Soil Conservation Means: Wise Use Of SOIL!

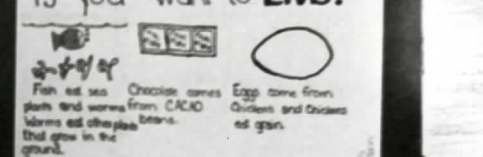

One Raindrop Goes a Long Way

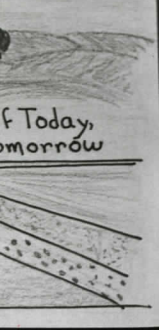

Handed Telling Handred Striking Earth

Everything has SOMETHING to do with SOIL
so CONSERVE our SOIL if you want to LIVE!

Fish eat sea plants and worms from CACAO beans and other plants that grow in the ground.
Chocolate comes from CACAO beans.
Eggs come from chickens and ducks and geese.

f Today, tomorrow

Contour Plowing May save your crops

NO YES

CONTOUR TERRACE PLOW

Conserve this will

SAVE Energy only use the light while in the room!!

Do not leave lights on when not in the room

A light bulb burns in 100 hours. It costs 10¢ to run for 100 hours. Turn up the heat.

USE THE SUN IT'S MORE FUN!

TURN OUT THE LIGHT DON'T LET IT SHINE BRIGHT OR YOUR BILL WILL BE A BRIGHT!

Save energy and let your bill be bright!

TURN WHEN

OFF USE. AI ENERGY.

DON'T LEAVE YOUR T.V. ON when YOU'RE NOT WATCHING IT.

Day open the curtains to let the warm weather in.....

Night Close the curtains to keep the heat in.
