# FOREWORD

Life at Buena Vista College, from the long registration lines in September, to the last exam in June, cannot possibly be revealed between the covers of a simple book. For each individual here, the story is different and the scope is varied. But some things will always be familiar to each of us.

To record this year, several changes have been made in the book itself. We have given you a larger book in hopes that we can better tell the story. More copy has been written about the various events and organizations.

The Beavers displayed a mighty defense on September 14 as they opened the 1963 football season but narrowly lost to Upper Iowa, 6—0. Although the Beavers' offense couldn't seem to get moving against Upper Iowa, the picture changed entirely the following Saturday as Storm Lake fans got their first chance to see the squad in action. A large crowd witnessed Buena Vista rout William Penn, 48—7.

On September 28, Jim Hoffman's 32 yard touch-down run coupled with Gordon Radke's conversion kick was in vain as Central downed Buena Vista, 14—7, in the season's third Iowa Conference game. The defensive unit played excellent football. The loss was doubly hard to take when it was learned that Mickey Jones suffered a painful shoulder separation and would be out of action for some time.

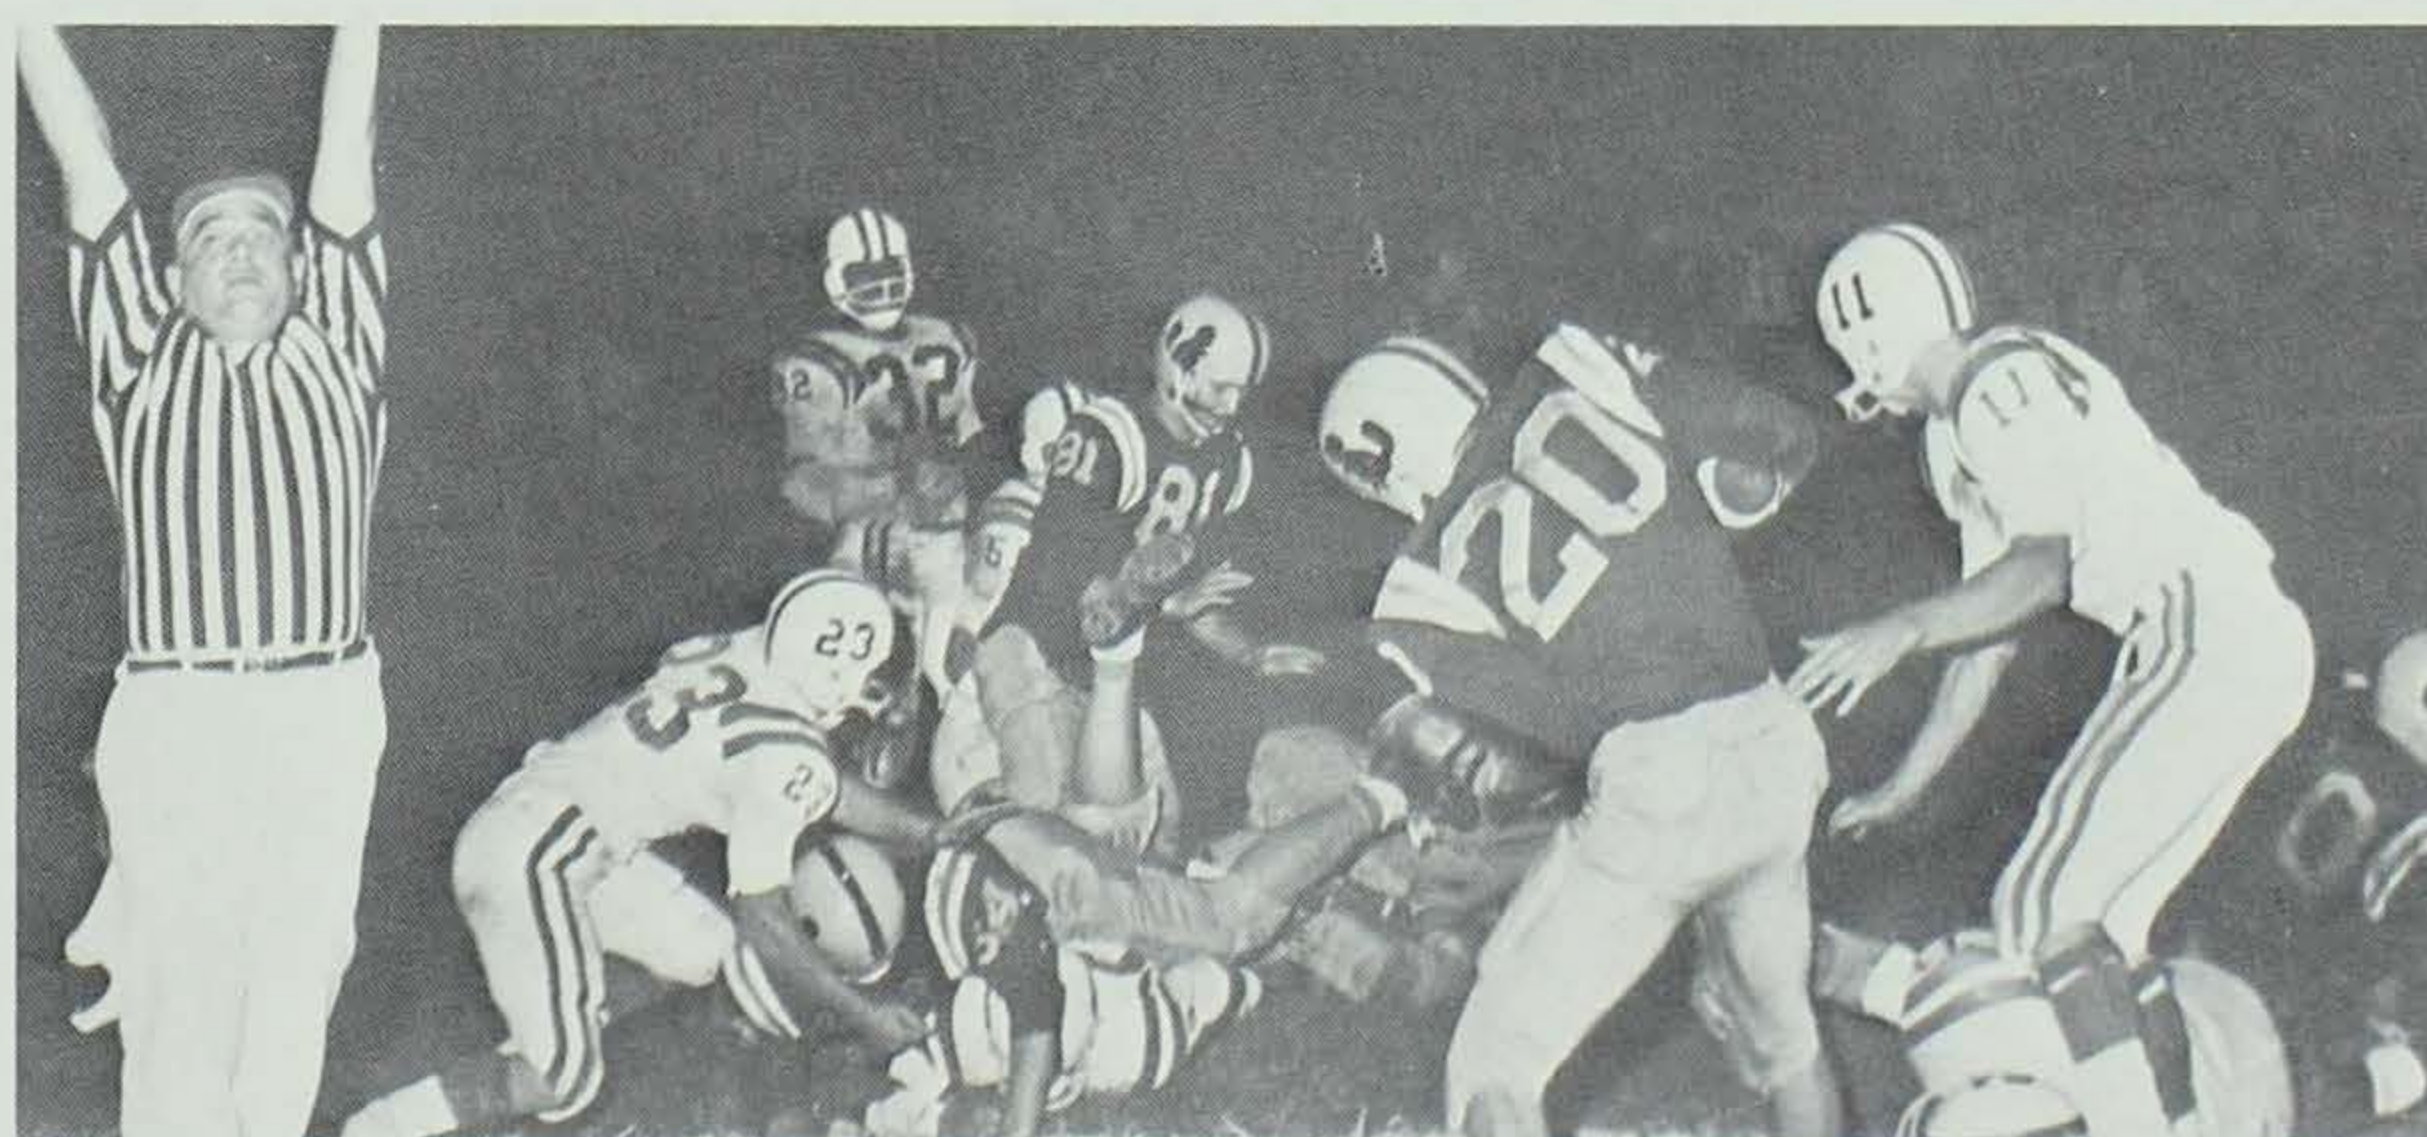

The following week Buena Vista combined a powerful offense with a consistently strong defense as they rolled over Iowa Wesleyan, 49—13, to even their record at 2 wins and 2 losses. An enthusiastic crowd gathered at Bradford Field on October 12 to watch the Beavers come from behind twice to upset Parsons, 19—14. It was the first loss pinned on Parsons by an Iowa Conference team since 1960. The Wildcats from Parsons had defeated 17 Iowa Conference foes in 1961 and 1962. Many Beavers played outstanding football as the team displayed both defensive and offensive strength.

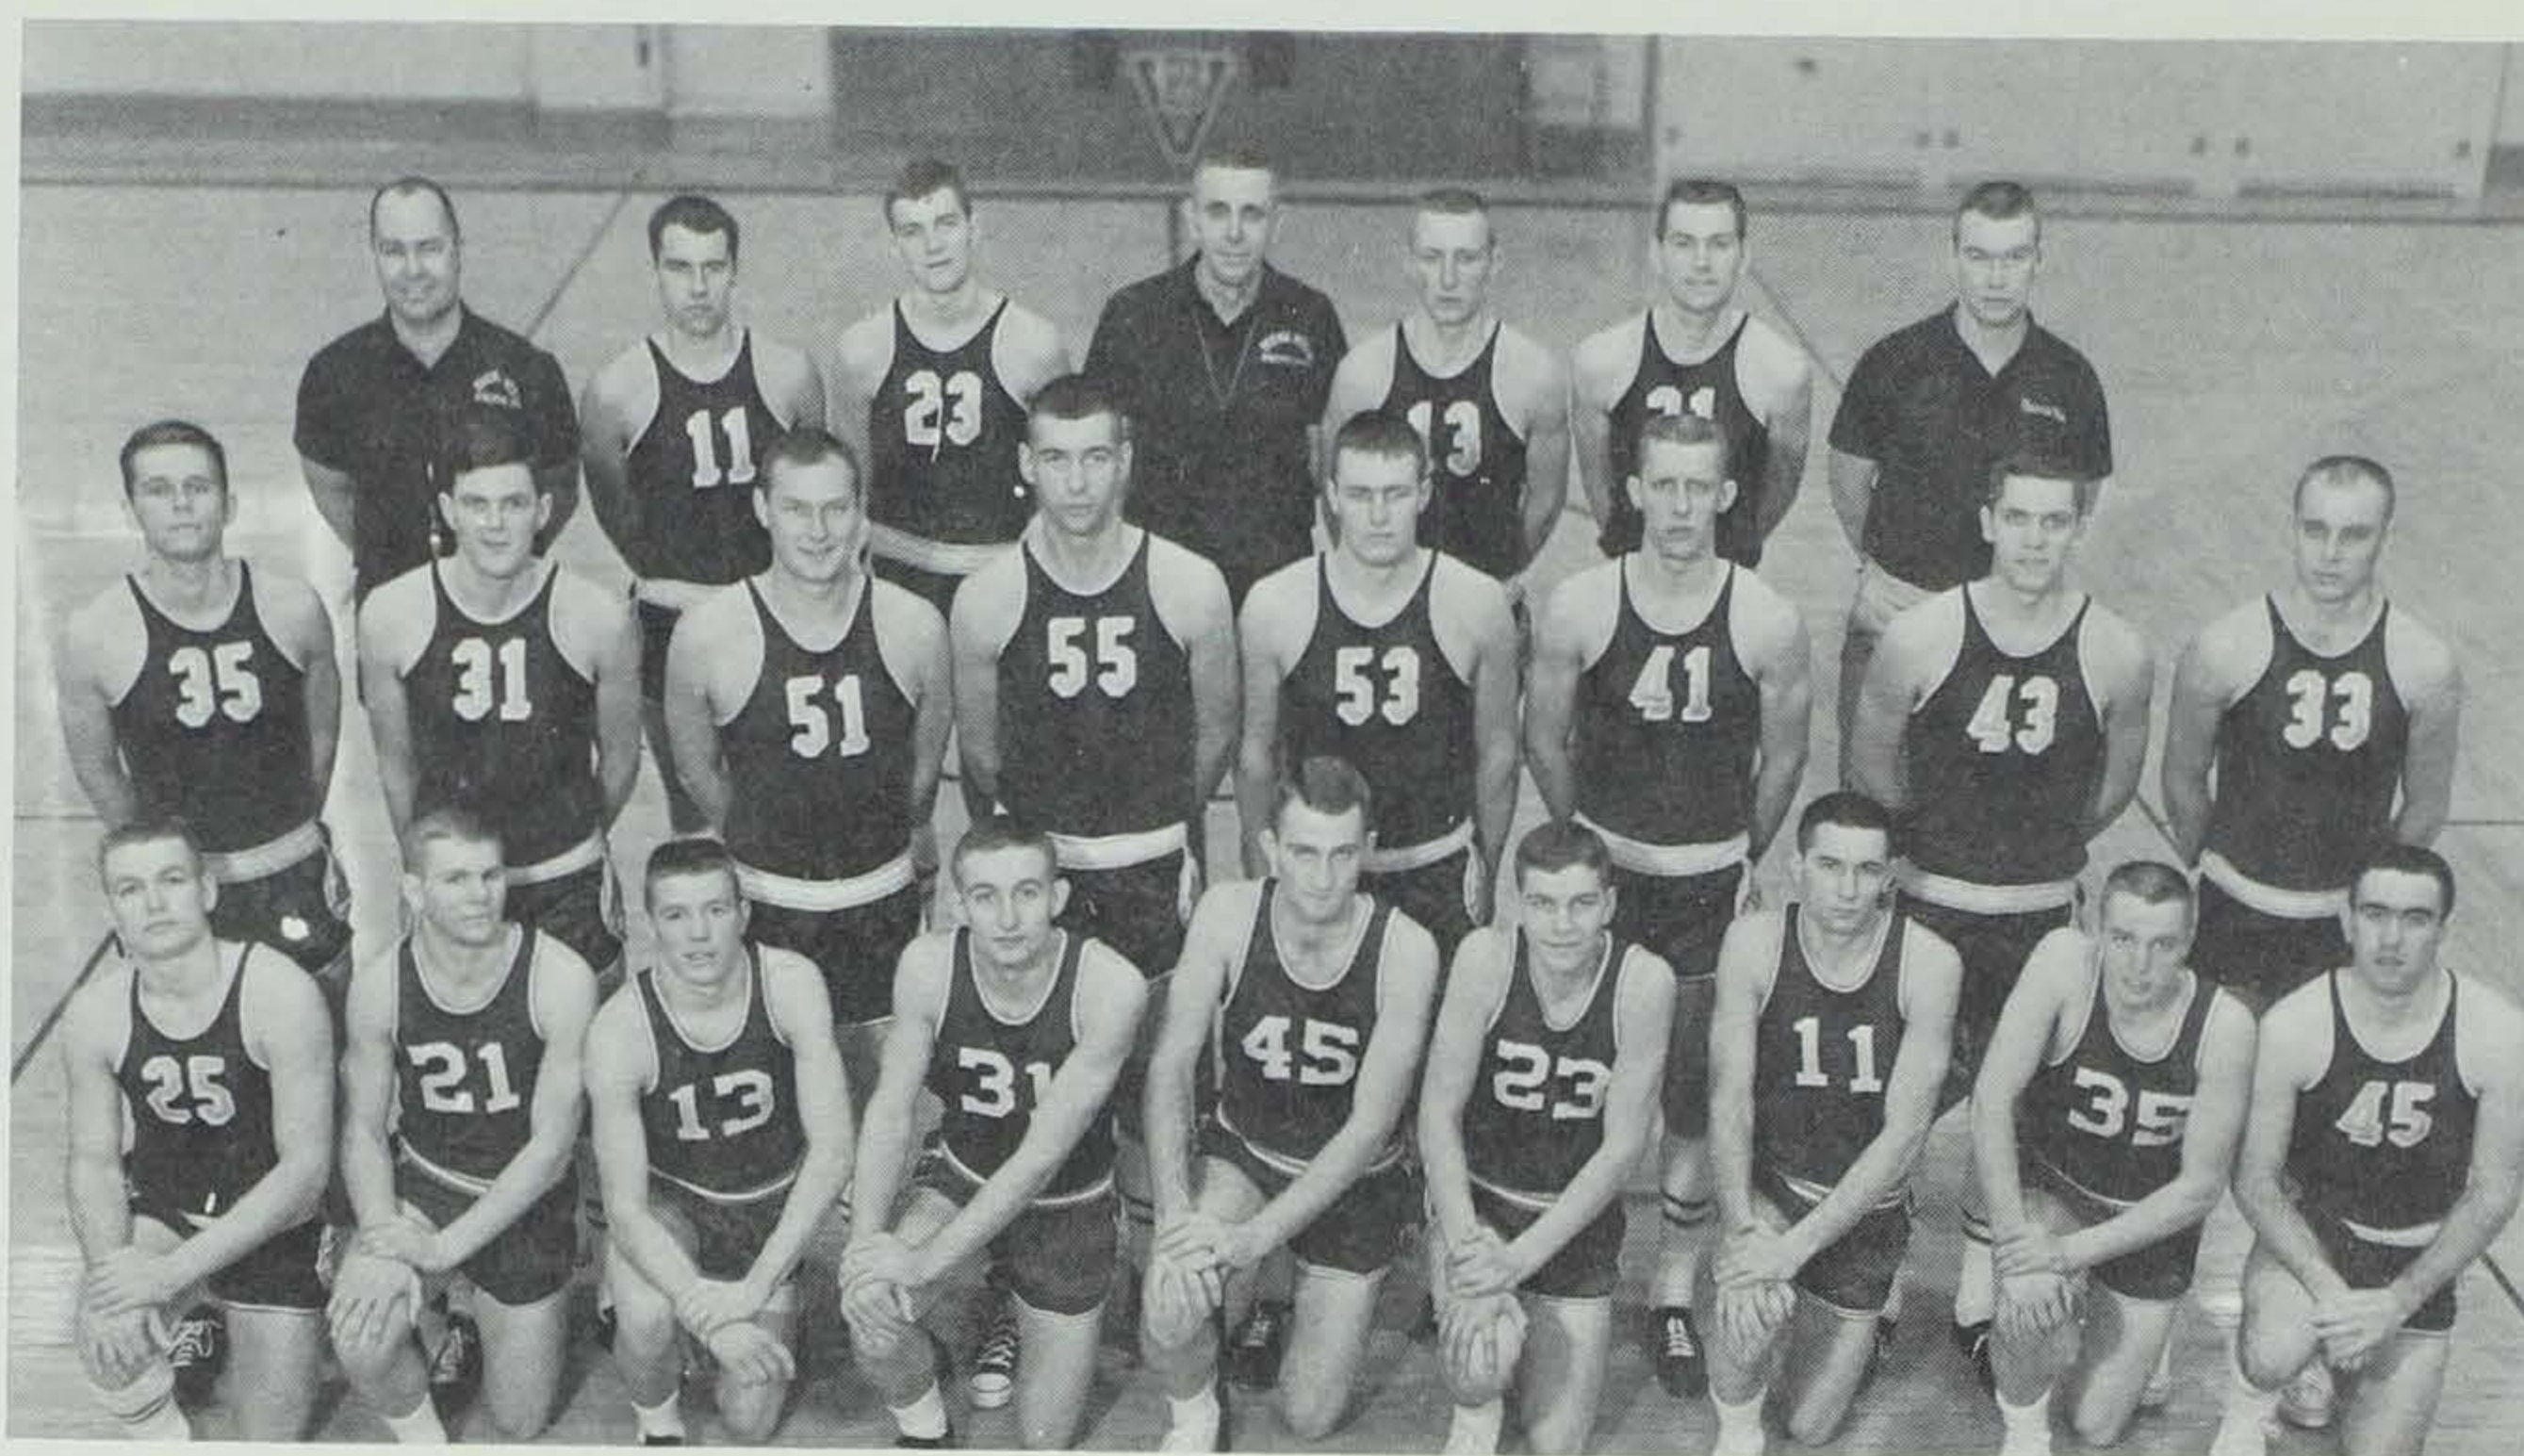

On October 19, the Beavers faced a rugged Luther team which eventually went undefeated for the season. Both teams played alert football but the final score showed the victor to be Luther, 17—7.

A long awaited and fully expected Homecoming victory never arrived as Simpson, without the services of ace passer, Tony Spencer, surprised the Beavers with three touchdowns in the first half and went on to win, 19—14. Heppner and Hoffman both scored touchdowns for Buena Vista with Radke kicking for the extra point successfully on both occasions.

On November 2, the Beavers met Dubuque in far Southwest Iowa. Gordon Radke's field goal provided Buena Vista with their lone three points as they defeated Dubuque, 3—0, in an exciting game highlighted by rugged defensive football. Freshman halfback John Peterson of Missouri Valley led the Buena Vista attack scoring two touchdowns against Wartburg on November 9, but the lone touchdown conversion by Wartburg proved to be the difference as the final score of the final game of the season was Wartburg 13, Buena Vista 12.

Buena Vista basketball fans received their share of thrills as the Beavers won 18 games against only 7 defeats in an exciting 1963-64 season. Led by top scorers Larry Dick and Dick Point, the Beavers closed the regular season with 12 Iowa Conference wins and four losses to tie Central College for second place deadlock. In the first game of the NAIA District 15 Payoff the Beavers were scheduled to battle Central, with the winner meeting Iowa Conference champion Upper Iowa for the right to advance to the NAIA National Tournament in Kansas City. In a tremendous team effort the Beavers came from behind to defeat Central, 91—88, as thrilled fans watched the contest stretch into a double overtime. On March 4 Buena Vista met Upper Iowa at Fayette and, as 250 Beaver fans viewed the event, broke Upper Iowa's 12 game winning streak when they emerged victorious, 89—85, earning the right to make the journey to Kansas City. Dick Point, and Robinson turned in outstanding games but the victory belonged to the entire team, as the reserves played game-saving basketball in both playoff games. Although the Beavers performed well and threatened late in the game, Pacific Lutheran of Tacoma, Washington, showed outstanding strength as they defeated Buena Vista, 109—94, ending a highly successful season for Coach Ewaldt's Beavers. Coach Ewaldt selected Larry Dick, Rich Hanson, Dennis Hillyer, Dick Point, and Bernie Robinson as honorary captains of the squad.

# BASEBALL HONORS

Baseball letter winners

Buena Vista opened the season with victories on its annual road trip to Arkansas. The season closed in a winning note also—the Beavers took a double-header from Wartburg 14—0 and 17—1. Powerful bats accounted for many of the victories. Six players topped the .300 mark, for those at bat more than 30 times. Dave Wolff's .397 led the way followed by Gary Lane's .368 and Jim Barr's .367. Selim, Rutter, and Zediker also topped .300. Gary Lane led in RBI's with 6 homers. The big bat may be an asset but so is a good pitcher. Bill Drummond's 8—1 season on the mound with his ERA of 1.25 deserves special note. So does his 48 strike outs in 43  $\frac{1}{3}$  innings. Freshman Dave Naughton also showed fine form, especially in the latter part of the season. A defense lapse against Luther in the second game of a double-header cost BV the crown. After winning the first game 9 to 1 and leading the second 9 runs at one time, BV faltered in the final inning to let 7 runs across and lost 10 to 11. That victory by Luther gave them the crown.

## TRACK

It was a lean season for Buena Vista's trackmen. The Beavers finished fifth in the conference race. Luther dominated overwhelmingly, winning 92 points out of a possible 225, winning 8 of 15 events. That only left 133 points for the other 8 teams in the field. Steve Kettering ran the 100 in 10 flat and missed first place by a hair. It was won in 9.9. Kettering placed third in the 220 with a 21.6 second effort. It was won in 21.4—a new conference record. Other point winners included Paul Murphy, third in the high jump, and Glen Tjaden, fifth in the low hurdles. The mile relay team, composed of Mike Mahoney, Gary Scharnberg, Walt Grevesmuhl, and Steve Kettering, also ran fifth.

## CHRISTMAS ACTIVITIES

Christmas festivities at Buena Vista College got off to a merry start with the annual tree lighting ceremony.

At Swope Hall, the custom of decorating the suite windows with tempera paintings of various Christmas scenes was carried on. The paintings this year were judged by Miss Dorothy Skewis and Mr. Andre Toth. The winners were announced at the Yule Log Service which followed the judging.

The Christmas season was climaxed by a semi-formal dance held at the Cobblestone.

### The Inkspots

The Student Council, which represents all students, seeks to foster good school spirit and good relationship between student body, faculty, and administration. Freshman orientation, convocations, homecoming, spring formal, and student elections were sponsored and managed by the Student Council.

The Council also tried to improve social participation of the students of Buena Vista College, by increasing the number of all-college activities. They sponsored the Gaslight Singers during Homecoming, the Inkspots on February 7, and the New Christy Minstrels on April 8. Every other week they usually sponsored a movie.

## STUDENT SENATE

The Student Senate is composed of one representative from each organization. Its purpose is to help the student body make known their opinions and ideas. They accomplish this by making recommendations, suggestions and through giving assistance to the Student Council. This year the Student Senate was in charge of ticket sales for the New Christy Minstrels concert in April.

## SWOPE HALL COUNCIL

Nearly 140 women call Swope Hall their home during the college year. Swope Hall is divided into eight houses each of which contains approximately fifteen girls. Each house has a name and a representative in the Swope Hall Council. The dormitory elects a president, a vice-president, a secretary, and a treasurer. In addition, three counsellors are appointed. These counsellors must be upper classmen, possess a 2.0 grade average, have lived in the dormitory for two consecutive semesters, and be aware of the responsibilities entailed by the office. The representative of each house is elected by its occupants. The Council promotes friendship and unity among house residents.

One of the most popular dormitory activities is the painting of the dorm windows with appropriate themes for Homecoming. The Big and Little Sister Banquet is held every year and is one of the best attended activities of the year.

A traditional Yule-log ceremony for all B.V. women begins each Christmas season. Windows are again decorated and judged. The Senior Farewell, held in May, ends the dormitory year for most students until the hustle and bustle begins again with the fall semester.

## MENC

In the Fall of 1954, the Buena Vista Chapter of the Music Educator's National Conference received its charter. Students majoring or minoring in music enjoy both the educational and the social aspects of this organization.

Educationally, this organization provides many opportunities for professional development in the field of music education. The members through active participation in state, divisional, and national meetings of the organization with the addition of on-campus activities find ample opportunity to further their education.

Through these and other activities, members receive an opportunity to become acquainted with many leaders in the musical field.

As part of the social program, MENC attended the state-wide convention in Des Moines in October. Meetings are generally held on the first and third Tuesday of each month at which time lively and interesting discussions concerning music take place. In addition to its other social activities, the members attended various musical concerts and contests.

One of the most active organizations on campus is the College Band, which was founded in 1924.

The Band provides the college with a marching band during the football season, a pep band at the basketball games, and a concert band.

Through these activities and its concerts, the Band seeks to provide its members with experience in the musical sphere, bring to the college musical culture and entertainment. In addition the Band seeks to cooperate with all other agencies pursuing similar musical goals.

This year besides playing at the games, the band performed at convocation programs in December and February. They also presented two other concerts, a night concert during the month of February and the other during the Fine Arts Week. The climax of the concert band's program was the annual band tour during April.

RATION

TO THE CLASS OF 1964  
Heartiest Congratulations!

You move into a world of speedy change.  
The "wave of the future" lies unknown.  
No one can predict its emerging form.

Beyond the form lies the *essence*. At Buena Vista we believe the *essence* is God's unchanging purpose—

seen in the "starry heavens above";  
felt in the "moral law within";  
shown in the intricacies of nature;  
demonstrated in the drama of history;  
revealed in God's mighty act in Jesus Christ.

As we give thanks for the Creation, we give thanks for the Creator. We commend you to His gracious keeping. We charge you to bear with humble dignity the name of Buena Vista College, committing your way to Him whom to know is to love, whom to love is to serve, whom to serve is perfect joy.

God bless,

*Wendell P. Halverson*

#### TO DARE—TO DO—TO SUFFER

When Mark Hopkins became President of Williams College in 1836 he wrote these words worth pondering.

"We are to regard the mind, not as a piece of iron to be laid upon the anvil and hammered into any shape, nor as a block of marble in which we are to find the statue by removing the rubbish, nor as a receptacle into which knowledge may be poured, but as a flame that is to be fed, as an active being that must be strengthened to think and to feel—to dare, to do and to suffer."

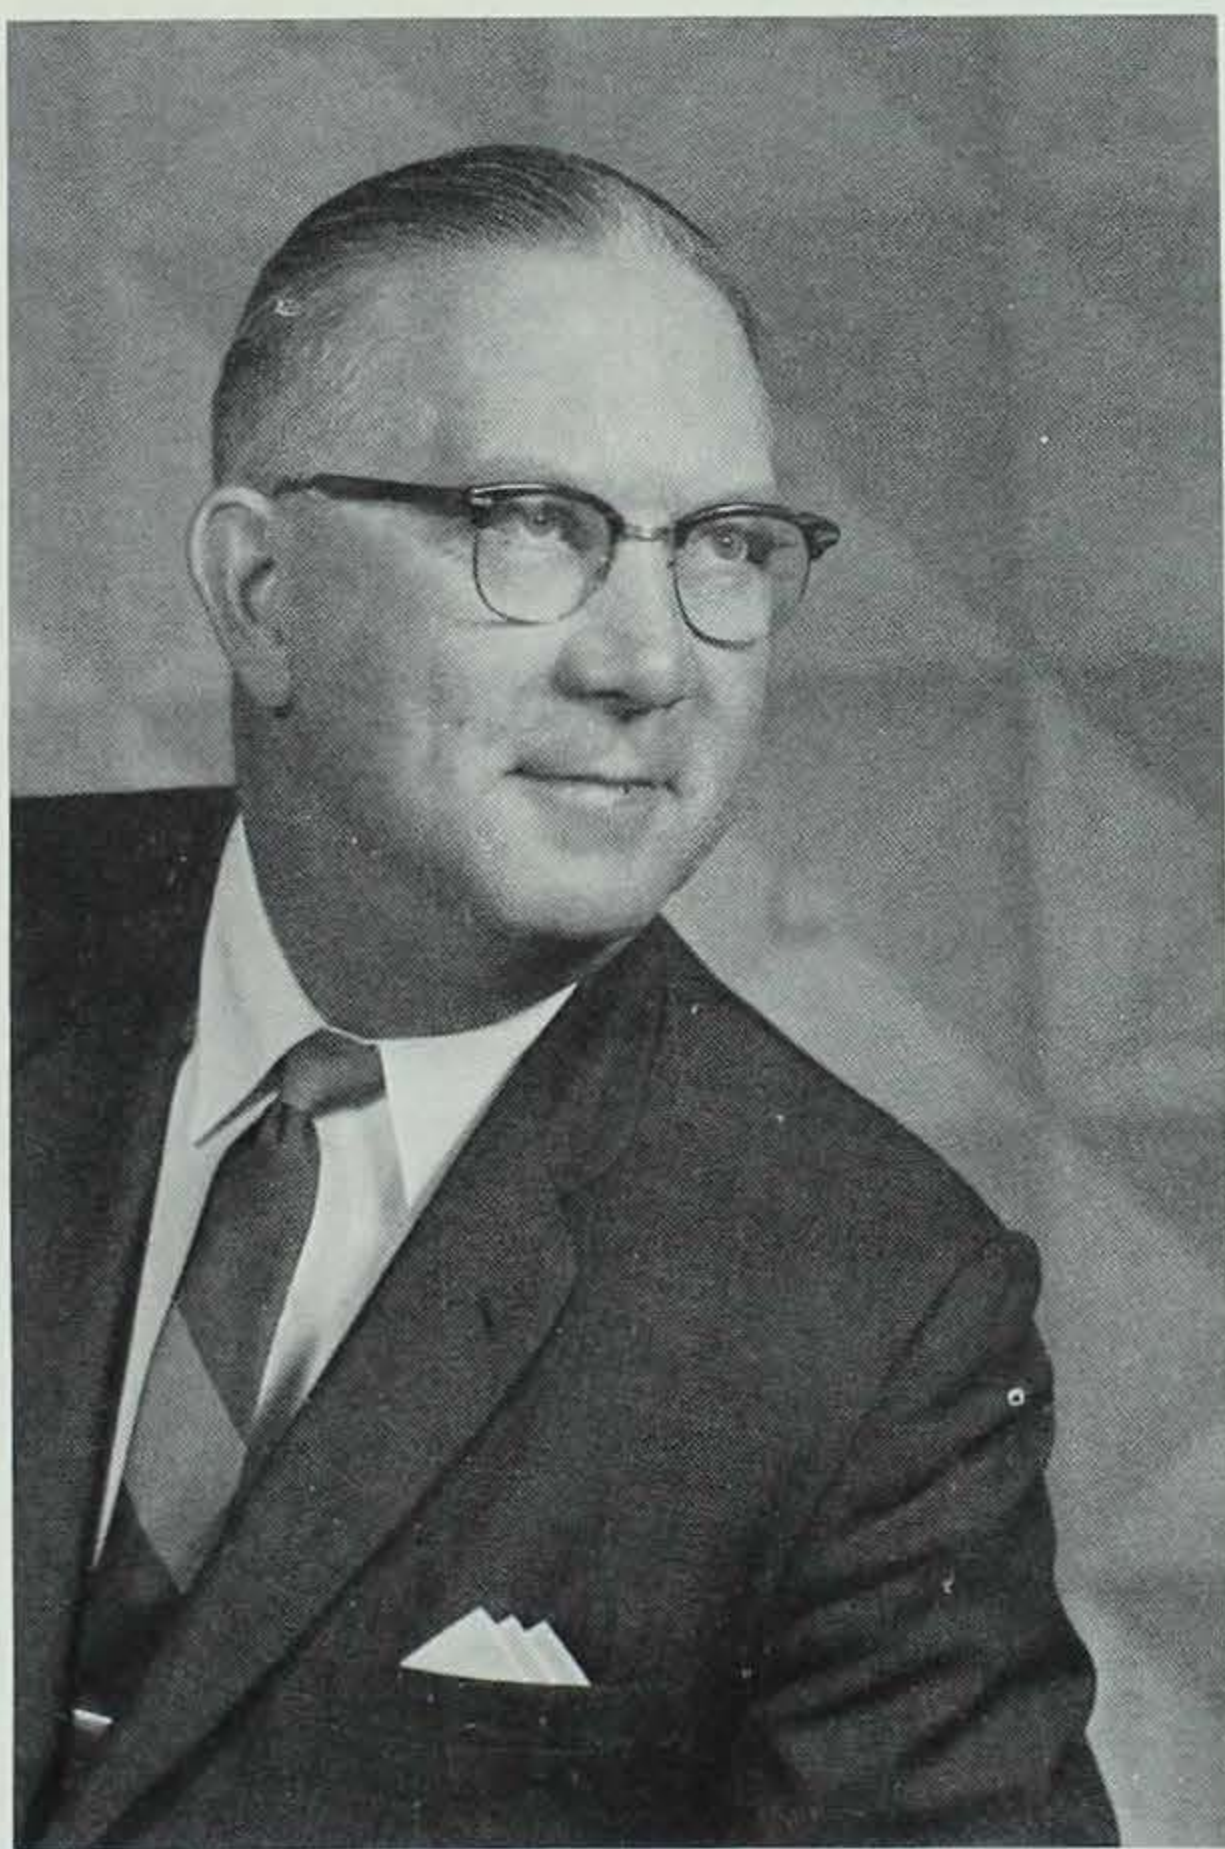

Buena Vista College has tried to feed that flame which is your mind. We trust you have learned to think and to feel. We send you out to dare, to do and to suffer. Without the daring there is no doing. In all doing worth remembering there is suffering. So let the flame of learning spread, and the joy made perfect through suffering be yours.

Earnestly,

*W.P.H.*

## S.P.E.O.

'Everyone'

Beginning with a paucity of strategists early in the academic year 1962-1963, the organization prominently known as S.P.E.O. set about its nebulous purpose to escape the societal mores of the existentialistic world. Guided by imprecations from their sententious leader Caldwell, who has been known to frequently collapse on his bed from pure exhaustion, the organization began a profundity of clandestine projects, which, notwithstanding anathemas from the ancillary group around them, were always characterized by sublimity of objective.

Posterity shall not want for the principles projected by S.P.E.O., as provisions for their perpetuation are permanently proclaimed in the proclamation of its purpose. The pedantic leaders of S.P.E.O. bid to you "Pax Vobiscum!"

Judith Ploeger, Secy-Treas.; Ronald Bottin, Vice-Pres.; Robert Dugger, Pres.

This book is Buena Vista College. In a few short years, the graduates of today and tomorrow will have scattered around the globe, and many of them will carry this bound memory with them.

Within these pages you saw unfold the pictorial record of the activities from September 1963 to May 1964. It brought to mind our hard work on homecoming floats, our cheering the basketball team on to victory, our cramming for finals, and finally our graduation.

I hope that as you glance through this book in years to come, you will recapture those special moments . . . and recall your days spent at Buena Vista College.

I would like to extend my thanks and appreciation to the following people and organizations who helped to make this 1964 yearbook possible:

American Yearbook Company, printing and binding.

Charles J. Zalesky, Vice-President for Business Affairs.

Denton B. May, faculty advisor.

Buena Vista College Publications Committee.

Victor Eaton, publications consultant.

Buntrock-Salie Studio, photography.

Weston Ritchie, photography.

Mike Mahoney, photography
