Two Lives Snuffed Out When Airplane Falls

Two lives were lost when an airplane dropped Saturday forenoon near Beaman, the victims being Karl Lorenzen, well-known local pilot, and William Evans, of near Beaman. The badly wrecked plane shown above was owned by Lorenzen's brother, Walter Lorenzen, of this city.

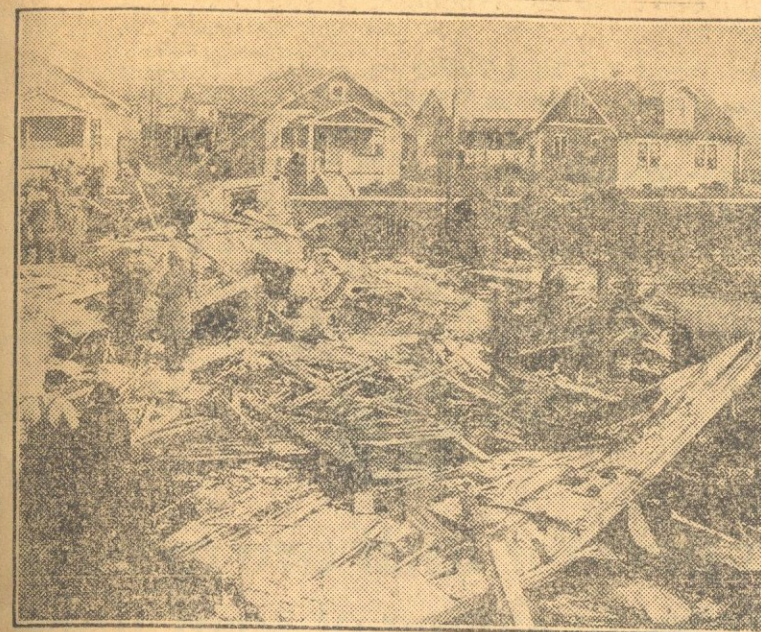

Evans was killed almost instantly and Lorenzen died at the Deaconess hospital Sunday forenoon, without regaining consciousness. Several theories as to the cause of the accident have been advanced but the explanation of the collapse of the plane probably will never be definitely reached.

It is probable the plane was banked into the wind, causing it to go into a spin when several hundred feet from the ground, and nose down to earth. According to some of those who witnessed the accident from a distance and who assisted removing the men from the wrecked plane, both men had their hands on the dual controls and it is probable the controls were "frozen."

The photographs, taken by a photographer of the Times-Republican, soon after the accident, show the ill-fated machine nosed into the earth.

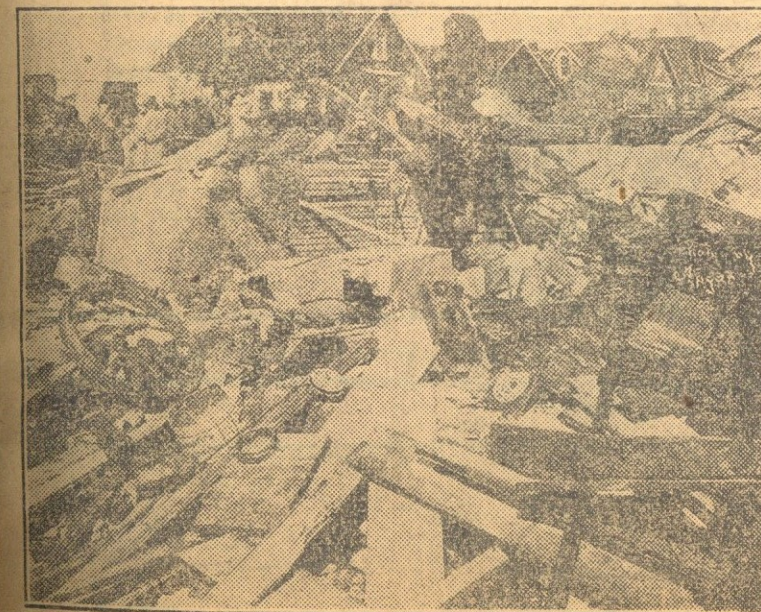

Funeral services for the two victims of the accident were held

EXPLOSION STORY IS CORROBORATED

MRS. SPURLING VERIFIES STATEMENTS OF JOHN L. DAVIS.

GAS MEN DID NOT GET INTO BASEMENT

Explosion Came Almost as Soon as Bittner Had Started Down Cellar Steps — Davis Had Not Entered Door — More Than \$600 Raised For Family.

Ray Spurling, 1105 East State street, whose home was completely demolished Wednesday by an explosion of gas, in which six were injured, and who has been with his wife and children at the Deaconess hospital much of the time since, went to the ruins of his home Thursday afternoon to determine what, if anything, could be salvaged.

There was nothing in the ruins to hearten Spurling, practically every piece of furniture in the house having been completely wrecked. An earthen two-quart jar, which had been in the northwest corner of the basement, near where the gas service entered the house, strangely enough had escaped without a crack.

Spurling turned over various bits of what once were household belongings and turned away sadly. His quest was not rewarded with finding anything of real value.

Mrs. Spurling Tells Story.

To Chief of Police J. F. Glassco and a representative of the Times-Republican, Spurling said his wife, who was seriously injured in the explosion, had been able to talk a little and had told her story of the disaster.

Altho varying slightly in detail from that told by John L. Davis, one of the injured gas repair men, in the main the statement of the latter was corroborated, according to Spurling's statement.

The varying details were as to time and to the entry of Martin Bittner, the fatally injured gas man, into the basement. Mrs. Spurling, her husband said, had told him Bittner probably had descended two or three steps into the basement when the blast came. Davis had not entered the basement.

Woman's Condition Improved.

Mrs. Spurling's condition, her husband said, was showing improvement, but the condition of the youngest of the three injured children, Jeanette Louise, aged 6 months, remains about unchanged.

The condition of the baby, he added, was causing him much concern. The general condition of the twin sons, Lyle and Lester, aged 3 years, is more hopeful.

Davis, who was blown from the house by the force of the blast, is expected to make a rapid recovery.

LORENZEN DIES OF INJURIES IN PLANE ACCIDENT

TWO LIVES ARE LOST AS
RESULT OF FALL NEAR
BEAMAN.

WELL-KNOWN PILOT
DIES AT HOSPITAL

William Evans, of Near Beaman, Killed Almost Instantly When Airship Goes Out of Control and Drops Several Hundred Feet Into Corn Field—Machine Believed to Have Been Banked Into Instead of Away From Wind—Controls of Dual-Controlled Machine Apparently Frozen.

Karl Lorenzen, 29, 714 Anson street, well-known local air pilot, died at 10 o'clock Sunday morning at the Deaconess hospital, as the result of injuries sustained at 11:15 Saturday near Beaman, when a Travel-Air biplane, owned by his brother, Walter Lorenzen, also of this city, in which he and William Evans, 36, two miles south of Beaman, had been making a flight, crashed to earth on the Evans farm, from a height variously estimated by those who witnessed the accident at 300 to 700 feet.

The exact cause of the accident probably will never be determined as Evans was almost instantly killed by the fall and Lorenzen died without regaining consciousness.

Only the stories told by those who witnessed from a distance the fatal plunge to earth and the position in which the men's bodies were found in the wrecked plane shed light on the tragedy.

Stories that Evans had been piloting the plane were not fully verified, altho residents of Beaman, who had watched the plane travel over the town and the countryside claimed the Beaman man had arranged for lessons and was taking his first instructions when the accident happened.

Considered as Prospect.

It was apparent from the conversation Lorenzen had had with others that he considered Evans a prospect for the purchase of a plane, but Mrs. Evans said today that her husband had told her he did not contemplate buying a plane nor did he feel competent to undertake the control of a airship, altho he had served with the airplane division of

the army during the world war but had gone no further than ground instruction.

Evans took a flight Friday afternoon with Lorenzen, it is said, and had offered to pay for the trip, but Lorenzen had made no charge as he wished to make a sale, he and his brother having taken the agency for the Travel-Air Company ships.

Banked Into Wind.

The few who witnessed the mishap believe the plane was banked into the wind instead of away from it as a landing was attempted on the Evans farm and the statements that Evans was guiding the plane at the time of the accident may be founded solely on the fact that those first to the crumpled ship claimed to have found Evans' hands gripped tightly to the control in the forward cockpit.

The plane was a dual-controlled machine and if it is true that Evans was piloting, or that he gripped the control to prevent Lorenzen from making a safe landing, the controls might easily have been "frozen" and no effort of the man actually piloting the plane could have resulted in a safe landing.

The story of some of those who claimed to have witnessed the accident was that the motor seemed to stop suddenly and the machine went into a spin to drop rapidly to earth.

Below Safety Height.

Even had the plane been at 700 feet, the maximum height fixed by those who witnessed the accident, it would have been impossible for it to have been "straightened out" after going into a spin. The height for safety, when it becomes necessary to "straighten out" a plane, is usually fixed at 2,000 feet, altho some contend the plane may be righted at 1,500 feet.

Whatever the cause, whether due to banking into the wind to cause the plane to spin, or failure of the motor, the ship never came out of the spin but fell rapidly to the plowed ground in a corn field not more than a quarter of a mile south of the home of Evans.

Noses Into Earth.

The plane nosed into the soft earth, the propeller shaft angling in up to the axle, the lower part of the shaft being broken.

The wheels sank into the ground to the axle, the left wheel buckling in.

Rods supporting the wings are for the most part of a saw steel, capable of bending greatly without breaking. Midway of the body of the plane the framework buckled somewhat and the covering canvas was torn.

Men near by rushed to the scene and Lorenzen was taken from the rear cockpit without great difficulty. Evans, who was believed the pilot on the fatal trip, because he was in the forward seat, had fallen forward and his body was removed with difficulty. He is said to have breathed once or twice after he had been taken from the seat.

According to the first on the scene the hands of both men were on the dual controls and this led to the belief that the control had been frozen.

Lorenzen Brought Here.

Dr. R. T. Spain, of Conrad, was called and reached the Evans home

within fifteen minutes after the accident. The body of Evans was removed to the Alexander undertaking parlor at Conrad.

Dr. R. E. Keyser was called from this city and had Lorenzen brought to the Deaconess hospital, where he was cared for by Drs. Keyser and B. L. Trey.

William Evans was born near Beaman, April 1, 1893, and had spent his entire life near that town. He was married six years ago to Miss Mary Wilkinson, of Ames, who survives. He is also survived by his father, T. T. Evans, two miles west of Beaman; a brother, Mort Evans, cashier of the State Bank at Conrad, and a sister, Mrs. Hamer Neff, of near Beaman.

Lorenzen Born Here.

Harry Karl Lorenzen was born in this city, Sept. 6, 1899, a son of Mr. and Mrs. N. Lorenzen, 206 South Fourth avenue. He had lived in this city all his life.

He has been interested in air navigation for several years and is said to have been credited with 219 hours of actual flying.

In addition to his parents he is survived by four brothers and three sisters. The latter are Ewald, Walter and Marie Lorenzen, of this city; Mrs. Rudolph Kraus, Grand Meadow, Minn.; Mrs. Lars Holmquist, six miles north of the city; Kraft Lorenzen, State Center, and Dr. N. A. Lorenzen, Toledo.

Mr. Lorenzen was a member of the Evangelical Church of Peace.

Funeral Services Tuesday.

The funeral of Mr. Evans will be held at 2 o'clock Tuesday from the home, and burial will be in the Beaman cemetery.

The funeral of Mr. Lorenzen will be held at 4 o'clock Tuesday afternoon from the Evangelical Church of Peace, in charge of Rev. Edwin Koch. The body will be at the Estel funeral home until the hour of the funeral. Burial will be in Riverside.

Fire at Tenant House.

New York, Nov. 8.—For Sale—Would like to sell, trade, dispose of, or give away to right parties, franchise of what is humorously known as democratic party, said franchise calls for license to enter in national elections, said right or franchise is supposed to be used every four years, but if intelligent parties had it, they would let various elections go by default when understood they had no chance. If in right hands and only used in times when it had an "issue" or when republican party had split, think it could be made to pay, but present owners have absolutely no business with it. To Times-Republican:

New York, Nov. 5.—McAdoo finally came out for Smith, and to offset that democratic gain, why, Coolidge came out for Hoover, so that leaves only myself in the open. I have been studying the two parties and here is their difference: Hoover wants all the drys and as many wets as possible. Smith wants all the wets and as many drys as he can get. Hoover says he will relieve the farmer, even if he has to call congress. Smith says he will relieve the farmer even if he has to appoint a commission. Hoover says the tariff will be kept up. Smith says the tariff will not be lowered. Hoover is strongly in favor of prosperity, Smith highly endorses prosperity. Hoover wants no votes merely on account of religion, Smith wants no votes solely on religious grounds. But both would accept the Mohammedan vote if offered. Hoover would like to live in the White House, Smith is not averse to living in the White House, and in order to get in there either one will promise the voters anything from perpetual motion to eternal salvation.

So I am out openly for myself. If I have any religion I have at least not advertised the

Keeler. Minor parts were taken by Esther Gould, Junior Underwood and Dale Yordy. The chorus numbers were sung by groups of sailor maids and life guards.

Costumes, scenery and lighting effects added much to the presentation which was in charge of Miss Dorothy Bresson, supervisor of music, assisted by Miss Mae Clark. Soviet Dumps Wheat to Foment Revolution

"There is also another aim to this policy, namely that of obtaining capital for the soviet industrialization plan."

Col. Douglas Sanday, a member of the produce exchange, told the Times that information obtained by him from England indicated Russia has 80,000,000 bushels of wheat to sell equal in quality to United States winter wheat which is being offered at twelve cents a bushel under the American price.

COUNTY QUEENS

Miss Vancleve

Photo by Smith

VIOLET FITZ.

Winning contests is nothing new for Violet Fitz, who was recently chosen "Miss Vancleve" to compete in the county beauty contest this week, for she won her first just fifteen years ago. The question of what to wear did not concern her in that first contest, in fact the blue ribbon, now faded and worn, which she won meant little to her, for Miss Vancleve at that time was only 1 year old, and she was rated first in the Marshall county "better babies" contest.

Miss Fitz is a daughter of Mr. and Mrs. E. E. Fitz and lives in the neighborhood of Haverhill, but in the Vancleve consolidated school district, so is eligible to compete in the contest under the colors of Vancleve. She is only 16 years old, the youngest member of the Vancleve senior class, and probably the youngest girl entered in the beauty contest.

Miss Vancleve rates as neither a blonde nor brunette, but has brown hair, light eyes and a light complexion. Besides winning contests, she had gained honors in humorous speaking contests, having competed twice for Vancleve in the county contest and placed second in the district contest two years ago. She is a sister of Eugene Fitz, former M. H. S. wrestler, who last year starred on the University of Illinois mat squad.

To Compete For "Miss Iowa" Title

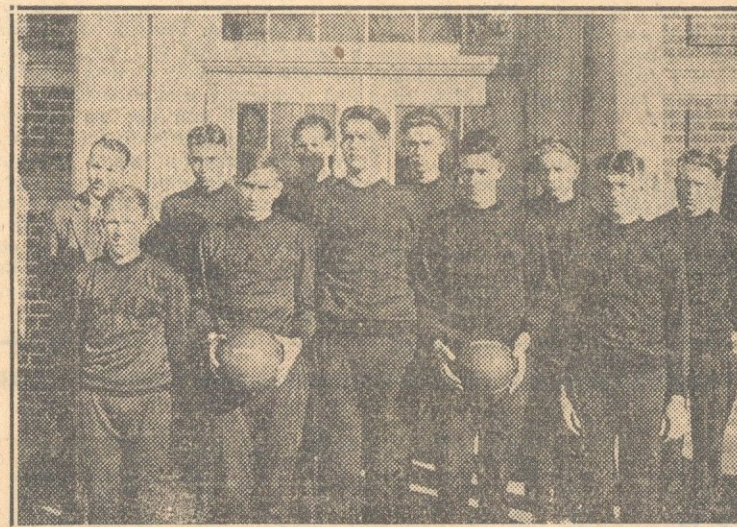

HAZEL BRYNGELSON.

Miss Marshalltown 1930.

Marshalltown's entry in the "Miss Iowa" contest at Des Moines tomorrow night is Miss Hazel Bryngelson, who is "Miss Marshalltown, 1930," the winner of the local contest held last week. She is in Des Moines today for the state contest and is appearing at the Paramount theater. Tonight with the other Iowa queens she will broadcast over WHO-WOC, at Des Moines, between 11 and 12 o'clock, to say "hello" to her friends who will be listening in.

Miss Bryngelson is a daughter of Mr. and Mrs. Andrew Bryngelson, of Dunbar, and was graduated from the Dunbar high school in 1926. Since that time she has lived in this city, being employed for some time at the Soda Grill. Later she attended Central Iowa Business College, from which she graduated this year and since that time has been employed in the Tallcorn pharmacy. In the local contest last week she bore the title of "Miss Hoffman Jewelry."

For the first time in five years
a team other than that representing
Gilman is county high school bas-
ketball champion for towns outside
this city.

Albion won the Marshall county
title Saturday night by squeezing
out a closely fought 9-to-4 cham-
pionship finals victory over Mel-
bourne in the Anson junior high
school gymnasium. Albion reached
the finals by walloping Liscomb
26 to 3, in the semi-final
afternoon, and
knocked off Gilman, 20
afternoon session. A large crowd
saw the heralded Albion defense
function in all its glory to hold
Melbourne to a single field goal in
the finals. All told, Albion's four
opponents in the tournament col-
lected a total of only thirty points,
an average of seven and a half
counters per game.

Two Free Throws.

L. Becker's two free throws con-
stituted the entire Melbourne scor-
ing in the first two periods, during
which Albion succeeded in collect-
ing only four points by means of a
field goal and two free throws. The
count at the end of the third period
was 7 to 4, in favor of Albion.

For the winners Nyce, J. Under-
wood and Hauser played good ball,
while W. Becker, Melbourne's cen-
ter, was best for the losers. The
winners were presented with a gold
basketball, emblematic of the coun-
ty championship, after the game,
while the losers received a silver
basketball, indicative of second
place. The box score:

Tight Battle.

Laurel put on a last minute spurt
Saturday night to beat out Gilman,
28 to 23, in a girls' curtain raiser.
The game was even practically all
the way until Graff collected four
baskets in rapid succession in the
closing moments to enable Laurel
to win. The score at half time was
15 to 13, in favor of the winners.

Nyce's eagle-eyed long shooting,
in which he made four baskets out
of six attempts from near the cen-
ter of the floor, were important
factors in the one-sided 26-3 vic-
tory of Albion over Liscomb in the
semi-finals.

the first period.
Gilman had little chance against
Melbourne after the second half
started, altho the losers put on a
final quarter rally which had the
crowd on its toes. From a count of
20-6 the losers applied the steam to
make the score 20-15 at the final
gun. Melbourne played a stalling
game for the last three quarters and
Gilman did not seem to know
exactly what to do about it before
the last couple of minutes.

lieved Serious.

The second tragic automobile crash near Marshalltown within a week early today caused the death of one person and injury to eight others.

Bessie Irene May, 7-year-old daughter of Mr. and Mrs. Jesse May, three miles north of the city on the Center street road, in Taylor township, was instantly killed at 8:30 o'clock, when an automobile in which she was riding, owned by Don Filson, of north of the city, and driven by Orville Owens, employed at the Filson farm, was struck by a car driven by O. E. Hall, 1902 Washington street, Eldora, at the Albion road intersection of highway No. 14, five miles north of the city.

The injured, none of whom are believed to have suffered serious hurts are:

O. E. Hall, Eldora, left shoulder injured and broken ribs; at Deaconess hospital.

Mrs. O. E. Hall, Eldora, teeth knocked out and painfully bruised; at Deaconess hospital.

Isabelle and Raymond Miller, Mary Owens, Lisle and Wayne Brown and Donald Worrell, all of the Taylor township neighborhood, bruised; injuries not serious; all removed to homes.

On Way to School.

The accident happened when Owens, driving a Chrysler coach over a cream route north of the city, who was giving the children a "lift" to school, is said to have driven into the arterial highway,

into the path of the oncoming Hall car, a Plymouth sedan, without stopping.

Altho no one could be found this morning who had witnessed the accident, when Sheriff C. E. Wicklund, Chief of Police W. W. Akers and other local officers investigated the case, the position of the wrecked cars indicated that the car driven by Owens was hit broadside by the Hall automobile.

The car with its load of children was being driven eastward on the Albion road and the Hall car was going north in highway No. 14. The impact apparently caused the Chrysler coach to turn over at least twice, finally coming to rest right side up near the fence on the side of the road at the northeast corner of the intersection. The car, which was reduced to junk, was facing the west when it finally ended its fatal plunge.

Not Driven at High Speed.

The Hall car, was, according to the statement of the driver immediately after the collision, traveling at a speed of thirty to thirty-five miles an hour as it approached the intersection.

To all appearances the machine swerved to the left and then crashed into the vehicle carrying the children. It was turned completely about by the crash and turned over on its side in the ditch on the east side of the highway, facing the south. Tho badly damaged it was not as totally wrecked as the Filson car.

Escape of Children Remarkable.

The escape of the other children from death was regarded as remarkable considering the nature of the accident and the apparent violence of the collision.

News of the fatal accident spread rapidly and within a short time the North Third avenue road was filled with cars from this city hurrying to the scene.

Passing motorists helped the injured from the wrecked cars, and Mr. and Mrs. Hall were hurried to the hospital here, it being believed both were very seriously injured. Examination by physicians showed neither to have suffered serious hurts.

Children Taken Home.

Telephone calls to homes in the neighborhood in which the children reside, caused the spread of rumors that several had been killed and many seriously injured and probably resulted in undue alarm in many households before the true condition was known.

As quickly as possible the children were hurried to their homes, where fears of parents were allayed by the knowledge that the children, save for the one victim of the tragic mishap, were not seriously hurt.

Sixteenth Annual Commencement
Program Held Friday Night in
School Auditorium—C. H. Van
Law, City, Is Commencement
Speaker.

The sixteenth annual commencement program of the Clemons consolidated school was held Friday night in the school auditorium, when a class of eleven was graduated. C. H. Van Law, of this city, was the commencement speaker.

The members of the class were Wallace A. Arney, E. Willard Bartine, Lucille C. Bryant, Nettie F. Clemons, Victor G. Clemons, Ardis L. Darland, Clarice M. Ingledue, Clifford D. Nichols, Lois M. Shipley, Avonelle C. Smith and Morris H. Wooten.

Rev. J. M. Kauffman gave the invocation and the girls' glee club of the school sang "Morning Invitation." Clifford Nichols sang "Duna" preceding the address by Mr. Van Law, who spoke on "The Challenges of Today." The boys' glee club then sang "Echoes of Woodlands."

The diplomas were presented by Superintendent W. E. Sturdevant. The program closed with a song by an octet, "I Hear a Thrush at Eve," and the benediction, by Rev. Mr. Kauffman.

The annual school picnic will be held Friday, when the school will close.

Albion—Rev. P. G. Dennis, of the Central Church of Christ, Marshalltown, delivered the sermon to the members of the graduating class Sunday evening at the Methodist church, taking as his subject "The One Way Streets of Life." The speaker stressed three things to be taken into consideration in making a journey—distance, traveling conditions and destination. Many roads are open, he said, such as Indolence

boulevard, Golden trail, Potential lane, Intellectual avenue and Ideal highway, and one needs to consult the guide posts to choose the right road. Rev. W. L. Vincent, of the Presbyterian church, gave the invocation and the high school chorus sang "Sun Down" and "We Love Thy Place, Oh God." A girls' sextette, composed of Lois Tomlinson, Eileen Wyatt, Lois Arney, Helen Lander, Lois Blake and Esther Gould, sang "Lift Thine Eyes." Following the address Corwin Springer sang "Hold Thou My Hand," and a small group formed of Lois Tomlinson, Ruby Hunt, Eileen Wyatt, Junior Underwood, Clarence Keeler and Corwin Springer, sang "The Blind Plowman." Rev. G. M. Shoemaker, of the Methodist church, pronounced the benediction.

Makes Enviably School Record

RUTH BLANCHARD.

The valedictorian of the 1931 graduating class of the Albion high school was Ruth M. Blanchard, and in winning her honors she set a scholastic record seldom equaled, with an average of 97 per cent in all studies during her four years in the school. In addition she won many other school honors.

Ruth's first honors were at the age of 11, when she won the Marshall county spelling championship. In the eighth grade she received the highest honors in scholarship, and was elected president of her class. It is also interesting to know that when she entered school she went immediately into the second grade.

In her high school career Miss Blanchard entered every activity for which girls are eligible. During the past year as a declamatory contestant she won first place in the county in the humorous division, receiving a gold medal; as a basketball player she qualified for her letter for the first two years; in music she played the flute in the high school chamber group and she was a member of the alto section of the girls' glee club, which won first place in the county music contest the last two years. She was also a member of the mixed chorus which took first place in the county this year.

Ruth had major roles in both the junior and senior class plays. In her junior year she was associate editor of the school paper, Albion School Life, and for the last year she was editor, an office which she capably filled. She had been editor of the Marshall County Four-H Echoes for two years and in the Albion Four-H club she has held all offices, president, vice president, secretary, treasurer, historian and custodian of the club record book. Then, too, she has given demonstrations in home furnishing and foods seven times in county and district contests. She was a member of one of the demonstration teams sent from Marshall county to the Waterloo Dairy Congress in 1930. She was a Marshall county delegate to the state Four-H club convention two years, and in 1929 she received a silver medal for outstanding club work in Marshall.

Albion Churches and School Plan Holiday Programs

As the Christmas season approaches the churches and school in Albion are preparing fitting programs, which will be given during the week preceding the holiday.

Sunday evening at the Methodist church the senior choir, assisted by a junior choir of twenty voices, will present a Christmas concert under the direction of Mrs. G. M. Shoemaker. The adult choir will sing "Calm on the Listening Ear," "Sweetest Music Softly Stealing," "This Happy Christmas Day," "The Angel Band Is Singing," and "Good Night Song." The numbers to be given by the children will be "Chiming of the Bells" and "We Are Soldiers of the Great King Jesus." C. M. Van DeVenter will sing "The Birthday of the King," and "Oh, Holy Night," will be sung by Miss Dorothy Morgan. Miss Mamie Arney and Cleo Poling are to sing "Heavenly Heralds," and Mrs. Shoemaker and Mrs. B. E. Gould, "Brightest and Best." Elnora Gale will give a reading and Vernice Gale and Alice Rohr will present a pantomime "Silent Night."

Tuesday night, Dec. 22, a vested choir of the Presbyterian church will give a Christmas cantata, with Mrs. Frank Moninger as director and soloist. Mrs. Tom Readout and Miss Katherine Richards will sing a duet and the program will close with the "Hallelujah Chorus."

School will close Wednesday afternoon, Dec. 23, with programs and trees in each of the grade rooms. The eighth grade and high school are having a joint program and grab bag. The high school quartet, sextette and chorus will sing, the eighth grade will give a play, "Football and Powder Puffs," and the sophomores will present "Red and the Christmas Whoppers." Between the two plays, the juniors

will put on a minstrel show. School will be dismissed until Jan. 4.

The Sunday schools of the two churches are preparing programs, which will be given Christmas eve. Both churches will have trees and treats for the children but at neither place will there be gifts placed on the tree.

A playlet, "The Trail to Christmas Happiness," which has been compiled by Miss Lura Vincent and Mrs. J. M. Elliott, will be given at the Presbyterian church and will include recitations, solos and five pantomimes, representing "Prophecy," "Annunciation," "The Shepherds," "Manger Scene," and "The Wise Men." The story of the play is woven around the life of a wealthy woman who tries to find happiness in selfish pleasure, but who unexpectedly comes upon the trail of Christmas happiness thru service when she adopts a street waif.

At the Methodist church the program will be divided into two parts, the junior department presenting a group of readings, Christmas carols, and exercise, "What Christmas Means," and a dialogue, "Grandma's Christmas." The older boys and girls will present the second part of the program which will be a pageant, "At the Manger," depicting the spirit of youth and the spirit of Bethlehem.

Well-Known Albion Woman Dies While at Entertainment at School

Albion and its vicinity was shocked today to learn of the sudden death of one of its well known women, Mrs. F. D. Dennis, which occurred suddenly Friday evening at the school house where she had gone to attend an entertainment. Mrs. Dennis was in her usual health Friday and in the afternoon attended a district Methodist foreign missionary meeting, of which society she was president, at Tama. She had been at the school house when she suddenly exclaimed, "Oh my head," and fell backwards to the floor. Death was almost instantaneous and was presumably caused by a cerebral hemorrhage.

Mrs. Dennis was an active worker in the Methodist church and in civic organizations of the town and county. At the time of her death she was chairman of the Albion branch of the Red Cross and was conferring with her committee in regard to the membership drive shortly before her death. For the past nine years she has had charge of the meals at the boys and girls Four-H dining hall at the state fair and for the past two years had planned the meals at the annual Epworth League institute at Clear Lake.

Born in Illinois.

Mrs. Dennis was born Lucy A. Brown, Nov. 28, 1865 at Franklin Grove, Ill. At the age of 9 she came with her parents, Mr. and Mrs. N. I. Brown, to Iowa, who made their home at Colo. In the spring of 1884 the family moved to a farm three miles west of Albion. She was graduated from the music department of the old Albion Seminary and taught

music for some time in the community and also at Zeoring.

In the earlier days in Albion Mrs. Dennis was a member of what was known as the B. B. D. D. quartet, a musical organization which had even more than a local reputation, and which had its origin thru the association of its members in the Methodist choir. The members were Alice Brigham, soprano; Lucy Brown, alto; Frank Dennis, tenor, and "Win" Devine, bass. While the young people sang together principally for the love of singing, and appeared in public on many occasions in addition to their work in the choir on Sundays, the association developed two love matches, which resulted in Miss Brigham becoming the wife of Dr. Devine, and Miss Brown the wife of Mr. Dennis. Dr. and Mrs. Devine continued as members of the Albion choir until they moved to this city thirty-six years ago, and Mr. and Mrs. Dennis have been members of the choir continuously until the last few years.

She was married to F. D. Dennis, a young lawyer in Albion, April 25, 1888. The couple has resided in Albion continuously since their marriage. Besides her husband she is survived by three children, Mrs. A. W. Neff, of Albion, Wendell M. Dennis, of New York City, and Arthur T. Dennis, of Sioux Falls, S. D. Four sisters and two brothers also survive. They are: Mrs. J. M. Bales, of Marshalltown; Mrs. N. A. Vail, of State Center; Mrs. D. S. Collins, of Albion; Mrs. W. H. Vail, of Mount Vernon, Wash.; S. F. Brown, of Council Bluffs, and N. A. Brown, of Kimball, Minn.

One of the first classes in the county to finish school work was at in the Albion high school. Prof. Herbert Martin, of the department of philosophy of the State University of Iowa, was the commencement speaker addressing the class at the annual graduation exercises Thursday night at the Albion Presbyterian church.

Professor Martin spoke on "The Good and Education," taking his subject material from Plato's "Republic." He stressed the varied chains of prejudice which bind one to his small sphere and how these chains may be broken by continually looking toward the light.

Shoemaker gave the invocation, and the boys' quartet, composed of Clarence Keeler, Willard Bridgman, Albert Hof and Corwin Springer sang. The girls' glee club gave a number and Clarence Keeler a tenor solo. Following the address a small mixed group and the boys' glee club sang.

Superintendent C. M. Van De Venter made two awards, one from the Marshall County School Activities Association, presenting two golden keys to Ruth Blanchard, the honor student for four years of high school work. Miss Blanchard's general average for the four year course was 97 per cent.

Graduation at Liscomb. A class of eleven was graduated Thursday night from the Liscomb high school, when the annual exercises were held at the Christian church. Rev. P. G. Dennis, pastor of the Church of Christ of this city, was the commencement speaker, his subject being "Rustle of Rust."

The girls' glee club, under the direction of John Meeker, opened

the program. Rev. Charles S. Macy gave the invocation and introduced the speaker. At the close of the address, Superintendent T. K. Holliday presented the class and the diplomas were awarded by Rev. George W. Biersborn, of the school board.

The church was prettily decorated in the class colors, blue and gold, and the motto, "Rowing, Not Drifting," hung above the platform.

The members of the class were Clara Hilsabeck, Genevieve Miller, Helen Head, Louise Jay, Clarence Thomas, Clarence Small, Kenneth Koehler, Winifred Bracy, Cecil May, Stanley Duffy and Lester Hauser.

Eighth Grade Commencement. Seventeen were graduated from the eighth grade, in fitting exercises held in the school auditorium. The diplomas were presented by Rev. George W. Biersborn, and John Meeker, seventh and eighth grade teacher, presented the class. Scholastic honors were won by Irma Clark and Imogene Callison.

Marguerite Bueghly played the processional march and Rev. Charles S. Macy gave the invocation.
