Our Foreign Exchange Student

Akio Takahashi

There's always lots going on here.

All these words!

Could I ever get them all read?

My American Brother

This year's foreign exchange student is Akio Takahashi, from Kyoto, Japan, a city of over one million people. One of his comments about our community was that we have so many trees. He said that there are very few trees in his city, just the ones in the parks.

Akio arrived here late for the school opening. He came by boat from Kyoto to San Francisco and from San Francisco to Des Moines by bus. Since his English usage was limited, another Japanese student who happened to ride on the same bus with him called his new family, the Sellands, and told them that Akio was waiting at the bus depot. In figuring time, somebody had neglected to take into consideration daylight saving time.

He is very interested in mathematics and hopes to be a professor after he completes his college work in Japan. He also enjoys most of our sports. He was a member of the second team in wrestling, and also went out for cross-country.

He has two brothers who live in Kyoto with his father, an employee in a textile mill.

February 4, Akio celebrated his seventeenth birthday. Sherry Eia and some of the other seniors gave him a surprise birthday dinner party.

He carried a Geisha doll in a glass case all the way from Japan and kept it with him the entire time so it wouldn't be broken. It is a prized possession of the Selland family. He also brought an Oriental door hanging used by Buddhists, and a beautiful incense burner figure of Buddha. He promised before he came to America that he would do his best to be a good representative of his country and a good Buddhist. Everyone who has become acquainted with him knows he has fulfilled both promises.

Class History

Thirty-seven eager boys and girls met for the first time on September 3, 1951, to begin their quest for knowledge. This class was the first class to begin kindergarten at the new Parkview Elementary School, and now the first class to graduate from this school, now used as the Ankeny Senior High School.

The original members of the class of '65 were: Bob Argetsinger, Steve Ault, Warren Bachman, Tom Bower, Betty Jo Brown, Donna Bruce, Tim Carlson, Dave Chown, Elizabeth Cory, Tom Davis, Ray Delin, Sherry DuBois, Eldon Fontana, Rick Frisk, Janis Halbrook, John Hall, Larry Hall, Dale Hanke, Joy Harrison, Cheryl Hildreth, Shari Hoff, Bruce Hokel, Pat Hornberg, Janet Howard, Joann Kochheiser, Jane Lawrence, Kathy Lowe, Jennifer Lutton, Mary Kaye Medici, Bob Pitts, John Robertson, Mary Salak, Richard Snitkey, Steve Strong, Lynnette Vogt, Nancy Owen, and Diana Stehm.

By the time a year had passed Everett Lewis had joined us and Bruce Hokel and Dominic Fontana had left. Second grade brought Joan Allen, Lorraine Battani, Jim Cory, Mary Good, and Craig Jorgensen. Nancy Owen left our merry group. Third grade brought Eldon Fontana, Bonnie Hall, Linda Hollett, Bruce Johnson, Kay Kahrs, Josephine Medici, Sante Medici, Marlene Myers, Larry Neubauer, Ned Parrish, Marshall Smith, and Bob White.

In fourth grade Bruce Hokel came back with Carole Braddock, Kathy Lillig, Bob Peckler, Jim Seehorn, Janice Smith, and Mike Stanley. In fifth grade we acquired Steve Good, Nick Logan, Karen Mayner, Lynn Susic, and Ellis Tompkins. Dominic Fontana rejoined our class.

Sixth grade was the year that we went to the Ledges for a reward of the services we had performed as patrols. Those who joined us were: David Caffrey, Bob Cain, Steve Genovese, Cheri Hunter, Teresa Kultala, Diana Odgaard, David Redmond, and Claudia Ruffcorn. Craig Jorgensen left for greener pastures.

Seventh grade brought us to junior high where Murl Bechtol, Linda Coles, Joel Cooper, Bonnita Cortum, Fran Day, Byron Gustafson, Sue Kiersey, Dixie Nowels, Gloria Rabe, and Donald Wilson joined us. When eighth came so did Philip Erickson, Darrell Hartshorn, Eugene Hoffman, Mike Hopkins, Ruth Kauzlarich, Mary Micheal, and Carolyn Waite, Nancy Owen returned.

Ninth grade came and also did our lowest level as freshmen. The eight who joined us were: Barb Abuhl, Steve Hicks, Cindy Husted, Karen Johnson, Tim Martin, and Louise Wildman. We reacquired Craig Jorgensen, but lost Shari Hoff. We were sophomores when Marianne Eddy, Sherry Eia, and Cathy Rothe, came while Shari Hoff returned.

During our junior year we presented "The Inner Willy" and our first prom. The theme was "Moonlight and Roses." Those who joined us that year were: Connie Chalstrom, Sharon Cheely, Dee Gander, and Janelle Tams.

The year is now 1965, and the class of '65 has grown from thirty-seven kindergarteners to one hundred and eleven strong seniors. Bob Chapman, Cheryl Cowart, Becky Greer, Chuck Kakac, and Keith Kroma made their debut as a member of the senior class and we were honored by the presence of Akio Takahashi, our foreign exchange student from Japan. Fran Day left us in the middle of our senior year.

We have progressed through the years and now are at the end of our journey. We have gained many memorable experiences that we'll keep for a lifetime. As the years pass on, we will always remember that the class of '65 was the first kindergarten to initiate the Parkview Elementary and the first graduation class from the new Ankeny Senior High.

Band Trip to Fairfield

SOLO
KATHY LILLIG

DUET
JACQUE VULCANO & KATHY LILLIG

SOLO
KAREN MARVIN

On Saturday, October 10, 1964, the Ankeny Hawks' Marching Band arrived at Fairfield, Iowa for the State Marching Band Contest. This event was not for competition, but for ratings in the skill of performance of the various marching bands participating.

The Ankeny Band was placed in the class B division of the contest. While there, they were able to watch many other fine bands perform.

Having a possibility of either a I or a II rating, the Ankeny Hawks' Band boasted a I, or superior rating. The majorettes participated in the twirling contest and also received I ratings. Kathy Lillig and Karen Marvin each took solos, and Jacque Vulcano and Kathy Lillig formed a duet.

The band would like to express their appreciation to Mr. Friedmeyer by saying that "without his constant backing and superb guidance, our band wouldn't be what it is today."

Band Trip to Canada

On June 18, 1964, the A.H.S. Marching Band started on its trip to Winnipeg, Canada. The occasion was the Red River Exhibition in which they competed.

Mr. Friedmeyer, the band director, made sure that the band was prepared for the coming events by giving them a basic idea of what to expect. Upon arriving at the Red River Exhibition, they were immediately directed to the positions to perform. Their efforts were rewarded by receiving second place in the Class A division.

The following day, the band marched in a parade through downtown Winnipeg. The day came to a close when the tired but happy members piled into the buses filled with many memories they will long remember.

Before: the parade

After: terribly tired!!

Hey, what's going on back there!

Too many high school graduates go into today's fast moving business world with little knowledge of what it's really "all about."

Young women considering a career in the business field should, of course, be skilled in such subjects as typewriting and shorthand, but, they should also have a knowledge of various problems and situations they are likely to encounter during their days in the business world. Young women, also, should have some ideas on working with and handling people.

For these reasons, a group of AHS commercial students decided that there was a real need for a business club at AHS.

The Future Business Women of Ankeny High School was formed in December of 1964. A constitution was set up and officers were voted in. Now it was beginning to look like a real club. It was decided that in order to satisfy the need for real life situations, that various speakers would talk to the group, speakers who were really involved in the hectic business world. Other experiences were gained through movies, discussion, and short plays.

By forming this business club and by gaining first-hand knowledge of the problems that will surround us, in future years, we feel that we are ready to go out and meet the challenge of today's modern and fast moving business world.

ANKENY HIGH SCHOOL HAWK BOOSTER CLUB

The purpose of the A.H.S. Hawk Booster Club, as stated in our constitution is: "to generate pep for all athletic functions, to build better school spirit, good sportsmanship, and to strive to attain these traits: scholarship, leadership, originality, dependability, willingness to co-operate, punctuality, and ability."

In order to achieve the above purposes, the pep club has made signs and posters for the purpose of helping students become more aware of school activities.

Other accomplishments are that we have made a regular uniform for the pep club and have organized a pep section to aid the cheerleaders in cheering at the games.

Congratulations!

You've successfully achieved another goal. You're ready to begin reaching for future successes. But . . . how do you measure success? Not with a caliper or a yardstick or a stopwatch . . . not by the acre or the ounce or the cubic foot. Success is intangible . . . it is the sum of your personal goals and aspirations, sorted into positions of relative importance.

Whatever you establish as your criteria of success, you will need to exercise self discipline. Ambition alone is not enough . . . even coupled with intelligence and talent. Self discipline is essential to direct your energies and abilities into productive channels . . . to provide you with initiative and perseverance. Develop this quality . . . you will enjoy a more rewarding life, a more successful life.

"Ambition is just the desire to succeed. The world is full of ambitious failures—all desire and no discipline. Self discipline is perhaps the most important quality an intelligent person can develop in order to reach his goals."

From an address by
William A. Hewitt, Chairman, Deere & Company.
