

New Arrival Begins Work On Conservation

Robin Wisner of North Platte, Neb. began work this week with the District Soil Conservation office in Sac City, according to announcement by Dale Faulkner, conservationist.

The new soil scientist is 28 years old, is a married man with a 2½-year-old daughter. They will be residing at 910 College Ave. in Sac City.

Wisner graduated from North Platte High School in 1959. He was employed in farm work for a time and then served time in the U. S. Army. He entered Nebraska University in Lincoln in 1965, where he majored in Agronomy. He completed requirements for his degree in January, 1970 and received his bachelor's degree in Agricultural Science.
