SUBJECT : Rathbun Lake Area Map

PHOTOGRAPHER : Bill Stark

LOCATION : Centerville, Iowa

SCD OR WATERSHED : Appanoose Co. Ia., -Chariton River
PEOPLE :

THIS PICTURE SHOWS: Exhibit map of Rathbun Flood Control Project, U.S. Corps of Engineers, as prepared by Chariton Valley Resource Conservation & Development staff. Rathbun Lake covers 11,000 acres, has 180 miles of shoreline and is largest body of water between Lake Mille Lacs, Minn. and Lake of the Ozarks, Mo. U.S. Corps of Engineers are developing seven federal parks here. Iowa State Conservation Commission is developing one large park.
