

Oct. 3, 1990

Dear friends:

Thanks for the book order intended for Hubert's sister. The book was mailed to Helen C. Fagan with the proper dedication & autograph.

I ordered 3,000 copies from the printer and to date about 500 copies have been sold. The rest are in commercial storage. We will go to the national ex-POW convention in Seattle this month and we hope to sell more books there.

The flier in the The QUAN and the comments from reviewer Benson Guyton on the book have helped a lot. I must have received about 25 book orders because of The QUAN's issue of August 1990. Here's hoping Hubert is doing well, as well as you, Verla.
