FOREWORD

On the pages of this book is recorded the story of the school year '53-'54. The Beaver Log Staff hopes that as you glance through this book in years to come, you will recapture those special moments . . . and recall your days spent at BUENA VISTA COLLEGE.

DEDICATION

The progress of an institution devoted to education is primarily dependent upon the ability and enthusiasm of the faculty representing the college. The intellectual attainment of a student is often spurred on by a faculty member in earnest about his or her goal of imparting knowledge and establishing within the student a sense of individual responsibility and personal integrity.

In dedicating this volume of the BEAVER LOG, we have chosen a member from our faculty whom we feel has been and is one of Buena Vista's more loyal and ardent supporters, Dr. George F. Reynolds.

His sincere interest in the welfare of the students and alumni of Buena Vista College has made Dr. Reynolds one of the most beloved teachers on the campus.

He will be remembered by the students for his enthusiasm at Beaver athletic contests . . . his high exuberance at Beaver victories, and his deep despair in their defeats.

He will be remembered for his unexcelled umpire-baiting, and his humorous talks at many banquets and organization meetings.

We are grateful for his encouragement and enthusiasm, and we trust that this volume will be a reminder of his seventeenth year at BUENA VISTA COLLEGE.

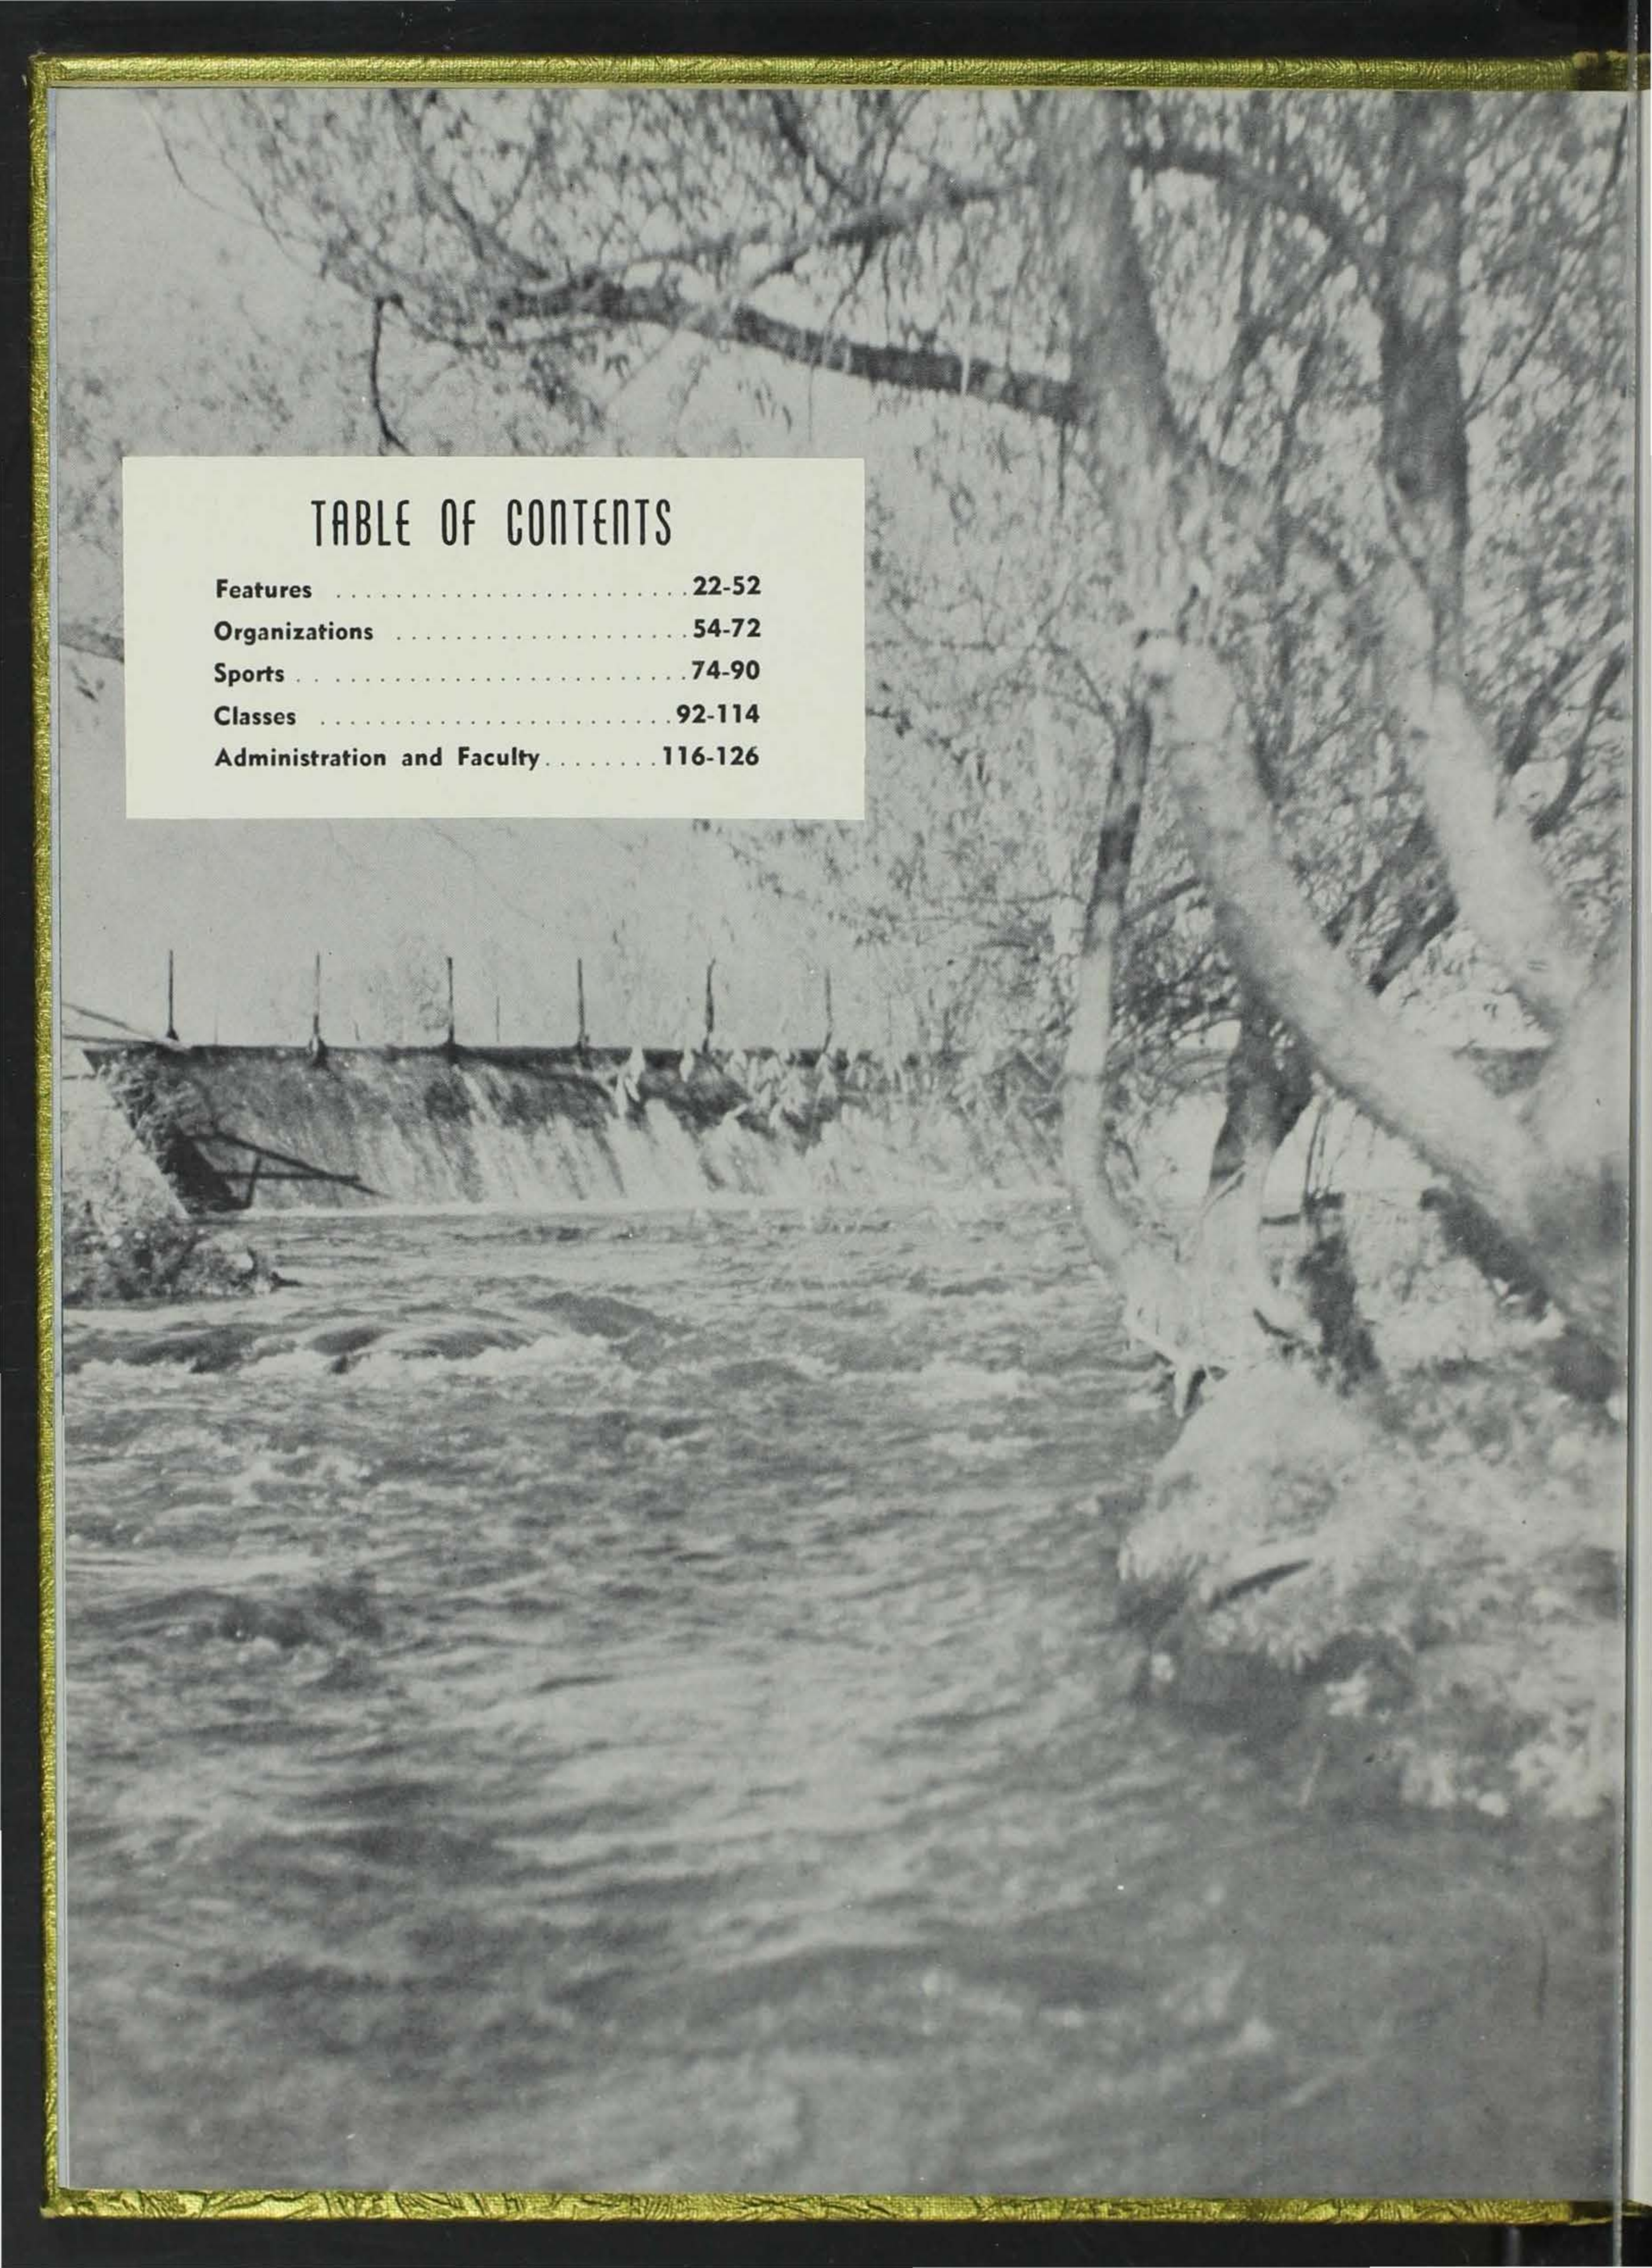

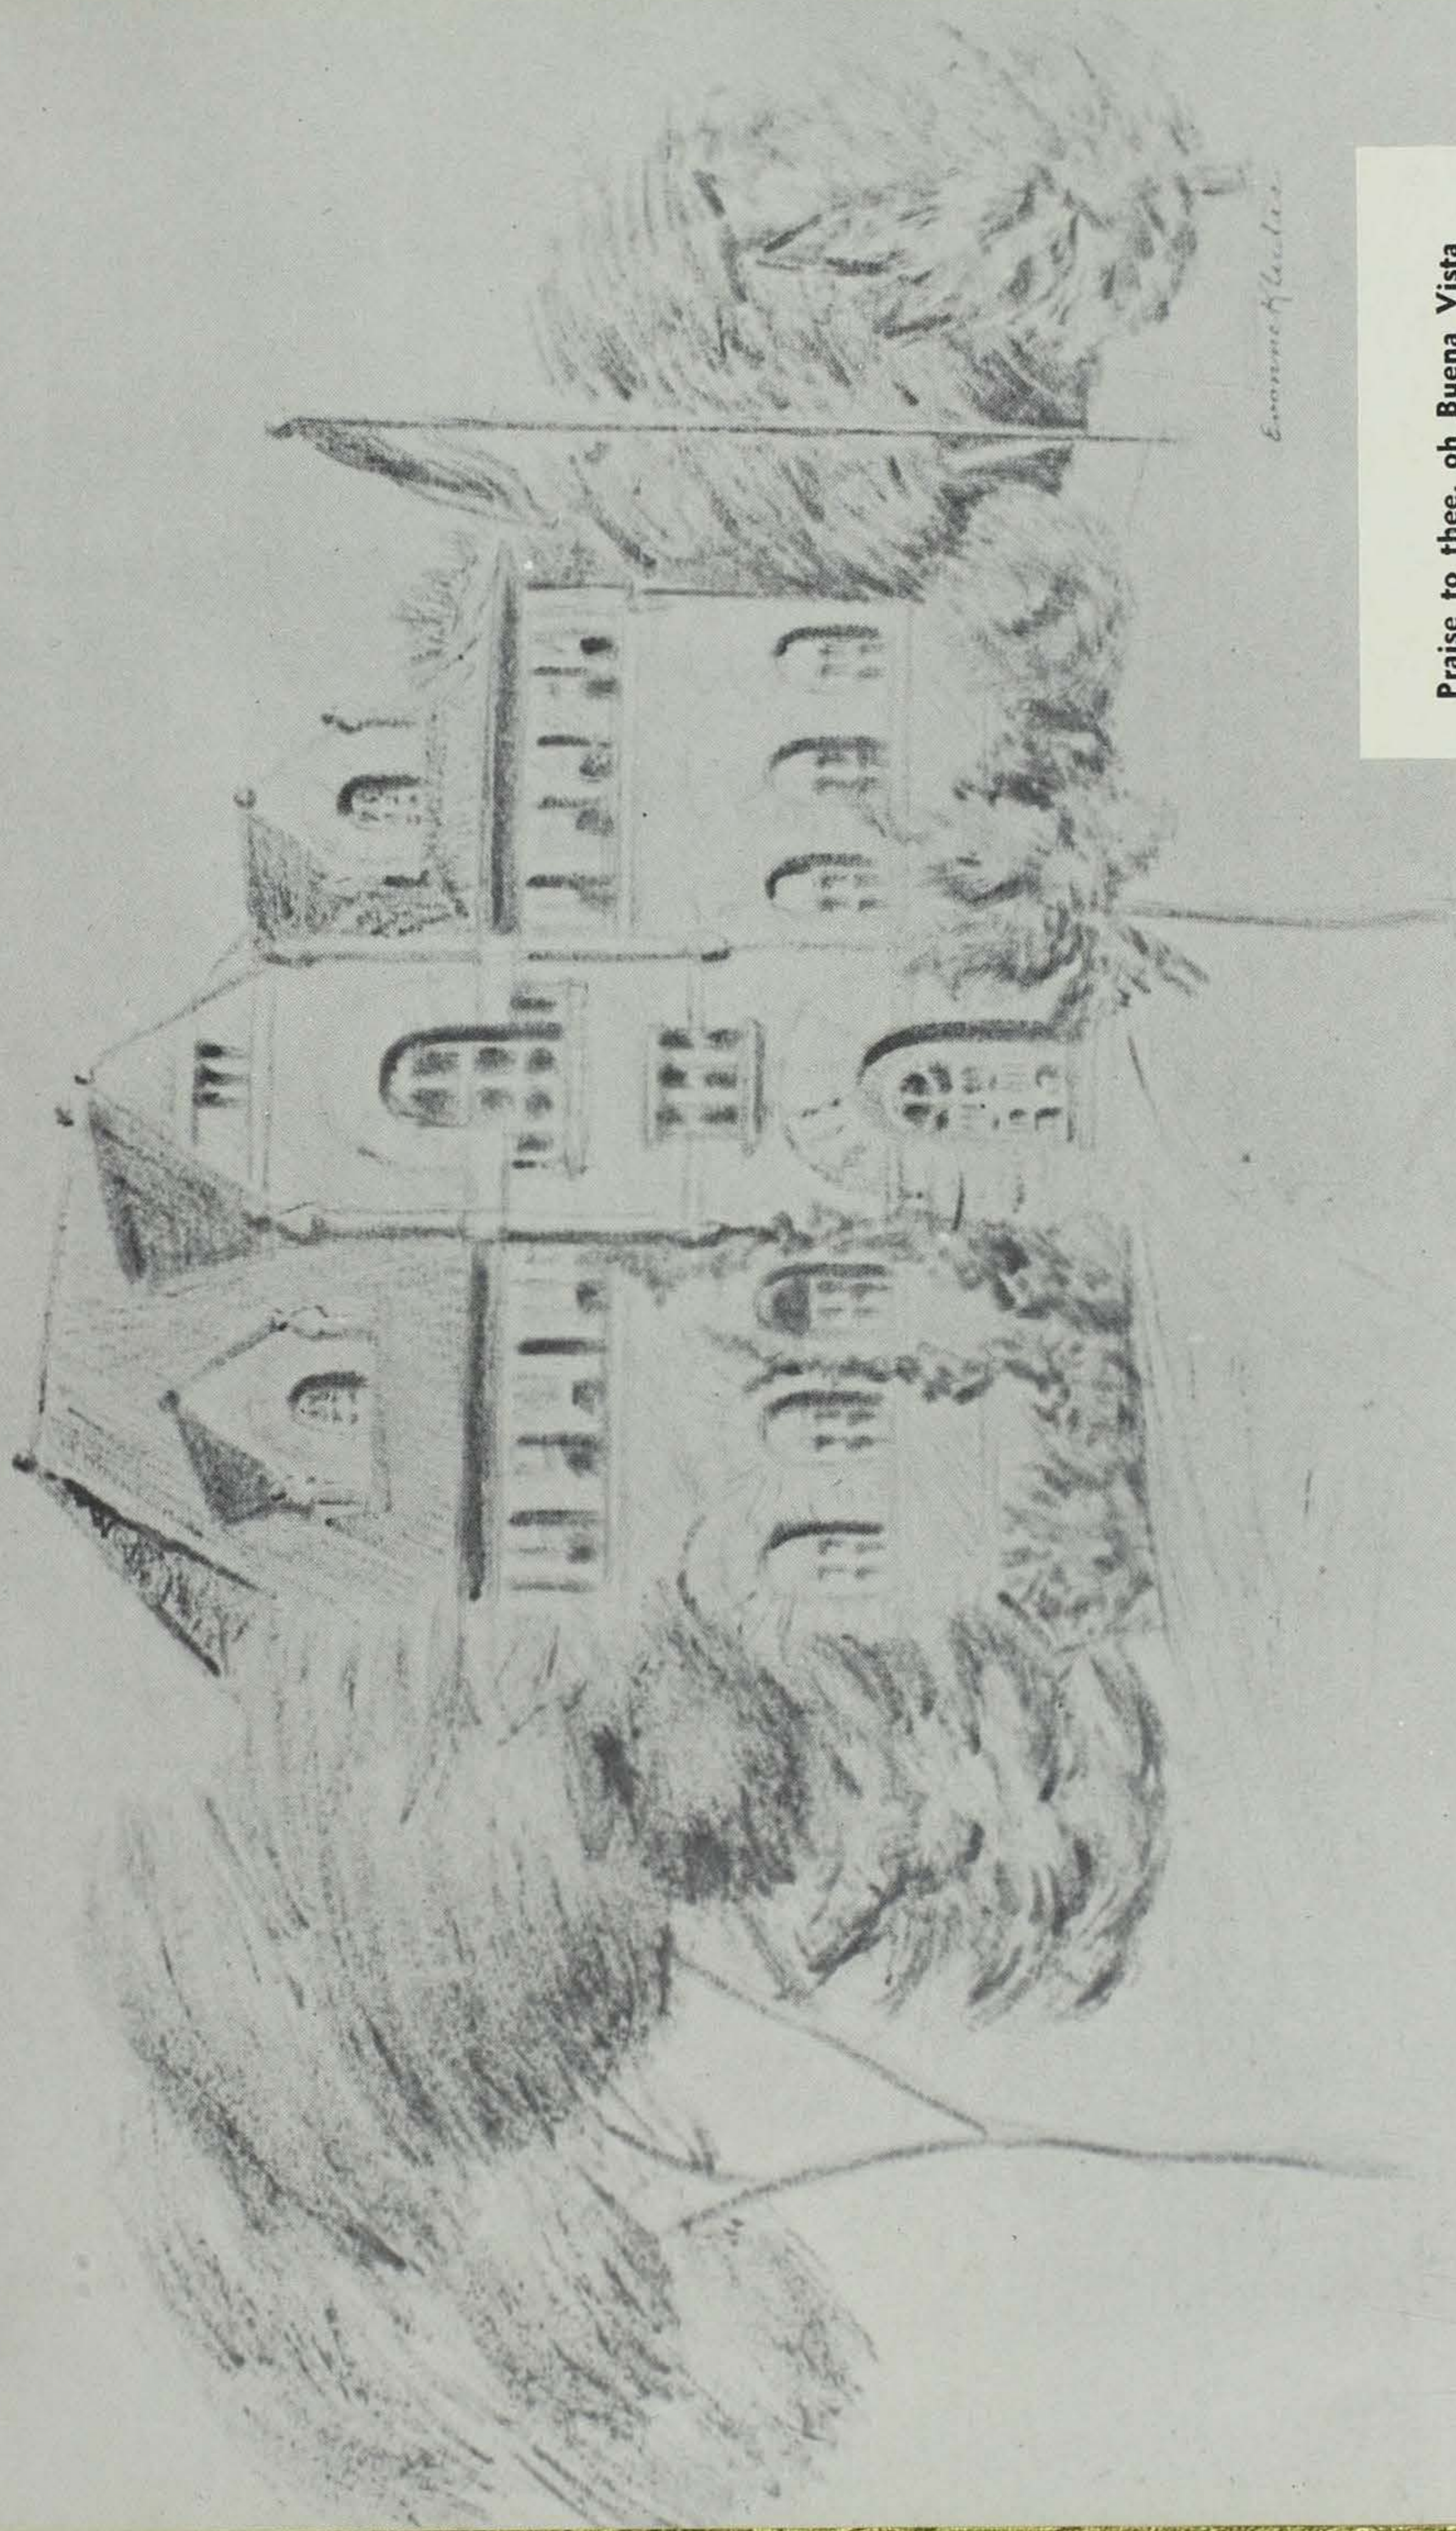

A black and white photograph of a river with a dam in the background and trees in the foreground. The dam is a long, low structure with several vertical supports. The river flows from the dam towards the viewer, creating white water rapids. The foreground is filled with the dense, leafy branches of trees, some of which are in sharp focus while others are blurred. The overall scene is a natural landscape with a man-made structure.

HOMECOMING

HOMECOMING QUEEN

Mrs. Wanda Ringgenberg was selected by popular vote of the student body to reign over the 1953 Homecoming activities.

This 25 year old sophomore is 5'4" in height and weighs 130 lbs.

Wanda, a trim brunette, is a member of the Delta Phi Beta sorority and F.T.A., and is training for an elementary teacher's certificate.

On October 16, at Victory Hall Wanda was crowned Homecoming Queen by Miss Ruth Jorgenson, last year's queen. Bill Tryon presented the queen with a bouquet of gold mums. This traditional ceremony preceded the variety show.

Saturday morning the reigning queen and her court rode on the royal float in the colorful parade through the Storm Lake business district. At the half-time of the game with Wartburg Saturday afternoon Wanda was presented by Carroll Sawin, student council president, before a crowded grandstand of alumni and fans.

Shirley Smith

Shirley Smith is from Newell. She is 18 years old, is 5 feet 9 inches tall, and weighs 134 pounds. She is treasurer of the Phi Alpha Pi sorority, and secretary for Sigma Tau Delta, a member of F.T.A. and a cheerleader. Shirley is training for an elementary teaching certificate.

YULE LOG SERVICE

Tuesday, December 15, 1953 at 8:00 o'clock the women in Buena Vista College and the faculty women and wives gathered for the annual Yule Log Service in the main lounge of Swope Hall. The Yule Log was thrown on the fire in hopes of future Christmases.

The Presidents of the four women's organizations on the campus will participate in the program. Joan McCorkindale, president of the girls' dormitory, gave a reading, "Christmas Spirit." Patricia Ellis, president of Delta Phi Beta spoke on Christmas traditions. Joanna Baumann, president of Phi Alpha Pi, gave a selection on "Hope for Future Christmases."

To conclude the program, everyone joined hands in brotherly love, and repeated the Lord's Prayer.

Before the tea Janice Goodchild, president of Entre Nous, gave a reading entitled, "The Christmas Story."

FOURTH ANNUAL HIGH SCHOOL FORENSIC CONFERENCE

The fourth annual Invitational High School Forensic Conference held on February 5, which was sponsored by Pi Kappa Delta forensic society, was a highly successful affair.

Twenty-two schools in northwest Iowa attended and participated in the various events, which included discussion, debate, extemporaneous speaking, radio interviewing and poetry reading.

General arrangements were handled by members and sponsors of Pi Kappa Delta with the assistance of advanced speech students.

In a concluding assembly, merit certificates were awarded to all those who received superior or excellent ratings.

Seven students who ranked high in various divisions were interviewed by Jean Moe over

KAYL. Other superior speakers summarized the discussion for the final general assembly. Discussion and debate centered around the question of the method of voting for President of the United States.

A banquet attended by all visiting students and their coaches was held at noon in Swope Hall, with a program presented by members of the college forensic group.

This annual event has proved an excellent medium of extending the interest in forensics to high schools in the area, as well as for providing invaluable experience for college students in directing and evaluating the various phases of forensic activity.

College Students Presented Varied KVTV Program

Buena Vista college appeared on television over KVTV at Sioux City, January 30. The half-hour program was directed by Prof. T. B. Gregory of the speech department.

The show included the a cappella choir under the direction of Prof. Johnson, and the brass quartet under the direction of Prof. Green. Members of the quartet are Gary Fiscus, Bill Rodda, Jim Fitzpatrick and Craig Knudson.

Kay Schumacher and Jean Moe presented a sketch talk, using Kipling's "The Rival." Dix Lohman and Jay Shelp did their "Old Soft Shoe" dance.

A medley of songs was presented from the all-college musical, "Good News." Students taking part in the medley were Vicki Morton, Kay Schumacher, Jean Moe, Dix Lohman and Jay Shelp.

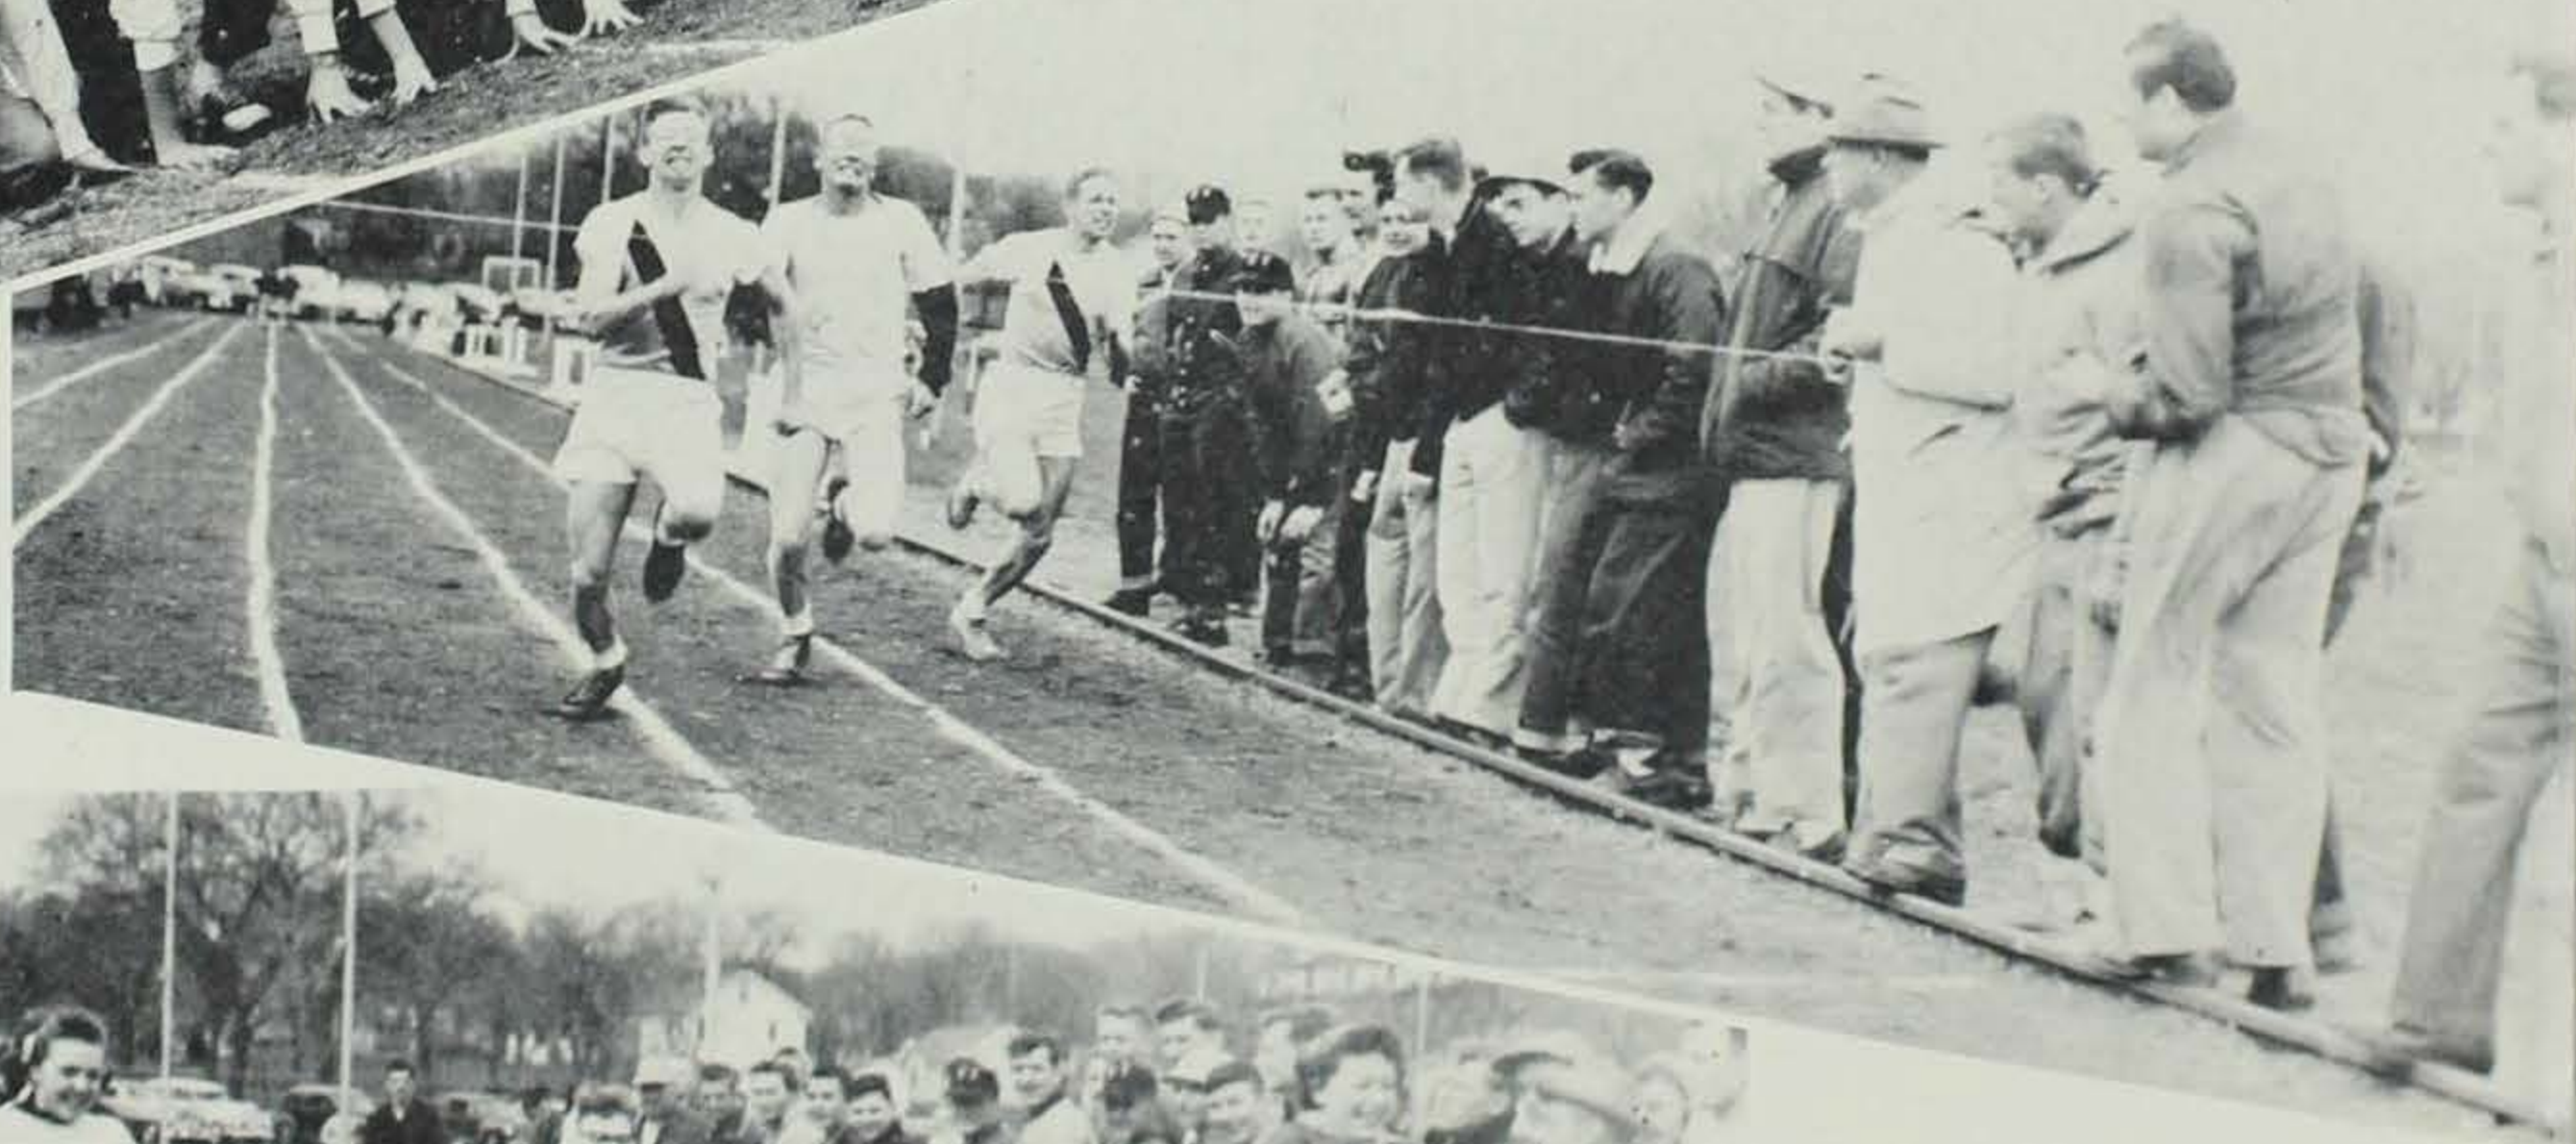

Bill Fahan was the announcer.

STUDENT LIBRARY COMMITTEE

The recently created Student Library Committee is the only one of its kind in existence as far as we know and it is a credit to the college as a promoter of further cooperation between students and faculty.

This Committee acts as a liaison group between the student body and faculty, and their aim is to result in a greater awareness as to the need of greater participation in the functions of the library.

The members of this committee were chosen by the faculty library committee, fulfilling the desire to select a representative from each class, and from each department and organization on

campus.

With only seven on the committee, it is evident that some members represent more than one group.

The committee will meet separately from the faculty committee and talk over problems, or give suggestions as to the functions and policies of the library. The secretary will then give a report of this meeting to the faculty committee who will take their ideas into consideration when making further plans.

Donna Fraser is acting chairman, with Charley Bryant as vice-chairman and Janice Goodchild as secretary.

Coach Hoy Tells Beavers of Opportunities Offered Them Thru Athletic Activities

South Dakota Mentor Address Annual Pheasant Dinner for Gridders and Sponsors.

Your football letter should mean a lot to you lettermen, denoting your meeting exacting requirements in strength, ability and courage, but along with it goes a weighty responsibility, Carl "Rube" Hoy, South Dakota University coach, told Buena Vista college gridders and friends at the annual training table appreciation pheasant feed at the Elks club here Thursday night.

"You football boys are hero worshipped by many a young lad who watches your every move and is often seriously disillusioned when he sees you do things which are not good practice for conscientious athletes," Coach Hoy added. "You cannot measure how far your personal influence may go with some youth groping for the path to athletic success and good citizenship."

Coach Hoy was the principal speaker at the event sponsored by the Beaver football squad which had carefully husbanded pheasants in order to entertain local business and professional men and fans who contributed to the successful training table program last fall. Ninety-five players and fans were present.

"SKIRTS AND PADDLES, DISTINGUISH FUTURE LETTERMEN..."

Here you see sixteen future lettermen dressed in their Sunday best smiling because, as their paddles read, "They are happy." That is what it looks like, but since it is part of their initiation, it is all strictly for laughs, although those paddles may produce a "stinging sensation" when put to use on a disobedient initiate.

In the row seated in a manner quite to the contrary of their feminine attire, we find Dale Tryon, LaVerne Kloster, Glade Heichel, Bill Rick-

ard, Bill Pitcher, Warren Lashier, and Bob Gordon.

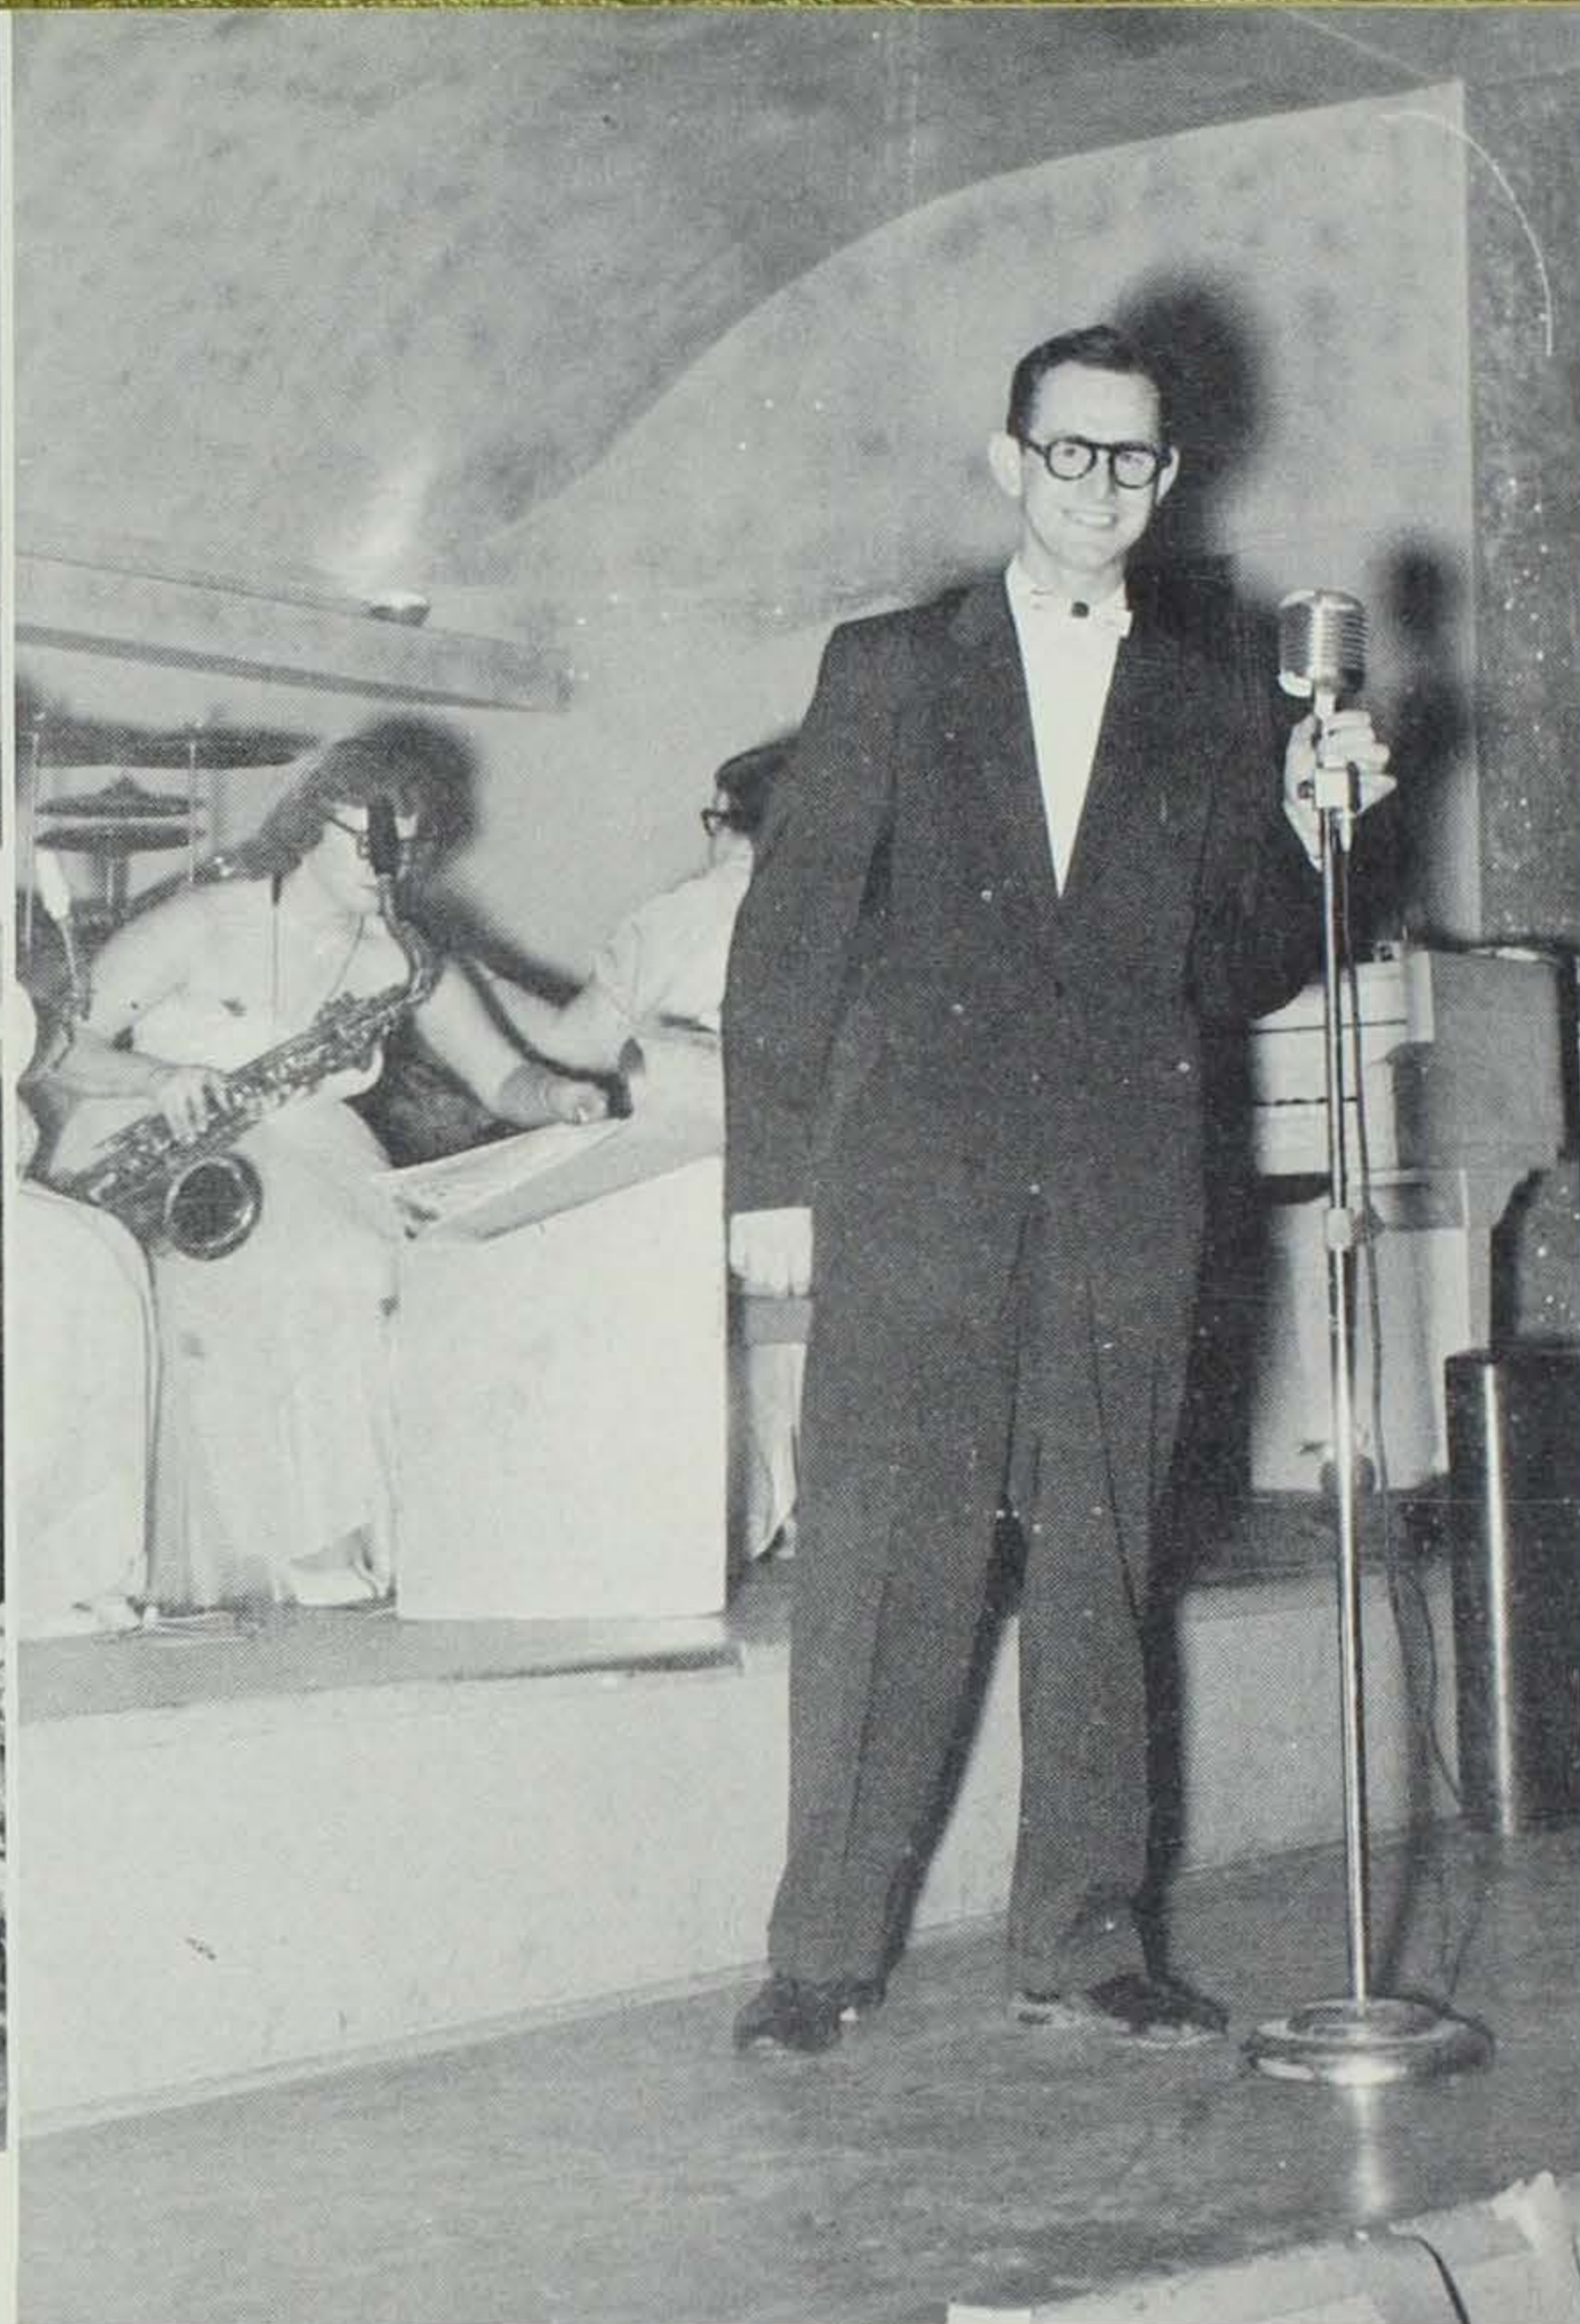

In the "chorus line" behind them is Dick Larsen, Dean Nicholson, John Rex, Vernard Kerbs, Bill Ackerman, Don Lewis, Julian Erickson, Dan Wagner, Jim Anderson.

As in most any other organization initiation is as much a part of becoming a member as is paying your dues, and thus it is with the Lettermen's Club.

BOYS INTRAMURAL

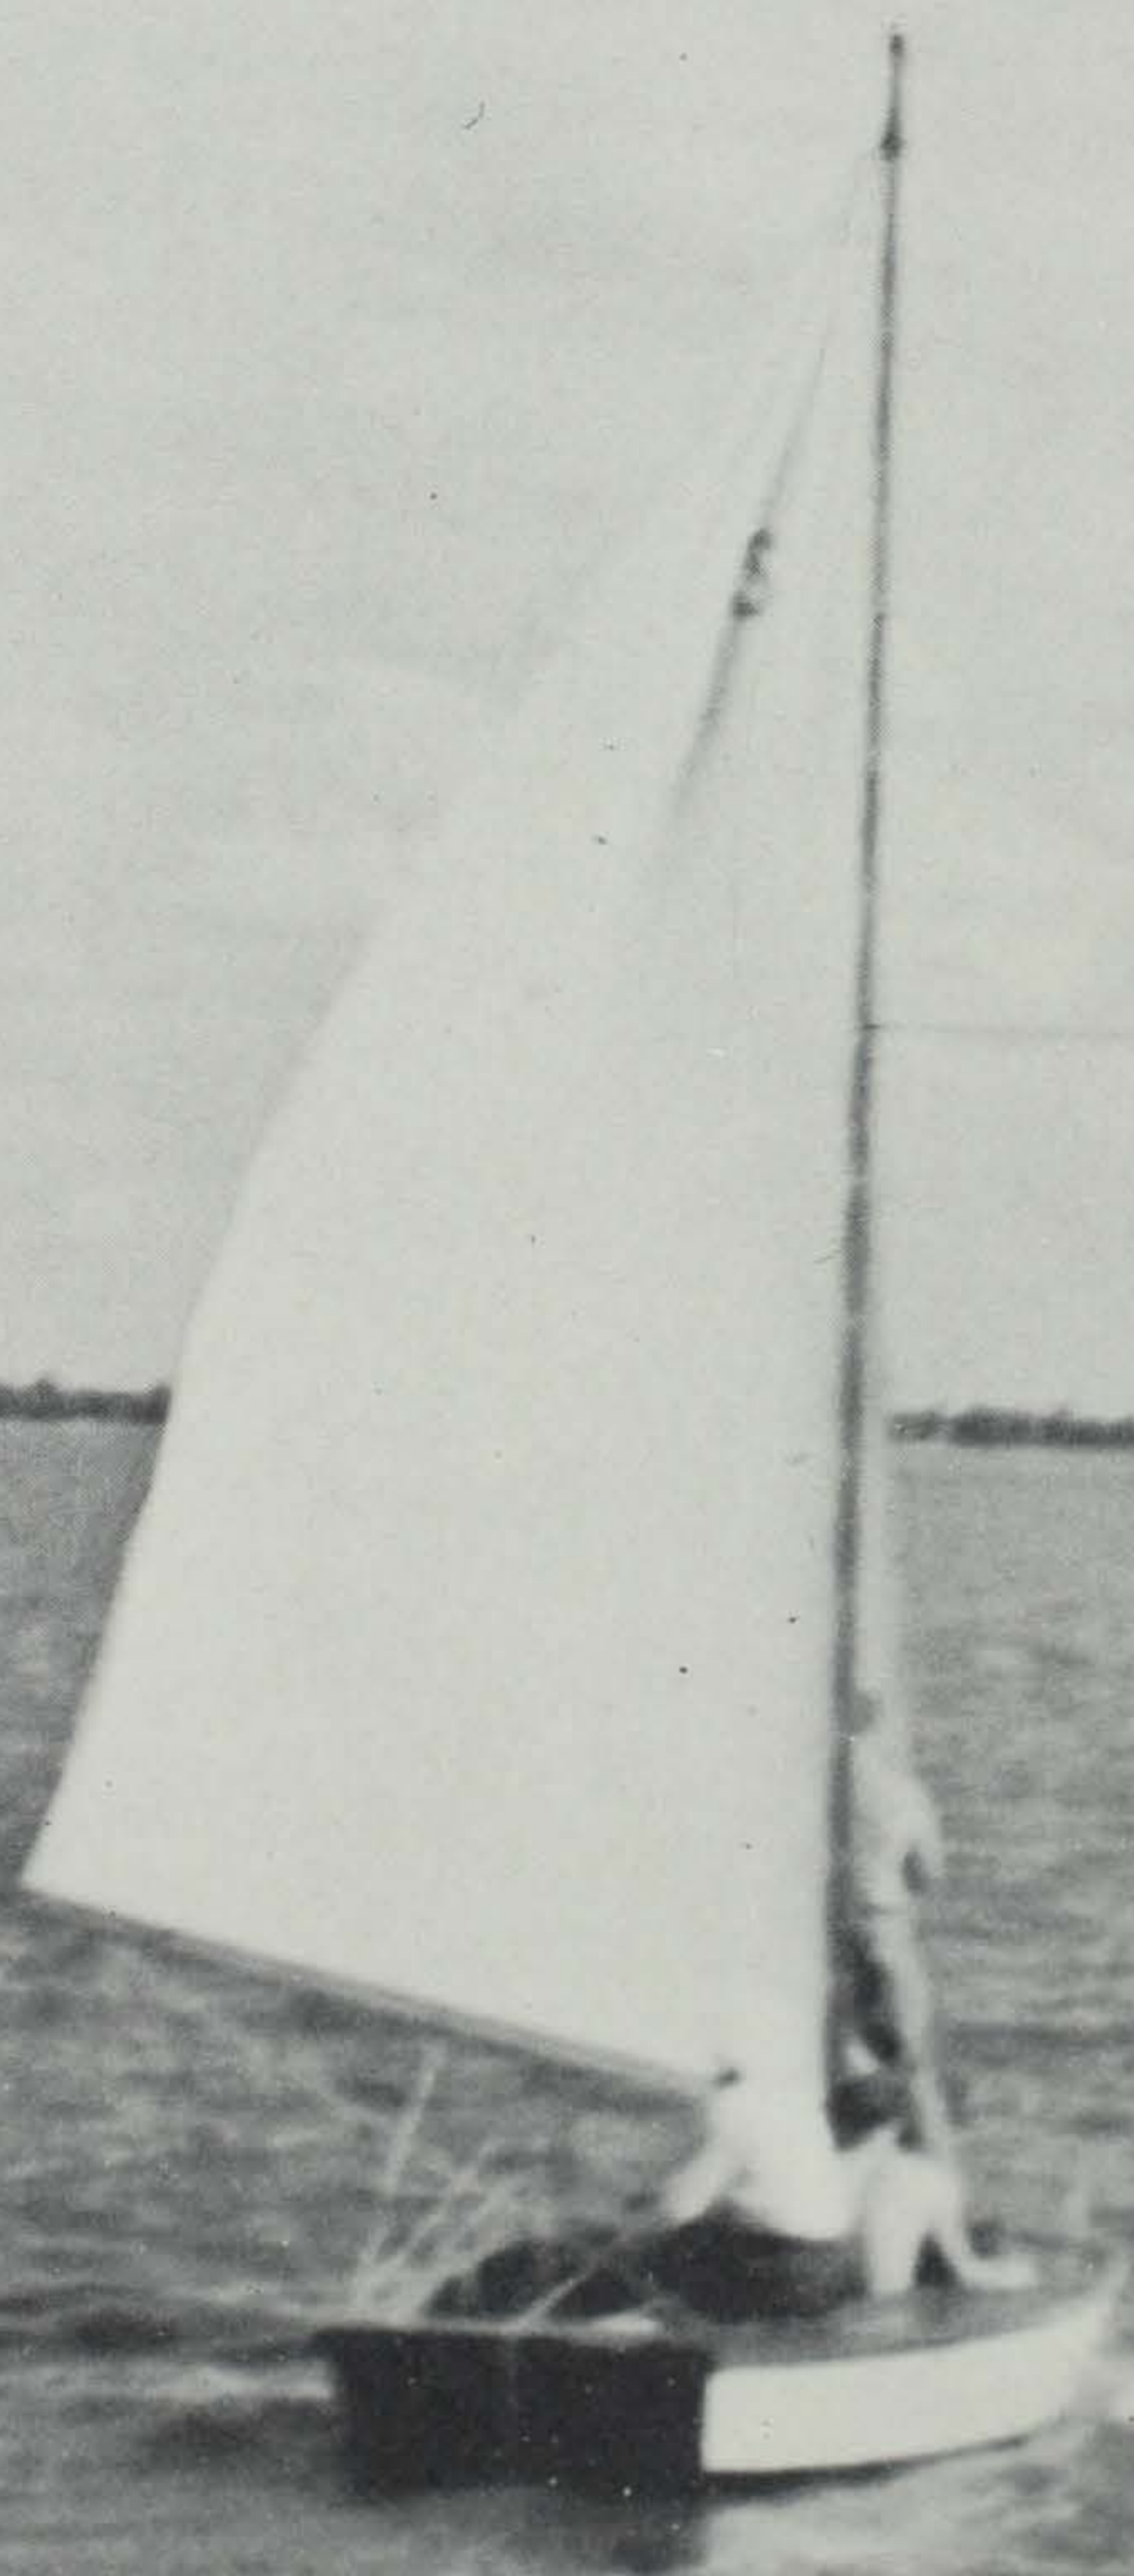

The boys' intramural program organized by Coach John Krause consisted of a basketball conference with seven teams participating. There was a great deal of enthusiasm and competitive spirit on the part of the boys. It is by this means that fellows who can't spare the time for practice or who do not qualify for one of the Varsity teams can compete among themselves. Each team played the other once and then they played a single elimination tournament. When the smoke cleared away Bill Tryon's Rivets held first place with six wins and no losses. The runner-up team was led by Dean Nicholson, a Sophomore from Lake City, Iowa. The Lakers had an impressive record of five wins and one loss.

GIRLS INTRAMURAL

About thirty-five girls went out for intramural basketball and played their hearts out in each game. They proved they could take the rough and tumble game nearly as well as the boys. There were four teams and they played each team twice in a round robin tournament. The standings were:

1st—3-D-Dolls	6 Won	0 Lost
2nd—Marionettes	3 Won	3 Lost
3rd—Shirl-Janes	2 Won	3 Lost
4th—O'Kayetts	0 Won	5 Lost

OLD MAIN GETS

"Beaver Hall," recreation room in the basement of Old Main, got a complete redecoration during Christmas vacation at Buena Vista college. Now under the jurisdiction of the student council, the big room has been redecorated from ceiling to floor and all by student help with special promotion by Gene Cattermole. Pictured here is a representative group of happy laborers, left to right, Bob Henderson and Bill Southwick, sanding and covering one of the tables with linoleum; Gene Cattermole, wielding a varnish brush; Donna Bond, giving the table an attractive trim; Ramona Porath, touching up the ceiling, and Arland Sivadge, starting in on another table.

A great deal of work was necessary for this redecoration, but the result is a bright, clean, and newly furnished place where students and faculty can eat, play cards or chess, watch T.V., chat, or just relax.

COMPLETE FACE LIFTING

A general campaign to clean-up and repaint the halls and each classroom in Old Main was undertaken by the student body with promotion from the leaders of campus organizations and faculty.

Various pastel shades were selected to create a bright and cheerful atmosphere in each room.

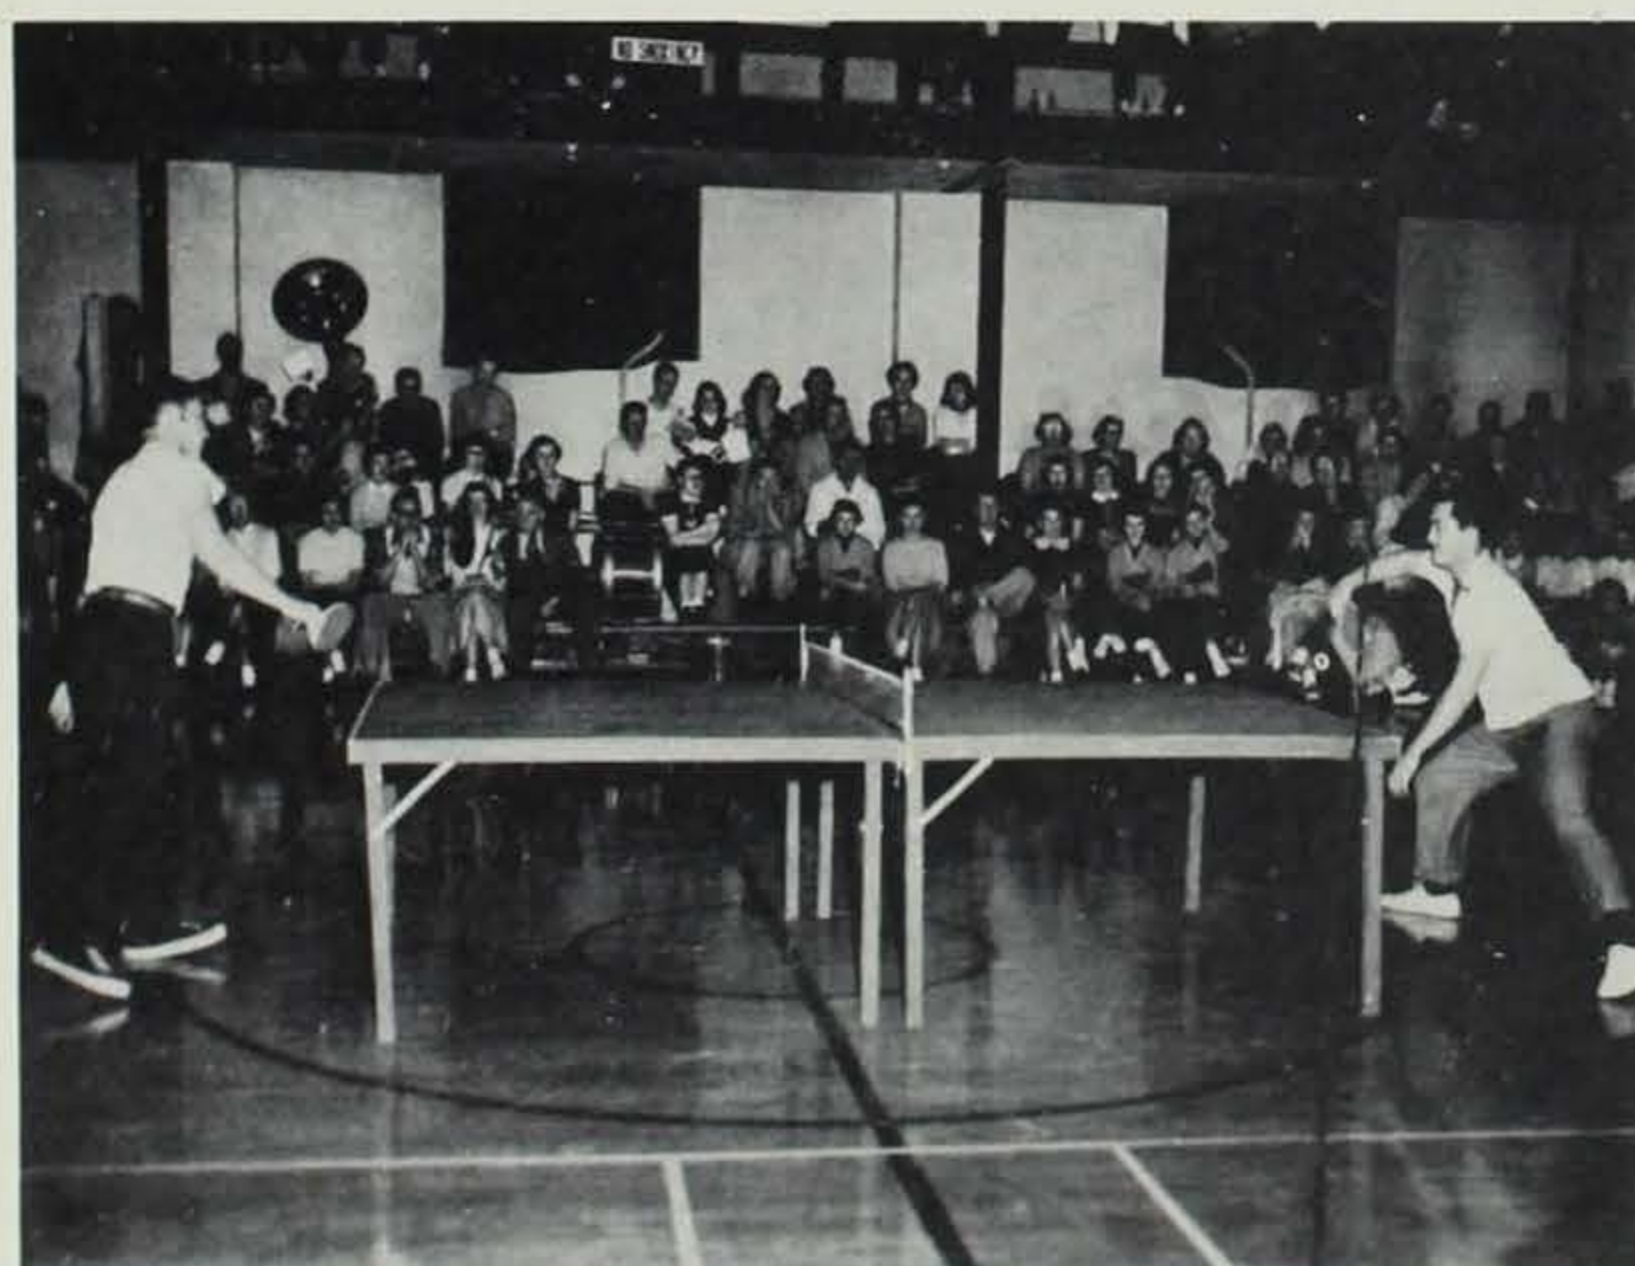

The student body and faculty working together on this project seemed to stimulate a feeling of school spirit and unity.

In the above picture, Kan Trivitayakuhl congratulate each other over winning the ping pong tournament. Kan won high honors, and Bill took second place.

About thirty-six students participated in this contest which was planned by the Circle K organization. It is the first of its kind on this campus, but it promises to be an annual event as long as interest continues.

Early in the year, tryouts were held to select the cheerleaders for the year. The seven pictured were chosen to lead the student body in pep activities, yells and rallies this year. They were present at all the football and basketball games, cheering the team on to victory. Jean Nixon served as captain of the group.

At the beginning of the Homecoming activities, the cheerleaders directed an all college pep rally around a blazing bonfire. Also a caravan consisting of the cheerleaders, band and students journeyed to the Westmar basketball game to help the Beavers bring home another victory.

Tyler, Consecration Speaker, Proves Popular on Campus

(By Carl Jens)

During Consecration week Buena Vista college was fortunate to have the Reverend Charles E. Tyler of Omaha as the guest speaker. After listening to him speak, both the faculty and the students could understand why he is so popular as a guest speaker. Reverend Tyler showed in his speeches that Christianity was a living thing to him, and could be to us. So interesting was Dr. Tyler that the chapel was filled during the night sessions when attendance was not required.

Dr. Tyler's life has been one of success in the face of what would have been defeat to most men.

Reverend Charles E. Tyler was born in Mansfield, Louisiana. Mansfield then had a population of 3,000. He finished elementary and high school at Mansfield. While in school he participated in basketball, baseball, football, debating and singing.

Dr. Tyler's favorite form of recreation has always been hunting and fishing. These hobbies are a family tradition.

When Dr. Tyler was in the sixth grade he quit school and went to work so that his sister could stay in college. The next year, though, he went back to school.

The desire to become a minister began when he was in the seventh grade. He first planned on being a combination minister and vocational agriculture teacher. But later he found out that the world was too specialized for a duo profession.

College Life

Upon finishing high school in 1934 he had saved the total amount of \$1.25. Even though he had little money he was determined to go to college. That fall he enrolled in Southern University at Baton Rouge, Louisiana, 325 miles away.

In the absence of a visible means of support, the college granted him a full work scholarship. During the winter he served as a student cook. During the summer he worked as a regular farm hand.

He was never able to afford to buy a college textbook. The only time he could study was at night after the other students had gone to bed.

Dr. Tyler's activities in college included football, the college choir and the male chorus.

He was a member of the Phi chapter of the Phi Beta Sigma fraternity.

In his senior year he served as assistant professor in social sciences at the college.

Dr. Tyler was active in the youth organizations of both the college and the church. He was a delegate many times to the United Christian Youth Movement conferences.

When Dr. Tyler started seminary at Oberlin seminary, Oberlin, Ohio, he was again short of funds. Again, he was granted a full work scholarship. He was known as the "salad girl" at Oberlin seminary. At the seminary he sang in the quartet.

Work in Ministry

After graduation his first pastorage was in Birmingham, Ala. He was invited to try and organize a church among Negroes for the Presbyterian church, U. S. After

RELIGIOUS EMPHASIS WEEK

three years it was organized with 100 members into the Presbyterian church.

Dr. Tyler then accepted a post as dean of physiology and college pastor at the University of Alabama, Tuscaloosa, Ala.

From Tuscaloosa he went to Omaha. He arrived there to meet his new congregation of 32 members who had recently lost their church by fire. Now he has 212 members and a new church which was dedicated in 1951.

Reverend Tyler has just been asked in the last two weeks by the Presbytery of Omaha to become the past of the first integrated church of Omaha. The Westminster Fellowship of both churches have been working on this project since fall.

Dr. Tyler was married in 1942. He met his wife at a Bible school study which they conducted together one summer. His wife's name is Miran but he affectionately calls her "Skipper."

They have two children, Charles, 9, and Silvia, 4.

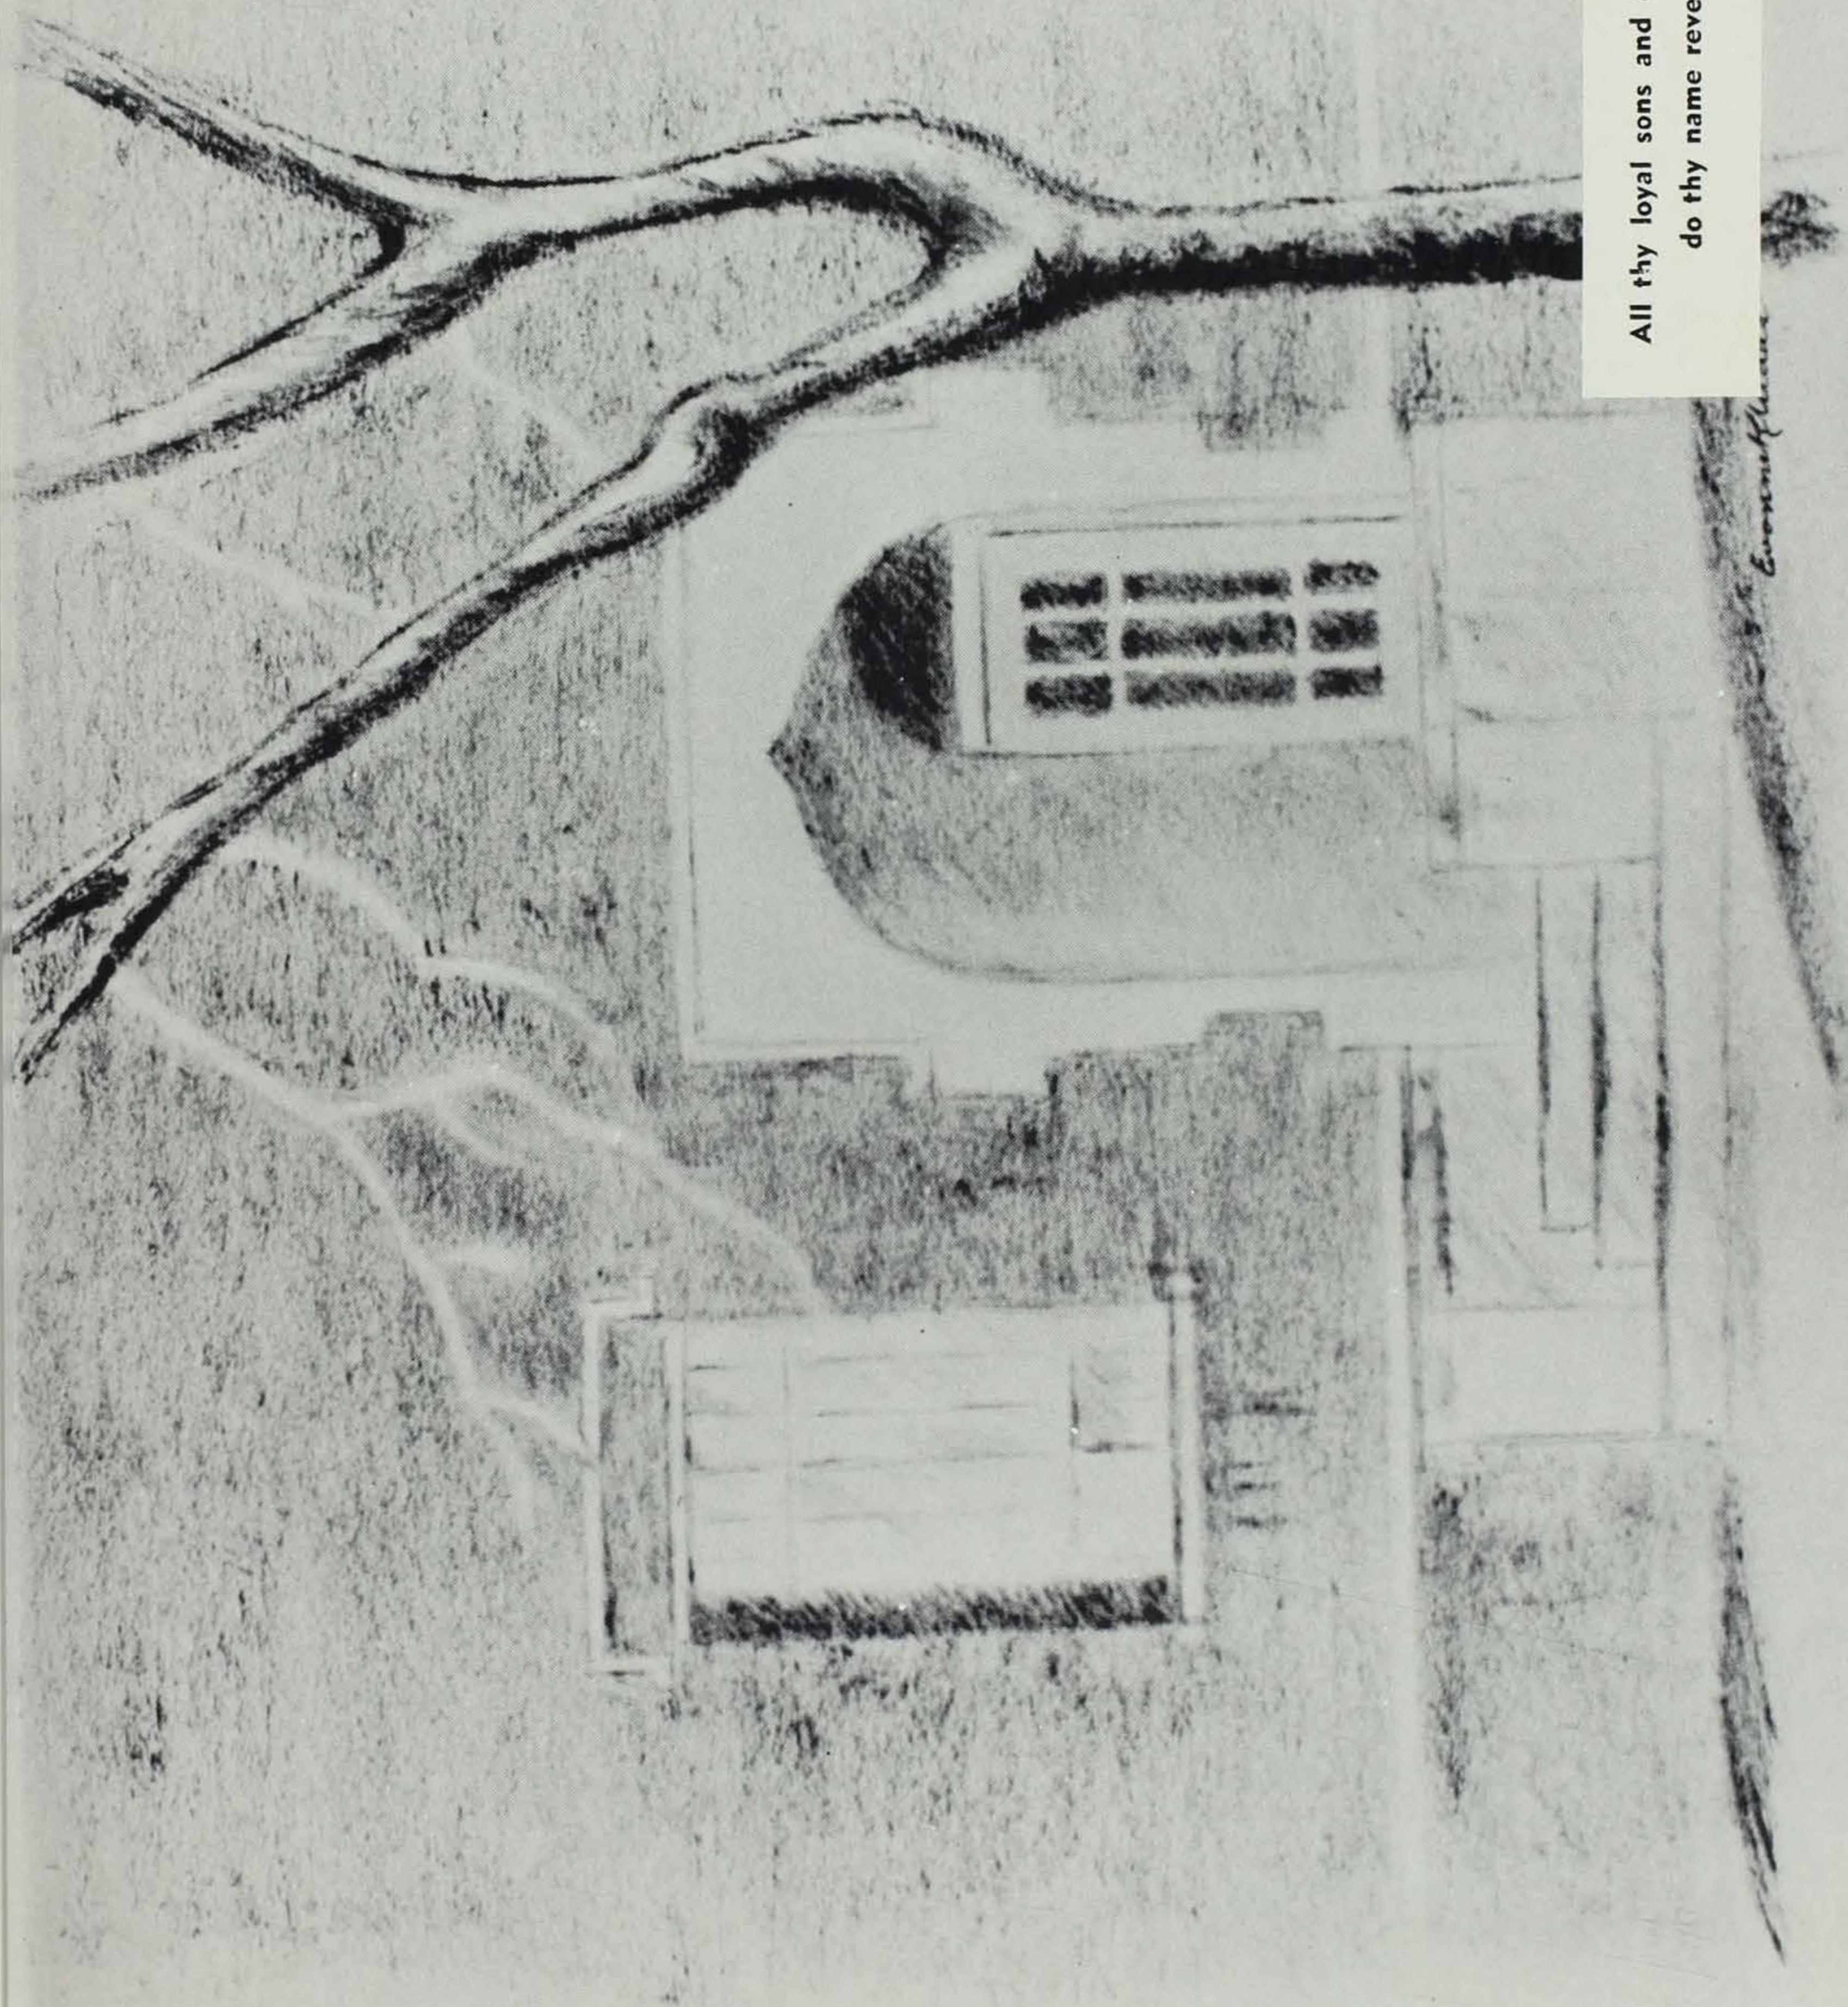

Dr. Tyler has taught conferences in Blair, Nebr., for six years, and at Hastings, Nebr., for two years. He taught one summer at Lake Okoboji.

One of Dr. Tyler's greatest thrills was when he attended the international party last year at Ames. Present at this party were over 150 foreign students of all races and religions.

"The Paper with a Point" was published every two weeks this year through the efforts of Dick Westphal, Jean Moe and their staff. In its fifty-eighth year as the campus newspaper, it has become more and more a true reflection of life at Buena Vista College. The goal of the staff was to keep the campus well informed about the activities and events which concerned the college.

Dix Lohman, with his column, "Lowman on the totem pole," which alternated between gaiety, satire, and nonsense added interest to the paper for the second year.

Evonne Kluda's unique cartooning sharpened the "Tack."

Mr. Kermit Buntrock served as advisor, as he has in the past.

B. V. PLAYERS

"To stimulate progress and to encourage such dramatic activity as may serve to enrich the tradition, honor and fame of Buena Vista College" is the aim of B. V. Players as set forth in the pledge.

B. V. Players has been on the campus for twenty-nine years. Each year they sponsor two major plays and also some one act plays. This year for the first time a musical comedy was presented. The play chosen was "Good News."

Another of the activities of B. V. Players is to sponsor the annual variety show which is held each year just before Homecoming. The variety show this year was presented as a minstrel show.

Much of the success of B. V. Players is due to the work of their leader, Professor T. B. Gregory. Officers of the club are: President, Janus Hammer; Vice-President, Art Hoopingarner; Secretary, Ruth McKinstrey; Treasurer, Dorothe Otteman.

NATURAL SCIENCE CLUB

The purpose of the natural science club is to promote a greater interest in the study of natural science and to stress the importance of science in modern life. This club was reorganized after several years of inactivity through the combined efforts of Professor Joe Crisler and Dr. Davis.

As a public service, the natural science club of Buena Vista College has set up a series of lectureships and panel discussions on various pertinent scientific topics. The first one of the series was a panel discussion on the subject, "Fluoridation of Public Water Supplies" held in the Chapel December 15, 1953. The discussion drew a crowd of interested students and people of the community to hear the timely discussion of why it is opposed, proposed, its advantages and disadvantages.

SIGMA TAU DELTA

The Nu Delta Chapter of Sigma Tau Delta is unique in being the only professional society on the campus. An invitation to membership is extended only to those who have a particular interest in English and have maintained a "B" average in this field.

The purpose of Sigma Tau Delta is the advancement of appreciation of English by the study of the master pieces. To develop and to express one's self in writing is especially emphasized. This year the group has made their project the study of contemporary literary works. In order to carry out this project the group has attended movies, listened to recordings, and done research work in order to become better acquainted with contemporary writers.

Sigma Tau Delta again sponsored their two annual events—the creative writing contests and Stunt Night.

This year's officers were:

Vice-President.....	Margaret Nicolaisen
Secretary.....	Shirley Smith
Treasurer.....	Paul Koebele
Sponsors.....	Prof. John Reed

The Chi cast of Alpha Psi Omega, a national Dramatic fraternity, was organized in 1925 on the Buena Vista campus. Buena Vista was the fifth college in North America to enter this fraternity. The purpose of this organization is to stimulate interest in dramatics.

Membership in this group is honorary. Invitation to membership is based on a point system. Points may be earned by acting in a production, writing or directing a play, or doing work for the producing of a play. Neophytes, pledges, are required to learn the Greek alphabet and to recite a portion from a Shakespearean play. The pledging service is held at the end of each semester at a progressive dinner.

This year the Chi cast consisted of eight members. Studying the play "Everyman" was the major project. The group was again in charge of presenting the Easter play with the assistance of Prof. T. B. Gregory.

TKA

PI KAPPA
DELTA

On February 14, 1953, the Buena Vista Forensic League was installed as the Kappa Chapter of Pi Kappa Delta, a national honorary forensic society. Under their new name the group carried on many worthwhile projects.

Their major project of the year was the fourth annual Invitational High School Forensic Conference. Twenty-two schools were represented by over three hundred students. The contestants were able to enter such events as discussion, debate, extemporaneous speaking, poetry reading, and radio news casting. A speakers' bureau was set up this year. It was their means to aid various community affairs.

The inter-collegiate competition entered by this Buena Vista group was: University of South Dakota—November 6-7, Wayne State Teachers College—December 4-5, Iowa State Teachers College—November 21, Sioux Falls College—January 22-23, University of Nebraska—February 26-27, University of Iowa—March 6-7, State Meet of Iowa Forensics Association at Buena Vista College—March 19-20, Pi Kappa Delta Province Tourney at Yankton—April 9-10.

Members qualify for membership by speech work in one of these: discussions, oratory, debate, or through instruction. New members are initiated at the annual formal banquet held in the spring.

The officers this year are:

The Future Teachers of America was one of the largest organizations on campus. It was composed of both secondary and elementary teachers and both took part in the monthly discussions and meetings.

This organization offered future teachers not only facts about the teaching profession, but also training in leadership and a variety of professional publications, including the NEA Journal. Under the direction of Professor T. P. Kuehl and Dr. Elvina Mattson, the Future Teachers of America endeavored to strengthen the profession of teaching through central organization of its members.

The officers for the 1953-1954 year were: Martin Wedeking, president; Joanne Baumann, vice-president; Clara Gregg, secretary; Marjorie Kennedy treasurer; Joan McCorkindale, historian; Carol Albrecht, librarian; and Bernice Halstrom, publicity.

Phi Alpha Pi sorority began its season with fifteen active members. Rush week activities included a tea at the home of Mrs. E. H. Melcher and a banquet in the Storm Lake Room at the Cobblestone Inn.

The Phi Alpha Pi float again took the grand sweepstakes in the Homecoming parade. They also had five members as candidates for Homecoming queen.

November 20 marked the date of the annual Pan Hellenic Formal held at the Cobblestone Inn. The hall was decorated in accordance with the theme, which was "The Top Hat."

During Hell Week the pledges were seen in their traditional clown suits, and the week was concluded with the formal initiation which was performed by candlelight.

Joanne Baumann served as President of the organization with Kay Schumacher as vice president; Dorthe Otteman, secretary; Shirley Smith, treasurer. Prof. Gladys Kuehl and Mrs. John Reed served as sponsors for the sorority.

The Delta Phi Beta sorority began its year with the annual Rush Week activities. On Monday a tea was held at the home of Mrs. A. G. Gran, and a banquet was held on Thursday evening in the Storm Lake room at the Cobblestone Inn. Twelve pledges took their initial pledge at the home of Mrs. Don White as the climax of the week.

Homecoming was quite special for the Betas this year because one of the sorority members, Wanda Ringgenberg, was the Homecoming queen. The annual Homecoming luncheon was held at Cobblestone Inn on Saturday noon.

Mrs. William Bates opened her home to the Betas for their annual Christmas party. An exchange of gifts and a program planned by the pledges were the highlights of the evening.

Many different nursery rhyme characters were seen on campus during Hell Week. The candlelight formal initiation ended the week's activities.

Officers for the year were: President, Pat Ellis; Vice President, Arlene Nichols; Secretary, Carol Albrecht; Treasurer, Ruth Kuhn; and Historian, Helen Andrews. Mrs. Clarence Droegemueller and Mrs. Bruce Alderman served as sponsors for the year.

ENTRE NOUS

Entre Nous, the non-sorority organization for girls on campus, functioned under the leadership of Janice Goodchild, president; Janus Hammer, vice-president; Mary Roepke, secretary; Marjorie Kennedy, treasurer; and Ruth McKinstrey, reporter.

The rushing tea was held September 30 at the home of Mrs. H. C. Davidson, and on October 5 the Entre Nous girls held their initiation, a portion of which consisted of singing by the initiates on the stage of the Vista Theatre. The formal pledging took place October 26 in the lounge of Swope Hall.

Throughout the year, plans for the meetings were varied. On November 14 Marjean Panhorst a former Entre Nous member, showed us slides that she had taken during her trip to Boston, Mass., this summer. This meeting was also the annual Christmas party in the home of Mrs. L. A. Douglass, and gifts were brought for the less fortunate children in the Storm Lake area.

The highlight of the year was the formal dance which is always carefully planned and very much anticipated.

The Entre Nous concluded the year's activities with the election of officers who were installed at their annual Spring Banquet.

The sponsors this year were Miss Alberta Dwelle, Mrs. W. G. Wild, and Miss Bertha Supplee.

First Row, Left to Right: Coach John Krause, Ken Hulsebus, Arland Sivadge, Dick Tuttle, Alvin Molitor, Roger Mahnke, Roger Parrott, Ralph Ferns, Carroll Sawin, Coach Chester Anderson. **Second Row:** Bill Tryon, Gordon Hoover, LaVerne Kloster, Bill Toohey, Bill Zwemke, Richard Wenger, Dick Larsen, Keith McNeil, Bill Rickard, Keith Sawin. **Third Row:** Irwin McKenna, James Kerns, Lowry Fredrickson, Jim Anderson, Darrell Huseman, Jerry Nichols, Joe Doud, Don Carlson.

LETTERMEN'S CLUB

The Buena Vista Lettermen's Club is one of the most energetic and effective clubs on the campus. The members participate in many college activities and can be depended upon to do any job and do it well.

The main project of the Lettermen was running the concession stands at home football, baseball and basketball games. The proceeds from these sales were used to buy letter jackets for graduating club members.

The annual letterman's banquet was held at the Cobblestone in March. Leading this year's organization was Roger Mahnke with Dick Tuttle as vice-president and Alvin Molitor as secretary-treasurer.

First Row, left to right: Prof. T. P. Kuehl, Jim Anderson, Al Sinek, Keith McNiel, Joe James, Don McCurnin, Ted Essig, Gene Vetter, Prof. O'Brien. **Second Row:** Leo McCurnin, Paul Koebele, Bob Miller, Martin Wedeking, John Hanson, Bob Johnson, Bryce Kissinger, Bob Engle, Dwight Harshbarger. **Third Row:** Larry Klaus, Bob Eckerson, Gene Cattermole, Bob Henderson, Bob Young, Joe Dugan, Kan Trivitayakul, Anthony Hoffman.

CIRCLE K

Circle K was organized on our campus at the beginning of the 1950 fall term under the auspices of Kiwanis International and has for its motto: "Leadership Training Through Service." All students interested in business and leadership are encouraged to join Circle K.

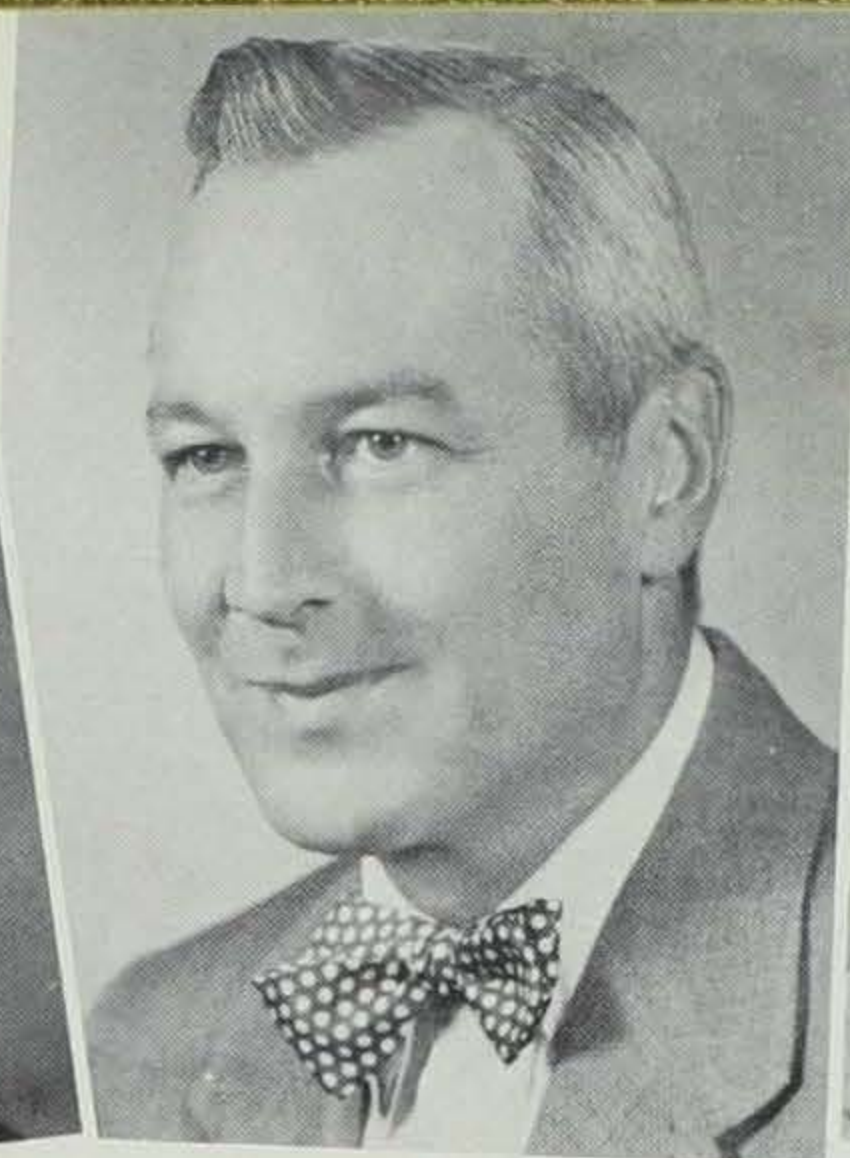

The two main objects of the organization are to improve college-community relationships and to act as a student service organization. Circle K holds bi-monthly meetings, and local businessmen are guest speakers.

Circle K is important to college men because it provides a means for doing the things in a college community that service clubs are doing in the business and professional world.

Their projects throughout the past school year included: Organization of the first ping pong tournament, which is to be an annual affair. Helping to redecorate Old Main. Placement of a bulletin board for campus notices of all organizations.

WHO'S WHO

Seven seniors will represent Buena Vista College in the 1953-54 edition of "Who's Who Among Students in American Universities and Colleges." They are Joanne Baumann, Doyle Hansen, Donald McCurnin, Leo McCurnin, Margaret Nicolaisen, Carroll Sawin, and Bill Tryon.

Chosen by the student council from a senior list prepared by the deans of the college, the students are selected according to scholarship, leadership, participation and cooperation in activities, general citizenship, and promise of future success.

Their names will appear in the publication which lists students who have achieved recognition from all universities and colleges.

JOANNE BAUMANN, Storm Lake, is an English-speech major. She has been a member of the Spanish Club for two years and was Vice President of her class in her junior year. She was secretary of the Phi Alpha Pi Sorority as a junior, and became president as a senior; she was president of Sigma Tau Delta in her junior year; and vice-president of the Future Teachers of America as a senior. She has also been active in B.V. Players and Pi Kappa Delta, and participated in Forensic activities.

DOYLE HANSEN, Odebolt, a pre-ministerial student, was very active in music, participating in band, choir, and ensemble all four years. He was president of the band in his junior year, and president of the choir as a senior. He was a member of the Harmaniacs, U.S.C.A. committee, and B.V. Players, and participated in forensics activities.

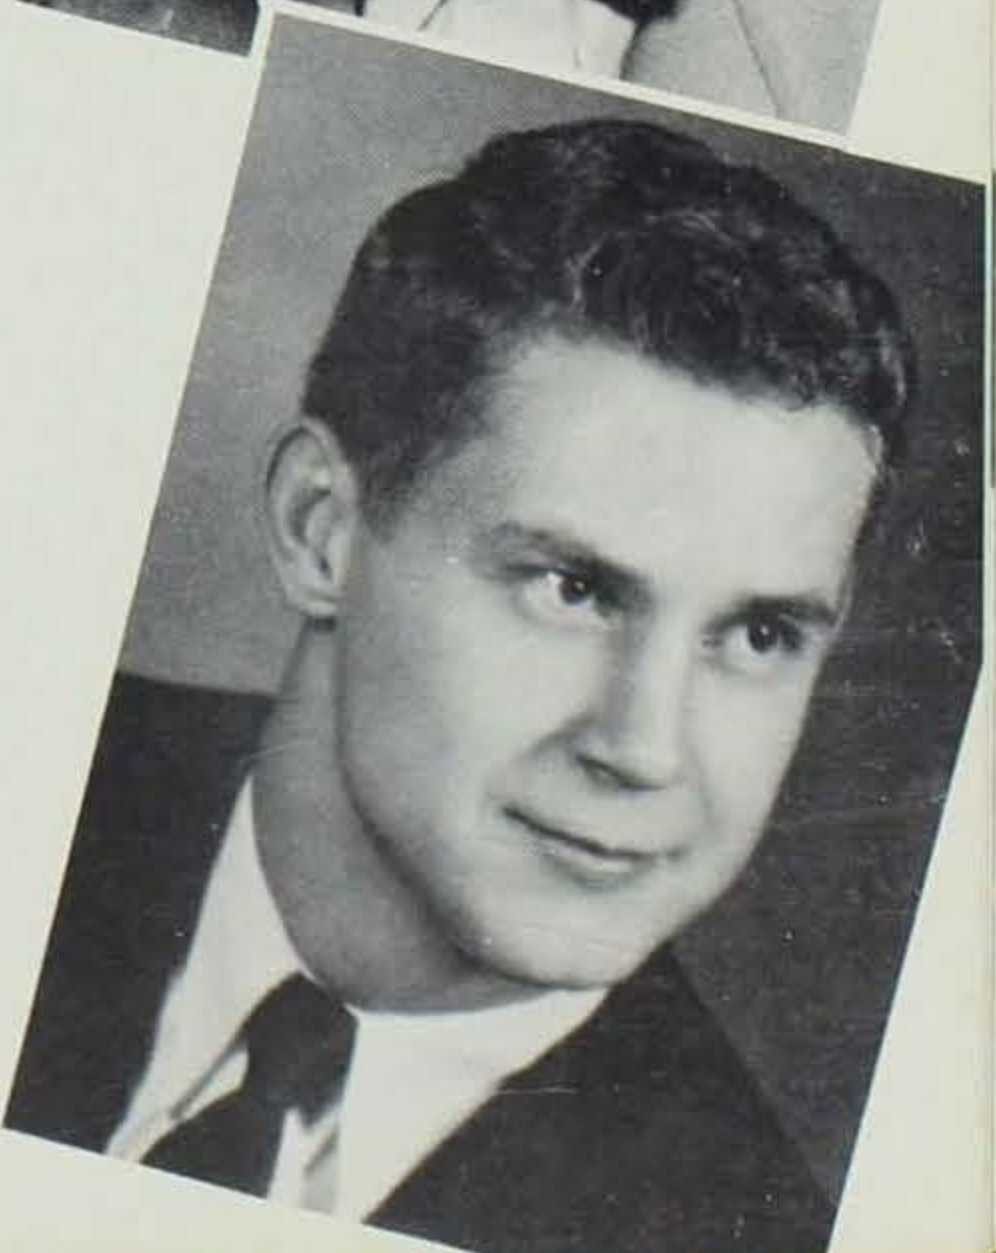

DONALD McCURNIN, Pocahontas, is a business major. He was an active member of the Student Council, and vice-president of his sophomore class. He was president of the Circle K when a senior. He also assisted in forensic activities.

LEO McCURNIN, Pocahontas, is a business major. He was treasurer of his class as a junior, and an active member of Circle K and Sigma Tau Delta, and assisted in the publication of the Student Handbook.

MARGARET NICOLAISEN, Storm Lake, is a social science major. She has been active in the publication of the Log and Tack, and a member of the B.V. Players as well as Pi Kappa Delta, Sigma Tau Delta, and the Forensic group. As a junior she was president of the Phi Alpha Pi sorority, and has been an active member of this organization for all four years.

CARROLL SAWIN, Anthon, has been active in choir, ensemble, and was a member of the Harmaniacs. He has been on the baseball squad all four years, and is a member of the Lettermen's club. He was president of the Student Council in his senior year, and has been active in forensic activities, having membership in Pi Kappa Delta. He is majoring in the Social Science field.

BILL TRYON, Glidden, very active in sports, participated in football and baseball all four years, and was honored by nomination to Little All American football team. He was an active member of the Lettermen's Club, and is a physical education major.

First Row: Bill Southwick, Kay Mills, Rev. Henry Eggink, Wally Boysen, Doyal Hansen.

Second Row: Kay Babcock, Marjorie Richardson, Joan McCorkindale.

U. S. C. A.

The United Student Christian Association was established on our Buena Vista campus in order to guide and direct Christian activities and to promote a development of spiritual life by means of church services, discussions, guest speakers, films and chapel services.

This organization consists of a committee who represent the student body. The following people make up this U. S. C. A. committee: Marjorie Richardson, Jo Mill, Doyle Hansen, Joan McCorkindale, Robert Wilkinson, Kay Mill, Bill Southwick, Kay Babcock, Tom Toay, Wally Boysen, Carol Hammer, and Carl Jens.

Although this is only the second year for this newly established organization, it has accomplished many things toward promoting a more well-rounded Christian education. The U. S. C. A. committee has planned and guided the all-college church services held once a month. Various college students and a special guest speaker participate in these services. They also conduct a special Thanksgiving chapel service and an all college Thanksgiving breakfast, which is held in the Swope Hall Dormitory. The tree lighting service and the Christmas chapel service are also under the guidance of this organization. Then, too, each year a Consecration Week is set aside. During this time special emphasis is given to our church services and to God's word and message which is delivered to us by our Consecration Week speaker.

WOMEN'S GOVERNING BOARD

The Swope Hall Women's Governing Board was composed of a representative from each suite chosen by the girls at the beginning of the school year. This council handled all of the problems of adjustment and discipline of the dormitory girls, with the aid of the deans.

This Governing Board engaged in many activities during the past year. Each month a birthday party was held for the girls having a birthday in that particular month. A dormitory paper, which consisted of news and activities of the girls, was also published once a month, and the annual Yule Log Service, consisting of all college women, was held in the main lounge of Swope Hall. During this time a piece of the Traditional yule log was used to light the new log. This council of eleven girls also had a big and little sister dinner at the beginning of the year, a Christmas banquet, Valentine party, and a formal spring farewell party honoring all the girls who were graduating.

Officers for the 1953-1954 year were as follows: President, Joan McCorkindale; Vice President, Jo Mill; Secretary, Jean Nixon; Treasurer, Carol Albrecht.

First Row, left to right: Mary Lou Kolb, Carol Albrecht, Joan McCorkindale, Jo Mill, Jean Nixon. **Second Row:** Eleanor Kluver, Beverly Hughes, Margaret Vestal, Joanne Purinton, Mavis Raveling.

COACHES

"THE FOX"

LITTLE ALL-AMERICAN SELECTION

Bill gives brotherly advice to Dale Tryon, a novice to the team.

Bill was the mighty midget of the ball team, but his small size was made up by his aggressive spirit and determination. He played quarterback all four years of varsity ball. His vision and clear cut thinking made the little field general a good passer and a standout on the team. He is renowned for his ability to run the team in a swift and efficient manner and will be remembered for his famous bootleg play.

Bill was stricken with rheumatic fever in his early school days, but refused to quit football even upon doctor's orders. During his freshman year here at Buena Vista he received a serious back injury while playing the sport he loved so much. From this injury he never fully recovered, however, Bill drove on with as fine a competitive spirit as has been displayed on a football field.

Bill has been awarded four varsity letters in football and four varsity letters in baseball. He has been honored by his selection to the 2nd All Conference Football Team during his Freshman year and placed on the 1st All Conference Football Team his Sophomore and Junior years. This year Bill was one of four Iowa candidates to be selected on a Little All American Football Team. Bill's excellent academic record was recognized by his selection to the 1953-54 "Who's Who in American Colleges and Universities."

WE WIN

Buena Vista 20 Nebraska Wesleyan 20 **September 12, '53**

Freshman back Dale Tryon scored 2 touchdowns on runs of 24 and 8 yards each. Dick Tuttle plunged over from the one yard marker. Bill Tryon kicked for one extra point and passed to Roger Parrott for the other one.

Buena Vista 13 Hastings 26 September 18, '53
Roger Parrott scored on two deceptive pass plays engineered by Bill Tryon. Bill Tryon kicked the extra point.

Buena Vista 0 Luther 19 September 26, '53
Buena Vista went down in defeat at the hands of a well organized and hard hitting ball club. B.V. was outstanding on several defensive plays by linemen.

Buena Vista Loras October 3, '53
Little Morris Johnson of Alta led the way for the one Beaver touchdown by picking up 63 yards in five plays to climax an 88 yard scoring drive in the fourth quarter after John Rex recovered a Loras fumble on the Beaver 12. Johnson then carried to the Duhawk's 25 where Bill Tryon passed to Roger Parrott for the touchdown.

Buena Vista 19 Bemidji St. Teachers 7
October 10, '53

Roger Parrott scored on a beautiful pass from Quarterback Bill Tryon. Dale Tryon tallied on a swift run. Morris Johnson plunged over to score for

the Beavers.

Buena Vista 0 Homecoming Wartburg 15
October 17, '53

Wartburg clinched first place in the Northern division by this victory. Dick Tuttle made some fine gains, but was injured and will be out of action for the remainder of the season. It was the Beaver first homecoming loss in six years.

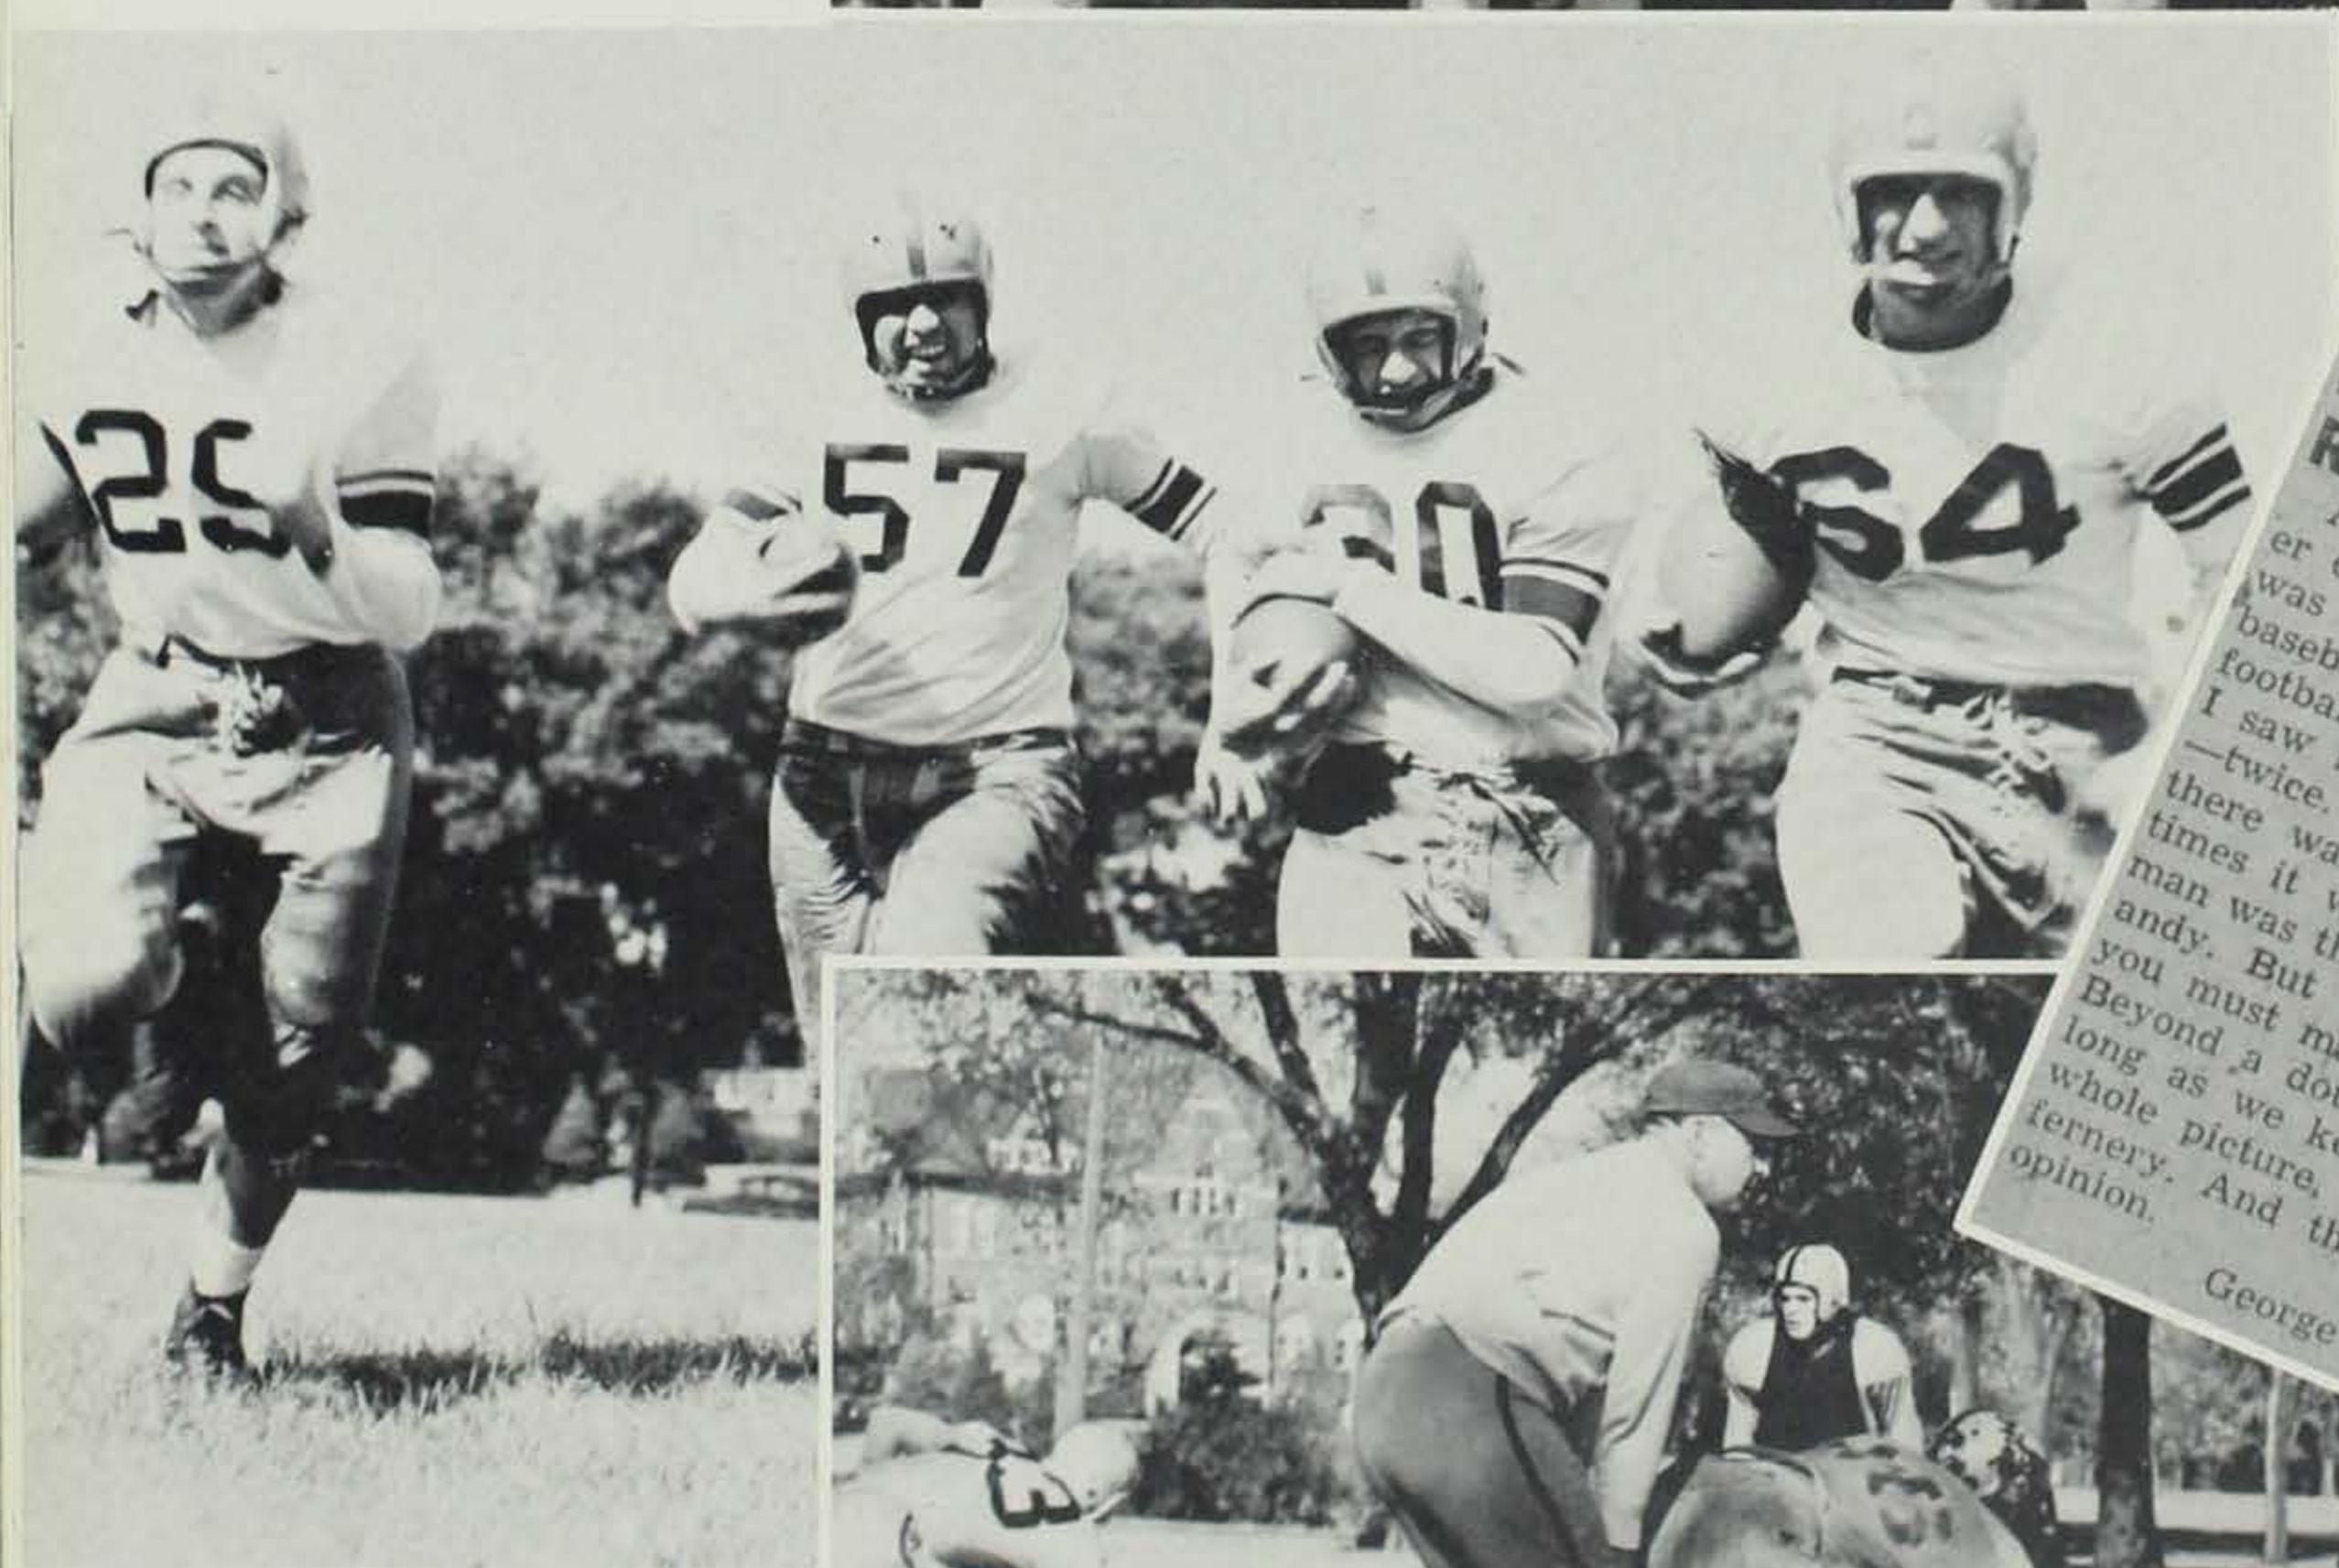

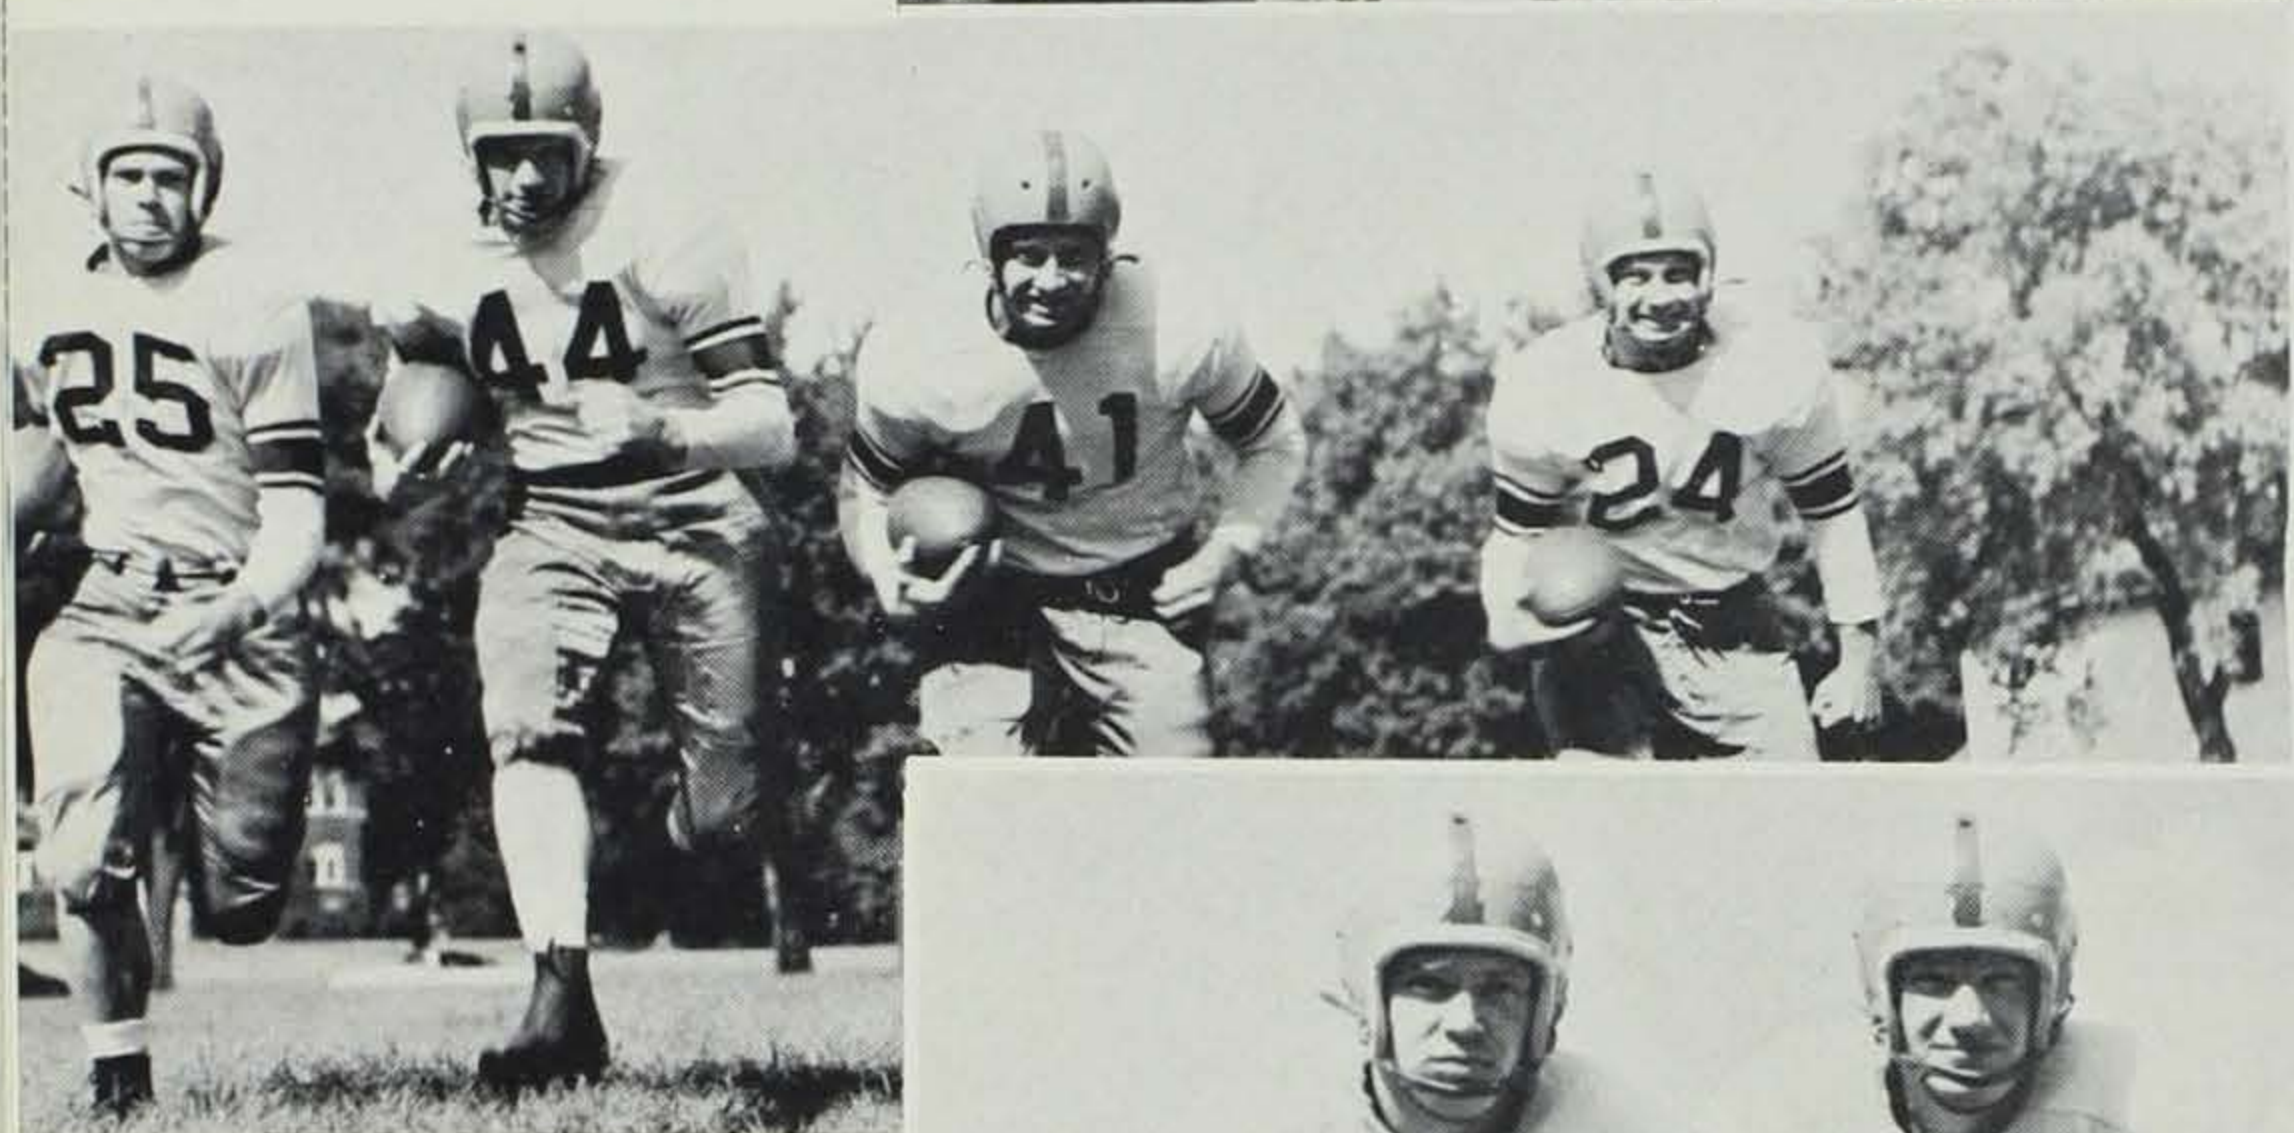

Buena Vista 13 Upper Iowa U 14
October 24, '53

Morris Johnson plunged over from the one yard line to score first. John Rex scored from the 11. Bill Tryon passed to Roger Parrott in end zone for the extra point.

Buena Vista 6 Dubuque U. 7 October 30, '53
Buena Vista outplayed Dubuque by a wide margin but the breaks cost B.V. the game. Alvin Molitar handled the team well from the quarterback spot. Bill Tryon, Dick Tuttle, Dale Tryon and Arland Sivadge out of the game because of injuries. Heichel scored touchdown from the 22 on an off tackle play.

Buena Vista 12 Dana College 6 November 6, '53
Alvin Molitar passed to Roger Parrott for first touchdown. Arland Sivadge crossed the goal to complete the scoring. This was the last game of the season which featured long runs and outstanding passes.

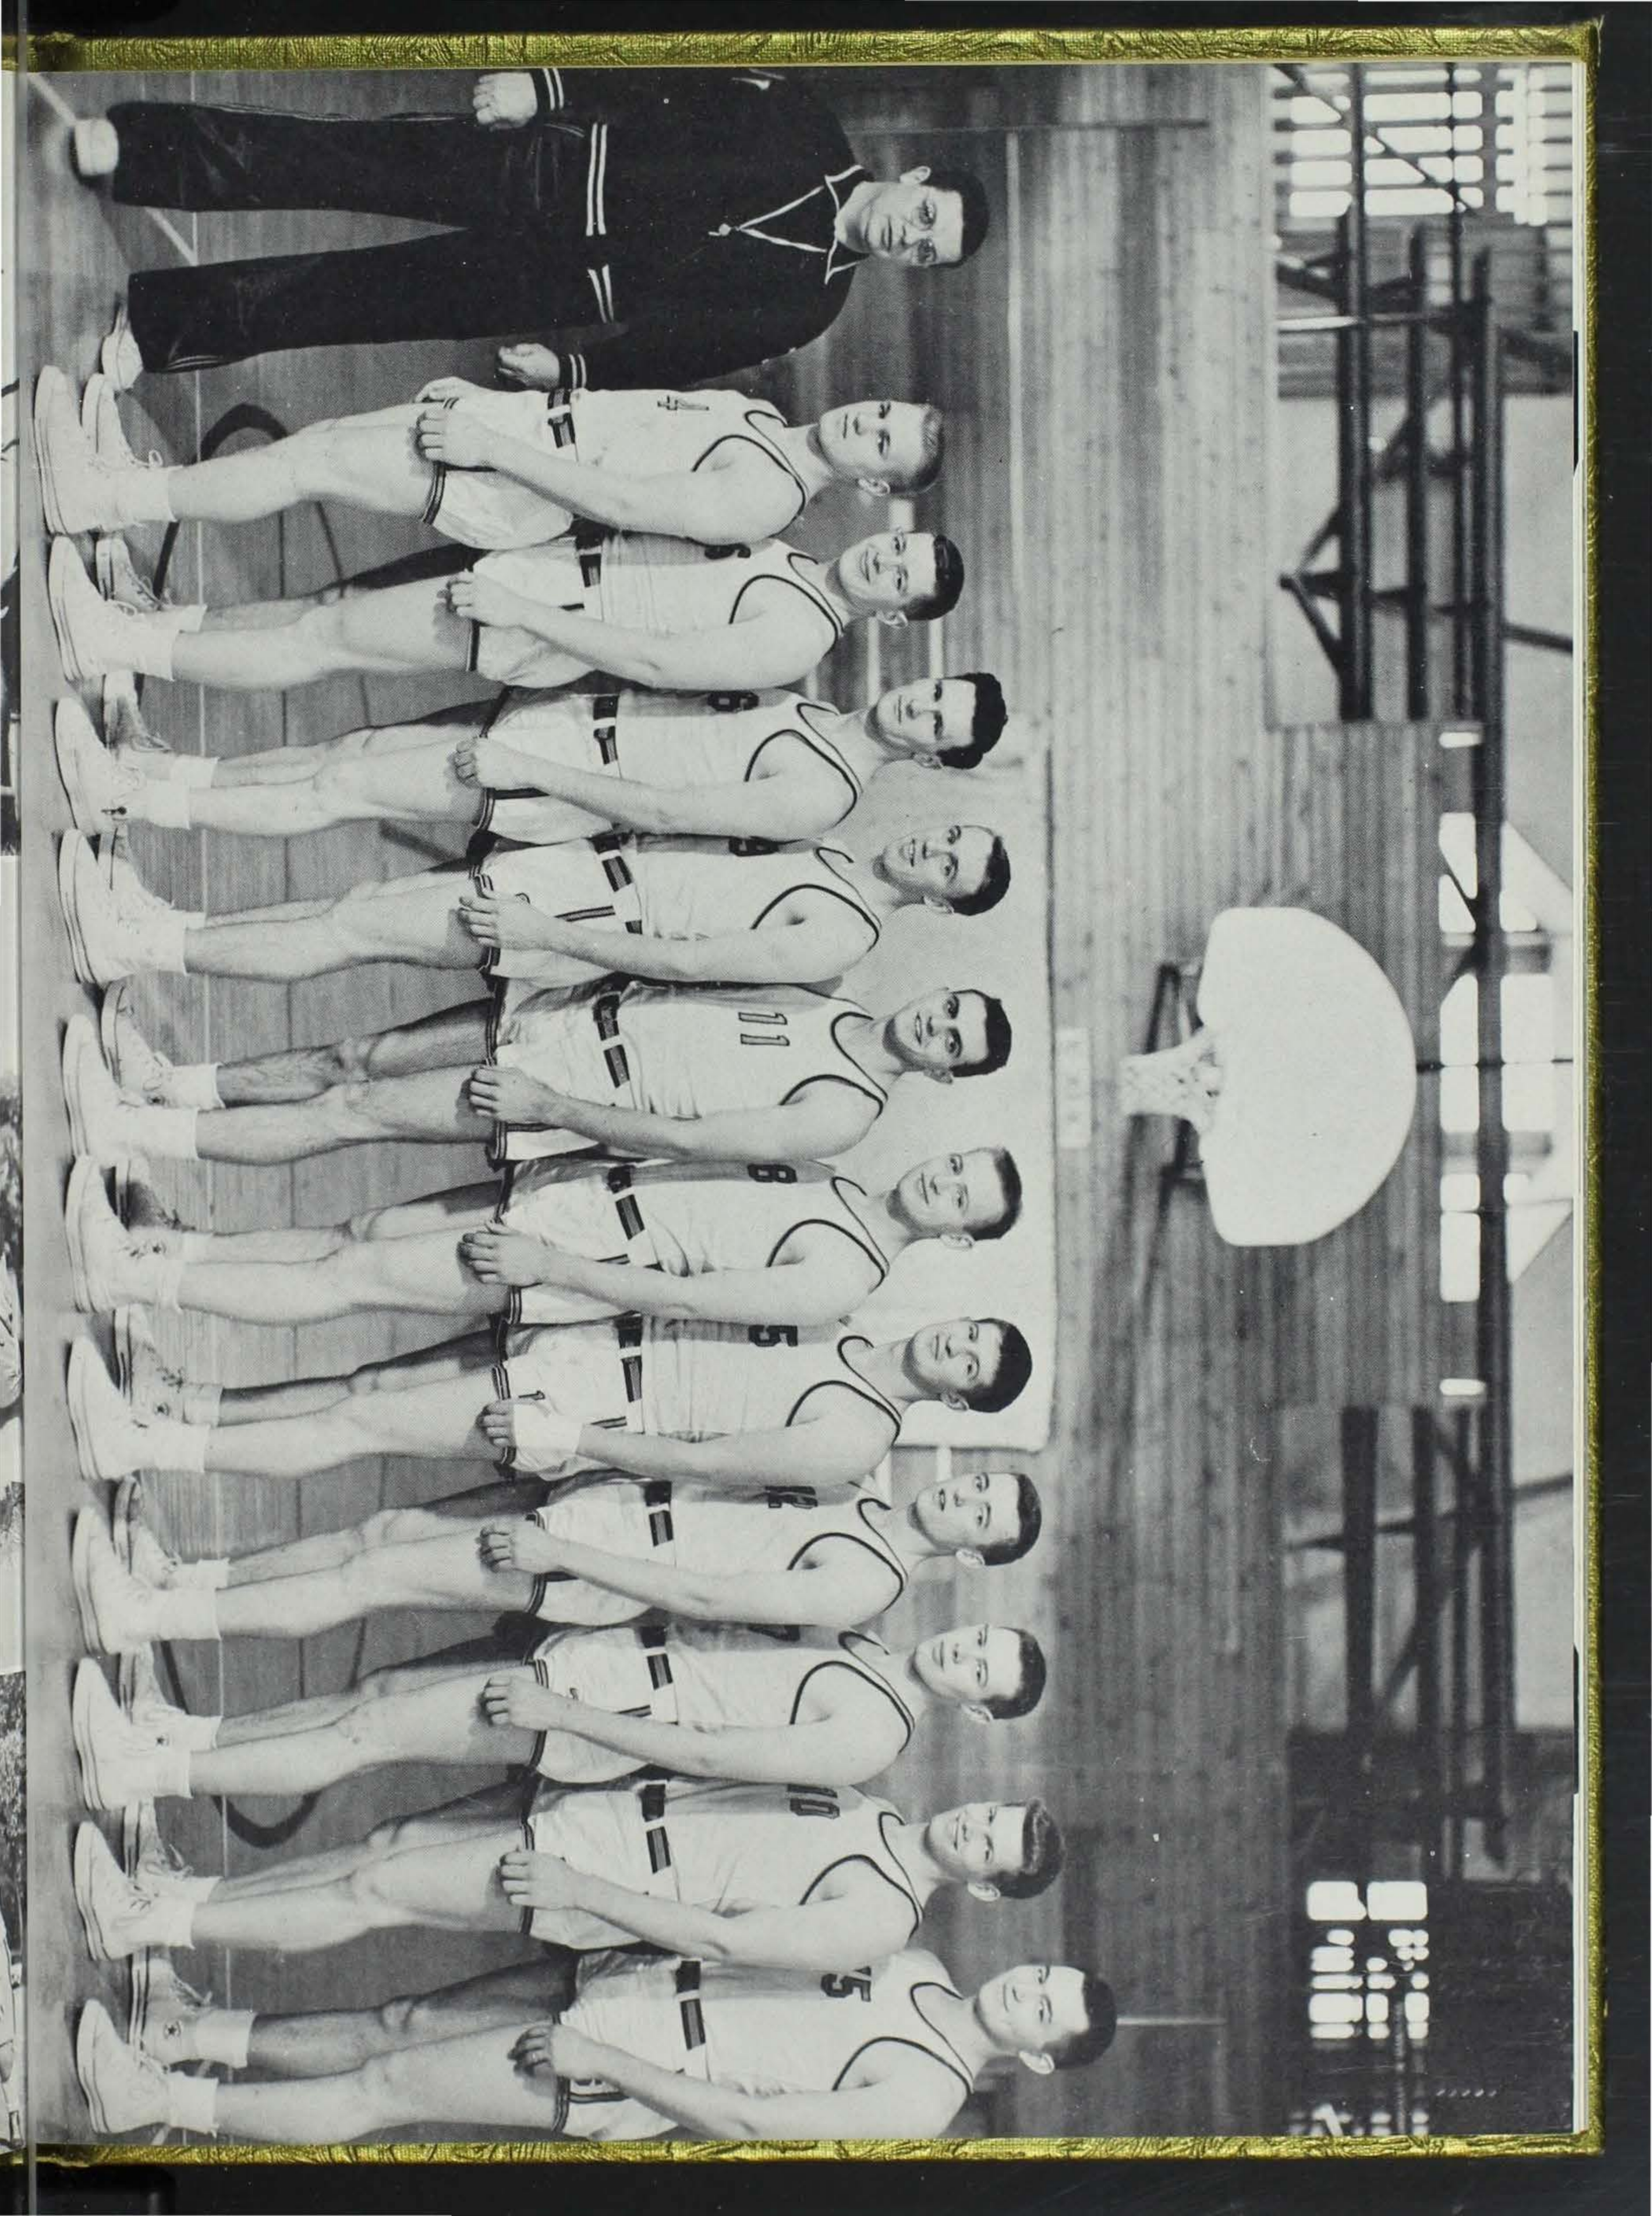

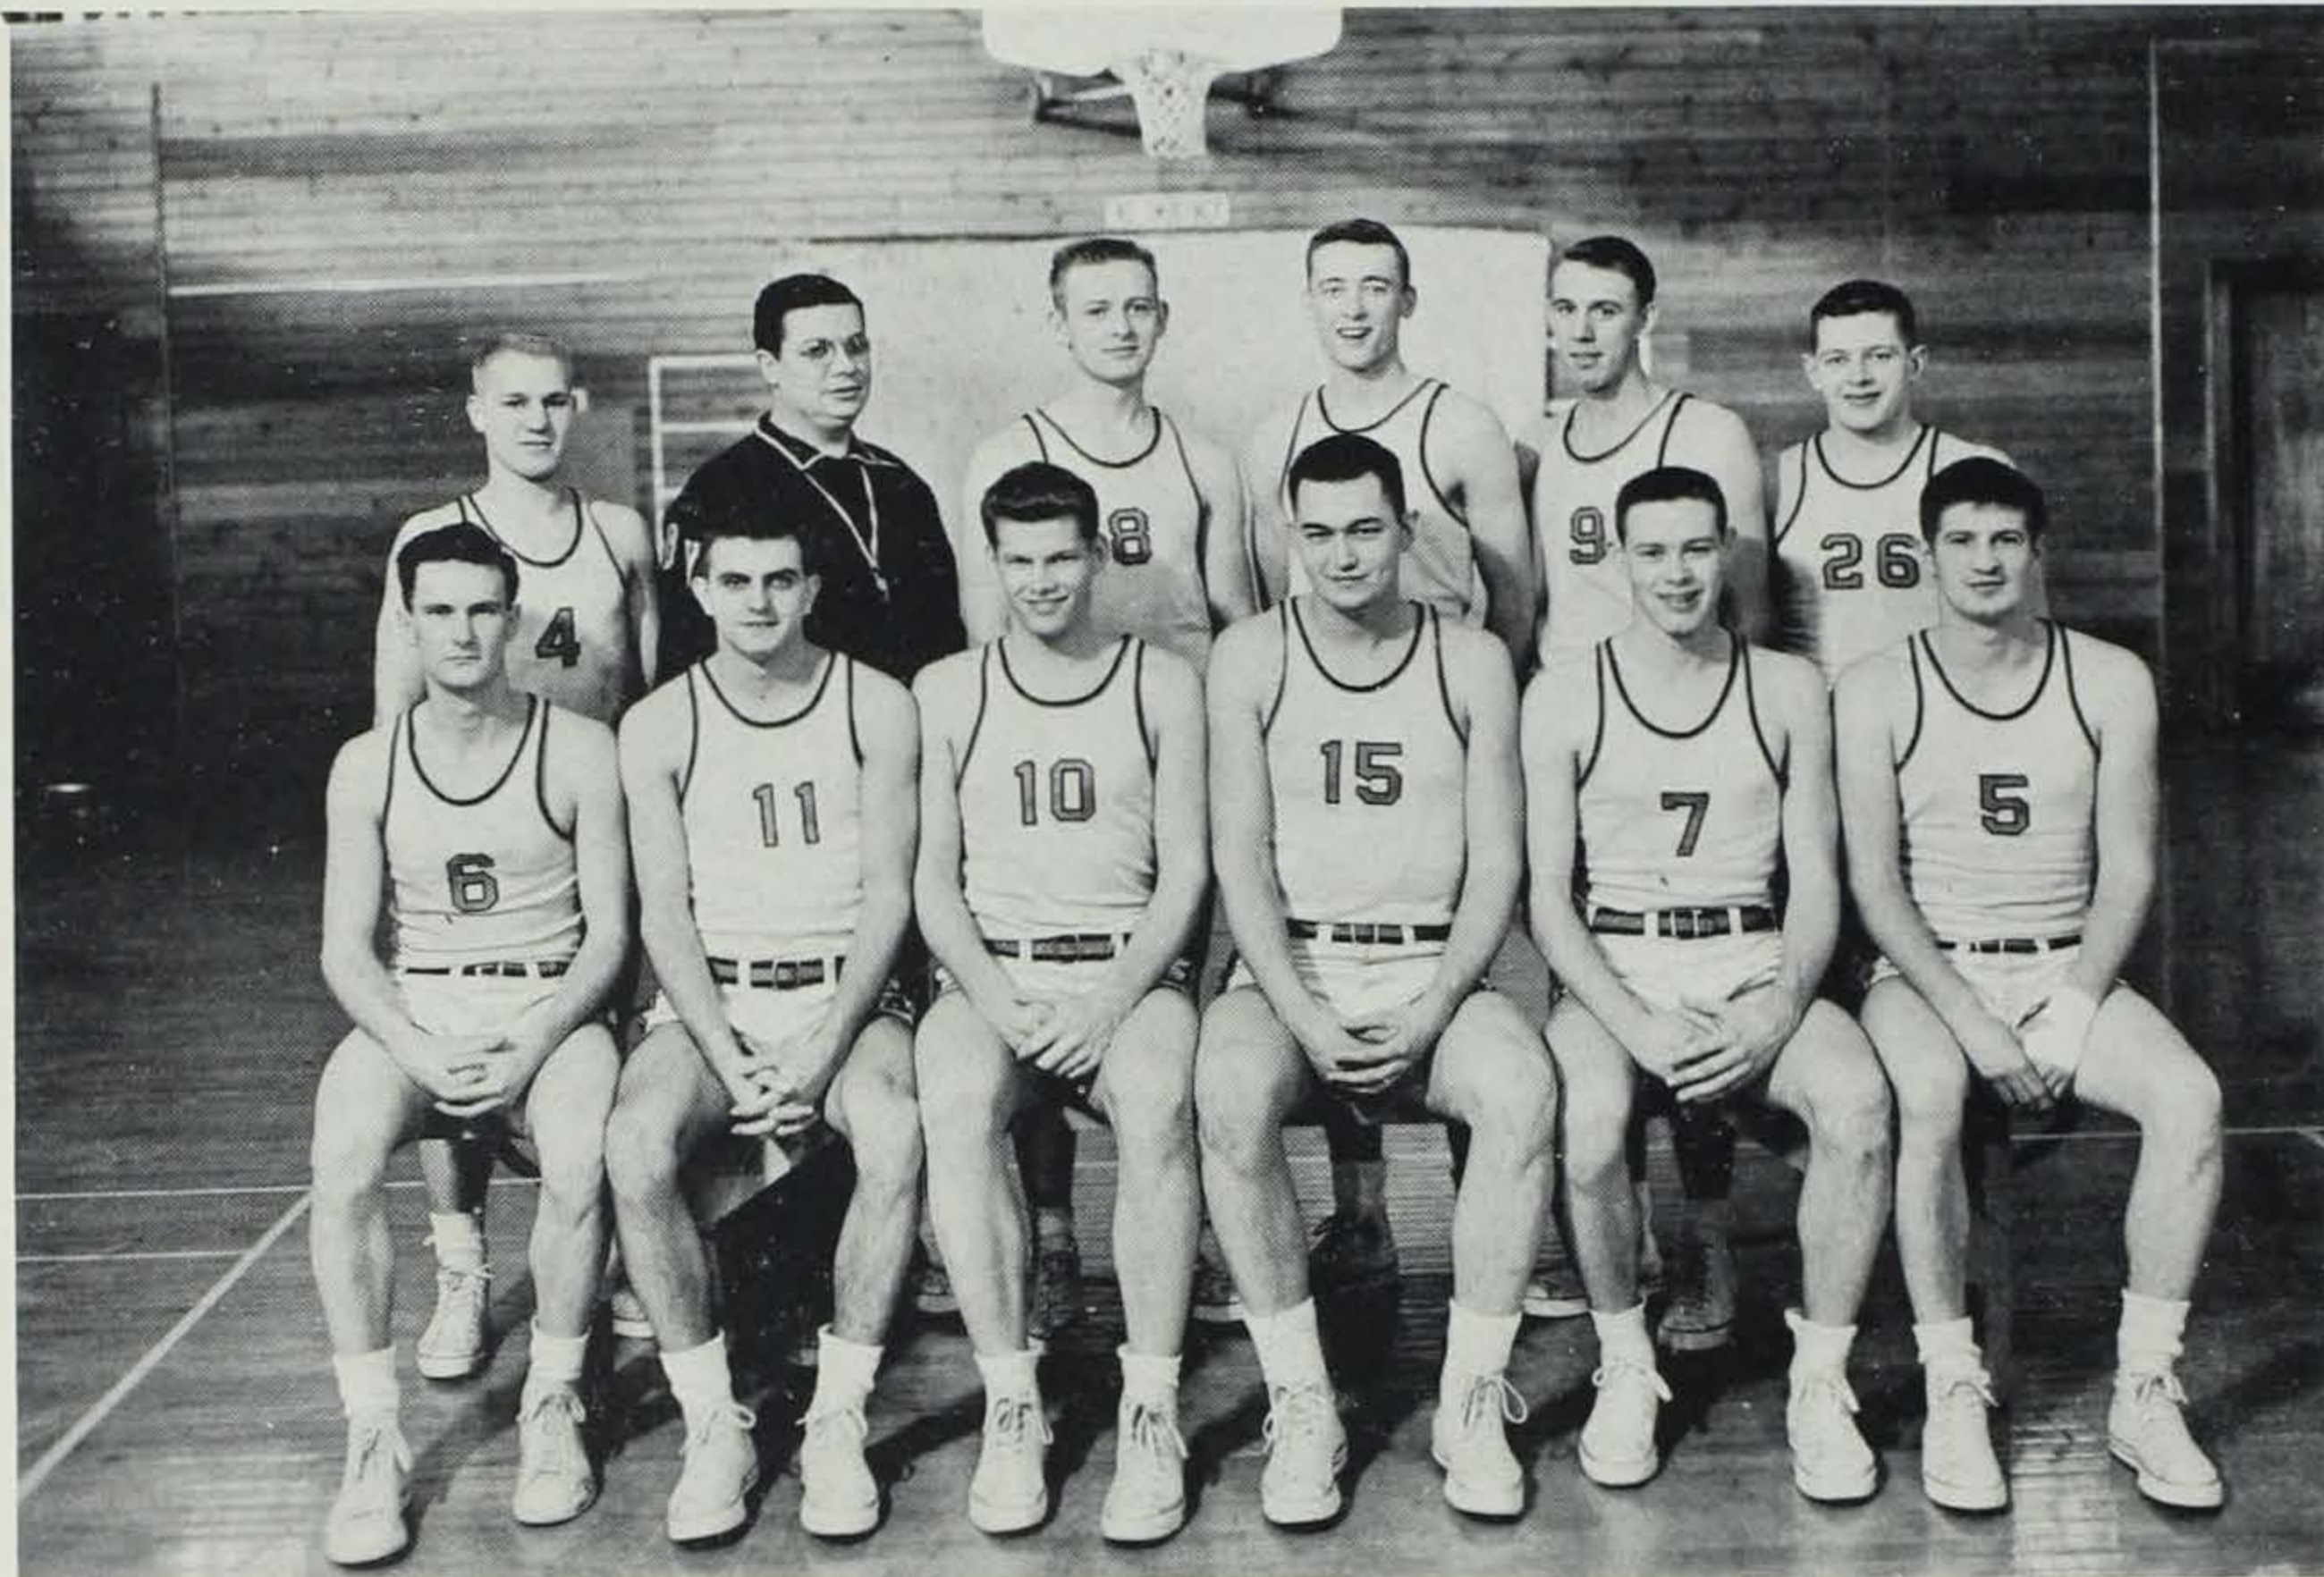

Prof. Reynolds Recalls Game

At the baseball banquet the other evening the championship game was recalled. It was clear that the football team intended to parrot the I saw into the championship game—twice. It was a sivadge affair; there was one foell stroke. Sometimes it was difficult to tell what man was the key, there was handy. But if you want to shine, you must mac's it time and again. Beyond a doud, we're all right, as long as we keep tryon. That's the whole picture, with a little bit of fernery. And that's my unkeerbed opinion.

1953 TRACK TEAM

First Row: Alvin Molitor, LaVerne Kloster, Lowell DeSart, Dick Tuttle, Lea Kurt, Dean Nicholson, Chuck Allen. **Back Row:** Dan Wagner, Charles Wehmeyer, Bob Otto, Fred Burmeister, Richard Nelson.

In the spring of 1953 Buena Vista re-entered intercollegiate track competition, having dropped the sport during the war years.

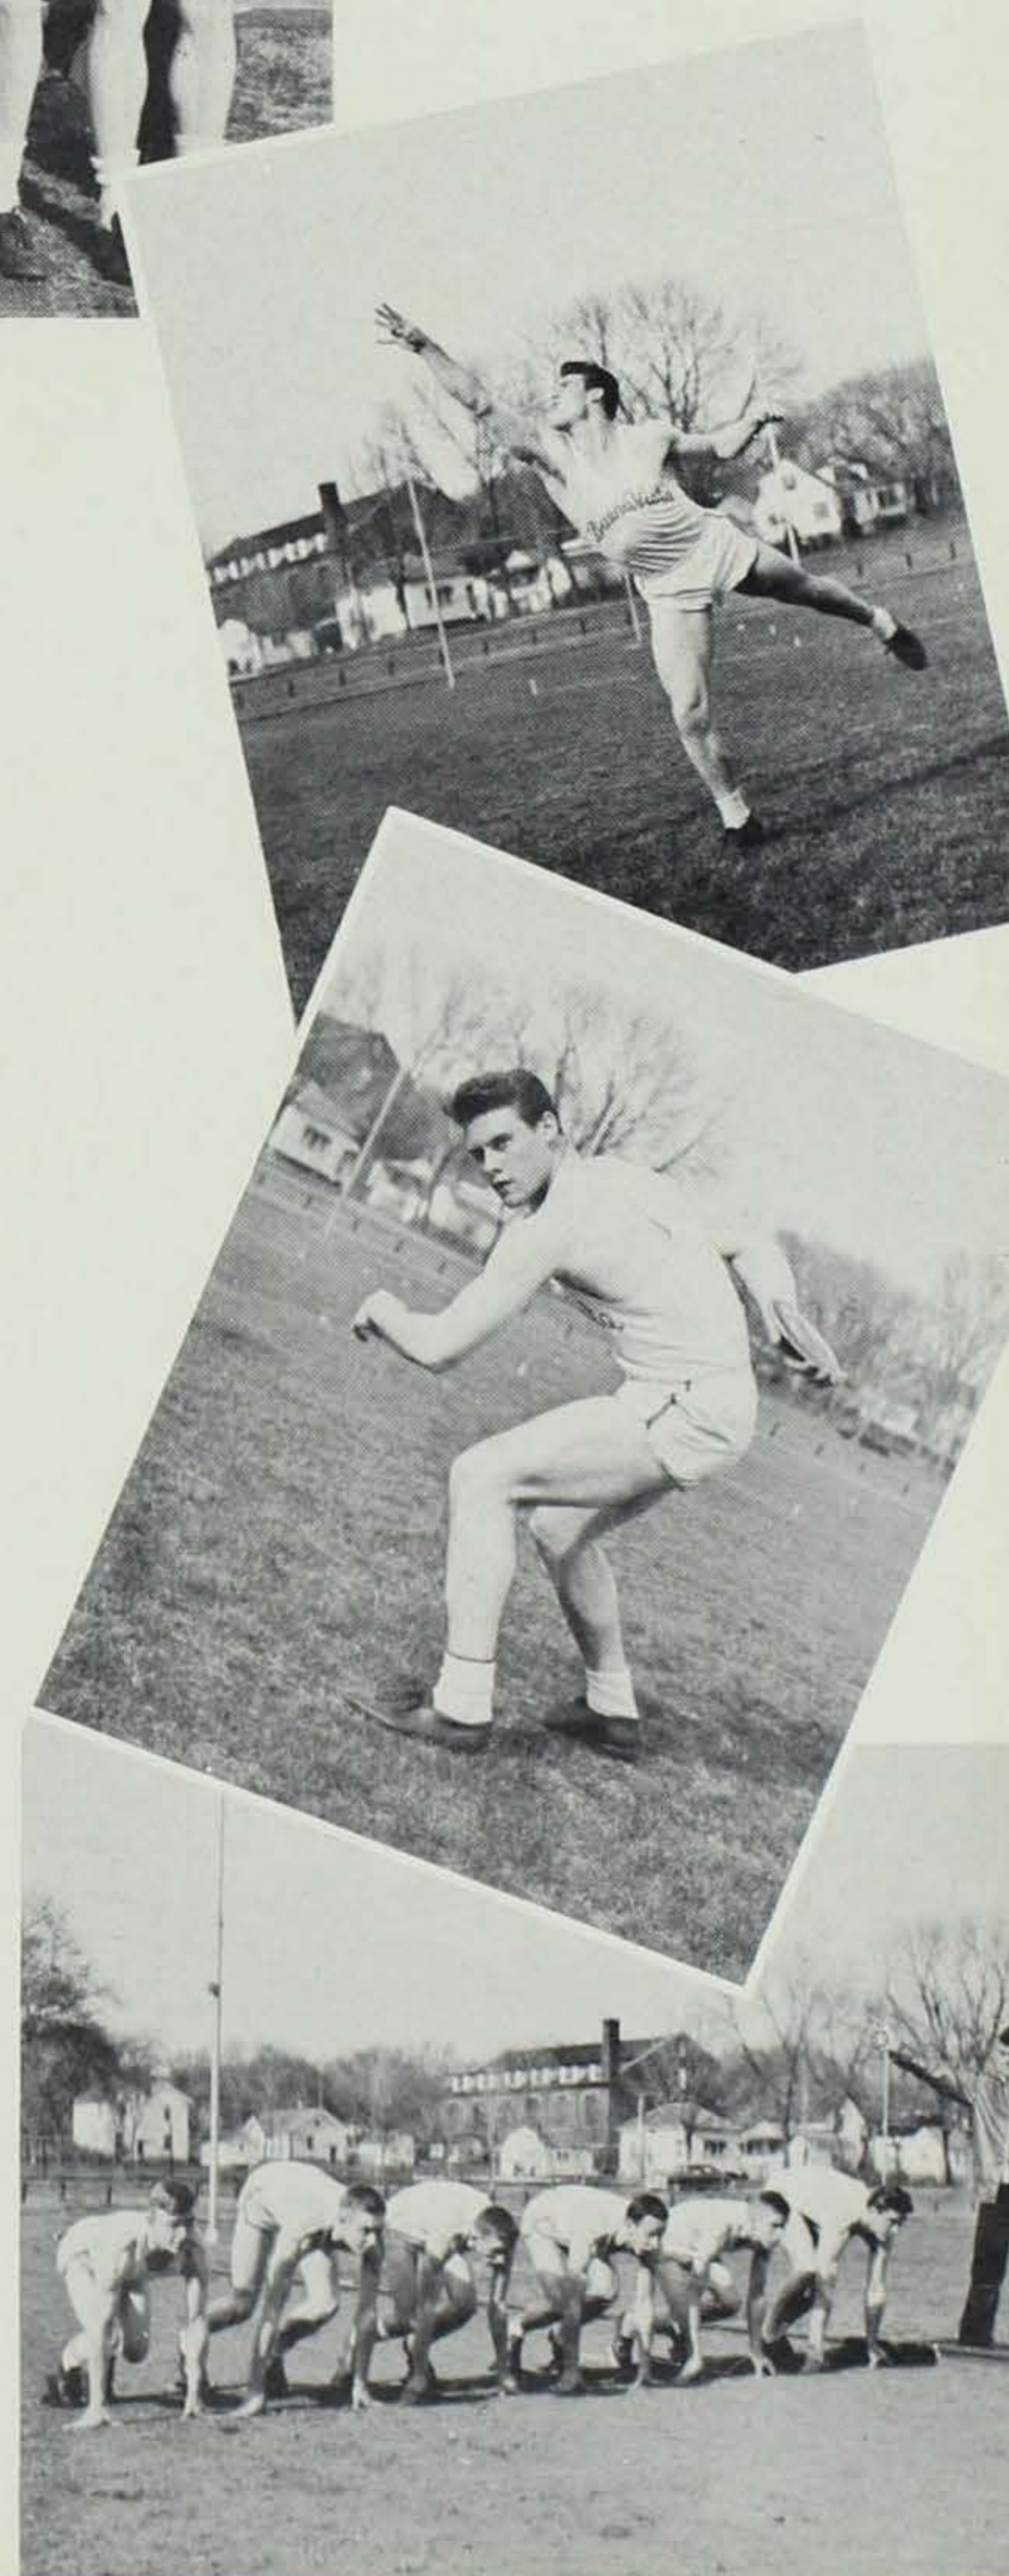

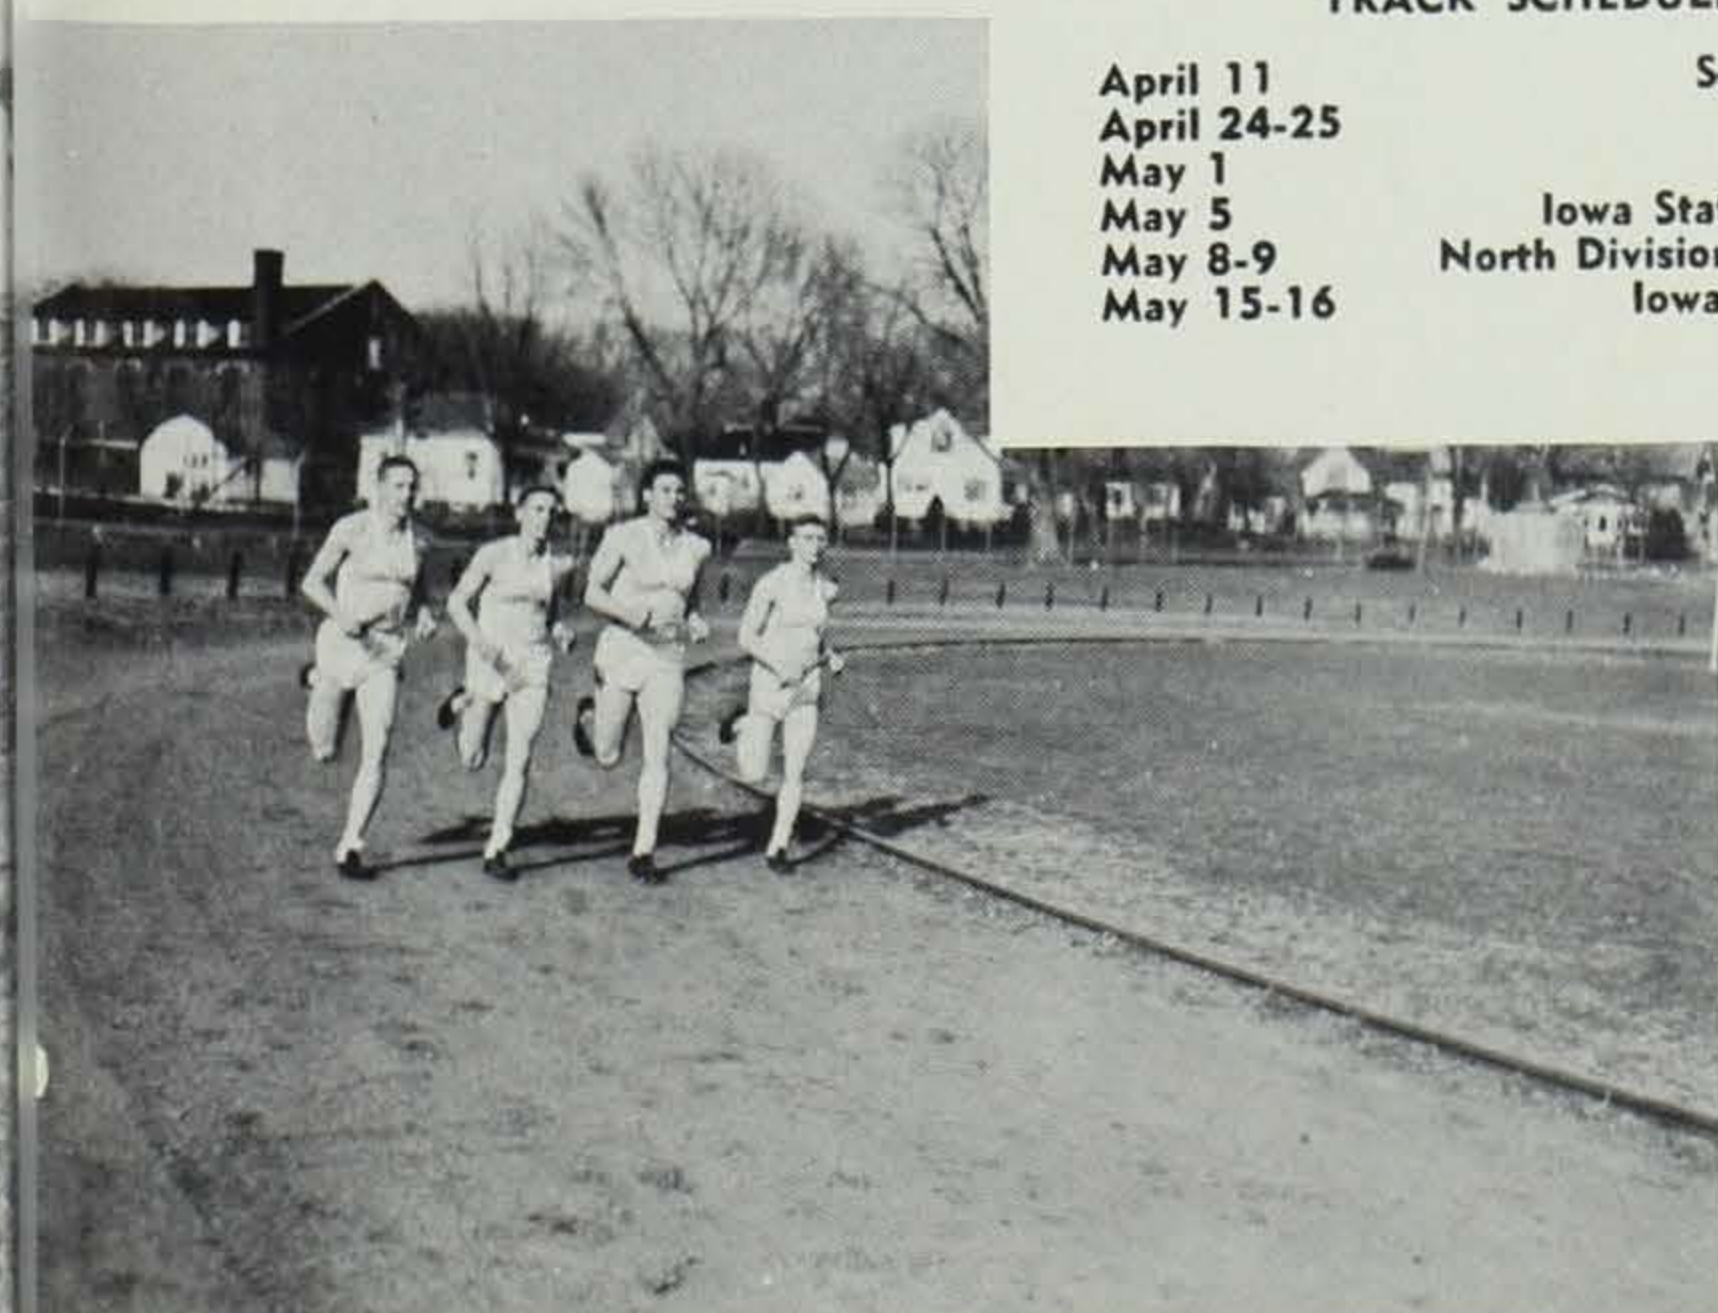

Under the direction of Coach Bob Otto, the Beaver cindermen won an amazing number of meets and events. The best performance was at the Iowa Conference Meet when with only four of the Beavers qualifying Buena Vista went away with fourth place.

Dick Tuttle placed in the discus, shot and javelin and Al Molitor won the 220 low hurdles. The B.V. Relay Team did very well winning most of the points the Beavers garnered throughout the season.

1953 brought track back to B.V., and with more interest this year the Beavers should really go places.

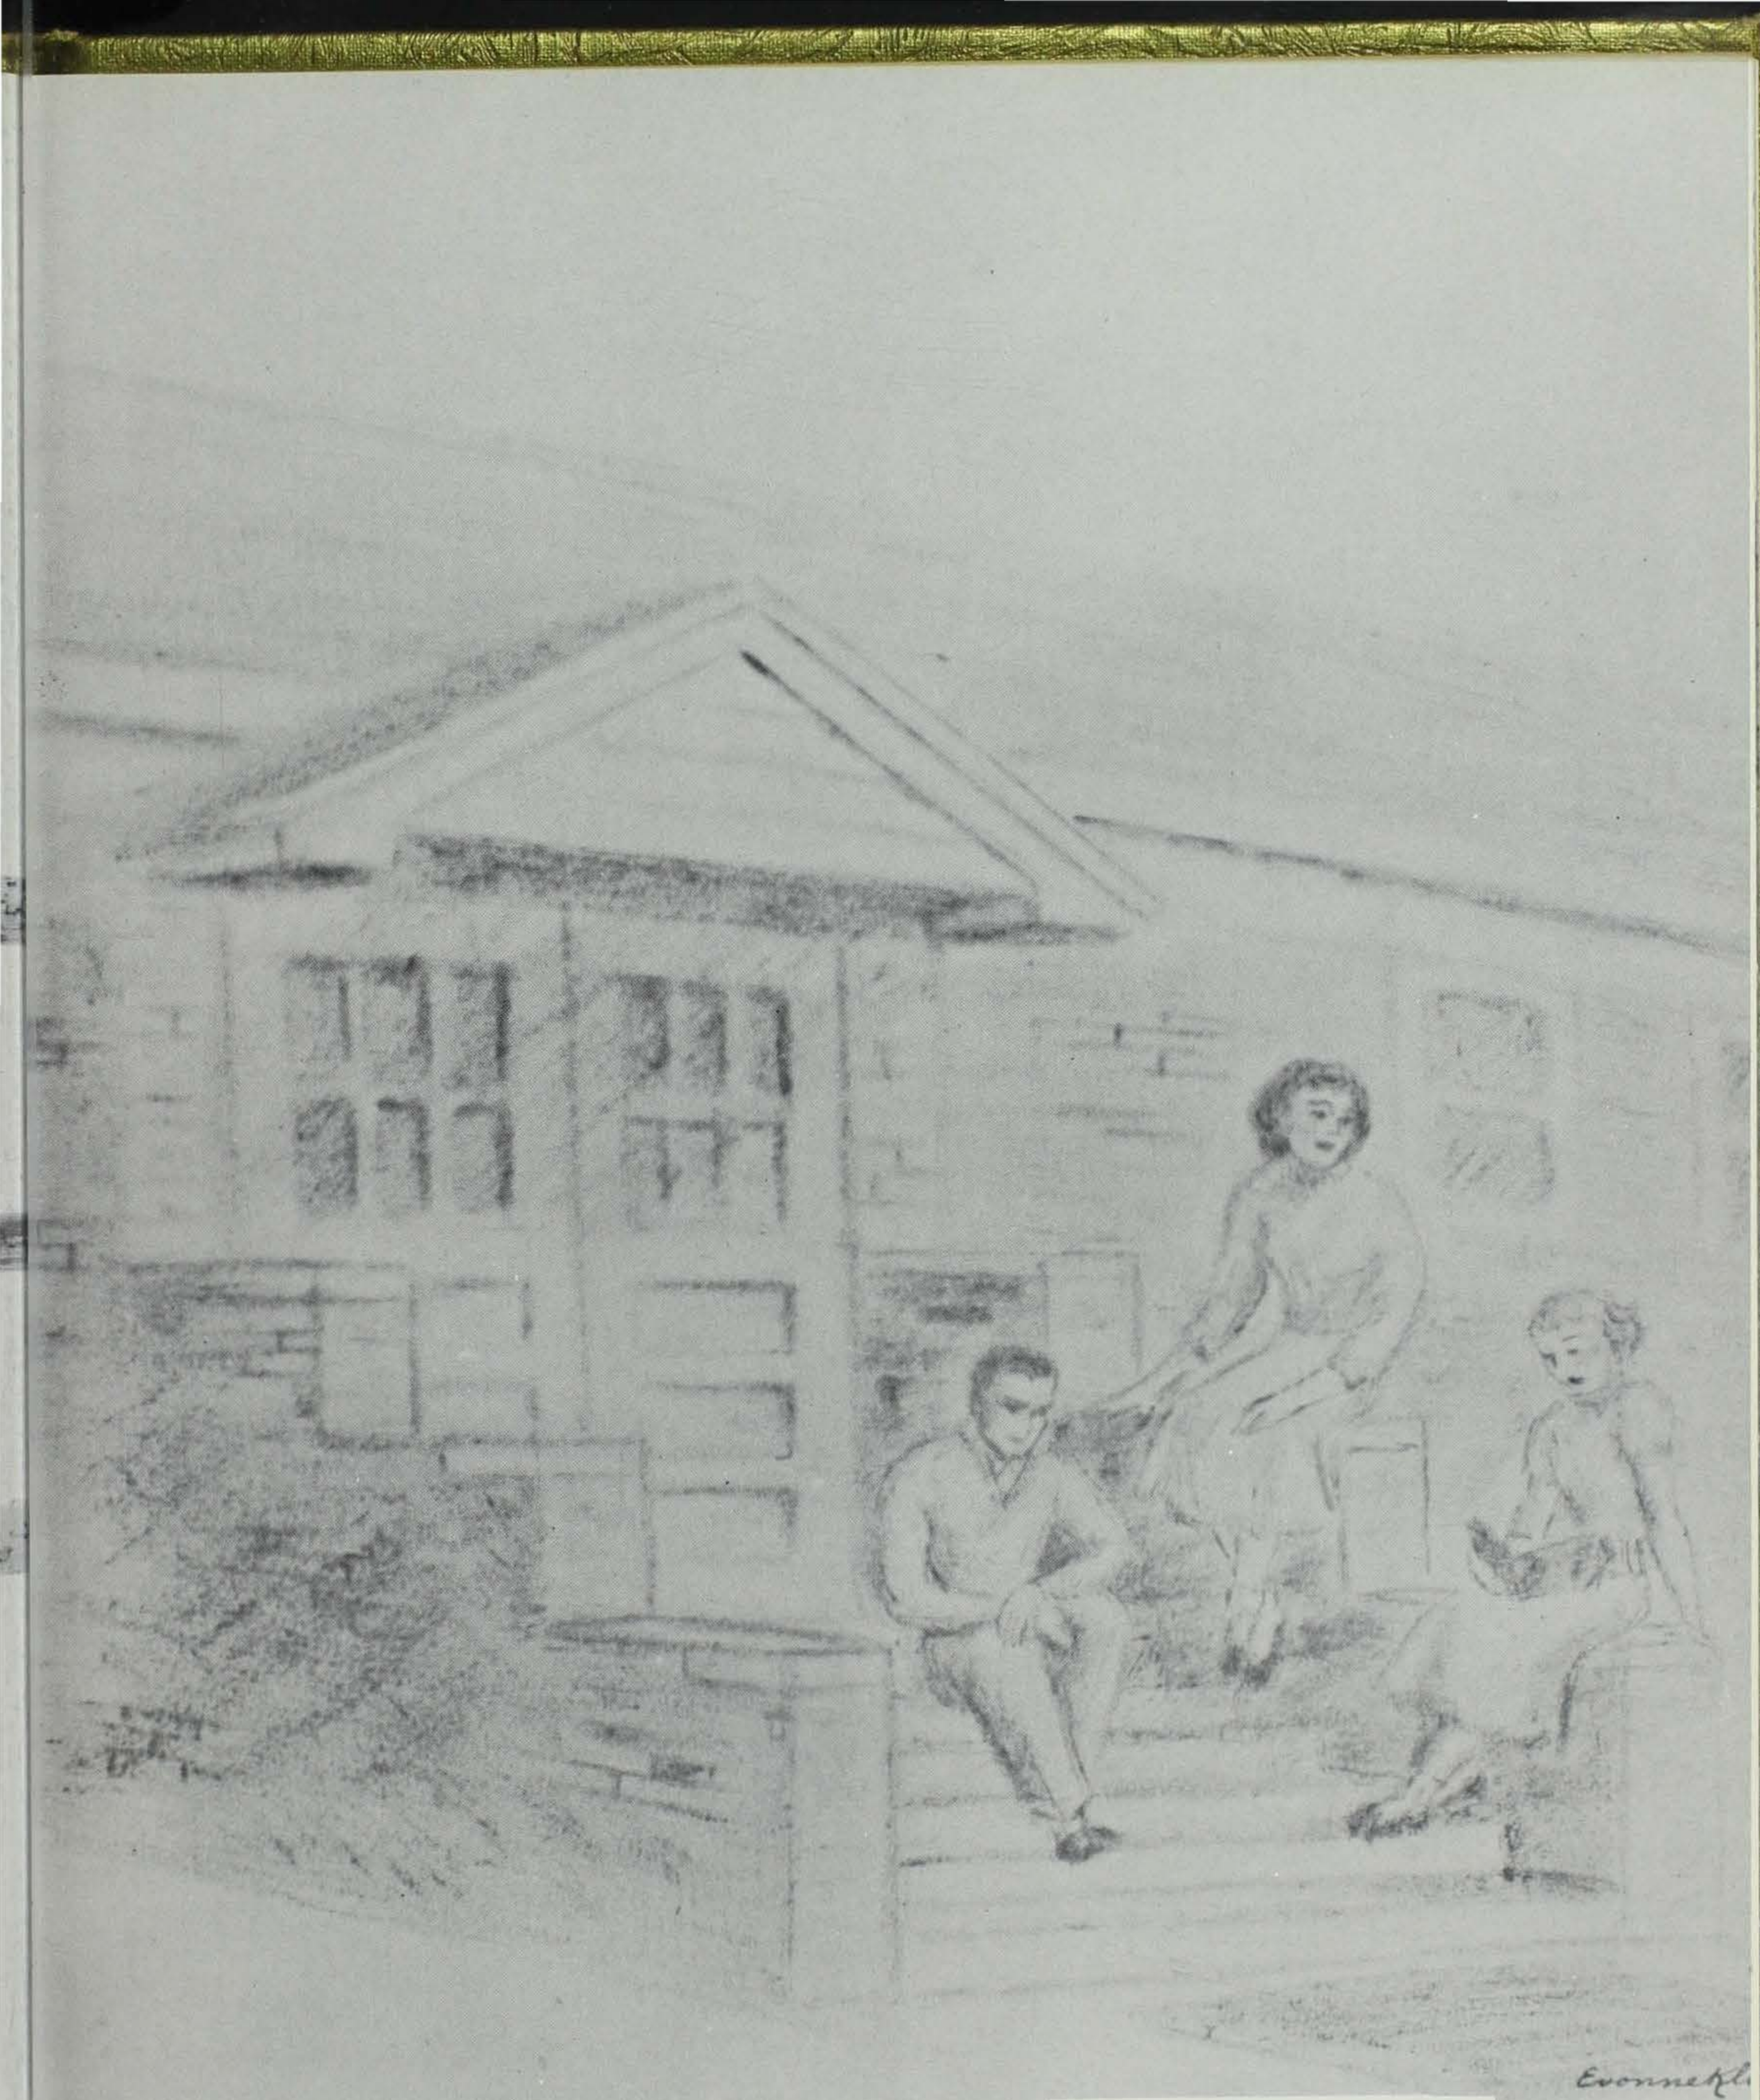

TRACK SCHEDULE 1953

A modern electric football scoreboard was erected at the south end of Bradford Field and was dedicated to the memory of Mr. and Mrs. Albert E. Cattermole, late of Storm Lake, between the halves of the Nebraska Wesleyan-Buena Vista game, September 12, 1953. The memorial gift was presented to the college by Gene Cattermole, son of the honorees, and was accepted in behalf of Buena Vista college by President Henry Olson.

SENIORS

The Senior class of '54 has made significant contributions to the college. With a vast wealth of experience and a desire and willingness to serve, this group took part in all of the important campus activities.

Experience gained in studying and working with fellow students has given our seniors valuable experience. The desire and willingness to serve marks an ability to adjust to society, and this achievement is one of the prime goals of education.

The senior contributions in academics, in music, in dramatics and athletics have made a lasting impression on college history here. To the seniors we give a sincere "Well done," and we hope that the success achieved at Buena Vista will continue to follow to higher planes of achievement.

NEW BOARD OF TRUSTEES

First row, left to right: Carl G. Peterson, Storm Lake; Paul Dixon, Sac City; Gilbert Geisinger, Storm Lake; Z. Z. White, Storm Lake. **Second row:** Dr. H. A. Pierce, Storm Lake; H. E. Rininger, Schaller; Dr. Harvey Troop, Sioux City; Dr. C. C. Richardson, Storm Lake; Jay Beekman, Storm Lake.

In the picture above is the newly created Board of Trustees of Buena Vista College reduced in number from forty to twelve as recommended and approved by the latter organization. Not pictured are: Tom D. Eilers of Omaha, Robert Knapp of Denison and Kermit Buntrock, Storm Lake.

PRESIDENT PRO-TEM

Dean William D. Wesselink took over the duties of President, pro tem, the first week in December, 1953. He will serve until a permanent successor is chosen to succeed Dr. Henry Olson, resigned.

Dean Wesselink has worked tirelessly for a stronger and more concrete foundation of cooperation between the student body and faculty of Buena Vista College.

Besides his work as a college administrator, the Dean is active in community affairs and responsibilities. He is enthusiastic about football, algebra, hunting and fishing. Woodworking is his hobby, and his home workshop provides enjoyment in his leisure hours.

Dean William Wesselink

PRESIDENT

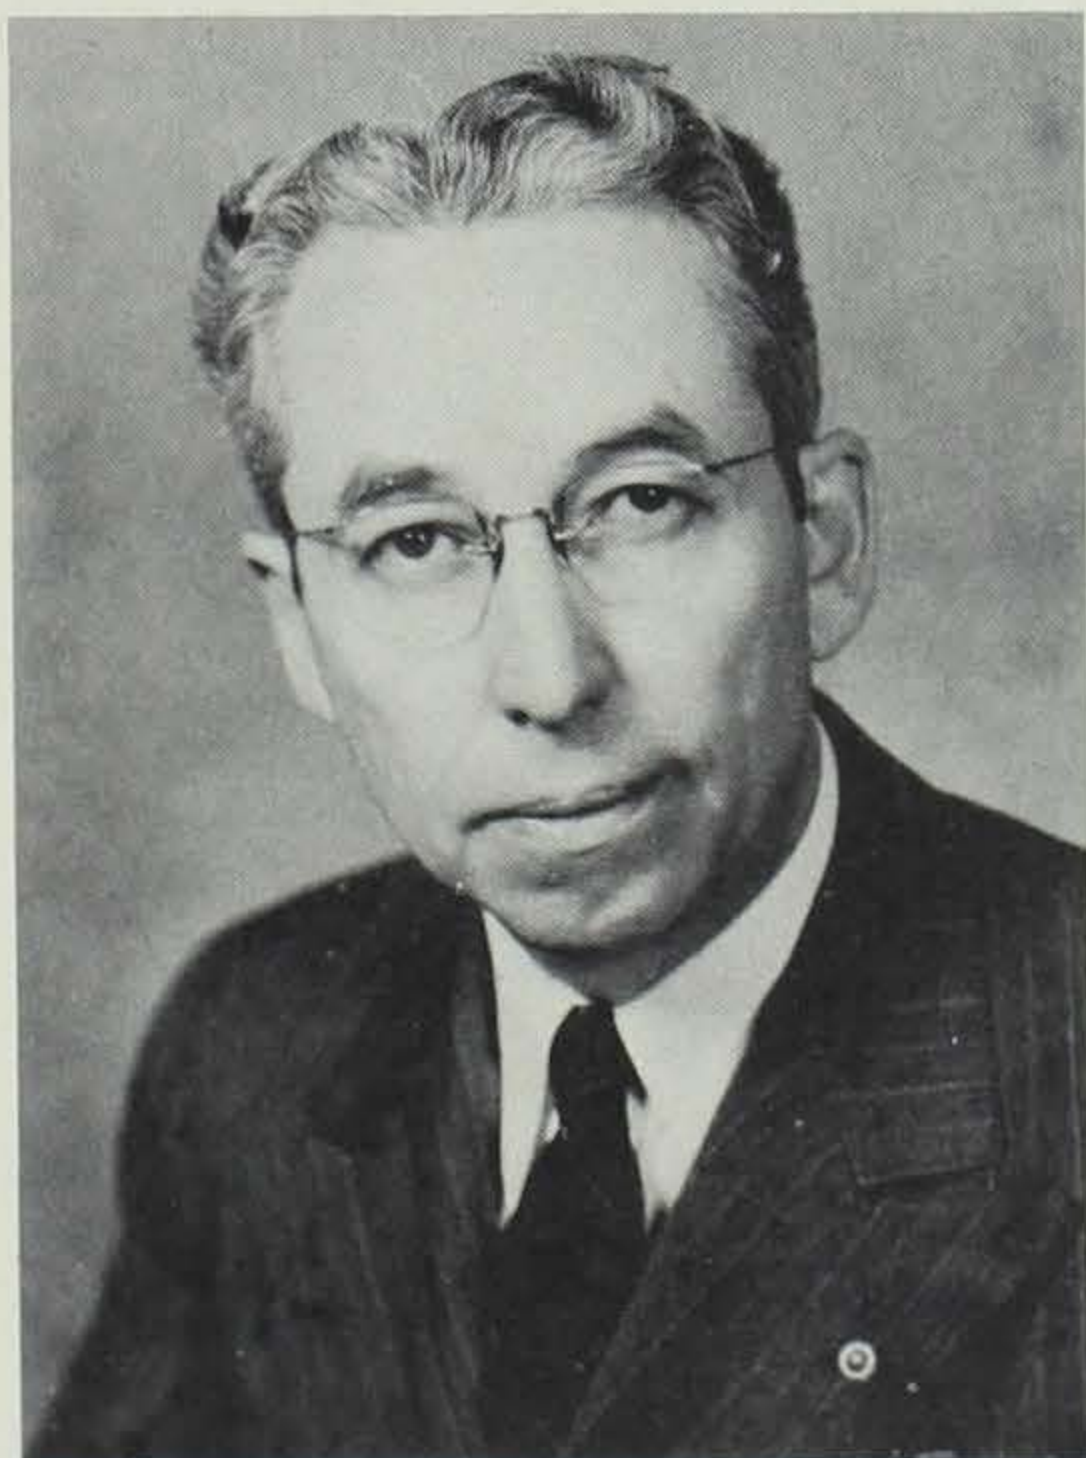

DR. OLSON

Dr. Olson has been President of Buena Vista college since 1931. He started his twenty-third year in that capacity with the beginning of the fall semester in September. He is the oldest President in length of service of any college in Iowa, including the three state institutions. Through his untiring efforts and guidance Buena Vista has secured accreditation in the North Central Association and a modern girls dormitory was completed.

Dr. Olson resigned as President of Buena Vista college December 31, 1953.

Dr. Olson

F. Merle Sandy

BUSINESS MANAGER

F. MERLE SANDY

Sooner or later, every student at Buena Vista comes to know F. Merle Sandy, business manager of the college. Mr. Sandy handles the financial affairs of the school, sells books and supplies, and collects tuition and fees. Through his efforts, the monetary wheels are kept rolling smoothly.

Mr. Sandy received both his B.S.C. and M.A. degrees from the University of Iowa. In past years he has served as a professor of economics and business administration.

DEAN OF MEN

BRUCE ALDERMAN

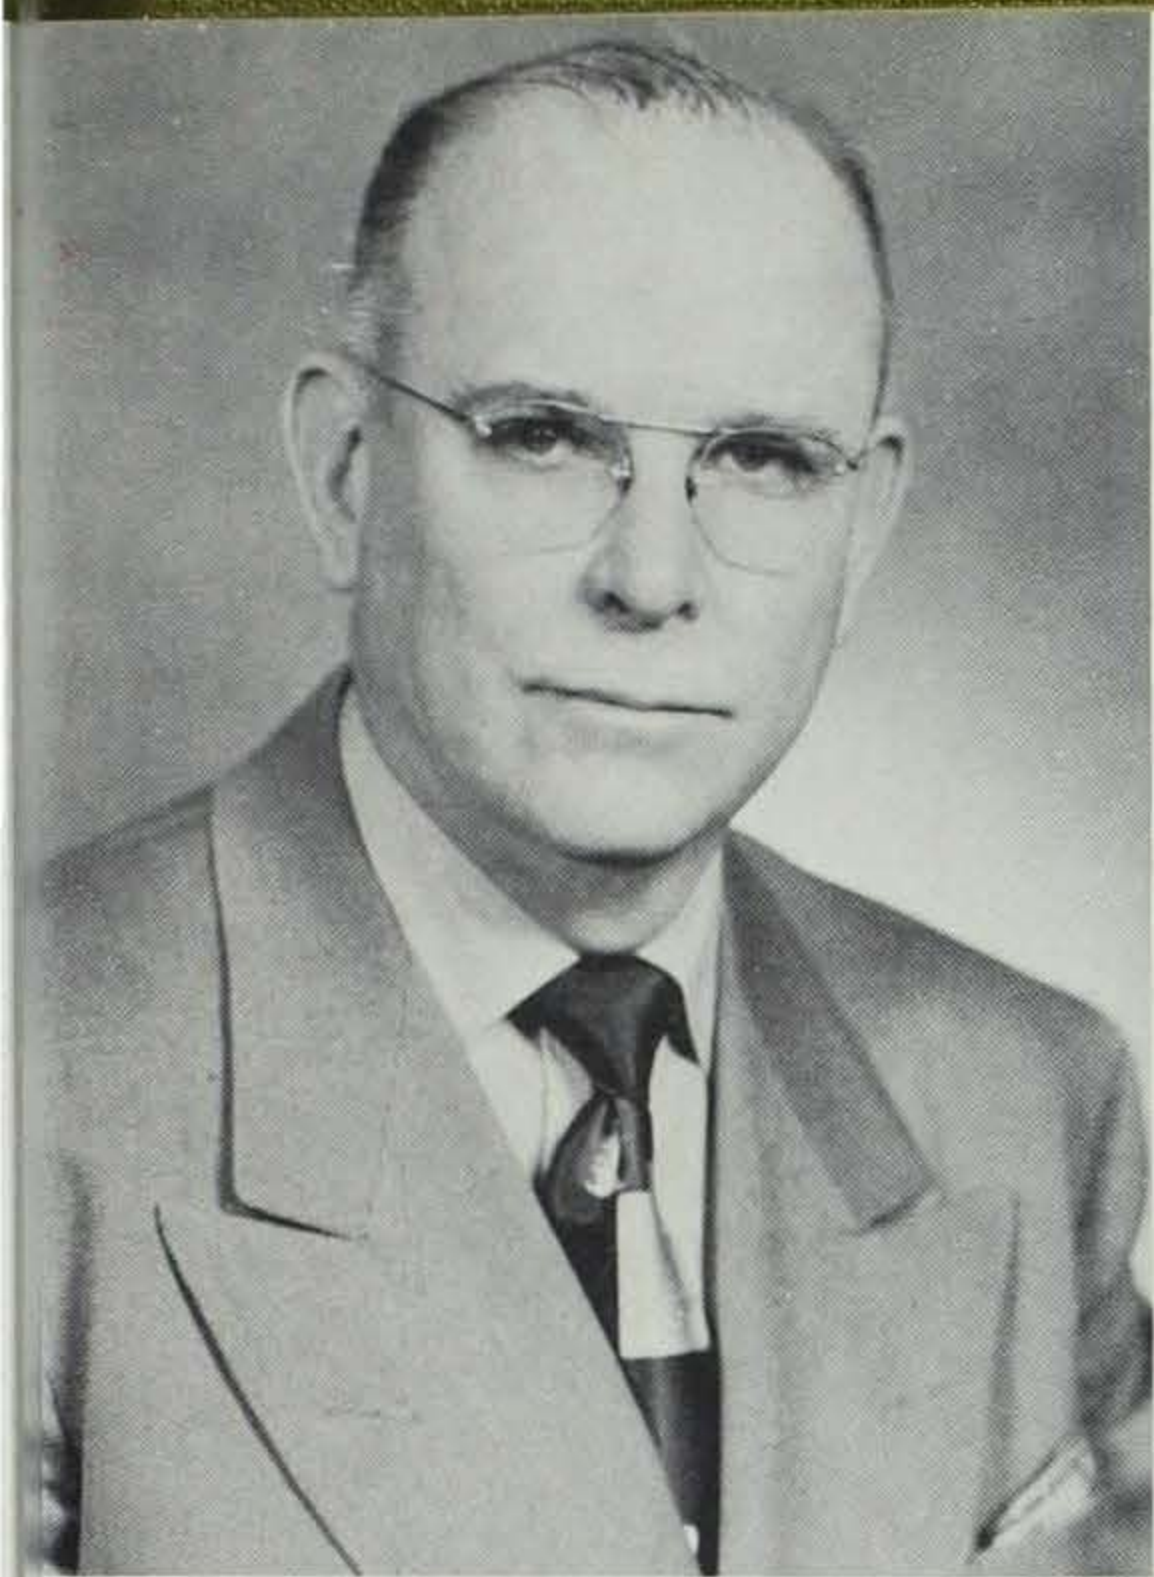

In his capacity of public relations director he constantly strives to keep the activities of the college in the public eye. Not a man to be content with one job, Mr. Alderman also serves as the genial and understanding Dean of Men and teaches in the education department.

DEAN OF WOMEN

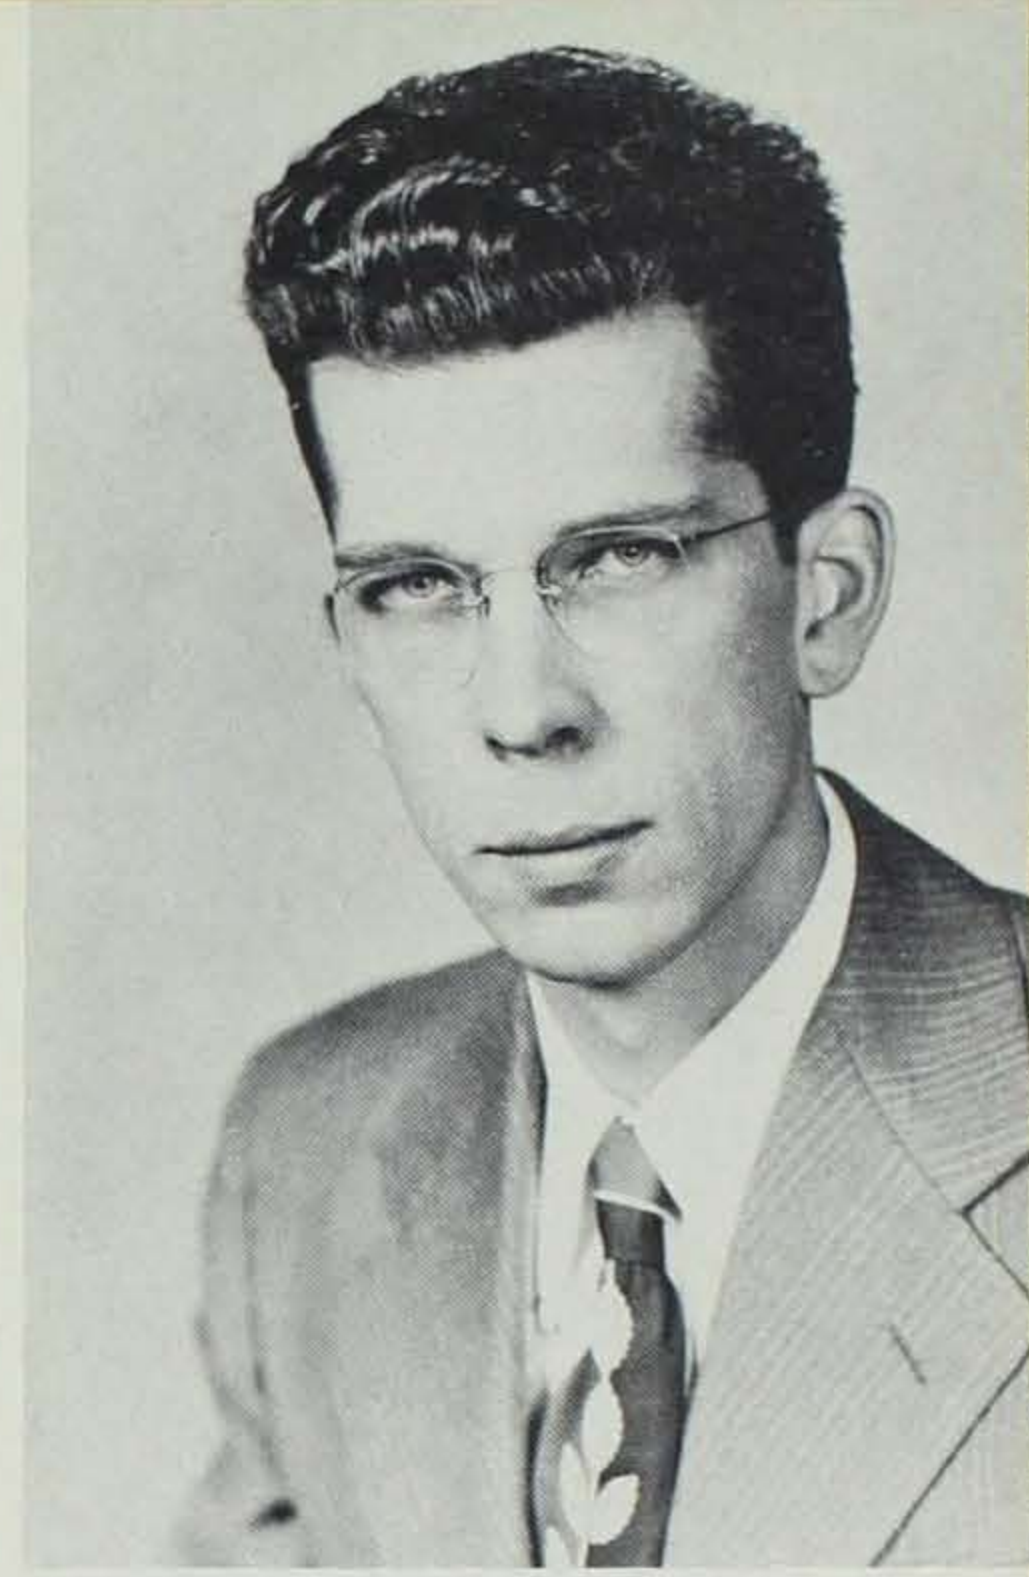

LOUISE TASCHE

Teaching commercial courses most of the day keeps Miss Tasche busy, however, she finds time to assume responsibilities as is required of the Dean of Women; counselling and supervisory work is only a small part of her position.

STUDENT HEALTH

Here the students come for treatment of minor illnesses and injuries, as well as counselling on health problems. Doctor's advice or services are a matter of individual choice.

Student's health records were set up, and physical examinations by a physician for all freshmen were given at the beginning of the school year.

In October the entire student body was tested for tuberculosis. Mrs. Droegemuller gave the tuberculin skin tests, and the mobile unit came to take x-rays of all positive reaction cases.

SWOPE HALL

Mrs. Rutt does for girls away from home, what their mothers do for them at home. Her many duties include: general over-sight of dormitory social functions, counselling, care for those who are ill, and many other activities only a mother knows.

The responsibility of seventy girls is a great one, but a pleasant one for Mrs. Rutt.

MRS. RAYMOND J. RUTT
Matron of Swope Hall

First Row, left to right: Arland Sivadge, Kay Schumacher, Carroll Sawin, Donna Fraser, Don McCurnin. **Second Row:** Dr. Sampson, Gene Cattermole, Wally Boysen, Roger Anderson, Dale Tryon.

STUDENT COUNCIL

Through the years the students of Buena Vista have been led and controlled by a very important organization on the campus — the STUDENT COUNCIL. This group is composed of nine members representing the four classes. It is the duty of this representative body to over-see student deportment and serve as a co-ordinator between students and administration. It also has limited powers of discipline, promotes special activities, and manages student elections.

This year's Student Council was led by President Carroll Sawin. Other officers were Roger Anderson, Vice President; Wally Boysen, Secretary; Gene Cattermole, Treasurer. Dr. Sampson served as faculty advisor.

The major projects of the council this year included: The redecorating of Beaver Hall, and the running of Beaver Hall which was switched into the hands of the Student Body, supervised by the Student Council, and also the purchase of the television set which was placed in Beaver Hall.
