87-9 Moved by Steve Driscoll, seconded by Robert Niermeyer to approve #1664 Robert, John & Dan Broulik - 180 acres as a new cooperator. Motion carried unanimously.

87-10 District Conservationist Hoeft reviewed a Conservation Plan developed for Robert Niermeyer. Moved by Millie Zenishek, seconded by Steve Driscoll, to approve the Plan. Motion carried unanimously.

The Annual Short Course held in Ames on January 20 and 21 was announced. Commissioner Zenishek is considering going.

DC Hoeft announced that Tom and Pam Spear of Tipton was the Iowa Forage & Grassland Council State Winner. A feature article will be in the next newsletter.

DC Hoeft reported on the request from Jerry Passer with WMT Radio asking for several farmers doing a good job with soil conservation to describe these individuals for 30 seconds of a "Monsanto Minute" (Monsanto is advertising 3 times per day from January 12 to April 4 Monday-Friday a 30 second commercial and a 30 second program made up by Passer.) Farmers suggested were: Richard Zenishek, Terry Kroemer and Mike Jack.

DC Hoeft announced Crop Clinics to be held January 6 at Durant and January 8 at West Branch in cooperation with the Extension Service. It will start at 9:45 a.m. Some topics to be covered are: conservation requirements, herbicides, new products, 87 recommendations, fertilizer, economics, etc.

It was decided to follow the regular format when publishing the Annual Report in conjunction with the Tipton Conservative again this year.

Paul Viner, Soil Conservationist, was introduced. Paul reviewed his experience with S.C.S. as Soil Scientist at Carroll and Greene County; and moved to Muscatine in 1980 and mapped Muscatine and Scott County. Now he is switching to a Soil Conservationist. He works in Muscatine SCS two weeks and Tipton 2 weeks for the 2nd quarter of our fiscal year. He is developing Iowa 2000 folders and is planning to deliver them this summer.

The Eastern Iowa Conservation Tillage Show will be held January 27 and 28, in Cedar Rapids Five Seasons Center. Cedar County is scheduled to work in the Registration Booth from 2:30 to 4:30 January 28. Commissioner Zenishek volunteered to work. Terry Kroemer will be speaking at the show on January 27.

Youth Leadership Camp dates were announced to be held July 13-16, 1987.

A letter thanking the District for participating at the session on Newsletters at the Annual Conference was read. Commissioner Niermeyer presented the display and program.

The 1987 Essay Contest rules, due date, and theme was announced. This year's theme is "Soil & Water -- Key To Our Future" and is due May 30.

The advertising fee from Brehmer Excavating for the past two years has still not been paid. He now owes \$285. If the District does not hear from him by the next meeting Randall Shaul will contact him.

87-11 Moved by Robert Niermeyer, seconded by Steve Driscoll, to set up a Special Commissioners Meeting to vote on several cost-share payments and applications to be approved will be held Monday, January 26. Motion carried unanimously. The meeting will begin at 1:00 p.m.

All regular meetings will continue to be held on the fourth Tuesday of the month.

DC Hoeft reviewed the meeting he had with the Board of Supervisors and discussed the County Farm. The Supervisors want the County Farm contoured or farmed across the slope and have at least 20% residue cover.

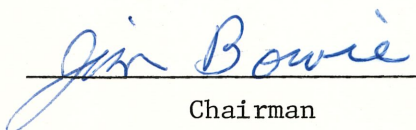

87-12 Moved by Robert Niermeyer, seconded by Millie Zenishek, to nominate Randall Shaul to tentatively approve Conservation Plans in regard to the 1985 Farm Bill (sodbuster, swampbuster, conservation compliance). So money is not held up from farmers by A.S.C.S. Motion carried unanimously.

The Commissioners met with Bill Conner, Cedar County Engineer. There was some concern expressed on cleaning the same ditches and possibly a long-term solution should be found. The Engineer thought if feasible to identify critical areas for ditch cleaning and compile a list to give to Kurt and Commissioners to review and possibly work with farmers in that area for long-term solutions such as terracing by using dirt from the ditch.

DC Hoeft reported the Conservation Club (formerly the No-Till Club) will meet at 7:15 p.m. January 15, 1987. Program will include 1985 Farm Bill and Kroemer & Zenishek No-Till Systems.

87-13 Moved by Robert Niermeyer, seconded by Steve Driscoll, to adjourn. Motion carried unanimously. Meeting adjourned at 3:00 p.m.

Approved,

Chairman

87-85 N.A.C.D. 1987 national dues were discussed. Moved by Robert Niermeyer, seconded by Millie Zenishek, to pay \$100 towards the 1987 dues. Motion carried unanimously.

87-86 Moved by Millicent Zenishek, seconded by Robert Niermeyer, to approve the following New Cooperators. Motion carried unanimously.

#1676 - Rudolph E. Hornacek - 160 acres

#1677 - Elmer C. Deatsch - 172 acres

The following are cooperator adjustments #1567 Donohoe Ltd. subtract 80 acres and #1664 R,J,&D Broulik add 120 acres; cancellations are #1568 John P. Donohoe 80 acres and #1559 David Hubler 120 acres.

87-87 Cost-share application #6(86-87)Robert Broulik terraces was cancelled due to expiration of starting date. Moved by Robert Niermeyer, seconded by Millicent Zenishek, to approve cost-share application #26(86-87)Robert Broulik for 60% cost-share for summer construction incentive program to install 4,750 linear feet of terraces estimated cost \$12,060 to be started by August 15 and completed by October 1. Motion carried unanimously.

D.C. Hoeft reviewed the following conservation plan recently developed for Janet Secor Kvach and Howard Deatsch.

At this time Jim Bowie entered the meeting and took over Chairmanship.

D.C. Hoeft discussed current Conservation Reserve Program sign-up to be fairly slow but some interest.

D.C. Hoeft reviewed State SCS Bulletin regarding misconception of conservation tillage causing ground water quality problems.

1990 Food Security Act and no-till was discussed. The regular no-till contest was discussed with possible changes for more initiative for farmers to no-till. Also 1990 FSA may allow farmers to use present rotation but require mandatory no-till on steeper slopes.

D.C. Hoeft read memorandum of understanding with USDA Soil Conservation Service and Cedar Soil & Water Conservation District and board reviewed.

Annual Plan of Work committees were reviewed and designated for 1988 APW.

Farm display is being used by Buchanan SWCD July 19-27; Johnson SWCD July 27-31; Clayton SWCD August 5-11; and Muscatine SWCD August 12-15. We also are needing a place to store displays when not in use.

The Pioneer newsletter ad was discussed. There has been some concern expressed by two seed dealers that ad is placed upside down. Chairman Bowie drafted a letter that will be sent to the concerned seed dealers.

D.C. Hoeft reported on Harold Tucker multiflora rose control chemical bills that were rejected by board at previous meeting. Only one rose was found in pasture that bills were certified that chemicals were used on.

No response from Supervisors on request for funds for computer. However, a letter of thanks will be sent to Sheriff's office and Supervisors for copy machine donated to District. It has already proven to be very useful.

W. A. E. Edwin Andrews may become temporary full-time Soil Conservationist. Ed has contributed very well to the office staff already.

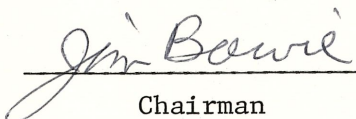

S.C.S. is getting a lot of money so may be able to give funds to Division to hire additional part-time help.

D.C. Hoeft reported Paul Viner completed soil monoliths for local school Vo-Ag departments.

Commissioner Millicent Zenishek suggested writing a feature article on Ed Decker for no-till promotion in upcoming newsletter.

87-88 Moved by Randall Shaul, seconded by Robert Niermeyer, to adjourn. Motion carried unanimously. Meeting adjourned at 9:30 p.m.

87-92 Moved by Robert Niermeyer, seconded by Steve Driscoll, to approve new cooperator #1678 - Hawkeye Bank & Trust of Des Moines - 254 acres. Motion carried unanimously.

87-93 Moved by Robert Niermeyer, seconded by Steve Driscoll, to approve a Conservation Plan for William Driscoll for a proposed sodbuster site. Motion carried unanimously.

87-94 Moved by Steve Driscoll, seconded by Robert Niermeyer, to approve Conservation Reserve Program Plan for Dale Johnston. Motion carried unanimously.

The following Conservation Plans were reviewed: Bob Suchomel, Elmer Deatsch, Donald Wilson and Everett Lehrman.

DC Hoeft reviewed the latest Conservation Reserve Program sign-up - approximately 650 acres from 15 bids. Next sign-up will be held February 1-19, 1988.

Fall Regional Meeting will be held Wednesday, September 2, 1987, at 6:30 p.m. at the Holiday Inn at Amana off I-80. Please make reservations with clerk.

DC Hoeft discussed Annual Plan of Work and included the following: No-till Club, Crop Clinics, No-till Yield Contest, No-till Cost-share, Newsletter, Interseeder, Tree Sales, Education Committee, Poster Contest, Awards Banquet, Tillage Show, Green Ash to 3rd Graders Project, Iowa 2000 and Eastern Iowa Hay Producers Association. It was suggested to let the No-till Club handle the No-till Yield Contest and the Education Committee take care of the Poster Contest.

DC Hoeft announced the ACP Cost-Share Meeting with ASCS County Committee will be held Thursday, September 17. Commissioners are encouraged to attend. Commissioner Shaull suggested higher priority to be put on contour and strip-cropping.

Placemat project was discussed. Letters were sent out offering free placemats for local restaurants in recognition of Soil & Water Stewardship Week - September 13-19. 1,860 placemats have been requested - only 1,000 on hand. It was decided to use the placemats on hand, and send a letter of regret along with explaining high demand and possibly obtaining more next year if this project is a success. Restaurants participating in project include: Big 10 Cafe, Lowden; Happy Joe's, Tipton; Whiteway Restaurant, Durant; Cedar County Senior Citizens, Tipton; Le-Hi's, Clarence; and Doc & Jo's, Mechanicsville.

Staff report was held. The following was reviewed and discussed: upcoming newsletter - articles; Ed Andrews - full-time Soil Conservationist, construction update - Raie Reeves will be completed around October 1, Broulik terraces are being finished (summer construction 60%), Alberta Read structure being finalized, and Vince Moore grade stabilization structure completed; N.A.C.D. partial payment "thank you" was read, and Second RCA Appraisal was reviewed.

87-95 Soil & Water Conservation District and Food Security Act (1985 Farm Bill) Cooperative Agreement was discussed. The agreement entails to assist Districts with implementing Food Security Act. The proposal is for S.C.S. to provide S.W.C.D.'s with funds (\$15,000) to hire help to do FSA work (highly erodible land determinations and write conservation plans). With these funds District pays for technical assistance for one year, liability insurance, overhead costs, unemployment compensation and administrative costs. Person(s) hired makes a daily schedule and is paid on a hourly wage basis. Moved by Robert Niermeyer, seconded by Randall Shaull, to adopt this agreement. Motion carried unanimously. Cooperative Agreement signed by Chairman Bowie.

DC Hoeft reviewed with Board the 1985 FSA Technical Guide - Resource Management Systems Standards. There were some changes regarding FSA respect: "A", "B", and "C" slopes (class I-IV land) must be planned to T for 1990; "D" and some "C" slopes must be no-till continuous corn or equivalent to; and land class VI (163E3, 163F, 65E) must be pasture or hayland.

87-96 A soil loss complaint letter was read from Lloyd Schlitzer of section 22 in Springfield Township. It was reported sediment damage to pond and property from adjacent field. Moved by Robert Niermeyer, seconded by Steve Driscoll, to view the soil loss site on Tuesday, September 1 at 6:30 p.m. Anyone wanting to share rides should meet at the S.C.S. office by 6:00. A letter was also written to S.C.S. from Cedar S.W.C.D. requesting technical assistance in determining soil loss rate and alternatives to correct problem from DC. Motion carried unanimously.

87-97 Moved by Randall Shaul, seconded by Steve Driscoll, to adjourn.
Motion carried unanimously. Meeting adjourned at 10:00 p.m.

TIPTON STATE BANK CHECKING ACCOUNT BALANCE \$4,007.01

87-101 Moved by Robert Niermeyer, seconded by Steve Driscoll, to approve cost-share payment #26(86-87)R,J&D Broulik for 1,200 linear feet of (600) terraces and five (638) water & sediment control basins. Actual cost \$8,582.77, estimated cost \$12,060. Payment will be 60% (summer construction incentive) of Actual Cost = \$5,149.66. Twelve acres were benefited. Before soil loss = 11 tons/acre/year; after soil loss = 5 tons/acre/year.

Leroy Proesch attended the meeting to discuss a soil loss complaint of silt deposit from his land to a pond on the Lloyd Schlitzer farm. D.C. Kurt Hoeft reviewed the soil map and field observation. Cropping alternatives for field #4, to limit soil loss, were reviewed. See attached alternatives sheet. Mr. Proesch reported there was a problem to his land from outflow water coming out of the pond. Putting the land in the 10-year Conservation Reserve Program was suggested. Mr. Proesch reported returns of \$85 per acre would incur a loss for him under the present situation. The intent and action that can be expected under the law was explained by Commissioners. Leroy stated that he understood the soil loss law and regulations. Chairman Bowie stated the intent of the meeting was informational to discuss alternatives. The alternatives will be reviewed later with Mr. Proesch once the corn crop is harvested to determine the areas needing to be seeded down. Mr. Proesch agreed to complete no fall tillage on the area this fall.

87-102 Moved by Randall Shaul, seconded by Millie Zenishek, to approve cost-share application #27(86-87)Donald Schlapkohl for 700 linear feet of terraces. Estimated cost \$1,100. Motion carried unanimously.

87-103 Moved by Robert Niermeyer, seconded by Millie Zenishek, to amend the starting date of cost-share application #14(86-87)Estate of Esther Nebergall by Betty Anderson to December 31, 1987. Completion date will remain the same. Motion carried unanimously.

87-104 Moved by Robert Niermeyer, seconded by Millie Zenishek, to approve the LTA (long term agreement) plan for Rudolph Hornacek %Hertz Farm Management. Motion carried unanimously.

D.C. Hoeft reviewed the following Conservation Plans with the Board: Harold White, Orland Huey, Jim Petersen, Norton/Sedlitz, Robert Wiedenhoff, Randall Sander, Wallace Obermeier, Robert Suchomel, Morris Walker and Janet Allbee.

87-105 Moved by Millie Zenishek, seconded by Randall Shaul, to approve the revision on the Mae Reeder (op-Larry Streets) Conservation Plan to include an extra year of corn on the long term rotation. Motion carried unanimously.

87-106 Discussion was held on "Cooperative Agreement" in hiring a part-time employee to write farm plans. Approximately 210 days of employment. The following recommendations were made to utilize the \$14,950 federal grant (\$12,000 account; \$3,000 benefits): initiate November 1; establish a separate account, sublet accounting functions, wage rate \$7 per hour. Moved by Robert Niermeyer, seconded by Millie Zenishek, to contact an accounting service to do record keeping on the employee benefits and wages. Motion carried unanimously.

Environmental Education Committee will meet Wednesday, September 23, at 4:00 p.m. Agenda was announced.

Fall Regional Meeting was held September 2 was discussed. Commissioners Steve Driscoll and Richard and Millie Zenishek attended.

ACP cost-share meeting was held September 10. D.C. Hoeft attended. No new recommendations were made to change cost-share funding.

87-107 Moved by Robert Niermeyer, seconded by Millie Zenishek, to nominate Donald Walter for Izaak Walton League Windbreak Award. Motion carried unanimously.

Meeting for Iowa Cedar and Northeast Iowa Conservancy Districts are scheduled for November.

District Tree Sales campaign will continue for Fiscal Year 1988.

A form letter to inform landusers with highly erodible land of the requirements of the 1985 Food Security Act was signed by D.C. Hoeft and Chairman Bowie.

A soil judging contest will be held Tuesday, September 29, during the morning on Don Rathjen's farm south of Tipton. Three schools are to participate.

Iowa Association of Soil Conservation Districts Iowa Native Grass Program was reviewed.

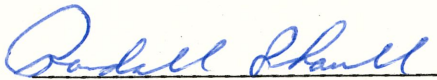

A place to store 3x4' farm displays is needed. Ken Muller indicated they could be stored in 4-H building at Fairgrounds.

1st Annual Trade Show in to be held in conjunction with Annual Conference was reviewed.

Forestry Field Day will be held during the afternoon of Thursday, October 8, at Wildcat Den State Park in Muscatine County.

Ken Bruene, Field Representative

Ken Bruene, Field Representative with the Division of Soil Conservation, attended the meeting and discussed the Schlitzer vs. Proesch Soil Loss Complaint.

Bruene reviewed the site and agreed that there is a problem with excessive soil loss.

The following highlights were reviewed and discussed with the Board:

- meet with Leroy Proesch one more time to see if a voluntary solution could be agreed on.
- if no voluntary action is agreed to an Administrative Order should be issued.
- suggest to take photographs, take accurate minutes, and document everything in regard to complaint.

It was decided to meet with Proesch on Tuesday, November 17, 1987, at 8:00 p.m. at the regular commissioners meeting. Ken Bruene will also attend.

Cost-share application #9(86-87)Larry Glick for 550 linear feet of terraces was cancelled by cooperator.

87-123 Moved by Randall Shaul, seconded by Robert Niermeyer, to approve the following conservation plans: Randy Mathias and Alan Schneider. Motion carried unanimously.

At this time Leroy and Karen Proesch entered the meeting, in response to Schlitzer sediment damage complaint. Commissioners reviewed soil loss law and discussed alternatives to control erosion to allowable limits. Ken Bruene explained Commissioners role in carrying out Iowa Soil Loss Complaint Law. The Proesch's indicated they would seed down 66 feet along the Schlitzer property and headlands. Commissioners agreed that this would be adequate to treat the area next to the pond, but approximately 200 feet up hill from this area would need to be no-tilled. The rest of the area could be chiseled. Also approximately 150 feet of waterway would be needed. The Proesch's appeared receptive to this alternative and requested until next Commissioners Meeting to make up their mind. Commissioners agreed to this date. S.C.S. staff will stake the areas of headlands and no-till on December 1, 1987, at 9:00 a.m.

Commissioners reviewed Annual Conference Resolutions and signed proxy votes for Millie and Richard Zenishek.

Environmental Education Committee will meet Wednesday, November 18, 1987, at 4:00 to complete Resource Packets.

87-124 Moved by Robert Niermeyer, seconded by Millicent Zenishek, to nominate Steve Driscoll, as a delegate on the Northeast Iowa and Iowa-Cedar River Water Resource District. Motion carried unanimously.

A Water Quality Meeting will be held November 21 at Elkader to tour and discuss Big Spring Basin Water Quality Project.

DC Hoeft discussed new alternative systems for 1985 Food Security Act. He indicated rules have changed to allow 7 tons/acre/year regardless of soil type. Steeper slopes will be allowed to have continuous corn rotation with no-till and minimum tillage. FSA information meetings coming up will be held Thursday, August 4, 9:45 a.m., Cedar County Courthouse basement. Some evening meetings are being planned. It was indicated less time was needed when farmer came in for one-

on-one planning appointment when they attended information meeting.

Ten-year Conservation Reserve Program sign-up was ~~extended~~ extended to August 31.

Schlitzer vs. Proesch soil loss complaint was discussed. Commissioners Bowie and Shaul and DC Hoeft viewed the site July 5, 1988. Observations were: no waterways, no contouring - with some rows going up and down hill, some end rows going up and down hill, there is a 66' around edge of field but seeding did not catch. Chairman Bowie contacted Field Representative Ken Bruene in regard to the complaint indicating Proesch did not do the agreed to items. Bruene suggested to terminate the District's involvement with the complaint and turn it over to an Administrative Order if the Schlitzer party pursues the matter.

88-96 Moved by Randall Shaul, seconded by Millie Zenishek to send a return-receipt letter to the Proesch's outlining: 1)What the current situation is concerning the contouring, waterways, field border seeding and next spring tillage alternatives. 2)Review what the Proesch's had agreed to do in their letter dated December 31, 1987. 3)If the District receives any further complaints from the Schlitzer's, the matter will be turned over to the court of law to file an administrative order to complete the needed items immediately. Motion carried unanimously.

Commissioners Millie and Richard Zenishek reported on the Annual Conference activities held in Des Moines November 28 and 29. Resolutions were reviewed. Cedar County was not listed in financial report. The SWCD should be marketed to the public to make people aware of District activities. Suggestions were listed by Zenishek. Richard Zenishek reported on workshops he attended.

Education committee meeting was held November 14; attendance was low. Schedule and agenda may be altered in the future to keep teachers involved.

A display on SCS was done at the Grant Wood AEA teachers in-service training held in Tipton November 3.

Tree sales forms is being prepared to start publicity for 1989 sales. Prices and sizes by species were reviewed.

Fall tillage done on a past soil loss complaint site was discussed by Commissioners. Inappropriate soil protection practices appear to have been done on the site to comply with agreed actions to solve the complaint. The site on the Leroy Proesch farm will be visited by Commissioners to assess the situation. Date of the visit will be December 5, 1988; Commissioners will meet at SCS at 9:00 and car-pool to site.

88-140 Moved by Robert Niermeyer, seconded by Millicent Zenishek, to make a farm visit to the Proesch property on December 5, 1988.

Present cost-share rules were reviewed. A request was made by the DC to suggest changes or policies to make the best use of cost-share funds. Current policies will be followed.

Farms doing good conservation practices will be highlighted if they can be identified.

Newsletter will be published in December.

December Commissioners Meeting will be held December 5, 1988, at 9:00 a.m. January meeting must be held first working day for new commissioner oath of office, Tuesday, January 3, 1988.

DC Hoeft reported on construction projects underway in the county.

Discussion was held on contest yields for the SWCD no-till contest. It was decided to use the county measured yield rather than that the State Master Contest re-measure yield for the George Driscoll plot.

Correspondence was read.

88-141 Moved by Millicent Zenishek, seconded by Steve Driscoll, to adjourn. Motion carried unanimously. Meeting adjourned at 9:15 p.m.

Approved,

CEDAR SOIL & WATER CONSERVATION
DISTRICT COMMISSIONERS MEETING

The Cedar Soil and Water Conservation District Commissioners met Monday, December 5, 1988, at the Soil Conservation Service office in Tipton. The Commissioners met at the Leroy Proesch farm to view the soil loss complaint site. Jim Bowie called the meeting to order at 9:20 a.m. Present were:

COMMISSIONERS

Jim Bowie, Chairman
Randall Shaul
Robert Niermeyer
Millicent Zenishek
Richard Zenishek

STAFF

Kurt Hoeft, D.C.
Edwin Andrews, S.C.

The Commissioners reviewed the progress concerning the soil loss complaint filed against Leroy Proesch. The findings of those present at the soil loss site are:

- 1) The drainage area above the pond had no fall tillage completed.
- 2) A 66-foot wide grass strip was left along the fence line where needed.
- 3) The area from the pond north was fall chiseled up and down the slope. It was estimated that there is 25% residue cover on the surface at this time.
- 4) No waterways have been seeded.

Shaul took over Chairmanship at this time.

88-142 Moved by Jim Bowie, seconded by Robert Niermeyer, to contact the Division of Soil Conservation to issue an administrative order to complete all items of non-compliance on the soil loss complaint as stated above and that were spelled out in our July 26, 1988, letter to Leroy & Karen Proesch. Motion carried unanimously.

88-143 Moved by Robert Niermeyer, seconded by Jim Bowie, to approve payment of cost-share application no. 4(88-89) for 1,750 linear feet of terraces. Estimated cost \$10,800; actual cost \$9,429.80; payment to equal 50% of actual cost = \$4,714.90. Eighteen acres were benefited. Before soil loss was 9 tons/acre/year; after soil loss = 4 tons/acre/year. Motion carried unanimously.

88-144 Moved by Robert Niermeyer, seconded by Millicent Zenishek, to approve the sodbuster plan for HAROLD SPENCER. Motion carried unanimously.

The next Commissioners Meeting will be held Tuesday, January 3, 1989, for their organizational meeting.

88-145 Moved by Millicent Zenishek, seconded by Robert Niermeyer, to adjourn. Motion carried unanimously.

Approved,

CHAIRMAN

Field Representative Ken Bruene, with the Division of Soil Conservation, reviewed the status and necessary procedure of follow-up on the soil complaint with Leroy & Karen Proesch. Comment were made on the content of the Administrative Order to be issued to Proesch's. DC Hoeft reviewed field options possible on the site.

89-20 Moved by Randall Shaul, seconded by Millicent Zenishek, to require a April 1, 1989, deadline on the Administrative Order, to initiate a decision from the Proesch's on solving the complaint. Motion carried unanimously.

89-21 Moved by Millicent Zenishek, seconded by Richard Kreinbring, to allow the Proesch's until June 1, 1989, to establish the field practices to reduce erosion and further sediment damage to the Schlitzer's property from Proesch's soil loss.

89-22 Moved by Millicent Zenishek, seconded by Randall Shaul, to approve the following erosion control alternatives to present along with the Administrative Order to Leroy & Karen Proesch. Motion carried unanimously.

EROSION CONTROL ALTERNATIVES

kfh

FIELD #2-1

Rotations based on field in corn in 1988 and fall chiseled.

Key to symbols: O = oats
M = grass-legume; hay is 50% grass
C = corn

ALTERNATIVES

1. Rotation: O-M-M-M-M-C; meadow is spring tilled to leave at least 20% residue ground cover after planting, corn stalks are fall tilled to leave at least 40% residue cover after planting. Oats will be planted in the spring of 1989. Grassed waterways will be established with a minimum width of 30 feet.
2. Rotation: O-M-M-M-M-M-C; meadow is spring plowed. Corn stalks are fall tilled to leave 40% residue cover after planting. Oats will be planted in the spring of 1989. Grassed waterways will be established.
3. Rotation: permanently seed area down to grass-legume mixture.

DC Hoeft reported on meeting with the County Board of Supervisors to discuss working with landowners on soil conservation practices and road ditches.

A Soil Loss Workshop education meeting was held February 7. USLE equation was reviewed. 20 people attended.

The Conservation Reserve Program sign-up is open from February 6 through 24. Old rules plus wetlands and scour erosion apply for eligibility.

The Corn & Soybean Growers and Annual Awards Banquet is scheduled for March 4. The banquet will be held at the St. Mary's Hall. Iowa State coach Jim Walden will be the speaker. Corn and soybean organizations are seeking funds for the meal.

89-23 A request for emergency funding to maintain part-time office staff was discussed. Moved by Richard Kreinbring, seconded by Millicent Zenishek, to request emergency funding from the Iowa Dept. of Ag., Division of Soil Conservation. Motion carried unanimously.

89-24 Time and workload for Donna Schroeder was reviewed. Current funding will carry through to April. District Cooperative funding will be used through June or July. District Cooperative account balance is \$1,676.36. Use of various funds were discussed. Moved by Randall Shaul, seconded by Millicent Zenishek, to continue to pay scale at \$6.01/hour when using District Cooperative funds. Motion carried; 2-in favor, 1-opposed.

Ken Bruene reported on applications for projects under the Water Protection Fund. \$500,000 was allocated in the State for 1988-89.

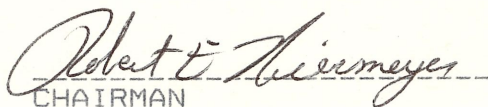

Eastern Iowa Hay Producer's Association hay field day will be held in the spring.

DC Hoeft reported on office workload and projects underway in the District.

89-25 Moved by Millicent Zenishek, seconded by Richard Kreinbring, to allow \$20 of expenses for conservation meetings. Motion carried unanimously.

89-26 Moved by Randall Shaul, seconded by Richard Kreinbring, to adjourn. Motion carried unanimously. Meeting adjourned at 10:00 a.m.

An Administrative Order on the Leroy Proesch property was sent to the Proesch's and recorded with the Courthouse. We have not heard from the Proesch's as of this meeting.

The Conservation Reserve Program sign-up ended February 24. 43 bids were submitted on 2,021 acres. 28 acres were signed up for tree planting. 8 bids were over \$105.

Assistant Commissioner Zenishek and DC Hoeft attended the No-Till Meeting held February 16. 25-30 people attended.

Annual Awards Banquet is scheduled to held March 4. Conservation and No-Till Awards will be presented by Chairman Niermeyer.

Spring Regional Meeting will be held March 7, at Coralville.

The February 15, Education Committee Meeting was reviewed. The board is participating in a milk jug recycling project. An organization meeting was held February 28. Milk jugs will be collected county-wide and taken to Cedar Rapids on May 6. Possibly a county effort will be organized for recycling of plastics through a company in West Branch. Another meeting is scheduled for March 28.

Soil Stewardship materials were reviewed. It was decided to provide inserts, children and youth & adult supplements to local churches. Soil Stewardship Week is scheduled for April 30 through May 7.

DC Hoeft reported Soil Conservationist Todd Meyer from Wapello will be working in the Tipton Field Office three days a week in March.

A questionnaire was from the Youth Leadership Camp committee was answered by the board.

IASCDC correspondence was read on Association memberships.

Recent pamphlets were reviewed.

89-31 Moved by Richard Kreinbring, seconded by Millicent Zenishek, to adjourn. Motion carried unanimously. Meeting adjourned at 8:30 p.m.

Commissioners reviewed the Lloyd Schlitzer soil loss complaint. Hoeft indicated that Leroy Proesch had stopped in on April 3, 1989. He has chosen to go with alternative number 1 which is:

Rotation: O-M-M-M-M-C; meadow is spring tilled to leave at least 20% residue ground cover after planting, corn stalks are fall tilled to leave at least 40% residue cover after planting. Oats will be planted in the spring of 1989. Grassed waterways will be established with a minimum width of 30 feet.

Commissioner Niermeyer will send Proesch a letter to indicate the Board is in agreement with the above alternative and if followed it will comply with all criteria to solve the complaint.

89-45 Moved by Randall Shaul, seconded by Millie Zenishek, to approve Donna Schroeder, to assist in clerical help, to replace Wayne Frederick, farm planner, as the District Cooperative Employee. Schroeder's pay scale will remain the same as currently under W.A.E. (\$6.01 per hour). Motion carried unanimously.

Programs staff and commissioners have recently presented include: Andrews: Bennett FFA April 5; Frederick: Larry Glick's 4-H Club April 5; Hoeft: Lions Club April 11, Durant Women's Club April 5, Wilton Cub Scouts April 3; Commissioner Niermeyer: 4-H Club March 27; Commissioner M. Zenishek assisted the Farm Bureau by putting the model farm display in the Bennett Bank for National Ag Week.

Soil stewardship materials were ordered. Fifteen churches are participating in the celebration. Materials ordered include: 1000 Inserts, 800 Youth & Adult Supplements, and 700 Children's Supplements.

DC Hoeft reported that Paul Viner, Soil Conservationist from Muscatine, will be assisting with conservation planning three days per week at the Tipton SCS office.

DC Hoeft indicated that Bob Pedersen is interested in continuing with the residue percentage check plot that was started Fall of 1988.

Conservation Awards Program was discussed. Anyone with ideas for nominees should contact Kurt before the next meeting.

Environmental Education Committee held their Annual Poster Contest this afternoon. Five schools participated with over 350 posters entered. 1st place over all schools winner is Chad Gade, Tipton 6th; 2nd place over all schools winner is Cody Poppe, Clarence-Lowden 6th. Winners for each grade per schools are: Clarence-Lowden: 4th grade = Regan Sheldon, 5th grade = Sam Smahaj, 6th grade = Erika Niermeyer; Bennett: 4th grade = Richell Stock, 6th grade = Julie Ann Beuthien; Lincoln: 4th grade = Megan Avon, 5th grade = Paige Stamp, 6th grade = Josh Wernecke; Durant: 6th grade = Curtis Marolf; Tipton: 6th grade Mandy Vitense.

89-46 Moved by Steve Driscoll, seconded by Randall Shaul, to adjourn. Motion carried unanimously.

Approved,

Nominations for Goodyear Conservation Awards Program was discussed. It was decided to announce program in paper and request nominations. The nominees will be viewed by airplane again this year. Commissioner Driscoll will set up times with pilots. The June regular Commissioners Meeting is tentatively set up for Wednesday, June 7, 1989, following the airplane ride.

89-54 Moved by Richard Kreinbring, seconded by Millie Zenishek, to approve Melanie Schott to sign Cooperative Account checks when Randall Shaul is not available. Motion carried unanimously.

District Cooperative employee Donna Schroeder requested the possibility of getting paid on a two-week interval compared to the monthly paycheck as previous cooperative employee was on. The accountant was notified and indicated there would be very little difference in bookkeeping fees. It was decided to allow payroll on a bi-weekly basis.

A letter sent by Chairman Niermeyer for District to Leroy & Karen Proesch in regard to the soil loss complaint settlement was reviewed.

The third grade student green ash tree give-away project was discussed. The project is a big success, 230 trees were distributed for the Arbor Day Celebration this year.

District tree sales campaign profit was approximately \$920.

A wildlife/pond/tree planting twilight meeting will be held at Ken Fawcett's farm some time in June. The Extension Service is sponsoring the event.

DC Hoeft reported on the current construction projects in the county.

89-55 DC Hoeft indicated Gene Rohlf, Bennett, would like to participate in a aerial seeding cover crop project this fall. Assistant Commissioner Zenishek also indicated an interest in a project similar to this. Moved by Steve Driscoll, seconded by Richard Kreinbring, to assist in some costs for the projects.

DC Hoeft reported Cedar County E.I.H.P.A. will host a spring meeting-demonstration toward the end of May. An ISU Extension Specialist will speak and Hargrave Co. will provide equipment for the demonstration.

DC Hoeft announced Cooperative Employee Wayne Frederick will be reporting to his new position May 22. Paul Viner, S.C. from Muscatine, has been helping with planning during May. Larry Jones, S.C. from DeWitt, will report to Tipton May 22, to assist with planning.

The Cedar County FSA Workload Analysis was reviewed by Hoeft.

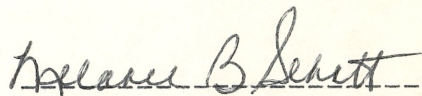

Miscellaneous correspondence was read and reviewed.

89-56 Moved by Millie Zenishek, seconded by Steve Driscoll, to adjourn. Motion carried unanimously.

Approved,

Chairman Niermeyer reported on field progress observed on the Leroy Proesch farm to meet requirements specified in the soil loss complaint process. Progress was judged as not adequate. No request for assistance has been made by Proesch to the SCS office. Solutions that Proesch agreed to use on the site was reviewed by Commissioners.

89-88 Moved by Randall Shaul, seconded by Millie Zenishek, to contact the Division of Soil Conservation office to pursue the action to be taken next in regard to the soil loss complaint. Motion carried unanimously.

A display for the September 6 Corn and Soybean Growers field day showing slope and ground cover would be appropriate.

The September Commissioners Meeting will be changed to Wednesday, September 13, 1989, at 7:30 p.m., as the regular meeting date conflicts with the Corn & Soybean Growers field day.

The Fall Regional Meeting will be held Tuesday, September 12, 1989, at the Holiday Inn near Amana. The meeting will

be from 6:30 - 9:00 p.m. Reservations should be made with the clerk if attending. Robert Niermeyer is planning to attend.

89-89 Moved by Millie Zenishek, seconded by Randall Shaul, to order 2,000 place mats for Soil & Water Conservation Week in September.

Suggestions for use of water protection funds were solicited.

The north part of the county will be searched for a nominee in the Izaak Walton League Windbreak Award. Clarence Beyer will provide leadership for the selection. Names were submitted as possible sites to view.

The Annual Plan of Work was reviewed. Commissioners volunteered for various Committees.

Staff reports were given. Approximately 2,000 acres have been signed up for the 10-year Conservation Reserve Program for the current bid period. There will not be another sign-up until possibly 1991.

Examples of the new computerized soil digitizer were passed out to Commissioners. The field worksheets showed percentages of HEL and acres of soil types per field.

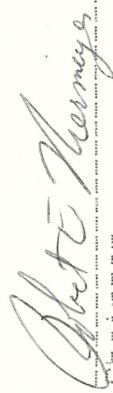

Roadside vegetative cover management program was discussed. No action taken.

A person from Argentina will be visiting Cedar County August 7-9, to talk to farmers about tillage methods. Farm stops were listed.

The Practical Farmers Tour will be held Tuesday, August 22, 1989. The tour will be at Steve Leazers at 4:00 and Mark Mays at 5:00 approximately.

89-90 Moved by Randall Shaul, seconded by Steve Driscoll, to adjourn. Motion carried unanimously. The meeting adjourned at 11:45 a.m.

DC Hoeft reported on end of fiscal year accomplishments. 96% of Food Security Act plans are completed. 166,000 tons of soil saved on SCS assisted projects this year in Cedar County.

A soil judging contest was held September 28, 1989, at the Mary Drake farm west of Tipton. Two schools participated with thirty students.

89-111 The Resource Enhancement and Protection Act was discussed. A REAP committee must be formed which will be made up of a Commissioner, Board of Supervisors, all mayors, members of farm organization, environmental organizations, and Board of Directors in each school district. The committee will deal strictly with water quality and prioritize where money should be spent. Moved by Randall Shaul, seconded by Steve Driscoll, to nominate Joel Brown as a representative of the Commissioners on the REAP Committee.

Assistant Mike Walter and previous Technician Clarence Beyer viewed windbreaks in the north part of the County. They nominated Brooks Haesemeyer for the Izaak Walton League Windbreak Award.

No-till yields results were announced. Blinks Bros. had 164.0 bu/ac no-till corn yield and 60.85 bu/ac no-till soybean yield.

89-112 Moved by Richard Kreinbring, seconded by Steve Driscoll to donate \$100 to Jim Roehlf and Terry Kroemer each for aerial seeding cover crops.

Chairman Niermeyer reported on the phone conversation with the State Attorney General's office concerning the Proesch soil loss complaint. The State will take appropriate action following Proesch's decisions in following through with alternatives agreed upon for the site.

A letter listing details on the Bunge soil loss complaint was sent from the office. More follow-up on the site will be done after corn is harvested.

Chairman Niermeyer and DC Hoeft reported on the Fall Regional Meeting. Items discussed at the meeting included: funding, staffing, changes, REAP projects, etc.

The Annual Plan of Work was discussed. Additional work will be completed on the report and reviewed at the next meeting.

DC Hoeft read information on complying with the 0.07 "C" value used for FSA plans and requested information on complaints or problems with complying with the field plan specifications. No major problems were cited. More field observation will be needed to verify ground cover results following tillage passes.

DC Hoeft announced the Izaak Walton League Windbreak Award will go to Bob Rix from Clarenace. Clarence Beyer assisted in the windbreak nomination and site review. Nomination forms have been sent in.

DC Hoeft reported on current activities and application update.

The Environmental Education Committee toured the Cedar County Work Activity Center and viewed their tremendous efforts in recycling. Ken Muller announced the Center will be holding a Open House October 17 from 8:00 a.m.-5:00 p.m. Muller is also working with the Center in finding an outlet for shredded newspaper.

The Proesch Soil Loss Complaint was discussed. Chairman Niermeyer read the letter written to Proesch from Assistant Attorney General David Dorff. Dorff gave Proesch an extension on time to December 1, 1990.

90-164 The Annual Conference will be held in Des Moines November 26 & 27. Millie and Richard Zenishek plan to attend. Moved by Randall Shaul, seconded by Steve Driscoll, to grant proxy votes to Millicent Zenishek. Motion carried unanimously. Resolutions were reviewed. Zenishek's will also accept the 1990 Goodyear Conservation Honor Award for the Cedar SWCD.

SC Andrews announced the Eastern Iowa Hay Producers Meeting to be held December 6. The meeting will be held in DeWitt and will begin at 10:00. Hay judging will be held at 1:00.

The final copy of the 1991 Annual Plan of Work was distributed. A few items have been added. It was suggested that some criteria be developed for the new scholarship program. This will be discussed at the December meeting.

SC Andrews reviewed current construction projects with the board.

Commissioners were made aware of the DRAFT of the County Conservation Implementation Team proposal. SC Andrews announced a local meeting will be held December 4, 1990, at the Extension Service at 7:00pm.

John Deere Company has invited four people from Cedar County to attend a seminar, December 3-4, in Lexington, Illinois at the BASF Agronomic Development Center. There is no charge for the seminar or lunches. Lodging and transportation are at your own expense. Those interested in attending include Millie & Richard Zenishek and Richard Kreinbring. Randall Shaul suggested the first-place no-till yield winner be invited to attend also.

SC Andrews announced his Area Pilot Project for women landowners. Ed is planning a meeting for women landowners and farm wives. The meeting program will include: how to read conservation plans and explanation; benefits and soil saving statistics of structural practices; invite a CPA to review tax benefits on installing soil erosion control structures; and ASCS farm programs. Invitations will be sent to all women landowners and the newsmedia newspapers and radio will be used to invite farm wives. Ed plans to send several follow-up newsletters in the winter and spring. The tentative date for the meeting is in early December.

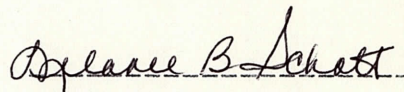

Tree sales program was discussed. The office has been contacted by Kevin Kelly, south of Tipton, for an offer to sell the District red oak, silver maple, and walnut for \$.25 each. The sizes are comparable to those bought thru Cascade Forestry Service. The possibility of providing the 3rd grade students with silver maple seedlings in lieu of green ash was also discussed. The board decided to purchase available trees locally. The remainder of the trees will be bought thru Cascade Forestry Service.

Commissioners reviewed the proposed Chapter 22 Rules for the development of the soil and water resource conservation plans.

90-162 Moved by Steve Driscoll, seconded by Richard Kreinbring, to adjourn. Motion carried unanimously. Meeting adjourned at 9:40 pm.
