Colophon

The 2008-2009 *Hawk* is a 217 page yearbook with a press run of approximately 1000 books. The student body totals approximately 1500 students. The cost of the book was \$50.

All type was set using Adobe InDesign CS on an Apple Macintosh based desktop publishing system. Pages were submitted to our Jostens plant in Visalia, CA, via CD and Jostens Netline. The cover was created and designed by our Jostens Rep. Matt Baltes. Interior paper is 100 # glossy with black ink.

The entire book is in process color. The *Hawk* is able to consistently publish in color because of the support it receives from the many businesses that buy sponsorship packages and the parents who purchase baby ads at the end of the book.

All photos were taken with Canon and Nikon digital equipment. The senior large photograph was taken and provided by Mullica Photography. Mullica Photography also supplied photos for Crystal Ball. Sports group shots were supplied by Photographic Enterprises. Student portraits were supplied by LifeTouch Photography. Senior photographs were supplied by a number of local photographers. The homecoming court photograph was supplied by Jamison Studios. The senior baby ads were designed by Koral Haines, Megan Miller, and Tasha Sinclair.

A big thank you to the entire Ankeny community of students, parents, and staff that helped out the yearbook throughout the school year by providing digital photographs of a variety of clubs, events, and trips that the yearbook staff could not cover by itself.

Editors: Rebecca Oexmann and Ethan Hamilton

Advisor: Jonathan Russell

Principal: Brenda Colby

Jostens Rep: Matt Baltes

Special thanks to: Lorrie Ludwig, Becky Haines, Karen Norton, Jeanne Karsjens, Suzanne Showalter, Collen Porath, Dianne Jones, Tom Honz, Carol Laurion, David Caldwell, Heidi Reichart, and Sam VanderPloeg.

Adrian Acosta

Senior Adrian Acosta passed away on Sunday, August 24th after an accident on Saylorville Lake. He was only 17 and left behind many friends at AHS.

Services throughout the week were held to remember Adrian, including a service at Saylorville Lake and at Ankeny High School. Friends also decorated Adrian's locker during the week and throughout the school year.

Adrian was well known for his guitar playing skills, and made frequent appearances at Open Mic Night and at Battle of the Bands with his group Twisted Youth. Friends and staff also remembered his easy going nature and sense of humor. Adrian will forever be a member of the class of 2009.

Class of 2009 Graduation

Bryant Grimmus

Andre Paulson

"Now that I've graduated and walked across that stage I feel like the world is ahead of me. Now me and my boy A-Train are ready to do work!"

"Now that I have my years of education behind me I'm ready to take my skills and thrills to the top, because me and Big B don't stop!"

"Leaving AHS is like the first day of kindergarten; your slate is clean and you get a fresh start then and now." Those are the words of commencement speaker Amanda Hartman.

The Ankeny High School commencement ceremony was held May 17th at the Drake University Knapp Center. Friends, parents, and other relatives of 463

graduates gathered at 1:00 to watch the ceremony.

Graduation was very bittersweet for the class of 2009. As a very diverse and special class every graduate has a bright and meaningful future ahead of them. Leaving AHS behind it is now their time to take the reins and lead their own lives.

AHS REMEMBERS... Marissa Paca

Junior Marissa Paca passed away on Sunday, August 24th after an accident on Saylorville Lake. She was only 16 and left behind many friends at AHS.

Services throughout the week were held to remember Marissa, including a service at Saylorville Lake and at Ankeny High School. A memorial fund was established in Marissa's name. In the high school media center, a section was dedicated to her with the quote, "Only a true believer knows the real meaning of art."

Marissa's creativity and passion for the arts set her apart from her peers. Students and teachers remember her outgoing personality and genuine kindness with everyone that she interacted with. Marissa will be missed and will always be a part of the class of 2010.

What was your favorite dress up day and why?

"My favorite day was pajama day because everyone could look scary and it didn't matter."

*Kaitlyn Ewing~
Sophomore*

Which was your favorite decorated hallway?

"My favorite hallway was the senior hallway because it was most creative and exciting."

Homecoming week is the one week where everyone comes together to support all of our fall sports. Most students find a way to get involved whether it's attending a pep rally, decorating for the dance, dressing up for theme days all week or just attending the homecoming game.

The members of this year's homecoming court were seniors *Chelsey Semprini, Jodi Whitworth, Kati Ploeger, Lindsey O'Brien, Victoria*

Botos, Jared Goforth, Andre' Paulson, Zeb Miller, Ross Naylor, and James Longo. The king and queen were crowned as *Jodi Whitworth* and *Ross Naylor*.

For the homecoming game the Ankeny Hawks beat the Council Bluffs/Thomas Jefferson Yellow Jackets with a score of 48-8. The Hawks managed to pull through despite the rainy weather. It was another great homecoming week.

Homecoming Dance

If you had fun at the 2008 Homecoming Dance on September 13th then you should say a big thank you to a Student Council member. Student Council starts planning Homecoming in the summer before most of us are even thinking about what we're going to wear.

First they vote on the theme; as you can imagine this is a difficult task. "We've had a few arguments when someone gets really excited about their idea but in the end we can only choose

on one," said senior *Ethan Hamilton*. After the theme is picked they choose the decorations, activities, and the dress up days.

When the day of the dance finally arrives they decorate the gym and get everything ready for the dance which goes from 8:00 to 11:00 Saturday night. This is a difficult task but once its all done it becomes the Homecoming that we all enjoy. Homecoming 2008 was really out of this world!

*Emily Sullivan~
Senior*

"The decorations at the dance were great. It was a difficult theme to dress for but the dance was really fun. It was the best Homecoming that we have had."

*Kyle Vols~
Senior*

"My favorite Homecoming week activity was decorating for the dance, because is looked really good when we finished."

“I loved our group’s progressive dinner and having a group of all girls.”

Eryn Renze ~
Senior

Crystal Ball took place on the cold evening of December 13th from eight o’clock until eleven o’clock in the high school gym.

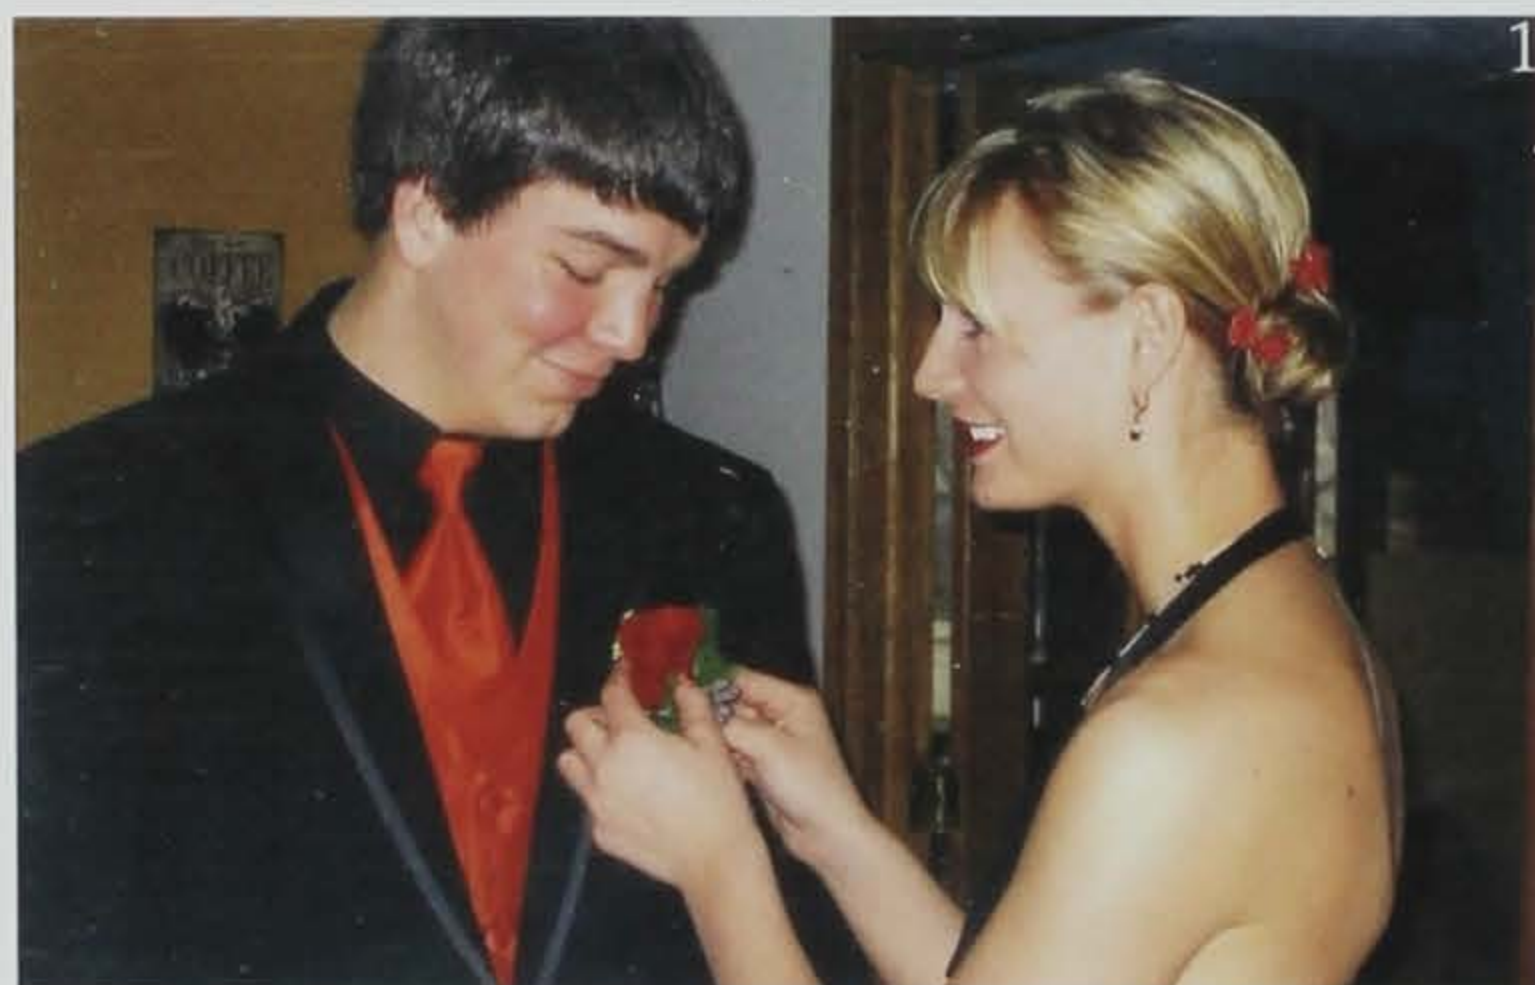

Credit for the great decorations goes to the members of the National Honors Society who helped come up with the theme, “A Masquerade”, then decorated the gym

and hallways with colorful streamers and masks. Their countless hours of work really made this night awesome.

For this dance, the girl is expected to ask the guy to be their date. This tradition and the hard work made it a great night.

1. Juniors Bryce Hundley and Elle Wignall put each others flowers on before the dance.

2. AHS students Corey Smith, Kate Sutphen, Grant Kisler, Hannah Harrison, Matt Hanselman, Ariel Hollinger, Molly Halferty, Tim McGrath, Jacob Loney, Katie Prowant, Jenna Russell, Leah Pieper, Erica Cornelison, Kjerstin Aeikens, Greg Wilson, Courtney Nelson, Katie Tressel, and Chad Cook looked for ways to save money on prom and then donated what they saved to charity.

Prom

There is more to prom than the dance. A lot of prom is spent getting ready, taking pictures, dinner, and after prom. In fact, most students spend more time getting ready before and at after prom than at the actual dance. What a great night for this year's prom!

The theme for After Prom was Candy Land. It was a great ending to a great night with all of the blow up games, food, karaoke, and hypnotist. Many prizes were given out, including a car, lab tops, Wii, and many other things. Thanks volunteer parents for a great night!!

Prom

Kelsey Chaves
Senior

"The best part of prom was everybody's gorgeous dresses and dancing with Big B."

Kaitlyn Faganel
Senior

"I loved the beautiful decorations when I walked in; it was my favorite part."

The theme for this year's prom was A Night in Paris. We held prom at the Val Air Ballroom, and it looked beautiful.

Both parents and students worked hard to put stars, sparkles and balloons just about every place imaginable. Walking through the entire way

there was a grand arc of balloons placed there for the perfect picture.

On the dance floor they placed a large platform for everyone to dance on. Everyone seemed to have a really good time. This year's A Night in Paris was a success!

Physical Education and PEOPEL PE

At AHS there are many forms of PE classes offered. PEOPEL P.E is the class that involves our special needs students with the help of our 11th and 12th grade applicants. Within the class they have many different social activities in-

cluding arts and crafts, amazing race, tail tag, and one of their favorites is glow stick tag.

Besides PEOPEL PE, there is regular PE, PE Wellness, and a strength and conditioning class, giving AHS students a variety of activities for a required class.

Ali Clendenen
Sophomore
"I loved being able to hang out with my friends. I also loved the fact that we did not have to be in school for a couple hours."

Eric Wilson
Sophomore
"My favorite part of the BBQ was eating the big bopper ice cream and hanging out in the stands with my friends."

Every student at AHS looks forward to the advisement BBQ. It's a time of fun, relaxation, and good food. The theme of this year's BBQ was a fiesta. However, the weather did not match the theme. It was cold and gloomy outside, but that did not stop Ankeny students from having a good time. Sophomore **Alyssa Dullard** said, "Even though it was freez-

ing outside, it didn't stop me from eating my big bopper."

The food served at the BBQ was a hot dog or hamburger, chips, fruit, an ice cream treat, and a beverage. Junior **Rheanna Egli** said, "The best part was the blow up basketball hoop." The 2009 Advisement BBQ was one to remember.

study hall, free periods, or classes. Junior *Hillary Schwickerath* says, "My favorite class is contemporary literature because I love Mr. Allen." There are many different places you can go throughout your day or on your free time.

Michael Sharp ~ Senior
"During my free period I like going out for breakfast with my friends. My favorite class is building construction. It's a lot of fun and you get to leave school."

The Perky Hawk is a place for students to come and get their morning caffeine and gum they left in the car. The Perky Hawk is supervised by Mrs. Dagel, Mr. Prather and Ms. Eustice.

Students work there during the morning if they have a study hall or free period.

It's not always the students that may come down to hang out; the

teachers enjoy bringing their advisements on Tuesdays. They also enjoy the delivery service the Perky Hawk provides.

Senior Jess Salazar commented, "I like going to the Perky Hawk for their cheap coffee." The Perky Hawk makes everyone happy and has been a great addition to our school.

Jonathan Stewart
Junior

"This is my second year working at the Perky Hawk. It's fun working here, but sometimes it can get a little hard, but it's really fun. My favorite thing to get from here is the bubble gum."

Hungry Hawk

Tyler Durbin
Senior

"I took the course because I wanted a deeper understanding of the fine culinary arts. For anyone wanting to sign up, it's a great opportunity to expand your knowledge of culinary arts. It's much better than doing book work."

Rheanna Egli
Junior

"The food was really good. It's fun when the kids serve you. The deep dish pizza and the strawberry lemonade are really good. We were supposed to have pie but instead we had cookies that were much better than the pie."

The Hungry Hawk is set up throughout the year for people to reserve a spot to eat a home cooked meal for only a couple bucks. Mrs. Andersen is the overseer of the operation.

Many times it's the teachers who eat there, but also student may reserve themselves a spot for them and their friends. A section of

the media center is reserved during all 3 lunch periods.

Every meal is cooked to the exact "deliciousness and crafted with love" explains Tyler Durbin, a senior who has taken the course.

Principal Mrs. Hoffman was a customer at the Hungry Hawk. She responded that she even forgets that she's at school while dining.

Turning fourteen is a big deal for many teenagers. It means that it is now legal for them to get a job. Students at Ankeny High School with a job have decided to enter the work force for a reason. Sophomore **Taylor Wycoff** stated, "I got a job because I wanted to have money to spend in my free time." Senior **Holly Behnami** said, "I work at Panera Bread, and I got a job for something to do, to make friends, and to get extra money for college."

Many funny things happen to students while they are on the job, so we asked students to share their memories with us. Senior **Audrey Dell** said, "I work at the Hy-Vee Bakery and it is so funny when old people come to get the cookies that we set out for the little kids. They grab a cookie, put about ten of them in their pocket, and run away."

to Mexico for mission work and to see some of the students that came here during the Copan exchange. A group of French students went to France to live with a host family for a few days and explore Paris. Who knows where AHS students will travel next year.

Amber Aschoff ~
Junior

"I went to Florida on vacation with my family. I also went to Colorado for a volleyball tournament."

Ankeny High School Spring Break gives the students of AHS a week of relaxation, travel, and great adventures. Many students have been waiting for break for the entire year, with class trips to Chicago and Europe finally taking place when the planning had lasted months.

Other individuals have been planning their trips to Mexico or Florida with fam-

ily and friends, and are excited when they arrive with sunny weather and nice beaches.

Other students see break as a chance to work, stay at home and relax, or get some much needed college applications or scholarships information completed. It is a great break for all before the last push towards the end of school.

Each year, AHS students show that there are many activities and clubs to participate in and have some fun.

Debate

This year's debate topic covered if the United States should submit to the jurisdiction of an international court designed to prosecute crimes against humanity.

Sophomore Lauren Burdt will be debating at Nationals in Alabama this summer.

"Debate was a fun and interesting team. I enjoyed getting involved in politics in a way that I wouldn't have if I wasn't in debate. My favorite part of debate was arguing with the republican underclassmen. Good Luck team!"
-Senior Jacob Loney

Lauren Burdt
Sophomore

"Debate is a great way to involve yourself in a school activity that's intellectually stimulating as well as meet people who have been successful in an activity that can help you after high school."

Andrew Heiderscheit
Senior

"Debate is the best...well, maybe second best. If you evaluate it under the criterion of justice with a value of equality your questions paradigm becomes a shift for the pro."

Being a part of the debate team requires a lot of work. The team starts practice in September and practice after school for several hours. The students involved in this club must be up to date on current events. A ton of researching and dedication goes into a topic that the student will later debate. Not only is debate individual, but students may also work in pairs of two. Debaters must be willing to give up their time on Fridays and Saturdays considering those are the probable days that the competitions are held on. Often times the competitions are against metro teams. However, the big competitions are against high schools across the state of Iowa.

Erica Adamson
Sophomore

Debate is a way to expand your horizons and meet people who have similar interests as you."

Sarah Sutter

"One of the best things about debate is meeting people who are interested in similar activities."

SPEECH

Speech has two seasons in which students can participate: large group & individual. This year's large group season had 15 groups competing at district, 13 at state, and 2 groups being invited to speech's greatest honor: All-State. In the individual season, 23 entries went to district, 16 went to state, and 3 individuals received an invitation to the All-State festival in April.

Junior Kaley-Ryan Powell and Senior Brian Osborn show that speech kids have attitude.

*"Ensemble with Ashley is way fun and I like the script. Me and Ashley work really good together."

Looks like junior **Cami Butzen** might be playing her role just right, since it looks like junior **Lauren Stratton** is getting a little stressed. Or at least we hope their playing their roles.

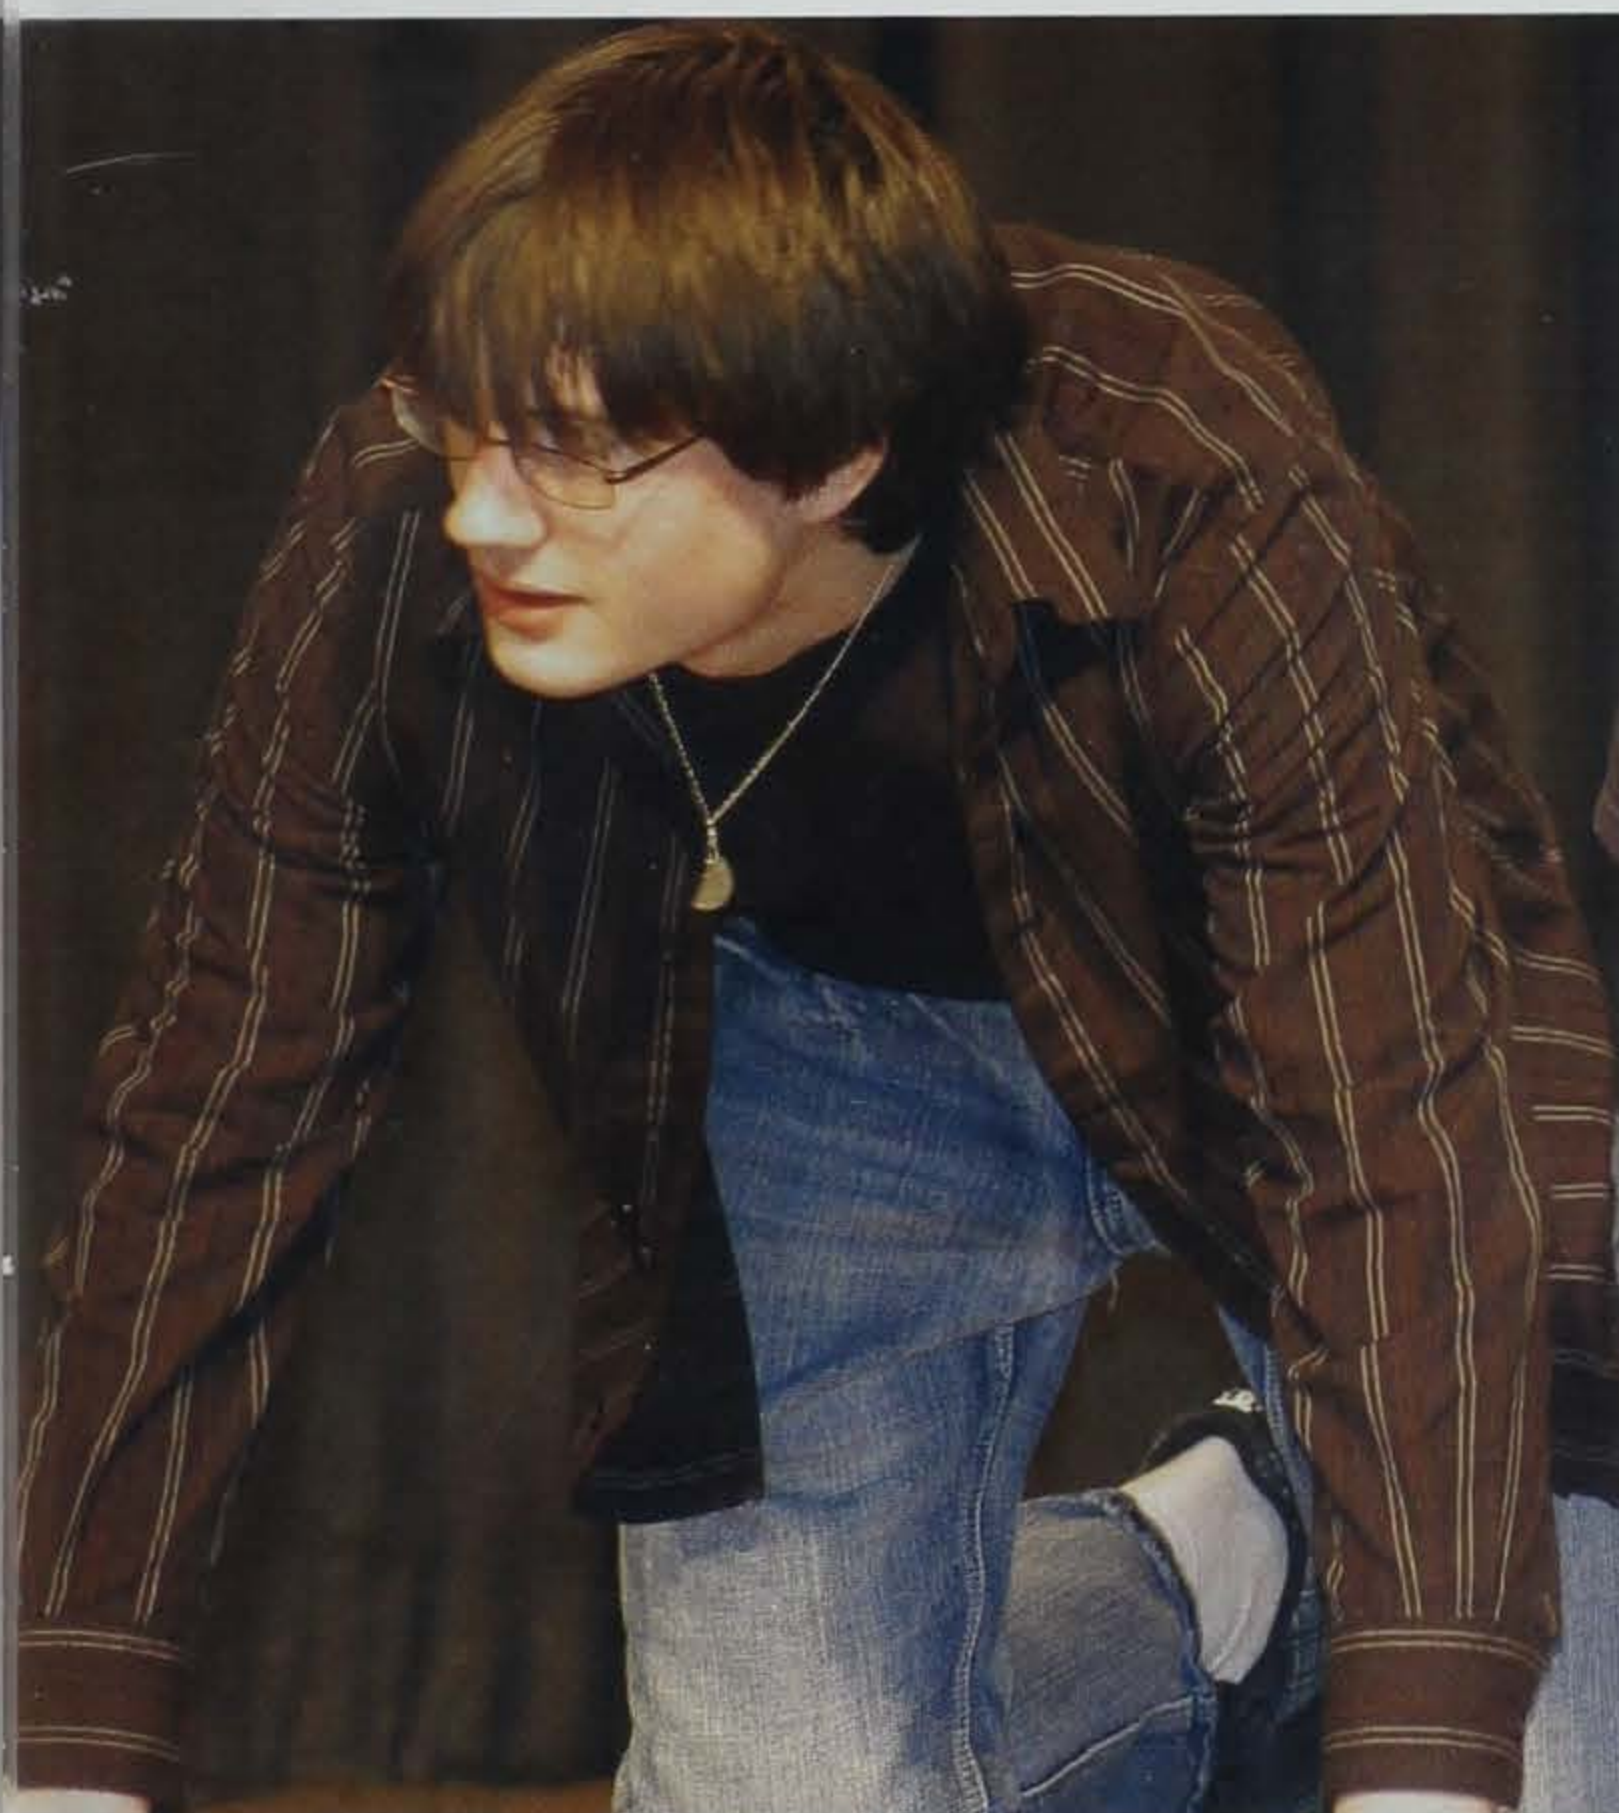

"I'm doing individual, but it's harder because you don't have anyone to help you out."

FALL PLAY: DRACULA

Count Dracula, the novel originally written by Bram Stoker, is a story that has been retold hundreds of times over the years. It is the tale of a Count who was turned into a monster, and was never able to be at peace with the one he loved, doomed to forever stalk the Earth. Since the fall play was set on Halloween weekend the chilling story of Count Dracula was the perfect match. The cast and crew did a fantastic job at the bloodiest of moments.

GOING CRAZY

Carly Sommerlot, Senior, or as she is known on the stage, Miss Renfield, is a crazy women who will not give up the whereabouts of Dracula's coffin. Miss Renfield is being dragged away by Madison Densmore, Junior, who is a servant at the insane asylum.

INTELLIGENCE

Aaron Ehrlich, Junior, captivates the audience with his performance as Peter Seward. As the head psychiatrist of the mental ward his intelligence is hard to miss; he does a wonderful job.

SPRING MUSICAL: GUYS AND DOLLS

All the hot gamblers are in town, and they are relying on Nathan Detroit to get the place for "The Oldest Established Permanent Floating Crap Game in New York." The only problem is that he needs \$1000 to get his foot in the door. Between Sarah Brown, who's trying to save sinner's souls, but isn't very good at it; Sky Masterson, who accepts Nathan's \$1000 bet that he can't get Sarah Brown to go with him to Havana; Miss Adelaide, who has waited for a long time for Nathan to marry her; and Police Lieutenant Brannigan, who always seems to appear at the wrong time, and you've got quite a musical.

VA won awards for best vocals 2 times, best female soloist (**Kamerin Churchman**) 4 times, best choreography 3 times, best combo and best female stage presence (**Olivia Slater**).

"My favorite VA memory was the time right before the performance. Everyone was so close and the energy was HUGE. We knew who we were performing for and that we had to do it right. The actual performance was good, too."

-Andy Lister

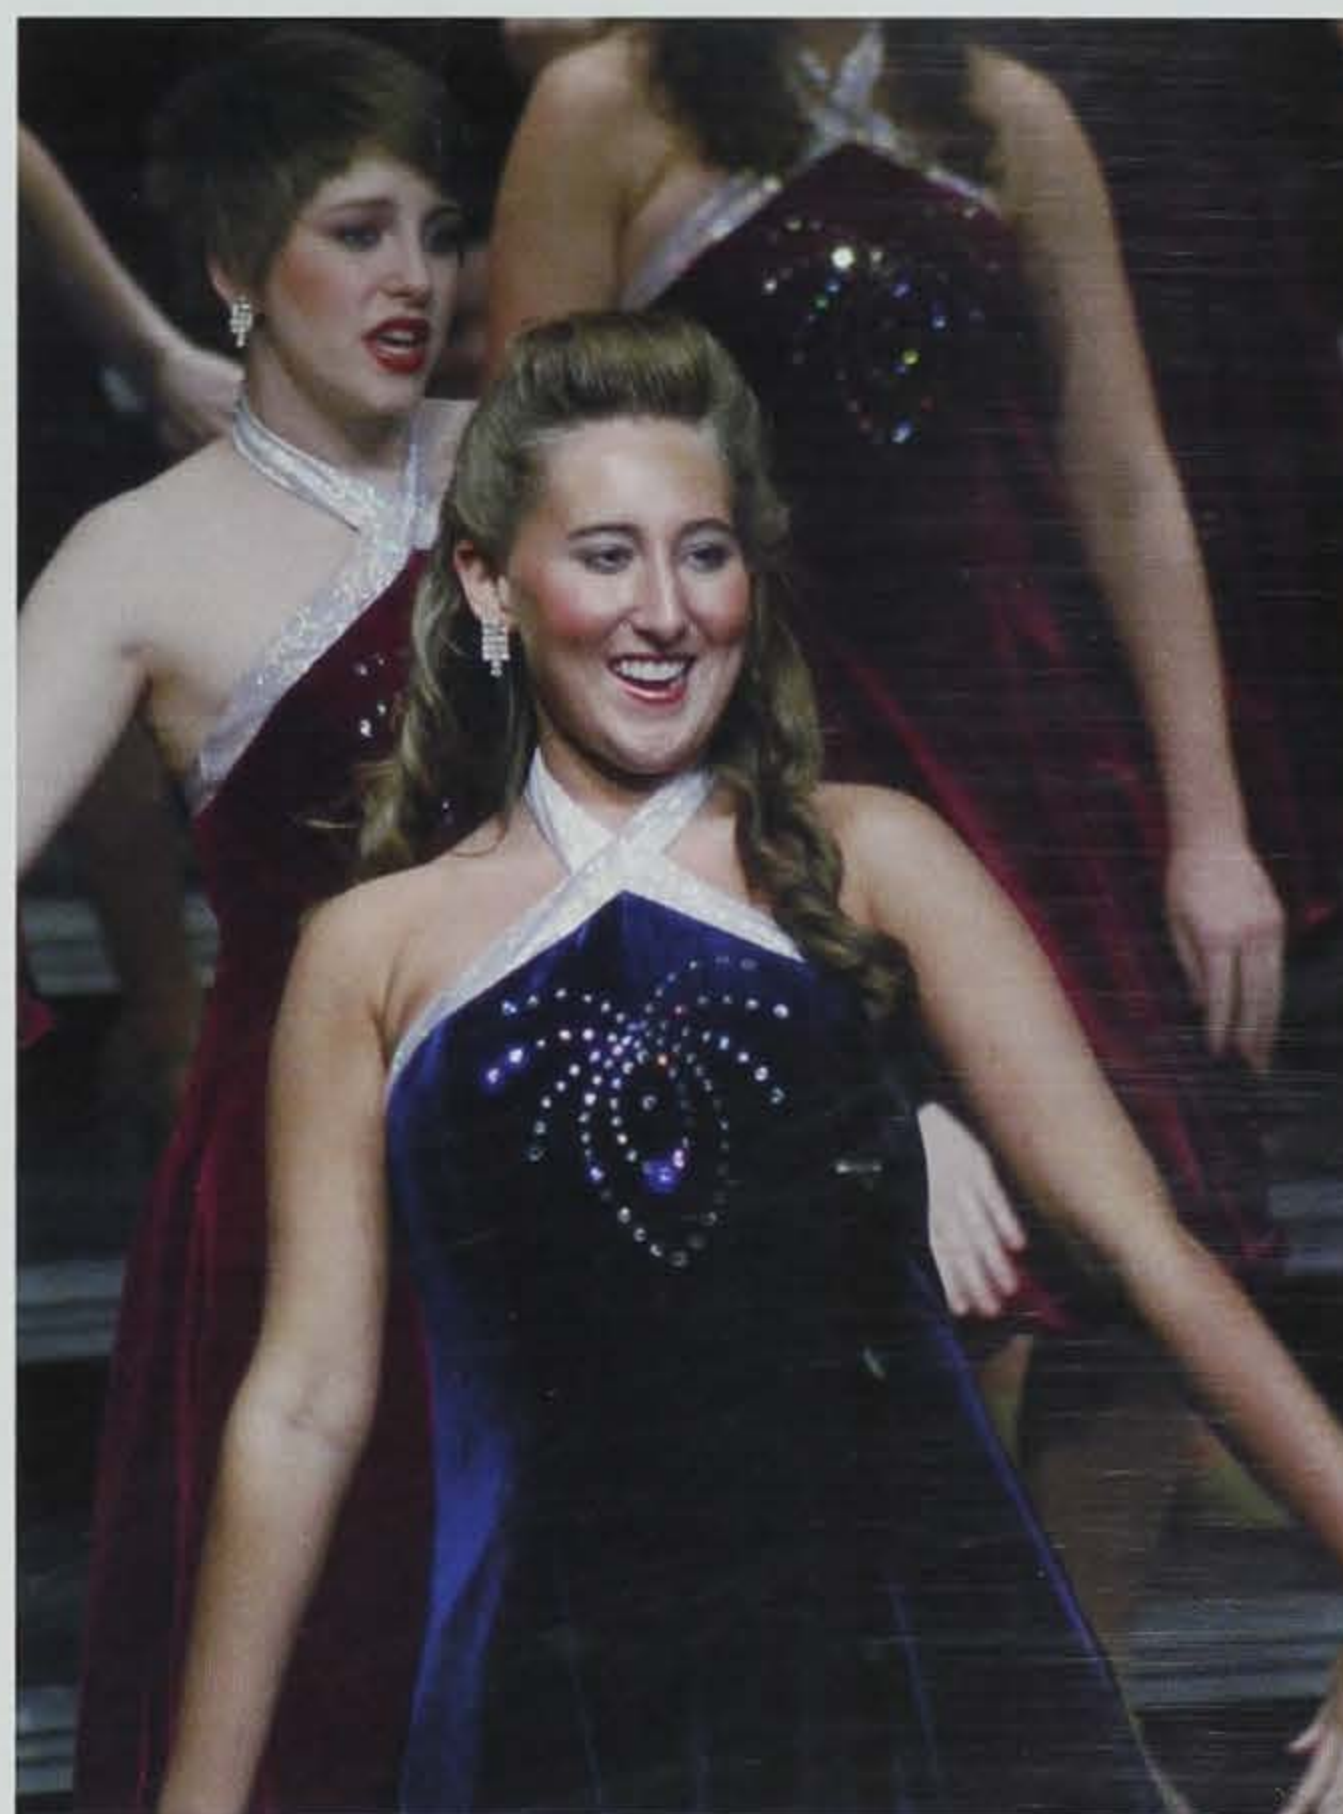

Sophomore **Jamie Cisna** and Senior **Koral Haines** sing out in Perpetual Motion's "Never Sell Blue Like That."

SHOW CHOIR

It was a whole new year for the show choir department. Not only did top ranked VA get a new director, but due to lack of credits, Ankeny was reduced to after school and weekend practices. In previous years, members of the group had practice for one period every day. This year normal practices were 2-3 days a week and on weekends when needed. We would like to congratulate all the show choir groups on a fantastic season.

*Junior **Olivia Hatch** and other members of PM stand with smiles in anticipation for the next song. PM is under the direction of Mr. Ben Joseph. PM performs in the Prep Division and came in 3rd place at Johnston and 2nd place at Urbandale and Waukee.*

*Sophomore **Ashley Cron** and other members of Intensity put on a fantastic show for members of the audience. Intensity placed 4th at Johnston and 3rd at Waukee in the Prep Division and placed 1st in the Woman's Division at Urbandale.*

CHOIR

At Ankeny High School, there are 3 choirs that students can participate in: Concert Choir, Ankeny Singers, and Cantamus. All 3 of these groups perform throughout the year, rehearsing for concerts at Christmas, spring, and especially the Large Group Contest in May. This year, all 3 groups, plus 2 smaller group male and female ensembles, received a Division I rating at contest. This is the 3rd year in a row for such a high honor.

Students from these choirs also audition for All-State. This year, 28 students auditioned and 13 were selected. AHS sophomore William Xie was the All-State choir accompanist, one of the highest honors for a piano player in the state of Iowa.

"Band was pretty tight sometimes but most of the time, I hated getting my shoes caught in the mud during practices in the morning."

– Tina Anderson, Sophomore

MARCHING BAND

This year's 2008 Marching Hawks had yet another successful season. They were awarded first place at its first two competitions of the season: Oskaloosa and the Little Hawk Marching Invite. On October 11th, the band placed 3rd at the Showdown at Valley High School and received a Division I rating at the State Contest. On October 18th, the band hosted the Mid Iowa Band Championship at Ankeny High School Stadium. It featured 24 high schools bands from Iowa, Nebraska, and South Dakota. Congrats Marching Hawks for another great year!

Senior *Tom Brix* focuses his attention to the group warm up on a Friday night. Senior leadership is a big reason why the Marching Hawks have had such great success over the years.

BAND

The Ankeny High School Band program continued its long standing tradition of success and participation throughout the year. Band has 2 large groups that perform throughout the year: Concert Band and Symphonic Band. While they meet as a class and rehearse year-round, these members also make up the other musical groups at AHS, including the marching band and both jazz bands. Individuals from the group also prepare throughout the summer for All-State, one of the state's highest honors for individual performers. AHS sent 26 auditioners, and 3 were chosen for the fall concert. Congrats on a great year.

"The great thing about band is that I get to start the day by making great music that transports me into a beautiful place. This can turn ugly when the music also engulfs a dangerous animal, like a bear or a tiger. Thankfully, bears and tigers don't play the clarinet that often."

Yearbook is a year long class that is also considered a club at Ankeny High School. This class is open to sophomores, juniors and seniors of the high school. The class is responsible for putting together a yearbook for the school year that captures memories for everyone to remember. In order to make a yearbook, the class has a lot of things to decide on: a theme, a cover, and layouts for different types of pages are all things students have to think about. Students in the class work on all these things under the supervision and direction of Mr. Russell.

The Ankeny Scholastic Bowl Team participated in four tournaments during the 2008-2009 school year. Scholastic Bowl is an activity in which students try to answer questions in language arts, social studies, math, science, sports, and popular culture. The format is very similar to the TV show Jeopardy. While the team did not place in any of the competitions, the participants had a great time in an activity which tests their knowledge under a timed match. The team is coached by Mr. Garner.

Model UN

Kate Armstrong
Junior

"Model UN is a great experience if you want to go into international relations. Learning how to be a diplomat is a skill that will help me forever."

Students have to represent the opinion of the country they are sponsoring.

AHS students were responsible for many ideas in sub-committees and resolutions.

Mock UN students get to put their knowledge to the test at the University of Northern Iowa.

Andy Fish
Sophomore

"I did the Gender Equality Topic. Our group got a lot done on that topic. The AHS students in this group had many of their ideas passed. Representing Israel on disarmament was also a fun, challenging, and interesting experience."

Members of this year's Model UN team from Ankeny High School.

Model United Nations is a club that focuses its time and efforts in running a simulation of the United Nations. Anyone grades 9-12 can participate. The club has different focuses and events during the fall and spring. In the fall, the Iowa Youth Symposium is an event where students take modern topics of controversial nature and debate them with other students from Iowa. This debate leads to resolutions that get sent to the Iowa Senators. These resolutions discuss what America's position should be in various international topics.

In the spring, AHS Mock UN students represented Israel, Turkey, and South Africa at the UNI campus. Members participated in a variety of UN events as their sponsored country. It gives students a different type of challenge as they represent someone else's opinion without their own biases entering the delegations.

INTERACT is a club that helps out the community with service projects. They meet weekly Tuesdays after school from 3:05-3:30, and Wednesday mornings from 7:30-7:50 before school. Members of the club get accredited community service hours for attending the meetings. The projects were a wide range of service opportunities. Some of the students helped make blankets for children at Blank Children's Hospital in Des Moines. Other members attended Reggie's Sleepout at Drake Stadium to raise awareness for the homeless population in Des Moines. Michael Stocks, Suzie Harris, Callie Pittard, and Taylor Goetzinger traveled to Xicotepec, Mexico. The holiday season saw students getting shoe boxes ready for children around the world. This year the chess club was unable to participate in any competitions, but next year they are planning to participate in the Greys Tournament in November, High School Individual in January, and the High School Team competition in April or May where they have been five time champions. Next year there will be returning seniors and we will plan to see some great things from the chess club students.

The *Talon* is advised by Mr. Caldwell. This year's editors were **Jessica Carbino, Kristin Geren, and Jesseka Kaldenberg.**

This year the staff only met during second semester and was smaller than it ever was before, but that didn't stop them from getting papers out for students to read and enjoy.

The *Talon* meets during second period every day. They work hard to get the paper out before deadline, and they still have a lot of fun putting the paper together. They also would not be able to get it done without Mr. Caldwell's threats to meet them out at the bike racks. Thank you *Talon* staff for keeping AHS up to date and with the times.

"Grim Reaper day was my favorite activity that SADD took part in."

Students Against Destructive Decisions, aka SADD, was hosted by our new science teacher this year, Mrs. Sanders. The group met in the mornings and held many events at school to promote their cause.

The annual blood drive we have at AHS is put together and overseen by the students participating, and this year all of the members reported a great turnout and were surprised by the number of students donating. The number of 1st time donors was a majority of the drive for both the fall and spring, and considering that each donor can save 3 lives, it's a great way to make a difference.

Members also staged a Grim Reaper activity around prom to remind students of the dangers of drinking and driving. They also took time to talk to elementary students about the risks of drugs.

Being a member of NCYL is a very high honor. NCYL stands for the National Council on Youth Leadership. It is a long process to get in to the organization, and it starts with the student showing leadership in some way. A student involved in NCYL must have held a leadership position during some part of their high school career. After talking with their guidance counselor the student receives their paper work. They are also required to write an essay, which is mainly for scholarship purposes.

During the year an NCYL member has great opportunities. Over the summer they receive a free senior photo shoot from Tim Vorland. They are allowed to pick out specific photos for their board which will be put on display at places like Jordan Creek Mall and the high school library. Next comes the Drake interview. They question the NCYL member on things like their leadership skills. The main event for a member of this club is the leadership conference held at Drake University. Many members enjoyed the speaker at this year's conference. One of the last steps of being a part of this club is the Awards ceremony. This is where students may receive scholarships for the essays they have written. Being an NCYL member is time consuming, but it holds many great opportunities and is a great experience.

At the end of each school year a group of new student representatives are elected for the next school year's Student Council at Ankeny High School. The qualifications to run for the Student Council elections are to have a GPA of 3.0 or higher, get twenty signatures of fellow students, and write a personal statement about why you think you belong on Ankeny High School's Student Council. Twelve students are elected from each grade to serve for the next school year. A president and vice president are also selected each year in a separate election. This year's President was **Dan McCoy** and the Vice President was **Callie Pittard**. The group is sponsored by three teachers: Mrs. Anderson, Mr. Ortega, and Ms. Wahlert.

Student Council helps sponsor many events throughout the year. One of the main events is coordinating the week of Homecoming in the fall. The students choose a theme for the dance and decide how it will be decorated. They also coordinate the Powder Puff game that happens during Homecoming. Other events that Student Council puts on or helps sponsor are attending leadership conferences, helping with the blood drive, various service projects, a high school exchange, a food drive, and many other events.

Mary Thiry
Senior

"Book club really lets you go outside your reading box. I enjoyed many genres and authors this year."

Book Club is a place where both staff and students come together. Book Club meets once a month after school in Mrs. Sand's room. Recently they have read *A Lesson Before Dying* and *The House of Mirth*. Books are chosen by suggestion.

Students and staff can join book club at any time by attending a meeting. They understand if students cannot attend or don't have time to finish the book. The only requirement is that students keep an open mind during discussion. Besides meeting once a month, book club also attends the AVID series of lectures in the spring.

This Spring for the AHS Writer's Group their major project was *Fresh Ink*. *Fresh Ink* is a student compiled collection of poetry, essays, short stories, and artwork. Many students submitted their work. The final product contains sixty different creative entries from different students around AHS. The staff sponsors for Writer's Group are Ms. Tensen, Ms. Lawler, and Mrs. Lofgren. The Writer's Group was pleased with the amount of success that *Fresh Ink* had among the AHS students and staff.

Science Club

"I went on the Omaha zoo trip. It was quite cold that day, and we didn't get to see many animals. We did see one gorilla and he was very interesting."

—Matt Penner, Junior

"It was a good time hanging out with friends while seeing cool animals. The different exhibits were fun."

—Rachel Bing, Sophomore

"My favorite part was going through the underground viewing of the aquarium. We walked through a clear glass tunnel as fish and sharks swam above and beside us."

After talking with a handful of students that are in Science Club, it seems like a great club to be in. The Science Club is known for taking an annual trip to the Omaha Zoo. The students really enjoy this trip because they get to experience the zoo while they are amongst their own friends. They all said that between seeing the gorillas and walking through the glass tank full of fish and sharks, that the science club was a positive and fun adventure for them to partake in. The teachers involved with science club include Mrs. Bing, Mr. Hey, and Mrs. Sand. They encourage students to get involved with science club because it is a great time for everyone and the students get to learn while they are having fun.

Ermin Begovic,
Senior

"My favorite part about being in the science club is being with friends and going to the zoo."

Robotics Club

Katelin Brown,
Junior

"Robotics club is somewhere I can go and let my creativity loose."

Nathan Anderson,
Sophomore

"Programming the robot is my favorite part about robotics club. Right now we are working on building a really advanced robot."

"The kit comes with a bunch of random pieces, and we basically take those pieces and turn them into robots. I love the freedom of expression that comes with being apart of this club. I can be artistic through designing the robots."
- Austin Brannian, Junior

"My favorite part about this club is thinking out side of the box. It is really a student driven club, and they apply what they learn."
-Mr. Vail, advisor

"We order kits that come with many part of the robot. Next, we build and program the robots, and the best part about the club is when you turn on a robot and it works. It's fun to know that you have accomplished something."
- Josh Smythe, Senior

Even though the robotics club is not a huge group, they still get the job done. This year the club has built many robots, and they are working on more advanced ones towards the end of the year. The advisors of this club include Mr. Vail and Mrs. O'Loughlin. At the beginning of the year the advisors had to assist the students in putting together their robots, but now after being in the club for almost a whole school year, the students can to almost everything on their own. Mr. Vail stated, "This is truly a student run club." The robots built by the robotics club are on display in the glass case towards the north side of the school. The students involved in science club love it because they can be creative while working hard towards one common goal.

"It's a really fun way to help out around the school."

Ankeny High School is in its second year of Rachel's Challenge. This year, the 10th grade watched the 1st session of Rachel's Challenge. The 11th and 12th graders had already seen Session 1 last year; they moved on to Session 2 which dealt with the Legacy that the Challenge presents.

From the large group presentations, smaller groups have formed called Friends of Rachel. This year, 3 groups met with different purposes. The Letters group spent time writing letters of appreciation to staff, students, and other members of the community. A-OK worked on cleaning the school and dealt with climate and pride at AHS. The Outreach group did things in the community like volunteering at a soup kitchen through Hope Ministries.

Rachel's Challenge will return next year with its 3rd session, and the Friends of Rachel hope to grow and make more of an impact in the AHS community.

Although Spanish Club is a small group at AHS, they have large amounts of fun. Many of their meetings were before school on Mondays, and we all know how alert and focused students are Monday mornings. Besides playing games in Spanish (like Twister) and talking about all the things they wanted to do, one of the main functions of Spanish Club this year was helping the Copan Exchange students feel a little more at home. They helped set up food and snacks for the group during the time they spent in Ankeny. Although it was a small gesture, I'm sure it went a long way in welcoming them and making them feel at home.

The summer of 2008 brought a noticeable change to the girls softball team. Not only were they under new leadership, but most of the games that were played could have easily gone the Hawkettes' way. In fact, the team's 15-25 record is deceiving when looking at the 14 games the Hawkettes lost by only one run. The Hawkettes were also able to knock off several ranked teams throughout the season, including Pleasant Valley and Indianola.

All these scores and good techniques couldn't happen without the

help of Coach Farmer. Coach Farmer played for the Ankeny High School during the 1990s, including two Ankeny state championship teams. She was excited to come back to the Ankeny High School to coach the girls. "I have a lot of pride, and I'm glad to come back and to be putting the pride into use."

Although the team will need replace several graduating seniors, **Megan Madison** is optimistic about next year. "We will be a lot stronger of a team next summer."

What made this year special?

Erin Roggenburg, Sophomore

"Winning state this year made the season special. My favorite memory of the season was going to tournaments with the team."

Haley Wandrey, Sophomore

"All the girls on the team made this year special. We had great team chemistry and that made every game and every match more fun."

Makenzie Pick, Sophomore

"Getting to know all of the girls on the team and sharing the experience of winning state with them made this year special."

Volleyball

Once again the Hawkettes were able to make the trip to state and win their third state championship in the last five years.

This year the Hawkettes had a strong team despite losing six seniors last year. They won all their regular season matches except against Johnston in a five game match. However, they were able to redeem themselves by beating them in the finals at state.

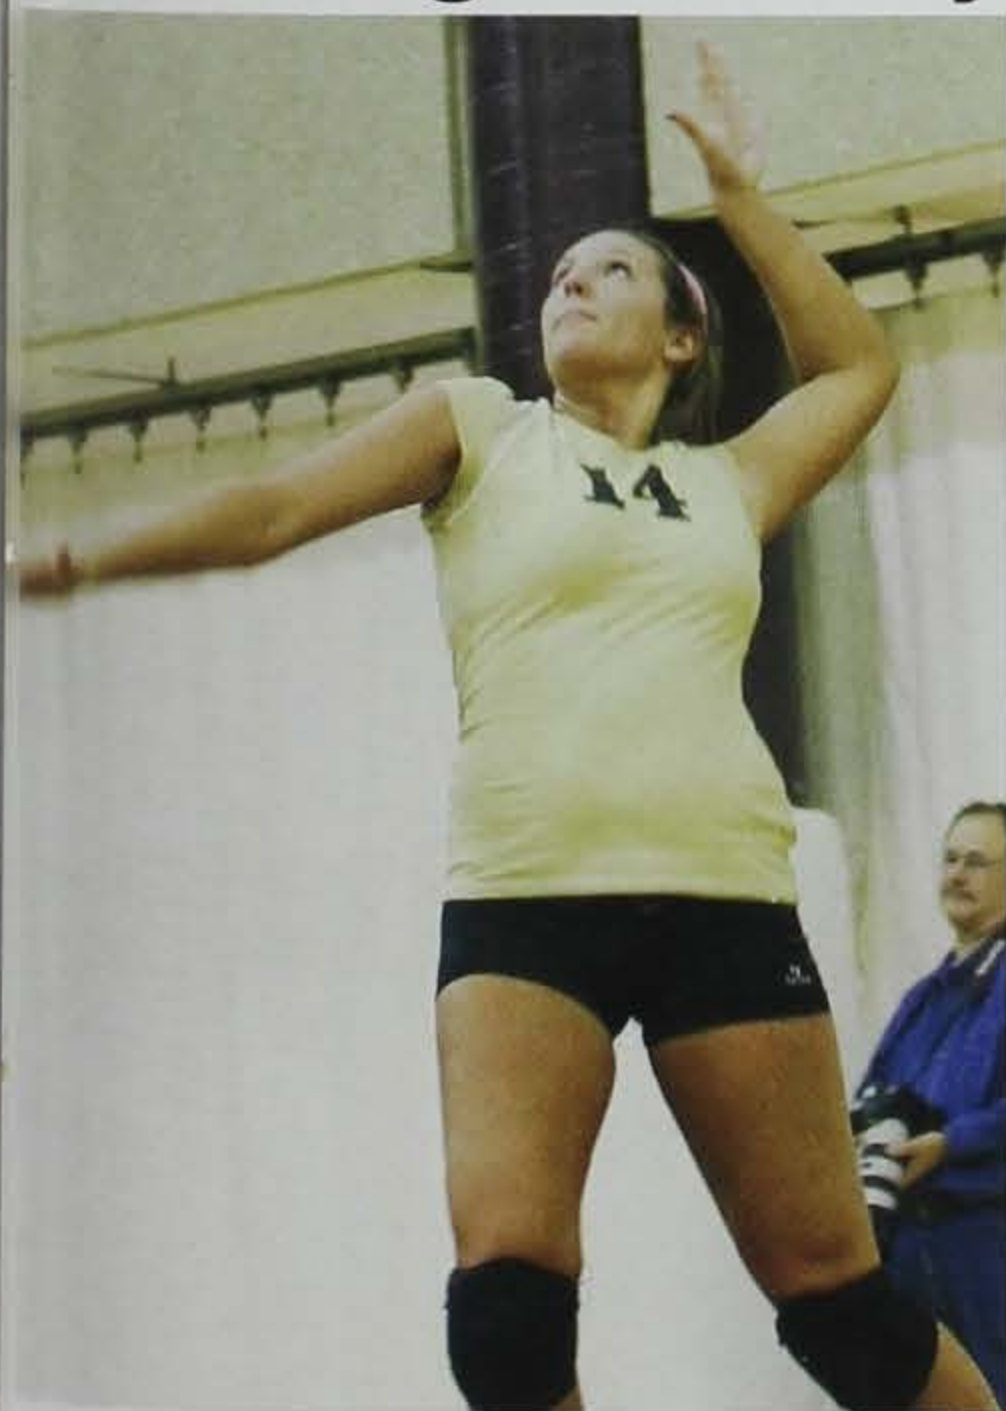

This season many members of the volleyball team received many honors and awards. **Chelsey Semprini** was named the captain of Class

4-A all-tournament team. **Lindsey Petersen** was also named the all-tournament team. **Hannah Johnson** was named the CIML player of the year by the Des Moines Register.

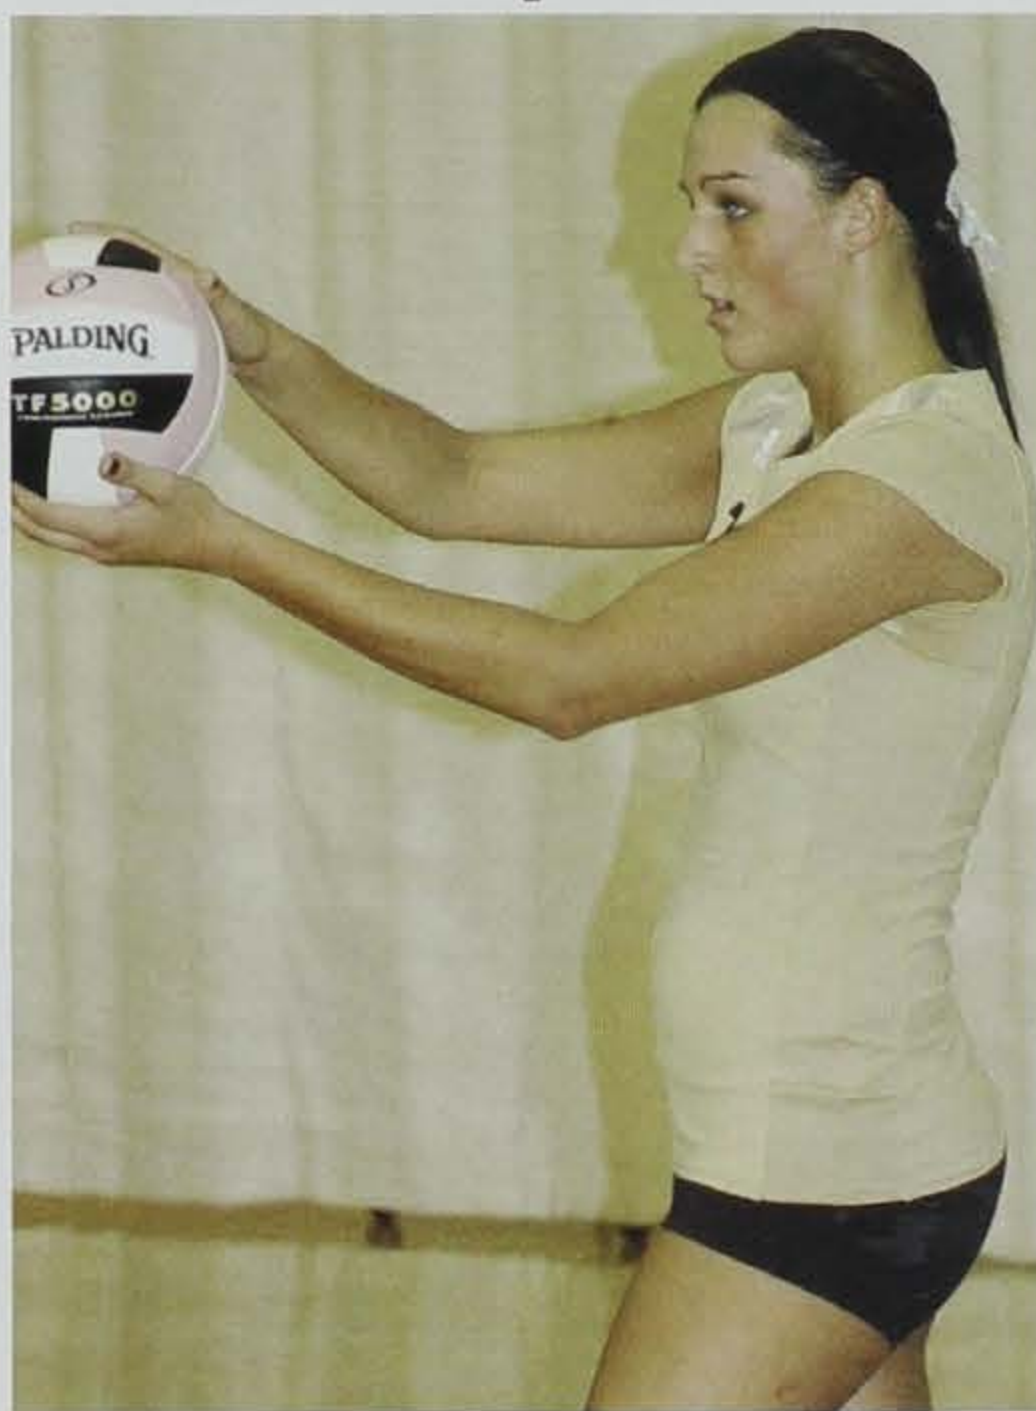

The Hawkettes ended their season with a record of 40-1 and a 27 match winning streak, which was a school record.

The team will return with three starters and hope to have as successful year as they did this year. Congratulations on a record setting year.

The cheer season begins at the cheerleading meeting. The meeting is for all the girls that want to be cheerleaders. At the meeting the coaches discuss everything required to become a cheerleader, from what outfit is needed to what camps are necessary.

A few weeks after the meeting the girls get interviewed by a coach. In the interview the coaches ask the girls questions and judge them on how they answered and how their posture was during the interview.

Tryouts are a week long process. The girls come to camp every day for a week to learn cheers, jumps, and a spirit dance. At the end of the week the girls are judged by seven or eight judges. The girls can't be

shy; they have to be loud and their movements precise. The night after tryouts the girls nervously wait to find out their results.

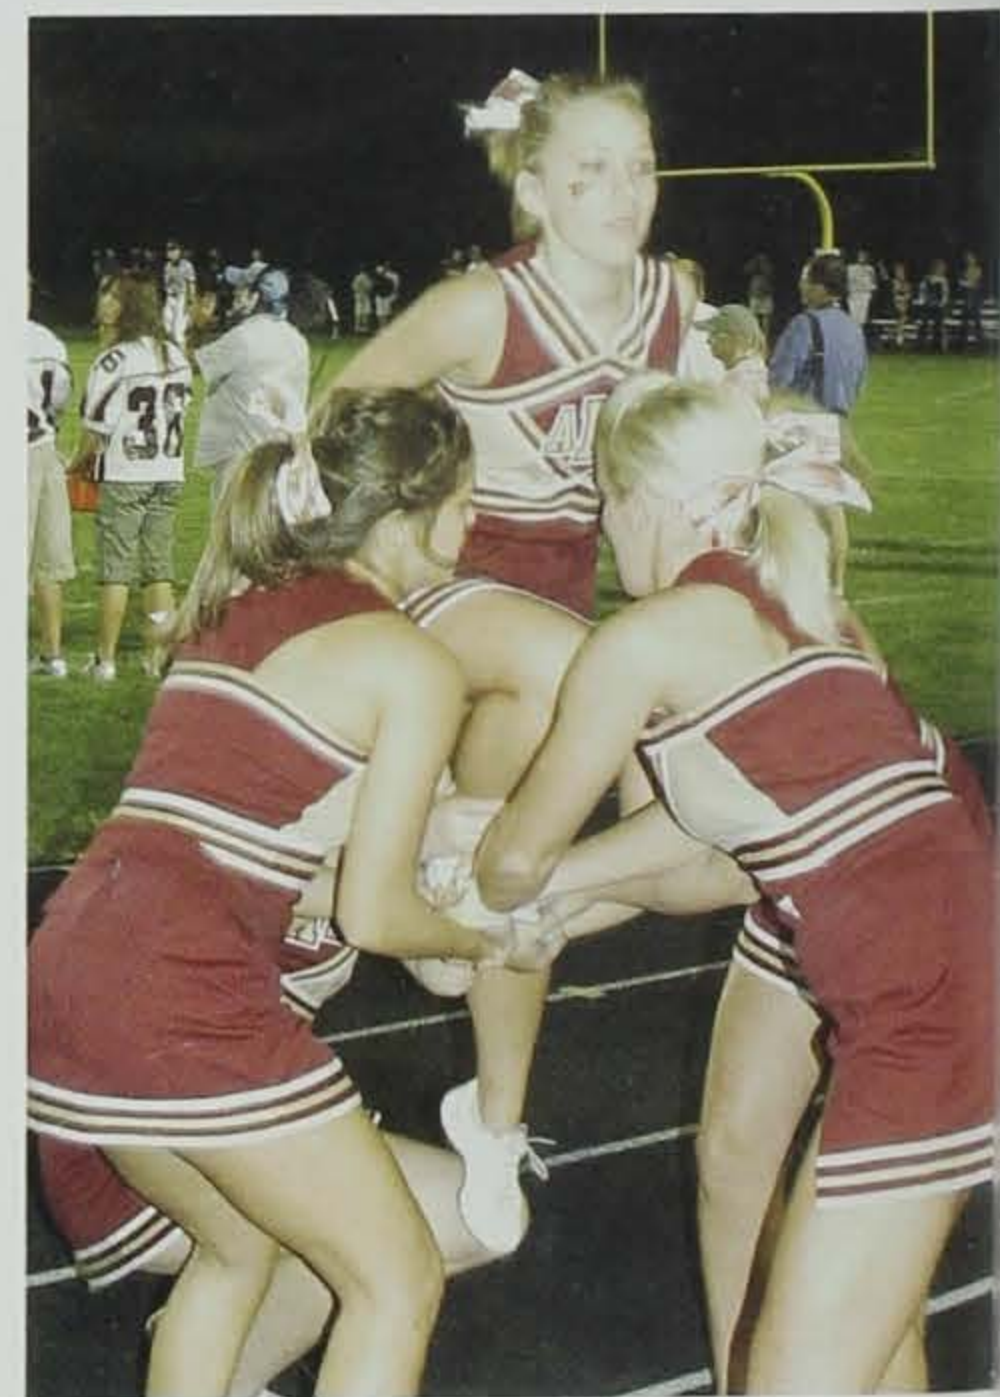

Cheerleaders have to give up almost every Friday and are expected to memorize all the cheers. Fall cheerleaders are paired with a football player to give gifts to for Homecoming week. Cheerleaders are also responsible for making locker signs for the football player for every game.

Fall cheerleaders also compete in state. The girls come up with a routine and get judged from judges all over the state. This year the girls placed 4th overall. The Hawkettes had a great season.

What was the best part of cross country this year?

Kaitlin Shultice, Junior

"Meeting new people was the best part of cross country. Also, all of the costume days for our homecoming were really funny!"

Allison Watson, Junior

"The best party of cross country was seeing all of the Ankeny supporters come out to watch us at our home meet."

Kelly Peddy, Senior

"My favorite party of cross country was crazy hair day for our homecoming week. Being a senior and taking those leadership roles was another great part of cross country 2008."

Girls Cross Country

The 2008 Girls Cross Country team truly crushed the competition this year. The season started out during the summer for most of the runners. During the summertime the team had optional practices several times a week. Once school had started the girls began their real practices. **Olivia Kaplan** stated, "The most rewarding part of cross country was getting a good workout, and finishing a hard and challenging race."

Between all of the hard work and education the girls still found time for a team bonding day, which was every Friday. Once in shape the Ankeny was ready for their first meet in Urbandale. Ankeny came out of the meet with a fourth place finish. Next stop was Newton, and Ankeny placed

first.

When asked what her favorite meet was **Emma Greaves** replied, "Fort Dodge, the last meet, was my favorite because it was a really fast course, and because it was flat to run on." The Hawkettes' season ended with a bang when they finished ninth at the state meet in Fort Dodge. Senior **Kelly Peddy** said, "This season was special to me because we made it to state as a team, rather than one person as an individual like last year."

It is easy to see that all of the girl's put in hard work and dedication this season, and it most definitely paid off. The 2008 Ankeny girls cross country team came together not only as a team but also as friends. This season was truly an outstanding one.

This year's Ankeny Hawkette's Swimming was soaring strong. During the off season, some girls swim up to 15 hours a week during the pre season and 20 hours a week in the pool practicing before and after school most days. Swimming is a sport that takes a lot of hard work and commitment.

All of the hard work paid off throughout the season with victories against Hoover, SE Polk, and Indianola. The team ended strong with a 4th

place finish at regionals and another trip to the state swim meet.

5 events qualified for the state meet from the team's 4th place finish at regionals. Team scored 52.5 points for a 16th place finish. Sophomore **Allie Hable** placed 14th in the 50 Yard Freestyle and the 200 yard Medley Relay placed 8th. With a young team coming back next year, the Hawkettes look forward to building on this season's success.

Girls Golf

After last season's state championship and perfect season, the 2009 Urbandale Hawkette Golf Team had high expectations and a lot to live up to. The girls did not disappoint.

In March, the team had to contend with the elements of cold, rain, wind, and even snow. Out of the 6 invitations that the team participated in, the Hawkettes won 5 of them. In tournaments, the team won 4 of 5. When the CIML meet approached, the Hawkettes continued their winning ways and brought home another conference golf title, something they have not done since 2001.

At the regional meet in Woodland Hills, the team won with a great score of 307. In Marshalltown, the Hawkettes looked to defend their state title over the 2 day meet. After the event was completed, the Hawkettes had shot a team score of 706, good enough for 3rd place in the state. Sophomore **Beth Wagner** was 4th overall while teammate and senior **Andrea Beard** was 5th overall.

The 6 graduating seniors and their leadership will be missed, but the Hawkettes have established themselves as a power in the CIML and the state. Congrats on a great season.

This season was a successful one for the girls' basketball team. The girls returned to state for the first time in several years, and even though they lost to Ames, it was a close game and they played very well. The girls final record was 18-6.

Some strong players took lead during the season, including Juniors **MacKenzie Misel** and **Rheanna Egli**, and Senior **Kiara Bomben**. The final rankings showed Ankeny to be number five in Class 4A, just under the Ames team that made it to the state championship game.

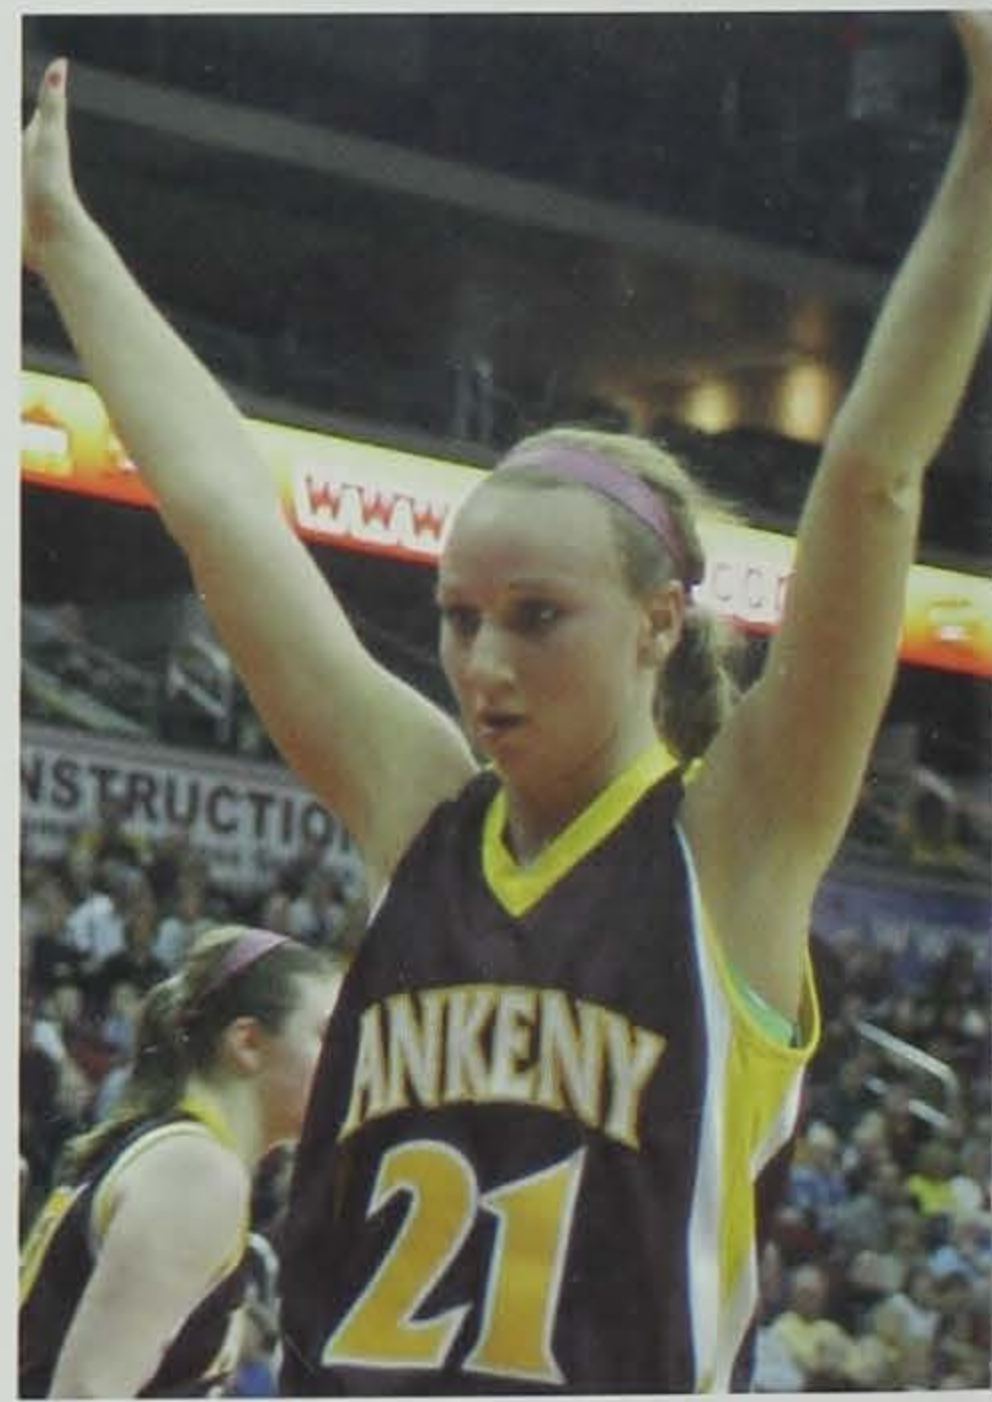

As usual, there will be several seniors that will take their talent and experience with them. However, the core of the team will return and the Hawkettes will be a team to watch next year.

Team bonding is very important to the girls on the basketball team, and as some have said, it makes the team stronger to be able to all get along even out of practice and games. Many returning players will practice over the summer at various camps to make next's years team even better.

Madison Green, Junior

"My favorite part of being on the team was how close all of the girls became and of course going to state."

Jesseka Kaldenberg, Senior

"I liked how all of the winter squads acted as one big squad. Everybody worked together. I really enjoyed taking on the leadership role of being the only senior on my squad."

Brooke Ugolini,

Winter Cheerleading

Many people don't know how much hard work and dedication goes into being a cheerleader. Between after school practices and games and meets at least two times a week, cheerleading becomes a major part of the girls' lives.

Winter Cheerleading consists of both basketball and wrestling cheerleaders. The wrestling girls have meets every Thursday and tournaments almost every weekend. "Weekend tournaments are long but fun. CJ's Bagels before every tournament is amazing, and suburban rides signing to Murphy's is hilarious," described junior **Kaley Borchardt**. As for basketball, they are split up into different squads. Between the boys basketball squad and the girls basketball squad the cheerleaders keep busy with games once or twice a week. "My favorite part of cheerleading this

season was making new friends, putting Stacy up in a lib, and no drama on the squad this year. Also, spirit night was my favorite night to cheer at because the student section was filled," said Senior **Nicole Metzger**.

The sophomore squad cheered for both wrestling and basketball. When asked which sport she liked cheering for better, sophomore **Emilee Uttersen** replied, "I really like cheering for wrestling because the matches get really intense."

Whether the cheerleader is on basketball or wrestling they become very close with all the girls on the squad. In cheerleading the girls not only cheer for the players, but they are also there supporting each other along the way.

Throughout this year, it may have seemed as though that the Girls Bowling team had a pack of real rowdy girls. But once it came down to it, it was just them, the ball and the lane, then they were all business.

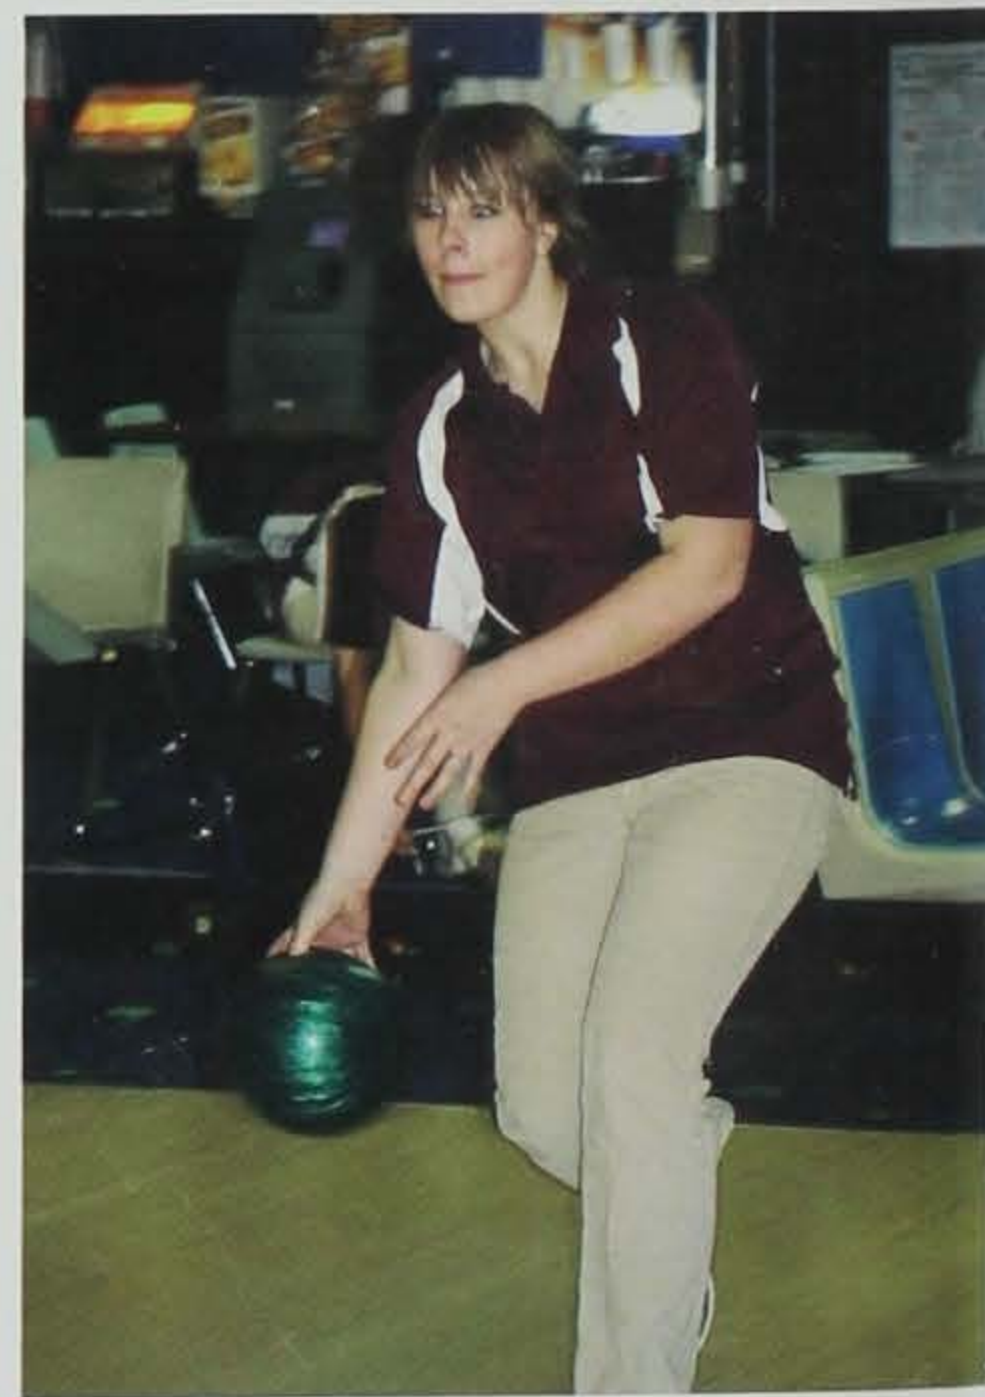

When the season concluded, the team ended up with a record of 4-9, including a 4-4

showing in the conference and a 2nd place finish in the CIML.

The team loses many seniors who have witnessed the transfer from bowling as a club to bowling as a sanctioned sport. They will be missed. Congratulations on another great bowling season.

Golden Highlights

The Highlights reached a whole new level this year. To prepare for State a lot had to be done, and the girls worked for hours each week to reach their Division I rating.

From early in the summer through February, the Highlights had practice on Tuesday's and Wednesday's from 5:45 until

7:30. As the girls practiced they also bonded with activities during practice such as wrapping themselves in saran wrap.

By the end of the season the girls were very close to each other. With their bonding they had also gotten what they had worked for: their Division I rating.

Just like all of the other spring sports, the girls tennis team had to battle the elements as well as their opponents early on in the spring. Once spring warmed up, so did the Hawkettes.

Besides an early season loss to Ames, the Hawkettes took care of most of the competition, including winning 7 of their first 8 matches.

As the season progressed and the competition got more difficult, the Hawkettes were unable to keep the victories coming. Overall, the team ended up with an 8-4 record in their

regular season for 2009. In the CIM they composed a record of 3-2.

At regionals, the Hawkettes had a great start but were unable to get past West Des Moines Valley in the 2nd round of state, losing 5-0. Individually, sophomore **Erica Miller** made it to the state meet. She had some success for her first appearance, winning one match before losing her next two.

There are many seniors that the Hawkettes lose to graduation, but they look to send more individuals and pairs to the state meet next season.

Girls Track

The 2009 version of the Ankeny lawkettes looked to their upperclassmen to lead the way and be successful throughout the season. They did not disappoint.

After starting the season with a few 2nd and 3rd place finishes, the team qualified 3 events for the Drake Relays. Although the team did well at Drake, including a 7th place finish in the 4 X 400, the team improved individual and relay times to qualify 12 events and 21 individuals to the state meet.

Leading the Hawkettes at state was senior **Emily Roberts** who was state

champion in the 400 meter hurdles with a time of 1:00:89. Emily helped the sprint medley team of **Jodi Whitworth**, **Ilyssa McIntosh**, and **Rachel Purdy** to a 2nd place finish at state. Jodi placed 5th in the long jump, while the shuttle hurdle relay team took 10th.

Along with the other team members, the Hawkettes scored 29 points and a 9th place finish at the state meet. It was a great finish to a season that showed how hard work perseverance can lead to a great final meet of the year.

The 2009 Hawkette Soccer team had one goal in mind when they started the 2009 campaign: make it to the state meet. While the Hawkettes had come close in previous years, they had never reached Muscatine to play for a state title. This would change in 2009.

The Hawkettes went through the regular season dominating their competition. With only a few stumbles along the way, the team compiled a record of 17-3, including a 4-1 conference record which made them CIML champs.

As the team entered their post season, they seemed to be playing up

their potential that Coach Allen had seen all season. After defeating Wauke 5-0, the Hawkettes were on their first trip to state.

The team did not waste any time making their first trip memorable. They defeated Pleasant Valley 5-3 that gave the Hawkettes a chance at Cedar Rapids Kennedy. Although the team lost to Kennedy 0-2, the team accomplished many firsts this season. **Megan Fisher** and **MacKenzie Misel** were honored with All-Tournament accolades at state.

The team loses only a handful of seniors, and they are looking forward to returning to state next season. Congrats on a great year.

What did you like most about this season?

Krisha Loney Junior

"My favorite memory of this season was when Coach Allen was shooting on me and Jenny, and as he made his big wind up, he wiped out. The best part was when he got up because he had a giant stain on him."

Morgan Gray Junior

"I love it when Carpender talks to the refs before the game and acts like we know nothing about soccer."

Baseball

This year's 2008 baseball team did very well this season. They were 30-0 and ended with a 6th place ranking in the final state rankings. The team ended up second in the CIML conference standings. In the Sub state seedings Ankeny placed first. Many of the team members received all-conference, all-district, and all-state honors.

A few school records were also broken this season. Senior **Daniel**

Behmer pitched a perfect game, beating Indianola 10-0. The team's batting average was an unbelievable .364 this season.

The team worked their way through the regular season and sub-state pairings before finally falling to the eventual state champs. It will be difficult to replace the senior leadership from the 2008 season, but next year's team looks to build on the great success Coach Hey and the Hawks experienced.

The tradition continues... the Ankeny Hawks make it to the Dome! With all the starting seniors that left the team last year, it was unsure how players would step up into leadership roles. Winning eleven games and only losing two showed there wasn't a gap at all.

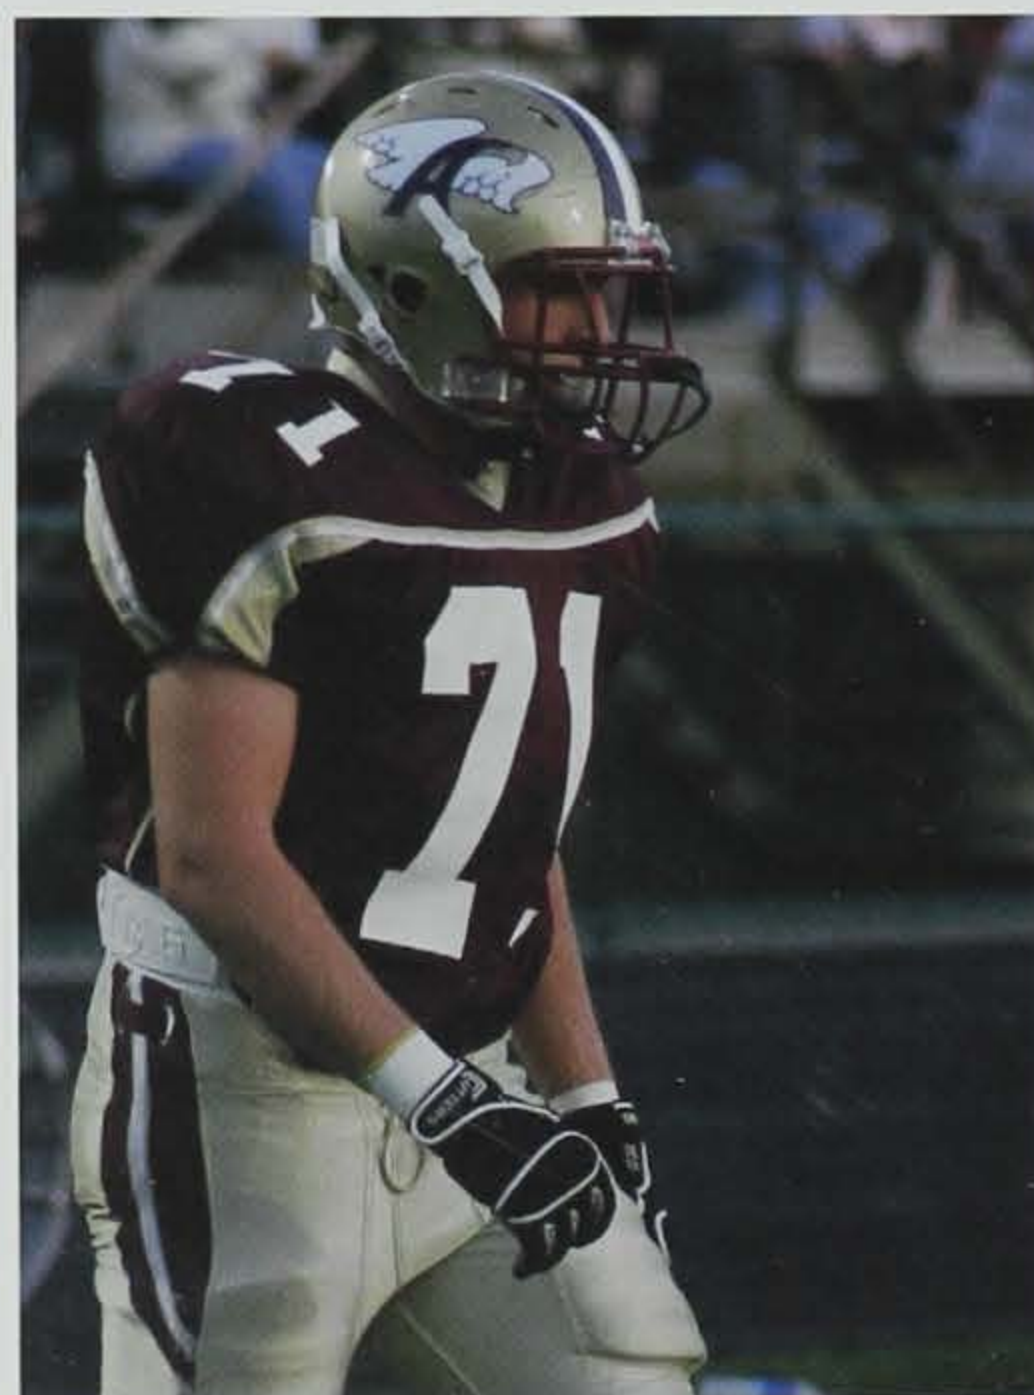

The Hawks started off the season with 4 wins in a row before losing to Dowling Catholic. Then they stepped it back up winning 4 more games in the regular season.

The Hawks made it to the playoffs and easily took down Sioux City

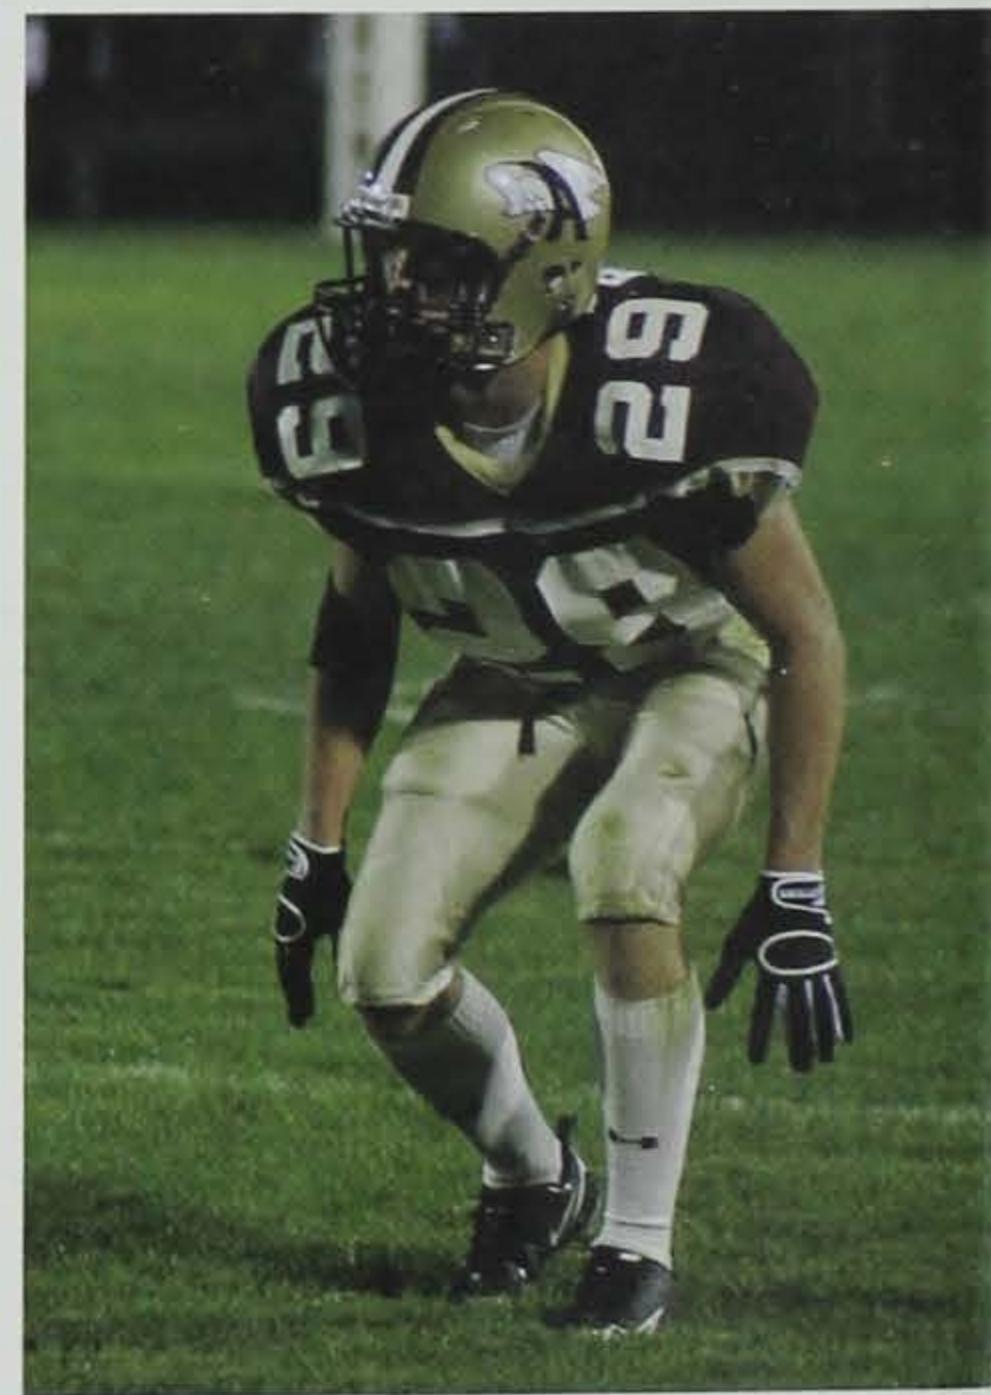

North and Waukee. They then took down the Little Cyclones of Ames in the freezing cold weather. Beating Ames took the Hawks to the Dome against undefeated Valley. Although Valley prevailed in the end, the Hawks left everything on the field.

It was a very good season for the Hawks! All of the hard work throughout the summer and year really paid off. From 2 a days to morning practices to just a normal hard practice after school. With all of this hard work, 11 of the Ankeny Hawk players got recognized for their outstanding work throughout the season!

This cross country season proved to be just as successful as the past years have been. Not only did some Ankeny cross country boys go to state, but many records were also broken, including school and personal records. **Joe Murphy** brought in the best time at state, coming in 20th, followed by **Dan McCoy** who finished 36th.

Other Ankeny runners who qualified for state include **Charlie Patterson**, **Dustin Chase**, **Ryan Kloberdanz**, **Ryne Murphy** and **Chris Schreck**.

Awards were given out to cross country boys as well. **Joe Murphy** received the Varsity Most Valuable runner award, and freshman **Ryne Murphy** received the Varsity Most Improved Runner Award. The Honorary

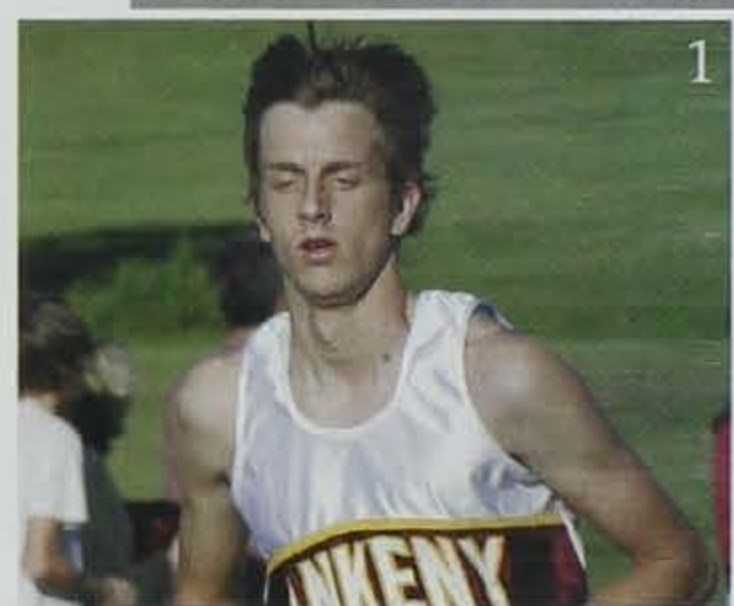

team captain was **Joe Murphy**, and the most team effort awards went to **Zach Schuster**, **Ryan Kloberdanz**, and **Ben Robinson**. The 5K Champion was **Ryan Kloberdanz**. The teammates who showed the most Hawk spirit were **Shawn Wells**, and **Matt Sandvold**.

Many juniors lettered this season, including **Dustin Chase**, **Andrew Hyler**, **Ryan Kloberdanz**, **Matt Loney**, **Charlie Patterson**, and **Logan Wells**.

They lifted weights in the mornings from 6:00 A.M. through 7:30 A.M. and swam after school from 3:30 P.M. through 6:00 P.M. Their hard work paid off in the end winning them six first places along with six second places.

As they worked they also bonded bringing work together with play

really helped them get through the season. The teammates really bonded together to form a team. The team really came together and finished 2nd both at the CIML meet and at districts. At the state meet, they placed 12th overall.

There were a number of seniors on the squad that will be missed. It will be up to the returning juniors and sophomores to keep such a strong tradition of hard work and success going.

Boys Golf

The Ankeny Hawk Golf team finished another great season ending with a 4th place finish at districts. They started off the season slow with a 7th place finish at the CIML in Veenker, but showed progress throughout the entire season.

The Hawks won duel meets against Indianola, Dowling, and Southeast Polk, throughout the season, but lost to Johnston and

Urbandale. In many of the invitational, they placed in the top 5.

With an overall record of 43 wins and 27 losses, the Hawks had a good season. With Hawks like senior **Kevin Newman**, junior **Matt Kristensen**, and sophomore **Carter Trewet** leading the way for their fellow golfers, who could expect less? Way to go Golfers!

Also seniors **Dirk Lindaman** and **Austin Wiser** helped lead the team to victory. Dirk held the title of best 3 point shooter and honorary captain, while Austin was named best shooter overall.

Along with the seniors there were a lot of younger classmen helping the team to victory. **Bryce Manning** and **Trevor Egli** were named most improved. **Grant Lang** was awarded best free throw shooter with 78.6% of his free throws made. **Cory Myers** was one of the two best defensive players along with **Grant Lang**.

Wrestling

Congratulations to the Hawk wrestlers finishing up their season with a 20-6 record. They started their season with many tough practices. They practiced several mornings and every day after school. The Hawk Wrestlers also had tournaments almost every Saturday morning.

The year was full of surprises and different victories throughout the year. Team captain **Joe Rasmussen** said, "It was a really good year over all and it was fun being around my team all the time. I also ended on a good note, but I am go-

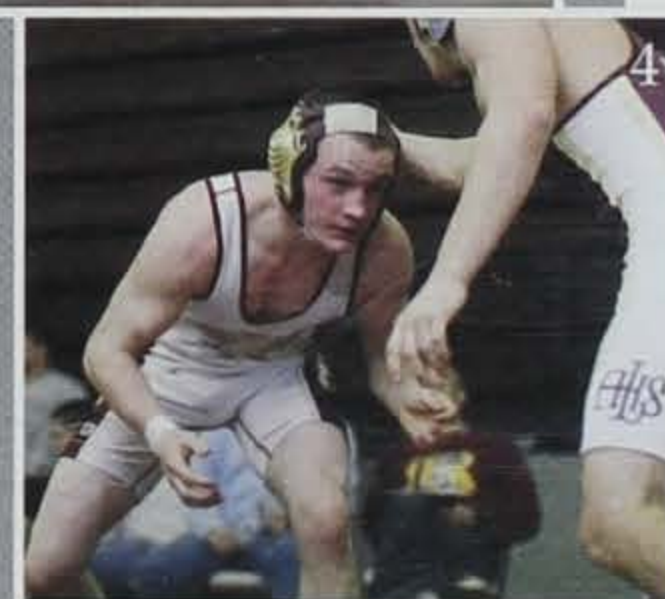

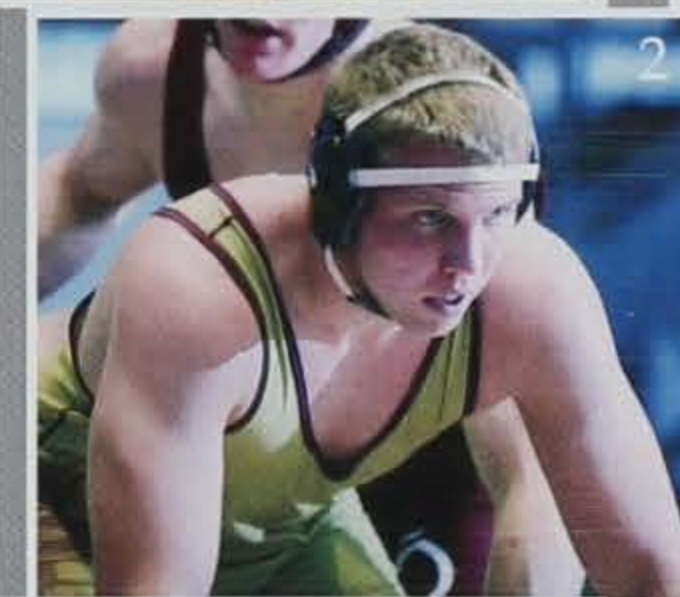

ing to miss all of the wrestlers and Coach Ewing."

After the season was over, the Hawks kept moving onto the State Championship. Junior **Matt Fontana** at 125, senior **Joe Rasmussen** at 171, and **Taylor Aukes** at 285 made it to the State Championship in Des Moines, Iowa.

After the season was over there were different awards given to the wrestlers. Mr. Takedown was given to **Joe Rasmussen** and Mr. Pin to **Seth Clark**. The Hawks should be proud of their success and congratulations on a great season.

This year's team has proven that hard work and determination does pay off. Going into the 2009 season the Hawks knew they had several experienced players coming back and that they would have a good team. Even though the expectations were high, the team did not coast. They made sure their hard work reflected their potential.

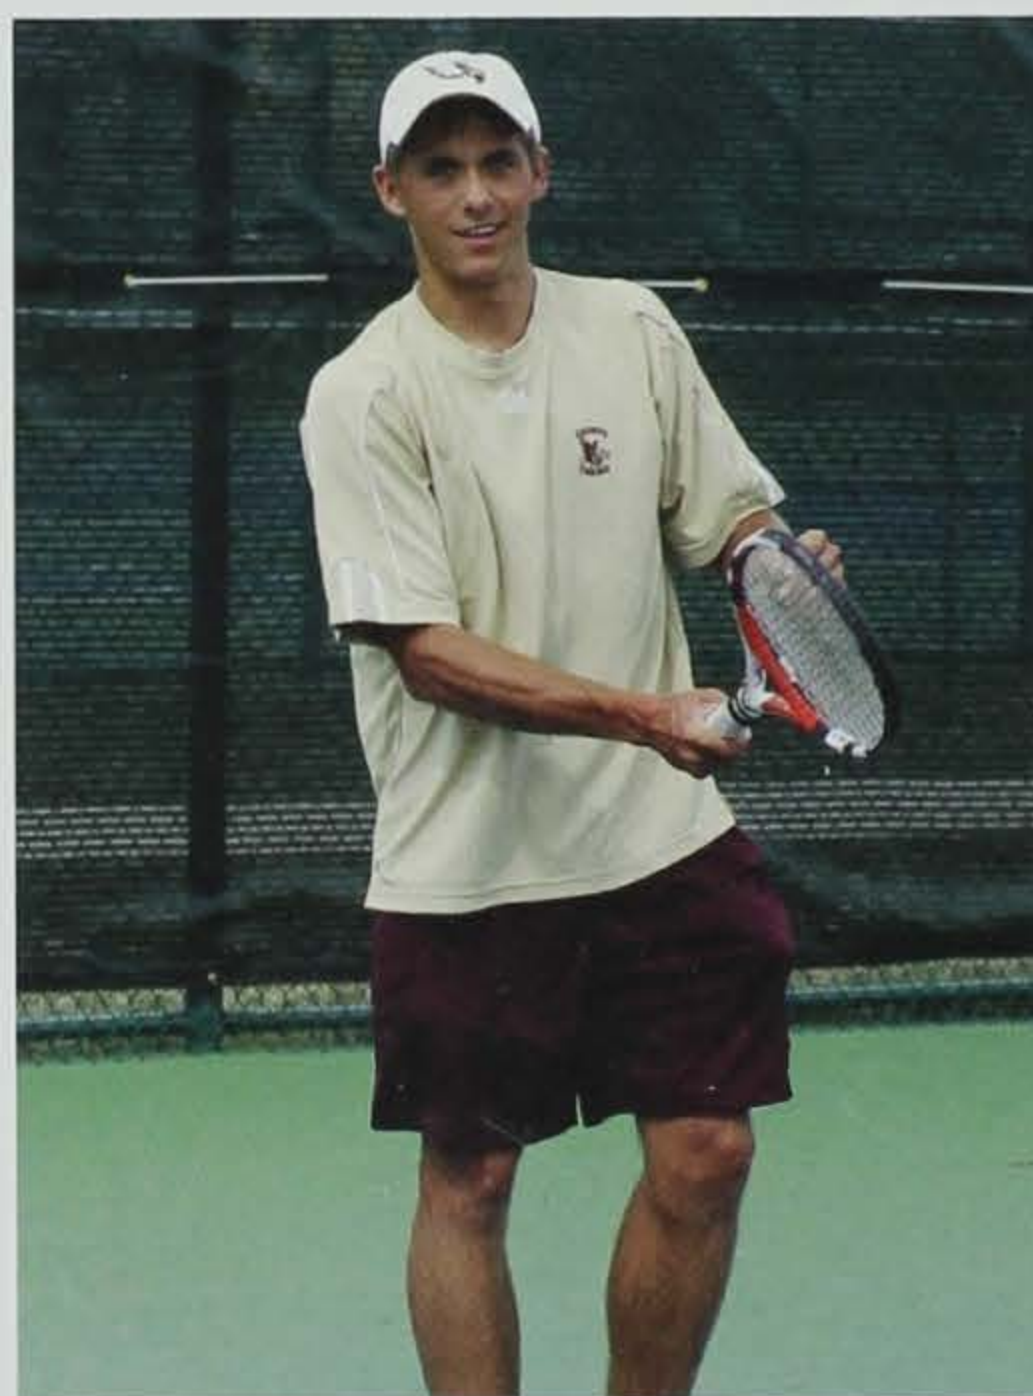

During the regular season the Hawks were able to go undefeated, only the third time in the history of Ankeny tennis. The team also won the Johnston Invitational, the Mason City Invitational, and were Conference Champions for the third year in

a row.

After winning their district, it seemed like nothing could stop the Hawks. However, they were once again we were denied a chance at going to state, but put up a great battle and was within one match from achieving this goal. This team and group of seniors will go down as one of most successful in the history of Ankeny tennis.

Seniors **Curtis Newman** and **Austin Wiser** again qualified to go to state in doubles and placed third, which is the highest finish by any doubles team in the history of Ankeny tennis. Way to go Hawks!

What are some great things about track?

Sean Manning
Junior

"The funniest part about track this year was when I faked getting hit by a discus to scare the crap out of Hanse."

Tim McGrath
Junior

"I love to hurdle. Track helps me run a lot, and it also helps me to be skinnier. But, it does not help my tan; I still burn."

Boys Track

According to Junior **Tyler Leo**, this year's track team underwent a rebuilding year. However, if one looks at the season results and the qualifiers for Drake and State, rebuilding might not be the correct term.

Throughout the season, the team continued to get better, stronger, and faster. 5 times the team placed 3rd or higher, including a great performance at SE Polk for the CIML Conference meet in which the team placed 2nd overall. The team also qualified 8 events for the Drake Relays.

The team kept improving through

the district meet, qualifying 9 events/relays to the state meet. Senior **Jared Goforth** helped lead the shuttle hurdle relay to a 3rd place finish at state. Senior **Joe Murphy** helped the 4 X 400 relay place 3rd as well. Senior **Dan McCoy** helped cap a great running career with a 10th place finish in the 4 X 800. Every other individual that ran a relay or competed individually at the state meet will return next year. The JV team also had many individuals compete well and look to fill the void left by the talented senior class. Congrats on a great seasons.

2. Senior **Luke Belzer** tries for a PR in the 1600.

Boys Soccer

1. Senior Brett Stiles takes the ball down field.

2. Senior Dan Turner blocks the ball.

3. Junior Joe Smender takes a breather while in the goalie box.

4. Junior Andrew Goodrich dribbles the ball to score a goal.

The 2009 version of the Boys Soccer team experienced success at all levels. The 9th grade team finished with a record of 6-4-1. The JV team had a final tally of 10-1-1. The Varsity team continued their long standing tradition of success and state tournament appearances. At season's end, they were 18-3.

Early on in the season, the team faced several challenges and teams that were ranked in the state. However, these early tests proved to fans and opponents that the Hawks were

a force, especially after beating Valley 2-0 on Ankeny's home turf.

After breezing through the regular season and winning their 2nd CIML title in 3 years, the team once again found themselves playing Valley. Once again, they were victorious and ended up in the state tournament.

After winning their first game, the Hawks were upset by Ames and ended up 4th in the state. The team had a great 2009 and look to build upon their fantastic season in 2010.
