Freshmen Encounter Beaver Tradition

The blue and gold beanies are tradition at Buena Vista. The beanies signify the beginning of a new life for the incoming freshmen student. They are a means of recognition by other freshmen, by the upper classmen, and by the faculty and administration. Class unity and school spirit are promoted by the wearing of the beanies.

The Freshmen wore their beanies throughout the entire week of orientation activities, including a serenade by male freshmen, a pool party, a gym-jam, a faculty-student softball game, and a welcome dance. The high light of the week was the victory of the upperclassmen in a tug-a-war during the half time at the Westmar game.

Floats Foresee Beaver Victory over Redmen

With a cold chilly Saturday morning, the parade started at 10:00 am sharp with the Grand Marshall, queens, president, and floats. "Send the Redmen Back to Frontierland" was the theme to the Phi Mu Alpha Sinfonia float (bottom left). "Redmen" Roger Nichlaus (bottom right) sits Indian style atop the Sinfonia float. Another Indian float to be paraded was the Delta Phi Rho's "The Best Redmen are Deadmen" (below). Combining efforts and coming up with the best float was Circle K and Phi Alpha Pi with a float keeping with the theme, "Beaverella On to the Ball to Win" (middle right). The Swope Hall girls constructed a cash register, with "Ring Up a Victory For BVC" as the theme (top).

The New Colony Six started Homecoming '71 weekend with their second concert on campus. Singing many of today's hits, the group performed some of their own, such as "Baby-Baby" and "Roll-on, Roll-on". In between songs they had the audience rolling in the aisles with dialogue that goes with the performance.

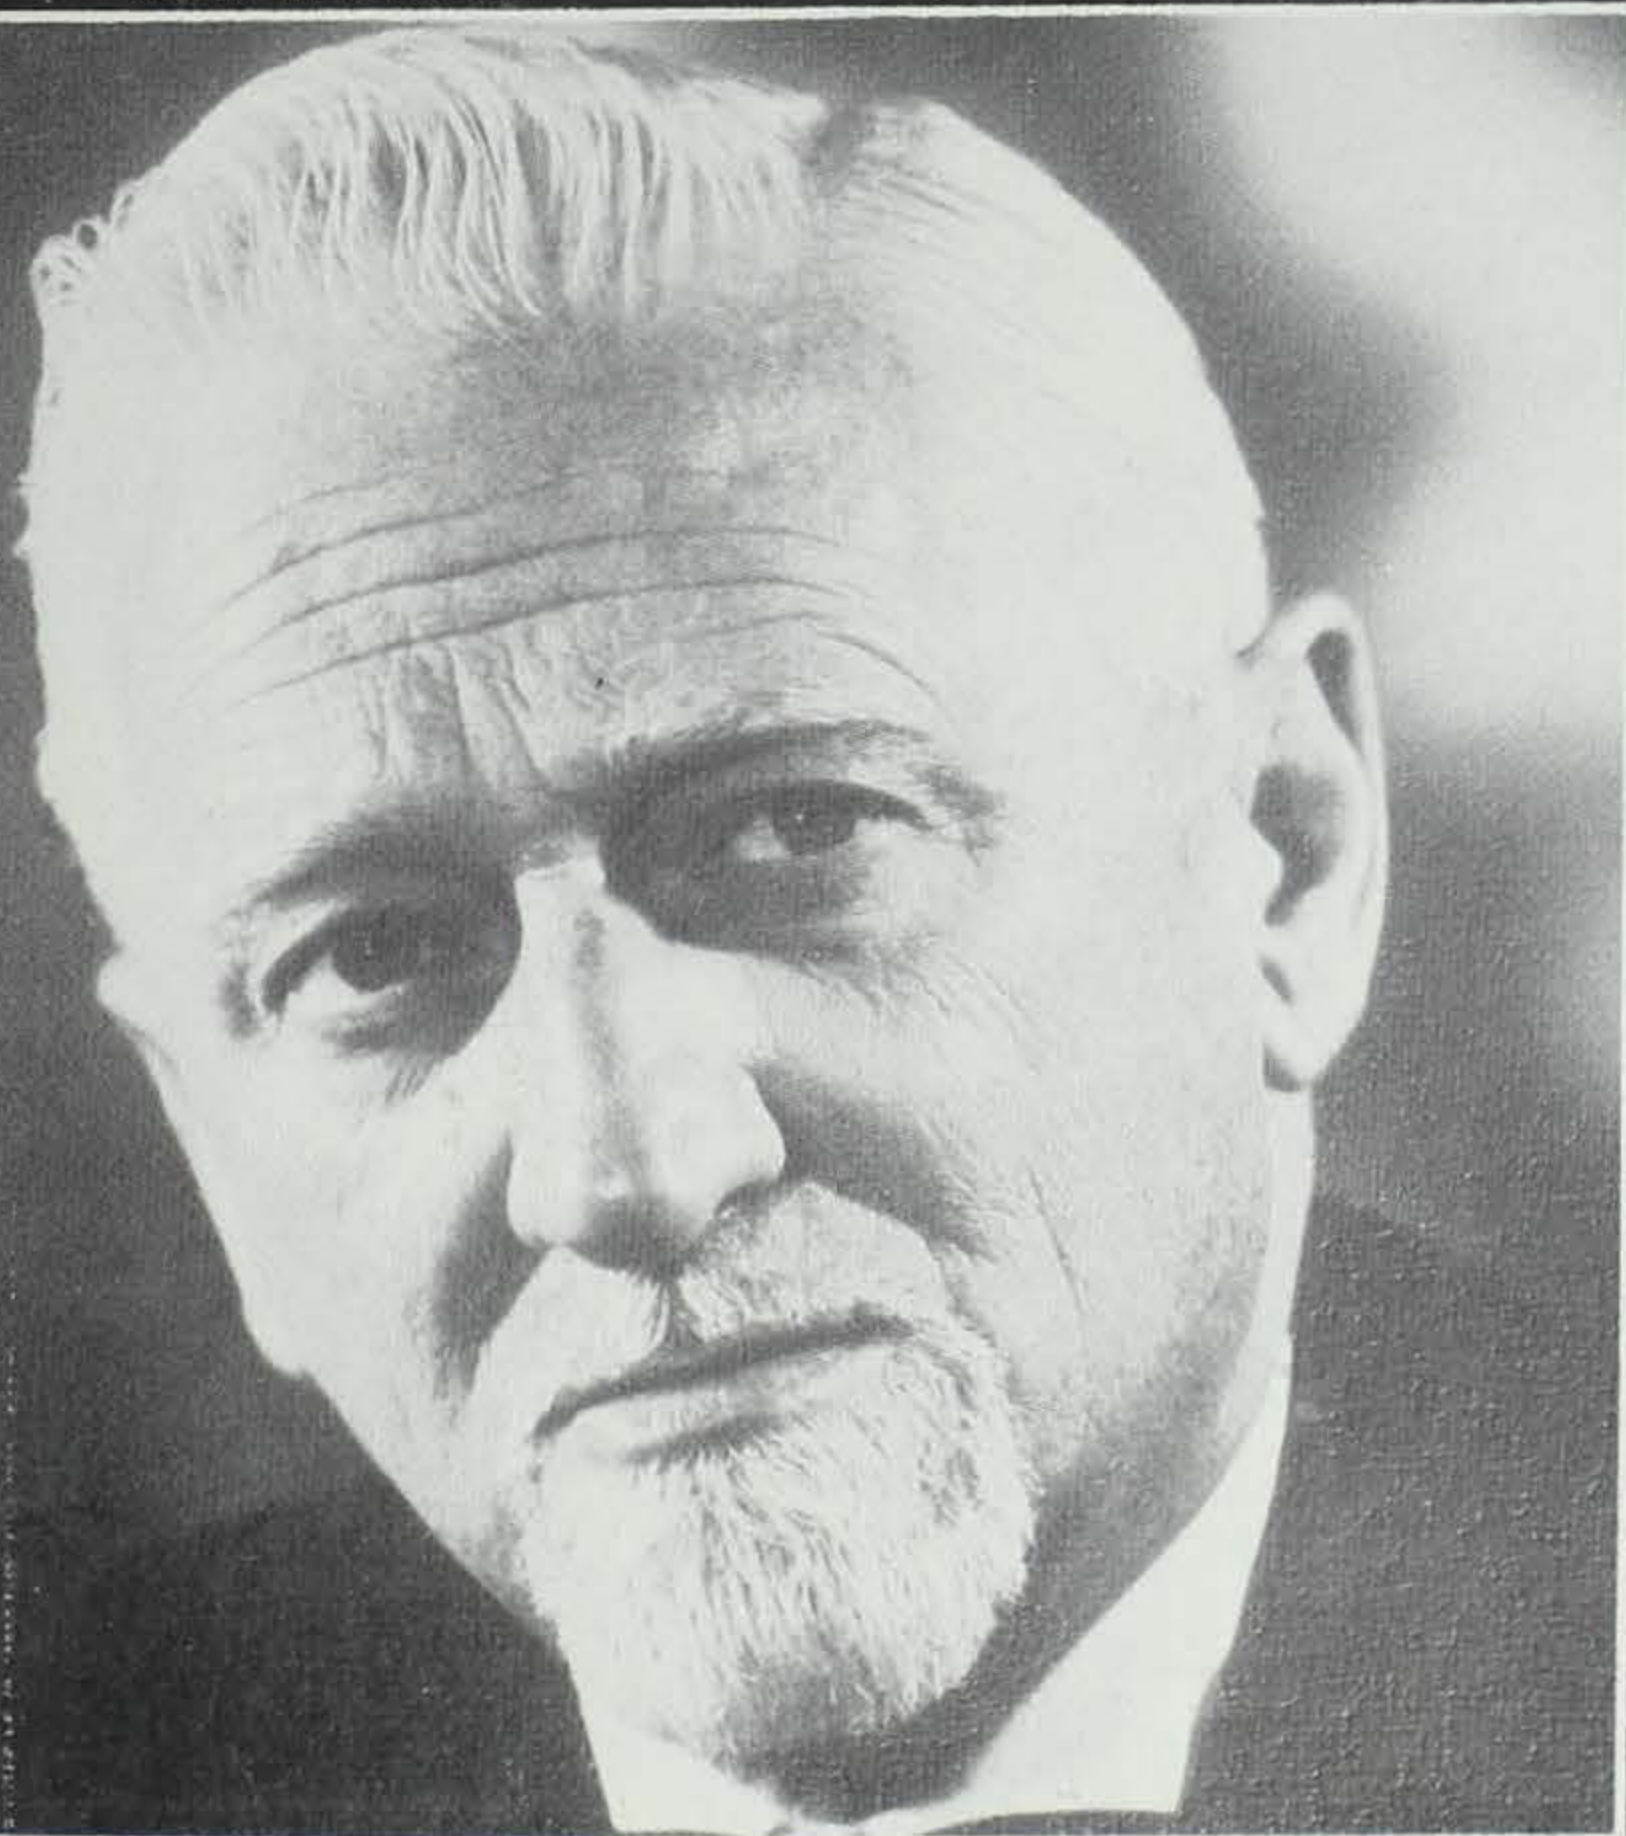

ENTERTAINERS

David Frye, the political caricaturer and mimic, appeared in Schaller Chapel in February. Doing impersonations of William F. Buckley Jr., Lyndon B. Johnson, President Richard Nixon, and Billy Graham, plus many more, David Frye surprised and stunned many of those in attendance with perfect dialogues and gestures.

DAVID FRYE

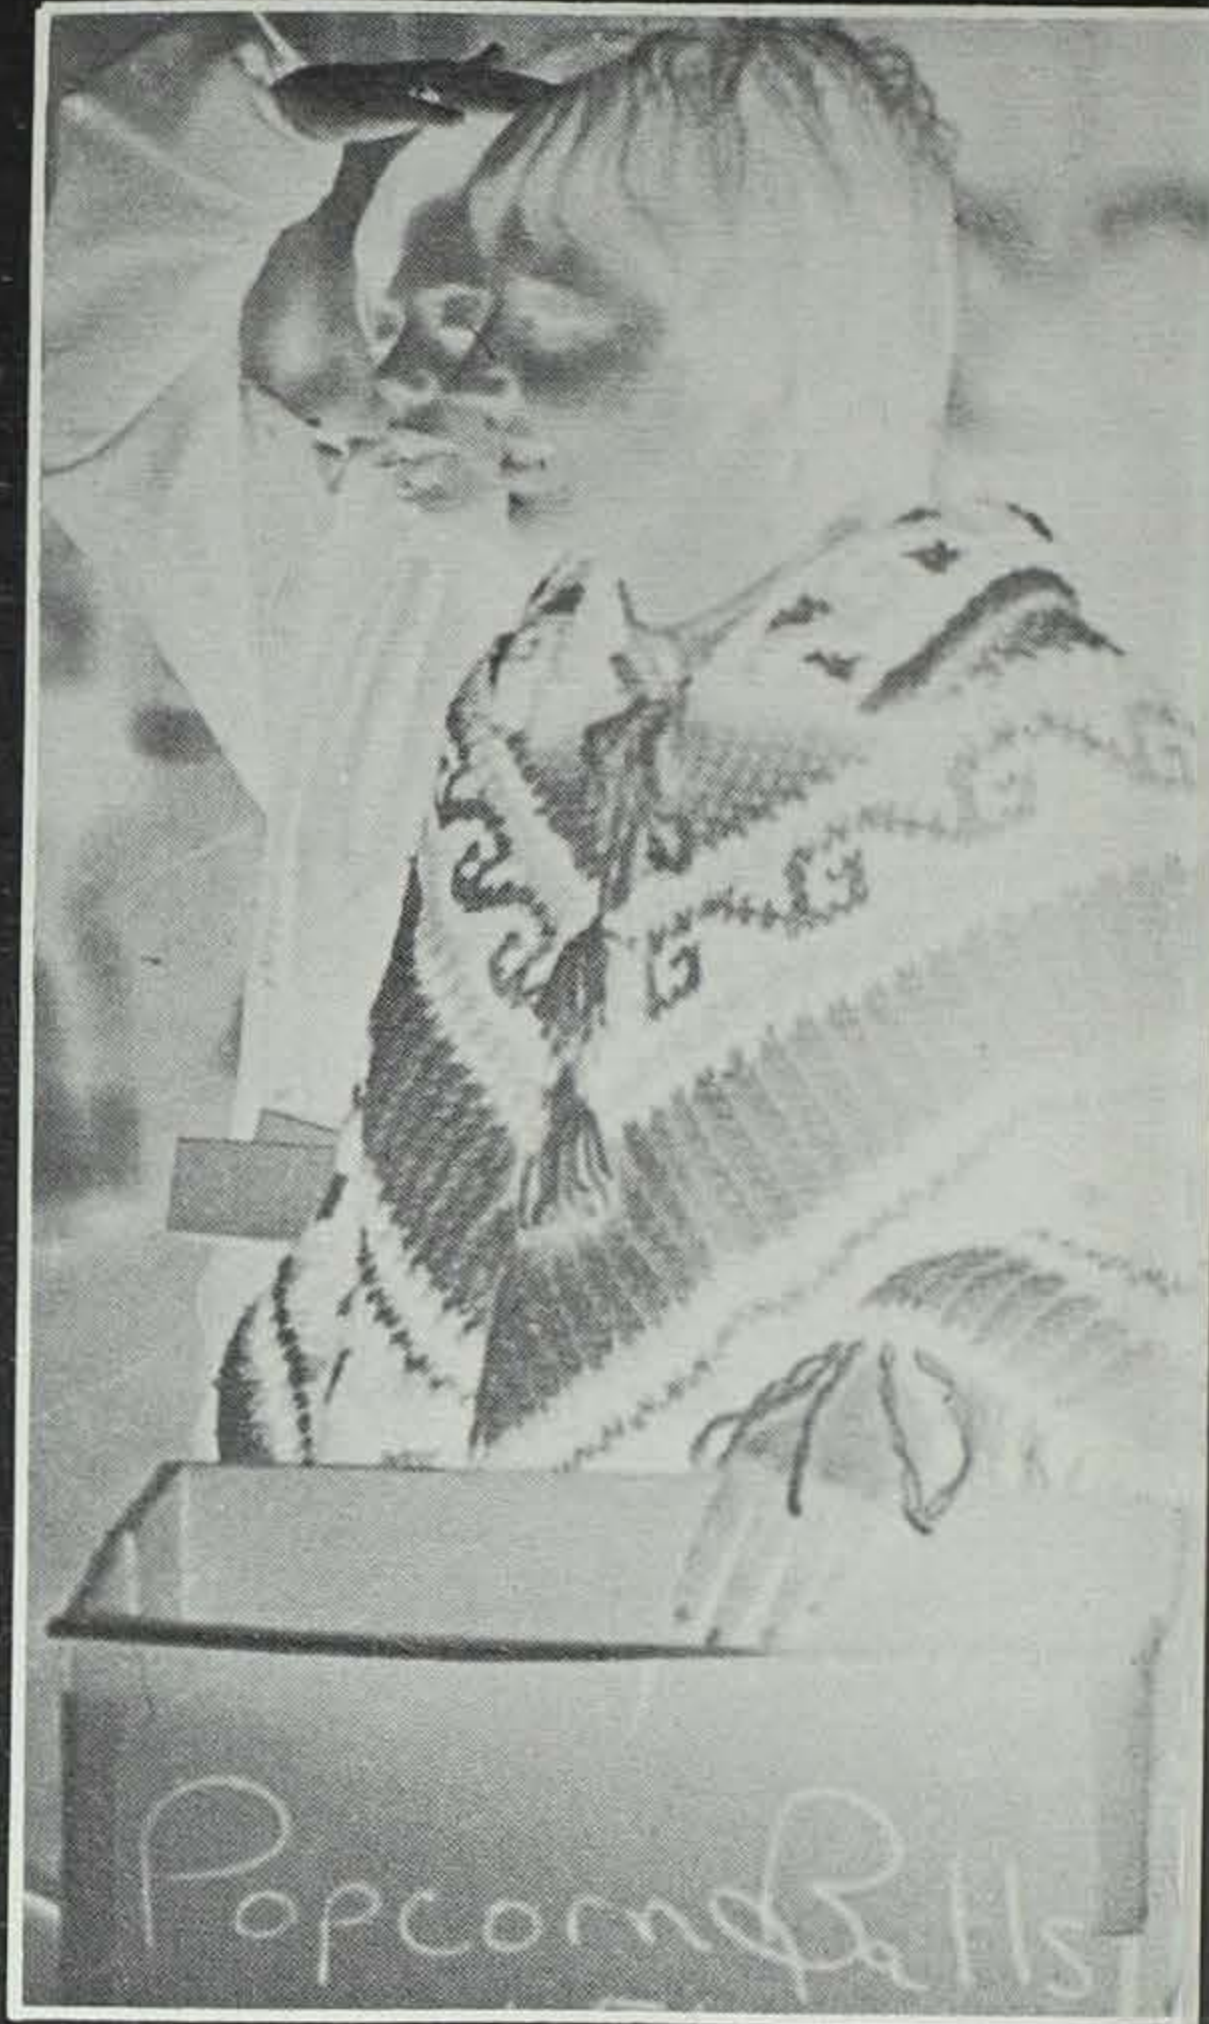

Ruane's "Adventures in Hypnosis" was a fast-moving, fun-packed show of hilarity, demonstrating the science of hypnosis. Volunteers who came under his spell could be found reciting and doing most anything. Those who will be remembered under his spell are: Tom Dalbey, Cyn Hanenberger, Nancy Morrow, Raleigh Bagby, Roxie Click, Sue Osborne, and John 'Granny Goose' Heitschusen.

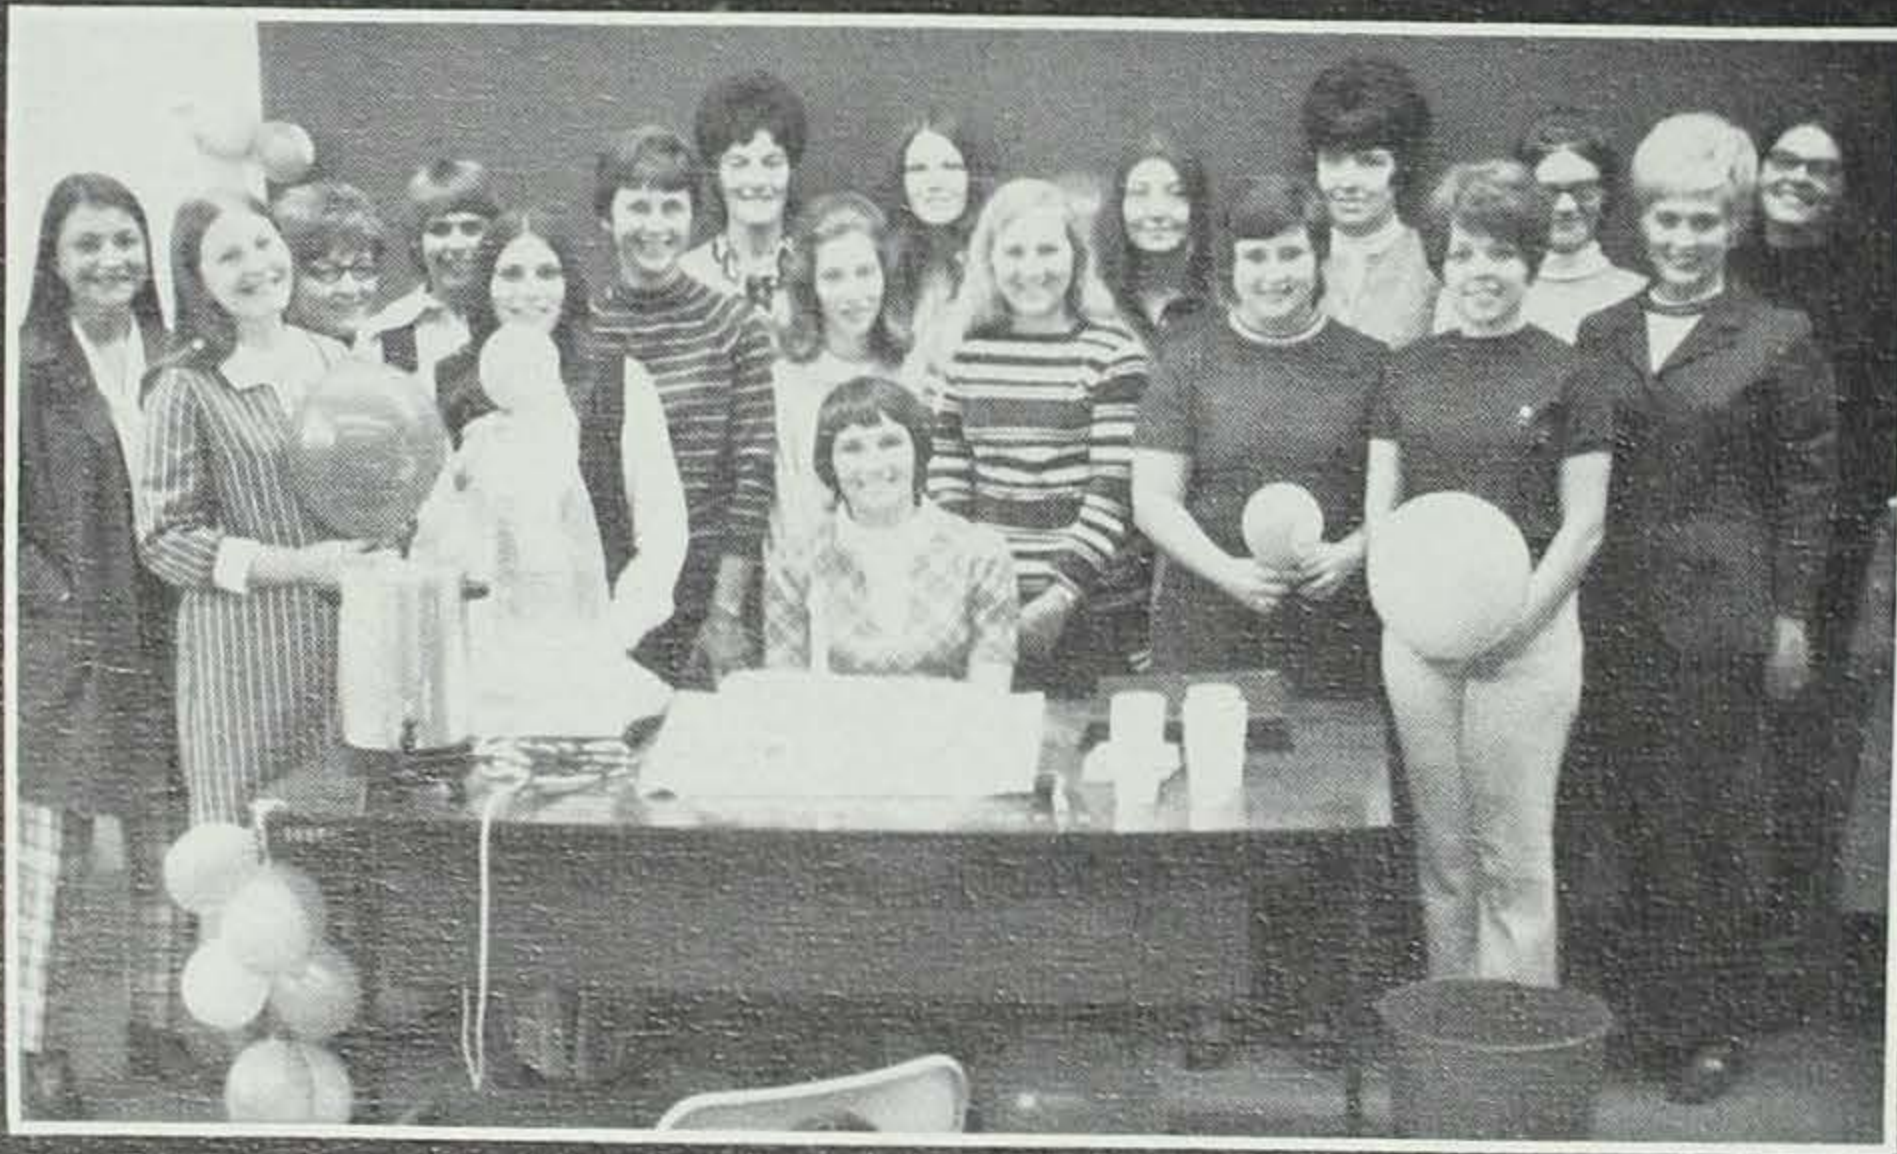

The Dean Davis Company

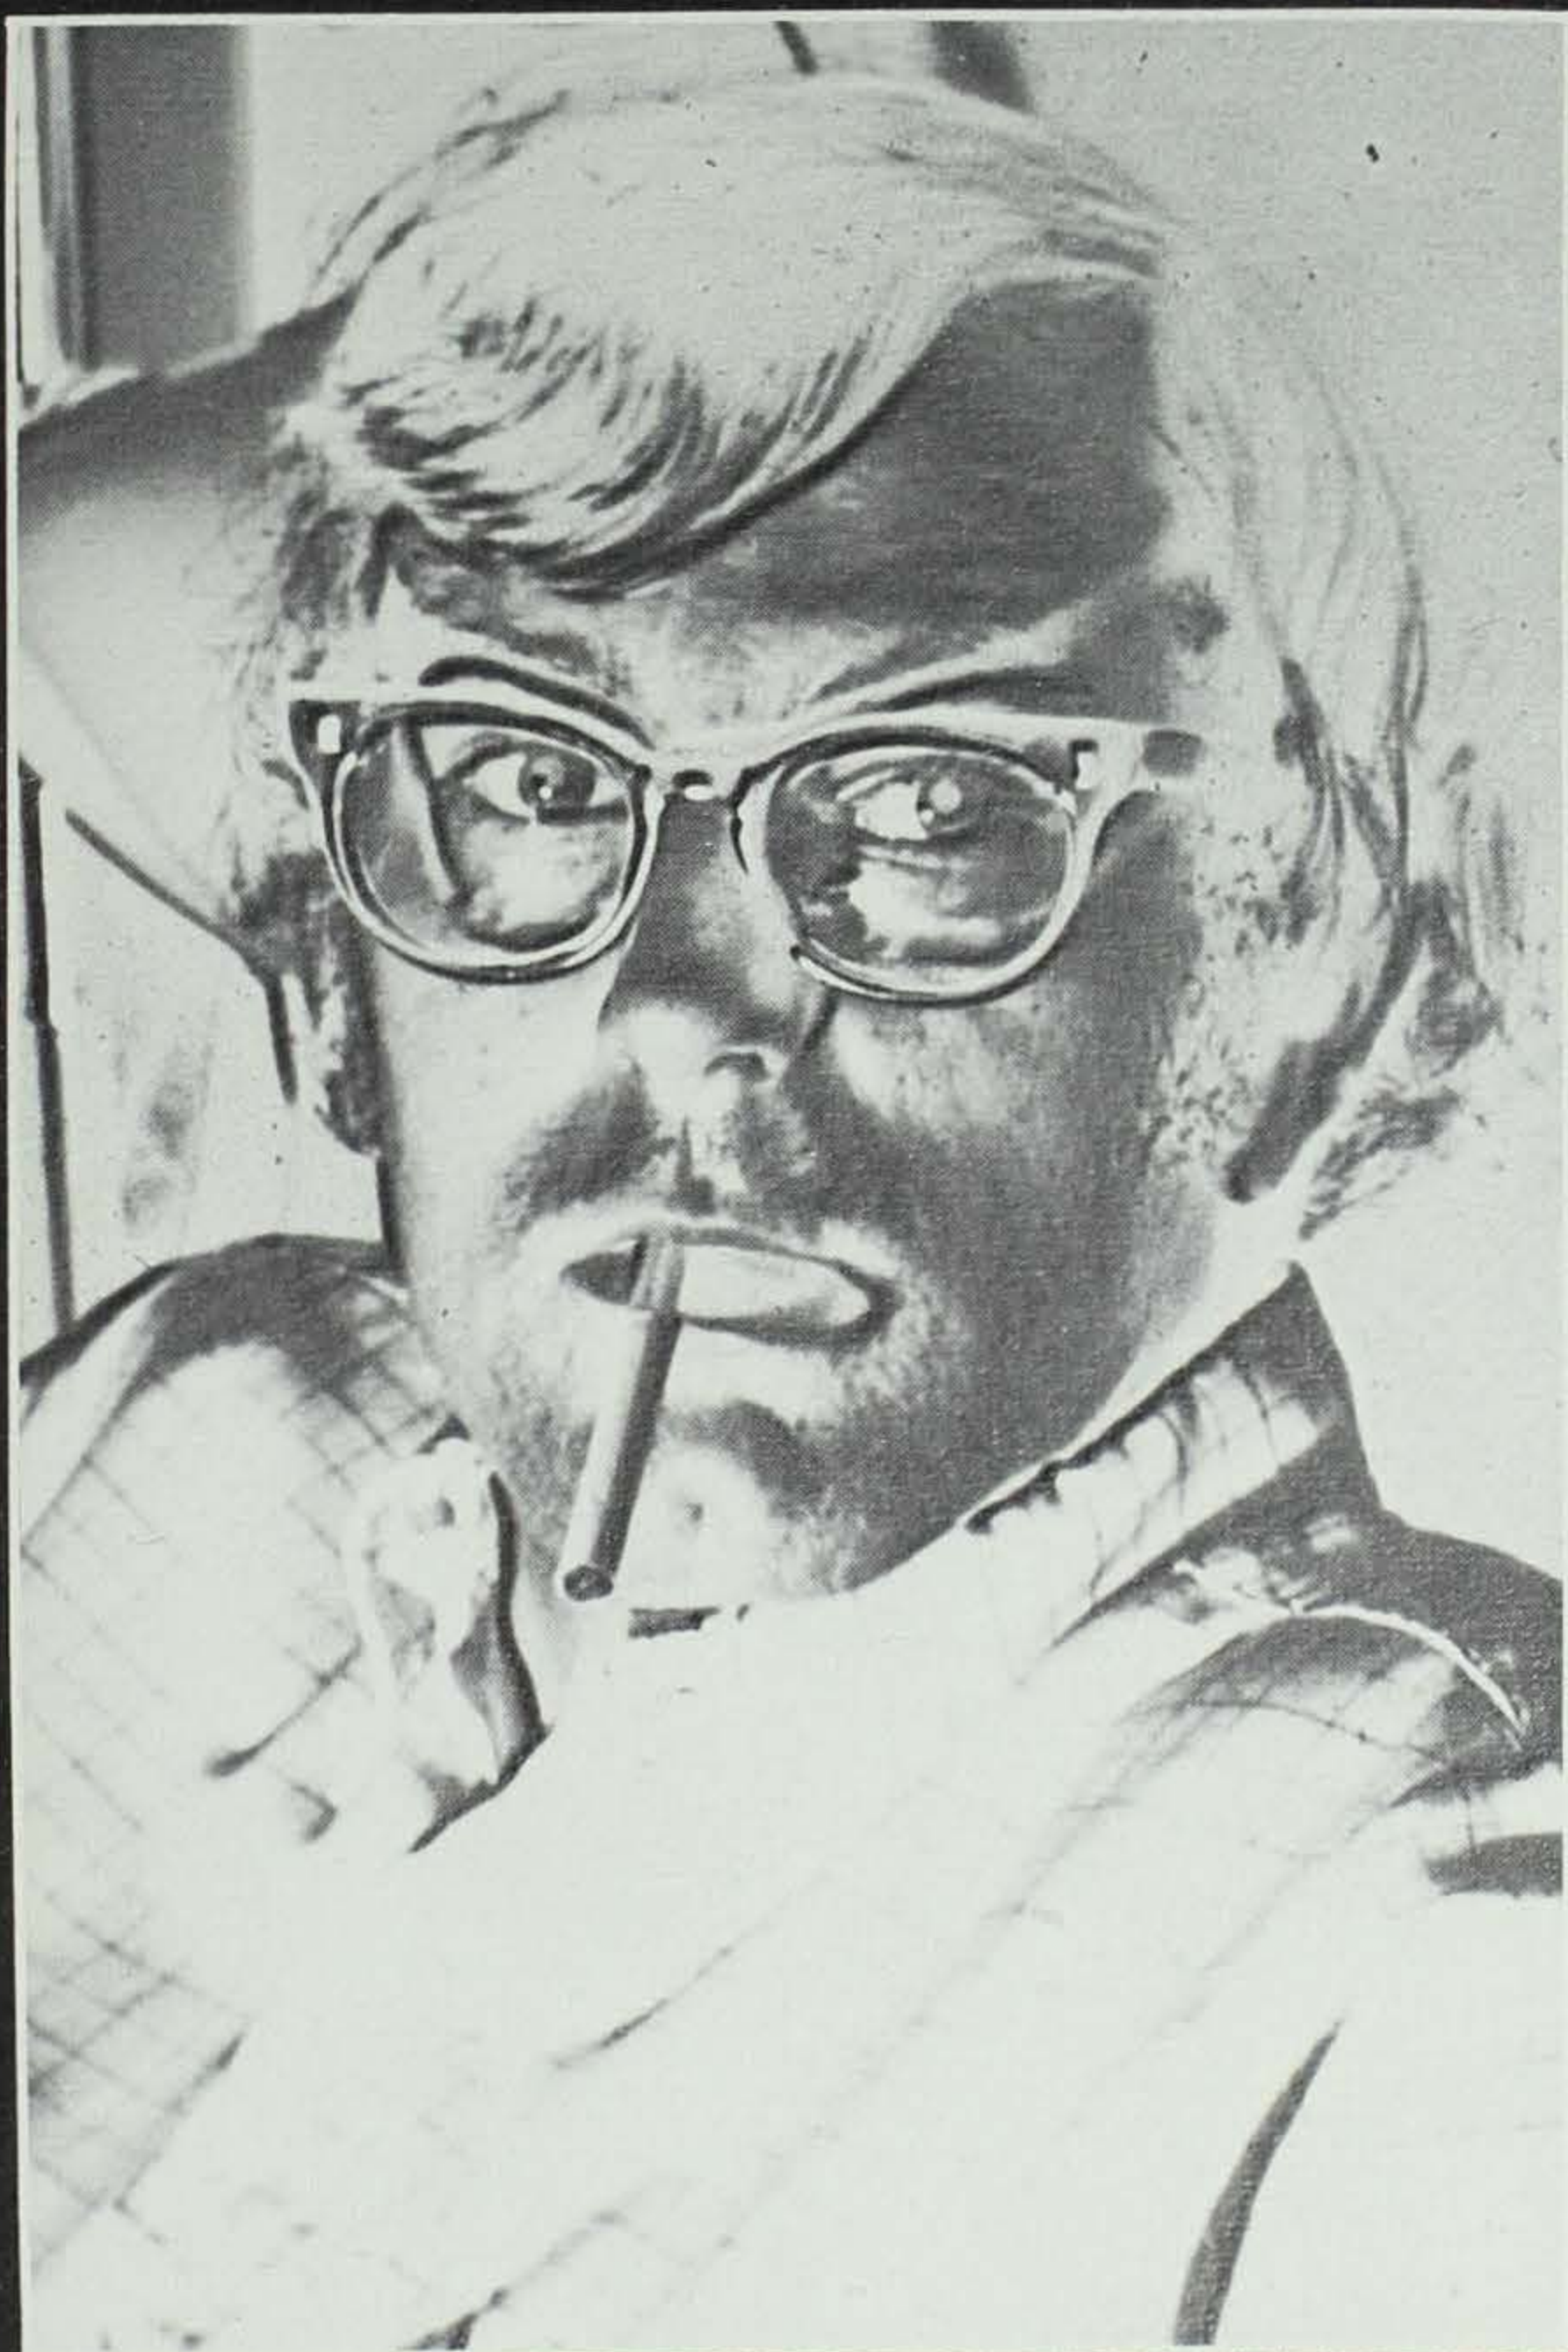

The Dean Davis Company presented a tremendous performance in their first concert on campus. Starting with the hit song "Country Road" and ending up with "What the World Needs Now", they captivated the audience with song after song. The Company sang songs that most people have never heard, with equal grace. In between the songs were one liners, and the old vaudeville comedy, that kept ones funny bones itching at the seams.

People Caught by the Camera

Nine BV students studied in London, England for their January Interim. The interim was both a time of industrial study and play.

Those students going to London, were: Russ Schweig, Robert Jones, Dennis Cram, Sara Schilling, Delbert Whalen, Laura Whitmer, Miranne Higman, Pete Dows and Terri Havlik. BV faculty members Paul Russell taught a class in Social Forces while in England.

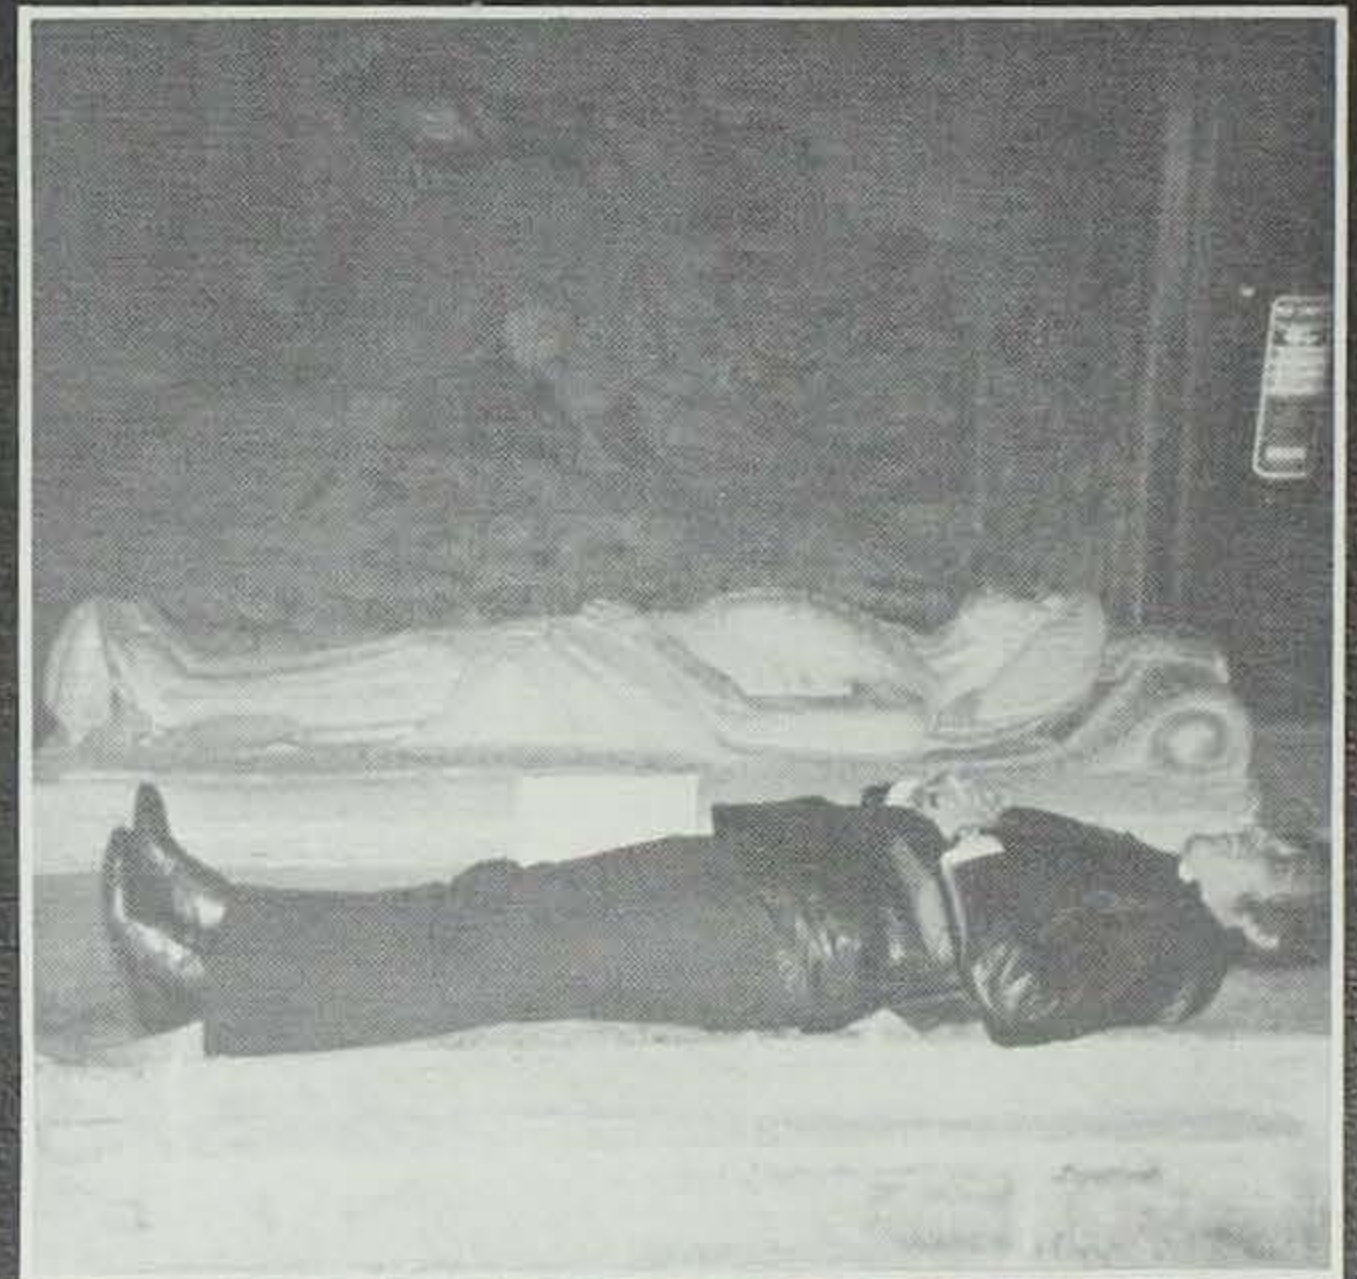

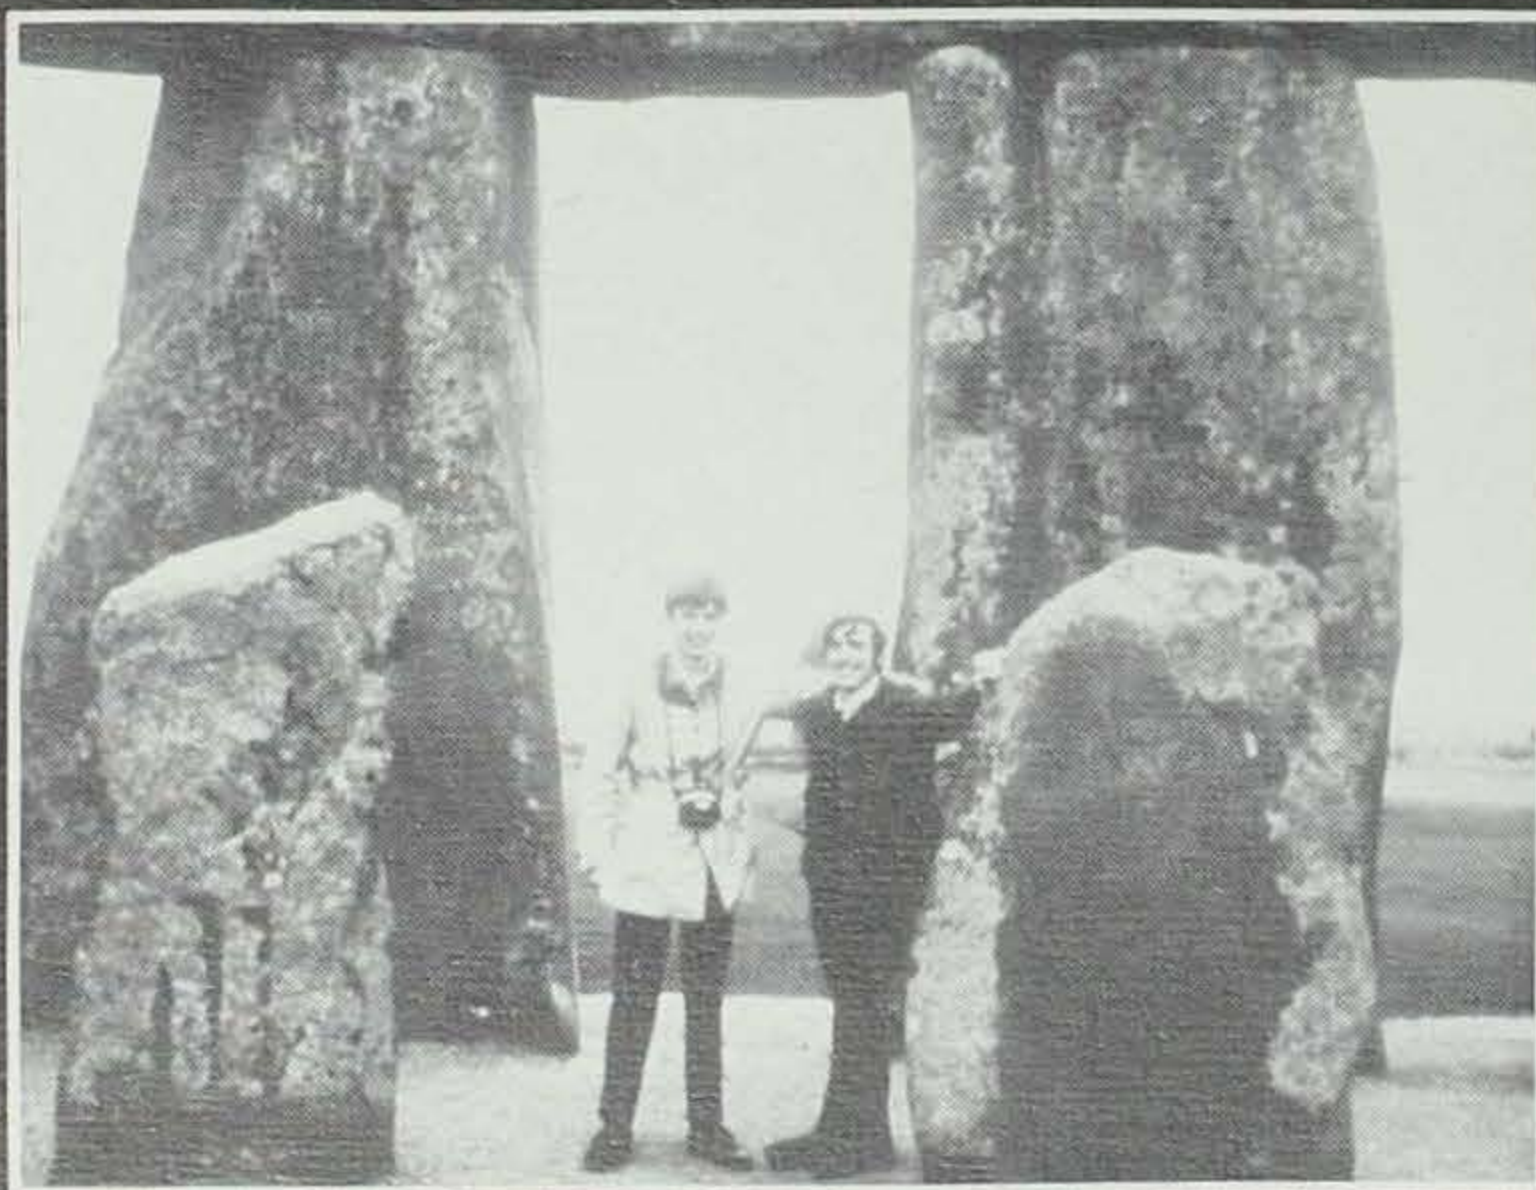

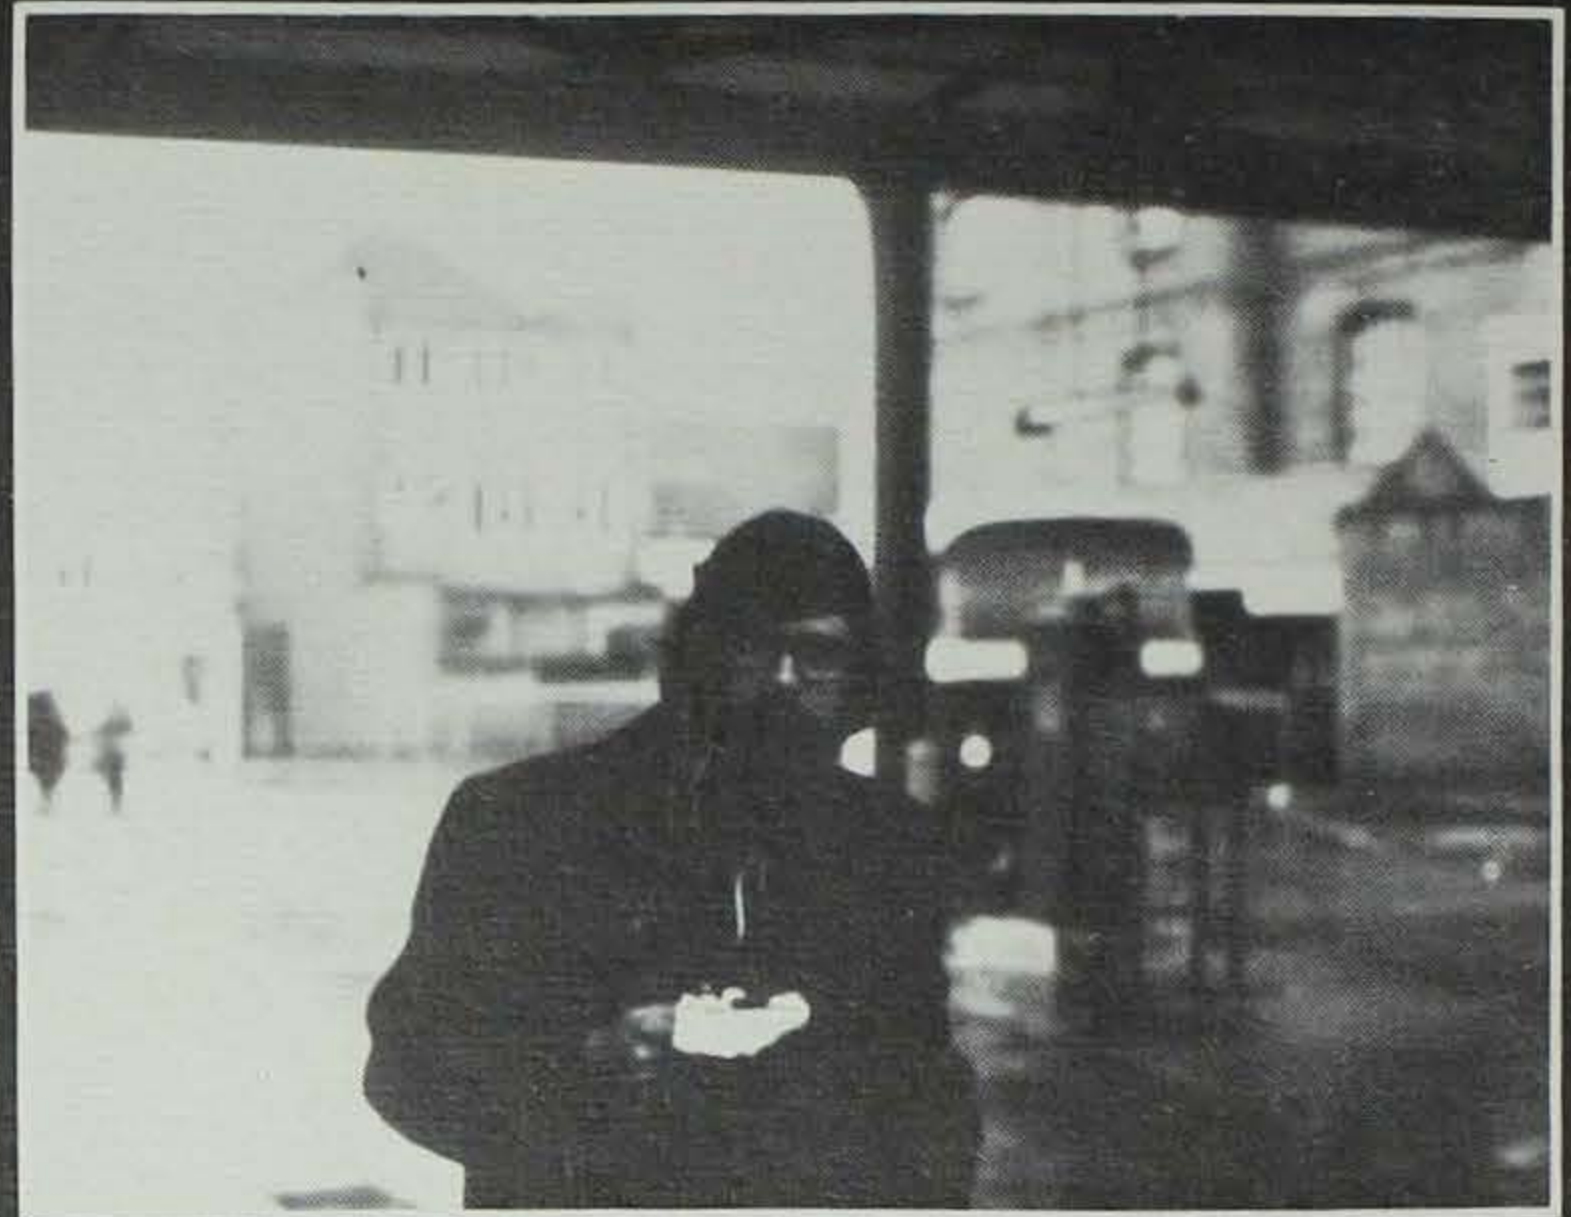

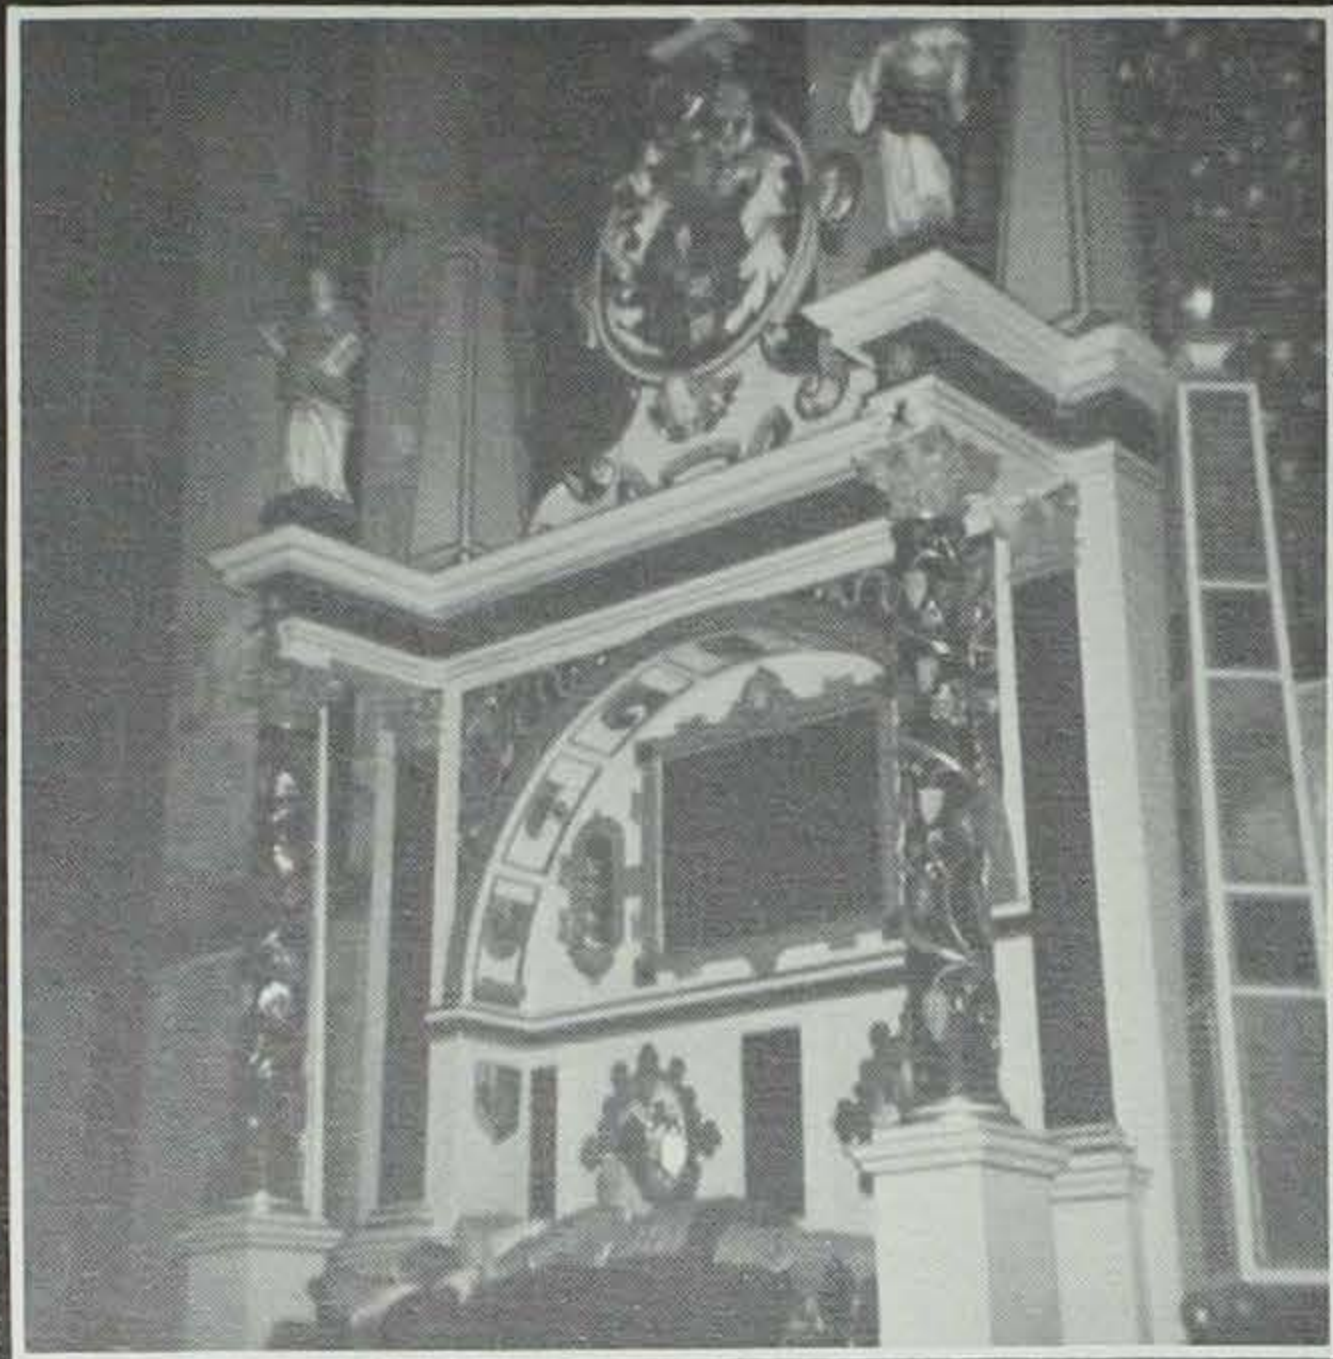

Lectures, studies and classroom excursions were not all these students did. Sight seeing around London and England provided for an enjoyable time. For a few, the continent provided an enjoyable weekend with some going to Paris or Amsterdam. For others, the week end was spent in seeing Southern England and learning more from the people.

Choir Tours to Washington, D.C.

Fifty-nine members of the Buena Vista College ACappella Choir took part in what proved to be one of the most strenuous but educational Interim projects. Under the direction of Robert D. Pfaltzgraff, this group rehearsed eight hours/day for the first eleven days of January to prepare both sacred and secular music for what lie ahead—a choir tour of seven states between Storm Lake and Washington, D.C. On January 13, the choir presented a pre-tour concert in Schaller Chapel to introduce their peers to what thousands of people east of the Mississippi were to hear. They were proud of what they had accomplished in such a short time.

The choir gathered at 6:30 a.m. on January 15, boarded the two chartered Greyhounds, and began their journey eastward. During the sixteen days they traveled, the group sang twenty-four concerts in Iowa, Illinois, Indiana, Michigan, Ohio, Pennsylvania, and Maryland. They performed for high school assemblies during the day, singing an interesting variety of sacred and secular music, enhanced by humorous selections from the Vista Singers, popular songs from the Vista Singers + Eight, and some "Chicago" action from the Phi Mu Alpha Music Company. In the evenings, the choir gave concerts in beautiful churches, singing a program composed entirely of sacred music, and then stayed overnight in the homes of the generous people of the area. The concerts were always well received, and praise for the choir, both in concert and in the homes, focused on impressive sound and personal conduct.

Typical scene on the road—talking, sleeping, playing cards.

Early morning departures were not uncommon.

Aside from meeting so many interesting people while on the road, the highlight of the trip was, of course, the two-day visit to Washington, D.C. Coming midway in the tour, the choir members used this free time to relax, socialize, and visit the many interesting sights of our nation's capital. Several members attended a performance by the National Symphony Orchestra with Leopold Stokowski conducting or the play "Sugar" at the new Kennedy Center. A tour of the U.S. capital building, conducted by Congressman Wiley Mayne, introduced the group to the governmental process of our country, and they observed a Senate session. They visited other historical sites in the city, including the statue of Iwo Jima, historic monuments, and Arlington Cemetery.

When the choir finally returned home on January 30, they had something to be proud of—a well-received, interesting, and educational tour.

The Buena Vista College Concert Band traveled over 4300 miles this spring to present four concerts in high schools in the Los Angeles area, one in Disneyland, and one in Director Greens hometown of Stratford, Texas. Overnight stops were made at Sterling, Colorado, Albuquerque, New Mexico, and Phoenix, Arizona, on the way out. Five days were spent in the Los Angeles area as guest of the Gardena Kiwanians. The last day was spent at Disneyland, where everybody went all out to fill their afternoon with rides and sight-seeing. Overnight stops on the way back to Storm Lake were at Albuquerque, N.M., Stratford, Tex., and Tulsa, Oklahoma. (In Tulsa, the band members were able to see the B.V. baseball team play a game.) Early evening of March 28th, put the forty-seven members of the band back in Storm Lake after thirteen days of a trip they would never forget.

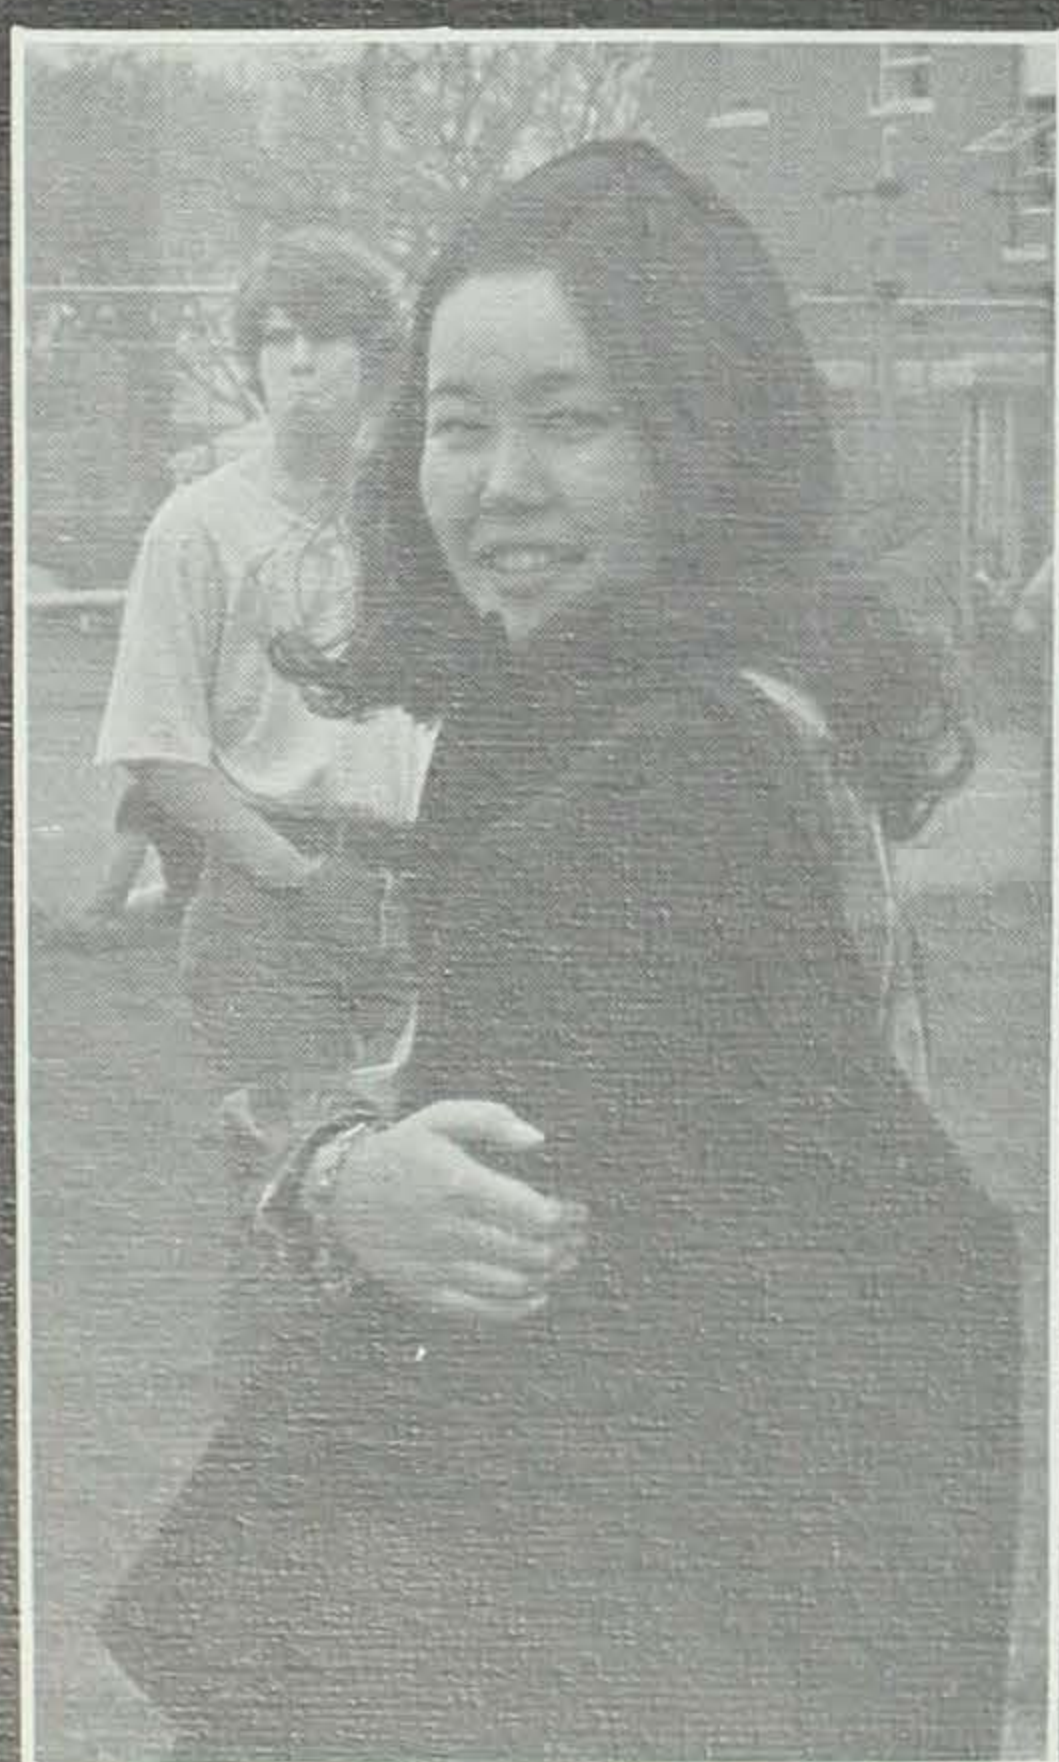

Spring Carnival Hampered by Light Showers

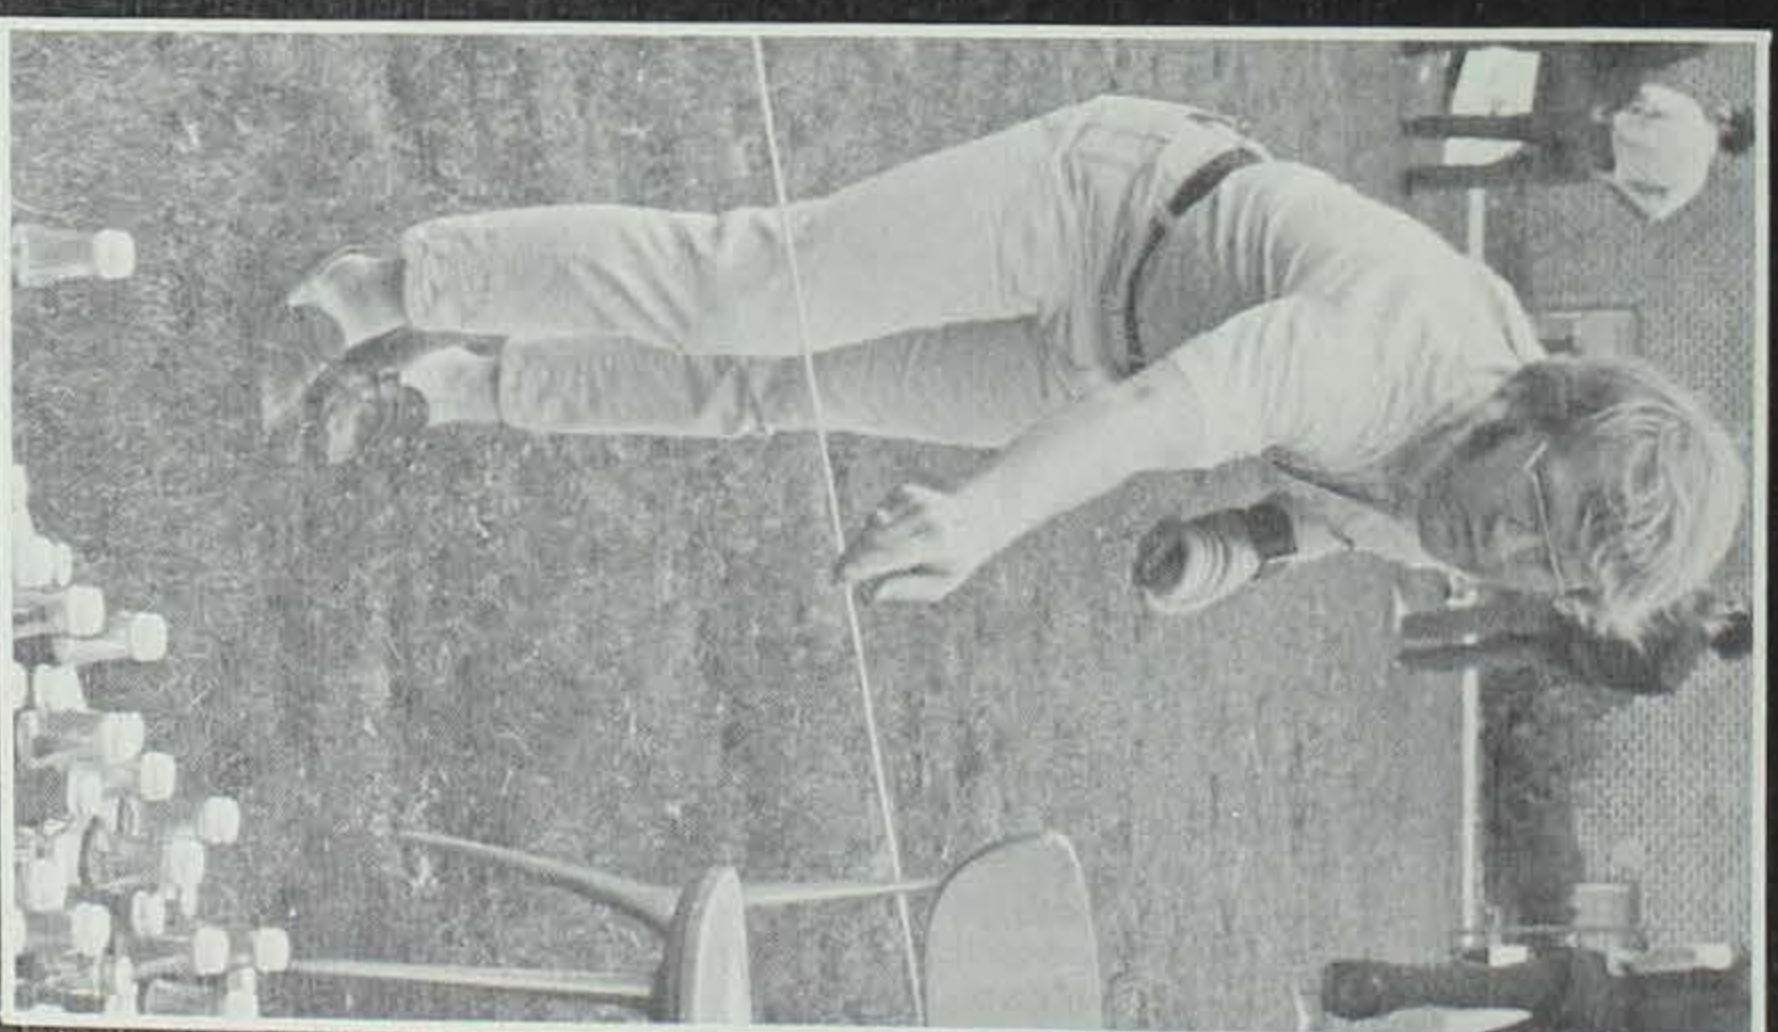

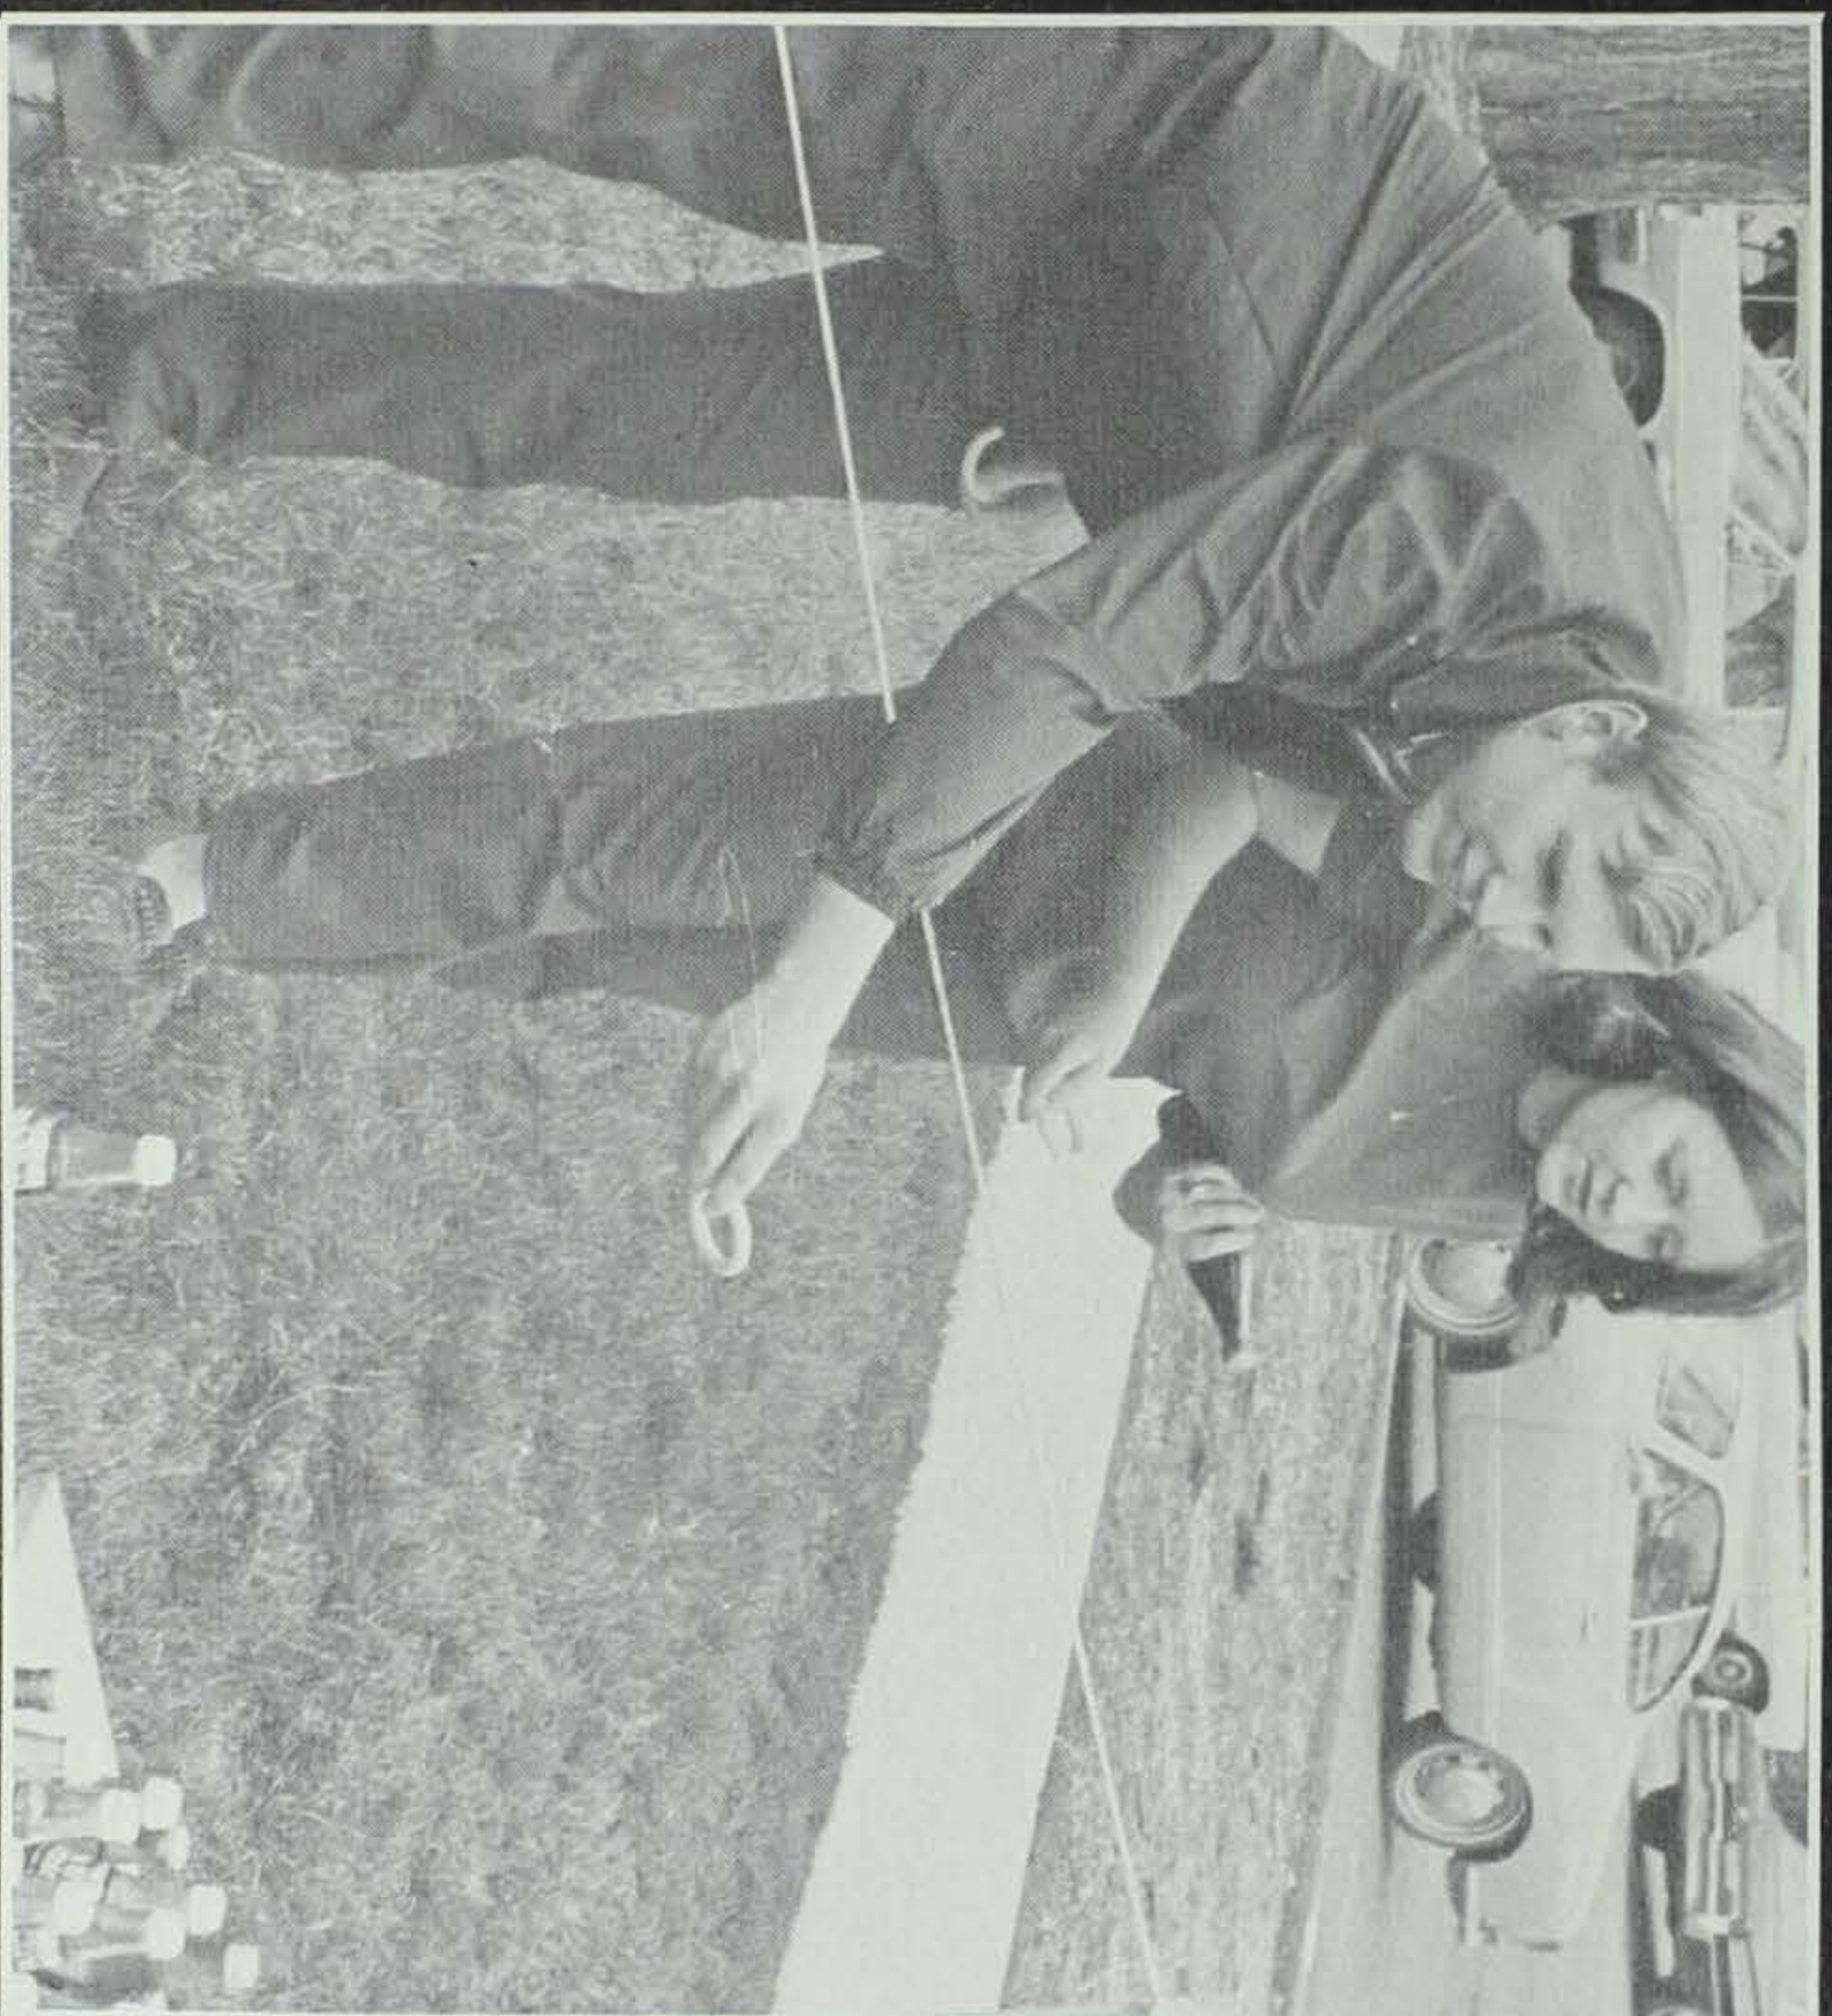

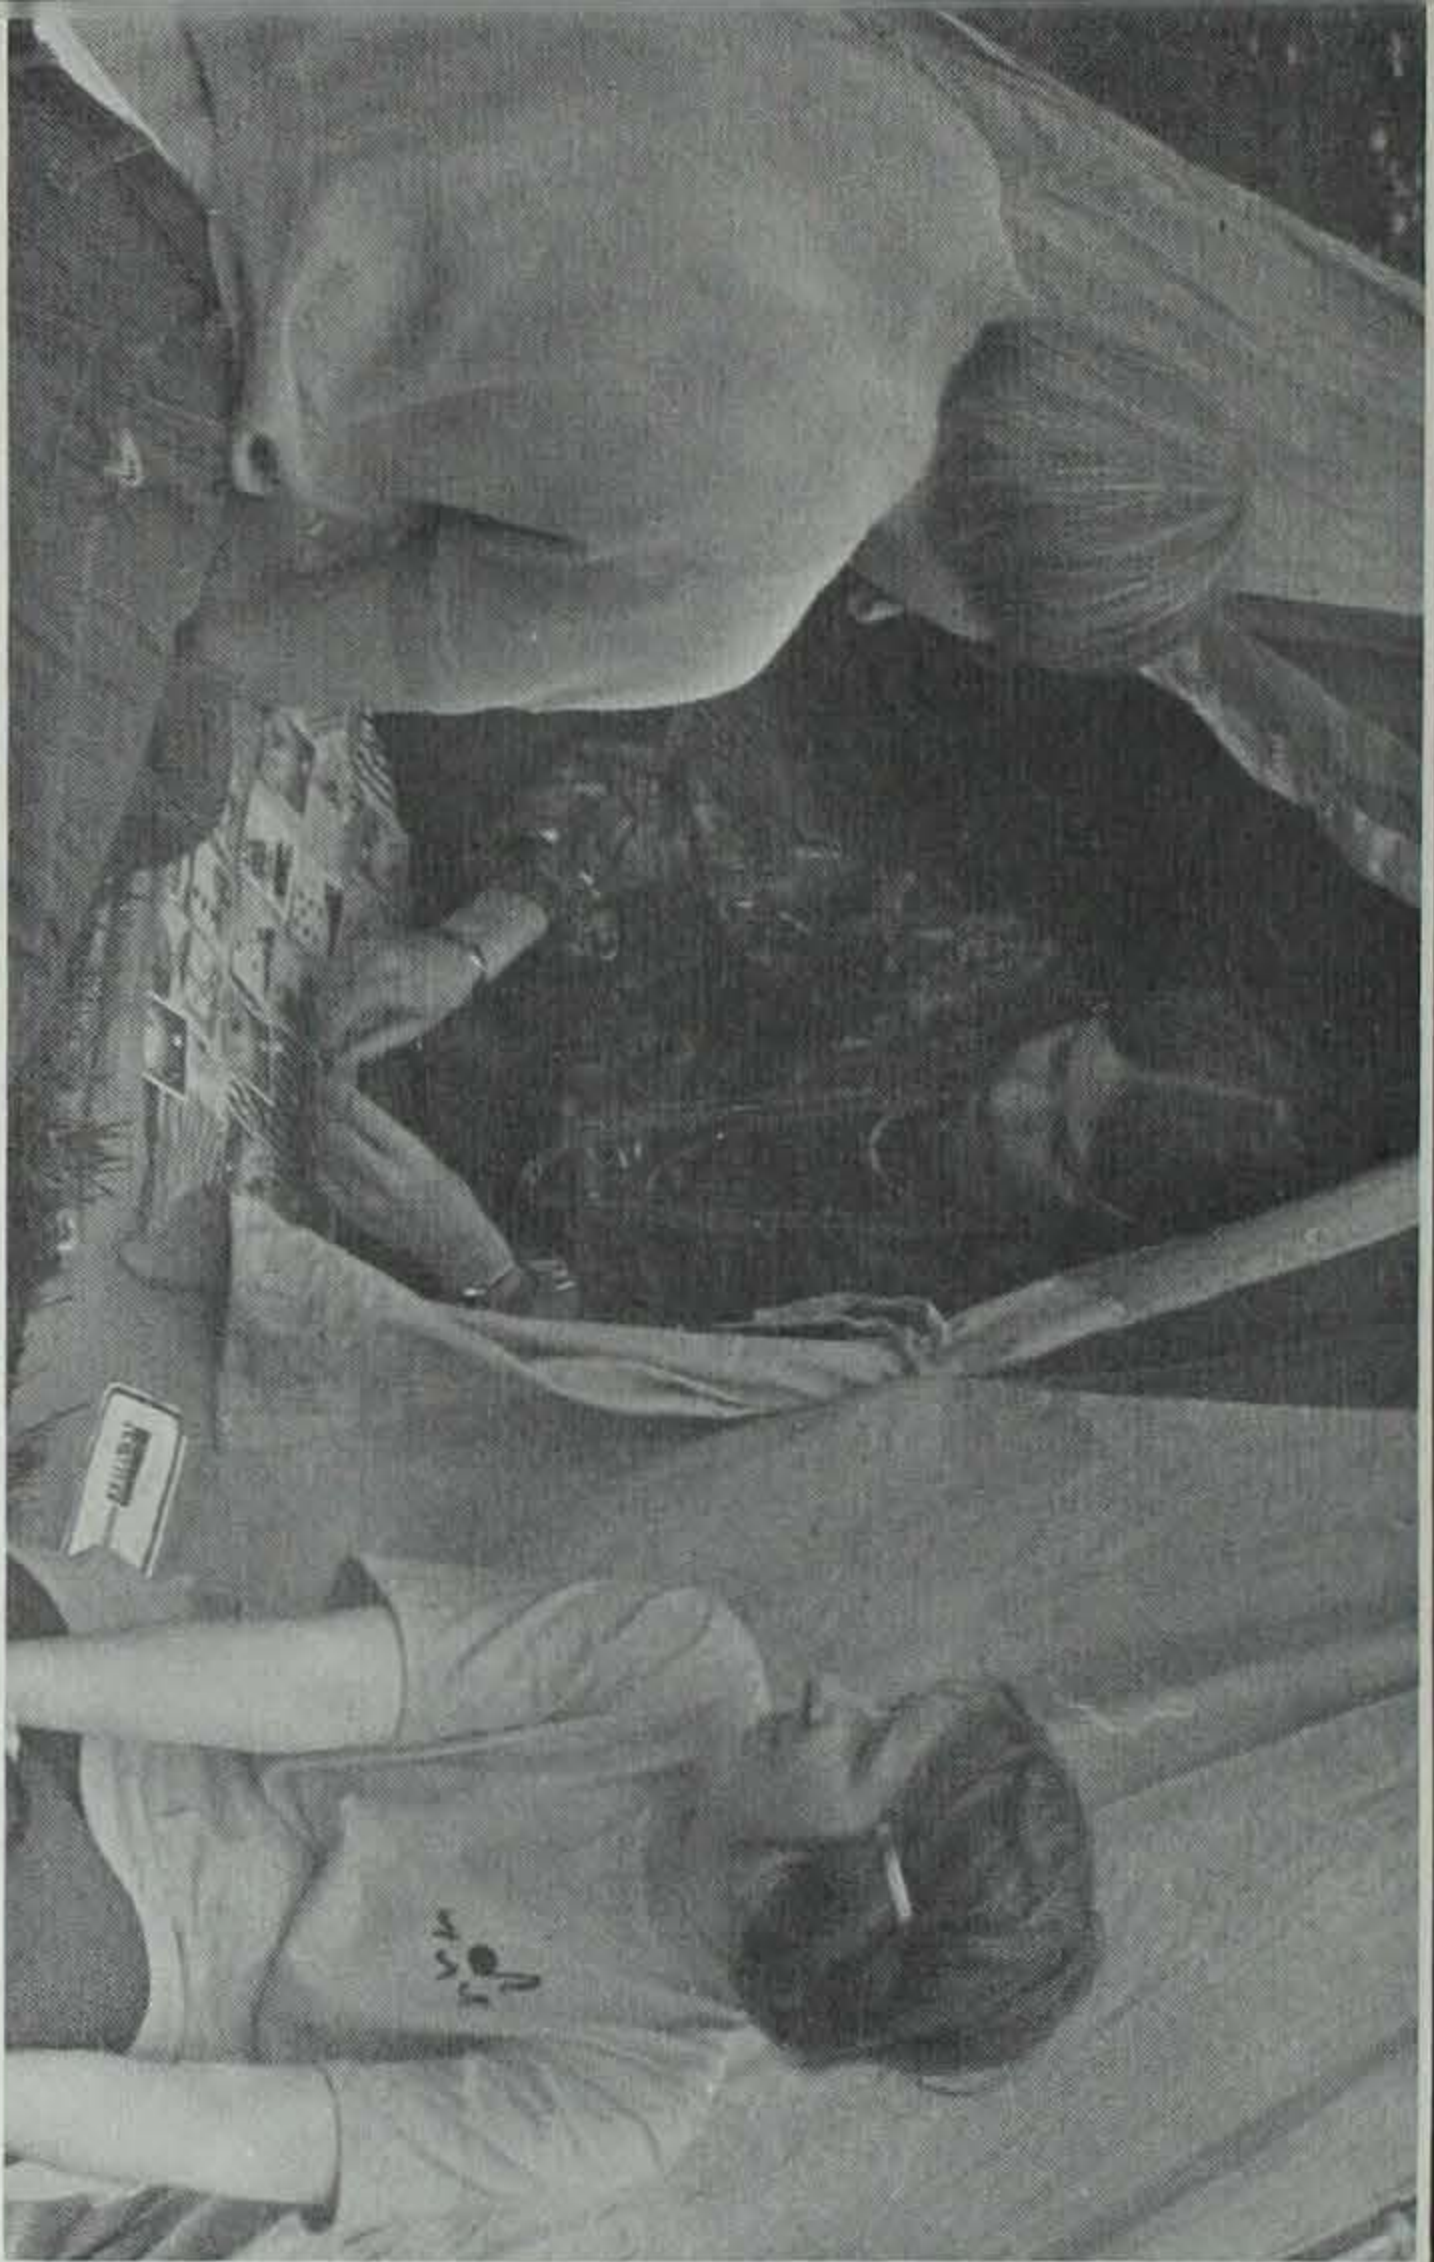

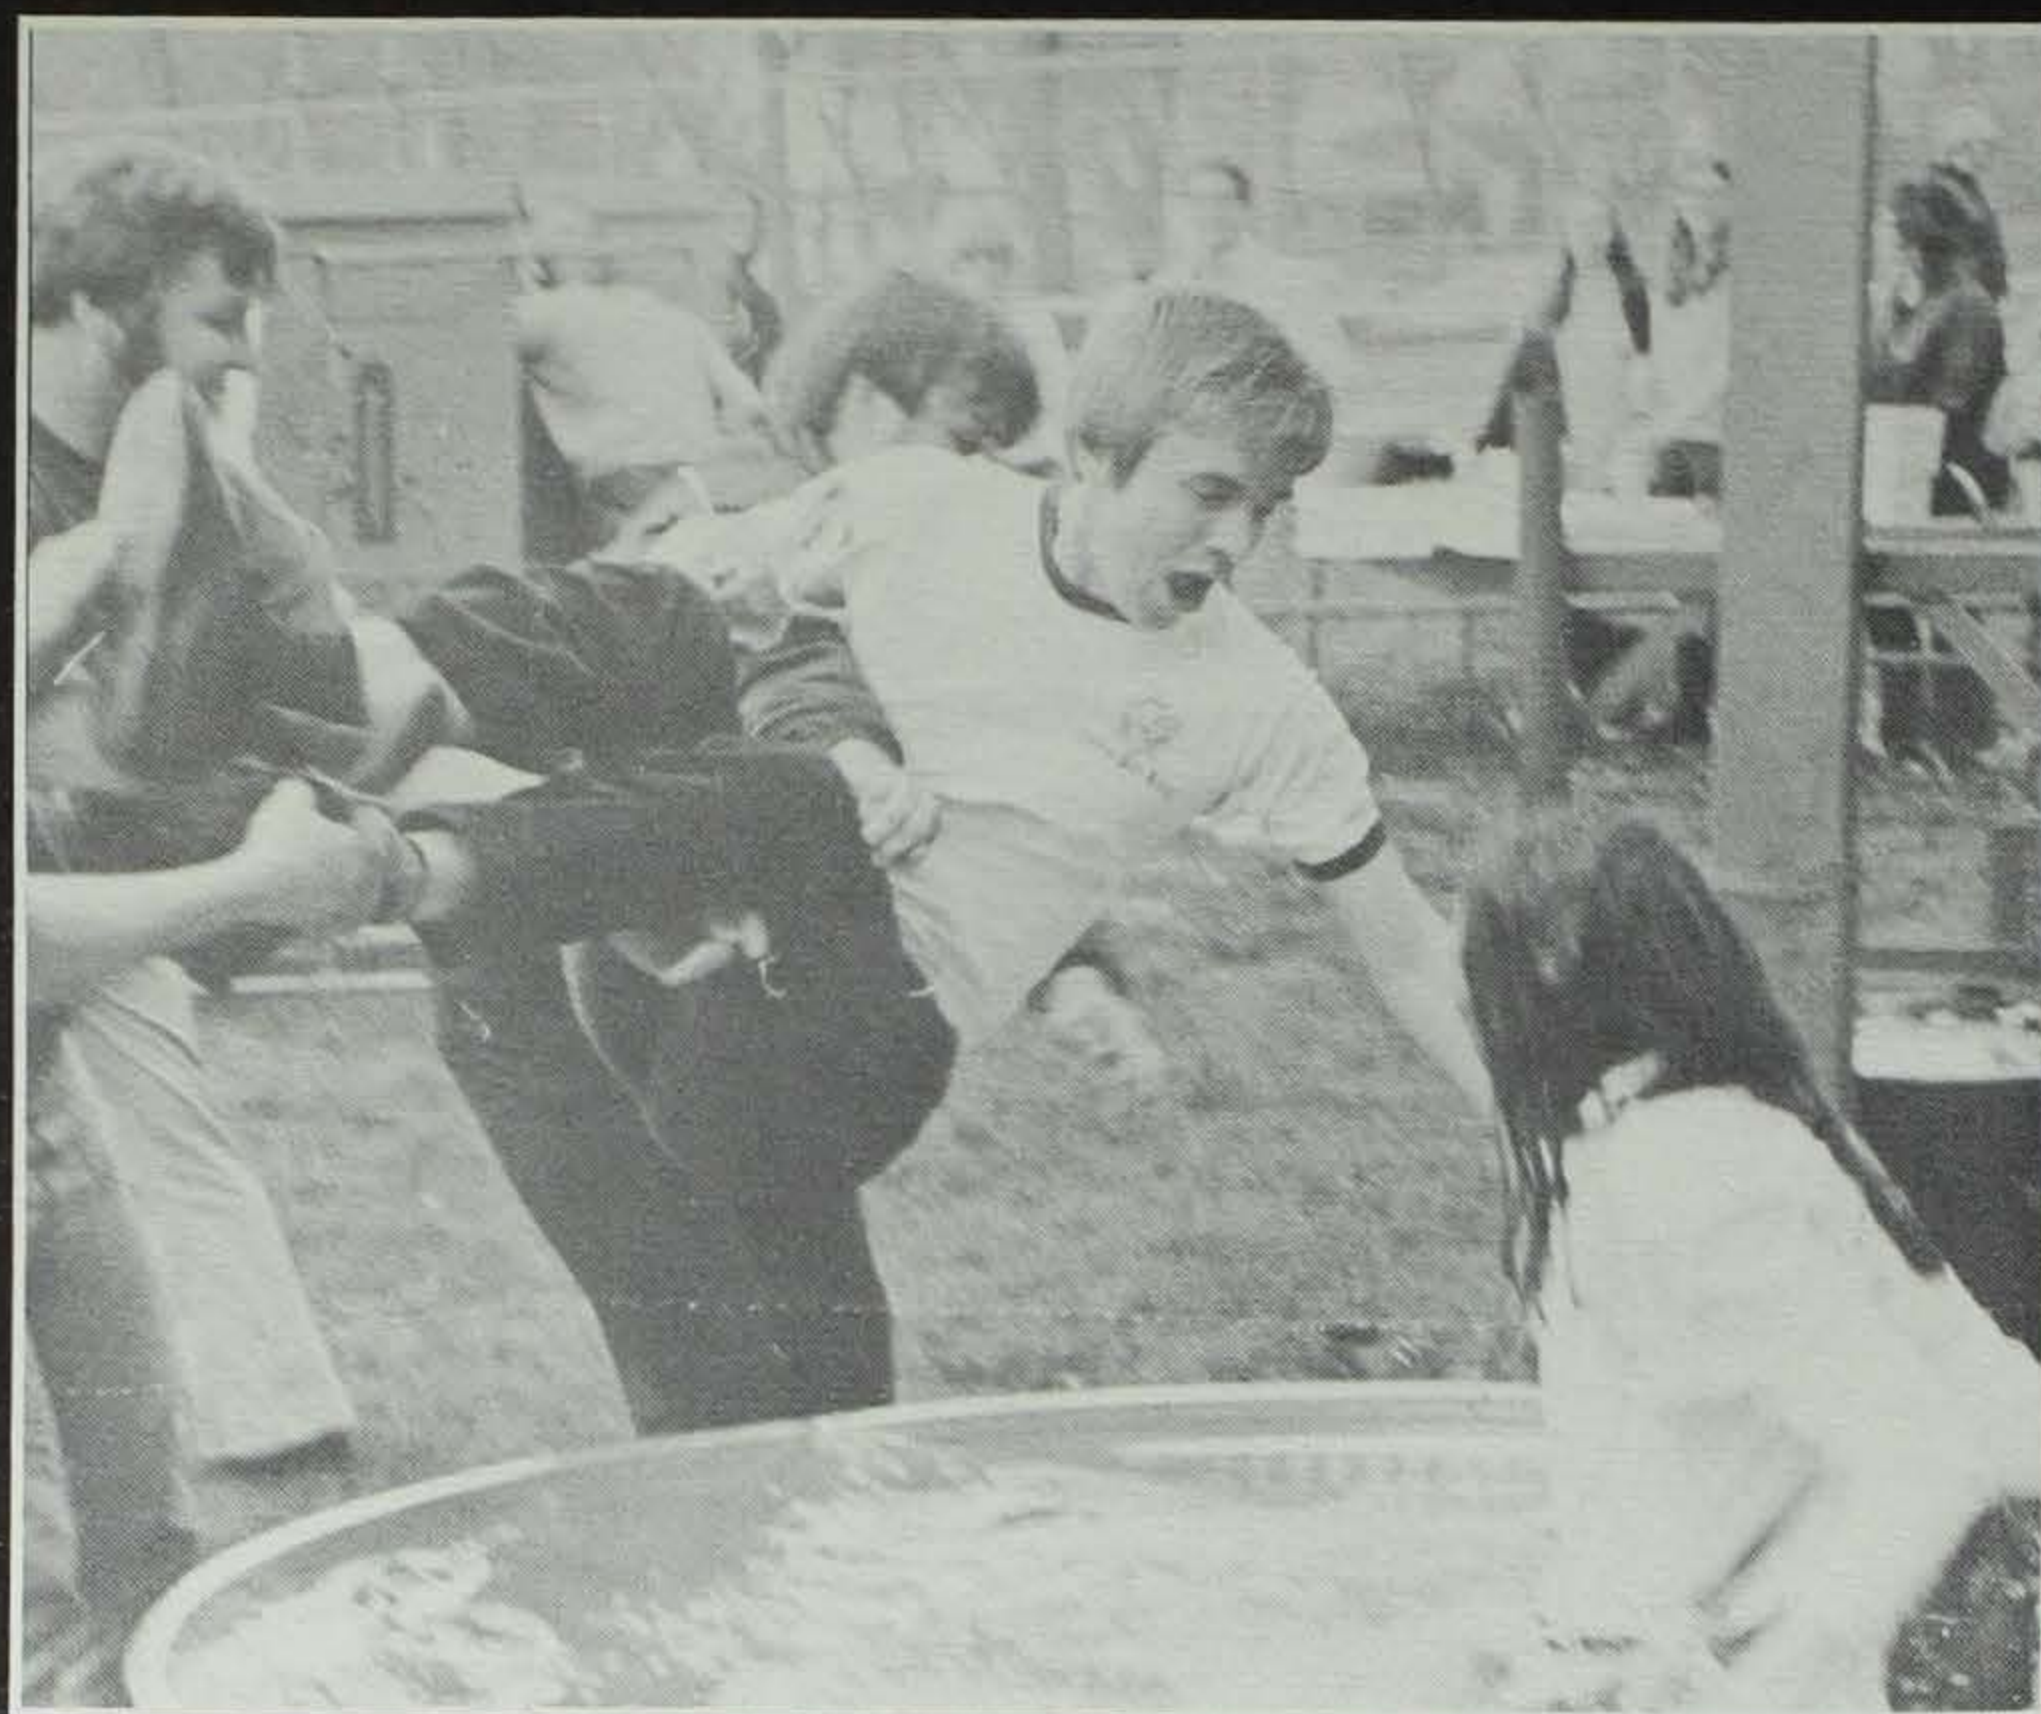

The last weekend before finals, Spring Carnival activities began. Classes dismissed early Friday provided for clubs and residence floors to set up booths, only to be taken down fast as a light spring rain hampered the activities.

The games and water fight planned for Friday evening fell through with a steady down pour of rain.

Saturday night saw clowns John Zuerrer and Beth Hoskins crowned at the dance. An all Black band traveled from Omaha to play for the few couples that wanted to dance, while others stood and listened.

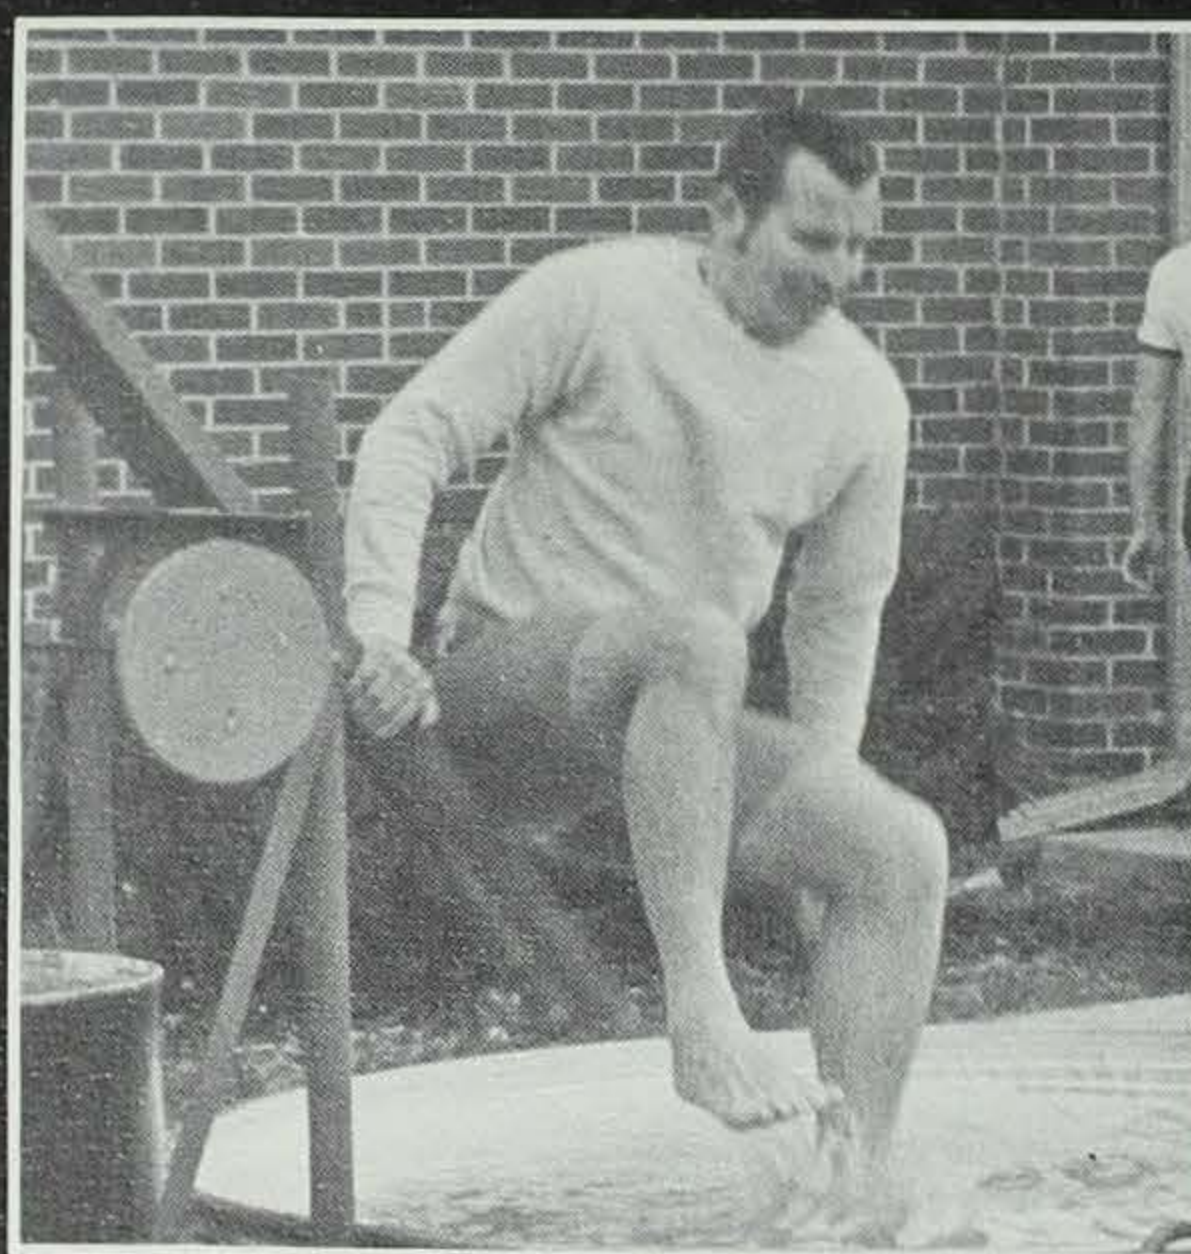

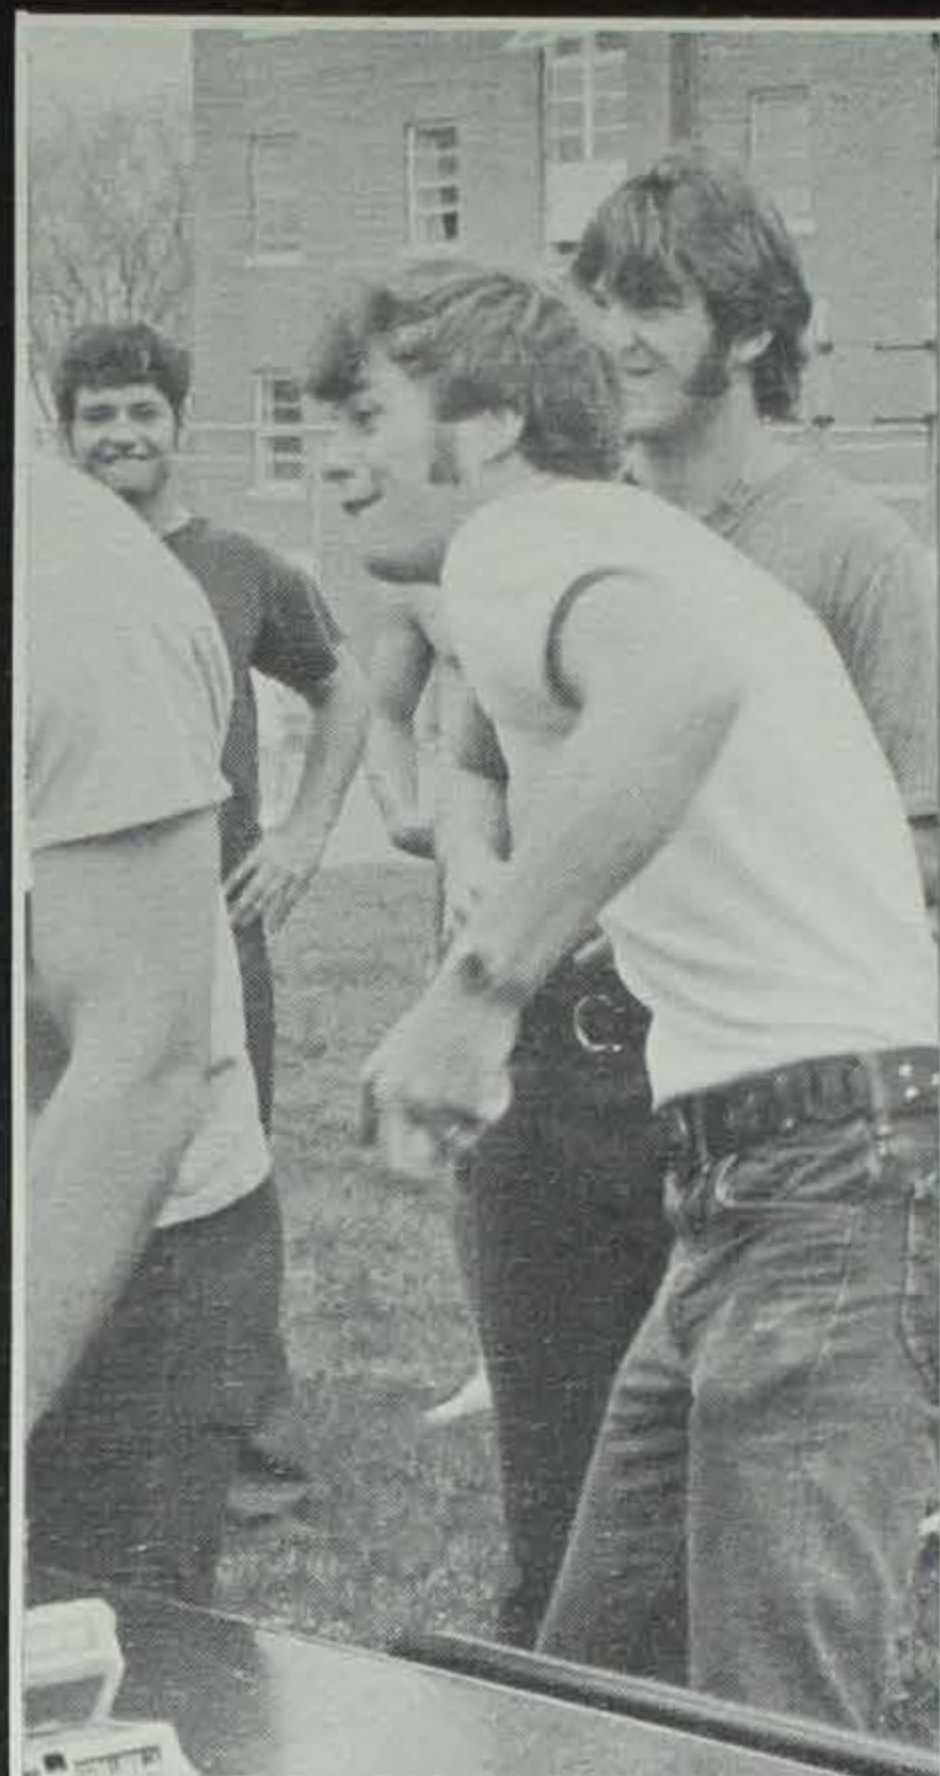

All Wet With Biology Dunking Booth

The Biology Club provided the annual dunking booth. Administration and faculty members were scheduled for short dips in the warm water, the bottom three pictures shows Gunnar Wikstrom in action.

Shortly before the rains came different people got thrown into the water. Here Bob Jones, top, is bodily thrown in, and then Kris Lindsay throwing out her wet shoe.

Many other unsuspecting people got their feet wet in the warm water of the Biology Club's booth.

FOOTBALL

In his second year as head football coach, Jim Hershberger piloted his 1971 Beaver grid squad to 6-2-0 mark, the best BV record in recent years. Captained by Mike Stapleton and Tom McGrain, the Beavers thumped all opposition with the exception of league champ Luther and stubborn Central. Highlight of the 1971 campaign was

a convincing 24-12 victory over Simpson on a cold and blustery Homecoming day. Buena Vista fans packed Bradford Field at all home contests and followed the much improved grid squad on several road trips, including the Central outing in which several hundred made the journey to Pella.

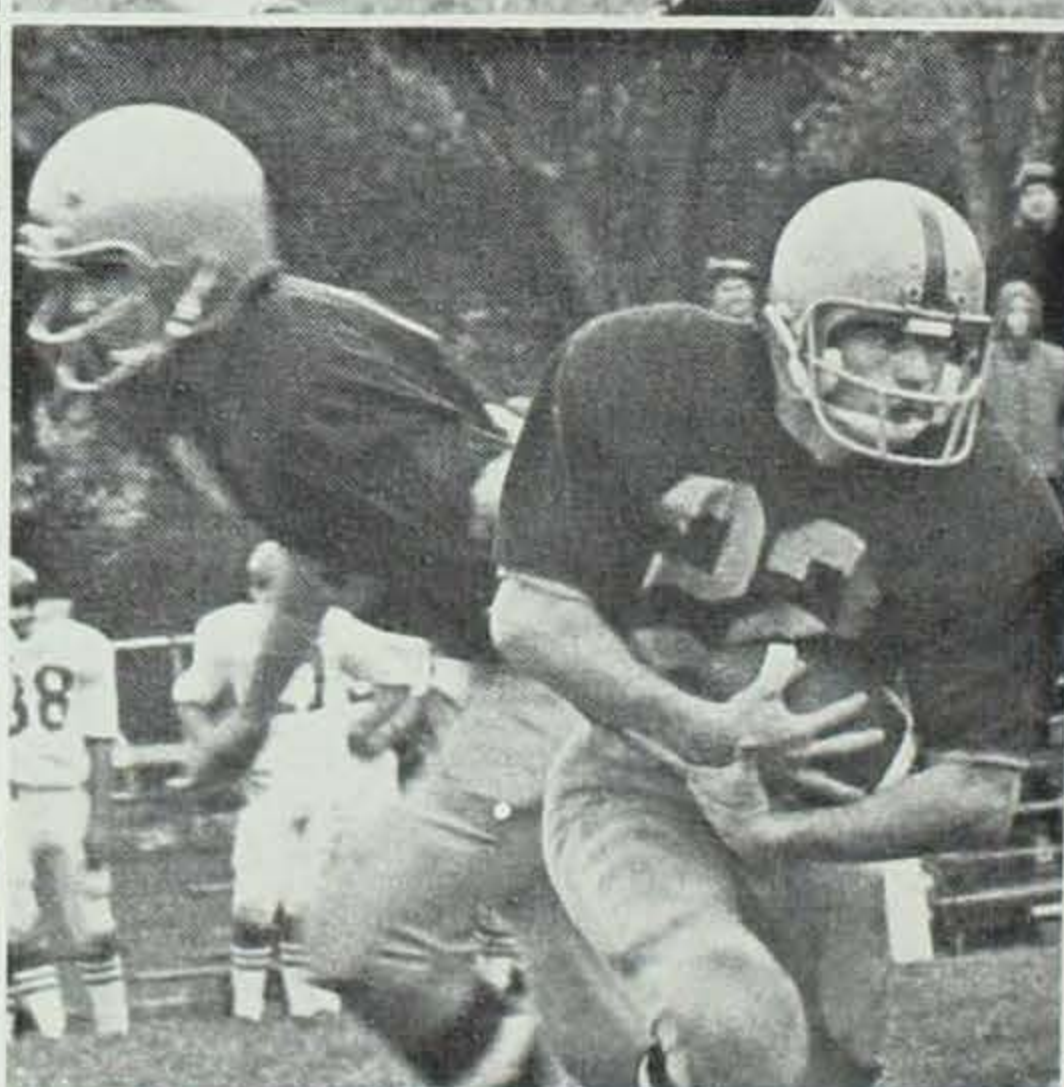

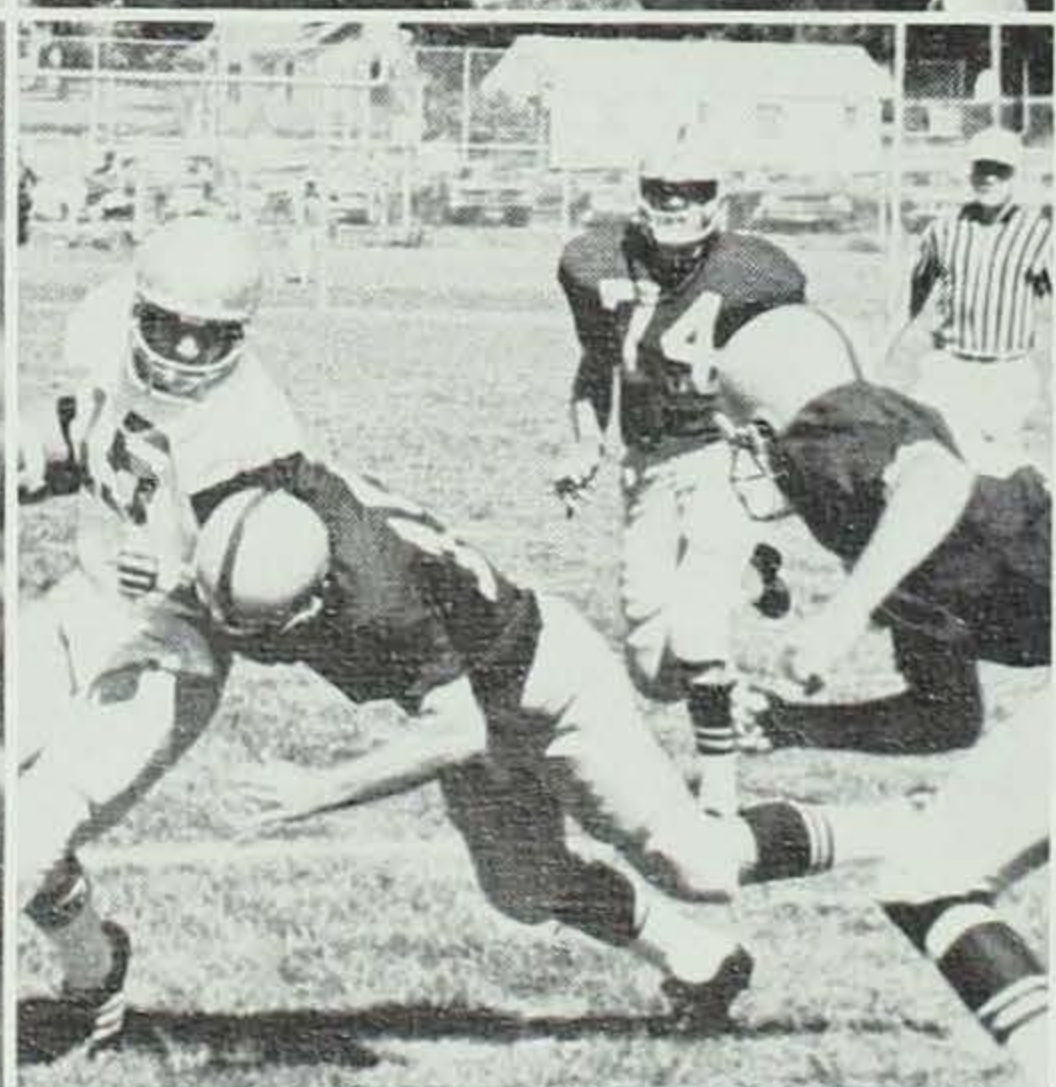

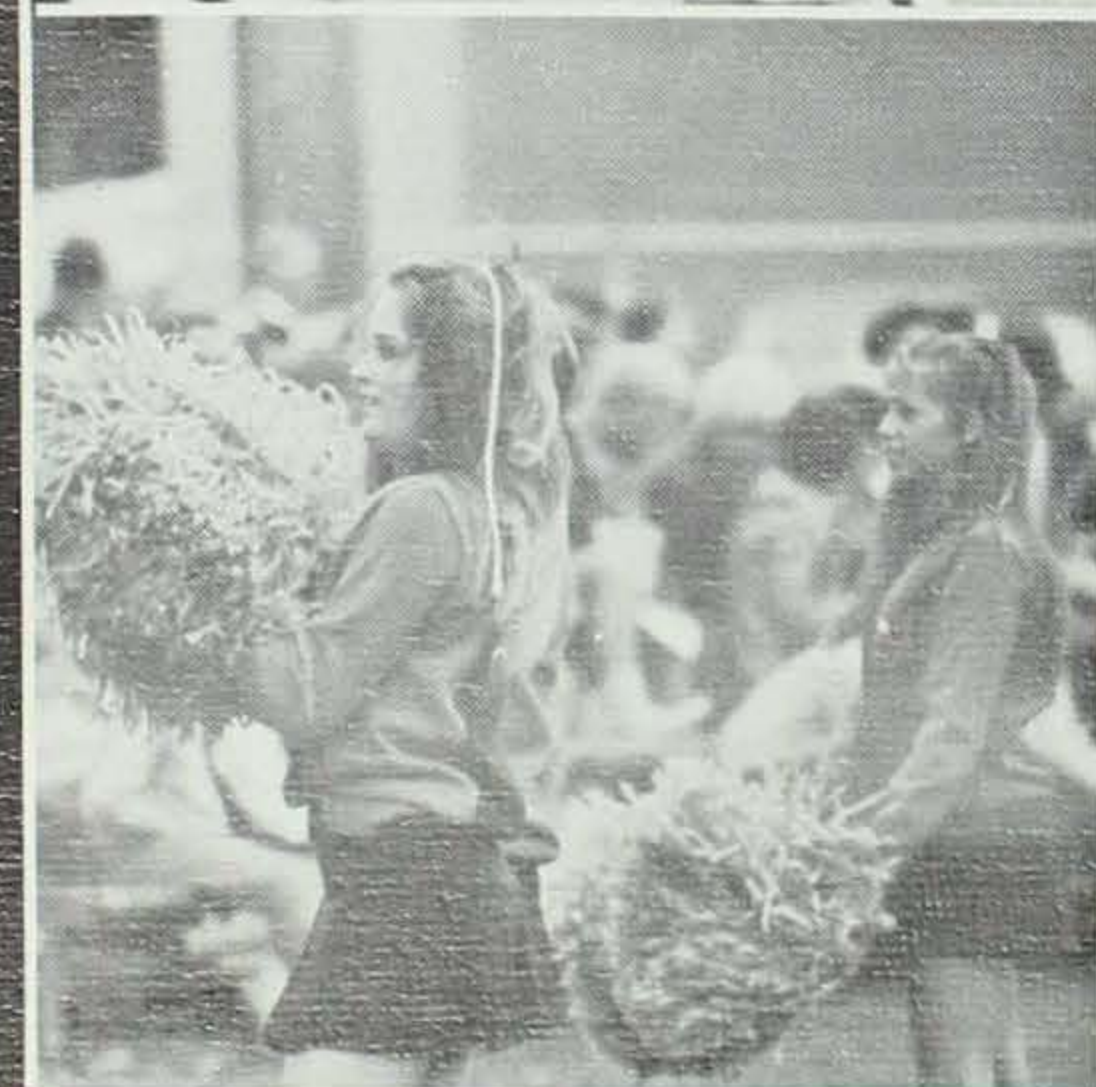

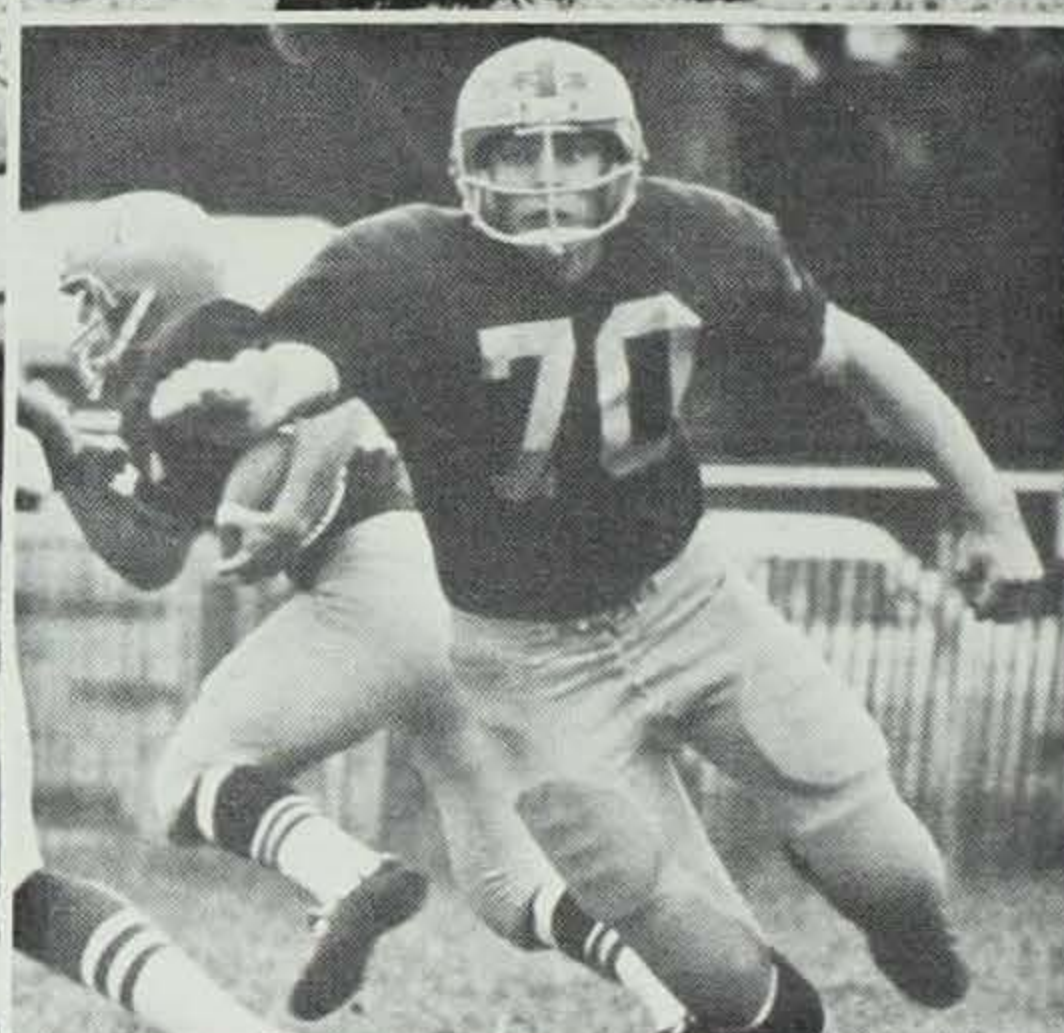

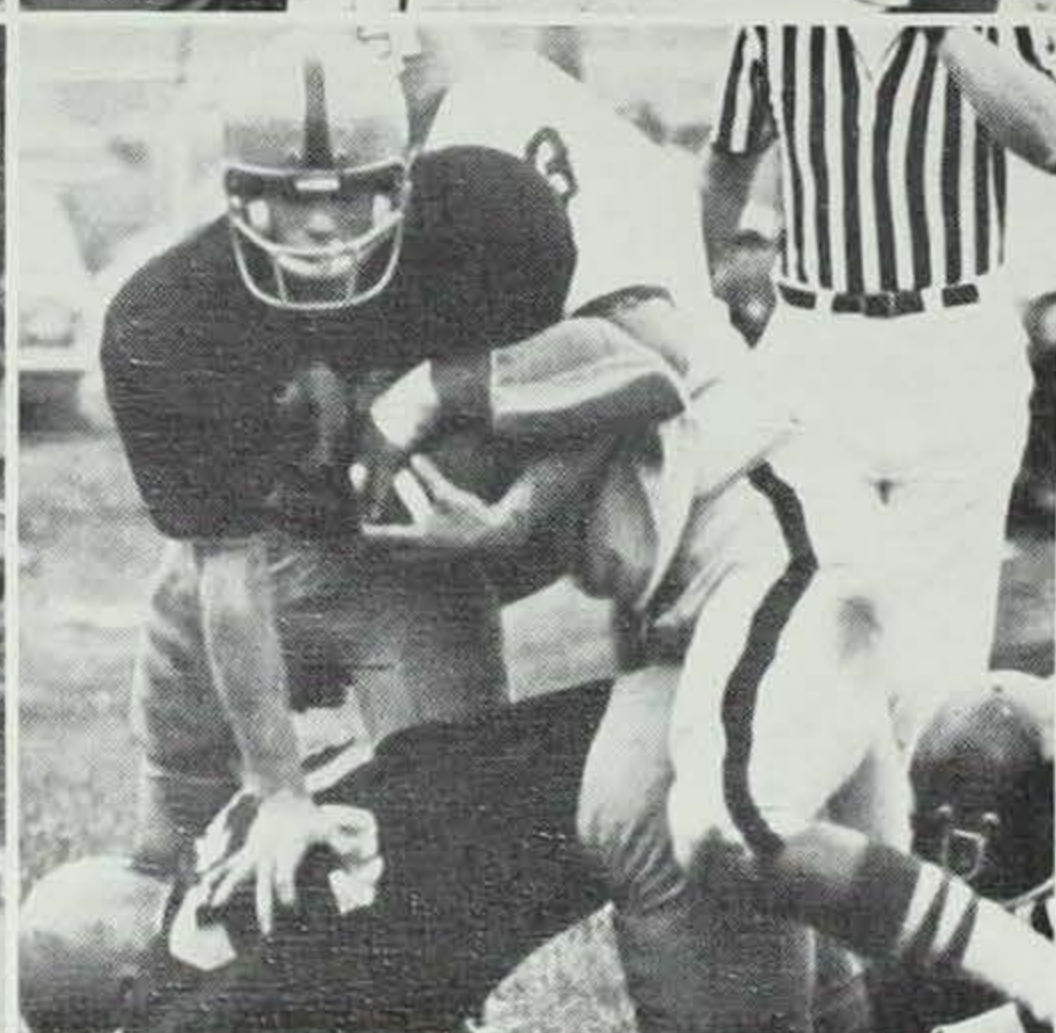

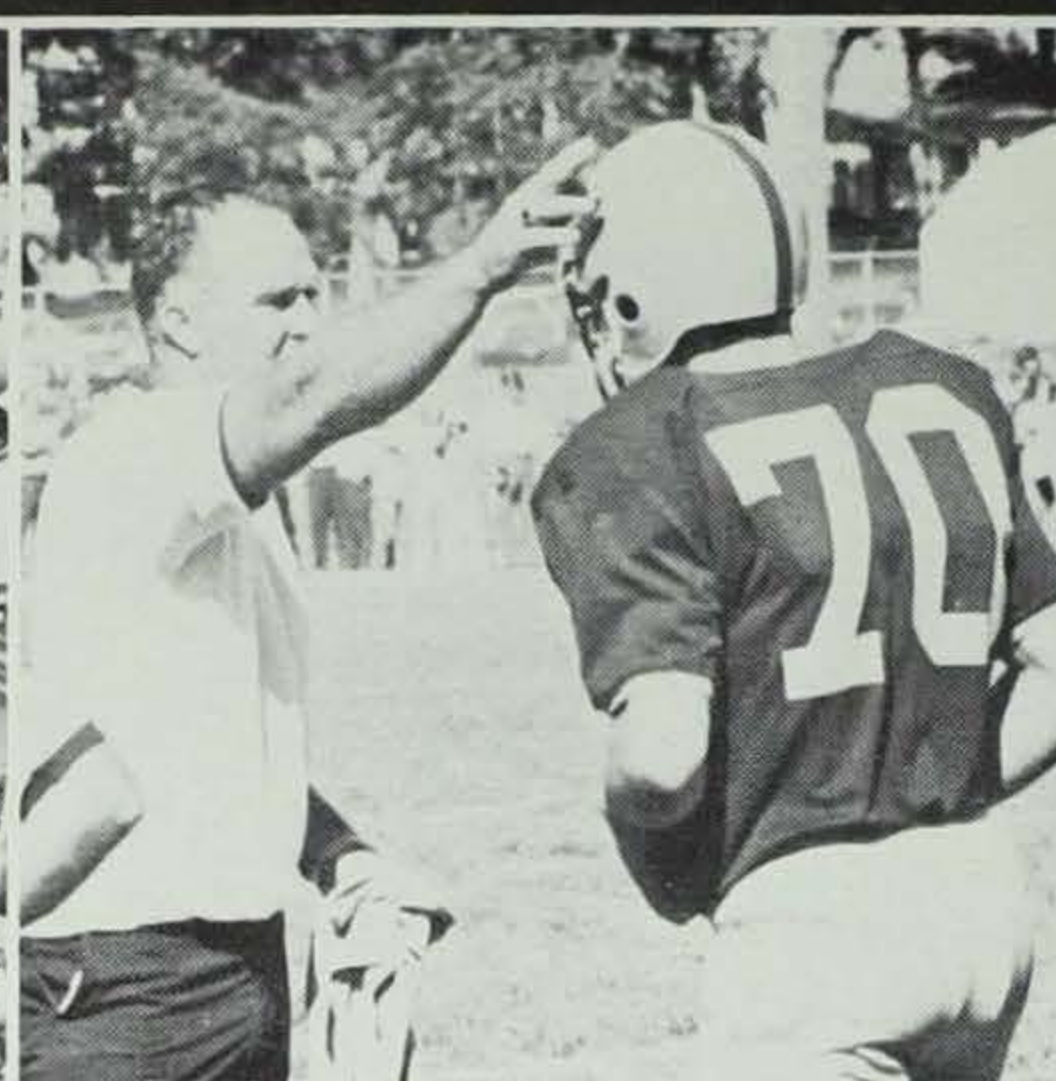

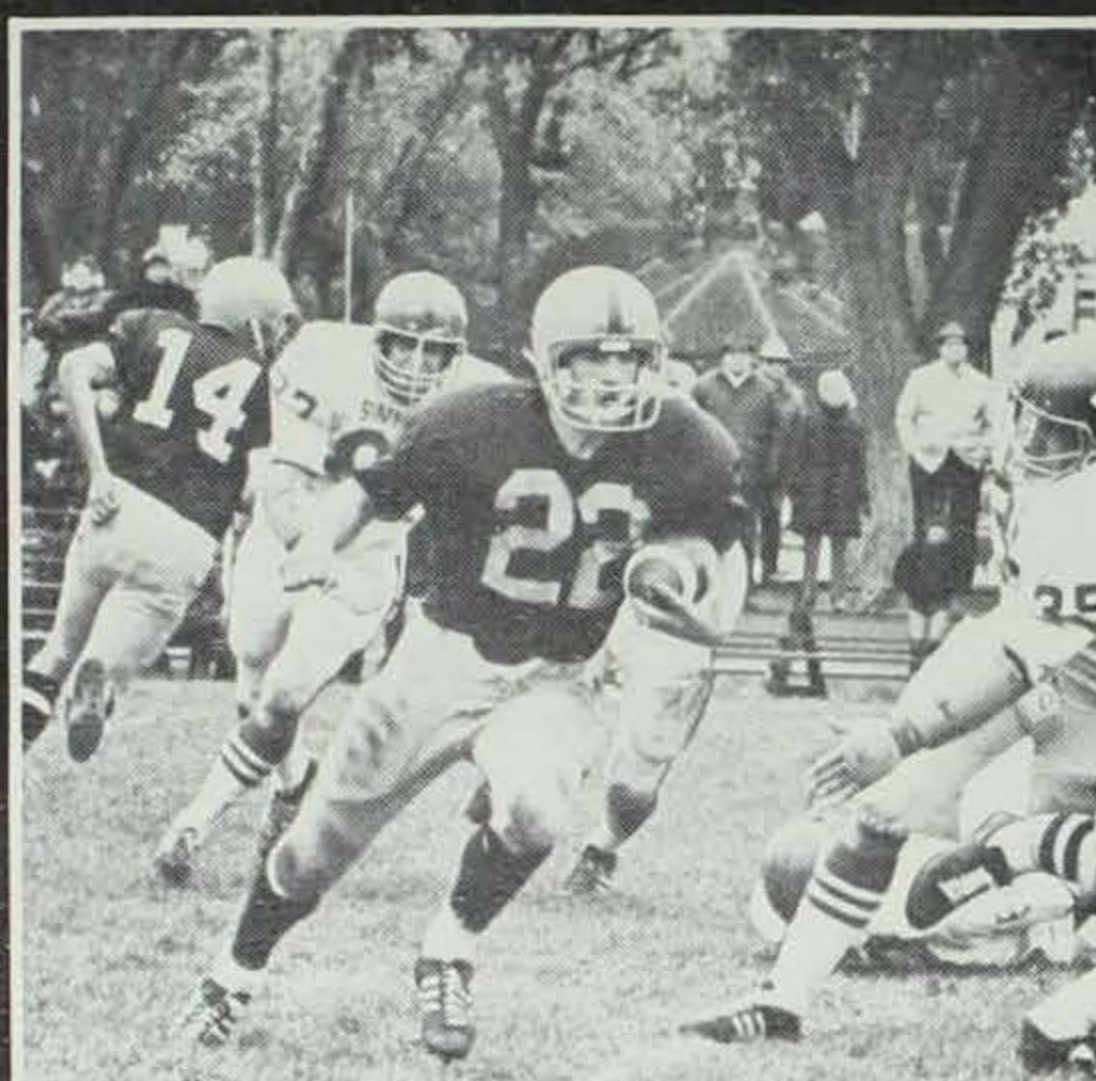

Several Beavers made league honors or placed high in the statistics of the Iowa Conference. Tom McGrain was honored with the Most Valuable Player award as Lance Lage was given credit for the longest interception return in the conference. Lage returned an interception pass 78 yards against Upper Iowa.

In the rushing category, Dave Dolan placed

5th with 463 yards and Jim Kennedy 9th with 317 yards. Jeff Lamb led the IIAC in pass receiving by making 28 receptions for a total of 261 yards. Team mate Dolan was 6th with 13 catches for 121 yards.

In the passing department, Charlie Mulligan ranked 3rd in the IIAC, 48 pass completions for 489 yards and two touchdowns. Kevin McDonald was 9th in punting with a 29.9

average while Kennedy was 3rd in scoring with 5 touchdowns for 30 points.

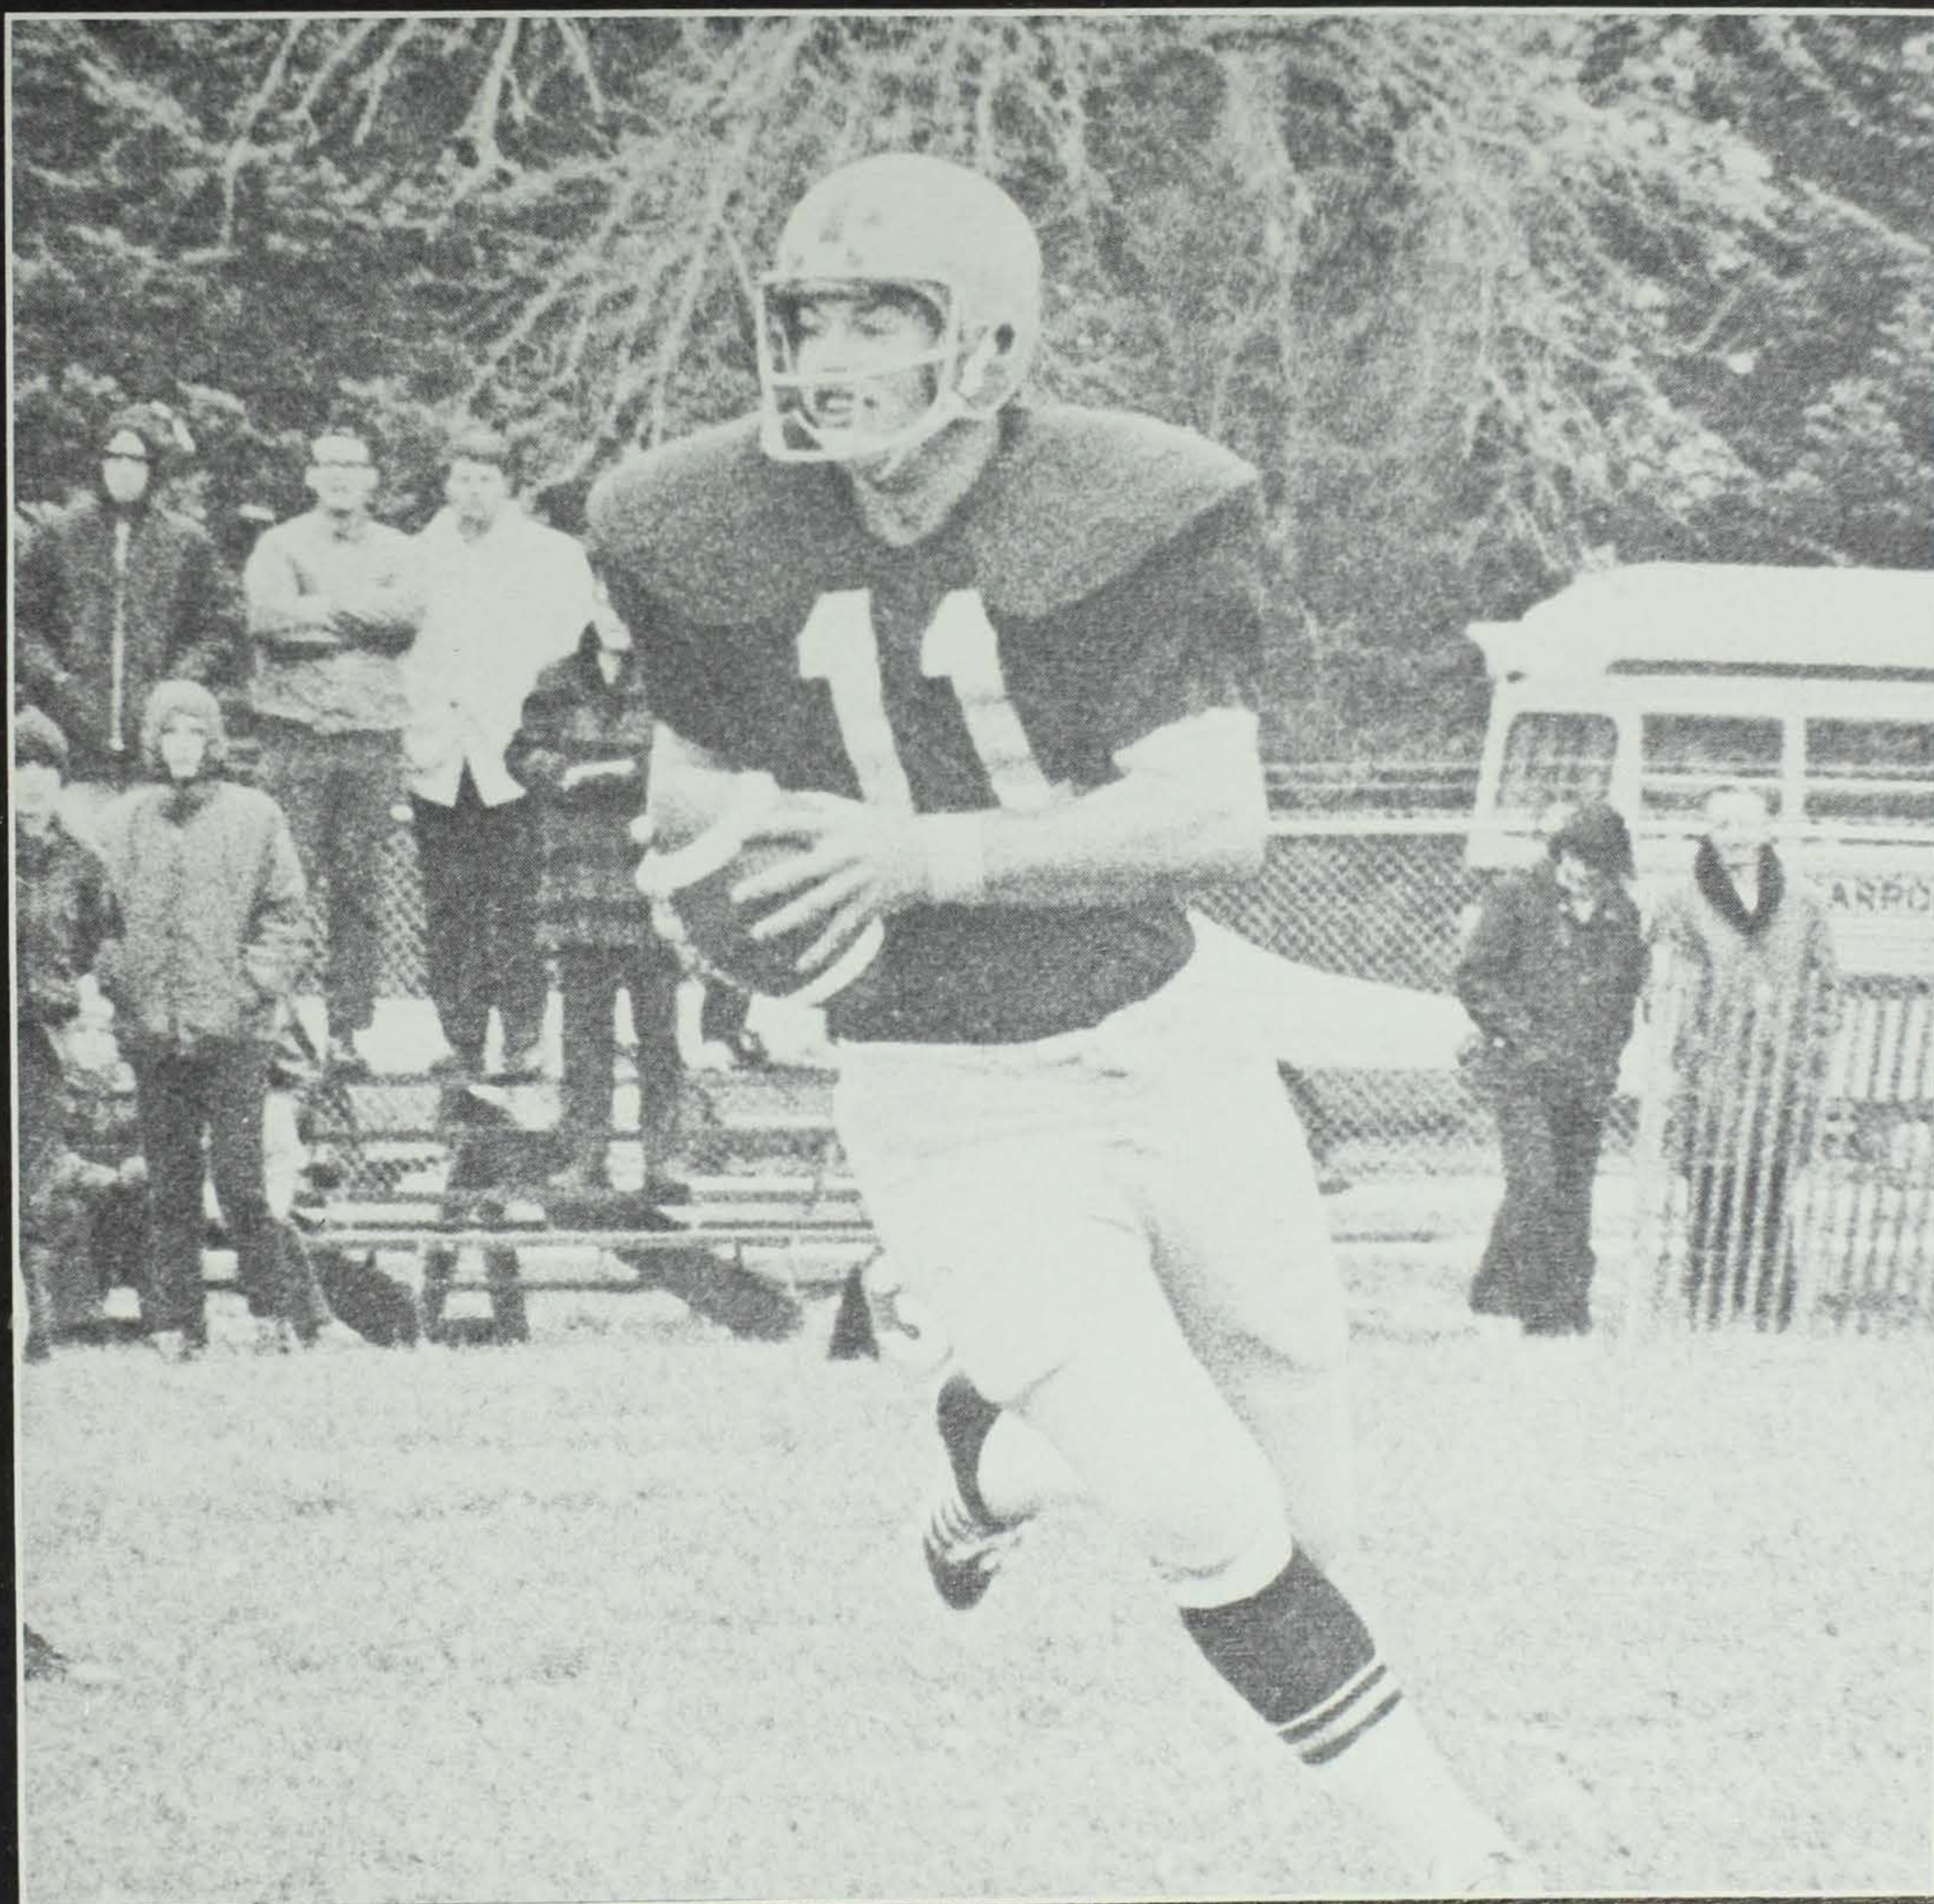

On total offense (based on yards) B.V. placed two men in the top 10. Mulligan was 3rd with 704 yards for a 3.7 average and Dolan was 10th with 463 yards and a 2.9 average.

Teamwise, the Beavers were fourth in both offense and defense. B.V.'s total offense

was 1738 yards for a 248.2 yard average.

On defense, headed by John Fay, Jerry Bisenius, and Eric Schmidt, the Beavers allowed only 1731 yards.

In all, 37 men lettered this season and only five closed out their college career at Buena Vista. They were: Gail Gebers, Phil Lawler, Eric Schmidt, Mike Stapleton, and Steve Wegner. It looks as though 1972 should be the year of the BEAVER in the IIAC

Buena Vista College's 1971-72 basketball team more than held its own against non-conference opponents but ran into trouble in league play.

The Beaver cagers posted a 10-15 over-all record. But in Iowa Conference action the Storm Lake quintet could muster only a 4-10 record for seventh place in the eight member loop.

BVC did field one of league's top scorers in Donn Coker. In 14 loop games the senior poured in 284 points to rank third in the conference scoring standings

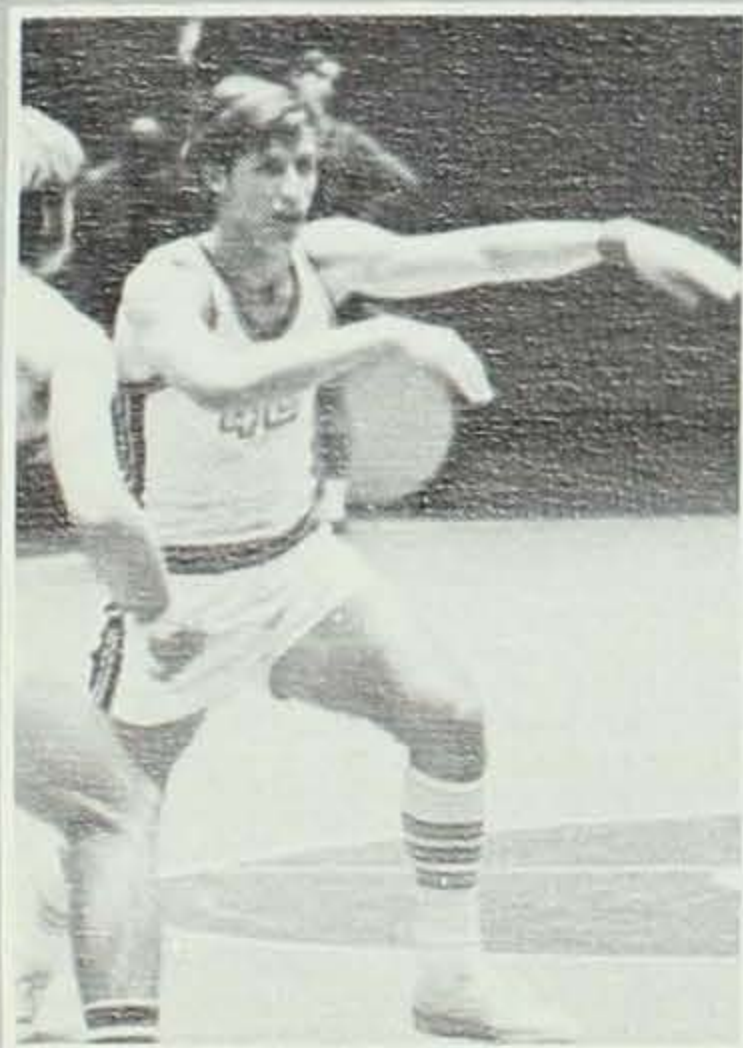

with a 20.3 average. He was also ninth in the loop rebounds (8.1 per game), seventh in field goal percentage (47.9) and third in free throw percentage (74.2).

Another senior, Mike Christensen, closed out his playing career at BVC tied for third place on the all-time career scoring list. Mike tallied 19 points in the final contest for 1,114 career points, matching Cliff Mortenson.

Other seniors ending play at BVC were Duane Christensen, Craig Harper, and John Heitshusen.

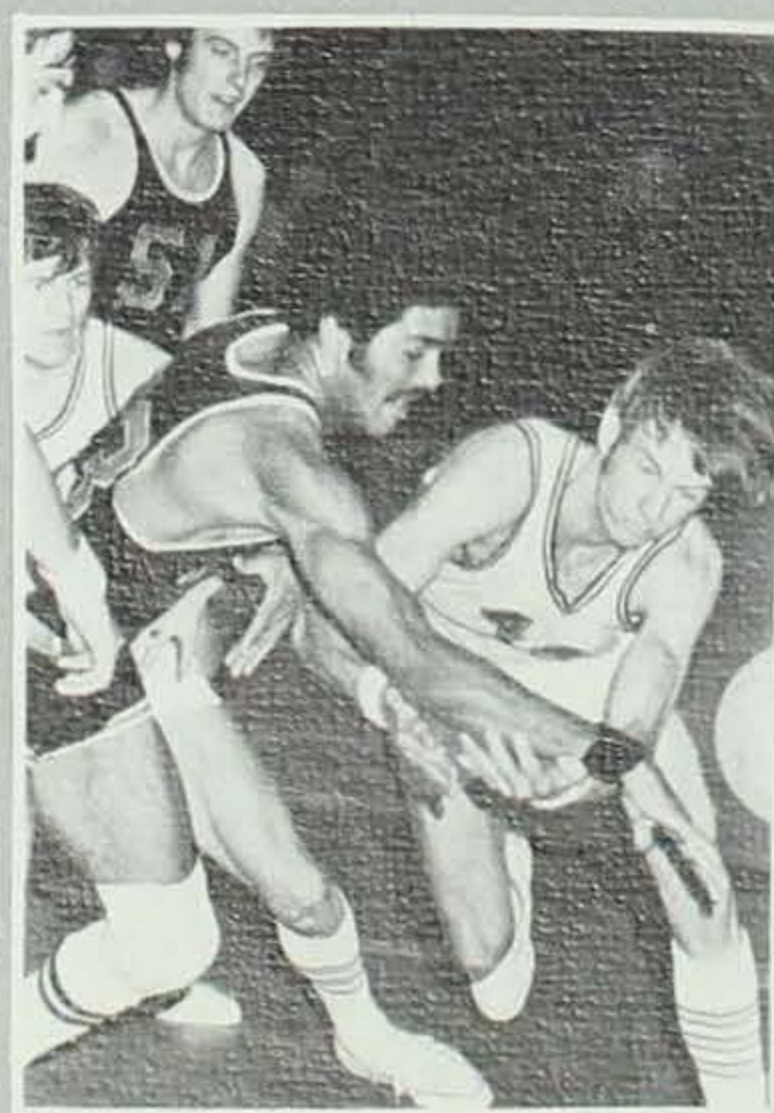

BV 80 Morningside 90

After a slow start, the Beavers managed to battle back to within 6 points in the second half before bowing to Morningside of Sioux City, 90-80, at Morningside.

BV 102 Westmar 114

The home opener for Buena Vista was a real thriller, but the Beavers came out on the short end of the double overtime game with Westmar 114-102. BV never trailed in the first half, but the second was a see-saw battle.

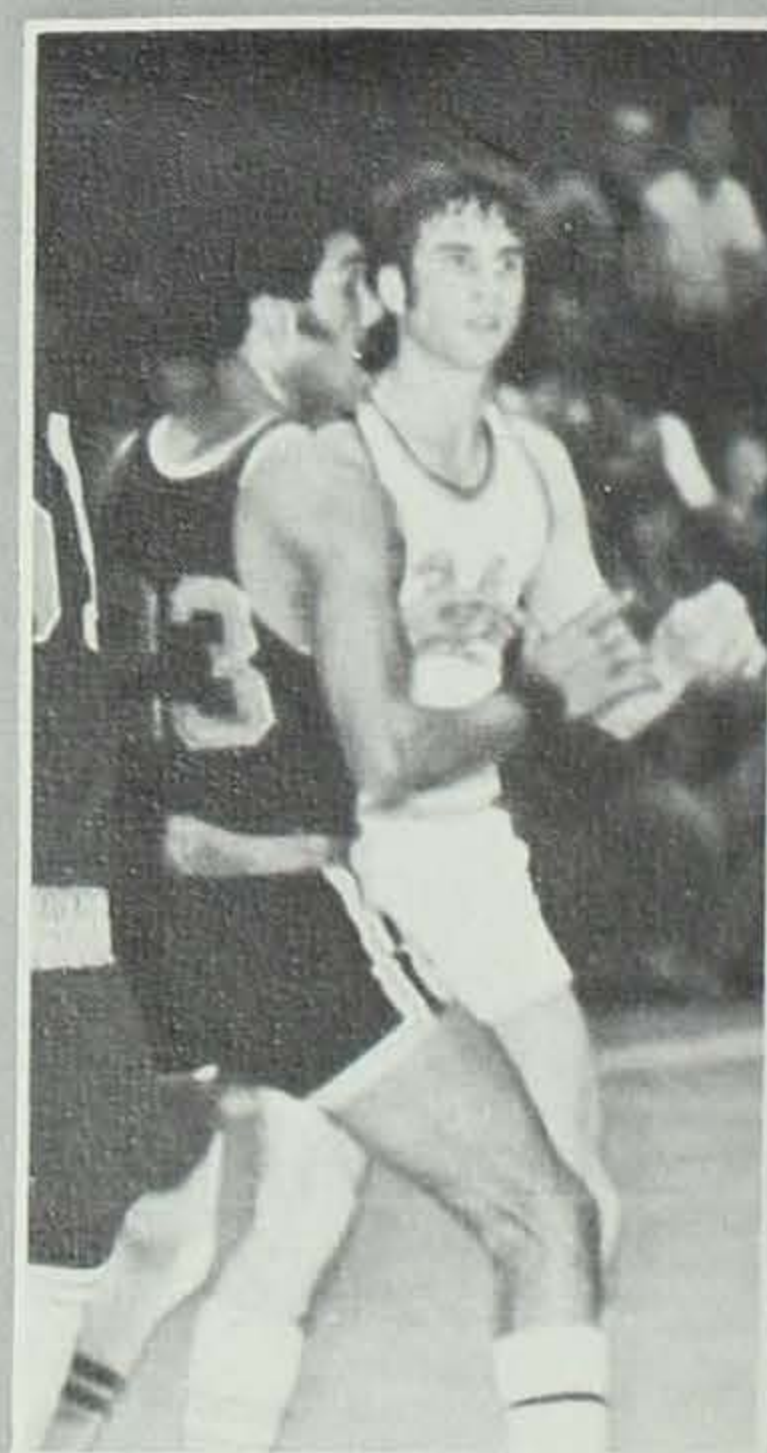

BV 70 Cornell 73

On December 7, despite the rallies put on by the Beavers, the efforts were futile as they fell victim to Cornell College of Mt. Vernon. Kurt Mass and John Heitshusen were scoring leaders with 17 each.

BV 51 Wartburg 71

On December 10, the Beavers lost an all important Iowa Conference game to Wartburg. Kurt Mass led scoring with 18 and Mike Christensen pitched in for 13.

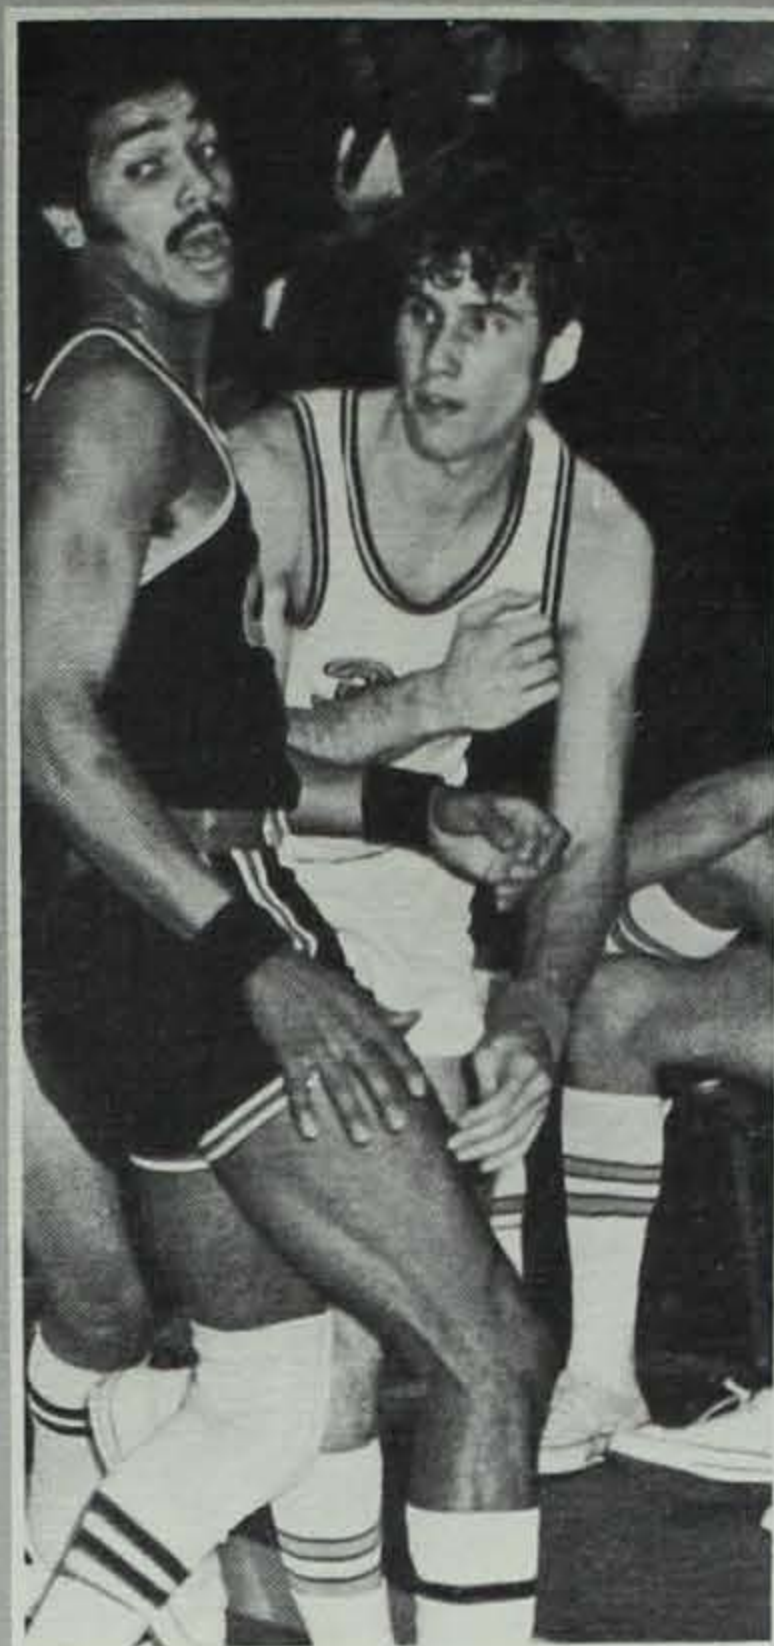

The Beavers first victory of the season came with the December 11 meeting with Dana College. John Heitshusen was high for the Beavers with 15 followed closely by Donn Coker with 12.

BV 67 Dana 59

The Beavers hit for 44% in their second win over Midland here January 4 in an overtime game. Jim Egli came off the bench to hit 14 important points for the victory. Donn Coker was high again with 25 followed by John Heitshusen with 21.

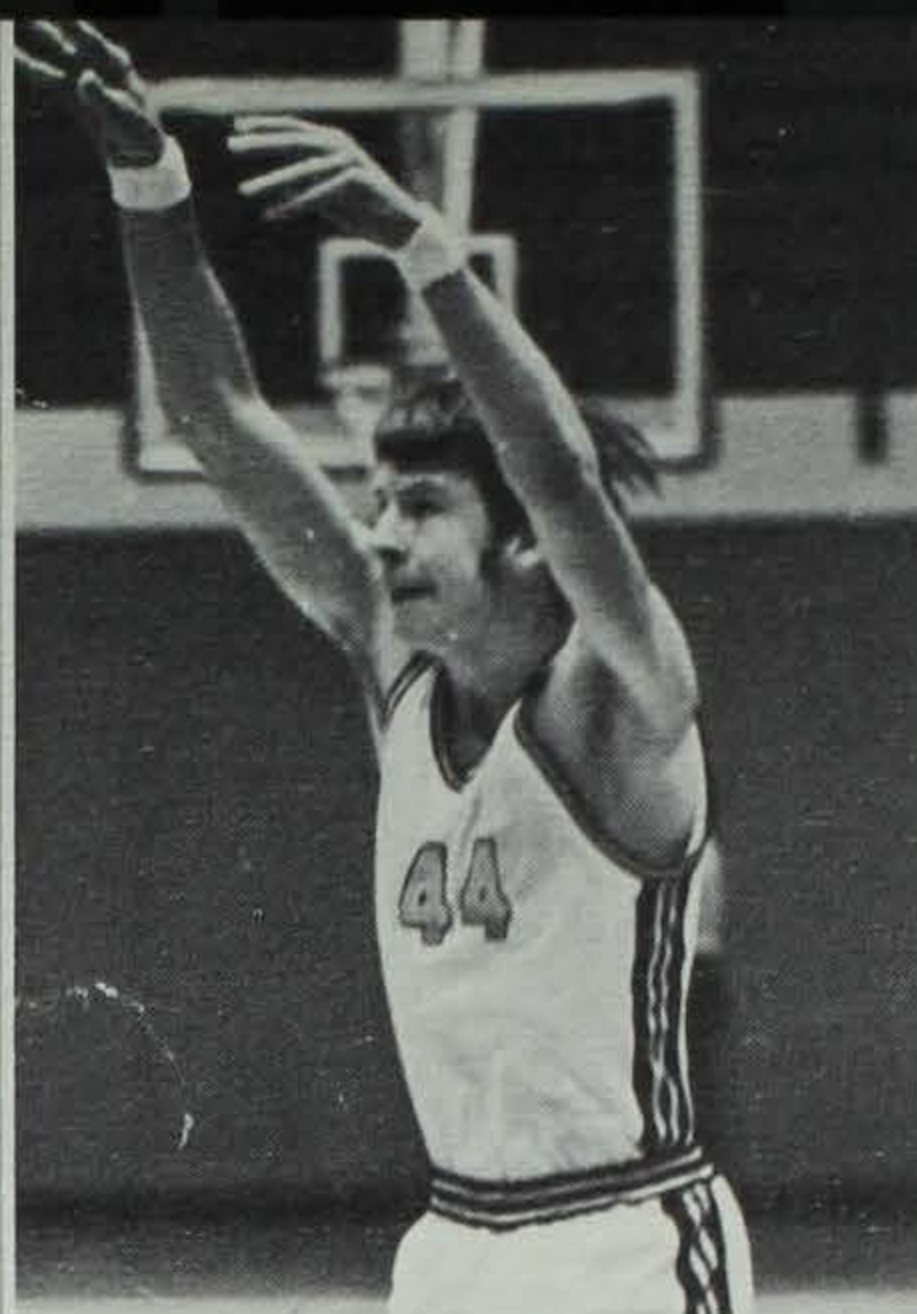

BV 95 Midland 88

Kurt Mass gave a good performance last Friday night as he hit 29 points in a lost cause. Both teams hit 25 field goals but the difference was in free throws. Coker was in for 10 points.

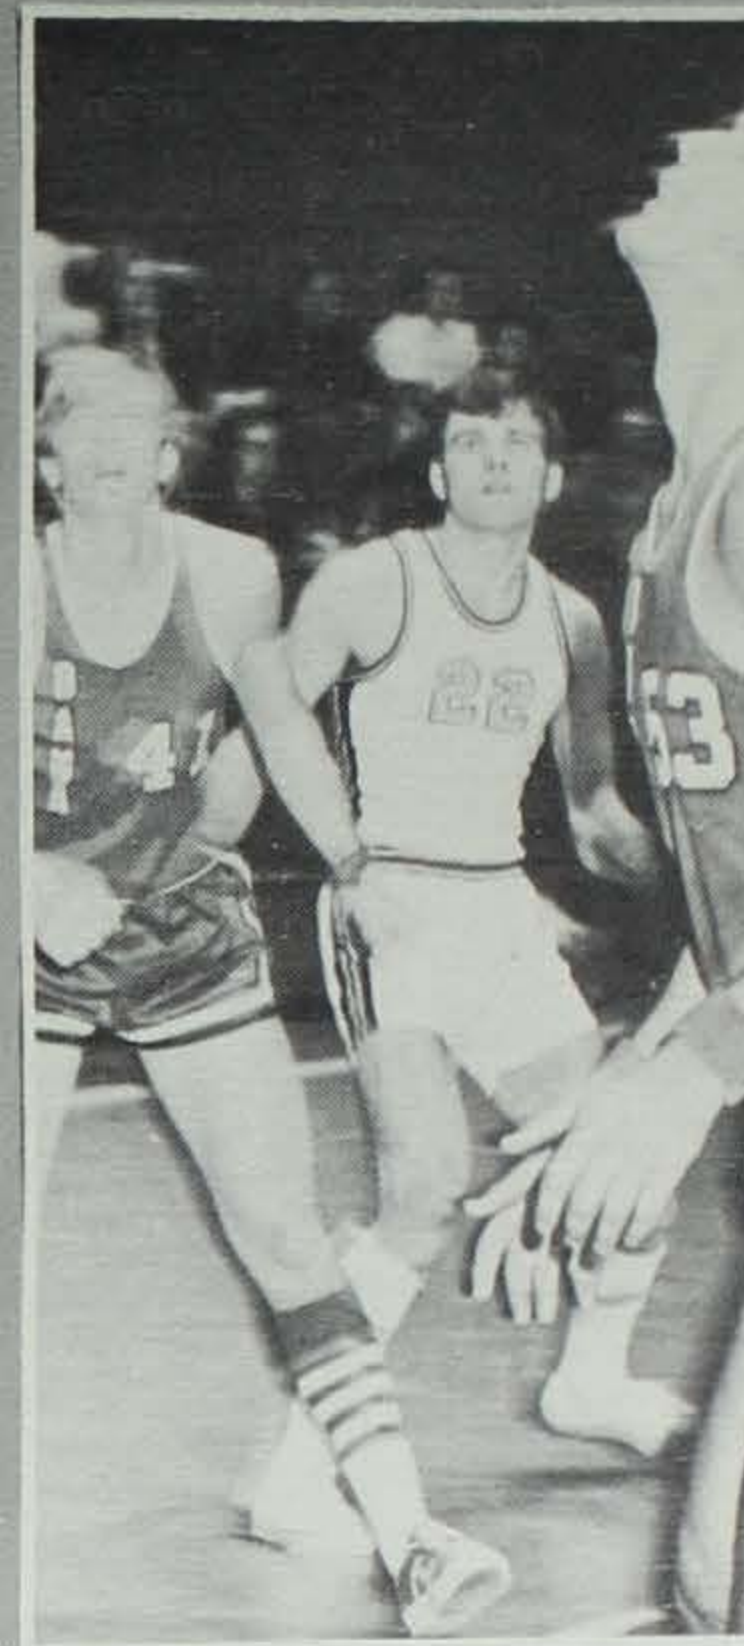

BV 62 William Penn 73

Buena Vista won its first conference game at Dubuque 84-80. Donn Coker led all scorers with 40 points - the school record for BV twice before attained. Coker hit 18 of 21 field goals and four of four free throws for 40 points. This put the BV record at 1-2 for the conference and 4-6 overall.

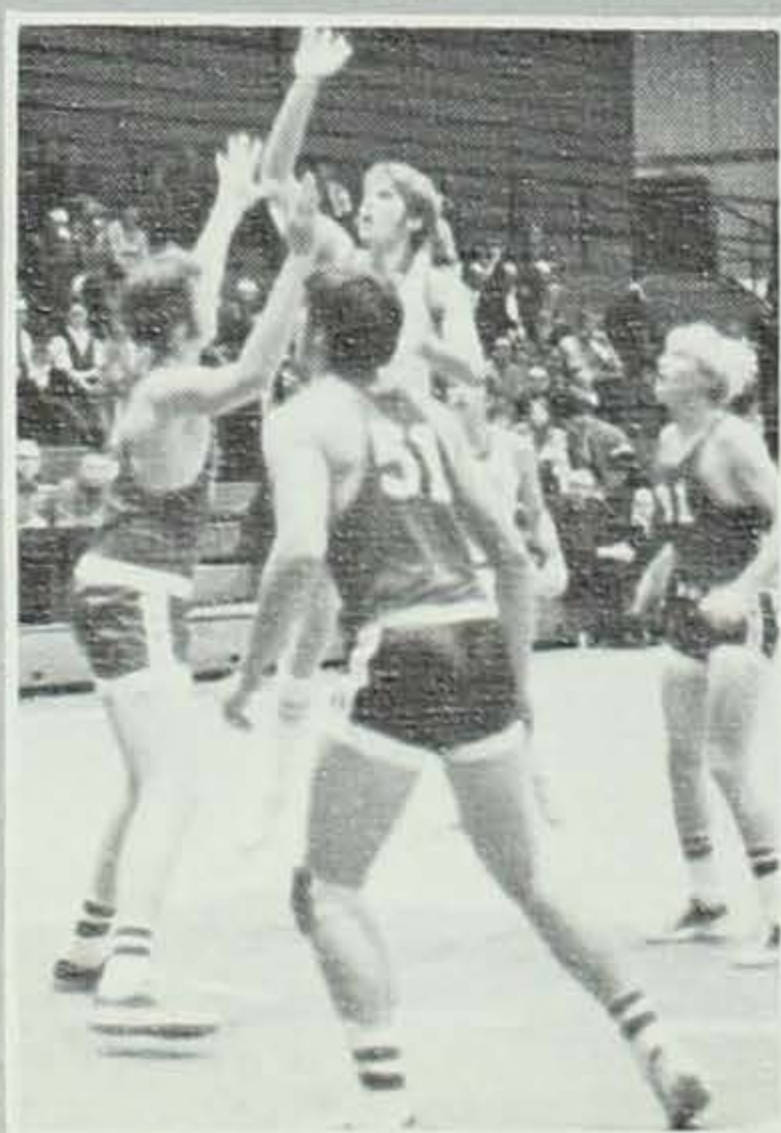

BV 84 Dubuque 80

The Beavers played the type of game we all like to see on December 11 as they topped Dana College 92-72. They jumped off to an early lead and held on to win their fourth out of five starts. John Heitschusen was high for the BV team with 21 with the other four starters also in double figures: Donn Coker, 18; Mike Christensen, 15; Paul McFarland, 12; and Kurt Mass, 11.

B.V. 92 Dana 72

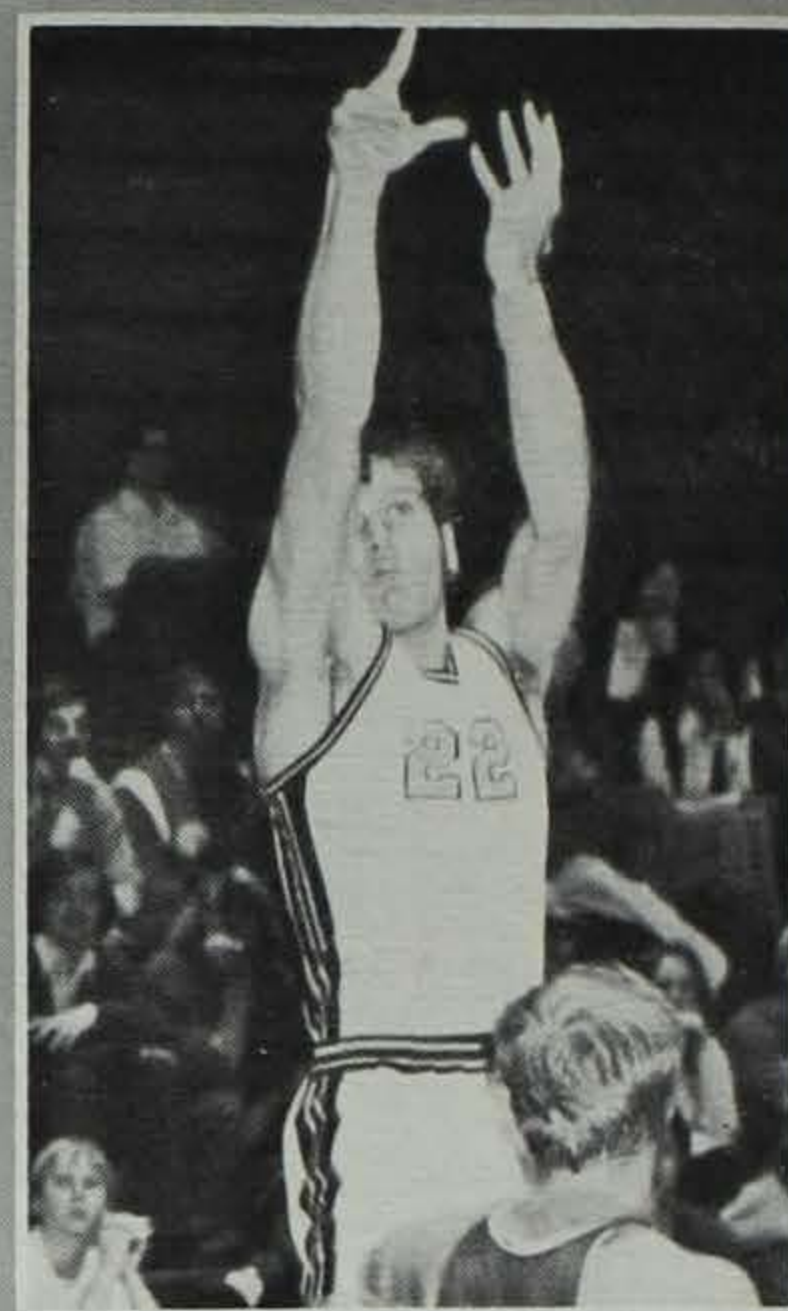

BV 81 Simpson 94

The Beavers sent numerous players to the bench as they tried to stop conference scoring leader Dennis Engle and came short in their efforts. They tried to hold him down but he hit 28 points, only two above his average. Donn Coker and Kurt Mass hit 18 and 17 respectively for the Beavers and Paul McFarland added 33 fouls.

BV 92 Central 88

The Beavers held out 50 minutes in a double overtime to beat Central 92-88 in front of one of the largest crowds at BV this year. The game ended in an 81-81 tie at the end of the first overtime period. The Beavers put on a tight defense and held central to a one point play in the final period of overtime. Four BV starters hit in double figures scores with Donn Coker and John Heitschusen hitting 19 each; Kurt Mass, 17; and Mike Christensen, 12.

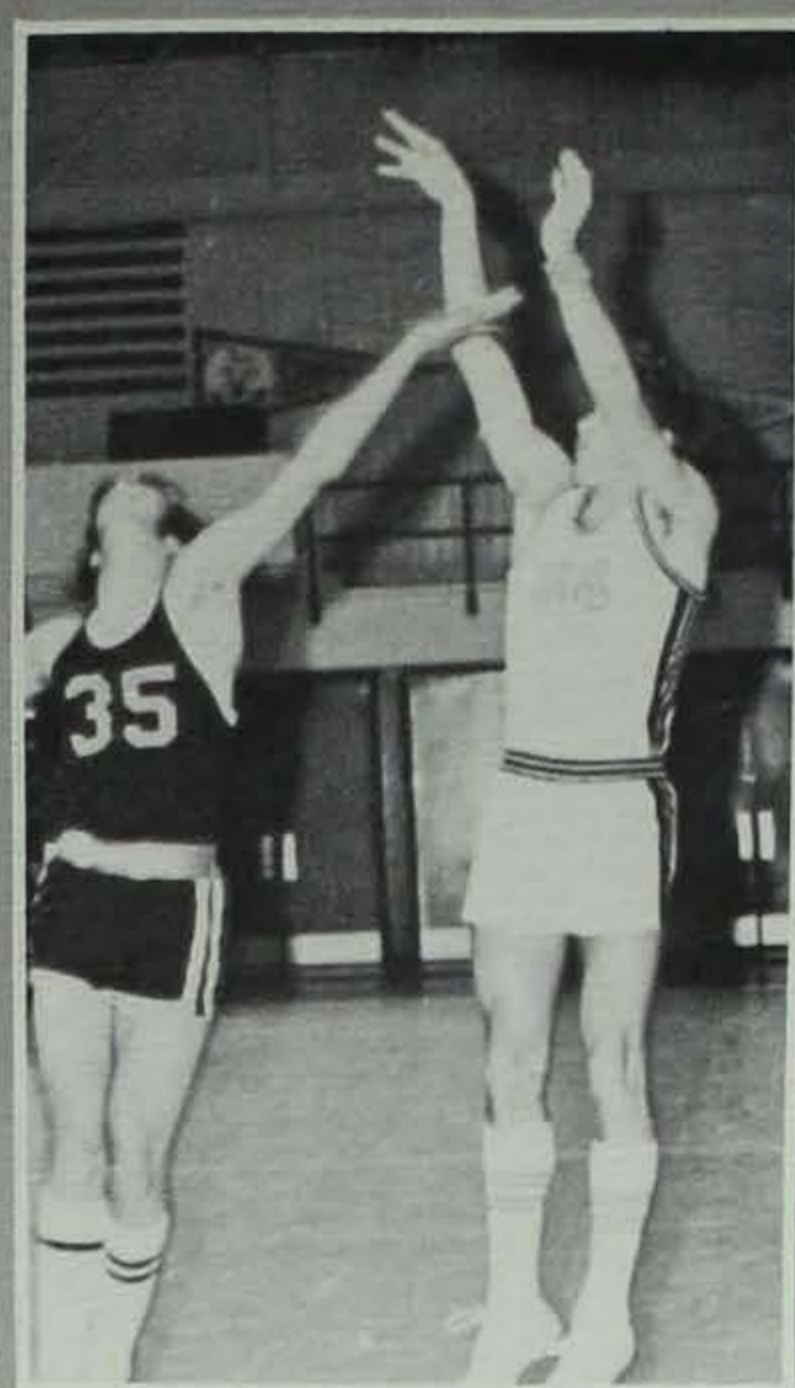

BV 97 Dordt 81

Dordt put a 3-0 lead on the Beavers but this was the extent of their rule as the Beavers took over to run up another win. Mike Christensen took scoring honors with 26. Four other Beavers scored in double figures: Donn Coker, 19; John Heitschusen, 17; Kurt Mass, 15; and Paul McFarland, 12. The Beavers shot a sizzling 51 per cent for the game - Dordt 39 per cent.

BV 82 Luther 94

The Norsemen of Luther College held the lead throughout the game and at one time led by 34 points. The reserves for Luther came out to play and Buena Vista came back strong in the second half. In a matter of minutes, the Beavers cut a 78-44 lead to a 85-68 ball game. At one point in the final minutes of play, the Beavers trimmed it to 8 (90-82) but couldn't push up the score much more. Kurt Maas led scorers with 21 followed by Donn Coker with 19 and Dewey Christensen with 14.

BV 101 Upper Iowa 92

Despite the 40 point performance of UI's Dan Marske, the Beavers won their third Iowa conference game in eight attempts over Upper Iowa, 101-92. All five Buena Vista starters chipped in double-figured scoring as Donn Coker led with 29 and Kurt Maas and Paul McFarland hit for 20 each. Mike Christensen and John Heitshusen pitched in for 17 and 13 respectively. The Beavers are now 8 and 10 overall.

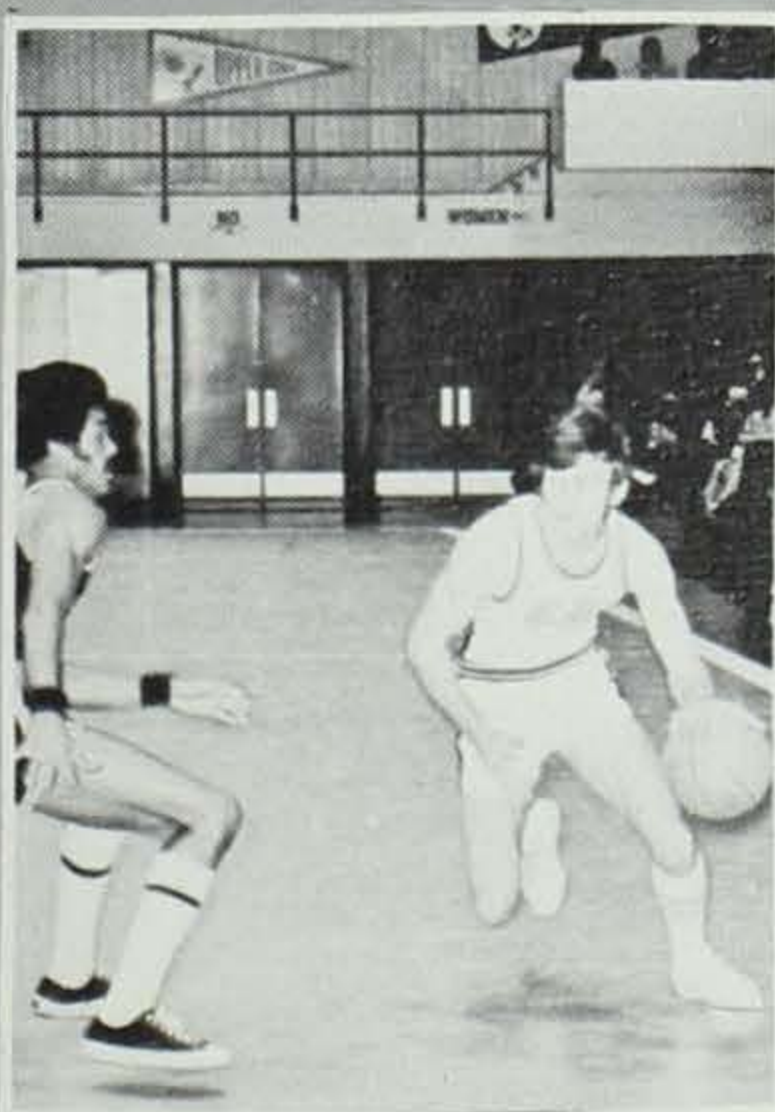

BV 102 Sioux Falls 74

The Beavers shot a hot 60 per cent from the field in overpowering Sioux Falls College in a 102-74 romp. The Beavers took the early lead and led the whole game. All 13 of the Beavers on the bench scored in the bombing. John Heitshusen led all scorers with 23 followed by Donn Coker and Mike Christensen with 15 and 10 respectively.

BV 107 Dubuque 80

The Beavers ended their 10-15 season on Saturday night as they romped past Dubuque 107-80. They dominated the game entirely to win in excellent fashion. Six Beaver players hit double figure scoring in the win. Donn Coker and John Heitshusen tied for high honors with 22 each. Mike Christensen and Duane Hussey weren't far behind with 19 and 17 respectively and Jim Egli and Kevin McDonald connected for 11 points each. Mike Christensen scored his 19 points in the game to tie for third highest scorer in BV's history.

Write-ups on Just a Few of the Games

Right on—B.V. Swim Team

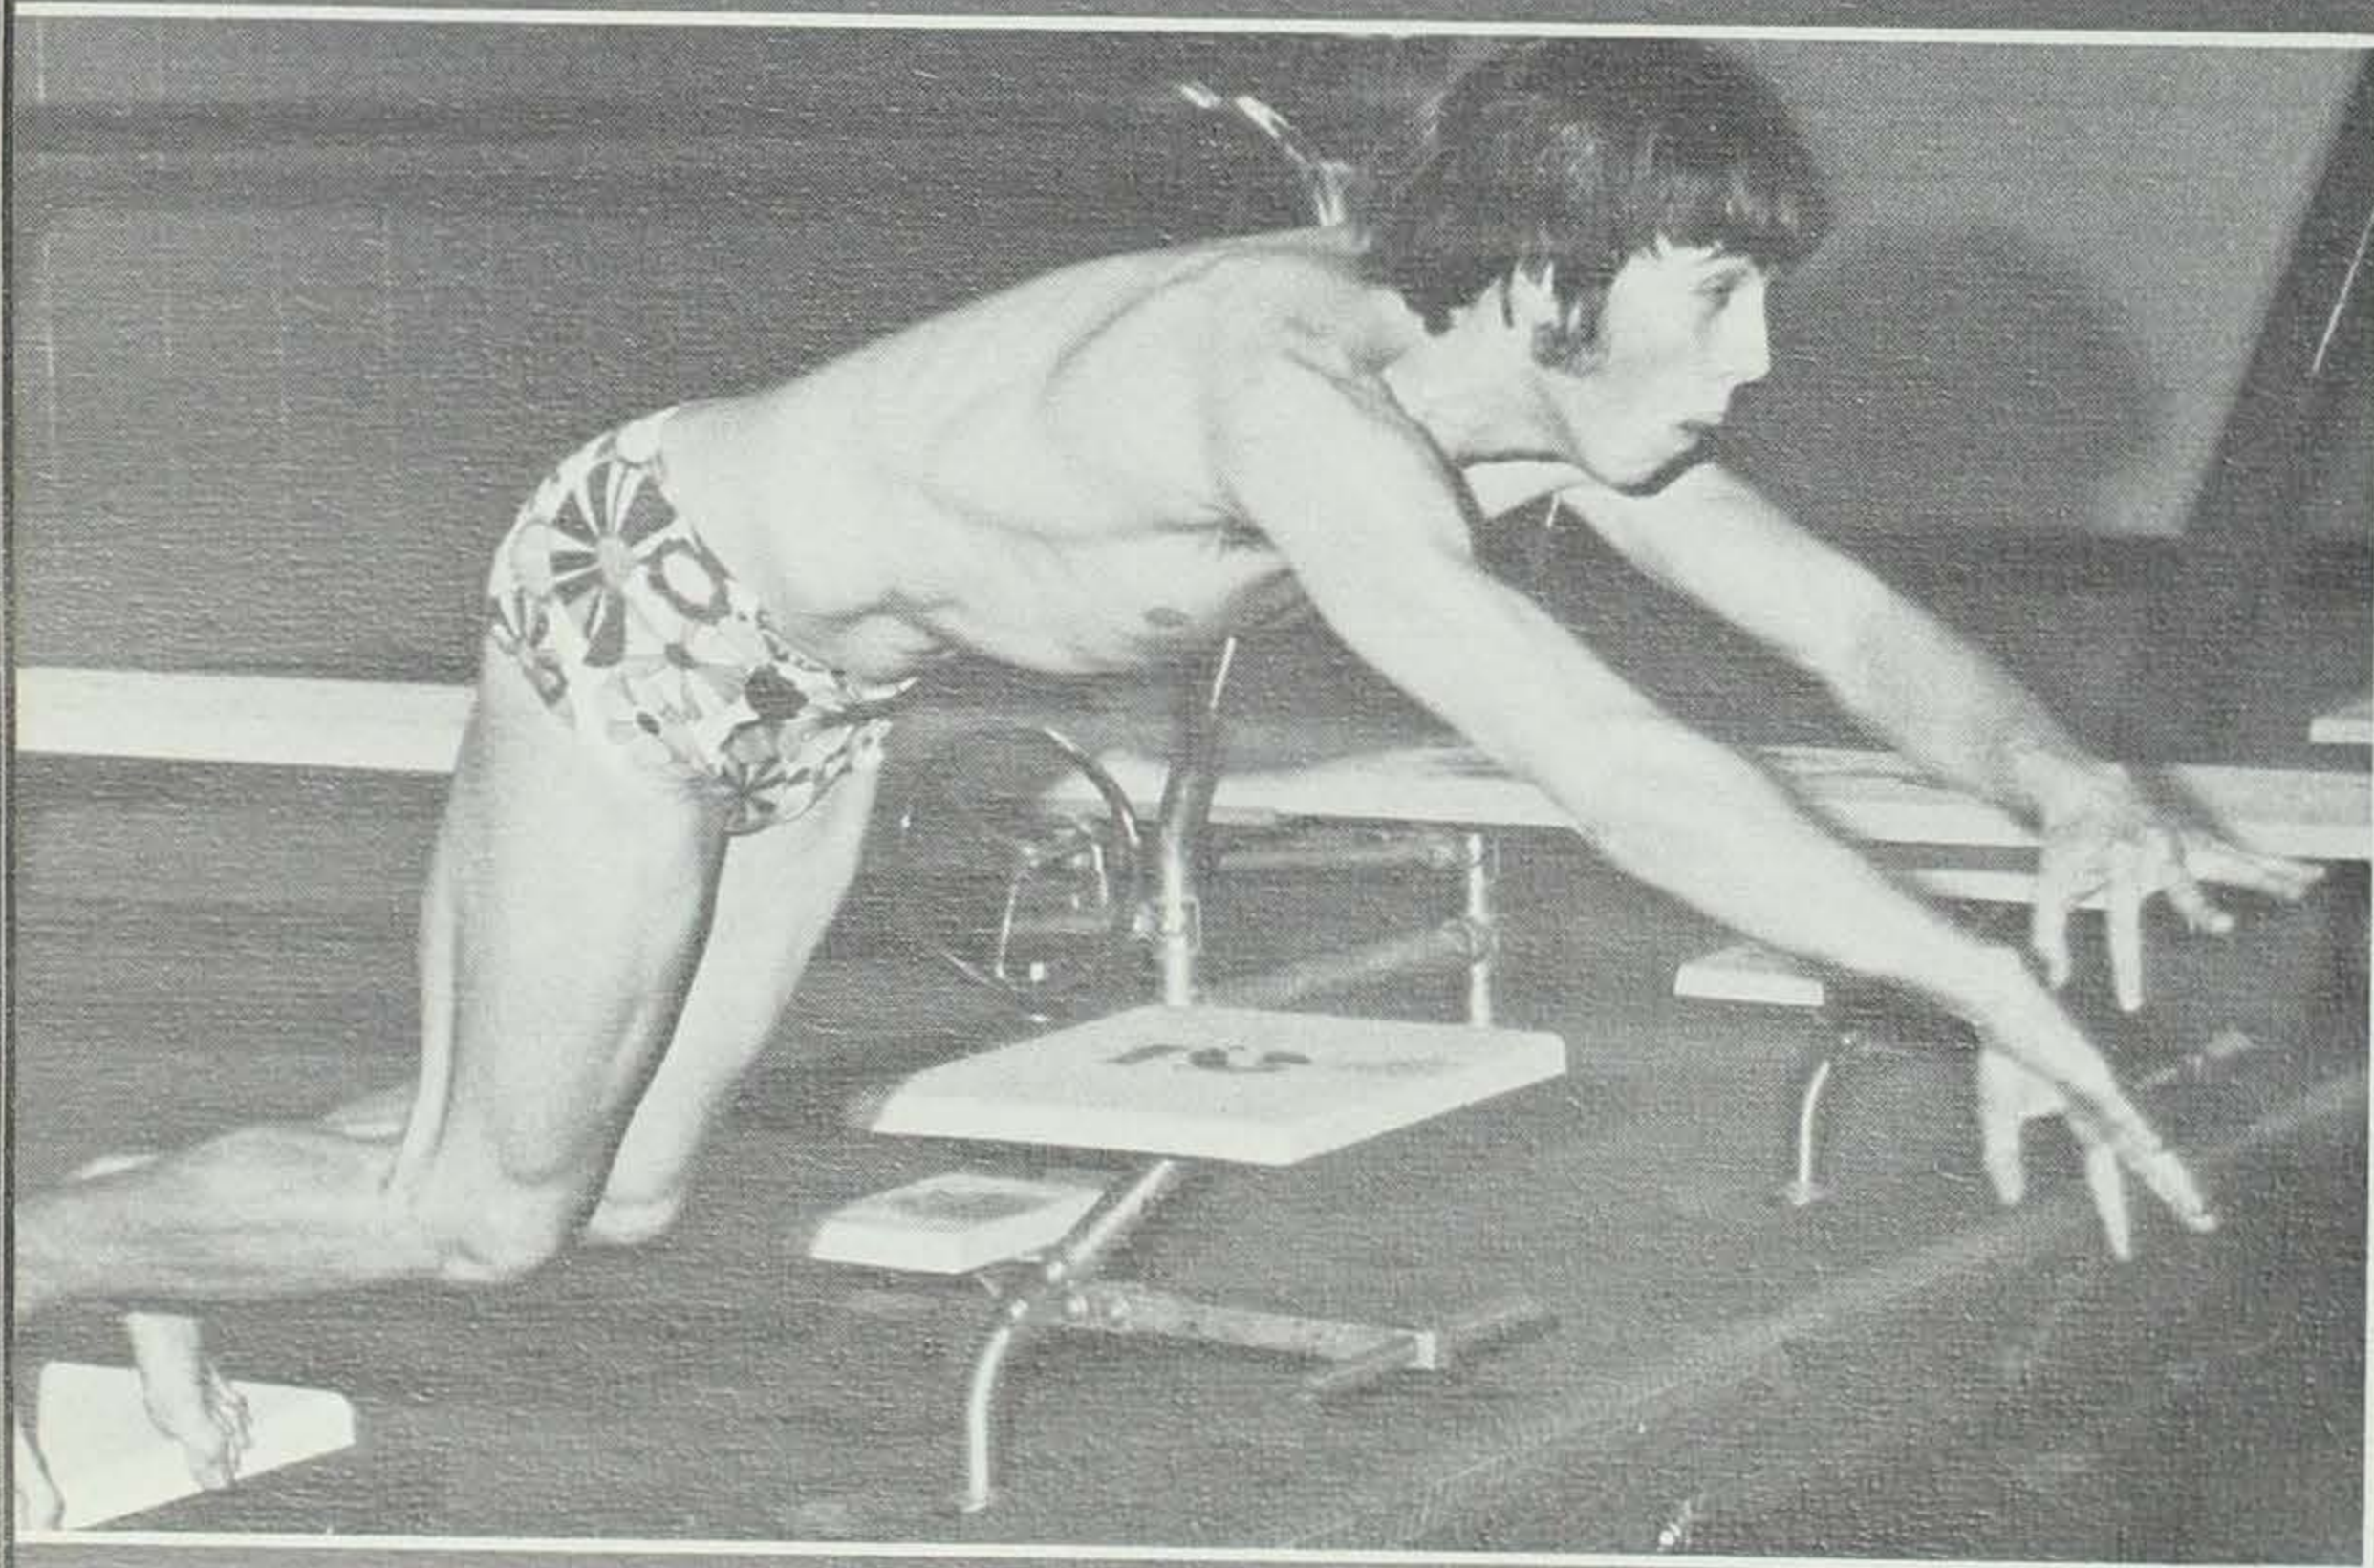

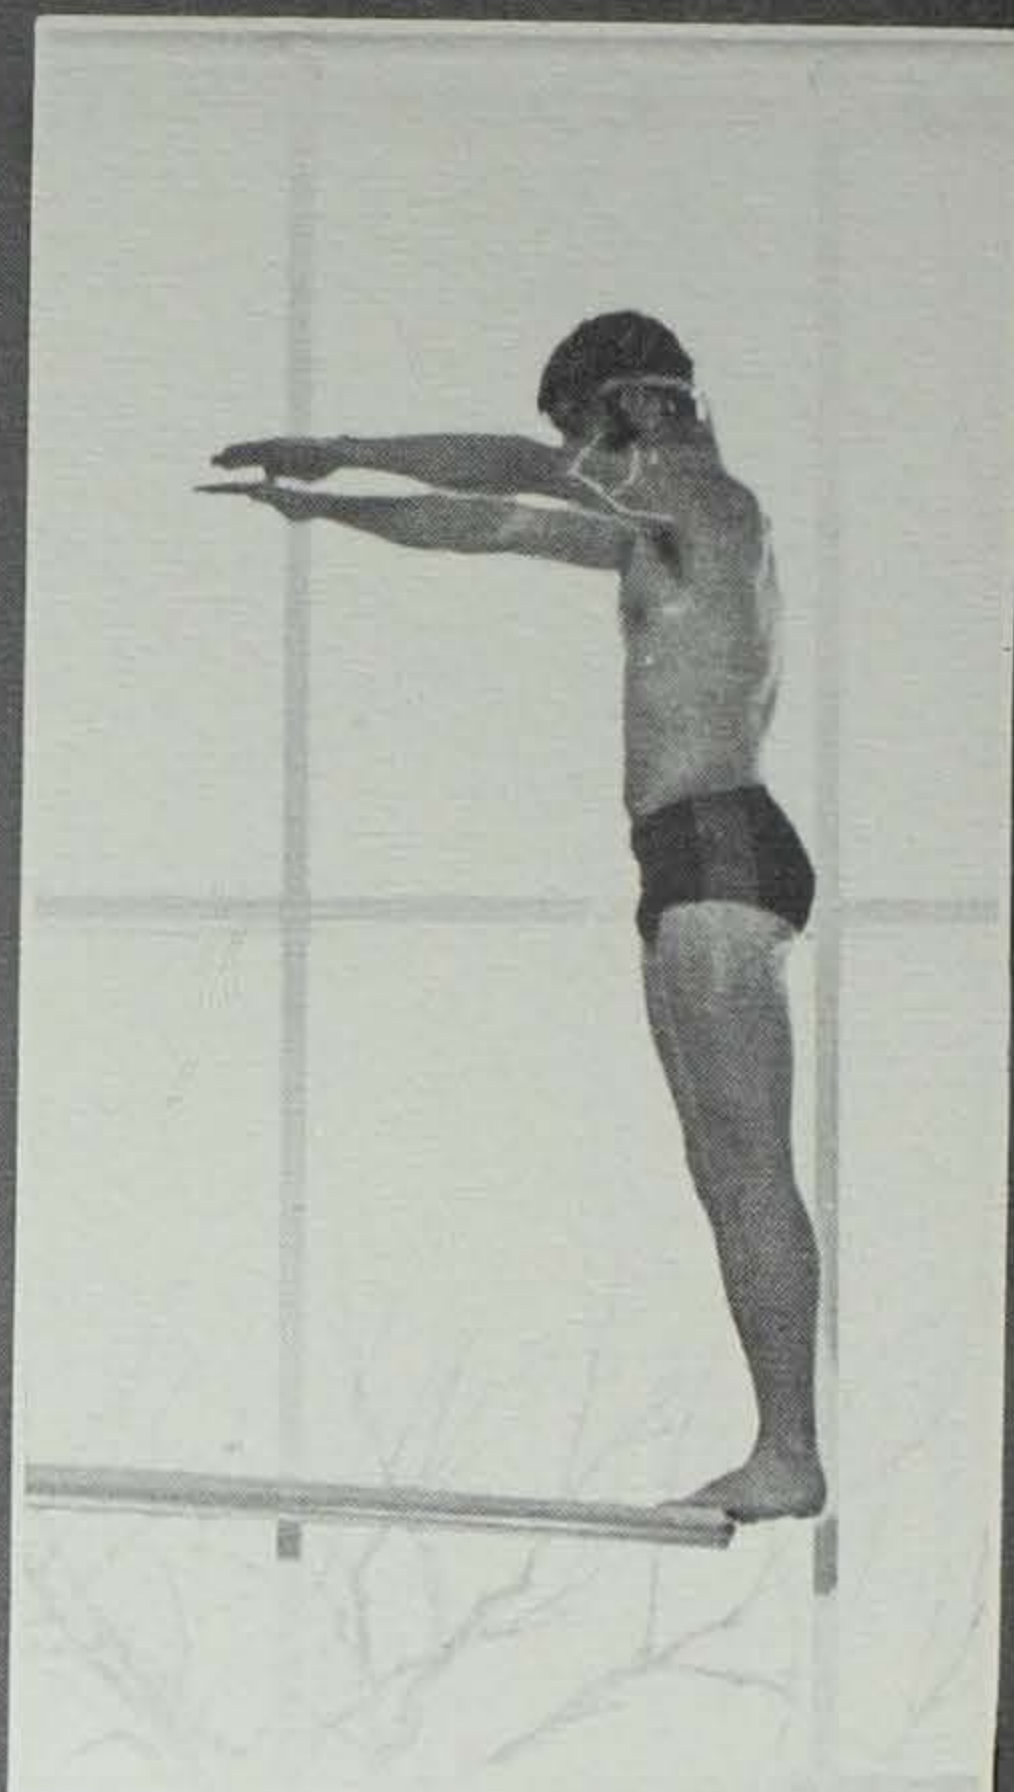

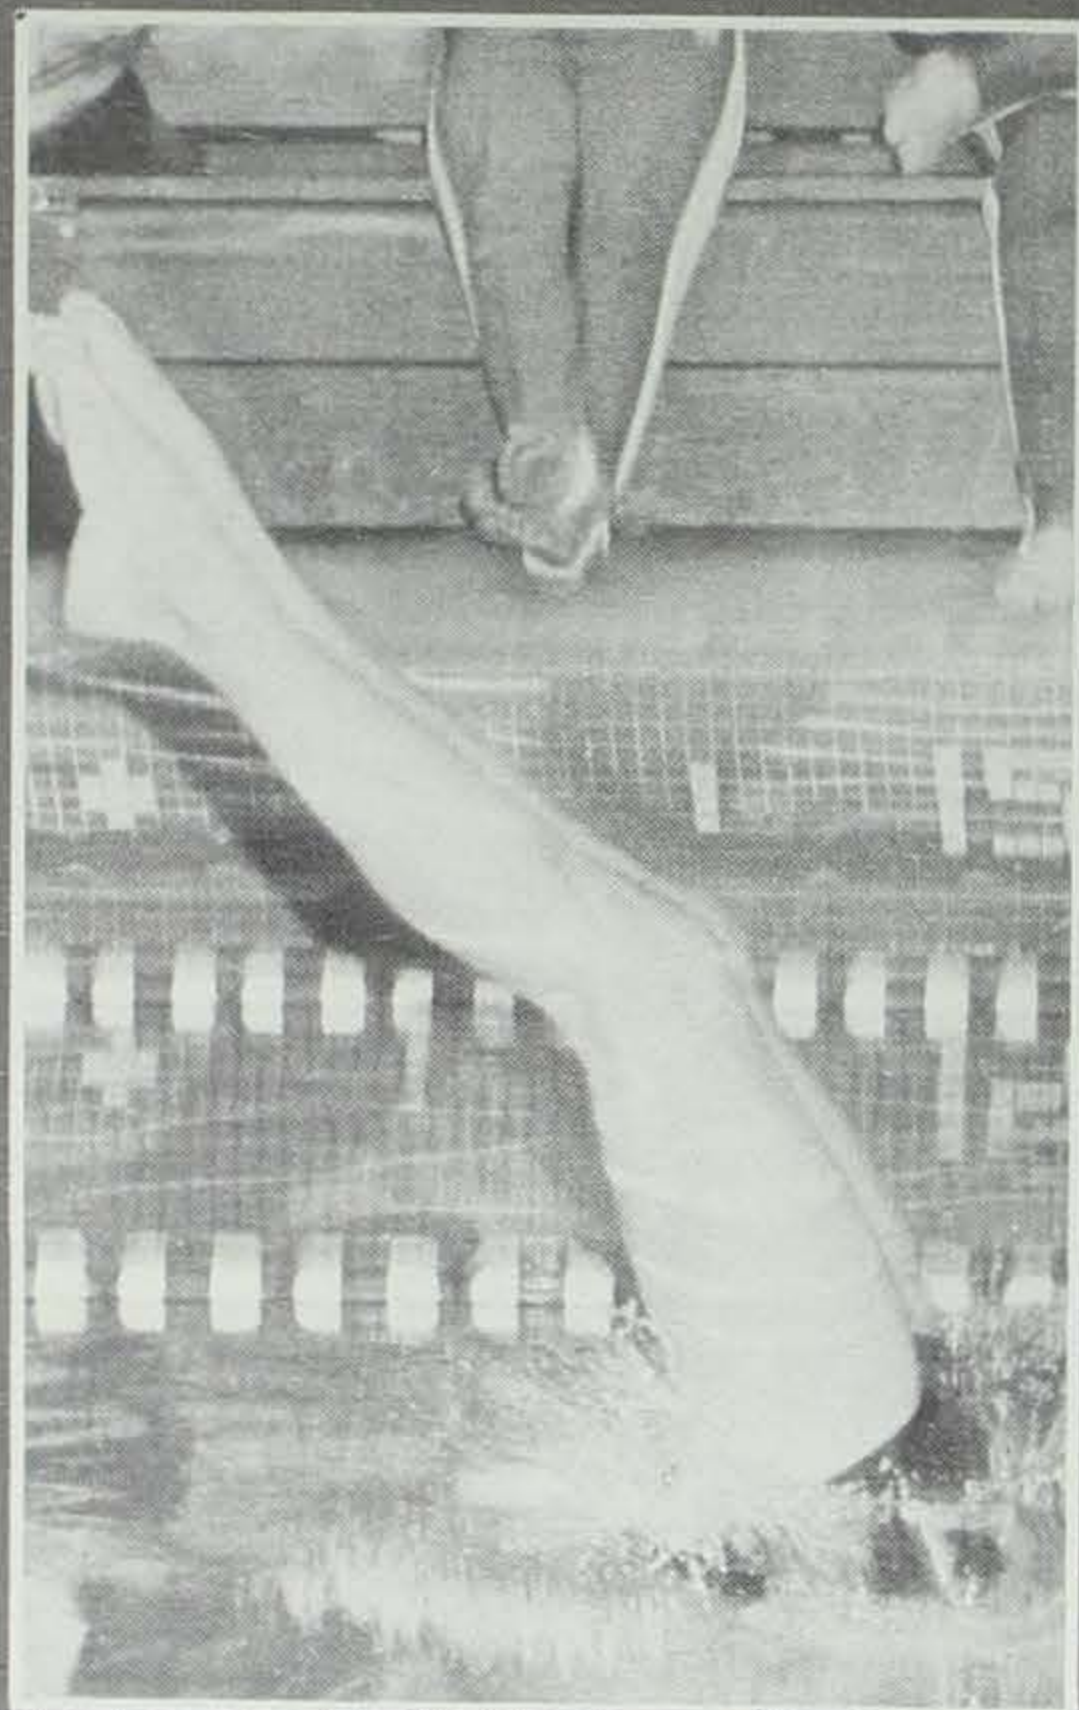

Dan Hansen, a '71 graduate of B.V.C., took over the reigns of the B.V.C. swimming team for the second year of competition. Harold DiGiacomo and Dana Vige led the team as co-captains.

With twelve men on the squad, they competed against Concordia twice, the University of South Dakota, Chardon State and Friends University (Wichita, Kansas). They also traveled to Luther College and competed against Luther, Loras and Wisconsin State University (River Falls).

Buena Vista improved greatly throughout the season. Bright spots for the Beaver Tankers are: the 400 yard free relay team (Leonard, Vige, Krutchen, and Croxell),

Mark Croxell and Dane Vige in the 50 and 100 yard free style, Bill Leonard in the 200 yard free style and Harold DiGiacomo in the 200 yard breaststroke.

Highlights of the season was the trip to Wichita, Kansas and participation in the Friends Invitational. Teams participating at the Invitational were: B.V.C., Concordia, Friends, Kansas State College (Pittsburg), and Park College (Parkville, Missouri). Buena Vista's team brought back a team trophy (first in the history of the college in swimming) and each team member received a merit trophy. The eight men who went with Coach Hansen to Wichita were: Nick Lusero, Doug Krutchen, Dave Wattier, Harold DiGiacomo, Jay Gross, Bill Leonard, Mark Croxell, and Dana Vige.

Swimmer's Ordeal

Poised now for flight he stands upon the block
 Breathing, inhaling, rippling muscles free,
 Tensing, steeling, preparing for the shock
 Of that knife plunge into the periphecy.
 Now the count before the gun-Take your mark!
 The shot is crisp; the swimmers arrow shot.
 His body hanging airborne in that arc
 Reaching, straining, diving toward that spot
 Where his ordeal shall set its own reward.
 Give strokes slicing water waves and making
 The body, the buoy, the boy in accord,
 Controlling the motion-doing his thing—
 And stronger now, stroking in precision,
 Win or lose-he's conquered in decision.

BASEBALL

Baseball

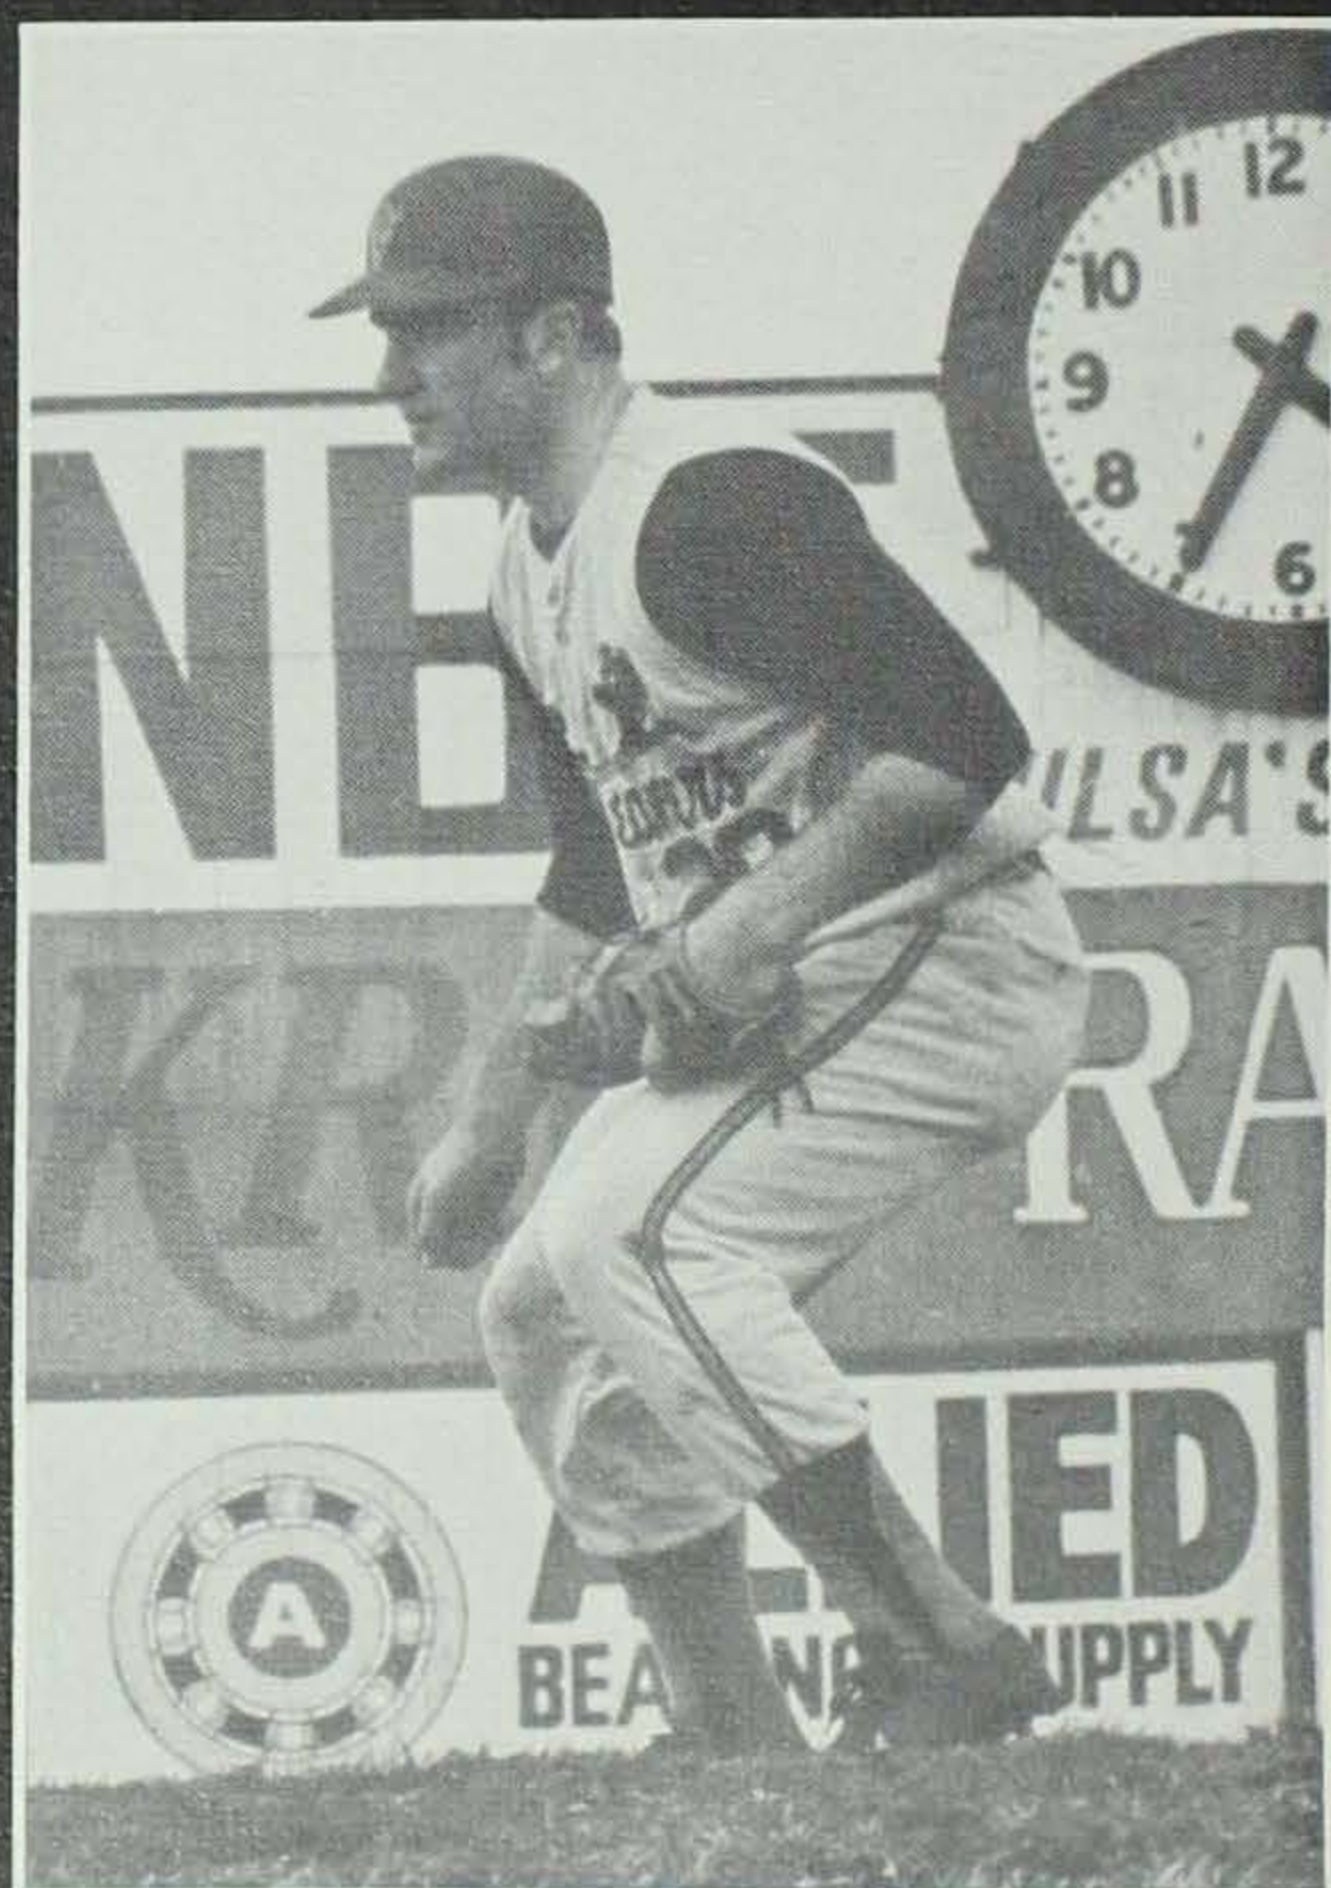

After getting off to a slow start on the Southern trip, the Beaver baseball squad returned to Iowa and won 12 out of 15 games before entering the NAIA playoffs. Buena Vista lost the first five games of the 1972 season on the southern schedule that saw very strong competition. Of the five losses,

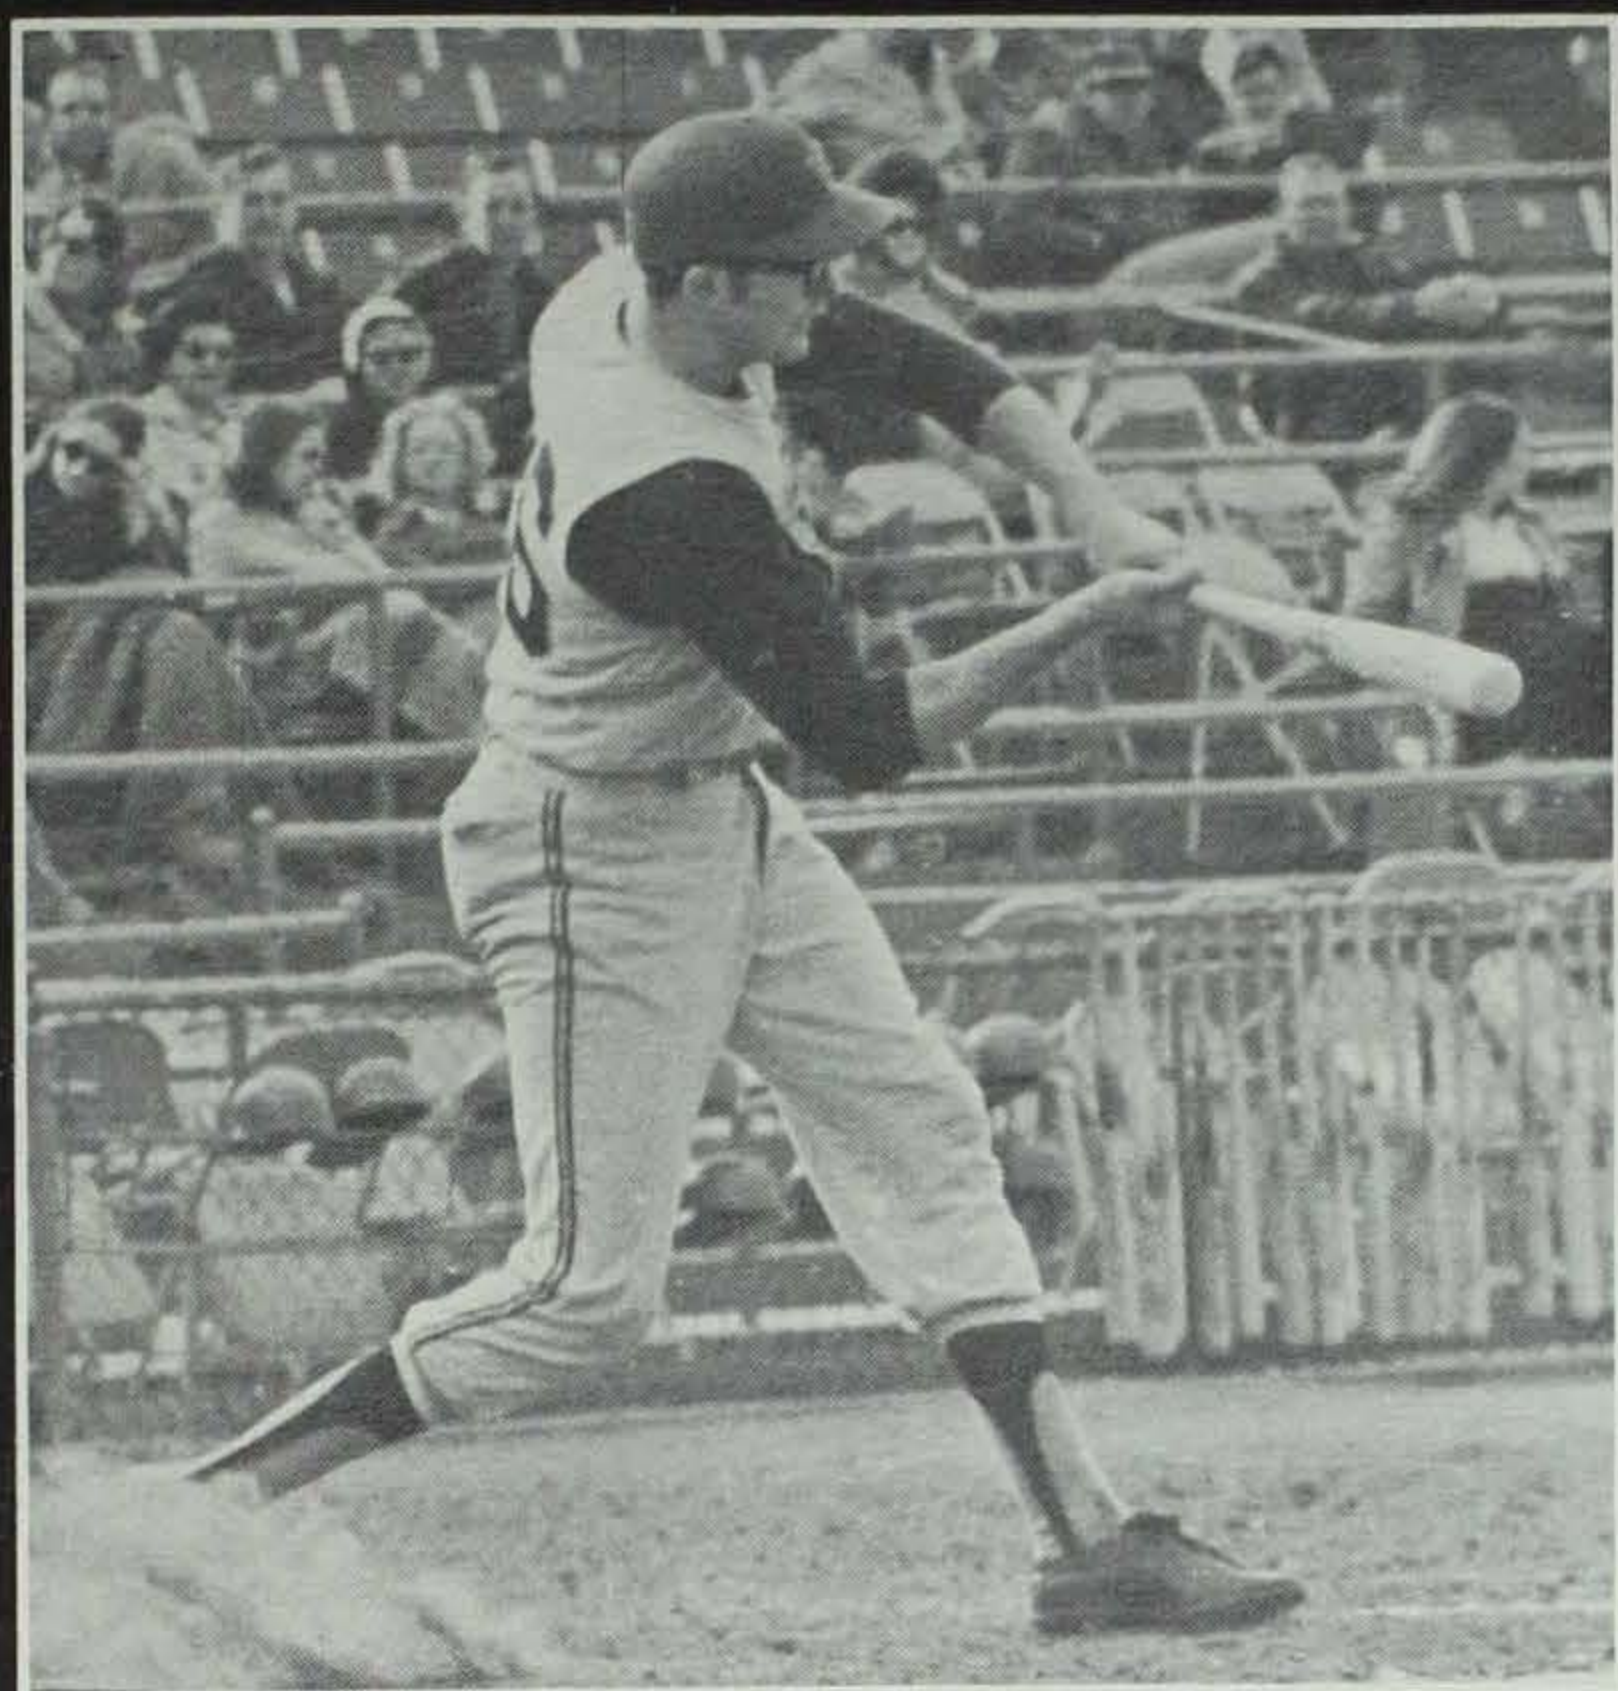

two were one-run defeats including a 1-0 loss to the

University of Arkansas.

Upon returning to the Midwest, BV lost a double-header to Northwestern and then went on a winning rampage, winning

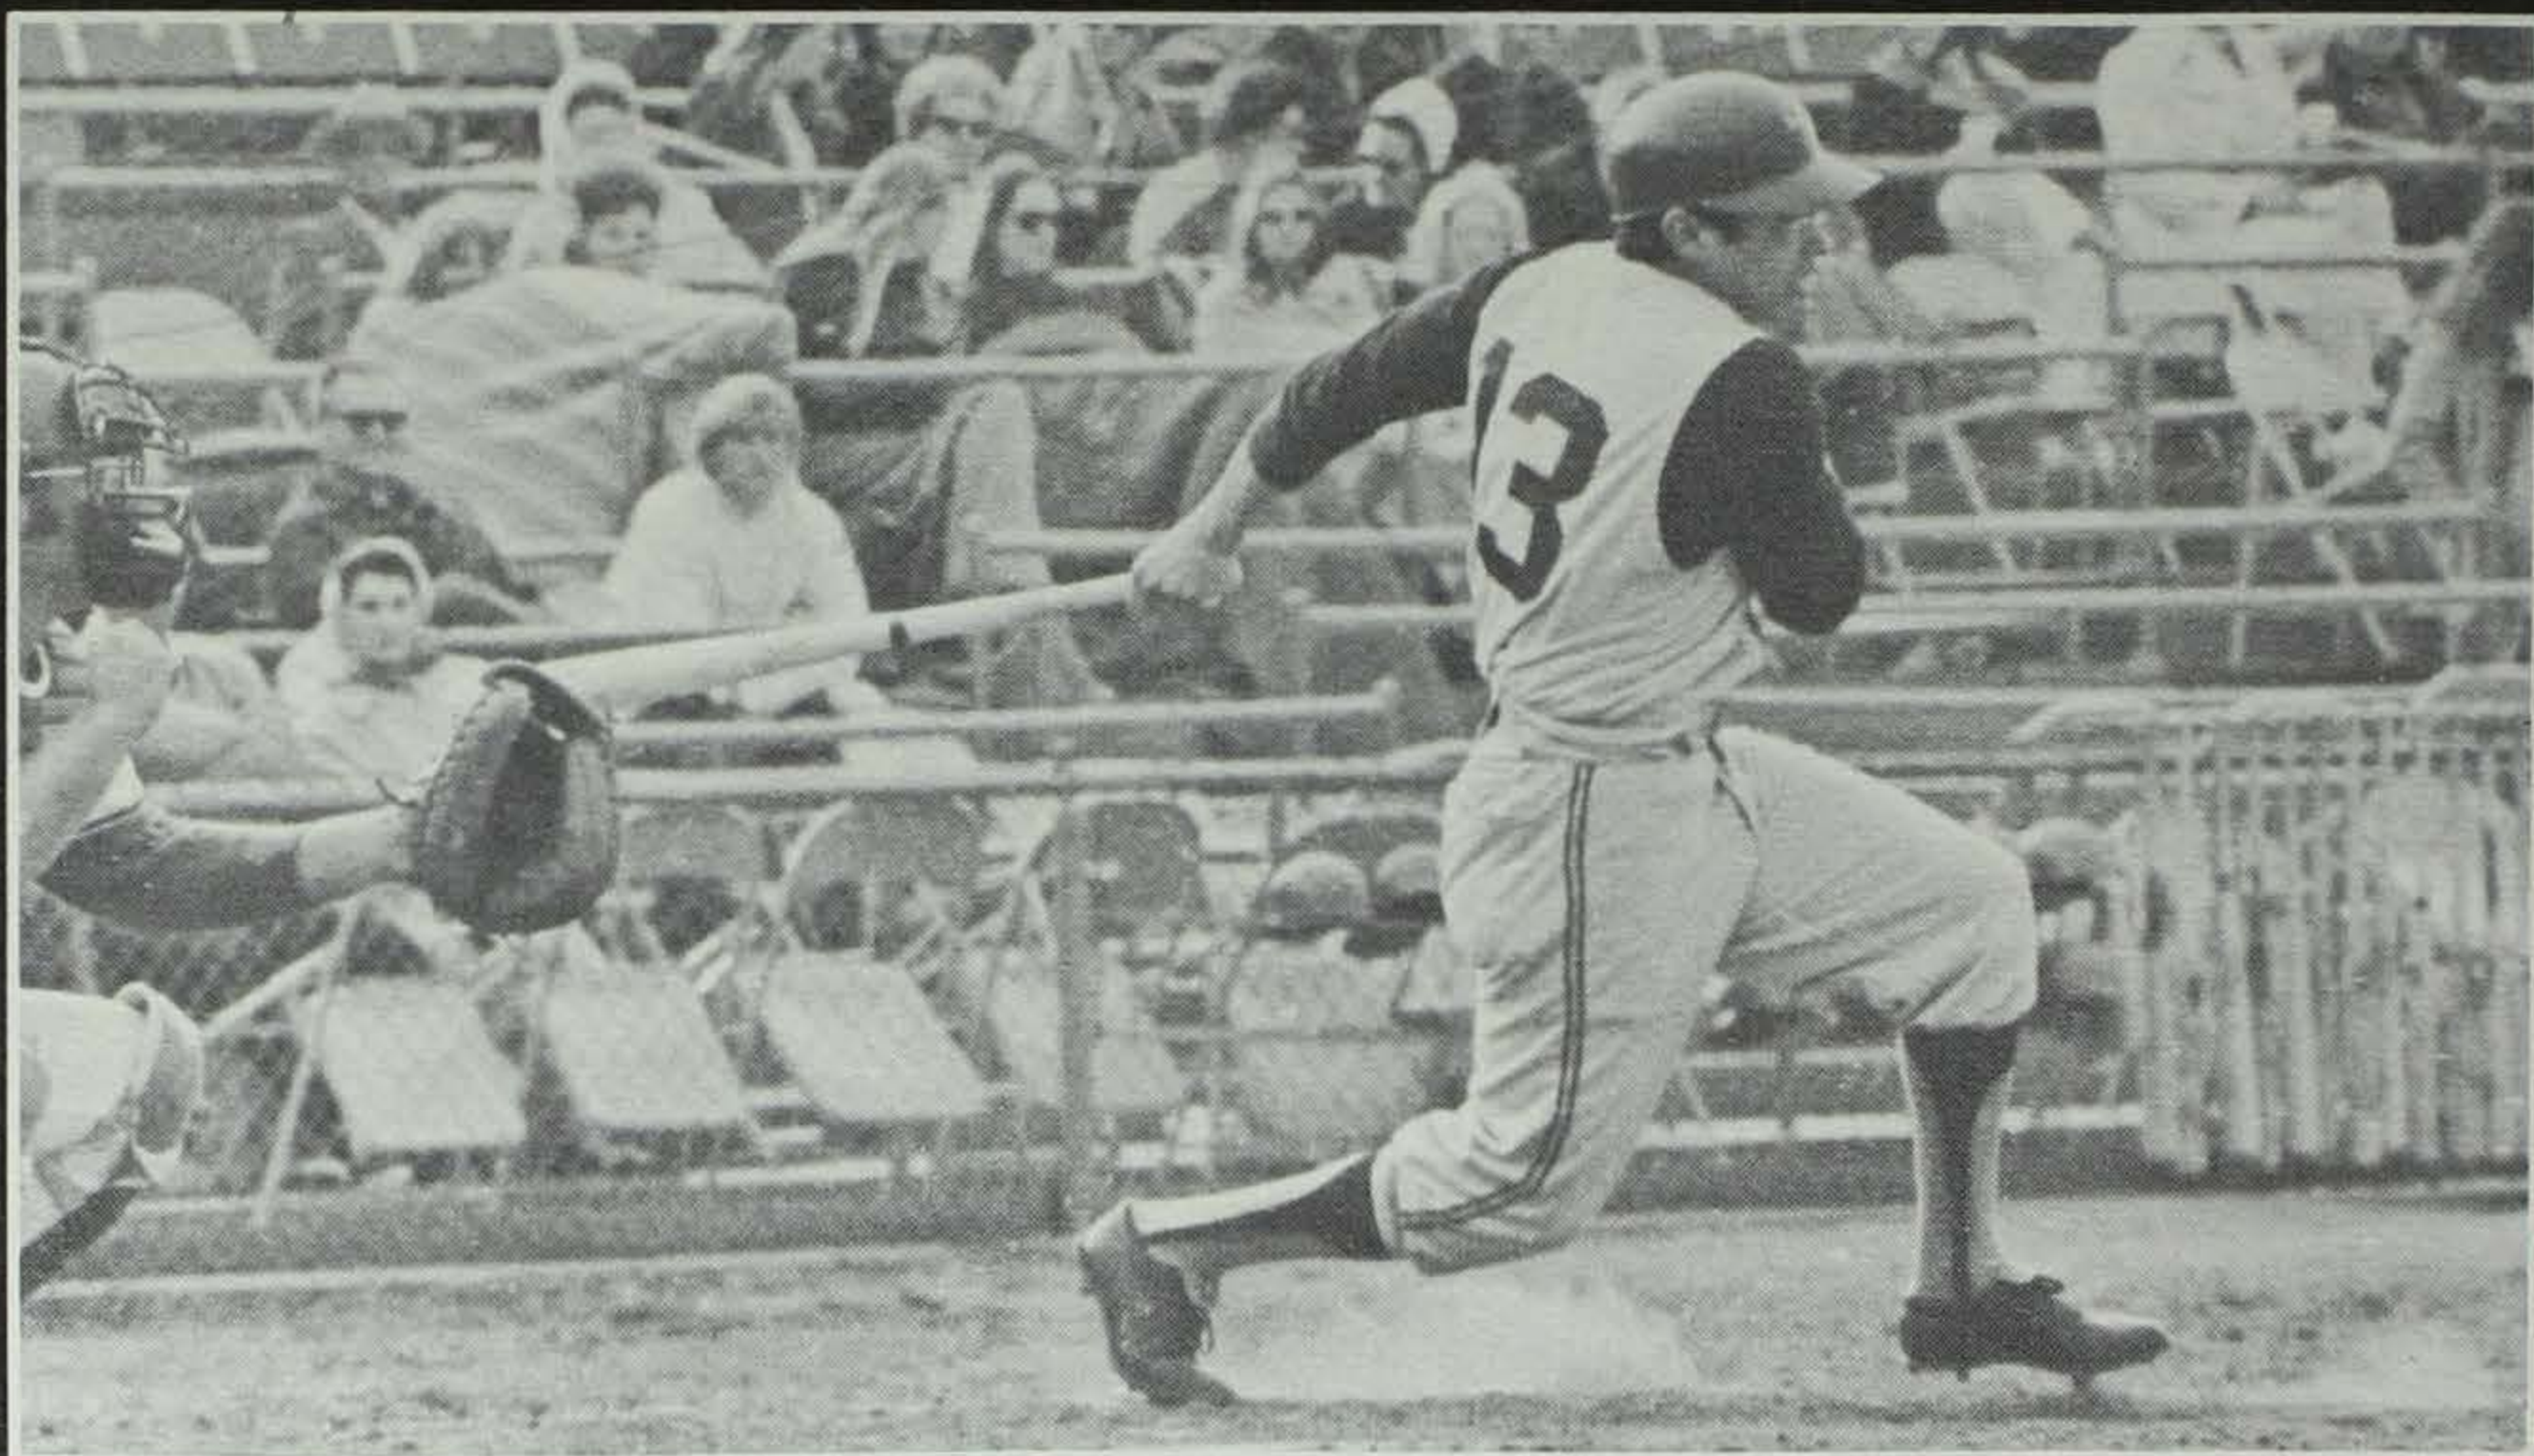

12 and losing only one game. Of the twelve victories, five were shutouts hurled by the impressive Beaver pitching staff.

The weatherman caused the Beavers to lose the Iowa Conference Crown by raining-out eight scheduled games. The Iowa Conference ruled that a team must play at least one half of its regularly scheduled games before it can be declared the conference champion. Buena Vista played only six games, one short of playing half of the schedule. Luther and Upper Iowa were the champions, sporting a 5-3 record. Buena Vista had a 6-0 record.

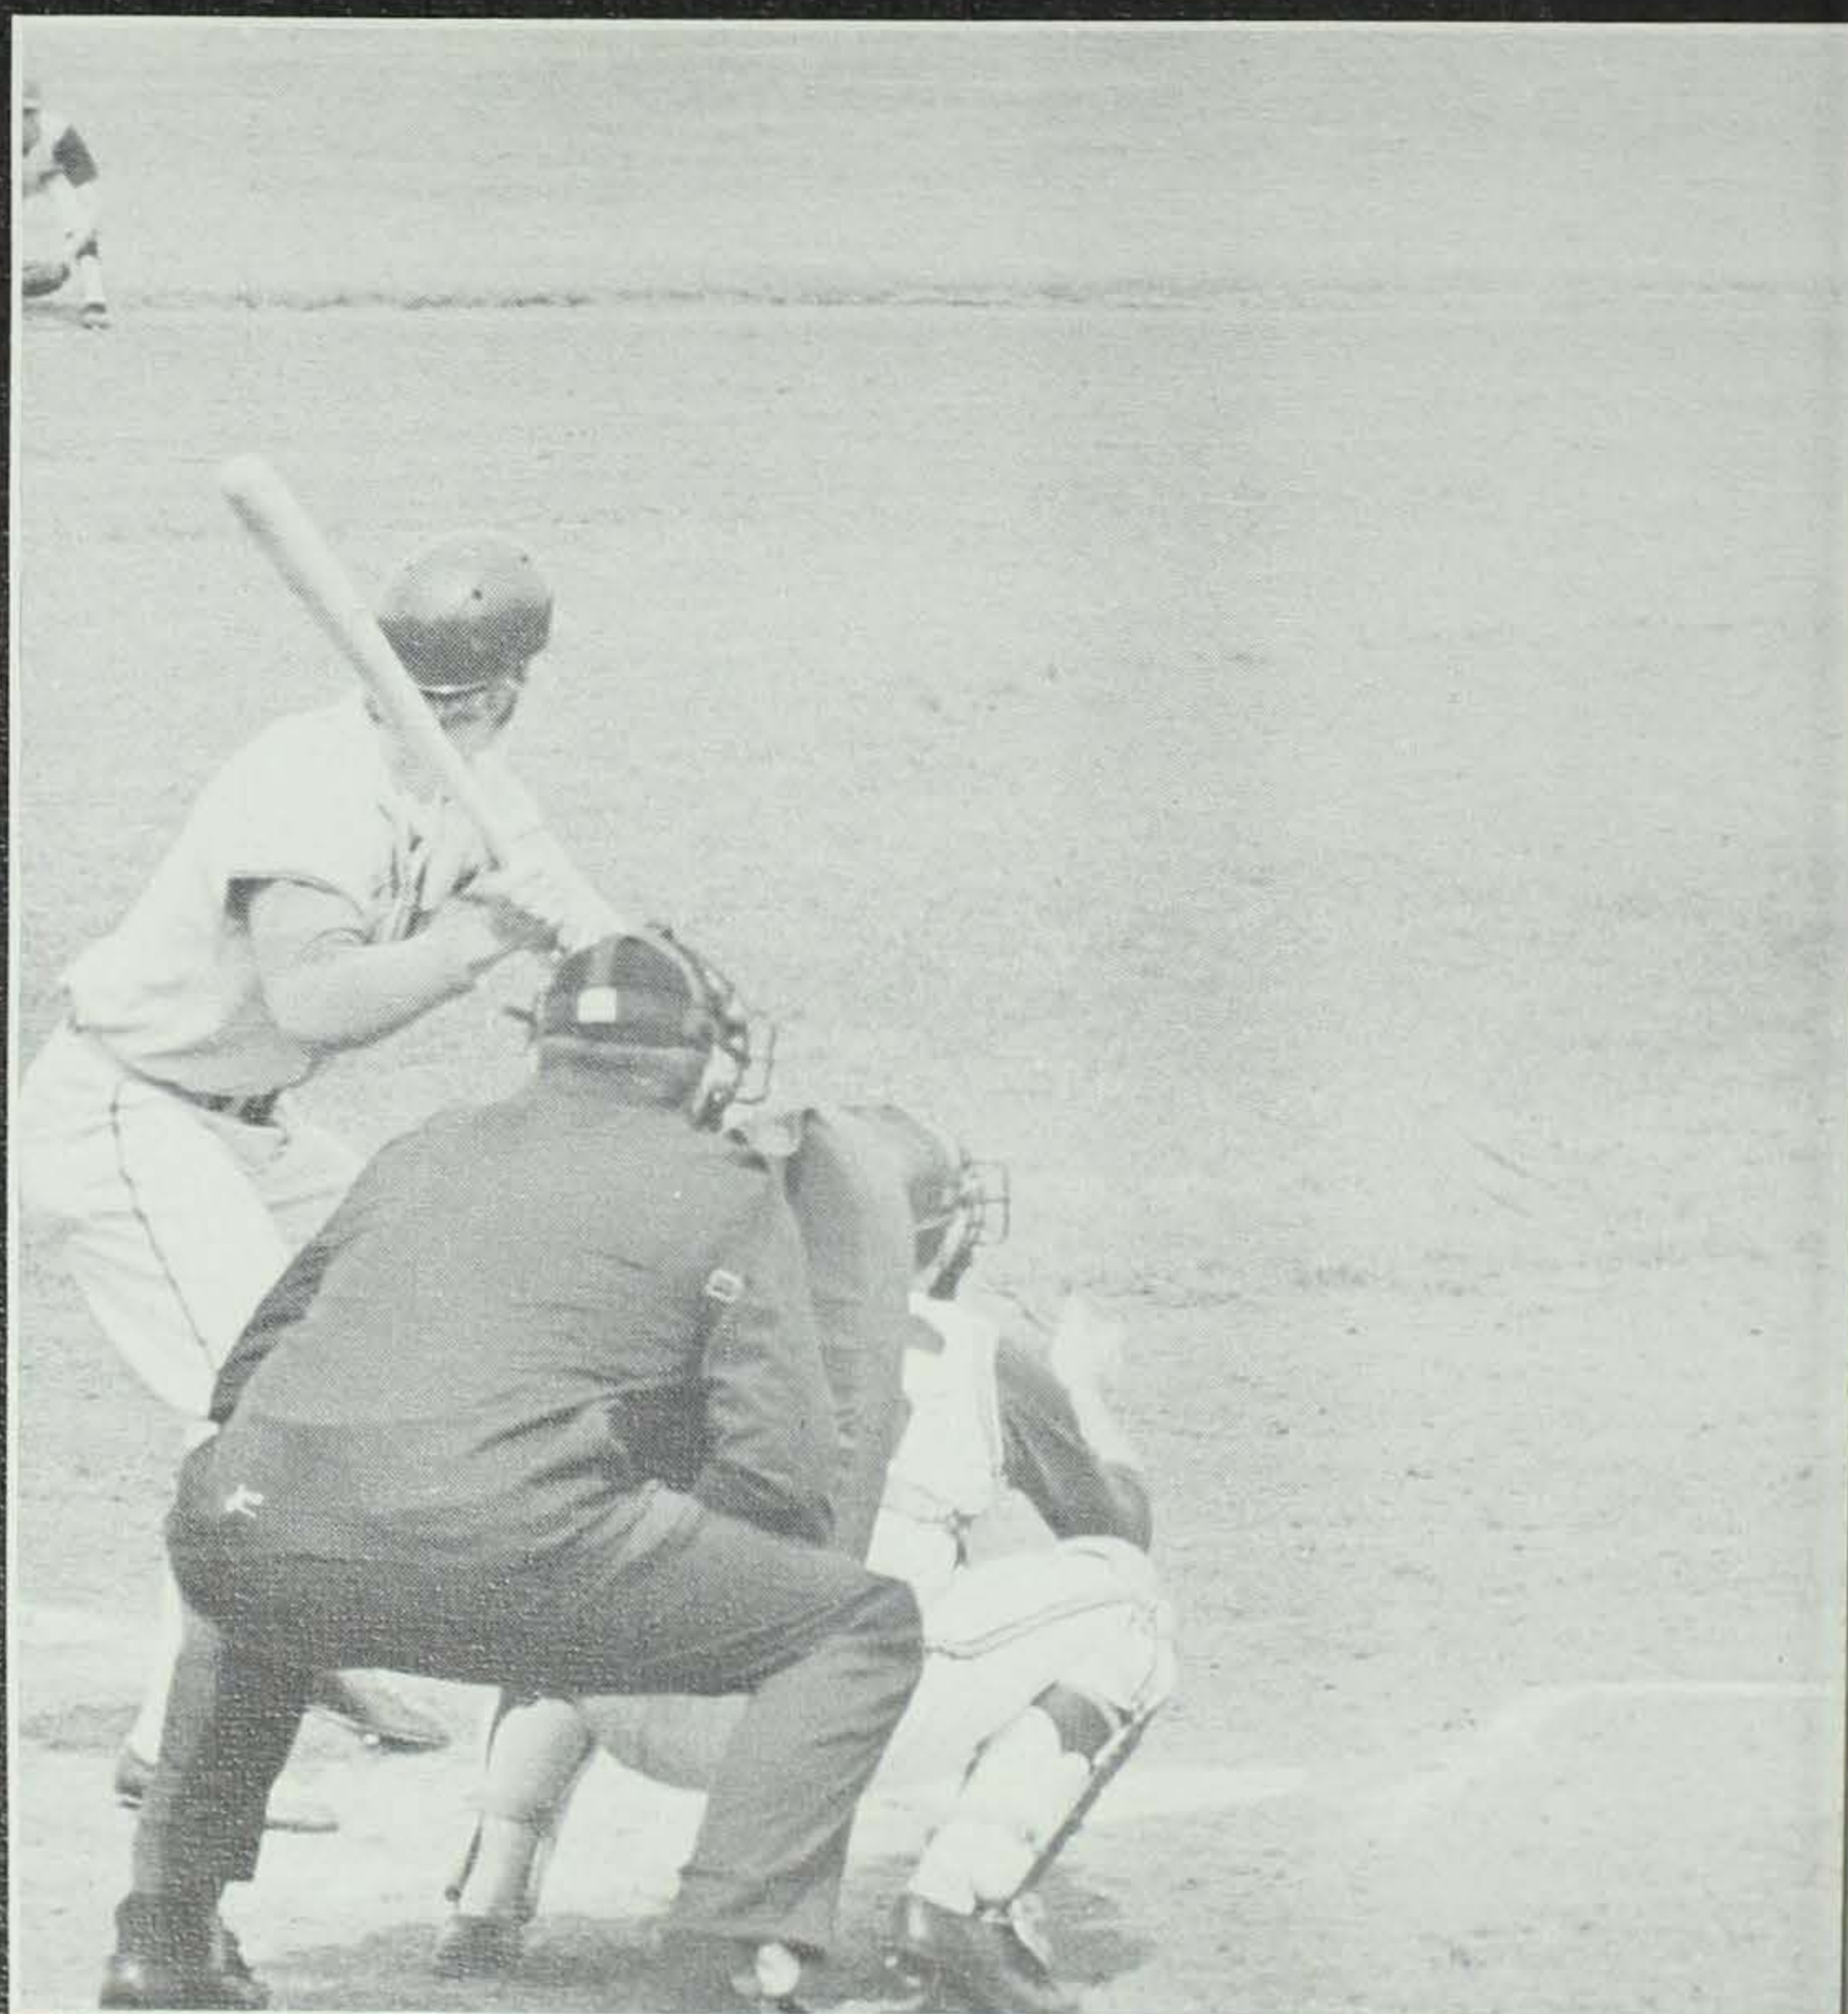

At the close of the season Buena Vista downed Upper Iowa 2-1 and 5-1 to earn the right to be the Iowa Conference representative to the NAIA District 15 playoffs. The Beavers lost the opening game 4-3 to Northwestern but then dumped the Raiders twice, 5-4 and 15-0. In the 15-0 contest, Buena Vista unleashed a homerun barrage of five homeruns; two apiece by Jene Scott and Charlie Mulligan and one by Steve Bergum, his second in two days.

In the Area 4 NAIA playoffs, BV was downed twice, 5-2 and 8-1 to conclude the season.

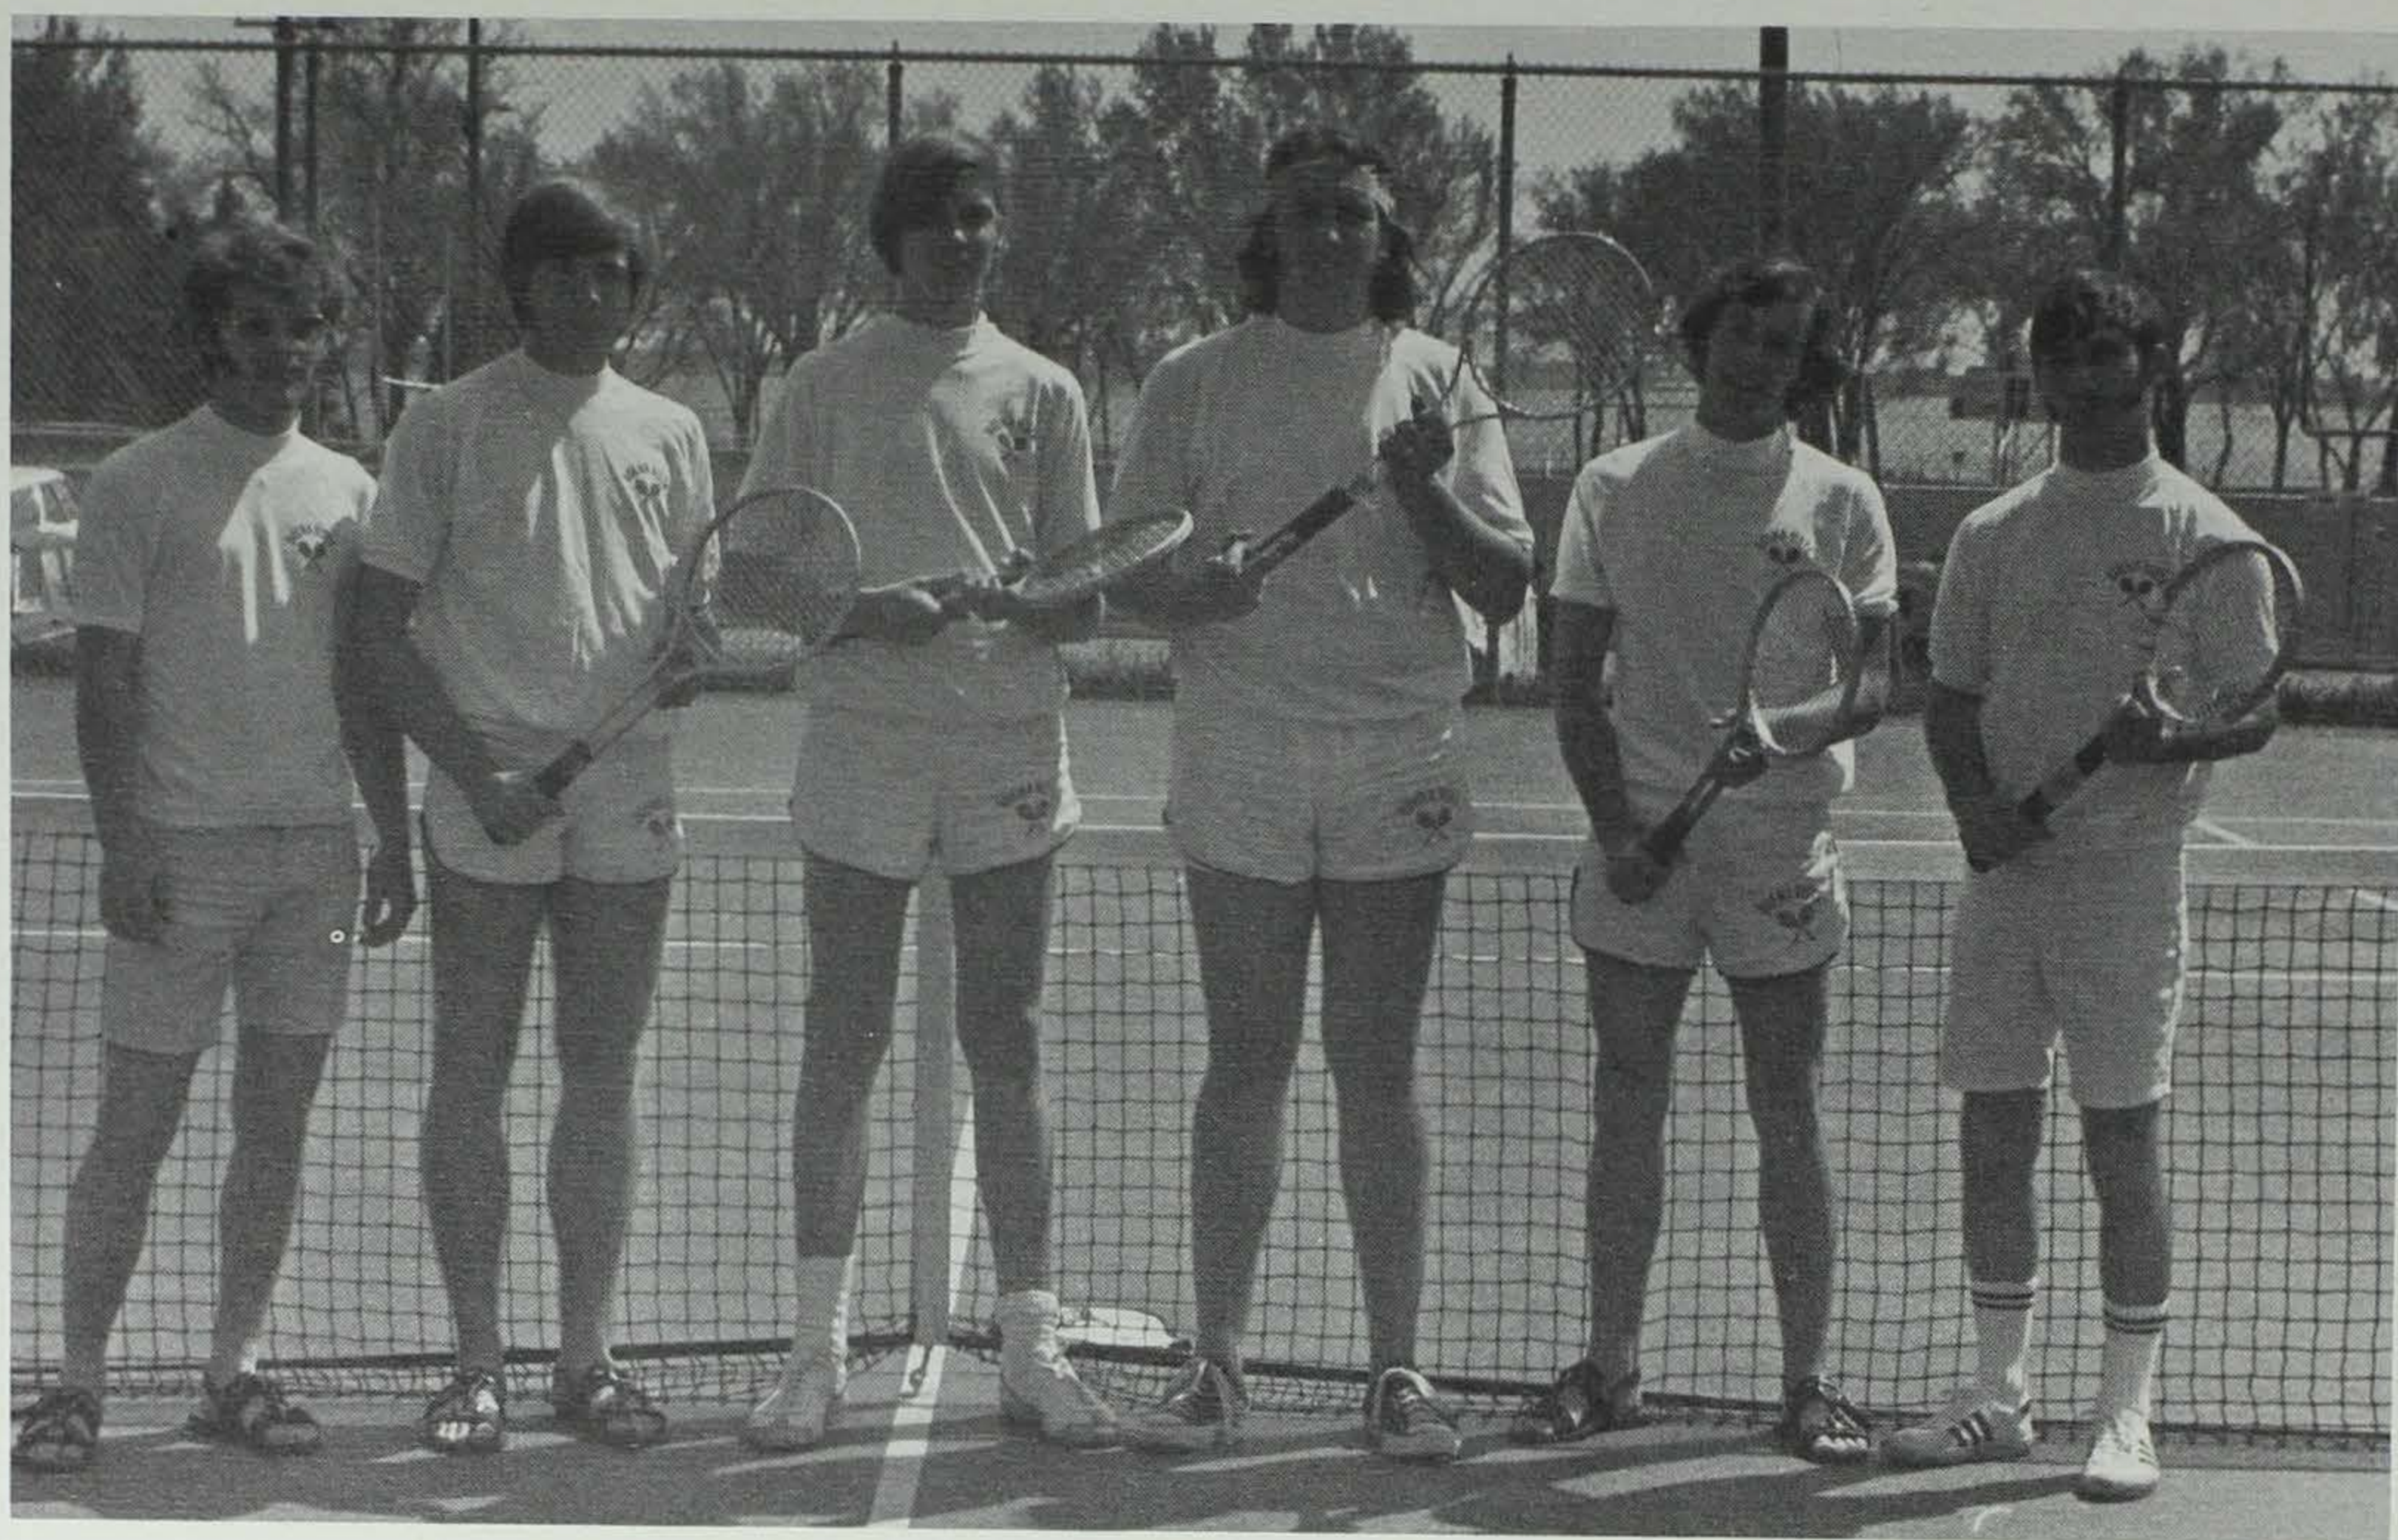

Delmer Blakenhagen and Tony Fox were elected team captains and Roger Meyer was chosen as the Most Valuable Player of the 1972 baseball season. The Beavers lost four men through graduation-Roger Meyer, Del Blakenhagen, Tony Fox, and Steve Bergum. BV will also be short the service of pitcher Jim Lawler who signed a contract with the New York Yankees at the close of the season.

The Cherry Orchard

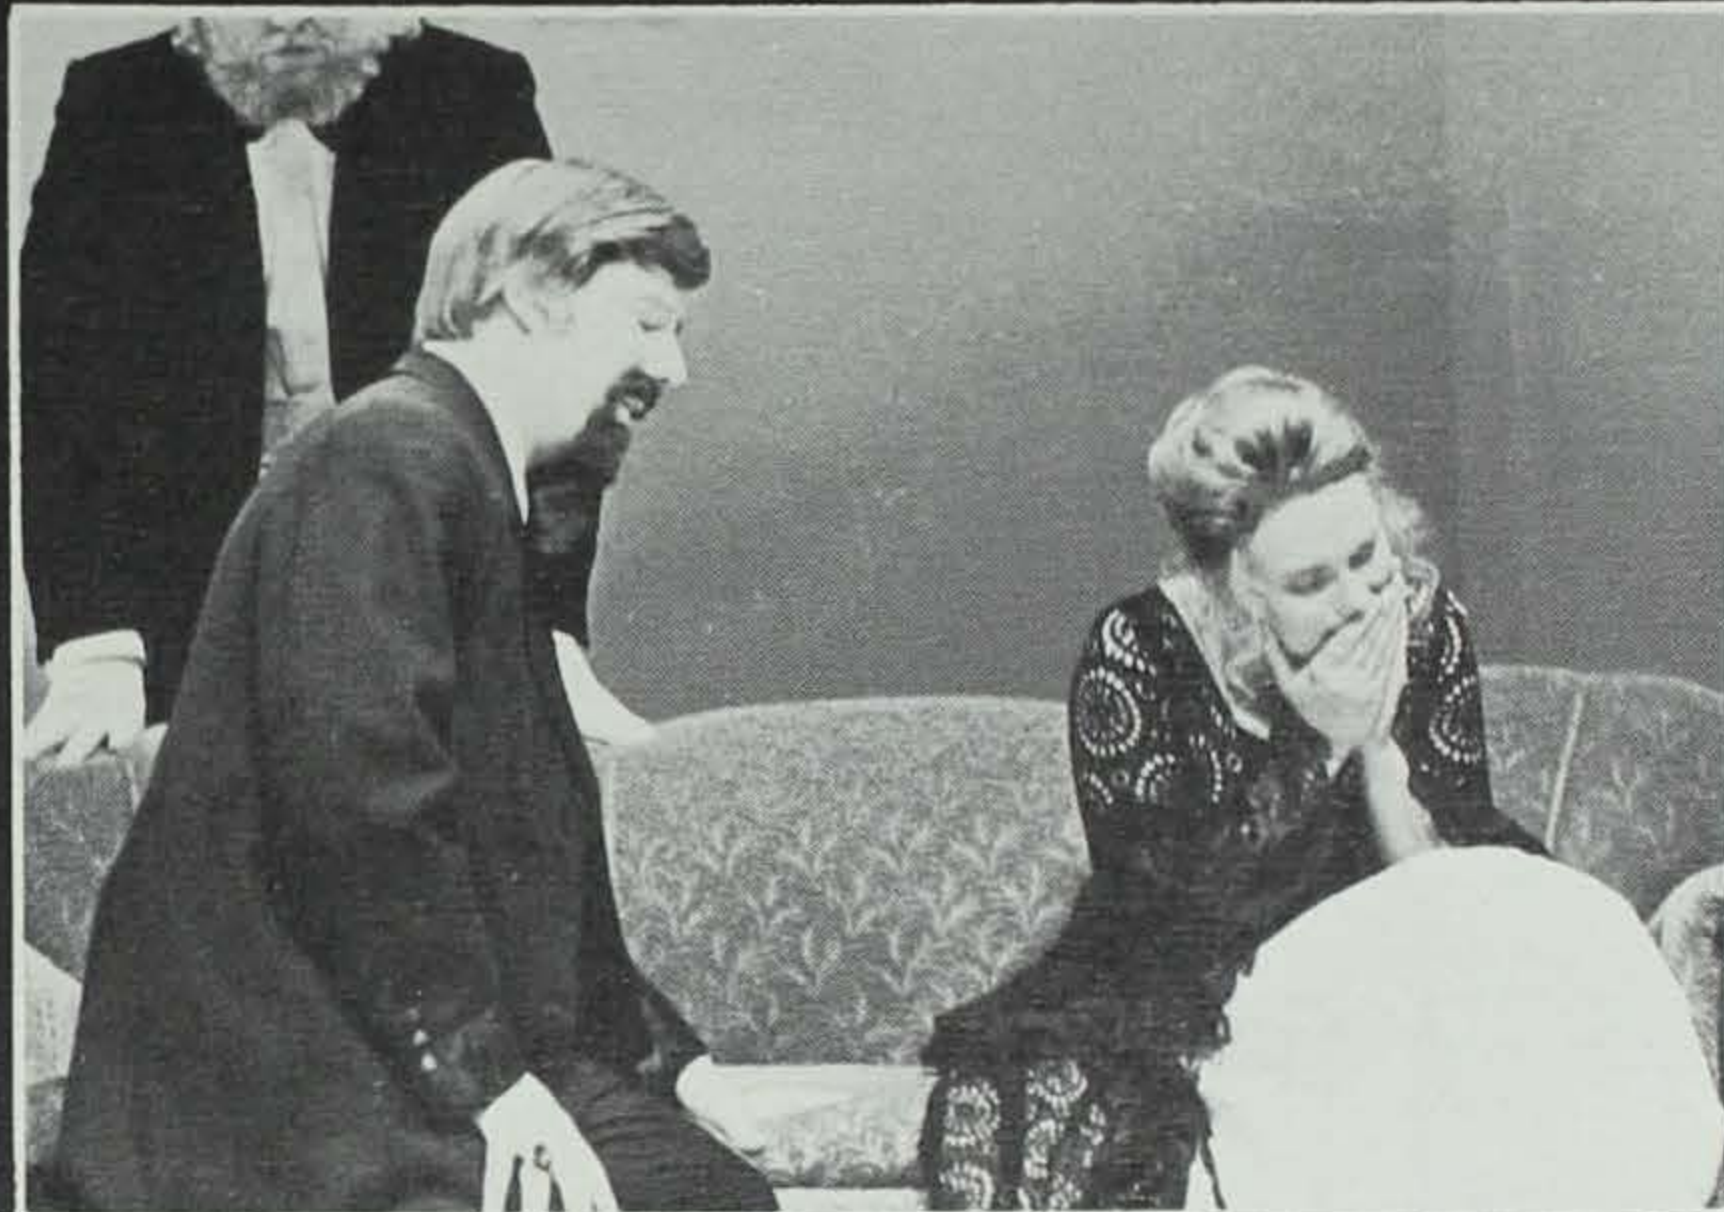

THE CHERRY ORCHARD by Anton Chekhov, was presented November 12 and 13 by the Buena Vista College Drama Department. Taking place in Tsarist Russia before the Revolutions of 1917, it shows the gradual death of the old order and the helplessness of people to face the changes.

1972 Poetry-Prose Contests

Nu Delta Chapter of Sigma Tau Delta conducted its second annual campus-wide Poetry-Prose Contest in the Spring of 1972. Cash prizes were available for 1st, 2nd and 3rd place winners in each category—poetry and prose. The three best poems were then published in the Spring magazine edition of the VIEW. This year the judge for the contest was Phil Hey, a published poet and professor from Briar Cliff College. Phil came to our campus for a reading after judging the contest and at that time conducted a group critique session for all interested contestants.

Winners of the 1972 contest were as follows:

July 4, 1971

Your trembling fingers drew my concern.
So young, so frightened-not so.
Gravity of years beyond your own
you imposed in a fantasy
to be independent,
and you are now not twenty but fifty
searching for a place to settle,
someone to depend upon at last.

Less confident in love than before,
you assure the also trembling mind
that love is less than it takes
to make an adequate marriage.
Security and maybe a little money, someday,
will make you believe
it was love that mingled that gold
with the white of your finger.

And I wonder about you as a wife;
to have and to hold, to clean and to cook forever.
Then will you wear beneath your collar,
the notion of woman's liberation?

New Calf

Nestled in the straw, a tangled heap of sprawling legs.
A damp, steaming miracle, shivering in the drafty barn.
The gentle cow, nuzzling her newborn calf,
Warming and cleaning with her sandpaper tongue.

Two o'clock

2:00 AM,
Day is over and I'm alone,
Words start flowing
when the body is tired.
Radio is dying in and out and
I wish it would stay dead.
So much to think and
so much to write,
A hundred poems sleep
when I close my eyes for the night.

[untitled]

There must have been,
Once,
An important instant.
Because
It was then
That my identity insisted
That I deny myself things,
That I super-impose things
Upon my humanity.
Then It became possessive
And I've tried hard to disengage It.
I feel carefully backeard
And I can almost touch
The things I used to feel;
When there were physical limits,
When I needn't create intangible ones.
When, if my mind created
That creation was good
In its own right and
Without scrutiny.
But I can't yet touch the freedom
That I barely can remember
And I can't destroy the me
That continues to deny me.

Spring Birth

The once-firm sidewalk is spongy under my feet
As the prostitute snow melts into gray slush
and floods my path.
The wetness pervades the air.
Without seeing, my mind receives the picture of
the wet trees, black against the sky,
the brown leaves caked together in the
new sprouting grass, baby green,
the rushing torrents of muddy water in the
gutters along man's asphalt streets.
A slightly ice breeze reminds me that
winter has just ended,
but it shall, like death, return.
The sun, the wet, the glimpse of green wink at me.
Spring is here the birth of everything new.
I'm apart from man today.
Possibly my life will begin anew.

Senate Worked Hard for Many Changes

Senate members at CJ's (Christopher Jay's) for the Recognition Banquet are, FRONT (l to r): Bill Leonard, Margo Silvernale, Bob Jones, Julie Bauer, and Steve Wegner. SECOND ROW: Laura Heinse, Char Harrington, Debbie Ball, Dee Stevens, Diane Farina, Sue Rainey, and Pete Dows. THIRD ROW: Debbie Green, Vicki Goodman, Vicki Mulder, Tom Farner, and Dr. Wesselink-advisor. FORTH ROW: Gary Brink, Matt Ohlson, and Mark Grossman.

The Student Association under the direction and guidance of Robert Jones, experienced a prolific and successful year. The Buena Vista College community saw several changes and additions as a result of Senate action. Purchased for student use by the Senate were two tandem bikes, two metal bike racks, a canoe, and a cigarette machine, which was installed in the campus center. The Association also purchased pin ball machines for the union, a turntable for the P.A. system, and an art sculpture for the front of Pierce-White Halls.

Also, the Senate established a food committee, which aided in acquiring the new Taylor Food service. Senate representatives assisted in the changing of the general education requirements, the lowering of the ACT composite score, and the extension of the open dorm policy. Senate funds helped to finance the appearance of Ruane, the hypnotist, and the Dean Davis Company.

Assisting President Robert Jones were: Julie Bauer vice-president, Margo Silvernale secretary, and Bill Leonard treasurer.

The Presidents Cabinet consists of Tom Farner, Debbie Ball, Bob Jones, Vicki Goodman, and Steve Wegner.

Associations

Student Union Board is a organization formed to meet the needs of the student for entertainment during the college year. This year, the Union Board, under the direction of Steve Wegner met this challenge with great spirit and enthusiasum.

A variety of activities were sponsored to discover what the students would most enjoy. Among them were the evening hayrides, bowling night, a Sadie Hawkins, weekly movies, and weekly youth services.

Additional events were also added along with the traditional Homecoming celebration. Iowa's Easter Seal boy was the Grand-marchal of the Homecoming parade. Past Homecoming queens were invited to participate in the festivities, and an unscheduled evening pep rally was also added. Homecoming was highlighted by the appearance of the New Colony Six.

The Festival of Snow included David Frye and an evening of tobogganing at Peterson Park.

The 1971-72 Union Board was divided into four divisions, each with a chairman: Special Events-Richard Barrick, Social Events-Bob Schuckmell, Publicity-Lorna Bruns, Religious-Julie Bauer. Officers for the year were: Dave Saurman treasurer, Nancy Morrow secretary, Mikka Vilas vice-president, and Steve Wegner president.

OCC Bake Sales Great Money Maker

During its second year, the Off-Campus Council endeavored to become an even more active participant on the BV campus. Because Off-Campus Council is a young campus organization, it was necessary to establish the council as an interested and effective commuter voice.

At the onset of the 1971-'72 academic year it was agreed that we would devote ourselves to one major service project each semester, in addition to numerous other activities. Our major source of income was obtained from monthly bake sales. Thanks to our many culinary volunteers, these bake sales were very successful. Both the contributions and con-

sumers were instrumental in making our efforts a welcome addition to campus life. During the first semester we contributed twenty-five dollars to the Mr. Goodfellow fund, a local charity. Our service project for the second semester consisted of purchasing a much needed clock for the Student Union. We also installed a pop machine and campaigned successfully for a campus cigarette machine. Other activities were a skit for the Homecoming Variety Show and a column in the student newspaper. We also initiated the practice of serving free coffee in the D.E. lounge.

Esprit de Corps to show prospective new students the campus this year were (l to r): Robin Annear, Sue Rainey, Bob Jones, Ken Ferjak, Paige Beckfield, Flip Mettling, Deb Eckey, Mark Grossman, Raleigh Bagby, Eileen Parker, Reid, Swanson, Julie Bauer, Nancy Morrow, Vicki Mulder, and Dr. Robert Tollefon-advisor.

Esprit de Corps Host Students

Esprit de Corps is an honorary organization of students that function as campus hosts and hostesses. The "Corps" was formed to aid various offices of the college by providing tours for campus visitors, particularly prospective students.

Founded in 1969 with a carefully selected nucleus of students representative of the campus, Esprit de Corps grew steadily into a viable and hard working group. Members are selected on the basis of character, appearance, scholarship, participation in campus activities and pride in the institution. They are bound together by a common denominator, Buena Vista College. The organization possesses the best representative cross section of students of any group on campus. Membership is limited and each year the "Corps" carefully selects replacements, necessitated by graduation, from numerous candidates interviewed.

This past year, the members aided the Office of Admissions by providing over 300 visitors with tours of the campus. Esprit de Corps continues to make a positive impact on the campus and all indications show that it will continue to grow and prosper in the coming years.

Circle K Services Campus and Community

The Men of Circle K, FRONT (l to r): Don Belson, Mike Oleson, Larry Fett, and Robert Kent. SECOND ROW: Norm Bonnema-advisor, Don Jansen, Tom Ring, Gary Halverson, Bill Leonard, and Mike Wiggins.

The Circle K Club of Buena Vista College has had a very active year. The club, under the leadership of president Don Belson, served both the college and the community.

Circle K Clubs are the only international service organization on the American campuses. Club projects and activities center around service to others, with a sense of self achievement or betterment for the members.

The club did many projects this past year with the most important being successfully starting a womens service organization-Sinawik-on campus. Sinawik will work with Circle K jointly, with projects and activities that need co-ed sponcership.

Other projects for the year included: picking a test plot of DeKalb seed corn by hand and earning \$500 in one weekend; participating in Homecoming with a float and assisting with bands for the parade; helping out with the mentally retarded classes; and successfully gathering 530 pounds of newspapers from the dorm, three weeks before school was dismissed.

Under president Belson are the following officers: vice-president Robert Kent; secretary Larry Fett; treasurer Mike Oleson; Lt. Gov. Gary Halverson. Advisor for the year was Kiwanian Norm Bonnema. We would like to thank Kiwanian Mike Wiggins for his assistance from the Morning Kiwanis Club.

FRONT ROW: Bev Hovich, Ginny Best, Pam Vining, Margaret Watkins. BACK ROW: Linda Eppel, Jenny Yuge, Carol Melton, Sandi Romine, Roxie Click.

Sinawik Organized for Campus Service

Sinawik is a new organization this year. The club was organized as a women's auxiliary club to the men's Circle K.

Sinawik is a service organization. The club made toys for the Storm Lake Day Care Center, and also helped at the Center. Members gave of their time to the Buena Vista County ARC classes. The club also helped the Circle K club with

some of their projects and enjoyed a few joint meetings with them.

The officers for the year were Carol Melton, President; Roxie Click, Vice-President; Jenny Yuge, Secretary; and Ginny Best, Treasurer.

'72 Log staff consisted of, (l to r): Carol Melton, Jenny Yuge, Lorna Bruns, Robert Kent, Darlene Knutson, Barb Jons, and Laura Hamilton.

The task of the '72 Log staff was to recreate the 1971-72 school year on Buena Vista College through pictures and words. The year was packed with many activities, both large and small. Some events may have been overlooked, others maybe over emphasized, but then this publication is the results of a small band of dedicated workers.

Additions in the yearbook took many forms. A new division was created to group together scattered pages into a Fine Arts section. A series of pages are devoted to residence hall floors, with a grouping of all social sororities and fraternity. The staff distinguished ten students who showed outstanding leadership and participation in the class section.

The '72 Log was headed by Robert Kent, editor. The staff members doing different sections were: Carol Melton, classes; Barb Jons, Lorna Bruns, and Darlene Knutson, organizations; Craig Isaacson, sports; Laura Hamilton, greeks; and Jenny Yuge, index. The photographers were: Ric Anderson, Alan Astleford, and Jim Allen.

Editor Jim and Typist Judy.

TACK

Representing the views of the students through the Tack this year, were Jim Ayers, editor and Judy Sump, typist.

Each week they gathered sports, social and academic news items and presented it to their audience—the students. A special Interim issue provided for accounts from California to London, England, and from Florida to Buena Vista's own campus.

This year a special issue covered the Student Senate and Union Board elections, providing the students with insight to the candidates. It's success was an indicator of its future.

Jim Ayers worked hard with faculty, teachers, coaches, and students, to help the news that was news be news in the Tack!

# The Glory of God Is Man Fully Alive!

## God, He's Beautiful . . .

This Jesus  
God, he's beautiful

I mean, he's really great  
He's not at all pretty  
or "sick-beautiful"  
like those pictures of him  
that Christians hang on their walls.

He's not like that at all.  
He's real.  
He's got soul.

What he did is something else.  
There's nothing like it.

You see, when  
this Jesus came on the scene

God was like a stranger to people..  
Oh they thought they knew him,  
but they didn't really.  
Jesus knew him.

That's why he didn't fit in  
with other people.  
He was himself.

He didn't have to copy anyone.  
He did what he had to do  
and kept on doing it until

they couldn't take it any longer.  
So they killed him.

He did his thing  
because he was Jesus.

He wasn't trying to be someone else . . .  
He cut through all the phony ideas  
of the priests and leaders  
and told them the truth.  
And he still does.  
He really knows the truth about God, and it's wild . . .

This Jesus is beautiful!!

## Humanity Is Possible . . .

I am the vine,  
you are the branches.  
Whoever remains in me,  
and I in him,  
will bear much fruit;  
for you can do nothing  
without me.

John 12:24

To be truly human  
is to be conscious  
of human weakness,  
but confident  
that it can be overcome.

## Freedom "Now"

Man  
cannot free himself;  
he must be set free,  
and this can happen only because  
God has given himself  
for us  
in Jesus Christ.

This saving act of God, however,  
is not in the distant past,  
for the liberating event takes place  
when a man  
responds to the word of the cross  
by deciding  
to understand himself  
as crucified and dead  
to his own past and open solely to  
the future offered to him in that word

## FCA Host Top Athletes

This year the activities of the Fellowship of Christian Athletes have shown that it is both possible and practical to be a Christian on as well as off the athletic field.

The "FCA Day", which featured All-American Doug Kingsriter (University of Minnesota) and Harlem Globetrotter Bob Williams, attracted over 275 high school athletes and coaches. A morning "FCA Breakfast" with Ron Hess, Minnesota Area Director of FCA, was inspirational and meaningful for all who attended. The B.V. Christian Athletes also spoke in numerous churches and schools throughout the year.

The summer of 1972 will find Coach Jay Beekmann, Jim Egli, and Kevin McDonald on the National Collegiate staff of the FCA at the various eighteen summer conferences.

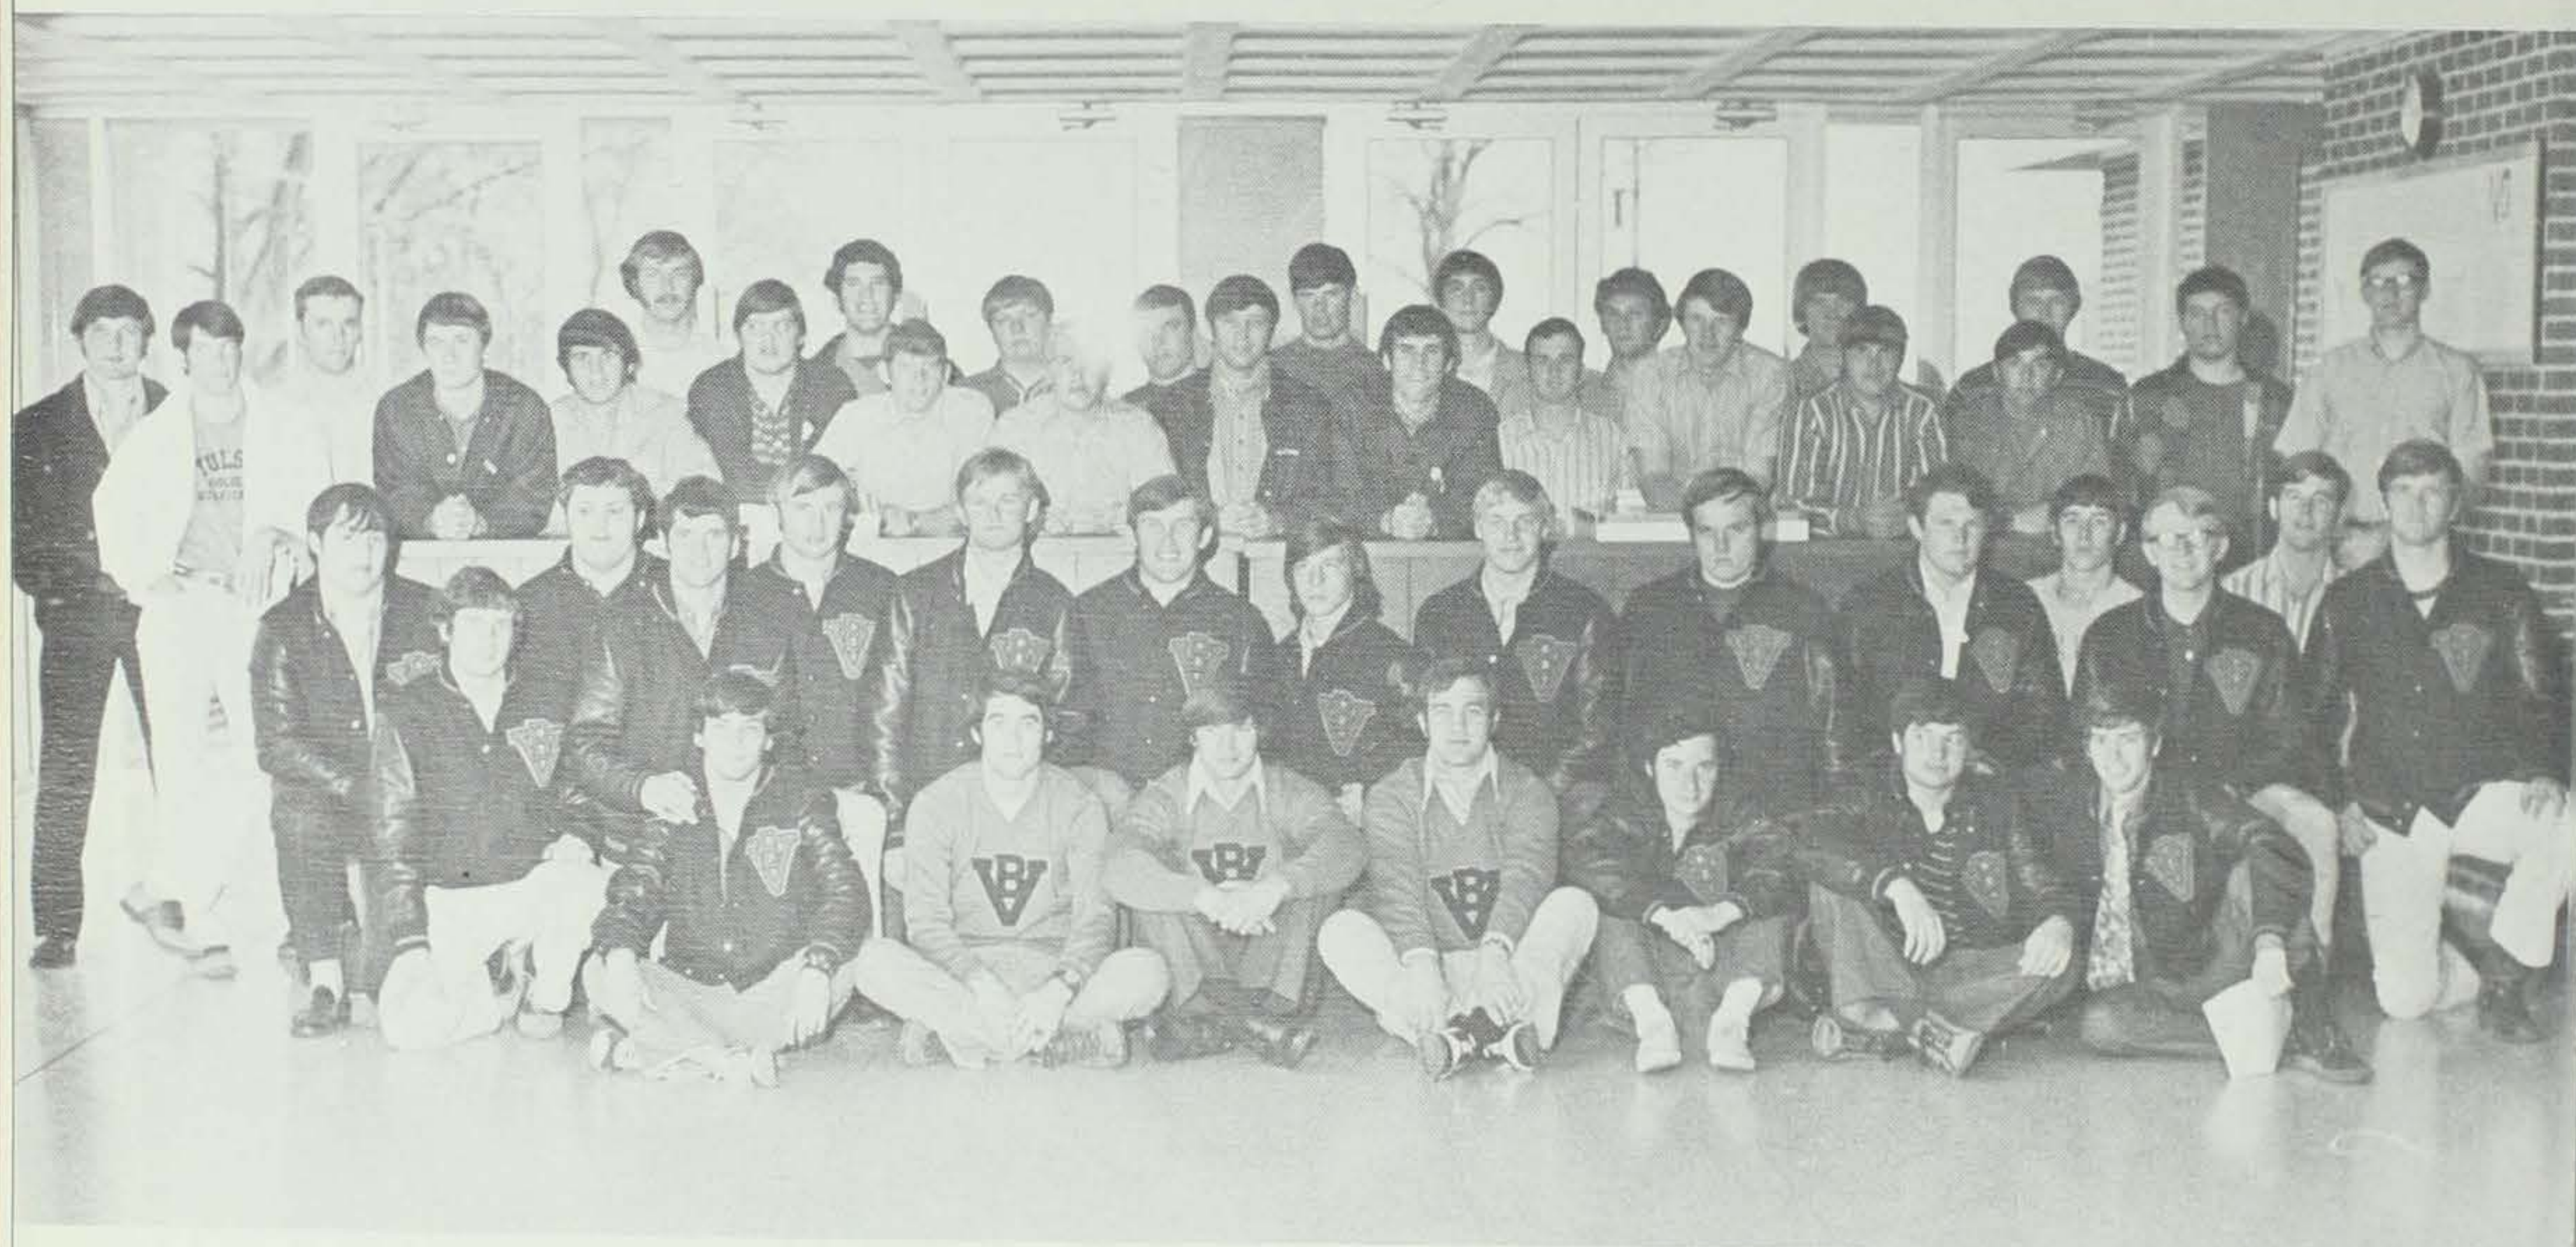

The purpose of the Lettermen's Club is to create a closer relationship between the athletes of Buena Vista College, to encourage sportsmanship in all athletic contests with other schools, to promote better relations between athletes and the college administration, and to attempt to instill the qualities of leadership in its members. In addition, the members promoted the support of the Beavers in all sports.

The objectives were put into practice through a wide variety of campus activities. The organization was lead by president Blair Redenius, vice-president Steve Anderson,

secretary Gary Debner, treasurer Tom McGrain, and sponcer Jay Beekmann, Athletic Director. The Lettermen played a big part in the Homecoming activities and were proud to sponsor the Homecoming Queen, Miss Fern Van Wyhe. The club also took the initiative of selling programs at all football games and running the concession stand as well. During the winter months the Lettermen remained active. The members assisted with basketball games and had their usual concession stands. The money made by the Lettermen helped to purchase letter jackets for qualifing members.

## Pemm Club

PEMM Club functions to form a working relationship among interested women who major or minor in physical education. The organization strives to stimulate interest in physical education. Besides attending the monthly meetings, each girl is responsible for the various moneymaking activities which take place. We, as members feel the club enhances our opportunity to further enjoy and appreciate the field of physical education.

Officers for the year were; Cyn Hanenberger president; Cindy Gosch vice president; Fern Van Whye secretaries; and Peg Kruse treasurer. We would like to extend our thanks to Harriet Henry, our advisor, for helping PEMM Club again this year.

### FOOTBALL CHEERLEADERS

The eight girls, chosen by a committee of faculty members and student leaders, showed very much pep and enthusiasm for the big event, led cheers at the pep rallies, rode in the Saturday Homecoming parade and yelled the Beavers on Saturday afternoon to a Homecoming victory.

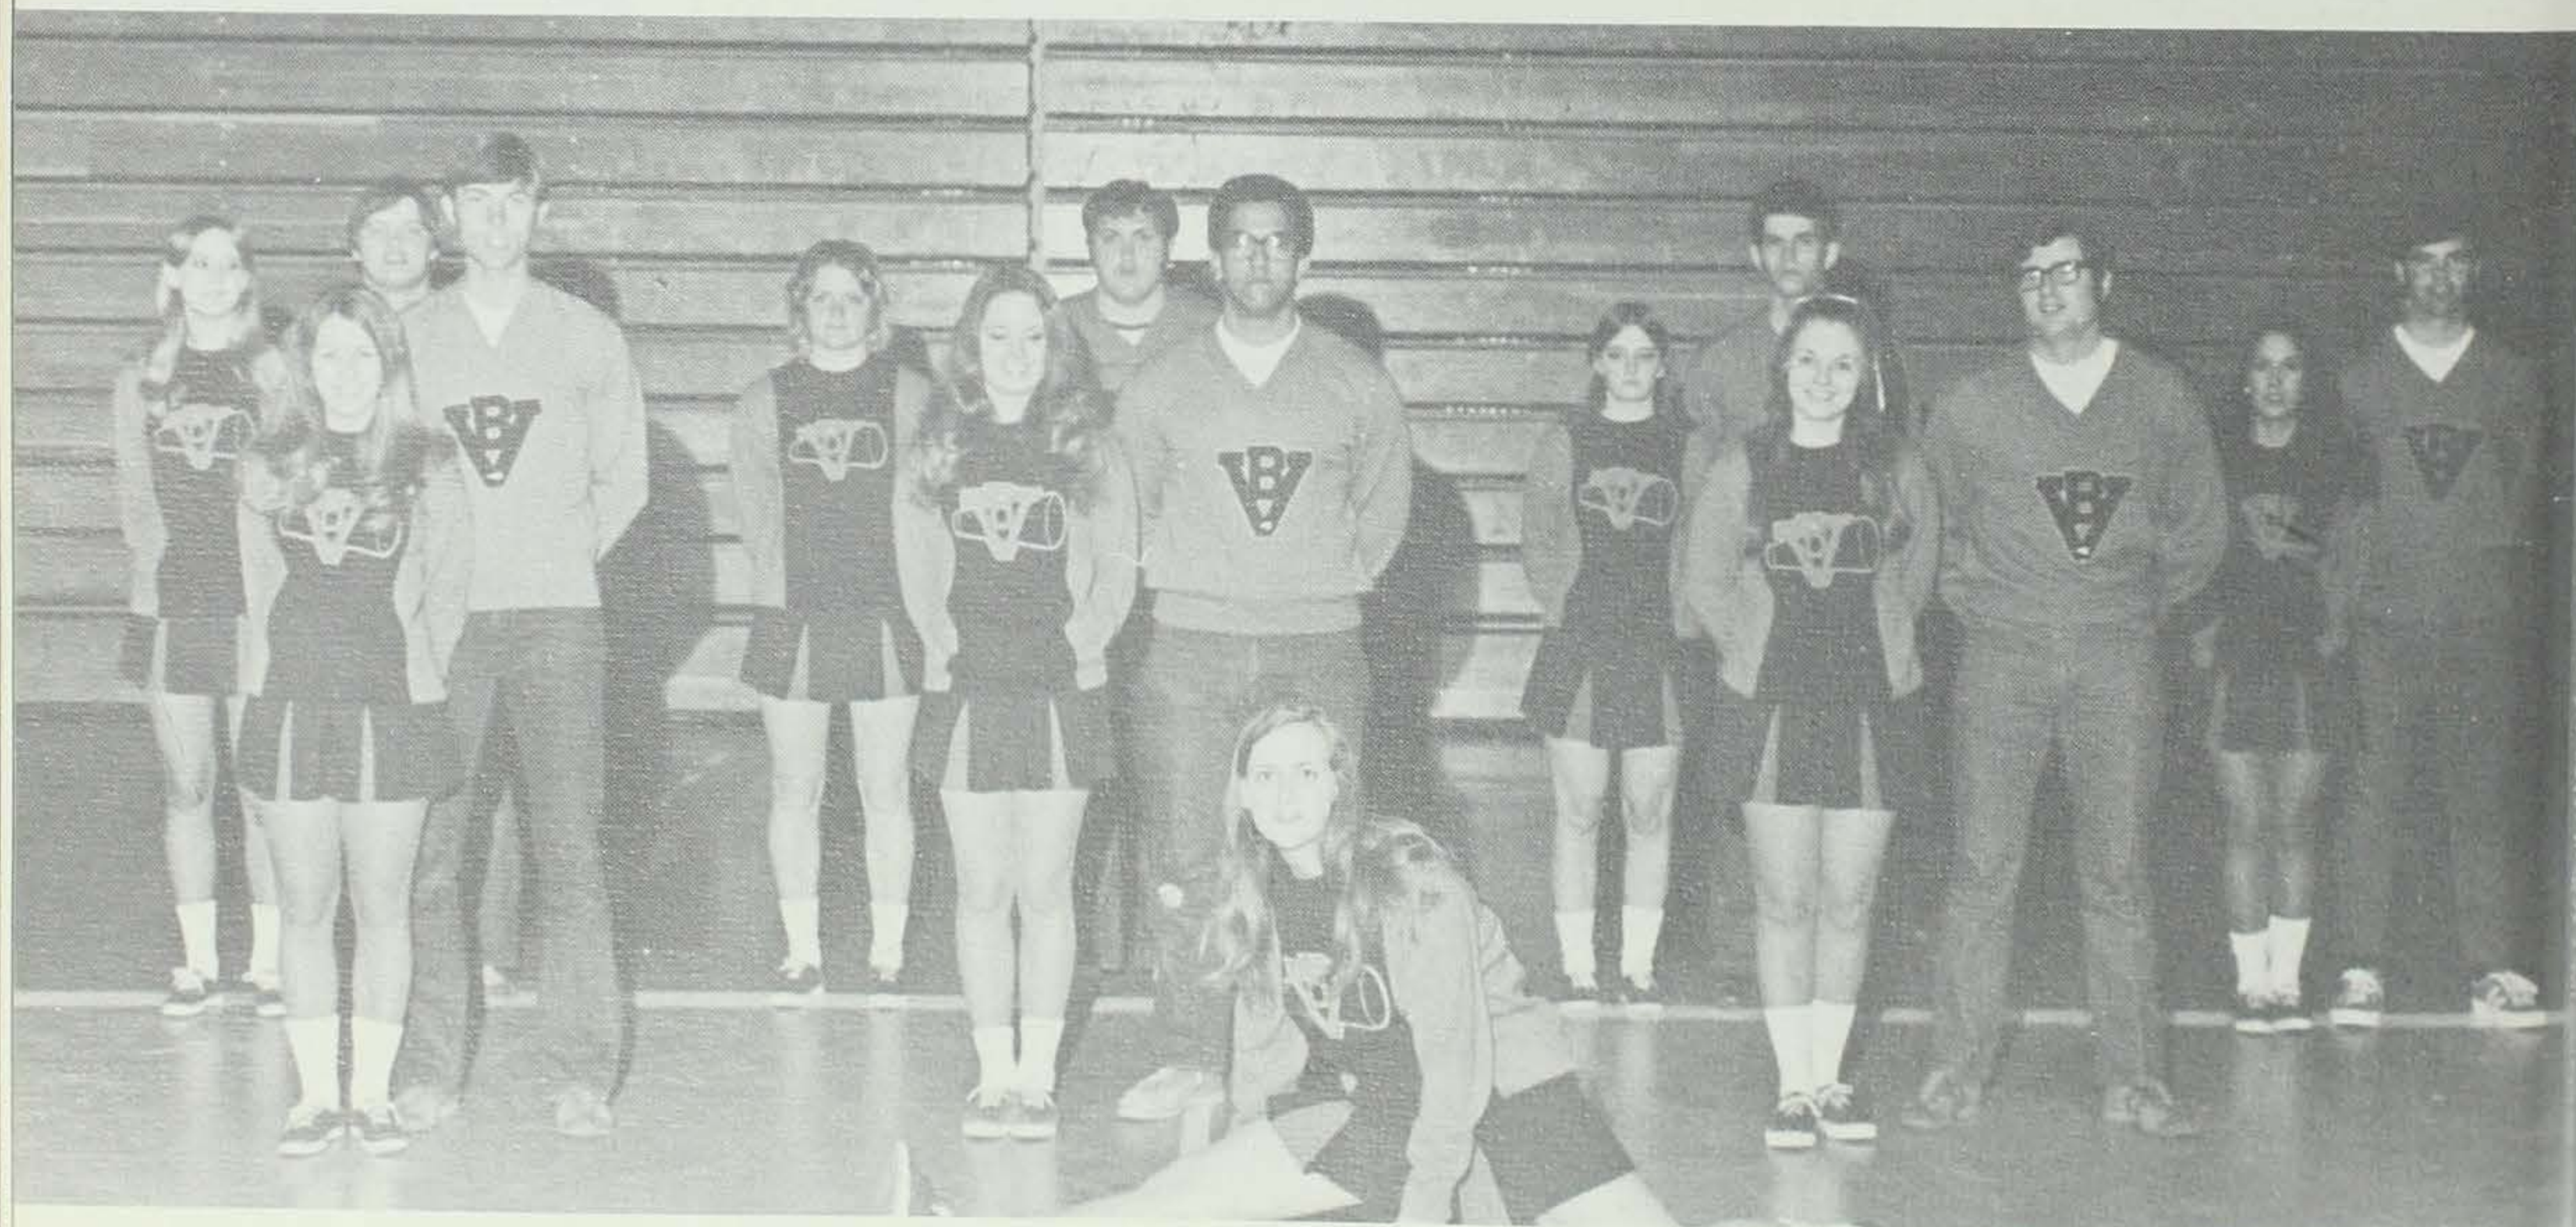

New cheerleaders for the 1972-73 year were chosen in the spring and organized over the summer months, should provide another squad of a attractive and enthusiastic football season ahead.

### BASKETBALL CHEERLEADERS

This year the fourteen member cheerleading squad had a new look and many new ideas.

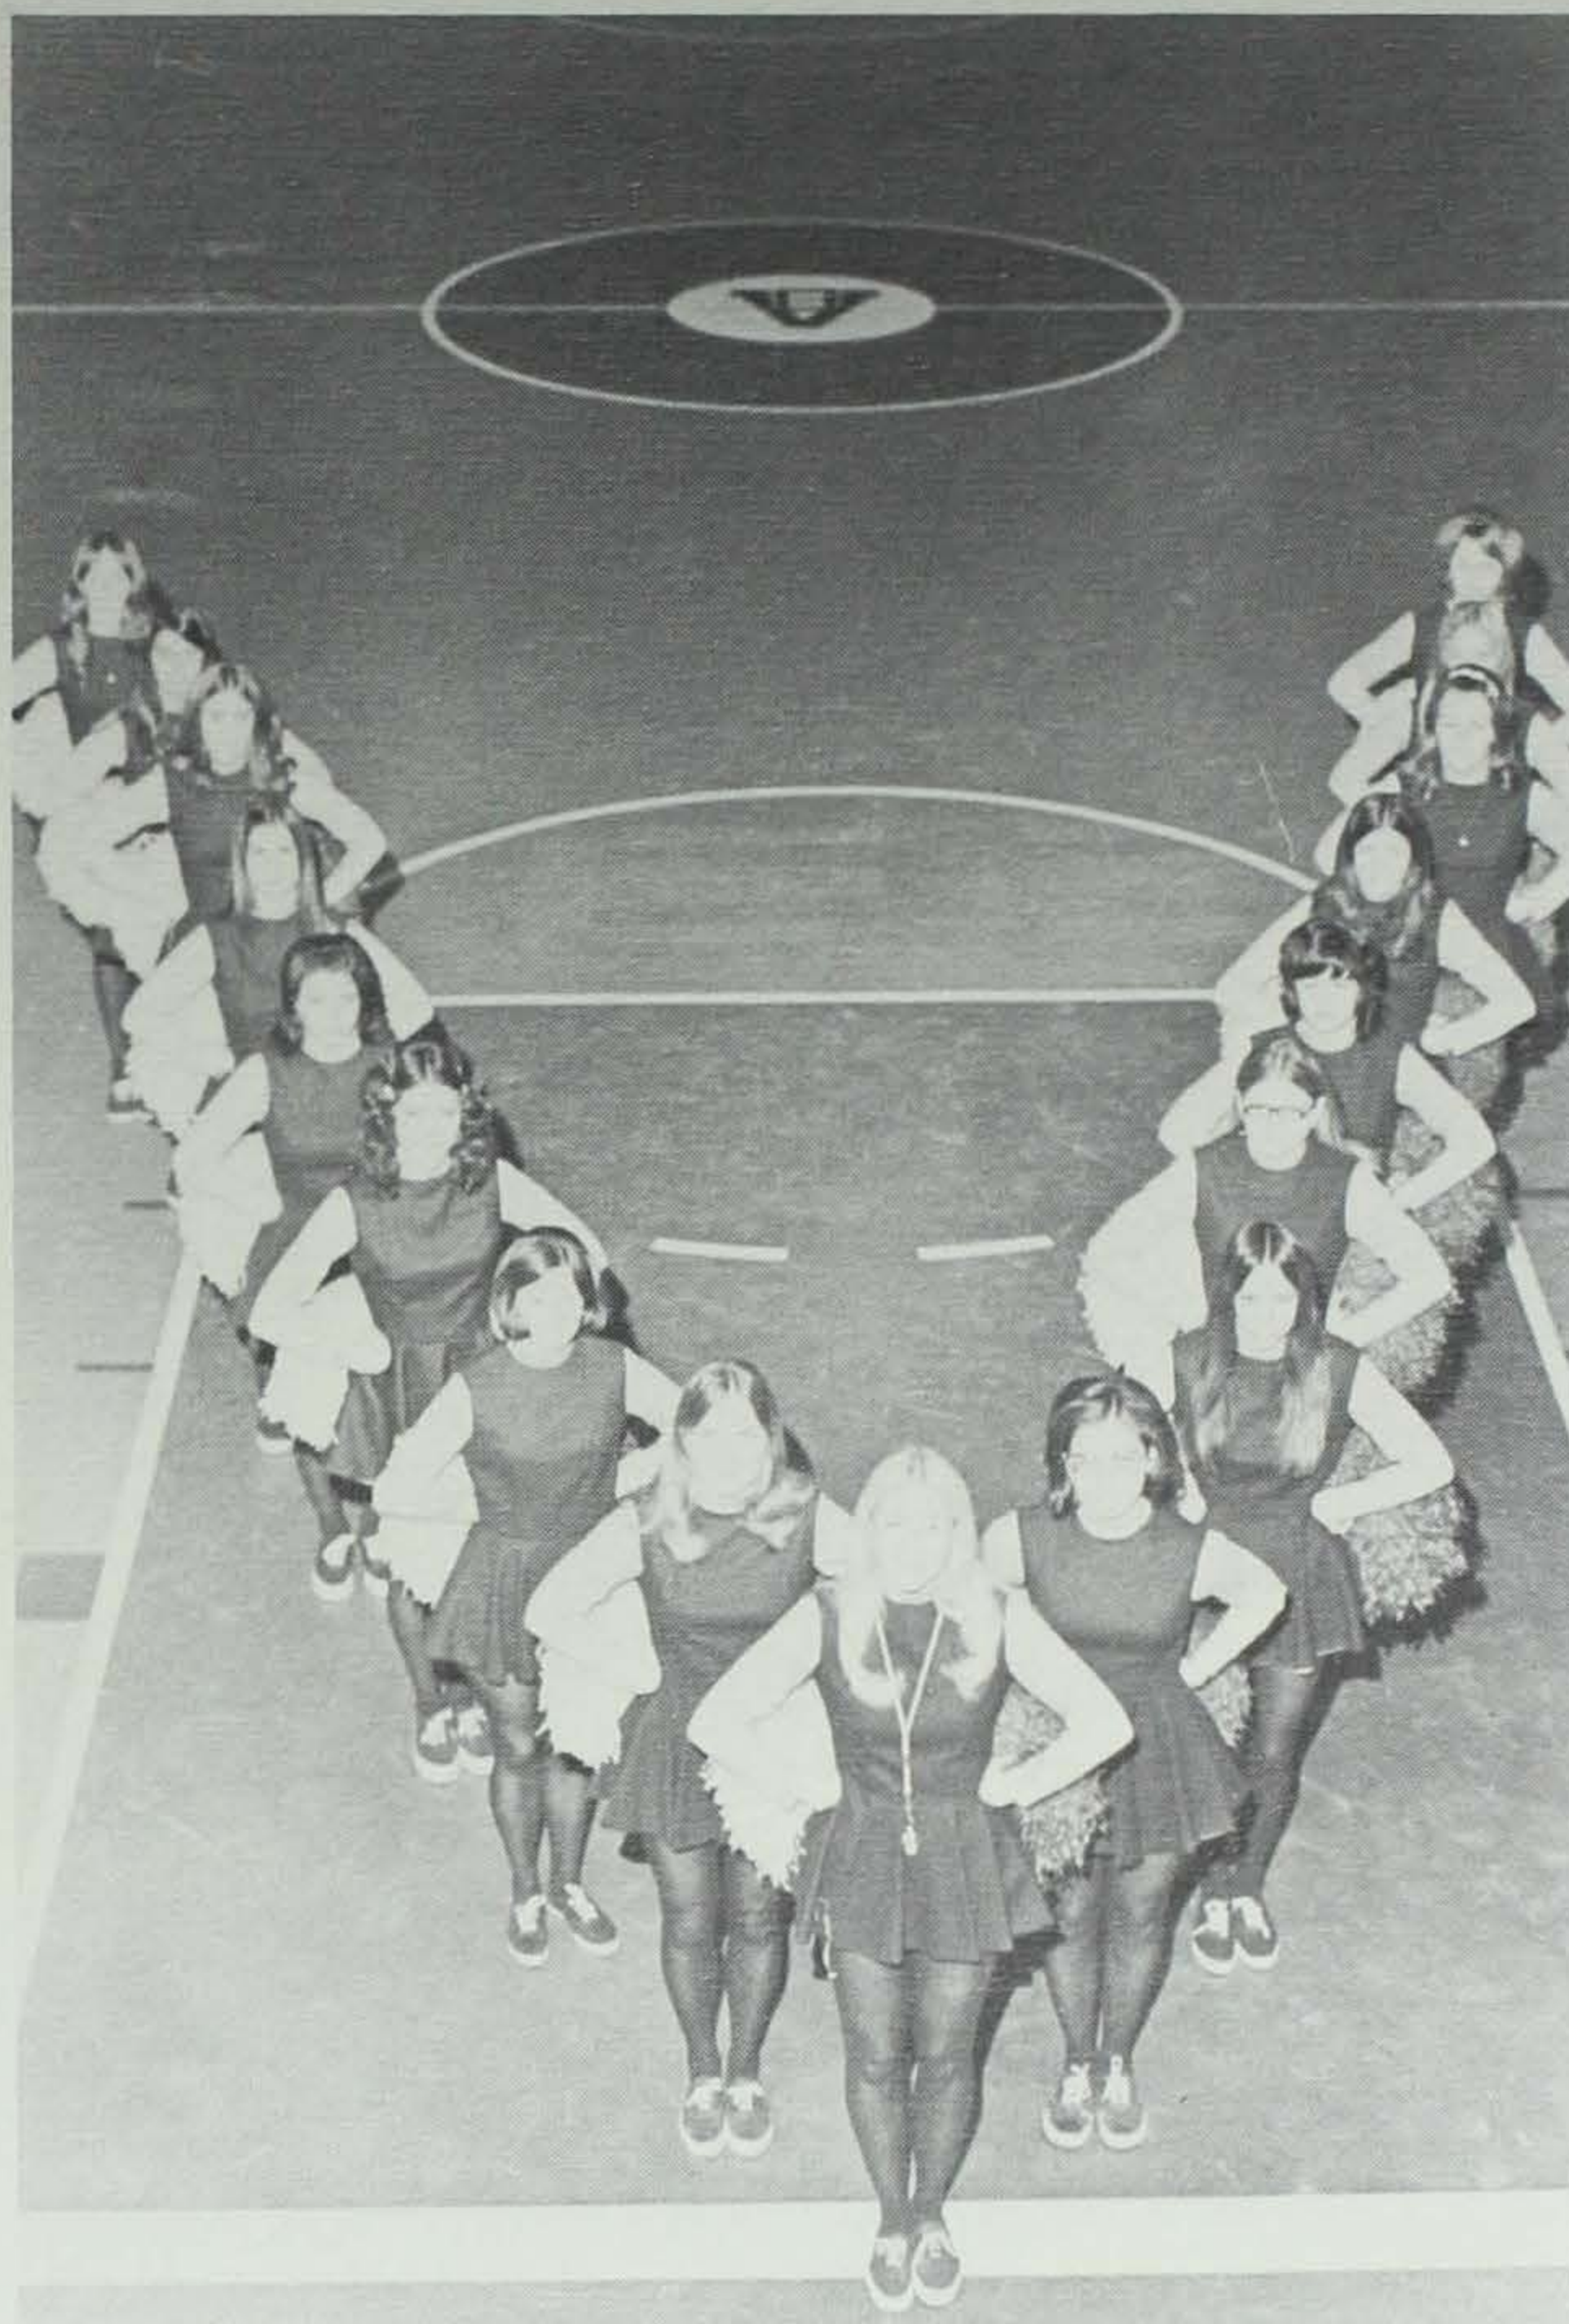

Seven yell leaders added pep and enthusiasm to the former all girl squad.

The fourteen member yell group added spark to BVC's basketball season. The cheerleaders and yell leaders followed the beavers to most away games, rounding out a pretty good season.

## B.V. Beaveretts Preformed at Half Time

The twenty-member Buena Vista Drill Team, The "Beaverettes", added blue and gold color and pep to the BVC athletic events throughout the year. Fall activities included the long march in the Homecoming Parade and many football game half-times. The "Beaverettes" also preformed a precision drill routine to a drum cadence for a basketball game half-time. The members of the squad worked long hours to prepare for their superbly executed and fine-precisioned pom-pom routines, which were lead by captain, Rita Sue Farnell, and with the help of the BV pep band. The girls combined beauty with snappy talent to delight the home game spectators.

The Men's Hall Honoary, Le Droit d' Honneur ("the right of honor") was begun last year to honor men of Pierce and White Halls who have displayed leadership and cooperation within the residence halls, and who in the eyes of its members have helped to improve the atmosphere of hall living. Maintaining an active membership totaling just five percent of the hall population, Le Droit d' Honneur is regarded a select

group of men, and inclusion in the society may be taken as definite honor.

Members selected this year by the charter members, are: Blair Redenius, John Fay, Tom Ring, Will Nelson, Kevin McDonald, Jay Gross, Dave Moran, Guy Powell, and Russ Schweig.

## Order of the Keys

The order of the Keys is based on the idea that keys unlock many doors. In this case the key is the key of knowledge which can open doors of friendship through understanding, opportunity through understanding, and personal satisfaction through achievement.

The primary purpose while we are in college is to gain, to the best of our ability, an education. The Order of the Keys, therefore feels it is appropriate to recognize the women on campus who maintain a high grade point average.

To become a member of the Order of Keys, a Swope Hall resident of at least one semester must accumulate a 3.0 g.p.a.

The organization has been formed with the hope that these women will encourage others to strive for such achievement and at the same time recognize those who have already achieved this goal.

New members initiated were FRONT ROW (l to r): Patricia Schiefen, Jeanne Cejka, Debbie Phillips, Sue Christiansen, Sally Osborne, Jennifer Yuge. SECOND ROW: Pam Vining, Beth Hoskins, Deborah Schwarte, Janelle Harth, Janel Conner, Lorna Bruns, Susan Irwin, Cynthia Gosch, Nancy Rector, Roxie Click, Linda Carstensen, Darlene Knutson, Carol Pevestdorf, and Gayle Schlueter.

The Buena Vista College Young Republicans were (seated l to r): Julie Bauer, Sally Osborn, Nancy Morrow, and Sally Kotval. STANDING: Joel Charlson, Rob West, Gary Brink, and Guy Powell.

## Young Republicans

During the academic year, 1971-72, Julie Bauer acted as chairman for the Buena Vista College Republicans, with Joel Charlson as Vice—Chairman, Nancy Morrow as Secretary-treasurer, and Floyd Pace, advisor.

Despite the fact that our organization was small, we still made our presence known on the campus and in the community. In September, we aided in welcoming Governor Ray's appearance at the Freshman Orientation Picnic. Throughout the fall semester four college students—Sally Kotval, Nancy Morrow, Sally Osborn, and Guy Powell—attended regular classes sponsored by Storm Lake Chamber of Commerce concerning political parties. For Homecoming and Parents Weekend, we created and displayed a banner

supporting the Beaver's football winning season.

Bud Dumdee, Dennis Freedman and Milo Braebac from Wiley Mayne's office, were some of the guest speakers attending our meetings to discuss politics today. Rich Schwarm, State Chairman of Young College Republicans, visited quite frequently concerning state functions for college age people.

The Spring semester brought campaign procedures for Robert Ray's re-election.

April 7, 1972, a bi-partisan political mock convention was held on campus. The five candidates for governor of Iowa participated. Those who attended felt the day was very rewarding and fulfilling.

## Young Democrats

With lowering of the voting age to 18, and the adoption by the Democratic Party in Iowa of the McGovern-Fraser Commission reform measures which encouraged more grass-roots participation, student-Democrats at Buena Vista actively participated in the political process in the spring of 1972, a Presidential election year.

Students participated in precinct caucuses and in the county, district, and state Presidential and Statutory Conventions.

One student, Bill Cullen, was elected precinct chairman for Storm Lake's fourth ward, which includes Buena Vista College.

The Buena Vista Democrats had little organization, which is not uncommon for Democrats anywhere. Perhaps the late Will Rogers explained this attitude best when he stated: "I am proud to report that I belong to no organized political party. I am a Democrat." So it is, too, for us.

## Sociology Club Sponsored Walk for Hunger

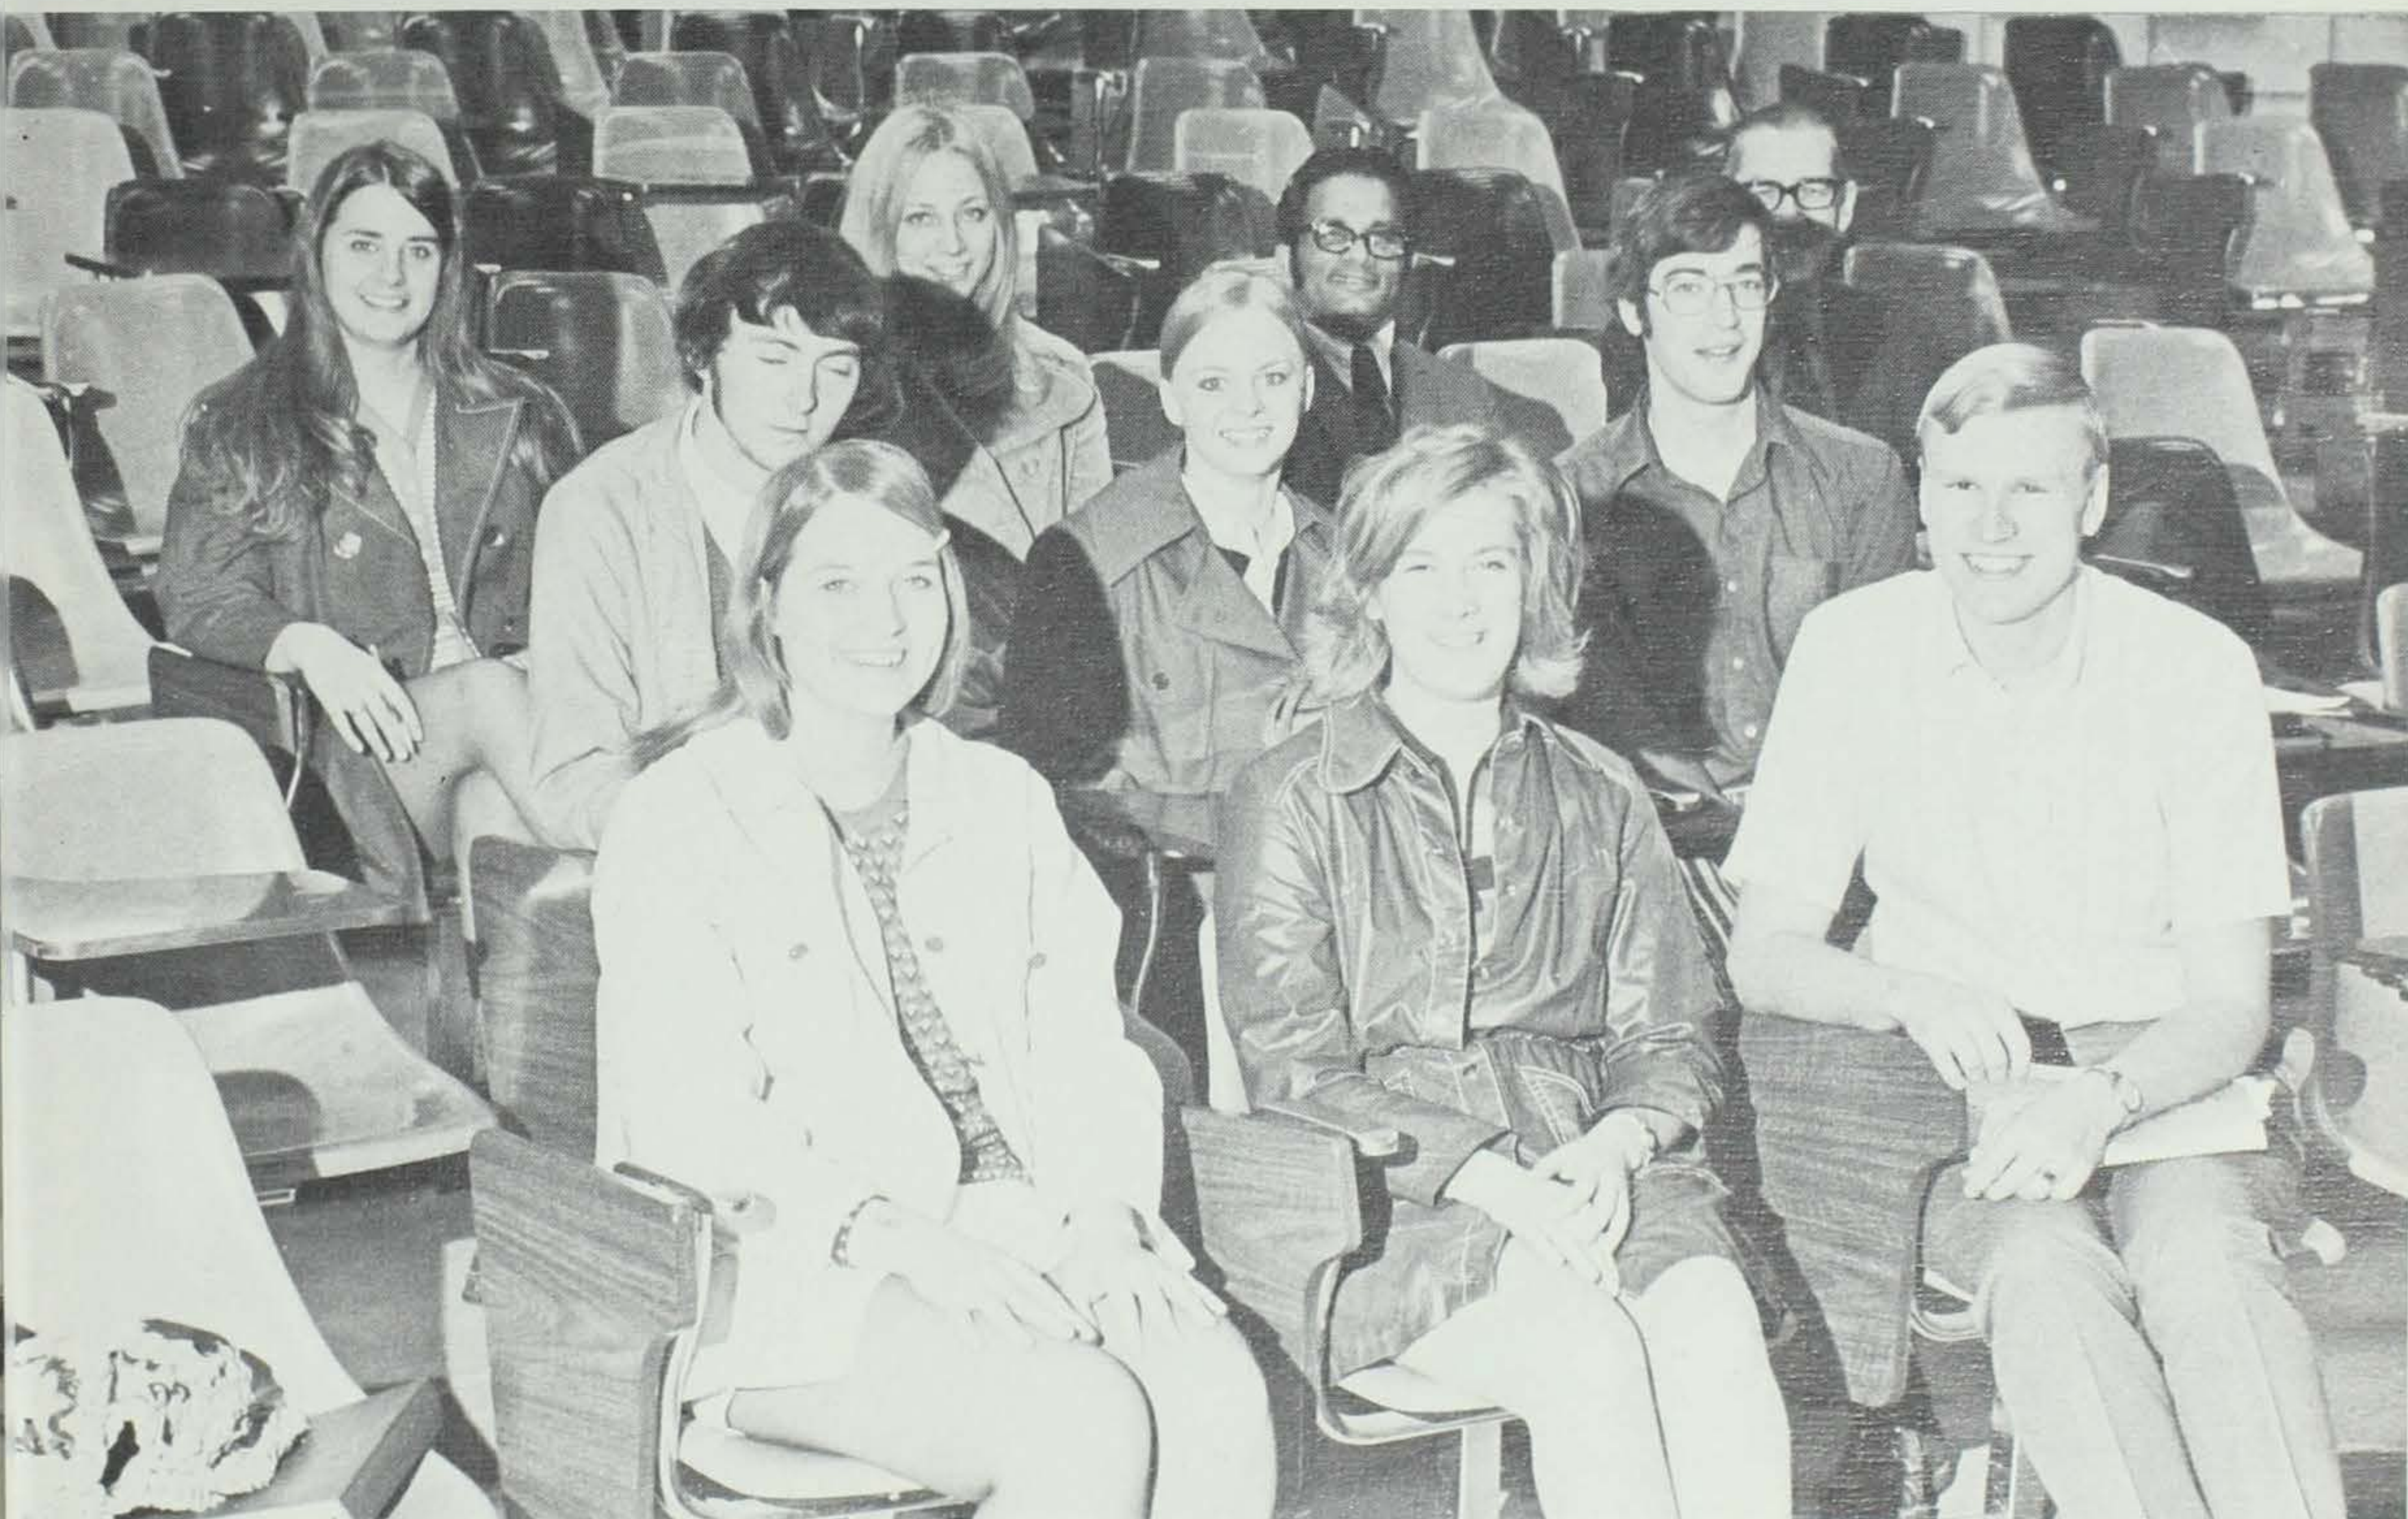

The newest club on campus this year is the Sociology Club. The basic purpose is to create an interest in sociology and to instigate community action. The organization hopes to give an understanding of the scientific and applied nature of sociology, with an equal emphasis on humanistic and theoretical aspects. Membership is open to any person majoring or minoring in sociology and who has the necessary grade point.

This year one of our basic accomplishments was organization. We were accepted by the college in the second semester.

Our big project, which was also our initial project, was sponsoring a twenty-mile Walk for Hunger around Storm Lake. The proceeds went to aid the people in the nation of Bangladesh. We were very happy to get the support of the community and the college. With this kind of backing, the Sociology Club is definitely on the move.

Officers for this year were Larry Fett, President; William Tischbin, Vice-President; Susan Irwin, Secretary; and Marianne Higman, Treasurer.

The B.V. Players had a busy year in 1971-72. The fall found the group hard at work on "The Cherry Orchard" directed by Travis Lockhart. Seven student-directed one act plays were performed in late November and December.

Spring activities followed the Interim Drama Forensic Tours. Work began on "The Zoo Story" directed by Curtis Sharp. The season closed with a production of "A Company of Wayward Saints" directed by Travis Lockhart.

The Kappa Chi Chapter has ten members, and this year the chapter was guided by the leadership of President John Conkel, and Linda Wyatt, Secretary.

## Pi Kappa Delta

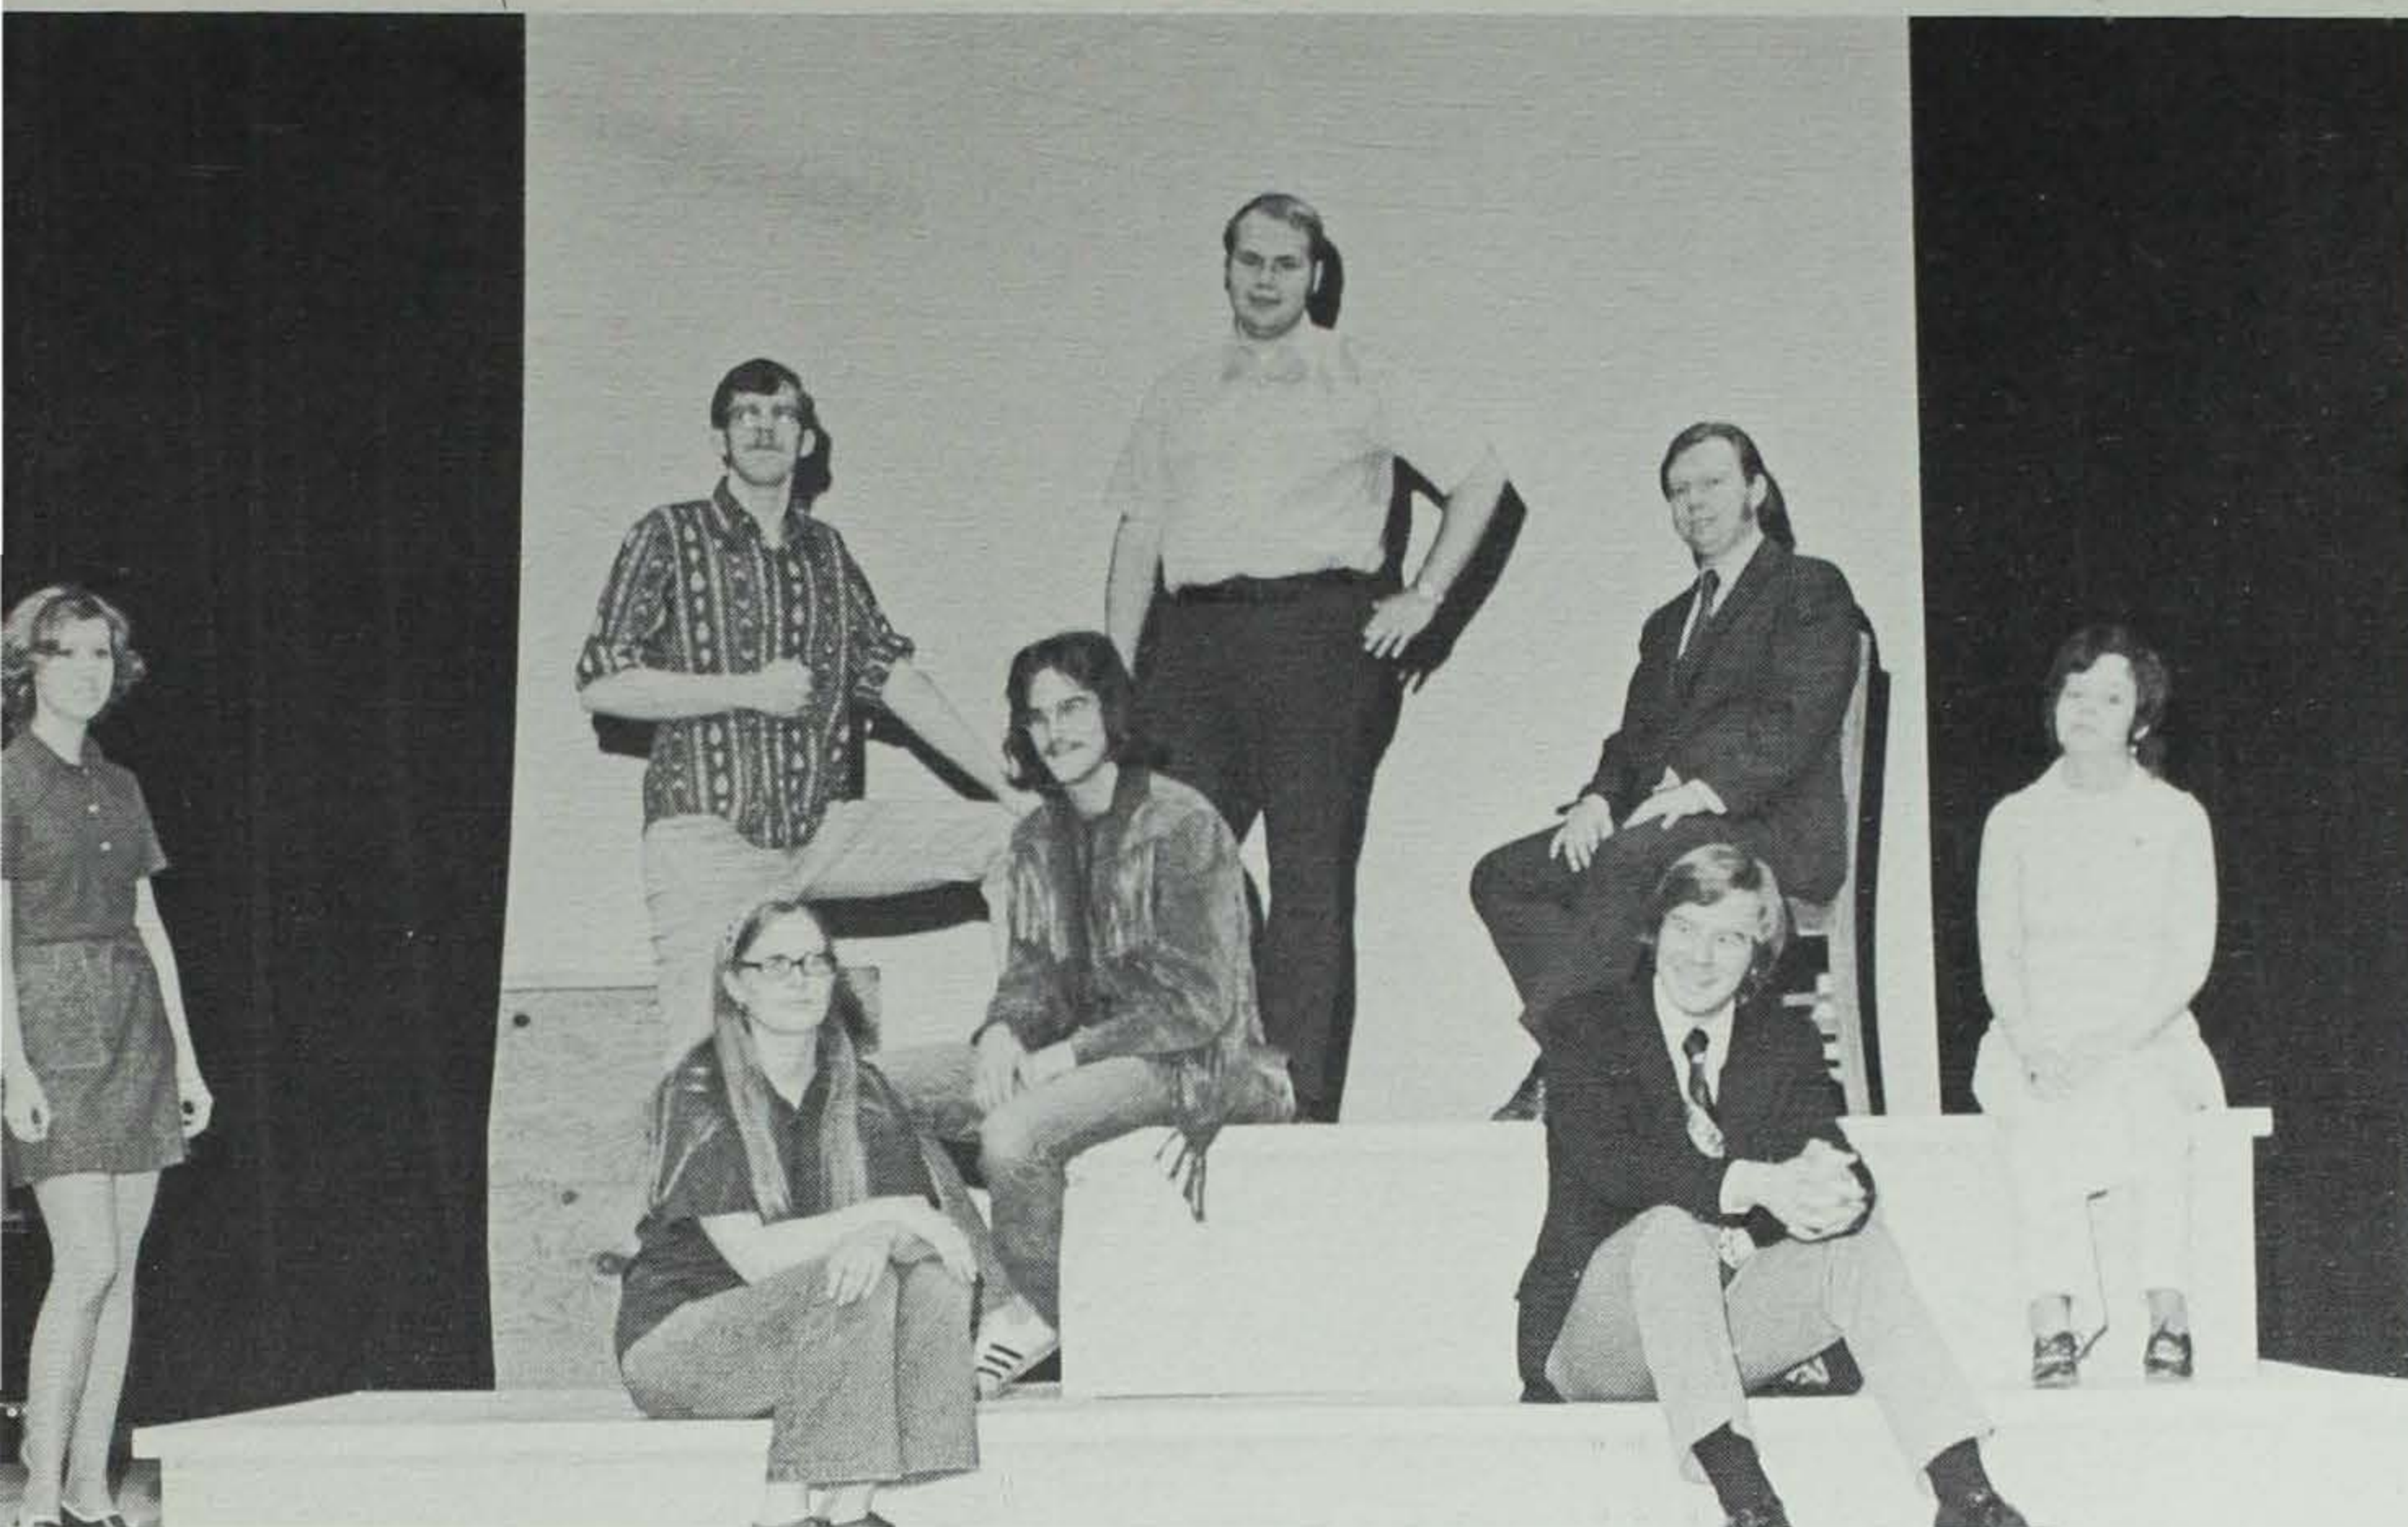

Pi Kappa Delta strives to promote the forensic art on Buena Vista's campus. As members of the national honorary forensic fraternity, each is pledged to further freedom of speech as well as to maintain the ethics and ideas of the oral art.

With their goals well in mind, the orators journeyed to Iowa State University, the University of Nebraska at Omaha, and South Dakota State University, where they encountered many valuable experiences. On March 3rd and 4th, Buena Vista College hosted it's first Pi Kappa Delta debate tournament. With the help of the faculty and B.V. students the tournament was a success.

It also strives to develop a program designed to acquaint all students with the history, ethnics, and programs of the organized teaching profession, showing them the importance of membership in the professional organization.

This year, SISEA was headed by Shari Gaston president and Neal Miller vice-president. Mrs. Anne Nicholson was advisor.

Alpha Mu Omega, a sorority established in 1969 to promote sisterhood among those women interested in furthering the enjoyment and appreciation of music, enjoyed a very active and successful year on campus.

Alpha Mu took an active part in the Homecoming Variety Show, where eight members of the Alpha Mu's joined eight brothers from the Men's Music Fraternity to form a Double Octet, which sang "Everything's Alright". Paige Beckfield, an Alpha Mu sister was sponsored by the entire music department as candidate for Homecoming queen.

Later in October, Alpha Mu initiated eleven pledges into the sorority. Pledge period consisted of many activities including Mouse Trap and Dissonance Days and ended with a fine performance of all the pledges in a pledge recital.

In December, the Alpha Mu's sold LuAnn cosmetics in Swope Hall as a money making project. The project was so successful it was used again in May.

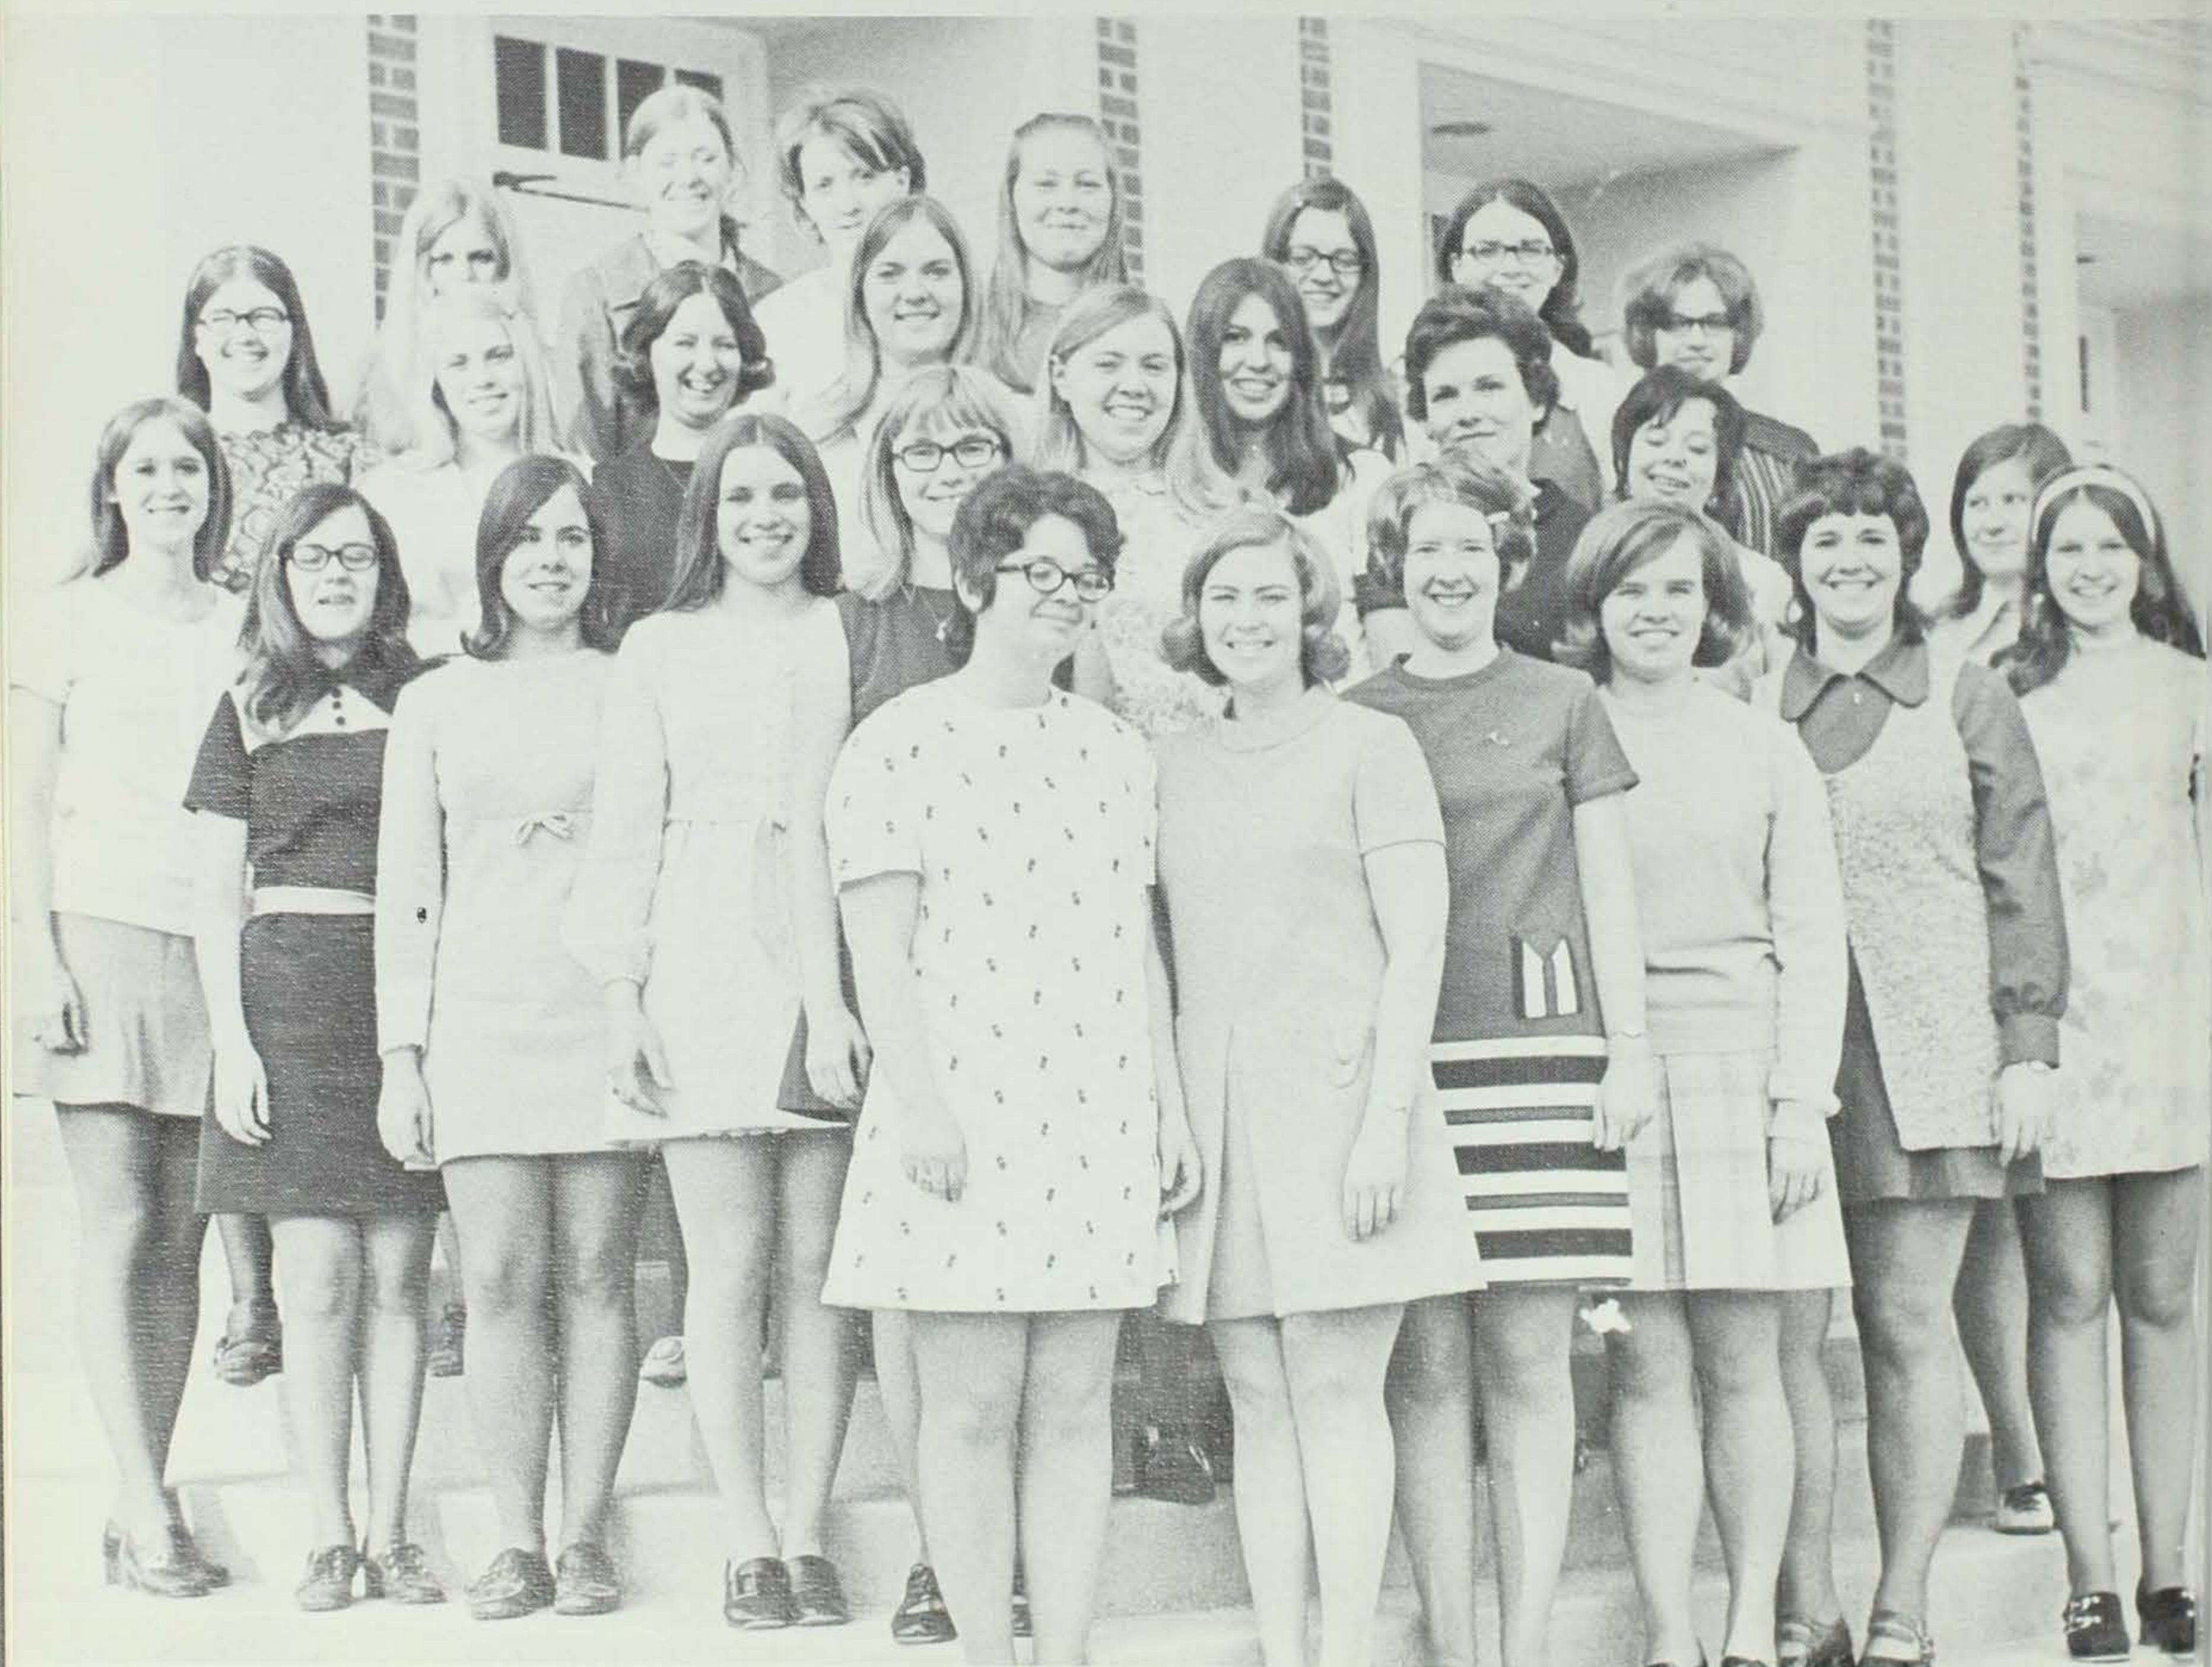

In April, the Alpha Mu's joined together to sing for the Mother's Weekend Banquet. The girls sang a variety of numbers including special small group numbers and a comedy skit based on a favorite Mother's Day song "Mother".

In May, Alpha Mu Omega was especially honored to have its candidates for Carnival Clowns, Beth Hoskin and John Zuerrer, selected to reign over the Carnival weekend activities.

Under the leadership of president Sheryl Erickson, vice-president Paige Beckfield, secretary Diane Rehnstrom, treasurer Ginny Best, historian Sarah Thompson, librarian Eileen Parker, pledge trainer Mikka Vilas, and faculty sponsors Mrs. Lewis and Mrs. Diamond, the Alpha Mu had a very active year.

Mr. Will Green and Mr. R.D. Pfaltzgraff were sponsors. During this past year, Phi Mu Alpha was proud to activate several new members; Alan Buckingham, Gary Brosamle, and Dale Stille.

All your life you will be storing up memories. Those recorded in this book are just a few of the many experiences you have had this year at Buena Vista College. There are the memories of the fun, the work, and the laughter, all of which make your school years trying at times, but also enjoyable.

As you grow older, you will probably forget some of these happy events. Greek life, however, will never be forgotten. There is a great and lasting feeling when you belong to a sisterhood or brotherhood on campus.

Each year a new group of students enter Greek life, not to replace those graduating, but only to add to the membership of an elite group. Greek life is lasting, eventful, and very worth while.

You, as a Greek, will hold many fond memories of your college days. Your sense of belonging to a special group at B.V.C. will provide a cherished and continuous reminder of "your college days."

Greeks represented on campus are: Delta Phi Beta Sorority, Phi Alpha Pi Sorority, Alpha Mu Omega Sorority, Delta Phi Rho Fraternity, Gamma Sigma Phi Fraternity, Kappa Tau Delta Fraternity, and Phi Mu Alpha Sinfonia Fraternity.

Representatives from the three sororities comprise the Inter-Sorority Council. Under the presidential leadership of Karen Larson, and advisor Sue Follon, ISC was successful in coordinating the special activities of the sororities.

The four fraternities worked together under the leadership of president Robert West, who helped coordinate the activities for the Inter-Fraternity Council.

Rush began with informal parties, followed by more parties and banquets. Hell week was lots of fun for everyone—not only for B.V. students, but for persons from downtown Storm Lake as well.

Each individual sorority and fraternity profited greatly, gaining new members, working on constructive projects, and having fun through out the year.

Tavern blues.

I've come to a place of dreams.

And now I feast my mind in peace.

If we worry about what may happen tomorrow, we may as well know, for tomorrow we may worry about what didn't happen, and once again we'll worry about tomorrow.

Buena Vista, Campbell Soup, Bell Telephone, Standard Oil, U.S. Steel, Columbia Pictures, General Motors, Nabisco, A&P, Kodak, Pan Am, Chiquita Banana, AT&T, The FBI, Republicans . . . This society.

The world is like a tree. A tree needs water to survive and I, but a drop of water.

Put down, shut out, break, busted, hung over, unwanted, lost, . . . found, wanted, brothers, fun, growth, excitement, new people, things to do.

Some people try to be what others think they are. But to act as this is not being honest. To be true to yourself and your friends, just be what you feel.

Your self impression is only important when understood by you.

In this world of strife and distrust, it is reassuring to know that one group of people stands together, pleading for reform. Kappa Tau Delta, misunderstood to the essence of its social roots, is a unified and revolutionary spirit that will not die.

Peace, love, unity and brotherhood . . . Think about it.

Old Kappas never die, they just 'fado' away.

The oldest social sorority on the Buena Vista College campus, Phi Alpha Pi began an active and fulfilling year under the direction of Rita Sue Farnell, President; Sandi Romine, Vice President; Kris Lindsey, Secretary; and Virginia Best, Treasurer. Guiding us as sponsors were Mrs. Carl Larson, Mrs. John Francis, and Mrs. Robert Borgman.

To start off our first semester, the Phi Alphas sponsored a style show from Grahams, in the women's residence hall.

The fall brought five pledges to the sorority, who helped in the activities a great deal when Homecoming rolled around. The Alphas sponsored a Queen candidate, Lois Anderson; entered the Variety Show and won first place for our skit "Beaverella on to the Ball to Win" in the originality division; entered the parade and won first place with our float; and held the annual mum sale. Our annual Alliance Luncheon at the Cobblestone Inn climaxed Homecoming activities by bringing past and present Phi Alphas together.

With true Christmas spirit bubbling inside, our sisters decorated cookies for the Midwest Christian Children's Home, and had the traditional Bootie Exchange with our sisters at our Christmas party.

The Phi Alphas entered a booth in the Spring Carnival and also sponsored Campus Clown candidates, Lois Anderson and James Hartman.

With the installation of new officers, the Phi Alpha Pi sorority began thinking of a new year of friendship, harmony, and fidelity.

## Winter Formal Highlight Delt Year

The Gamma chapter of Delta Phi Rho, established in 1925, is the oldest social fraternity on campus. In keeping with the traditions of the fraternity, the Delts continued to participate in numerous campus activities.

The Delt Homecoming float took third place this year, and our efforts in the Variety show made for a good time for all. Our annual alumni coffee was a great success for both active and graduated Brothers.

As the year progressed the fraternity held its annual Christmas party at the Delt ranch. Everyone involved enjoyed a delightful evening. The Delts ushered in the new year right with a party at Brother Russ Schweig's home. A splendid time was held by all. The highlight of the entire year's social activities was the Winter Formal held at the Conrad Hilton in Omaha. Formal atmosphere and dress made this the finest social event of this year.

This spring the Brotherhood again sponsored an Easter Egg Hunt for the Midwestern Christian Children's Home and faculty. The children enjoyed hunting for colored eggs and talking to our Easter bunny. Later, they participated in recreation in the fieldhouse.

Again our Brothers took an active part in the Spring Carnival. We had our annual egg scramble booth, and added a hot dog sale.

The Delts fielded intramural teams in football, basketball, and softball. Our Brothers enjoyed themselves while holding their own against all foes.

Officers for this year were: Jim Lowery, president; Mark Ripperda, Vice-President; Steve Maaske, secretary; Russ Schweig, treasurer; and Terry Binder, executive-at-large.

In closing, we can only hope for next year to be as good as the one just completed as we bid sad farewell to our graduating Brothers whose wisdom and guidance will be missed by all.

# Beta's Very Successful With Tootsie Roll Sales

Delta Phi Beta Sisterhood includes, FRONT (l to r): Cathy Piercy, Nancy Morrow, and Anita Blatt. SECOND ROW: Sheri Gaston, Linda Bruns, and Vicki Lewis.

Delta Phi Beta sorority began the 1971-72 year with a full schedule. We presented the new Beta banner in the Homecoming parade amidst the balloons of Gamma Sigma Phi fraternity, and for the Variety Show we gave a narrated pantomime of our "never-an-empty moment" Beta life.

Fall rushes made it to our informal Beta party held at Casino Cove. New pledges this year were: Vicki Lewis, Margo McNeil, and Cathy Piercy. As a service project, we made favors for Methodist Manor; at Thanksgiving, we gave our special thanks for being together and attended the ecumenical communion service held at Schaller Chapel.

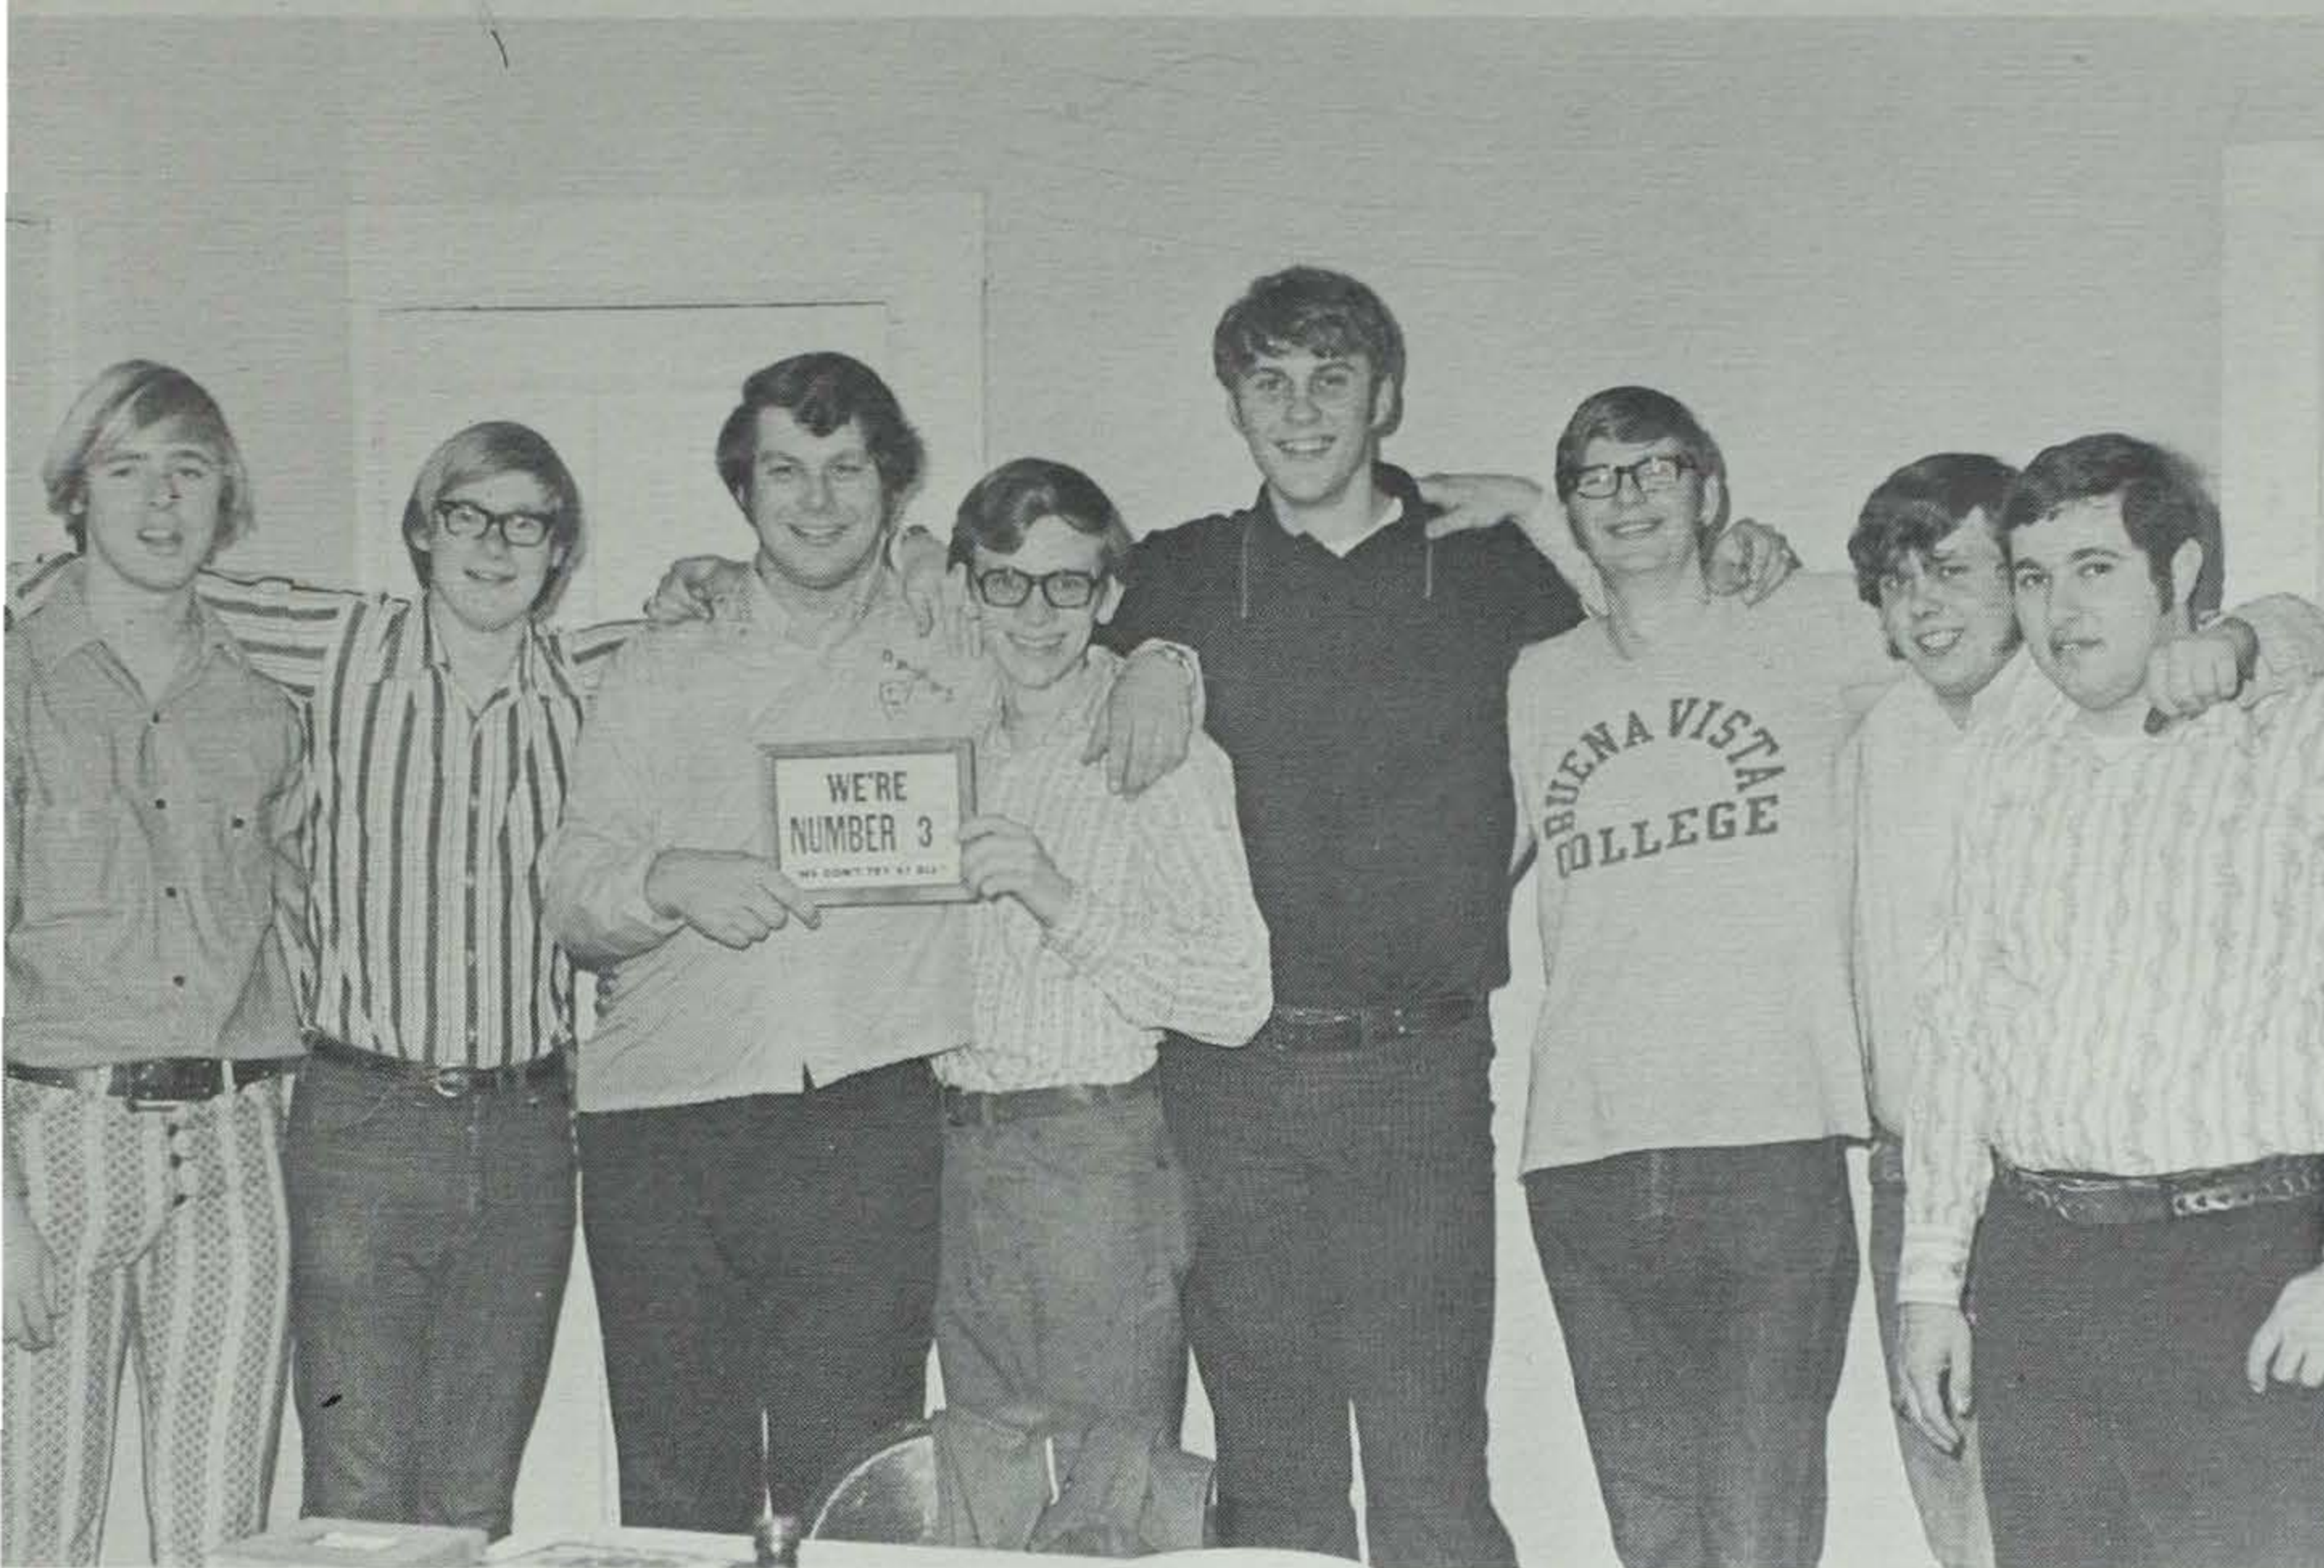

During the winter we gave our congratulations to Nancy Morrow who became engaged to Ken Lembrich on Christmas Day. In January we said farewell to Kathy Grimm, who graduated, and Meta Reimer, who transferred. Meta became engaged in March to Charles Trailer.

We continued our active year with a very successful Tootsie Roll Bank sale. We also held a party for the special education classes at South School. Other spring activities included: a roller skating party to Cherokee (all three sororities attended), an informal meeting at Paxton's, a baked food sale (with donations from our alliance members), and a Patroness Tea.

Our special "thanks" to our sponsors for the year, Mrs. Robert Siefer and Mrs. Laird Cruzen, who helped the following officers: Sheri Gaston, President; Lois Schmitz, Vice President; Nancy Morrow, Secretary; Meta Reimer, Linda Bruns, Treasurer; ISC representatives Kathy Grimm and Anita Blatt; Vicki Lewis, Reporter; Cathy Piercy, Historian; and Margo McNeil, Pledge Trainer.

We offer our fondest wishes to good luck to seniors Sheri Gaston and Lois Schmitz, whom we will miss seeing in their red and white Beta sweatshirts.

The 'frat' that number 3, (l to r): Jim Ayers, Joel Charlson, Dick Fekel, Gary Halverson, Craig Harper, Bob West, Gene Poulson, and Charles Meyer.

Under the leadership of President Dick Fekel, the Gammas sought to promote social behavior acceptable to the spirit of campus living, to encourage and promote academic achievement and to set forth college spirit.

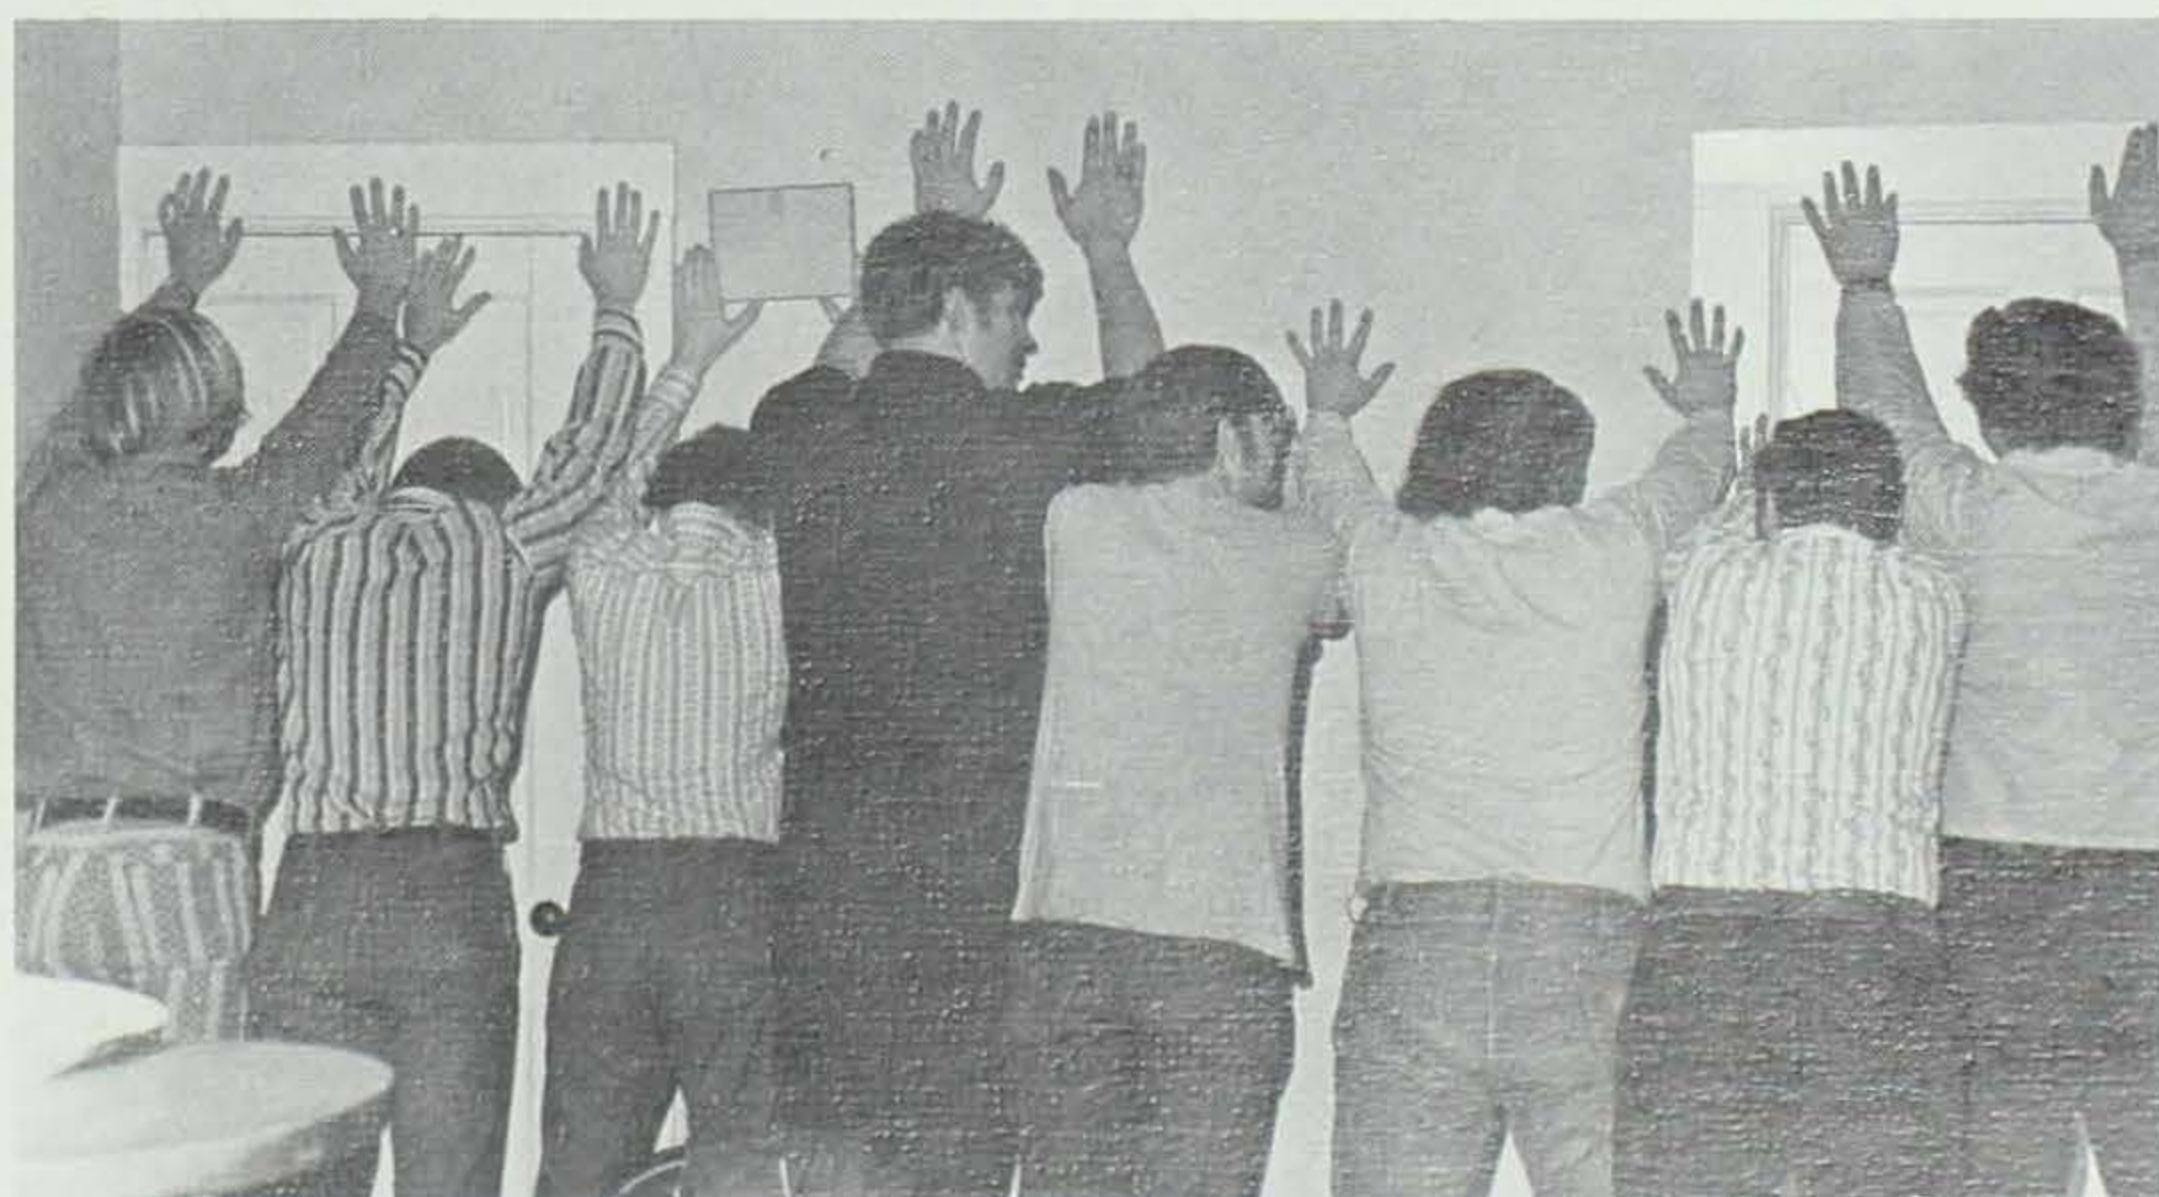

Homecoming was a success as the Betas, the Gamma's sister fraternity, joined forces and decorated the exquisite limosine of Brother Jackson with an assortment of balloons with the World of Disney in mind. The Gammas also tossed candy to the children along the parade route and blew the might Gamma 'Good Guy Horn', which was carried to the victory at the game. Candidate for Homecoming queen was little sister Sharon Martz, and she made it to the finals.

The Gammas once again held high spirits in the intramural contests in football and basketball. It was known to others that they weren't an easy push over, once again winless.

Holding a Halloween costume party at the famous boat-house was a great success. At Thanksgiving we held our banquet and brought in our pledges. At Christmas a gift exchange and banquet honoring Doc Kline and Jim Lockhard, with gifts of 'spirits', was held.

In the months following, Sandi Romine and Gary Halverson were entered in the Snow Festival and Sandi became the Snow Queen. In April, again making our way down to Council Bluffs for the annual Gamma Weekend.

## Residence Halls Provide Interesting Living

Probably the most important time students have going to college, is the time they live in the residence halls. The Residence Hall is the home away from home, and some residents make it their home for the entire nine months. Some only bring the bare necessities—clothes for only one week, while others bring whole houses—waterbeds, refrigerators, and a stock of groceries to last weeks.

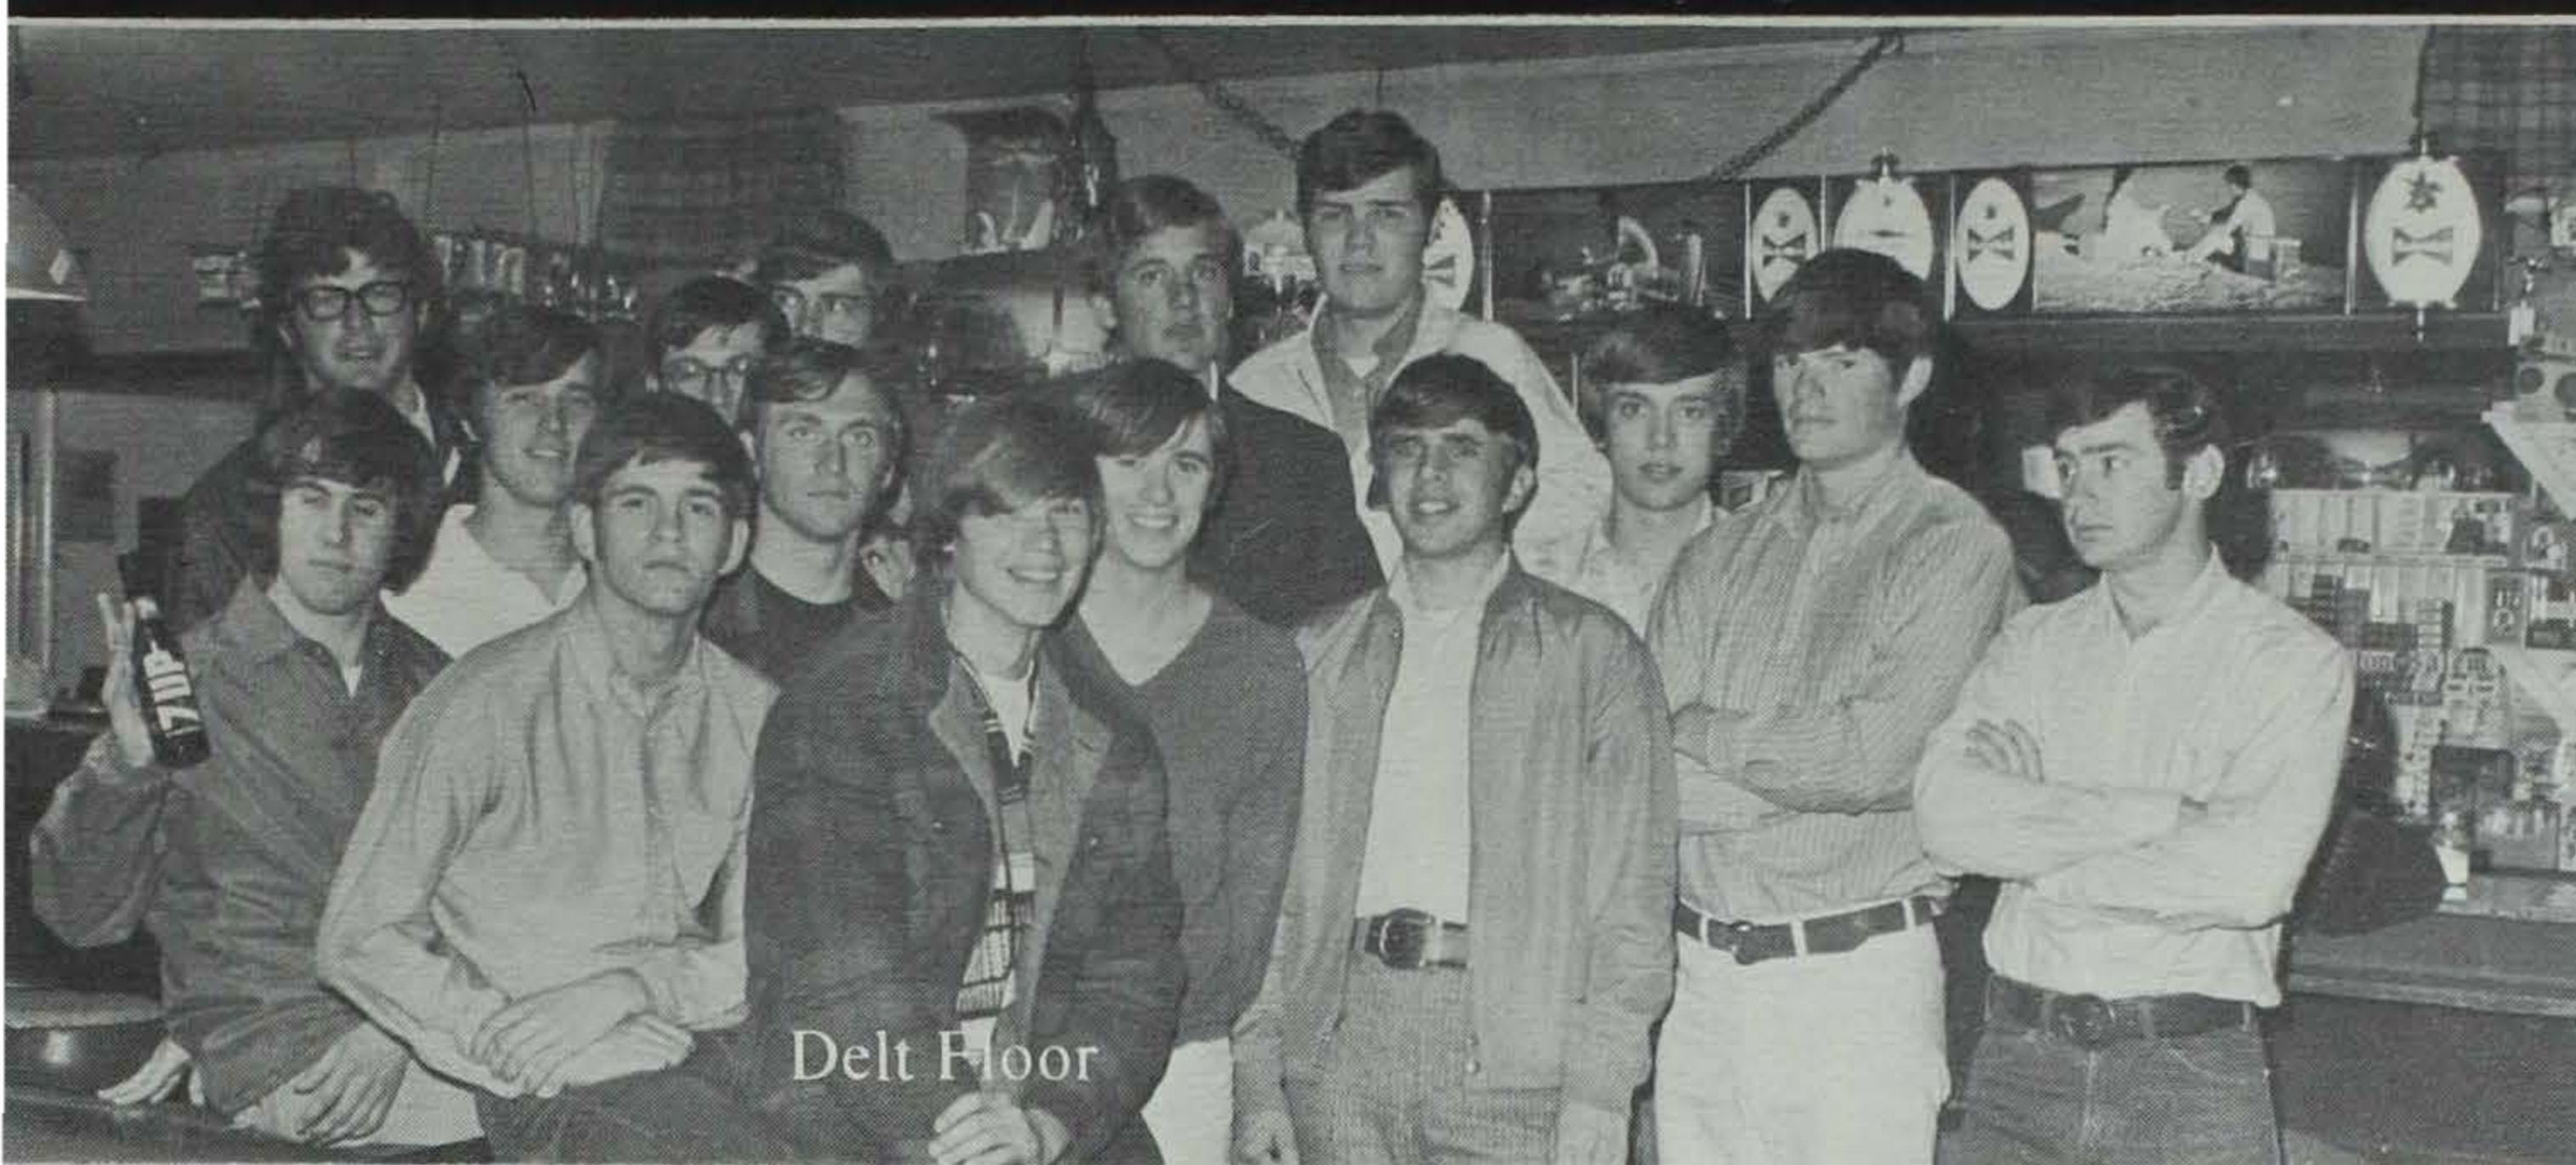

Time is spent wandering up one hall to the next—visiting, studying, joking around, and oh yes having fun. Some night maybe thirty kids will have made it to your room. For what? Oh, maybe for help on a paper or in a class; to get a pencil, stamp, or a book; to find out what's on TV at 9:00 pm; or even to find out if you want to go get a bite to eat at 10:00 pm.

Life time friends are made in the Residence Halls. Your roommate may turn out to be your arch enemy, but how do you know until you've lived with him for a semester. People from across this vast nation move in on you as your neighbor, from New York, New Jersey, California, Minnesota, and maybe one or two from neighboring Alta.

Refurnished with barn panels, a new coat of paint, wall paper and carpeting. over \$600 of the hall money was spent on the project.

In addition a clock was added to the hall lobby, plaques were placed in the lobby representing house achievements, and a Coke Machine was installed on the 3rd floor of Pierce. Also the Hall council was responsible for the operation of the snack bar in the Student Union. Overall the Men's Dorm Council made many improvements in the halls which turned out to be a very successful year for them.

Among the traditional activities sponsored by the House Council were the Christmas Log service and the Senior Farwell Honor Banquet in the Spring. Swope residents were also the hostesses for the second annual Mother's Weekend. A style show, brunch, shopping, banquet, sing-along, and religious service were planned. ## Alumni Association

### BUENA VISTA COLLEGE ALUMNI ASSOCIATION

All graduates and former students of Buena Vista College are members of the Alumni Association. The purpose of this organization is to promote and enjoy the association together of graduates and former students of Buena Vista College. The Association also seeks to promote the educational, financial, and social interests of the College.

The policies and programs of this organization are determined by the officers and directors of the Association, consisting of a president, vice-president, secretary, treasurer and thirteen other members of the Association who act as directors.

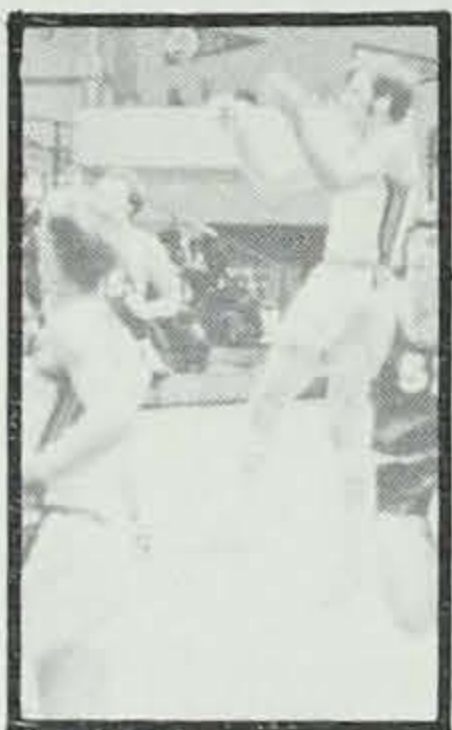

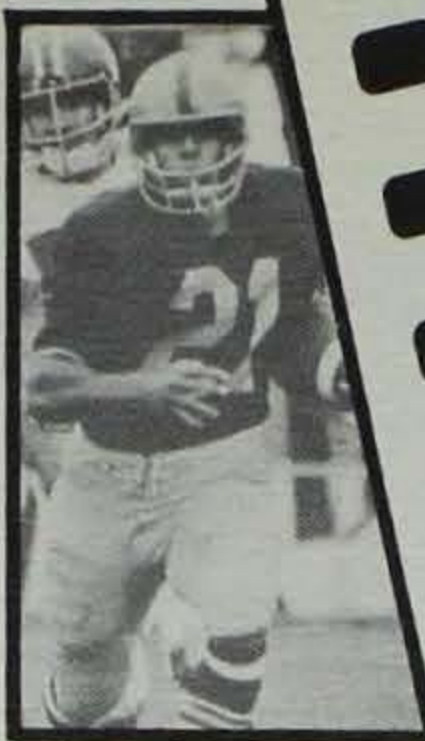

In addition to the officers and directors of the Association, Buena Vista College designates a member of the staff to act as Director of Alumni Relations, who has an office on the campus where all records of the Association are kept.

The Association elects one of its members to serve a three-year term on the College Board of Trustees.

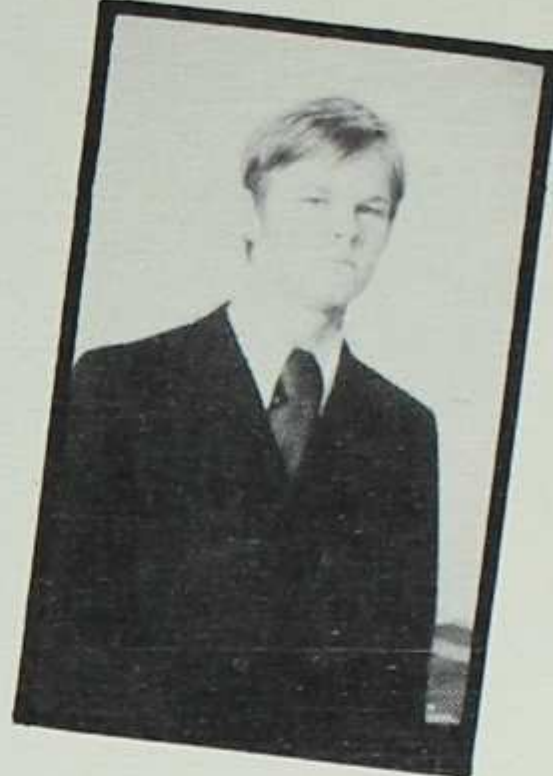

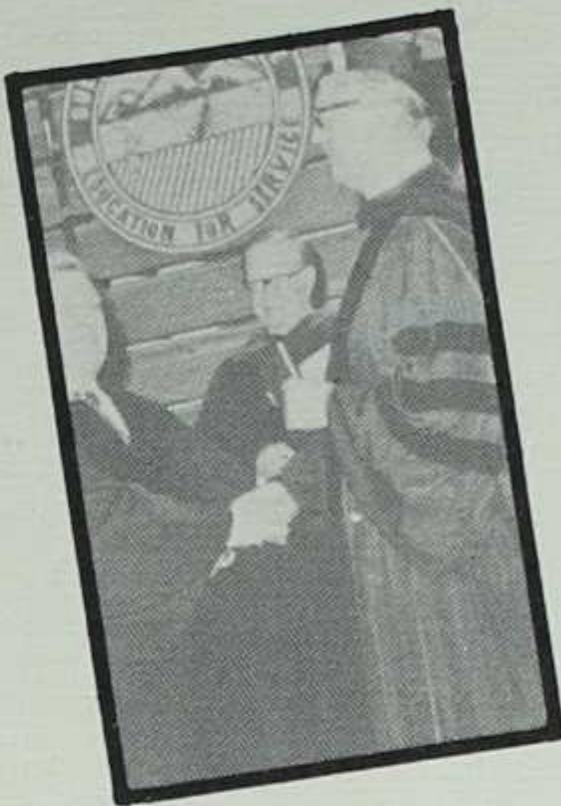

One of the most promising projects initiated by the Alumni Association is the Volunteer Alumni Consultant Program. Currently, 343 alumni throughout the country are participating in this program. These individuals are sending the college names of students interested in attending a private college and encouraging them to attend their Alma Mater.

January, May and August saw over 250 seniors take the final step in the completion of their education. A record number of students received Bachelor of Science and Bachelor of Arts degrees.

Commencement speaker for the January graduation was Herbert T. Hurley. In May, the Baccalaureate speaker was Rev. L. Dorothy Lester and the Commencement speaker was Louis C. Duncan.

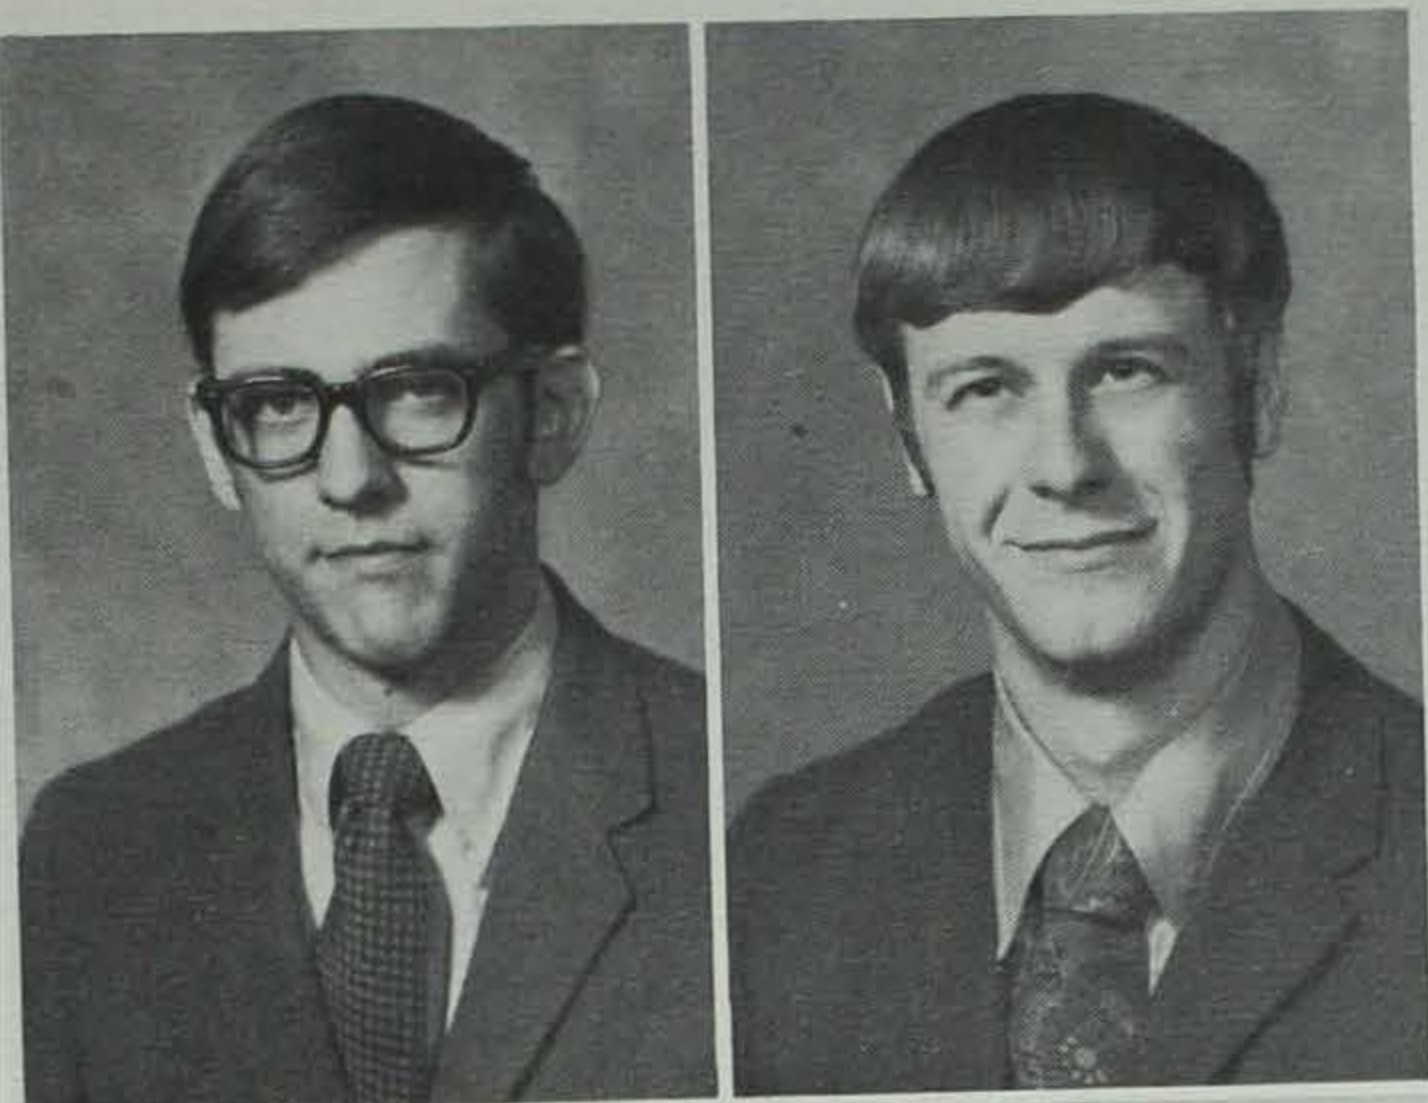

At the time of printing the August speakers were unknown.

Along with those seniors receiving degrees, the college conferred honorary degrees to the guest speakers and to George F. Reynolds in May.

## Who's Who

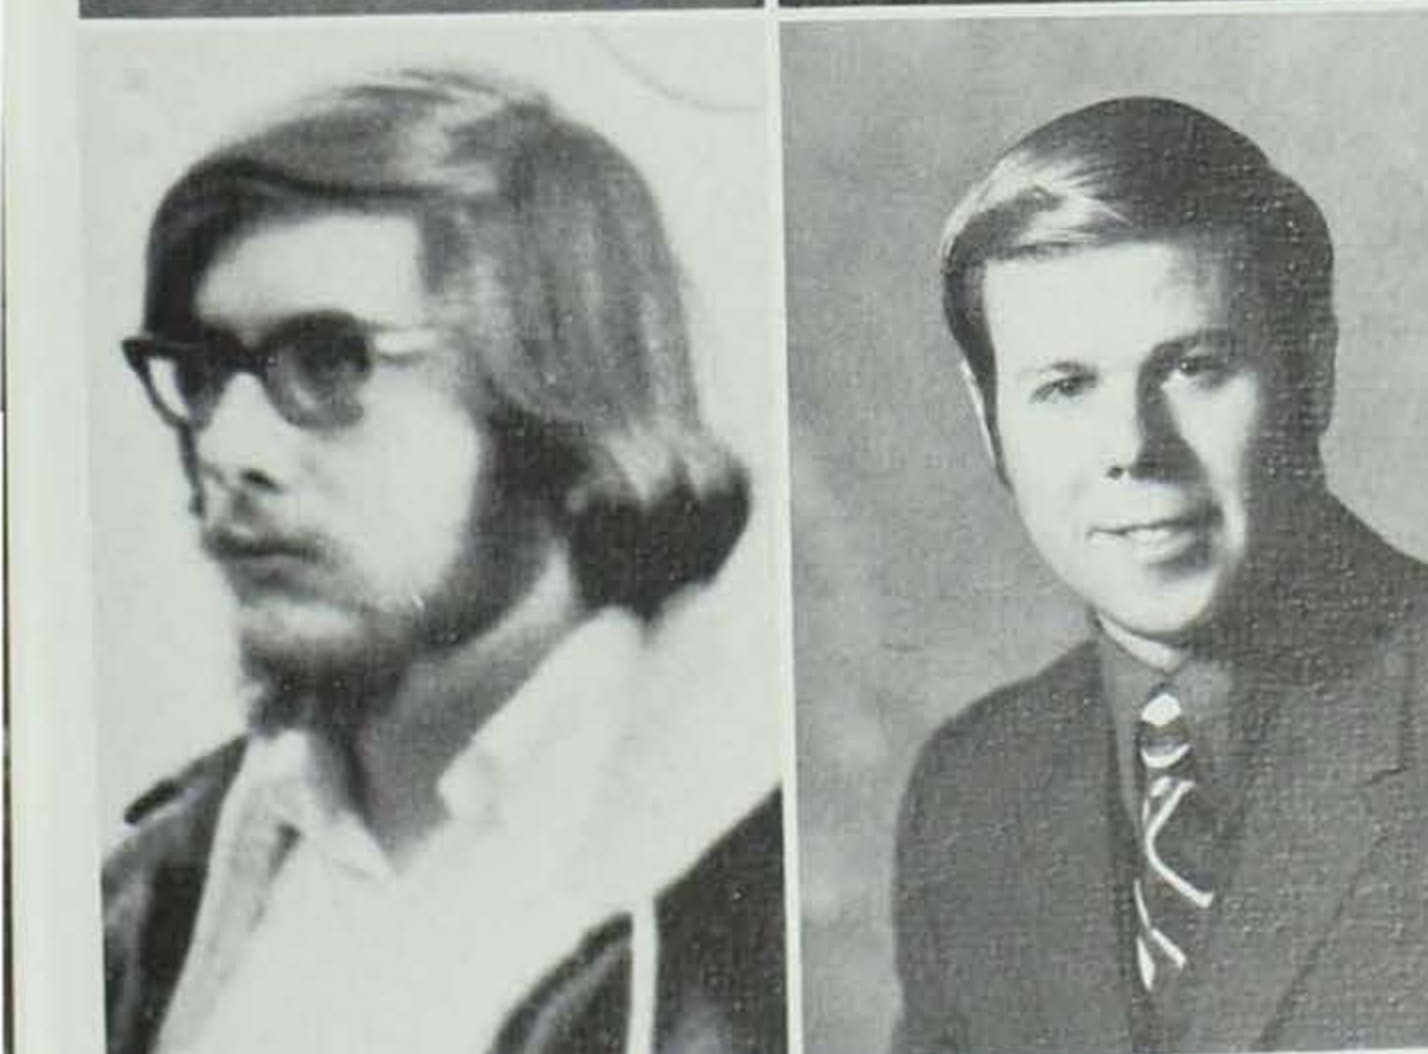

Eleven Buena Vista College students have been chosen for inclusion in the 1971-72 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES and COLLEGES. Those selected to receive this honor are: Donald Belson, Michael Binder (first row), David Delbridge, William Gee (second row), Joyce Hodge, Linda Johnson (third row), Dan Knoblauch, Howard Korwes, Michael McCabe, James Vorland, and Sandra Whitehill (forth row).

This honor is conferred annually upon outstanding student leaders from approximately one thousand colleges and universities in the United States, the District of Columbia, and several foreign nations in North and South America. In selecting candidates, campus nominating committees are instructed to choose those students whose academic standing, service to the community, leadership in extra-curricular activities, and future potential are decidedly above average.

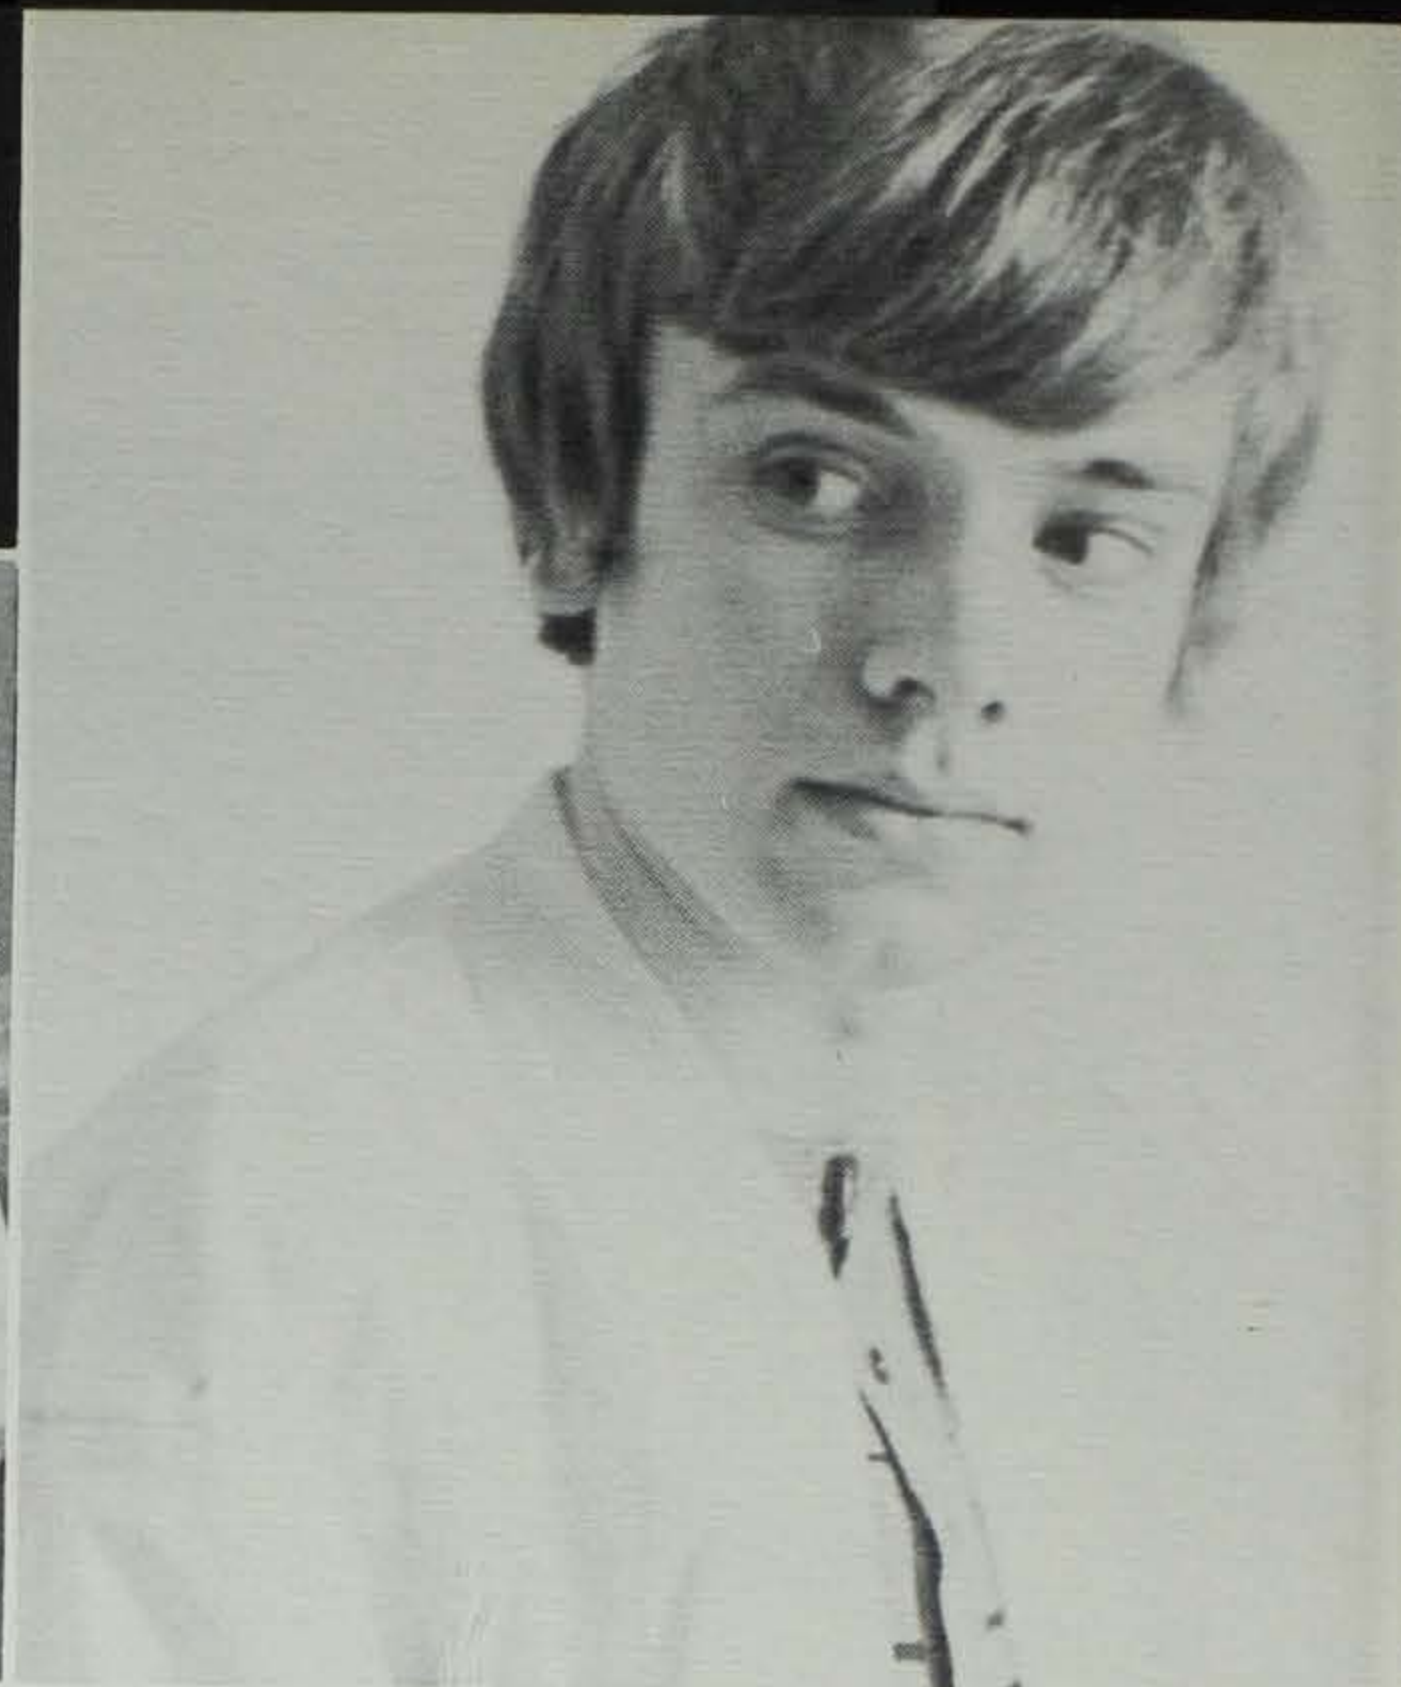

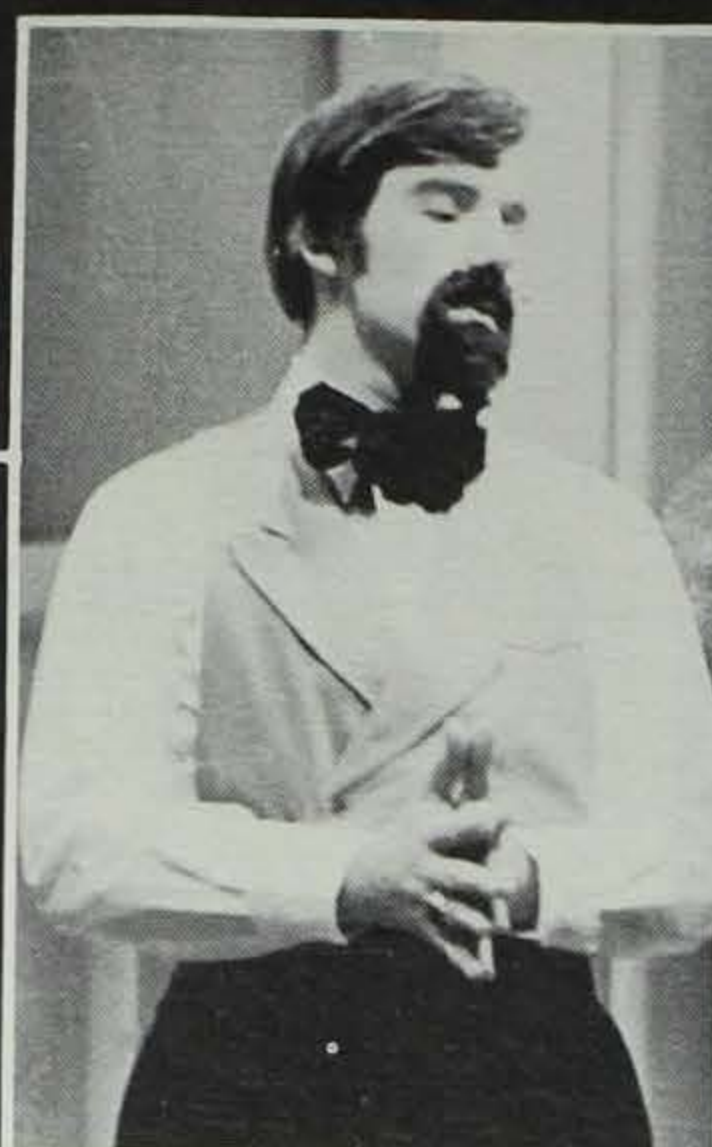

At Buena Vista, students are nominated as candidates by faculty vote. Candidate must receive at least forty per cent faculty support in order to have their names submitted. Students who have received this honor are to be commended for outstanding achievement.

# Students Showing Outstanding Work On Campus

The '72 Log staff is giving distinction to those student leaders who have shown outstanding work on campus. The ten students were chosen secretly by a committee for the Log and they are: Robert Jones, Steve Wegner, Julie Bauer, James Hartman, Debbie Ball, Reid Swanson, Kevin McDonald, Robert Kent, Vicki Goodman, and Mikka Vilas.

Debbie Ball (ABOVE LEFT) graduates in August with a Speech/Drama major. Debbie has been active in Alpha Mu Omega, Alpha Psi Omega, B.V. Players, Choir, Order of the Keys, Phi Alpha Pi, Pi Kappa Delta and Student Associations. For the past year she has served as president of Swope Hall. Debbie was named recipient of the Martha Barnes and the Swope Hall achievement Awards in the spring.

James Hartman (TOP MIDDLE) is a junior from Storm Lake. Jim has been active in Choir, Band, Lab Band, Phi Mu Alpha Sinfonia, B.V. Players and Alpha Psi Omega. Jim has appeared and or helped with all play productions since starting B.V.C.

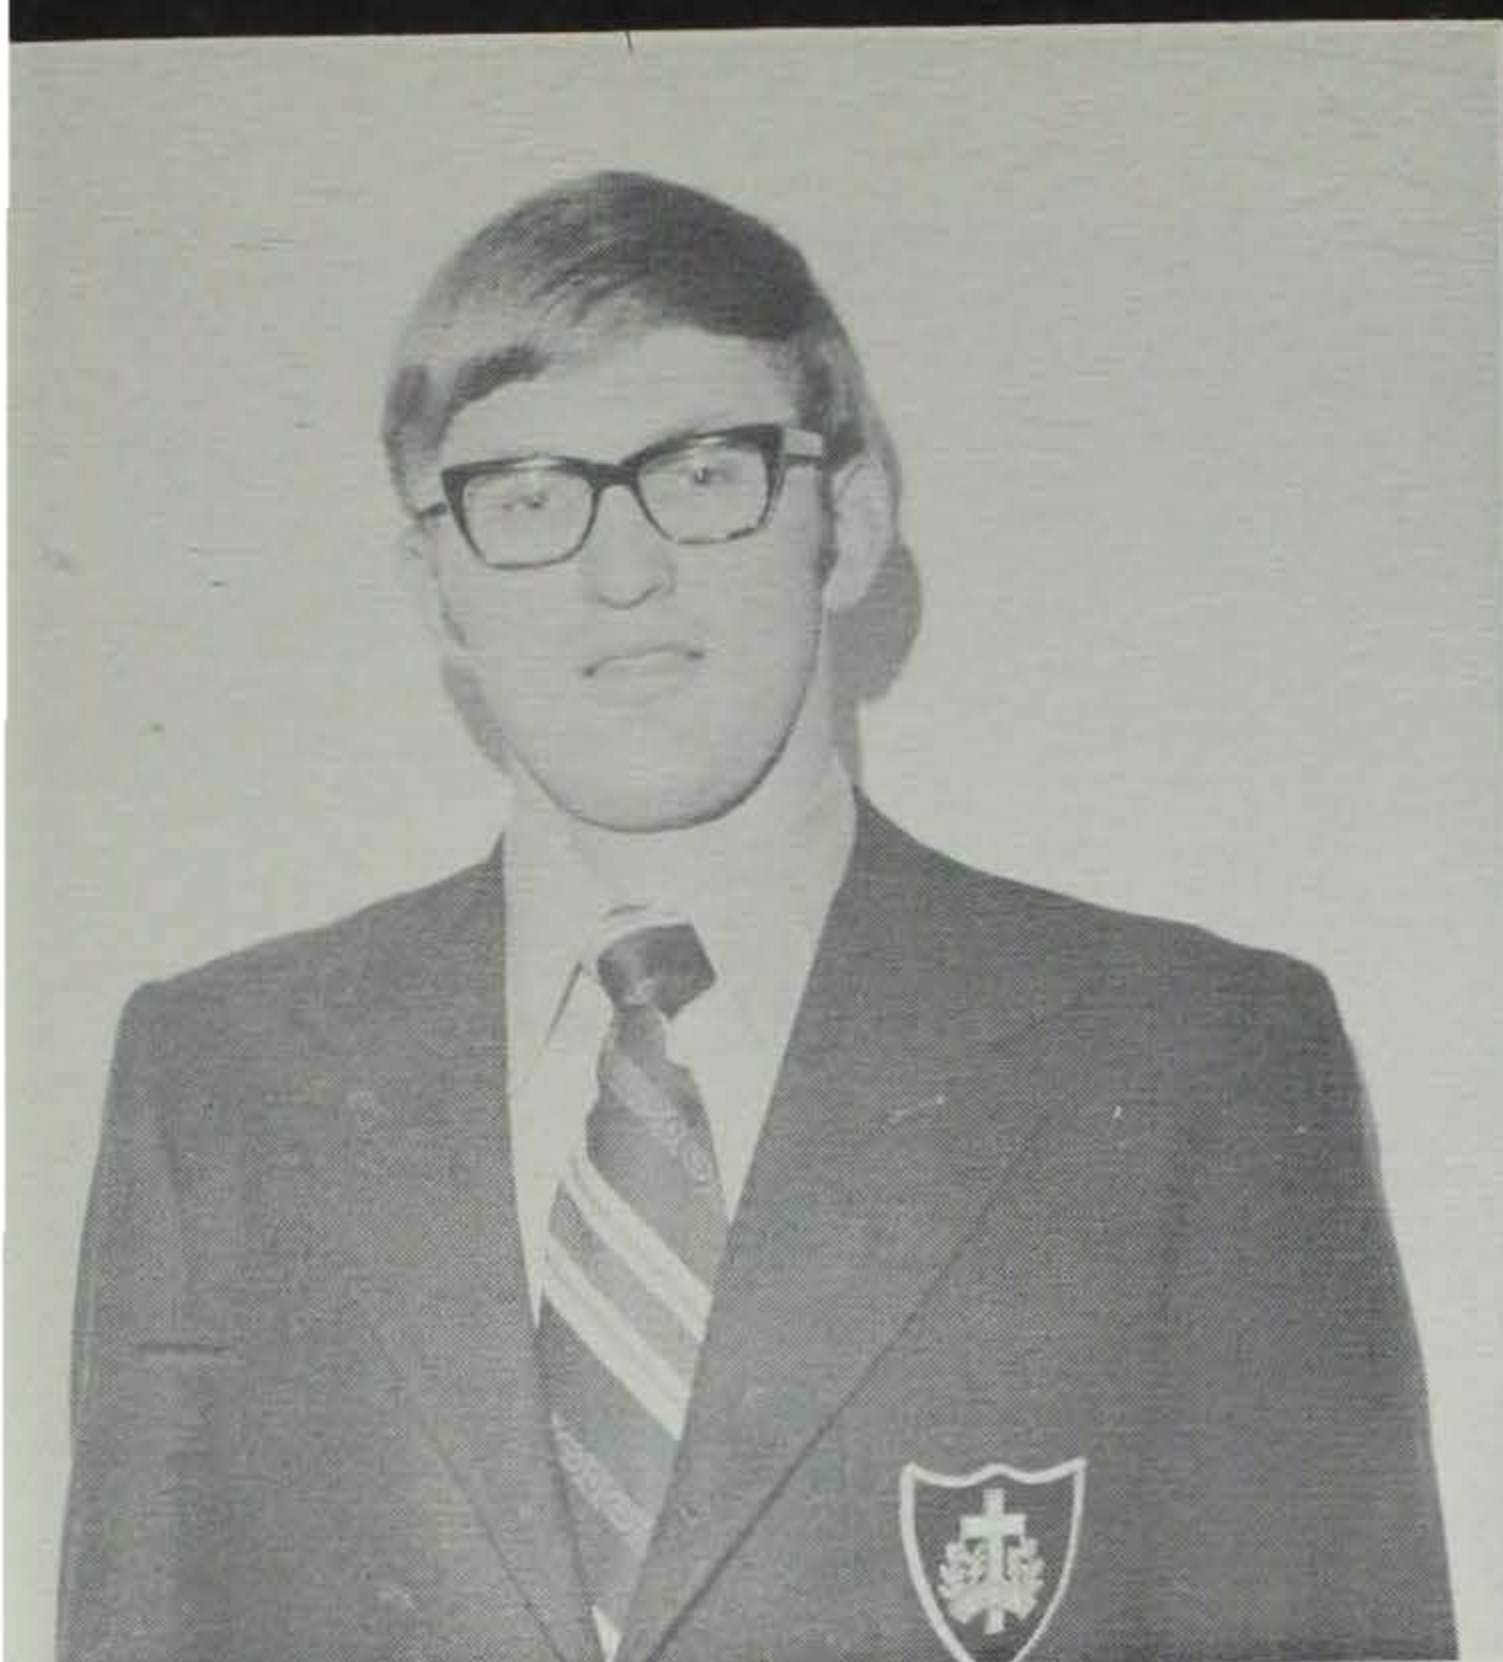

Robert Jones (TOP RIGHT) graduated with a Business Administration major in May. Bob started out small joining Delta Phi Rho and Student Associations in his first year on campus. He grew to the ranks of president of the Student Body. Bob has served as R.A. in the Men's Halls and belongs to the honorary men's group, Le Droit d'Honneur.

Steve "Wags" Wegner (MIDDLE) came to B.V. after completion at J.C. Steve has been very active in football and Lettermen's Club, being named to WHO'S WHO AMONG COLLEGE ATHLETES. Steve has served as president of the Student Union Board and has worked hard to get good entertainment on campus.

Vicki Goodman (BOTTOM) has been very active since coming to B.V. Vicki has worked hard to get a voice for the commuters. Serving as vice-president and president of OCC, Vicki has inaugurated many programs for the commuters. This spring she was honored in being nominated for membership into Torch and Tassel.

Kevin McDonald (FAR LEFT) has been quite active in athletics, football, basketball and baseball. Kevin belongs to the Fellowship of Christian Athletes and the Lettermen's Club. This summer, he will be serving on the National F.C.A. Advisory Council.

Mikka Vilas (RIGHT) worked hard for '71 Homecoming. Mikka lined up bands, floats, and people for the Homecoming parade. She is a member of Phi Alpha Pi, Alpha Mu Omega, B.V. Players, and Choir. Mikka has appeared in many plays in the last two years.

Robert Kent (FAR LEFT) may be found in the Log Office at any hour. Bob for the past year has served as Editor of the '72 Log and Assistant Editor of the '71 Log. Most pictures for the yearbook are taken by Bob. He has served as an officer of Circle K Club, and will continue working for them in the coming year.

Julie Bauer (MIDDLE RIGHT) was named to the National College Board. Julie has served under Bob Jones in S.A. and Steve Wegner in S.U.B. She is a R.A. in Swope Hall and members of the Order of the Keys, Torch and Tassel, PEMM Club, and Young Republicans. Julie was instrumental in getting the mock Political Convention going on campus this spring.

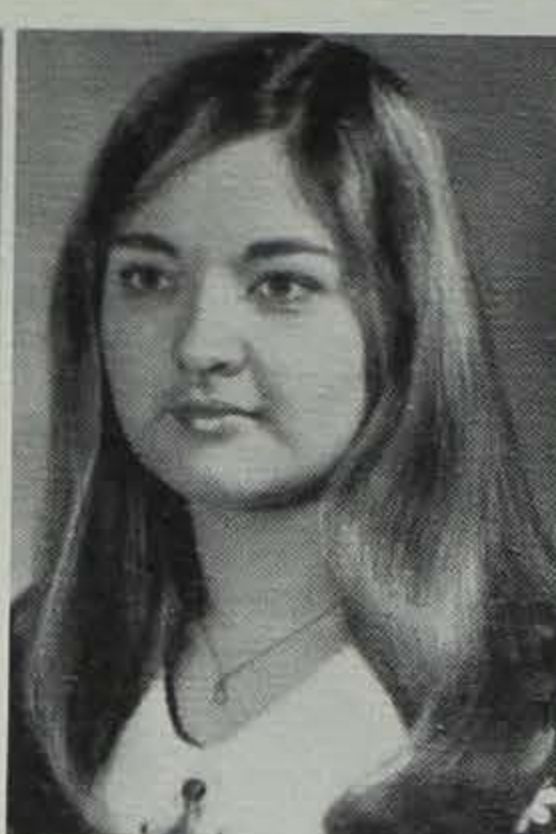

Reid Swanson (BOTTOM) worked hard to make Fine Arts Week a success. Reid is a member of Phi Mu Alpha Sinfonia, Choir, Band, Lab Band, and B.V. Players. He has preformed in many play productions in the last years. Reid has served as president of the newly organized Campus Host and Hostesses.

## Thoughts In Retrospect

Webster's College Dictionary defines "log" as "any record of progress ...." The staff members of this issue of the BUENA VISTA COLLEGE LOG respectfully present it as a record of progress to, for, and about the students of Buena Vista College. This has indeed been a year of change for Buena Vista, and we hope that this book reflects those changes. If it faithfully does that, the hour of work to produce it will have been well worth while. It is our hope that these pages bring back fond memories to you year after year.

Putting a yearbook together is no easy task and the entire staff deserves a great deal of thanks for the hours the members contributed to make this book what it is.

I would like to add special thanks to Class Editor Carol Melton, the Buntrock-Salie Studio, Public Relations Director and '72 Log Advisor Johnnie Powell, the photographers, and American Yearbook Company representative Vic Eaton.
