My dear Miss Wilson,

I was very pleased to receive your cordial letter with your very charming bookplate. It is a splendid addition to my collection.

I am so glad you are going to collect for I can assure you it is a source of infinite pleasure. I could never put into the compass of one small letter all the joys that my collection has brought to me. Be assured I will be happy to help you in any way possible.

Enclosed are my plates. The engraved plate was made for me by James Webb of 3010 Wilshire Blvd. Los Angeles, Calif. Mr. Webb has made many plates and is an engraver and artist of note. He might exchange with you.

The half-tone was made by W. H. Culler, from a photograph of my home taken by my son. Mrs. Culler collects and I am sure would exchange with you. Her address is 1610 Burrell Ave. South Pasadena, Calif.

Why don't you join the American Society of Bookplate Collectors and Designers in Washington,

D.C. You send three copies of your bookplate and pay three dollars annual dues. For this you receive each year the valuable year book and a list of collectors who will exchange. Write to Carlyle S. Baer, 1763 Euclid St., N.W. Washington, D.C. Mr. Baer is the secretary and main spring of the society and at once becomes a helpful friend. He will exchange his plates with you.

Do let me hear from you and if you have duplicates or the addresses of collectors I will be very happy to exchange.
