P RESENTING

The 50th Anniversary Edition of the Argus, your High School memory book, commemorating half a century of progressive work and play in Ottumwa High School.

This golden anniversary memory book is a symbol of loveliness and beauty and its golden pages will glow more and more with the passing years and deepening experiences.

*"A thing of beauty is a joy forever,
Its loveliness increases.
It will never pass into nothingness."*

So it is with your 1950 Argus. By comparison with the first paper covered booklet, it is a work of art. But it is presented with the same purpose, each section recording faithfully the year's personnel and activities, including the administration and the various classes with their curricular and extra-curricular activities.

Again, presenting the golden anniversary edition of your memory book—The Argus.

Board of Education

Directing the educational life of our city's youth is the Ottumwa Board of Education. This group is composed of seven ambitious and unselfish members. Serving on the board this year are Dr. G. W. Loerke, president; Mr. C. D. Evans, vice-president; Mr. C. A. Comer, Mr. Joe Ferguson, Mrs. J. L. Hart, Mr. David Jay, and Dr. Harry E. Wing. Mr. Leighton Smith is employed as secretary of the board, and Mr. A. W. Trautwein as treasurer.

New projects undertaken this year include the sanction and support of an Adult Education program, and the enlargement and improvement of special education for the handicapped. Another accomplishment is the completion of the new Wildwood school, which was started in 1948.

Ottumwans owe much to these people, who give freely of their time and efforts that our community's future citizens might have the best education possible.

Mrs. Bottorff, Mrs. Babcock, Mrs. Wilford

The capable staff of the O. H. S. cafeteria is being called upon this year to serve an even greater number of students and faculty since the inauguration of the new shortened lunch period. In order to handle this increased load in the cafeteria, the lunch periods have been staggered so that the students now come in three different shifts. Students also enjoy the use of the cafeteria between classes when cokes and candy may be purchased.

Mrs. Bottorff directs the work of the cafeteria and is assisted by four capable women. There are also a few students who help during their lunch hour. A frozen-food locker is now being rented where large portions of meat are stored for use in the cafeteria. New dishes have also been purchased this year. This also helps to facilitate the serving of the additional students.

Custodians

Chas. Leonard, Joe Seals, Chet Mier, Arthur Truitt, Ernest Wilkinson
W. H. Lewis, Wm. Fisk, Marvin Steele, Flossie Johnson

Although many O. H. S. students do not realize the importance of the custodians, they are truly a vital part of our school. The well-kept appearance of our classrooms and the operation of the heating units are only a small portion of their daily work. When we are vacationing, this group is continually trying to improve our school. They are kept especially busy during the football and basketball seasons, as they are also in charge of the stadium and the gym.

Some of the members of this staff have been with us for several years. Mr. Chester Mier has been at O. H. S. for twenty years, Mr. Wilkinson for twelve, and Flossie Johnson has been employed since the year this building was first constructed.

Our thanks go to this very efficient group who are doing a fine job of "keeping-up" Otumwa High School.

Wilkinson and Mier check their day's work.

Seniors 1950

*"High school memories we hold dear,
1950 is our year."*

MISS ENOCH, Adviser

Yes, here we are, the class of 1950, at last nearing the goal toward which we have looked throughout our school life—graduation.

Three short years ago we entered this building as sophomores, unacquainted with the ways of the upperclassmen and full of a burning desire to show them that we really weren't "just sophomores".

By the time we were juniors, we had become established throughout the halls and were striving harder than ever to make the most of our high school life.

Now we are seniors. We couldn't be prouder of our outstanding leaders on Student Council and in Torch Club. Those on our athletic teams have shown the fighting spirit and the desire to come out ahead. Many of our classmates have spent long hours getting the plays ready for presentation, worked hard in debate, music, and on the school publications.

It is with a note of sadness that we leave the place that has filled our hearts with so many memories. But it is with a feeling of triumph that we receive our diploma—the symbol of all for which we have worked.

Little could have been accomplished without the willing and much appreciated aid of our teachers, counselors, and especially our class adviser, Miss Clara Enoch.

MISS FAST, ADVISER

*"Onward, upward is our fate,
In '51 we graduate"*

We, the juniors, are well established in the life of O. H. S., and our faces are now very familiar in the classrooms. We are climbing the road to our upward goal—graduation, finding our days' responsibilities full of extra-curricular and scholastic activities.

At this stage we find our members well represented in the fields of the higher achievements in all phases of activity in the school life. We find our abilities and talents demonstrated in music, dramatics, speech, sports, and in many other lines. A good many of us have reached the honor societies of the different clubs, and some at the end of this year achieved the much honored goal of Torch Club. We have striven to make our class an excellent example for those who come after us to follow.

Our year was climaxed with the Junior-Senior Prom, which we helped to stage.

We cannot create success by ourselves, but we must credit and appreciate fully the guidance our class adviser, Miss Fast, and our counsellors, Miss King and Mr. Kastantin, have given us.

Together with our student government and our helpful instructors, we feel we have had a most complete and enjoyable year, one that will help us to fulfill the responsibilities of our senior year in O. H. S.

MISS WHITE, Adviser

*"Success and knowledge is our cue,
We're the class of '52"*

Animation, determination, and cooperation have been characteristic of the sophomore class during the past year. Their goal, graduation, is gradually approaching realization. With this idea has developed the desire to uphold class tradition, and, in turn, create achievements not to be surpassed.

The past year has been spent in adjustment to more complicated surroundings. The word "underclassman" has been the sophomores' title during the year, but has been true in name only. The class's four hundred fifty members have already established themselves as leaders and followers in such extracurricular activities as sports, plays, publications, and other organizations. The desire for learning has played an equally important part in the class members' schedule. Education of future high school leaders has become a necessary goal for them—the sophomores.

Elected class officers have led the group, but only under the generous supervision of Miss White, class adviser, have many problems been overcome by individual students. Her appreciation and knowledge of courses, as well as her humor in preparing projects have earned for her the approval and admiration of the sophomore class as a whole.

Now thoroughly prepared to uphold themselves and "march" forward, the class of 1952 has begun preparing for future successes that have been typical of O. H. S.

Student Council

"MY IDEAL"

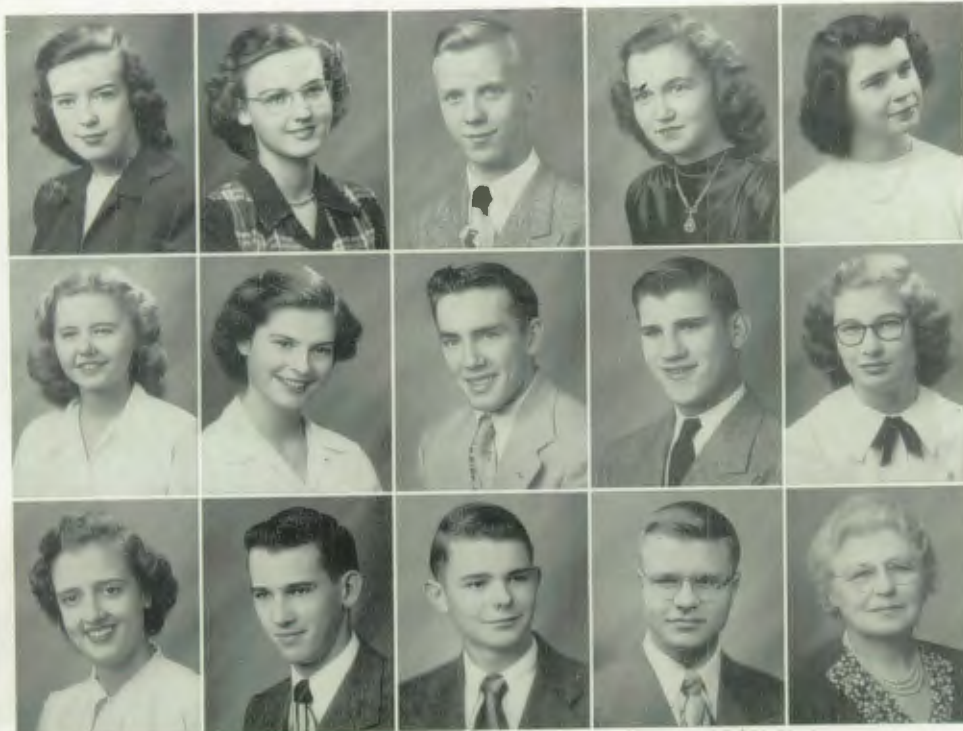

One of the most active and influential organizations in O. H. S. is the Student Council. It lays the foundation for good citizenship and strives to see that these habits are successfully carried out by the student body.

Among its many responsibilities are: the operation of the reserve system, the management of the lost and found, direction of the clubroom, and maintenance of a checkroom at school activities. All social functions must pass the approval of the Council. This democratic organization provides a student court in which violators of school rules are tried.

Councilmen are elected by the students and must have ability in judgement and leadership. The officers elected this year are: Jerry Davis, president; Lawrence Nelson, vice president; Flossie Graham, secretary; and Bob Poline, treasurer. The Council is fortunate in having as their capable adviser, Miss Rose Miller.

Torch

"S-H-I-N-E"

The highest aspiration of every Ottumwa High School student is to wear a gold Torch pin presented by the American Legion.

Torch Club is a chapter of the National Honor Society. Its members are chosen by the faculty on the basis of scholarship, leadership, character, and service. Students must also accumulate at least fifteen activity points to be considered as a candidate for membership.

Torch Club serves not only as a reward to those students who strive the hardest and achieve the most in scholastic and extra-curricular fields, but as a constant challenge to every O. H. S. citizen to study more diligently and serve his school better.

The greatest honor a student may attain is to be chosen for Torch Club in his Junior year. The officers are elected from this group, and those selected this year are Art Jones, president; Dick Lambert, vice president; and Marilyn Collins, secretary.

"You Said It"

Declam offers students many opportunities in speech work for progressive development of their individual interests and abilities. There are opportunities for experience, not only in original oratory, humorous, and dramatic declamation, but also in interpretive reading and radio speaking. The latter field offers many vocational opportunities.

Experience gained in Declam serves resourceful students well, not only in classroom recitations, but in social situations, both in and out of school. Effective speech is a trait of superior personality.

Under Mr. Hamley's expert and magnetic guidance, many a student has found a great deal of pleasure and satisfaction from work in Declam. Competition in local, county, sub-district, district, and state contests is a stimulus and a challenge to do one's best.

Marilyn Collins and Joy Hatfield study their script.

President, Harold Ginsberg

Debate Club is a challenge to every student in O. H. S. To be able to think clearly and speak effectively on one's feet should be the aim of all students. It is the goal of Debate Club.

The local community affords much opportunity for expression, as do the contests sponsored by the Iowa Nine, the Speech Association of Iowa.

Debate Club is also a social organization, affording many opportunities for wholesome fun and for gaining new and valuable friendships.

It also serves as a feeder for other speech activities as radio and extemporaneous speaking, interpretive reading, afterdinner speaking, and N. F. L.

Under the friendly and helpful direction of Mr. Hamley, the work of Debate Club is steadily advancing.

The purpose of the National Forensic League is to promote the interests of interscholastic debate, oratory, and public speaking by encouraging a spirit of fellowship and conferring upon deserving candidates a worthy badge of distinction.

Degrees of membership are based on credit points earned in debates and speeches, a minimum of twenty being necessary for membership in N. F. L.

To encourage variety in speech work, a student is limited each year to seventy-five points for debate, fifty for speech contests, and fifty for service speeches.

The official emblem of N. F. L. is a key or pin jeweled to designate the highest degree held by the member.

"Don't Blame It All on Broadway"

The Dramatic Club is one of Ottumwa High School's most active and prominent groups.

As a prospective member of Dramatic Club, one first tries out by giving a pantomime and a short reading before Miss Clark and the members of the Thespian Club. Having done this satisfactorily, one is a "pleb" and is told that to become a regular Dramatic Club member, he must make five points by the end of the first semester. These points are made not only by selling tickets and acting in various productions, which is only a small part of dramatic club activities, but by working on the various crews which put forth a lot of effort to make each play a success. Members of the Dramatic Club must also make five points each semester to show their interest in the club. When a Dramatic Club member earns enough points, he is then recognized as a member of Thespians, the honor society within the Dramatic Club. There is also the honorary cap and gown which is given each year to the outstanding boy and girl in dramatics.

The Dramatic Club is under the supervision of Miss Clark, and the officers are Flosie Graham, president; Jim Gilliland, vice-president; Martha Shoemaker, secretary; and Jack Swanson, treasurer.

"And a Little Bit More"

We, the National Thespian Troop 315, have achieved the goal of every Dramatic Club member. Our job is to set a good example for others who wish to follow in our paths.

We have obtained our points in the backstage crew work and in having parts in play productions.

To be Thespians, we have acquired one hundred points each, but we are endeavoring to reach higher achievements in becoming "Stars", "Double Stars", and "Honor Thespians".

We have the responsibility of choosing the new Dramatic Club members.

Our executives for this year are: Jim Smith, president; Bill Whitehouse, vice-president; Lois Elliot, secretary; and Greta Hawkinson, treasurer. Miss Clark, our efficient and competent adviser, has helped to make our year a most profitable and enjoyable experience in our O. H. S. life.

Miss Clark, Adviser and Jim Smith, Thespian president, make up J. Swenson.

Miss Aas lining up the chorus group

A-Mixed Chorus is a vital part of the activity of the school and community programs. The ninety-two members are a selected group chosen for their excellent tonal qualities, correct pitch, and accurate reading of parts.

With the money received on tag days, the chorus has purchased new robes, which are blue tailored with white collars.

Every member strives to become a member of the vocal ensembles. This year there are four, which are, the boys' quartette, the mixed quartette, the senior sextette, and the junior sextette.

The chorus is under the efficient and helpful leadership of Miss Aas who has spent much time, effort, and energy in perfecting the music done with the cooperation of these groups.

Band

The appearance and performance of the Ottumwa High School Band at the opening football game with Fairfield last fall was brilliant and dignified. Playing and marching with military precision in their new modified West Point Royal blue uniforms, trimmed in red, with white belts, white shoes, and white plumes, it was the pride of thousands of Ottumwans.

As a marching band, it teaches students physical fitness and mental alertness; as a concert band, maintaining symphonic instrumentation, it stimulates musicianship.

Through its point system, it challenges students to work for their high school letter as well as for Torch.

Under the aggressive leadership of Logan Zahn, the Band marches on, tops in Class A division at home and at the band festivals.

STRING QUARTETTE

Charlotte Diehn, Linda Diehn, Jeanne Sisk, Beverly Ginsberg.

The O. H. S. orchestra was developed under a new system this year. A limited group of fifty members was chosen from the high school, junior high schools, and postgraduates. The members of the string instrument section were required to demonstrate sufficient talent to become eligible. The wind instrument section was chosen from the O. H. S. band. These musicians received valuable training and experience under the direction of Mr. Logan Zahn.

This orchestra played an important part in the musical calendar of the school year. Furnishing the musical program for baccalaureate, commencement, and plays were only a few of the group's engagements. Several out of town trips were also scheduled.

This matured and well balanced group of musicians had as their concert mistress for the year, Greta Hawkinson. Charlotte Diehn served as her assistant.

"Two American Sketches"

A desire to create interest in various artistic phases has been the motive of the Art Club during the past year.

This group, under the able supervision of Miss Eighme, was organized for the benefit of all amateur artists who are interested in sharing with each other their ideas and efforts.

Business meetings were held at monthly intervals throughout the year under the guidance of the club's officers. At various times social gatherings and parties were planned for the members.

One obvious ambition of each member was to gain the required fifty points for admittance into Iota Alpha Gamma, an honor chapter of the Art Club.

The participants of this organization have begun to realize and develop a more sincere appreciation of the beauty surrounding them.

Marilyn Celania selects a subject for art class.

“It’s a Pretty Thing”

Club Officers—D. Srivier, A. Hornbeck, P. Fiorino, J. Head.

For those who have enjoyed the opportunities afforded in the Art Club, Iota Alpha Gamma, an inner art organization, has been established for a select group. To be classified in the more honored category, a person was required to obtain fifty points. Having sufficiently accomplished that task, members were admitted to this inner circle.

These fifty points were earned by participation in art projects outside of the classroom. Designing sets for plays, decorating throughout the school, and providing artistic homecoming floats were all tasks which helped interested students obtain the necessary points.

Having gained a place in this honor art circle, the boys and girls worked together to advance their amateur art accomplishments.

Iota Alpha Gamma has inspired the amateur artist of O. H. S. to strive for greater things in the future.

Spanish Club

Row I—Marilyn Ogden, Marilyn Celania, Virginia Ford, Toni Fisher, Glenda Doggett, Patty Carter. Row II—Jeannine Beer, Arletta Darner, Maxine Keasling, Martha Field, Mr. Hamley. Row III—Richard Trout, Bob Harvey, Darrell Schultz, Bruce Blankenhorn, Kenneth Miller.

"South of the Border"

Spanish Club Officers—S. Turner, M. Celania, M. Ogden.

The Spanish Club was organized chiefly for the purpose of combining the Spanish classes into one single group. In this manner, the students establish new acquaintances, and have an opportunity to intermingle with those having the same interests.

It is mainly for relaxation and enjoyment. Aside from their social activities, they maintain an educational program. This includes movies and the preparation of Spanish music and dances. Occasionally they are fortunate in having a visitor from a Spanish-American country.

Any senior or seniorita is eligible for membership if he or she is taking Spanish or previously has taken the course. The officers elected this year are: Marilyn Celania, president; Marilyn Ogden, vice-president; Sally Turner, Secretary-treasurer; Bob Harvey, program chairman. Senior Hamley serves as their enthusiastic sponsor and adviser.

“C’est Vous”

French Club is a social organization open to all high school students, who are studying the French language and who are interested in learning more about the customs and habits of that country.

Each month the club held a party in the club room and the students took part in these parties by singing songs, telling stories, and presenting plays about France. They also read letters from students of that country. These parties not only provided interesting entertainment but helped the students to know and understand better the French people, their language and customs.

Miss Fast is the leader and director of the club and the officers for this year are: Dick Loerke, president; Barbara Jones, vice-president; Janet Reedquist, secretary; and Barbara Lou Higdon, treasurer.

French Club Officers—B. Higdon, D. Loerke, J. Reedquist.

"There'll Come a Time"

The Commercial Club was organized to promote interest in the business world, and to help its members become familiar with modern, progressive business methods. Another purpose, however, is to encourage a social spirit.

Any student who is now carrying, or has had two commercial subjects is eligible for membership.

The officers elected this year are: Marlys Palmer, president; Norma Haught, vice-president; Juanita Maring, secretary; Arlene Danels, treasurer. This organization has as its capable sponsor, Mrs. Wilson.

These students, whether they be future secretaries, personnel workers, saleswomen, or accountants, find in their association an effective way to increase their participation in school activities, civic affairs, and in the field of commerce.

Forrest Davis and Virdie Gillispie put some books back on the shelf.

The library is one of the chief educational assets of our school.

Students may find any kind of reading material they may be looking for in our own library, whether it be fiction, research books, biographies or even magazines and newspapers.

Although we find students in the library almost any time of the school day, we notice that it is always courteously quiet for those who wish to study.

Of course, we have the librarians to thank for their excellent assistance in helping us to find the books for which we may be looking, for checking out books, taking care of library slips, typing, filing, and aiding Miss Gallanar, the school librarian.

Officers of the librarians are: Ronald Butler, president; Particia Johnson, vice-president; and Ramona Jones, secretary.

Miss Jameson, adviser, and Jeanne Leinhauser, president, check their roll.

The Writers' Club is a newly organized group of O. H. S. students especially interested in creative writing. Organized last spring, this group meets twice a month in the evenings to read, discuss, and criticize each other's written work which they have prepared before the meeting. These students have found that much can be accomplished and their knowledge is broadened greatly by this practice of writing.

Miss Jamison has given her time to advise these boys and girls in this field, and she has proved to be a very able and efficient supervisor for this task.

The officers that were elected for this year are: president, Jeanne Leinhauser; vice-president, Joy Hatfield; secretary, Patsy Lamb; treasurer, Rosella Albertson; corresponding secretary, Beverly Graham, who attends the meetings by "teacha-phone."

Row III—Margaret Kautman, Maxine Keasling, Jerry Whittlesey, John Hazen, Charles Campbell, Rollin Smelser.

"I Don't Know Where I'm Going"

Ushering at the various functions in Ottumwa High School, such as football and basketball games, open house and various auditorium programs, affords students excellent opportunities for service to the school, as well as for personal growth.

Efficiency in ushering demands mental alertness and resourcefulness, courtesy, poise, and a great deal of tact. These traits are helpful in any social situation, serving students well in all walks of life.

Under the business like direction of Mr. Tiede, our sponsor, members of Ushers' Club have earned many service points this year and have had a lot of fun doing it.

Zelma Bailey has been our head usher, and has effectively coordinated the work of the group, making it one of the smoothest working units in Ottumwa High School.

"Pretty as a Picture"

A new organization in the Ottumwa High School this year was the Projection Club. Realizing the need for audio-visual education in the classroom, this group was organized under the supervision of Mr. Don Cassill.

Several experienced student projector operators were on hand to train eighteen new members in the skill of operating, caring for, and handling movie projectors. It was arranged so that in various classes there would be one member trained in the mechanics of projection.

This club was not developed for any social purpose, but purely as an educational venture. Meetings were held twice monthly as a training period.

The students at O. H. S. have become enthusiastic about seeing movies and at the same time profiting by a new and easy aid to education.

Mr. Cassill demonstrates the projector to two new operators—Hook and Freshwater.

Coaches

COACH NEWELL

Since 1936 Coach Newell has come through with winning teams in all main sports. For the last few years, he has been head coach of football, track, and assistant basketball coach.

Fred Maasdam is also a well liked fixture of O. H. S. Assistant coach in football and track, and head coach of basketball, he is rapidly advancing toward the top in Iowa coaching ranks.

COACH MAASDAM

Excellent coaching has had a tremendous effect upon the "Never Say Die" Bulldog teams.

Some of the coaches in past years have been:

Dr. Armstrong	Adam Leonard
J. Templeton	W. B. Rice
Sam Stoltz	C. A. Gustafson
Dan Steck	F. W. Douma
J. Leisenring	George Yount

“Let’s Put Our Heads Together”

Broadfield does a nice job of blocking in the Washington game.

The fighting Bulldogs did it again! The annals of football history are full of victories and honor earned by O. H. S. teams. This year the Red and White lived up to this story. Inexperienced and game-shy, the Bulldogs lost the first three games and were down for a “nine” count. Many thought they would never recover. Suddenly, the gridders revived, and under the superb coaching of Don Newell and Fred Maasdam, the Bulldogs came back. Six games and six victories were racked up, including one over the arch rival and previously unbeaten Burlington. This season meant much to the players, students, school, and fans, as it was a very fitting example of the many years of Bulldog glory.

"The All American Girls"

Adviser Miss Rentschler and President P. Brouhard

The Girls' Athletic Association is a member of the state organization. Its purpose is to promote the interest of girls in athletic activities.

Membership is open to any girl. It is based on a point system earned by participation in recreational activities, both at school and during leisure hours.

It is the desire of every G. A. A. girl to earn enough points to qualify her for the school letter, state pin, and even the gold cup. The senior award is given to the most outstanding girl and is based upon scholarship, leadership, sportsmanship, and club service. Serving the club as officers this year are: president, Paula Brouhard; vice president, Rosella Albertson; secretary and treasurer, Shirlene McFarland; publicity manager, Marjory Hoover.

Miss Evelyn Rentschler is the club's very efficient and capable adviser.

“The Mermaids”

Shark Club is a girls' organization well-known for its outstanding swimmers.

Try-outs are held early every fall, when the hopeful aspirants are graded on their ability to do all strokes and a stunt and at the same time be relaxed, graceful, and have good breath control and endurance.

There is always something for Shark Club members to do. Aside from working on new stunts, they enter competitive swimming meets for racing and synchronized swimming.

An outstanding event of the year is the annual pageant which is written by the girls, blending colorful costumes, music, and lighting. The performance is planned along a definite theme to make a delightful production.

Very little of this could be accomplished without the time and advice given by Miss Vida Bernau, the club's adviser.

Shark Officers—Marilyn Jensen, Claris McGee, Marilyn Ogden, Marilyn Mullin.

Homecoming

A group of G. A. A.'s decorate the gym.

In the "Coke" room during the dance.

Her majesty's grand entrance.

Everyone has a good time.

Lois Masters, escorted by Roddy Fitsimones, is crowned queen by Bob Poline.

The Grand March.

One of the most successful homecomings in O. H. S. history was held Friday, October 7, 1949.

Following the colorful afternoon parade of the O. H. S. band, escorting the six queen candidates through the business section, the evening coronation between halves of the Keokuk-Ottumwa football game was a brilliant affair. Queen of the homecoming was pretty Lois Masters. She was escorted by Rod Fitsimones, attended by Toni Fisher and Carole Johnson first and second attendants, and crowned by Bob Poline, master of ceremonies.

Perfect weather, an Ottumwa victory, a pretty queen, and a magnificent coronation, climaxed by the dance in the high school gym, gaily decorated by the G. A. A. under the direction of Miss Rentchler and Miss Bernau, made this first school-sponsored homecoming something to remember. What a game! What a queen! What a dance! What a night!

The queen and her attendants, Lois Masters, Toni Fisher, Carole Johnson.

The big game—Ottumwa 38, Keokuk 12—Davis clears the way for "Fergy."

Don Aanestad and Mary Troxel tune up before the parade.

Time to Step Out . . .

Seniors of Ottumwa High School, you stand at the entrance to a new life, whether it be college or the workaday world. Regardless of where you go, there is a challenge in the business of daily living. Some of the shields which have surrounded you in school will not be there.

A cheerful attitude, a firm determination to take life in its stride, a sincere effort to make it better for yourself and others will enable you to look on this time in your career as a major stepping stone.

MANY'S the time, in the early eighteen hundreds, that the famous inns of England resounded to the gay laughter of hale fellows come to eat fine foods. Those were the days when Morrell meat products first became famous for fine flavor. . . . setting a standard of Morrell Quality which has come down through the years to this very day and hour.

The skill of more than a hundred years is behind the rare flavor of Morrell Pride Hams and Bacon.

Congratulations to the class of 1950

YOU are an American, and you are free. You can speak as you please and pray as you wish; serene in a birthright freedom from fear and from want...and secure in your **FREEDOM TO PICK AND TO CHOOSE.**

You pick and choose your needs and desires from the shop on the corner or the store up the street—and set in motion the life-force of democracy that stands as the root of your freedoms. For without a free exchange of goods, you cannot be free—

Sears, Roebuck and Co. knows how democracy works...we know that you and your right to choose have made the ideals of free enterprise come true. And as retailers everywhere unite in grateful acknowledgment and renewed faith in the treasures of freedom that are ours, Sears stands with you to count our many blessings.

Yes! Democracy works here. Remember your greatest freedom as you visit the stores in your community and see the bounty of the world held up for your pleasure.

Remember Sears, when next you pick and choose for better quality at lower cost...for Sears is the People's Choice!
