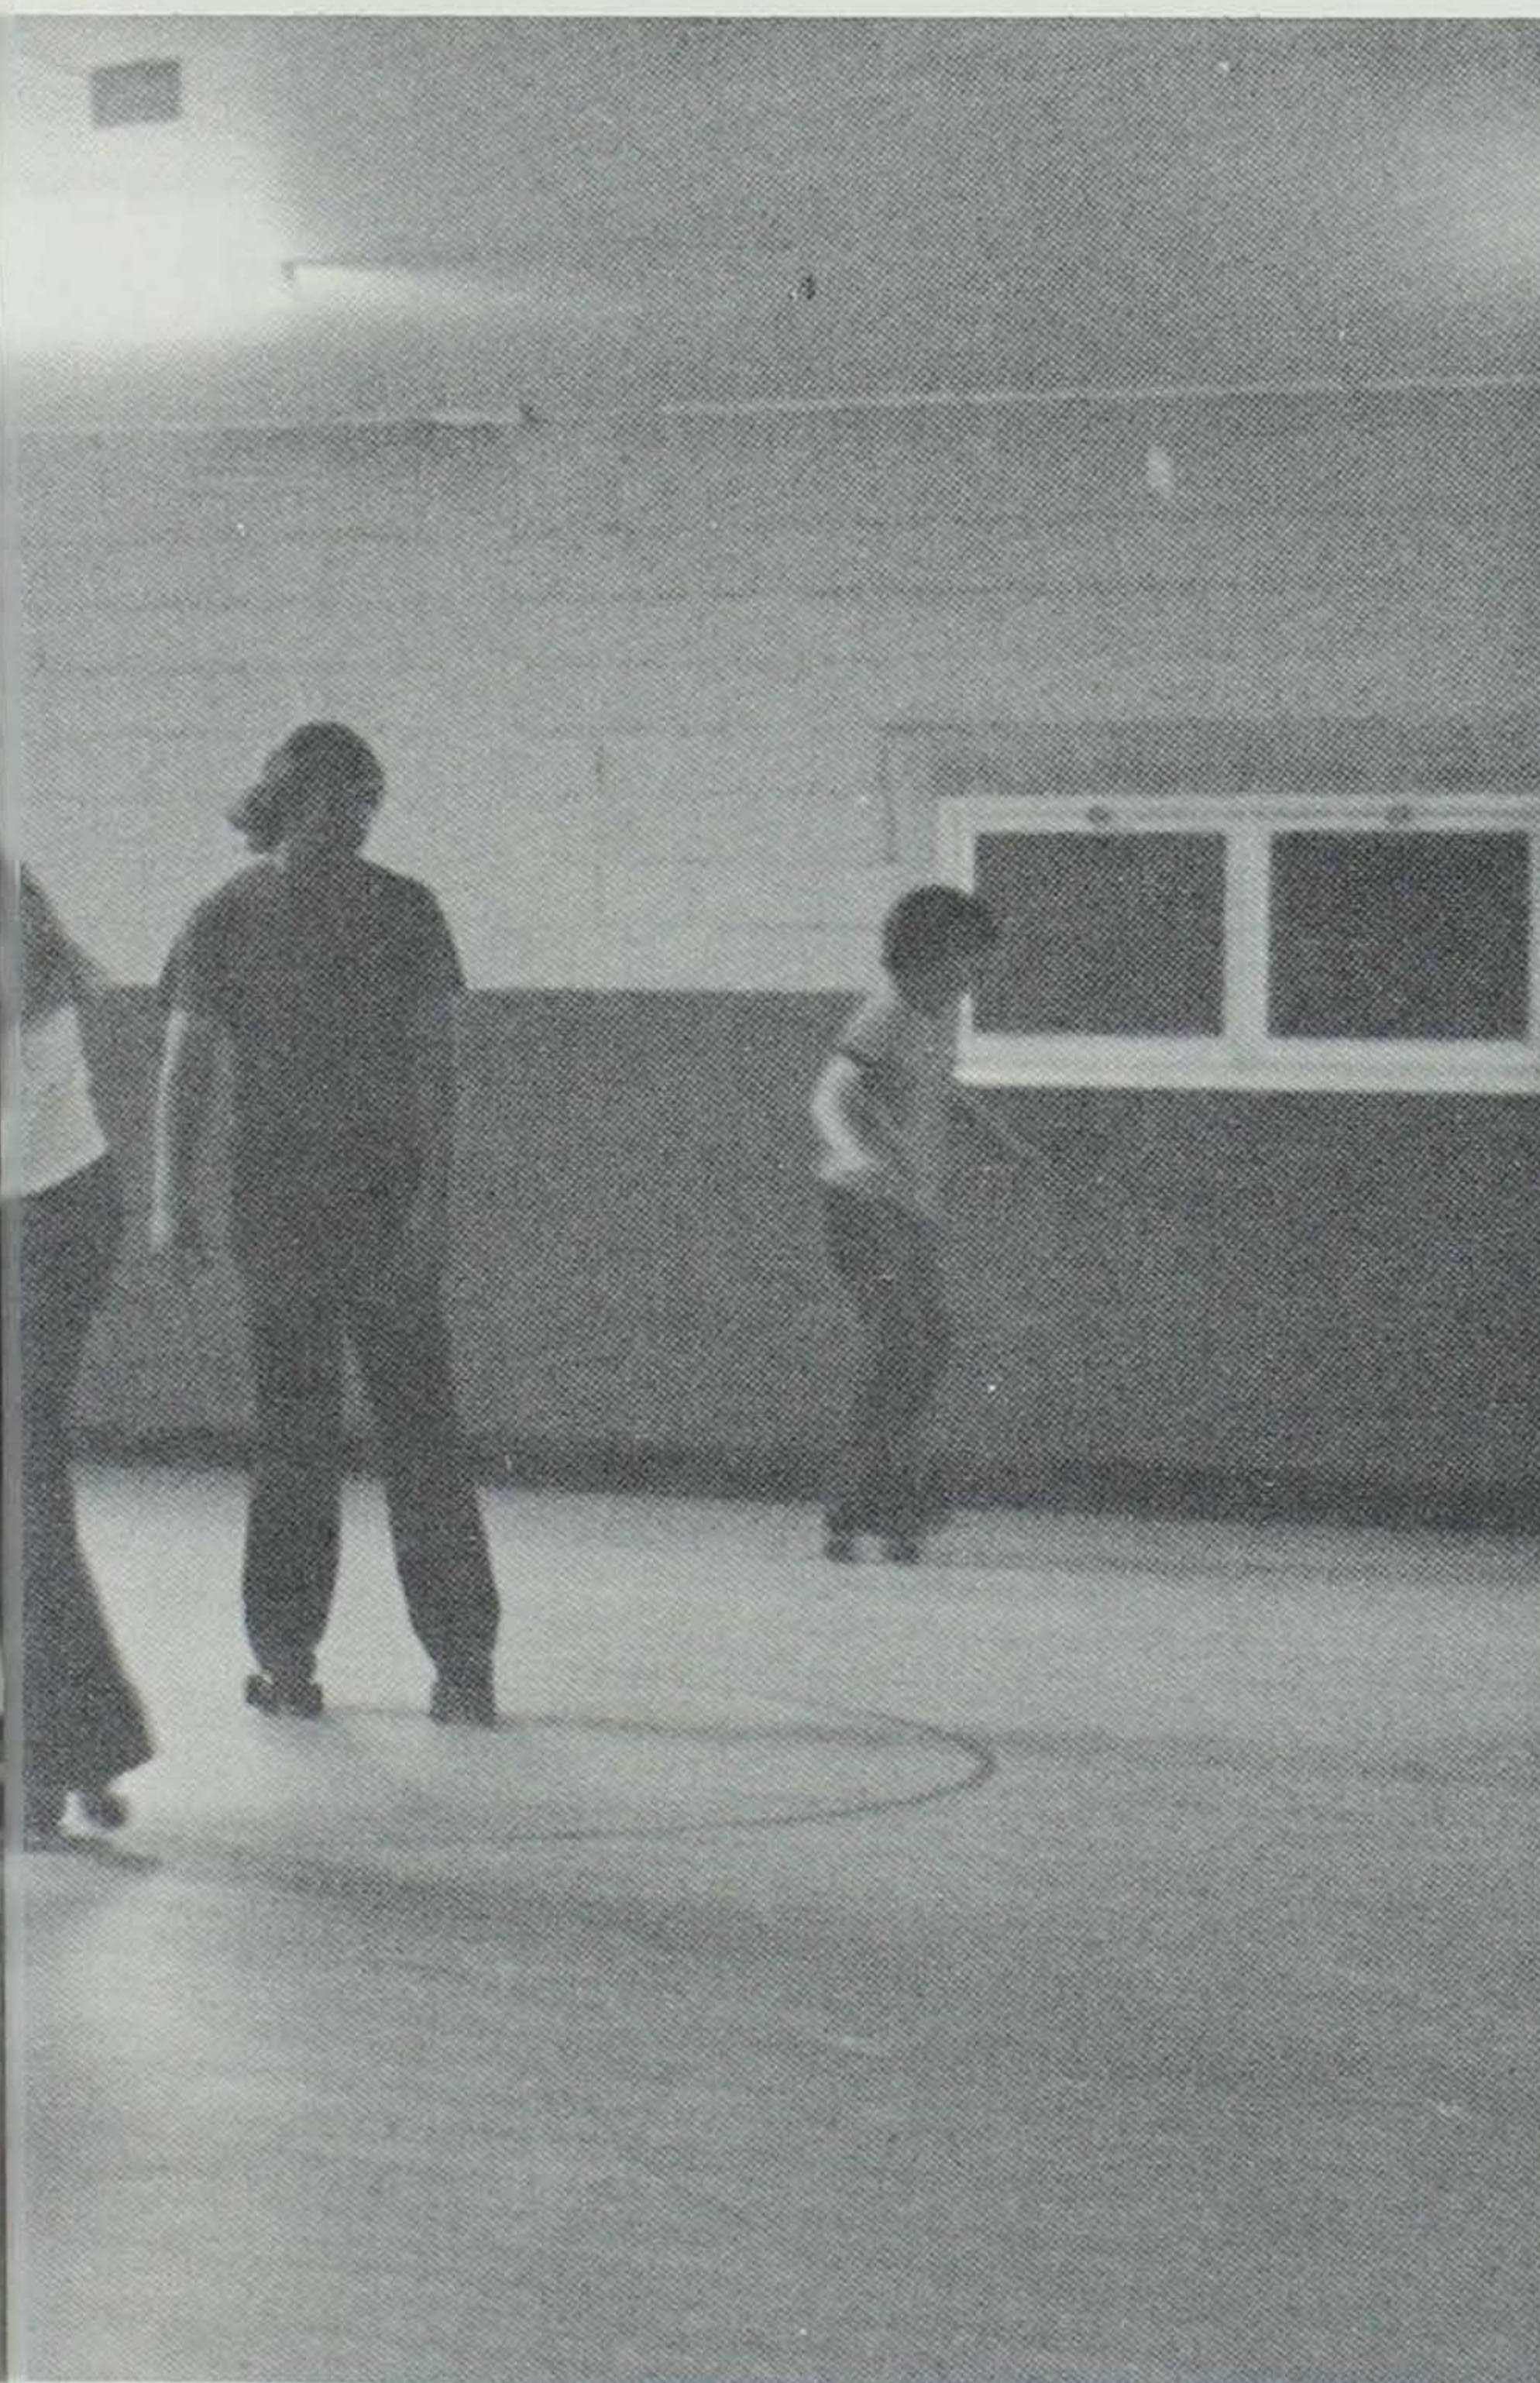

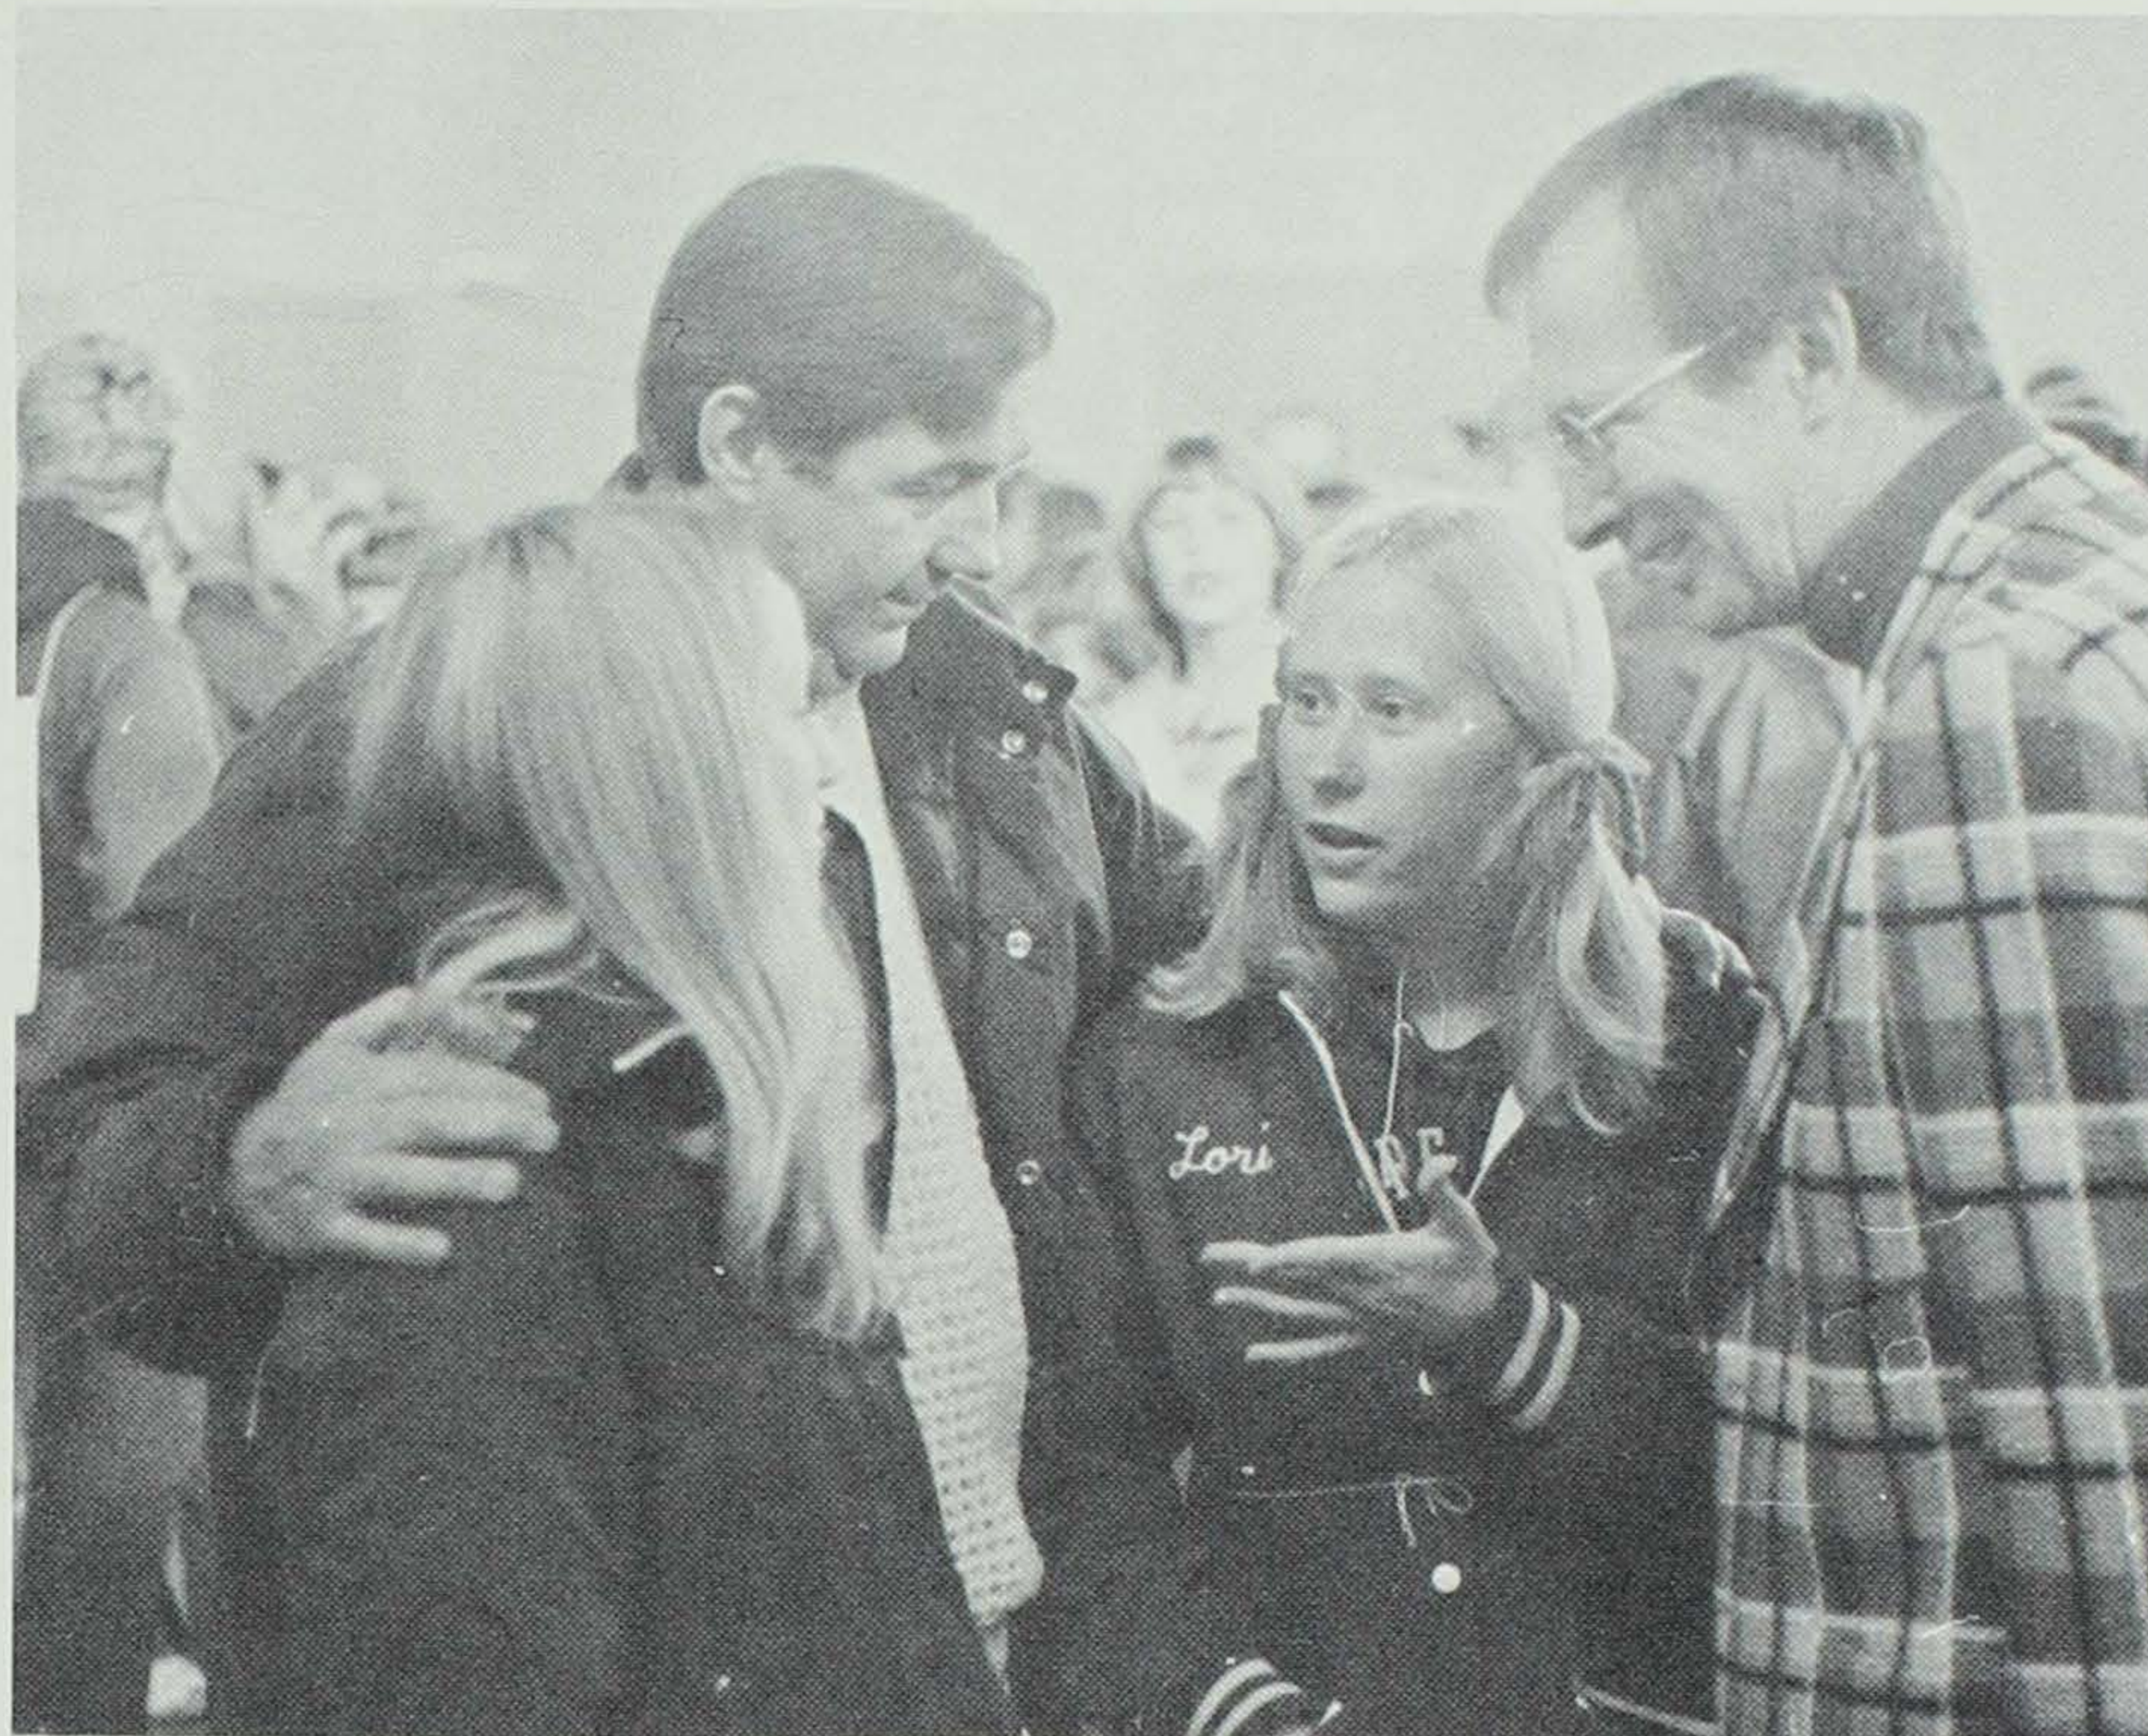

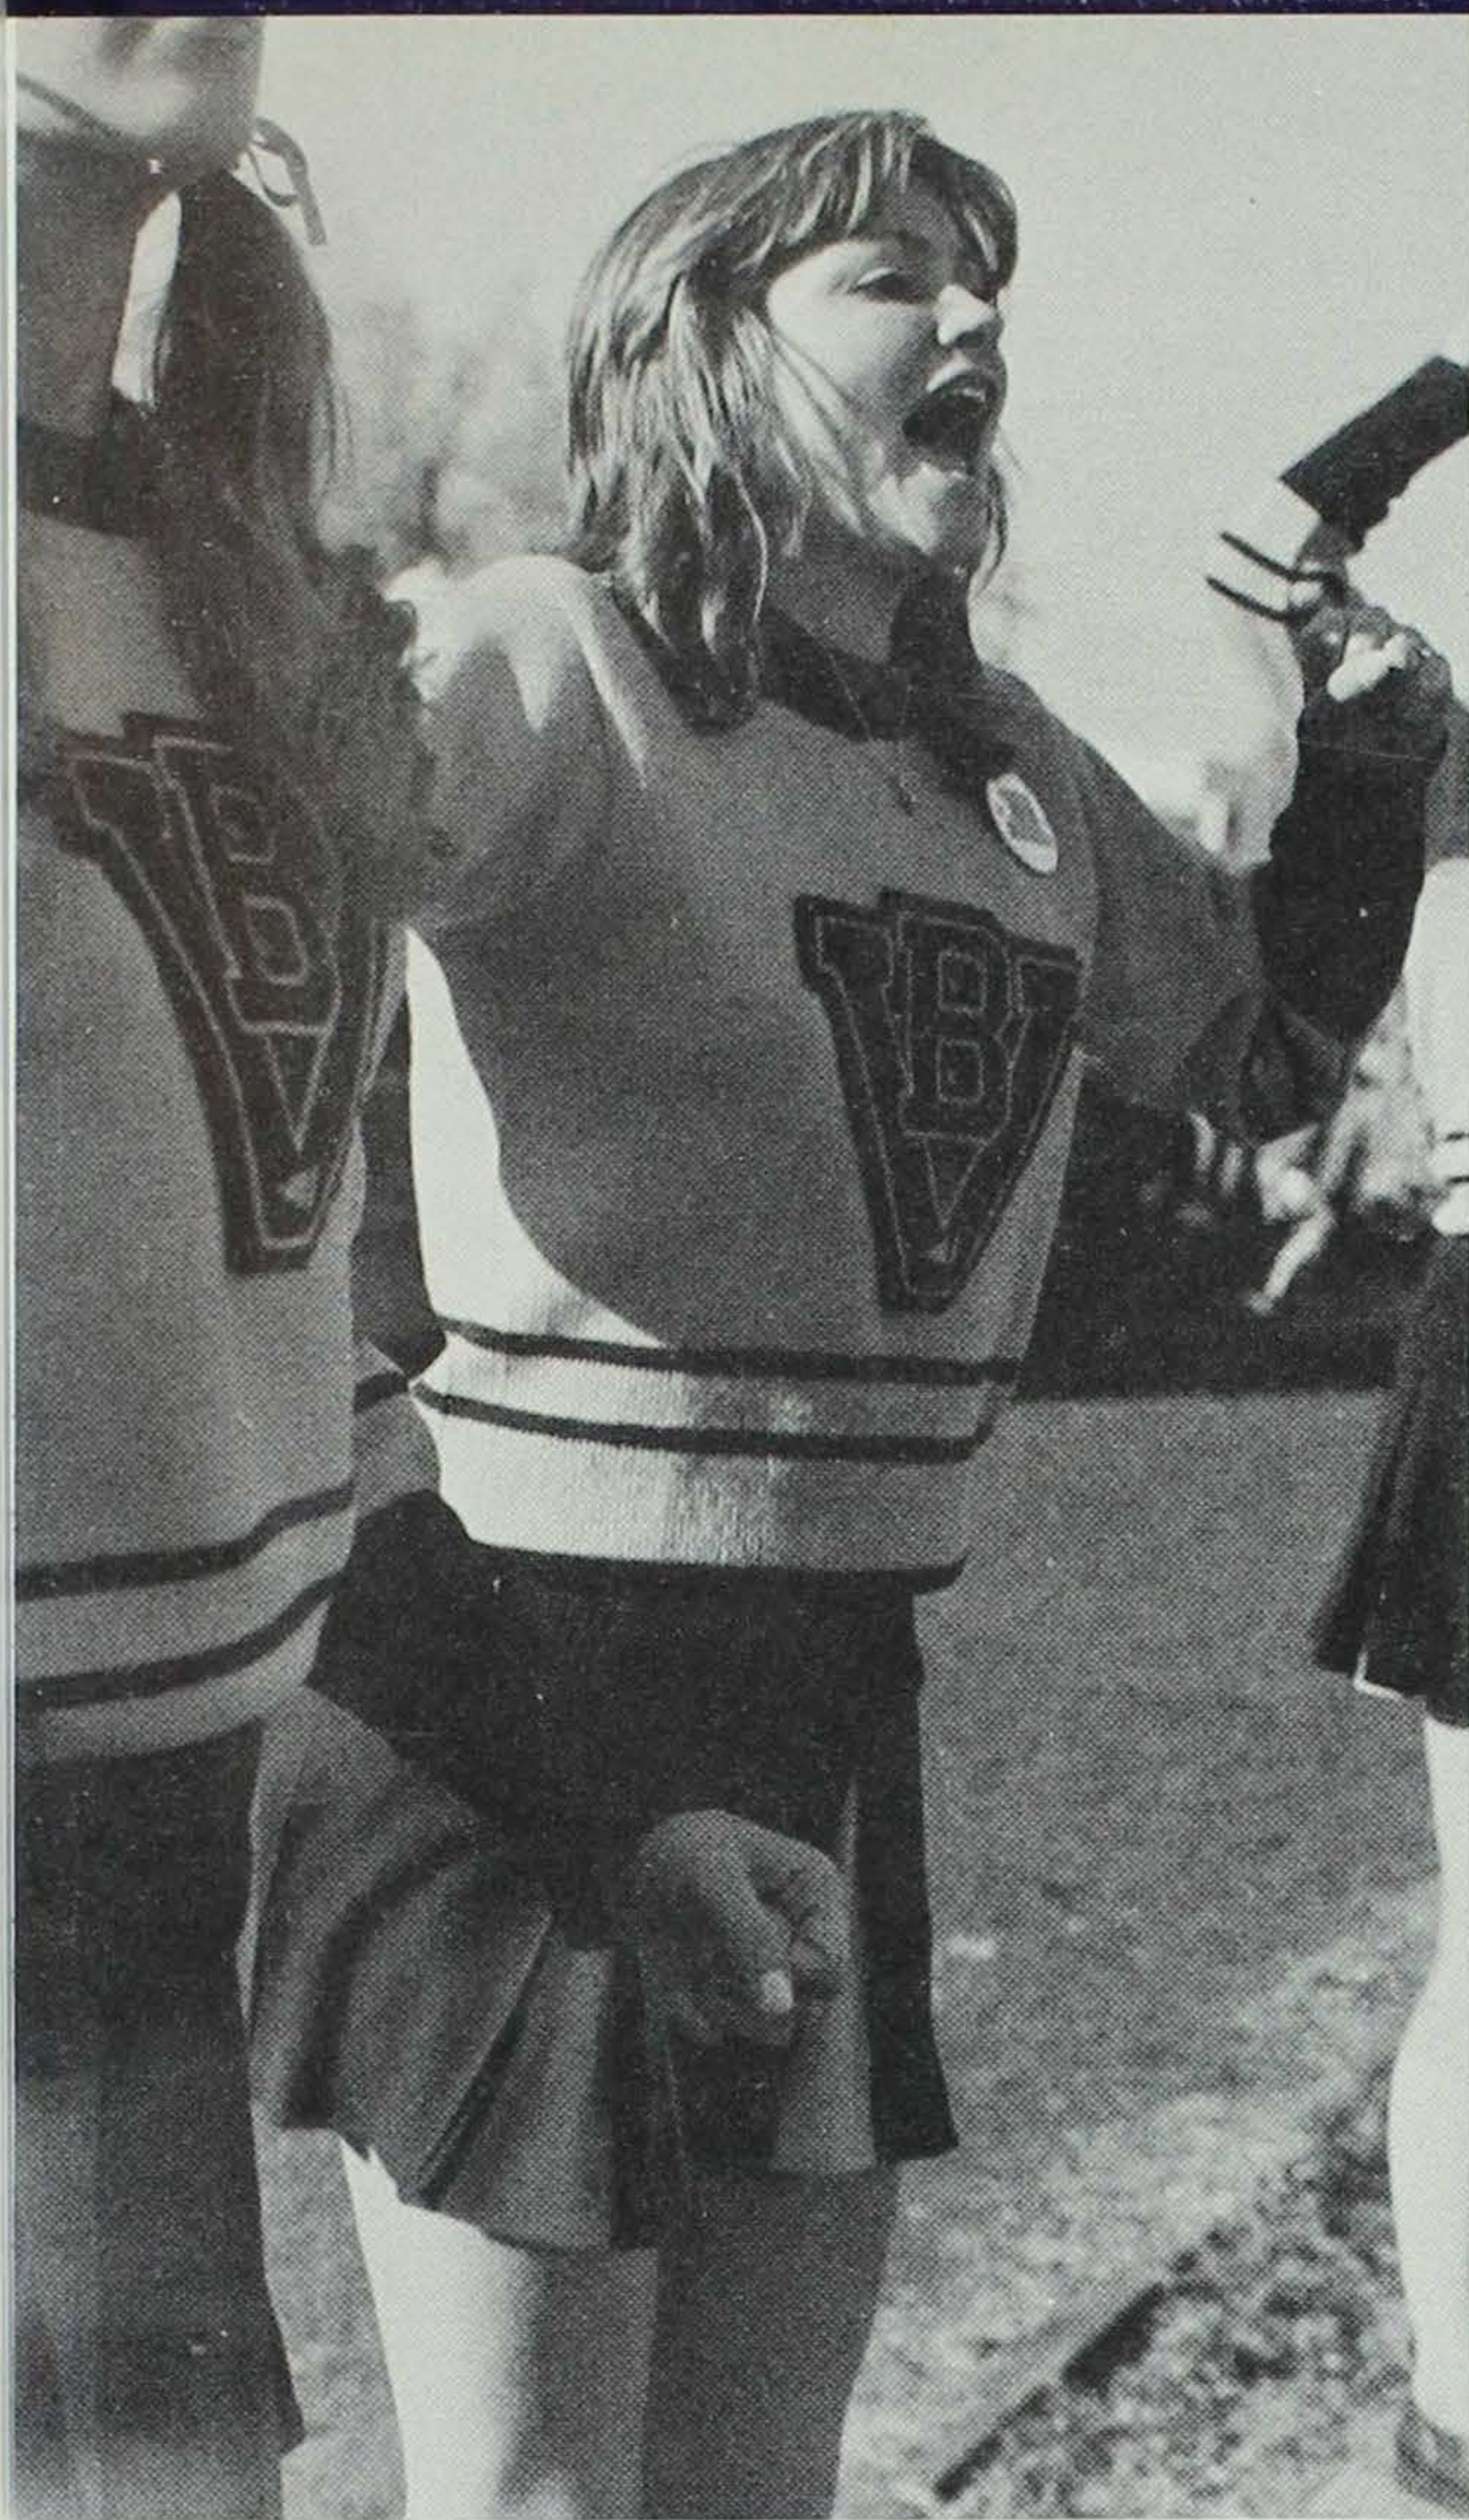

We, the students of Buena Vista College, dedicate the 1975 LOG to the memory of Michael Mohr. Although he was not on Buena Vista's campus for a very long time, his presence was felt by many people. He was a friend, and friends, when gone, are missed and remembered.

STUDENT LIFE

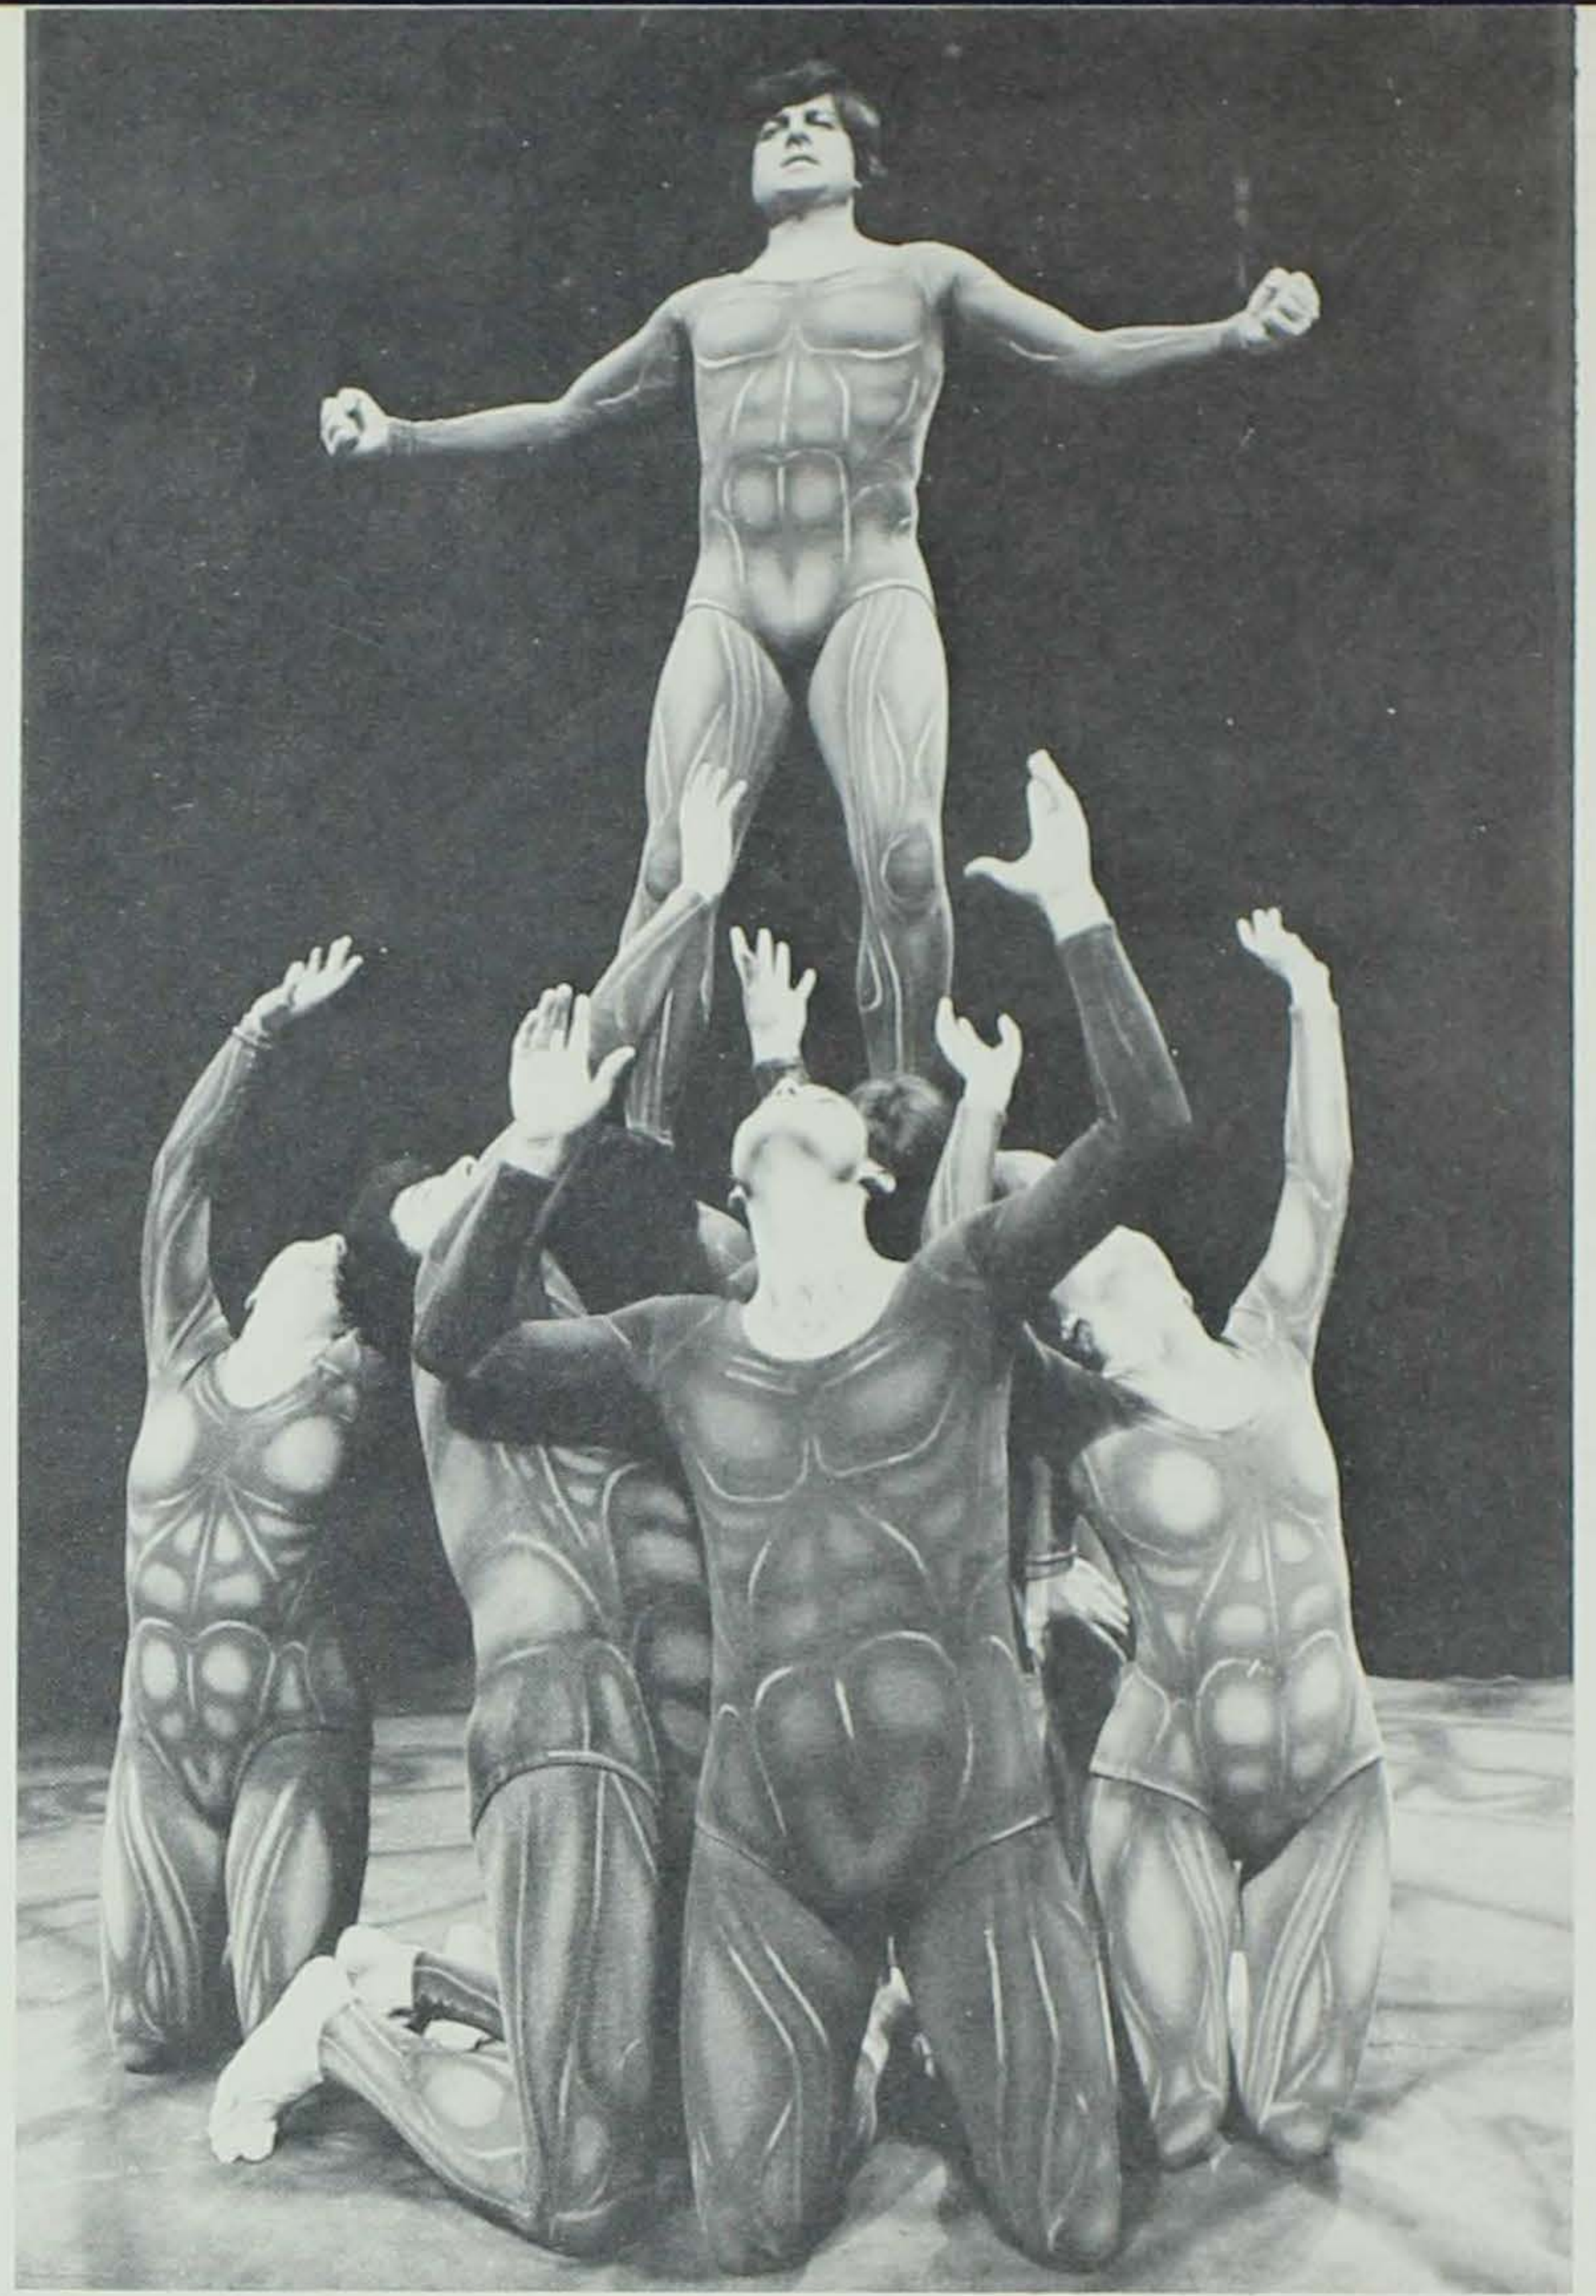

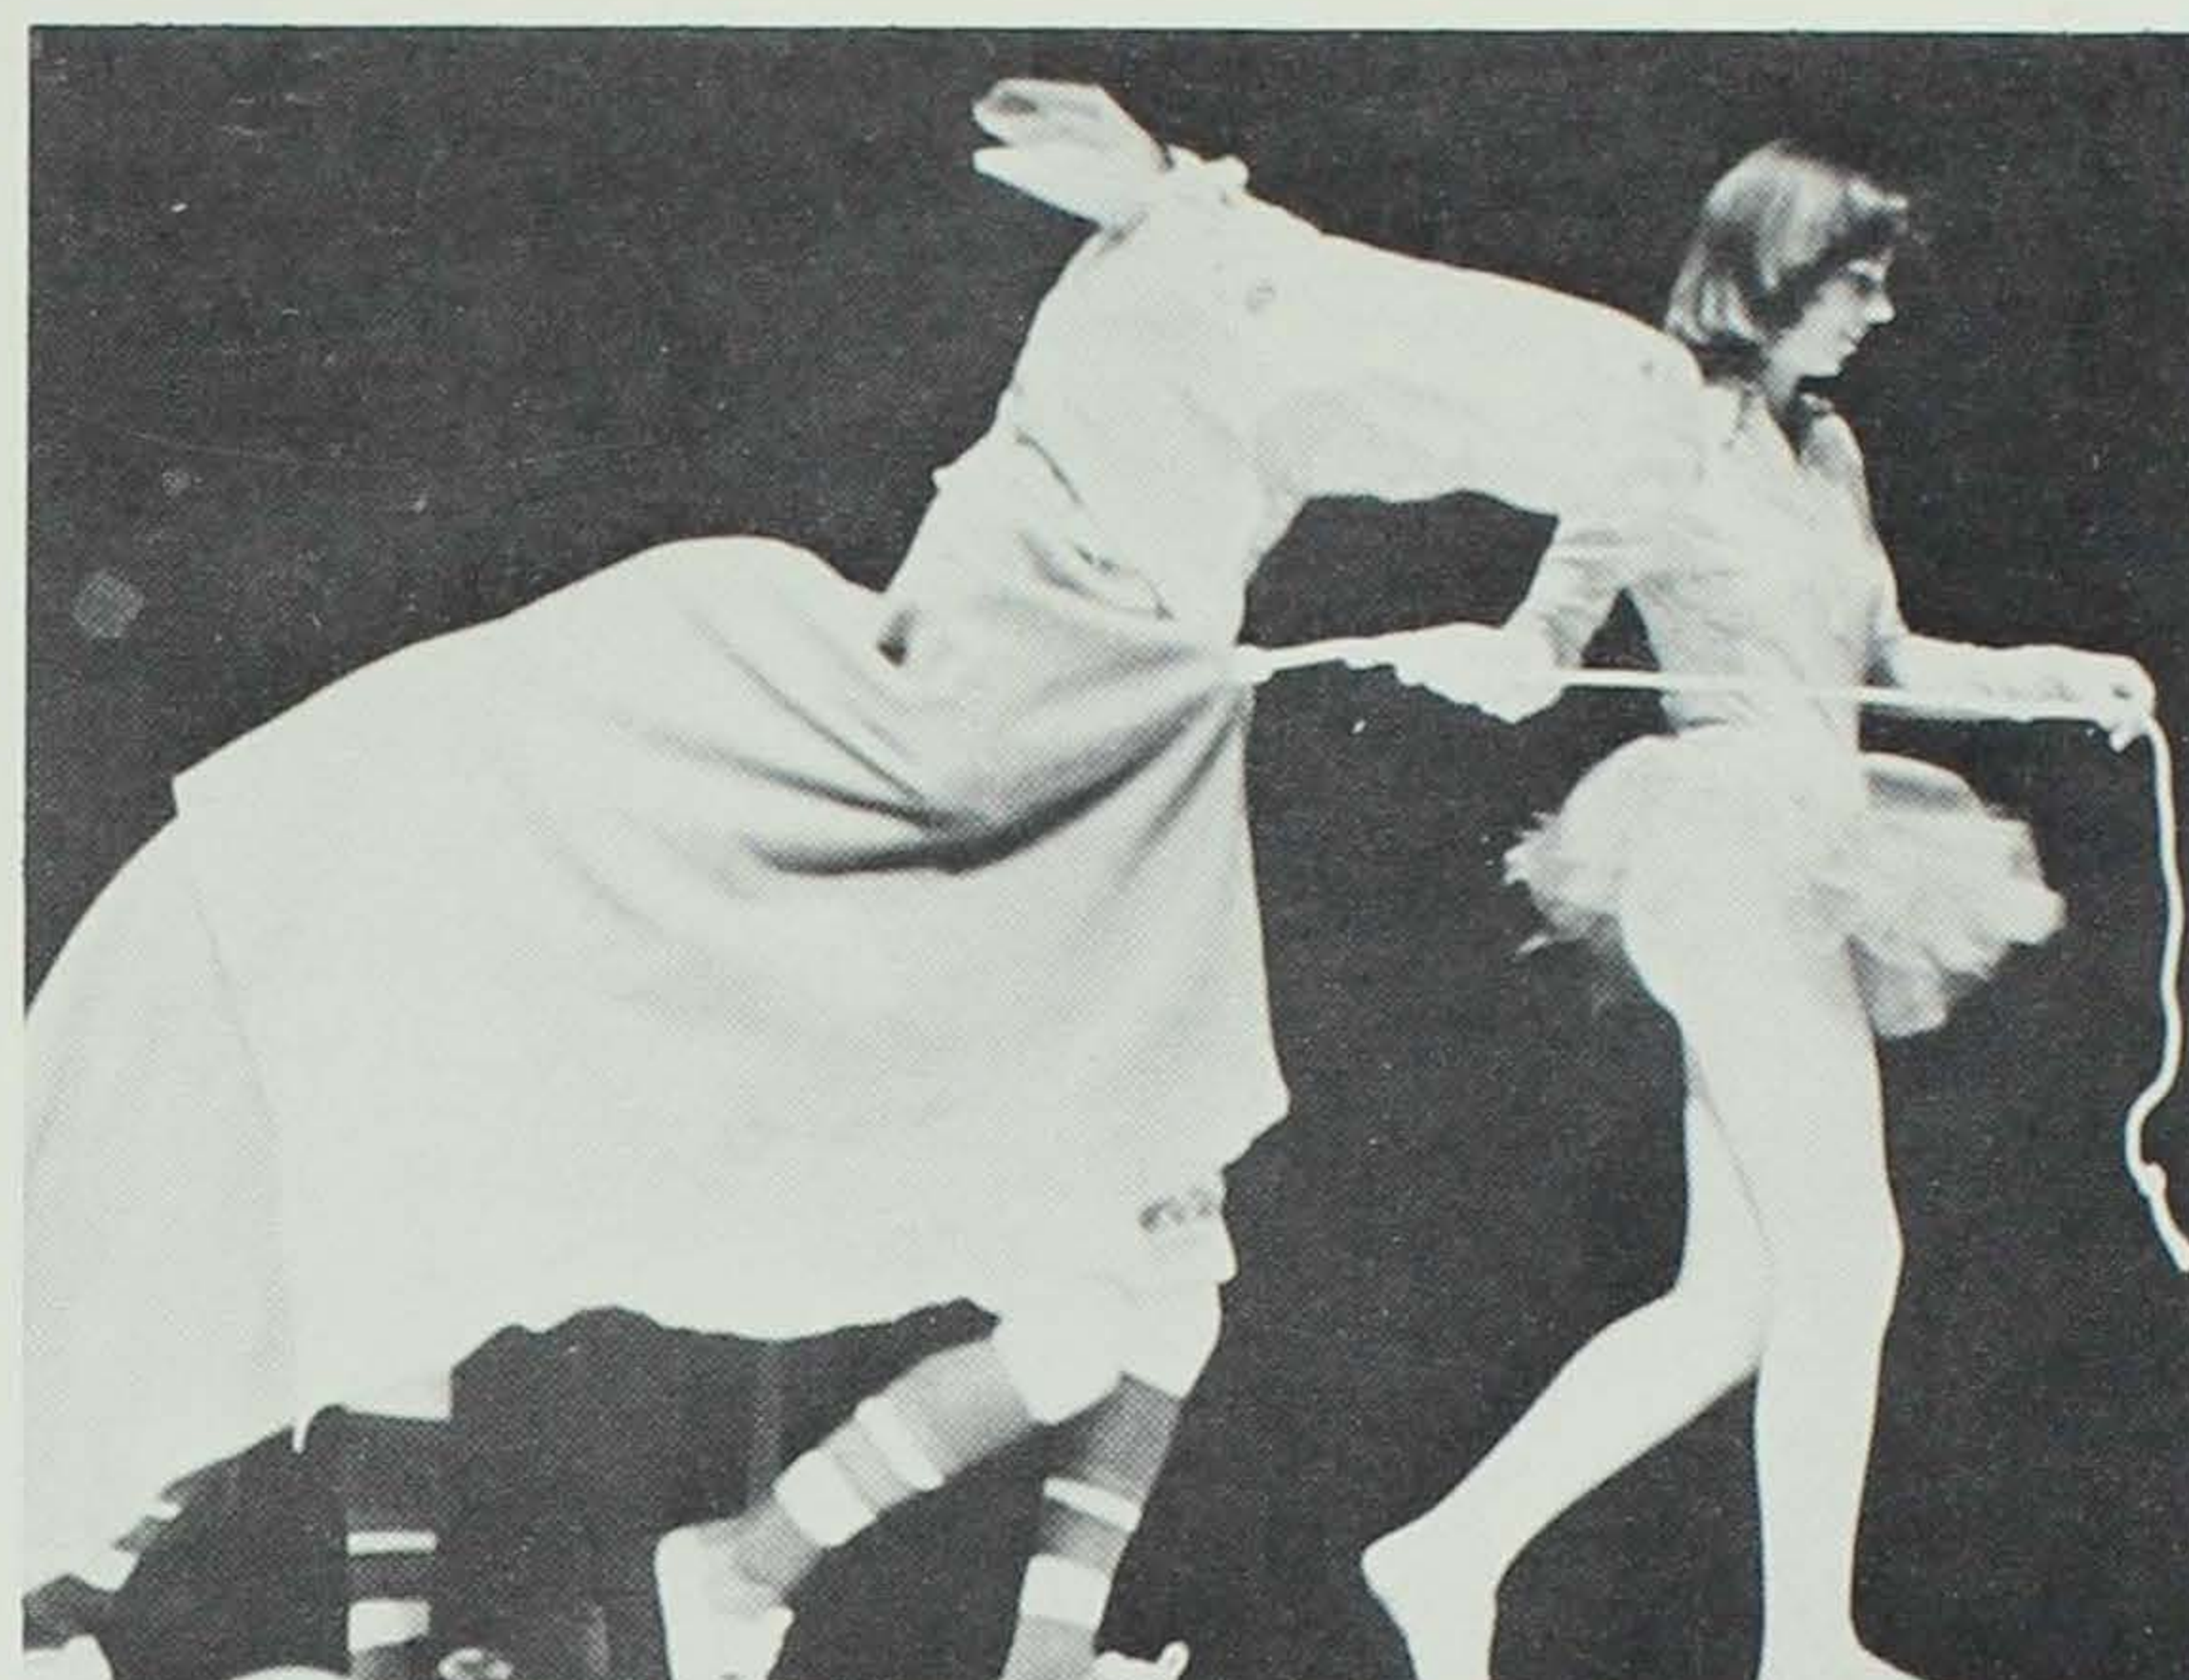

THE GUTHRIE THEATRE **EVERYMAN**

On Monday, March 3, in the Schaller Chapel, the Guthrie Theatre of Minneapolis presented their touring production of the medieval "morality" play "Everyman."

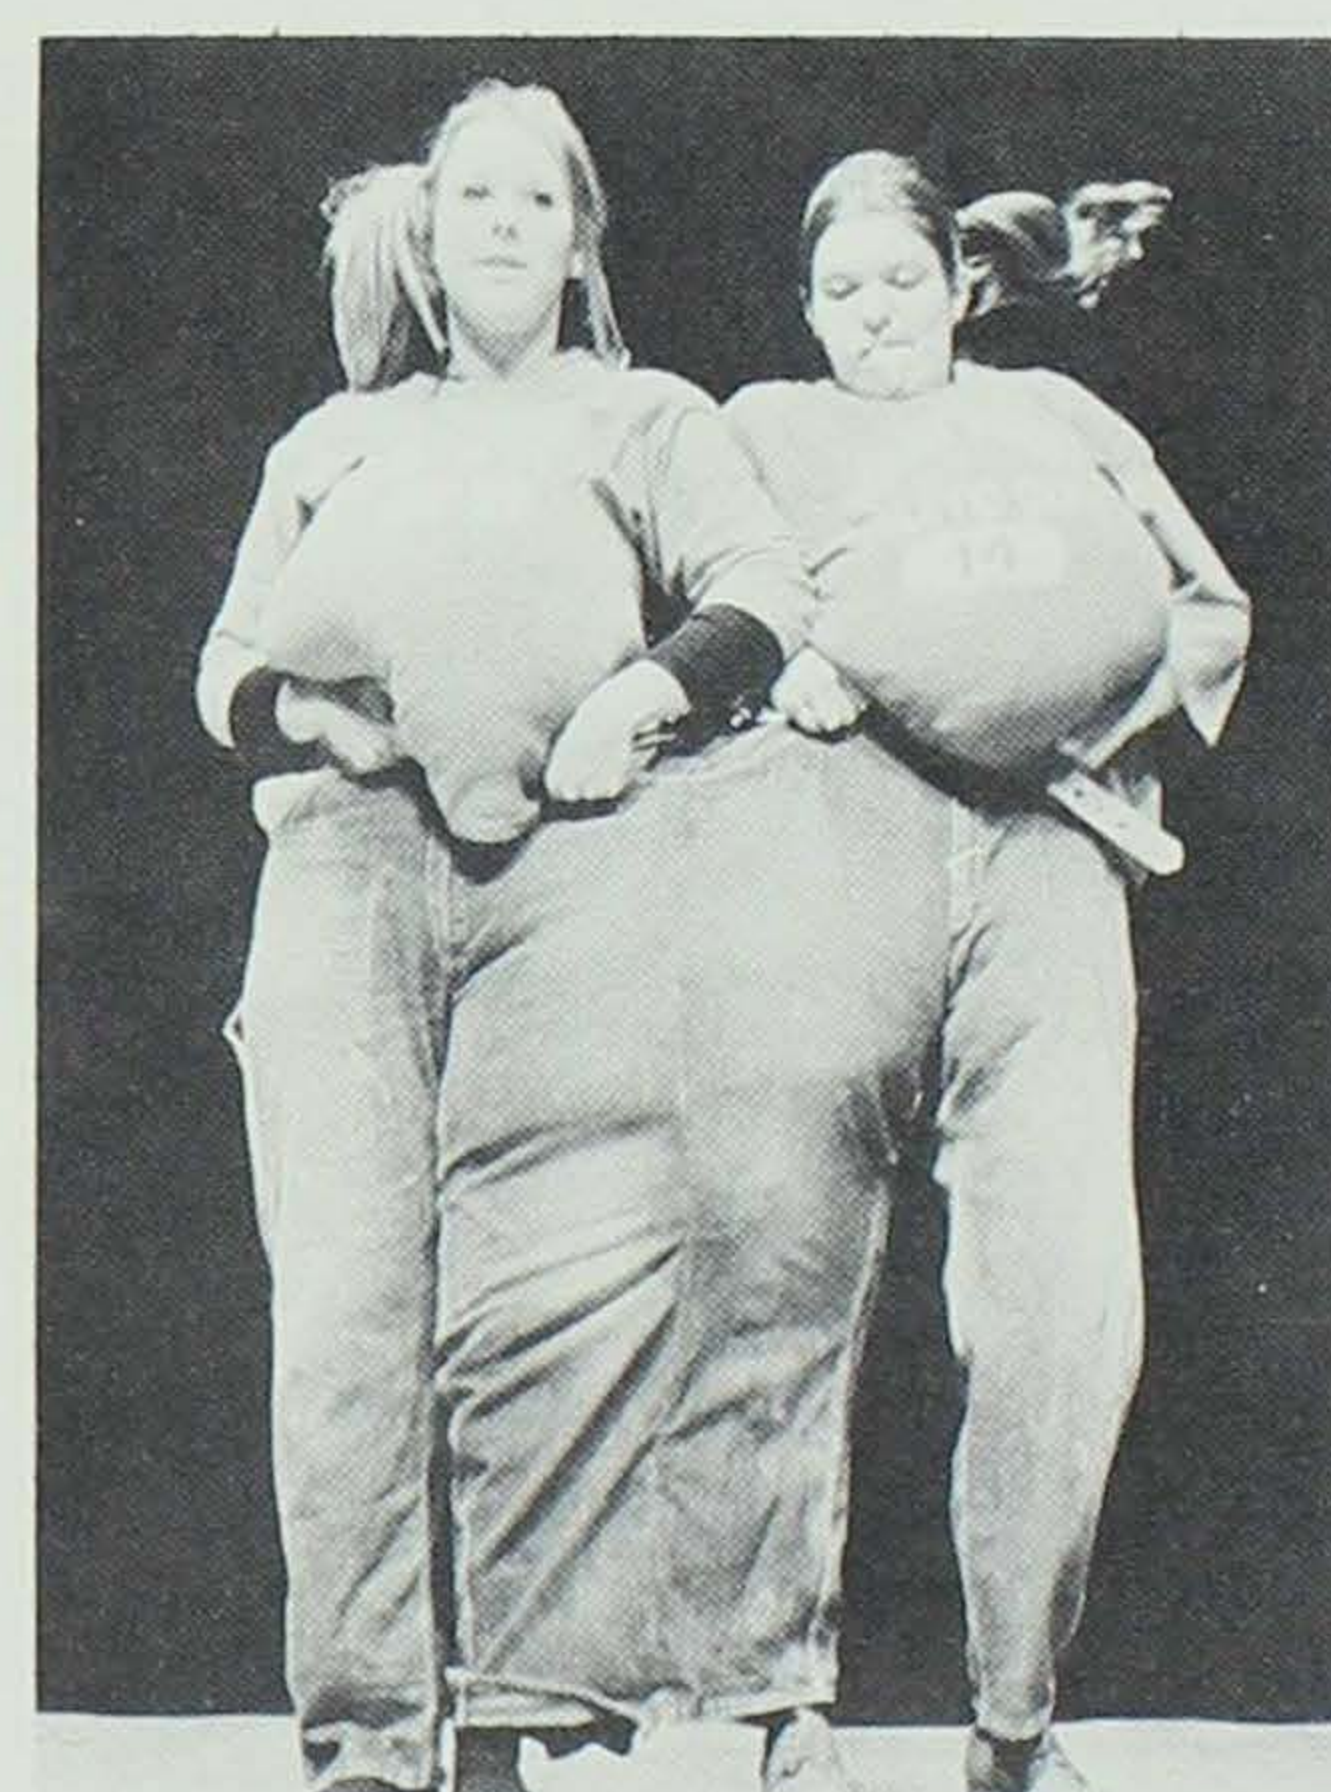

Using the original language of the oldest known English version, this production of "Everyman" focuses upon the process of Everyman's life, traveling from spiritual birth through social and material phases. Each member of the acting company takes a turn playing the role of Everyman. Each new Everyman takes us into another episode of his life.

Played out on a circular stage, "Everyman" is a ritual play which celebrates the on-going flow of life and the magical power of the theater.

MUSCULAR DYSTROPHY

Starting Friday evening at 6 p.m., 29 out of 31 couples managed to last till the end of the marathon at 12 midnight Saturday. Their efforts were not in vain though as the amount of donations passed the \$4,600 mark at the close of the dance. This total far surpassed the \$2,500 which John Andrusha, MDA representative, had set for B.V.C.

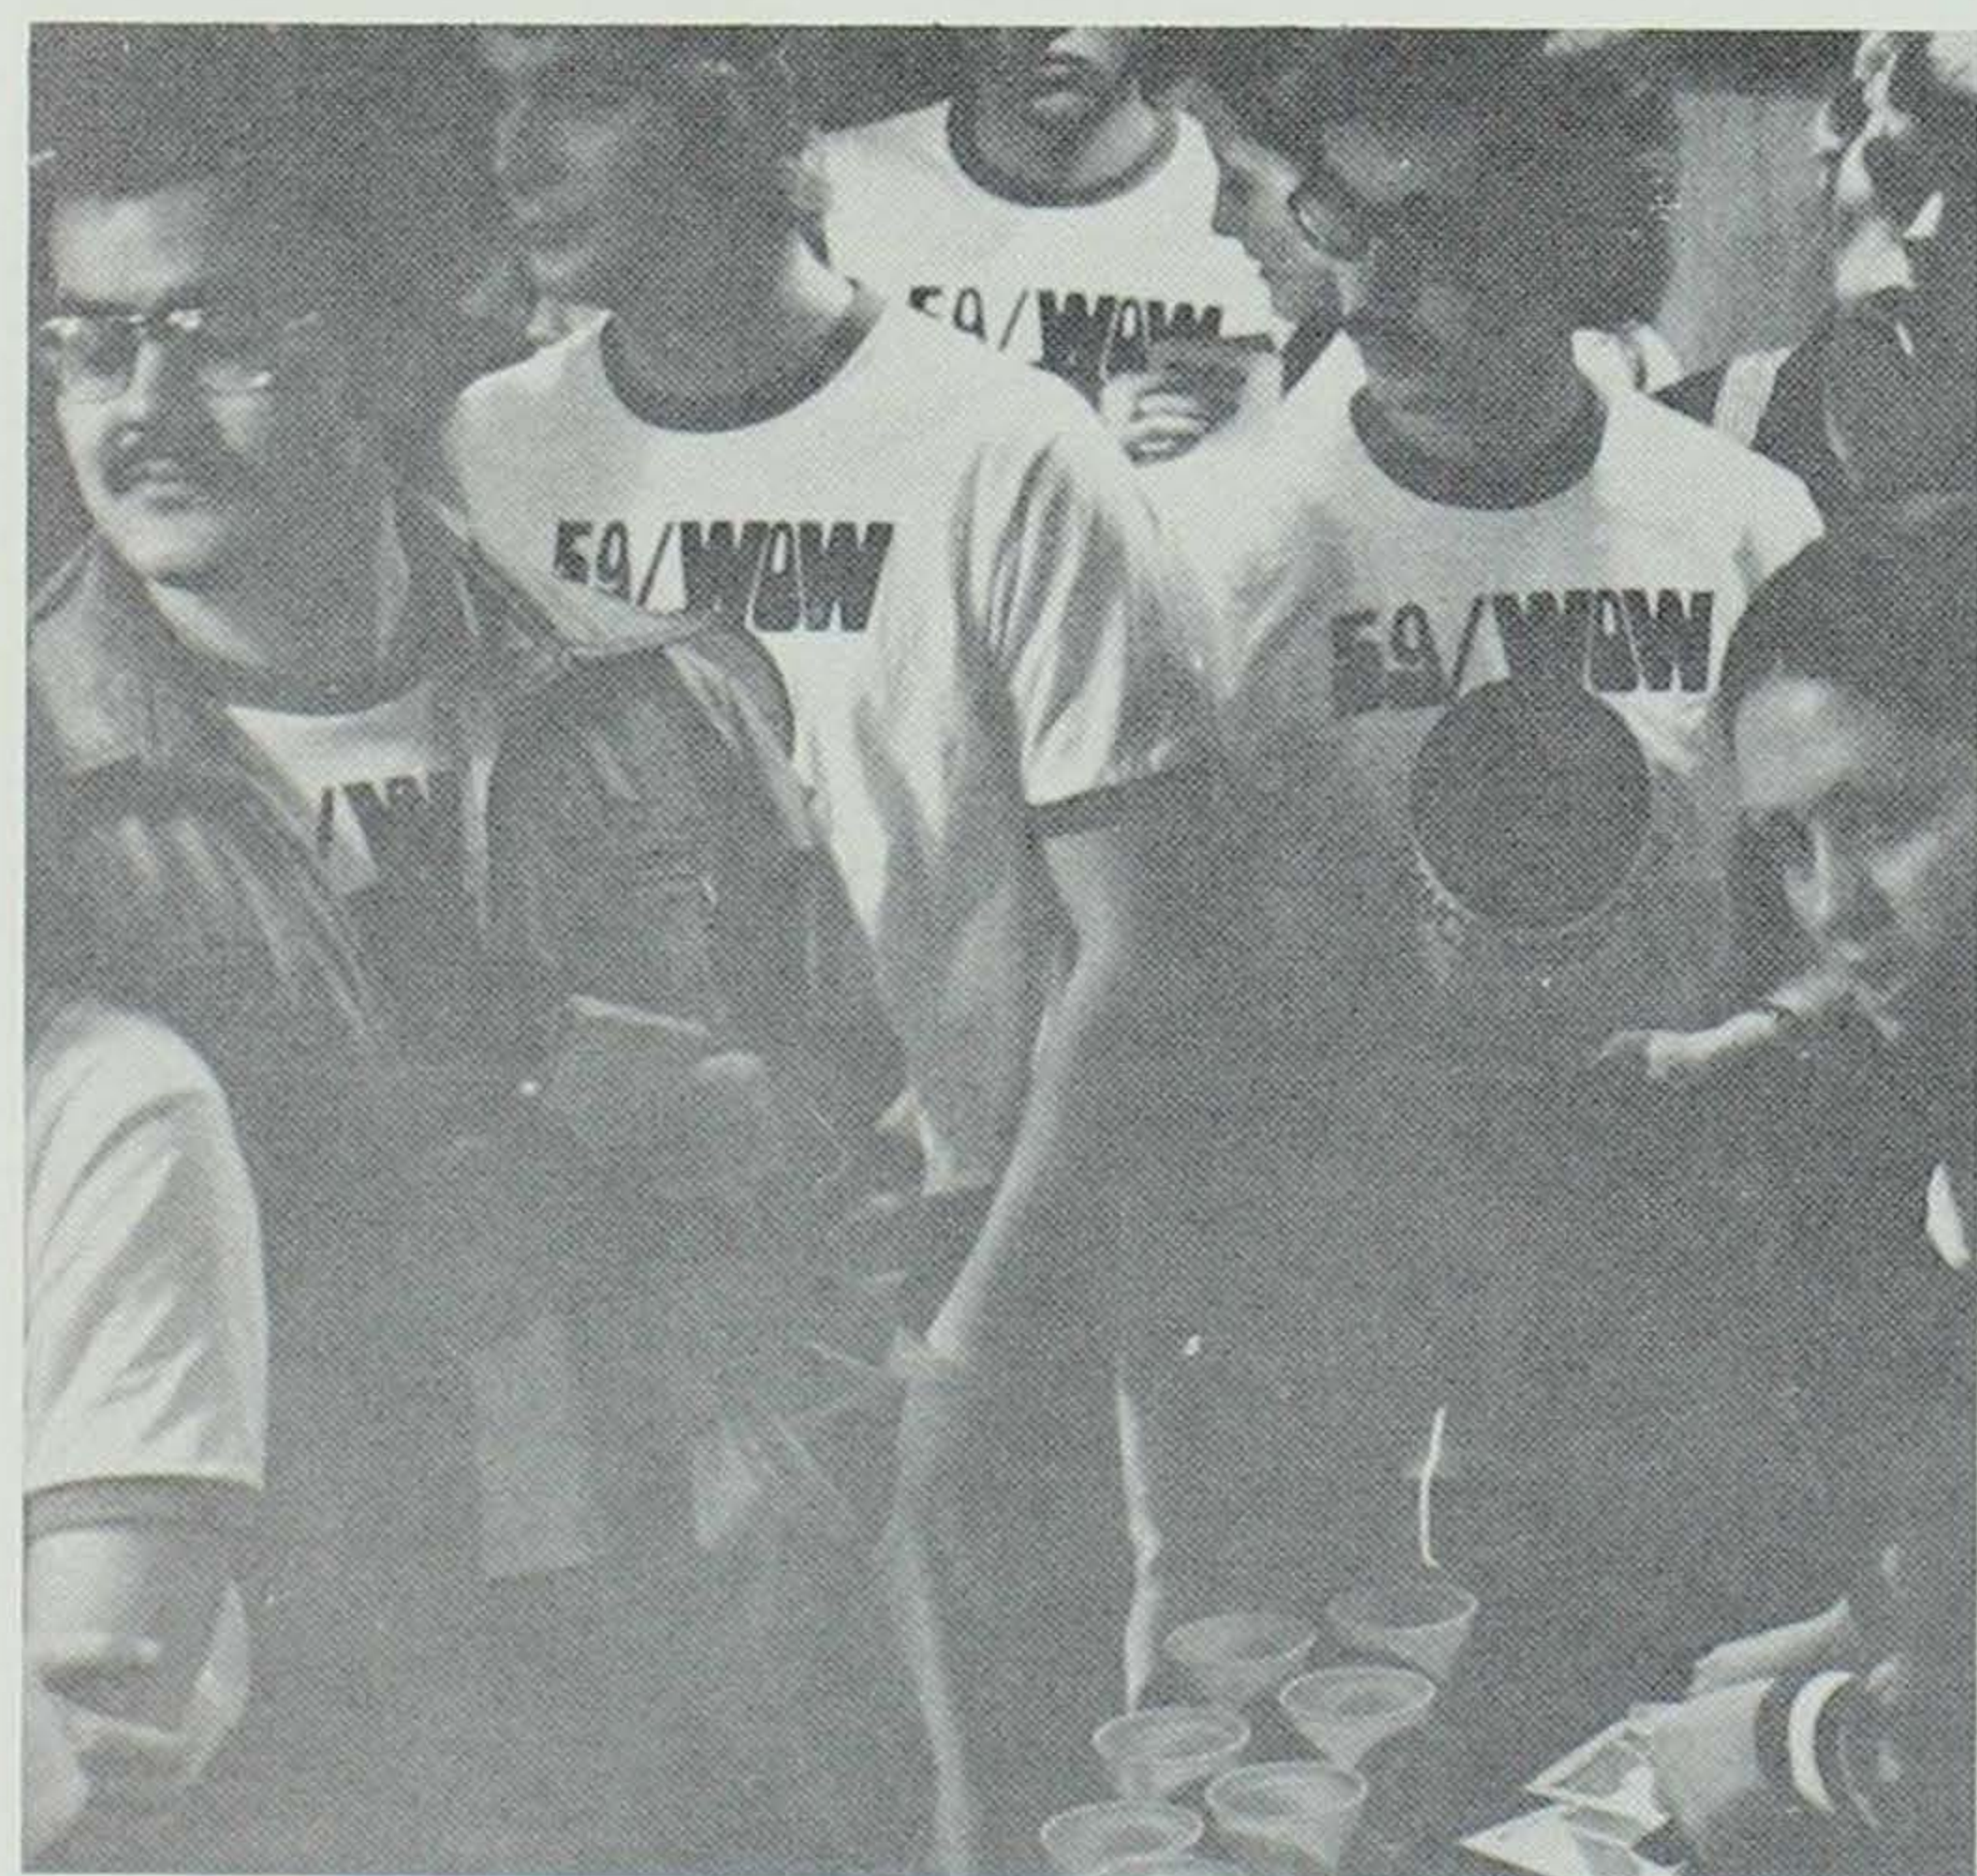

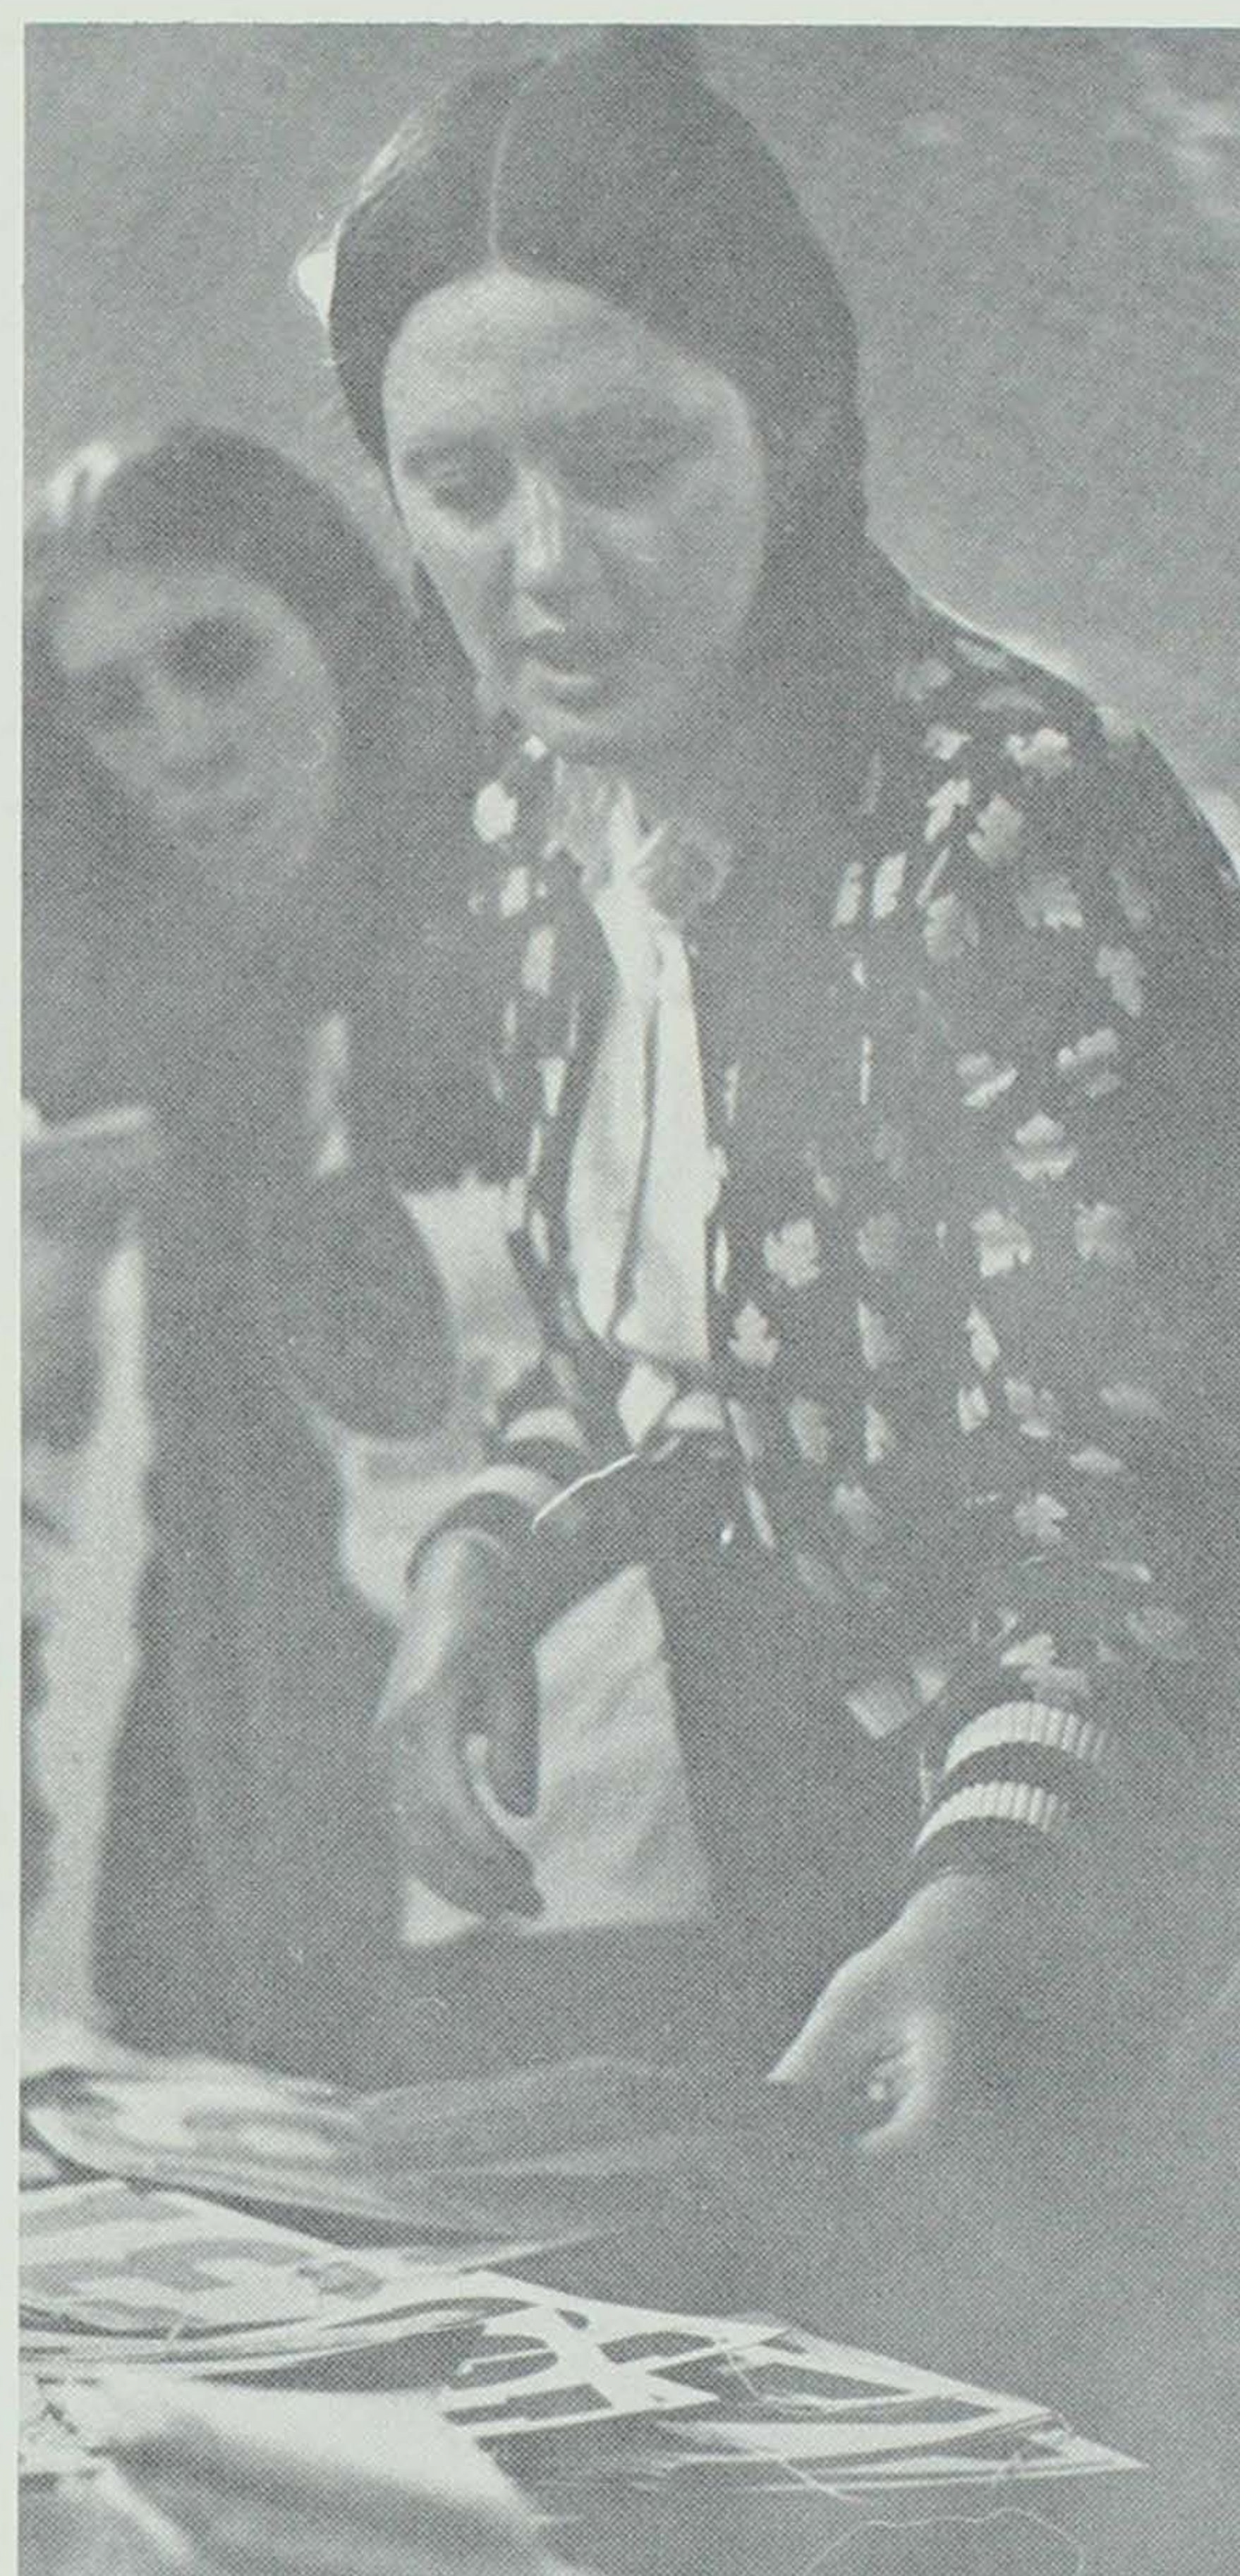

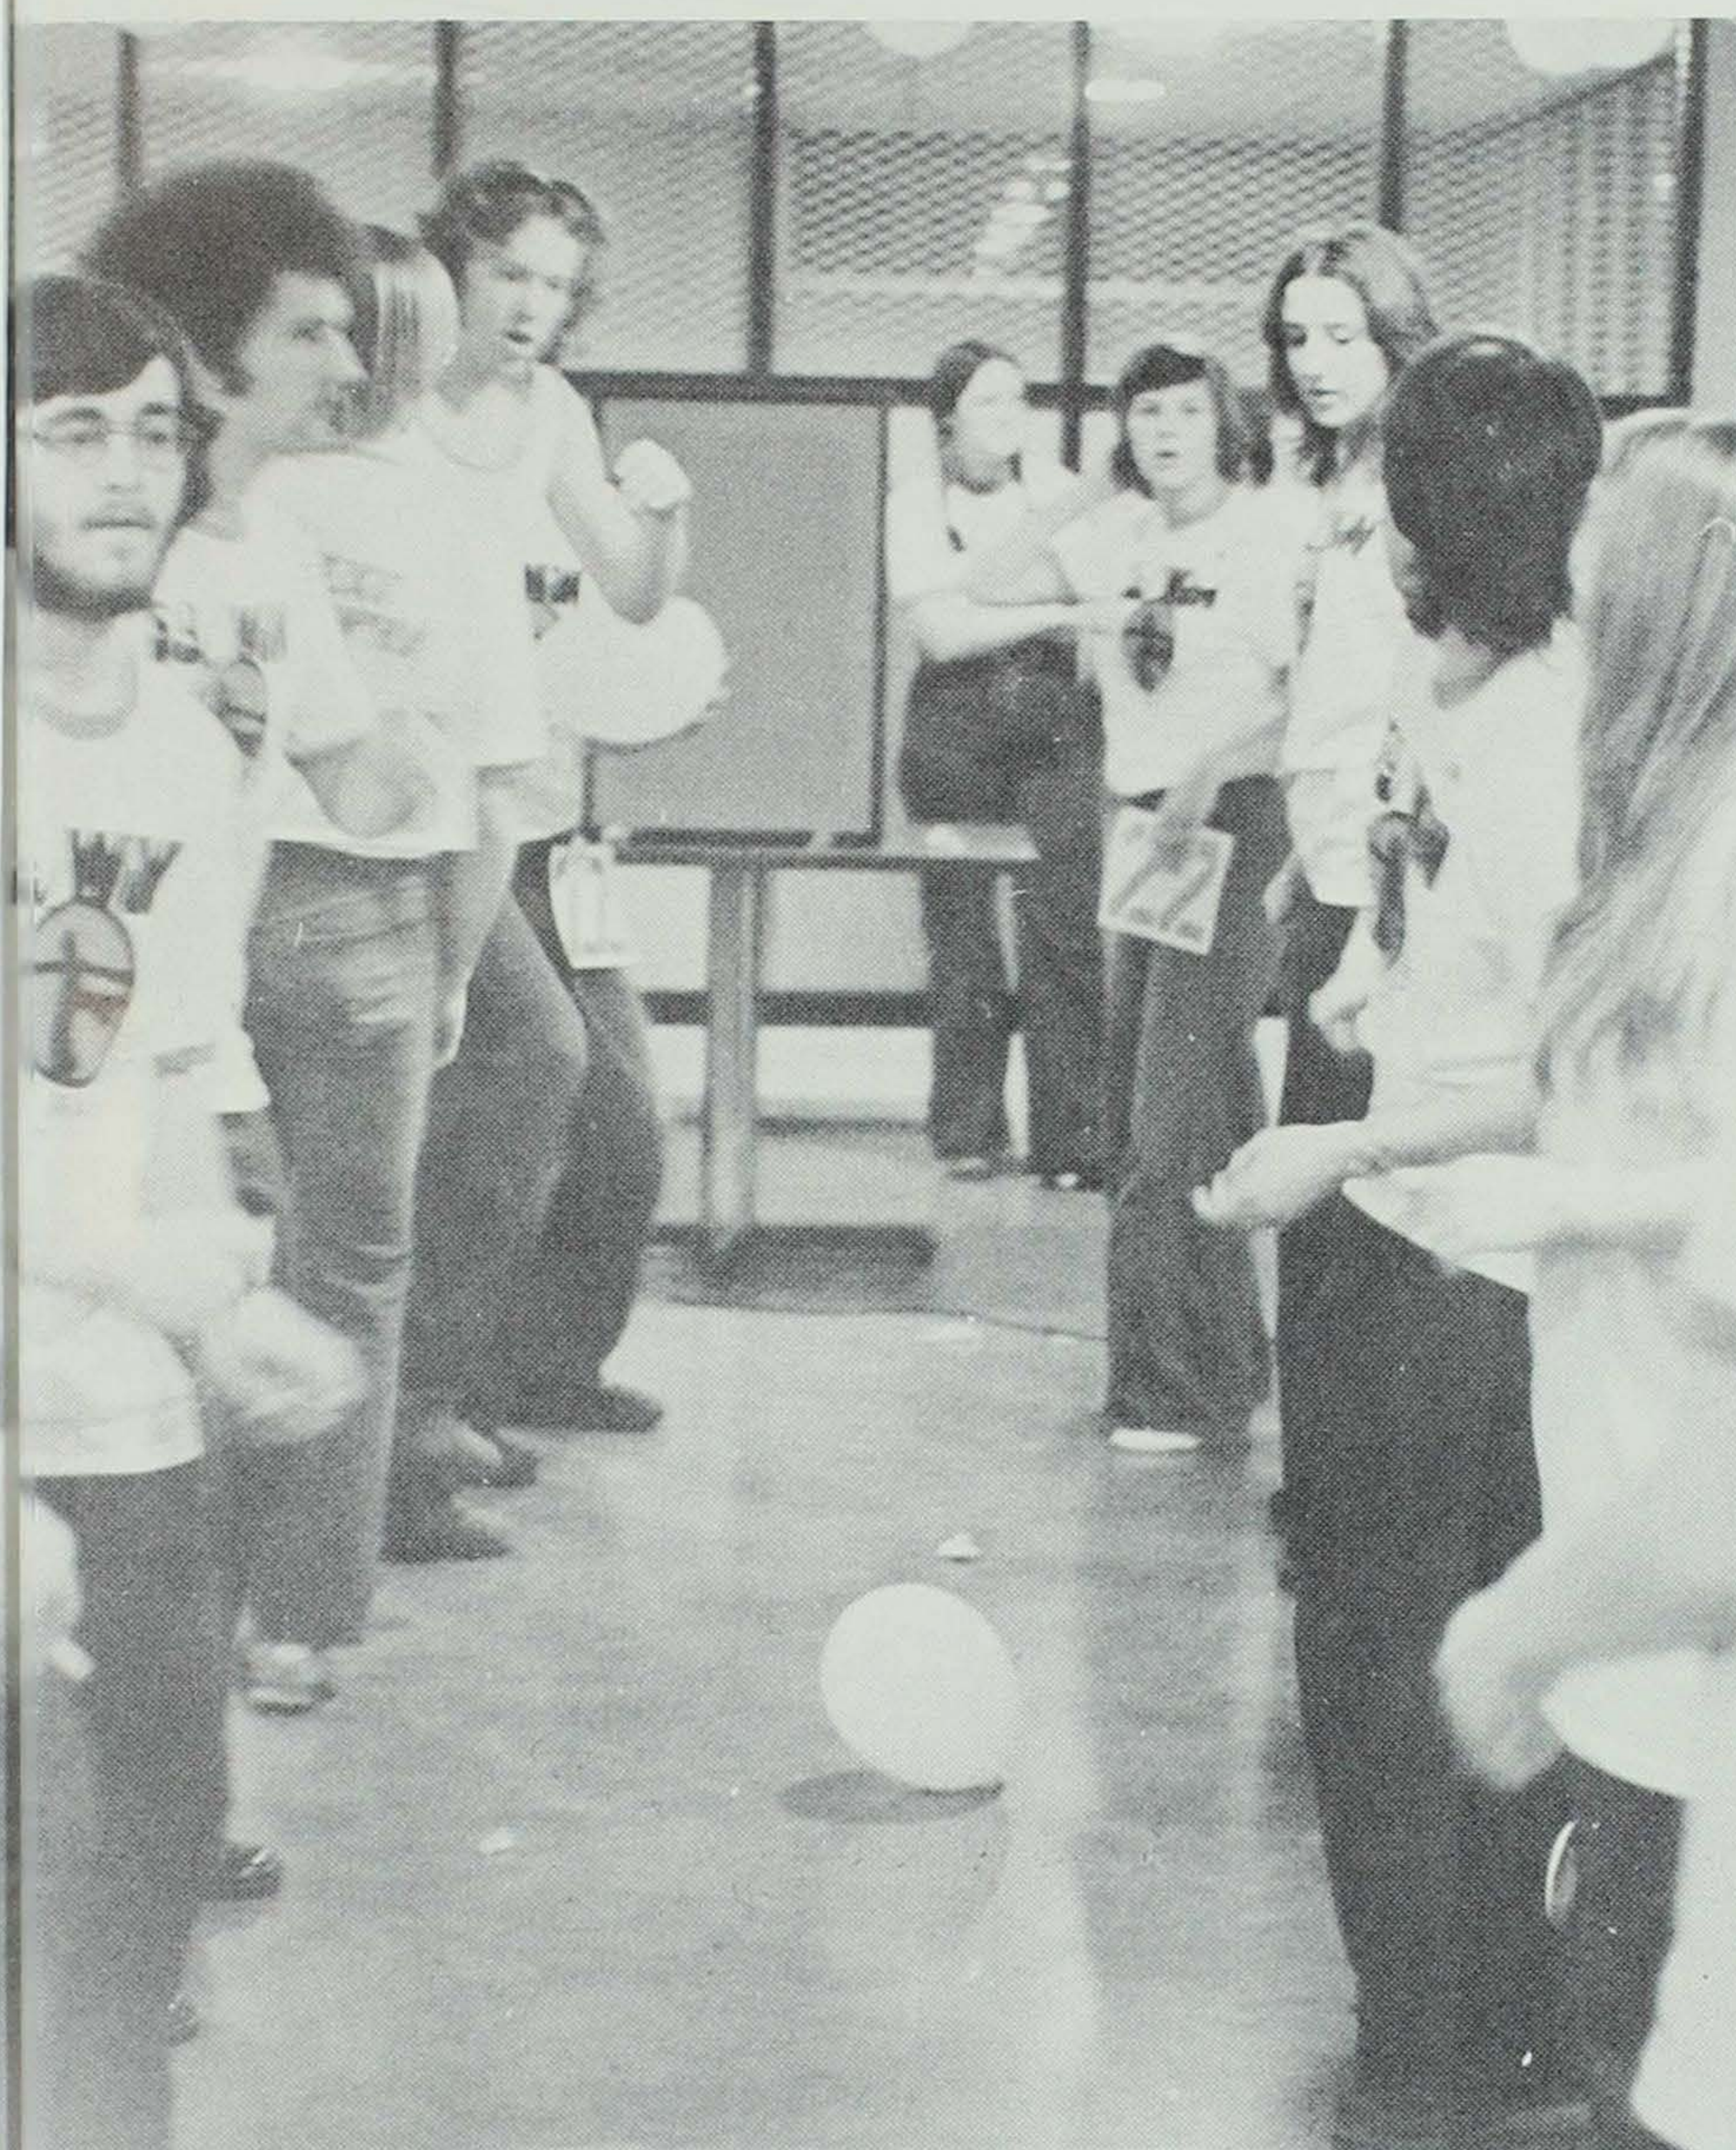

Throughout the night there were several contests with prizes for the winning couple. There was a "bump" contest, a polka contest, a rock-n-roll contest - they even played musical chairs around 3 a.m. Saturday morning.

At 4 a.m. the dancers finally got to go to sleep but were rudely awakened at 8 a.m. having (appropriately enough) the song "Riding the Storm Out" blasted in their ears.

After it was over, all contestants questioned said that they were really sore but that they were glad they'd done it.

FOOTBALL CHEERLEADERS

The 1974-'75 football season proved to be a busy one for the BVC cheerleaders. Many hours were put into projects such as pep rallies, selling booster buttons, practices, decorating the players' locker room, making pep signs, and mailing spirit booster notes to the players.

Some of the more outstanding events of the season included the addition of new uniforms and a skit in which a spirit cake was made with Coach Hershberger as the main

ingredient. The girls were also able to attend the Spencer cheerleading clinic where they demonstrated cheers and judged high school cheerleaders from the area schools.

Once again, the squad was able to attend all the away games. This was made possible through the financial aid of the Lettermen and the college.

This year's sponsors were Mrs. Bernard Weiss and Mrs. Jay Beekman.

The Buena Vista College Choir, under the direction of Robert D. Pfaltzgraff, presented its annual Christmas Concert Sunday, December 8, in Schaller Memorial Chapel on the Buena Vista College Campus. The major work for the choir was Antonio Vivaldi's "Gloria." Traditionally a part of the Christmas season, the choir's Christmas Concert was again appreciated by the community as well as students.

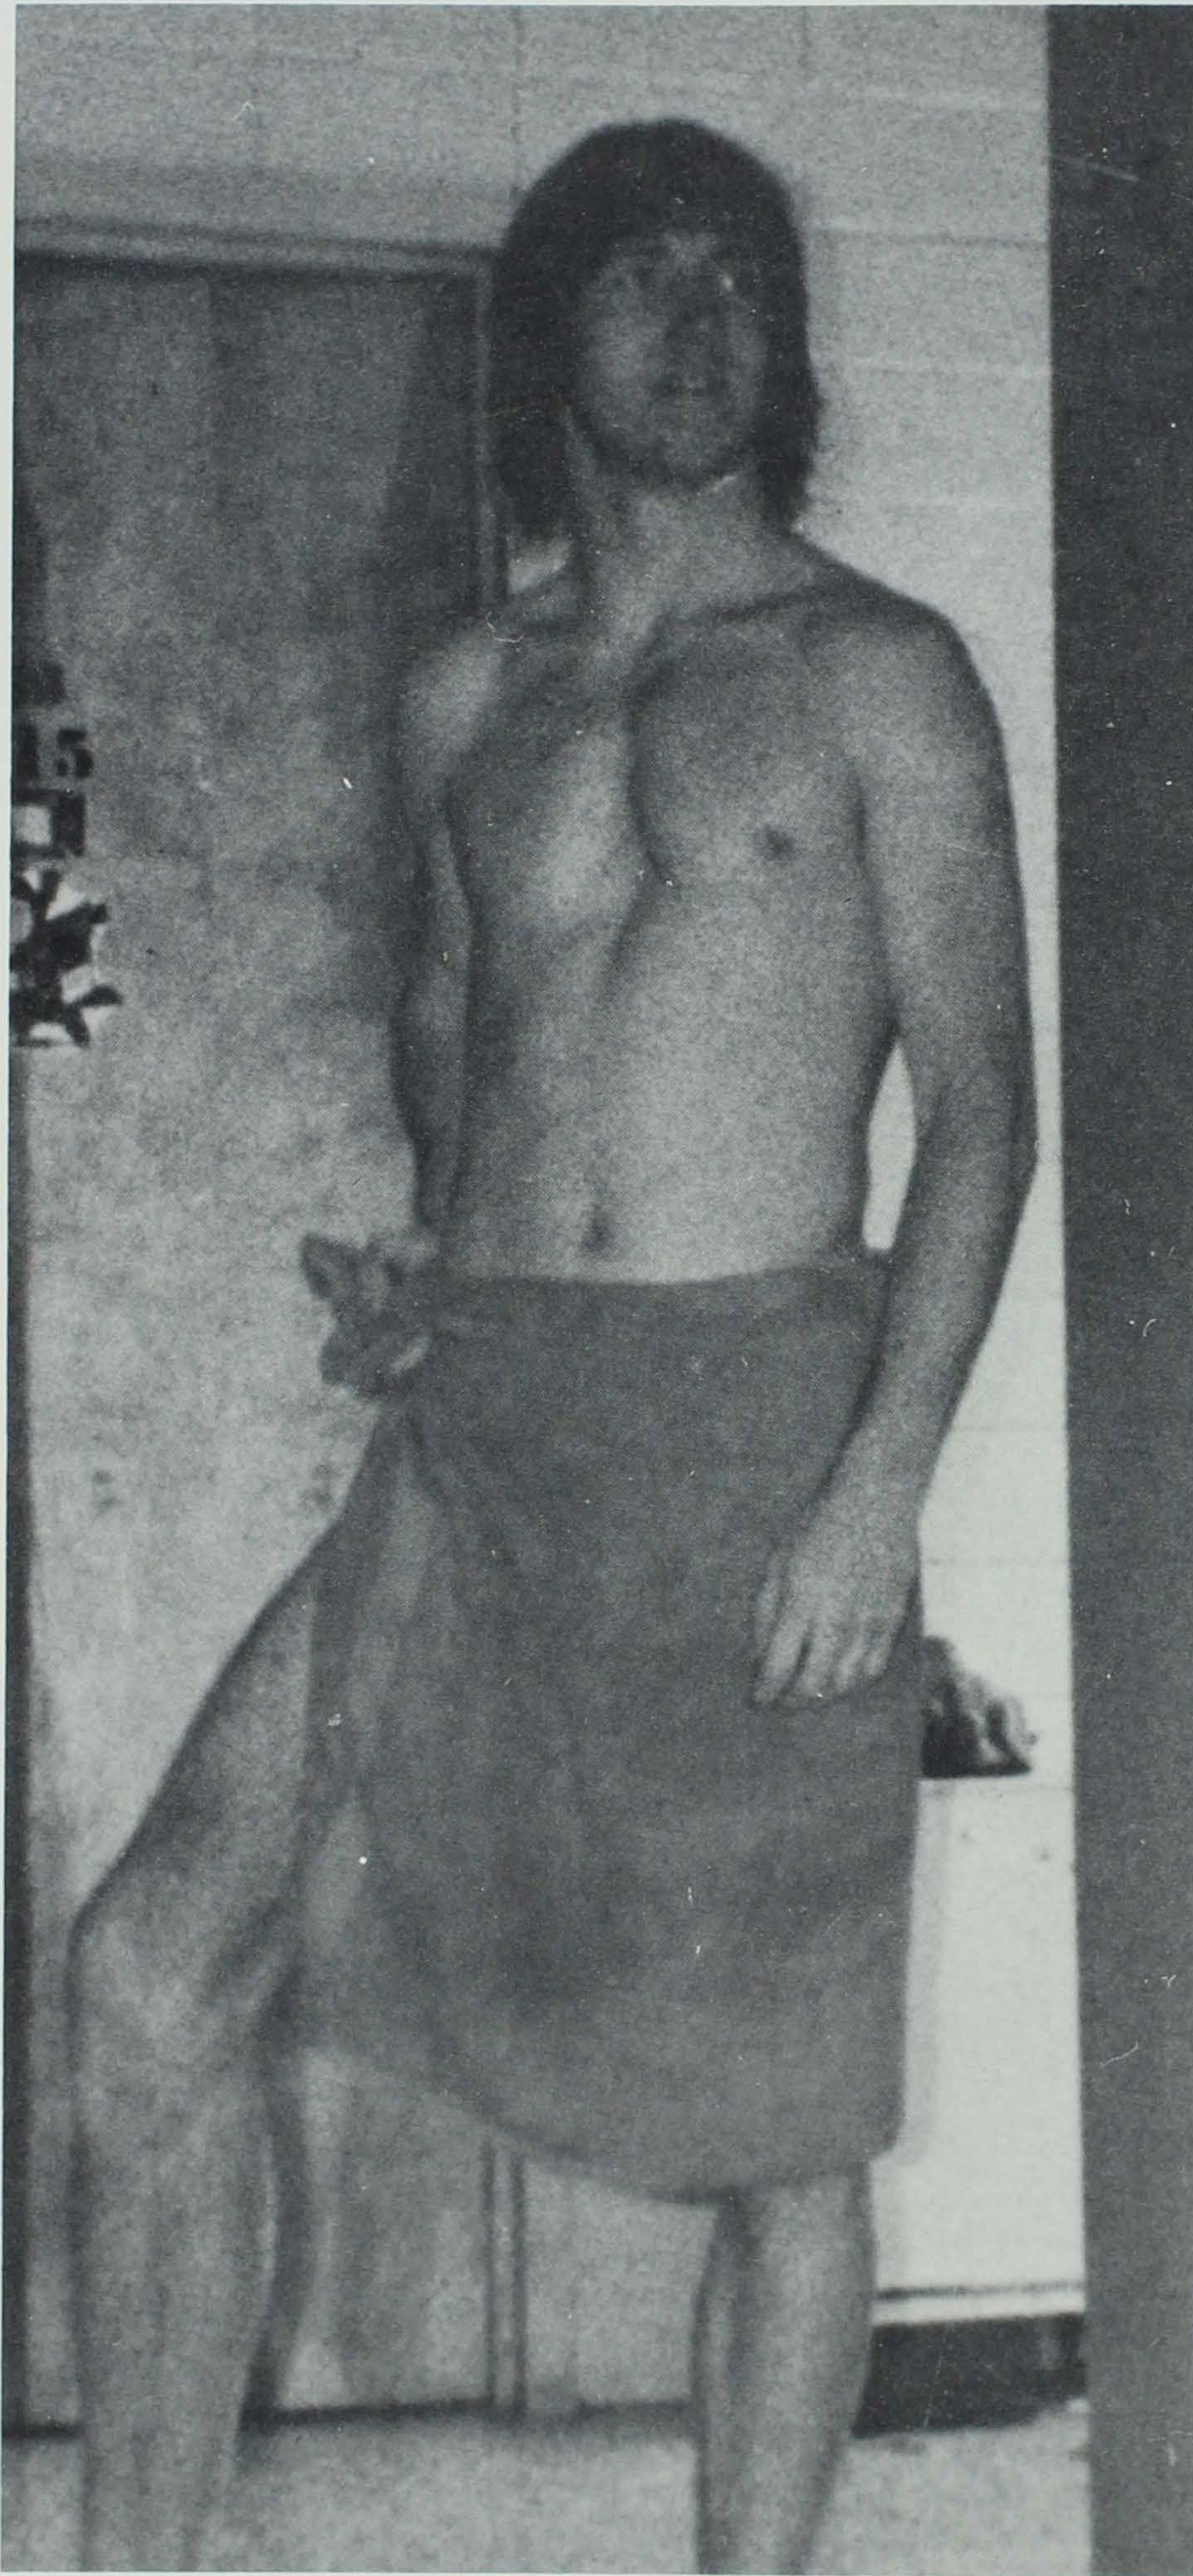

On Saturday, April 19, Director Pfaltzgraff took 65 members of the Buena Vista College Choir in two chartered buses on a mini-tour. The choir's first performance was at the First Presbyterian Church in Omaha on Sunday morning. Later that day, they sang before the Holy

Family Episcopal Church. The choir made its last appearance Sunday night at West Hills Presbyterian Church, also in Omaha. According to Pfaltzgraff, "The audience's response was very good."

Omaha was chosen for the tour because it was felt that this was the place that would do the college the most good at the least expense, hoping to recruit new students as well as attract people's interest in helping to develop the college.

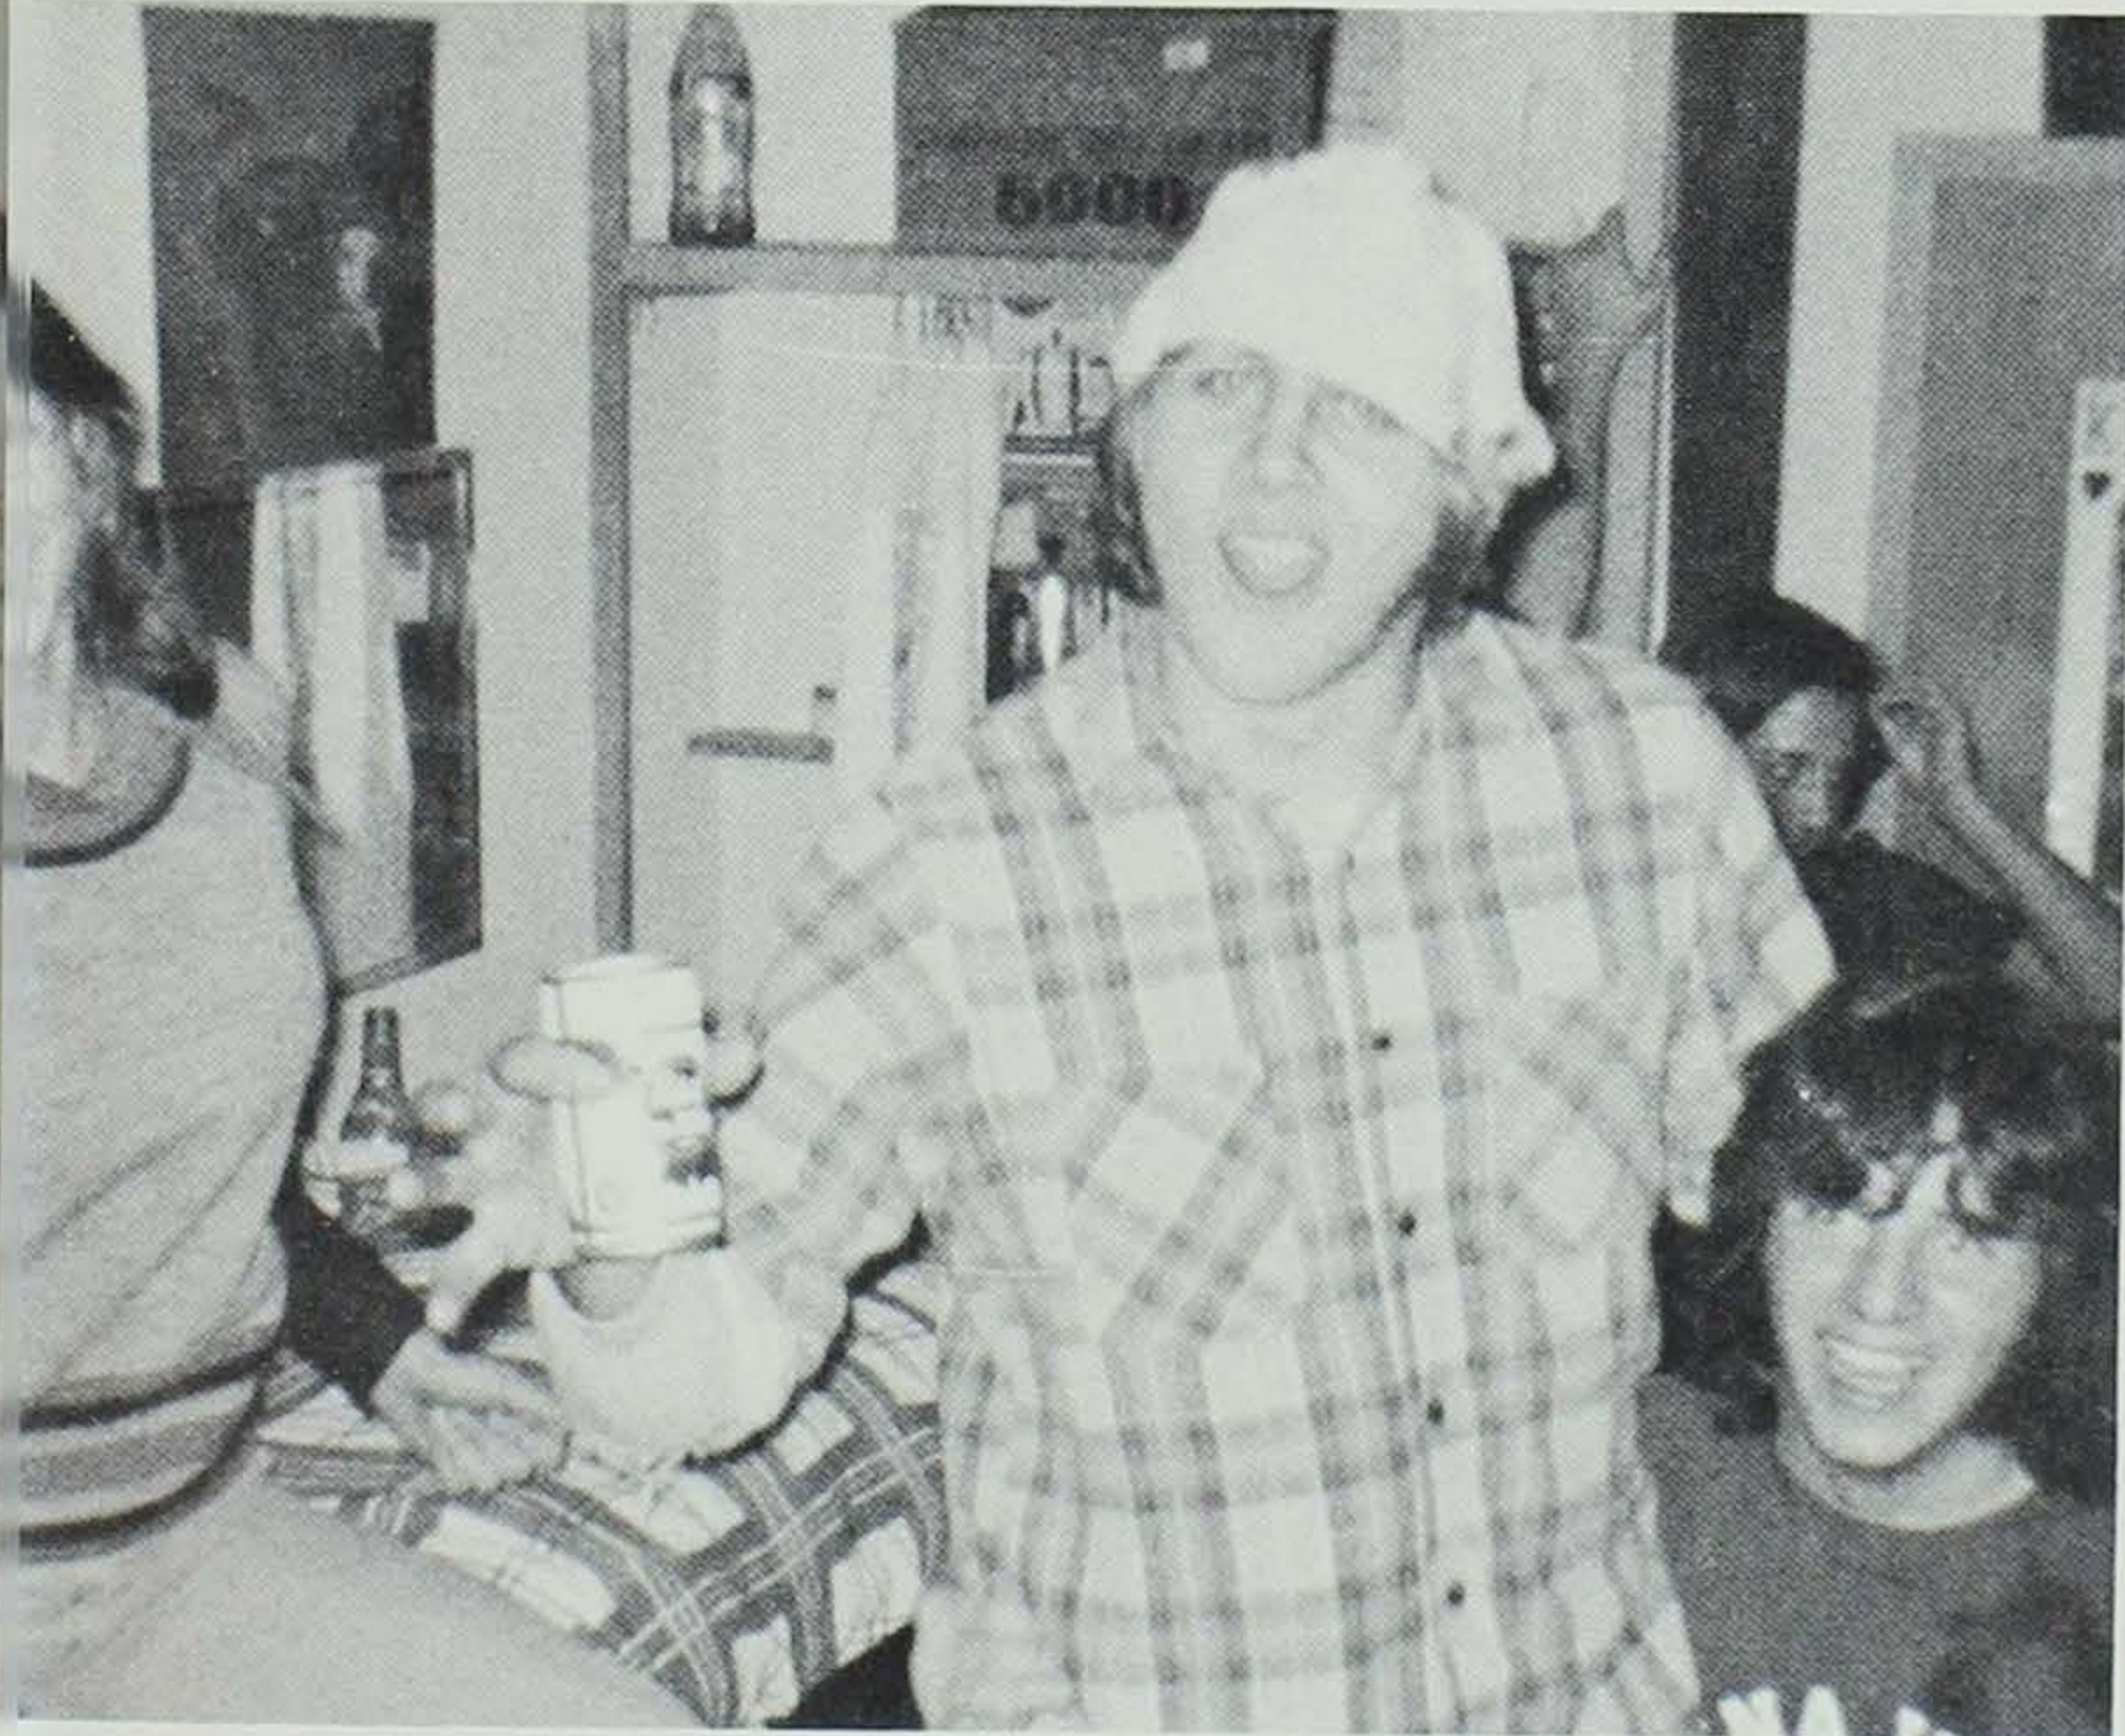

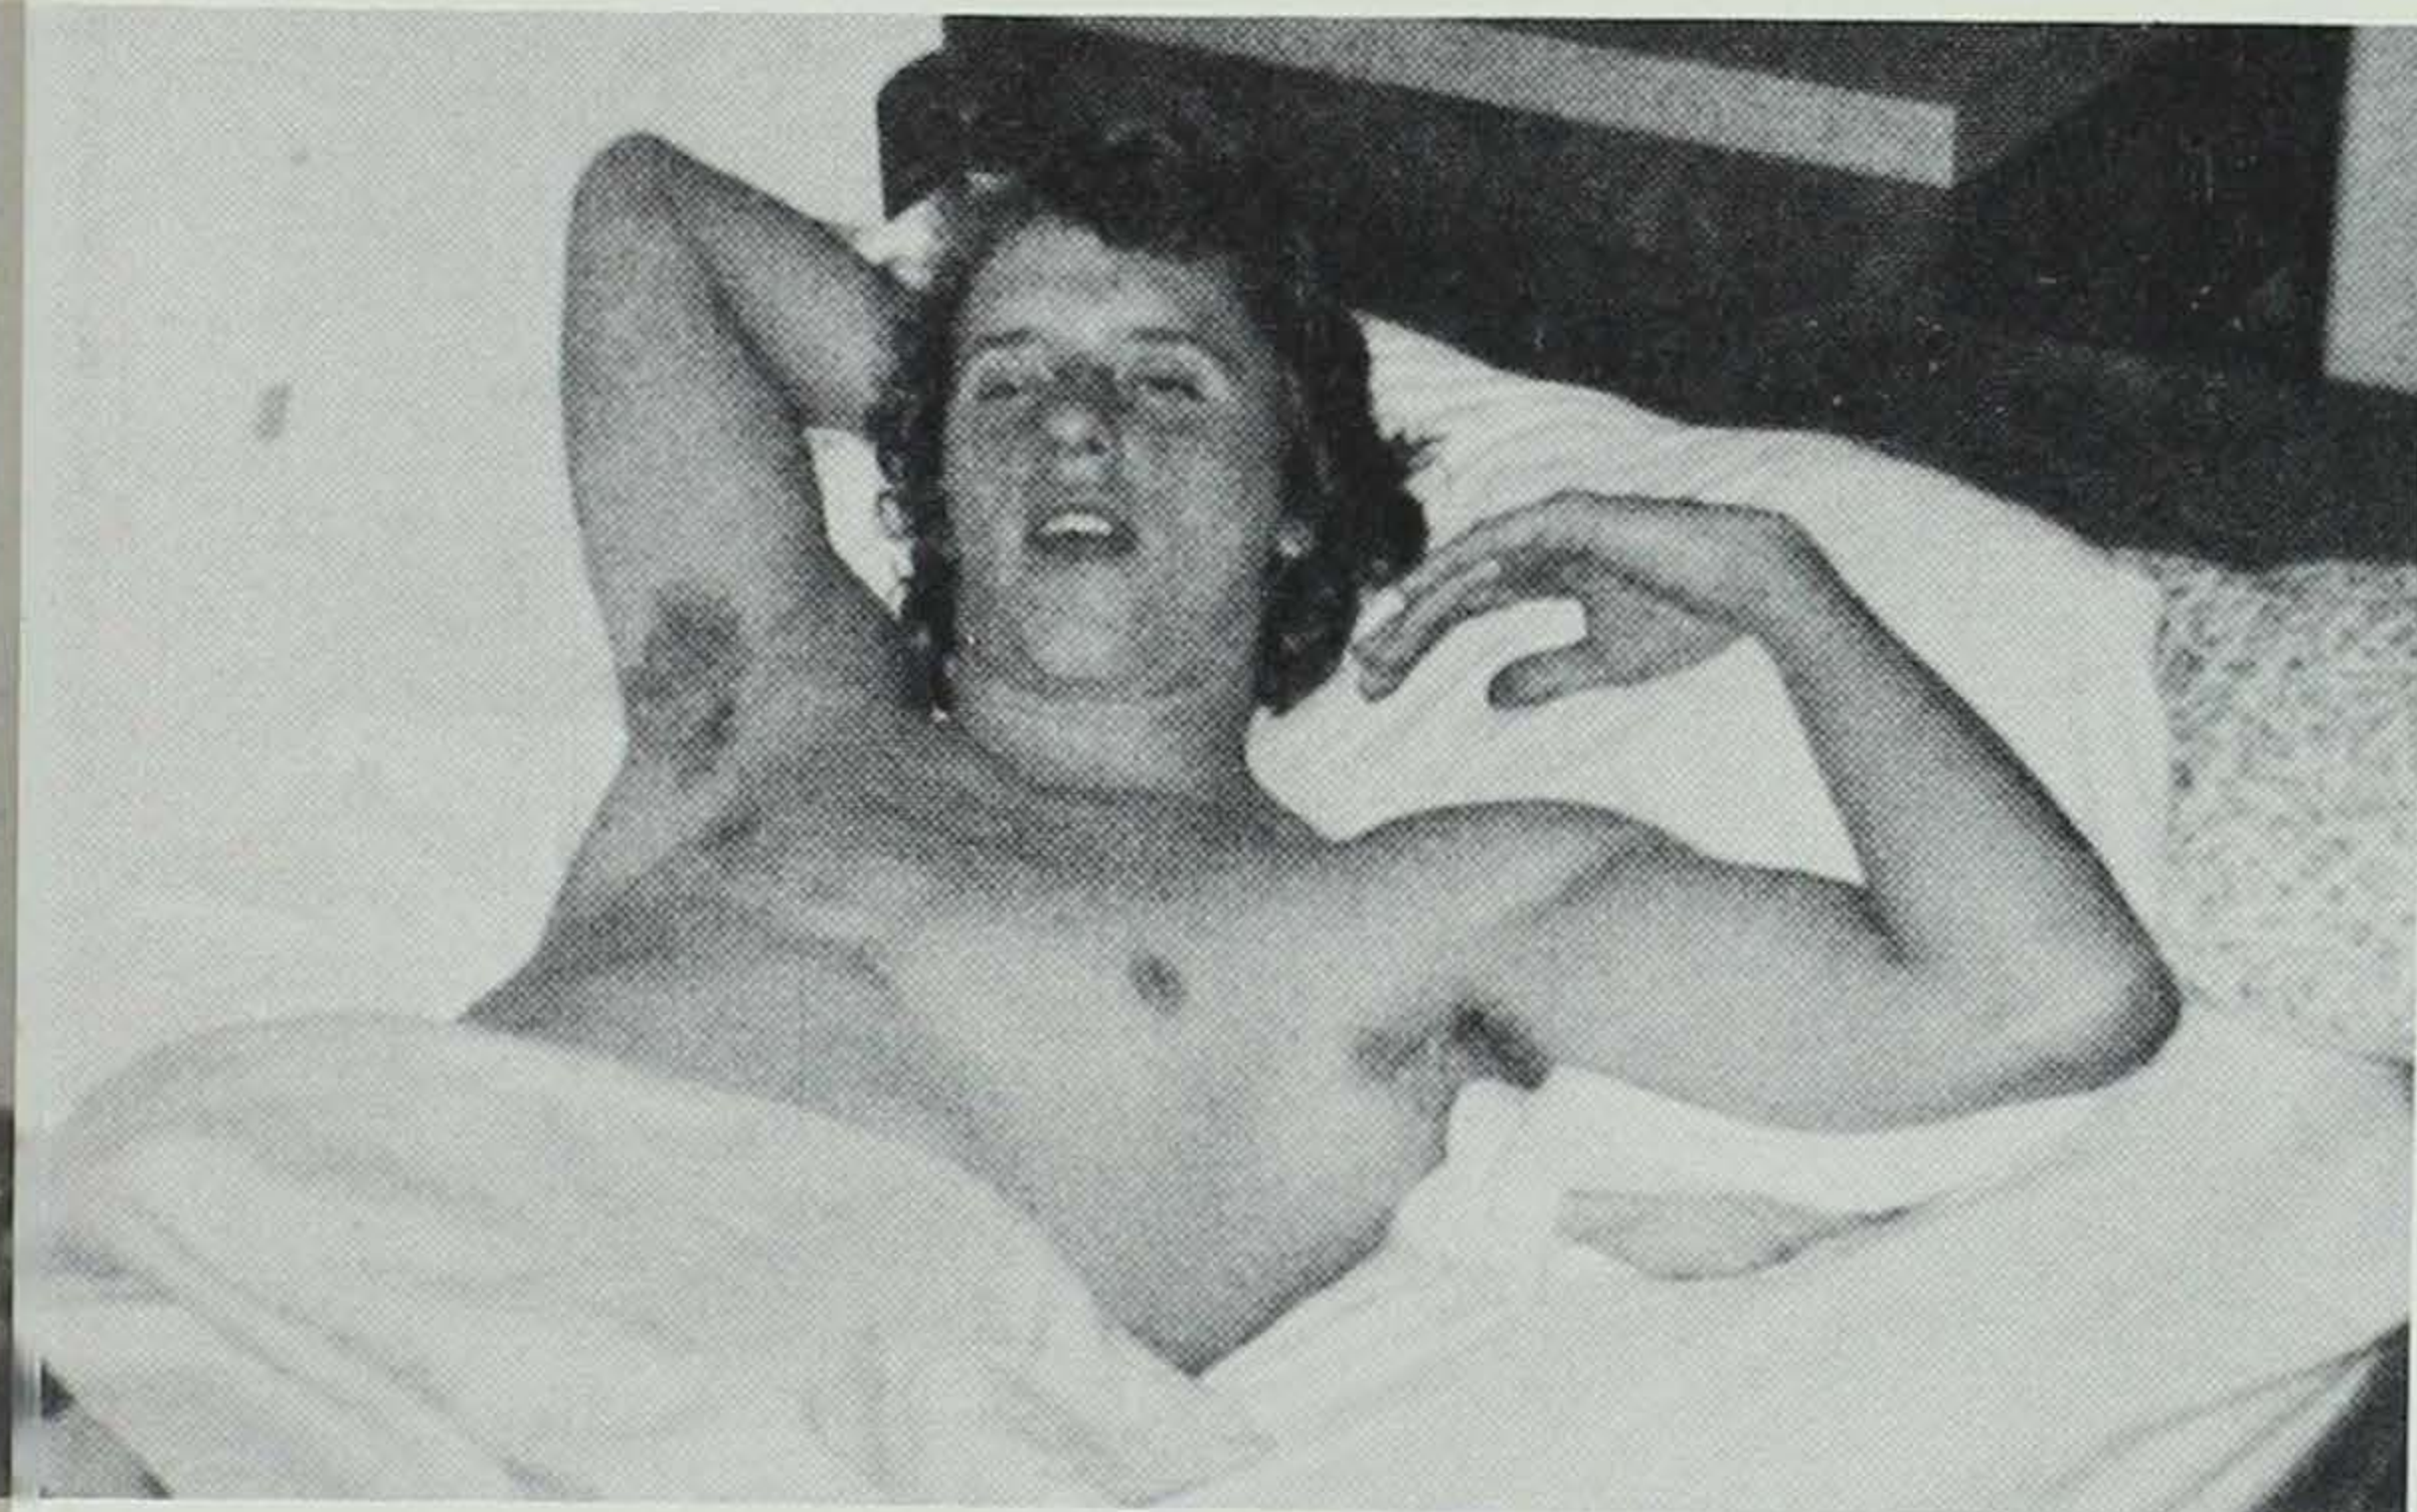

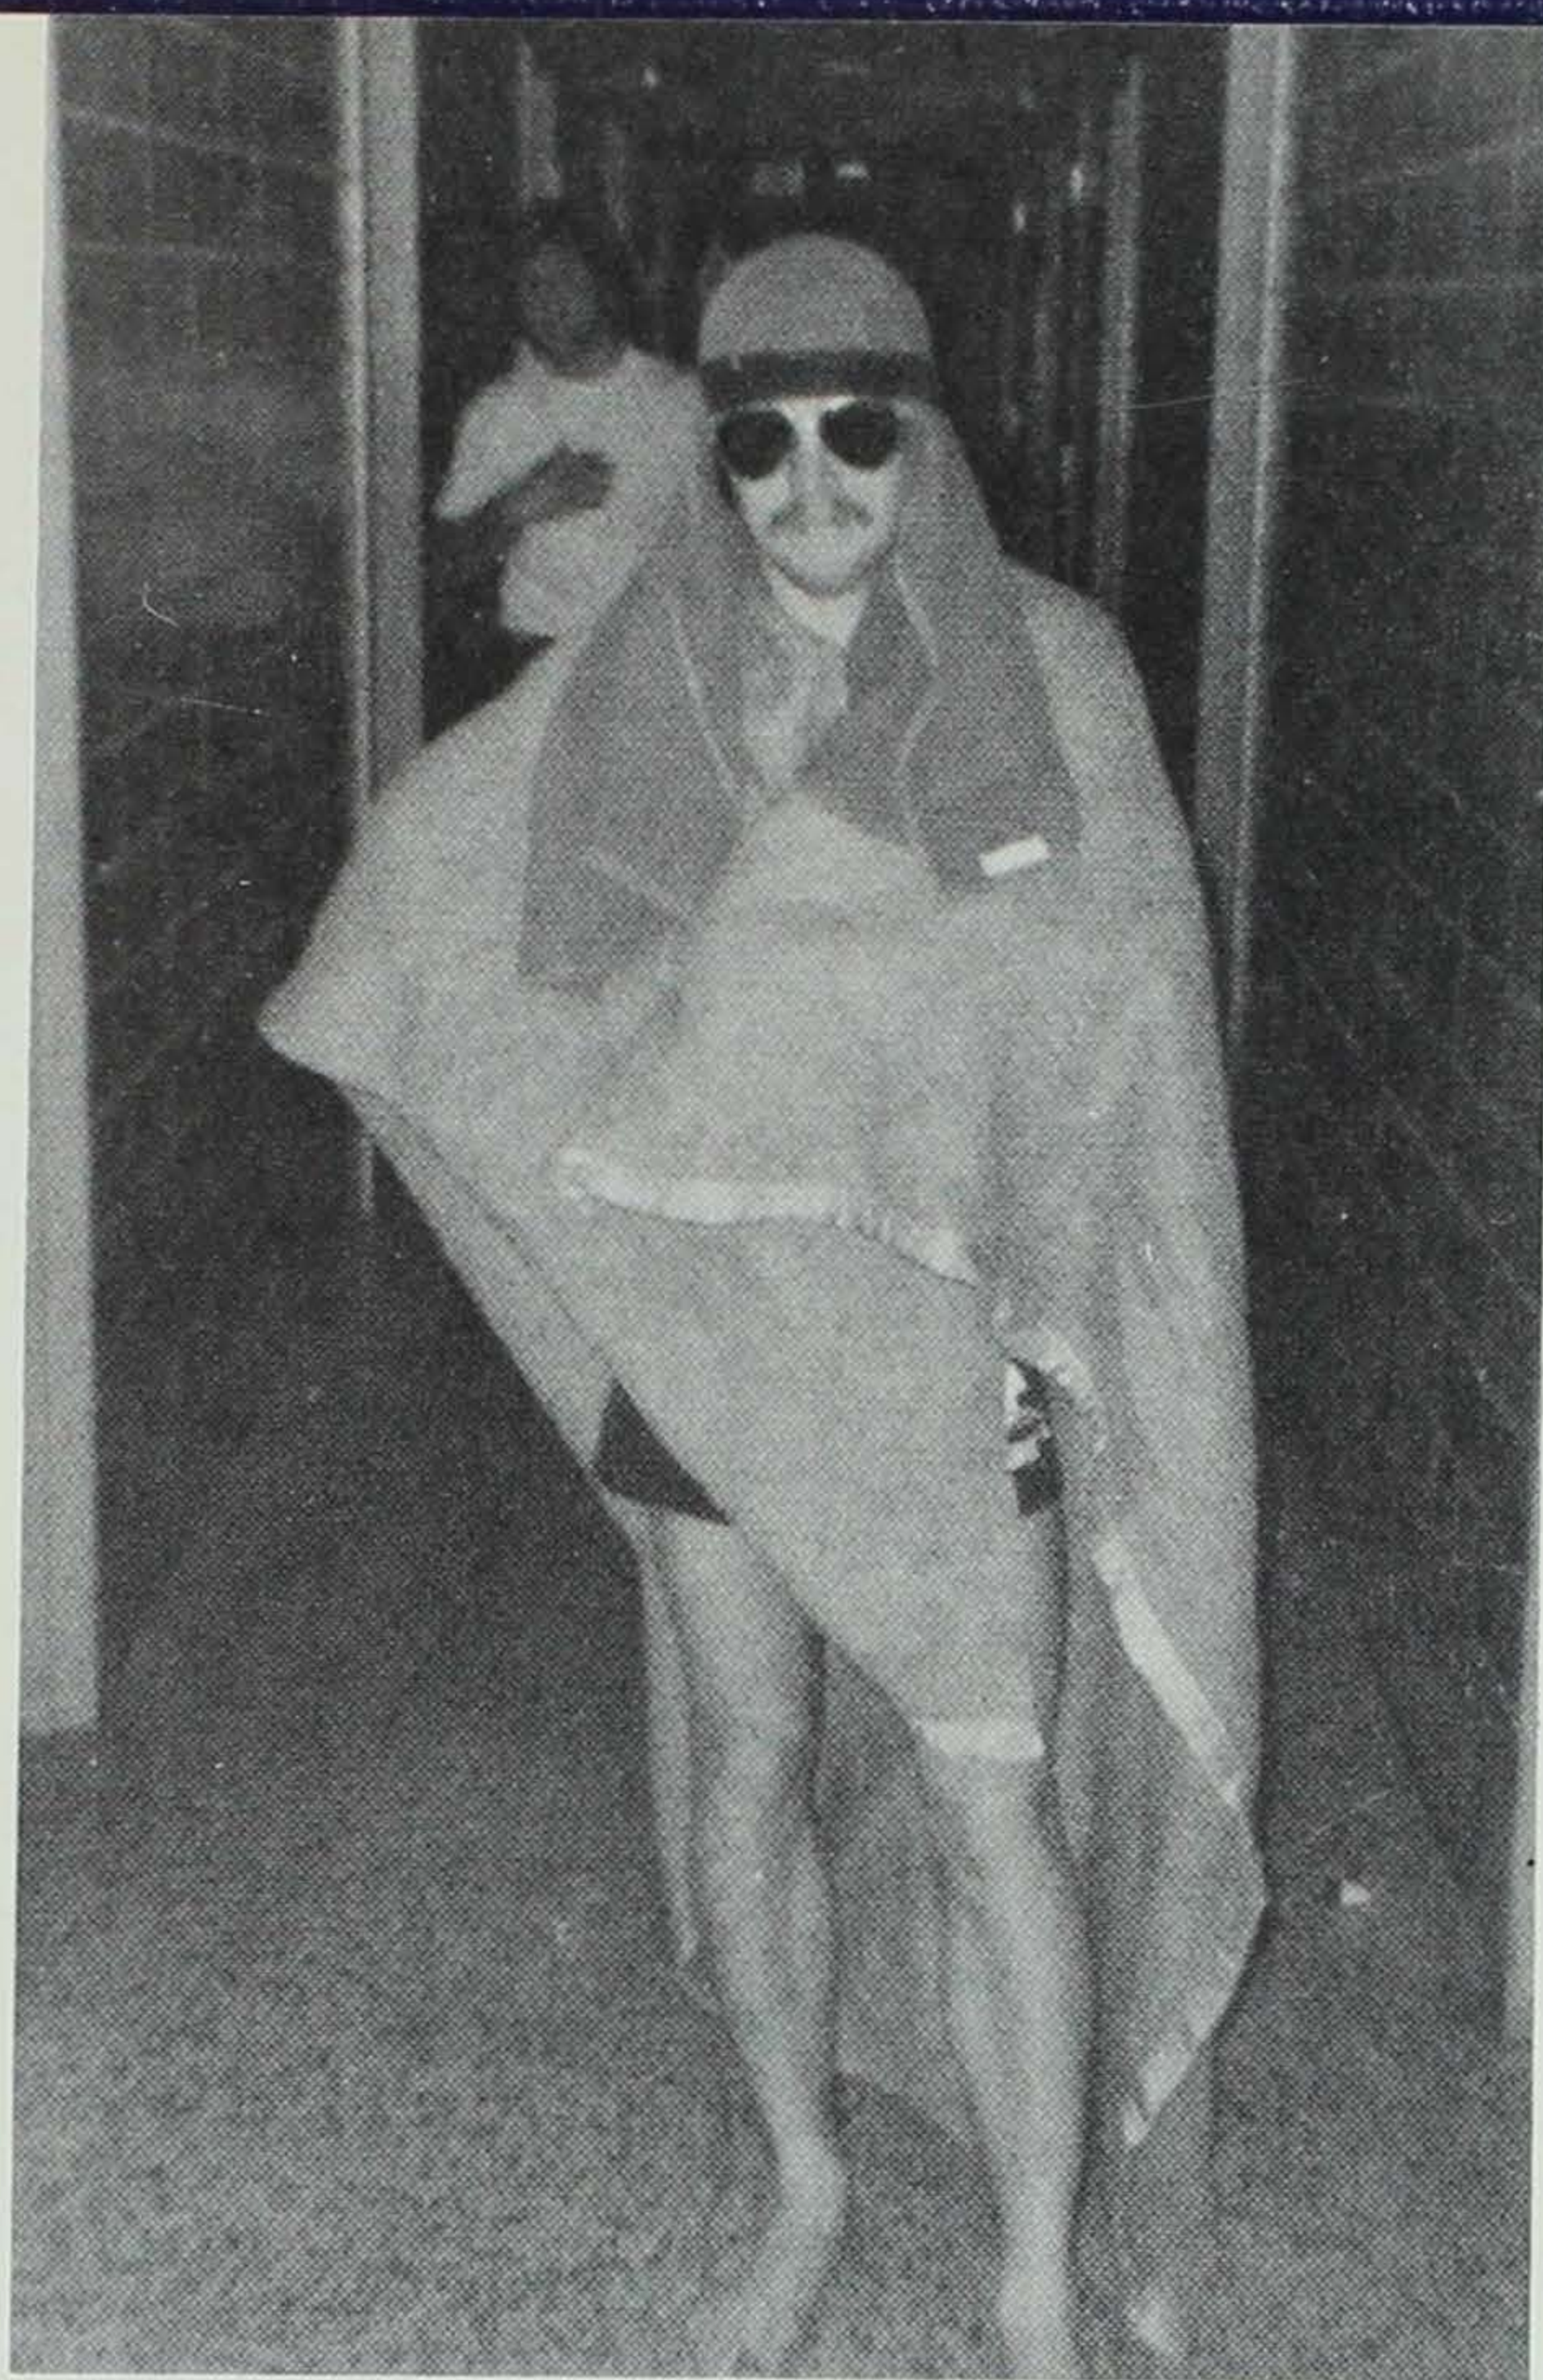

The choir members were enthusiastic about the trip and felt that the year of hard work, involving five rehearsals a week, was worth the warm reception they received.

Buena Vista scored 35 runs in six games, 22 of those coming in the season opening doubleheader against the School of the Ozarks.

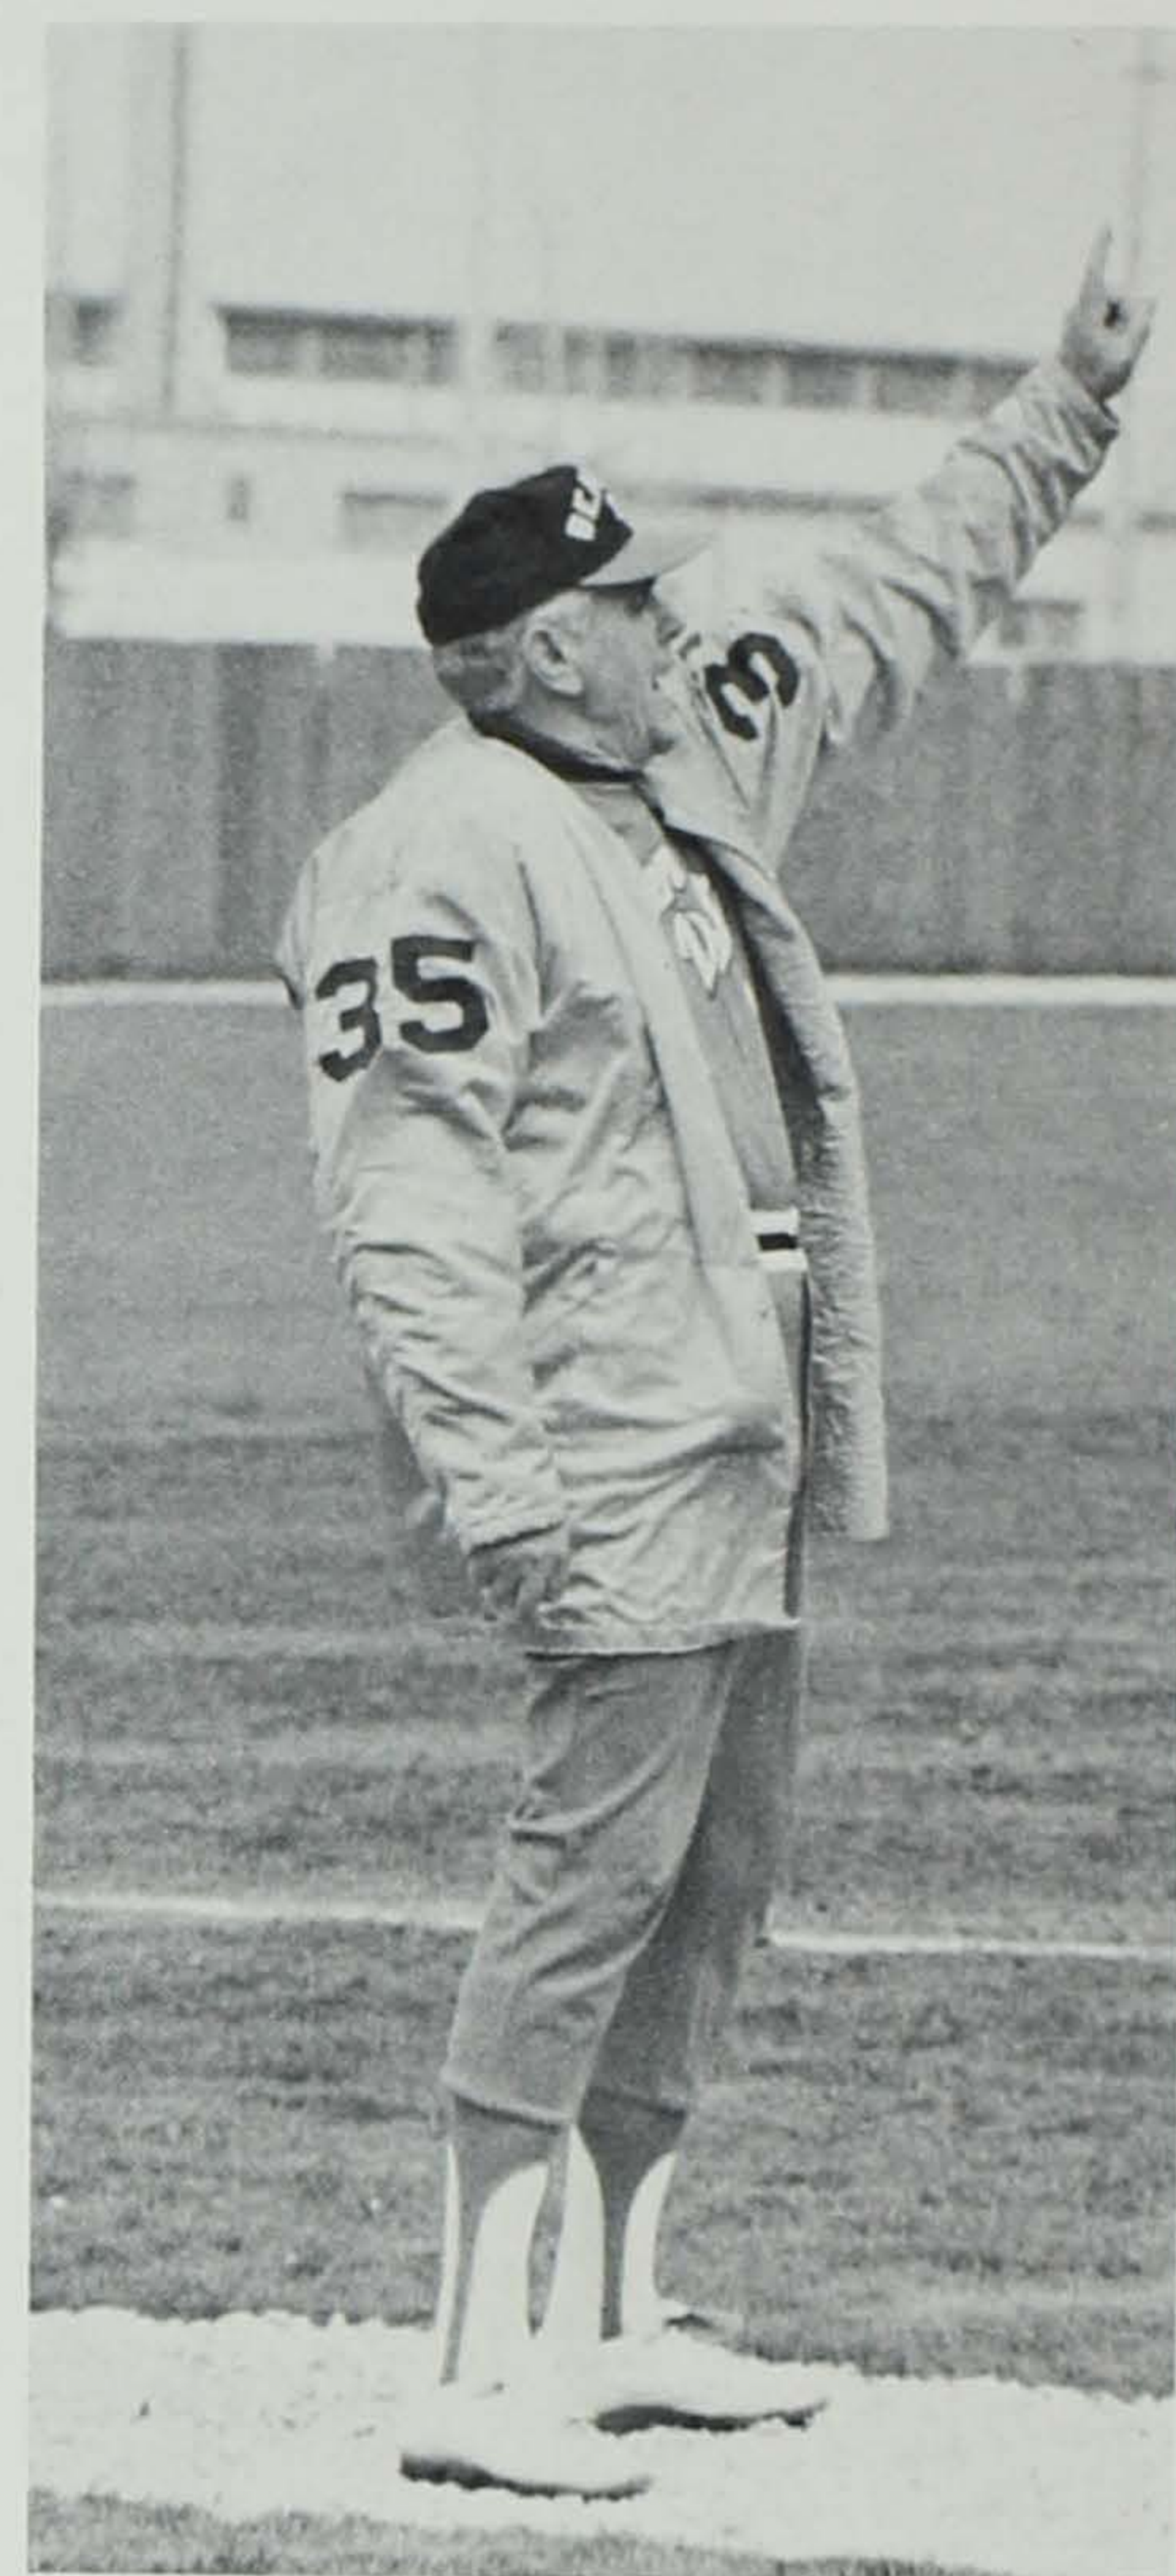

Iowa Conference play began with a double victory over Westmar. The Beavers' record in conference play was 7-4.

The Beavers went on to N.A.I.A. District #15 playoffs in which they defeated Northwestern twice to advance to the Area #4 playoffs. In the Area playoffs the Beavers lost two games to Wisconsin State, eliminating them from further play.
