Leadership Lab on Campus

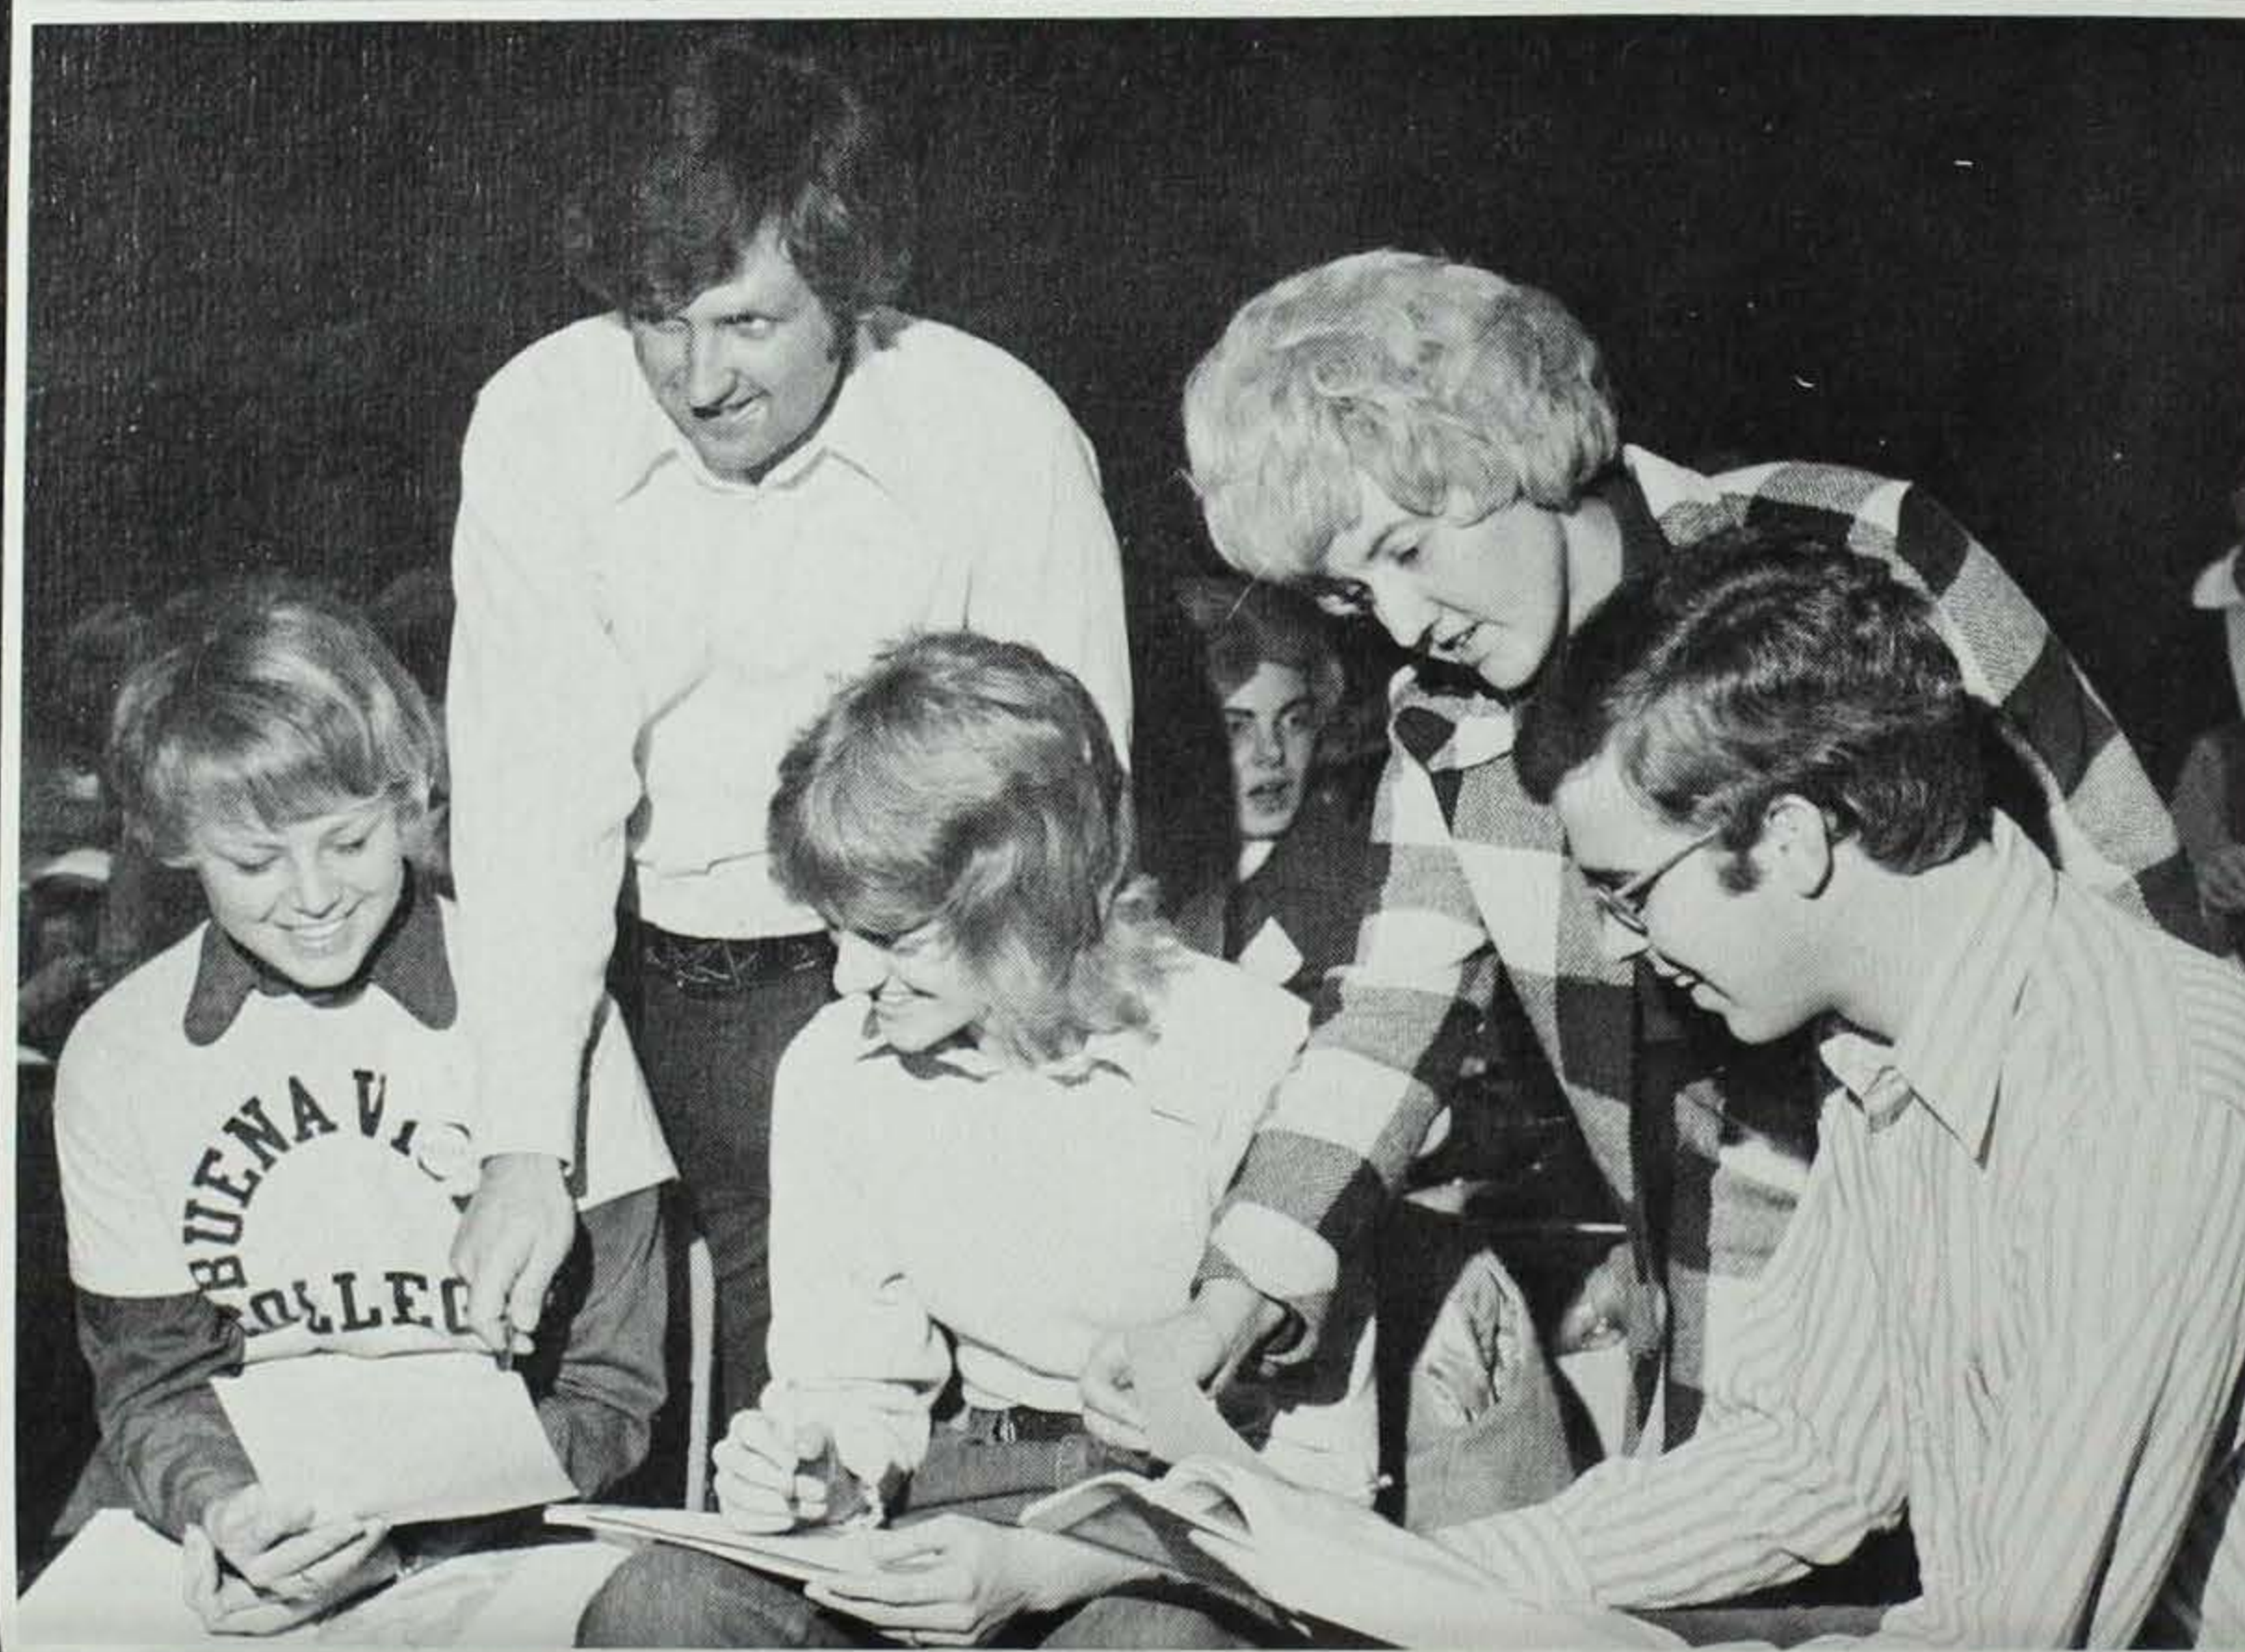

On Saturday March 3, 1973, Buena Vista College hosted the National Leadership Methods (NLM) Leadership Lab. The lab, held in Sieben's Center, involved participants from both Iowa

and South Dakota. In addition to faculty and staff members from area colleges, there were many area clergymen, members of the Open-Line program, and many other interested individuals.

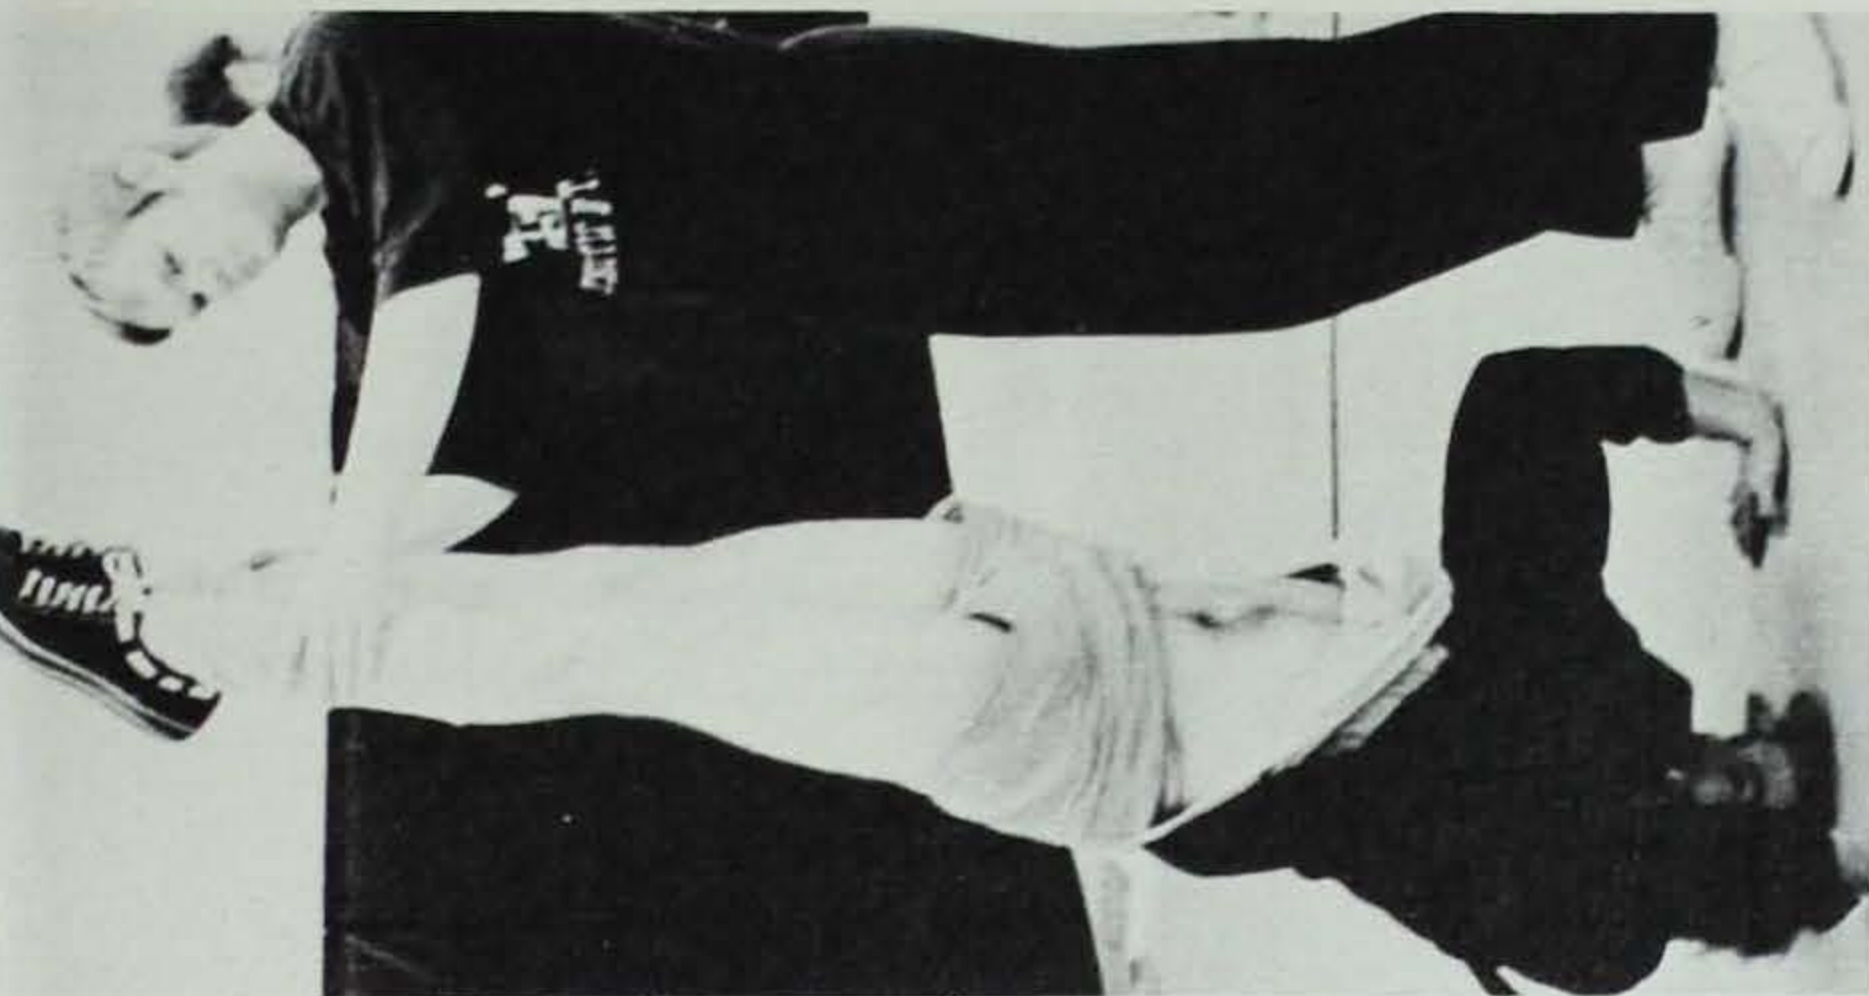

The several training sessions, conducted by Mr. Jack Ladd of Austin, Texas, lasted from approximately 8:30 am to 5:30 pm. Ladd, as representative of NLM conducted the sessions which dealt chiefly with techniques in good leadership.

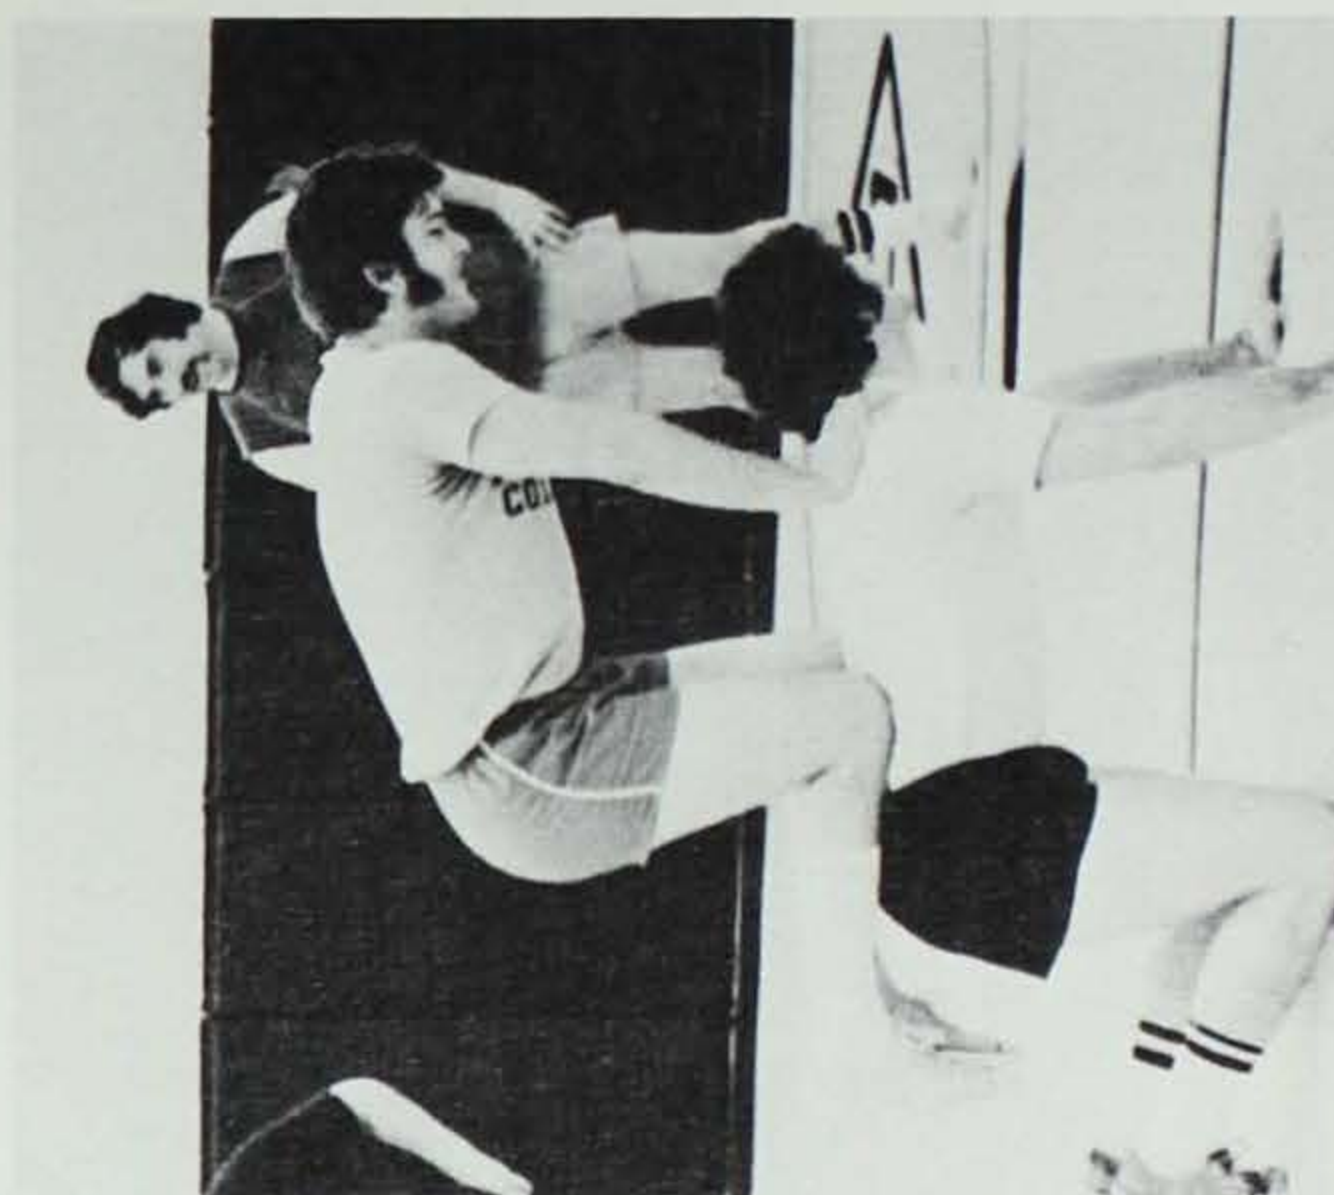

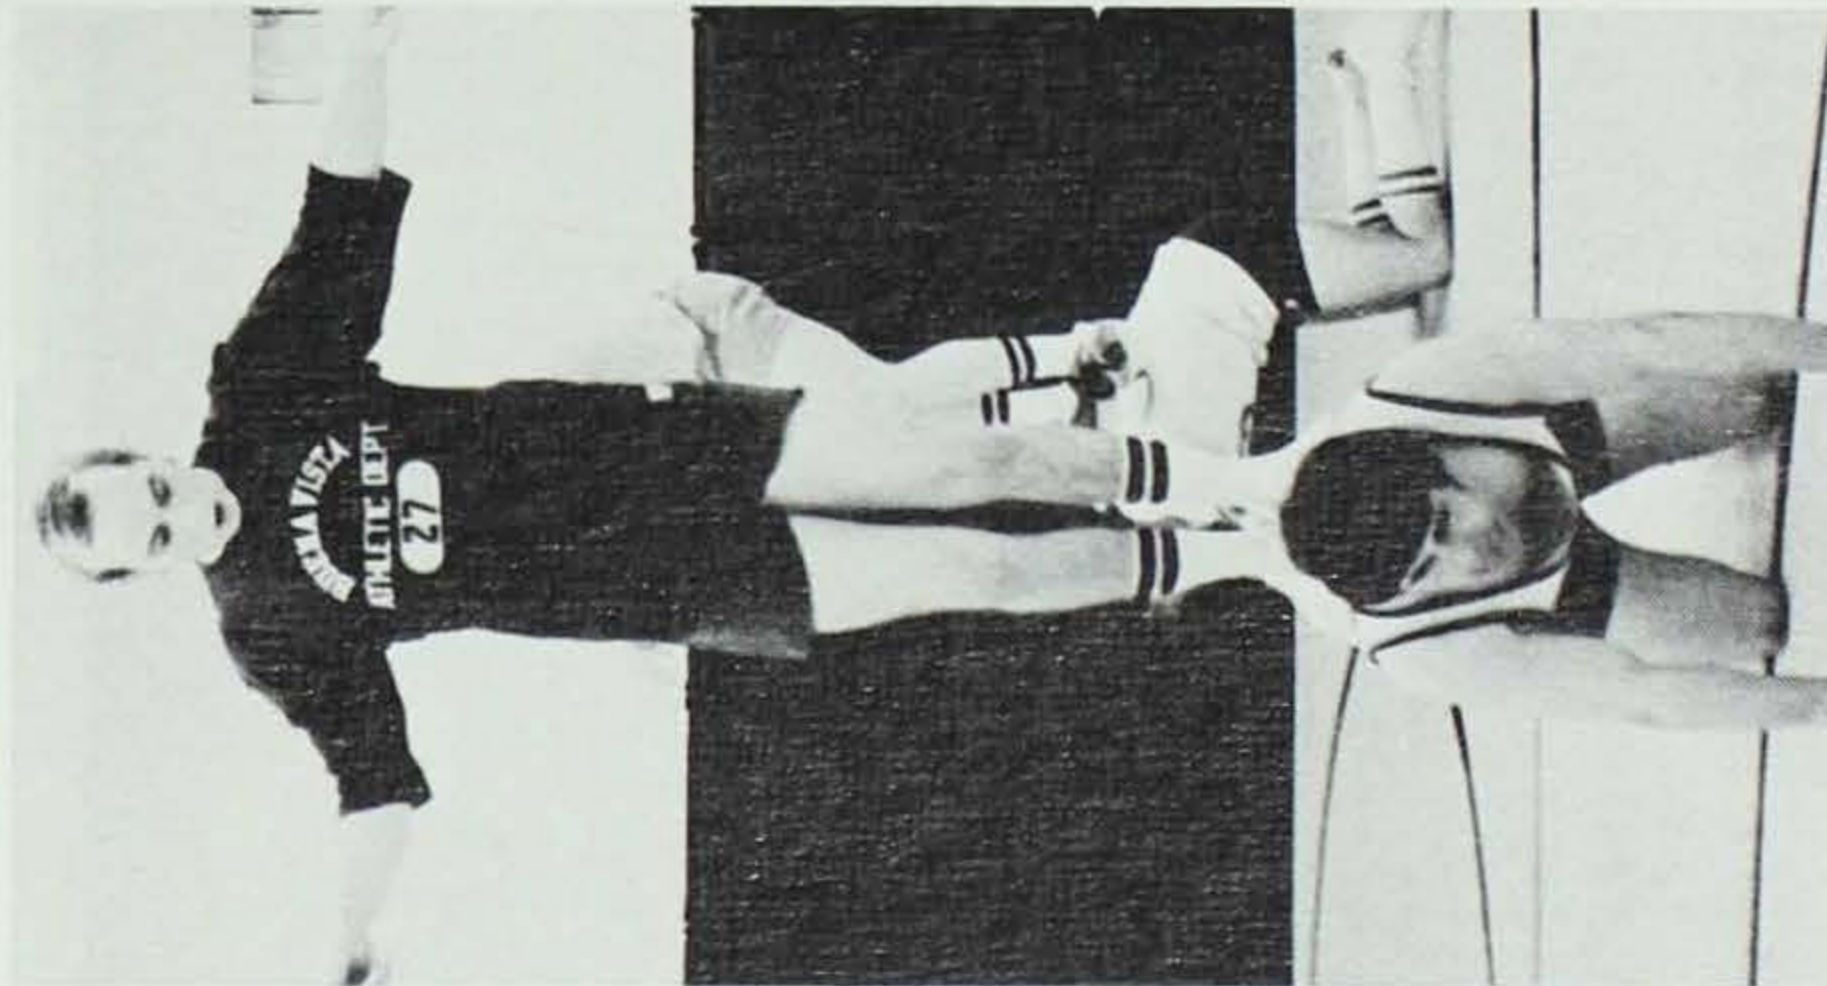

Those who participated agreed that the lab was both interesting and informative. However, they also agreed that the day was an exhausting one.

INTERIM

The month of January was again an exciting time. Students and faculty were seen doing unusual things.

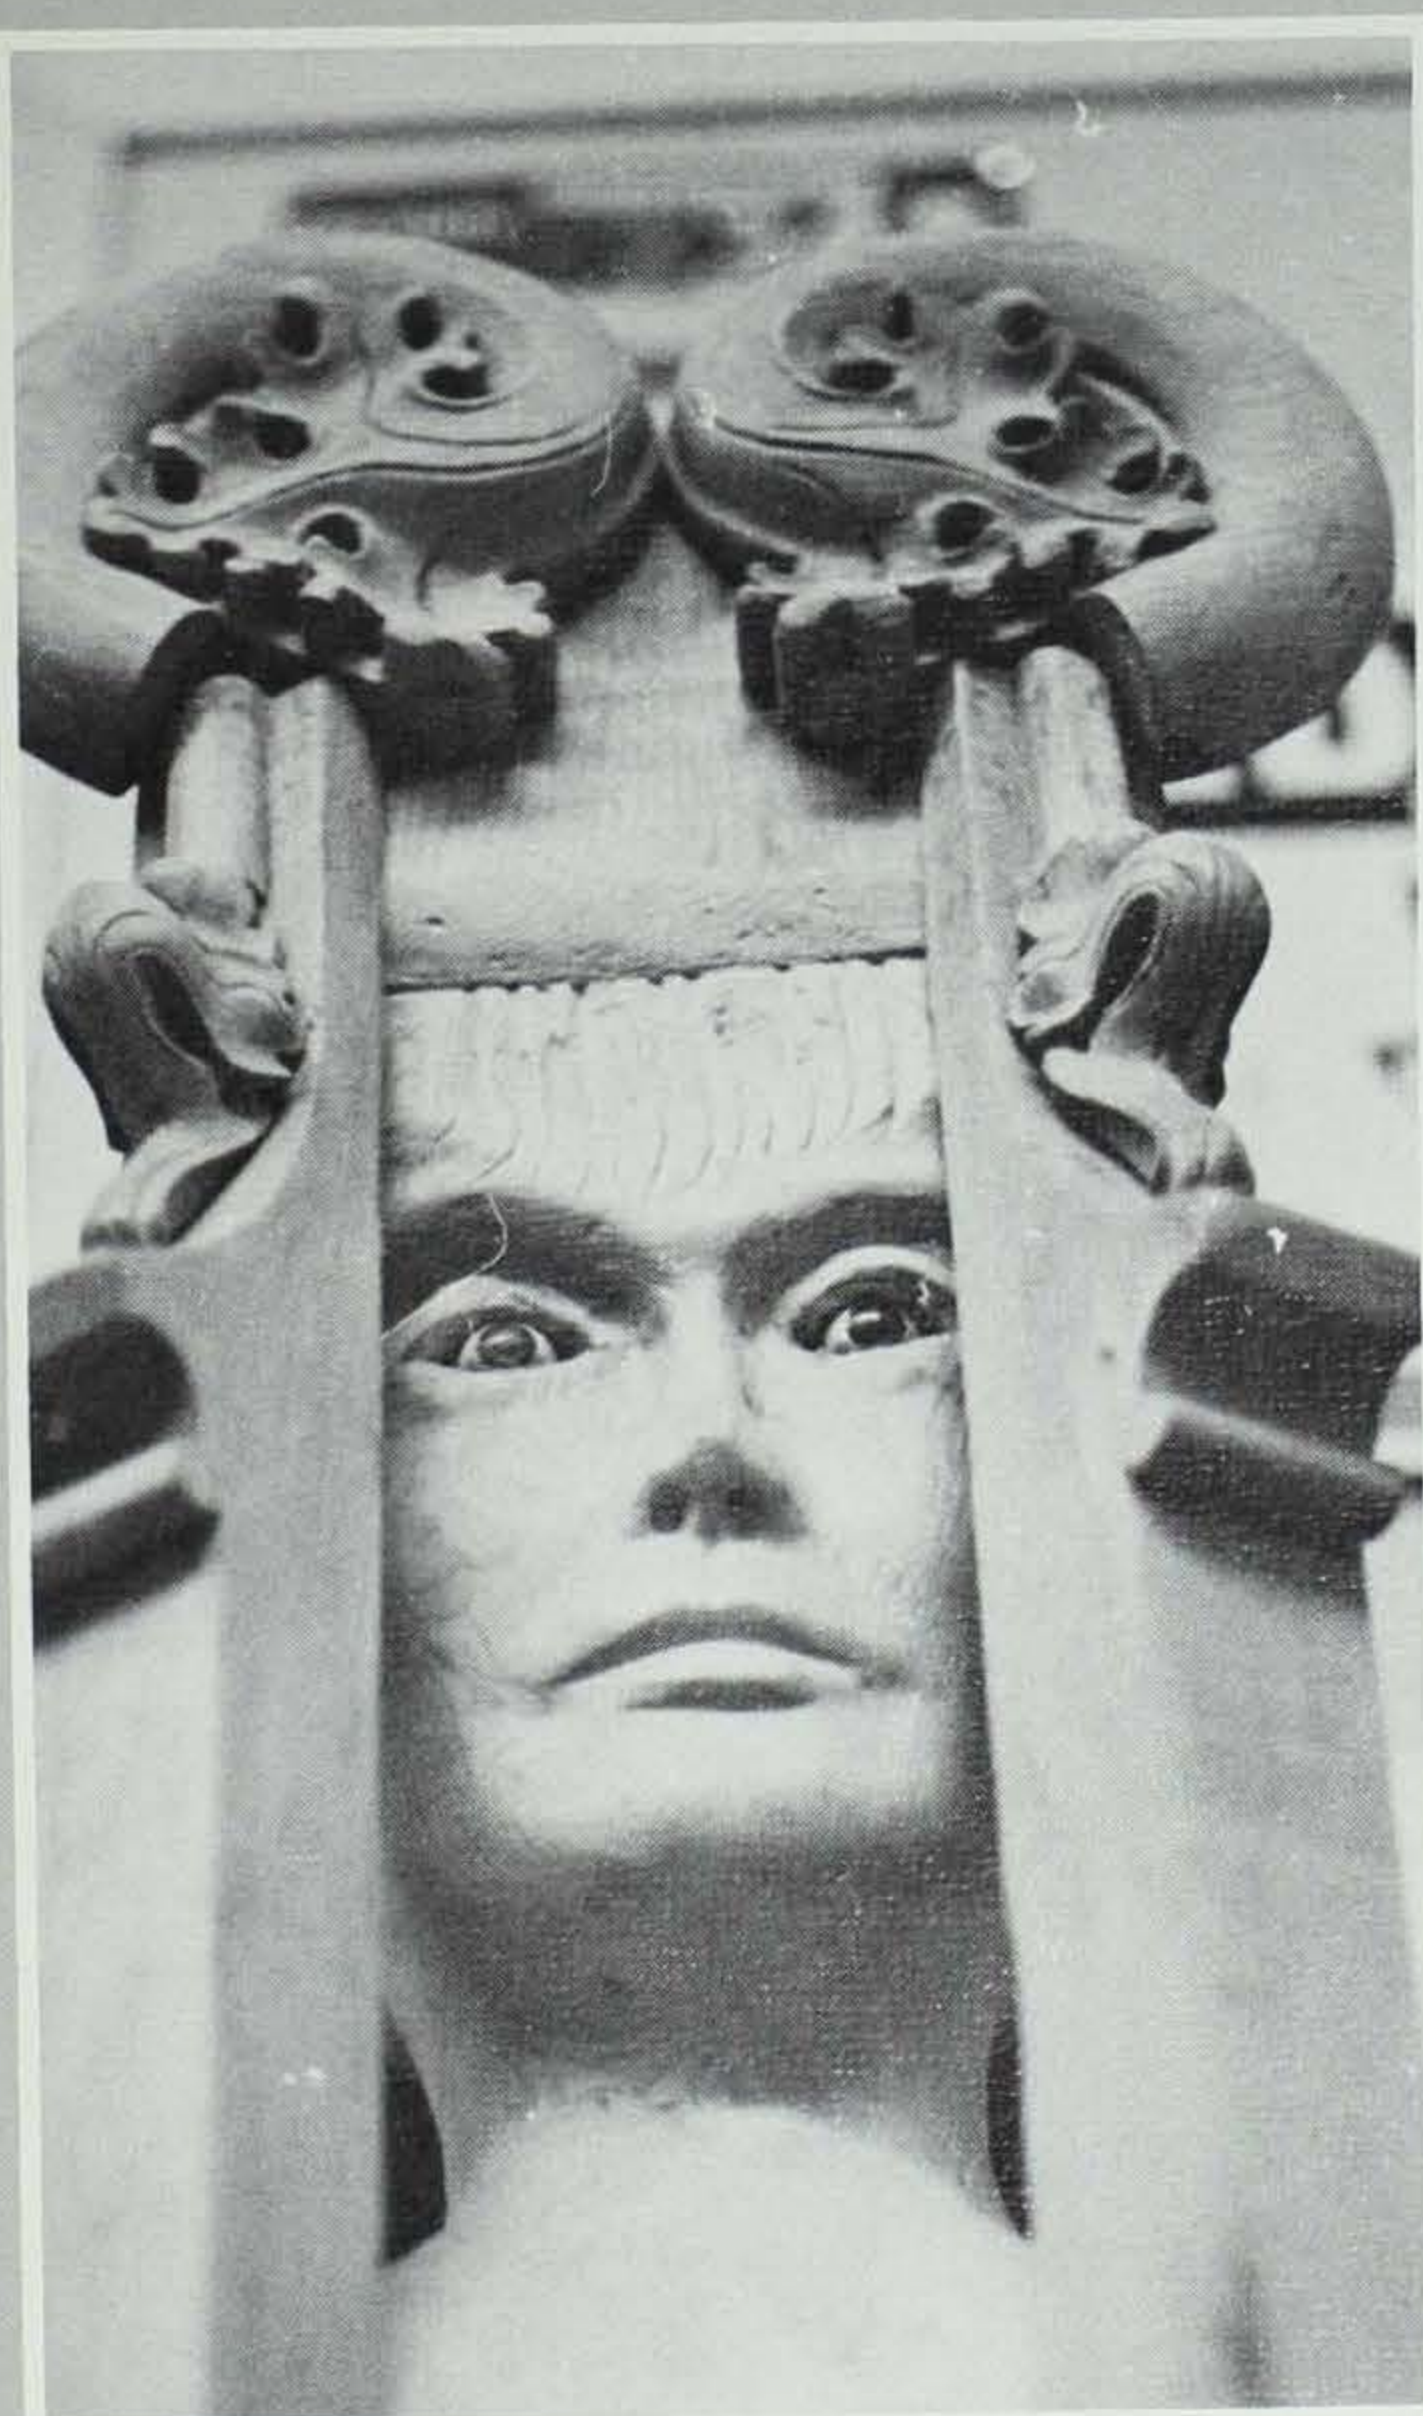

Students went to Europe and Russia for a wonderful time seeing the sites. Studies in the Chinese language and customs, with a field trip to Chicago's Chinatown. An other enjoyable class was the large enrollment of movie makers in the Reel World. Basic photography and darkroom work saw about sixteen students learned the ropes in picture taking. Student planning a career in the teaching field received one months exposure to the profession on the other side of the desk.

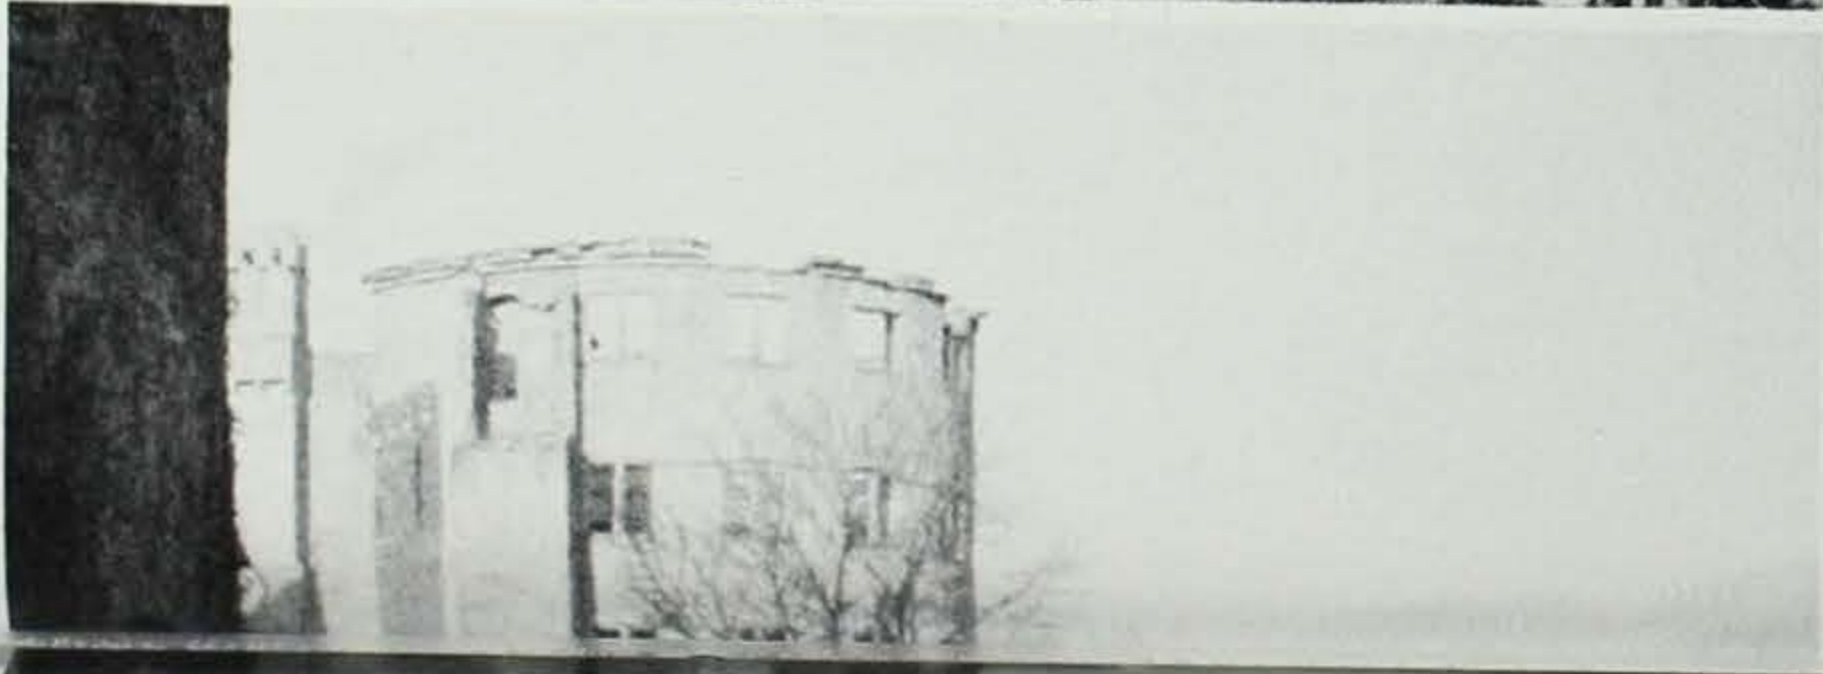

Many other classes were organized and taught. Just to name a few more: Ageing in America, Business Internship, Income Tax Figuring, Prose and Poetry Workshop, Water Safety, etc.

Interim was a fun time from the beginning. Going over the selections are Dean Rob Hauck and Pete Dows (PROCEEDING PAGE BOTTOM). Lorna Bruns enjoyed her month stay at the B.V. County Courthouse. Ask her about it (PROCEEDING PAGE TOP). Students enjoyed the Business interim under Professors Huffman and Sipes (TOP). An object that came out of the Art department (LEFT). Examples of two interims: Margaret Curren's Photography and Rachel Perry and Professor Nicholson's Kindergarten Practicum (BOTTOM).

EUROPE

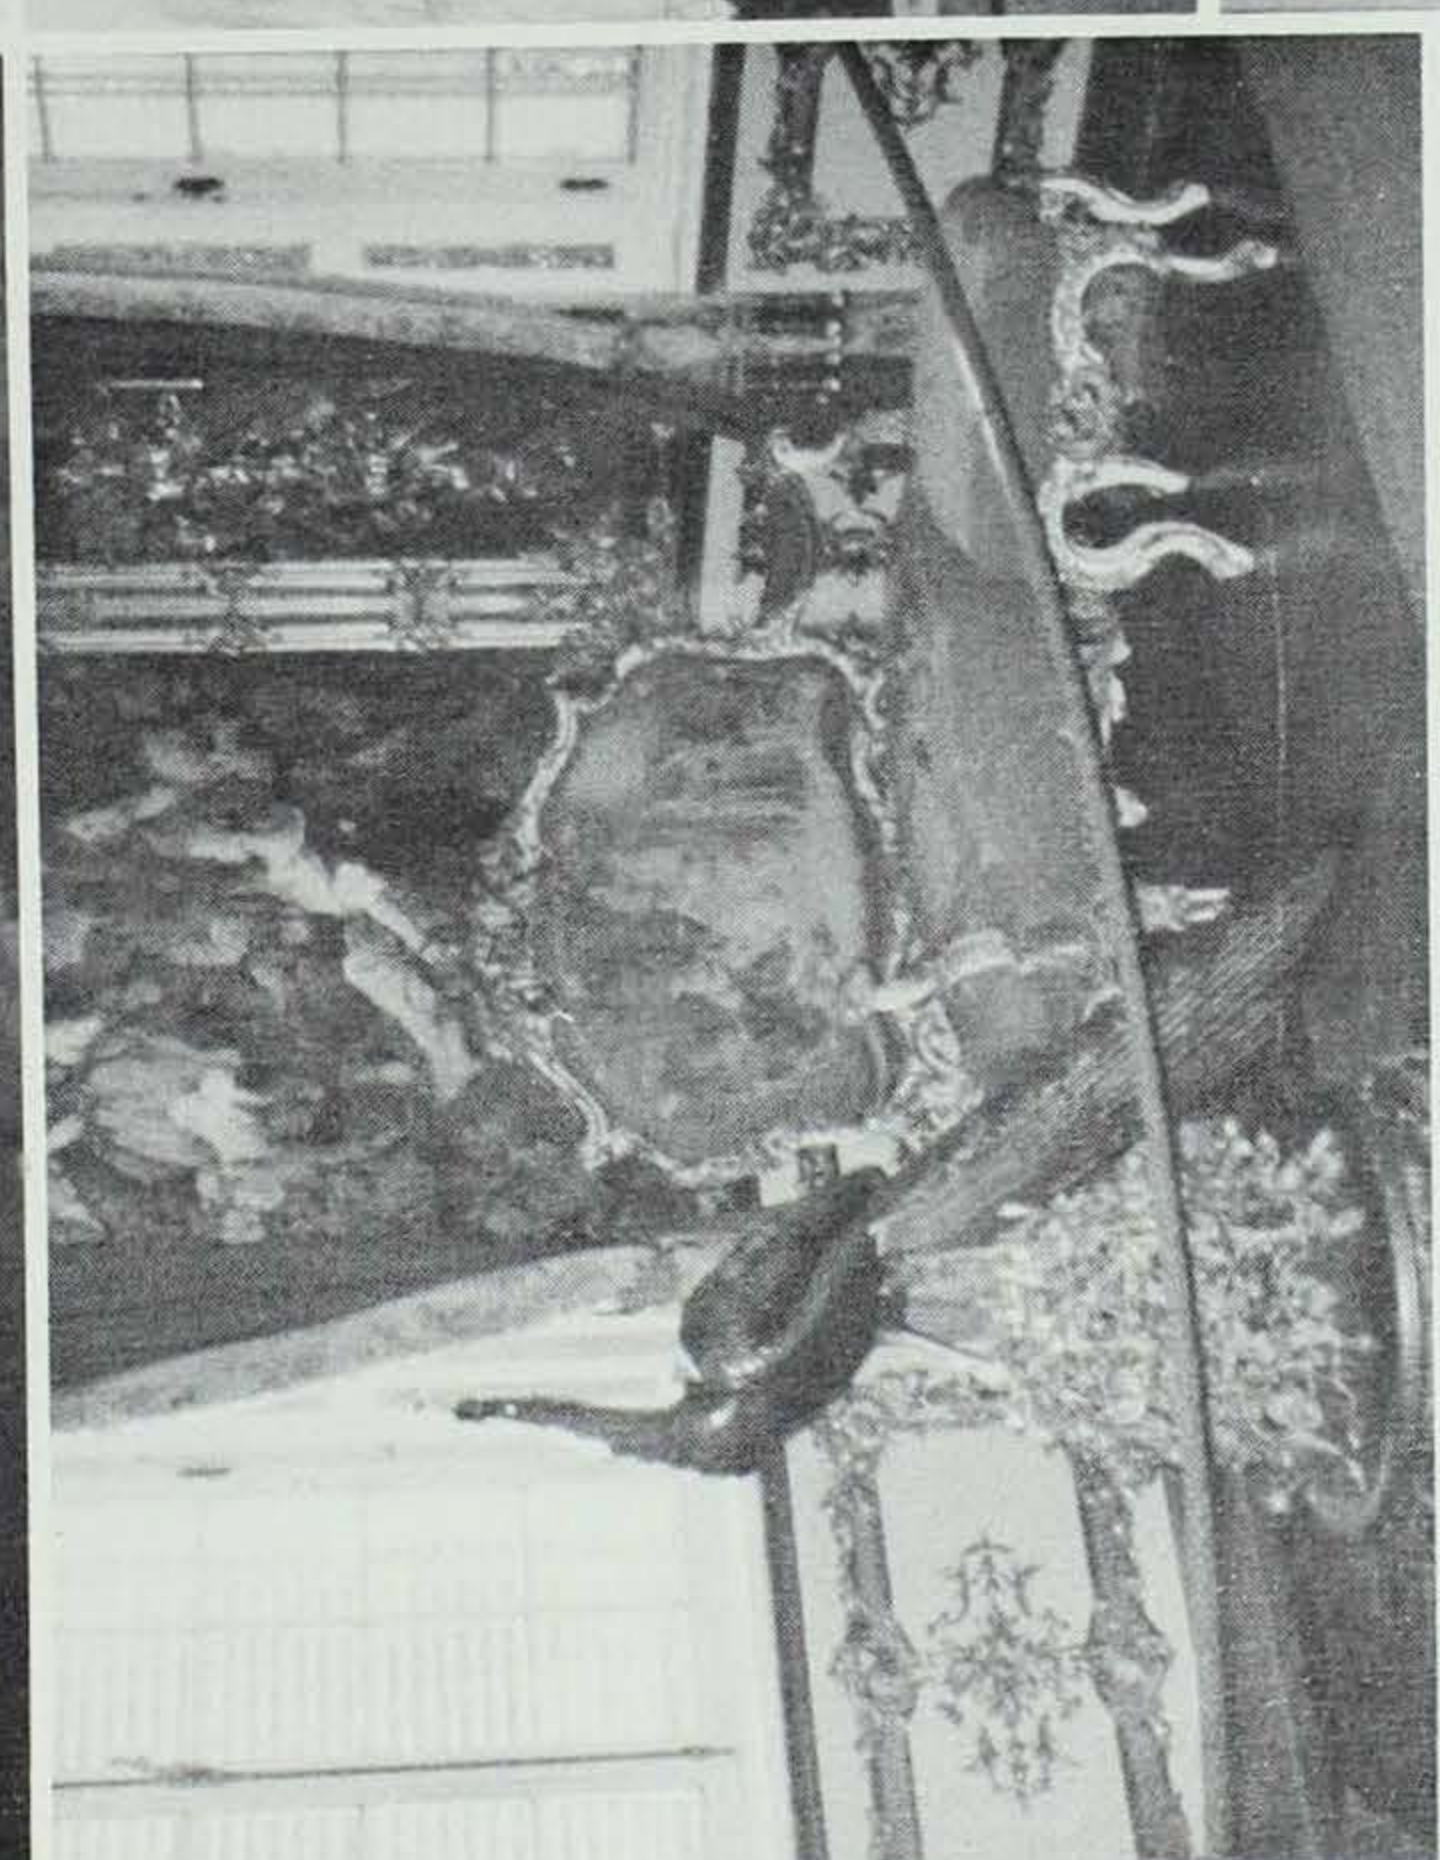

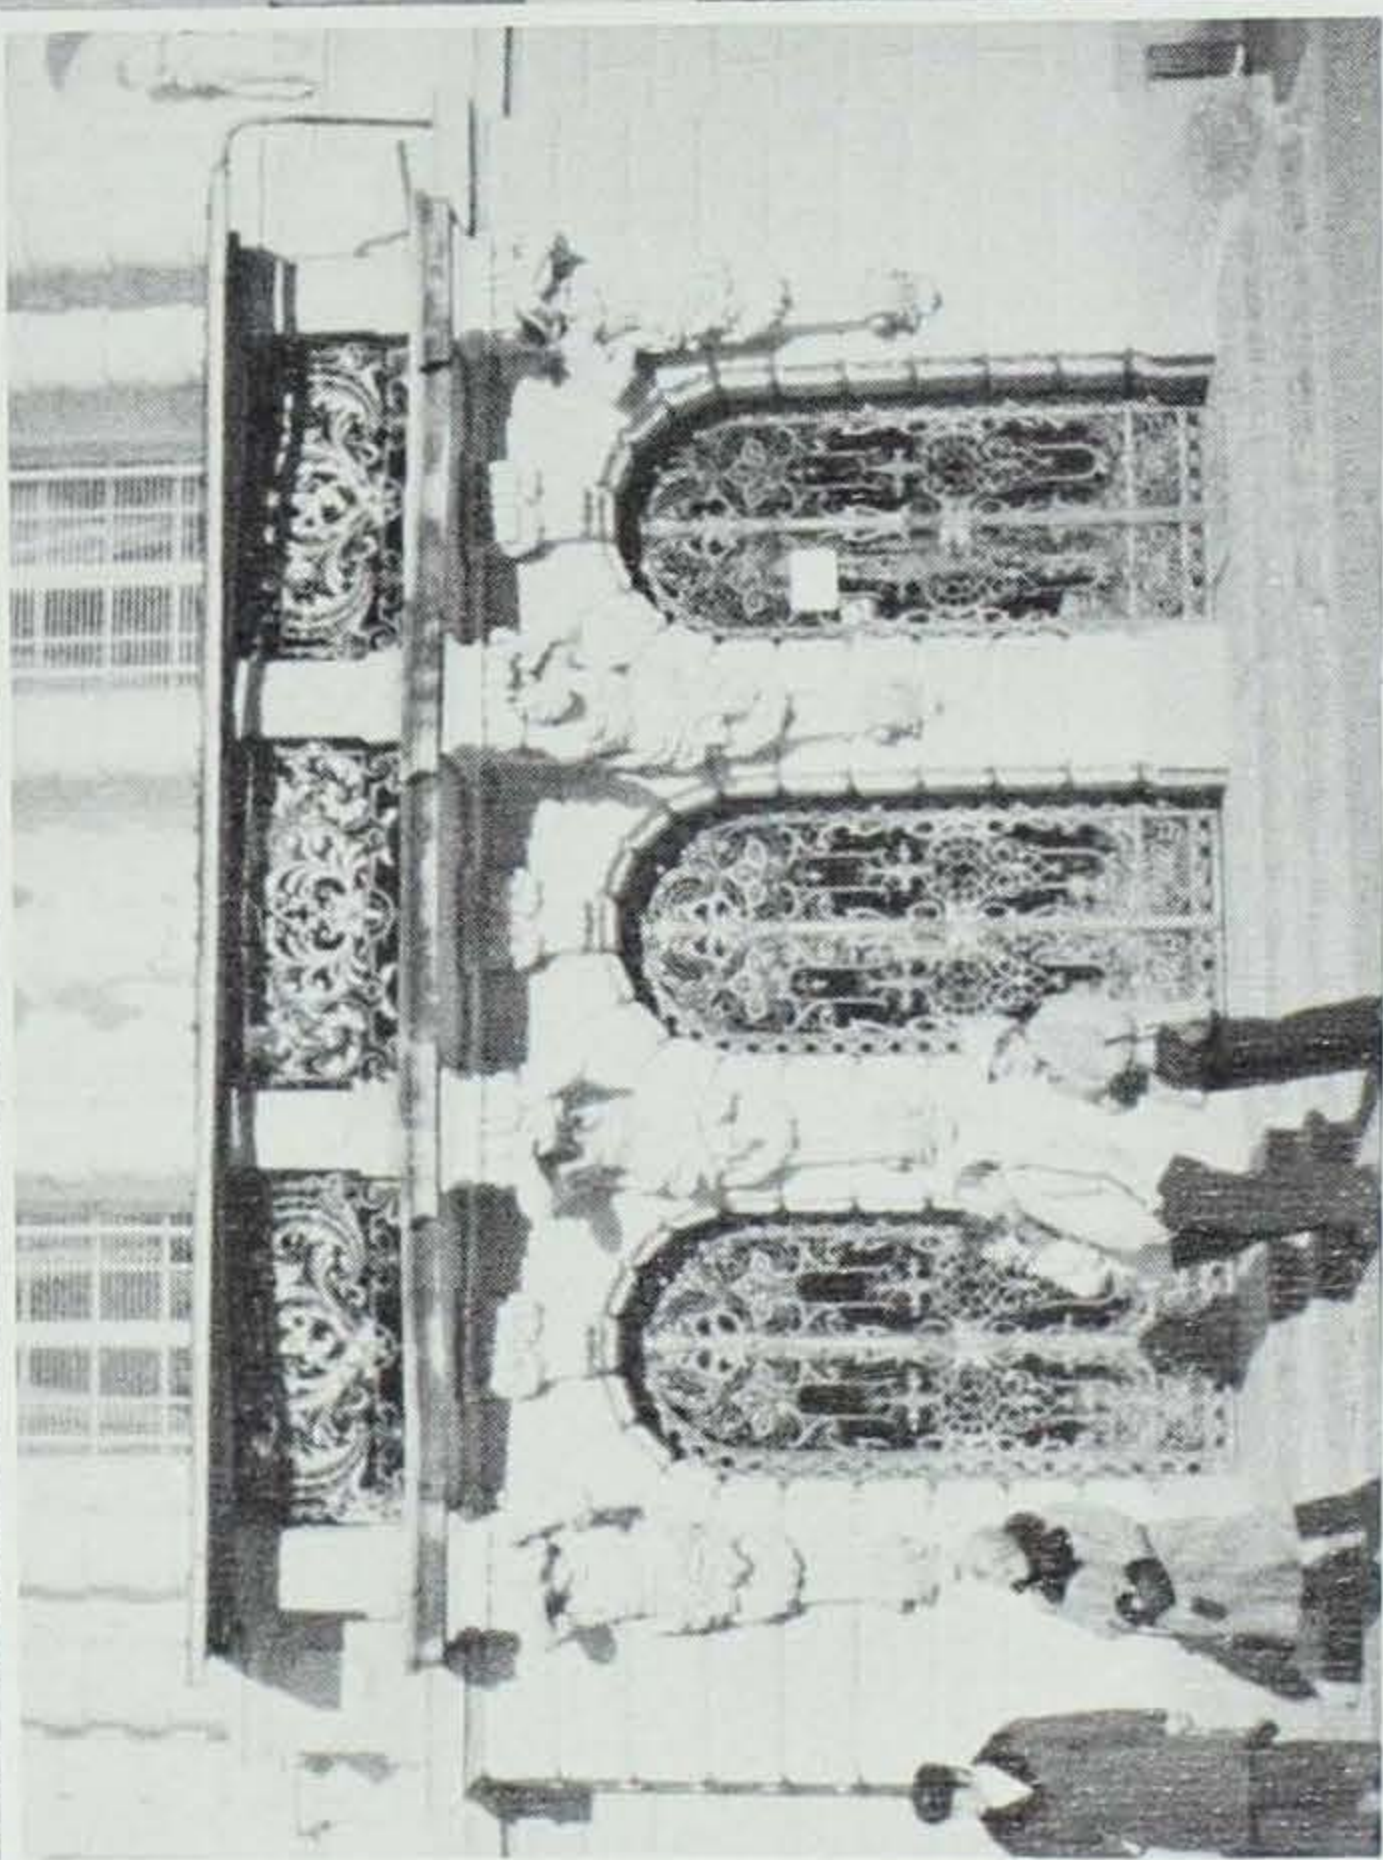

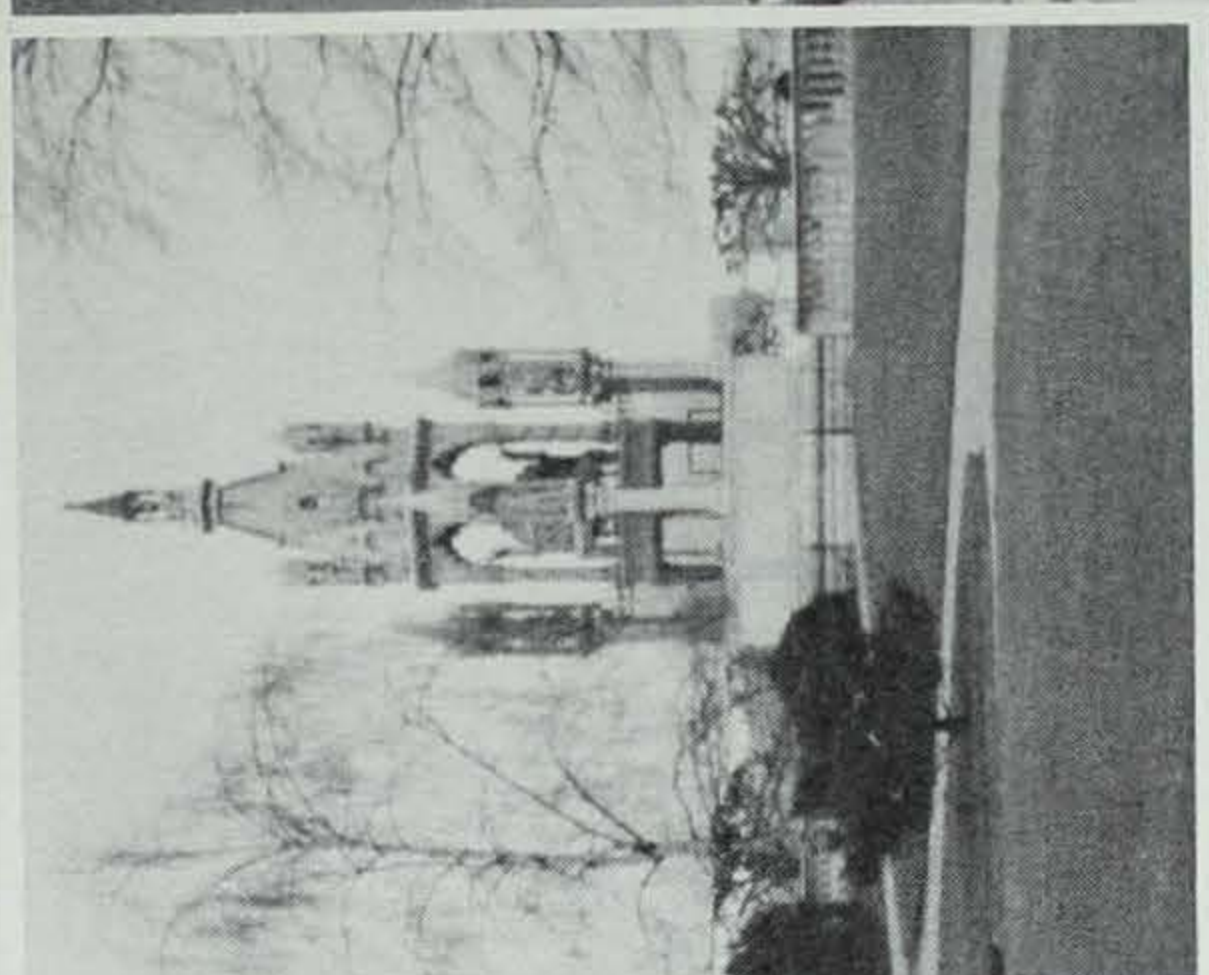

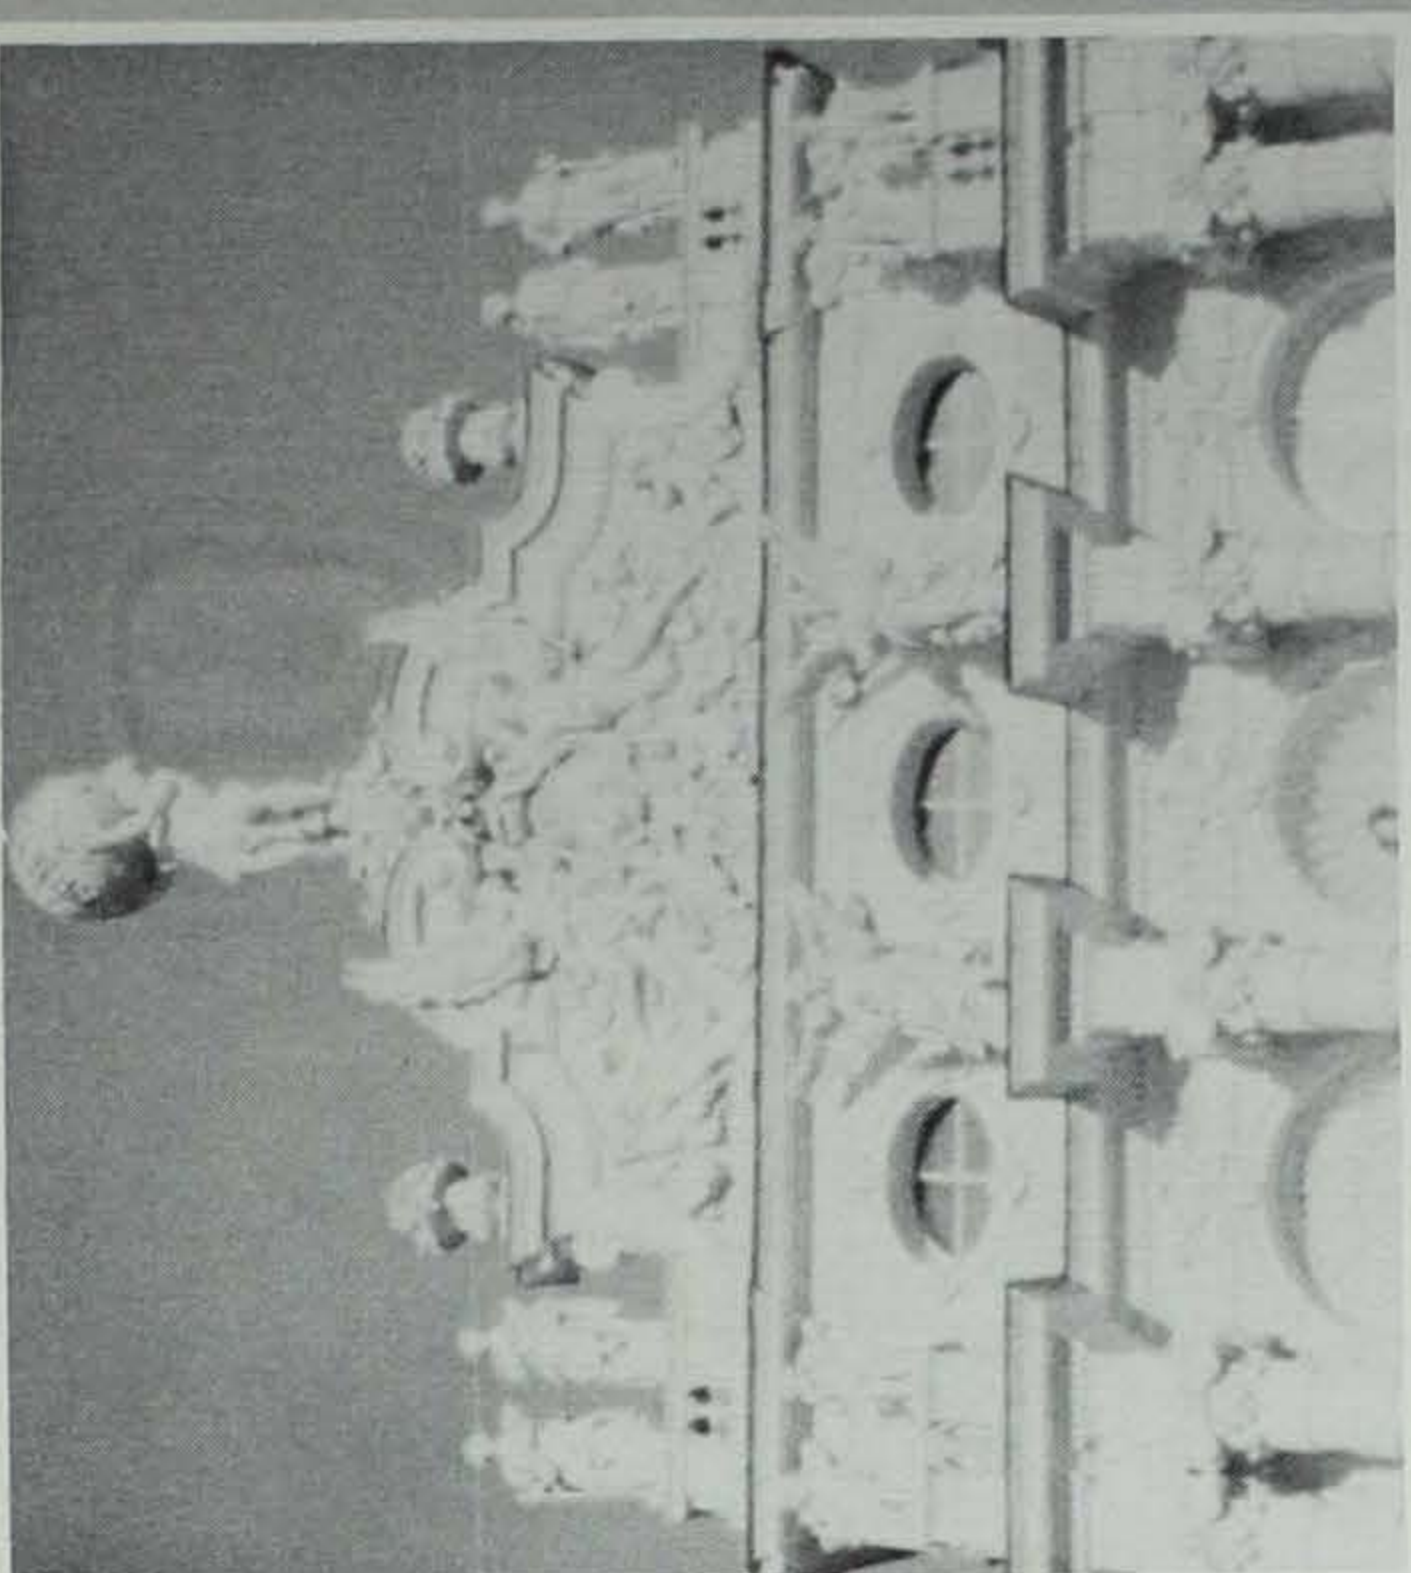

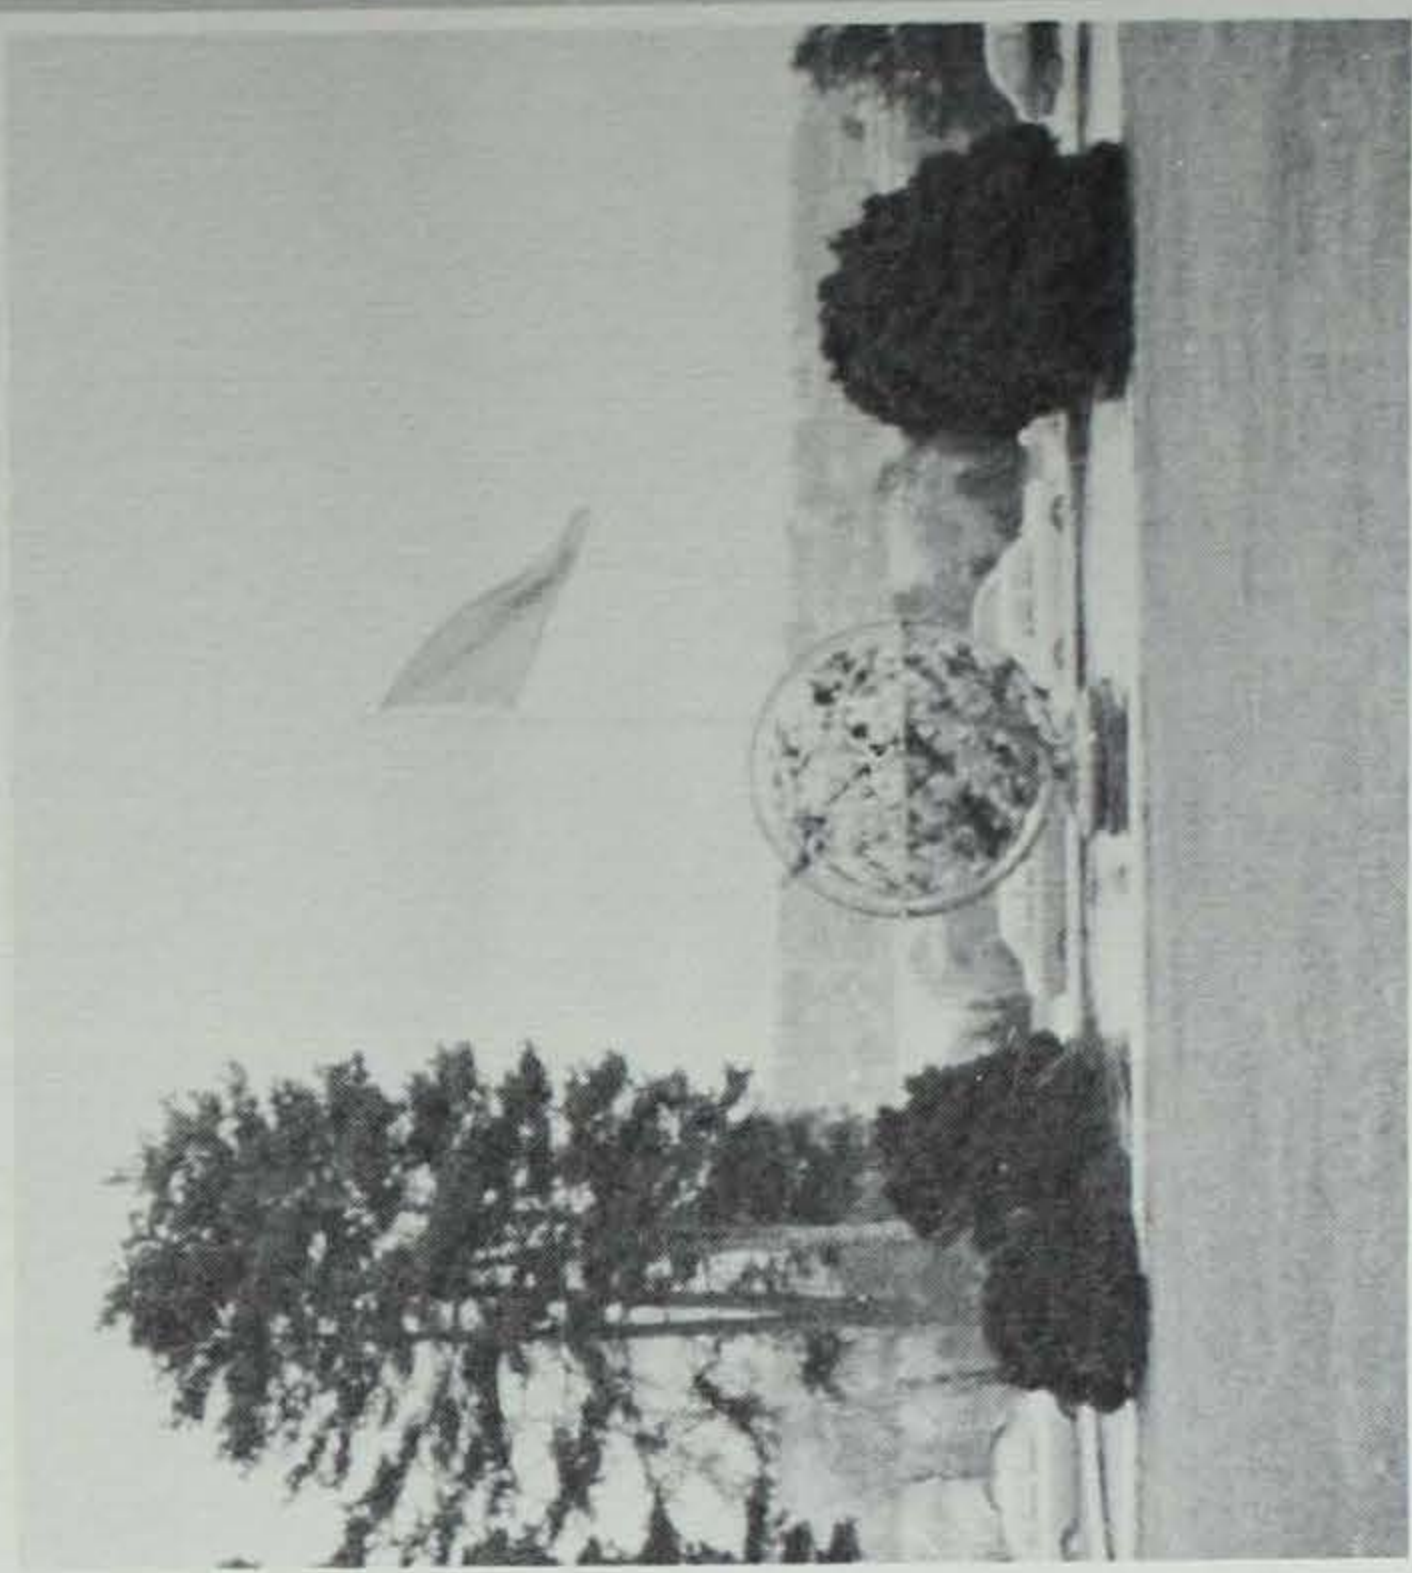

The January Interim to Europe included operas, symphonies, art museums, castles, and quaint little restaurants with accordion and guitar entertainment. The typical villas and countryside of Europe proved to be exactly what we expected.

Germany included everything from cobblestone streets barely big enough for our tour bus to modern super-highways through the countryside. Switzerland's famed Alps were even more beautiful than could be imagined. The Swiss people were very friendly and it seemed funny to be speaking French in some parts and German in others, all the while trying to mix in some English so that we would know what was happening.

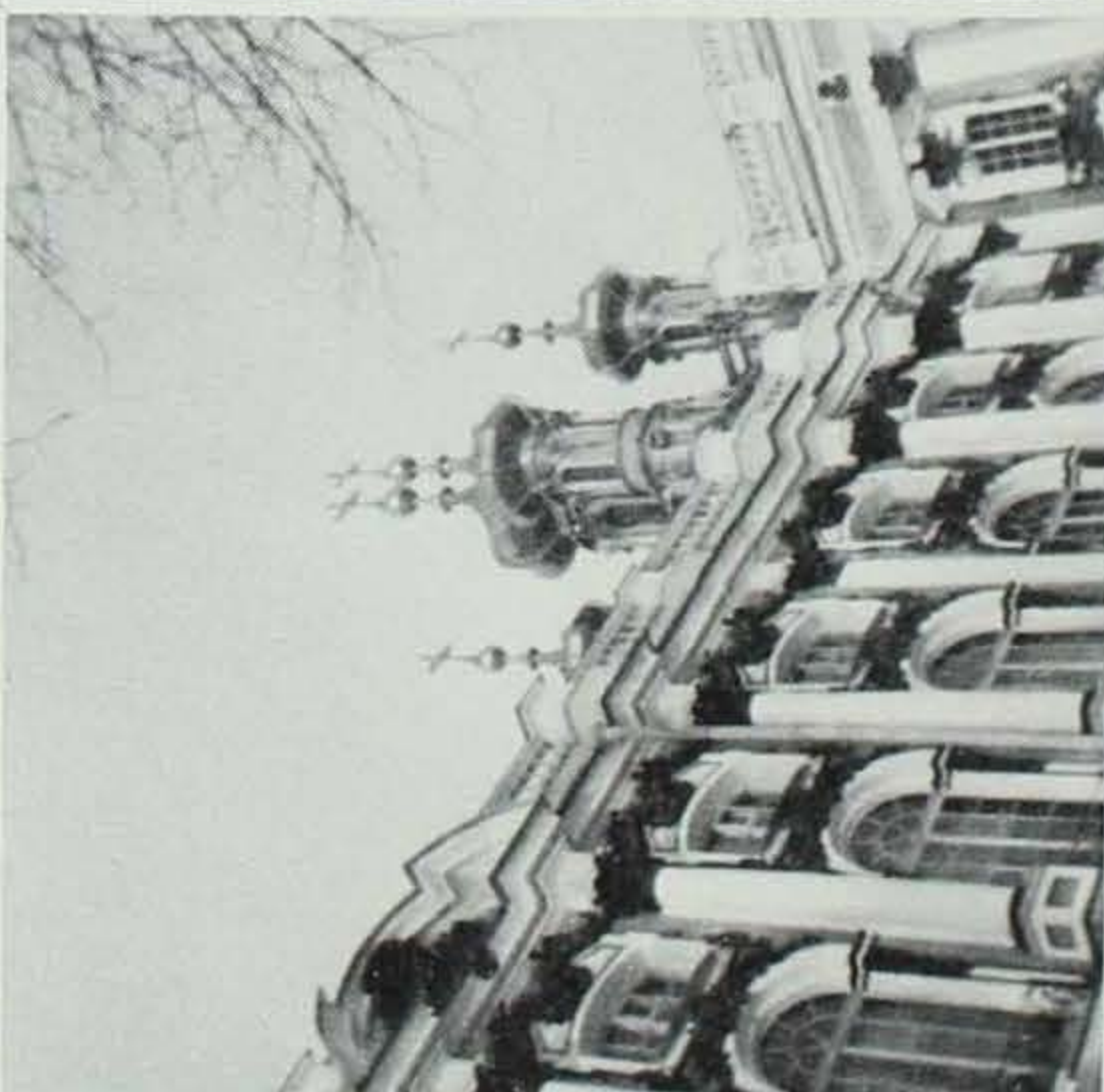

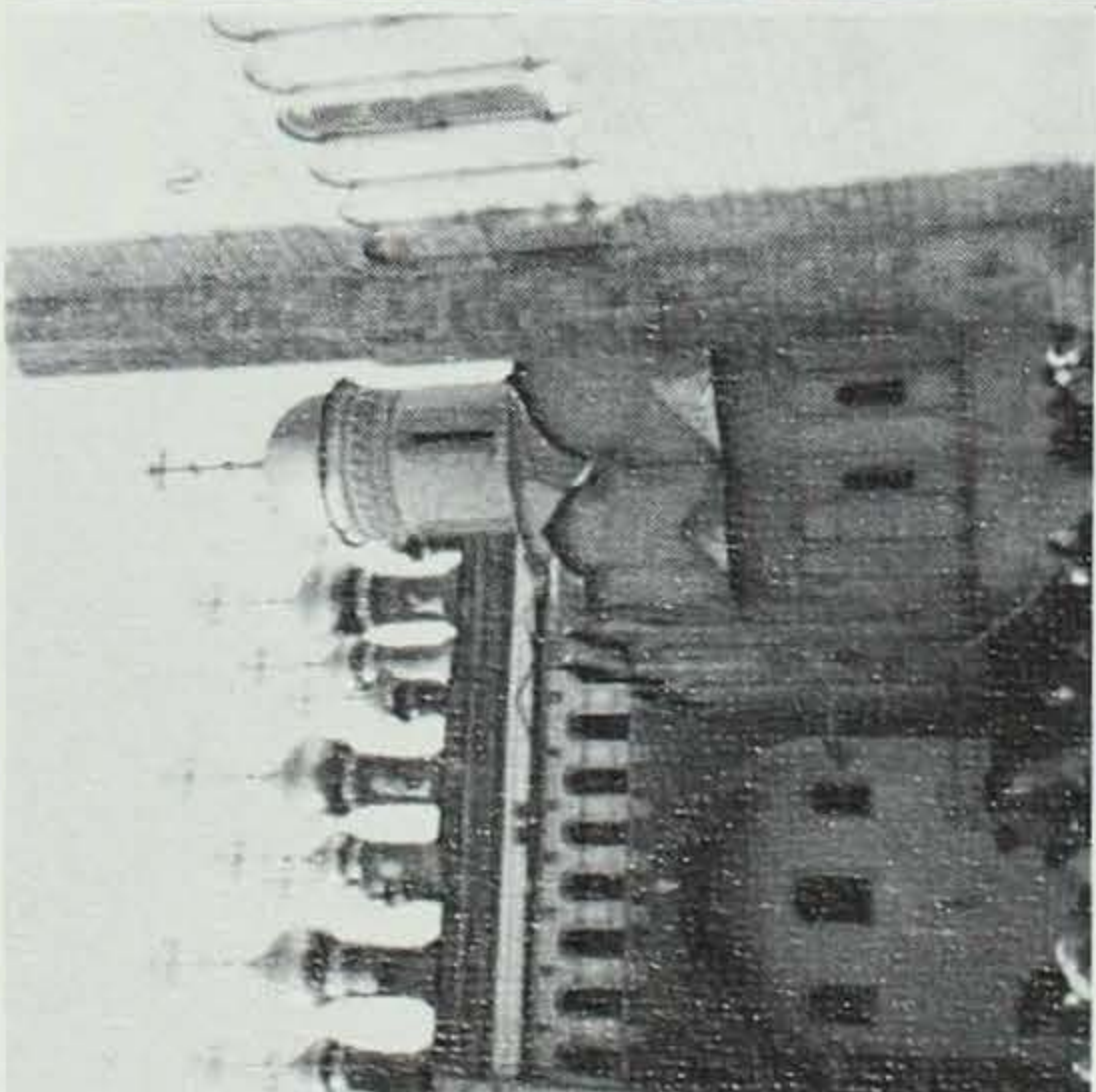

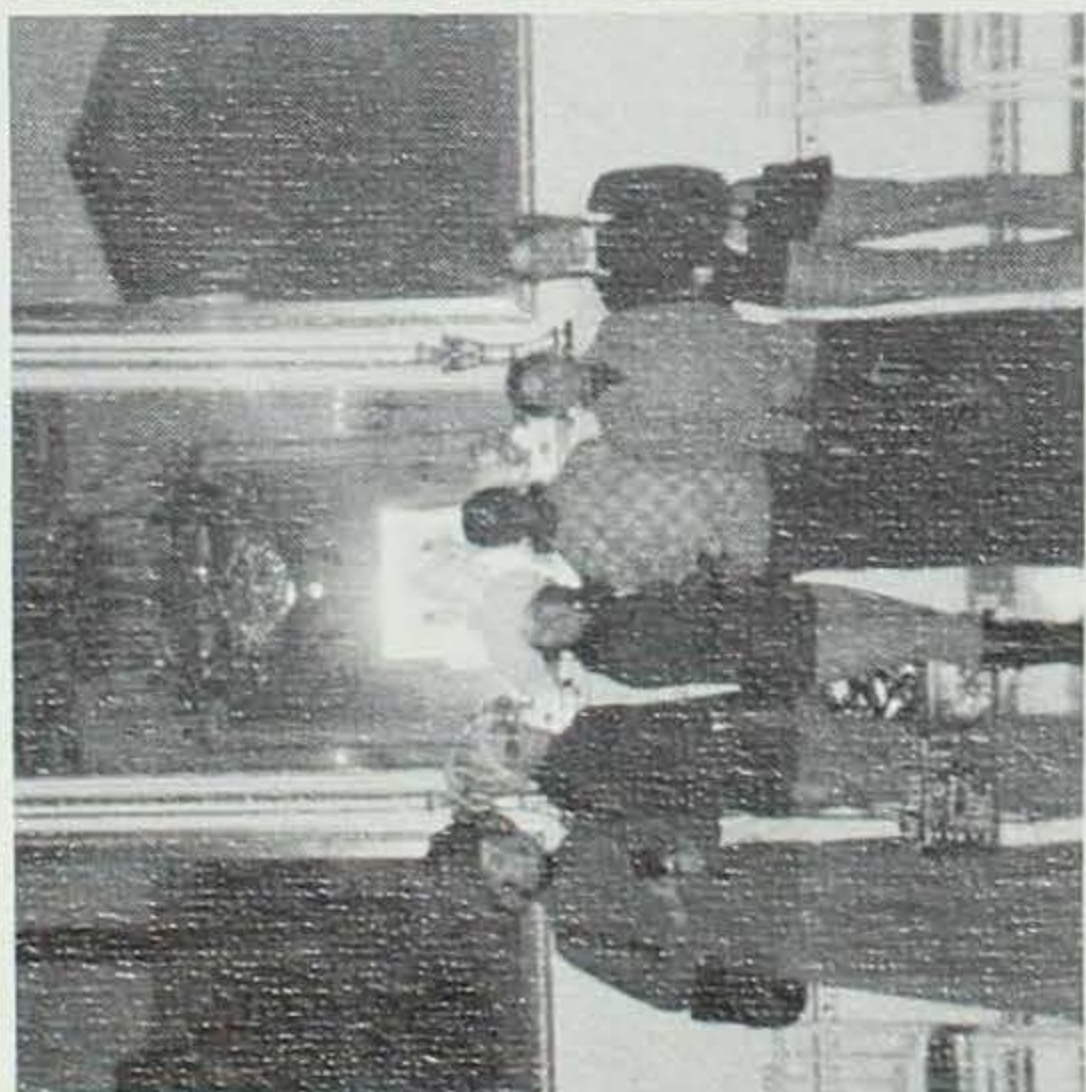

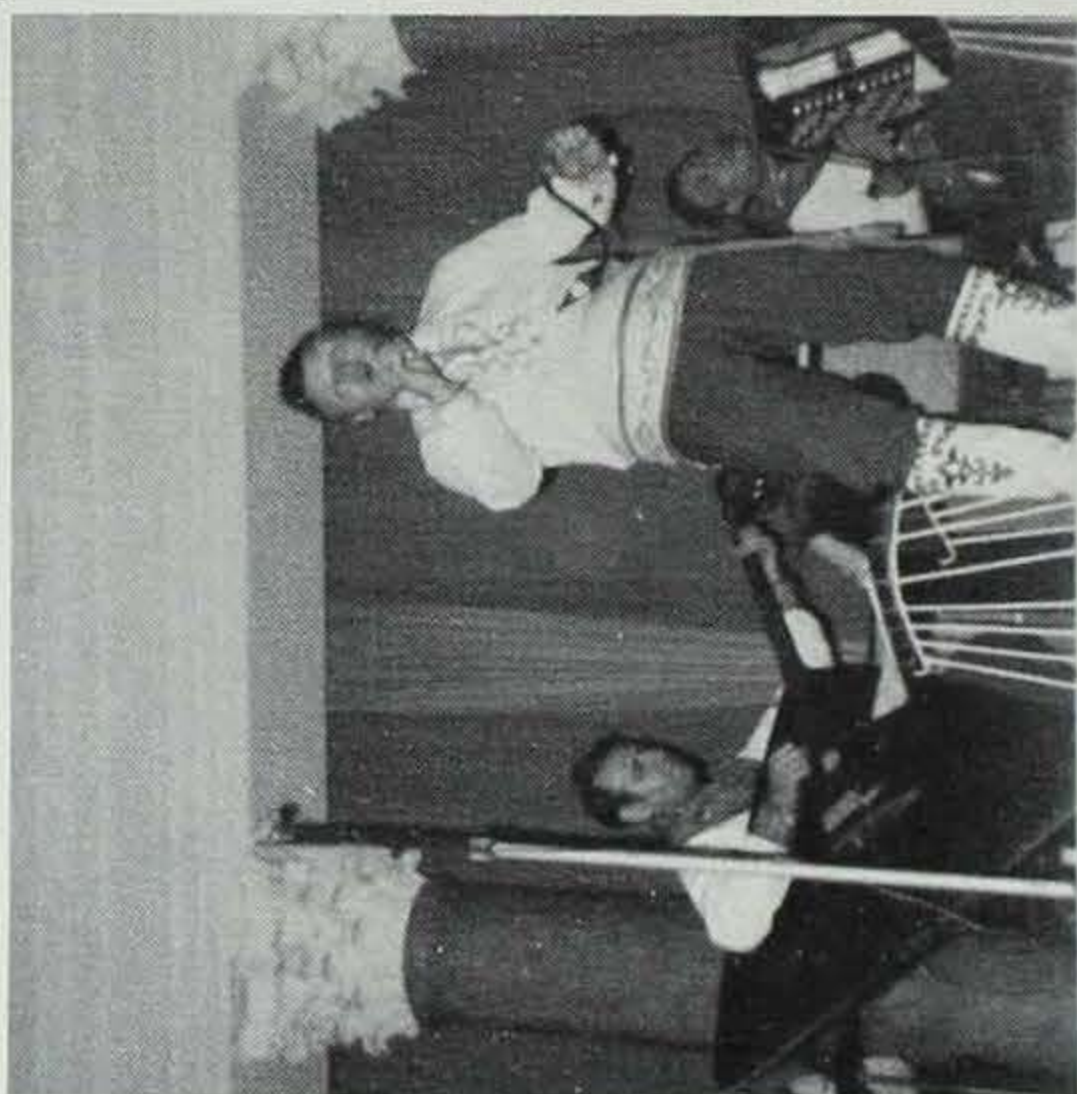

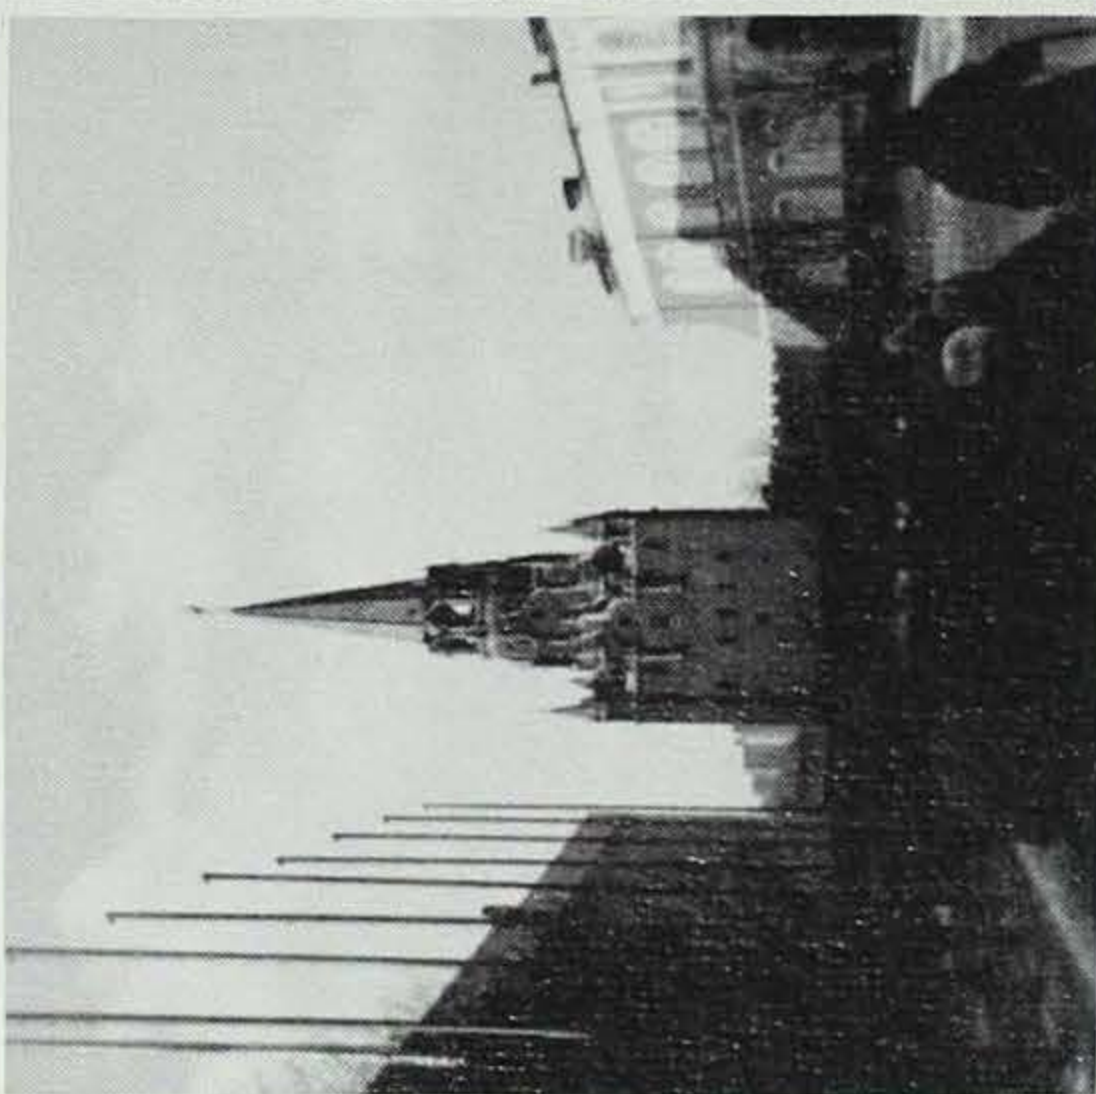

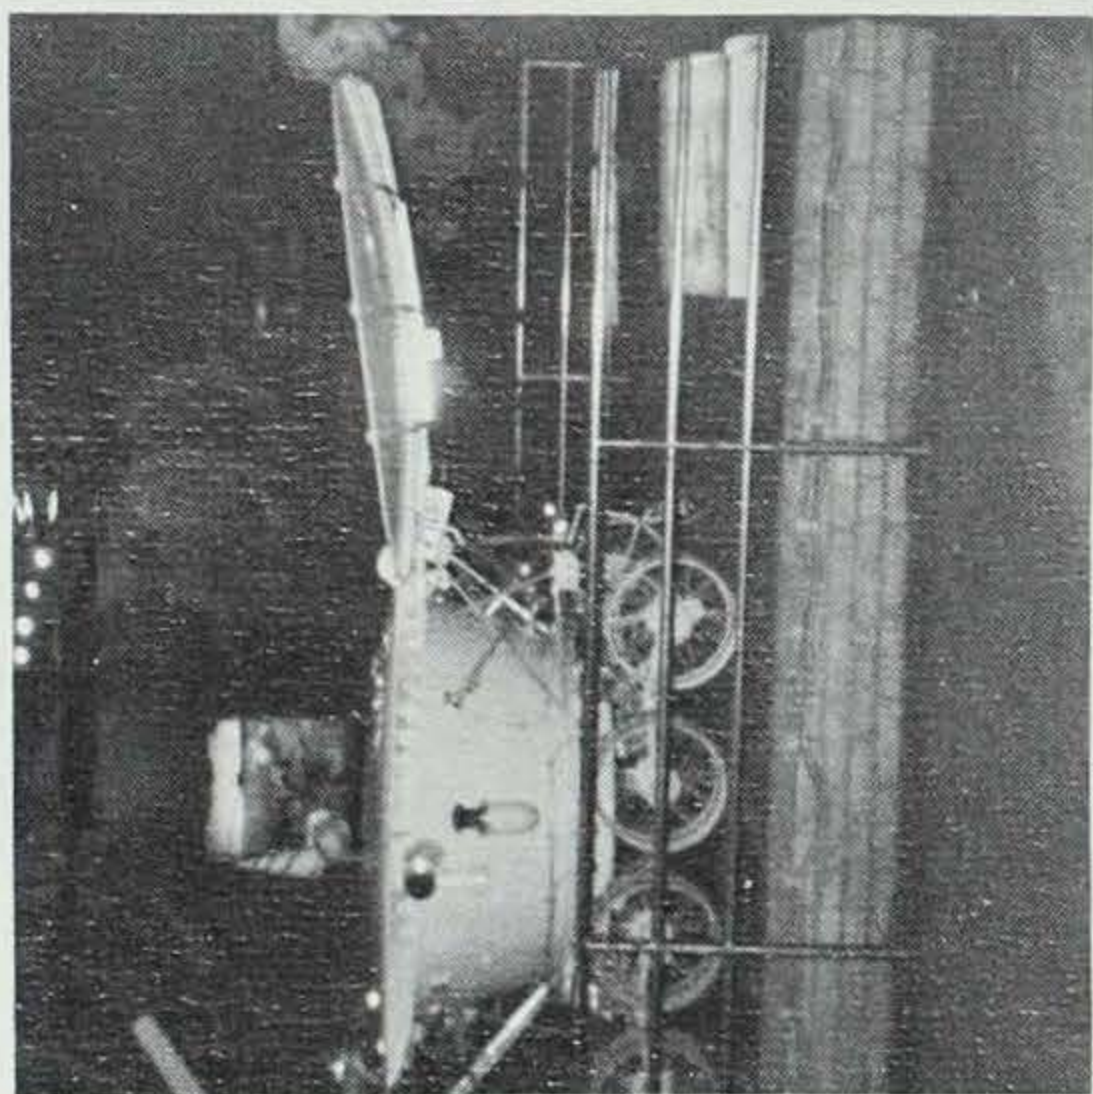

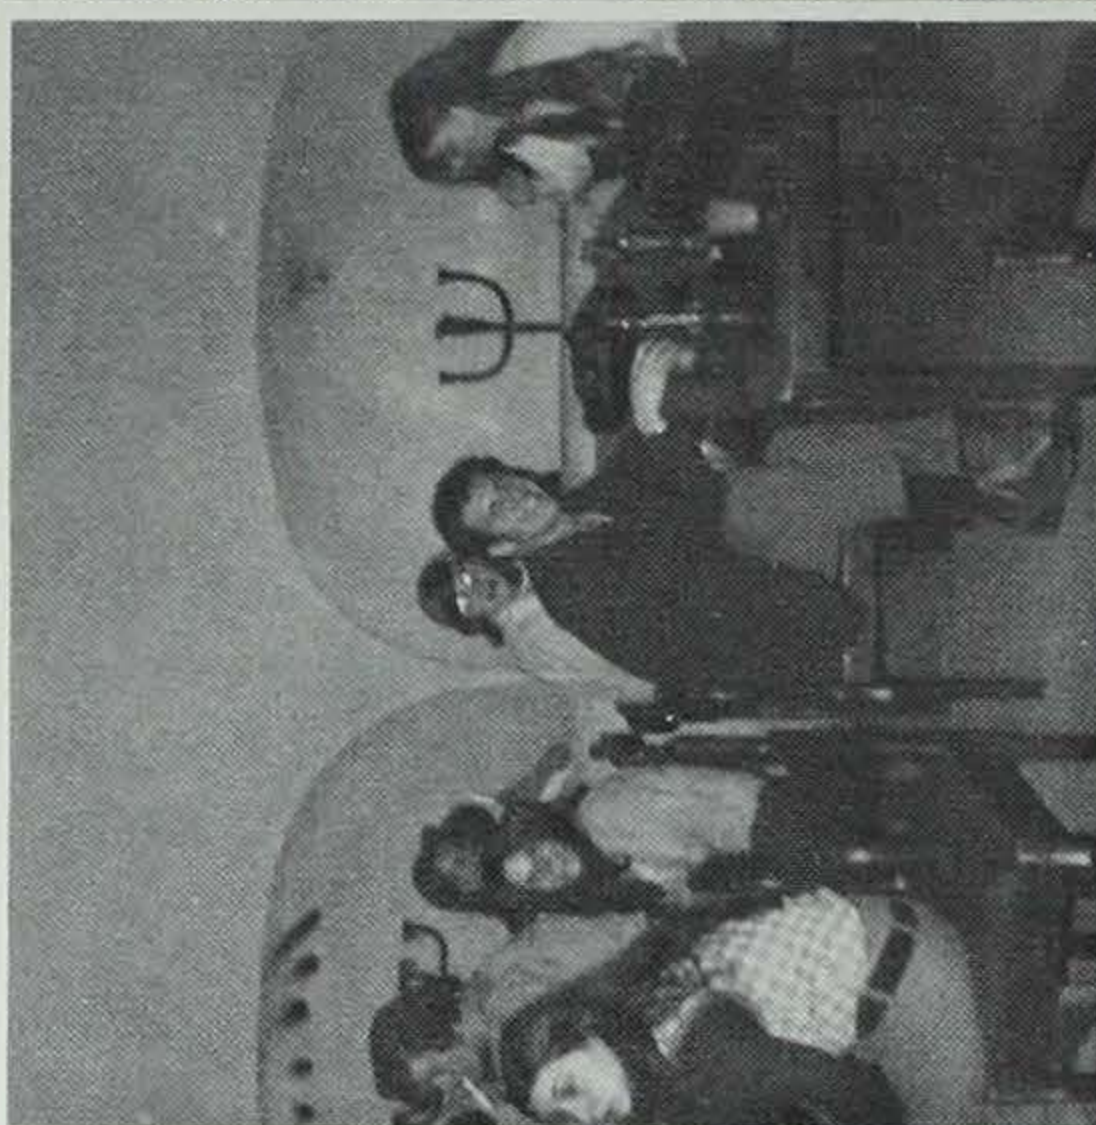

France was wild and cosmetic and perfumed oriented. The French really know how to cook! The French pastry was hard to pass by, so of course we sampled a little of everything.

Overall, we had a great time and we learned a little about many different things. We would recommend the trip to anyone considering it and we are glad we went.

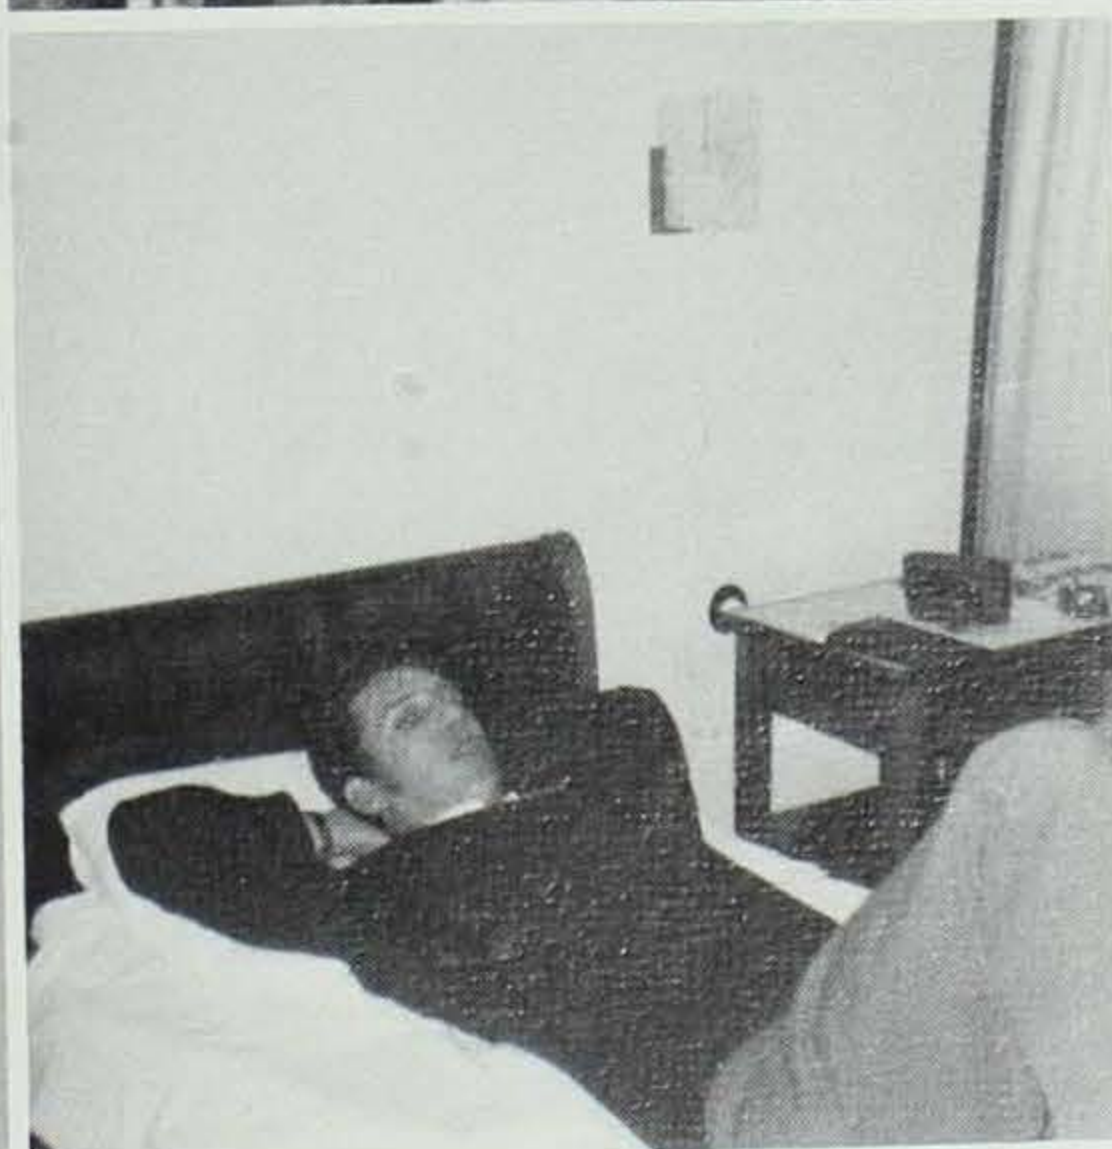

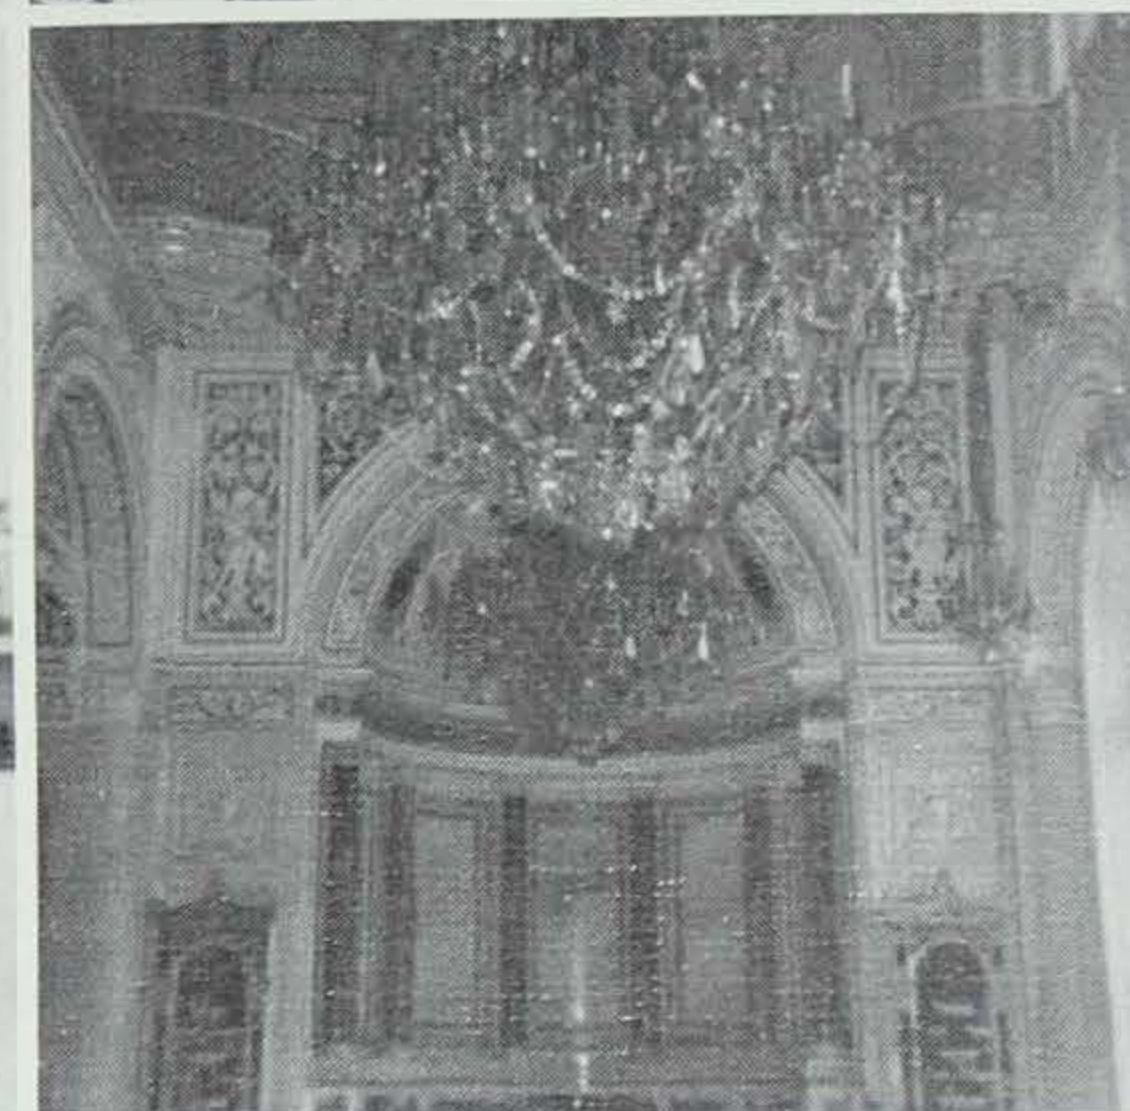

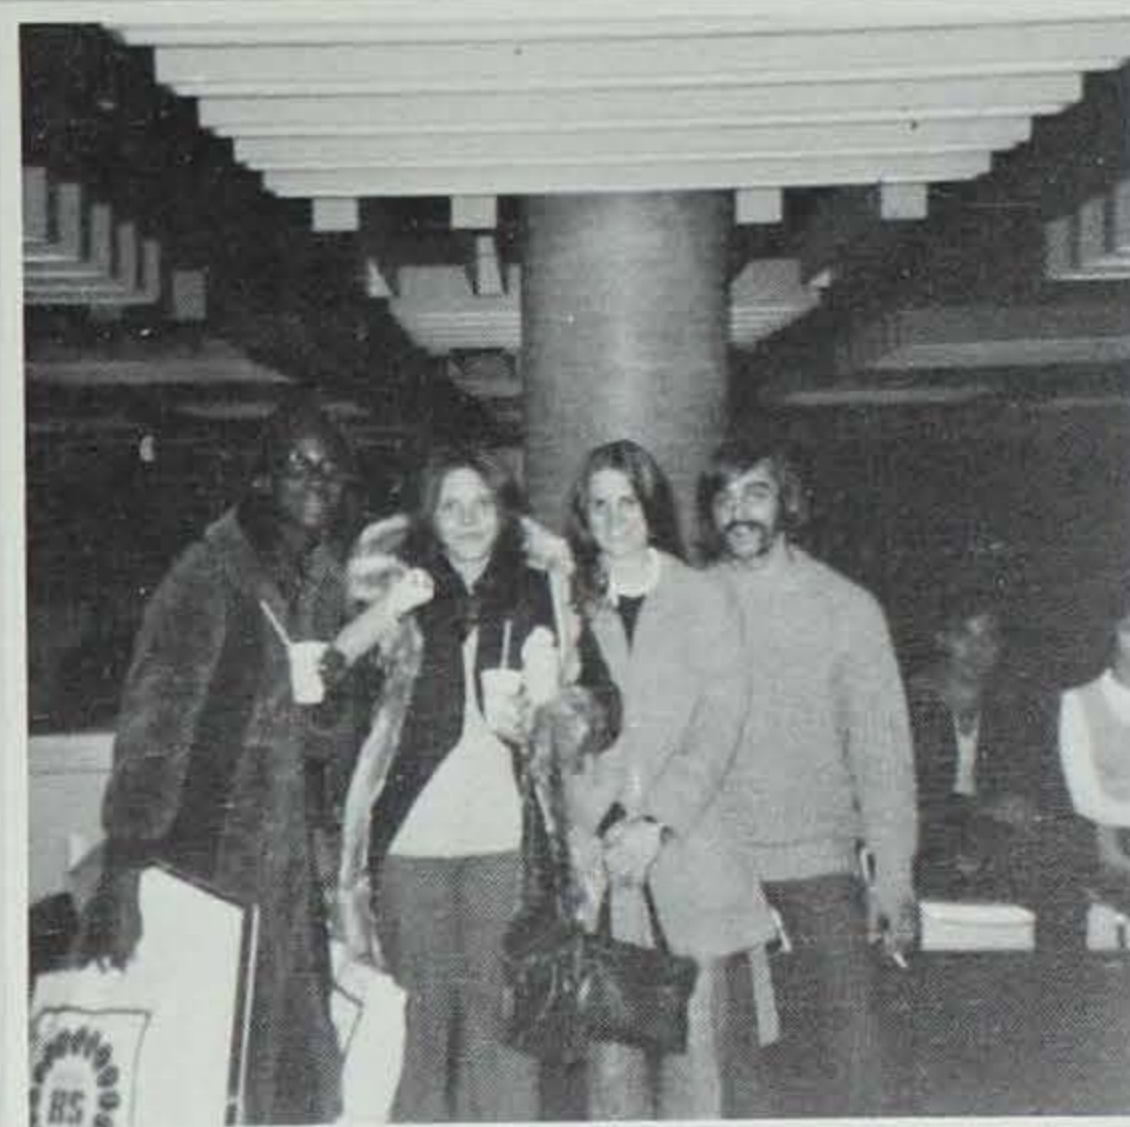

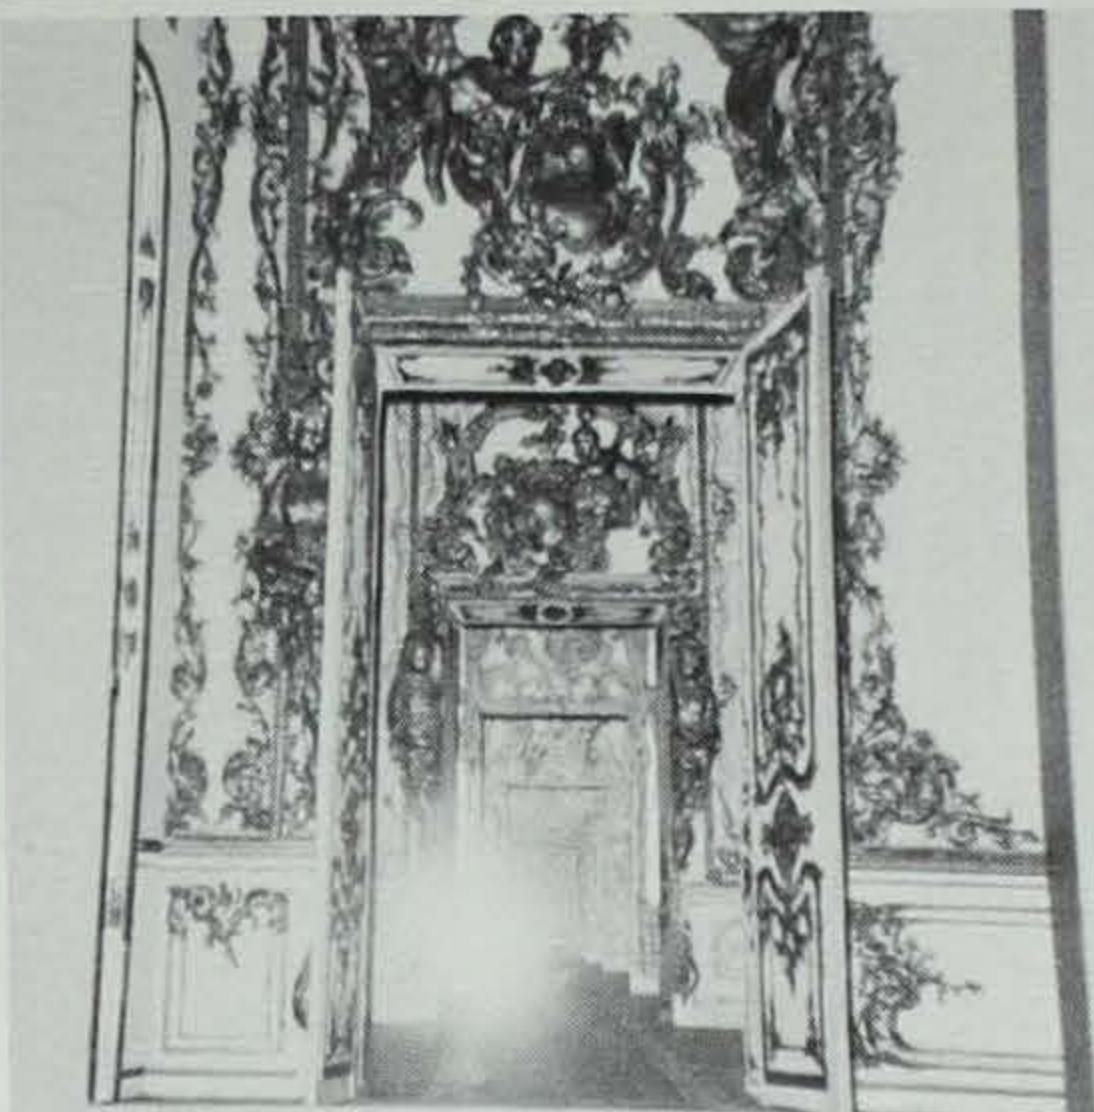

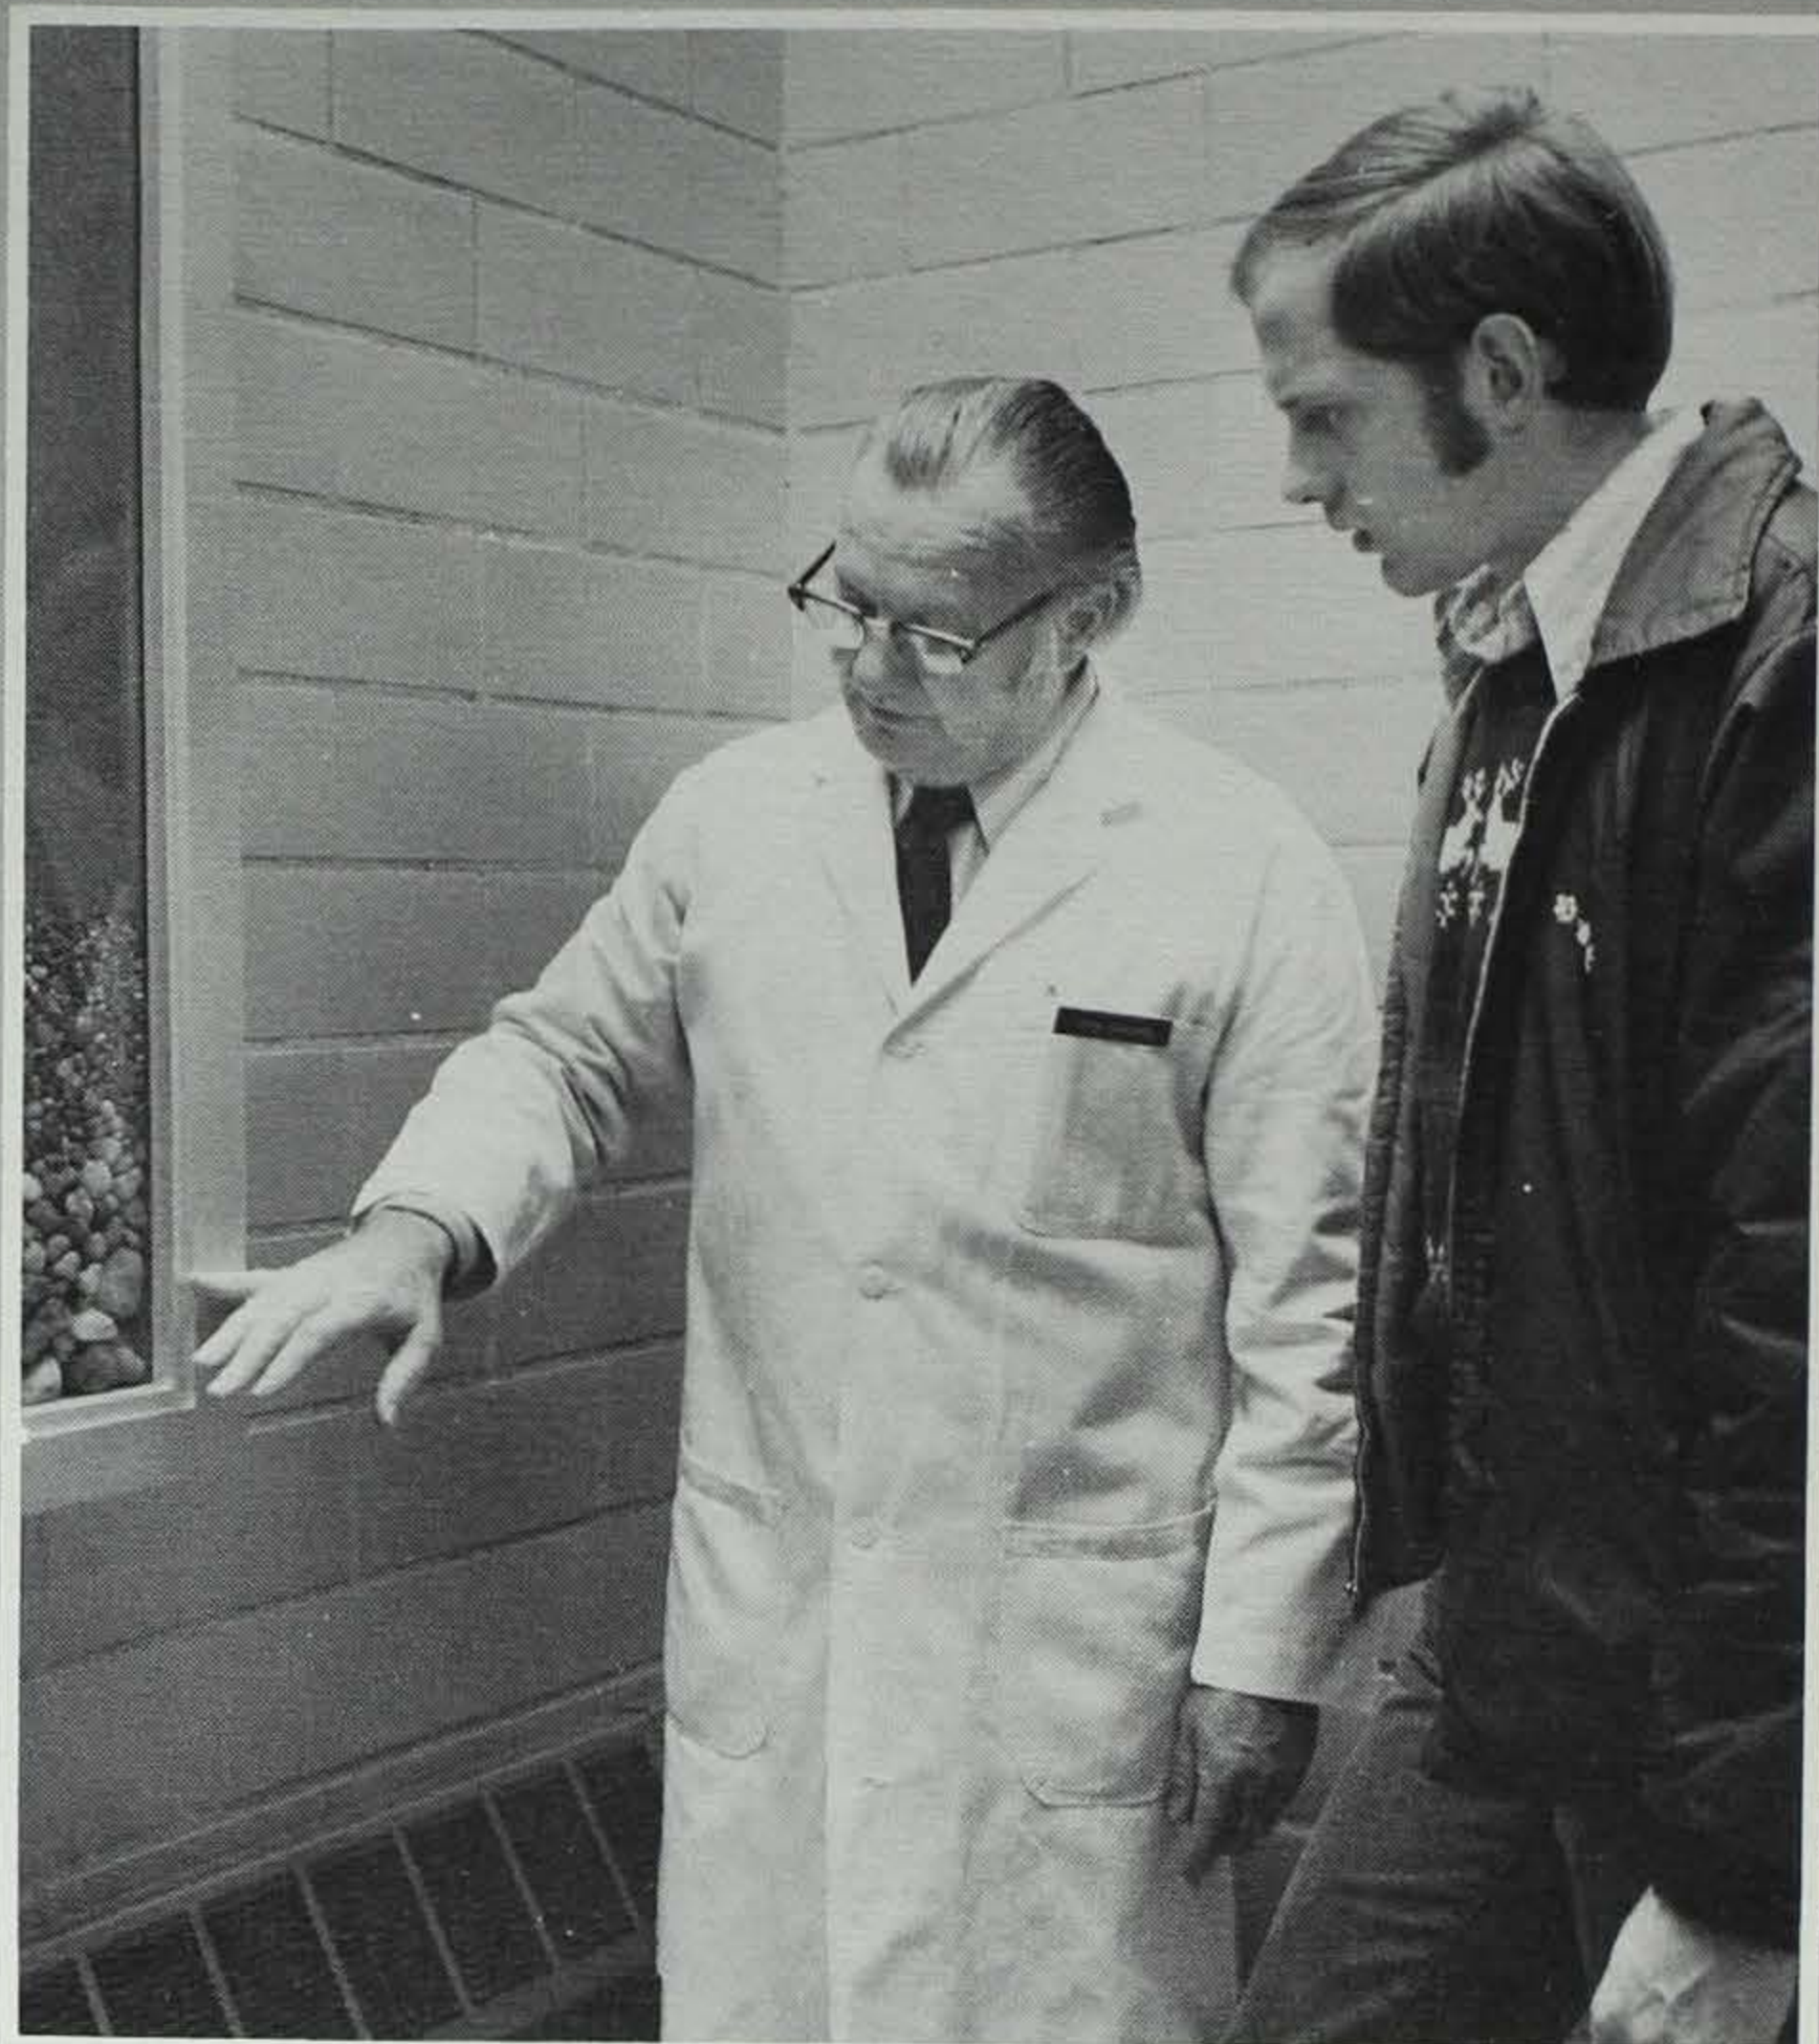

U.S.S.R.

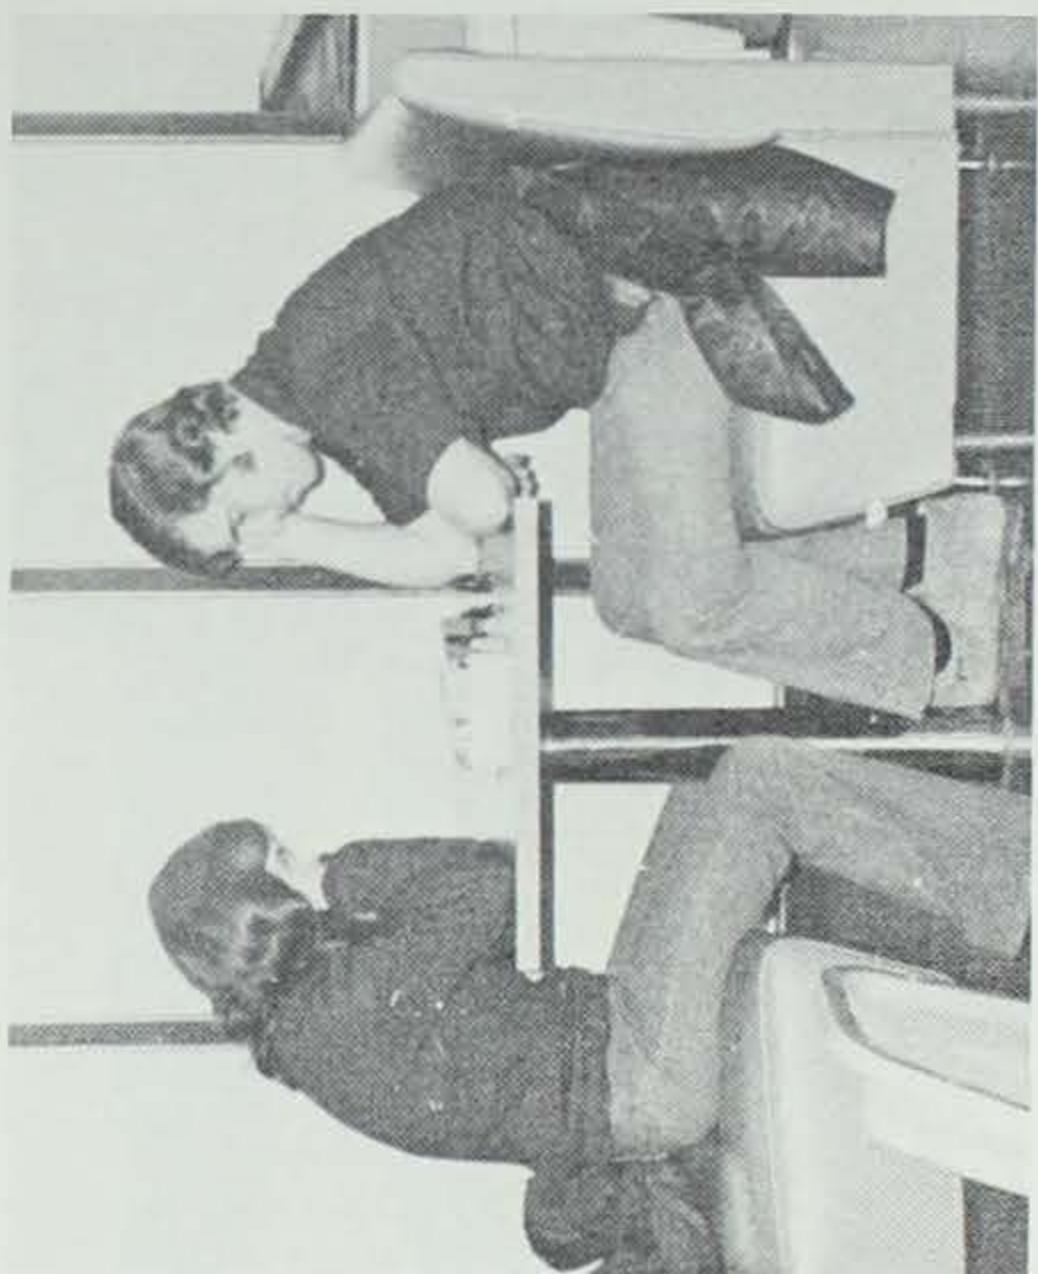

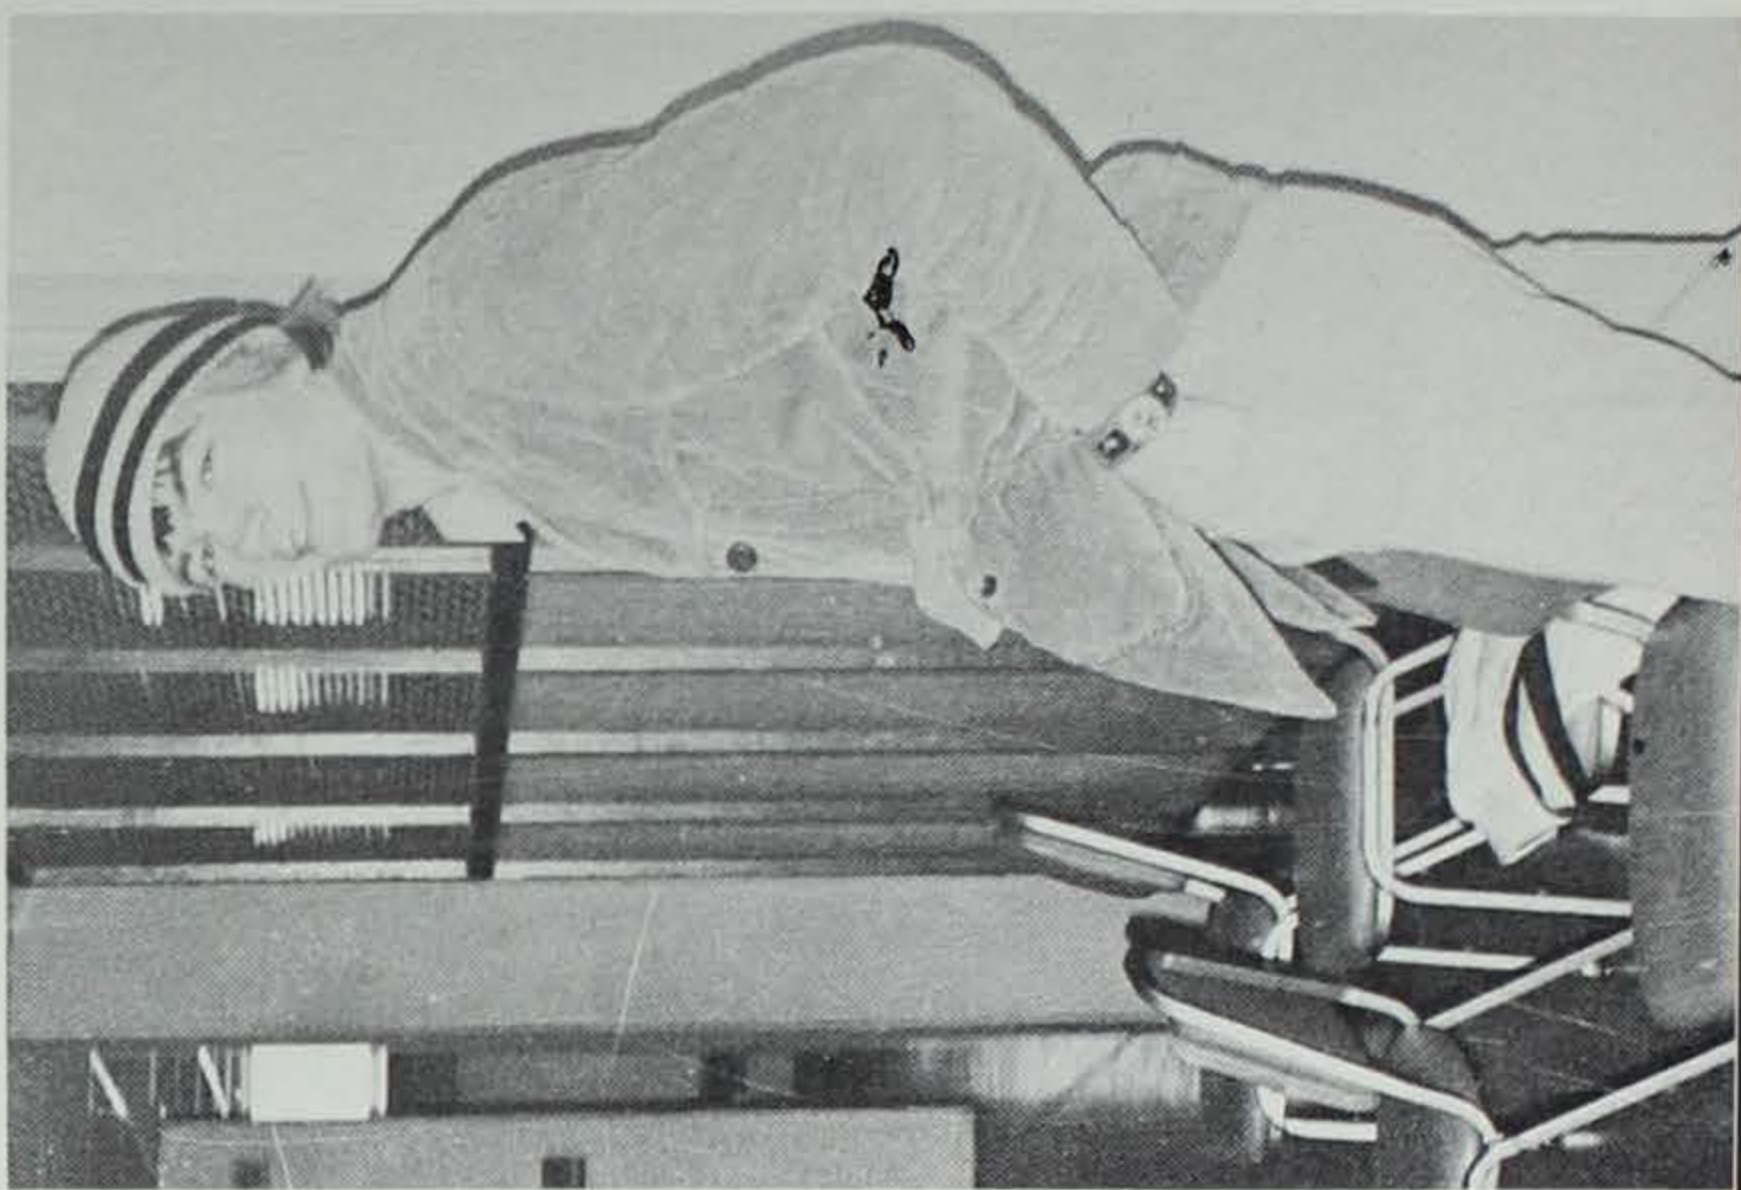

B.V.'ers who attended the Interim class to U.S.S.R. were Robert Mastrodomenico and Sue West. The sponsoring professor was our own James Rocheleau. Along with having a little fun, they also learned the language, social customs, and history.

"More is a man of angel's wit and singular learning; I know not his fellow: For where is the man of that gentleness, lowliness and affability? And as time requireth a man of marvelous mirth and fastimes; and sometimes of as sad gravity: a man for all Seasons."

We don't like brown brunswicks,
with automatic ball returns that
always get stuck.
Remember the old solid wood tables,
with shiny green felt and balls
snapping into leather-strap pockets
like a machine gun.
Guys off at five
come in for a couple beers,
They turn and look,
and then turn away,
We kids are probably
not worth watching but
Rack 'em, Dave
I'm going to shoot your eyes out.

john smith and i
got up at eight this morning
to watch captian kangaroo.
captain kangaroo was whittling
a carrot when bunny rabbit
popped up to try to rip it off.
with one smooth stroke
captain kangaroo chopped off
bunny rabbit's head.

"captain kangaroo's changed
since i was a kid,"
john smith said.

A WOUND SO DEEP THAT IT LEAVES THE HEART BLOODLESS

Despair is:

A black vale
shrouding a widow's face:
death recognized
but unrealized.
A worn shadow
beside a cold grave,
praying for deliverance
from the body of life,
to patch a severed union
with a second mound of clay.

Widow's Song:

I see your face
through the dark netting
warm, soft, and brown
in the sun's light.
Come closer and kiss me
but are you still there.

Evolution

A photograph of life
Came from a winter
of cold nights
and endless snow

Skipped into spring
with its soft rain
washing the roof tops

Fell into summer
with its longer days
and nothing to do

Casually dropped into fall
with its smoked everything
and cooling earth

Returned to winter
and was crushed by cold nights
and the endless snow

Dwight Guthrie
Honorable Mention

Love's crowded aside by Truth and Fact

Inside, a pain grows
as you intently search, to find
and you find nothing
that you didn't know before.

How can you see without knowing.
where to look and what to look for?

Cornered against a wall of hate
you cower, and shudder, falling apart
at the joints.

Why do we have an insatiable appetite for hate
yet we push love on everybody and we vent
our feelings toward those we falsely love,
There isn't any love where true feelings start,
love's crowded aside by truth and fact.

Budweiser Blues

A nice bar is one where
There is salt on every table
It's humiliating to go and say
May I have some salt for my beer?
With a shake he nods and winks, and says
"I knew a gal once who took salt with her beer,
She was a crazy broad."

I mean, why, if we pay for the beer
Do we have to ask for the salt
And get his grain of wisdom?
Am I a crazy broad too?

Winter

Footsteps.
Snow crunching.
Sharp fragments of sound, like a shattering bone.
New crystal slipcovers embellishing every tree.
The lake a rigid caricature of summer's shimmering water
Can this rough frozen power yield to spring's gentle green?
Or must every season surrender to winter's frigid will?

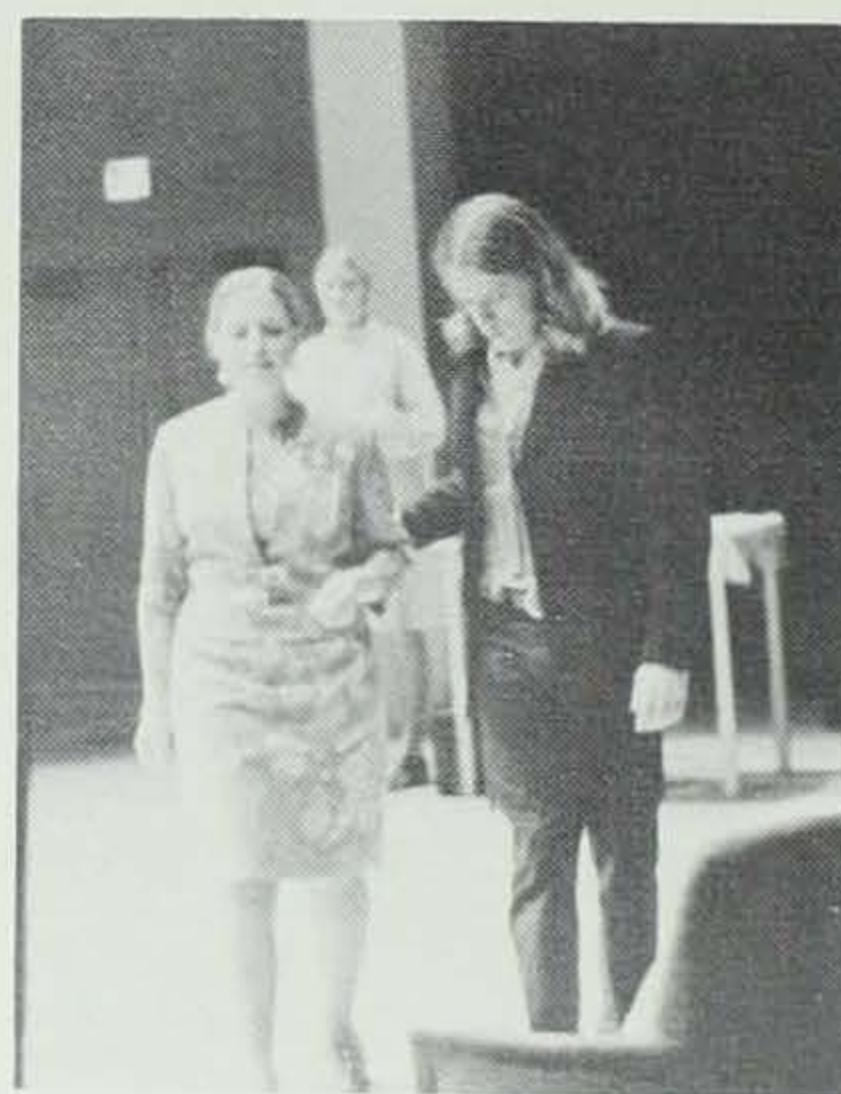

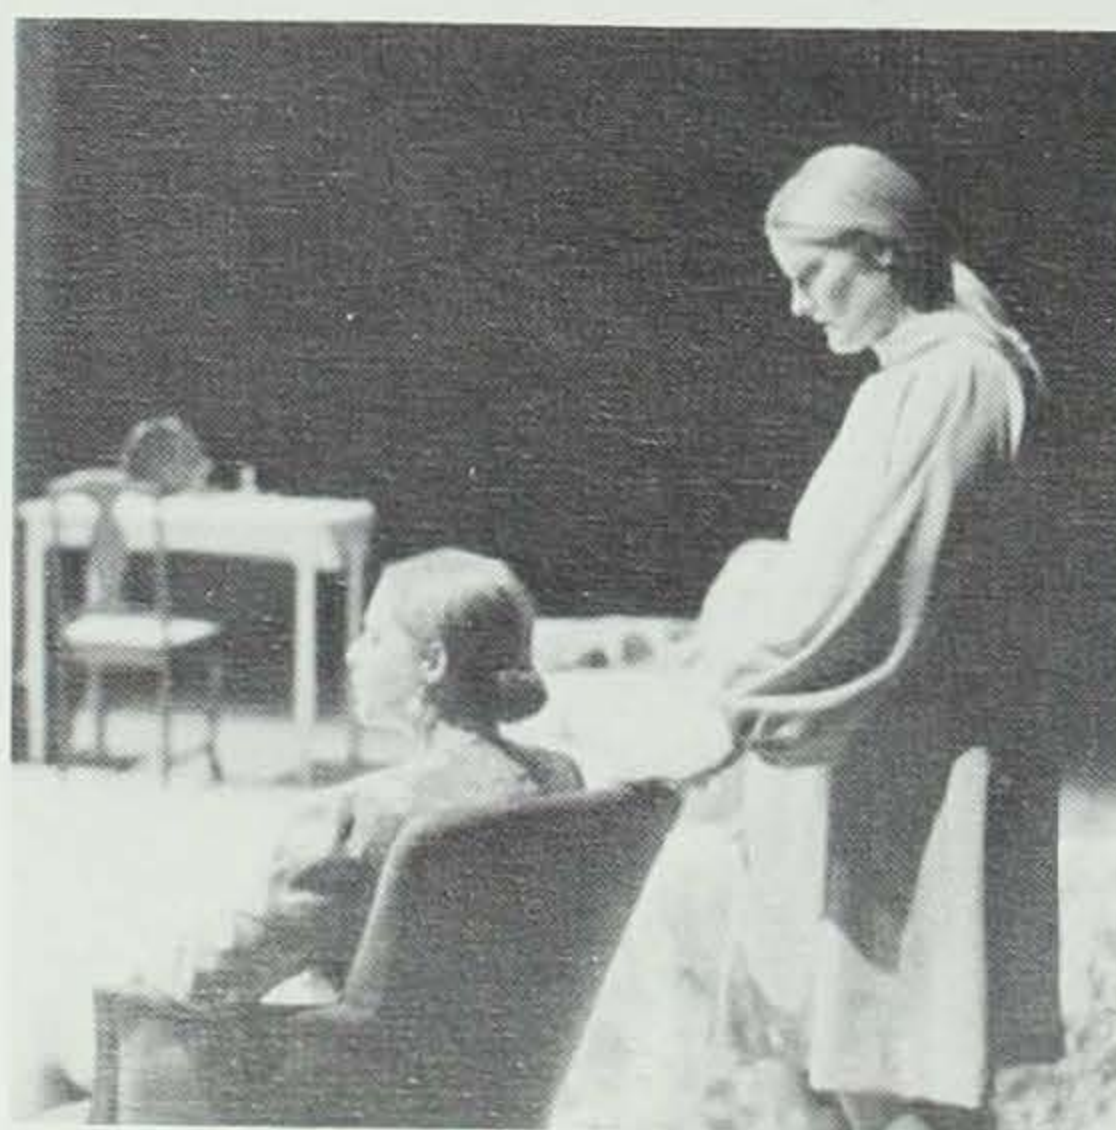

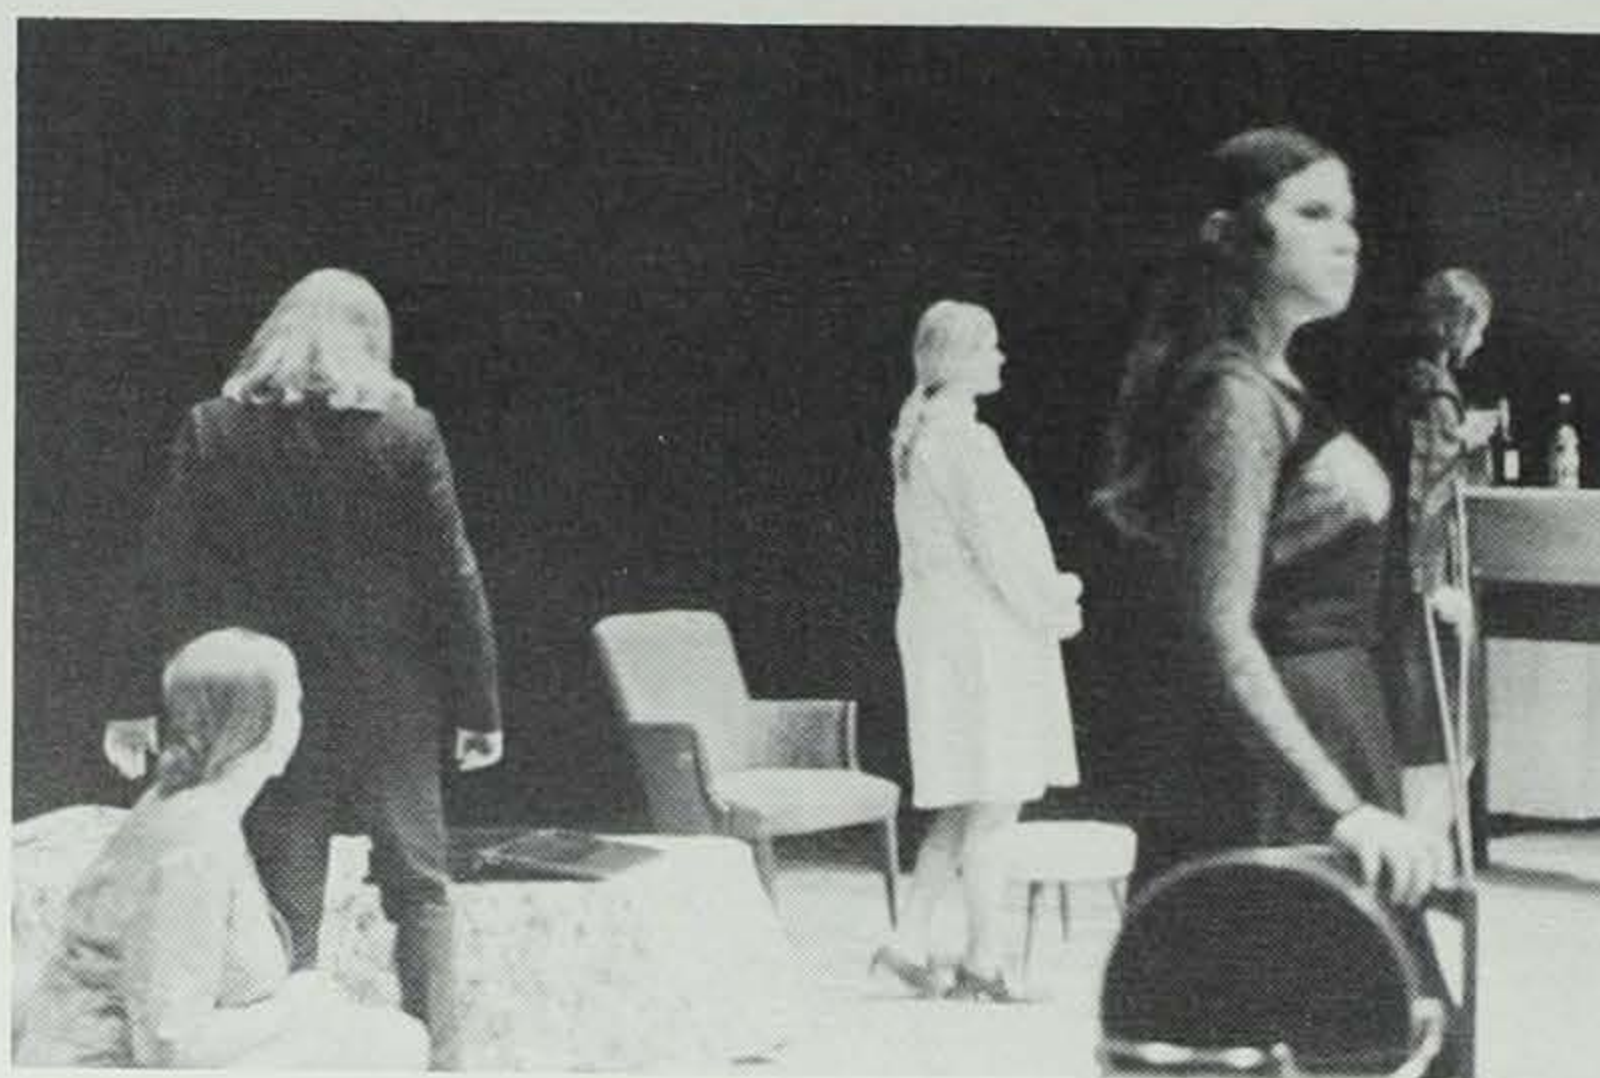

The bone-chilling winds wail in turbulent accord,
Twisting branches and tossing tender twigs.
Caught in winter's harsh embrace, I long for spring;
Spring with her soft awakening touch.
Will I ever be warm again?

Time.
Time will weaken winter's icy grip, dethroning the cold-hearted king.
In time, the coarse, surely wind will be shackled,
Soft carpets of new grass will replace slippery vinyl ice,
Green willows will trail drooping branches in the gently-rippling lake.
And, in time, I will be warm.

The 1972 BVC Football Team

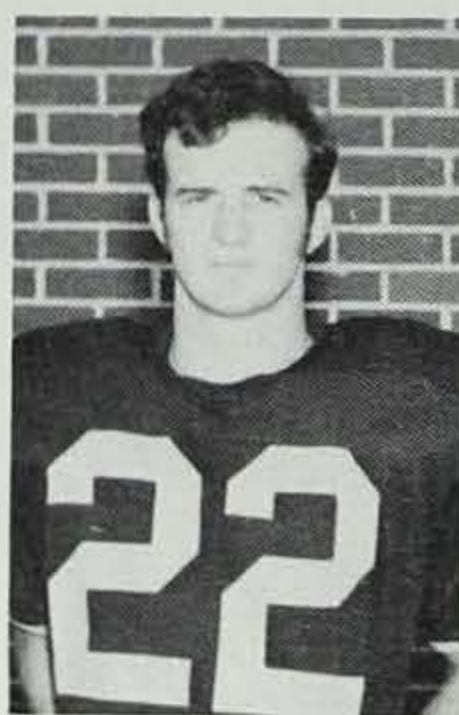

Reflections on Football

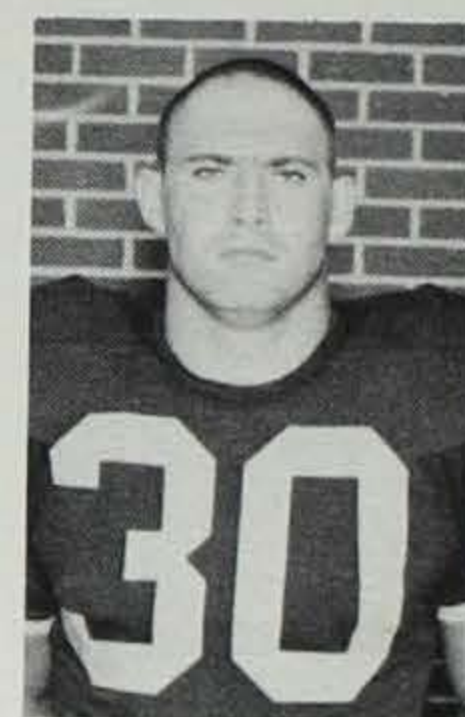

Head Coach Jim Hershberger

Coach Hershberger credits one major item in enabling the Beavers to grab its first football championship in twenty years. "This team really had pride. They battled back a number of times and fought their way to victory. It was just great and everyone connected with Buena Vista College should be very, very proud of these men."

Eleven members of the 1972 Buena Vista College football team were named to the Iowa Conference first and second teams. Six Beavers were named to the first team and five to the second team. First team members include Dave Dolan, Jim Kennedy, Steve McPherson, Joe Kotval, Mike Wiederin and Tom McGrain. Second team members were Charles Mulligan, Lyle Karsten, John Fay, Jerry Bisenius, and Gary Debner.

Dave Dolan the league in rushing, averaging just over 100 yards per contest. The 5-8, 155 sprinter from Marble Rock also had the longest run of the season for BVC, returning a kick-off 91 yards for a touchdown against Upper Iowa.

Jim Kennedy, 6-1, 218 from Grand Meadows, Minnesota, was the Beavers' fullback all season. Jim was one of the best blocking backs in the conference, a very rugged ball carrier, and a fine pass receiver.

Steve McPherson, a 6-2, 195 tight end from Jefferson is to be complimented for his blocking ability. Steve did an outstanding job blocking and of catching the short passes for the team, oftentimes in a crowd.

Joe Kotval, 6-3, 248, was the mainstay in the talented Beaver front line. Joe has outstanding speed for his size and did a tremendous job of blocking where ever he was needed. He is a great football player.

Mike Wiederin, although only 6-1, 208, was instrumental in the middle of the line for the Beavers. Mike was an excellent blocker and snapped the ball very well. He is very quick and handled a lot of people that were much bigger.

Tom McGrain, 6-1, 215, is one of the finest linebackers in the conference. He is an extremely dedicated football player and has all the tools to be a great one.

Charles Mulligan, 6-1, 204, ranked second in total offense in the league this season. He is considered to be a very good passer and a better than average runner. This was his third season as the no. 1 quarterback for the Beavers.

Lyle Karsten, 6-6, 238, from Manning, teamed up with Kotval to form one of the strongest offensive lines in the conference.

John Fay, 6-3, 215 was one of the top defensive linemen for the champion Beavers. He is considered to be one of the top defensive ends in the conference.

Jerry Bisenius, 6-3, 245 from Emmetsburg, is the other top defensive lineman for the Beavers. Jerry is a tough competitor and knows what defensive tackle is all about.

Gary Debner, 6-2, 190 from Greene improved greatly this year after he was moved from the offensive backfield to defense.

Football Honors Banquet

The day is November 11, 1972. The place is the football stadium in Oskaloosa, home of Wm. Penn College. The time is five seconds left in the B.V.C.-Wm. Penn football game. The Beavers are on their way to winning their first conference football title in twenty years.

Although the Beavers suffered two defeats early in the season, they showed a lot of determination as they fought back to win every following game and finally the crucial game of the season against Wm. Penn, 26-24. this is the same score by which the Beavers defeated Wm Penn last year and knocked them out of contention for the conference crown.

This year a special student-faculty dinner was held to honor the football team and the coaching staff. At this dinner the All-Conference and District 15 team members were announced and awards given to them; Coach Hershberger was honored; and the Conference Trophy, of which the entire B.V.C. student body is proud, was presented to President Halverson.

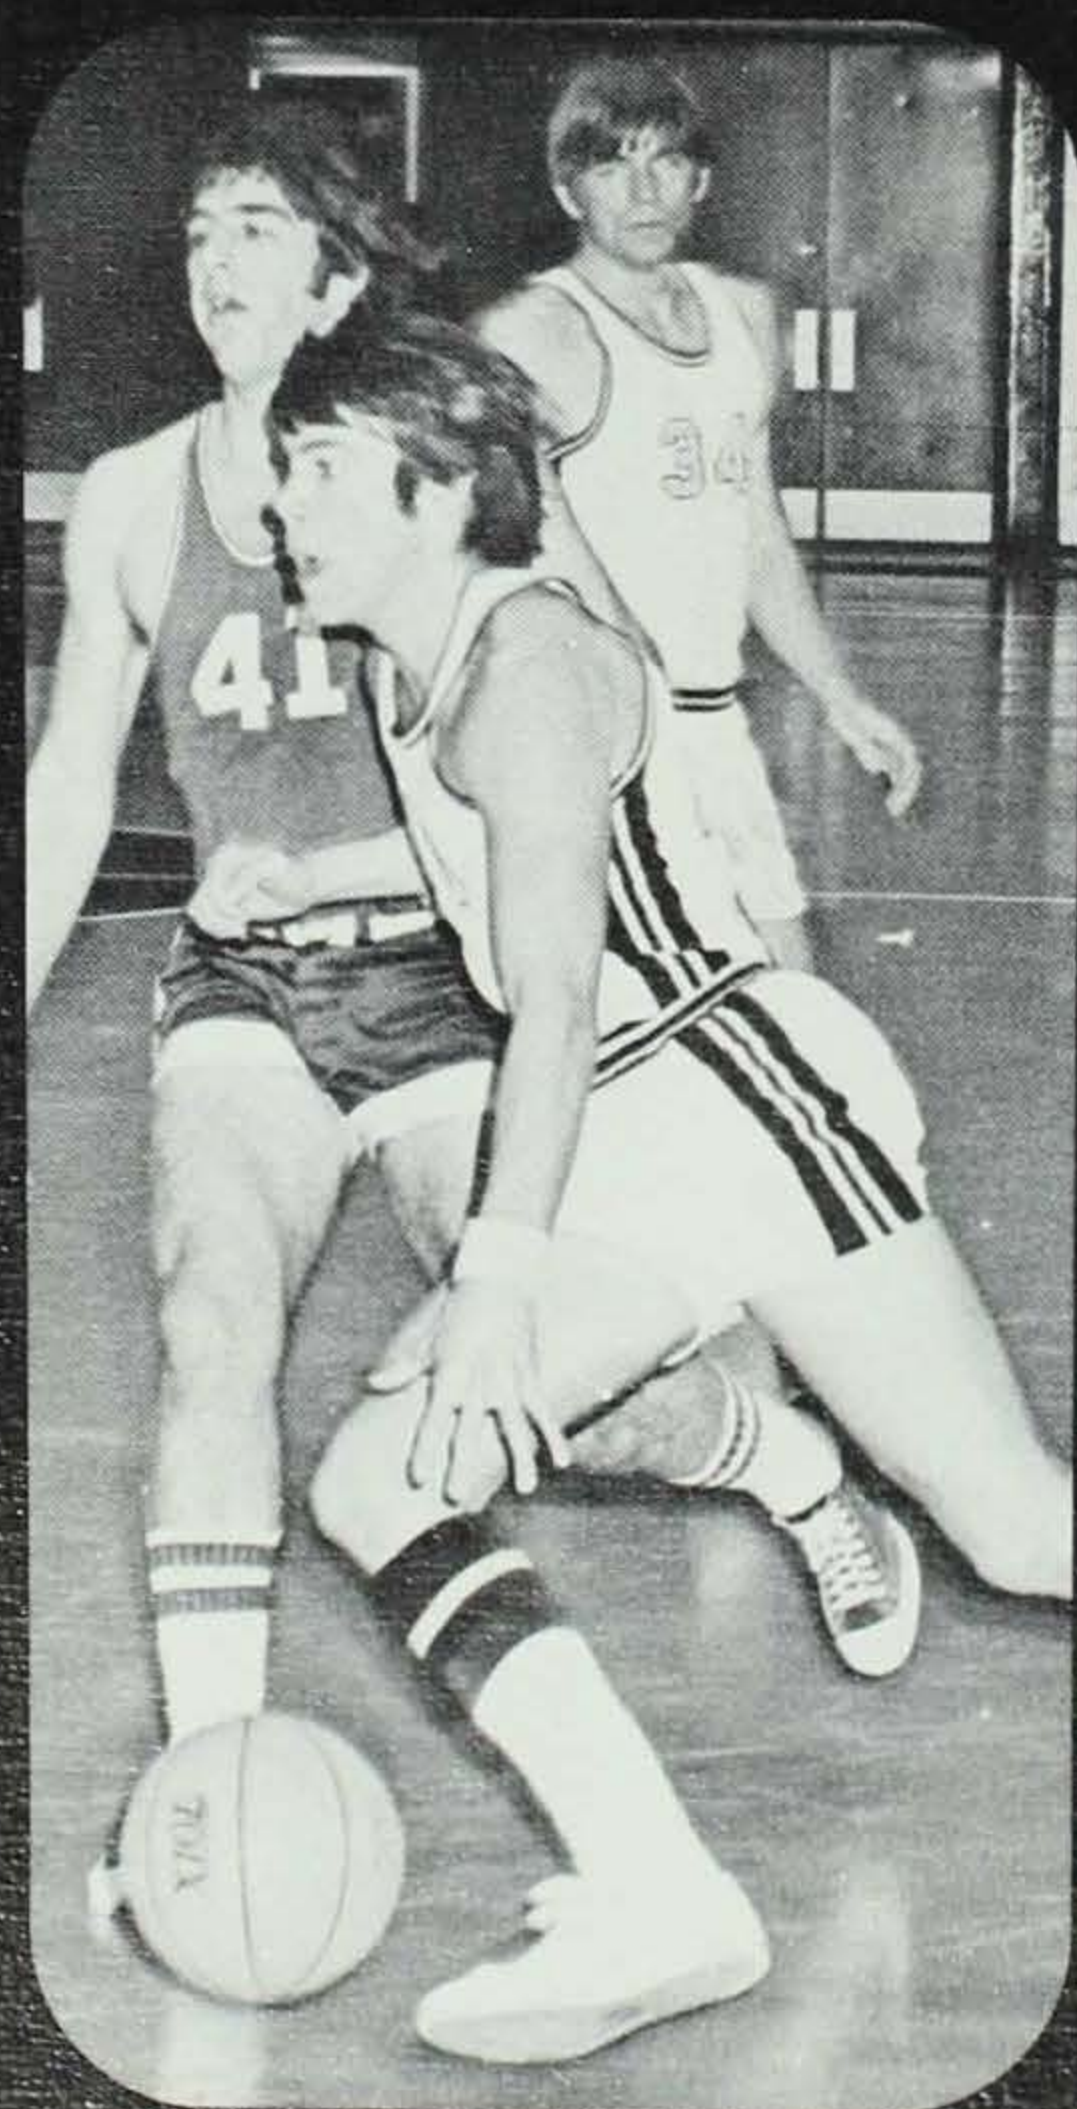

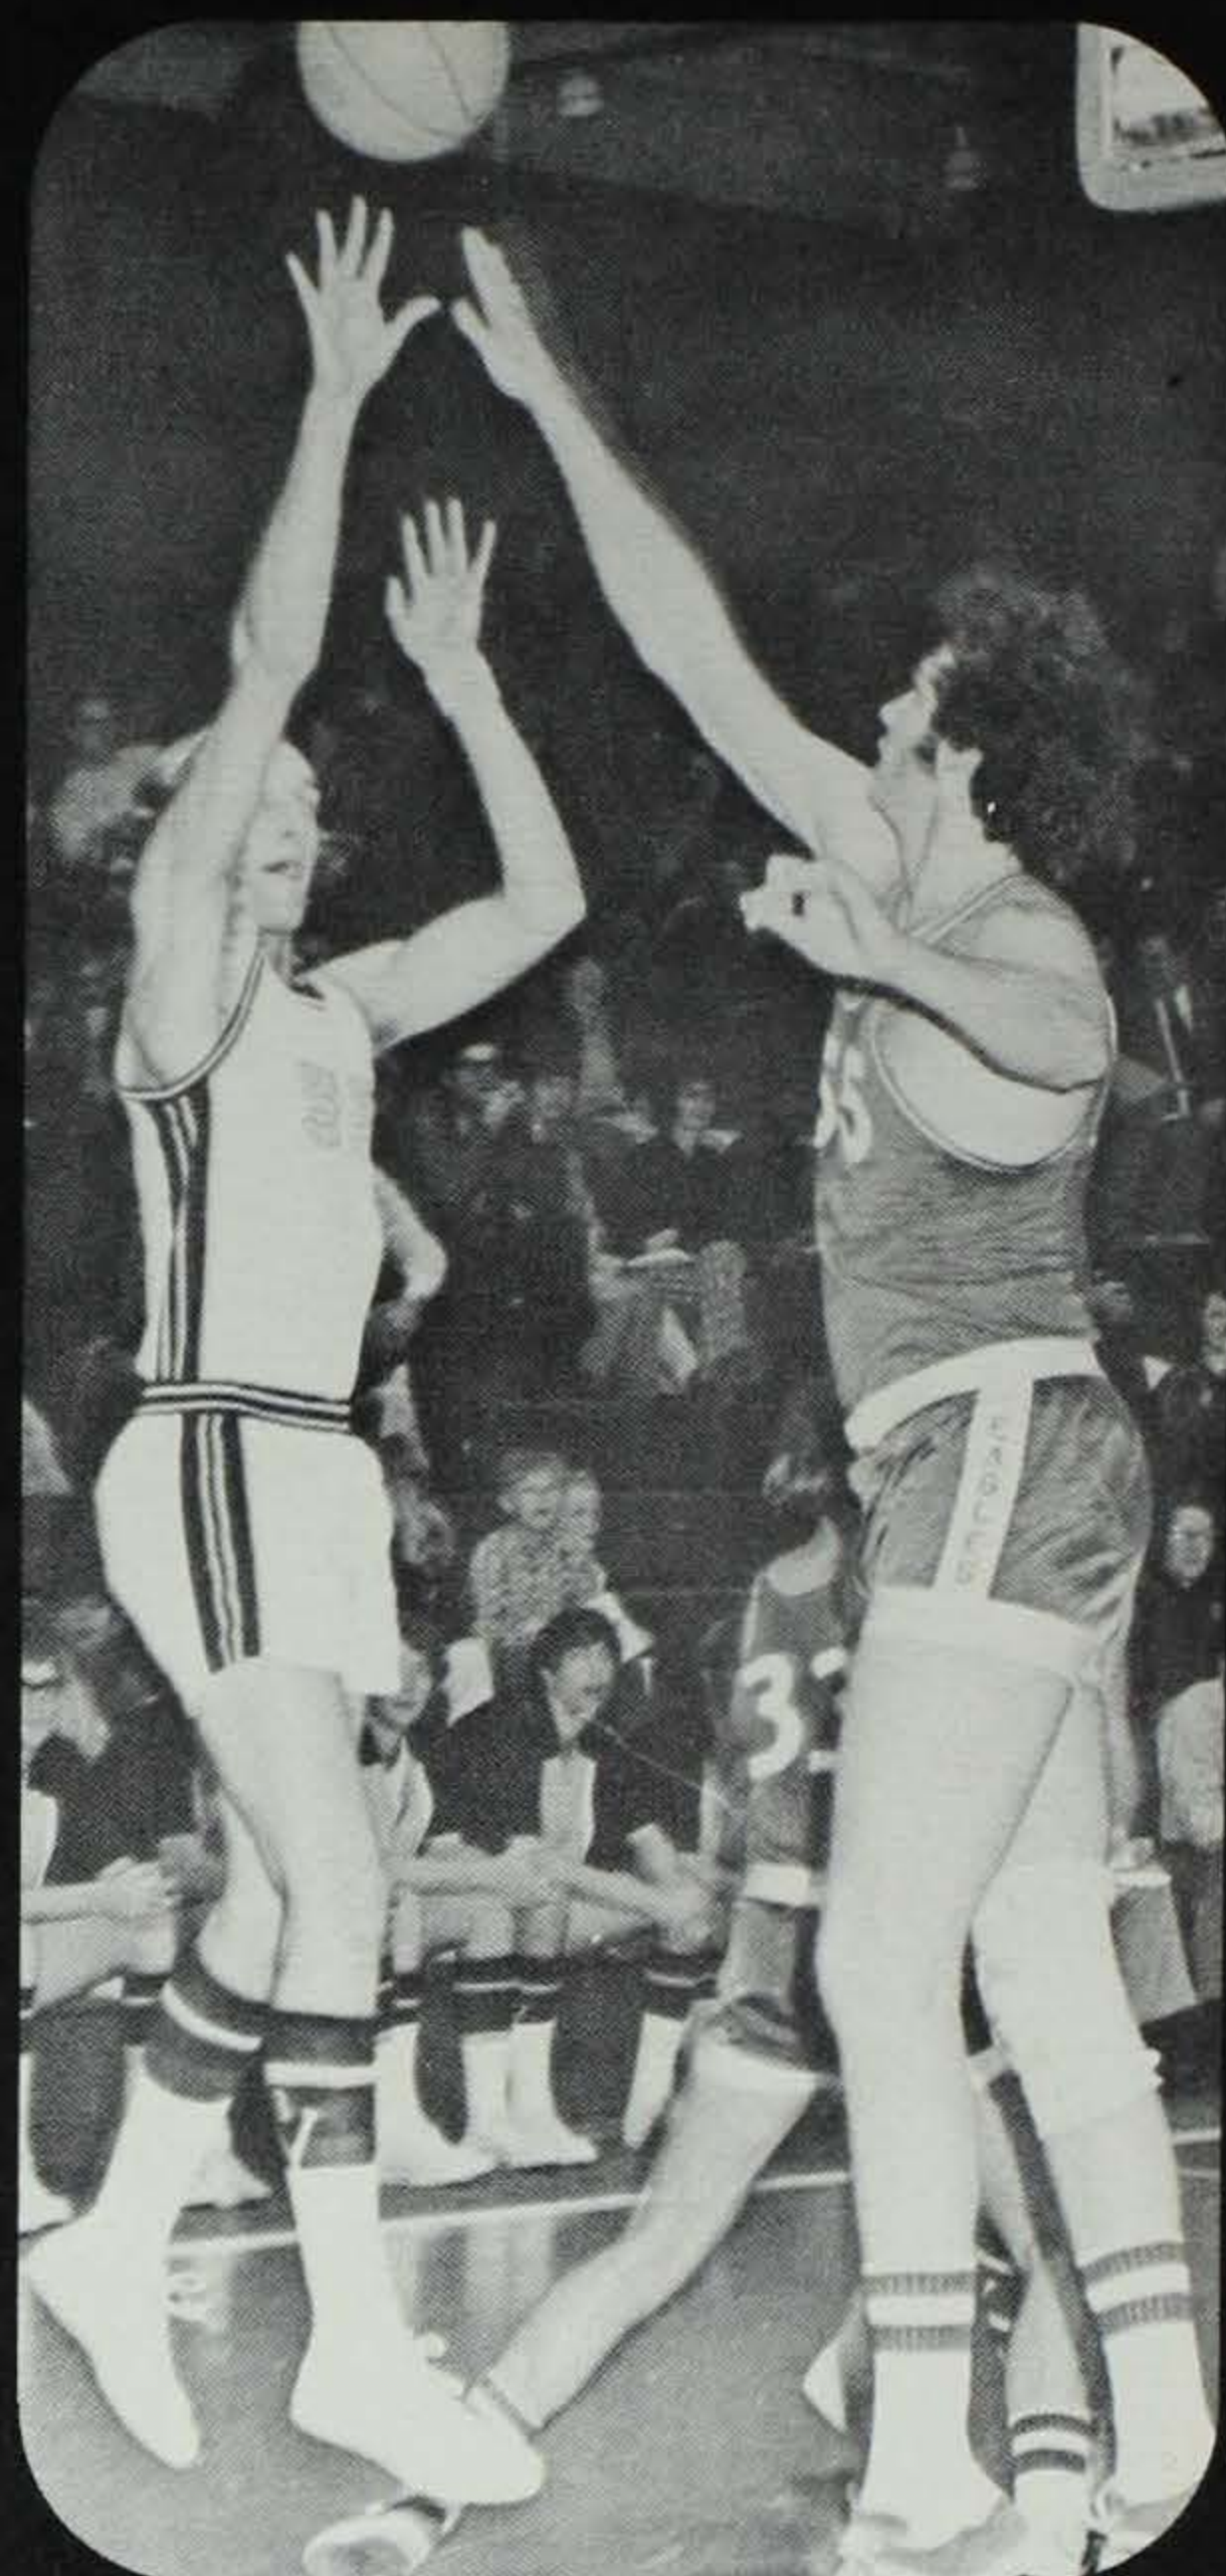

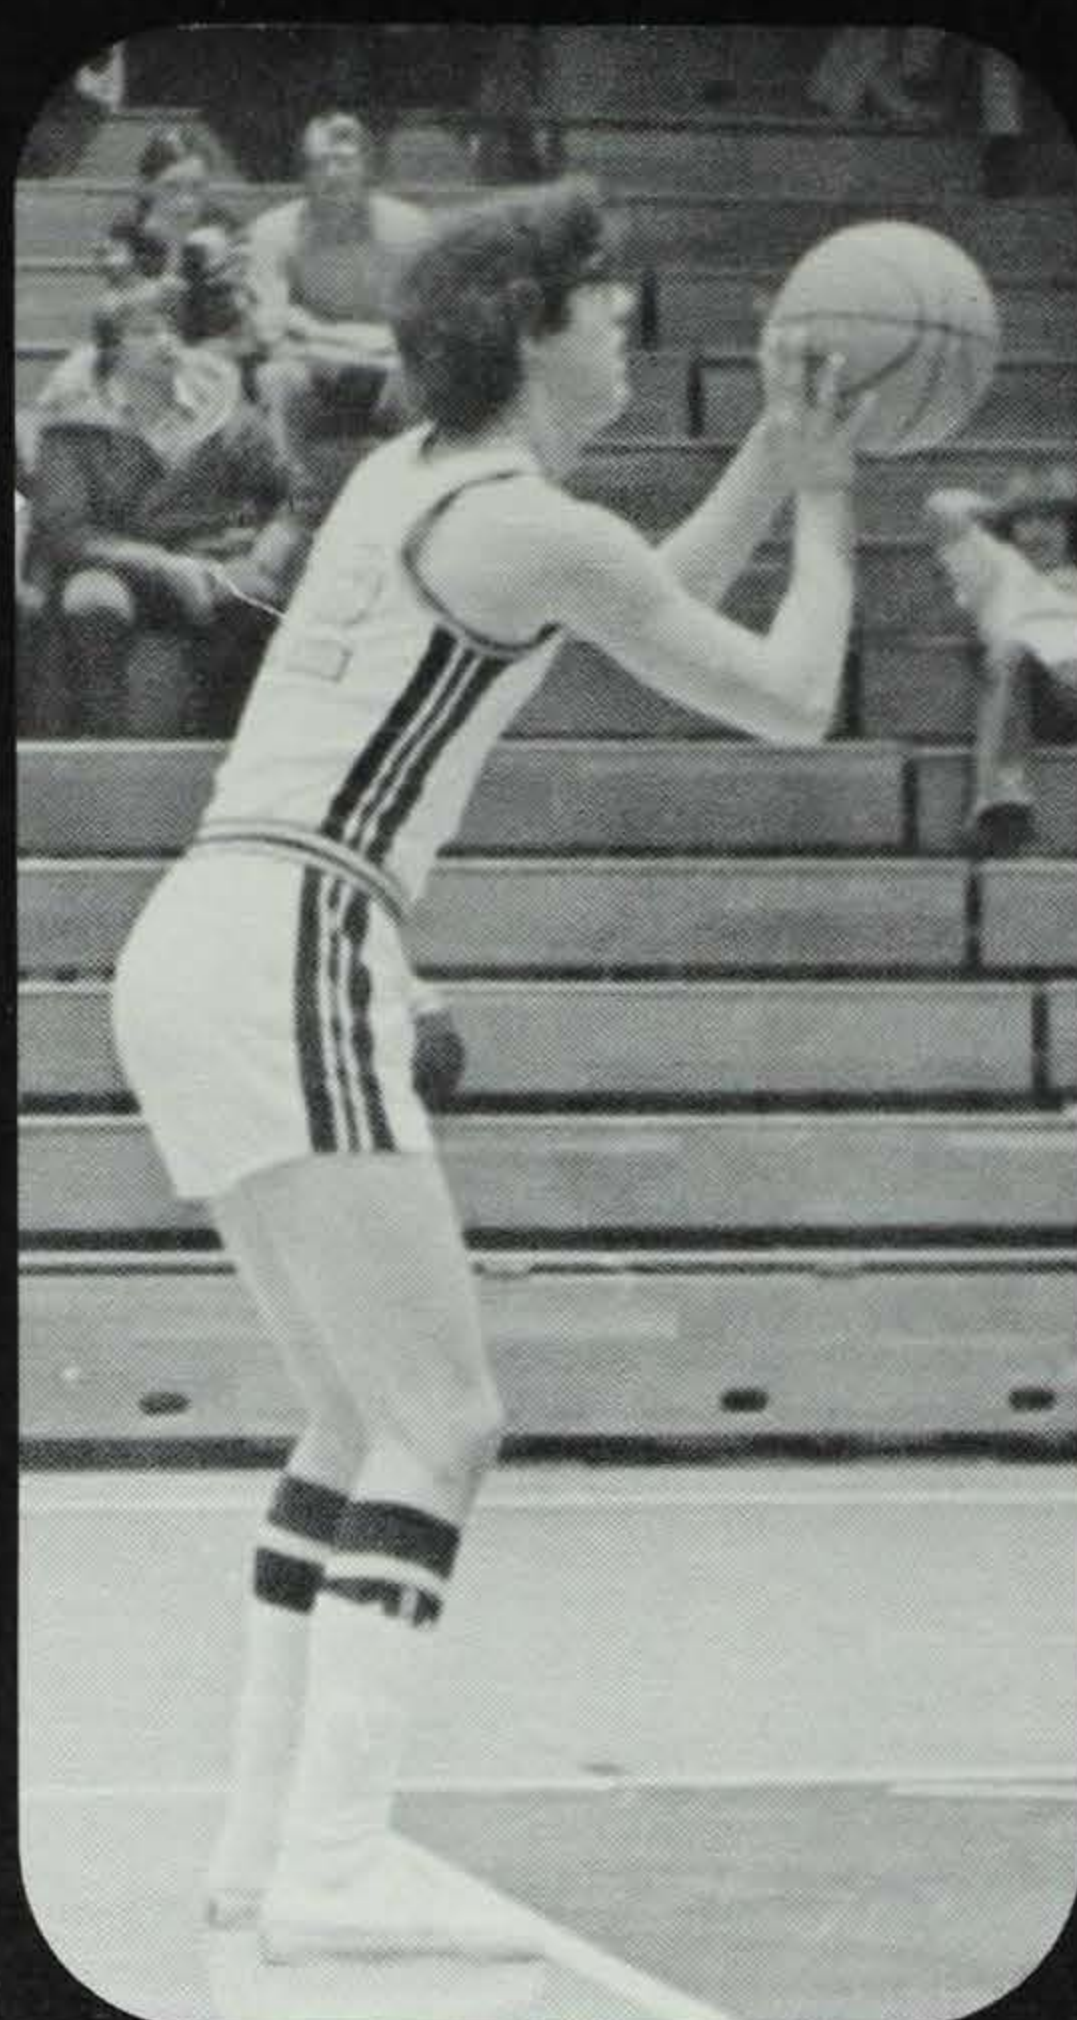

The Beavers ended their 1972 season with a 6-1 conference record and a 7-2 over-all record.

Beaver Cagers Young and Promising

The one word that could be used to describe this year's Buena Vista College basketball team is "youth". The team was comprised of five returning lettermen, of which there were one senior, two juniors, and two sophomores. The rest of the team was comprised of many talented freshmen.

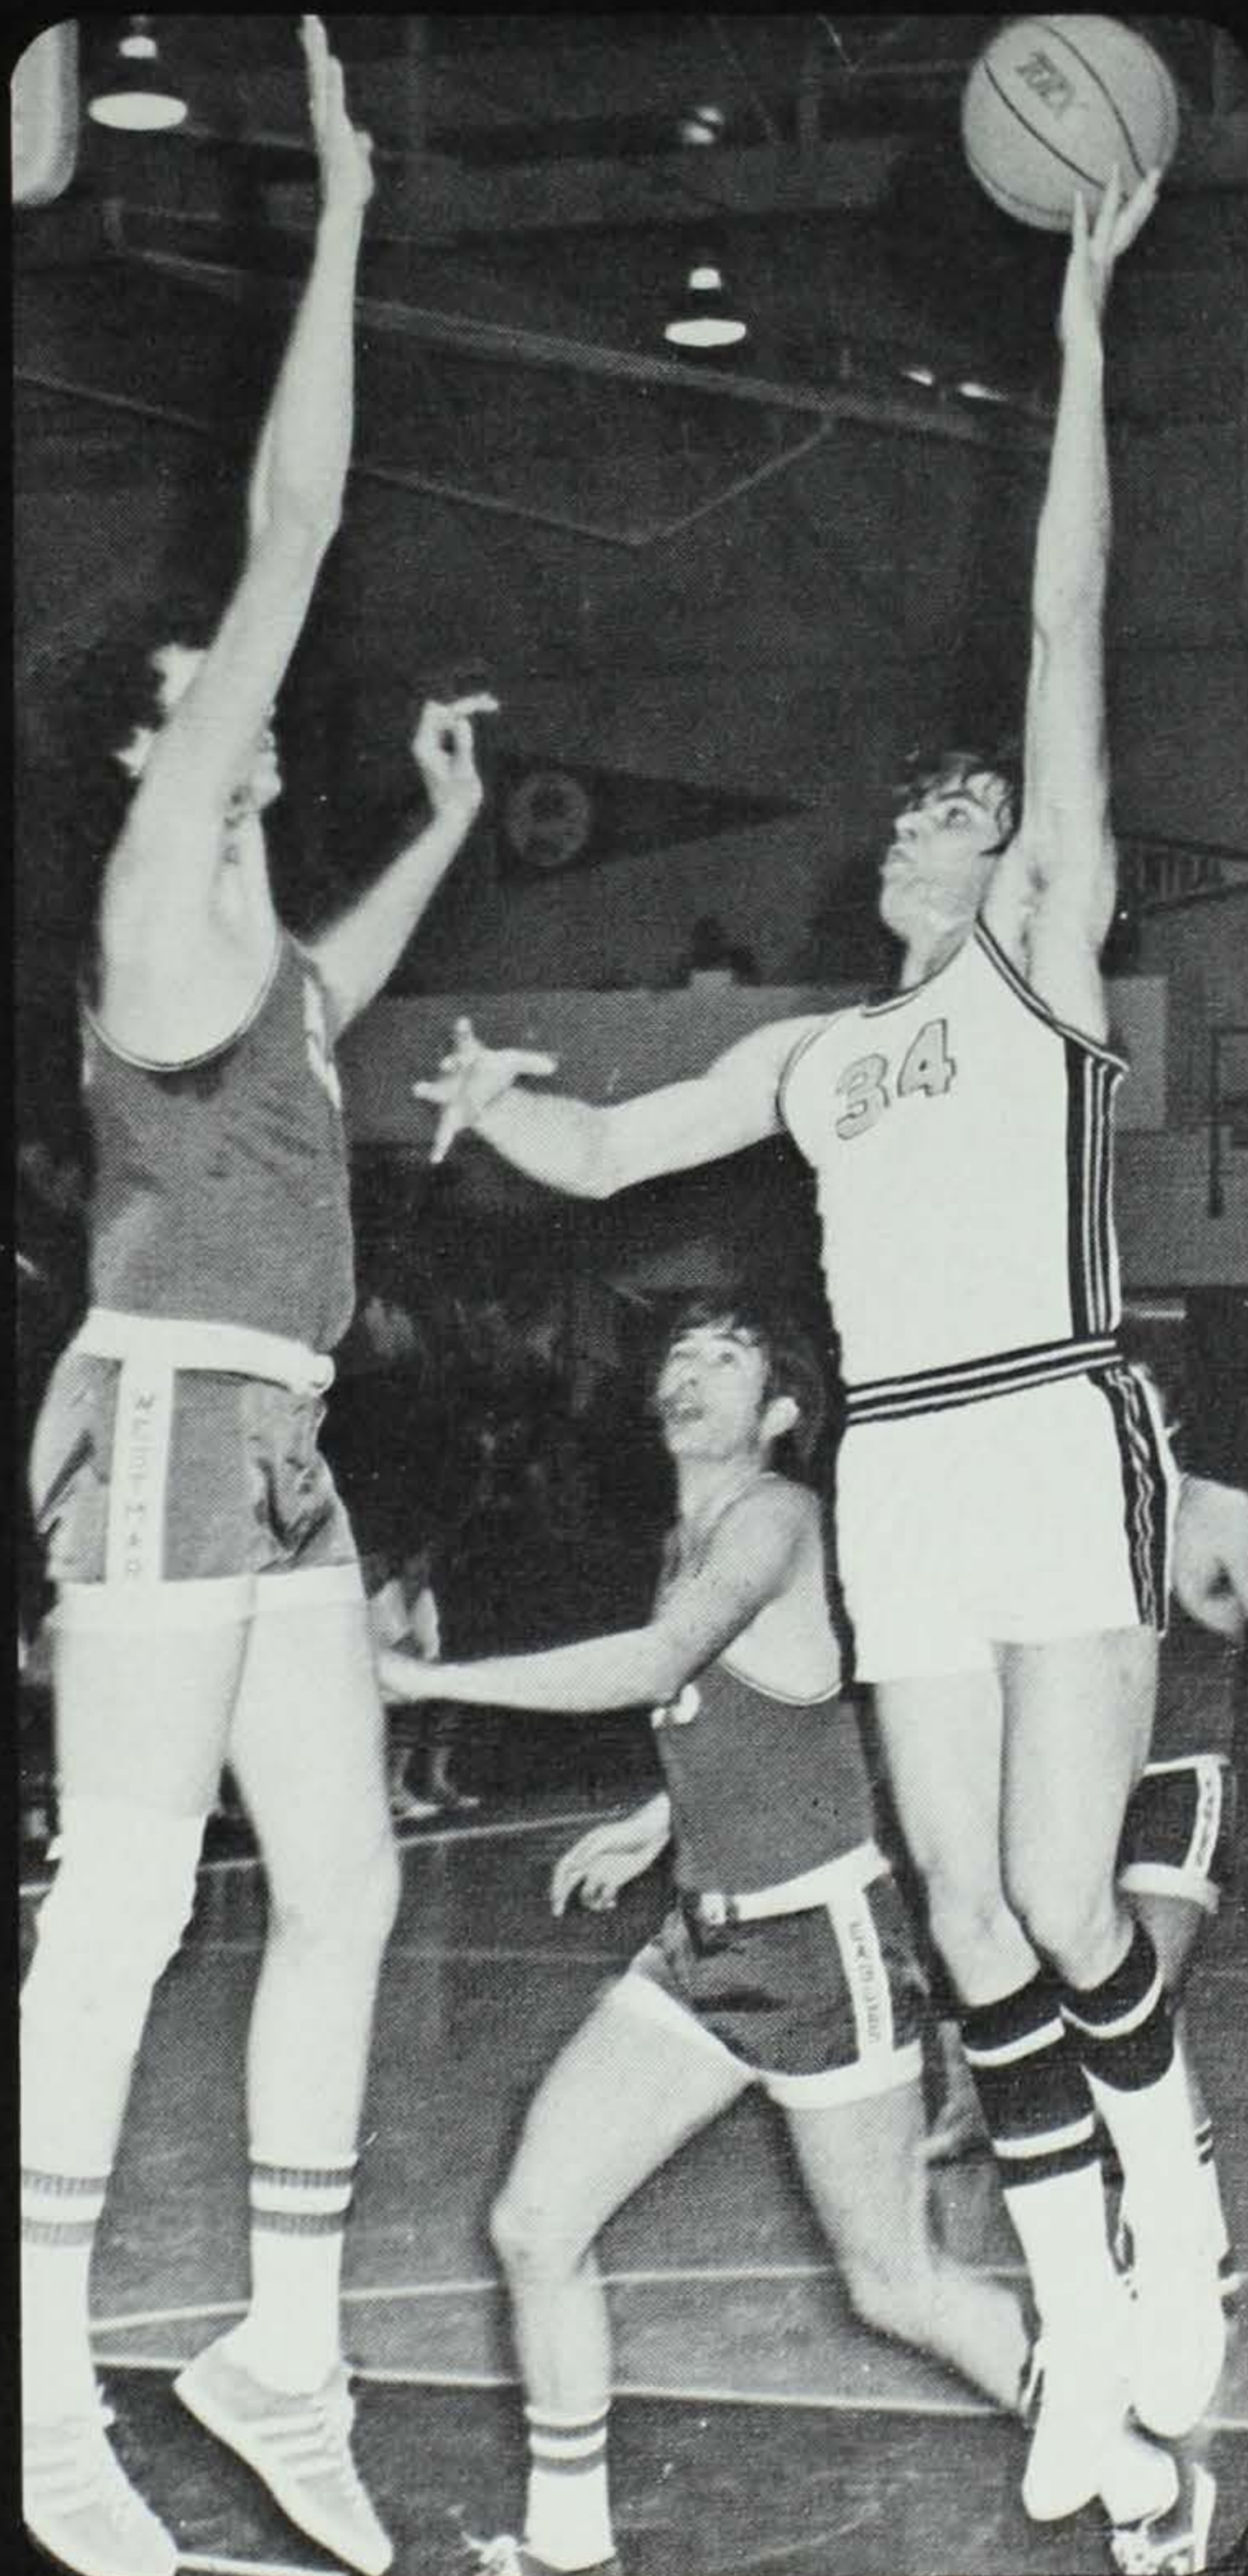

The 1972-73 BVC Club finished the season with a 6-18 overall record and a conference record of 2-12. Randy Braden, a freshman from Glidden, topped the team in scoring for the season. His total of 401 points in 24 games established a new freshman scoring record. Willie DeMan, a freshman from Alta, was the top rebounder on the club. He grabbed 228 rebounds in 24 games for a 9.5 rebound average per game.

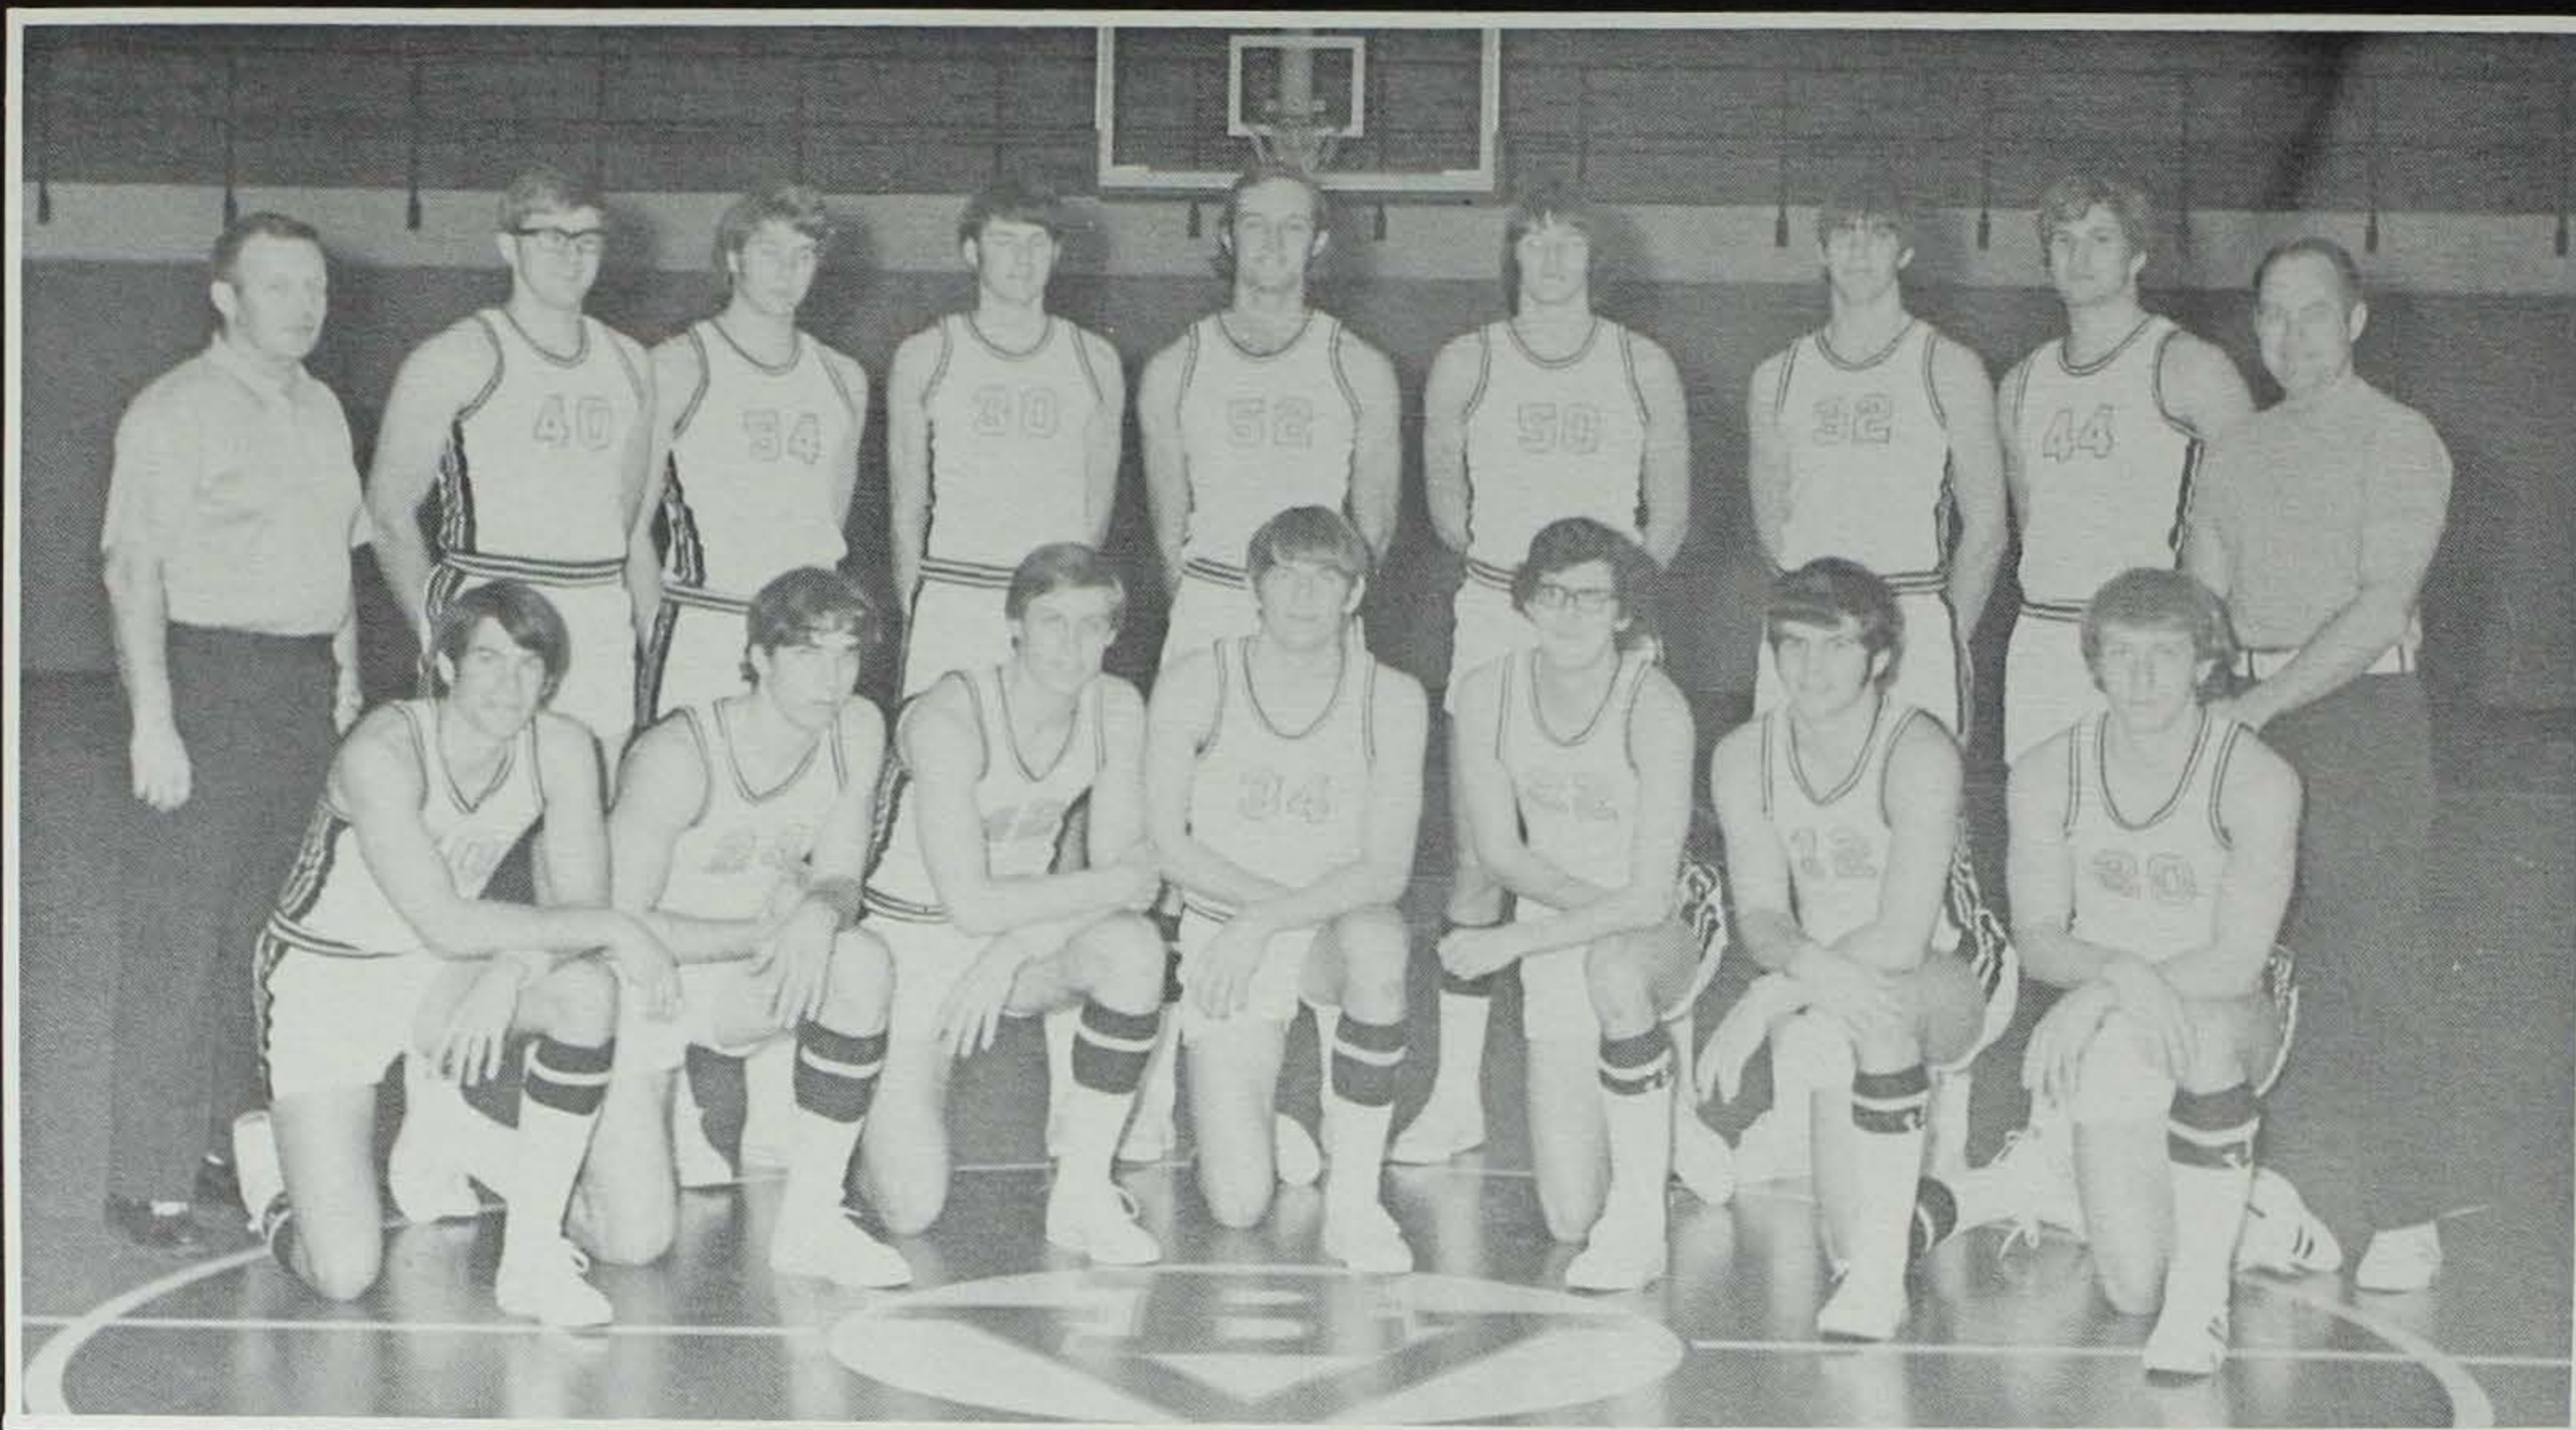

In team statistics, the Beavers connected on 44.7 per cent for the field in relation to 47.2 per cent for the opponents. At the free throw line, Buena Vista scored on 61.2 per cent compared to 67.3 per cent for the opponents.

Gary Cleppe, junior from Brooklyn, took many honors in the diving competition. With the highest running score for the divers, Gary had 162.50 points for the three meter diving and 171.40 points for the one meter diving. Gary placed third in the Friends Invitational in both the three and one meter diving.

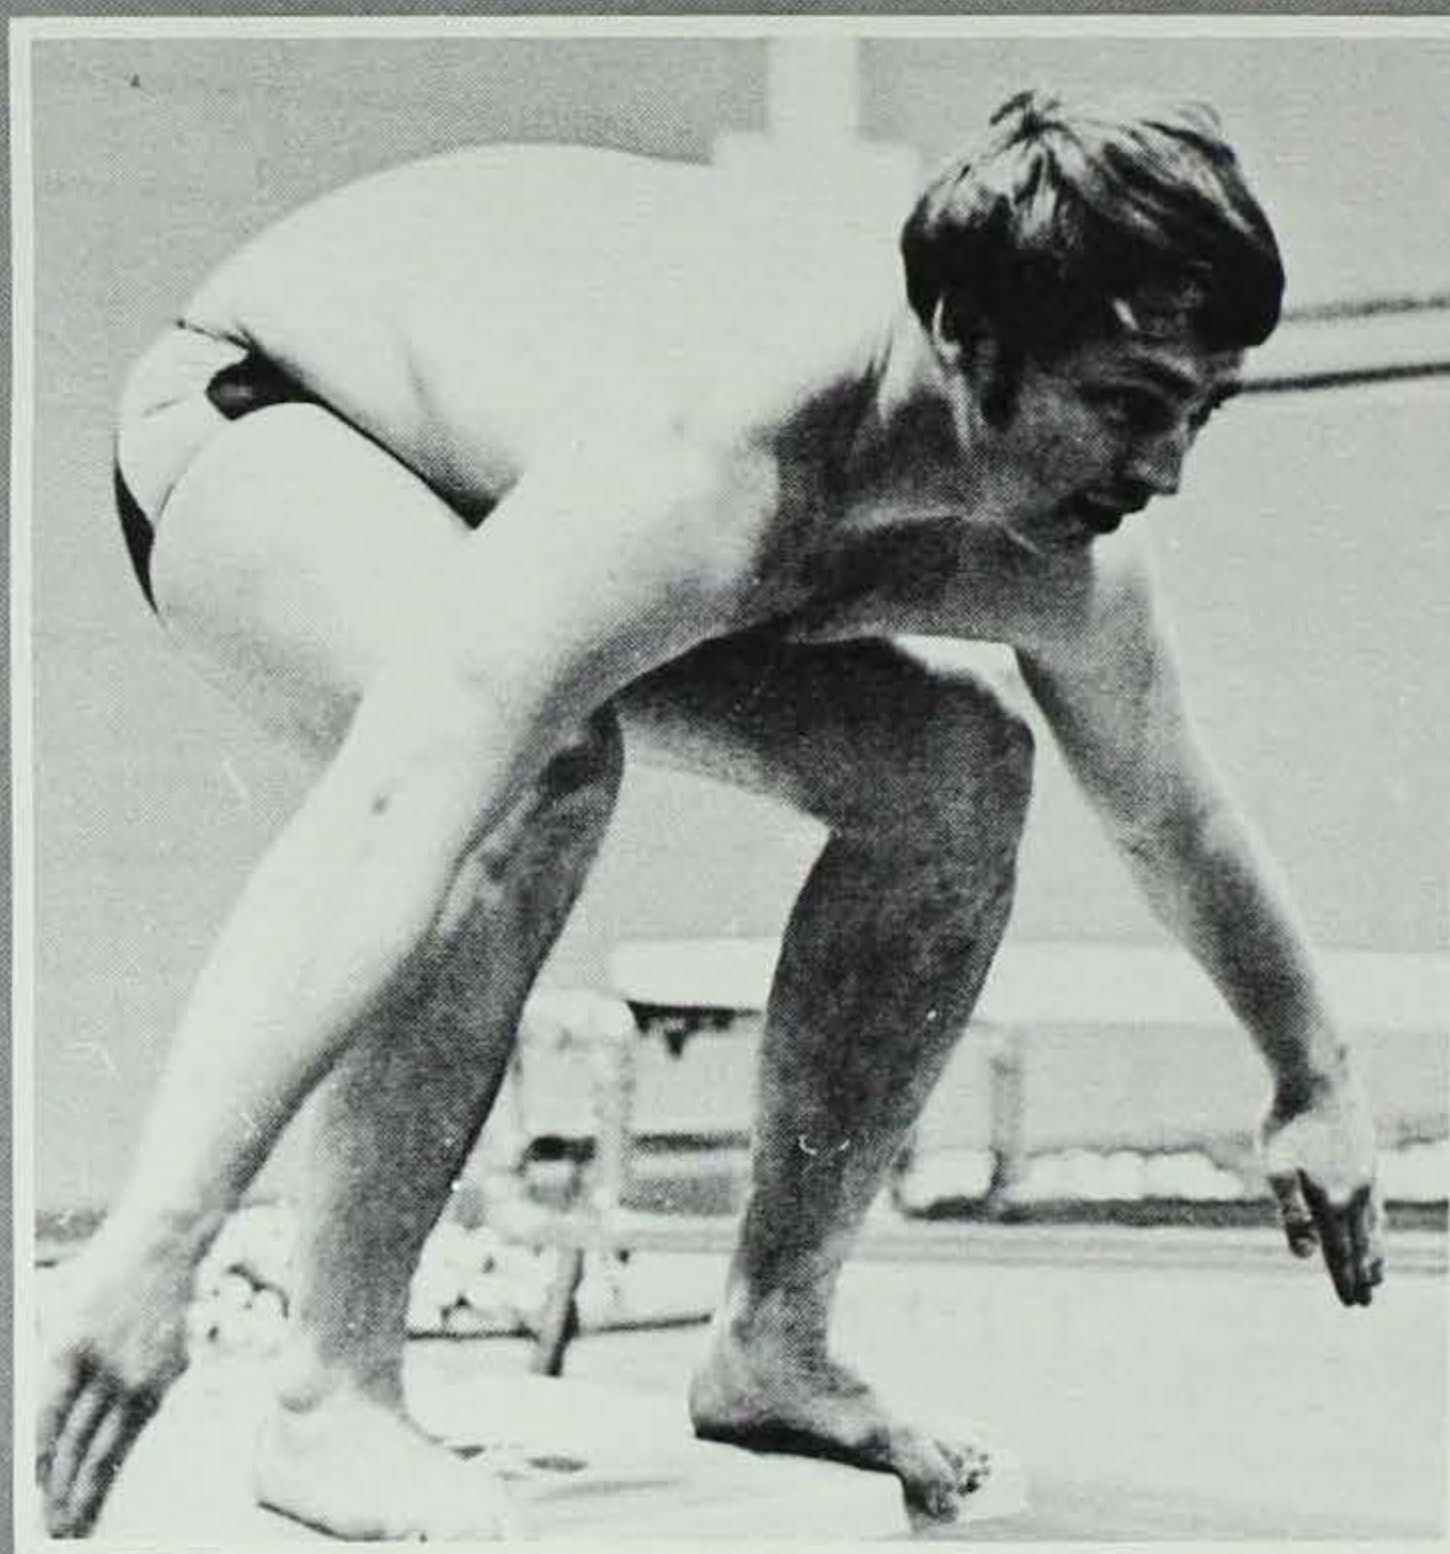

Dana Vige, senior from Bode, set two school records in the breast stroke. In the 200 yard, a fast pace of 2:52.0 and in the 100 yards, a 1:06.5. Dana is also credited with a 59.9 in the 100 yard free style and a 25.9 in the 50 yard free style swimming.

Get It on-Beaver Tankers

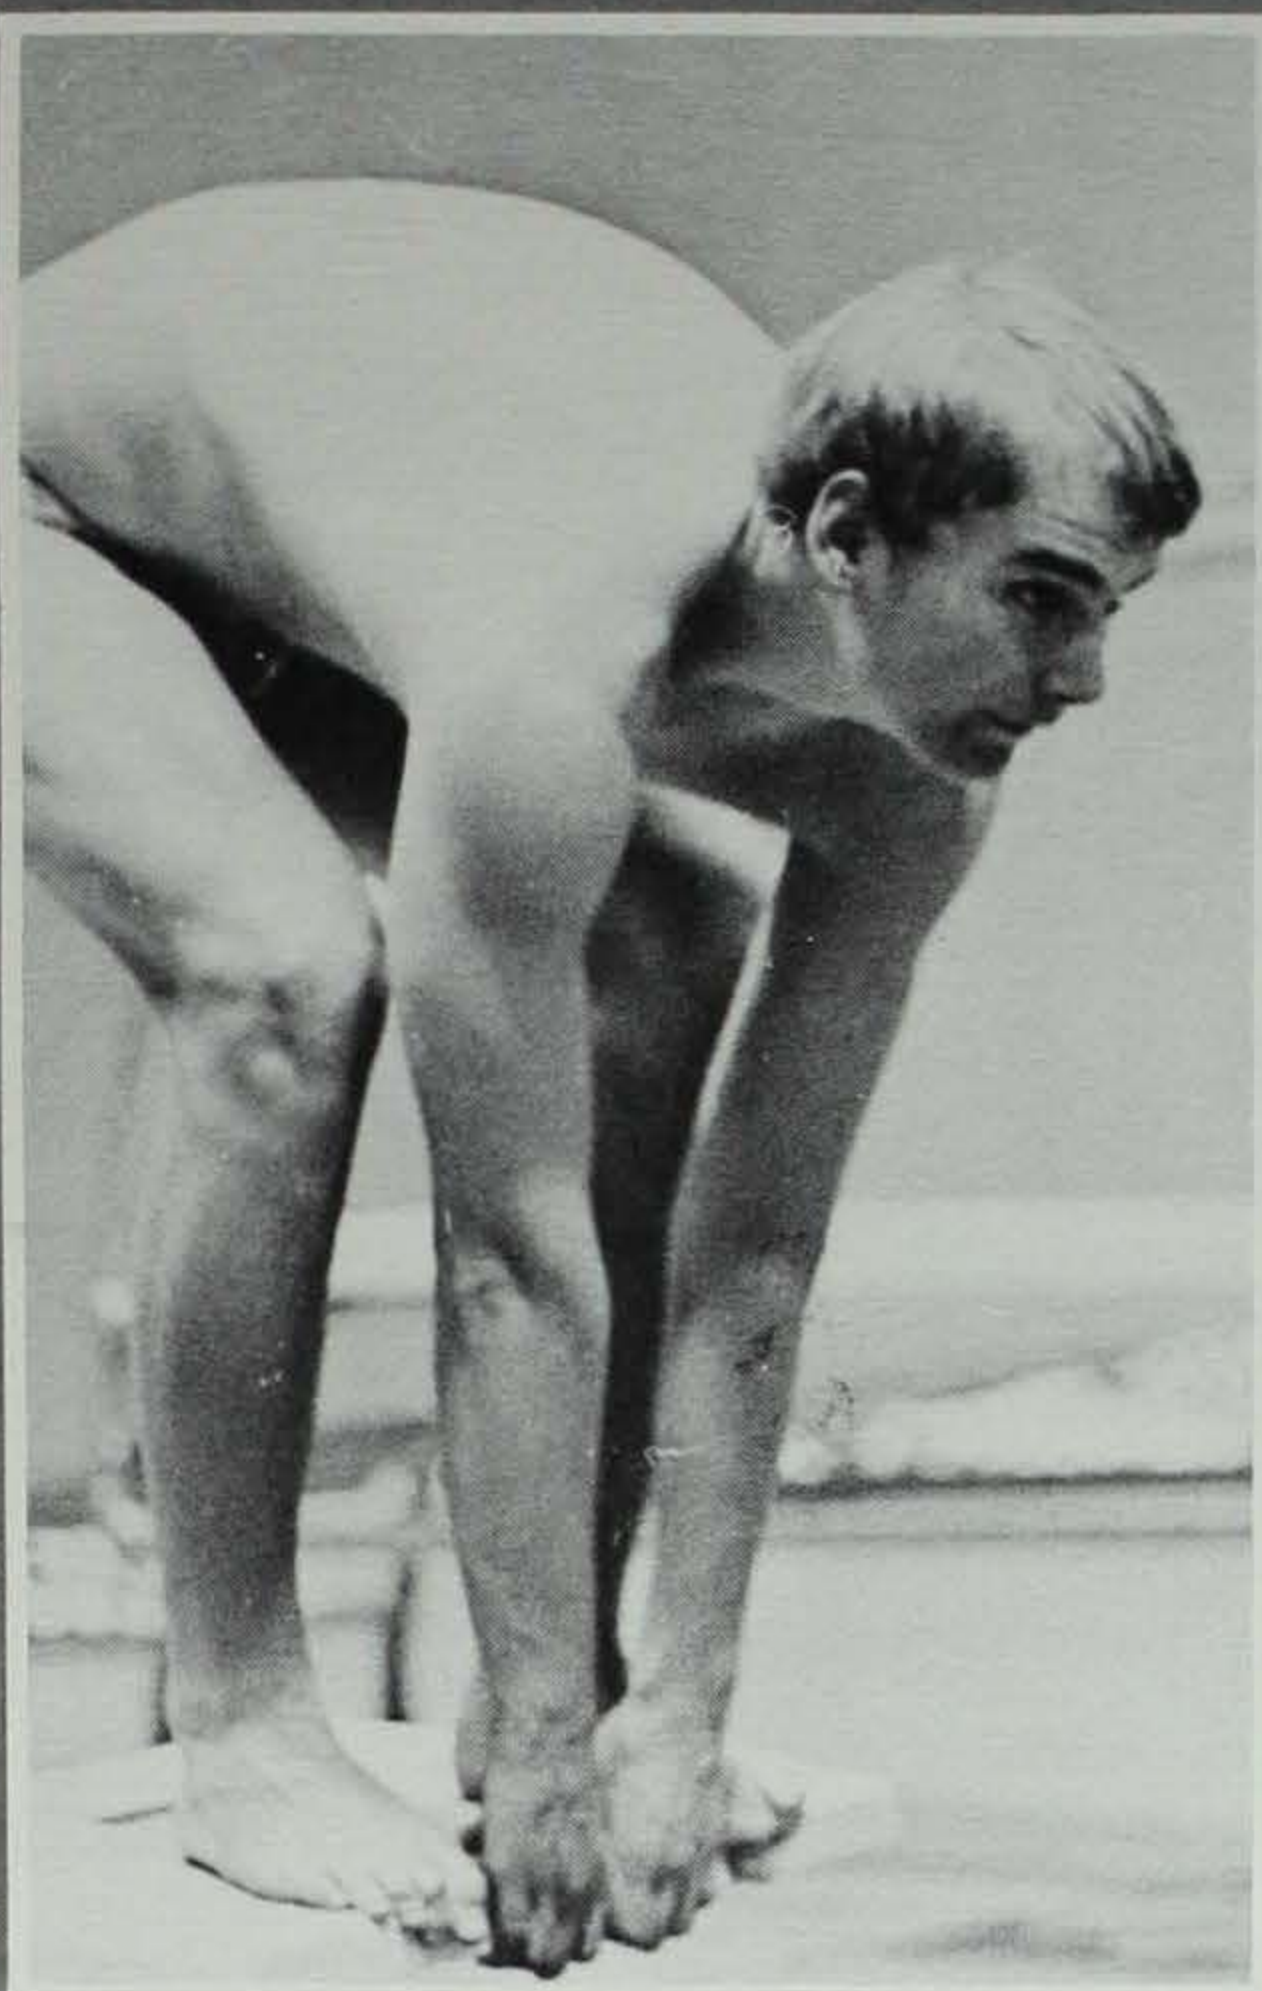

The 1972-73 Buena Vista Swimming Team, in its first year of varsity competition, turned in a 3-13 dual meet record against some of the toughest swimming powers in the Mid-West. As a member of the newly formed Mid-West Swim League, the Beavers grabbed the runner-up spot with a 3-3 conference record, and a trophy to show for their efforts. The three conference losses were by a total of 18 points, giving the true picture of a rather tight league race.

John Hallengren, freshmen from Storm Lake, set the school record in the 100 yard butterfly with a record time of 1:19.0. Johns other honors included 3:04.4 in the 200 yard individual medley, a 3:32.7 in the 200 yard breast stroke, and a 3:17.0 in the 200 yard butterfly.

Mark Croxell, sophomore from Holstein, swam to set school records in both the 50 and the 100 yard free style with times of 24.6 and 55.4 respectively. Mark placed second in both the 50 and the 100 yard free style swimming at the Friends Invitational.

John Vautier, freshmen from Little Falls, N.J., set two school records. In the 1000 yard free style, John came up with a fast time of 13:02.9, and in the 200 yard butterfly a record pace setting of 3:02.5. Other of John's best times are a 6:19.2 in the 500 free style and a 2:50.3 in the 200 yard individual medley race.

Chris Engstrom, the mighty freshman swimmer from Ottumwa, set three school records. A 2:07.9 in the 200 yard free style, a 2:23.2 in the 200 yard back stroke, and a 1:04.4 in the 100 yard back stroke. Chris also placed third, a second, and a second, respectfully, at the Friends Invitational.

Brad Schaffer, freshmen from Casper, Wyoming, swam the 100 yard breast stroke in 1:36.3 and the 200 yard breast stroke in 3:11.4.

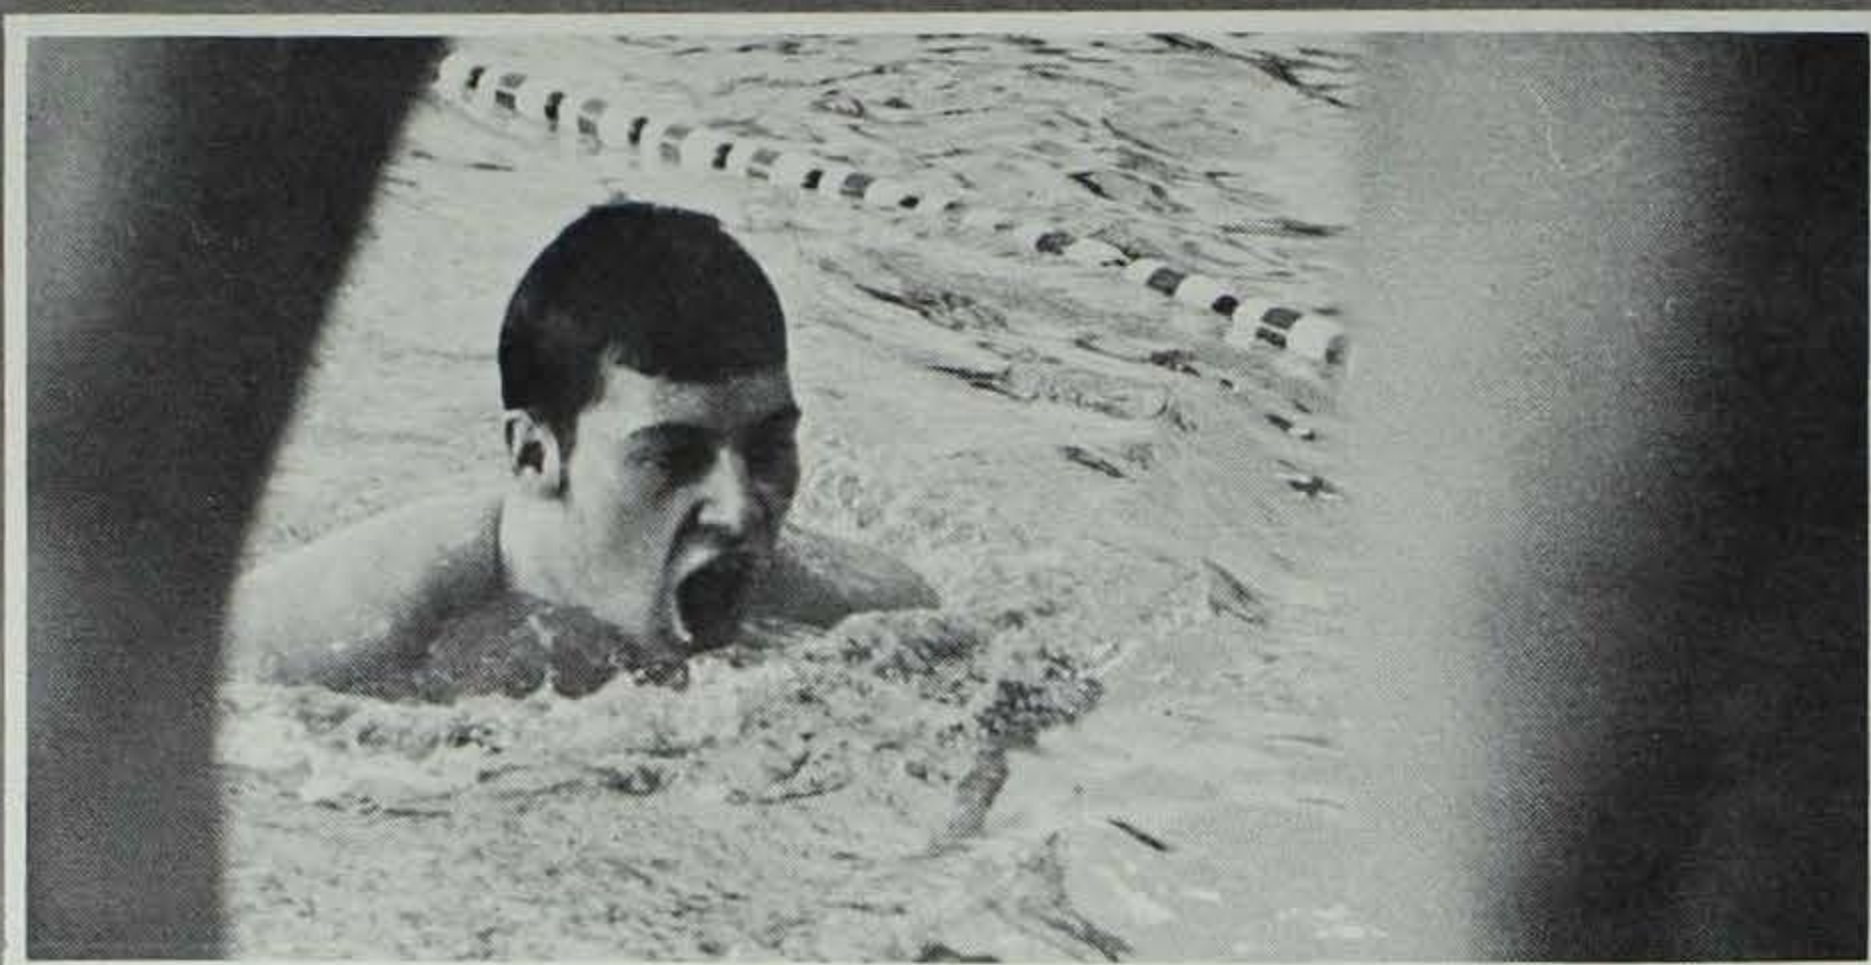

Dave Wattier, junior from Storm Lake, competed in the 100 yard breast stroke ring up a time of 1:18.0 Dave also swam in the 200 yard breast stroke setting a fast pace at 2:59.2

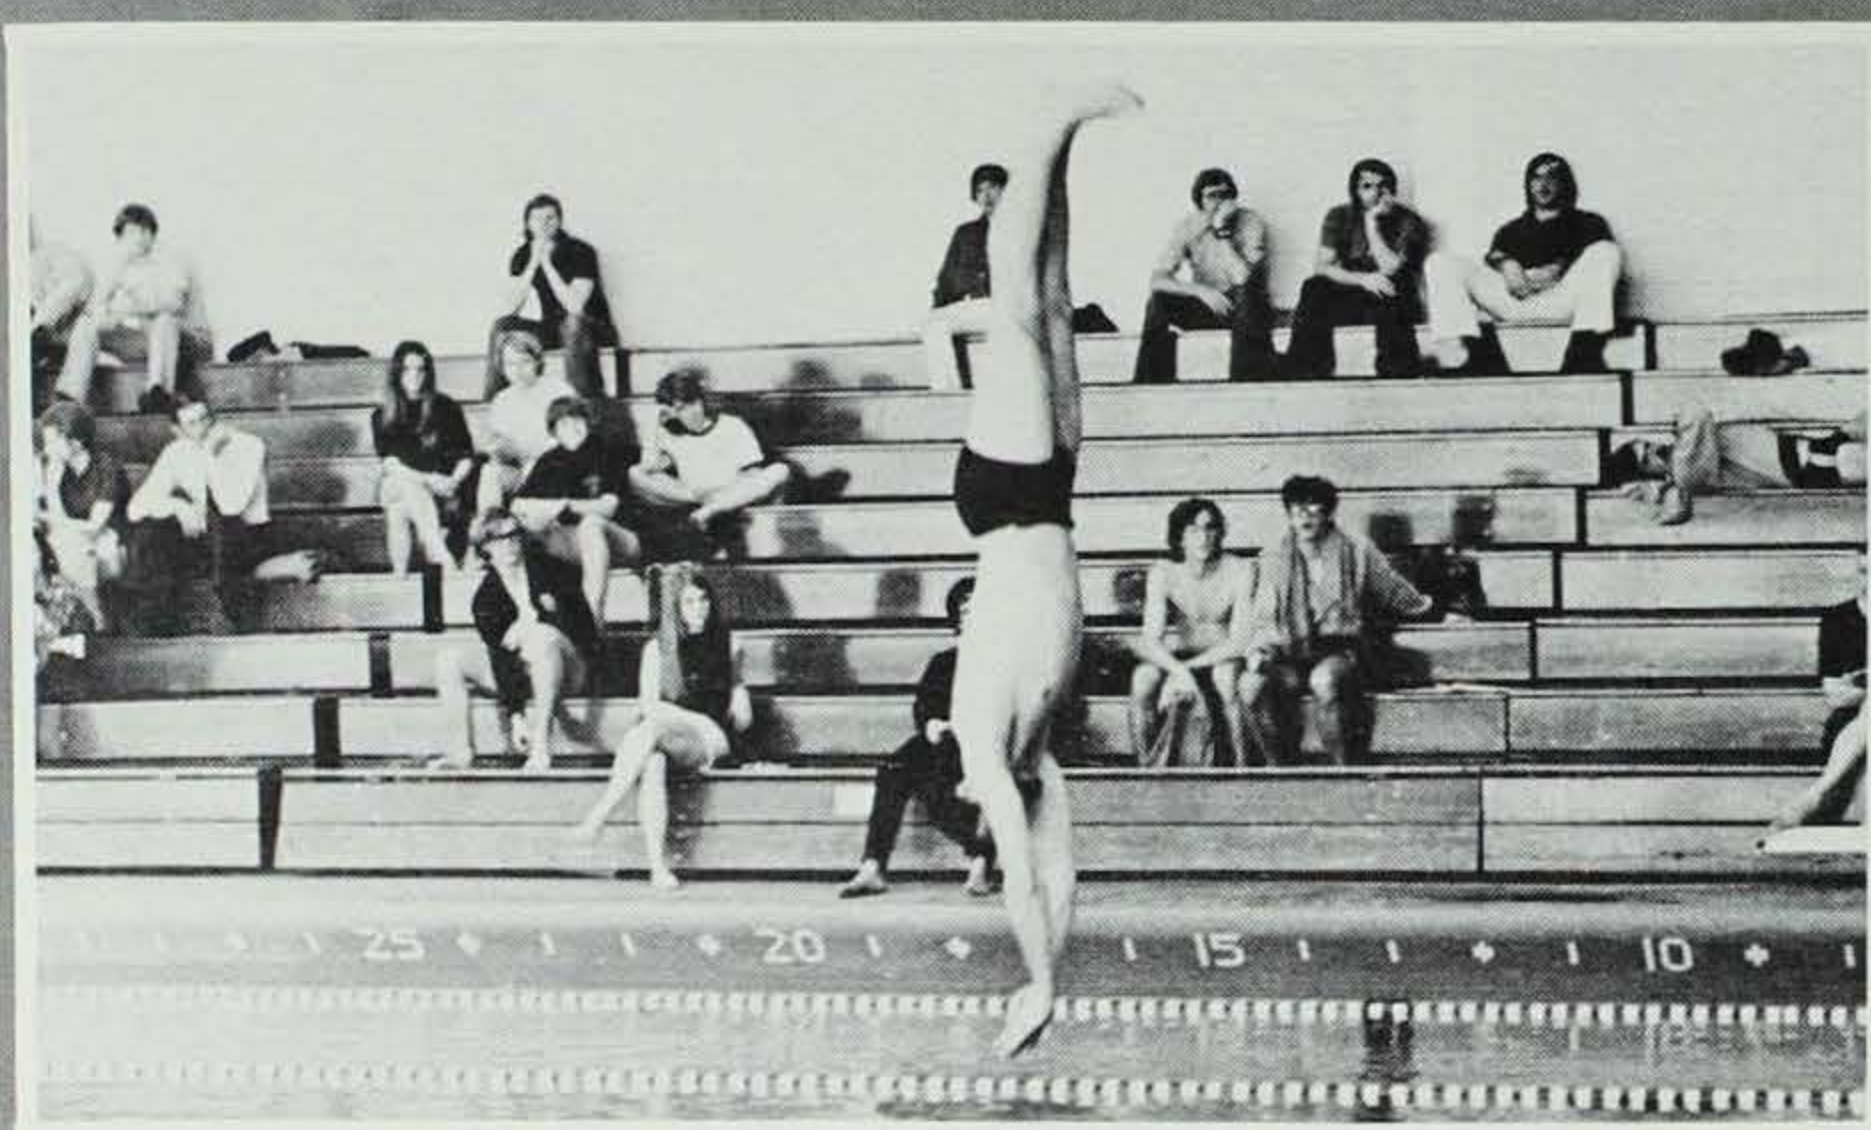

On March 10, a very talented and rapidly developing Beaver swimming team traveled to Wichita, Kansas, to compete in the Friends University Invitational. The trip turned out to be a great success as the tankers finished second in the meet, bringing home a team trophy, 21 individual trophies and bright hopes for next season.

Coach Dan Hansen must be credited with the quick rise in the Beaver swimming fortunes this season. In his second year as Head Coach, Hansen turned what had been a dead-pan squad of swimmers one year earlier, into a hard-working, aggressive, proud, and close knit group of athletes. Every school record was smashed during the past season, and again much of the credit goes to Coach Hansen and his motivational abilities.

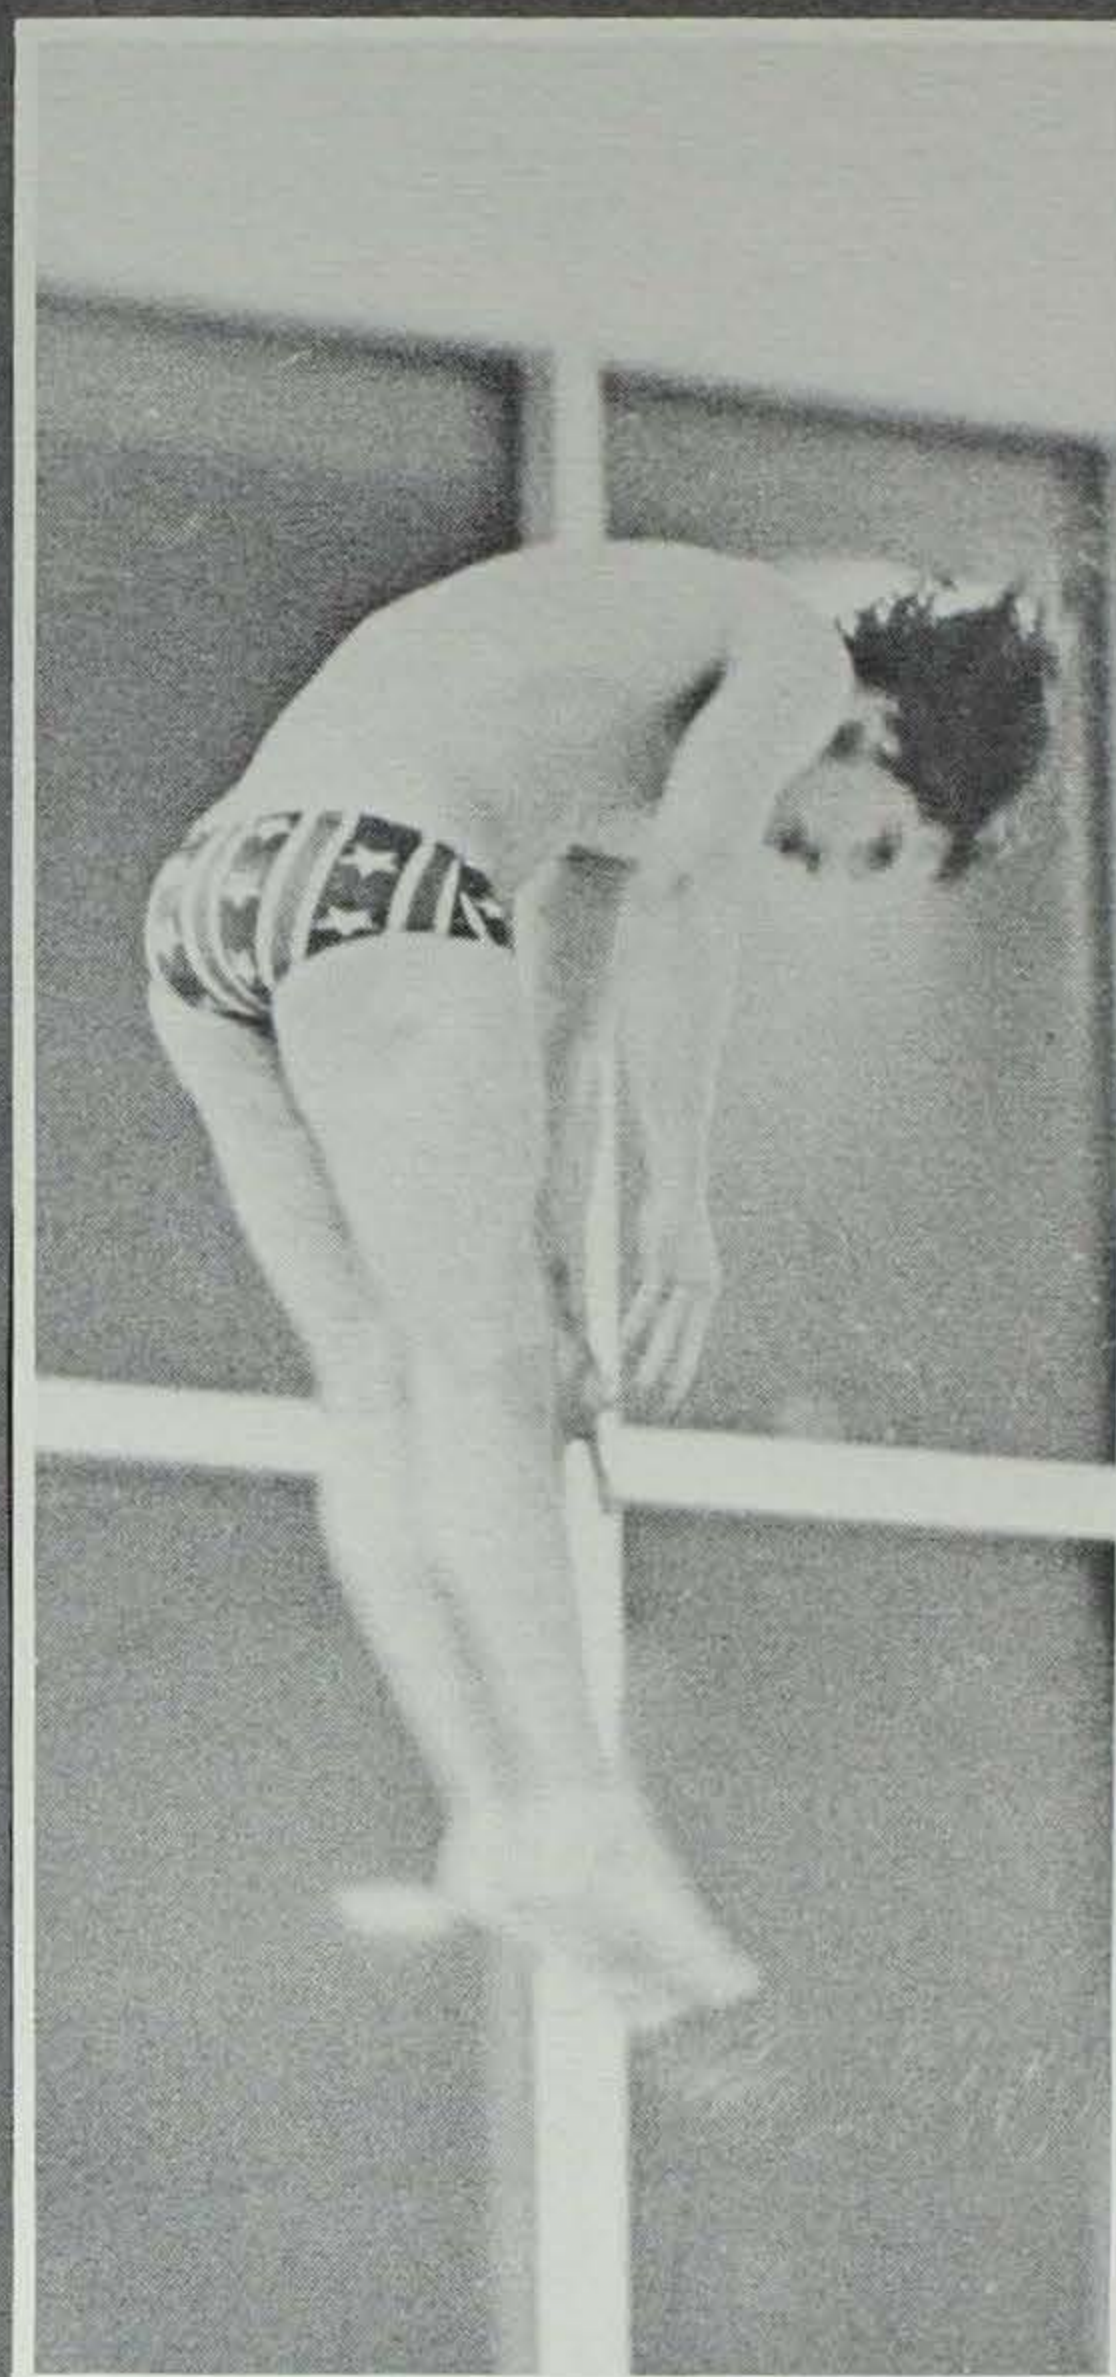

Chris Engstrom was a consistent winner throughout the season, and gave the Beavers a lethal punch in the medley and freestyle relays, along with his individual specialities. John Vautier was a welcome addition to the squad and bolstered a previously weak corps of distance

Bill Leonard, junior from Sac City, set the school record for the 500 yard free style swimming at 6:03.4. Other fast times for Bill are the 200 yard free style swimming at 2:17.0, the 200 yard Individual medley at 2:46.9, and the 200 yard back stroke at 3:05.0.

Ted Felton, sophomore from Storm Lake, had a running score off the one meter diving board of 147.00 and a running score of 130.80 points off the three meter board.

Lynn Ayers, freshmen from Coon Rapids, was one of three divers. Lynn's highest running score for the one meter diving was 122.25 points. For the three meter diving his running score was 152.35 points.

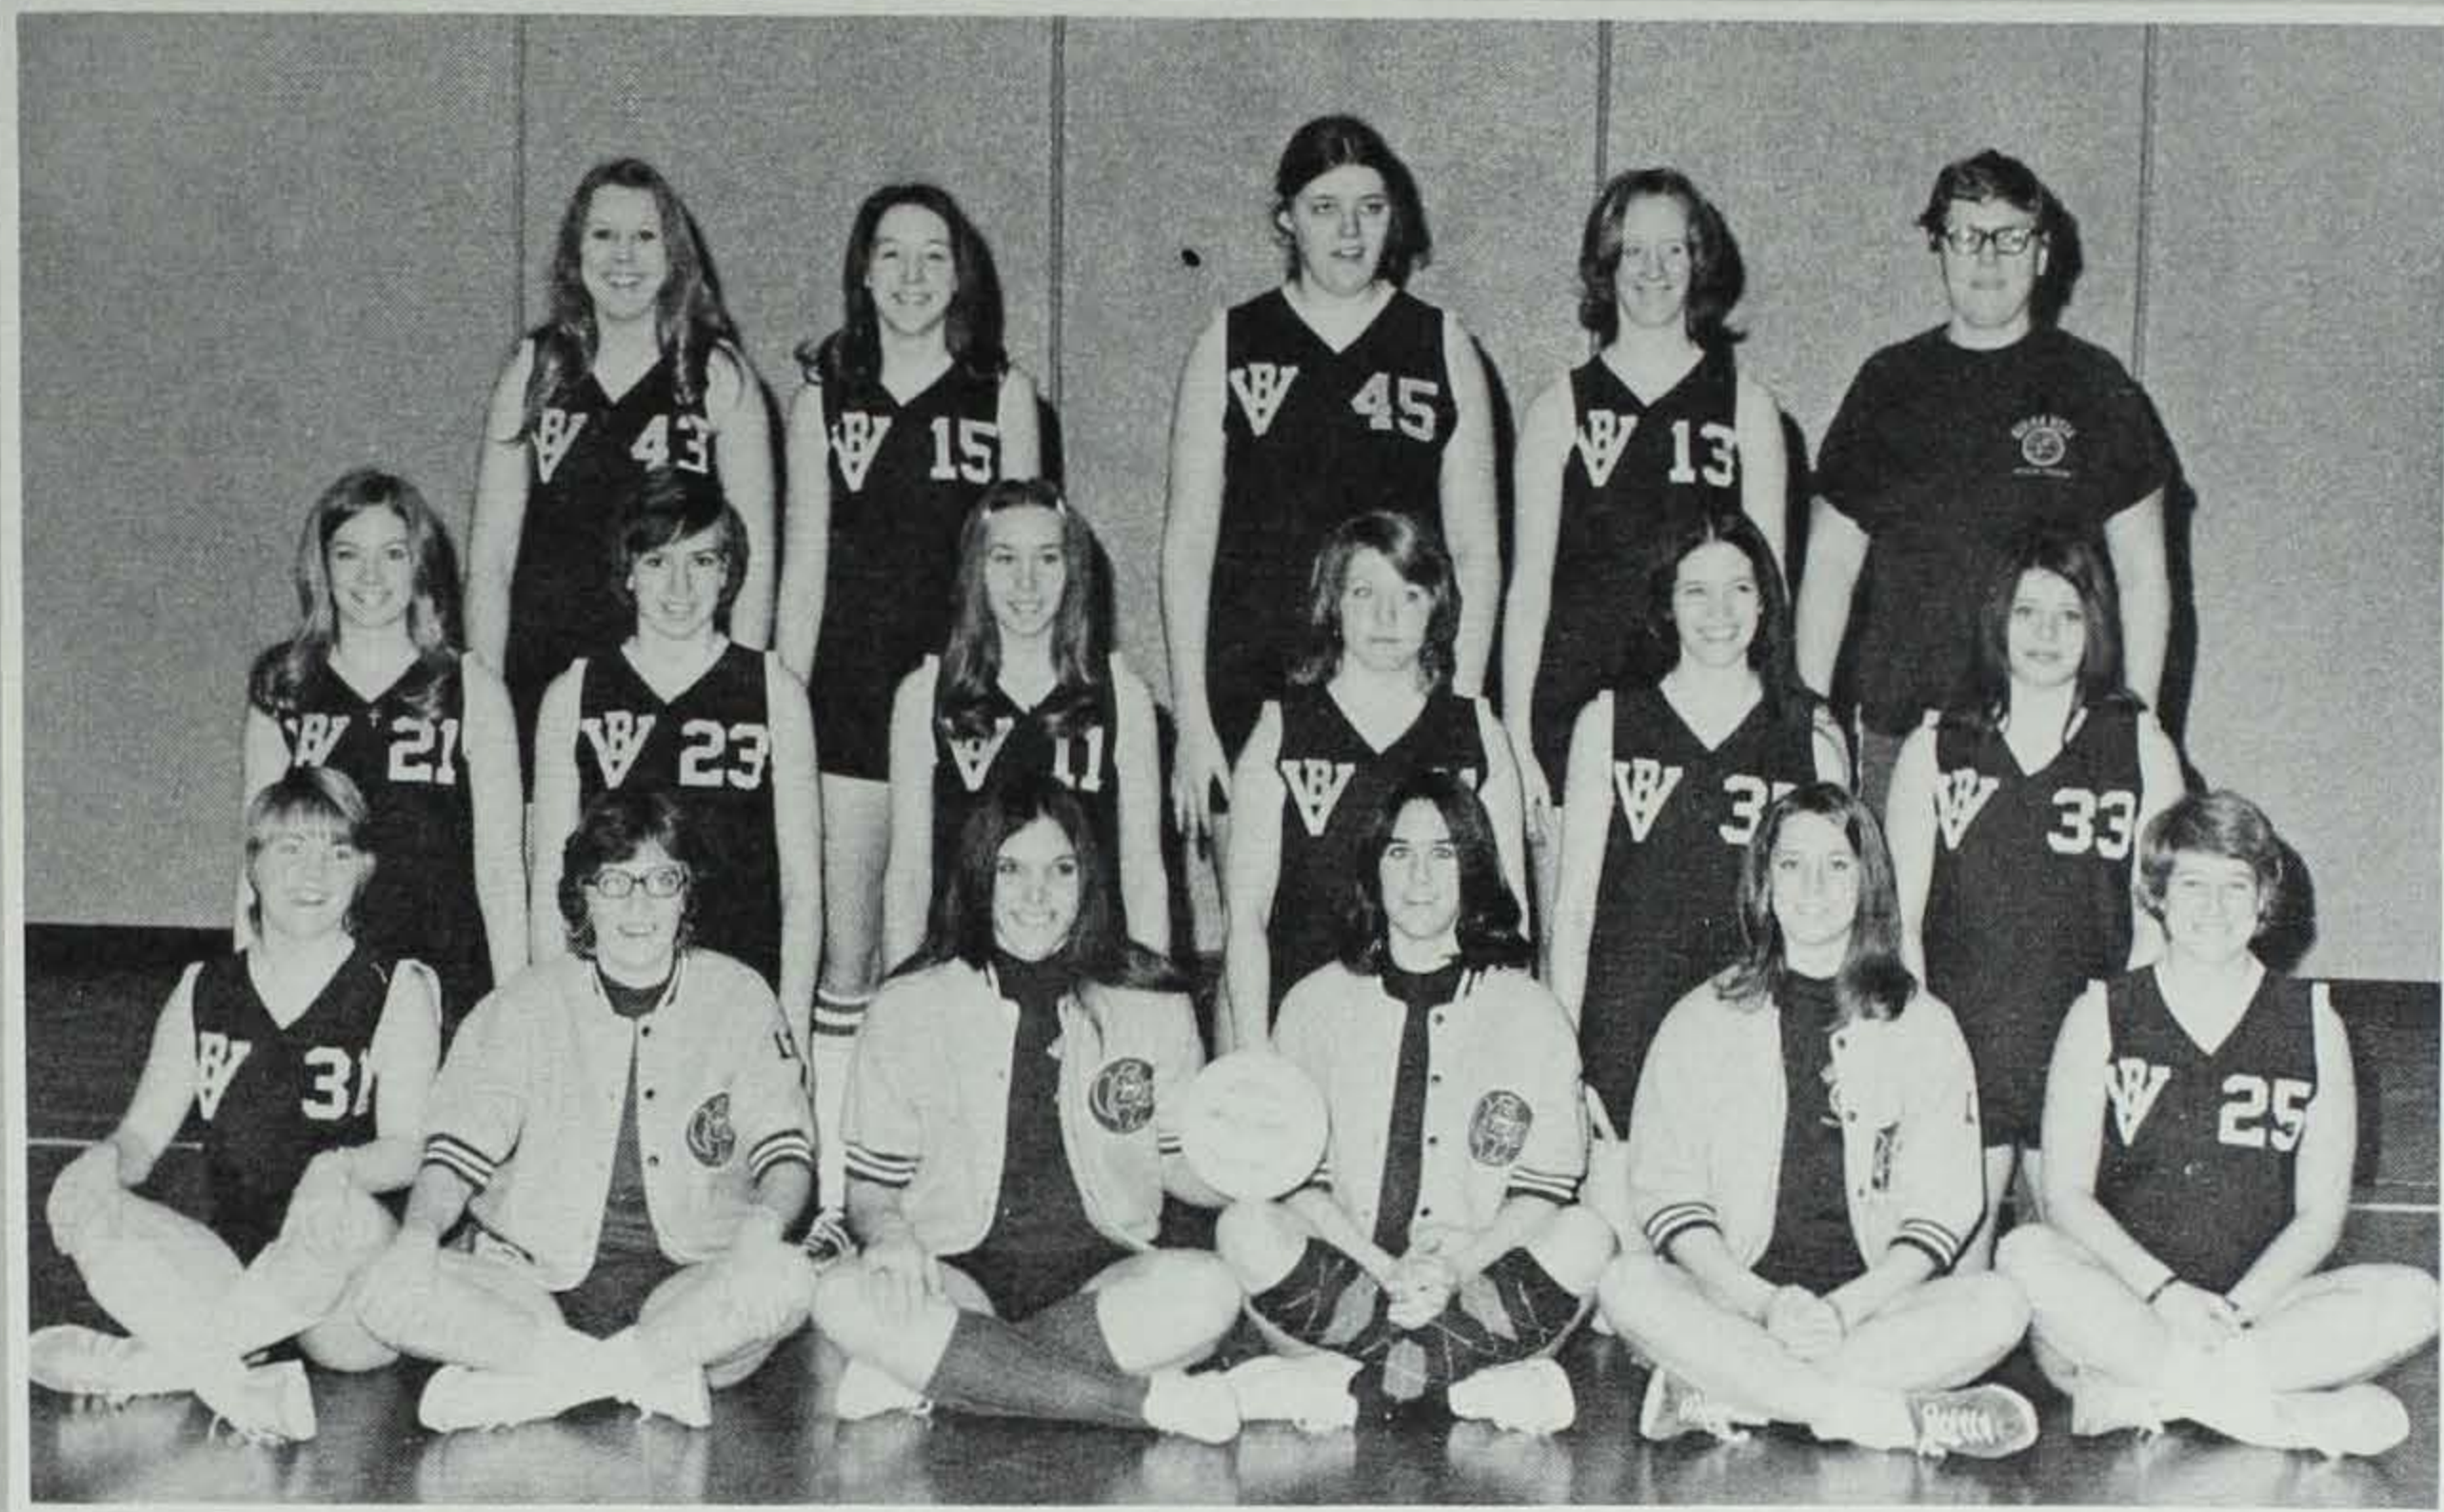

swimmers. The 50 and 100 freestyle events were once again ably manned by Co-Captains Mark Croxell and Dana Vige throughout the season, and lent potent attack to the Beaver arsenal. The medley relay and freestyle relay were bright spots for the Beavers, despite the dismal 3-13 record. Both teams broke through to post winning marks, with the medley team of Engstrom, Vige, Hallengren, and Croxell going 5-3, and the Freestyle relay team of Vige, Croxell, Vautier, and Engstrom ending up 9-7 against some very tough opponents. Next year's swim team should greatly improve, with the experience gained this season, and with the help of some good Freshmen recruits. The Beavers graduated first Senior this year as Dana Vige wrapped up his final season as a B.V. Tanker

Dan Harlsen, Tanker Coach for the last two season, brings to an end a very successful season. Dan has taken an active interest in the swimming program since coming to B.V. four years ago, first as a student and then as an alumni. He has brought together a fine group of swimmers and molded them into a top notch group of swimmers.

The Buena Vista Golf team, coached by John Naughton, had six dual meets and two tournaments of their 1973 schedule. The Beavers compiled a 2-4 record in dual meets and came in seventh at the Conference Tournament.

Intramurals

Powder-Puff Football Action Shots

This year there was quite an extensive intramural program for the women at Buena Vista College. In the fall, the annual powder puff football game was held during Homecoming week. Many girls turned out for this and had lots of fun.

Six teams, consisting of the various floors in Swope Hall, were entered in intramural volleyball. After several weeks of preliminary games, the champions were declared. The championship was won by Sunny House.

There were four teams involved in intramural basketball. These teams, too, were made up of the various floors in the women's residence hall. After regular play and the championship game, the House of Athena were declared champs.

A softball program had been planned, but due to the rainy weather, no games were played.

Baseball

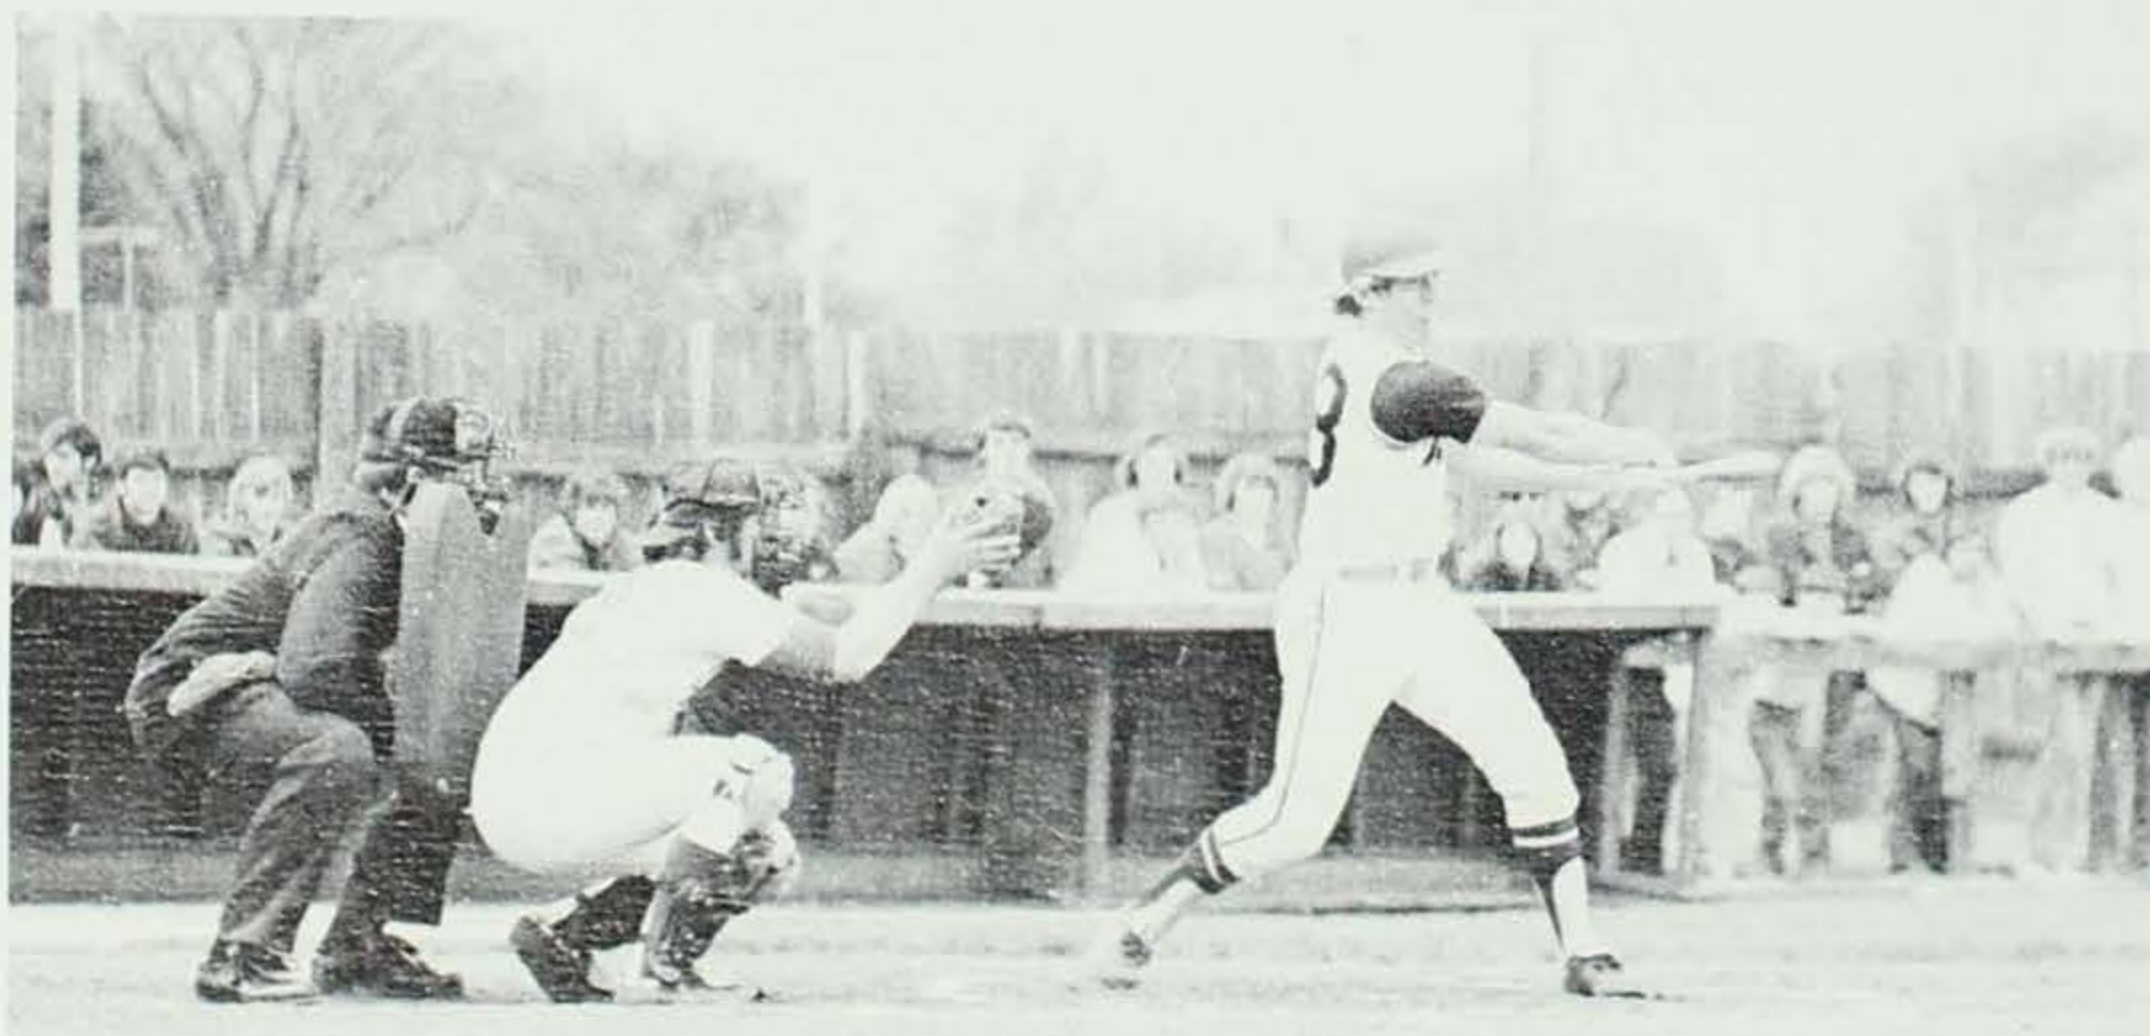

Members of the baseball team are: FIRST ROW, LEFT TO RIGHT, Jeff Trost, Ed Thayer, Frank Hernandez, Dave Dolan, Mike Hopkins, and Tim Capel; SECOND ROW, Charles Mulligan, Joe Neary, Mark Gries, Jim Nurse, Randy Braden, Paul McFarland, and Steve Donahue; THIRD ROW, Al Bell (manager), Mike Monical, Jene Scott, Lonnie Beekmann, Kevin McDonald, Larry Frakes, and Brad Jones. The Beavers are coached by Jay Beckmann.

The Beaver Baseball Squad started off their 1973 season with their annual Southern Trip. After a 3 - 0 defeat at the hands of the School of the Ozarks, the Beavers went on to win the remaining four games on the trip. These wins included a comeback over the School of the Ozarks, Arkansas Tech and a double-header victory over Henderson State.

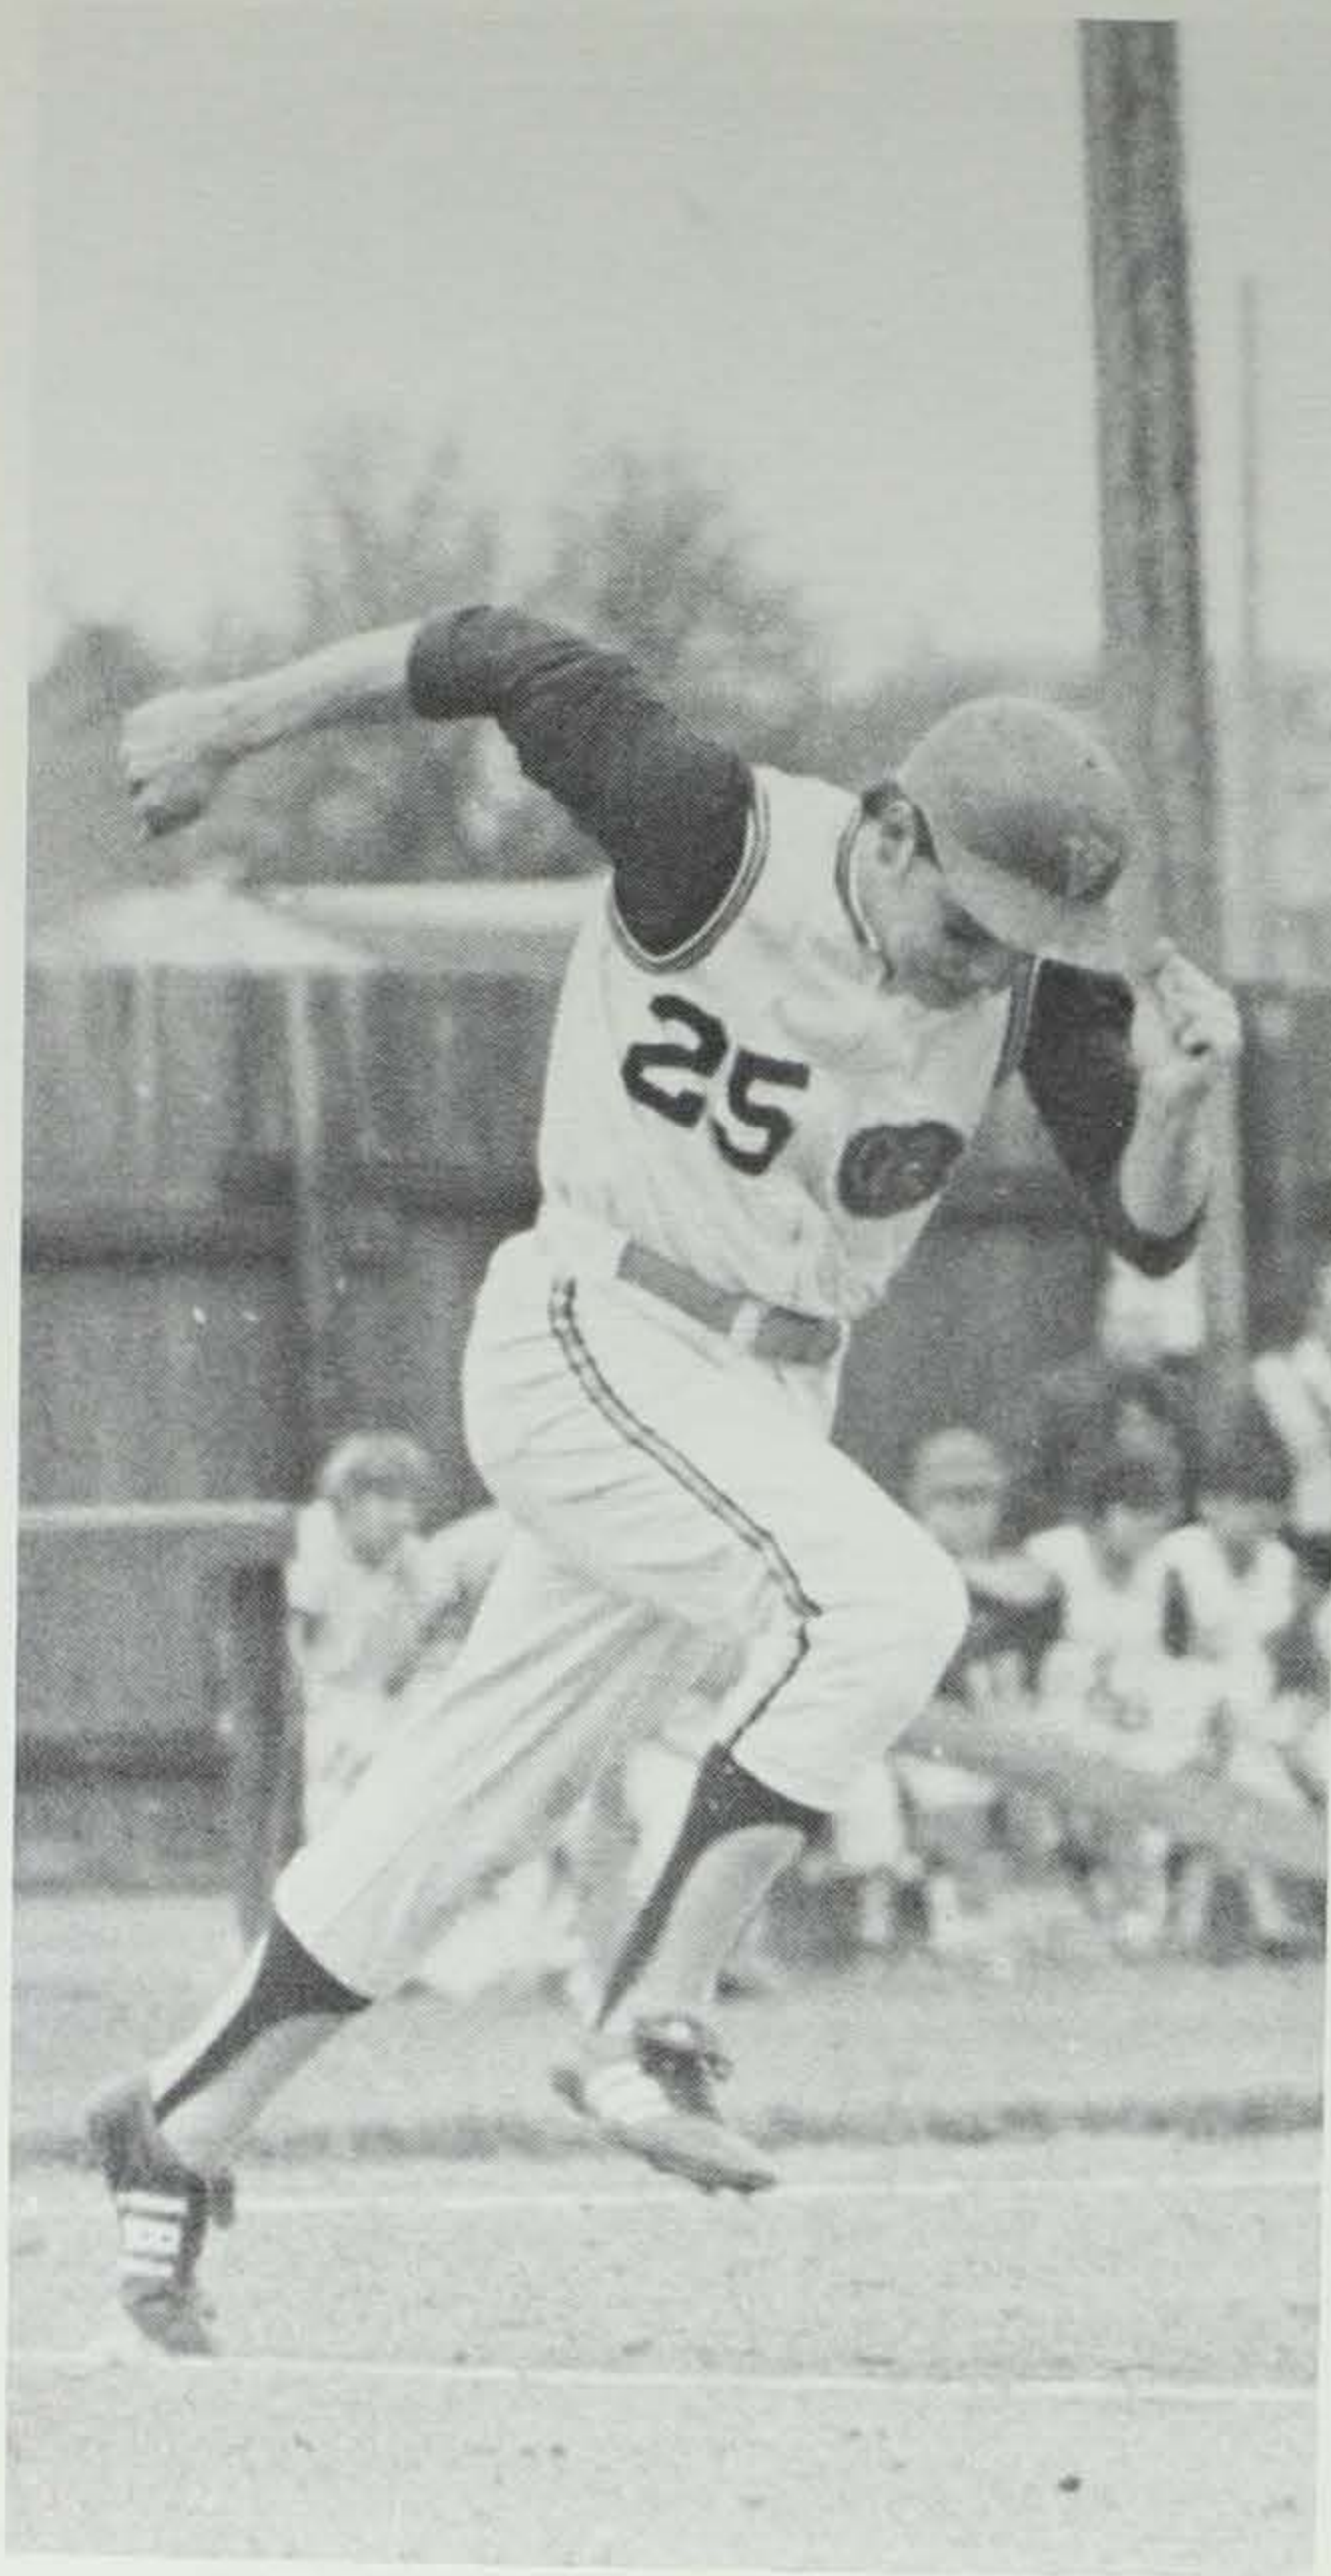

Cool, rainy weather cut into the schedule with only nine of the fourteen Iowa Conference games played. The Beavers' Conference record was 3 - 6 and their overall record was 10 - 8.

As a team, the Beavers were out hit .258 to .257. They got 75 runs on 130 hits and had a fielding percentage of .931.

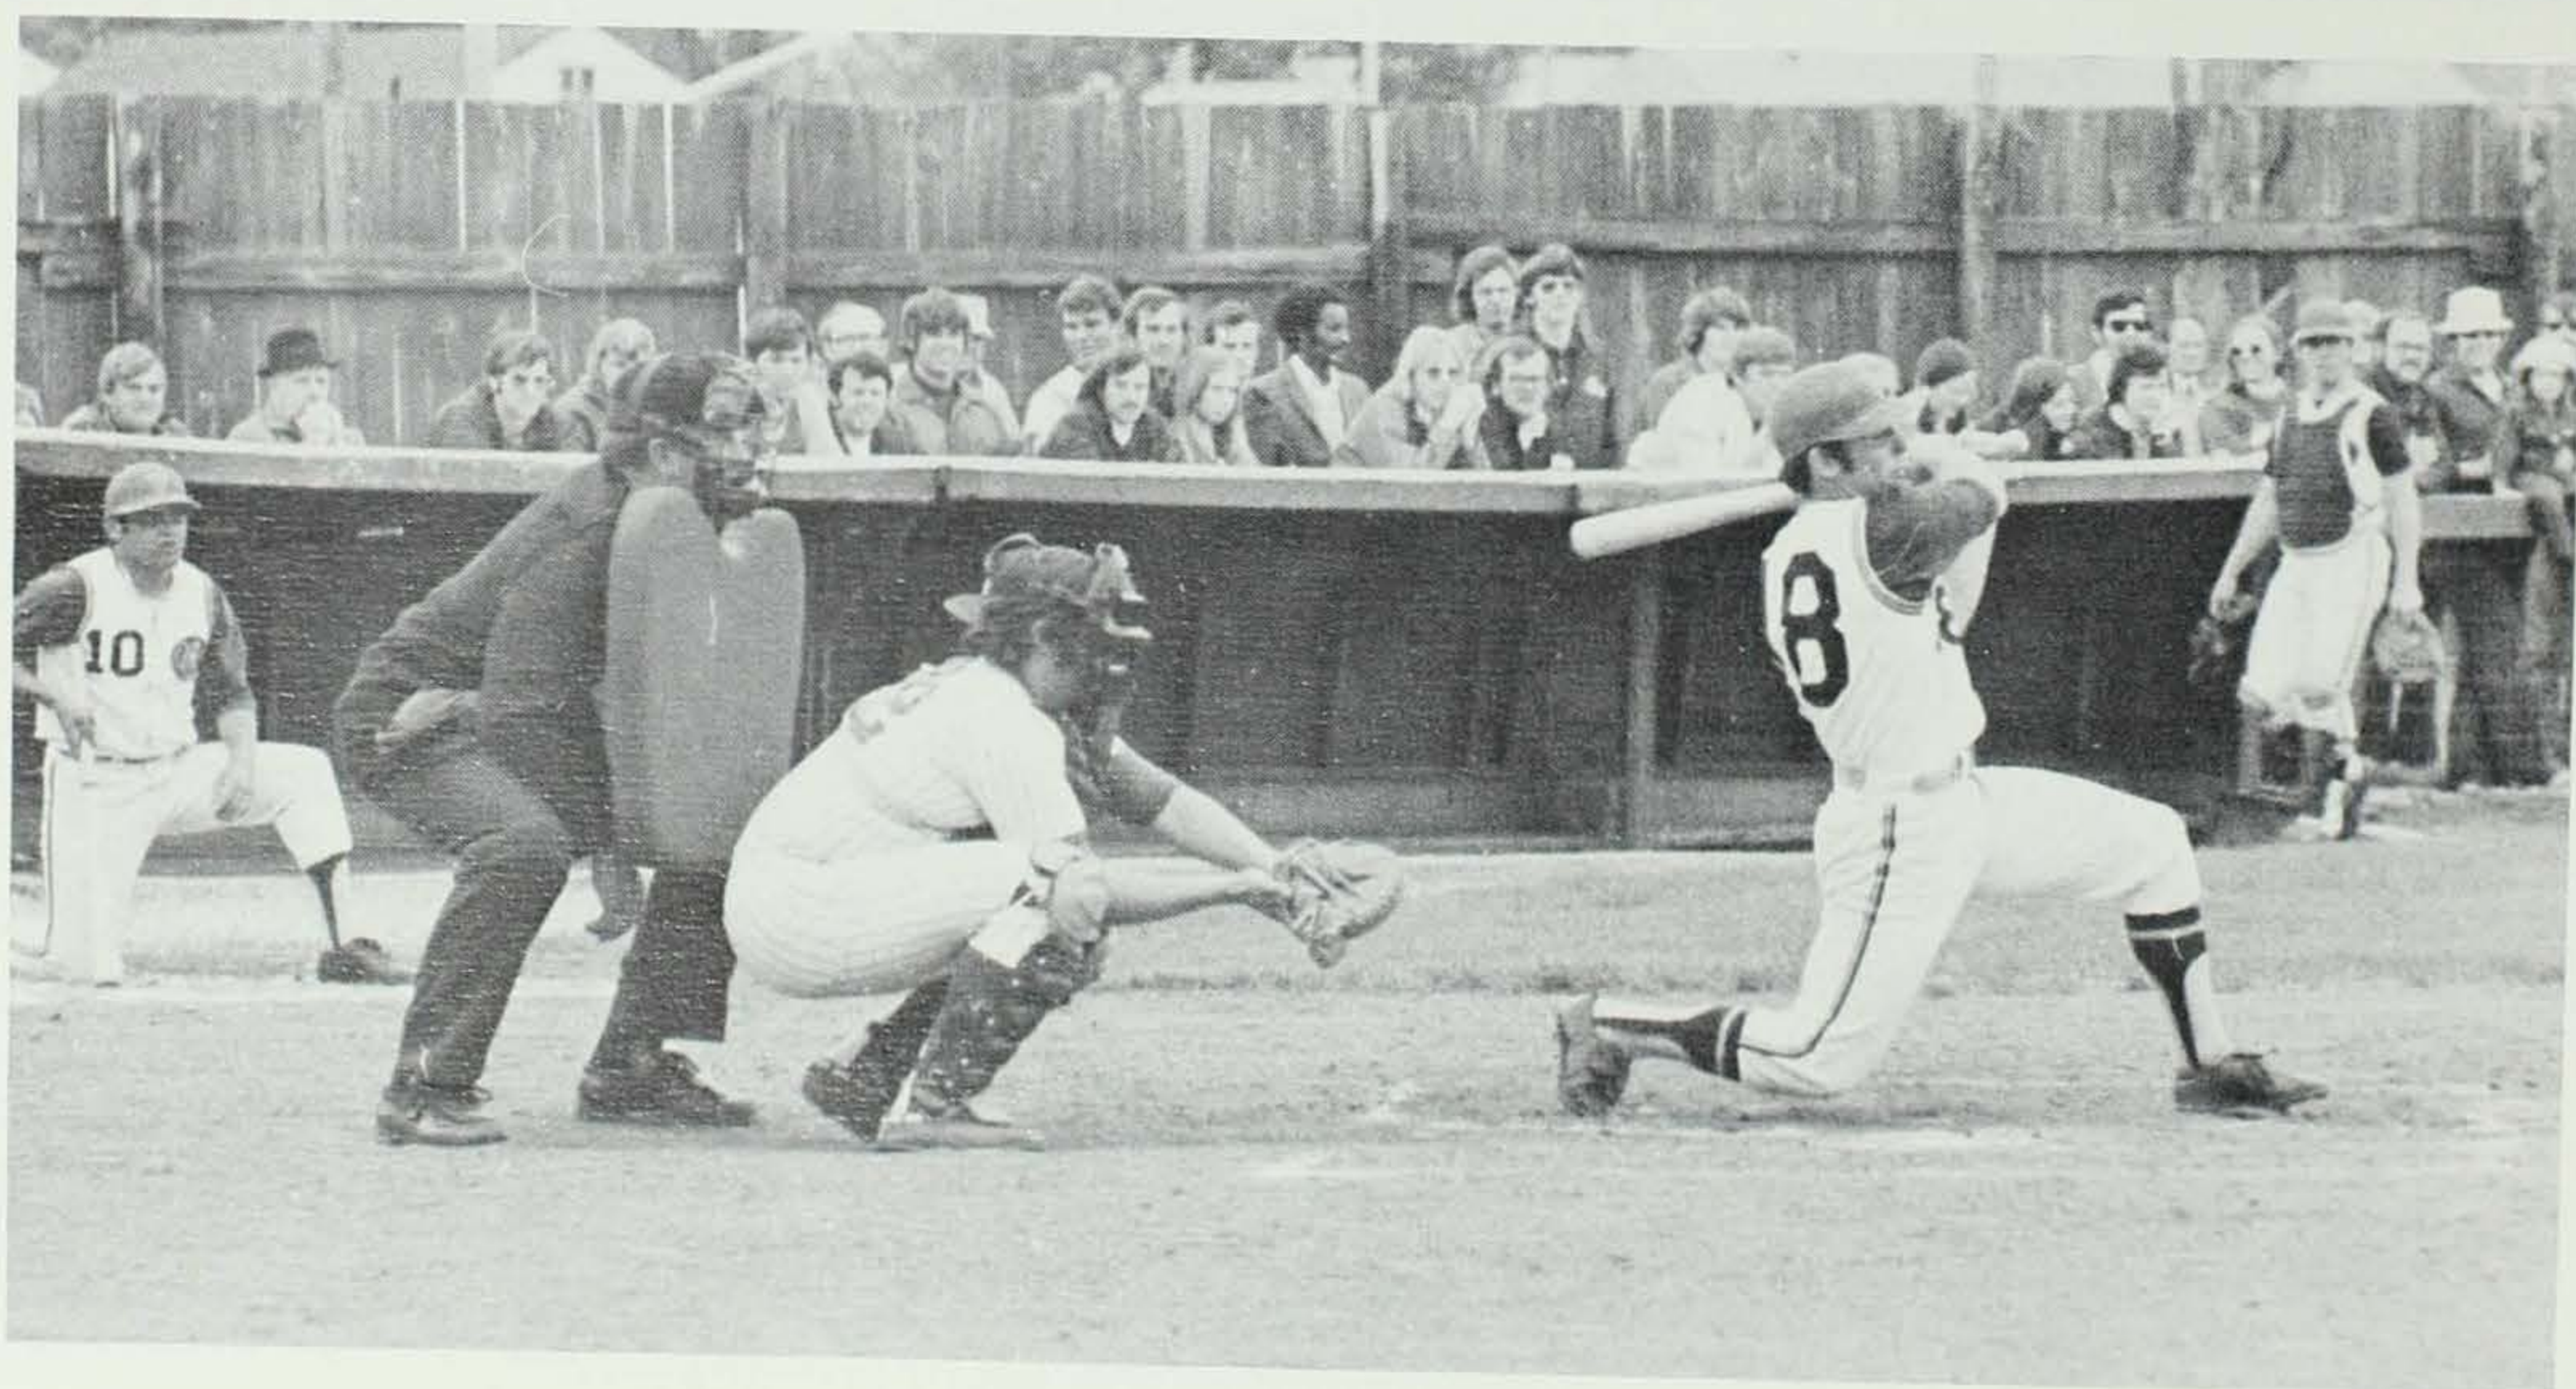

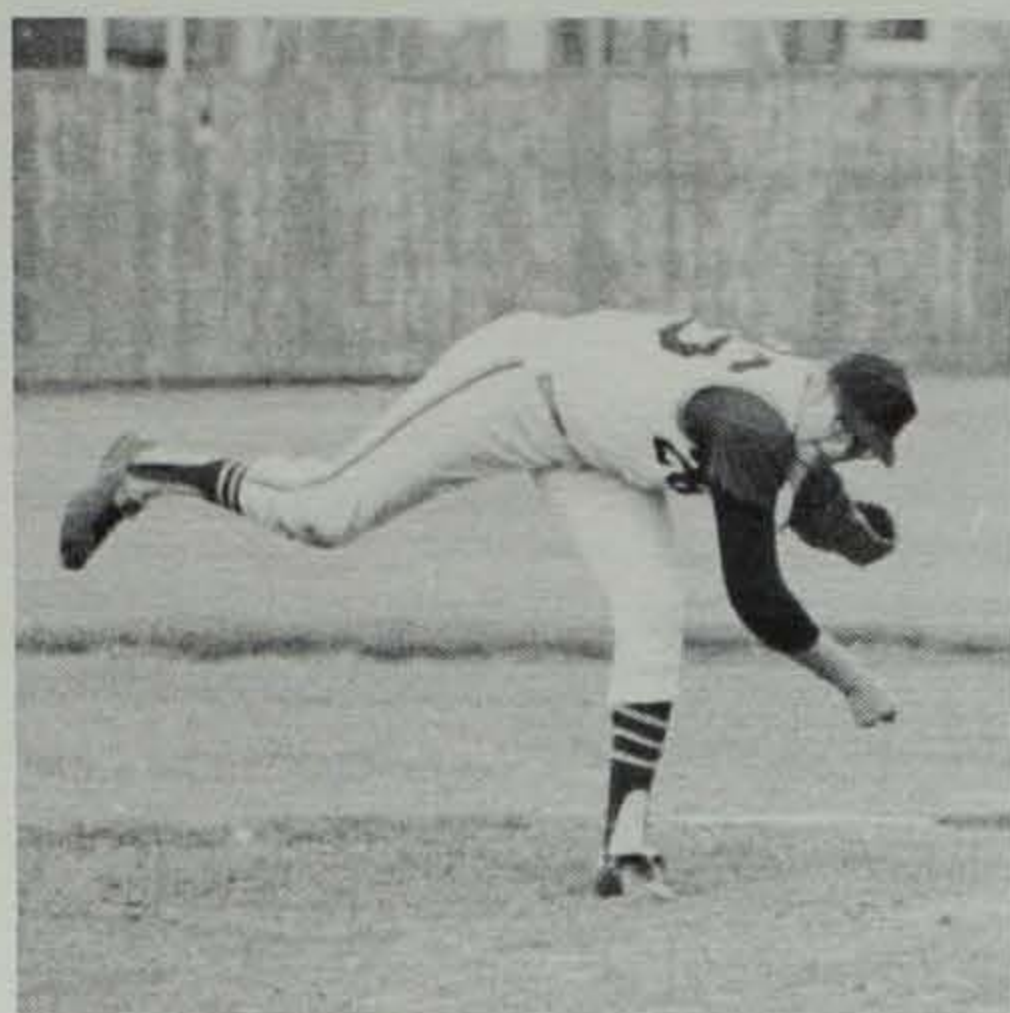

Kevin McDonald, senior pitcher for the Beavers, pitched 36 innings in which he had 53 strikeouts and an ERA of 4.00. Jene Scott, another senior, was selected first baseman of the Iowa Conference First Team for baseball. Jene was the leading hitter for the Beavers with a .345 average.

Student Associations Offers New Freedoms Course

"Cooperation" and "diversification" were key words with this year's Student Association. The full compliment of twenty-one members was required to work with fellow students, faculty, staff, and administrative personnel on the major projects.

Three special projects were initiated this year. The old concept of

the Tack was replaced with the publishing, three times weekly, of the Vistagram. The Tack was published only in special issues.

The Association was also instrumental in establishing the new freedoms course offered as a night class. Topics of discussion varied widely and there is a definite desire to

continue with the course offering next year.

This year's Homecoming Queen may have begun a new tradition at Buena Vista when she lighted the first Homecoming Torch in front of Schaller Chapel. Plans to construct a permanent torch have been approved and construction should be com-

pleted this summer.

The Student Association is grateful for the help and guidance throughout the campus and the community. Without such cooperation, these projects and the many others, would never have reached completion.

Student Union Board

Student Union Board (SUB for short) planned all campus social activities for the year.

SUB started the year with a well planned Homecoming. The variety show and parade, along with the concert by Punch and dance by the Westministers highlighted the week of activities.

In February, SUB sponsored the Festival of Snow activities with snow sculptures, toboggan party at Peterson Park and the Denny Brooks concert.

The SUB also lined up other concerts and dances throughout the year.

Commuter Council Hosts KIOA-Hi Hoopers

Elected members of the Commuter Council are, STANDING-L TO R: Dave Tucker, Vicki Goodman, Sandy Nelson. FRONT: Ted Felton, Duane Hussey, Lary Hunter.

This year's officers of the 1972-73 Commuter Council were Dave Tucker, president; Vicki Goodman, vice-president; and Ted Felton, secretary-treasurer. The council members included Toni Warnock, Sandi Nelson, Lary Hunter, and Duane Hussey.

The Commuter Council had numerous fund raising projects this year of which the bake sales were the most common. During Interim we sponsored the KIOA HI-Hoopers benefit basketball team. This proved to be profitable and added a little life to Interim. We also ran a pop machine which is located in the Student Association Lounge.

The money received from these various projects was used for many things. We donated twenty-five dollars to the "Good Fellows Fund" as well as purchasing some much needed furniture for the student lounge in D.E.

Overall it was a very good year and we, as your commuter representatives, would like to thank all of you commuters for the chance to be your voice in B.V.C.'s student government.

Esprit de Corps Sponsors Spring Car Wash

Members of Esprit de Corps are, SITTING-L TO R: Robin Annear, Craig Isaacson, Sue Rainey. SECOND ROW: Deb Jungman, Diane Harris, Lorna Bruns, LuAnn Olson, Sue Nolin, Sally Kotval, Julie Bauer, BACK ROW: Marilyn Person, Mark Grossman, Mike Monical, John Vautier, Robert Masino, Mark Schill, Bill Harrington, Steve Smith, and Peg Sabin.

Esprit de Corps successfully completed its second year as the college's number one student public relations organization. Officers for the year were: Craig Isaacson, president; Sue Rainey, secretary; and Robin Annear, treasurer. The advisor was Dr. Robert Tollefson and sponsored by

the Admissions Office of the college.

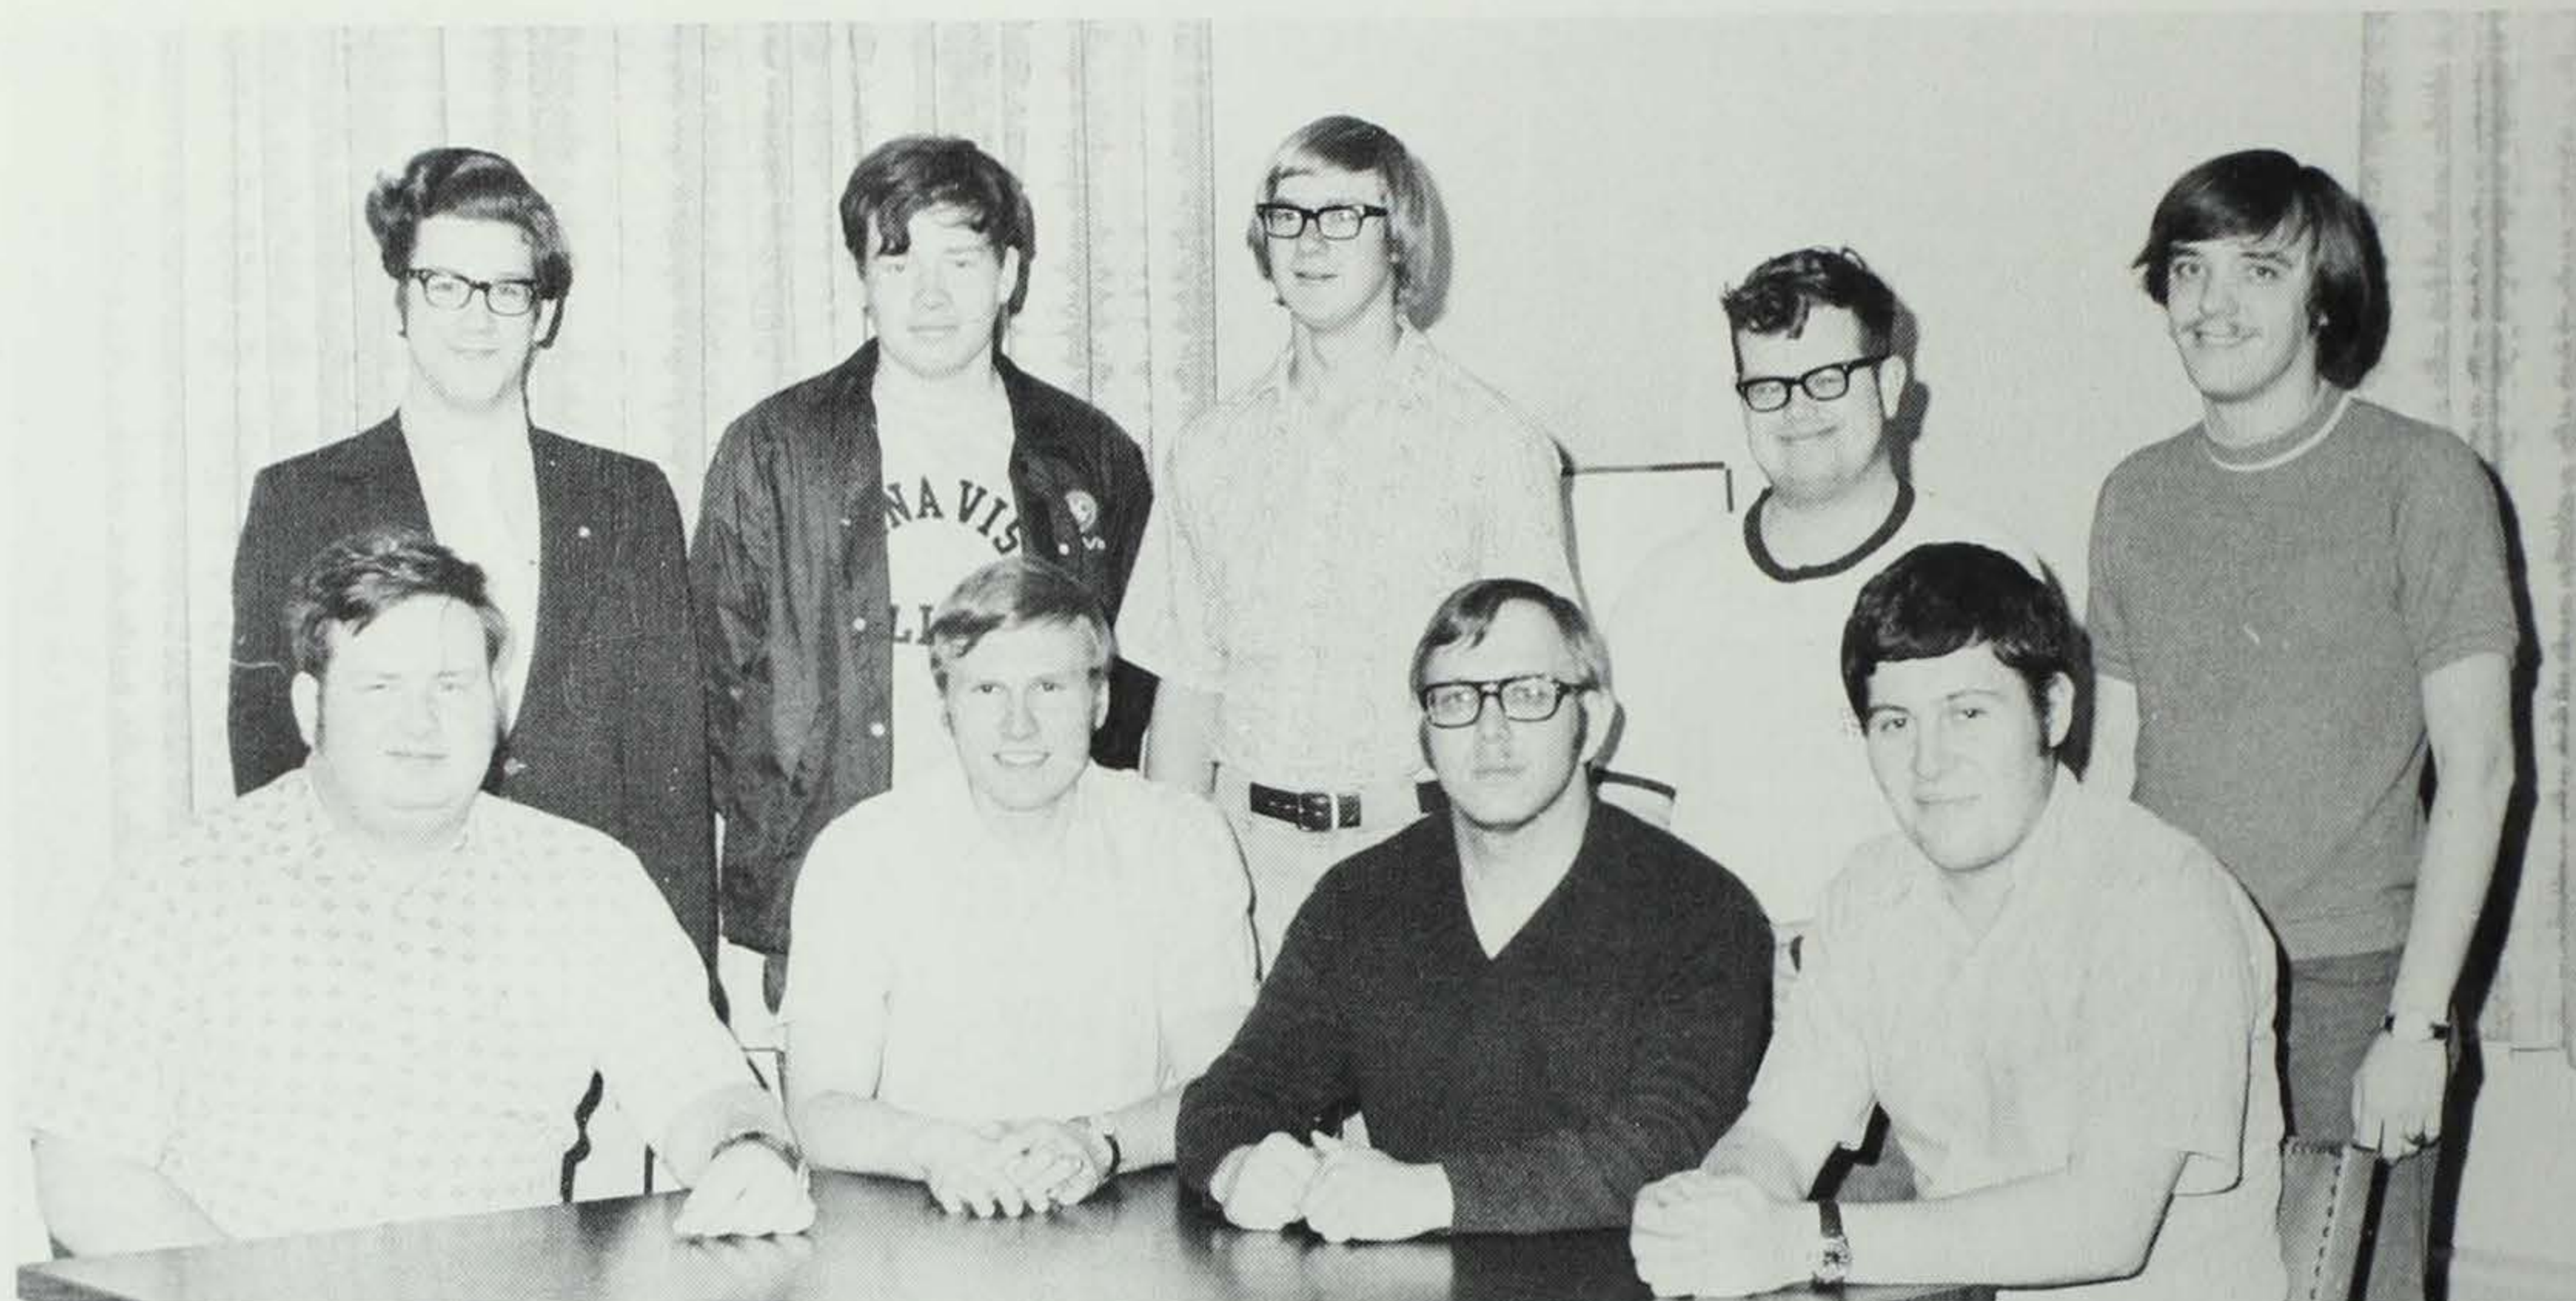

The function of Esprit de Corps is to aid the admissions office in orientation of new or prospective students to the Buena Vista Campus. Duties performed include traveling around the state to visit with high school students at College

Night Programs, conducting campus tours, and helping in the summer orientation program.

Admission to the group is limited to those elected by the incumbent members with total membership at a ceiling of 25.

Circle K members are, FRONT L TO R: Robert Kent, Larry Fett, Randy Riecks, Bill Leonard. BACK: Greg Thiele, John Fairburn, Joel Charlson, Tom Ring and Forrest Perry.

Circle K Hosts District Convention

The Circle K Club of Buena Vista College, the service organization on campus, underwent some changes in membership this year. The recent controversial dealing with female membership was settled. The once all male service club has received the okay from Kiwanis International that we can go co-ed. "Welcome girls".

Circle K was again an active club this year. Early in the year, the club again helped pick the special test plot of seed corn for DeKalb. The crew were out early Friday, Saturday, and Sunday, when they

were rained out Sunday morning. The following weekend the small four acre plot was hand picked.

The Nebraska-Iowa District Circle K Convention was held on campus in March. The Circle K Clubs from ten colleges came to the three day convention for work and fun. Highlights of the convention was the Friday night session with the Past President of Kiwanis International Wes Bartlett, giving the opening address. Seminars were planned on Multiple Sclerosis, Juvenile Probation, and Junk Car Recycling. Friday night the B.V.C.

club hosted the 50 Circle K's to a midnight Swim and pizza party.

Other activities the club worked on was the Fall and Spring visits of the Bloodmobile. The quota for the county was pushed to a new high when record numbers of B.V. students gave blood, many for the first time. Keep up the good work.

In April, the Circle K members teamed up with the Gamma's for an infamous bicycle race to Cherokee and back. Tandem bicycles were used and the Gamma's managed to push ahead to beat

Circle K by a half hour. Donations were accepted for the Multiple Sclerosis Society and the American Cancer Society.

Circle K this year was headed by Robert Kent president, Randy Riecks vice-president, Larry Fett secretary, and Bill Leonard treasurer.

The men and women of Circle K wish to congratulate those that will not be back with us next year. They are: Robert Kent, Larry Fett, Margaret Watkins, Tom Ring, Virginia Best, and Carol Melton.

Sinawik Helps With Bloodmobile

Sinawik, the women's service club, is an organization in its second year. Performing helpful projects for the campus and the community, Sinawik has undertaken many little known projects.

Members of Sinawik helped in the collection of old newspaper for the Storm Lake Recycling project, they helped with the Activities Class of mentally retarded students in Storm Lake, and helped with the Bloodmobile when it was on campus in October and April.

With the changing of the Circle K International constitution to allow females into Circle K, Sinawik will become an activity part of the Circle K Club on campus.

The officers this year were Carol Locken president and Anita Blatt vice-president.

Sinawik members are, L TO R: Carol Locken, Mary Boelman, Margaret Watkins, Anita Blatt, and Renee Kansanback.

Members of the '73 Log Staff at an Appreciation Dinner at the Ken-A-Bob are L to R: Rhonda Braden, Lorna Bruns, Barb Jons, Peg Beckfield, Becky Moran, Laure Hamilton, Darlene Knutson, and Robert Kent.

Log Staff Seen Busy at Work in 123 A-D.E.!

The '73 Log, under the editorship of Robert Kent, underwent some changes. A combination of the Student Life and Class sections created an interesting opening section. The introduction of a Gallery section creates an interesting and humorous end to a fine yearbook.

The small staff put many long hours into the book. Darlene Knutson, chosen Editor for the '74 Log, worked putting the Sports section together. Julie Baedke helped with the Fine Arts section. Rhonda Braden, Lorna Bruns, Barb Jons, Peg Beckfield, and Becky Moran all helped on the Organization and

Dorm Life sections along with the Index. Photographers for the Log were: Alan Astleford, John Fairburn, Mike Pearson, Doug Laird, and Robert Kent.

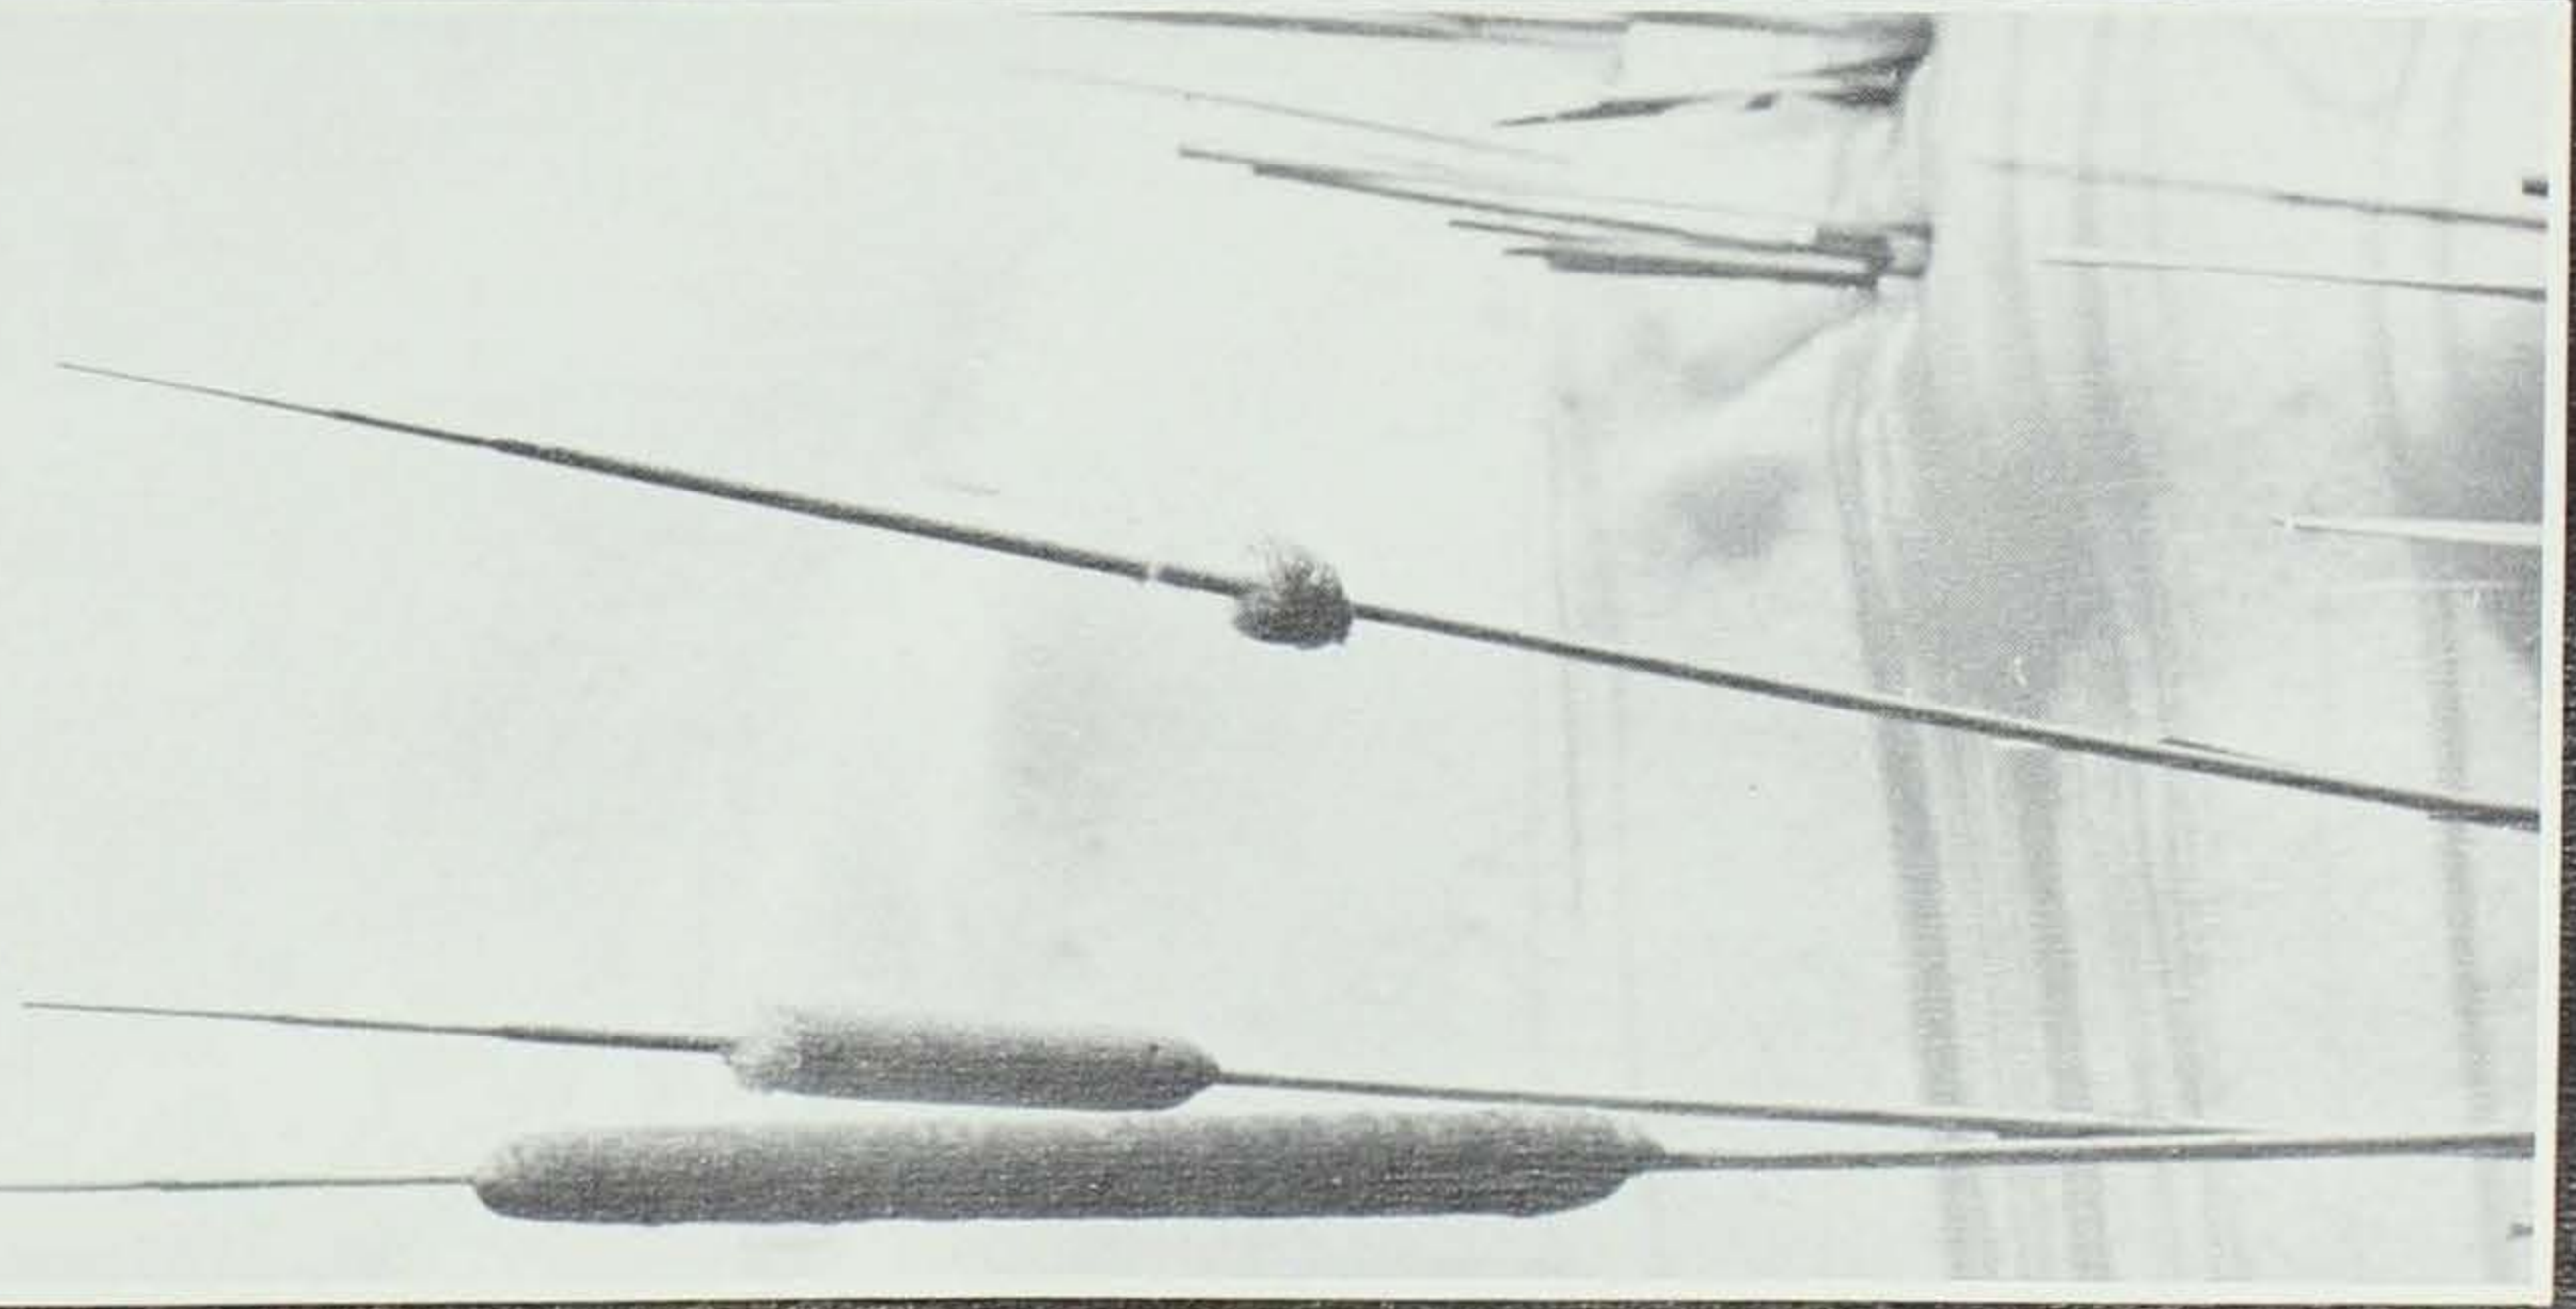

The '73 Log would like to thank everyone responsible for helping with the production of the yearbook. Special thanks go to Vic

Biology Club Cleanups Little Storm Lake

Biology Club members in the Ecology Lab, L TO R: Raleigh Bagby, David Ball, Bill Anderson, Lester Davidson, Gayle Mahn, Deborah Roose, Camilla Schneider, Mary Young, Rachel Nissen, Charles Slagle, and Gerald Poff-advisor.

The Buena Vista Biology Club continued to develop in the 1972-73 school year as the membership was increased by the addition of five new members. With the purpose of improving knowledge and interest in biology and its related areas, the Biology Club undertook several projects during the year. Included among these were a trip to the Medical Center in Omaha in October and a cleanup project of Little Storm Lake.

In May, the Club set up a dunking booth for the Spring Carnival, raising the money to pay for these projects, and sponsored candidates for the campus clowns.

Officers of the Biology Club in 1972-73 were: Camilla Schneider president, David Ball vice-president, and Debbie Roose secretary-treasure.

"Talk" Goes Under, "Vistagram" Surfaces

The three in charge of getting the news to the people are L. TO R: Alice Sorensen, Vicki Goodman, and Reid Swanson.

This year marked a change in the running of the student publication, the Tack, at B.V.C. After some discussion as to whether or not there would be a Tack, a small group of students got together and decided to get it off the ground. First of all it was decided to change the format of the Tack, making it a publication which came out only occasionally during the school year. The main body of student information would be contained in the Vistagram which would be published three times a week and be posted on bulletin boards and in the cafeteria. The student publication staff also gained an office (a two-tone one no less) and a reputation for a rather sick sense of humor. But to put all joking aside they are indeed grateful to all students who helped get the Vistagram moving again at B.V.C.

S.I.S.E.A. Hosts Fall Regional Workshop

The Student Iowa State Education Association continued to offer its members the pre-professional status of membership in the United Teaching Profession. The objectives of the association are to create an understanding of education through professional activities such as awareness to the legal and instructional responsibilities of teachers, as well as to give students preparing to teach the opportunity for practical experiences in problems of the profession and society.

The leadership of the local Buena Vista Chapter an affiliate of Student I.S.E.A./Student N.E.A., was Neal Miller president; Vicki Goodman secretary; Dennis Peterson treasurer; and Anne Nicholson chapter advisor.

Activities for the year included hosting the Fall Regional Leadership Workshop, as well as sending delegates to the Fall and Spring Regional Assemblies and the State Delegation Council of Student I.S.E.A. in Des Moines in January.

Sociology Club Helps With Open Line

The Sociology Club of Buena Vista College completed its second year of operation. As the year progressed, the purpose of the organization was emphasized by encouraging scholarship in the field of sociology. This organization tried to stress the scientific, applied, humanistic, and theoretical aspects of sociology.

The officers for the past year were Larry Fett, president; Jan Stille, vice-president; Susan Irwin, secretary; Marianne Siefer, treasurer. The faculty advisors for the club were Professor A.G. Thomas and Dr. Lester Williams.

The past year found the club showing a great deal of interest in the "Open Line", a new telephone service for troubled people, which was created this past year in Storm Lake. This spring many students traveled to the Colleges of Mid-America sociology seminar in Sioux Falls, South Dakota. Several students presented papers that they had written and others were involved in the discussion groups.

The club, open to sociology majors and minors, created an interest and better understanding of sociology throughout the year.

Members of the Sociology Club are, FRONT ROW - L TO R: Atukathil Thomas, advisor, Sue Irwin, SECOND ROW: Mary Klenaas, Margaret Watkins, Marianne Siefer, Jan Stille, THIRD ROW: Larry Fett, James Thevenin, Bruce Kuzmanich, FOURTH: Jackie Wonderly, Connie Sheirbon, Jay Gross, and Randy Allen.

"Don't Blame Me, I Voted for McGovern

The Buena Vista College Democrats worked very hard in the 1972 campaign and that was their main concern during the school year. We assisted the county organization in their headquarters downtown, helped them canvas and worked on Election Day. We were assisted by Denny Johnson, who was the McGovern campus coordinator for this area. All the local candidates plus Berkeley Bedell, Paul Franzensburg, and Dick Clark campaigned on our campus.

Sometimes we felt like seers. We were talking about Watergate, The Great Grain Robbery, and presidential powers last year and now these issues are much clearer. At this writing the Watergate scandal has blown wide open and it seems every day a new scandal is being uncovered. The plot thickens and nobody is sure how it is going to turn out. The seriousness of this is really above party bickering, but when people say that they are sorry the way they voted in November, we just shrug our shoulders and say, (like our bumper-sticker), "Don't Blame Me I Voted for McGovern."

You can't blame them for voting for Nixon, from L TO R: Bruce Blanchard, Lucian Siepka, Sue Nemeth, Doug Laird, Ronald Way, Gunnar Wikstrom-advisor, and Mark Johnson.

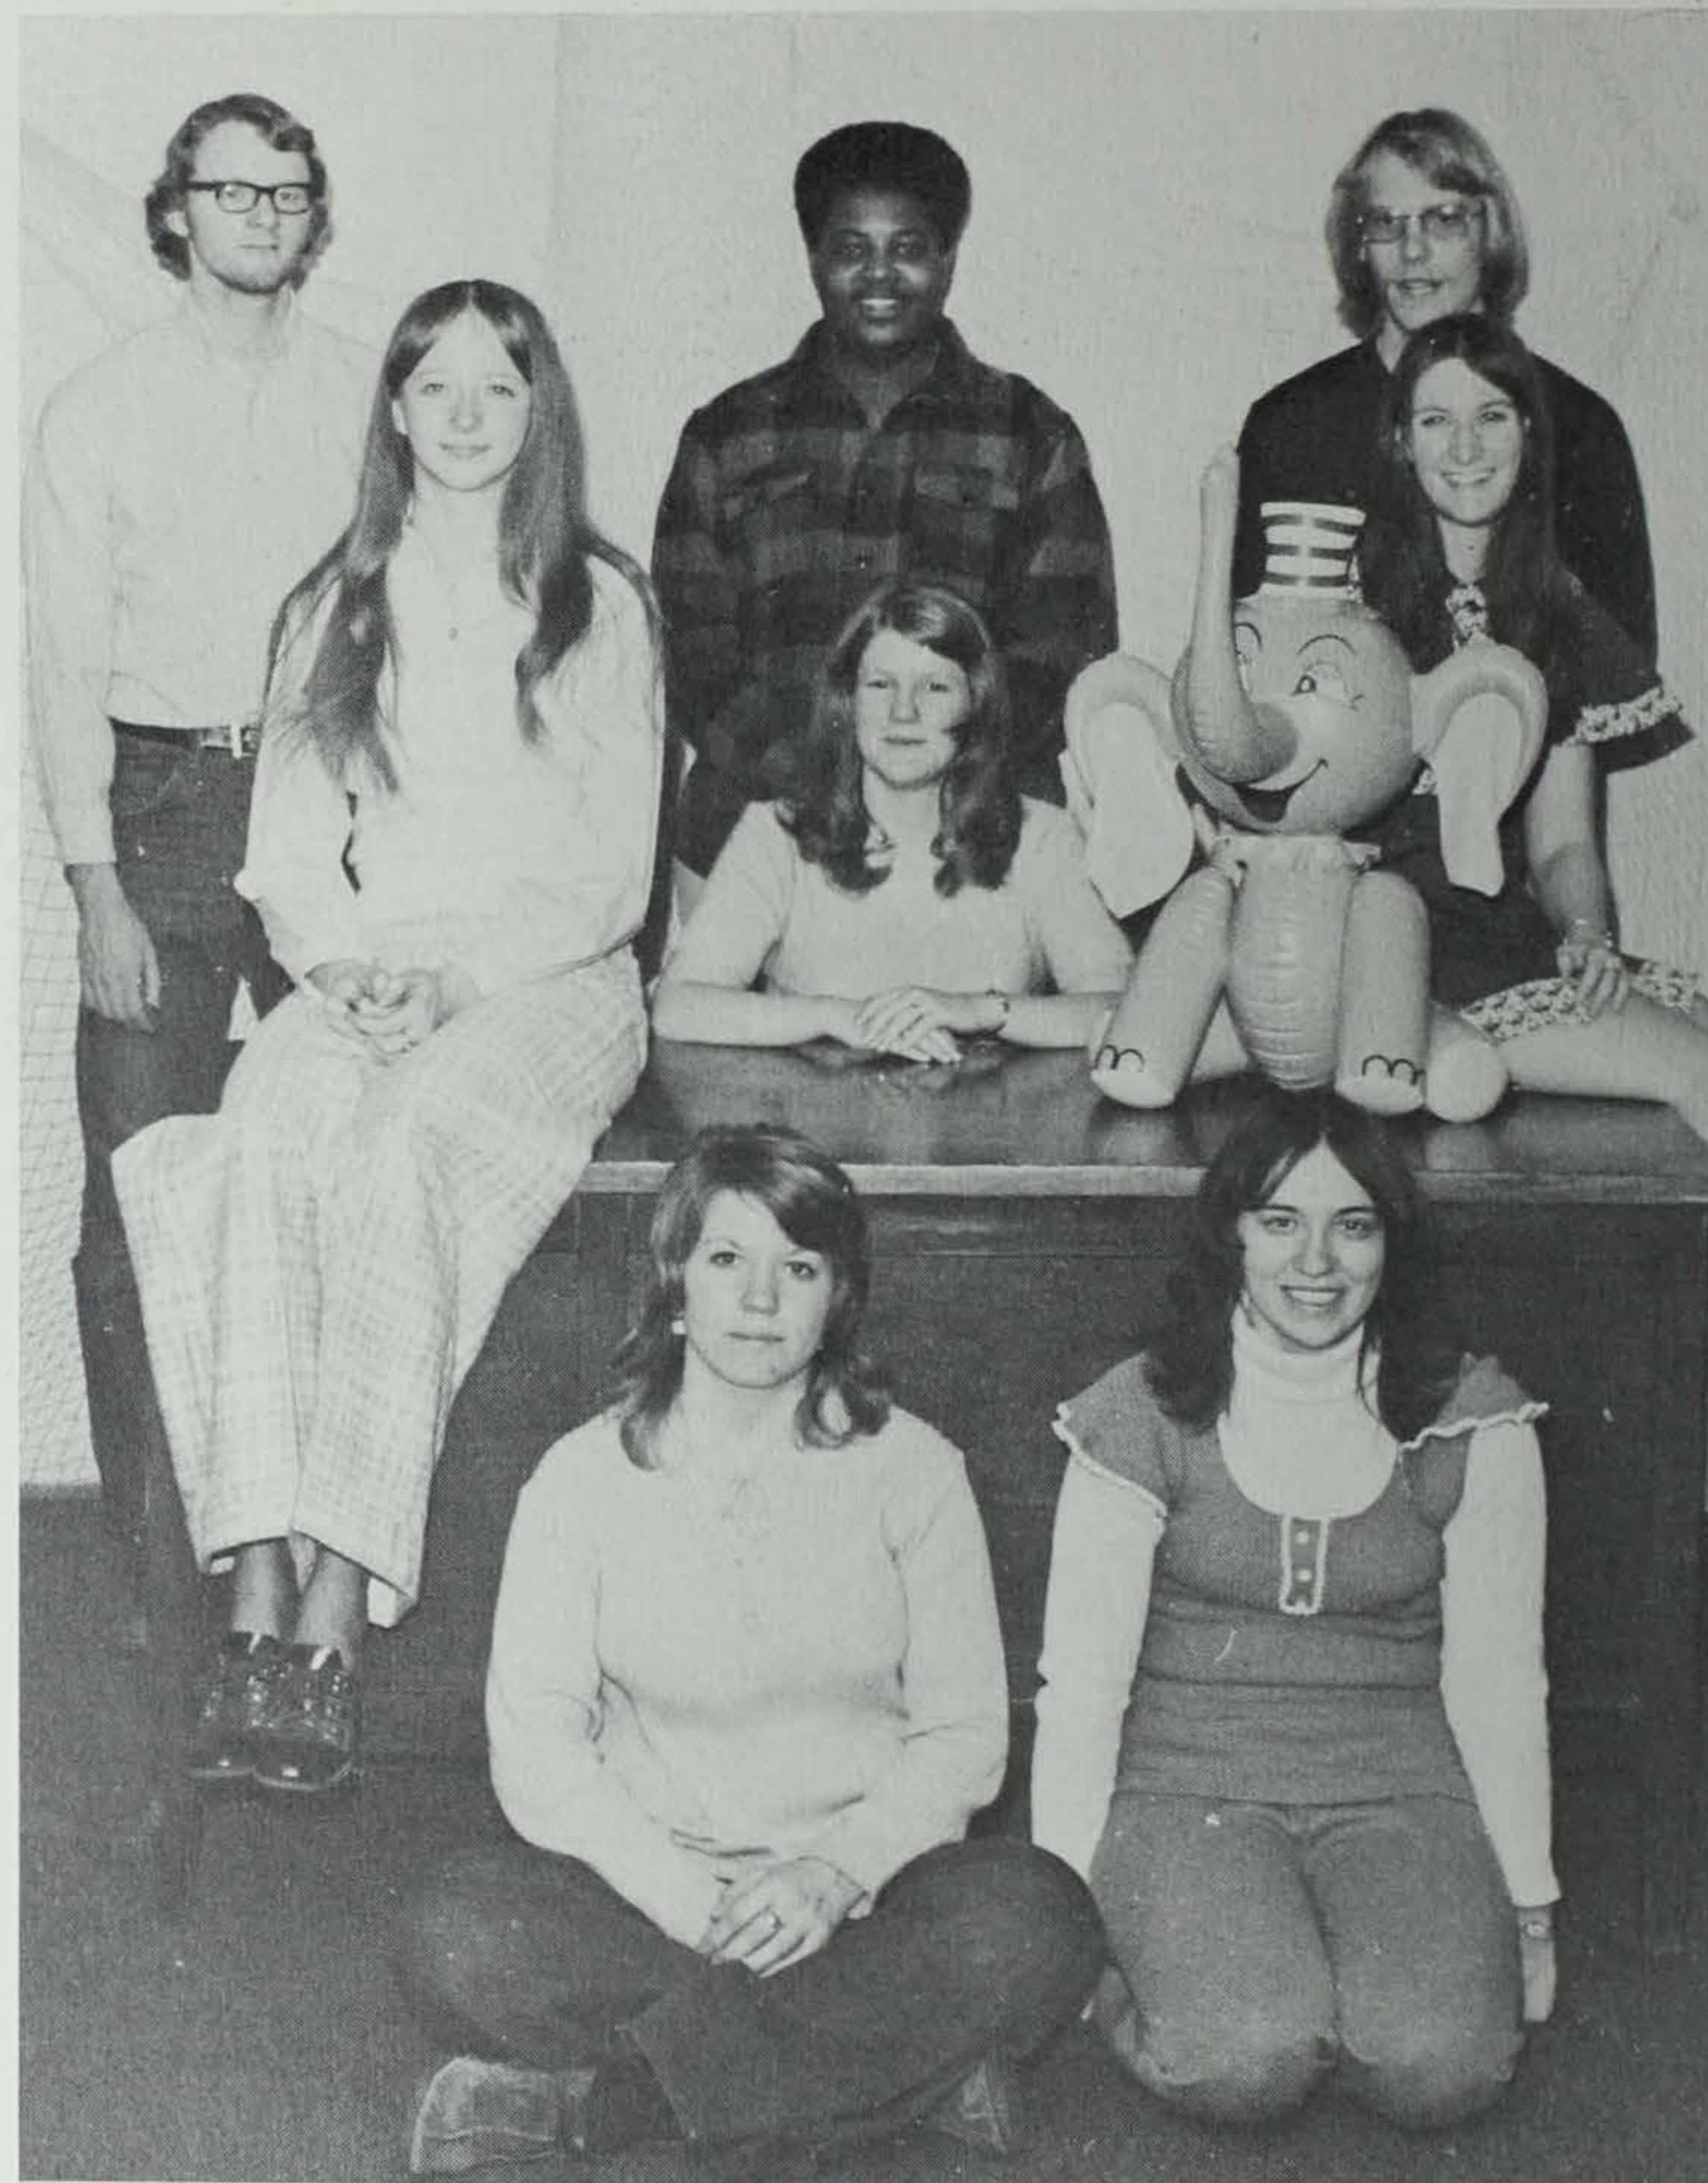

College Republicans Give Strong Hand in Nixon Blitz

With the presidential election this fall the College Republicans began with a busy schedule. The group also worked to support the candidates for governor, senator, U.S. Congress and state representative. The climax of the campaigning was the Target '72 campaign blitz for Nixon held in October. Our guest speaker was Gov. Ray.

With so many Republican victories the club took time to relax and return to membership activities. The new Republican County Committee chairman, Arnie Waldstein, worked with the group for the purpose of expanding the organization to include more young people from the county. In April it was decided that the club would be a chapter of a county wide Young Republican club to include people age 16-24.

The College Republicans also attended a regional Young Republican Leadership conference held in Sioux City. This experience provided an opportunity to learn new methods for increasing membership and program activities.

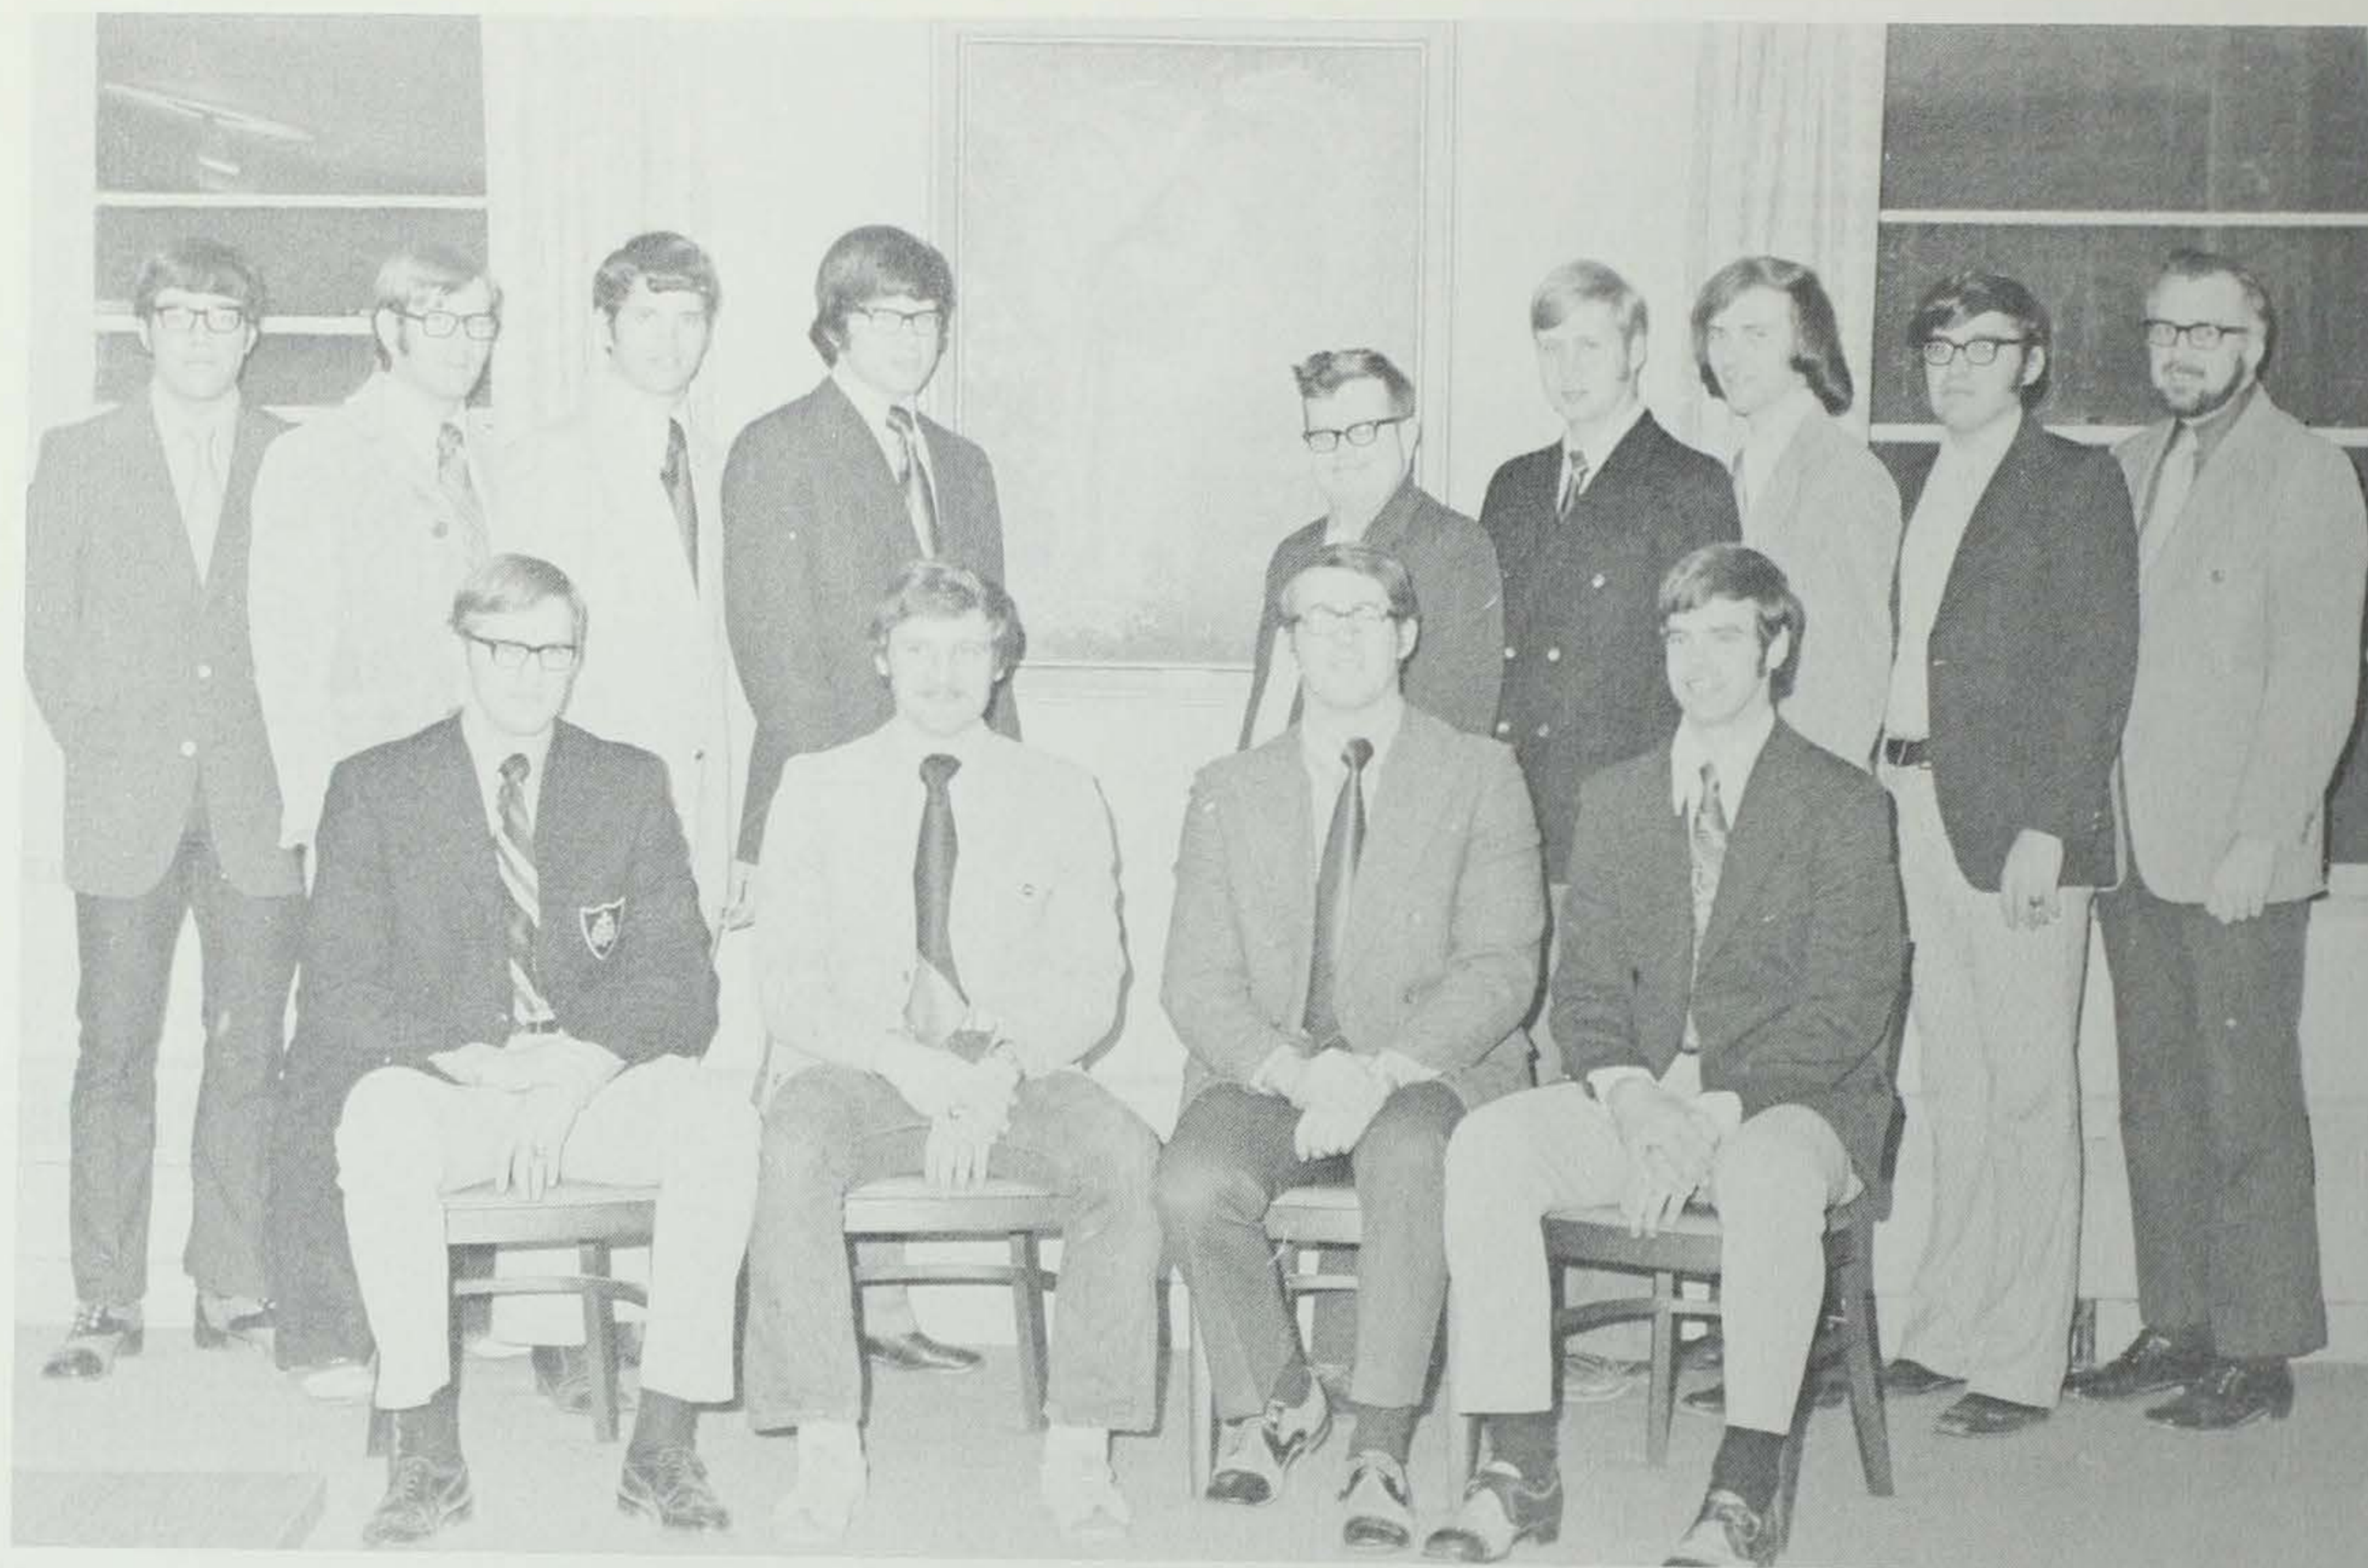

The officers for the year included Chairman Nancy Morrow, Vice-Chairman Joel Charlson, Secretary-Treasurer Juliann Daniels. Many thanks go to our advisor, Dr. Pace, for helping us to promote and encourage the students to work in the political system of our country.

F.C.A. Weekend of Champion

Fellowship is the key word in Fellowship of Christian Athletes, and this is what the 1972-73 B.V.C. Fellowship strove for each Thursday night throughout the year. To be daily committed to Someone higher than ourselves is the only way our athletic commitments and achievements know real meaning. That Someone, of course, is Jesus Christ.

This year, well over four hundred high school athletes and coaches were hosted for the 1973 F.C.A.

Weekend of Champions. Special guests were in abundance as Buena Vista welcomed Max Stratton, Midwest Regional Director of F.C.A.; Ron Hess, Minnesota Area F.C.A. Director; Bob Williams, former Harlan Globetrotter; Doug Kingsuriter, All-American tight end at the University of Minnesota; Bob Smith, quarterback and place kicker at Drake University; and at least a dozen more college athletes from the Midwest.

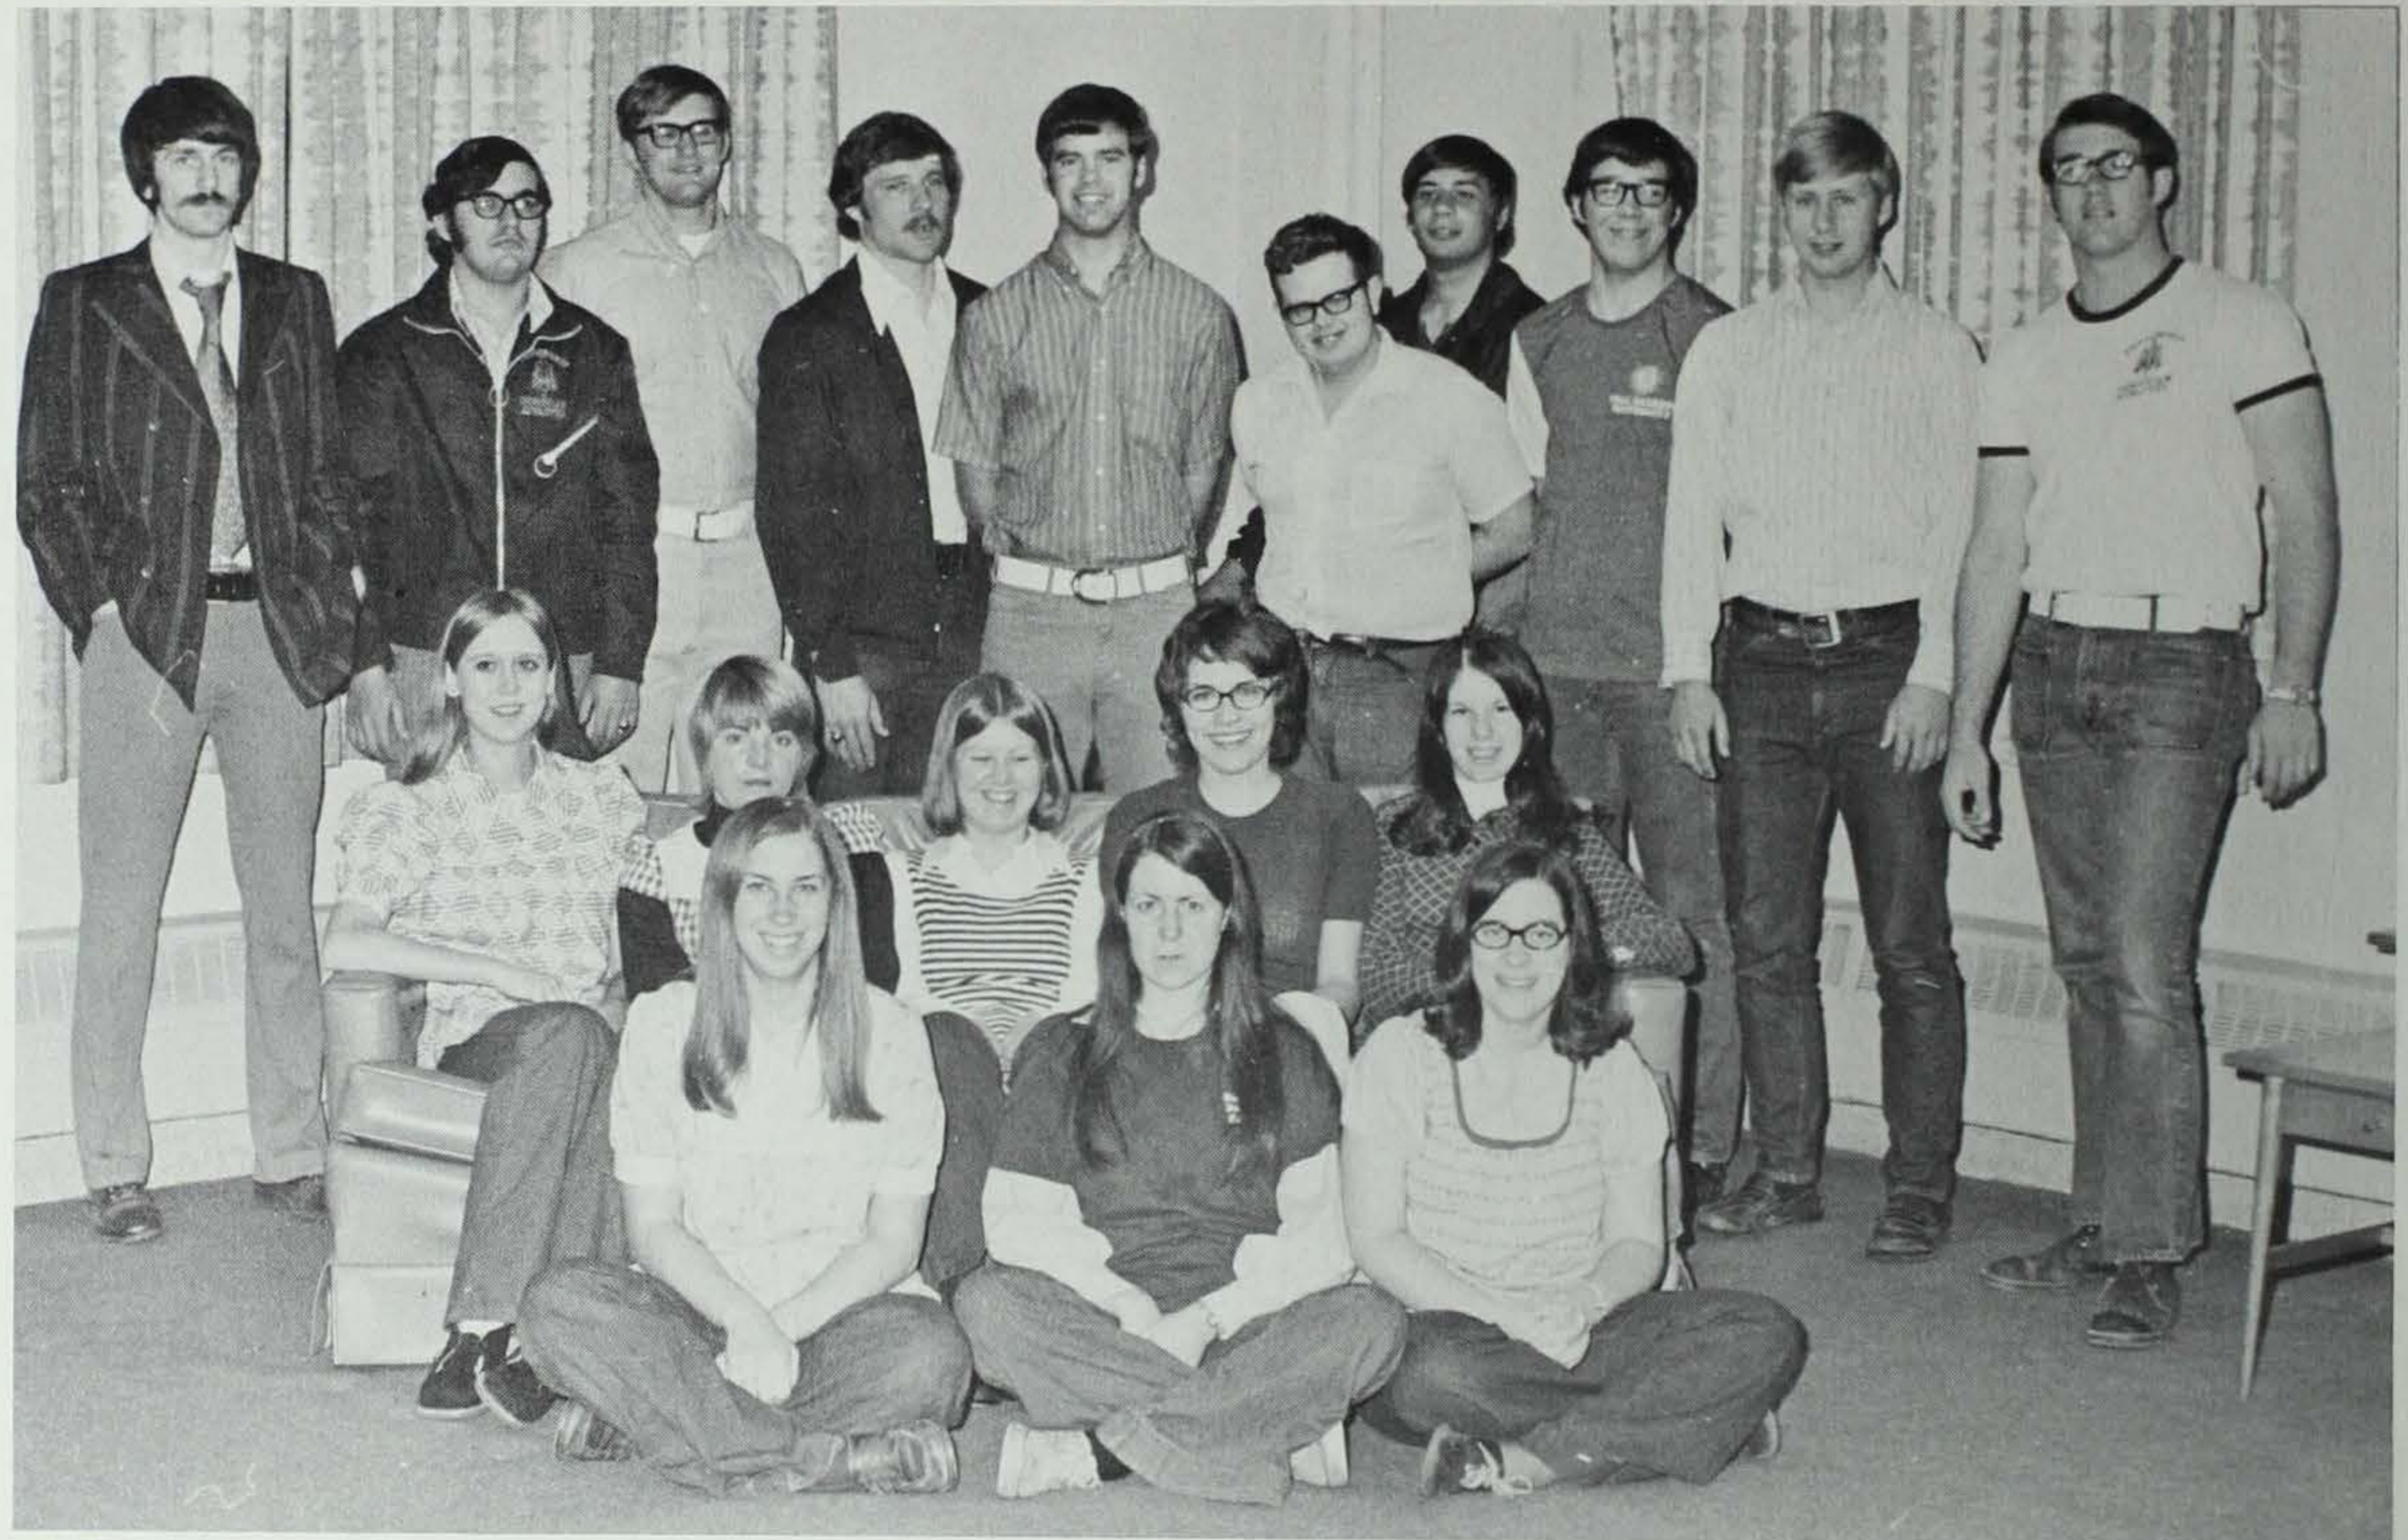

Kevin McDonald, past president of the Buena Vista Fellowship and constant strength of the group, will be greatly missed as he leaves the campus to begin his professional career. Kevin has served on the National Collegiate Staff of F.C.A. and has spent countless Sunday mornings and weeknights travelling in order to speak on behalf of F.C.A. His dedicated enthusiasm serves well as an example and challenge for each of us to follow.

Dr. Robert Tollefson and Coach Jay Beekmann gave many hours of their time this year guiding the college Fellowship. The care these two men show for young people is tremendous and the time they spend unselfish, and they seek no reward or recognition.

The 1973 F.C.A. would like to wish each graduating senior the best always and challenge all future B.V. Fellowships to be strong and persevering in your faith.

Campus Bible Study in First Year

Campus Bible Study was made an official organization on campus this year as an aid to the spiritual needs of the students. The purpose of the organization is for the sake of confronting God, of hearing His living Word, and of doing his will. This becomes an individual responsibility, but support is given by the fellowship with other members.

The Summer of 1973 will find sev-

eral C.B.S. members at an Inter-Varsity Camp at Bear Trap, Colorado, and some as counselors for church camps held at Okoboji each summer.

Officers for 1972-73 were Connie Sheirbon, president; Deb Green, vice-president; Ron Nichols, secretary-treasurer; and Tom Ring, public relations.

Drill Team Performed at Halftime

This year's Drill Team was coached by Captain Kathy Beving. The team presented Buena Vista College with a variety of new routines at the halftime of all the Beavers' home football games. The girls did a tremendous job,

in spite of having to march in snow, rain, and below-zero weather. The highlight of the Drill Team's season was marching in the Homecoming Parade on Saturday morning before the game.

This past winter the members of the squad have had hot dog sales to raise money for new uniforms and pom-poms. This effort was organized by next year's captain, Rosie Davis.

Cheerleaders

The basketball cheerleading squad, led by Captain Debbie Green and Co-Captain Sue Melander, had a busy season trying to promote and uphold the Beaver spirit, to develop a sense of good sportsmanship among the fans, and to better relationships between college during athletic events.

This year a spirit contest was held. Each home game, organizations and houses were asked to hand in spirit point totals. The highest total was awarded the spirit stick at the next home game. At the final game at home, all totals were added up and a spirit trophy awarded. Our very fine pep band under the direction of Mr. W.B. Green, received the honor.

As a fund raising project, the cheerleaders organized a coat check for the high school tournament games to help cover a few expenses such as uniforms, supplies, and transportation to away games.

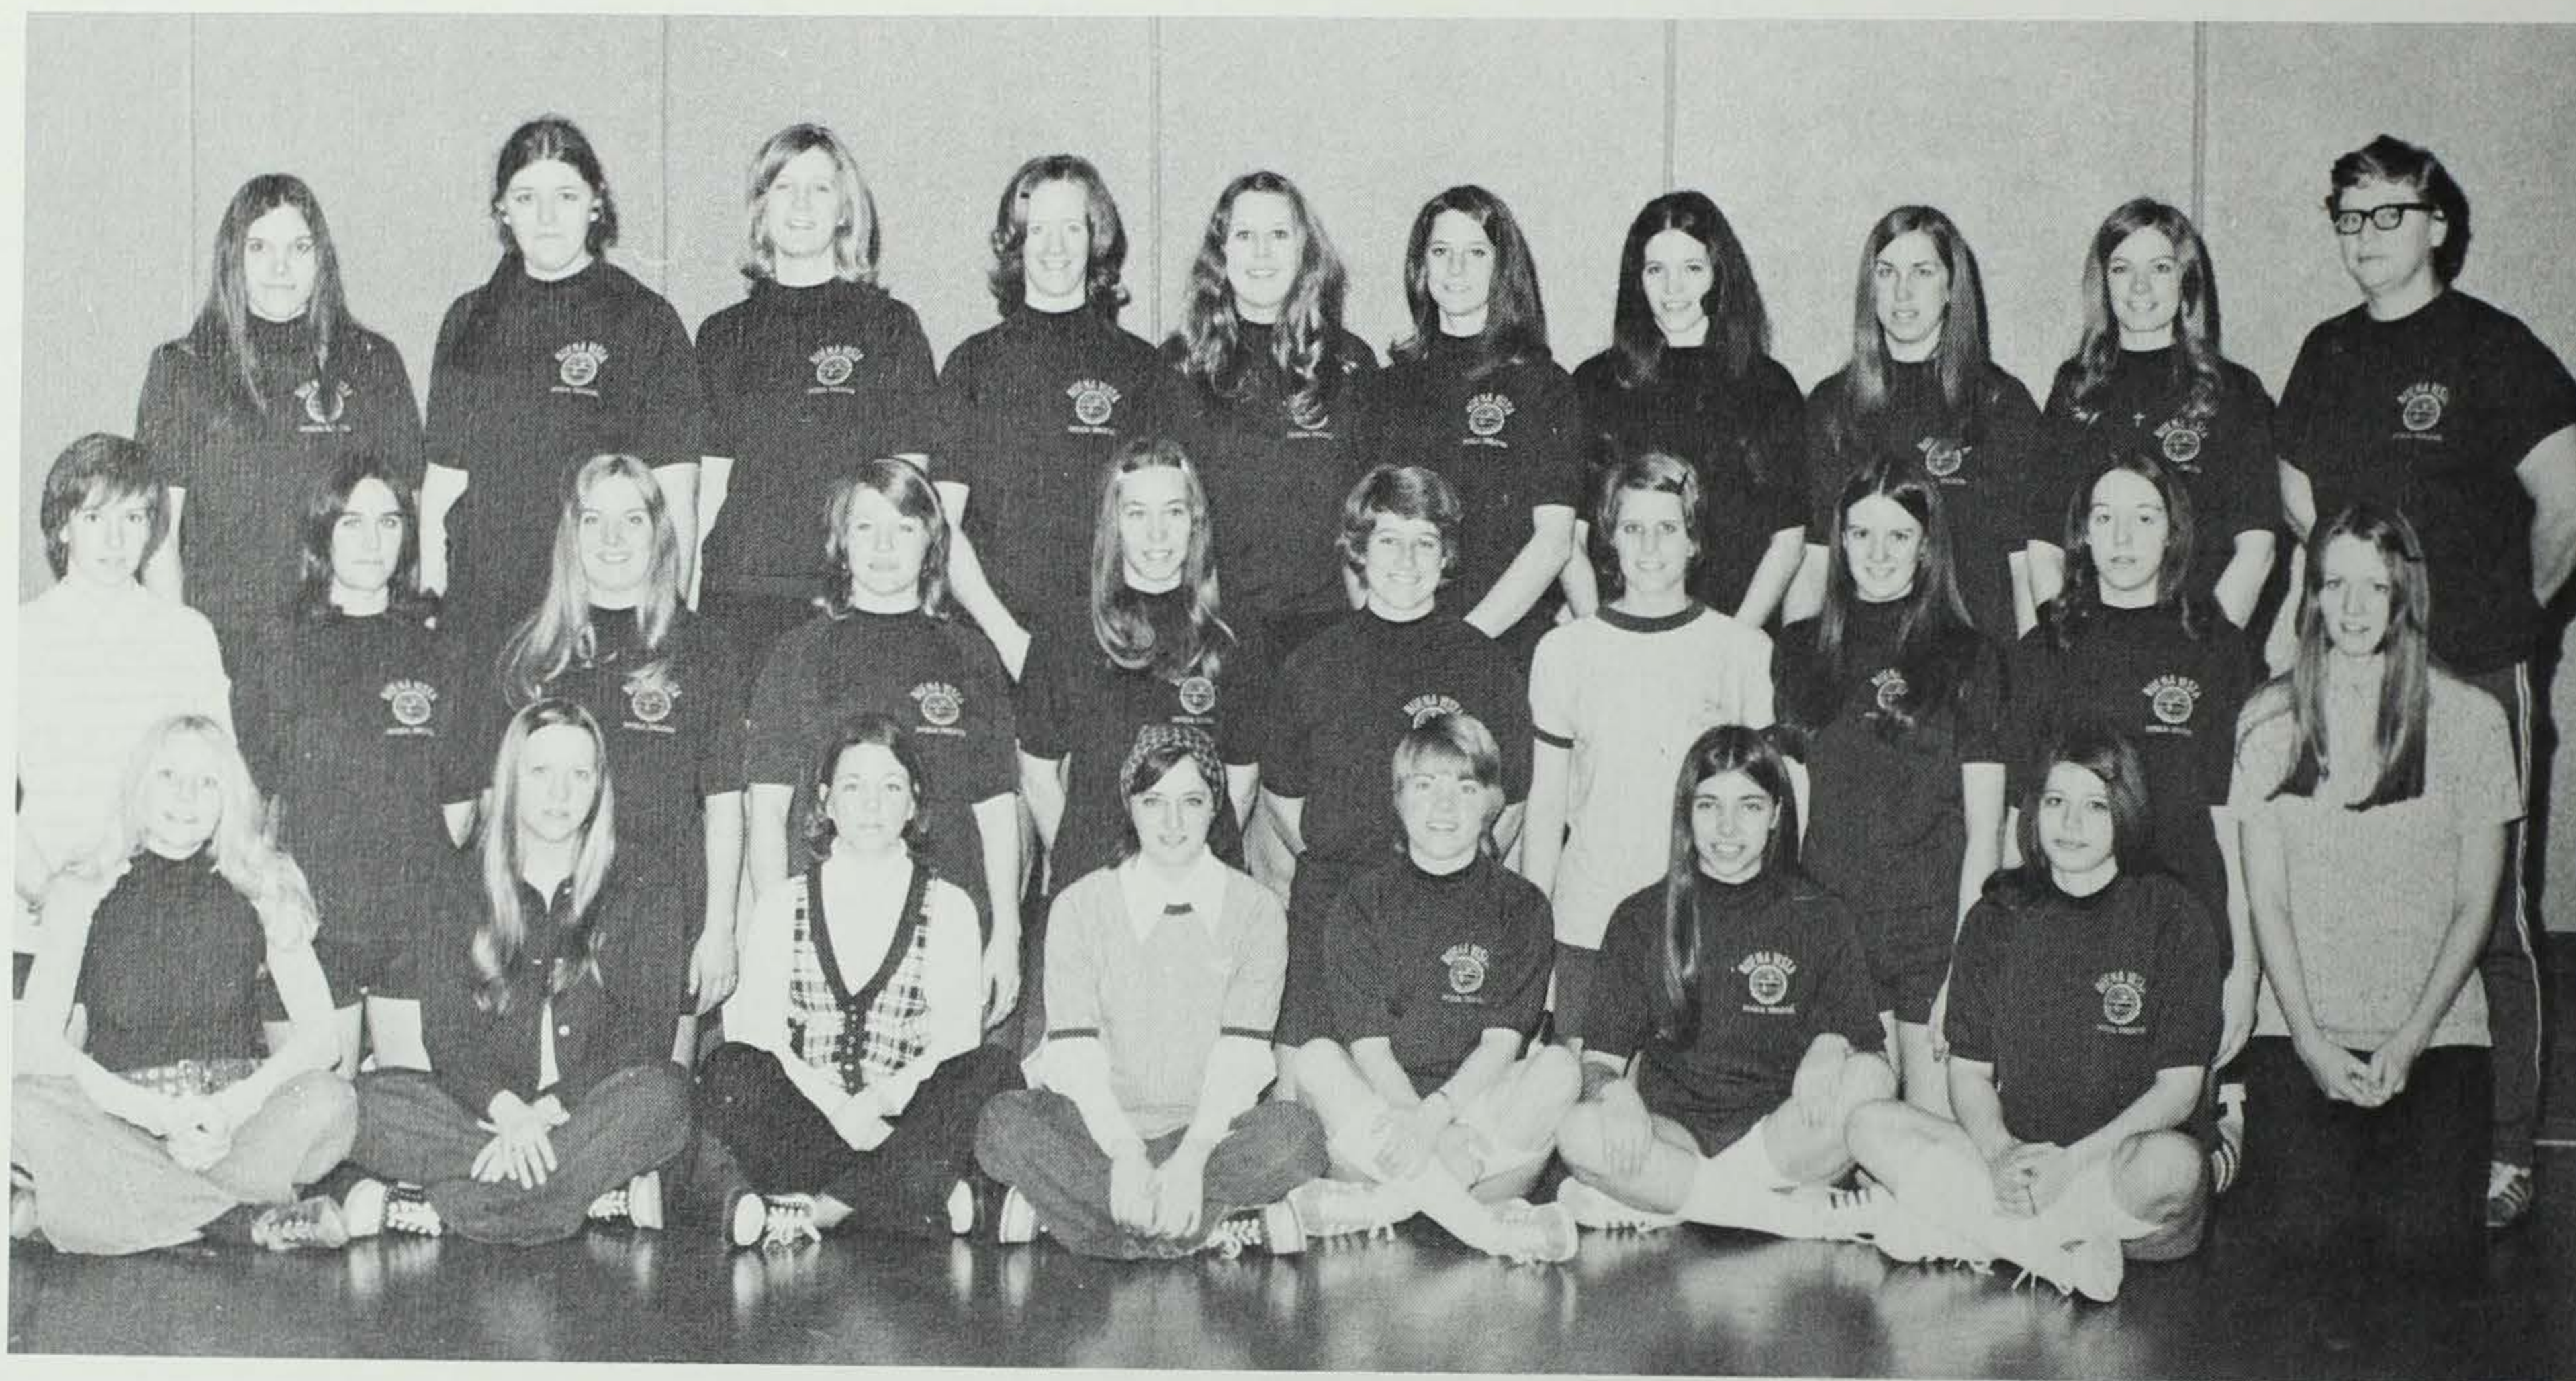

We would like to thank our sponsors, Mrs. Merrit Ewalt and Mrs. Al Lewis, for their guidance and assistance through the year. Without their support, many of the year's dreams and schemes would never have become a reality.

P.E.M.M. Club Enjoy Active Year

P.E.M.M. Club functions to create a closer fellowship with those women in the field of physical education; to improve physical education and recreation in the promotion of human welfare; to advance the standards of teaching and leadership; to provide friendly competition and recreation activities for all members; and to develop and maintain a high standard of physical fitness.

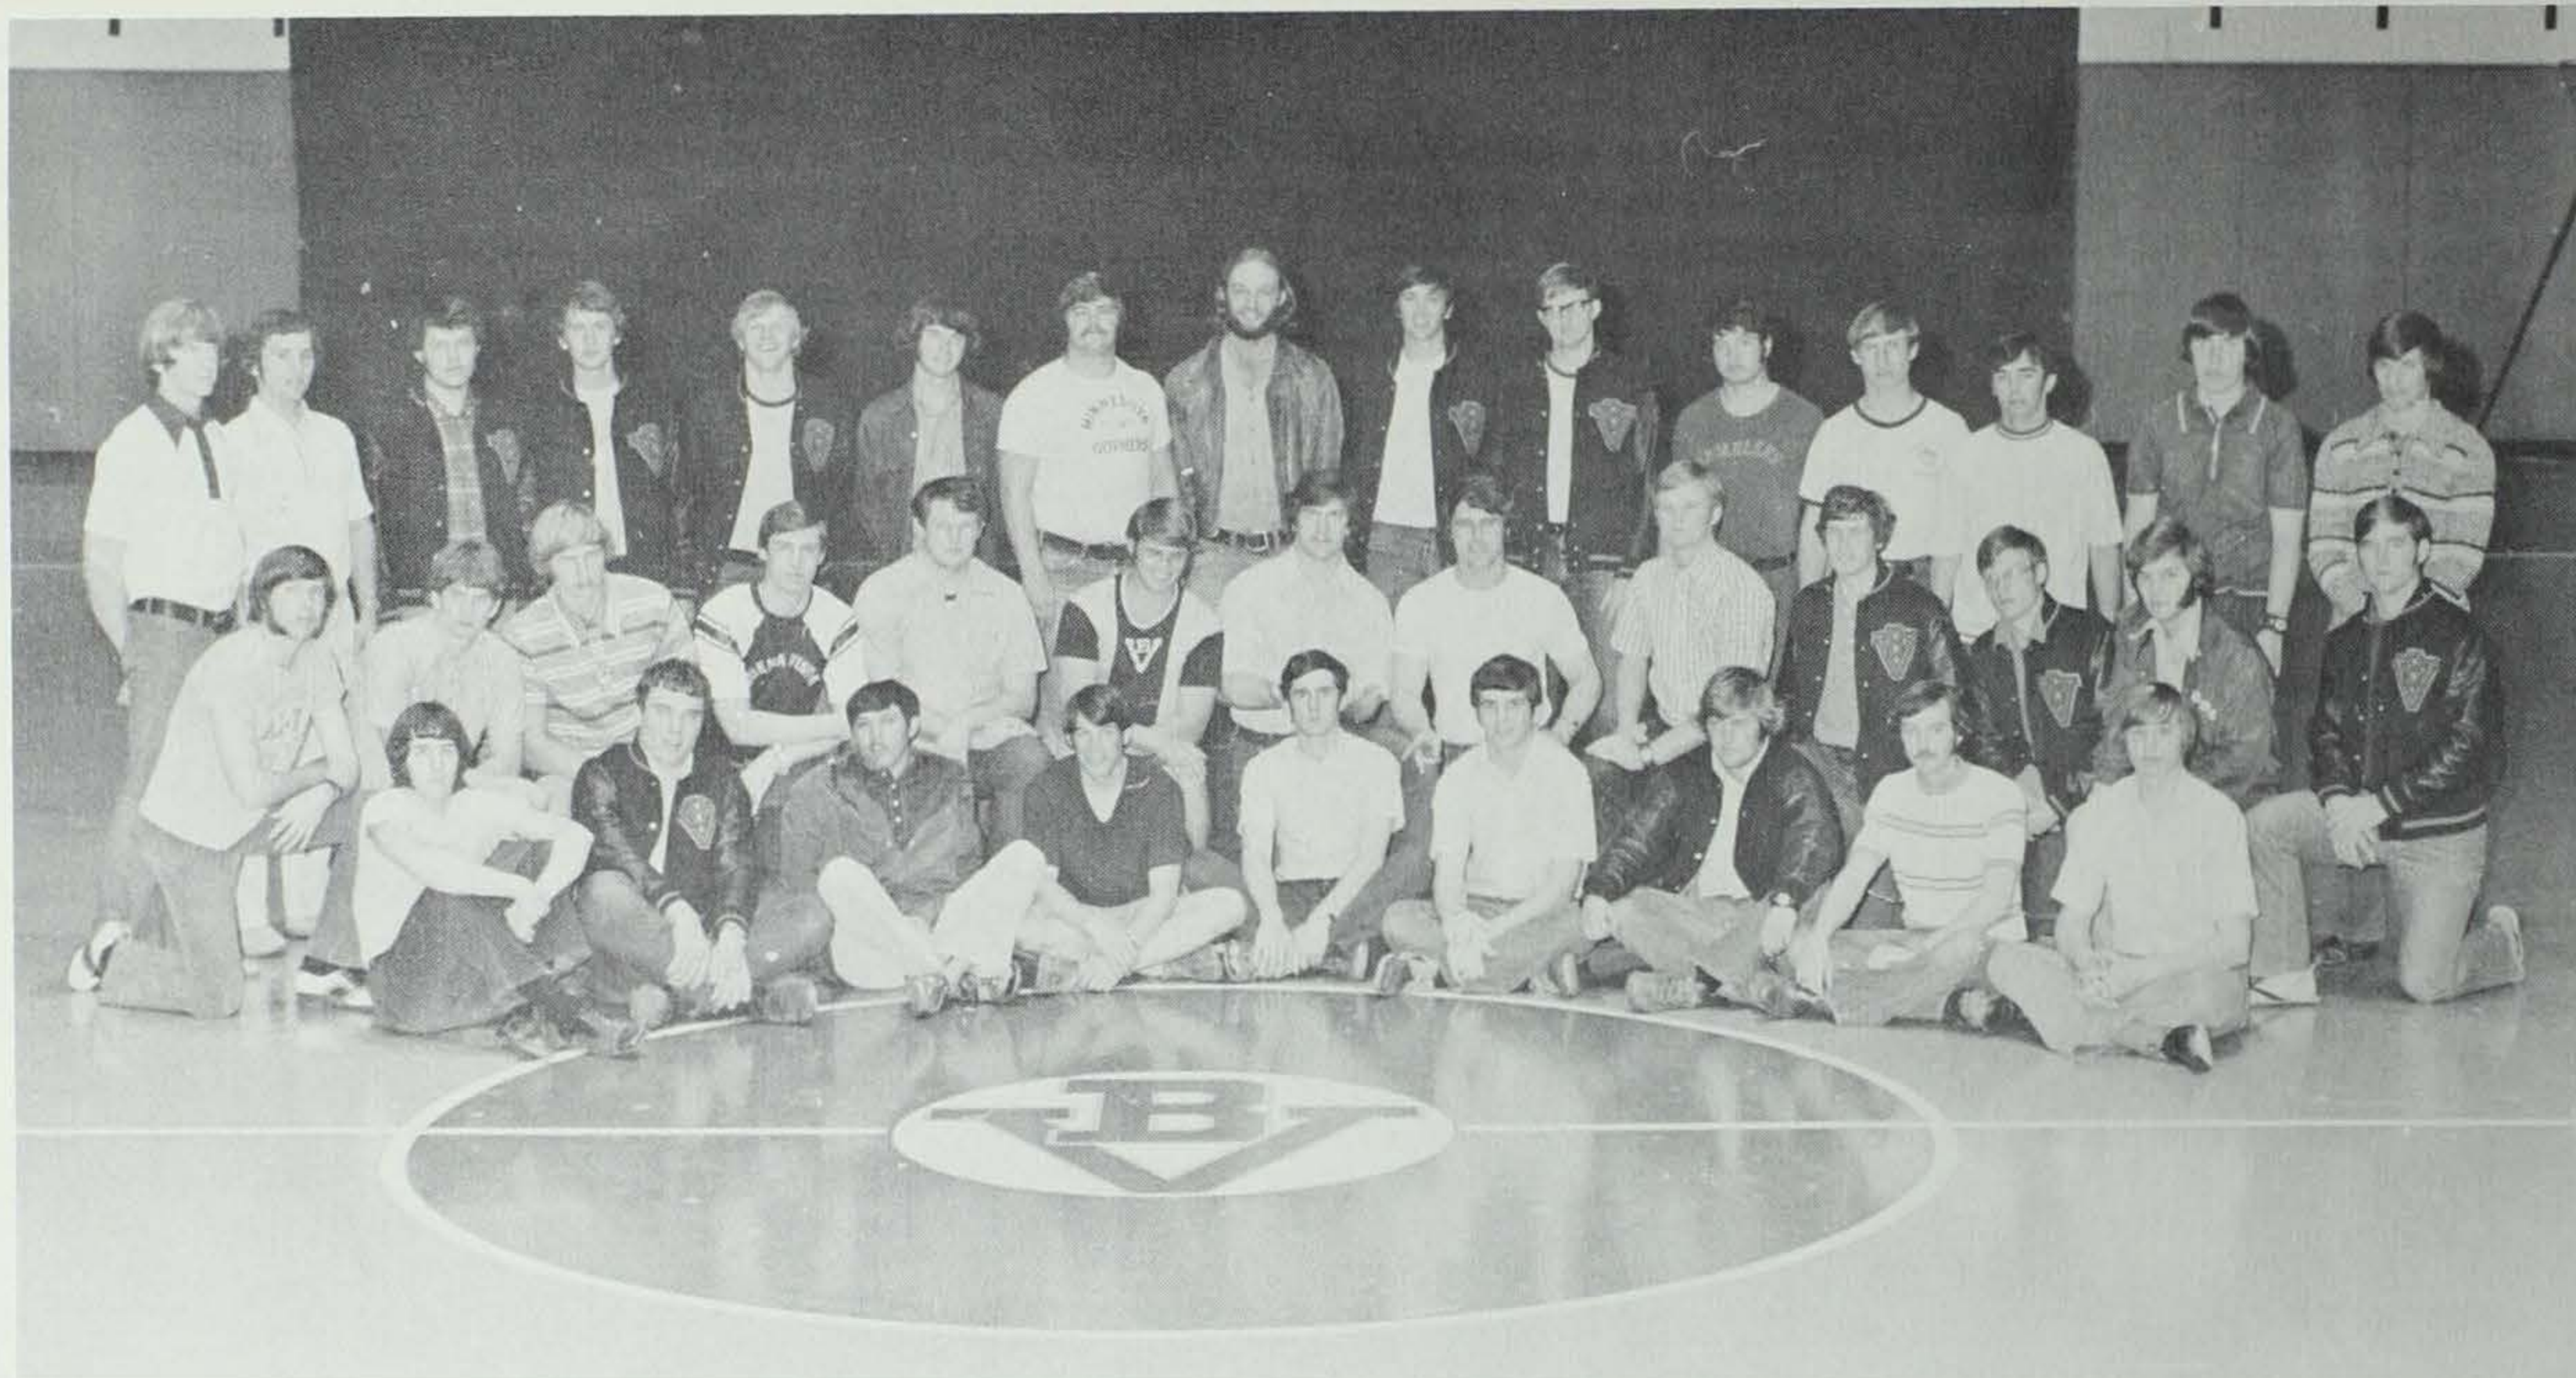

The Club enjoyed many fun nights throughout the year, during which the 28 members

had a chance to participate in some of their common interests of physical education such as volleyball, swimming, and softball. For the annual Christmas Party, the group went caroling to the Methodist Manor Nursing Home in Storm Lake.

The girls were also active participants in the B.V.C. intramural program, trying to spark an interest in physical education and exercise among their peers. The members also ran the concession stand at home B.V.C. baseball

games. A banquet was held at the Ken-A-Bob as a farewell to the graduating seniors to close out the year of fun, games, and mutual interests.

Officers of P.E.M.M. Club for the 1972-73 year were Cynthia Gosch, president; Sue Rainey, vice-president; Peg Kruse, secretary; and Lynn Olson, treasurer. Faculty sponsor and host to many of the club's food feast was Professor of Women's Physical Education at B.V.C., Miss Harriet Henry.

Lettermen Active at Home Games

The purpose of the Lettermen's Club is to create a closer relationship between the athletes of Buena Vista College, to encourage sportsmanship in all athletic contests with other schools, to promote better relations between athletes and the college administration, and to attempt to instill the qualities of leadership in its members. In addition, the

members promote the support of the Beavers in all sports.

The objectives were put into practice through a wide variety of campus activities. The organization was led by president Gary Debner, vice-president Ed Thayer, secretary Mike Hopkins, treasurer Tom McGrain, and sponsor Jay Beckmann, the Athletic Director at Buena Vista.

The club took the initiative of selling programs at all football games and running the concession stand as well. During the winter months the Lettermen remained active. The members assisted with basketball games and had their usual concession stands. The money made by the Lettermen helped to purchase letter jackets for qualifying members.

Officers for 1972-73 were Connie Sheirbon, president; Susan Rainey, vice-president; Marianne Higman, secretary-treasurer; and Deb Schwarte, historian.

Le Droit d' Honneur Honors Male Residents

Le Droit d' Honneur ("the right of honor") recognizes and honors those men of Pierce and White halls who have displayed leadership, cooperation, and sincere interest in bettering the living atmosphere for all residents.

Sacrificing time and expending a great amount of energy, imagination, and often times patience makes those individuals selected a truly unique society. Maintaining a membership of just five percent of the total hall population truly makes these men worthy of the "Right of Honor".

Members of Le Droit d' Honneur are. FRONT L TO R: William 'Rocky' McClintock, Will Nelson, Tom Farner, Jene Scott, Kevin McDonald, Blair Redenius, Tom Ring. BACK: Scott Stevenson, Joe Neary, Ed Thayer, Bill Leonard, Wes Schaffer, Dave Walk-up, Jay Gross, Tim Black, and Gary Debner.

Torch and Tassel Inducted at Mother's Banquet

Torch and Tassel is an honorary organization in its third year on Buena Vista College campus. The society recognizes and honors senior women for scholarship, leadership and service. The purpose of Torch and Tassel is to promote college loyalty, to advance

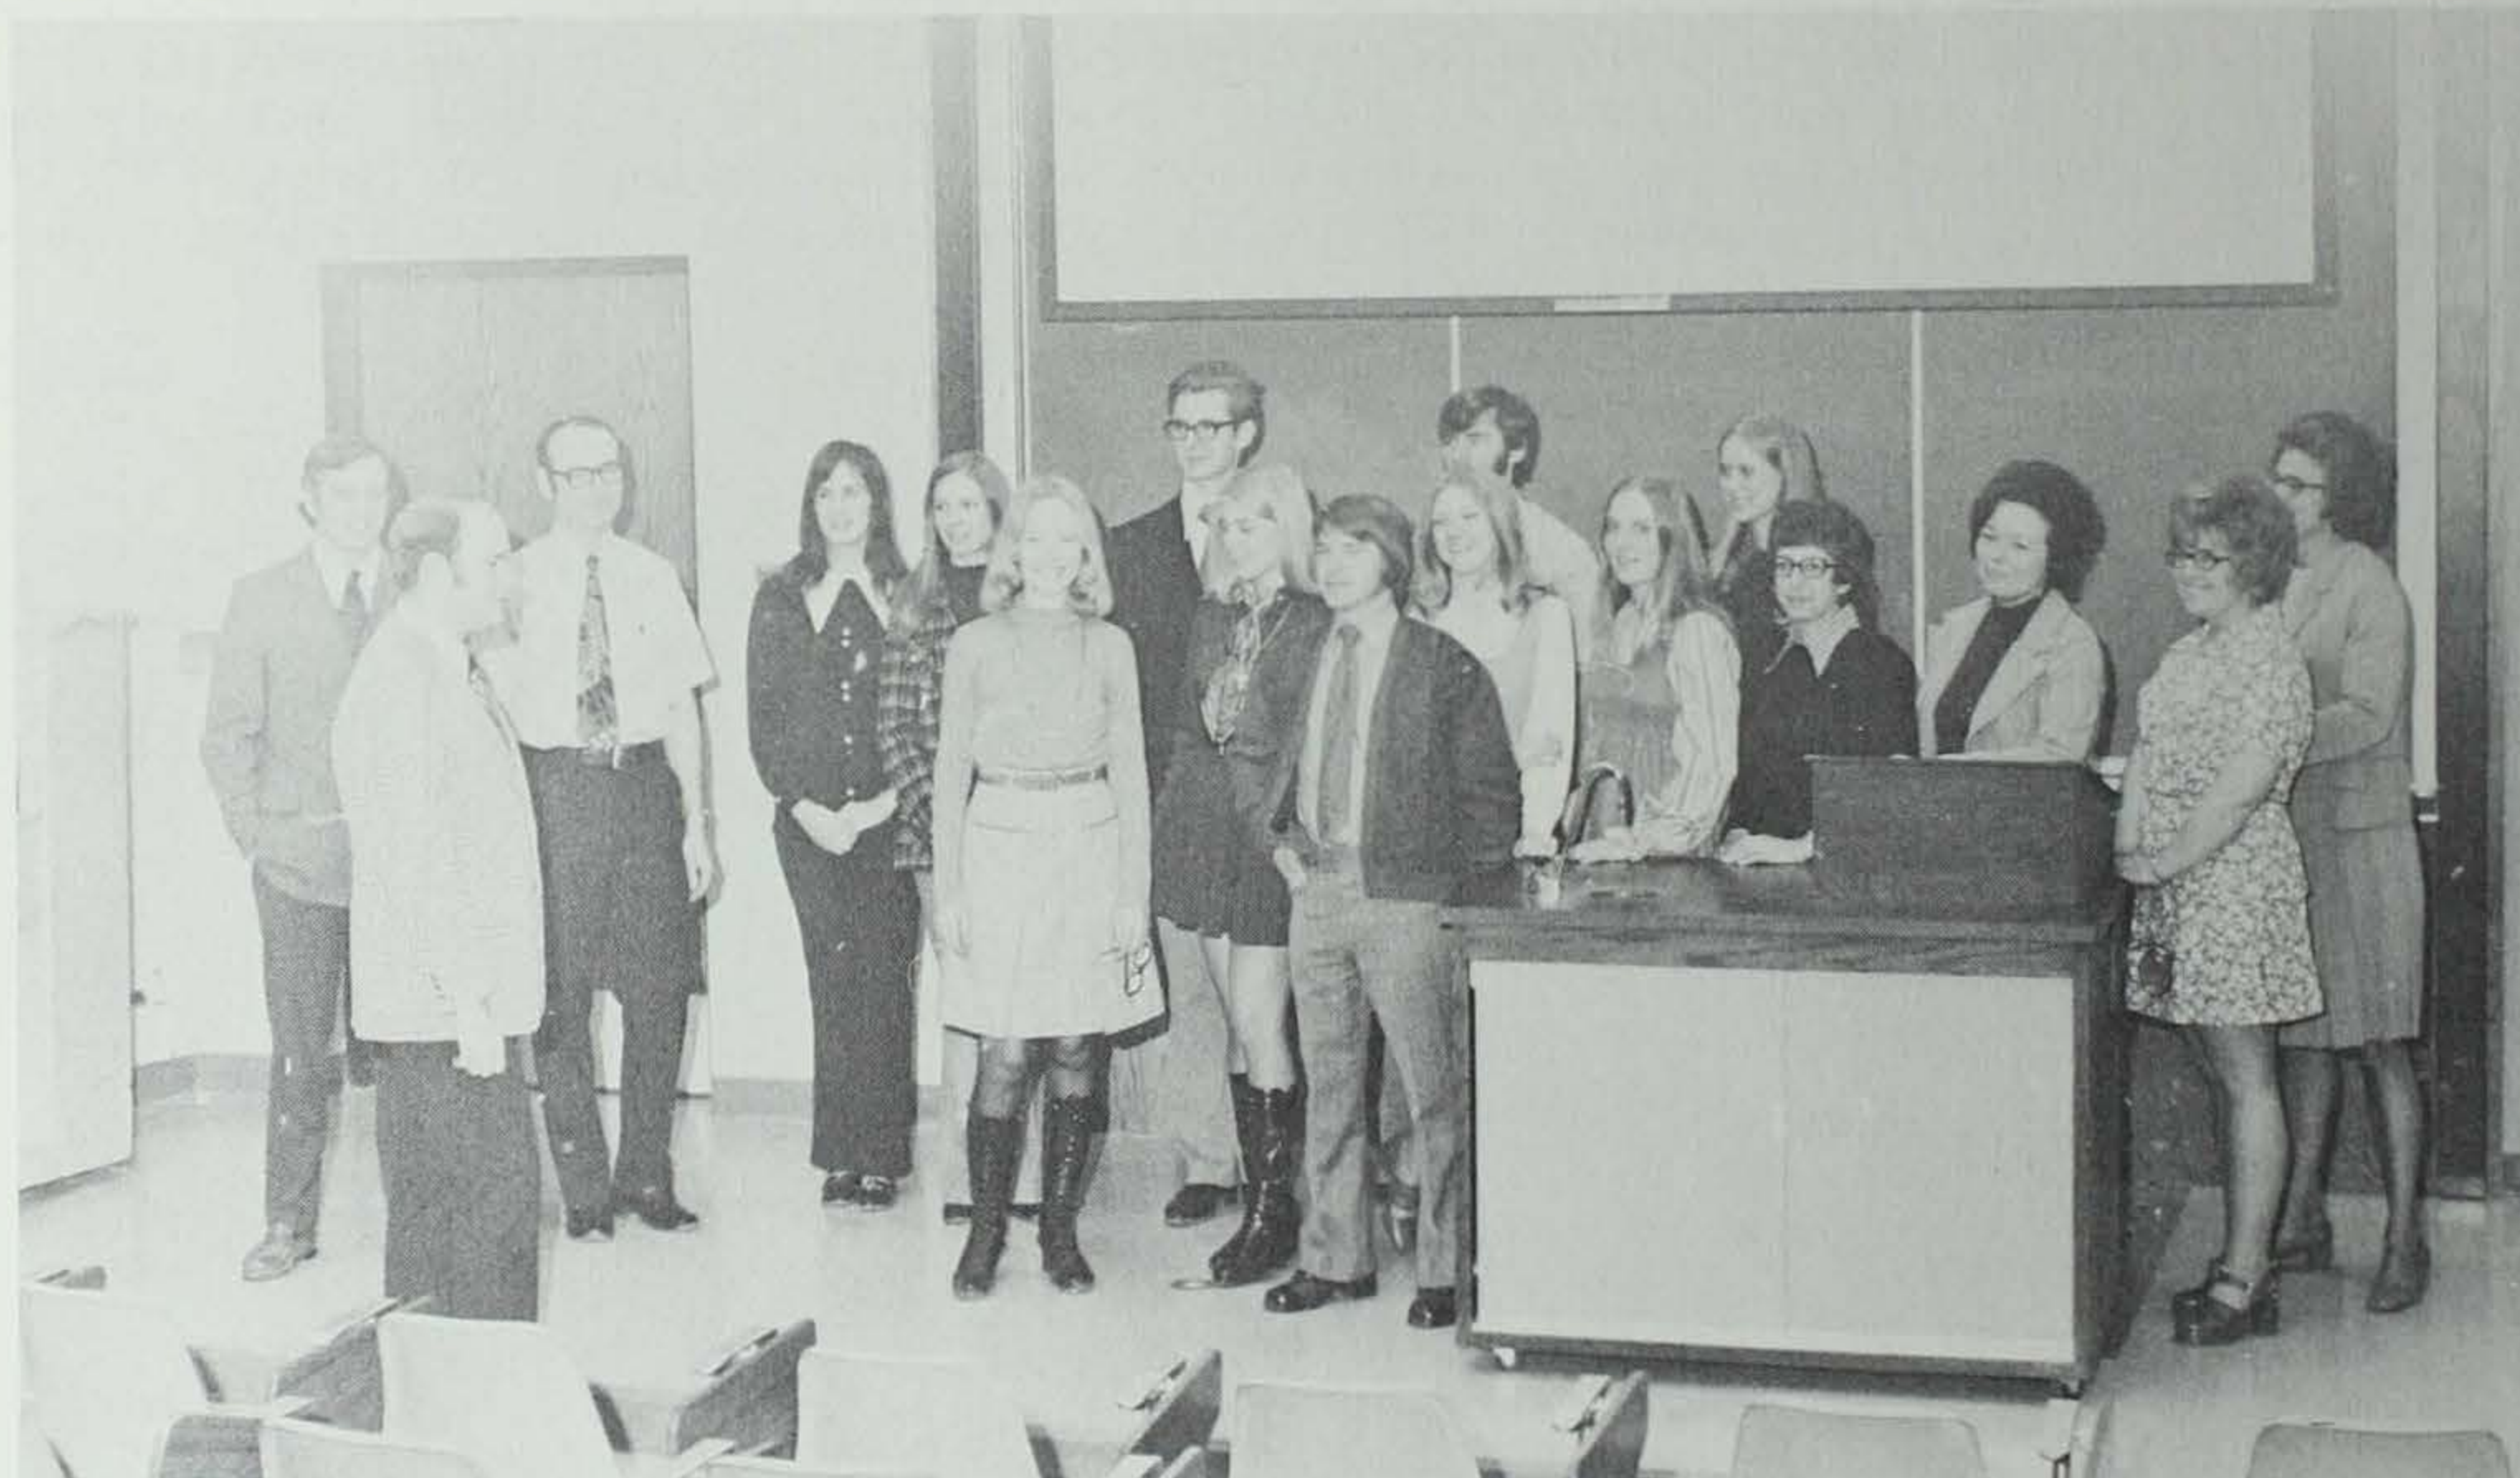

the spirit of service and fellowship among college women, to promote and maintain a high standard of scholarship and to recognize and encourage leadership. Membership is as much an obligation and responsibility in citizenship as it is a mark of high distinction

and honor.

At the Swope Hall's Mother's Banquet this spring ten women were awarded the yellow rose and certificate of Torch and Tassel for their meritorious service and achievement at Buena Vista College.

Alpha Chi

Iowa Epsilon chapter of Alpha Chi began its third year on campus this year. Alpha Chi is the national scholastic honorary society on campus with membership being on academic excellence. Students are selected for membership by a faculty committee. The advisors for the group this were Dre. Pace, Partee, and Poff. The group has tried through out the year to provide interesting and intellectual talks and programs for the students of Buena Vista. Programs included: slide presentations by Dr. Partee and Mr. Rocheleau and a talk by Dr. Borgman on genetic research. Officers for the society were: Reid Swanson, president; Candace Wilkinson, vice-president; Marthajane Bisenius, secretary; Linda Bruns, treasurer; and Gary Lyon, delegate.

Vista Players Busy With Play Production

Alpha Psi Omega Sponsors Play Productions

Alpha Psi Omega, the honorary dramatics fraternity on campus, sponsored a total of five productions this year plus the annual high school one-act play festival. Activity began in the fall with the theatre department's presentation of the life of Sir Thomas More, Robert Bolt's A MAN FOR ALL SEASONS directed by Mr. Travis P. Lockhart. This was followed closely by NO EXIT of Jean-Paul Sartre directed by senior Alpha Psi member Bill Tischbin. Spring semester brought with it the one-act play festival, various directing class one-acts, the Old Creamery Theatre Company with Of KINGS AND CLOWNS, the Buena Vista College Drama Quartette in Shaw's DON JUAN IN HELL, and the departmental production of FASHION, OR LIFE IN NEW YORK. The latter was a centennial vintage play written by Anna Cora Mowatt and directed by Alpha Psi advisor Travis P. Lockhart.

Officers for the year were: James Hartman president, Reid Swanson vice-president, Laura Whitmer secretary, and Dwight Guthrie treasurer.

Sigma Tau Delta

The Nu Delta Chapter of Sigma Tau Delta enjoyed another productive year, attempting to fulfill its goals of mastery of written expression, encouragement of worthwhile reading, and the exchanging of ideas among members of the college community who are interested in the literature written in the English language. Officers for the 1972-73 academic year were Donna Cosgrove, president; Jene Scott, vice-president; Kathy Bach, secretary; Sandra Nelson, treasurer; and Toni Warnock, historian. The chapter sponsor

was Dr. Carl Adkins, Associate Professor of English.

These people held an executive board meeting in September, during which future projects were established. The first open meeting was highlighted by a guest author, the poet Cosette Middleton. November's meeting consisted of member initiation and member papers. A Christmas party at the home of Dr. and Mrs. Adkins was an enjoyable, social meeting.

Results of the Second Annual High School Poetry Festival were announced at the February Play Festival, during which Dr. Adkins gave a reading of his own poetry. Ten high schools entered the contest, contributing seventy-seven poems by forty-four students. Judges were Sigma Tau Delta members. Our organization also sponsored the all college Third Annual Poetry-Prose Contest, judged by Dave Evans. Contributing members of Sigma Tau Delta were awarded two honorable Mentions in poetry and one third place in prose.

The Tenth Annual Sigma Tau Delta Lecture was given by James Rocheleau on the Russian author, Alexander Solzhenitsyn. A life-time membership in Sigma Tau Delta was presented to Ingeborg Stolle, and for the next ten years the series will be known as The Ingeborg Stolle Lectures. Bound copies of all lectures are being compiled and will be presented to Miss Stolle and the college library.

In March six new members were inducted and in April member papers were again presented. In May the members feted themselves and their guests with a picnic, an appropriate end to a productive and enjoyable year for Sigma Tau Delta.

Phi Alpha Theta Promotes History

Phi Alpha Theta is an international honor fraternity in history. Included in its aims are the promotion of historical research, advancement in the teaching area, and communication of ideas and thoughts on history. The fraternity is sponsored by Dr. William Cumberland.

Membership in the fraternity requires a minimum of twelve semester hours of credit in history with at least a 3.1 average, and at least a 3.0 average in two thirds of all college courses completed.

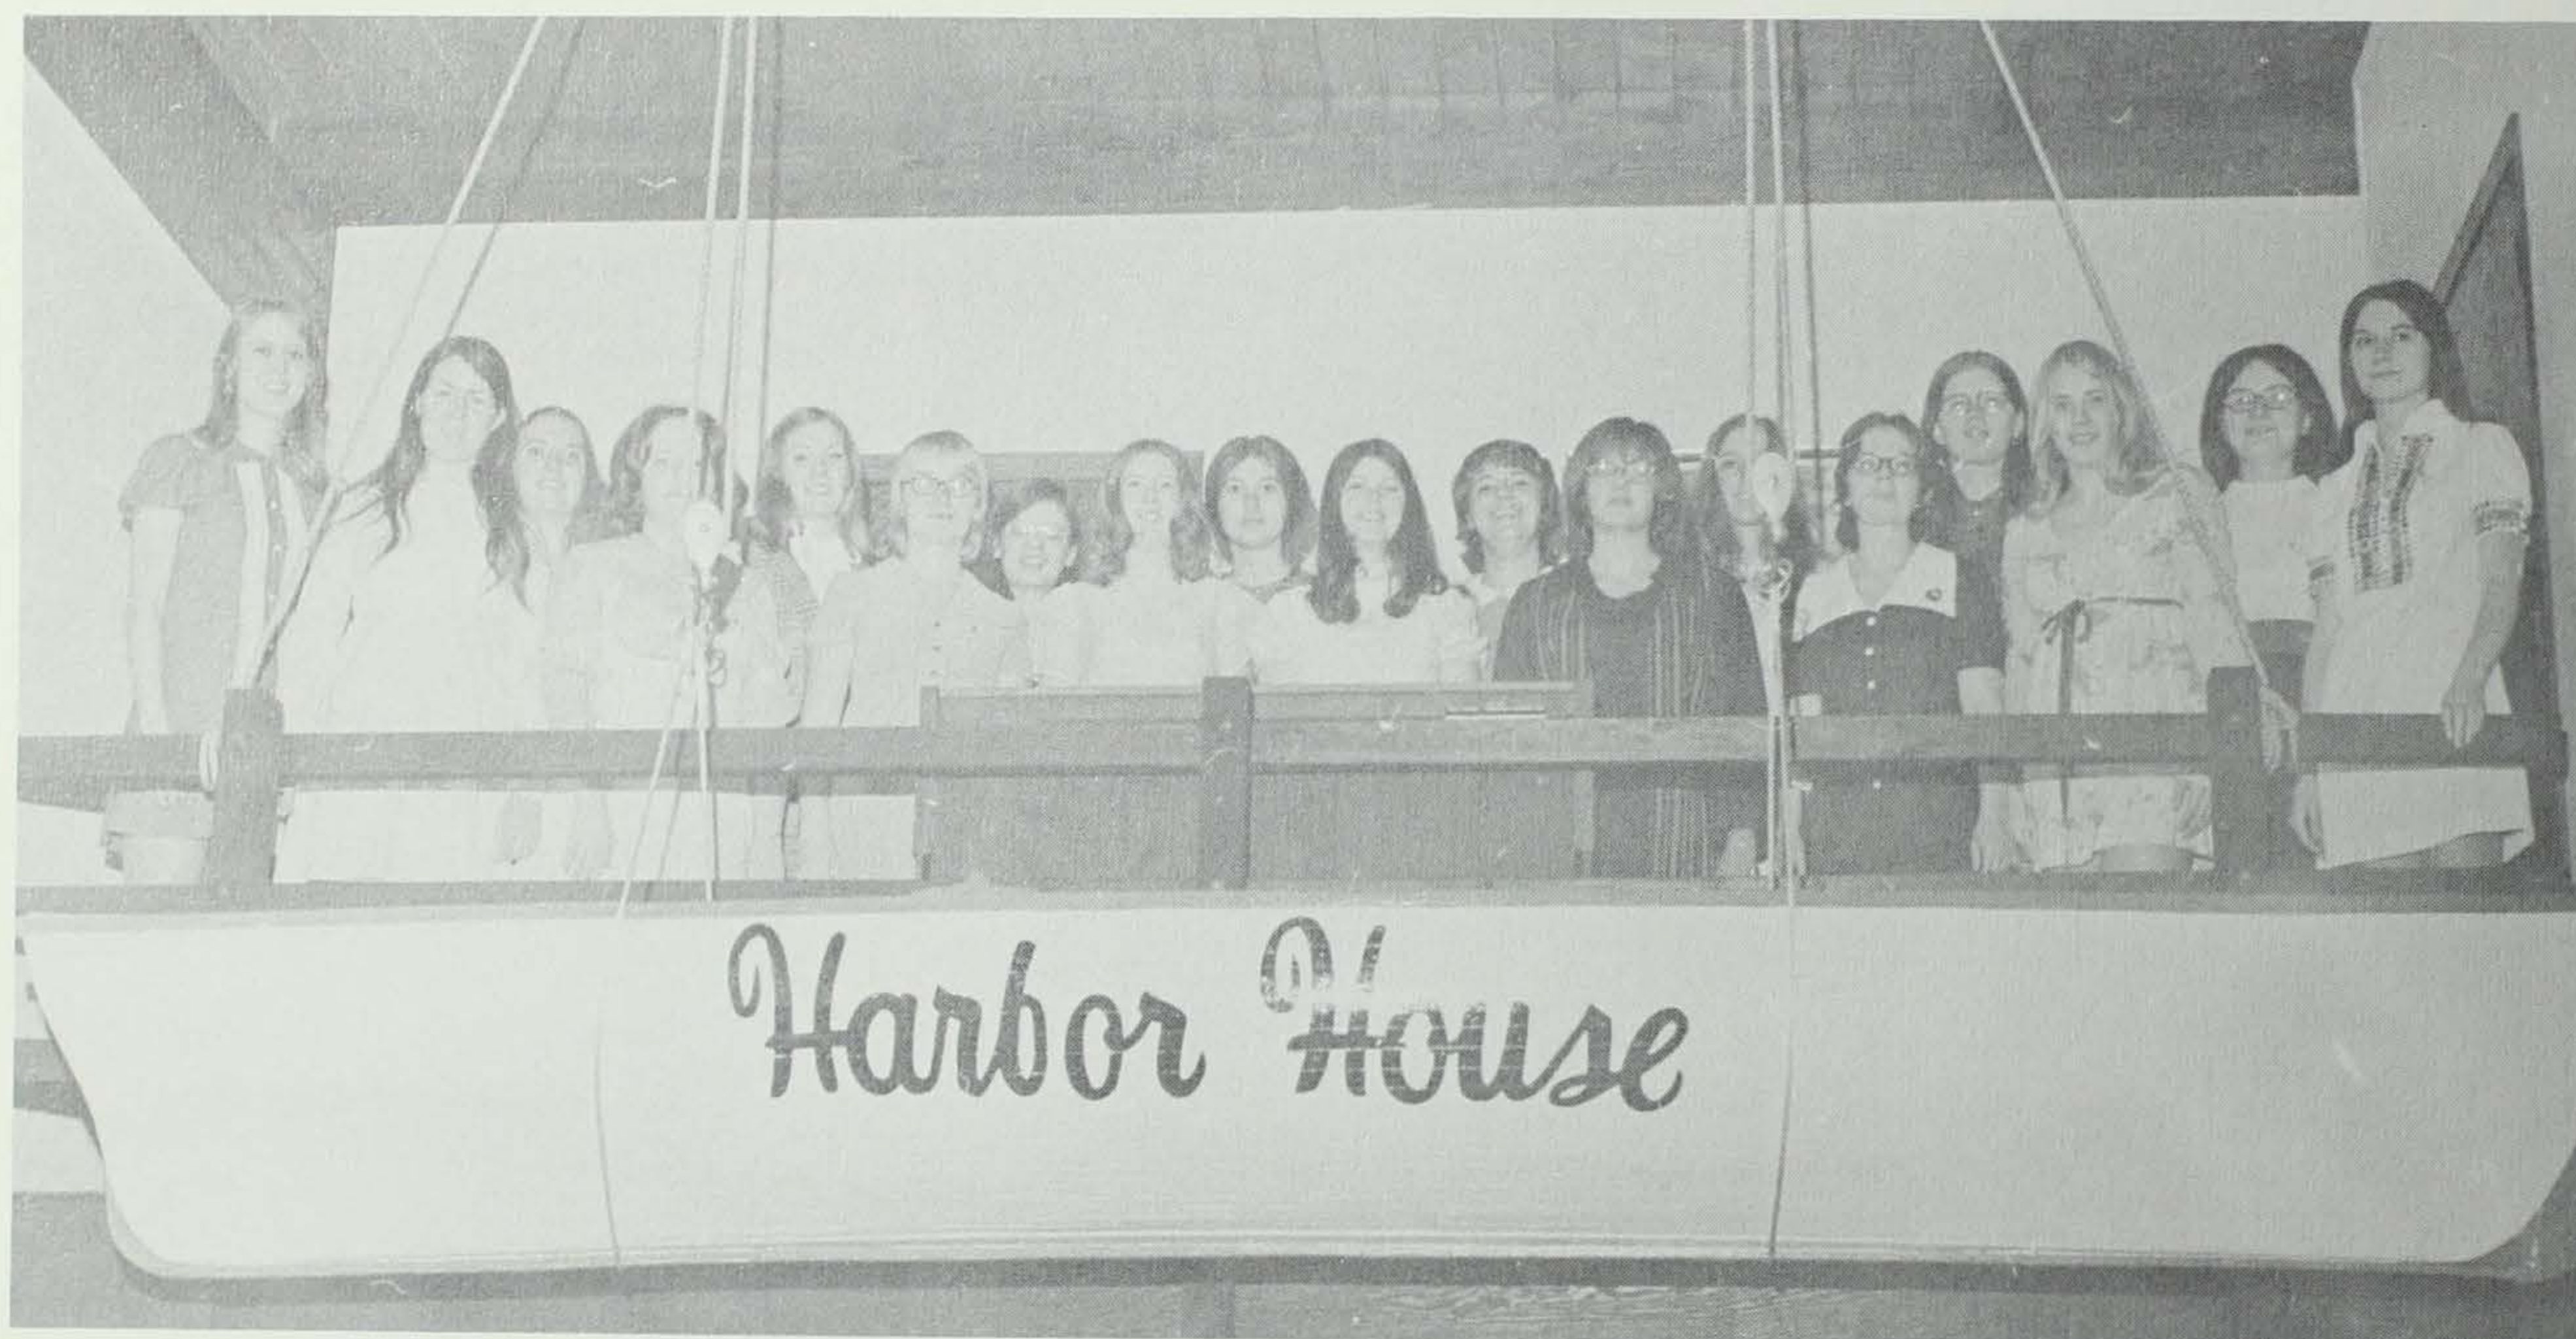

The Kappa Chi chapter this year was guided by the leadership of president William McClintock, vice-president Nancy Madsen, and secretary Penny Bonebrake.

The Phi Alpha Theta members this year enjoyed hearing Mr. James Rocheleau who discussed his interim trip to the Soviet Union.

Phi Alpha Theta fraternity members are, L TO R: Nancy Madsen, Kurt Maas, William McClintock, and Dr. William Cumberland-advisor.

Variety Show and Dissonance Day's. Highlight Alpha Mu's Year

Members of Alpha Mu Omega music sorority, L TO R: Deb Green, Sue Douglas, Peg Kruse, Margaret Watkins, Paige Beckfield, Pat Samson, Alice Lecky, Ellen Thiele, Alice Sorensen, Becky Moran, Beth Hoskins, Darlene Piltingsrud, Jill Jackson, Mari Sue Stuart, Darlene Knutson, Eileen Parker, Janelle Harth, Pat Schiefen.

Alpha Mu Omega, a sorority established in 1969 to promote sisterhood among those women interested in furthering the enjoyment and appreciation of music, enjoyed a very active and successful year on campus.

Alpha Mu took an active part in the Homecoming Weekend with Paige Beckfield and Peggy Kruse as candidates for Homecoming Queen. Sister Peggy became a finalist, Congratulations Peggy. At the Homecoming Variety show the Alpha Mu's presented a skit to the song "Pollution" and a moving rendition of "Let There Be Peace or Earth", which won first prize as the best theme.

Later in October, Alpha Mu initiated five pledges into the sorority. Pledge period consisted of many activities including Mouse Trap and Dissonance Days and ended with a fine performance of all the pledges in a pledge recital. The Pledges were activated in a ceremony at the Embers Lounge. The new members are: Sue Douglas, Jill Jackson, Gayle Mahn, Becky Moran, and Patty Schiefen.

In December, the Alpha Mu's sold "Mood" notes to the dorm and community as a money making project. The project went so well that they intend to sell more next fall.

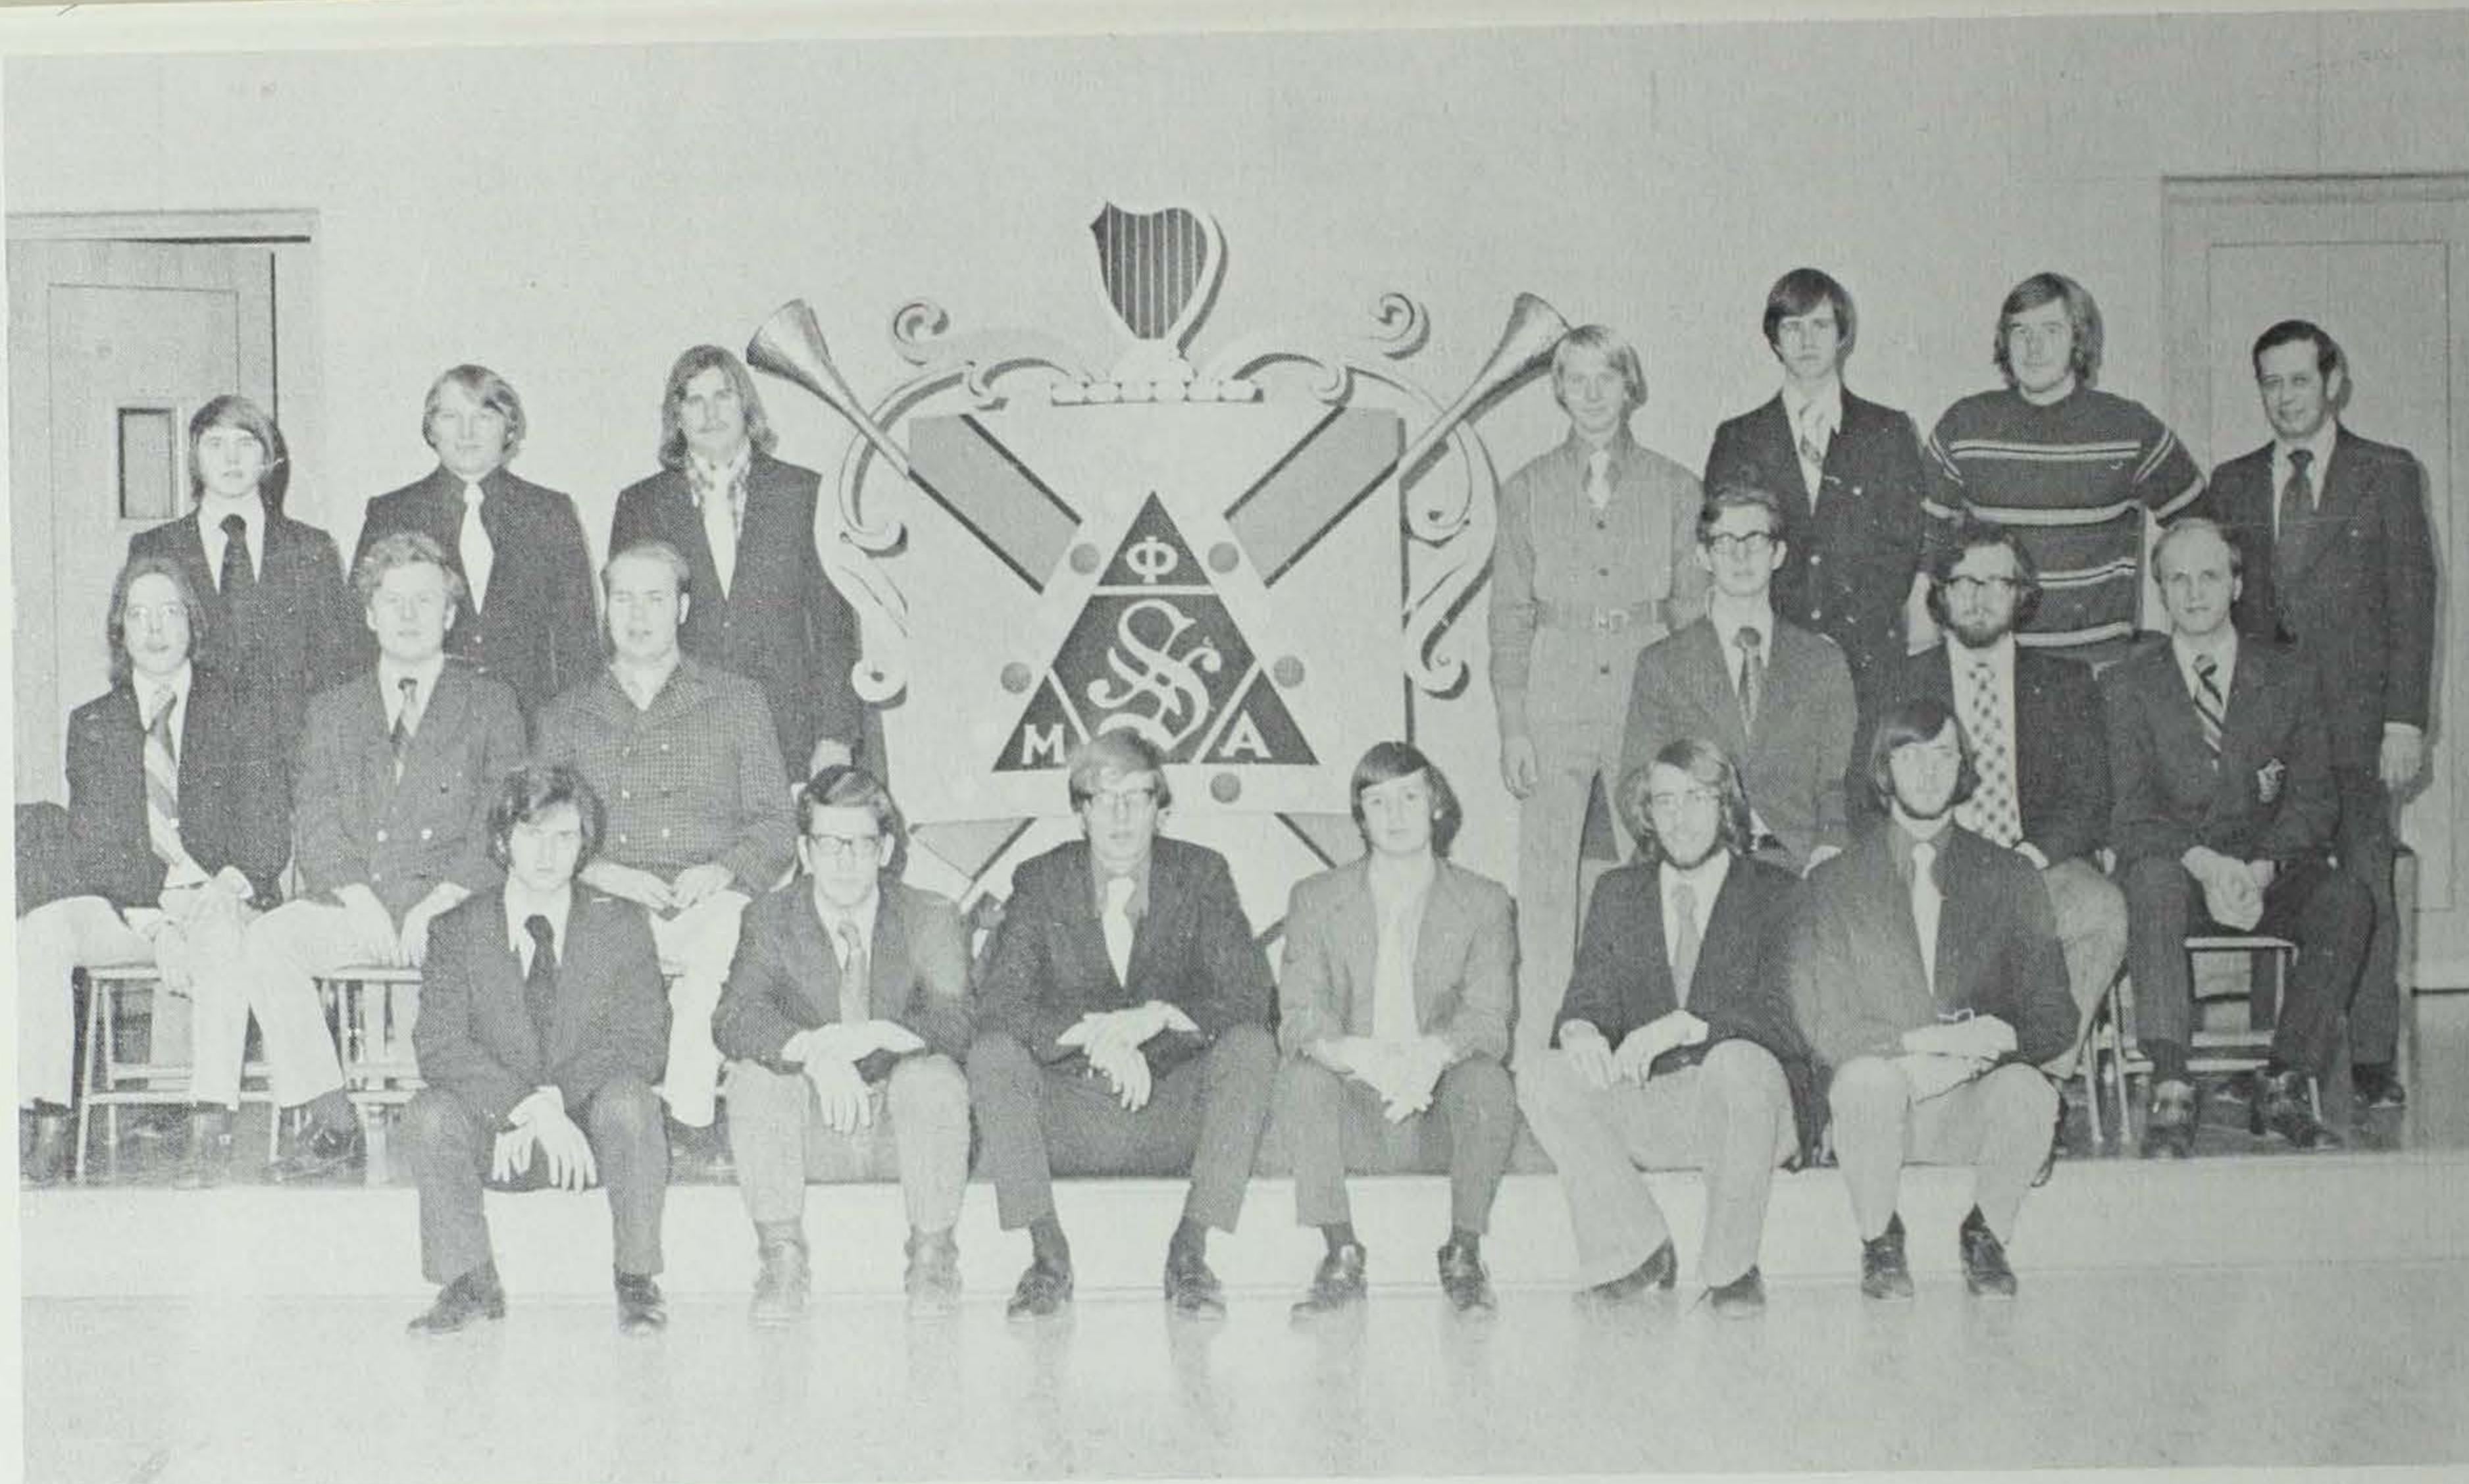

In May, Alpha Mu Omega was honored to have Eileen Parker and Alice Sorenson as Candidates for Carnival Clowns for the Spring Carnival.

The Alpha Mu's joined together and sang to their Mothers at the Mother's Weekend Banquet. The girls sang a variety of numbers including a salute to Mothers to the tune of "Me and My Shadow".

The officers of this years musical group were: President Paige Beckfield; Vice-President Beth Hoskin; Pledge-Trainer Sheryl Erickson; Secretary Janelle Harth; Treasurer Darlene Knutson; Librarian Eileen Parker; and Historian Peggy Kruse.

Phi Mu's Present American Composers Concert

Phi Mu Alpha Sinfonia had a very active and prosperous year at Buena Vista. Our officers for the year were Richard Casey, president; Dale Stille, vice-president and pledge trainer; Mike Nuss, secretary; Kevin Dice, treasurer; Alan Buckingham, warden-historian; and Dennis Miller, alumni secretary. Advisors for the group were Mr. W.B. Green and Mr. R.D. Pfaltzgraff of the music department. Chapter honoraries were Duane

Anderson, Richard Cook, and James Inman.

Early in the year, the fraternity took part in the annual Homecoming Variety Show with a skit. Some members of the fraternity played in a band which performed at various times during the program.

On February 25, 1973, the men of the Mu Omega chapter presented their annual American Composers Concert with Brothers Patten and Dice directing. In this concert a

men's chorus was featured along with several instrumental numbers, vocal solos, and a dixieland jazz band.

During the course of the year, several brothers took part in singing and instrumental performances in some area churches.

As a fund-raising drive, the fraternity sponsored a coupon-book sale which was discount coupons for products in local

stores and businesses for college students only. This drive proved to be very successful and profitable for both the fraternity and the college students.

Several new members were proudly initiated into the brotherhood of Phi Mu Alpha this past year. They were Rich Beyer, Mike Pearson, Tom Powers, Dave Rehstrom, Greg Thiele, and Eric Thorson.

ISC

Inter-Sorority Council is a council of representatives from the two social sororities, the Delta Phi Beta and Phi Alpha Pi. This years officers included president Nancy Morrow, vice-president Anita Blatt, and secretary-treasurer Laura Whitmer. Our advisor was Dean Sue Follon.

To show greater unity among the sororities the council sponsored a skit for the Homecoming Variety Show. Among the entries were Miss Dutch Elm, Miss Dutch Cleanser, Miss Dutch Masters, and Miss Dutch Treat. Another fall function was the semi-annual rush which we had selected to be a formal tea.

Second semester was not as active with the withdrawal of Delta Phi Beta Sorority as an active organization on campus. At the last meeting of the council many ideas were discussed concerning the decreasing interest in the Greek system on campus. We felt that in order to be able to provide more social activities for the women there has to be an interest backed by a willingness to work.

Members of the Inter-Sorority Council from the two sororities are, L TO R: Nancy Morrow, Vicki Lewis, Anita Blatt, Kristine Lindsay, Laura Whitmer, Alice Sorensen, and Linda Bruns.

This year the members of the I.F.C. rewrote their constitution thus enabling each fraternity to exercise more freedom. Also, this was the year of the first I.F.C. Phi Alpha Pi Has Active Year

This year again the sisters of Phi Alpha Pi jumped into the activities of the year by holding their second annual style show from Grahams for the women's residence hall.

Homecoming brought the Alph's many activities. We sponsored Rita Sue Atherton as our queen candidate, entered the variety show, entered a float in the parade, and held our annual mum sale. The Homecoming activities were brought to an end with the annual Alliance Luncheon held on Homecoming Day.

On October 5, 1972, we held what we hope will become our first annual Phi Alpha Pi Day. To make the day more special, the sisters visited with two of the charter members of our sisterhood who are residing at Methodist Manor.

With Christmas in the air, the Alph's caroled to their charter members and other residents of Methodist Manor, decorated cookies for the Midwest Christian Children's Home, and held our traditional bootie exchange.

When the Community Theatre presented "The Unsinkable Molly Brown" at Schaller Chapel, the sisters got together and ushered for each performance.

For Easter, the Alph's made Easter gifts for the children at the Midwest Christian Children's home.

In May, the sisters held their senior farewell picnic and their patroness tea. At the tea, the officers for the coming academic year were installed. For Spring Carnival, the Alph's sponsored a treasure hunt.

Officers for the past year were Kris Lindsay, president; Alice Sorenson, vice-president; Darlene Piltingsrud, secretary; Darlene Knutson, treasurer; Rita Sue Atherton, historian; Laura Whitmer, pledge trainer. Sponsors this year were Mrs. Gerald Poff and Mrs. Dennis Dykema.

With the entering of new officers, we hope to enter a new year of friendship, harmony, and fidelity.

Delt's Good at Intramurals

This year Delta Phi Rho was led by Terry Binder, president; Jene Scott, vice-president; Gary Debner, secretary; Jim Watt, treasurer; and Dennis Cram, executive-at-large. All of the officers except Gary will graduate this year. They,

along with brothers Babcock, Clover, Smiesko, Tischbin, Nelson, and Vige who will also graduate, will be greatly missed.

During Homecoming, our candidate, Sue Rainey, was elected as queen. We wish that we would have

done as well with our skit and float, but everyone had a good time preparing for both.

Our intramural program this year was successful with our football team coming in first. At the present time we are in considera-

tion for the overall intramural trophy.

We, the members of Delta Phi Rho who are not graduating, hope to have as good a year next year as we have had in the past.

Beta's End Long History on Campus

Members of Delta Phi Beta Sorority are, L TO R: Anita Blatt, Vicki Lewis, Nancy Morrow, and Linda Bruns. NOT PICTURED Margo McNeil.

Present members of Delta Phi Beta Sorority wish to inform Buena Vista students, faculty, alumni, and trustees of their decision to become an inactive organization on campus.

Our group feels that we can no longer fight the nation-wide trend of college students to remain non-Greek. The need for college women to join a social sorority is not as great as it was several years ago. Times have changed considerably since sororities were the means by which a college woman could hope to experience leadership and social grace, either on campus or off.

However, we also feel that social sororities still have something to offer, and we would encourage those interested in such an organization to join Phi Alpha Pi Sorority. They are a fine group of young women.

If in the future a group of young women would like to form their own sorority, our charter, traditions, scrapbooks, and files are available through the Dean of Women, and an account through the B.V.C. Business Office is established. All details should be worked out with the Dean of Women, the Student Affairs Committee, and officers of other social sororities on Buena Vista's campus.

We hope that all will understand our decision and will offer a helping hand if some group wished to form under our charter.

The officers for this year were Linda Bruns, president; Anita Blatt, vice-president; Nancy Morrow, secretary; Vicki Lewis, treasurer; and Margo McNeil, pledge trainer.

Gamma Sigma Phi Rides in Charity Bike Race

Members of the Gamma Sigma Phi fraternity are,
L TO R: Ira Aistrope, Joel Charlson, John Vautier,
Otto Petsch-advisor, Jim Seeley, and Dave Jensen.

Gamma Sigma Phi fraternity was once again an active organization on B.V. campus this year. With first semester pledges Ira Aistrope, Dave Jensen, Jim Seeley, John Vautier, and Tom Slagle, the fraternity got back upon its feet after loosing almost all its members the year before.

The new pledges were served Joel's "lead bottom" pizzas for the preference banquet. Later they held a halloween costume party at the boat-house to celebrate the grand old occasion and activation as members to Gamma Sigma Phi.

For Homecoming, the Gamma's teamed up with the Beta's (Gamma's sister sorority) for its annual float construction. This year, "Wooden Shoe Like to Dam the Dutchmen" was the theme for the float.

In April, the Gamma's joined with Circle K for a bicycle race to Cherokee to raise money for Multiple Sclerosis and Cancer. Stiff and soar they still managed a party that night.

Officers for the year were: Joel Charlson president, John Vautier vice-president, Jim Seeley secretary and Ira Aistrope treasurer. Our advisor for the year was Otto Petsch.

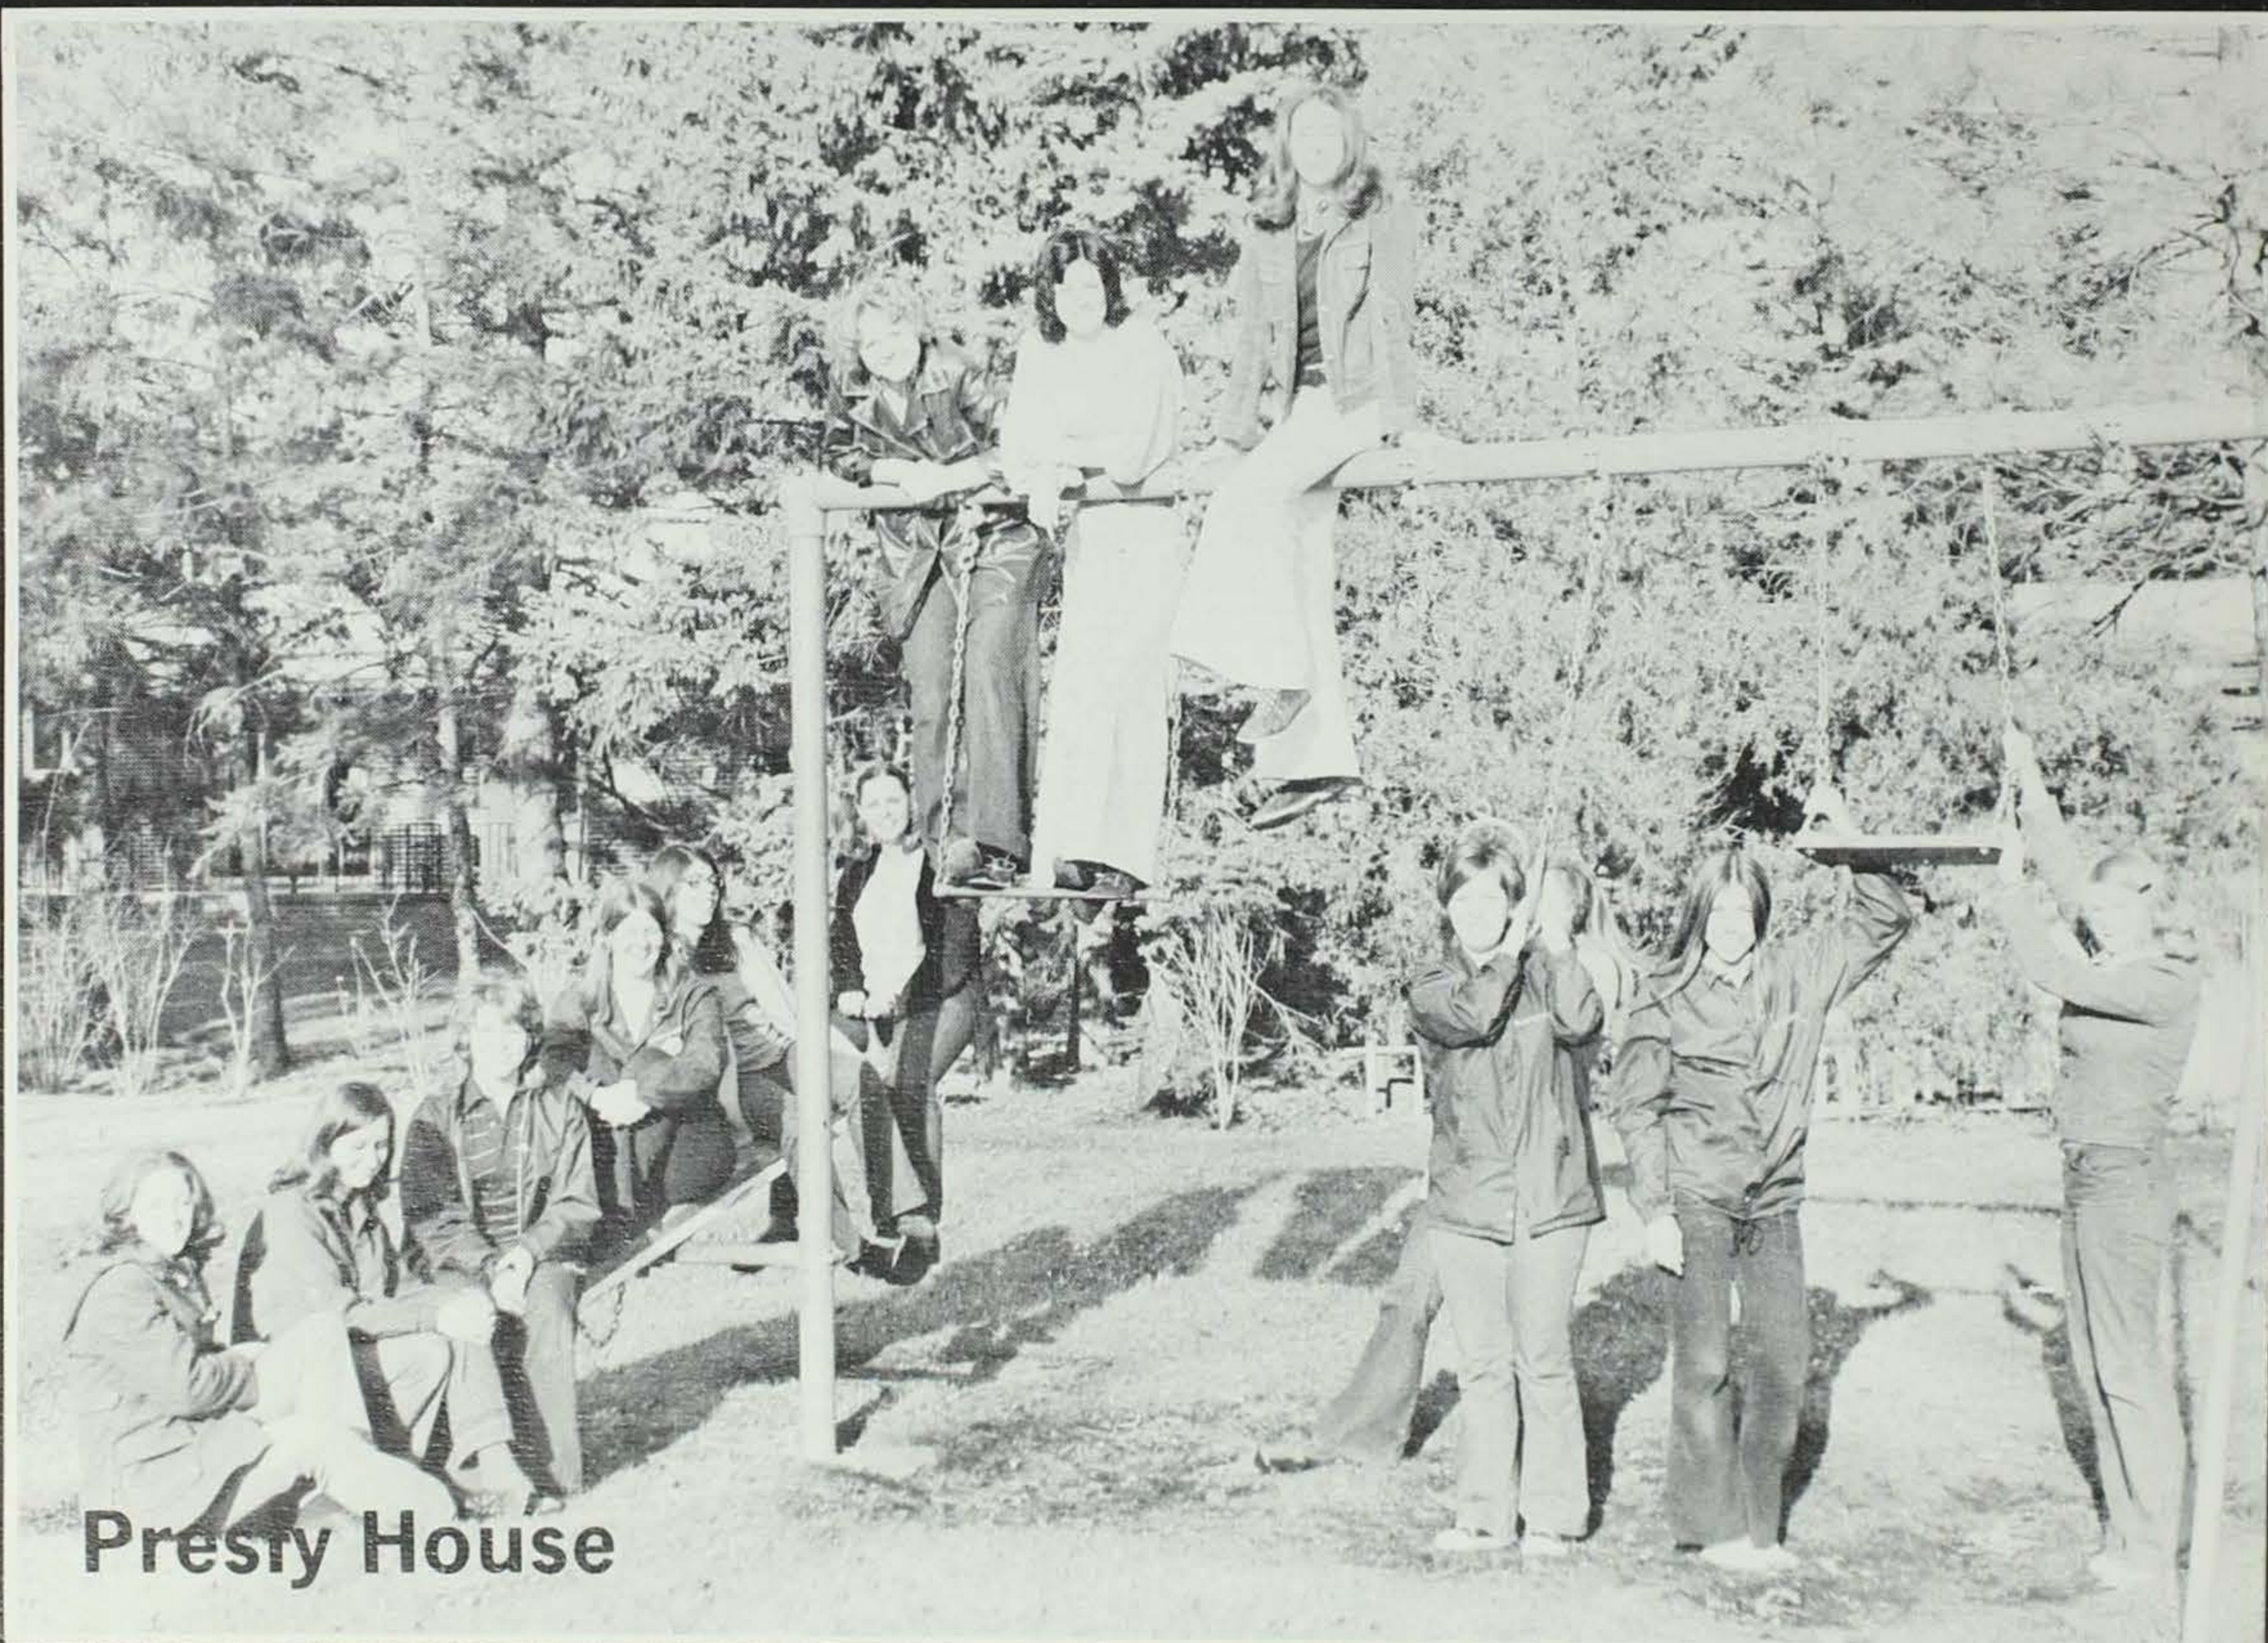

Residence Halls

Members of Presely House having a fun time are L TO R: Laura Peters, Laura Whitmer, Julie Bauer, Nancy Morrow, Sue Hanes, Kristy Parker, Virginia Sorensen, Linda Lane, Barb Hendricksen, Debbie Bell, Mary Nelson (partially hidden), Marsha Moxter, and Sue Nemeth.

Probably the most important time students have going to college, is the time they live in the residence halls. The Residence Hall is the home away from home, and some residents make it their home for the entire nine months. Some only bring the bare necessities—clothes for only one week, while others bring whole houses—waterbeds, refrigerators, and a stock of groceries to last weeks.

Time is spent wandering up one hall to the next—visiting, studying, joking around, and oh yes having fun. Some nights maybe thirty kids will have made it to your room. For what? Oh, maybe for help on a paper or in a class; to get a pencil, stamp, or a book; to find out what's on T.V. at 9:00 pm; or even to find out if you want to get a bite to eat at 10:00 pm.

Life time friends are made in the Residence Halls. Your roommate may turn out to be your arch enemy, but how do you know until you've lived with him for a semester. People from across this vast nation move in on you as your neighbor, from New York, New Jersey, California, Colorado, Minnesota, and maybe one or two from neighboring Alta or Newell.
