As a new school year begins nearly everyone is enthusiastic and glad to be back on campus. The freshmen are not completely certain they want to be here. To them it is a new world full of apprehensions and fears. They must adjust to being away from home and must learn to study on their own. The upperclassmen look forward to planning Beanie Courts for the freshmen and to giving them a bad time in general.

As the year progresses the students look forward to Homecoming activities. Books are disregarded, and soon the campus hums with the activity of building floats and making other Homecoming preparations.

Soon it is December and students are looking forward to Christmas vacation only to be eager to return in January and face semester finals. As students live from vacation to vacation, plans are being made for Spring Break. Spring fever infests the campus and books are neglected for more interesting studies.

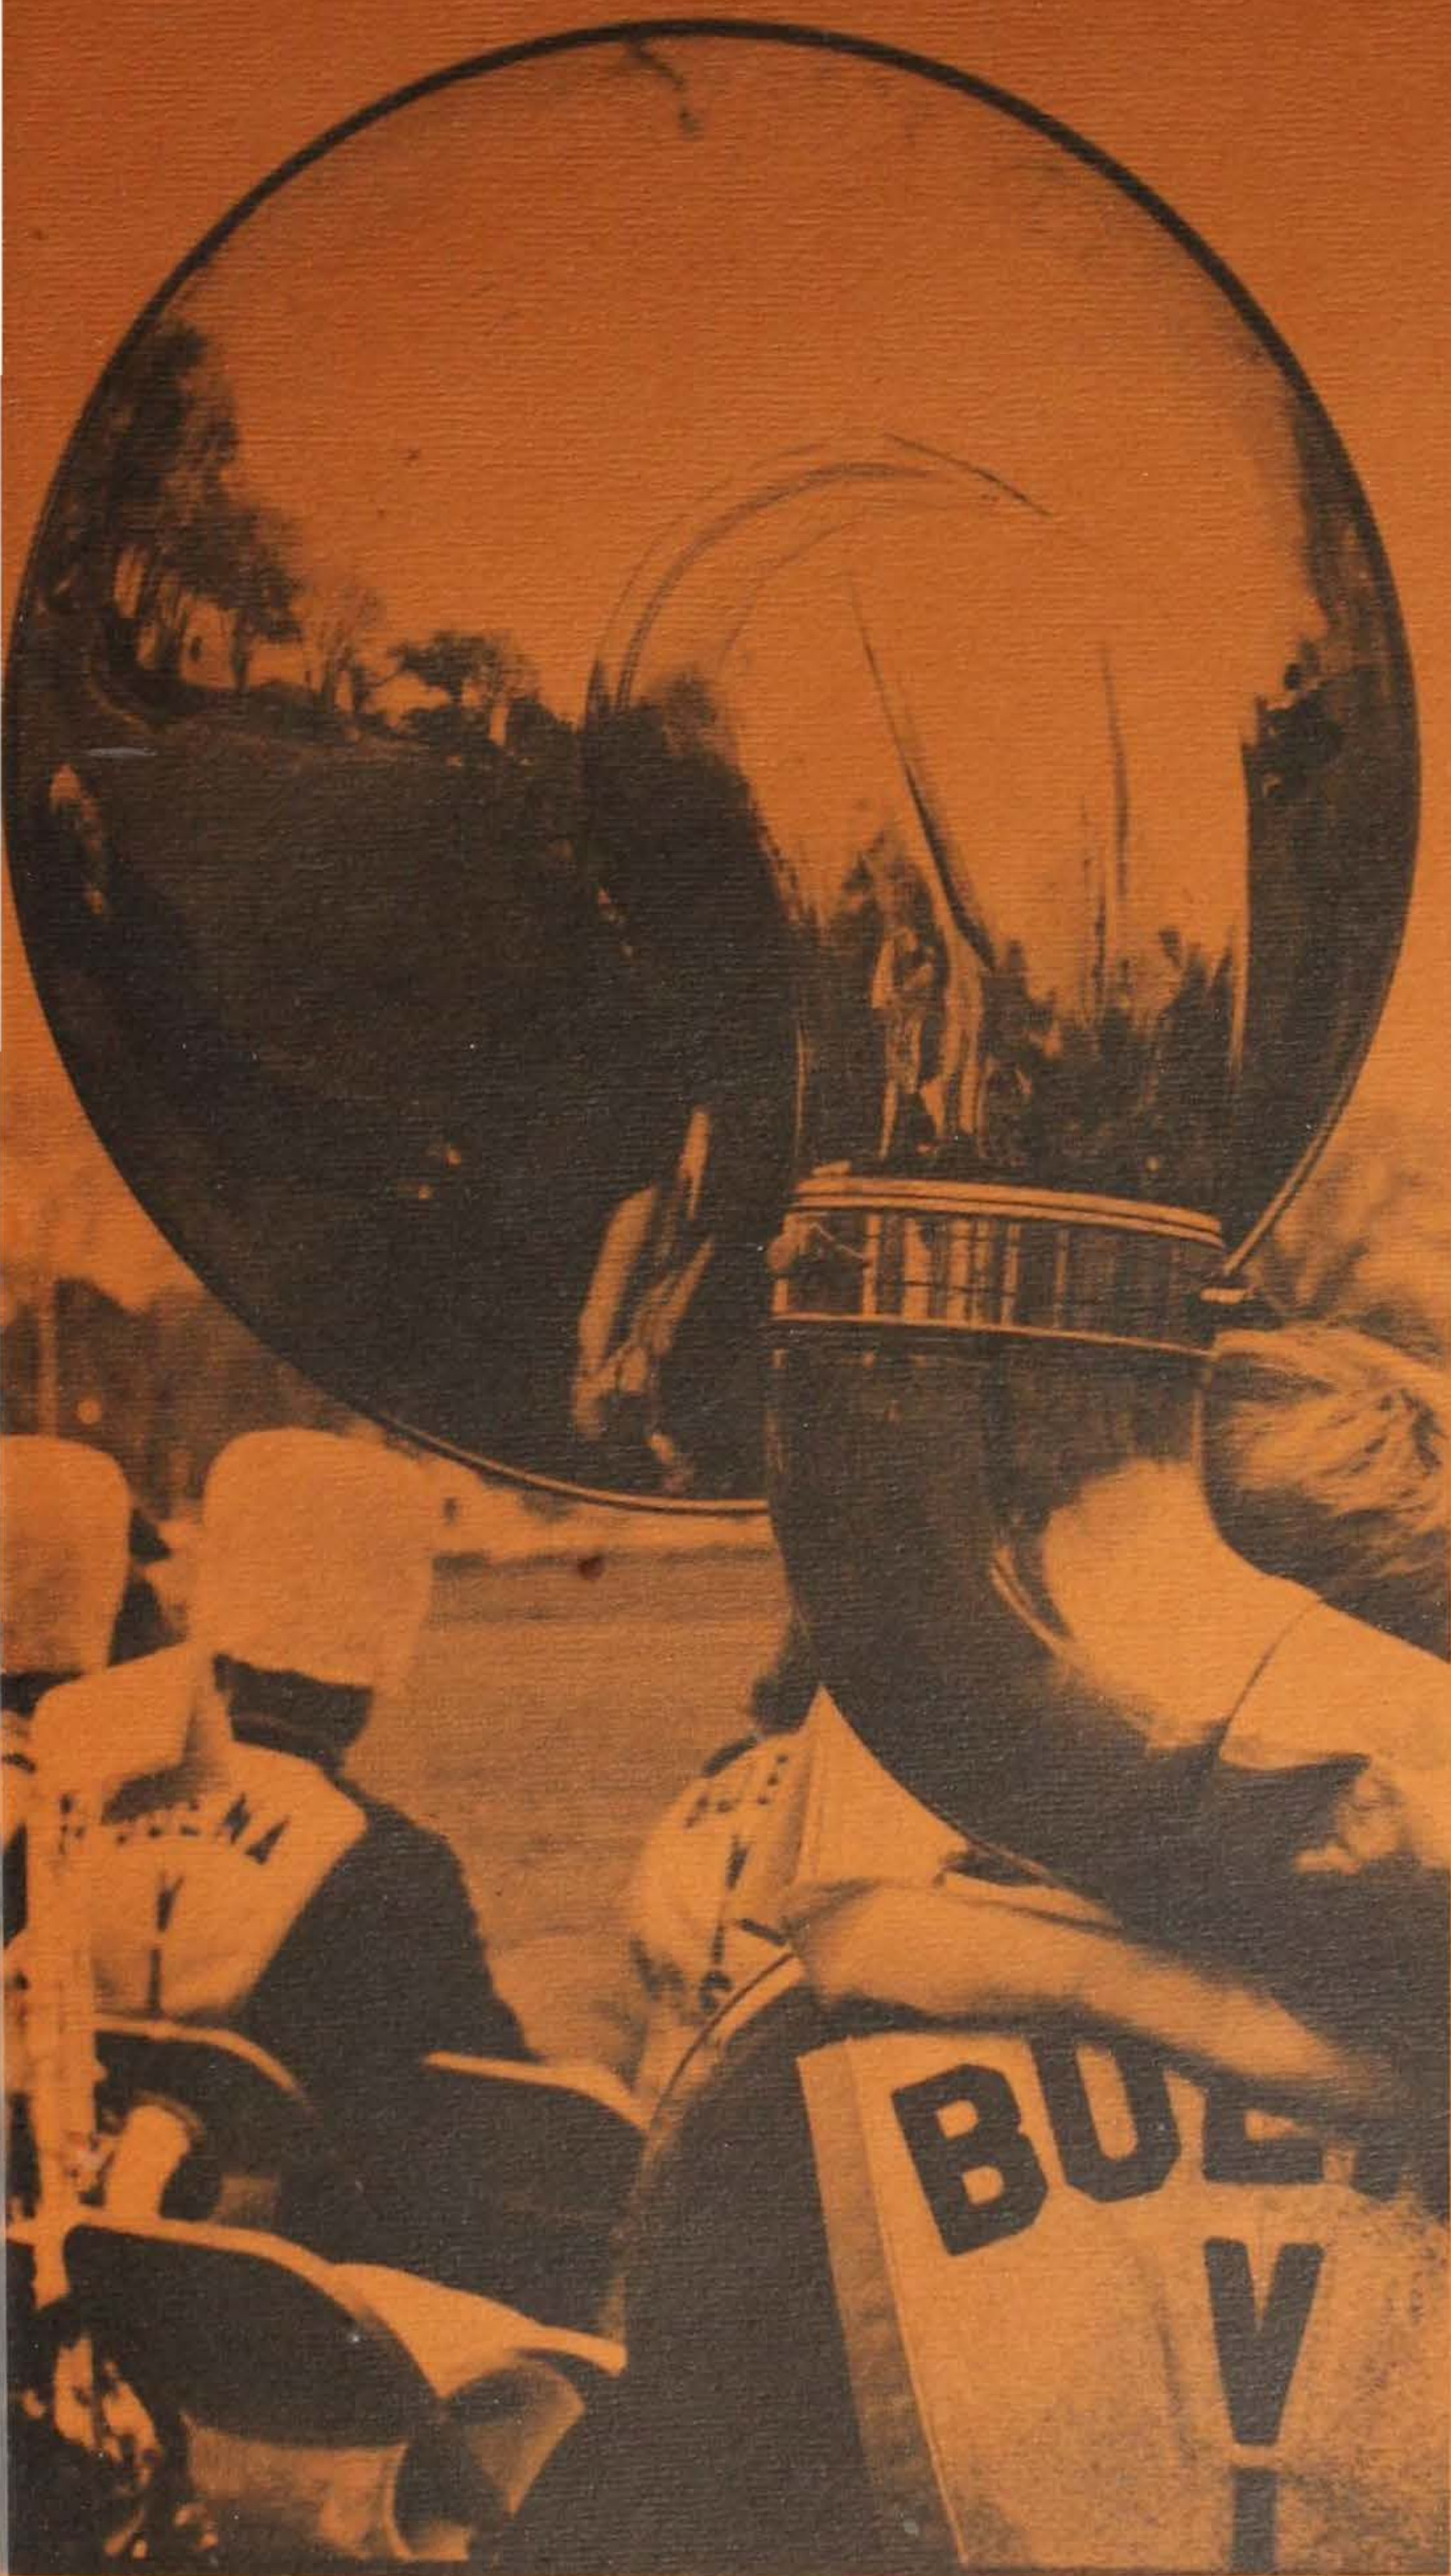

As graduation nears the seniors are anxious to be getting out into the world, and the underclassmen long for the warm, sunny days of summer. Friends hate to say good-bye, but they know that, except for the seniors, they will be back next year to be reunited and to begin again the making of new friends.

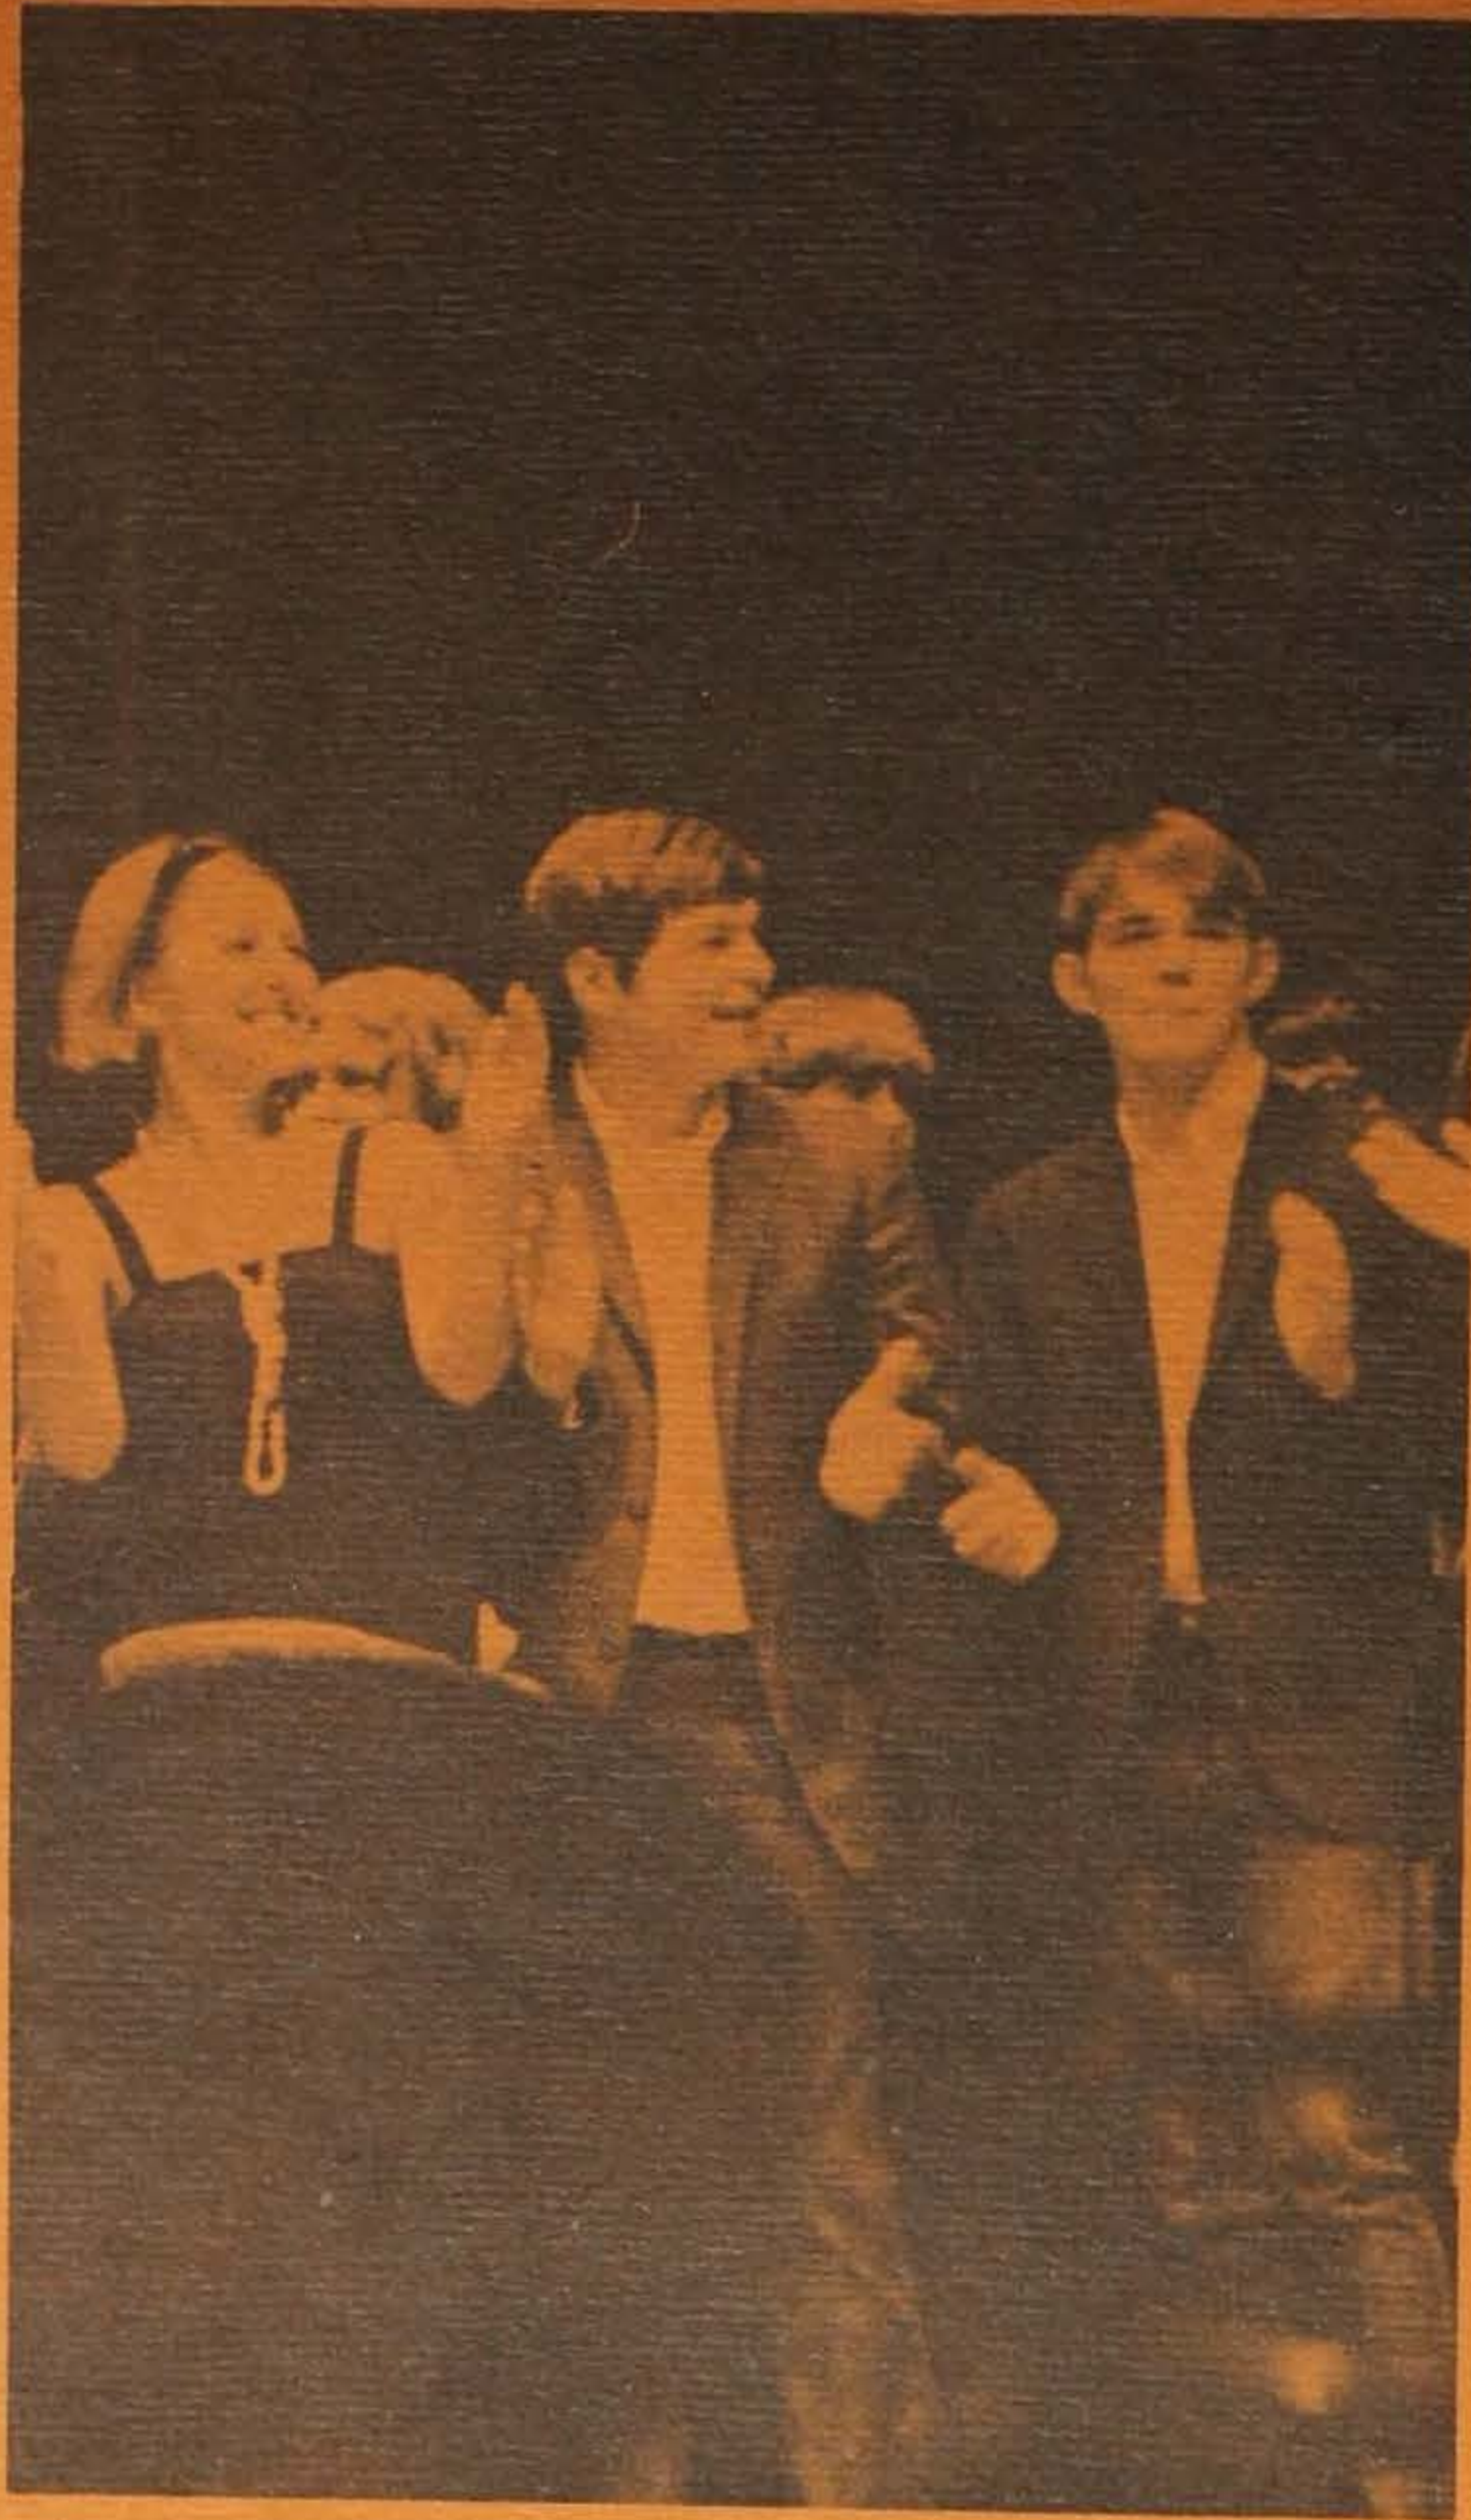

And so the cycle goes from one year to the next . . .

activities

variety

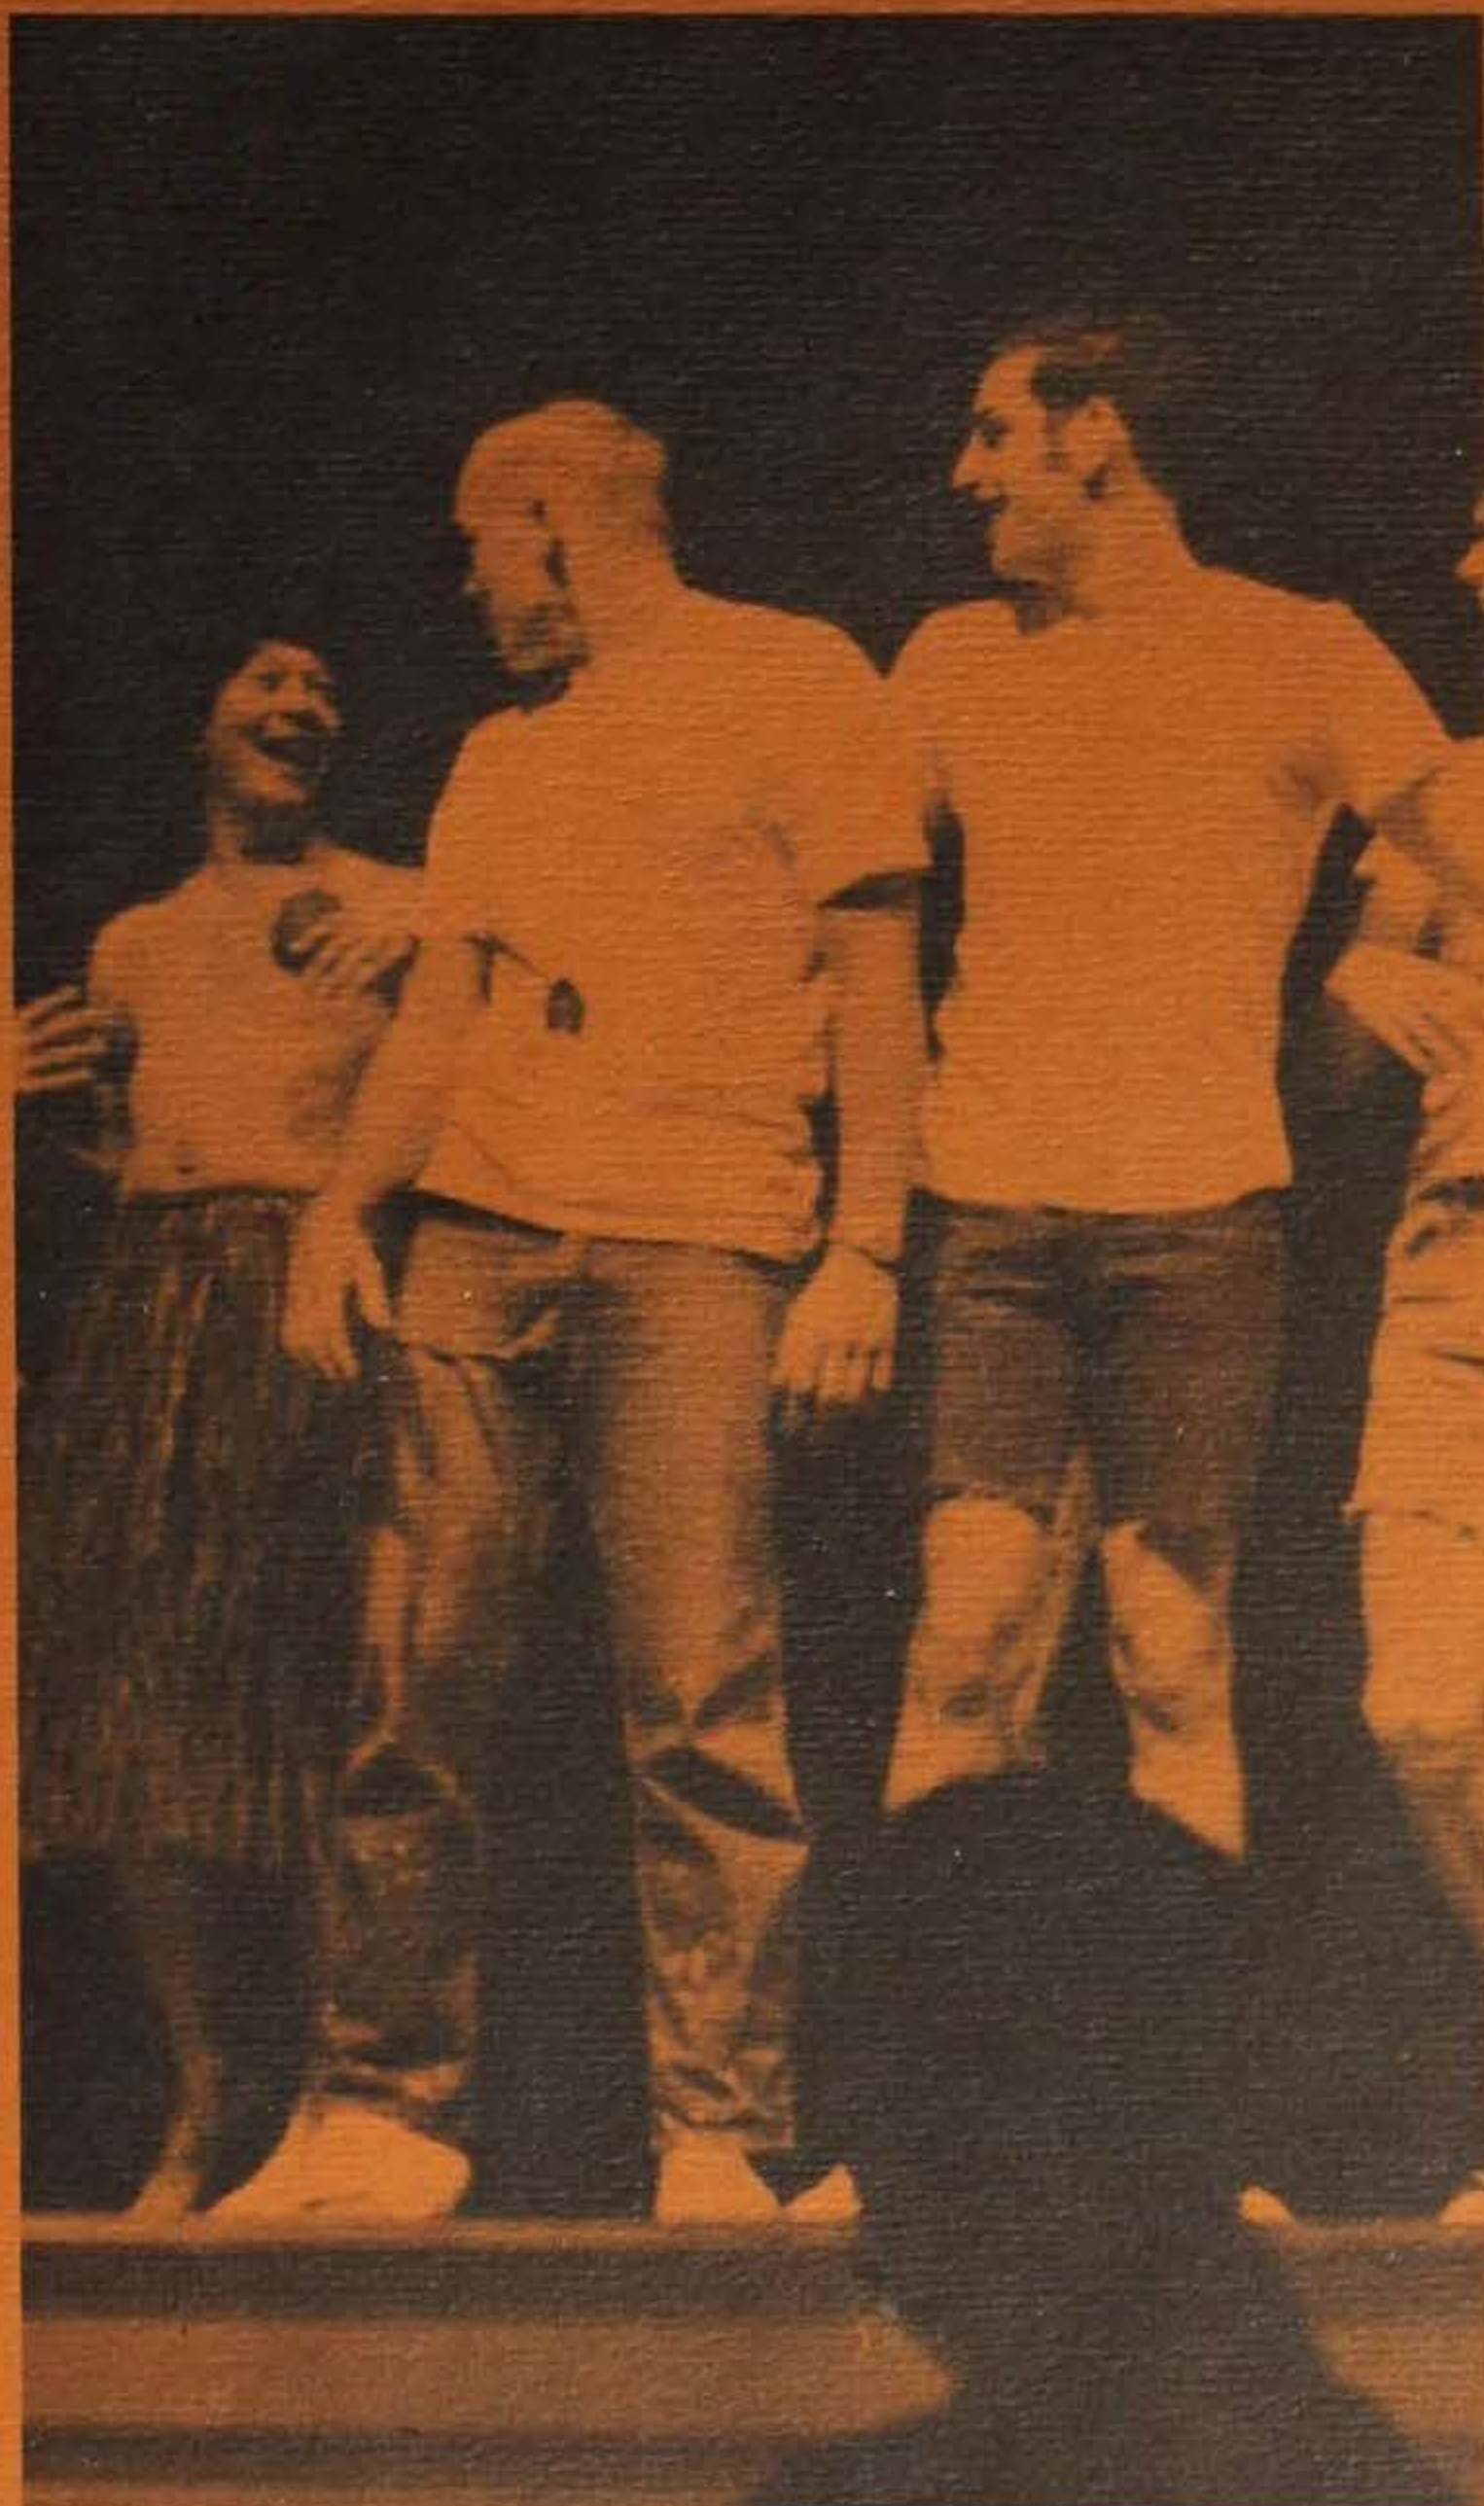

Buena Vista's number one singer, Ned Fleming, and two friends, Jackie Copeland and Linda Goebel, MC'ed the Variety Show.

Instead of the usual "anything goes" method of soliciting talent, acts had to audition this year for their place in the show. As a result, the Variety Show was an overwhelming success.

show

First prize for originality was taken by the Delta Phi Beta girls with their skit "Those Were the Days." The prizes for talent were awarded to Spanky Eriksen and Geoff Woods, first; Don Patton, second; and Peggy Kruse and Mike Molloy, third. A new sorority on campus, the Alpha Mu Omega music sorority secured first prize for theme with their musical selections entitled "Ten South Tokyo Lane."

The Variety Show ended with the crowning of the Miss Ceil Giannaula as Homecoming queen.

homecoming parade

The theme of the Homecoming parade this year was "One Hundred Years of Progress," commemorating the hundredth birthday of football. There were 40 units in the parade including 27 bands from the area. Don Cox, a former Storm Lake resident and alumni trustee was the honorable parade marshal.

The Sweepstakes Award was again won by Delta Phi Beta sorority whose entry was entitled "We're Bound to Win, Wright or Wrong." The freshman class float, "Smoke William Penn a Silly Hundred Years Longer," captured first prize for organizations and also for school spirit.

homecoming royalty

Miss Ceil Giannaula was elected Homecoming queen by a vote of the student body. Ceil, an art major, was a junior from Denville, New Jersey, and was sponsored by Kappa Tau Delta fraternity.

The queen's court consisted of Janet Anderson, a senior from Early, Iowa; Yolene Con-

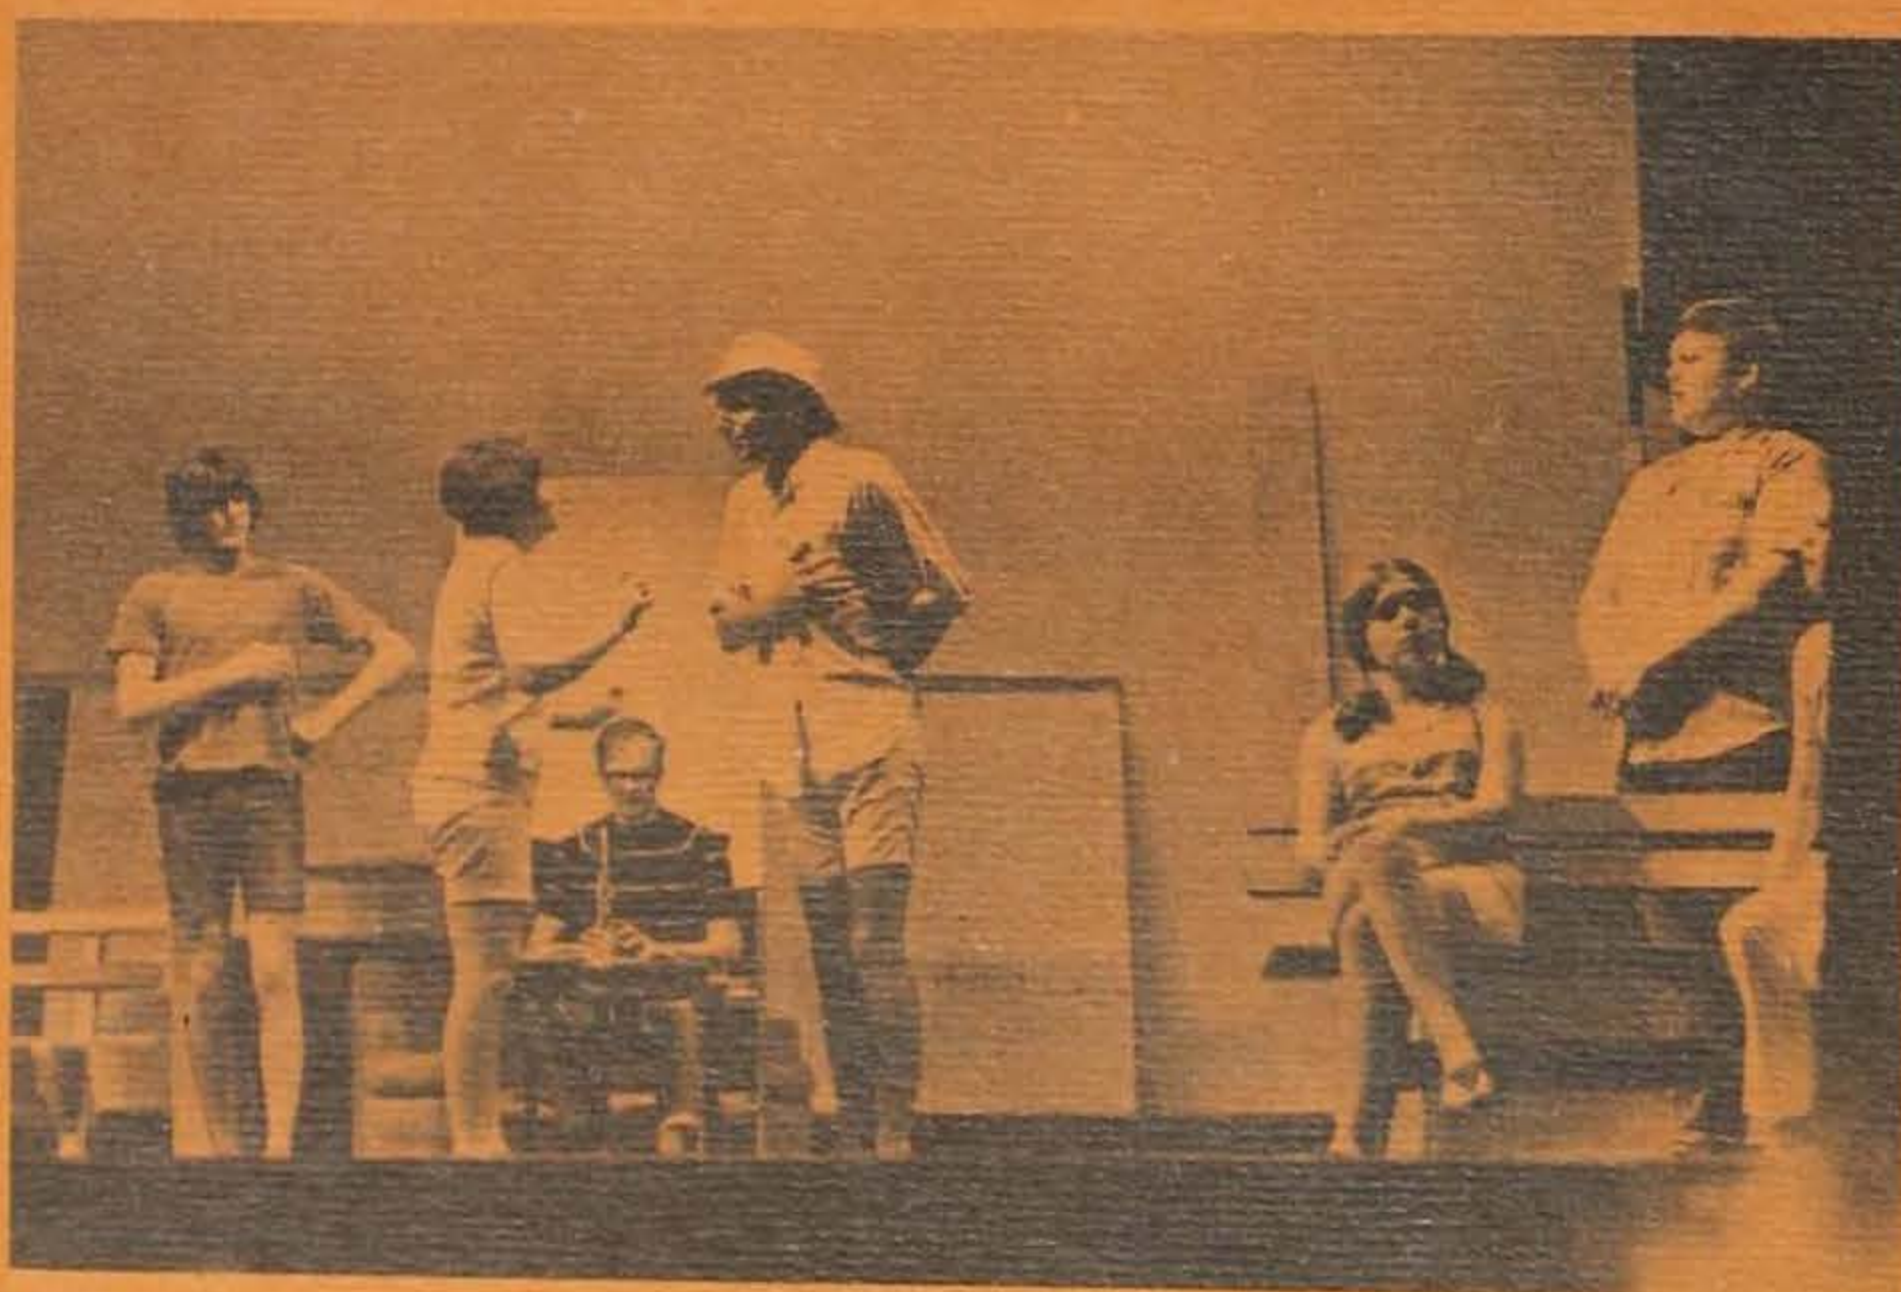

selva, a junior from Pearl City, Hawaii; Ginger Joslin, a junior from Haddonfield, New Jersey; Virginia Klein, a junior from Algona, Iowa; Kathy McLaughlin, a junior from Lakeside, Iowa; and Vicki Satern, a junior from Spirit Lake, Iowa.

dramatic

The Buena Vista drama department presented four major productions this year. "The Diary of Anne Frank" was presented in the fall semester and "Ghosts," "Thieves Carnival," and "The Importance of Being Earnest" during the spring term. The first three of these were directed by Professor Travis Lockhart while the latter was done as a special project of Jay Friedman. In addition to these, nine student-directed one act plays were presented in December.

carnival

This year's Spring Carnival was again marred by rain, but this wasn't enough to stifle the activity. The events included such things as sack races, tricycle races, a dance, gambling in the Union, and a picnic in Circle Park.

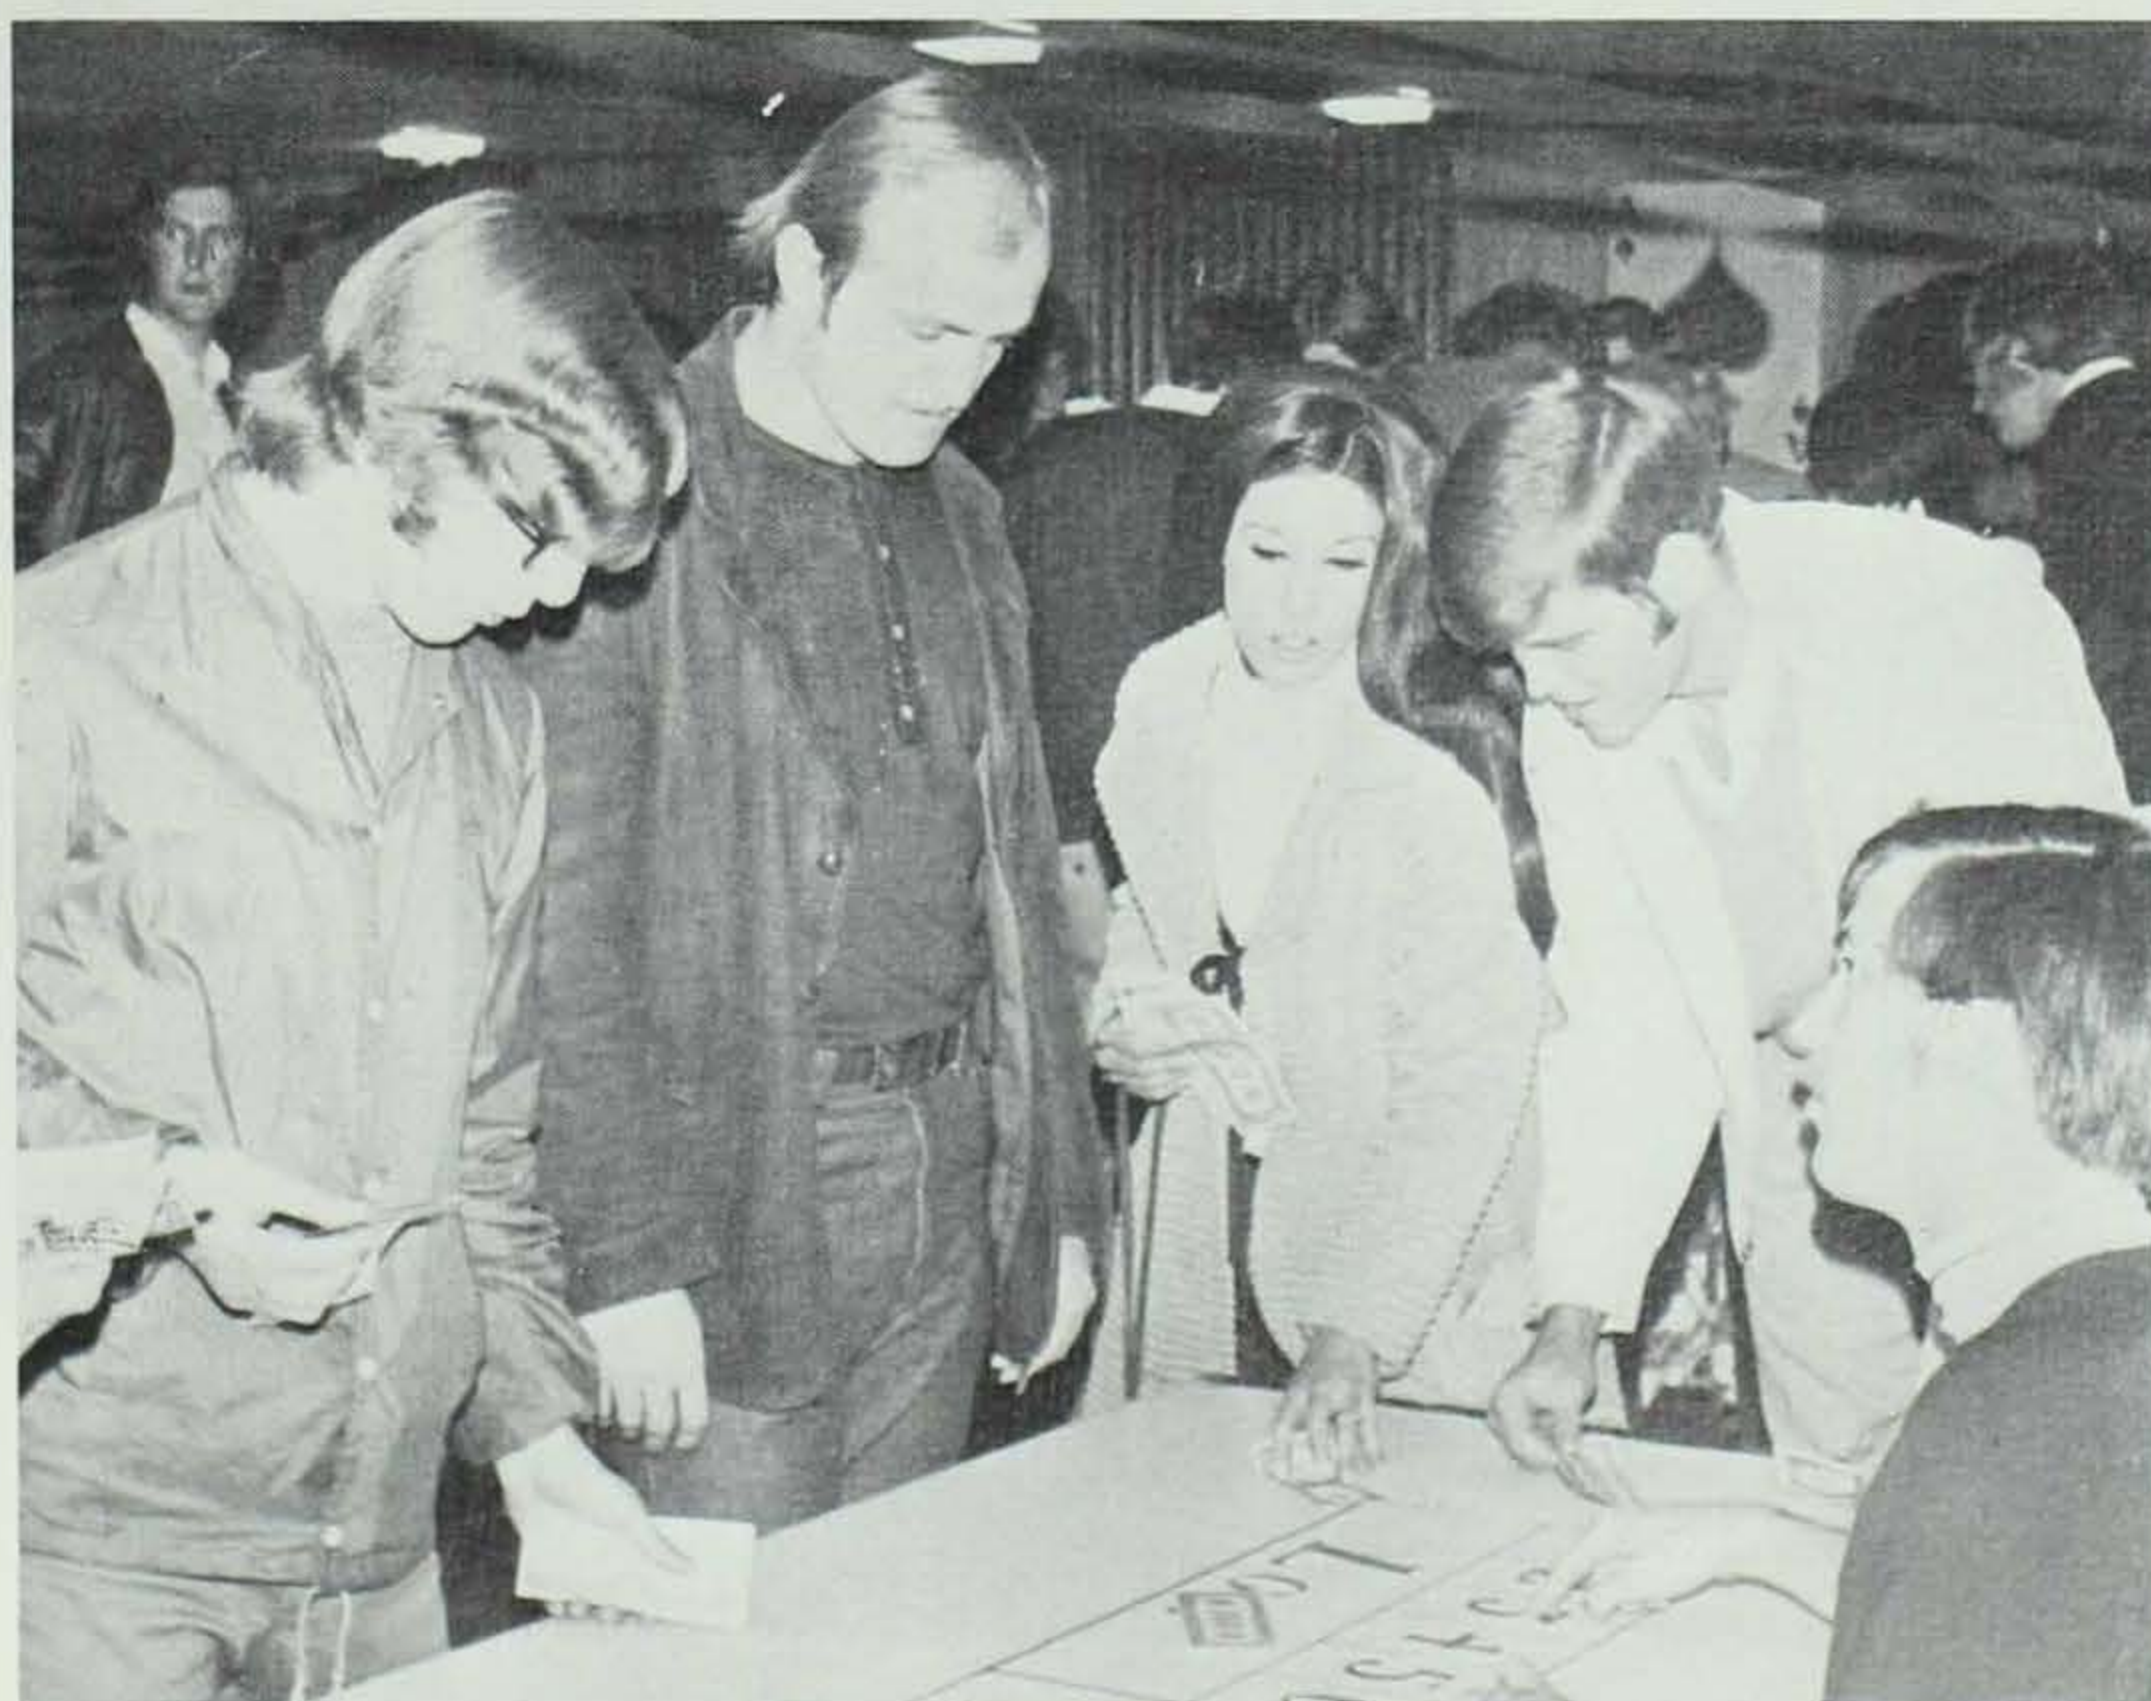

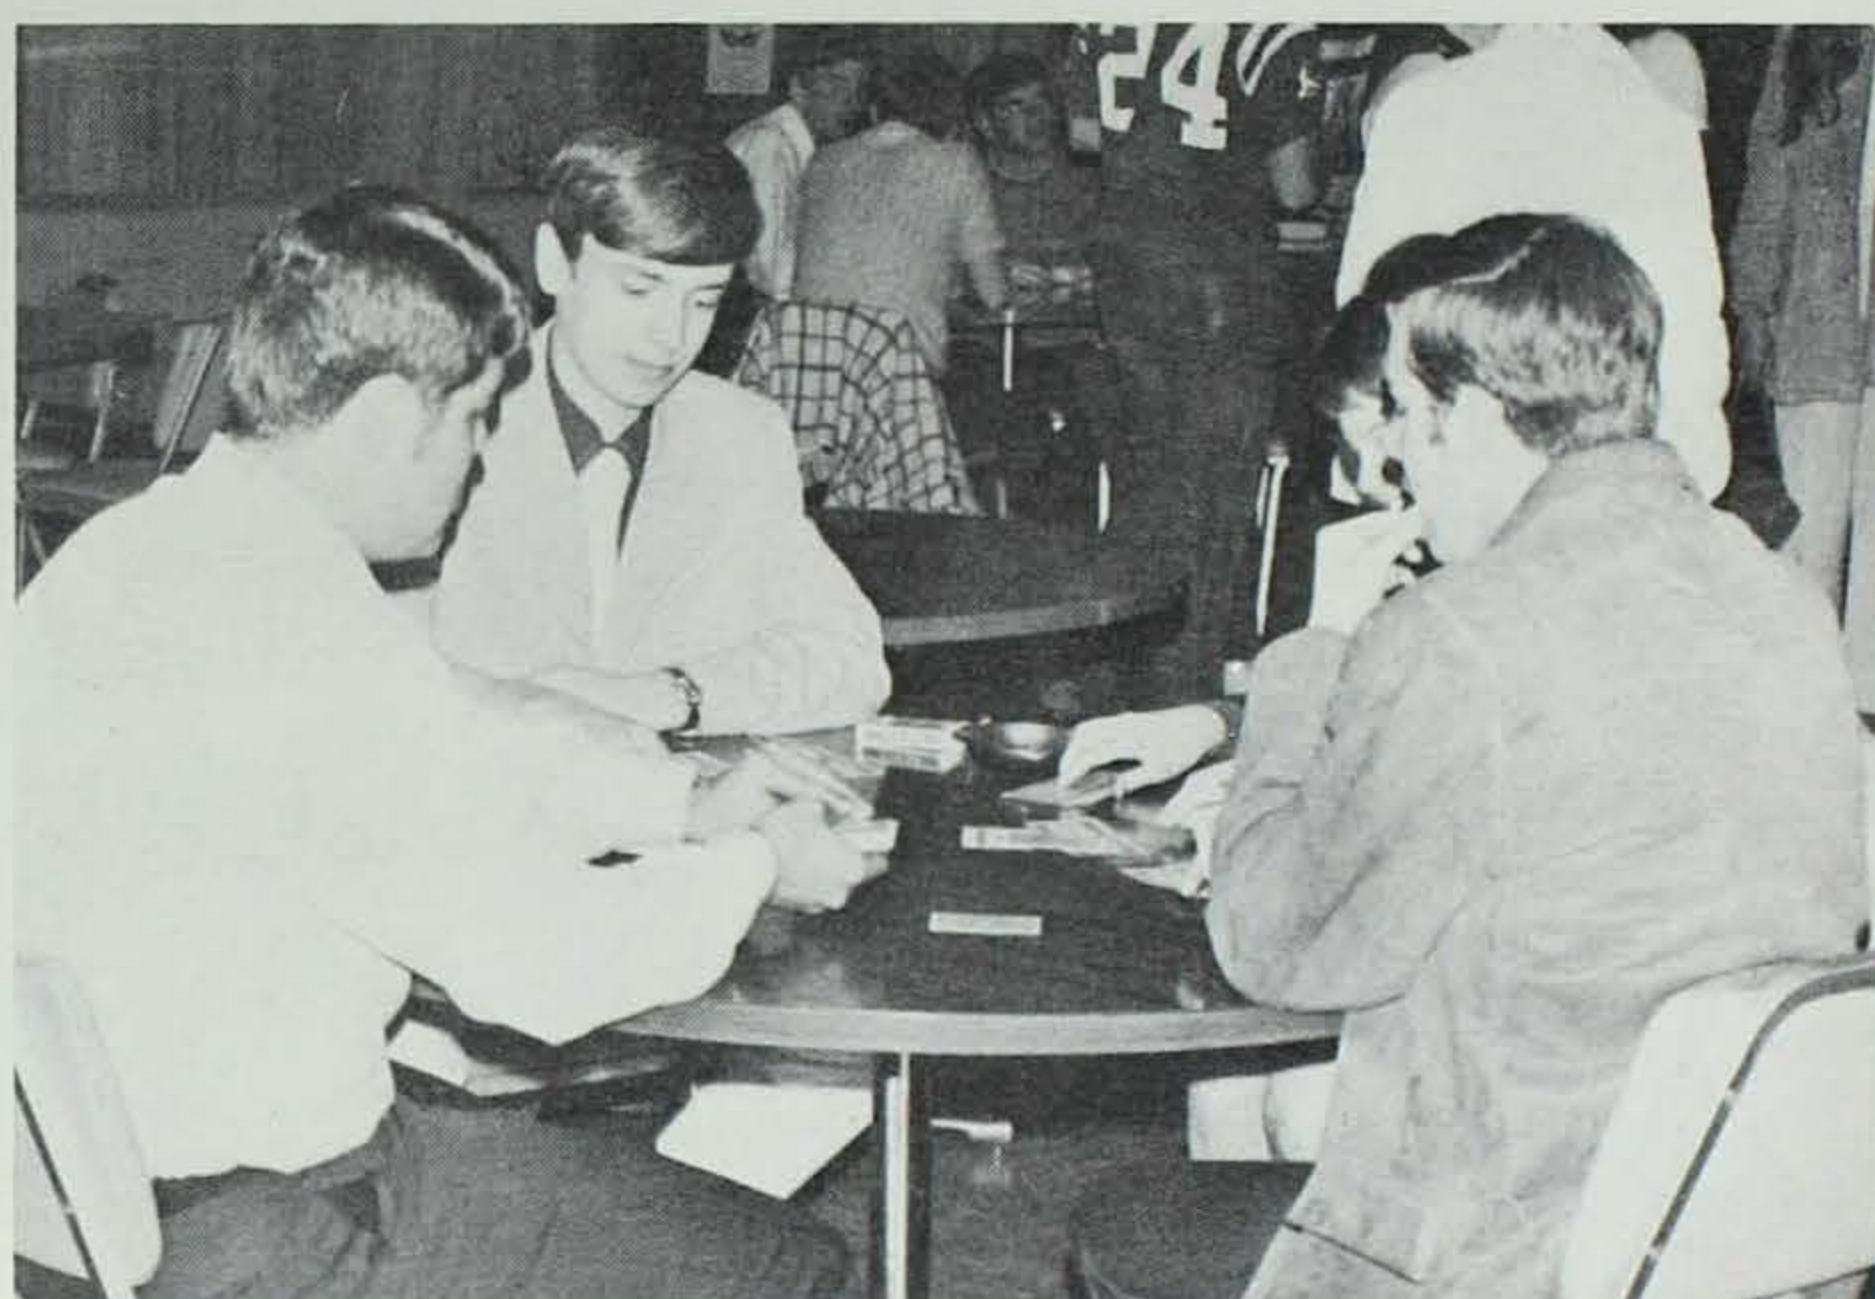

To highlight the weekend, "Juarez," a folk singing group, performed. Many organizations again sponsored booths. These included a wet sponge throw, an egg throw, and Drown the Professors, among others.

A burdensome project, the new student government constitution, which has preoccupied the council for three years, was brought into its final form and ratified this year. The new constitution changes the council's name to the Student Senate and divides the Senate into five committees much like the Faculty Senate.

Another action initiated by the council was the elimination of the 20 per cent class absence policy. It has been revised to leave it to the individual professor's discretion to dictate his own attendance policy.

Other items successfully attempted include: a change in swimsuit requirement for recreational swimming, the Student Union Board given the right to be a separate entity in charge of social events, an opportunity given to off-campus students to form their own organization and have a voting representative on the Student Senate, and the planting of a tree and granite stone as a memorial to the war dead.

student union board

1ST ROW: Miss Ward, Cynthia Peterson. 2ND ROW: Robert Myers, Bruce Campbell, Tim Grieme.

This was a very trying year for the Student Union Board. After going through two presidents and as many vice-presidents, the ball finally started rolling, but very slowly.

One accomplishment of the Student Union Board under the guidance of President Terry Weland was the signing of a contract with Warner Bros. Film Company which will make it possible to have current films on campus every week. Another endeavor of the S.U.B. was the bringing of a few top name musical groups to Buena Vista in the form of a concert.

Probably the biggest accomplishment of the S.U.B. was the drawing up and approval of its own constitution, which now makes it a separate organization rather than being associated with the Student Council. Under the new constitution there are four principle officers and nine governors, who are in charge of different aspects of the students' social life on the campus.

We hope next year will be a good year with the S.U.B. being guided by President Frank Eriksen and Vice-President Ken Hatch. We will need to have more participation from all the Buena Vista students to make real progress.

campus crusade for christ

LEFT TO RIGHT: Vincent Gallo, Tom Ring, Gloria Pauluk, Stephen Randolph, John Zilen, Linda Goebel, Ed Urban, Alan Long.

Demonstrations, for some cause or another, are just as routine and up to date these days as credit cards and instant oatmeal; yet they are as old as man himself. If we measure the greatness of a demonstration by the change it has brought about and by the lasting effect it has made on society, then the greatest demonstration in all of history was effected by ONE PERSON!

In a world which was torn by the same kind of social, political, and racial tensions that we are experiencing today; a world which was plagued by contrasting philosophies and religious factions; in a world where men searched in vain for an answer, this demonstrator offered a revolutionary love, freedom, equality, and peace for all mankind. But mankind hated Him and tried to suppress His cause by killing Him.

History's greatest demonstration began with the cross and the empty tomb. It began when God made the provision whereby men could know freedom and release from guilt and sin, and experience God's love and forgiveness and the abundant life of Jesus Christ in their everyday experience. It continued as

His followers saturated the world of that day to the extent that historians tell us they literally "turned the world upside down."

Now, 2000 years later, the opposition of men and nations has not dulled the message. The passing of years has not destroyed its relevancy. This demonstration is still bringing inner peace and freedom to His followers. And students are still demonstrating the love of God as they share the life-changing power of Christ.

circle k

1ST ROW: Greg Swartz, Bill Dreves, Bob Toth. **2ND ROW:** Mike Wiggins, Alan Long, Neil Greiner, Terry Henkelman, Charles Meier. **3RD ROW:** Steve Randolph, Bob Kent, Robert Dalby, Gary Halverson, Dan Hansen.

Circle K is an international college men's service club sponsored by Kiwanis International. It has the largest membership of all men's organizations on the college campus today. One of its major aims is to develop leadership through dedicated service, on and off the college campus. Our Circle K Club was the 13th club chartered in Circle K International. Since then, we have had a distinguished history, winning several district and international awards.

One of our major projects has been our continued work at the children's unit of the Cherokee Mental Health Institute. The purpose of the project is to help those who suffer from emotional, as well as social, maladjustments. We devoted over 500 hours and traveled over 1400 miles during the year, during which time we participated in entertaining the kids, as well as in giving individual help. The kids looked forward to seeing everyone, and we members benefited from the experience also.

Another major project involves the saving of food products' coupons, which will be used to help purchase a special bus for the children

at the Woodward Hospital. We took wooden barrels and made them into "wishing wells," into which the coupons can be put. The coupons collected will be sent to a neighboring Kiwanis Club.

We feel that there is an insufficient number of signs advertising Storm Lake as the home of BV College. We are working on permits and the production of signs which will be placed on the outskirts of Storm Lake.

1ST ROW: Linda Dettbarn, Marlene Groenewold, Patti Fahey, Sue Mitsven. **2ND ROW:** Cheryl Finley, Mary Jane Green, Marian Meier, Peg Schultz, Priscilla Mauel, Sue Holmgren, Linda Lanza. **3RD ROW:** Linda Parker, Sheri Gaston, Nancy Walrod, Gina Lundeen, Vicki

Satern, Debbie Niles, Barbara Beilby. **4TH ROW:** Karen Larson, Jean Rogers, Patti King, Bob Brown, Dan Hansen, Lois Leidahl, Debbie Johnson, Dixie Carty.

The Student Chapter of the Iowa State Education Association began the year with a membership drive in September. The total at the end of the drive was 47; 15 other members joined as the year progressed.

Our program topics included sex education, modular scheduling, health problems of children, and negotiations and contracts.

Delegates from the Buena Vista chapter attended the Fall Regional in Estherville, the Delegate Council in Des Moines, and the Spring Regional in Ida Grove.

Our chapter also sponsored or helped at

other educational meetings during the year. On November 5, Prospective Teachers' Day was held. Local members discussed majoring in education with high school seniors from the area. On April 10, we helped with an ISEA meeting held on our campus.

The officers for the past year were: Marlene Groenewold, president; Patti Fahey, vice-president; Linda Dettbarn, secretary; and Susan Mitsven, treasurer. Our sponsors were Dr. Carl Larson and Mrs. Anne Nicholson of the Education Department.

This year the "Tack" started under the leadership of Bob Boylan, but at the second semester Patti King took over as editor. A small staff proved to be a handicap in covering all aspects of the news, but every effort was made to

leave nothing out.

The "Tack" tried to represent as many viewpoints as possible and presented both the student and faculty sides of various issues. Although the staff was small, everyone put forth a total effort to make the "Tack" a real "news" paper.

The "Log" staff was coached by Linda Cullison as editor with the help of Mary Jane Green, assistant editor. The staff was larger this year which enabled us to assign different sections of the book to one or two persons for them to complete.

We would like to thank Robert Kent and Mr. Johnnie Powell, who took the pictures for the staff; Mr. Vic Eaton for all his guidance; and Miss Ward for her enthusiasm.

The Big-Little Sis Banquet, Yule Log Service, and Senior Farewell Banquet were the traditional events of Swope Hall planned by the Executive Board. A shower for Dean Vint, a "Be Nice to Your Roomie" Day and a Christmas P.J. Party were other activities sponsored by the busy Exec. Board.

The legislative body of Swope Hall, House Council, was also very active. Weekend hours were extended, open dorms on Sundays began second semester, several vending machines were installed, and a no-hours policy was adopted at the end of the year.

A Review Board was established this year to handle discipline cases within the women's dormitory.

Swope Hall was proud to sponsor Jan Anderson as a finalist for Homecoming queen and Mary Blattner as candidate and Carnival queen.

Many residents were active in dormitory activities and government this year, including our officers: Linda Dettbarn, president; Marlene Gronewold, vice-president; Mary Rodenborn, secretary, and Sherry Hanson, treasurer.

Order of the Keys, an honorary scholastic society, was formed in October, 1969, to recognize those residents of Swope Hall who maintain a 3.0 cumulative grade average. The Scholarship Committee initiated the organization in the hopes of creating a scholastic atmosphere in the dormitory which would influence girls to achieve a higher academic level.

The organization's symbol is a key, which exemplifies the unlocking of the doors to educational opportunity. Freshmen members receive blue keys; sophomores, gold keys; juniors, purple keys; and seniors, diamond keys.

The charter members of the Order of the Keys were initiated first semester at the Big-Little Sis Banquet. New members were initiated second semester at an Honors Breakfast.

1ST ROW: Denise Mascari, Patti Fahey, DeAnne Brower, Cindy Henkelman, Toni Beck. **2ND ROW:** Peg Schultz, Marjo Pomplun, Debbie Stromenger, Marian Sue Meier, Jan

Brewer, Jackie Siebenaller. **3RD ROW:** Audrey DeJong, Joann Nielsen, Linda Burton, Bev Fink, Rita Farnell, Debbie Niles.

The members of the BV Drill Team had a year full of excitement and pep. It began with the help of Mr. Green and the marching band, when we performed at our first football game. Our fall activities included the Homecoming parade, many football half-times, and a special performance for the Midwestern College Homecoming festivities.

Our opening performance for the basketball season was filled with excitement because it was for the dedication of our new Physical Education Center. Our pom-pom routines were performed at many of the home basketball games with the help of the BV pep band.

Our season was over before we knew it, so now we are all looking forward to the coming year.

cheerleaders

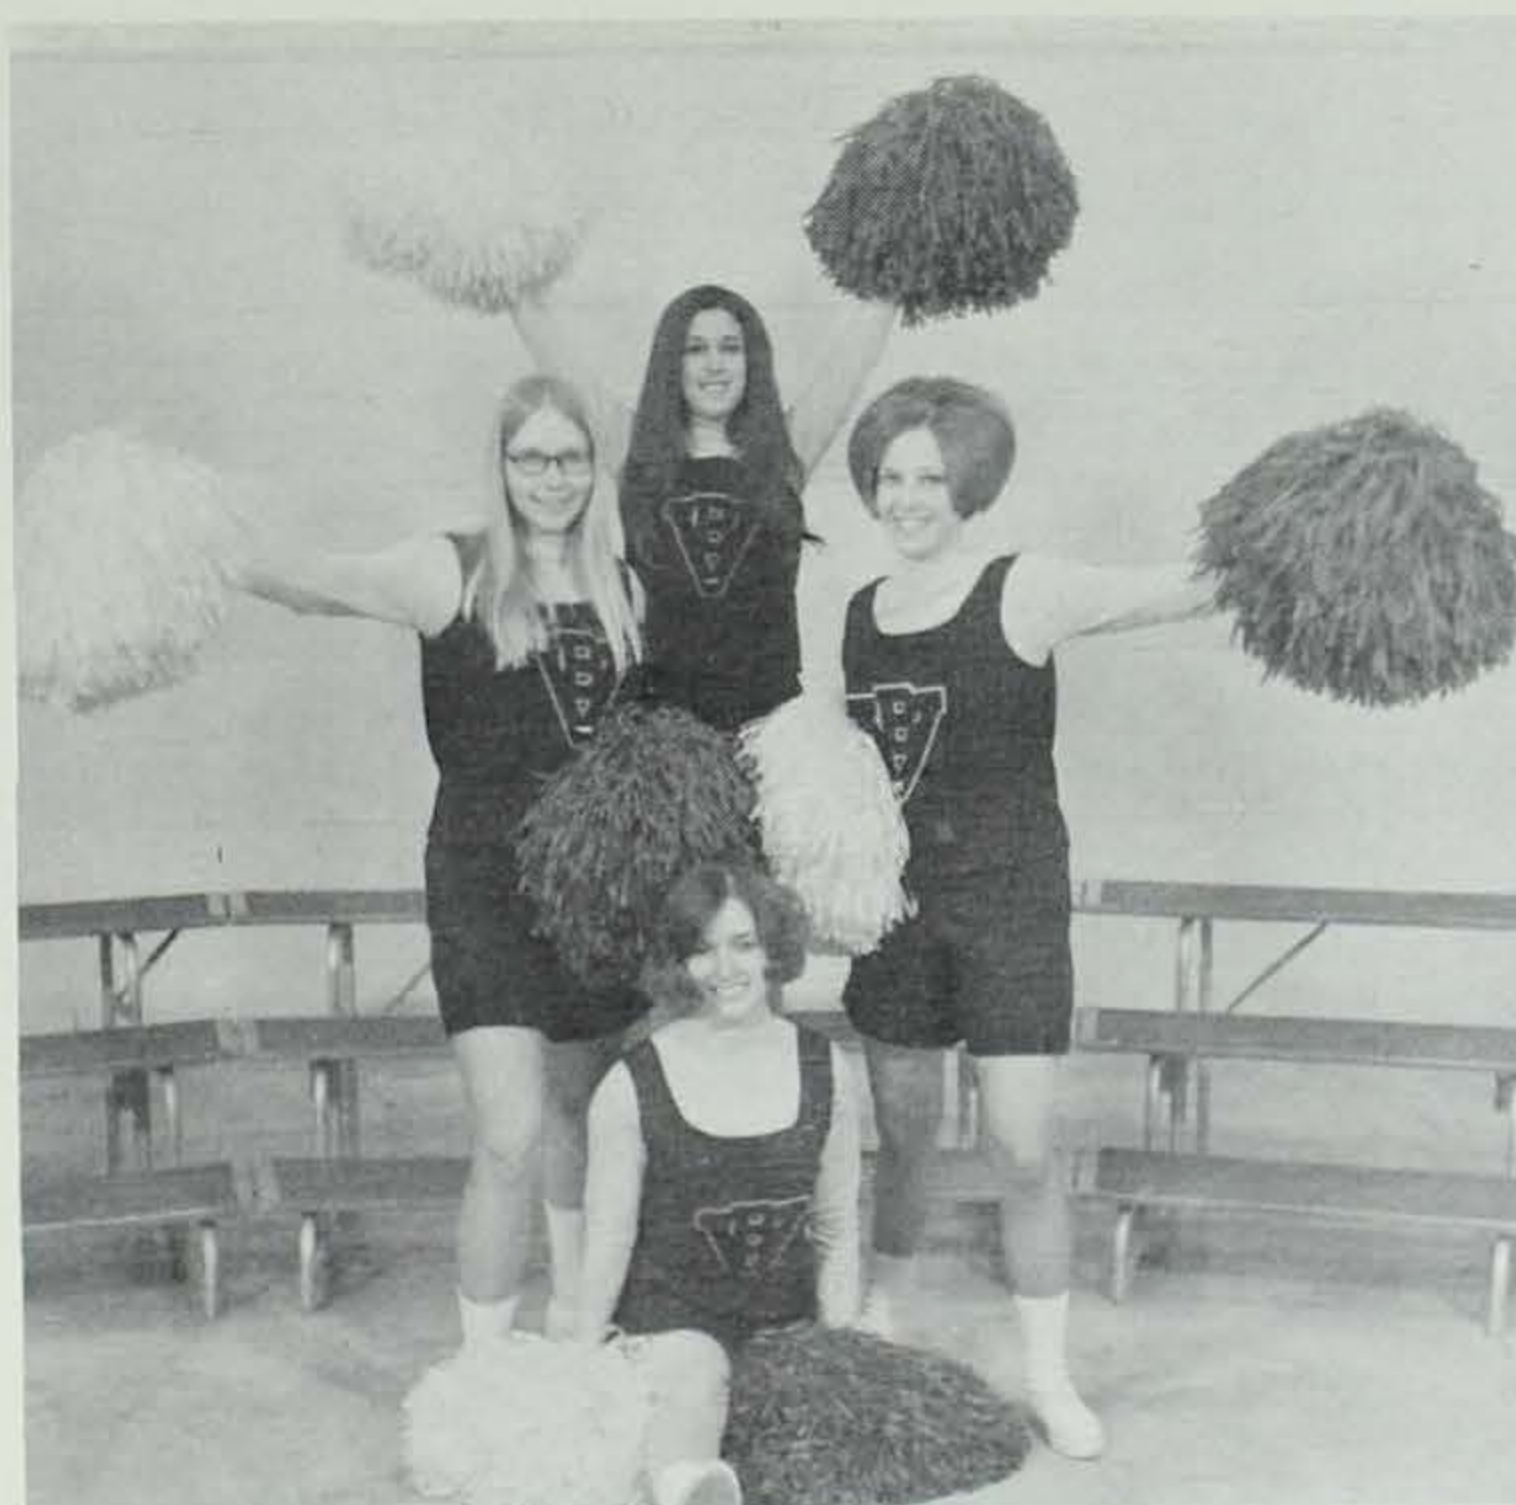

Basketball Cheerleaders; 1ST ROW: Charlene Young, 2ND ROW: Lisa Martens, Rita Farnell. 3RD ROW: Candy Carrigan, Colette Koobs.

The cheerleading season started early this year with tryouts held not long after school started. The squad was new this year with only one girl returning from the '68-'69 school year. The girls worked diligently to bring in ideas for new cheers or add on to the old ones.

Though the weather at many of the games was quite brisk, the girls survived the football season quite well. The coming of basketball found the cheerleaders ready to perform in the new P.E. Center.

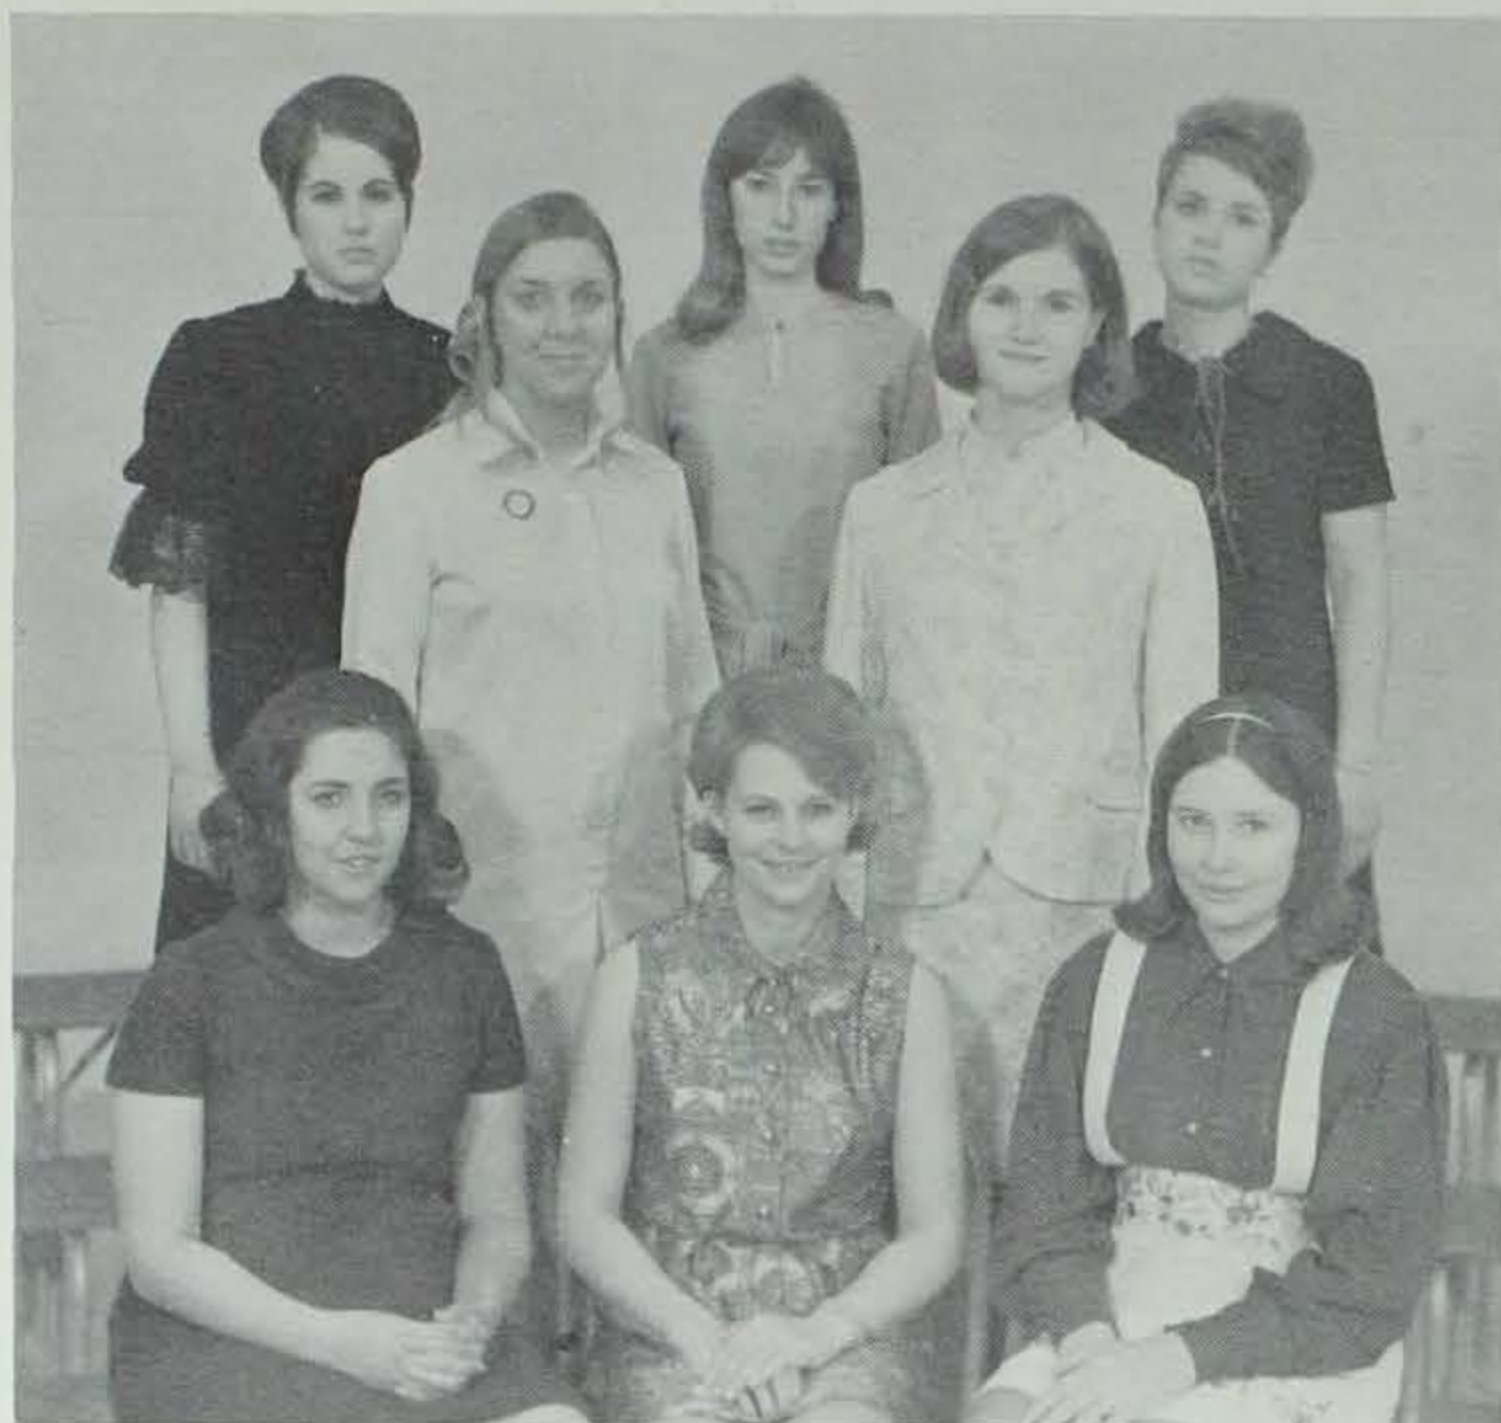

With wrestling now becoming a popular sport at BV the cheerleading squad was expanded. A second tryout was held in the middle of the year and three girls were chosen to be wrestling cheerleaders.

inter-sorority council

1ST ROW: Gloria Pauluk, Marjo Pomplun, Patti Fahey. 2ND ROW: Linda Goebel, Debbie Johnson. 3RD ROW: Nancy Ferry, Karen Murray, Gina Lundeen.

The Inter-Sorority Council is composed of representatives from both Delta Phi Beta and Phi Alpha Pi. This year's officers were: Marjo Pomplun, president; and Carol Mozena, secretary.

We held formal Rush in January and sponsored the tea. This year also found us busy with a "Sloppy Joe" sale, a Patroness Tea, and new plans for 1970 orientation. We helped sponsor the Spring Formal held in the foyer of the new Physical Education Building near the end of the year.

young democrats

1ST ROW: Linda Nicholson, Laura Whitmer, Lois Anderson, Debbie Johnson. **2ND ROW:** Paul Egeness, Mike McDonald, Lon Kade, Steve Heikens, Bruce Campbell.

A small but active group, the Buena Vista Young Democrats centered their efforts around the peace movement this year. In October we organized an entire day of peace activities ranging from a teach-in to a candle-light procession to the canvassing of Storm Lake residents. In December the club collected \$50 for the A.F.S.C. Children's Hospital in Quang Ngai, South Vietnam in an effort to relieve a few of the war's burdens. Informational leaflets were distributed in the spring in

Storm Lake and Spencer. Teach-ins and demonstrations were our response to the Cambodian invasion. Petitions were sent to various Congressmen expressing our desires for ending the Vietnam conflict. May also saw attempts to organize a county-wide Young Democrats' organization and the formation of an organizational framework for the fall elections in order to elect capable candidates, especially Buena Vista's own Mr. McCarty as State Representative.

young republicans

1ST ROW: Ken Lembrich, Nick Stamat, Charles Repsher, Mike Angell. **2ND ROW:** Marian Meier, Linda Bruns, Kathy Roufs, Naomi Robinson, Lisa Martens, Denise Mascari, Dr. Reynolds. **3RD ROW:** Mike McDonald, Paul Egeness, Gary Halverson, Dan Knoblauch, Bob West, Gary Fogleman.

PEMM Club is an organization that provides a professional association for the majors and minors in women's physical education at Buena Vista College. It was organized in 1962, and later, in the spring of 1963, the group received a charter from the American Association of Health, Physical Education, and Recreation, thus giving it a national affiliation.

The activities began in September with an informal picnic for freshmen and returning

members. At Christmas the club went caroling and followed this with a chili party. A banquet for the installation of new officers was held in May to close out the year.

Officers for the 1969-1970 year were: Linda Muench, president; Sherry Hanson, vice-president; Debbie Johnson, secretary; and Karen Bottin, treasurer. Miss Harriet Henry served as faculty sponsor.

biology club

1ST ROW: Lois Leidahl, Roberta Comstock. **2ND ROW:** Paul Egeness, Lorne Johnson, Dan Knoblauch, Nick Stamat, Terry Green. **3RD ROW:** Audrey DeJong, Linda

Mathers, Priscilla Mauel, Donna Borel. **4TH ROW:** Bruce Campbell, Richard Leverington, Tom Schumann, Paul Olson.

The Biology Club was officially recognized as an organization this year. A constitution was drawn up with our purpose being "to stimulate interest in the biological aspects of science, to enhance the knowledge of its members through their work and the works of others, and through our fellowship encourage better relations between students and faculty." Officers elected for the year were: Dan Knoblauch, president; Roberta Comstock,

vice-president; and Lois Leidahl, secretary. Sponsors were Mr. Bhatti, Dr. Borgman, and Dr. Poff.

Some of the activities of the year consisted of visiting the Medical Center of the University of Nebraska at Omaha, journeying to Ames to hear speeches during Environmental Week, and visiting the Zoology Department and the State Museum of the University of Nebraska at Lincoln.

b.v. players

1ST ROW: Debbie Stromenger, Debbie Ball, Lynn Tyacke, Linda Lanza, Laura Whitmer, Jean Rogers, Gussie Reid. **2ND ROW:** Richard Andersen, Douglas Fischer, Steve Heikens, Lydia Moore, Lisa Martens, Bill Durling, Sid Strong, Mr.

Lockhart. **3RD ROW:** Hasty Horn, Jim Hartman, Bob Smith, Jay Friedman, Gary Ostrowski, Bill Tischbin, Bob Boylan, Mike Mamminga.

The BV Players enjoyed an outstanding year in 1969-70. In the fall semester "The Diary of Anne Frank" was presented in Schaller Chapel, directed by Travis Lockhart. In December nine student-directed one act plays were presented in the Little Theatre.

The spring semester found the Players in three more major productions, "Ghosts," and "Thieves Carnival," both directed by Travis Lockhart, and "The Importance of Being Earnest," directed by Jay Friedman as a special project. The season was an enormously gratifying one for both the Players and for those who attended all the plays.

men's dorm council

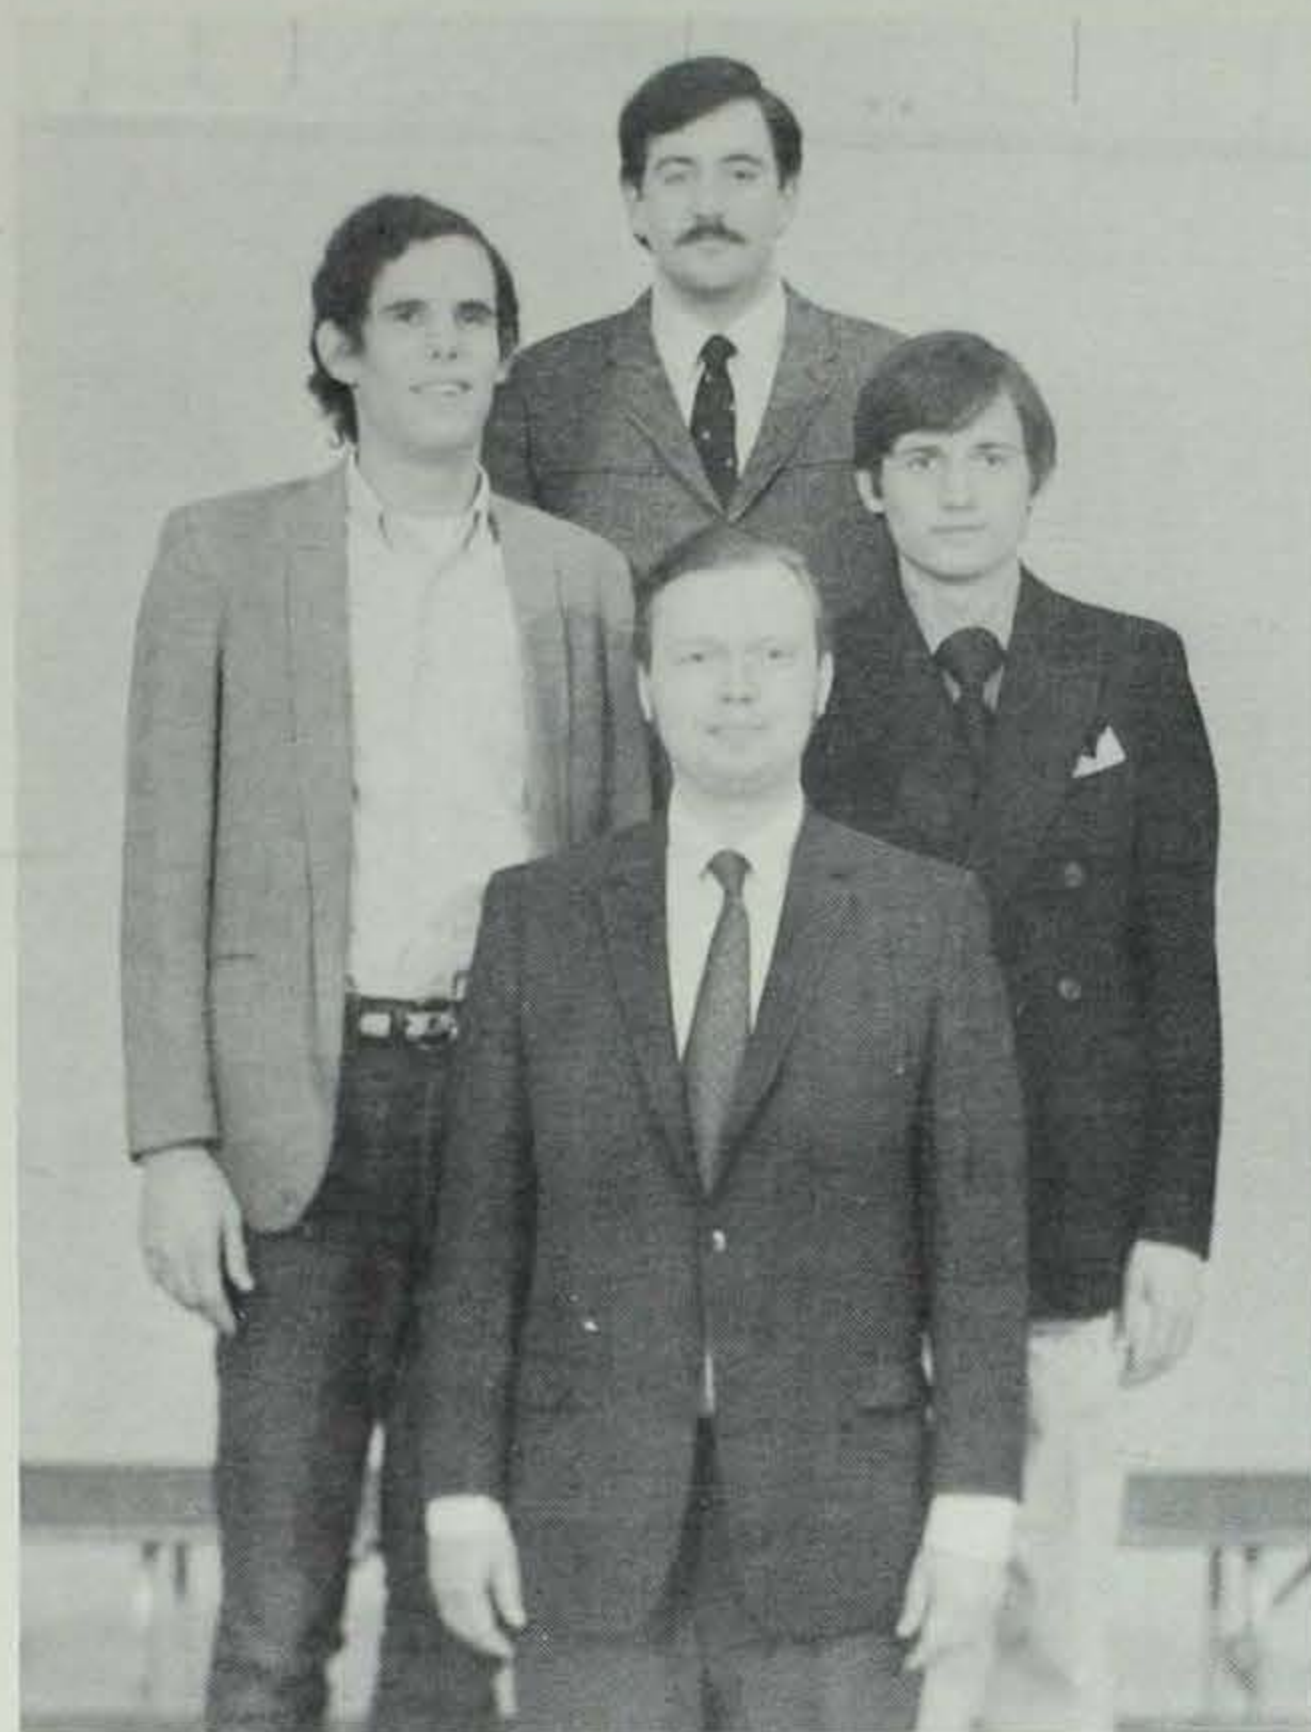

The Men's Dorm Council left visible proof this year of its efforts to improve Pierce and White Halls.

Vending machines containing sandwiches, candy, pastry, and potato chips were installed and next year will be supplied with soup, ice cream, coffee, and hot food. The council sponsored doughnut sales in the morning for the late risers, and during finals week free coffee was set up in the lobby for those long nights.

The council established the college's first dorm visitation policy, a privilege that we feel is well appreciated by the men. A judicial board to hear violations of the dorms' rules for community living was set up.

The council also appropriated money for more efficient washers and dryers to be placed in a central location in Pierce's basement next year. We put a new television and cabinet in the lounge in Pierce Hall. A study room plan was set up which we hope can be built upon by future councils. A Riders' Board has been set up for next year, making it easier for residents to find a ride home.

alpha psi omega

1ST ROW: Mr. Lockhart. 2ND ROW: Jay Friedman, Sid Strong. 3RD ROW: Bill Durling.

The Chi cast of Alpha Psi Omega enjoyed a busy year in 1969-70. In addition to assisting with the major productions of the Drama Department, Alpha Psi Omega initiated into its ranks the following new members: Dan Smith, Wanda Medsker, Sue Junglen, Robert Smith, Linda Lanza, Gussie Reid, and Debbie Ball.

Alpha Psi Omega was also proud to present the following awards for the 1969-70 season: Best Actor, Sid Strong for Oswald in "Ghosts"; Best Actress, Shirley Walrod for Mrs. Alving in "Ghosts"; Best Supporting Actor, Jim Hartman, Lord Edgard in "Thieves Carnival"; and Best Supporting Actress, Ingrid Halverson for Mrs. Frank in "The Diary of Anne Frank".

phi alpha theta

1ST ROW: Cheryl Finley, Sue Mitsven, Susan Holmgren, Marjo Pomplun. 2ND ROW: George Safley, Vincent Gallo, Dr. Reynolds.

Phi Alpha Theta is an international honor fraternity in history. Promotion of historical research, advancement in the field of teaching, and communications of ideas and thoughts of history are among its aims.

The fraternity was sponsored by Dr. George Reynolds and aided by Dr. William Cumberland.

This year we were enriched by the slides and comments of Dr. Reynolds concerning Europe.

The Kappa Chi chapter was under the leadership of Marjo Pomplun, president; George Safley, vice-president; and Sue Mitsven, secretary.

sigma tau delta

1ST ROW: Nancy Ferry, Marilyn Williams, Kathy McLaughlin, Stephanie Telleen. **2ND ROW:** Mary Jane Green, Linda Cullison, Linda Parker, Marlene Gro-

enewold, Grace Schill, Lois Leidahl. **3RD ROW:** Dr. Martz, Sue Mitsven, Lois Schmidt, Ed Duggan, Bob Boylan, Debbie Johnson, Miss Stolee.

Sigma Tau Delta is an honorary English fraternity whose aim is to encourage mastery of the written word and appreciation of literature.

The Nu Delta chapter at Buena Vista College installed eleven new members in October. Speakers during the year included Mr. Ugel from Argentina, who discussed Latin American literature, and Dr. Peck, who presented a talk on the short stories of Bernard Malamud at our annual open meeting in January. Visiting English professor, Dr. Mandl, spoke on the history of the Literary Cabaret in Vienna.

A coffee hour was held in March to meet other English majors and minors as prospective members for next year. Activities closed with our annual banquet at the Steak House where new officers for next year were installed. Dr. Martz presented the program.

pi delta phi

1ST ROW: Linda Leonard, Chris Young. 2ND ROW: Patti Fahey, Miss Ward, Stephanie Telleen.

The Zeta Lambda chapter of Pi Delta Phi was organized at Buena Vista College with seven charter members, Rex Heitz, Linda Leonard, Patti Fahey, Christine Young, Stephanie Telleen, Miss Mari Ward, and Mr. Floyd Pace. Pi Delta Phi is a national society for students who are interested in increasing their knowledge and appreciation of French and of the contributions of the French culture to the world. Through sampling French cuisine, discussing current social developments in France, and informally studying French literature we hope to increase our proficiency in French and to gain a greater understanding of France and its culture.

Mr. and Mrs. Pace were hosts to the members at the initiation ceremony on May 9. Following a dinner of fondue prepared by the members, Sister Germaine Matter of Kansas City initiated the members into Pi Delta Phi in an impressive ceremony conducted entirely in French.

pi kappa delta

1ST ROW: Vicki Satern, 2ND ROW: Linda Lanza, Mary Jo Harrison. 3RD ROW: Mr. Francis, Lonnn Kaduce, Sid Strong.

After having initiated five new members, Linda Goldfine, Mary Jo Harrison, Lonnn Kaduce, Linda Lanza, and Vicki Satern, Pi Kappa Delta strove to promote the forensic art on Buena Vista's campus. As members of the national honorary forensic fraternity, each was pledged to further freedom of speech as well as to maintain the ethics and ideals of the oral art.

With their goals well in mind, the orators journeyed to the University of South Dakota, South Dakota State University, Iowa State University, Upper Iowa, and Westmar. Although no trophies were won, several received individual awards and valuable experience was gained by all.

The highlight of on-campus activity came at the Spring Carnival when the Iowa Kappa chapter sponsored its first carnival booth—"Freedom of Speech". With a great deal of cooperation and enthusiasm on the part of the administration, faculty, staff, and students, the water-balloon throw was a great success.

The organization also sponsored a popcorn ball sale during the final weeks of classes. Another first for the fraternity came with the induction of its pledge class, Mr. Randy Renshaw.

business club

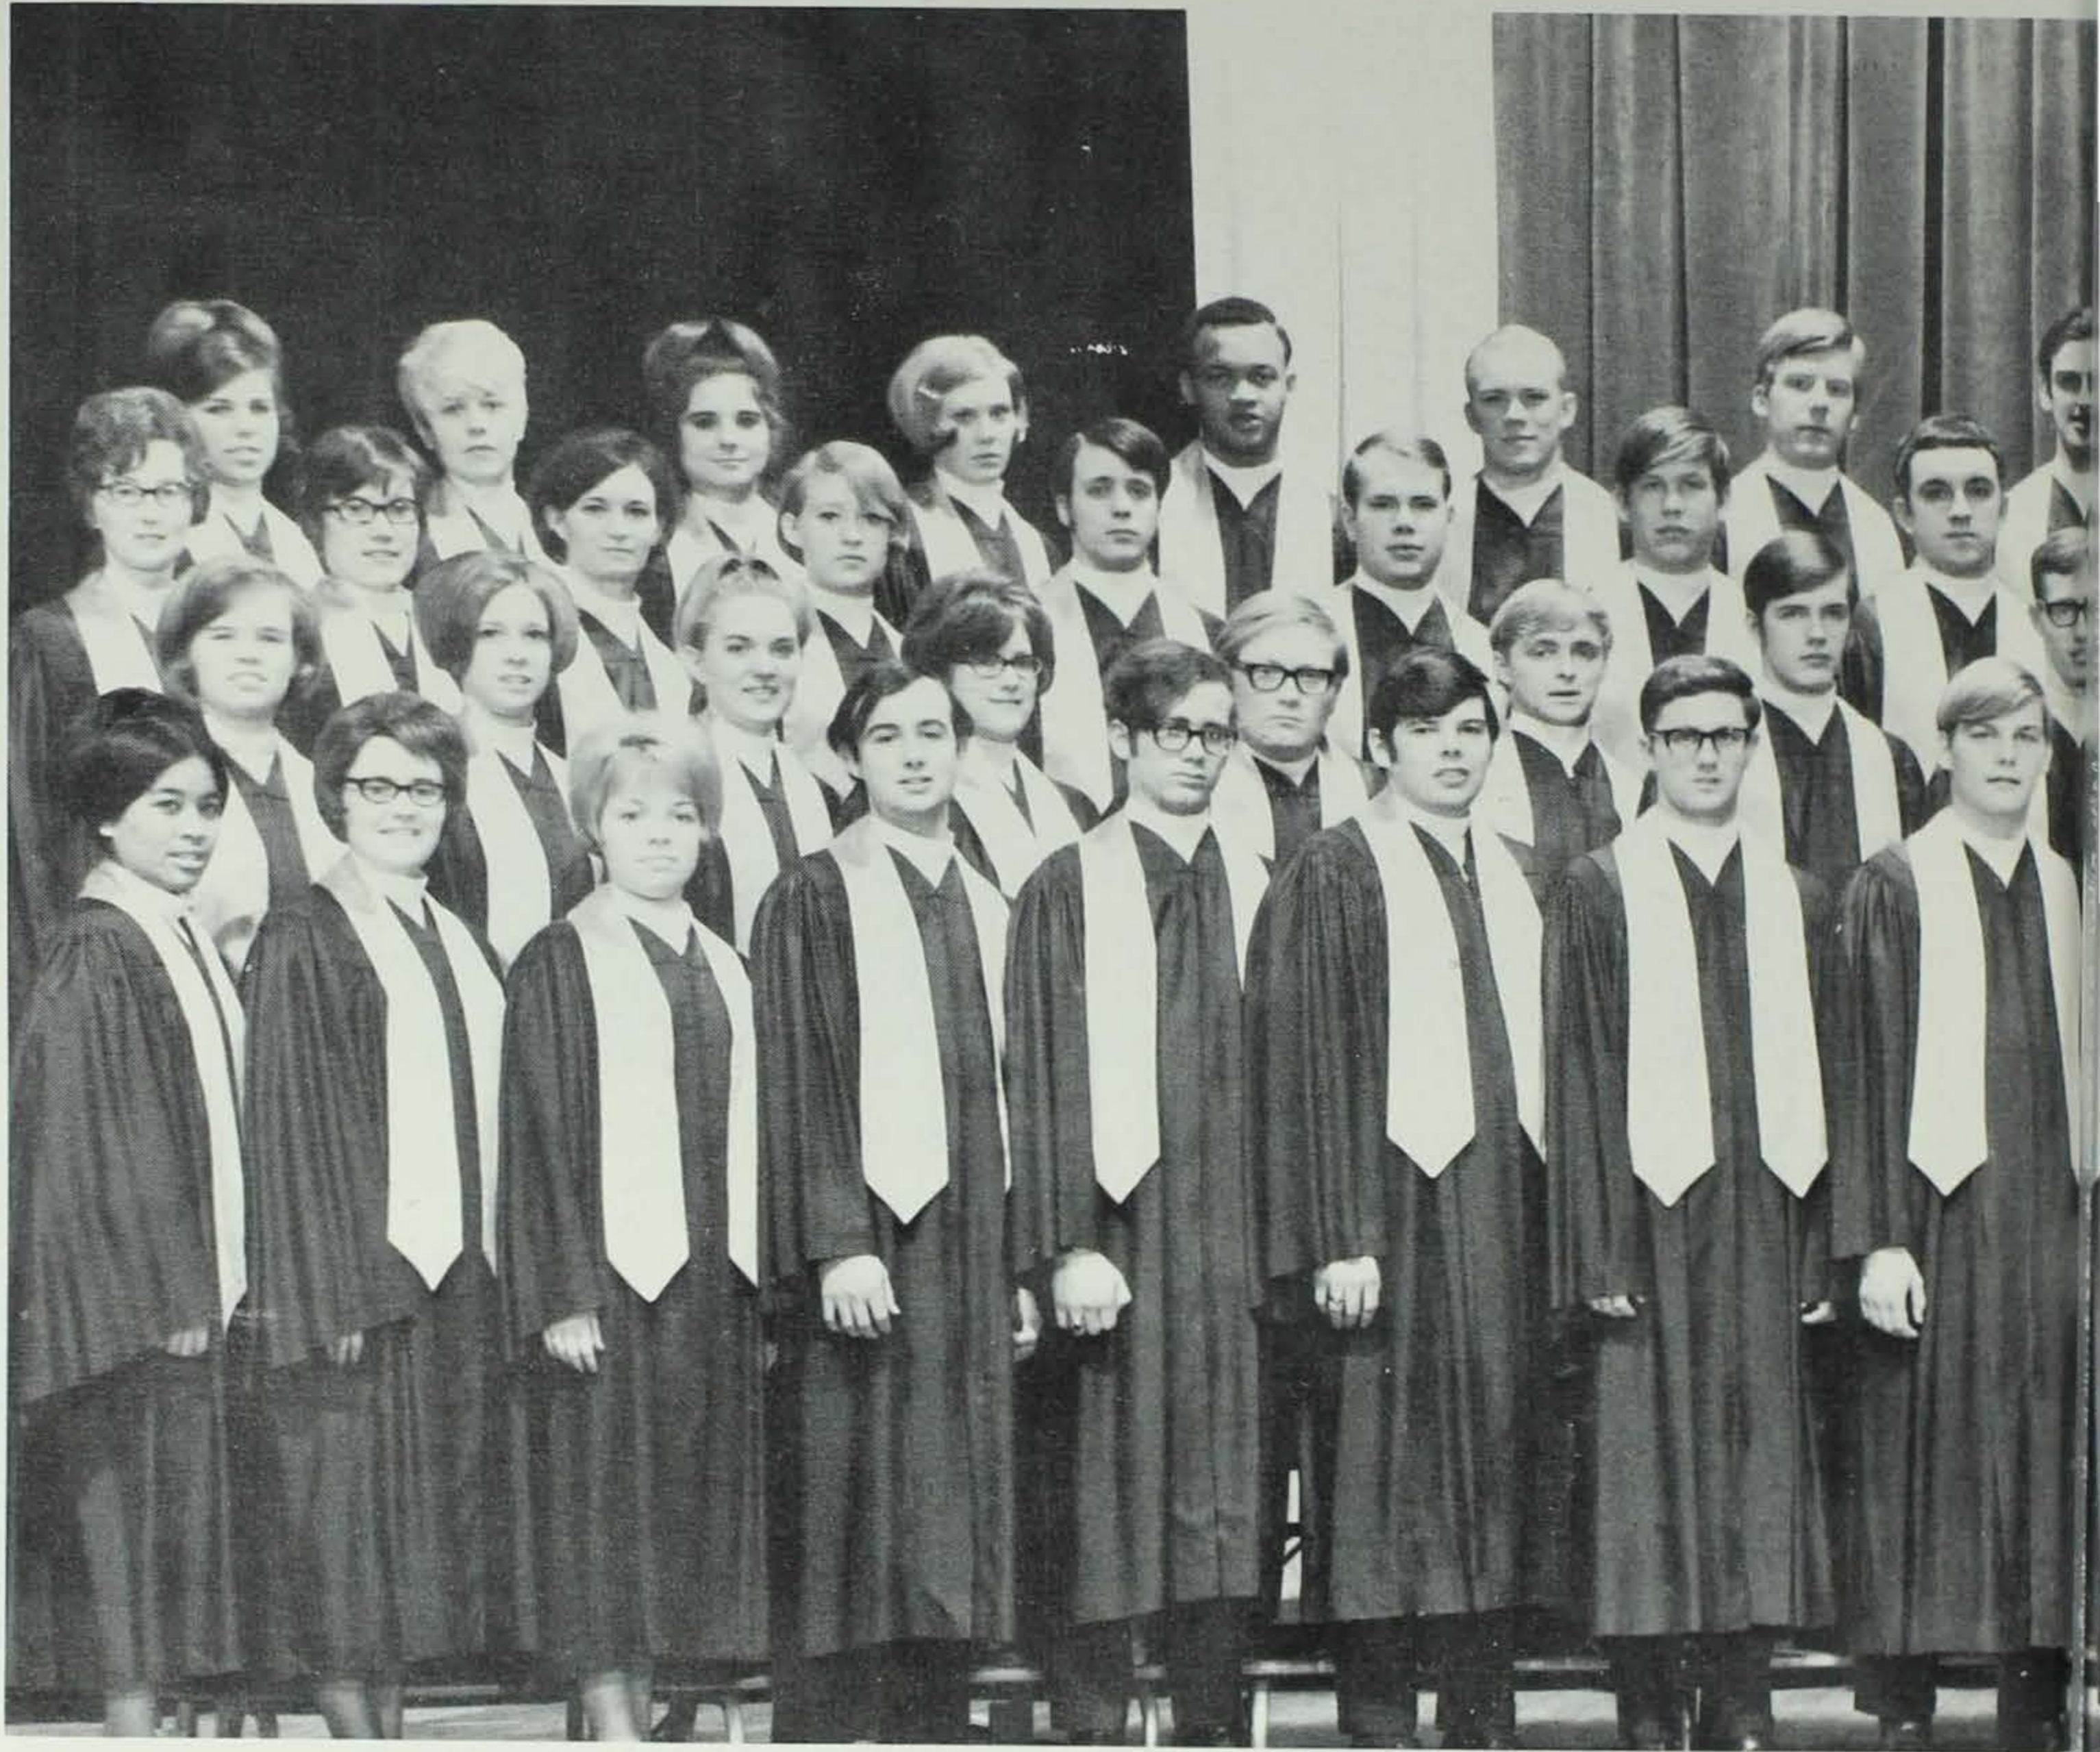

1ST ROW: Terry Arcucci, Charles Repsher, Ray Jackson. **2ND ROW:** Terry Henkelman, Mike Wiggins.
3RD ROW: Greg Swartz, David Reves, Glenn Peterson.

The BVC Management Club and faculty advisors Paul Russell and Everett Shafer went on a field trip to Minneapolis to see the inside operation of big companies. It is hoped that this was the first in an annual or semi-annual business trip. In the past, Management Club members had visited a number of local industries and had had local business leaders as guest speakers at meetings.

In Minneapolis, club members visited the First National Bank of Minneapolis to look at commercial banking. At 3M Company, they visited the research department, and at Dayton-Hudson Company they studied marketing, management and personnel.

choir

The Buena Vista College a cappella choir under the direction of Professor Robert D. Pfaltzgraff is selected each year through auditions. The choir this year was composed of sixty-seven members.

The choir presented its annual Christmas Concerts on December 14, 1969, to capacity audiences. The program included a cantata "Behold the Joy", and a "Carol Fantasy", as well as a cappella Christmas anthems. The choir was assisted in the concert by Professor Frances Heusinkveld at the organ and Mrs. Everett Shafer at the piano.

This year the choir took an extended twelve day tour through Illinois, Michigan, Indiana, Iowa, New York, New Jersey, Pennsylvania, Ohio, and Canada. The choir was privileged to perform in the many churches and schools of these areas. The tour music included a full sacred concert which the choir presented at the evening concerts as well as secular music used in the high schools. Ned Fleming, John Zuerrer, and Ruth Hoferman were the choir's featured soloists. The Vista Singers, a men's octet, were also featured on tour. The tour came to a fitting climax when the Century Recording Company taped the spring tour music at the home concert.

alpha mu omega

Alpha Mu Omega, women's music sorority, has had a very successful second year. Our success began this year when we won the theme prize for our medley of songs at the annual Homecoming Variety Show. We were honored to have one of our sisters, Yolene Conselva, sponsored by the music department, as one of the finalists for Homecoming queen.

Thanksgiving brought a singing visit to Methodist Manor. It was a rewarding experience for all. Next came our biggest thrill of the year when twelve girls became our pledges. The pledge period was enlivened for us by such things as Mouse Trap (kangaroo court) and "Dissonance Day" which ended with an enjoyable pledge recital. The pledges were then accepted into the sisterhood at an activation banquet held at the Embers.

The girls had a chance to meet the members of the Iowa Central Community College choir at a reception which the Alpha Mus sponsored in their honor.

The Spring Carnival was another highlight of our year when two of our girls were chosen as queen candidate finalists. They were Yolene Conselva and Mary Blattner, who became this year's Carnival queen. We joined in the fun and spirit of the Carnival by having our own "wet sponge throw" booth.

Soon after the Carnival we held installation for the 1970-1971 officers. They are: Nancy

Otto, president; Yolene Conselva, vice-president; Sheryl Erickson, secretary; Debbie Ball, treasurer; Cindy Rice, historian; Peggy Kruse, librarian; and Lydia Moore, pledge trainer.

Finishing off the year's activities the girls sang for the seniors at the Senior Farewell Banquet. You can readily see that the Alpha Mu Omega girls had a busy year spreading the enjoyment of music on and off campus.

phi mu alpha

The first orders of business for the fraternity this year were the reorganization of the Lab Band, the Sextet, and our standing committees, and preparation for activation. On September 25th, Mu Omega chapter was proud to announce the activation of brother Dan Andrews.

With the Variety Show coming up, the brothers of Phi Mu Alpha began preparation. We went together with the rest of the music department in sponsoring Yolene Conselva as queen candidate. For the Variety Show, the Lab Band played between acts and skits. Brother Ned Fleming and the Jazz Sextet performed "Aquarius", "This Guy's In Love With You", "One Hand, One Heart", and "The Battle Hymn of the Republic". This year the brothers put on a skit based on "There is Nothing Like a Dame". Phi Mu Alpha built what we considered to be a very good float one that did not self-destruct. We won second place in the organization category. The float, a replica of Apollo 11, was titled "A Small Step for B.V., A Giant Step for Victory".

This year, Mu Omega went to the regional convention in Boulder, Colorado. We were represented by brothers Dan Andrews, Allan Amandus, Mike Atherton, Bill Moore, and our advisor Mr. Pfaltzgraff. They returned with many ideas to aid our chapter.

After Homecoming, Mu Omega chapter took a close look at all of the potential talent at our disposal. We decided to back brother Ned Fleming in a concert of popular music. This was the first time we had attempted to put on an all pop concert.

With the backing of the chapter, Ned, the Lab Band, and the Sextet began working toward the concert which was only three weeks away.

Since the drama department was presenting a play the two nights before the concert, we began building the set at eleven o'clock P.M., November 22. After a long rehearsal Sunday afternoon we were ready for the concert that night. Nine hundred attended the concert. The special guest of the chapter was

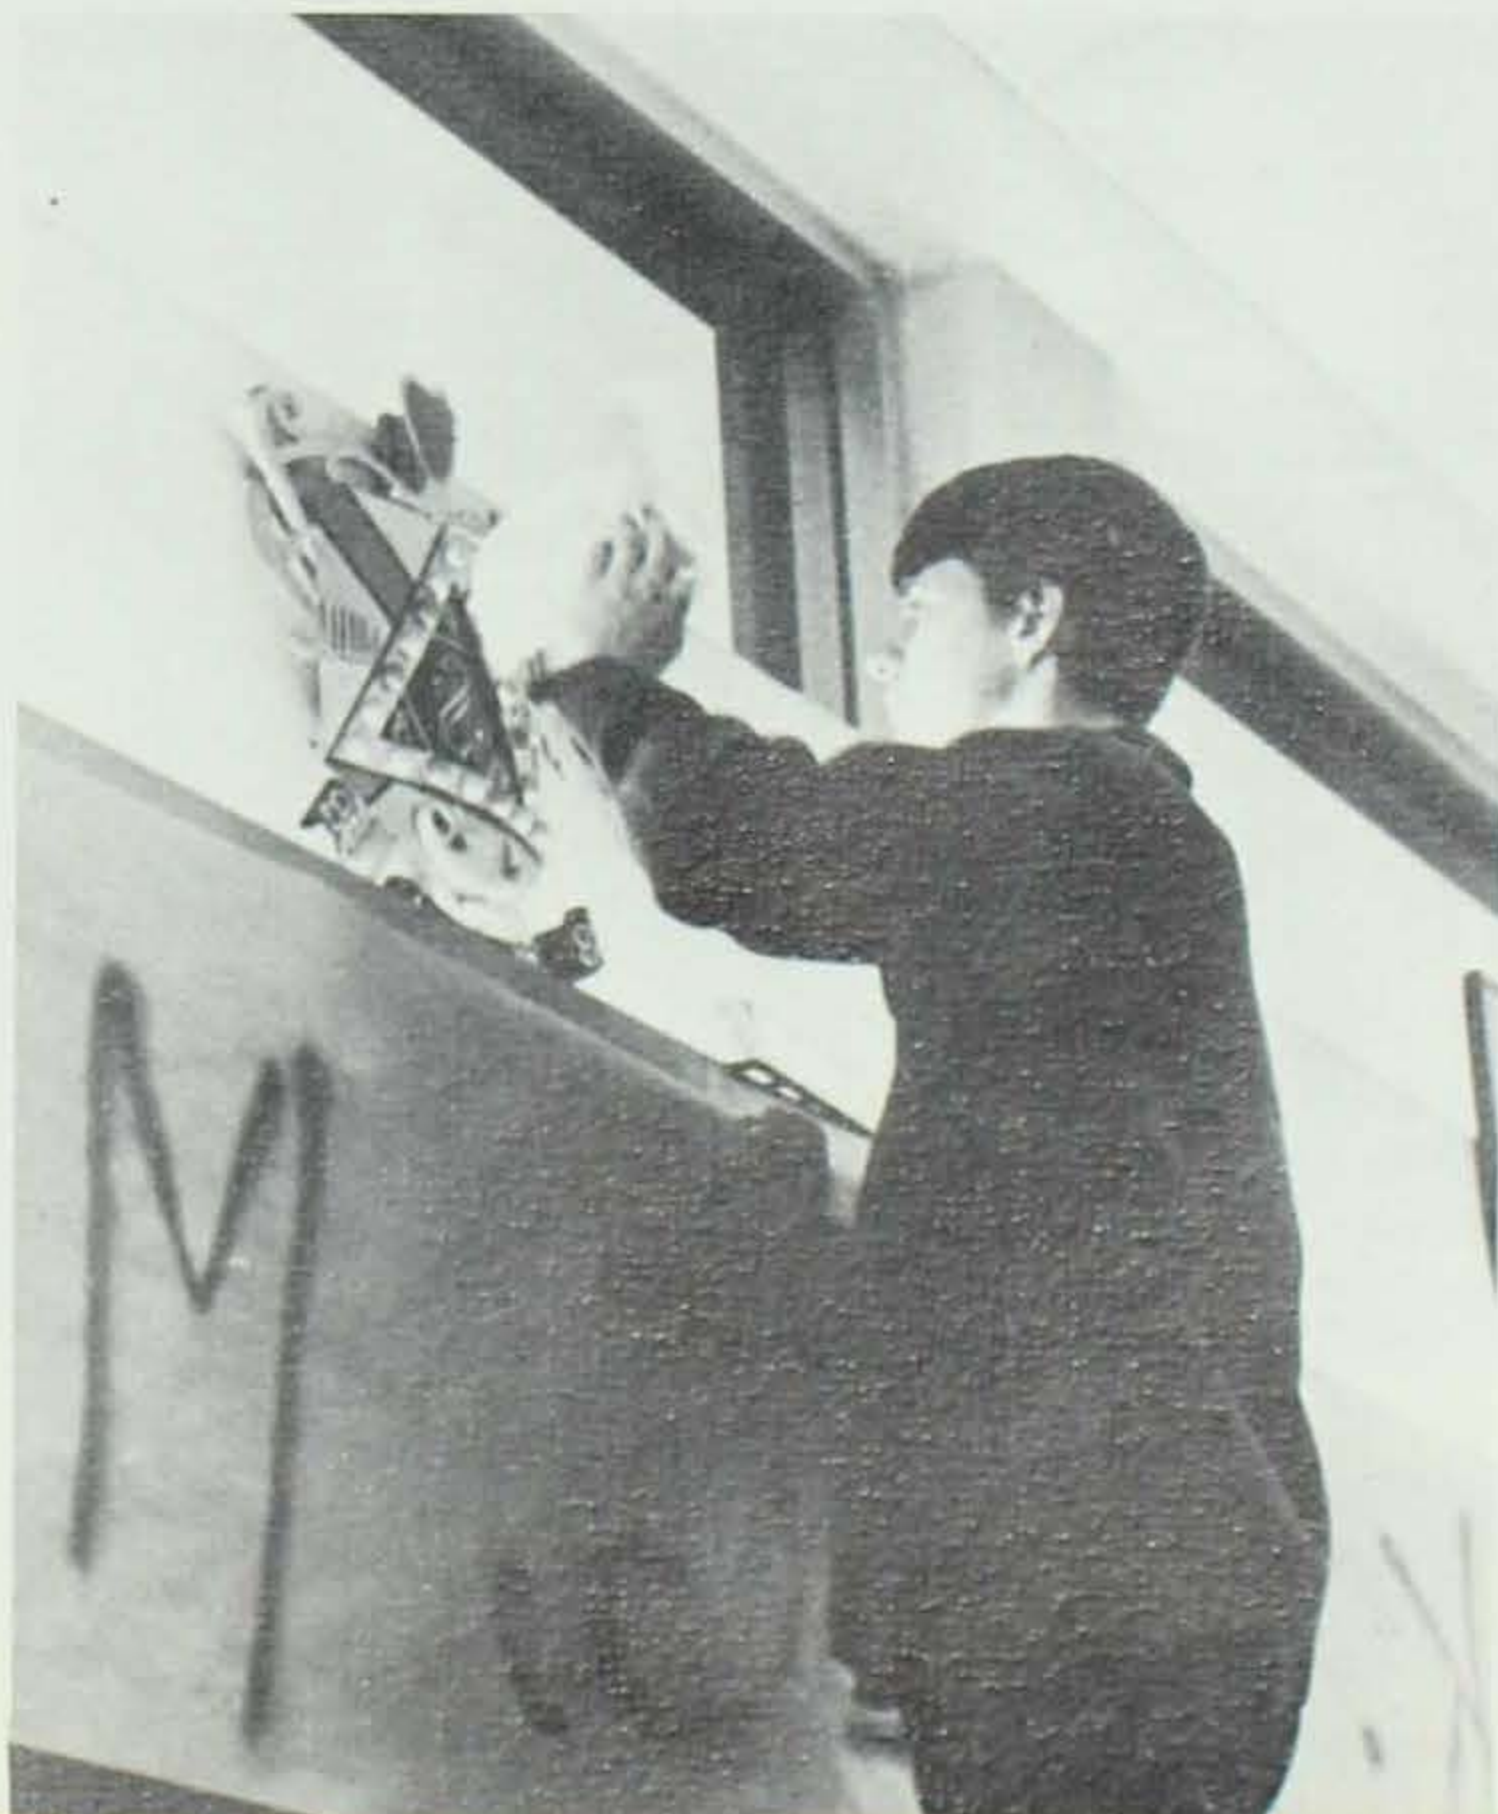

Dr. Usher Abell, our province governor, from Vermillion, South Dakota.

Mu Omega initiated its first chapter honorary, Mr. Richard Cook, on February 9th. He plans and sets up our choir tours and acts as our advance man on tour. With all the work he does for the B.V. music program, we wanted him associated with Phi Mu Alpha.

The Lab Band was initiated by brother Ken Pollitt last year. Its purpose is to open avenues of music otherwise closed to us. The Lab Band gives the members of Phi Mu Alpha a chance to have their own arrangements played and is a successor to the Phi Mu Alpha Sinfonia Dance Band.

In January, officers were elected who will serve until the second semester of next year. February 8, 1970, was the date of the activation of eight pledges. Congratulations to our new members, Ken Ferjak, Gregg Gries, James Hartman, James Knips, Gary Lyon, Reid Swanson, Tom Lanning, and John Zuerer.

This year's American Composers' Concert was held on May 10th, in Schaller Chapel. It was an hour program of varied music. Thus, Phi Mu Alpha fraternity closed another successful year.

phi alpha pi

The oldest social sorority on campus, Phi Alpha Pi, began an active and fulfilling year under the direction of Patti Fahey, president; Jan Anderson, vice-president; Linda Muench, secretary; and Mary Steiner, treasurer. Guiding us as sponsors were Mrs. Carl Larson and Mrs. Richard Cook.

The school year was begun with Homecoming activities for which we sponsored a queen candidate, Variety Show entry, and held a mum sale. The Phi Alph float was honored as best organization float. Two of our sisters, Jan Anderson and Ginny Klein, were members of the Homecoming court. Our annual Alliance luncheon at the Cobblestone Inn climaxed Homecoming by bringing past and present Phi Alphas together.

October brought Parents' Day, which gave us the opportunity to honor our parents at our annual Parents' Day Tea.

With true Christmas spirit we decorated cookies for the Midwest Christian Children's Home. The sisters exchanged gifts and had the traditional Bootie Exchange at our Christmas party.

Rush began formally with the ISC tea in Swope Hall Lounge. Our two informal Rush parties followed the themes of a beach party and a bowling night. A preference banquet was held for the Rushees at the Carlson House in Sac City.

Spring brought us four pledges, who participated with us as we decorated Easter eggs and spent an enjoyable afternoon with the children of the Midwest Christian Children's Home. As pledge period came to an end, the Phi Alph pledges found meaning through their clown suits and finished pledging with Hell Night and a swimming party. The following days brought formal activation and new sisters to our sorority.

We continued our activities with a Patroness Tea, and later a tea for the Alliance members at which we installed our officers for the coming year.

Our last formal gathering was a picnic where we said farewell to the seniors and began thinking of a new year of friendship, harmony and fidelity.

delta phi beta

Delta Phi Beta sorority started the 1969-1970 year off full blast. Although everyone had just returned to school we held a dating game. Two couples won tickets to a show downtown or a steak dinner at the Embers. Another money-making project was a book sale held in Dixon-Eilers Hall.

At Homecoming the Betas stole the show. Ceil Giannaula, president of the sorority, was elected Homecoming queen. Our float, "We're Bound to Win, Wright or Wrong" won the Sweepstakes Award, and our 1920 skit for the Variety Show entitled "Those Were the Days", won first prize for originality.

Our annual Alliance Luncheon was held October 18th at the Ken-aBob with a marvelous turnout of former Betas.

At Halloween the Betas sent cards to all social fraternity brothers signed "The Guardian Pumpkin". For Thanksgiving the members made artificial turkeys for all the patients at the Buena Vista County Hospital, and at Christmas Dixie Carty played Santa for a class of special education students at South Elementary School. The rest of the sisters gave

the children a party, hoping to brighten their holidays.

In February the Betas took a week-end off from the regular routine and stayed in Des Moines to go shopping and attend "The Lettermen" concert.

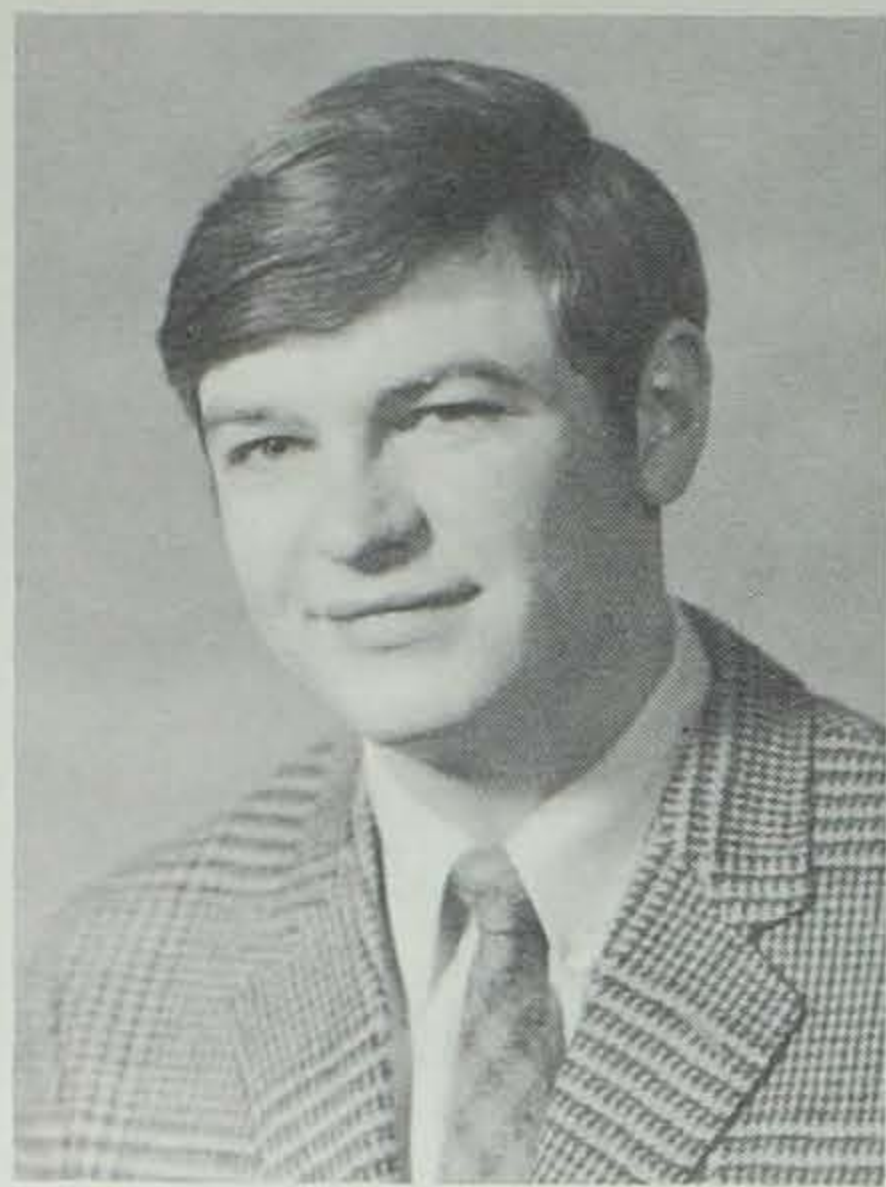

After much work during Rush, Delta Phi Beta gained two new members, Sheri Gaston and Grace Schill. Although the ISC had decided to hold only one Rush this year due to rising costs, our two jailbirds kept all the actives hopping.

Our traditional Senior Farewell was held May 12th at the Steak House. Here we expressed thanks to our officers for 1969-1970, Gloria Pauluk, president; Gina Lundeen, vice-president; Karen Rounds, secretary; Sherry Hanson, treasurer; Peggy Schultz, reporter; Lois Schmidt, historian; Karen Murray, ISC representative; and Karen Bottin, pledge trainer; and our three sponsors for the year, Mrs. Laird Cruzen, Mrs. Harold Holmes, and Mrs. Robert Siefer. This was the final activity of a very successful year for Delta Phi Beta sorority.

kappa tau delta

Kappa Tau Delta enjoyed another good year on the Buena Vista campus. We fulfilled our two-fold purpose of strong brotherhood and having a good time.

We began the year on a strong note by taking second place honors in the organizations category with our float in the Homecoming parade. We also had an entry in the Variety Show and sponsored Ceil Giannaula, who was elected Homecoming queen.

From this rousing success we moved into the Christmas season with a great Christmas party. Our pledge periods were enjoyed by all both semesters and produced a fine crop of new actives.

To top off a great year, the Senior Farewell was held at the Lakes. We are looking forward to the next school year and another fine chapter in the history of Kappa Tau Delta.

delta phi rho

The Gamma chapter of Delta Phi Rho, established in 1925, is the oldest social fraternity on campus. In keeping with the tradition of the fraternity, the Delts continued to participate in numerous campus events.

During Homecoming weekend the fraternity encountered problems with the destruction of our first float by vandals. However, the reunion of fraternity alumni and present members made up for what seemed an otherwise disappointing weekend.

As the year progressed the fraternity held its annual Christmas party at the Midwest Christian Children's Home. The children were the recipients of the "Christmas for Orphans" drive, which was climaxed by the

handing out of gifts by Santa Claus at a spectacular party at the orphanage.

The Delts fielded intramural teams in football, basketball, and softball. Although they did not win any team championships, the players enjoyed themselves while holding their own against all foes.

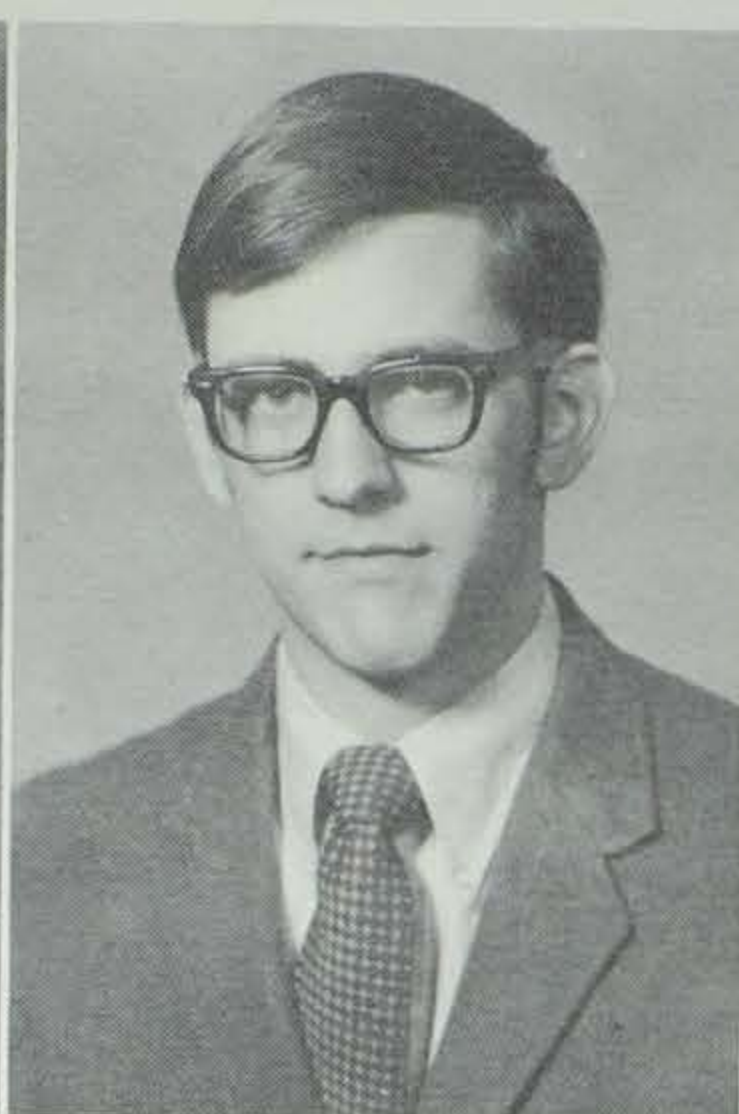

Highlighting the year, the Delts participated in the Spring Carnival and held their annual Spring Weekend at Lake Okoboji.

Officers for this year were: John Racine, president; John Gasparon, vice-president; Russ Schweig, secretary; Gary Van Hoesen, treasurer; and Kelly McMullan, executive-at-large.

gamma sigma phi

This past year Gamma Sigma Phi fraternity enjoyed a wide variety of activities. These included a Halloween party, a Christmas party, a Roaring 20's party, and a Hippie party.

This year was also the 10th anniversary of the Gammas. This special event was celebrated at a party with live entertainment. Using these past ten years as guidelines, members are looking to the upcoming years for better and more enjoyable activities and an improved brotherhood.

This year the Gammas took in ten new members who are well qualified to lead us into new and better things. The membership

wishes the best of luck to our graduating seniors, Charlie Repsher, John West, Nick Stamat, and Frank Charlet.

Our sponsor this past year was Dr. Kline. It's hard to express the gratitude each of us has for the extraordinary job Dr. Kline and his wife have done. A special thanks from all the members goes out to them.

At the close of the year new officers were elected for the 1970-1971 year. They are: Robert West, president; Lloy Flickinger, vice-president; Robert Brown, secretary; and Ken Lembrick, treasurer.

If teams were rated by good sportsmanship and fan support, our Beavers would come in first in any league. Unfortunately the teams are not rated this way, and the Beavers posted a 2-7 season.

Injuries which weakend the offense greatly gave the Buena Vista fans little to cheer about, but the defense was one of the toughest in the Iowa Conference. In the game against Wartburg, the Beaver's defense blocked an extra

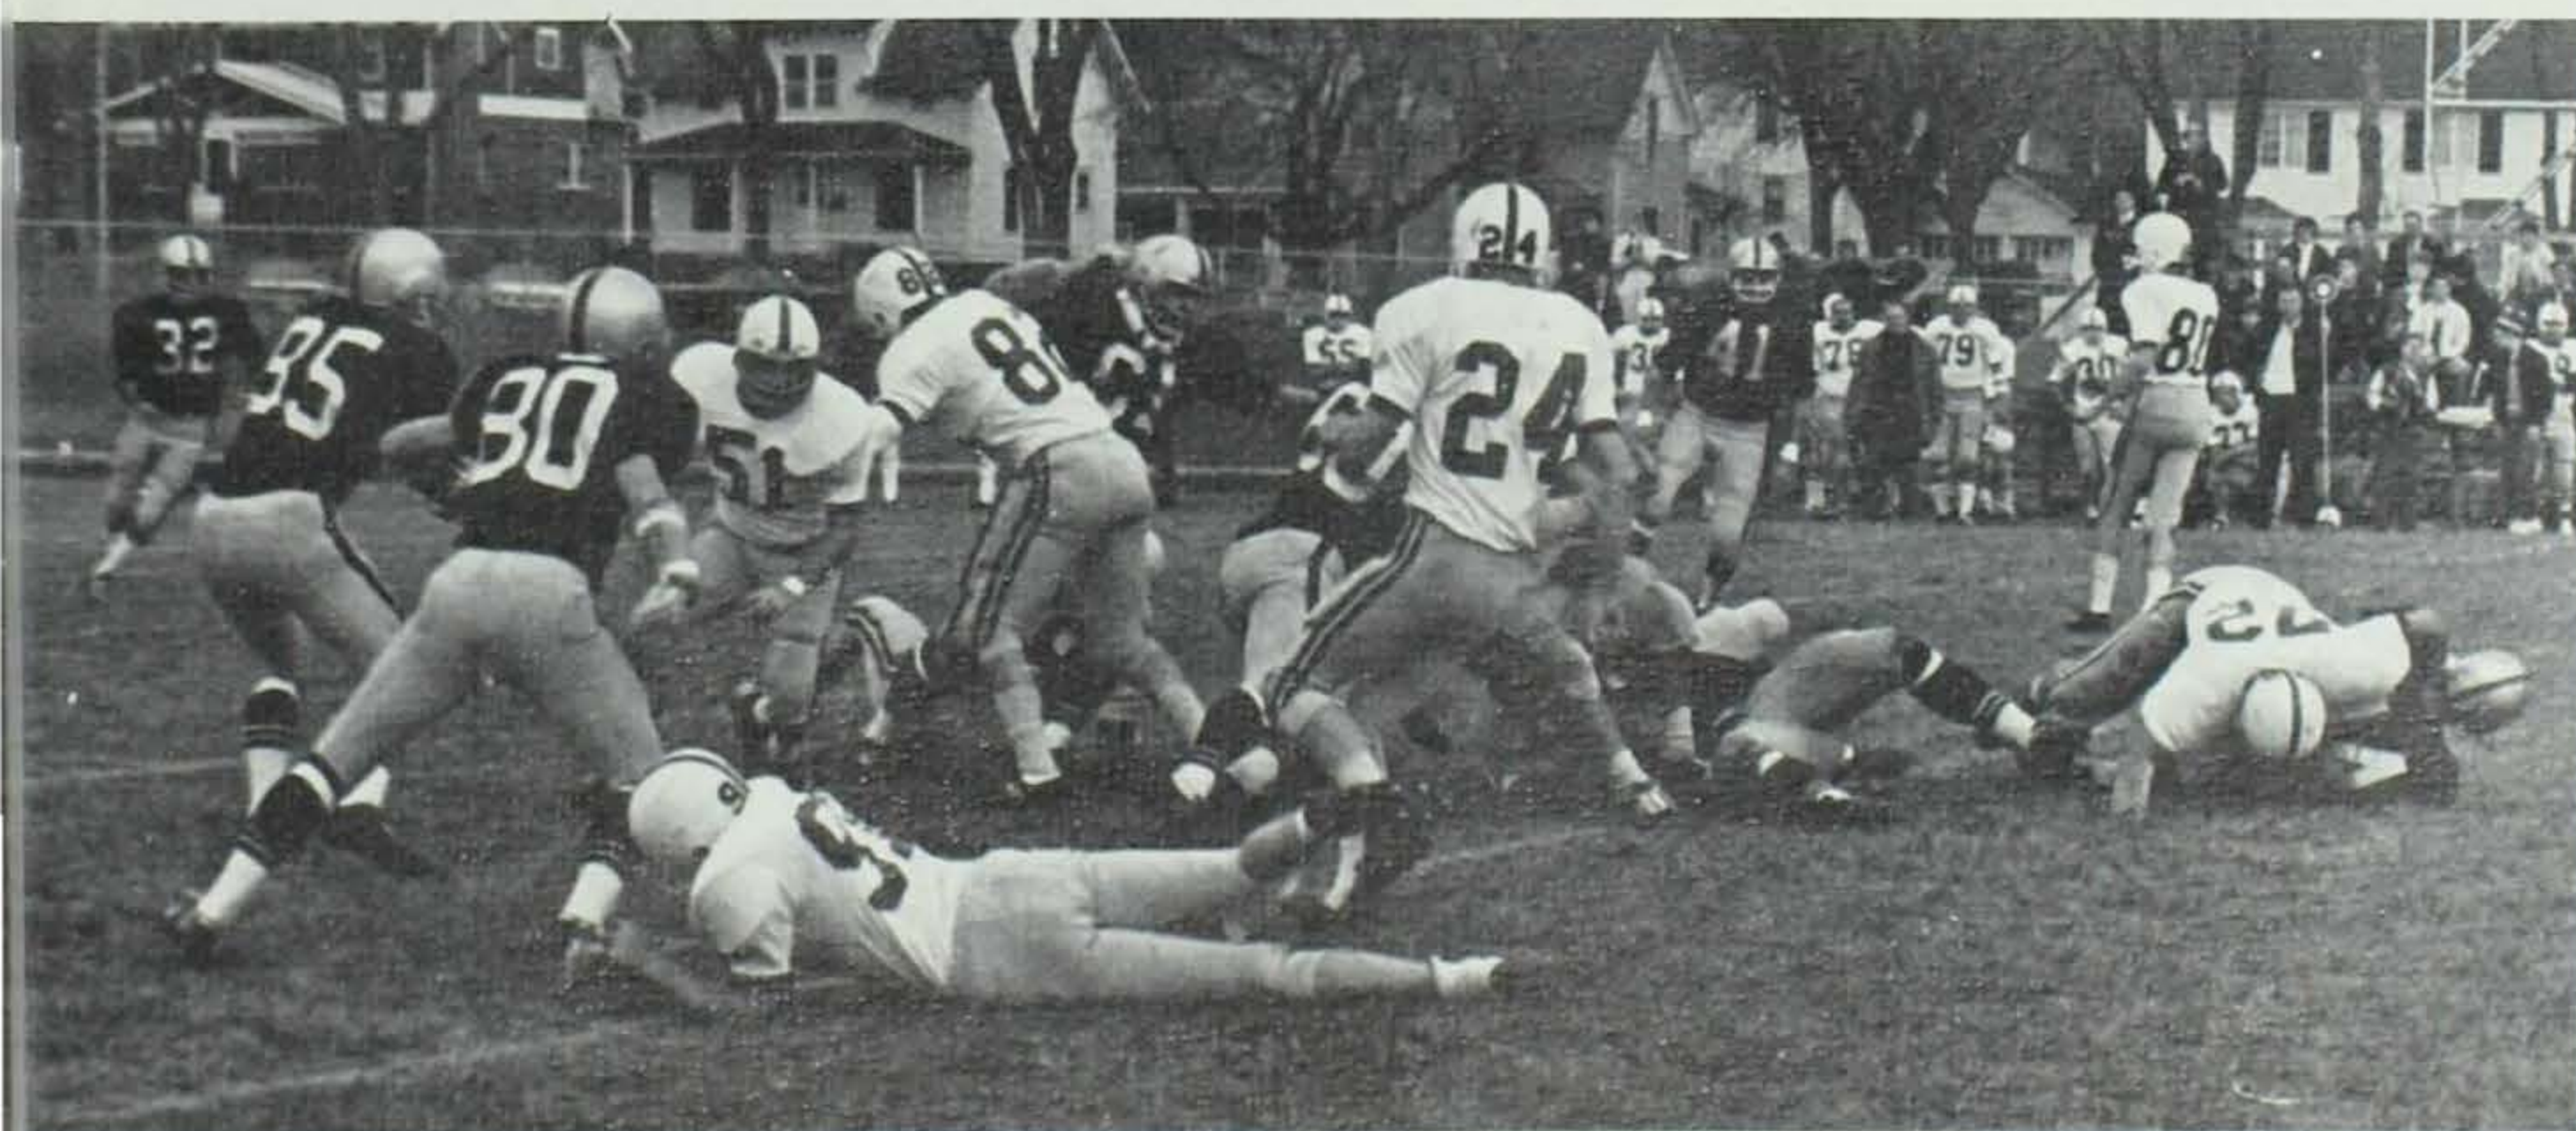

point kick by the opponents and stopped a Wartburg drive on the one yard line to salvage a 7-6 victory. On November 1st, a second quarter field goal and stubborn defense held Dubuque scoreless and gave Buena Vista its second win.

Next year's team should be greatly improved and hopes for a successful season under a new head football coach.

The basketball season started off fast and furiously. The team opened with a home stand and beat Dana College 82 to 79 in an overtime game before an estimated crowd of five thousand screaming fans. The new field house was a shot in the arm that the team needed, and for the first time in years Buena Vista crawled out of the cellar of the Iowa Conference standings with a 3-11 record. Arnie Johnson took conference honors for grabbing rebounds, and a combined team effort provided a very exciting season.

The Beaver baseball team posted an excellent season's record this year. The combination of power hitting, excellent fielding, and good pitching gave BV a 13-6 overall record and first place in the Iowa Conference.

Although the team may be hurt by graduation, all of us will be looking for a repeat performance by the team next year.

trustees

The members of the Board of Trustees are the men who are held legally responsible for Buena Vista College. These men are nominated by the Board itself and elected to staggered three-year terms by the Synod of Iowa.

The Board meets several times each year on the Buena Vista campus, and functions effectively under six standing committees.

The significant actions of the Board of Trustees during 1969-1970 included:

1. Provided for the major renovation of Smith Hall to give better quarters to the art department, a larger language lab, a wholly new communications center, additional faculty offices, and improved classroom facilities.

2. Brought the physical education building to completion and into full operation.

3. Approved the granting of three annual alumni awards at each spring commencement for outstanding achievement in the fields of business, the professions, and service.

4. Adopted a new State of Purpose for the college.

5. Approved the renovation of the Campus Center.

6. Dealt with a whole parcel of routine and necessary legal matters such as the annual budget, approval of degrees (both in course and honorary), granting of tenure, promotions in rank and study leaves for faculty members, property matters, committee reports, and all the minutiae of institutional welfare and growth.

education department

The education department is responsible for the training of tomorrow's teachers. Through a series of education courses and ultimately through student teaching, these students develop an awareness of what it takes to be a good teacher today.

This department places students in area schools for a nine week period in either semester so that they may get a taste of their chosen profession. Although the time is short, the students gain a great deal of valuable experience.

In this age of rapid technological advances, the students of science have an important place. At Buena Vista the science department endeavors to keep abreast of all the newest findings and to use their knowledge in the modern world.

This year the science department was able to do some specialized study with the Mobile Lab from the Atomic Energy Commission. Next year the math department will offer more courses in their part of rejuvenated Smith Hall.

social sciences

The social sciences are an important concern of all of us as we carry on our normal day to day communications with each other. Through psychology and sociology we study behavioral patterns of man as an individual and in groups. We hope that by these studies we may learn to deal more effectively with those around us.

Through studies of history and political

science we hope to be able to prepare ourselves for what may come in the future. As history is ever changing, students find it difficult to keep up with the news and to be aware of all current developments.

The students and faculty of the social sciences at Buena Vista strive at all times to carry on relevant discussions on the many topics of the day.

religion and philosophy

Religion and philosophy courses are an important part of the instruction of every BV student. As a freshman he encounters his first religion course, an introduction to the Bible. Introduction to Philosophy is required of all sophomores, and another semester of religion is taken in either the junior or senior year. The final course seeks to relate contemporary culture to Biblical teachings. This year such books as "Lord of the Flies" and "Guaranteed Annual Income" were a part of the course. Movies and filmstrips were also included.

venezuelan administrators

Francisco Ugel

Julio Guerra

Buena Vista had the distinction this year of being the first college in Iowa to host international administrators under the American Association of Colleges' Teacher Education Act. A grant from the Agency for International Development made this possible.

Consequently, three Venezuelan college administrators arrived September 11 in Sioux City and were met by BV's academic dean Dr. John Williams, who served as the host supervisor of the internship program.

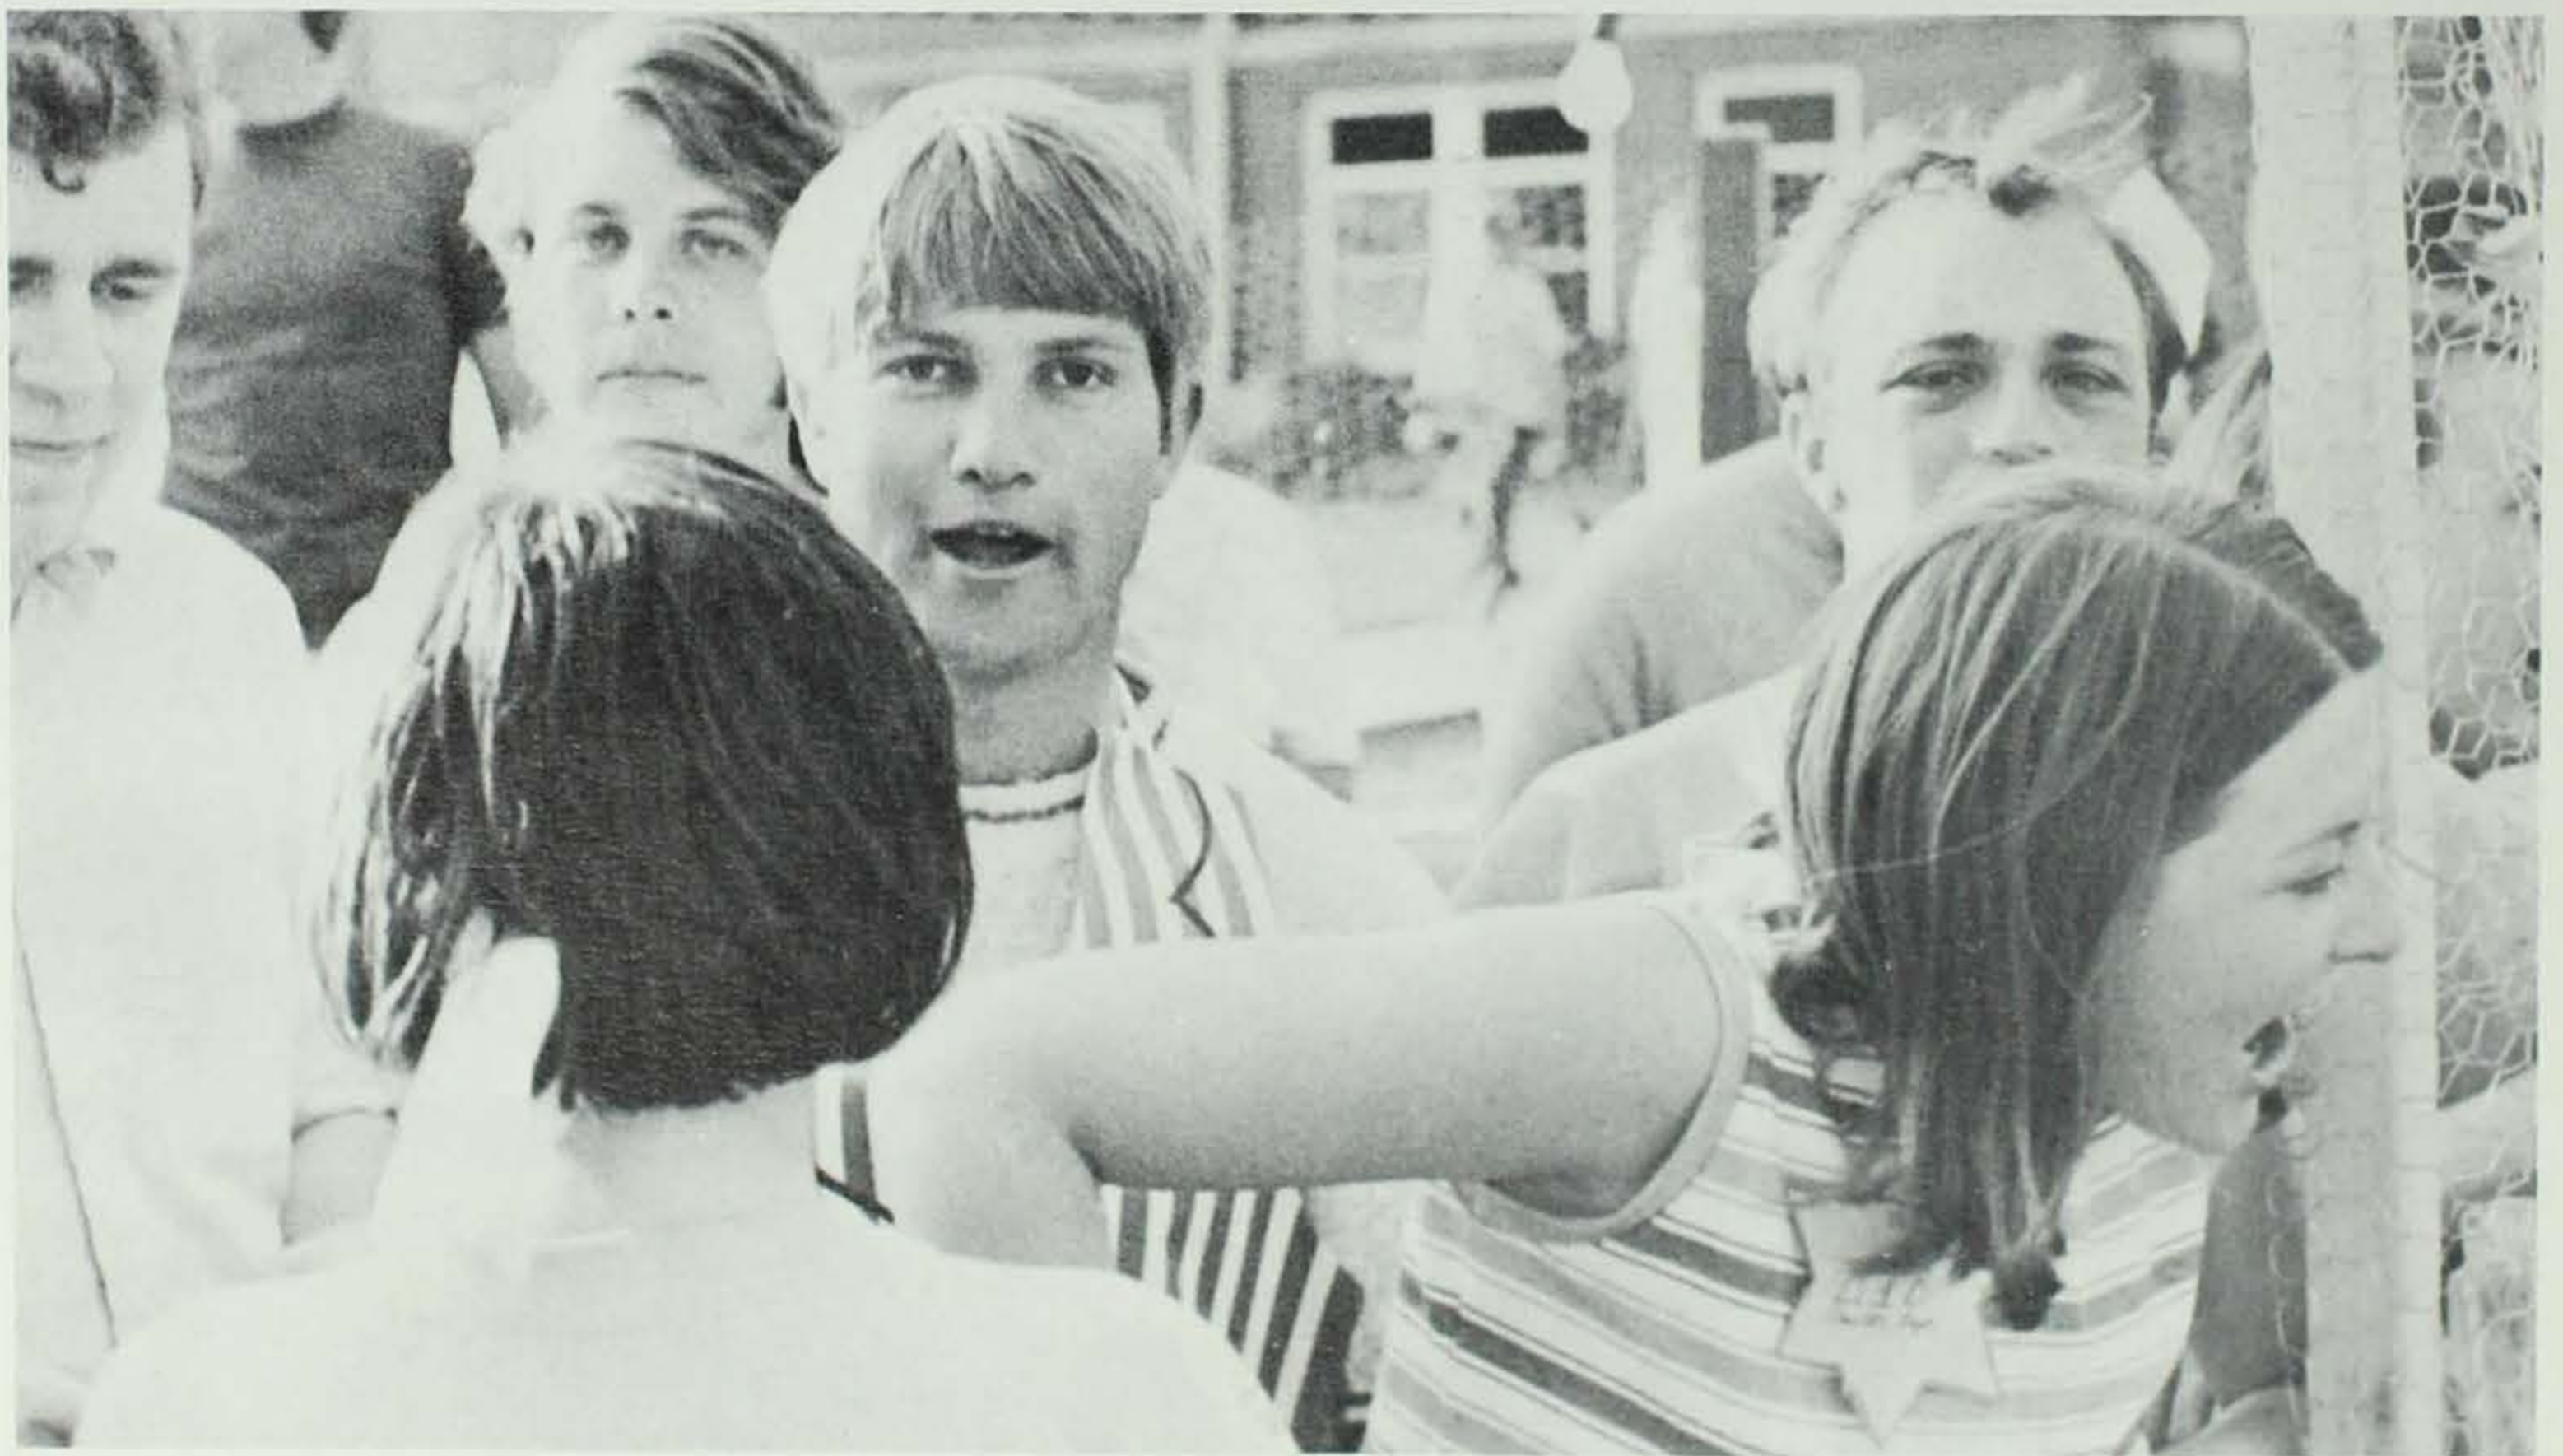

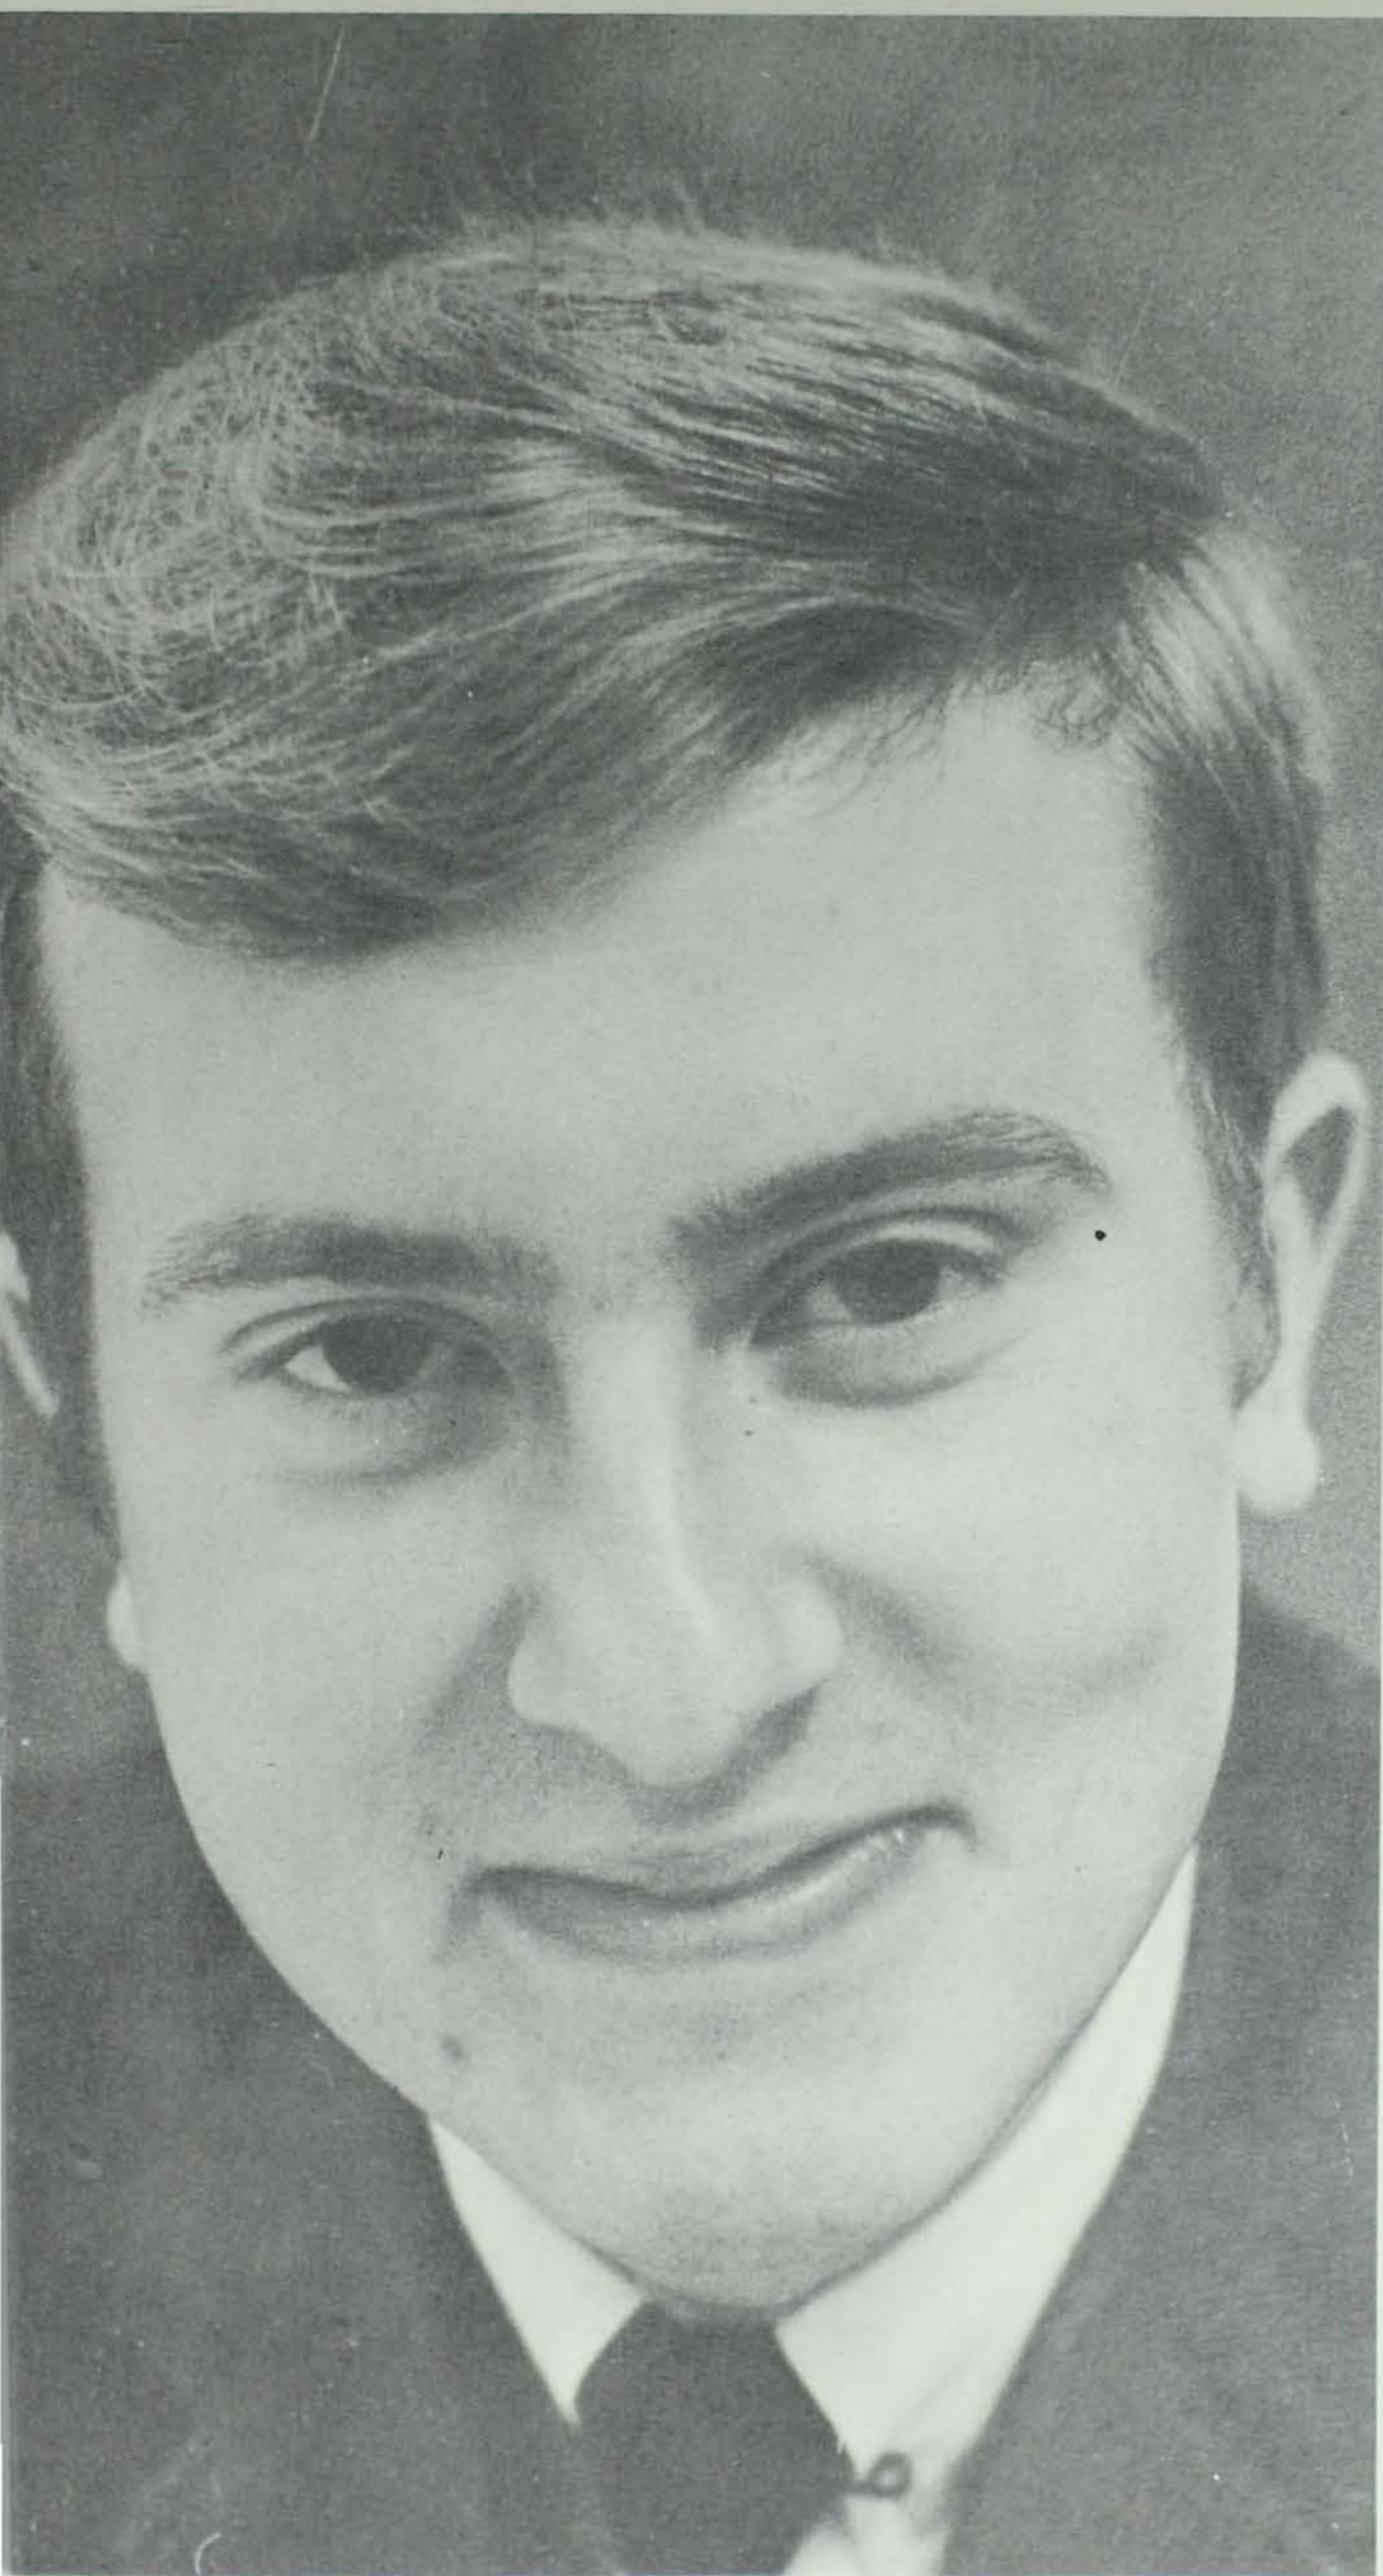

Felipe Bezara

During their ten weeks at BV, the Venezuelans became intimately acquainted with internal operations of the College, the Colleges of Mid-America consortium, secondary and higher education in Iowa, and administrative operations of several other colleges and universities.

In addition to traveling to several points around the United States, the three administrators spent much time on the Buena Vista campus attending numerous meetings with faculty, student groups, and committees. They also spoke before service clubs, public schools and filled other appointments.

graduation

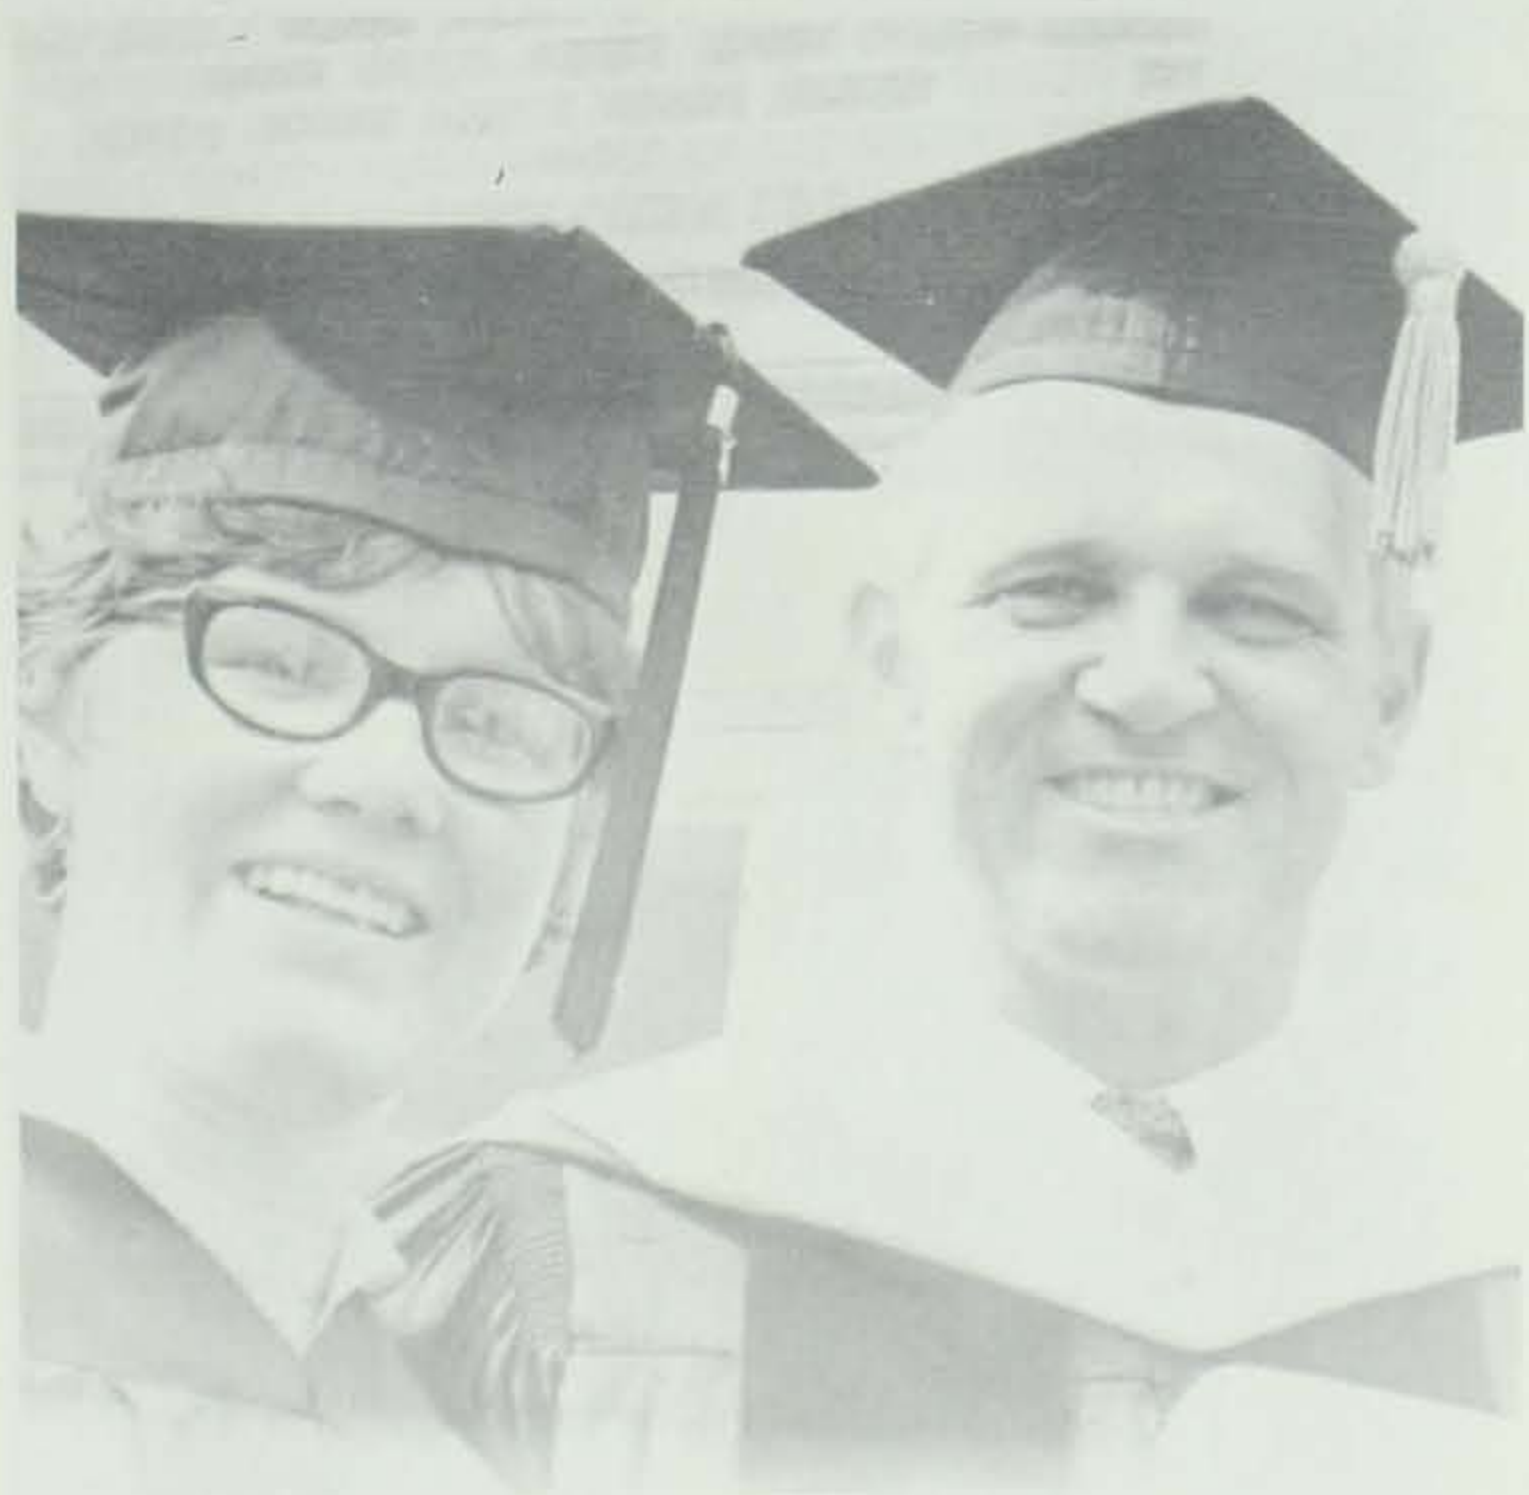

exercises

The seventy-ninth annual Baccalaureate and Commencement exercises were held May 31, 1970, in Schaller Memorial Chapel. Bachelor of Science degrees were awarded to 15 graduates and 97 received Bachelor of Arts degrees.

At Baccalaureate services held in the morning, Reverend Dr. Harvey McKenzie Throop of Omaha, Nebraska, delivered a sermon entitled "The Faith of the Strong."

The Commencement address was given later the same day by Dr. David Talmage of Denver, Colorado, whose topic was "The Challenge to Understand." Both speakers were awarded honorary degrees by the college.

Commencement speaker, Dr. Talmage, was honored to have his daughter Jenny among the graduates.
