First Grade

Class History

Our parents had prepared us well for our first day of school, September of 1953. There were girls in pigtails and ribbons, well groomed boys with a few marbles in their pockets along with a few pennies for after school, to say nothing of an occasional fishworm or caterpillar to scare the girls with. The heavy doors of that huge building opened a new world to us, and we were left alone with those strange ladies--our teachers--Mrs. Sykes, and Mrs. Baird.

The group of pigtailed girls and little boys consisted of: Mark Aunspach, Penny Ballard, Bob Battani, Jim Brazelton, Don Buell, Kathy Carins, Ken Carlson, Sandra Clark, Beverly Clements, Don Cornwell, Tom Cory, George DuBois, Bill Ersland, Karla Geisler, Jack Hall, Dave Harkin, Jill Harmon, Tarry Justice, Nancy Lane, Wayne Lewis, Bill Liechty, Karen Marvin, Melvin McCleary, Rose Marie Medici, Bill Monaghan, Leslie Morningstar, Francis Pederson, Tom Pedretti, Don Peterson, Roger Pitts, Linda Salak, Donna Sexauer, Jason Smith, Danny Stoll, Kathie Strong, Jeff Taylor, Dianne Thompson, Jacque Vulcano, Chuck Warner, Pam Wheeler, Margo Williamson, and Tom Zunkel. By these forty-one, a few tears were shed the first days of that important year.

In first grade, one morning during music class, two new voices were discovered--those of Harriet Bechtol and Greg Lammert. That year we were awarded the title "Best Class of Vocal Chords" for 1954.

One afternoon at recess the teachers discovered that a few unfamiliar faces were swinging and sliding. These faces belonged to Steve Downey, Susie Fontana, Bob Houser, Paula Moore, and Gail Sudeth. These five raised the total to forty-eight at the end of second grade.

The following year the lunch ladies started serving Terry Allen, Tarry Cory, John Hawn, Marsha Heggen, Garry Phillips, Kay Sargent. That increase gained us two extra tables in the lunchroom.

Fourth grade found Lee Adams, Patty Clark, and Roger Ramsey listening to "THE ADVENTURES OF WINNIE THE POOH" along with the rest of us.

Tests were familiar to many by 5th grade, so we helped Dwayne Borgstrand, Dwight Borgstrand, John Burrows, Jim Davidson, Nancy Dykstra, Lorene Johnson, Linda Leedom, and Susan Stelpflug fall into routine very fast.

The year 1959 found Terry Bass, Bill Halbach, Karen VanMaanen, Roger Wiechert, Denny Wilson, and Judy Wilson working on projects for the sixth grade rounded-up.

Science notebooks were common in the first year of our Junior High days. Along with the rest were Ron Klootwyk, Bonnie Vance, and Sue White struggling to meet the due date.

When bells rang we found students coming to and fro from classes. Along the route we picked up Ken Hart, Janice Hill, Terry Selland, and Joyce Sherman. Somewhere along the way Sandra Clark found the highway to Arizona and left us that year.

To share with us the adventures of Ankeny High School found Ron Davis, Steve Gerhart, Dennis Meyer, Donna Tams, and Vicki Woods. Along with us our wanderer, Sandra Clark, waited for the senior class to lower the boom on our freshman class. Our Heavenly Father found it necessary this year to take one of our fellow classmates, Mike Hoff, to his heavenly home.

The sophomore year found the English Department buying extra copies of Ivanhoe for Nancy Goetz, Jim Kinney, Mike McCampbell, Greg McLeod, Dennis Priest, Karen Polson, Bob Saner, and Jane Schnathorst to share the English requirement with the rest of us.

American History class held for Ron Baughman, Mike Beach, Diane Glick, Kathy Jentzen, Larry Kutzner, Marty Polito, Terry Riggins, Linda Schumacher, and Gary Waller along with the remaining ninety-one memorizing "The New Colossus," plus added help with our Junior-Senior Prom, "Spring-time Serenade."

Our final year adds Kristina Kariluoma, our Finnish friend and Foreign Student, Dennis Pearson, Janet Staymates, and Janice Staymates who have helped make-up the mighty class of "66".

A day in May found one hundred and eleven students dressed in caps and gowns, waiting for the final hour. As we leave our place in these halls of wisdom to the junior class, we leave behind many fond memories from 1953 to the year of "66".

Where does education end?

Everybody knows
where education
begins.

It begins
with that first
hungry search
for nourishment,
and it goes on
through that first word
and that first step
and that first painful
punch in the nose.

It grows taller
as it grows familiar
with letters
and numbers
and names of things
and names of places,
and answers increasingly
more who's
and what's
and where's
and why's
and how's.

Everybody knows
where education begins,
but nobody knows
where education ends —
especially yours,
except you.

And where your
education ends
depends mostly on you
and how well you
want to be able to answer
questions like these —
plus one more question, too,
asked ever so frequently —
"What can you do
for me?"

A Toast to You from the 1966 Annual Staff

As we frantically finish the 1966 "Hawk's Eye View" we would like to express our thanks to the Press Citizen and all those who have co-operated with us to help make this a better annual. We also want to thank Mr. Hunter for his help, understanding, and this party!
