Dear Student:

One of the greatest privileges an elective official can receive, is that of having an opportunity to help and support our young people.

After serving municipal governments for over twenty years, I feel somewhat qualified in expressing my feeling regarding our school system.

We in Ankeny have always felt the need for school age young men and women to become more familiar with our local government and its functions. Ankeny was the first city in Iowa to establish a Junior Municipal Council. These young men and women are candidates in our public schools and are elected by popular vote at the student level, then, serve their school by being a part of every regular city council meeting.

Our School system is growing faster than any other in the state, and I am pleased to say that scholastically we are superior.

We in city government, extend our best wishes for continued growth and success to our graduating seniors.

Cordially,

Mayor Eldon E. Leonard

The Seniors of '70!

Fifty-four of the mighty class of 1970 started together in 1957 down the yellow-brick road of knowledge. The path they started upon widened with the arrival of new people and new events. The 54 who boldly took their first steps on that far-reaching path were: Billy Duncan, Bobby Burch, Joyce Heston, Sandy Hildreth, Larry Miller, Connie Chesnut, Randy Breese, Bruce Logan, Louise Smith, Tammy Boettcher, Craig DuBois, Ron Grant, Barb McBride, Peggy Monaghan, Bob Brown, Bob Spooner, Lant Elrod, Danny Baughman, Paula Marvin, Susie Greiner, Claudia Niemier, Joe Smith, Dave Peterson, Glen Cowan, Ike Moeckly, Tommy Kochheiser, Dennis Carzoli, Danny Carzoli, Marilyn Weigel, Sandi Albaugh, Stevie Seehorn, Stevie McCabe, Charlie Zunkel, Gary Tomlinson, Dave Schlenker, Mary Buenz, Colleen McKenna, Darrell Geisler, Teri Hutton, Brad Cherry, Leland Buster, Rhonda Varnum, Jim Good, Craig Griffieon, Stevie Clevenger, Liz Nielsen, Bob Johnson, Maureen Wilkins, Karen Kelling, Mike Battani, Bob Harmon, Julie Ballard, Jeff Gezel, and Joe Thimmesch. These were the fearless 54 who passed their first milestone on the road to success.

Mastering the first hill, the 54 were joined by Kathy Quinn, Dennis Jordan, Doug Silver, Jay Griffith, Steve Feldman, Debbie Robinson, Vicki Fass, Diane Caffrey, and Tim Martin. The 63 first graders were now ready to march on along the road toward the goal of success.

Bud Varner, Jeanne Houge, Cathy Trusty, Mike Smith, Ron Coles, Jim Howell, Mary Christians, Marie Fisher, Sherry Reese, Stan Moss, Jan Dunbar, Sandy Van Maanen, Cindy Kiersey, and Jeff Davis joined the group as they surged on along the ever-widening path of knowledge.

Third grade brought more new faces to increase the strength of the mighty class of 1970. Jeff Woolsey, Rodney Ladman, Jean Wilkinson, Gary Neely, Cindy Field, Steve Eggers, Beth Van Cleave, Chris Blair, and Tom Trusty joined the ranks while Colleen McKenna moved on to another school. Steve Mehls and Sheryl Peterson joined the group in mastering their next target of fourth grade.

Fifth grade brought the bright and shining faces of Gene Eddy, Linda Campbell, Diane Crawford, Jerry Heston, John Reinhard, Dyan Boswell, Ann Rottinghaus, Rich Peterson, Dan Oberender, and Jim Gannaway. Over half of the mighty class to come were now pursuing the secrets of knowledge and learning the Ankeny Schools.

Their last year as elementary pupils saw the addition of Linda Barrett, Jim Ellefson, Martha Stackhouse, Debbie Alexander, Gary Kinney, Cinda Fausch, Rusty Davidson, Sue Westrom, Pat Martin, Mike Bush, Vicki Nelson, Mark Weston, and Ray Boyd. They had now reached a very important milestone in their search for true knowledge and wisdom. With this in mind they eagerly awaited seventh grade and all the new excitement junior high school would bring.

There they were joined by Sonja Larson, Betsy Lyon, Kay Hill, Sheryl Twidt, Sandy Wenig, Kathy Cuthrell, Don Price, Greg Leavengood, Diana Grant, Tish Bennett, and Judy Bayliff. Again the class lost one of their rank, as Linda Campbell left for another school.

Striving for the time they would take their place as leaders were the eighth graders who were joined by Kim Olofson, Paul Minks, Debbie Fick, Peggie Frick, Bob Corey, Sue Jones, Mike Hughes, John Buck, Steve Higgins, Joyce Paasch, Jackie Burchett, Ginger Moon, Mike Parsons, Mike Van Elsen, Laurie Melos, Jon Christofferson, and Harold Wissink.

Bryson Wright, Curtis Welsh, Laura Beckwith, Debbie Sears, Linda Mundt, Cindy Murray, Connie Hansen, Terry Valentine, Colleen McKenna, and Mark Steinbach arrived to help be the leaders of the junior high.

Not to be defeated by starting again at the bottom, the mighty sophomores made their mark with the help of new arrivals of Mike Berkey, Sara Jo Gatrost, Roger McAllister, Linda Campbell, Louise Ranney, Sheri Bliss, Paul Wharff, Mary Grove, and John Jones.

Many memories were formed in the next year. As juniors the time came to build our frame. With the aid of Dick DeWees, Bill Brighton, Kris Knoer, Mary Beth Packer, Gary Kinney, Steve Eckardt, John Miller, Doug Stark, Chae Smith, Faith Walrod, Lou Ann Fankhauser, Lee Schreurs, Becky Colwell, Gary Anderson, Gayle Puchta, Vicki Ludwig, and Ginney Melton, the juniors worked hard to put on the '69 Prom, "Love is Blue,"

"Today we follow, tomorrow we lead" had meaning for the Class of 1970. Along with Fred Witte, Debbie Michael, Ernest Mills, Catherine Rail, Dave Shanks, Ulrich Gmunder, Denise Dauterive, Kathi Danaher, Chris Flatt, Bob Gaster, Tim Strawn, Steve Clevenger, Tom Vandell, Paul Weigel, and Reg Greenlaw, the seniors of '70 had reached an important milestone in their journey along the road of life—the journey to and wisdom. They had reached the crossroads where they would now separate and go their own ways. With courage and determination they would meet the challenges of the future along that road. One thing is certain in the journey of life, "The Seniors of '70 shall surely survive."

Ulrich Gmünder Exchange Student

Ulrich Gmünder, born in Ravensburg, Germany on August 5, 1953, spent the year with the Donald Murray family. His father is a teacher at an agricultural school, and his mother is a housewife. He has one sister, 12, and a brother, 11. His hobbies include reading and playing the violin, but he does not enjoy sports. Upon returning to Germany, Ulrich will attend two more years of public school, after which he hopes to go to college and enter into politics.

The Annual Staff, like sports and cheerleading, is very time consuming. The editors and co-editors meet every night, Monday—Thursday, after school from 3:45—5:30. They are responsible for the page layouts, planning, organization, identifying pictures, write-ups, and designing of the annual.

The yearbook and ad salesmen raise the money for the annual, while the business manager keeps track of the incoming money in her books and writes the letters to different companies. No annual would be anything without pictures. Throughout the year the photographers are called upon to take pictures of different events. Last, but not least, the typists' job is to type all the printing needed to complete the annual.

La Marseillaise, the French national anthem, echoes throughout the classroom at the opening of the monthly meeting of Le Cercle Francais. After a business meeting, reports are made on topics of French history and French culture. Native French speakers are asked to come to our meetings and tell us about the country and its people.

For entertainment the students present skits in French, play games in French, and sing French songs. Everyone especially enjoys the singing of the French Christmas carols.

We all look forward to the annual Christmas party, the French banquet and spring pigue nigue.

Each year the FHA begins by giving a picnic for new members. A haunted house was featured this year for the costume slumber party and the initiation of new members. The year revolves around social, educational, service, and money-making activities. This year for a service project the girls made the center pieces for the faculty board dinner. One highlight for the big point-earning members has been a weekend camping trip in early summer.

Steve and Mayor Leonard

Junior Municipal Council is an opportunity for Ankeny High Students to become involved in city affairs. Working closely with the Mayor and Councilmen twice a month gives students meaningful insights into the functions and problems of city government. Jr. Council members also serve as informers to the rest of the students when they report their findings from regular council meetings back to their individual history and government classes. Also each Jr. Council member has the opportunity to accompany a city head of a department for a day to see what his job actually involves.

New and enlarged facilities this year helped to make the high school library one of the busy and popular spots of the school. New dark furniture, carpeting, and increased shelving, all contributed to an atmosphere conducive to use and study. The duties of the student assistants, who donate at least one period a day from a busy schedule, include checking out and re-shelving returned books, straightening books on the shelves, and being generally helpful.

Model United Nations

Row 1: M. Parrish, K. Miller, H. Stelpflug, P. Lemon. Row 2: Mr. Olsen, C. Pestotnik, A. Hale, D. Wisecup, B. Nagle.

The Iowa High School Model United Nations is held each year on the campus of the University of Northern Iowa, Cedar Falls. It is designed to give students an opportunity to represent the various countries of the world—the Ankeny High delegation is representing the African country of Sudan this year—and debate the problems of the world from their particular nation's point of view. The ultimate goal of the meeting is to have each committee of the Model UN adopt a resolution dealing with each of the two problems with which it deals. The resolutions from the five committees are then submitted to the General Assembly of the Model UN for final debate, amendment, and adoption.

Journalism is a course that broadens the student's mind in our society. It also gives one access to the various organizations at Ankeny High School, and a chance to learn and meet people.

The school newspaper, HAWK SQUAWK, is written by the journalism class. Style and technique are developed by each student as he progresses.

We've had a lot of fun as well as trials, such as trying to put together the special column, "Studly Dudley." Each year we hope the HAWK SQUAWK, and enthusiasm for our school paper continue to grow.

The Spanish Club provides social gathering for those who are taking, or have taken, Spanish. Members attend a meeting at the beginning of the academic year to elect officers. Spanish Club meets during class time and listens to popular Latin music, watches films, listens to speakers, plays games and tries enthusiastically to practice the language.

At Christmas time each year "pianatas" are broken and "fiestas" are held in each class.

The club year is brought to a close in a Spanish atmosphere by eating "tacos, tortillas, and enchiladas" at a Mexican restaurant.

Student Council has accomplished several things this year. Its first accomplishment was that of sponsoring the homecoming dance. It has also taken on the job of making the lunch room into a commons area with the help of Art Club, and hopes to get a juke box for it.

The Student Council has also been working on their newly received office by furnishing and supplying it. It has also set up a Homecoming Review Committee to study homecoming procedure, with the possibility of changing the dance to Saturday night.

The Student Council's goals for the rest of the year are to review plans for the proposed new high school, and make constructive suggestions. It also planned a fun night for students.

The club presents two regular productions each school year. The first, presented in the fall, is generally a comedy, while the spring play is usually in a more serious vein. Although both of these are drama-club sponsored, anyone in school may participate. In addition, there is a small winter production, a one act play, which is put on by the drama club only, and is usually presented only to an audience of students.

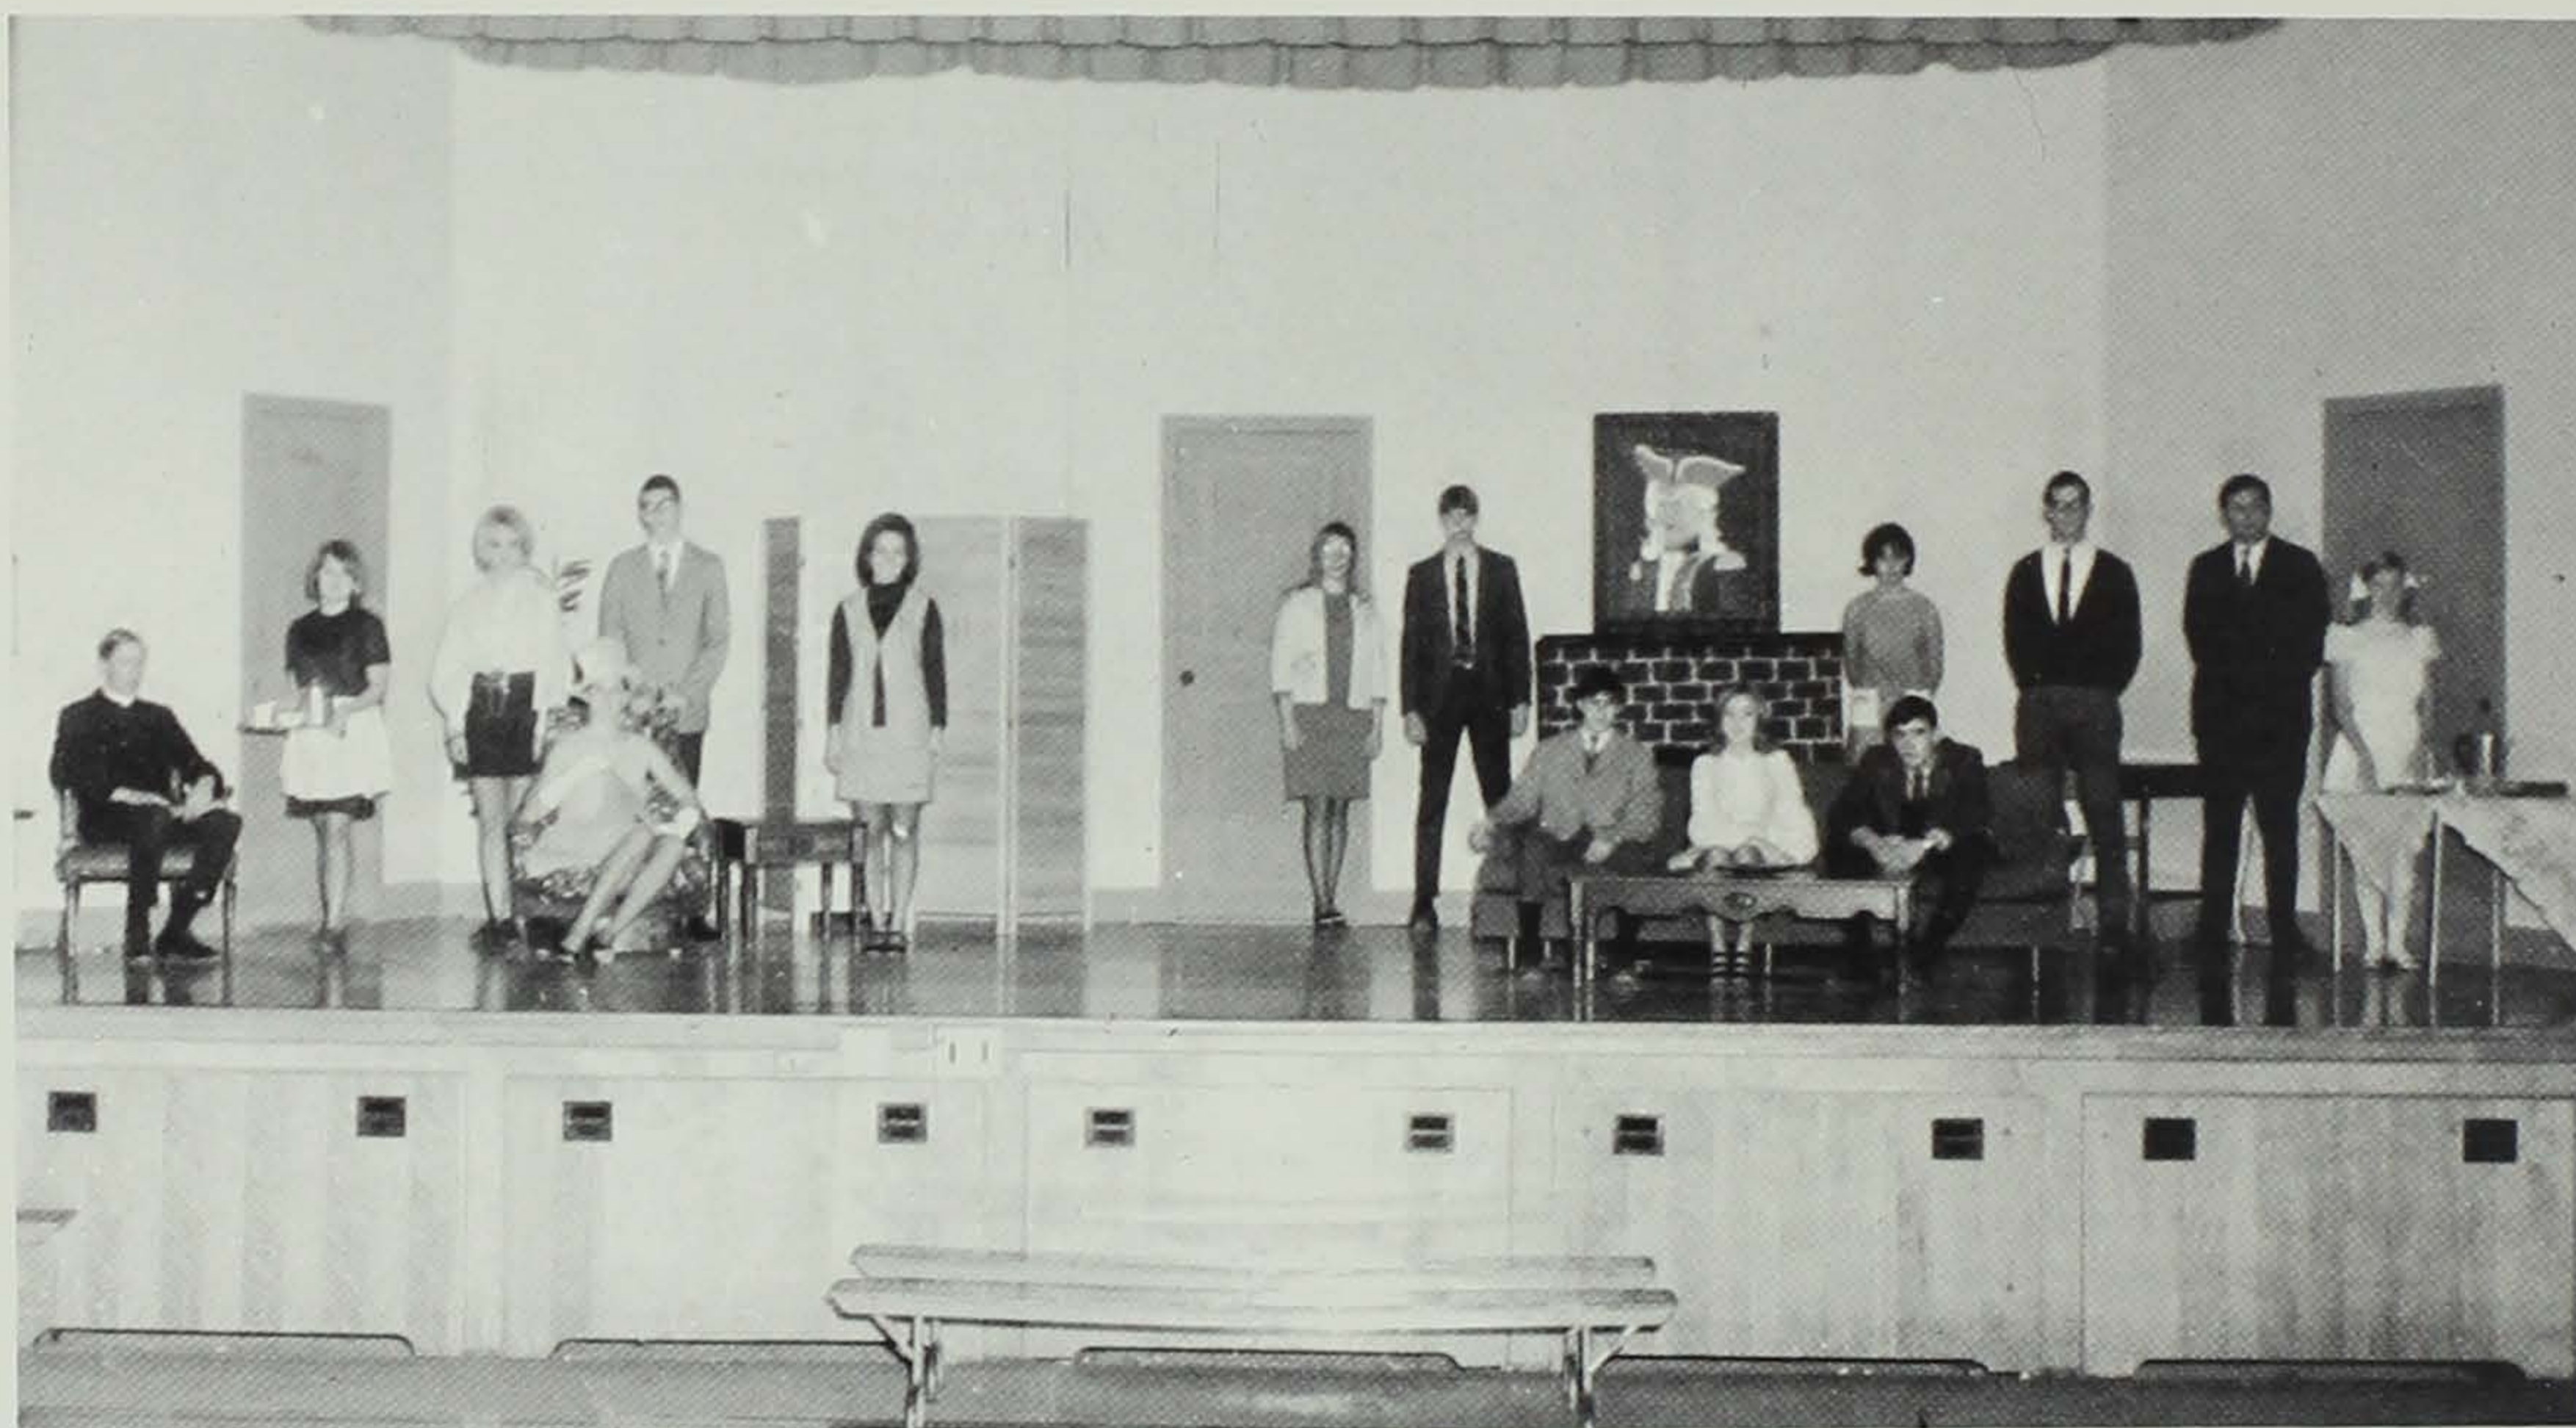

"The Jury Room"

"Jury Room" was an unusual production where the twelve cast members remained on stage during the entire three acts. The plot demands that the jury decide the fate of Julie Fletcher, accused of murdering her Uncle Adrian. The actress holds the jury at a stand-still by voting "not guilty", opposing the other eleven. She persuades the Foreman to let her act out actual scenes of the murder in order to convince the jurors. The Young Man helps to prove Miss Fletcher's innocence and, in the end, succeeds. Who murdered Adrian Fletcher? It was the Angry Man, a member of the jury itself!

As the play opens, Linda Grey is about to marry Ernest Digberry, who is described as being as exciting as a boiled fish dinner. She has been engaged to marry a New York reporter named Tony Piper, but has left him because of his preoccupation with the newspaper business. The plot is expanded by the contriving mothers of Ernest and Linda, who want the marriage for monetary gain. Finally, Linda realizes she loves Tony, while Ernest finds a new love in Dolly, and as the play ends, we find Linda once more fighting Tony's job for attention and Ernest with a new sense of independence from his mother.

Decisions,

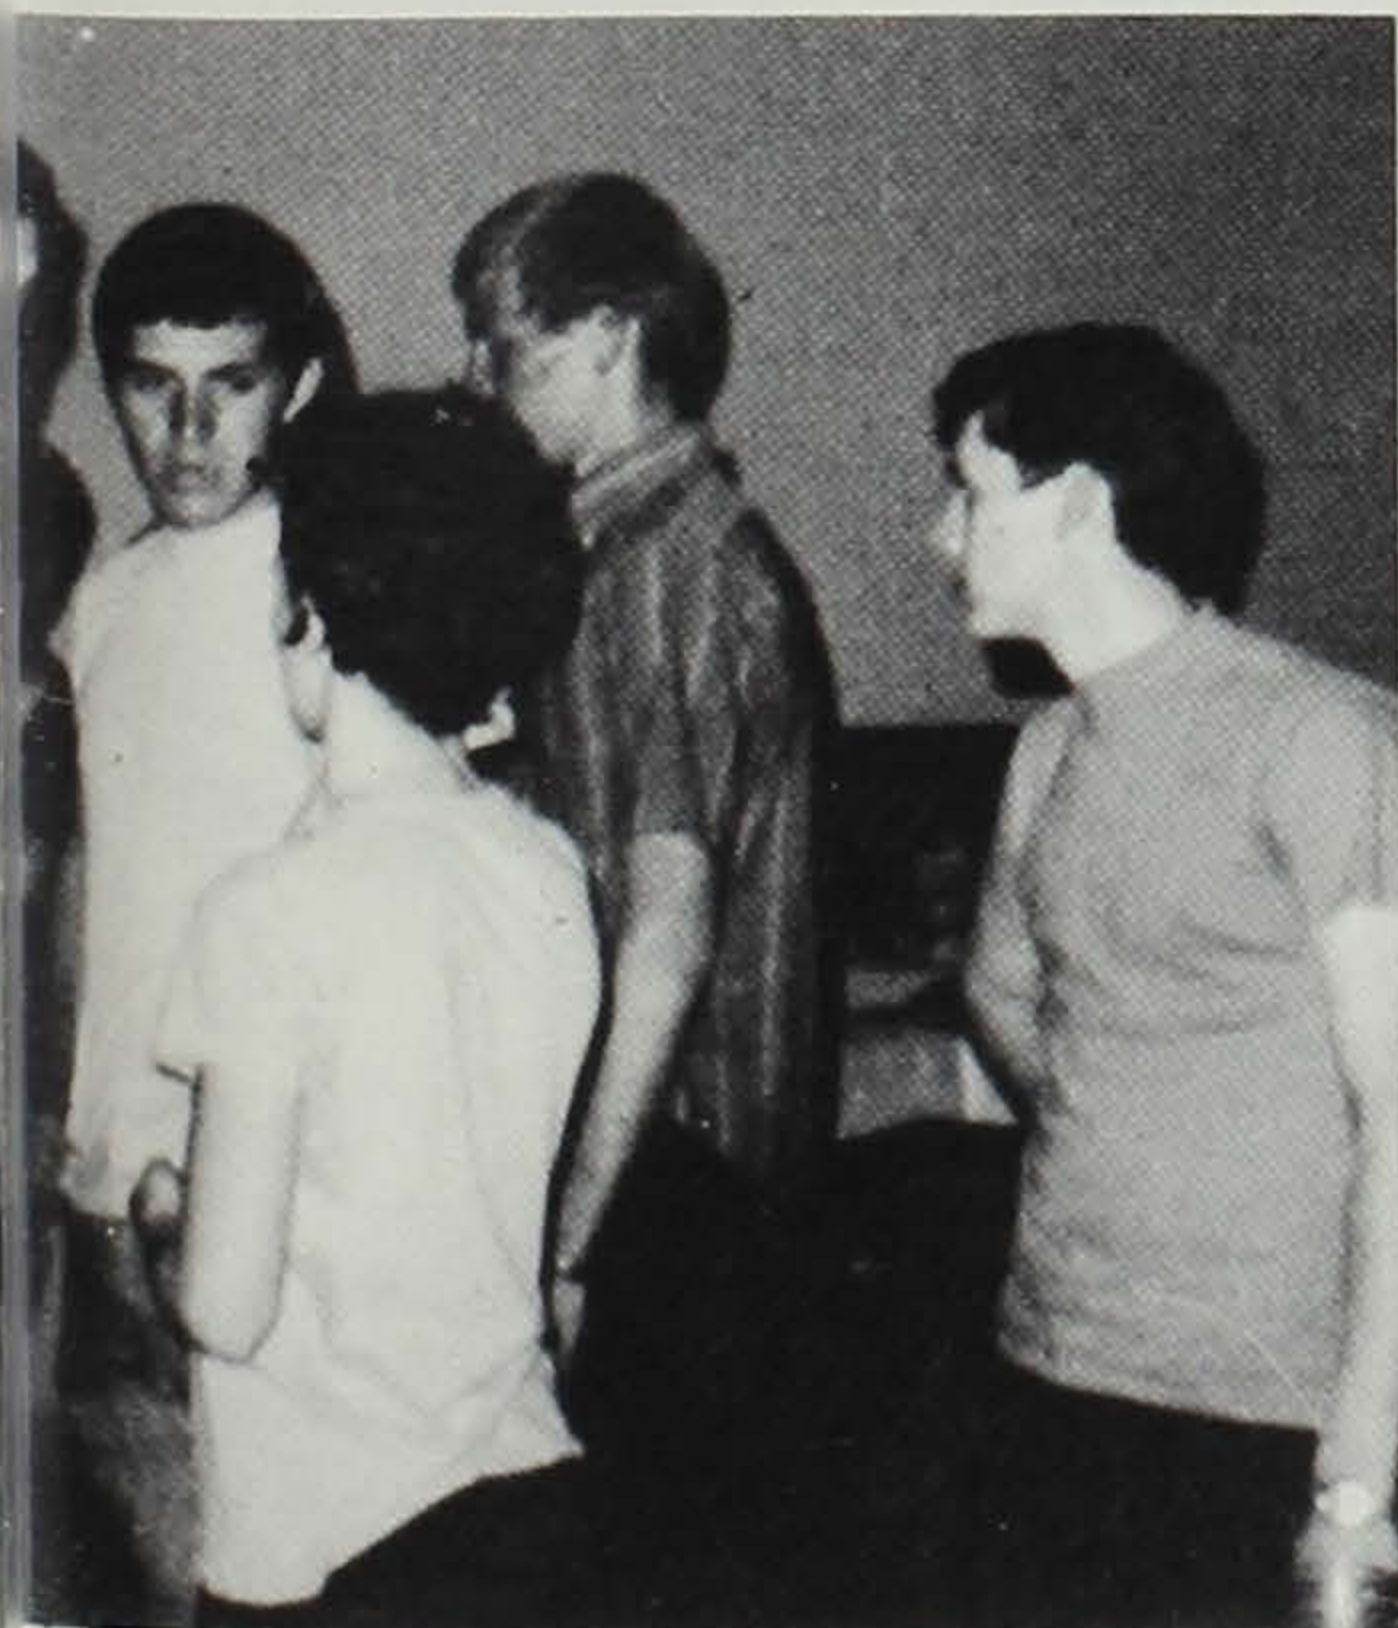

The 1969 Junior-Senior Banquet and Prom was held May 3, 1969 in the Firestone Union Hall. The junior class financed and planned the entire event.

The hall was decorated with crepe paper, large paper flowers in shades of blue, and a fountain. The tables were decorated with blue hearts with love birds, and candles.

The junior class spent many long hours working on the prom, but all agreed that it was worth it—the prom was proclaimed a great success by all.

IS THE WORLD GROWING FAST ENOUGH?

It depends. Either population is growing too fast or food production is not growing fast enough. World population may double in 33 years. Does this mean mass starvation? Not if we develop today's agriculture and harness coming breakthroughs in feeds, fertilizers, farming methods, and machinery. Can the world grow food fast enough? John Deere will help farmers make the answer to this question "yes."

Focus 1970

There were times we thought we wouldn't,
 But we finally got it done,
 It took a lot of effort,
 But we had a lot of fun.

In trying to make the 1970 HAWK a success, a lot of time and hard work was expended by the staff and the advisor. We, the editors, would like to thank our assistant editors, Jacqueline Moss and Marcia Aunan, our business manager, Colleen McKenna, all our ad and annual salesmen, our typists, our photographers, and especially our advisor, Mr. Hunter. Regardless of the way you looked at the 1970 HAWK, here's hoping you enjoyed it.
