VOLUME XXX

Ankeny, Iowa

Looking back a few short years, when we made our plans and played the cards the way they fell.

Clinging to our confidence, we stood on the threshold of the goal that we knew dear.

And though we had our fights,
Had our short tempered nights.
It couldn't pull our dreams apart.

All our needs and all our
wants, drawn together in our hearts.
We felt it from the very start.

It's all happened recently. Now we're living in that dream, we had not long ago.

Everything is going fine. Now there's just one thing we have to keep in mind.

We must set new goals. We must not lose control of the possibility of the discovery,

That would let everybody see that we were just meant to be.

DEDICATION

We would like to express our deepest appreciation to Mr. John Hunter, our supervisor. Mr. Hunter has given 21 years to the Ankeny annual. His guidance has been the key factor to the success of the yearbook throughout the years. Mr. Hunter has always been there when we needed him and was willing to stick up for us when times were rough. He has also taken a lot of the criticism when he shouldn't have been the target. The amount of hours he put into the annual is endless. We would like to be the first ones to thank John Hunter for a wonderful 21 years and dedicate this annual to him.

John Hunter

Darl Mullins

We would like to dedicate this annual to Mr. Darl Mullins. He has been principal at Ankeny for the past eight years. By running this school with an iron hand but yet an ear for student suggestions, Mr. Mullins has made our school system what it is today. He has given us open-campus, a modern dress code, and many other privileges students take for granted. Mr. Mullins deserves a lot of credit for his accomplishments. The dedication is only a small expression of appreciation that he deserves.

Being editors of the 1975-1976 annual has been quite an experience for both of us. We couldn't have put out this yearbook without our assistant editors, Chris Hildreth and Lynn Donnelly. Our production crew of Jeff Vincent and Craig Hildreth were equally devoted. Debbie Olson, Annette Dickey, Tonya Shanks and Steve Conn also came to our rescue when we needed typing done. A congratulations also goes to Sue Schreur and her ads and sales personnel for a fine job. Finally, we'd like to thank our photographers because pictures make a yearbook.

This yearbook was by no means easy to put out, but we learned quite a bit of responsibility. Good luck to Lynn, Chris, and the annual staff for next year.

Sincerely,

*Cindy Nelson
Julie Sharpe*

CLUB MOLDS NEW IDEAS

ART CLUB R. 1-J. Cerfogli, P. Sperling, C. Heaney, J. Conley, C. Michael, M. Nieman, R. Hopkins, J. Brandenburg. R. 2-Mr. Hunter, J. Herwehe, S. Determan, K. Gotz, D. Walker, G. Flipp, S. Suhr, M. Stemler, R. Kolhsdoff.

This year the Art Club did many different things. They took a field trip to an advertising agency and toured Area XI. Sterling Lundell talked about floral design. In December the club decorated the school with Christmas ornaments. An art collector and an architect also spoke to the group. This club is to provide career information for those going into the art field.

Put a tic-tac in your mouth and get a bang out of life!!!

STAFF SEEKS TO IMPROVE IMAGE

The annual staff this year had its work cut out for it, communicating between two schools to publish the yearbook. The hours and sacrificed time that are needed to produce a yearbook are numerous and require a lot of consideration from students, teachers and staff members themselves. It is our hope that the Annual for 1976 has been an as enjoyable experience for you to look at, as for the staff to produce.

Hot on the trail for supporting evidence.

Debate is a combination of political and social concern, research, and the ability to formulate and express opinions based on evidence. During the winter months debate tournaments are held to allow the students to consider the year's topic in competition. This year's topic is the proposal for an international organization to develop and allocate scarce world resources.

Choral Reading Group

Readers Theatre

The purpose of Drama Club is to help students attain mastery of the language, to develop poise and self-control, and to appreciate dramatic literature and technique. This club helps promote small groups for dramatic readings. The choral reading group presented "Lonesome Train" by Millard Lamphan and received I ratings at the district and State I. H. S. S. A.'s contests.

Jeff Wood and Paul Shay received I ratings at the state J. B. duet contest, which allowed them to attend the all-state festival at Simpson. The "Picnic on the Battlefield" cast performed at the Iowa High School Forensic League's state colloquy in Iowa City in November and received the championship in Readers Theatre. In February the group received I ratings at district and state competitions in the Iowa High School Speech Association's contests. It performed at the all-state festival of speech and drama at Simpson College on February 21, where all of the outstanding performers of the state were treated to a banquet.

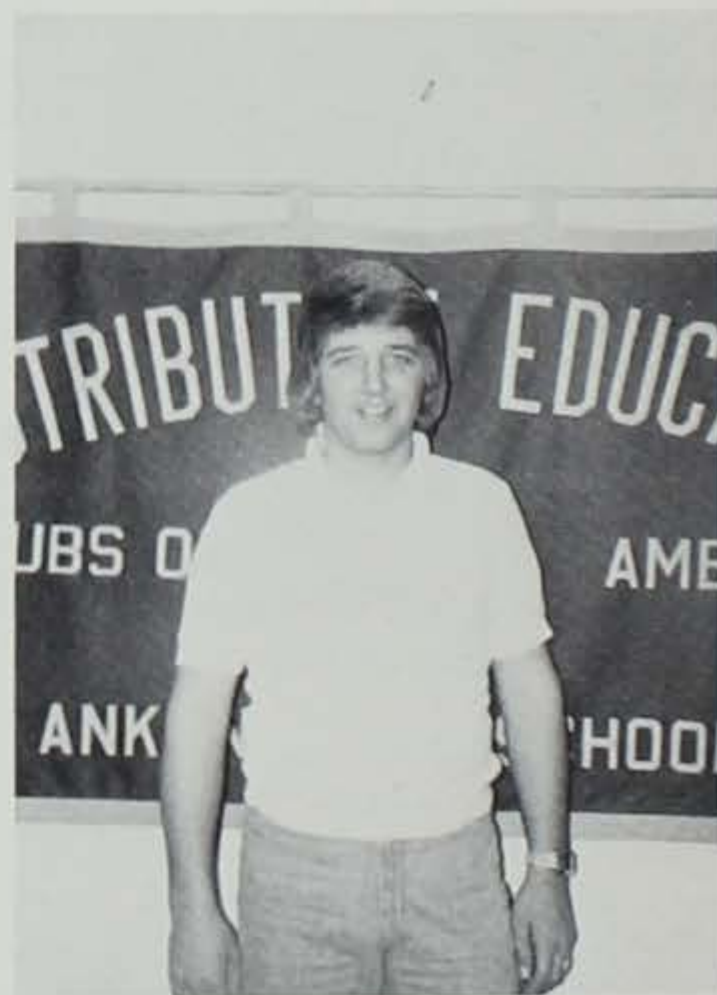

FUTURE JIMMY HOFFAS?

DECA R. 1-K. Cockram, J. Williams, J. Williams, K. Schruers, J. Lehman, M. Cowart, L. De-
 Getter, M. Coon, C. Moulton, D. Bond, R. 2-P. Trabing, L. Brauer, S. Miltner, T. McCann, M. Coburn,

DECA, or Distributive Education, kept very busy this year. First of all, they were in charge of the managing of the bookstore in the commons area and soon turned it into a candy store for all the students to enjoy. DECA sponsored the selling of Ankeny Hawks and Ankeny Hawkette jackets along with Tootsie Roll banks. The students in DECA must work at least 15 hours a week and furnish their own transportation to their job. Mark Cowart was elected president for the 1975-76 year.

Our fearless and shiftless leader.

The purpose of V.I.C.A. is to develop leadership ability in youth. Susie Zerwin was elected State Secretary of State V.I.C.A. (Vocational Industrial Clubs of America). There was a State Skill Olympics which is held at the end of April that the class attended.

Let me talk to you people after class!

In August they spent a day touring the Amana Colonies, and in October, along with the Spanish Club, they sponsored the Argentina Booth at the Food Fair. Along with this, they have sponsored community service projects as well as money raising projects.

Despite public opinion, the Hawks pulled through a spectacular season of 6-3. Coach Jerry Pezzetti said that it was the most rewarding of his fifteen years of coaching. The Hawks, for the first time in many years, beat two Metro teams. They also out played the conference champs. Three members of the Hawks' defensive line made All State teams. They were Tom Campbell, Scott Cole, and Brian Lewis. On second team CIC were Randy Walker, Bill McQueen, and Jim Price. Through tremendous spirit and a determined attitude, the Hawks made us proud of our football team.

In the CIC meet, the Hawks placed 5th in a tight race and 17th in the Class 3A standings.

Ready!

Aim!

Fire!

Robert Redford is coach next year!!!

Girl's basketball had "a season to remember" in 1975-1976. With a 21 and 2 seasonal record, the team went into tournament action. Advancing through sectionals, districts, and regionals they became one of the elite teams to be in the Sweet-Sixteen. They were able to overcome Ackley-Geneva in the first round, but were defeated by Cedar Rapids-Washington in the second round. The girls displayed a great deal of enthusiasm for the game and represented the school well at all times.

SMALL TEAM EXECUTES LARGE EFFORT

VARSITY BASKETBALL

And it's Ankeny vs. Ankeny ! ?!

The 1975/76 season was a rebuilding period for the Hawks who had a tough year in the win/loss column. Ten players lettered and the following achievements were recognized: Most Valuable Player - Craig Hansen, Honorary Captain - Phil Caffrey, Best Freethrow Shooter - Phil Caffrey and Gary Shafer, Best Defensive Player - Brian Burns, and Most Improved Player - Scott Hartman.

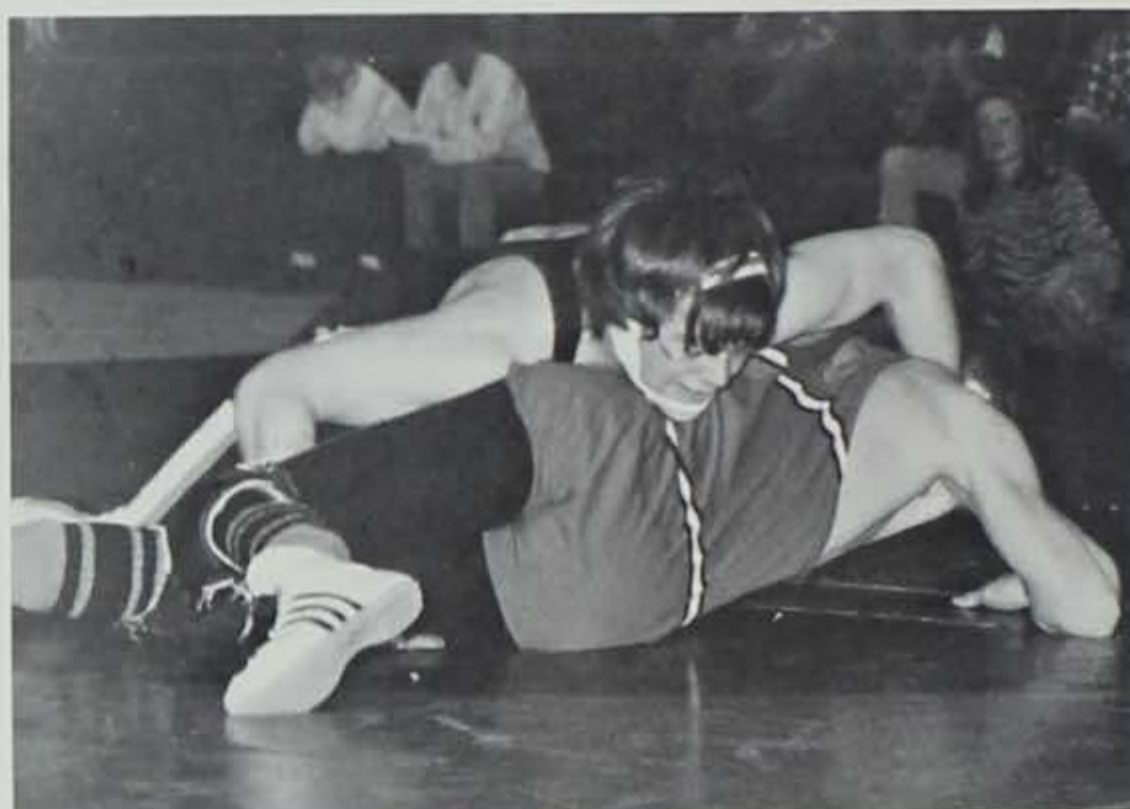

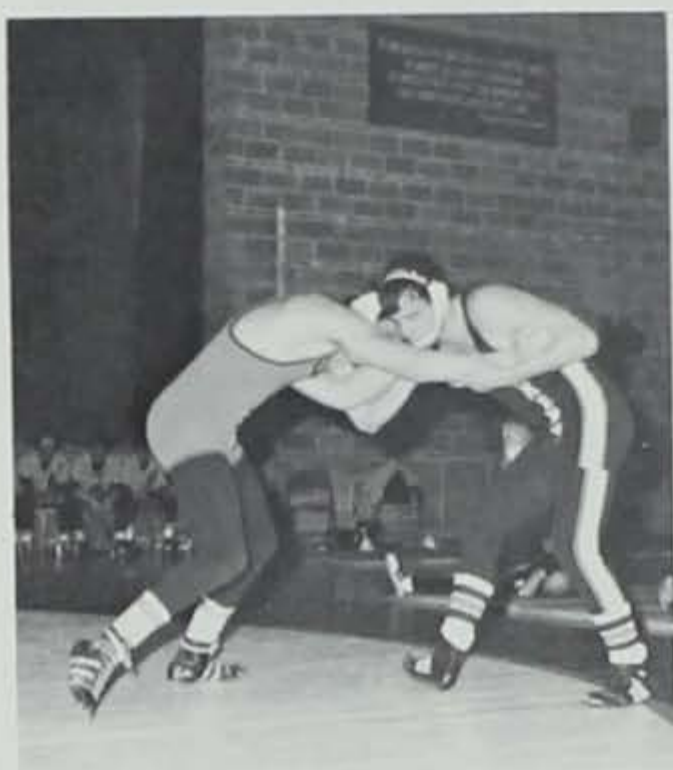

Vandy, have you ever tried Right Guard?

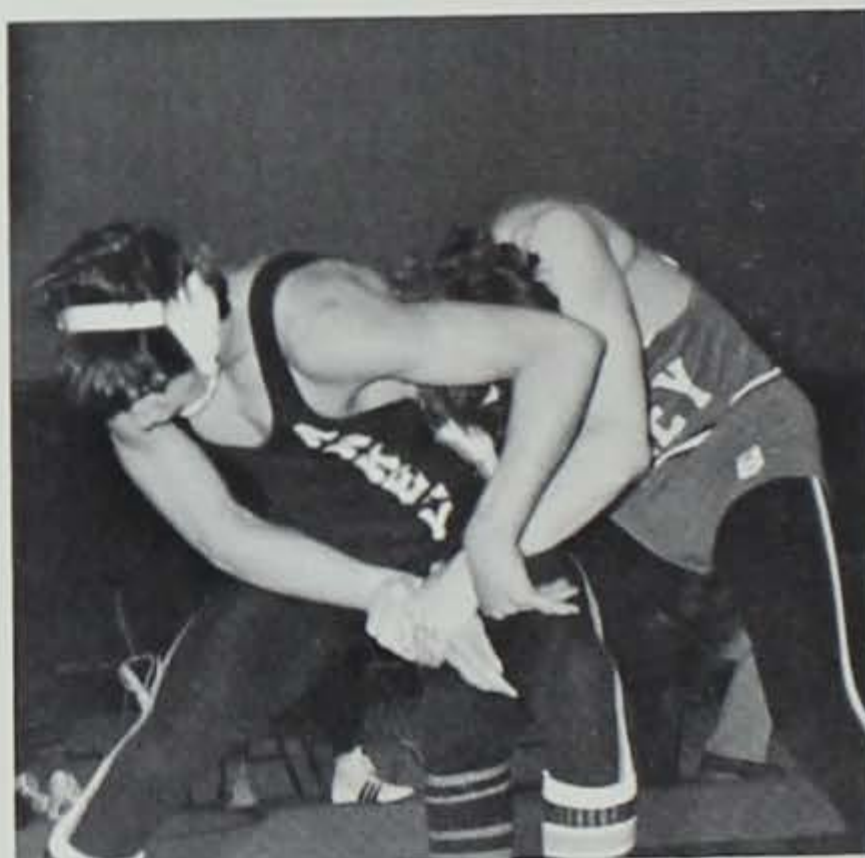

Nice little ball, nice baby. . . .

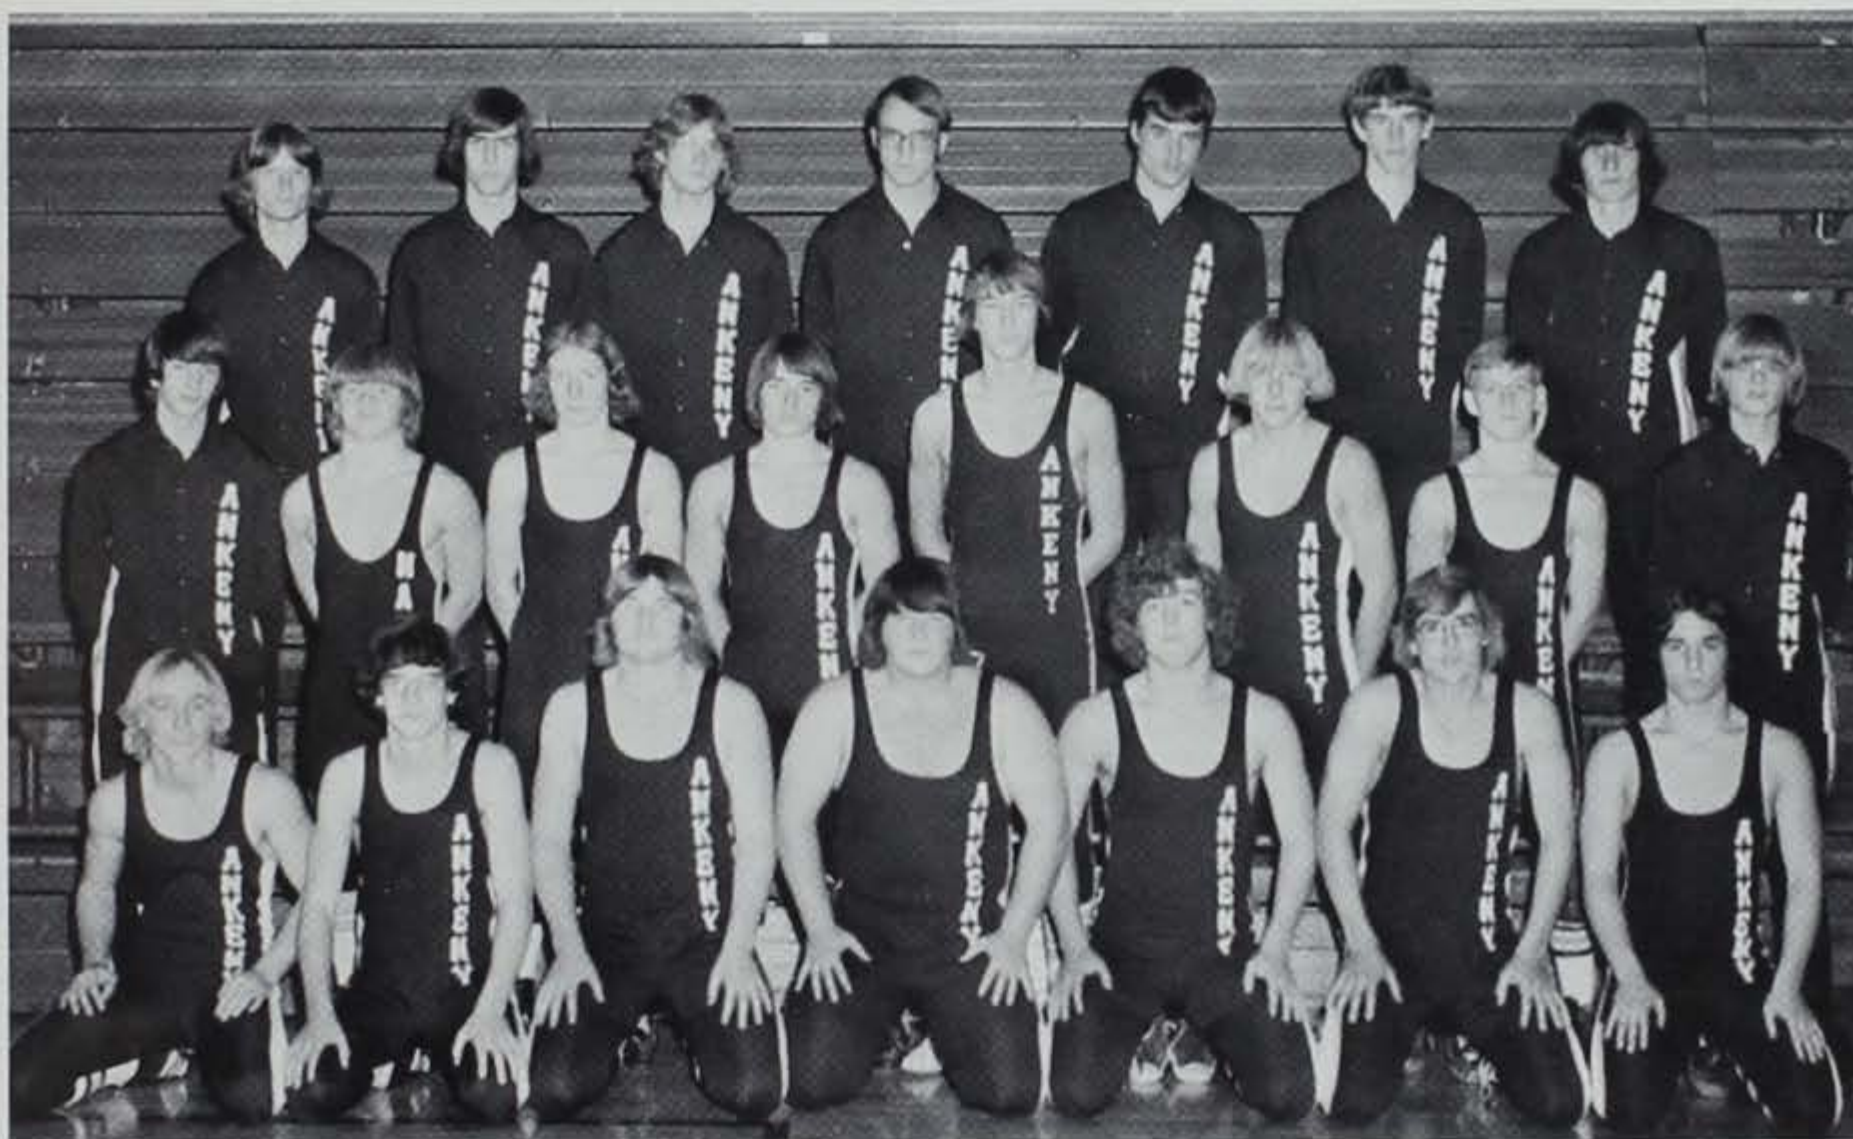

We've got to stop meeting like this. . . .

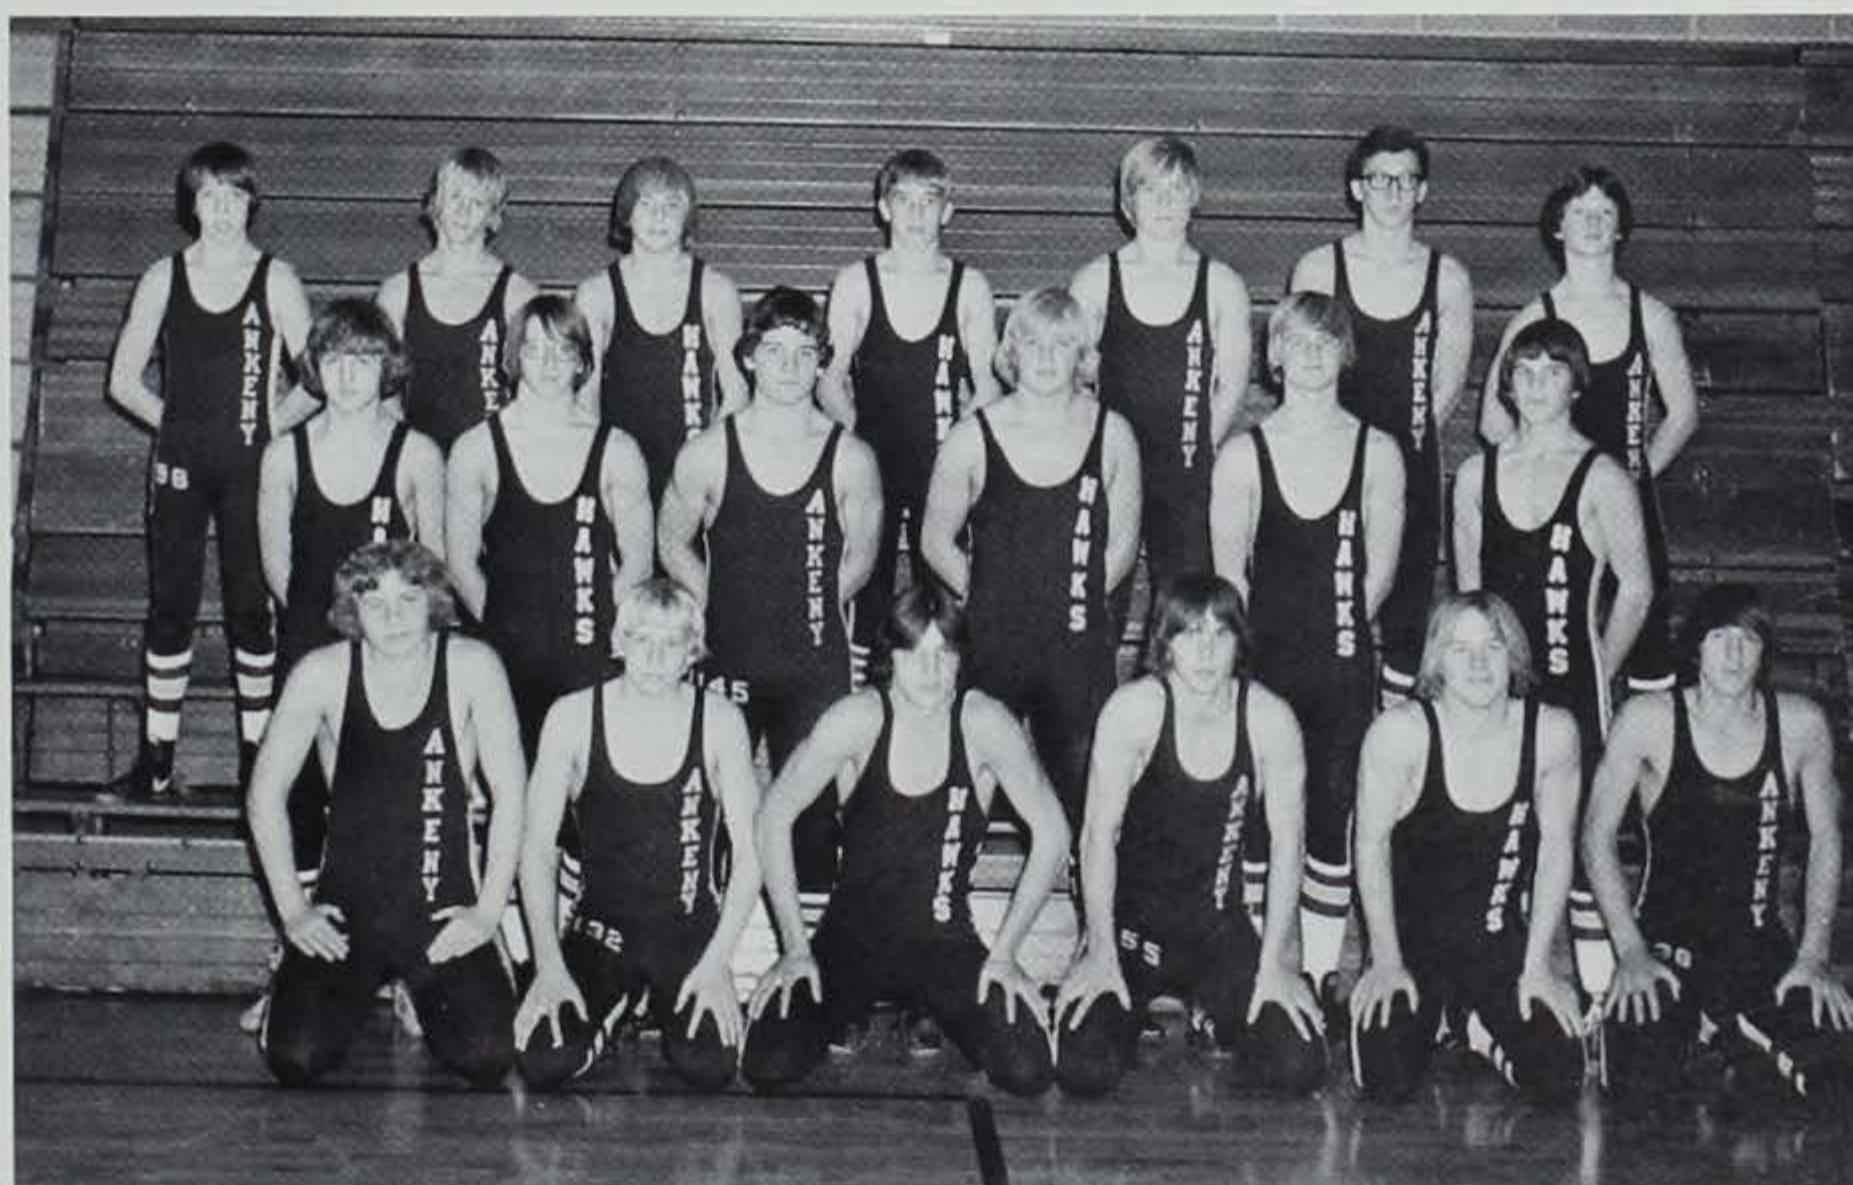

This year's team was primarily made up of underclassmen. Three senior regulars, Bruce Johnson, Brian Sharp, and Gene Turk, were team captains. Turk was named most improved senior and Sharp was selected most valuable senior, as well as Mr. Takedown and Mr. Pin. Junior Ken Hinrichs and sophomore Jeff Rater were state qualifiers in the 132 and 145 pound classes, respectively. Probably the most dramatic dual meet of the season was when the Hawks downed fifth rated Valley. The grapplers also finished second in the sectional tournament, which advanced eleven men to district competition.

ADVANCE TWO TO STATE!

Varsity Wrestling R.1-L. Peterman, D. White, J. Cory, B. Sharp, J. Jones, R. Yarrow, R. Stoll, R.2-R. Spooner, K. Kopaska, J. Beckwith, M. Manion, S. Bennett, K. Hinrichs, A. Norris, D. Moore. R.3-R. Garvey, B. Arndt, S. Heaney, D. Nash, N. Stall, G. Turk, B. Johnson

Soph. Wrestling R.1-J. Faust, S. Gross, J. Rater, R. Ackerman, J. Campbell, R. Copeland, R.2-M. Martin, R. Howard, S. Krause, J. Lennie, M. Hutton, D. Copley. R.3-R. Mulligan, C. Miller, C. Hinrichs, M. Nichols, T. Handley, M. Brennan, S. Jamison.

GYMNASTS BEAM WITH GOOD MARKS

GYMNASTICS R. 1-S. Beech, P. Beebe, L. Cairns, L. Dodge, T. Smith, R. 2-Mrs. Keuhl, C. Epps, C. Zubradt, L. Inga, S. Stonehocker, C. Brennan, K. Cleghorn, L. Wood, L. Steinkamp, D. Ott.

The Ankeny girls gymnastics team broke five records this year. Lisa Cairns claimed two of these in the uneven bars and vaulting. Linda Wood also broke two records in the floor exercise and all-around events. Kim Cleghorn bested the old trampoline record with a 5.95. These girls are all sophomores, which makes the team young but experienced for next year. Carole Brennan also broke her own record in the balance beam and is the only senior to leave, so the outlook for next year seems very bright.

THE WIDE WORLD OF SPORTS

GIRLS TAKE A SWING AT STATE

Girls' golf improved its position this year by taking first at the Sectional Tournament with a 355 score, a new school record. The team finished well in the standings at all invitationals and finished the season with a 5-2 dual record. After catching second place at Districts, the girls went on to State. They managed to get eighth place out of eighteen tough teams. Cathy Conway was the medalist at several meets this year. The girls should be tough again next year because they're only losing one senior—Kim Pickering.

GIRLS' GOLF R.1—C. Seehorn, T. Heraldson, C. Walters, T. Johnson, A. Udovich, L. Jones, M. Thorton, D. Weiner, C. Anderson, S. Hall, T. Pickering, L. Cunningham. R.2—Coach Carlson, C. Conway, K. Pickering, L. Smith, J. Meyer, T. Bertogli, K. Montenguise, D. Ades, L. Kluever, S. Raspberry, J. Dorman, L. Kamphuis.

The boys' golf team competed with a wide variety of teams this year at several different courses. Valley, the State Champs, had difficulty beating Ankeny by seven strokes in nine holes. There were ten letters. All meets were held at the Ankeny Golf and Country Club. The coach was Mr. Schrader.

The 1976 girls' tennis team had the best record it's had in many years. The girls won 9 out of their 12 meets, beating two tough competitors, Grinnell and Indianola. Judy Bradshaw had the best record on the team. With only 6 seniors leaving the team, they should be just if not more tough next year.

The 1976 boys' tennis team was the best in Ankeny history. Six of the top eight players were Seniors. The team finished with a fine 9-3 dual meet record. They took first in both the Hoover invitational and CIC tournaments and placed second in districts.

The 1976 Hawkette track team had its best season ever, placing 1st or 2nd in 8 of 10 meets, including second place finishes in both the CIC and District meets.

The girls set 13 new records this year and 12 girls qualified for the state meet in three relays and three individual events. Mary Yori placed second in the softball throw.

Others who qualified were Teri Alleman, Diane Anderson, Diane Colwell, Valerie Duncan, Theresa Feltes, Betty Johnson, Joan Jorgenson, Kathy Kunz, Julie Nelson, Carol Rankin, and Karen Wiese.

OVERCOME HURDLES AT STATE

Boys' track successfully stayed high in the standings in its meets. A new school record was set in the pole vault event by Brian Lewis who vaulted 13'11 3/4" breaking Tarry Cory's old record. The two mile relay was 6th at the Drake Relays. The Hawks held ground in most events during the season including the spectacular performance at State. The 1976 season was successful.

The Ankeny girls' softball team had a tremendous fall and summer season. They won the district tournament and advanced to the State Tournament at Fort Dodge. They finished 13th. Ankeny came back in the fall but lacked one run in the district finals to advance to the State Tournament. They finished their season with a sectional champion trophy and a district runner-up trophy. We are extremely proud of this group of athletes and know they will return to the State Tournament. Playing with pride and determination will make success and our Hawkettes have these qualities.

Baseball got off to a good start and tried successfully to keep a good standing in the CIC. The team finished 4th in the conference but lost in the District Tournament to Saydel. Jim Price was voted to the second team in the CIC selection and Scott Hartman got an Honorable Mention. Overall the Hawks finished 8-17 and in the CIC 7-5.

HOMECOMING 1975

This year's Homecoming was met by a spirited team. Girl's A-Club sponsored a dinner on Thursday night with skits following. Friday afternoon there was a pep assembly. We beat the South Tama Trojans as Shelley Rullestad and Shelley Riley reigned as King and Queen. The annual dance was held Saturday night at the Neveln Gym.

Thanks, I needed that.

THE FIFTIES COMEBACK

Fifties day was January 30, the day the new gym opened. A performance by several girls of "Be True to Your School" highlighted the half time of the game. Lori Gauch and Kurt Bigbee were named Teen Angel and Leader of the Pack. Teresa Feltes and Ted Madison were named Best Dancers at the dance that night.

Some enthusiastic participants??

FEWER ASSEMBLIES— BUT MORE ALERT AUDIENCES

Although many things were accomplished by having two schools, one seemed to need help; assemblies. Because of the inconvenience, we had only one pep assembly and each school had two regular assemblies. The overall response was good and the students seemed to appreciate the activity more.

PROM 1976

Everyone enjoyed themselves at the Ankeny Junior-Senior Prom held at Howard Johnson's, May 8, 1976. The band, "Sweet Grip", did a good job providing music. It was acclaimed a big success by all who attended.

And I get stuck going to the prom with the Pinball Wizzard!

GRADUATION 1976

This is like waiting
in the lunchline at
school—you wonder
if it will ever end.

Graduation was the perfect end to a fantastic year. The class of 1976 was the first class to have graduation exercises held in the new gym. Seniors broke the tradition of wearing maroon and gold robes and instead wore light blue and dark blue robes. This was for the bicentennial. The class' flower was the white rose. The class motto was, "We may lose sight of our friends, but their memories last forever." Dr. L.R. Gray handed out diplomas preceded by a speech given by sports announcer Jim Duncan. The valedictorian was Chris Thayer and the salutatorian was Jeff Vincent. Junior leaders were Pam Thayer and Tom Vanderlinden. Graduation was not only the end for many seniors, but also the beginning.

Look out, World
... here comes
Brune.

This is more fun than a truck
party.
