THE LOG SALUTES PROFESSOR MAY

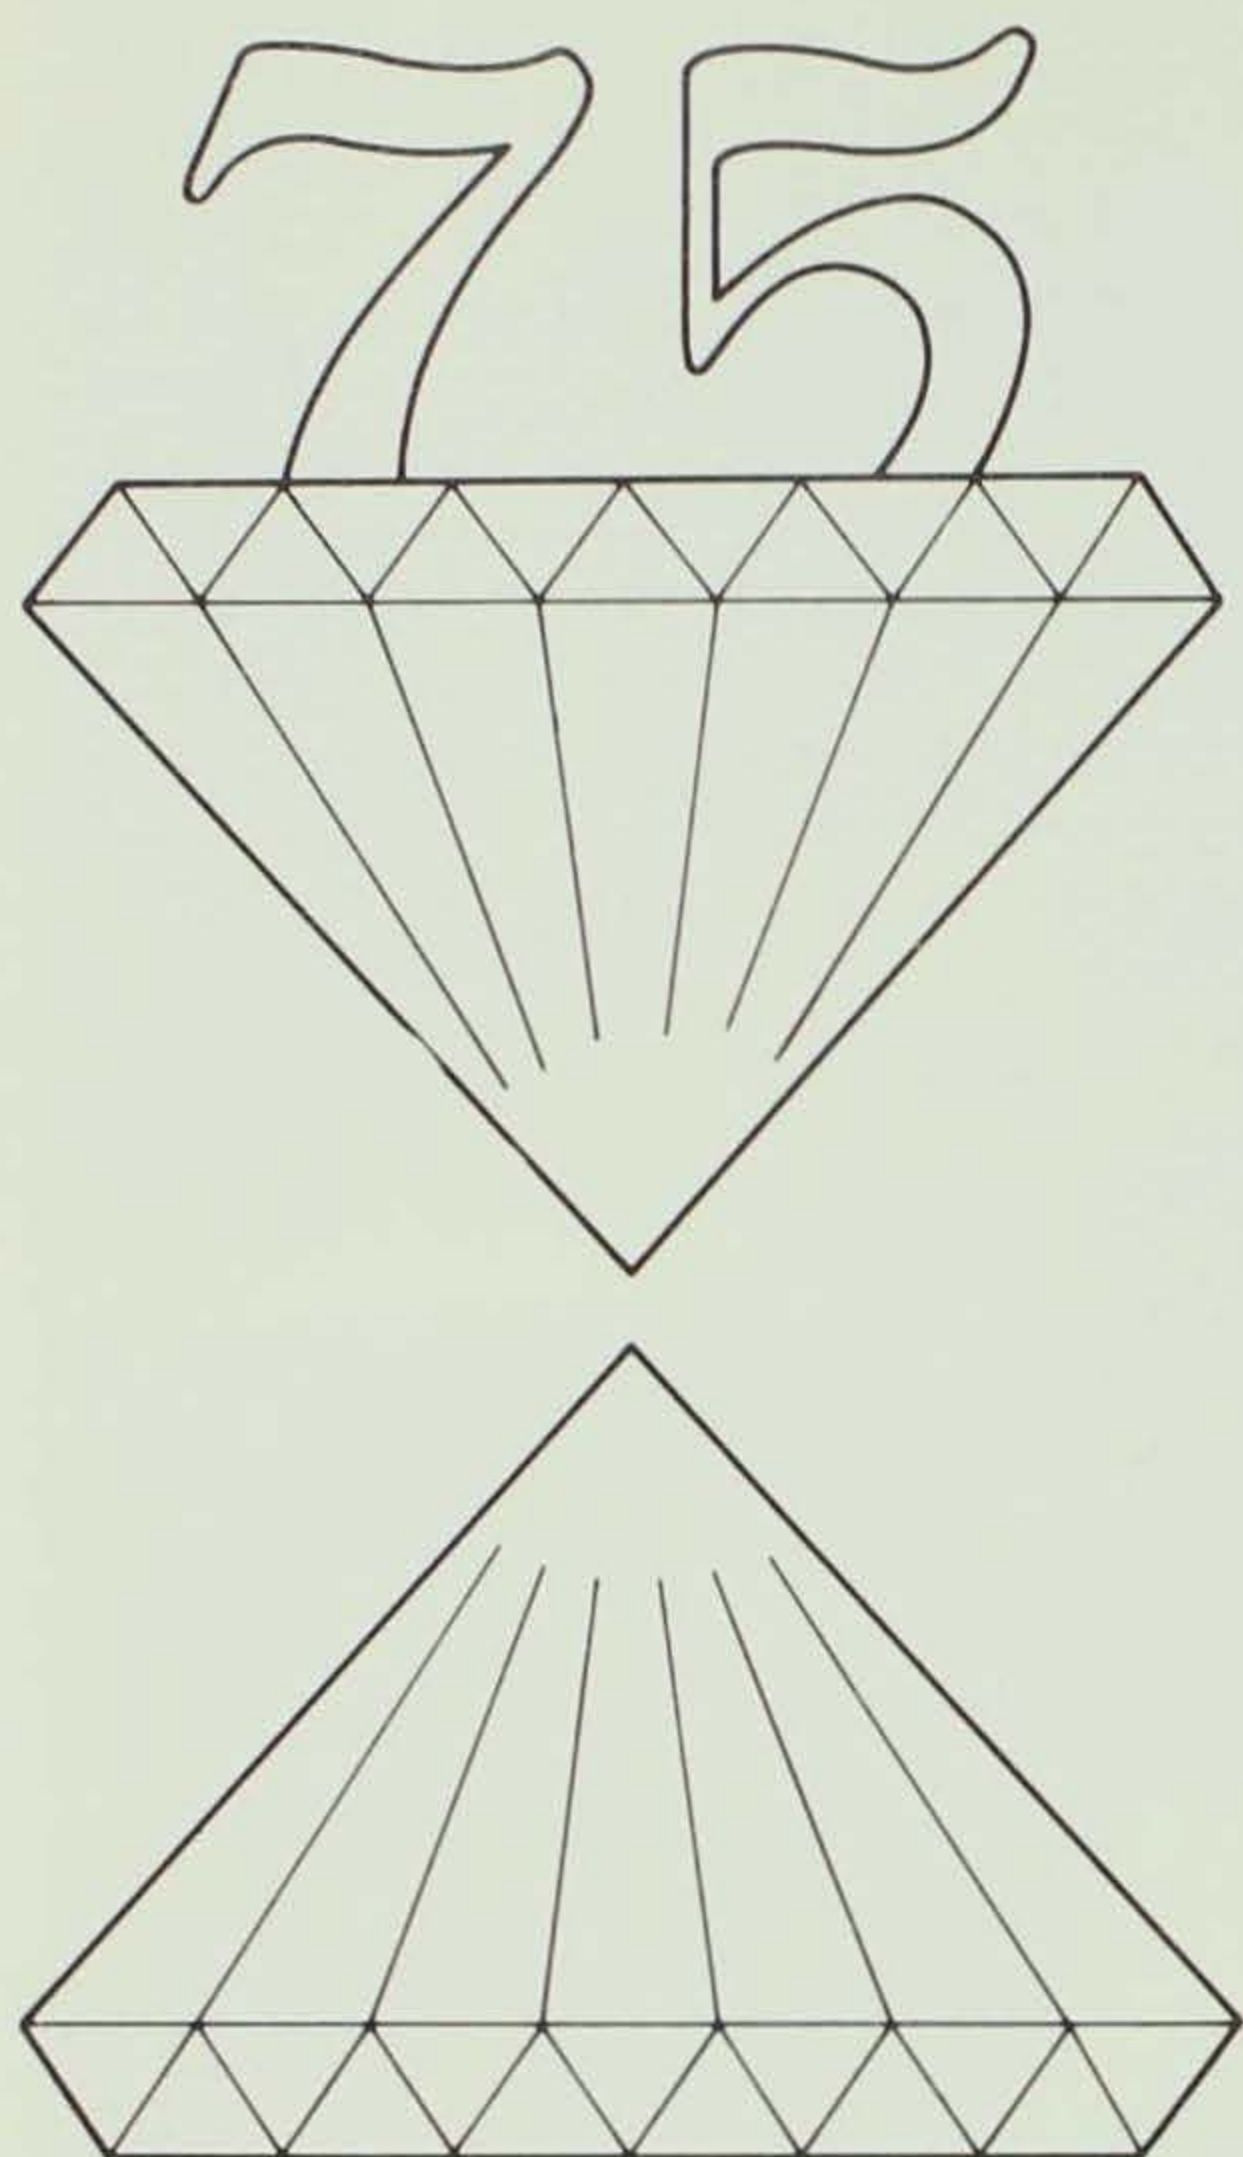

In 1962, Mr. Denton May came to Buena Vista College. For five years he served on the faculty in the English Department at Buena Vista. Mr. May graduated from McKinzie High School. He received his B.A. from the University of California at Berkeley in 1951. Three years later he received his M.A. from the University of Michigan. Since that time he has done work towards his Ph.D. at the University of Illinois.

Mr. May, never content just to teach his classes, has been active in many college activities. He served on the Student Affairs Committee in 1964 and 1965. He was instrumental in forming an American Association of University Professors chapter at Buena Vista and he has been an active member in that organization on this campus. He helped to organize the Faculty Senate in 1966 and

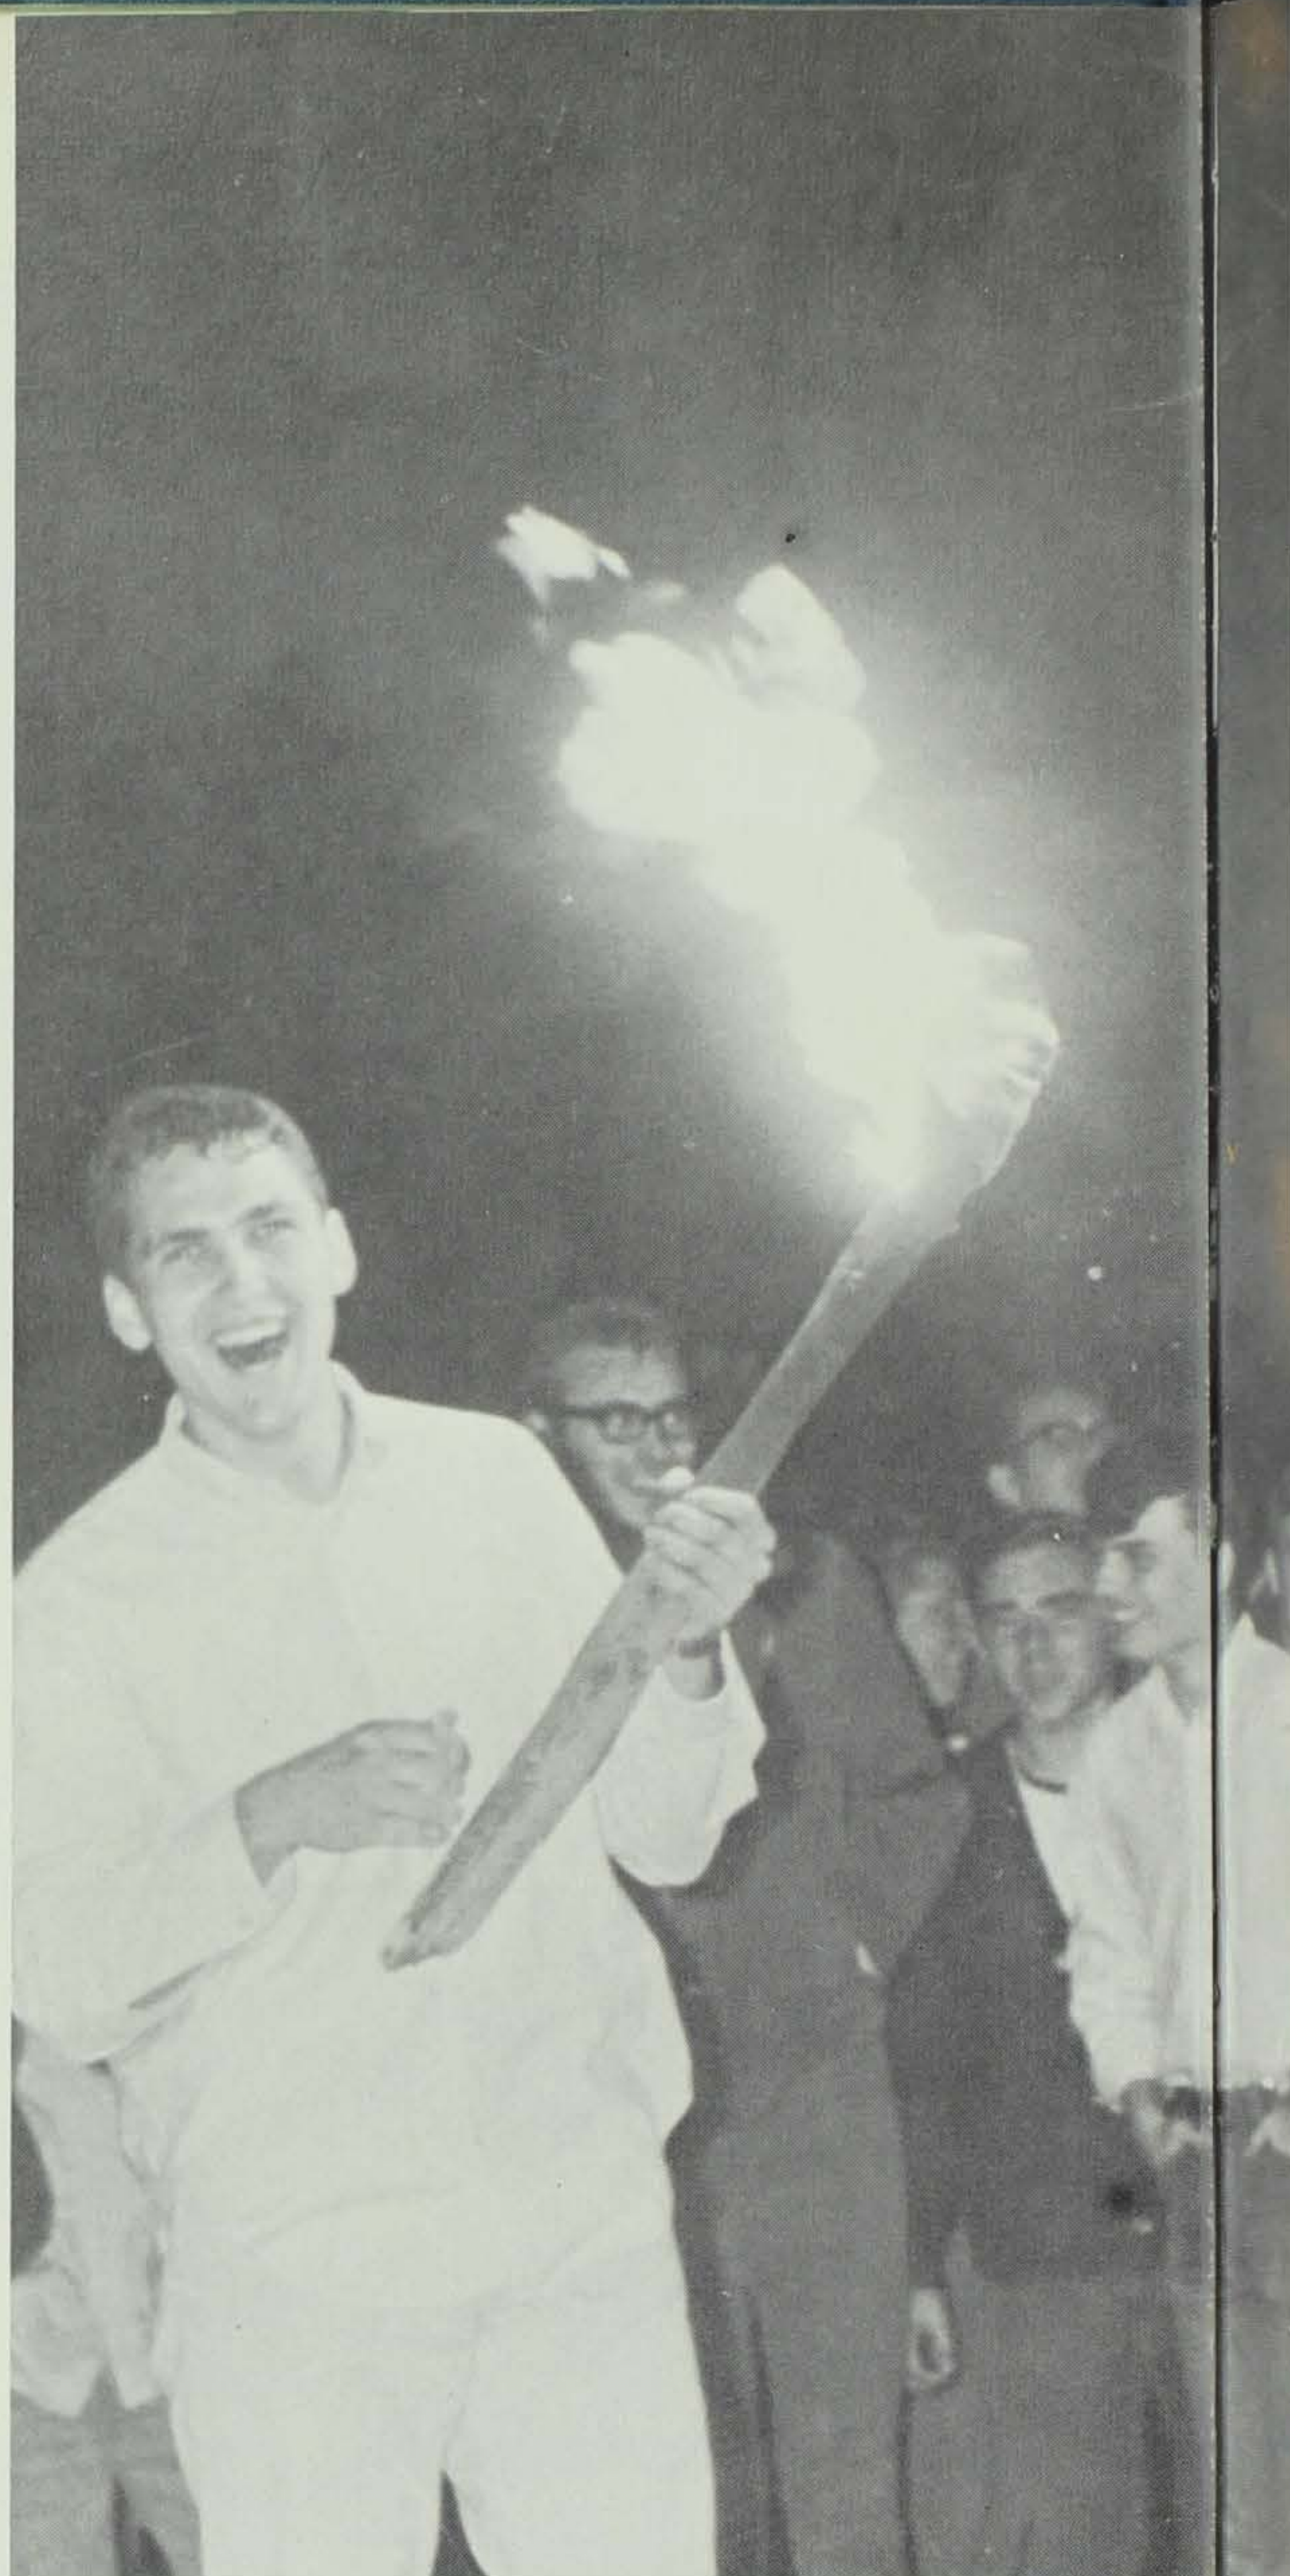

served on the Senate through most of that year. In addition to being a member of the A.A.U.P., he is a member of the National Council of Teachers of English. Mr. May served as faculty sponsor for the Student Council and Kappa Tau Delta Fraternity. He also has been a member of the College Publications Committee and served as advisor for the LOG for several years.

Because of his teaching ability and his long interest in student affairs, we dedicate this LOG, on behalf of the student body, to a man who not only made us learn, but also made us think; to a man who stood ever ready to lend a helping hand; to a man who gave untiringly of himself for the improvement of Buena Vista College—Mr. Denton May.

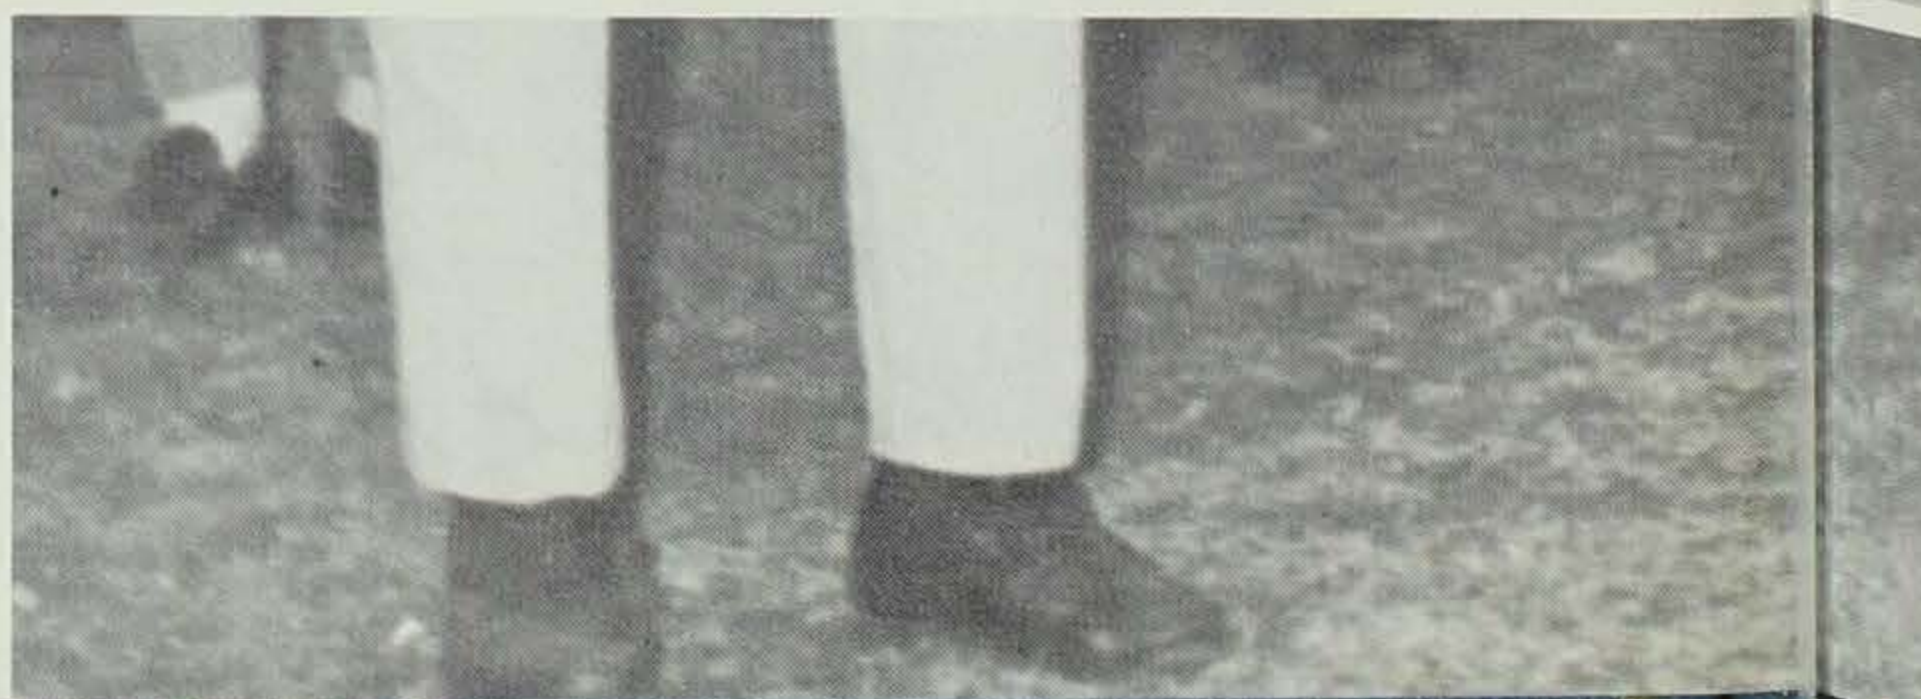

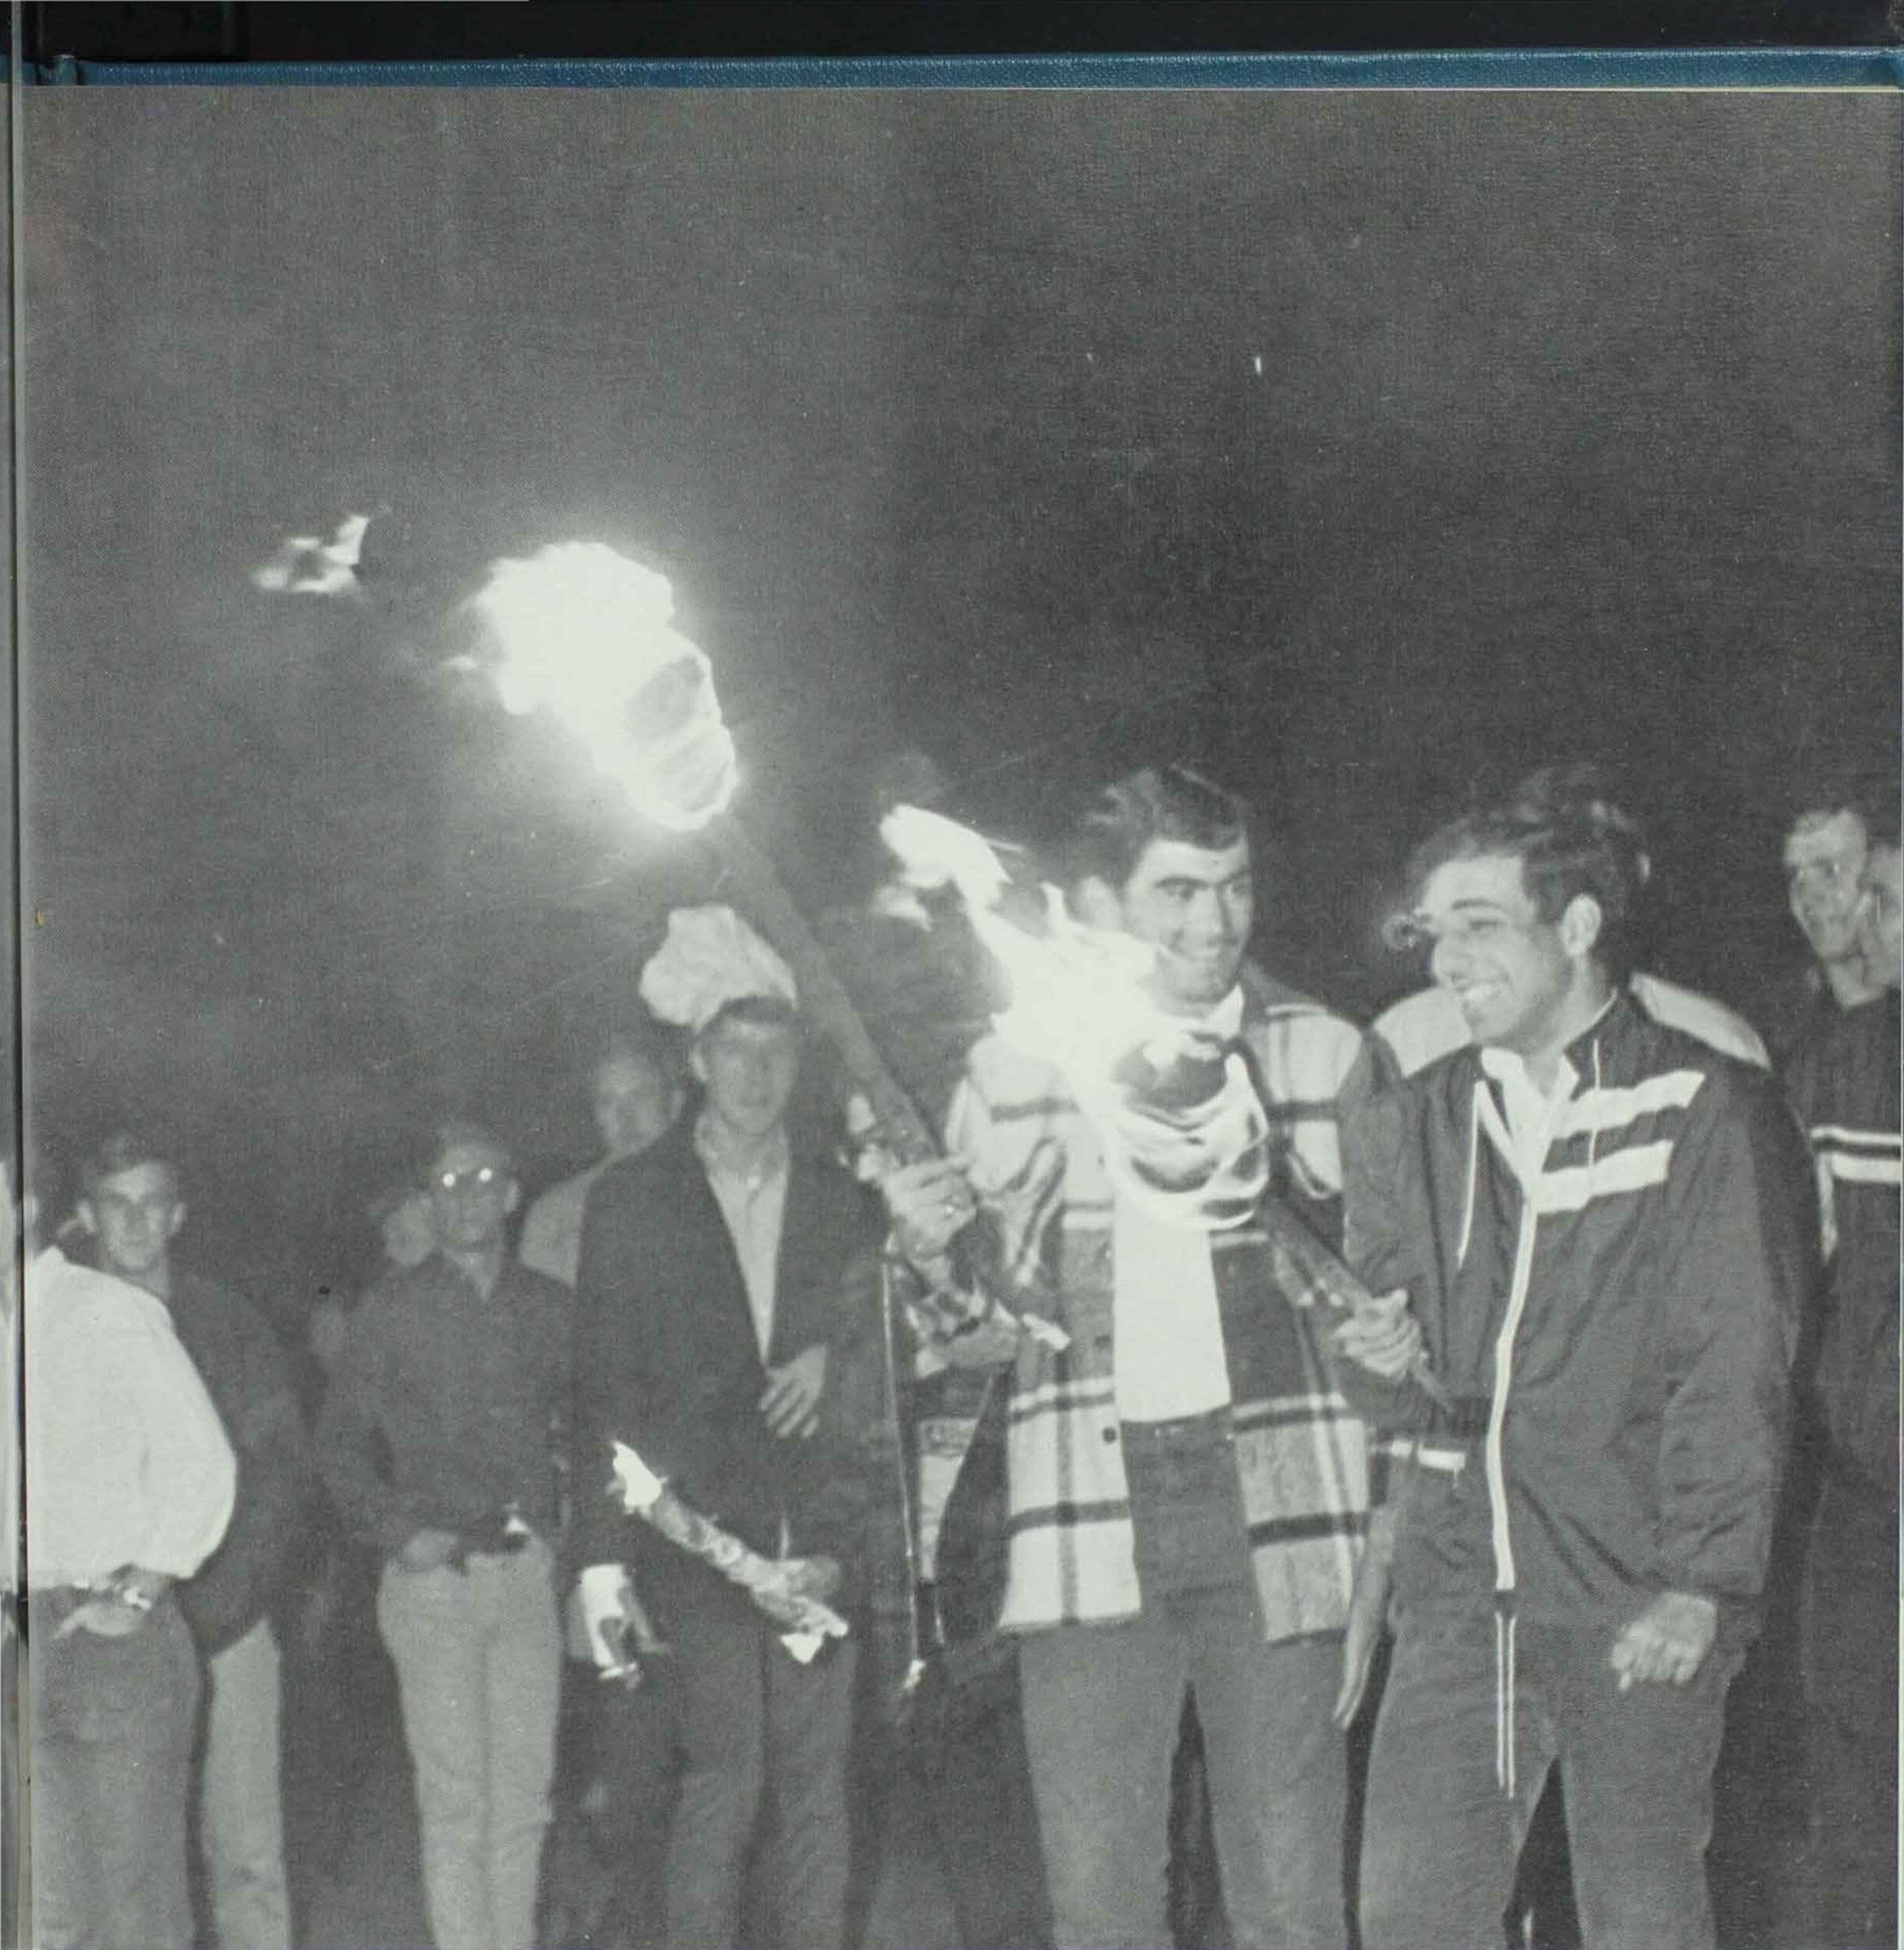

The year 1966-67 was memorable in two ways. Not only were many unique events sponsored as part of the 75th Anniversary, but increased student interest in Campus problems and affairs indicated change in Buena Vista's atmosphere.

SPECIAL EVENTS

MANY EVENTS DURING 75TH YEAR

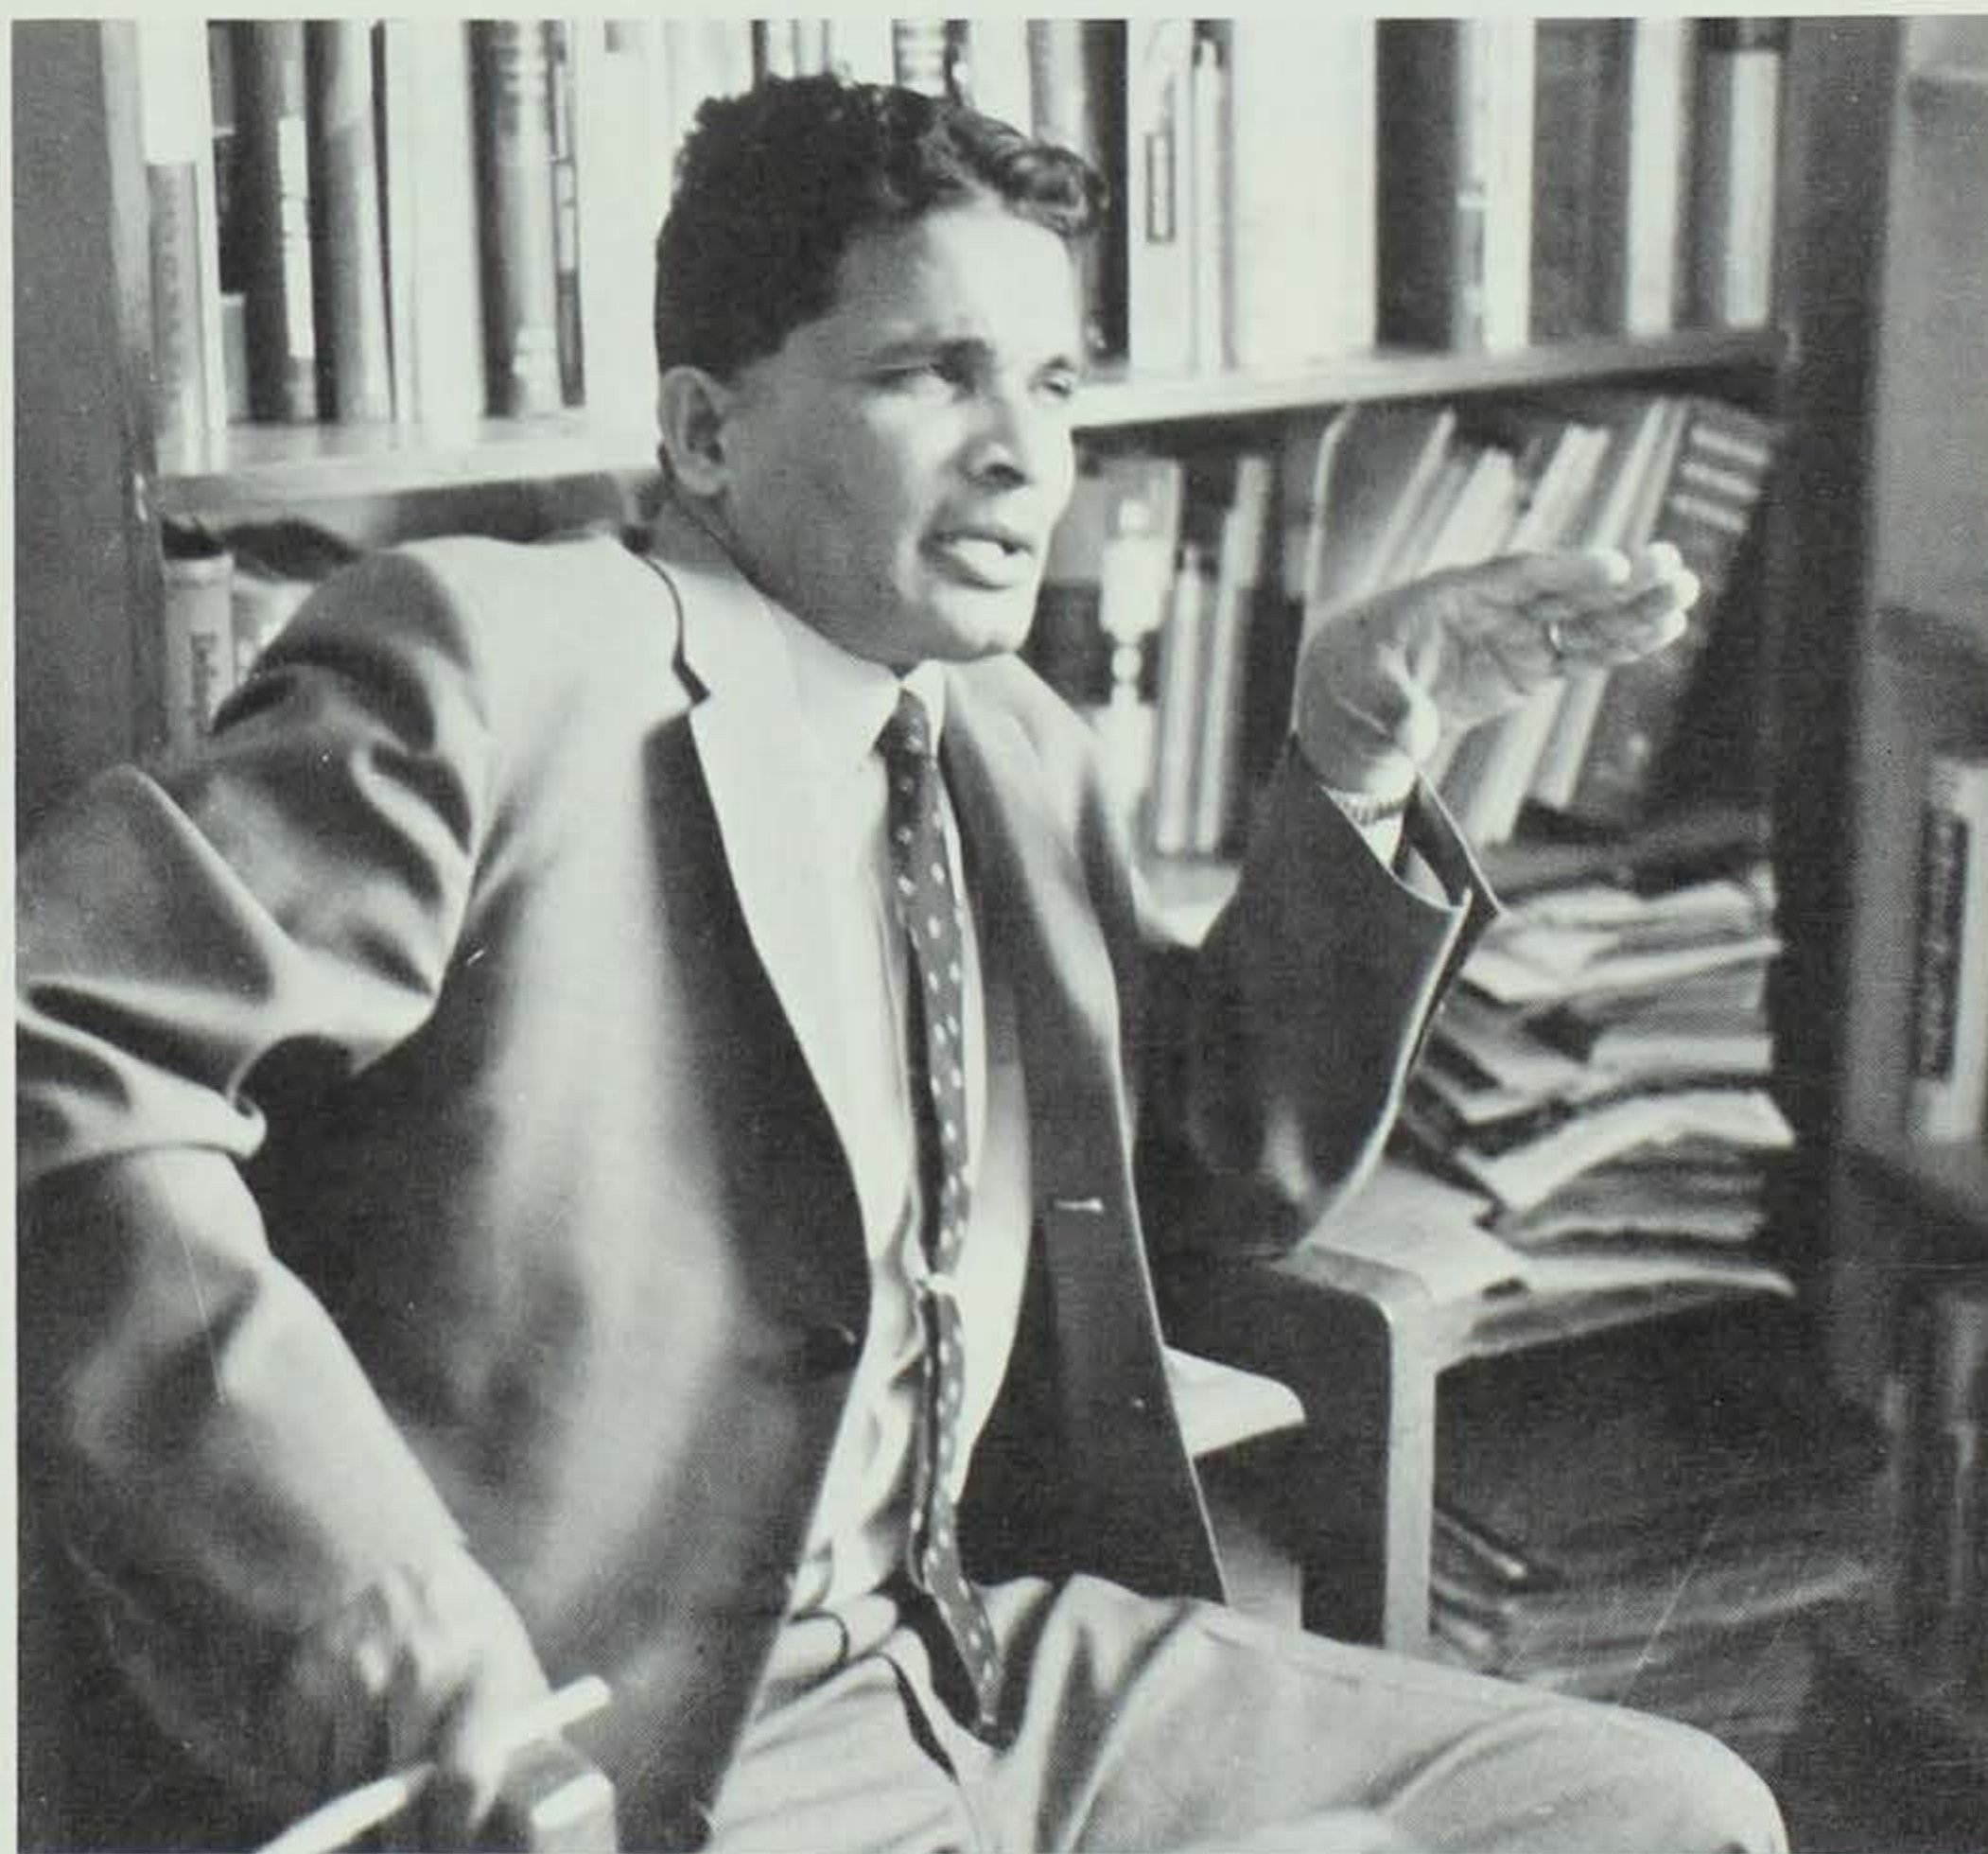

On the right; College students stand for the processional during a Chapel service.

At the left; Biology students from Buena Vista spend two weeks at Acho Rios, Jamaica, doing research on the coral reef.

Directly above; Sociology professor, A. G. Thomas makes a point during a conference with a student.

Above; Danny works up courage for the first class of the semester.

The days of warm summer laughter are over, and the tanned shades return to the Heaven and Hades which is Buena Vista College.

To some it means water fights, T-peed rooms; and shaving cream; to others it means all-nighters, zoo labs, and long dry lectures. For most it becomes a pleasant mixture. Some find romance and a diamond; some find only heart-ache.

Thus it is always.

Above; Sooner or later, every college student turns to card playing.

The Lake provides a beautiful setting for Buena Vista College.

Bottom of page; Even in winter, the campus has a certain charm.

It was a hand-in-hand walk by the lake, and a long, lonely night in the dorm.

Thus it is always.

"Hey, Freshman! Button!"
"Where can you buy beer? Are these the only girls?"

Thus it is always.

Above: It's not exactly what mother used to make, but it fills you up.

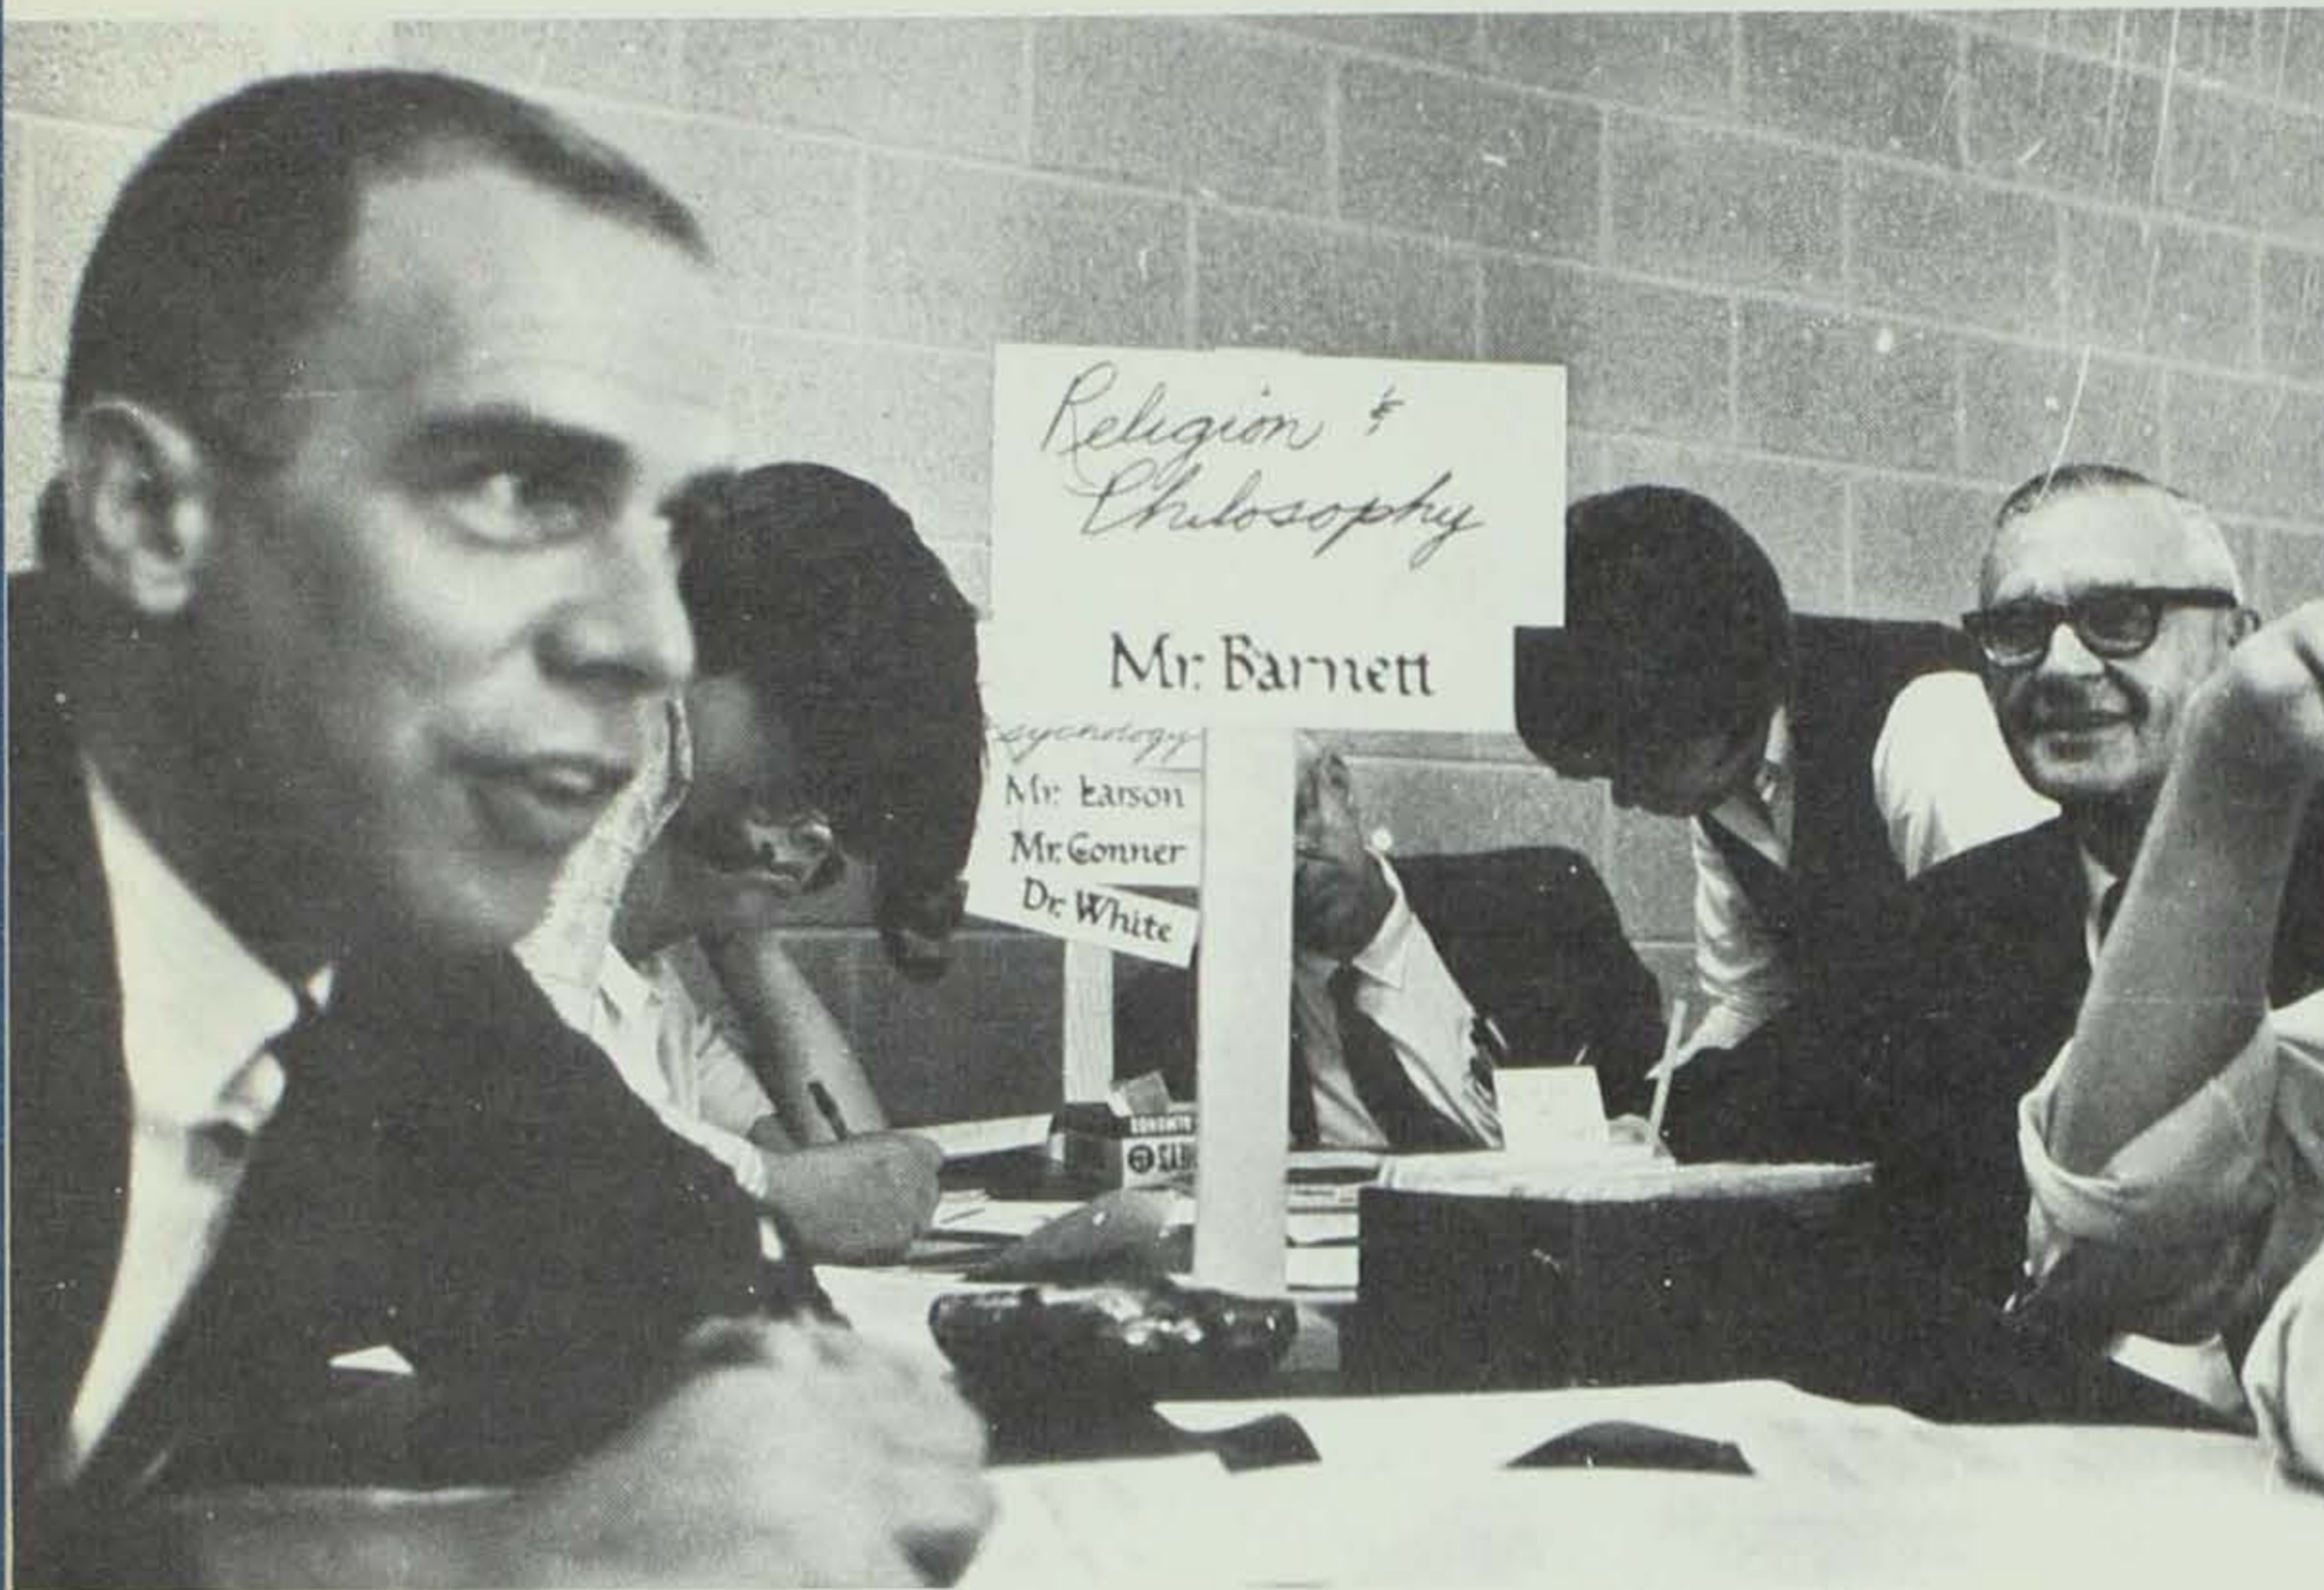

At left; A naughty freshman is disciplined by his classmates.

Below at left; Forgetting cards, Marianne Patterson, Bonnie Mosher, Sandi Freke, and Al Kidd concentrate on miniature auto racing.

Directly below; The first few days give freshmen from all over the nation a chance to get acquainted.

FRANTIC FROSH

At left; Dr. Barnett philosophically says, "I'm sorry, all the courses you want are closed."

Below center; Organized chaos reigns as freshmen register in the Little Theater.

Buena Vista provides the usual college problems. There is the hectic frustration of registration, the decathlon of finals, and the agony of grades; the anguish of term papers and 199's.

However, Buena Vista offers its own special delights: Flagg's delicious homecooked hamburger, hash, potato chips, and more hamburgers; an exciting, infinite variety of dances; vintage 1942 movies; and the Union.

At right; Roger Madden gets advice on his freshman schedule from Mr. Beckmann.

FUMBLINGLY FILLED OUT FORMS

Who can ever forget those memorable days in Chapel and Convocation, and those two-dollar fines? What would we have done without the spiritual ecstasy of religious emphasis week? Thus it is always.

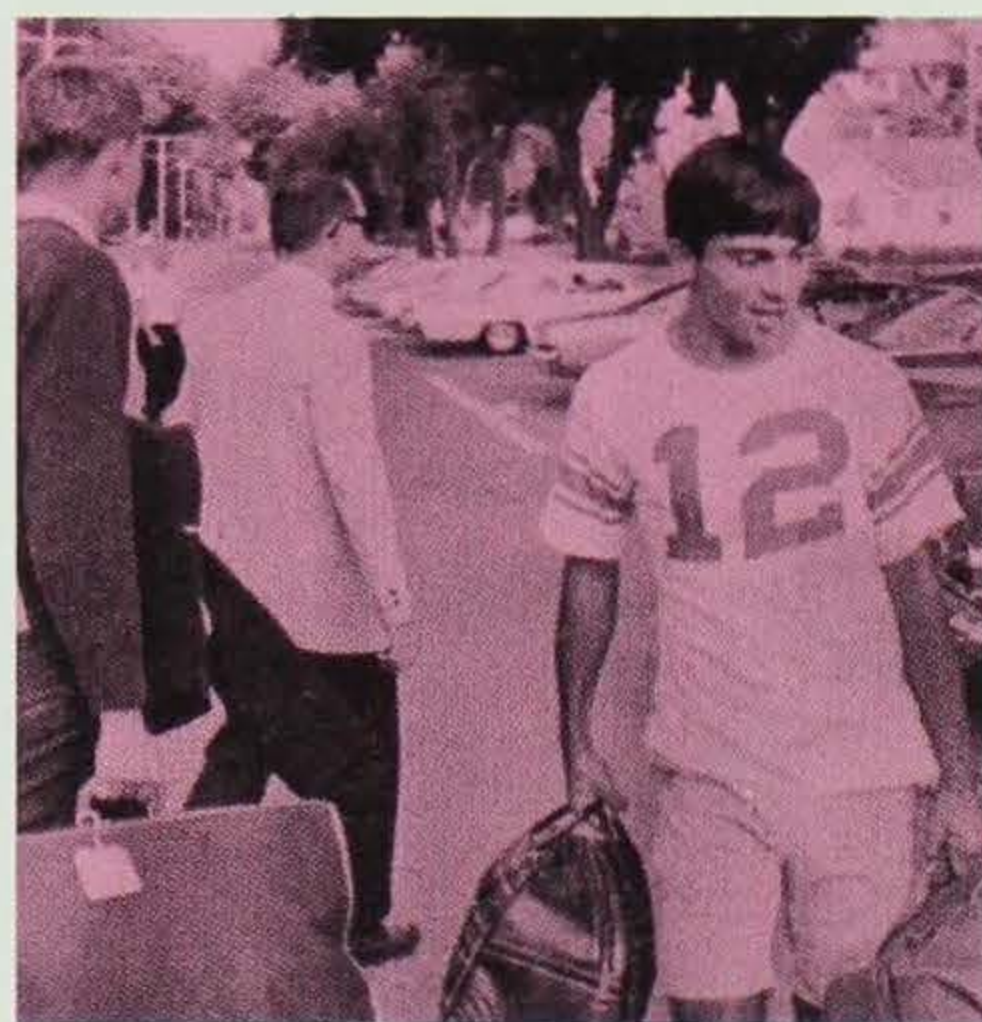

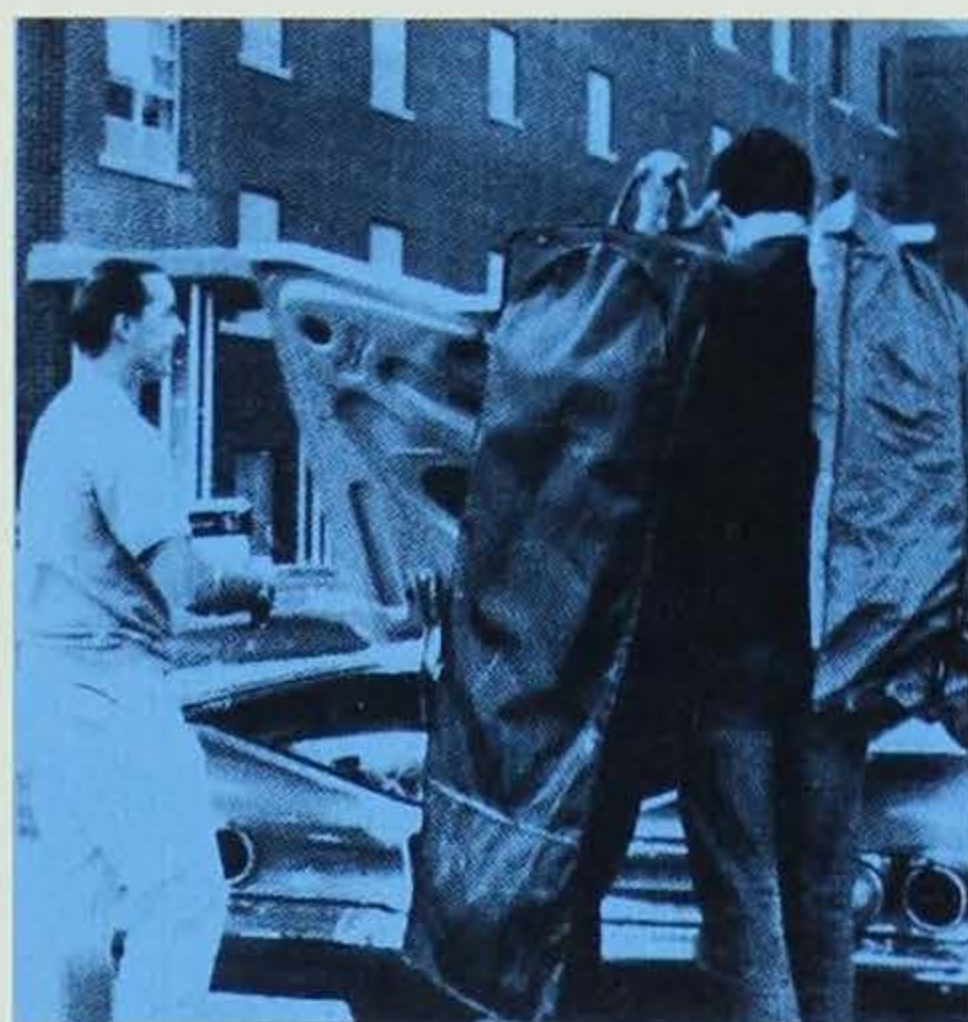

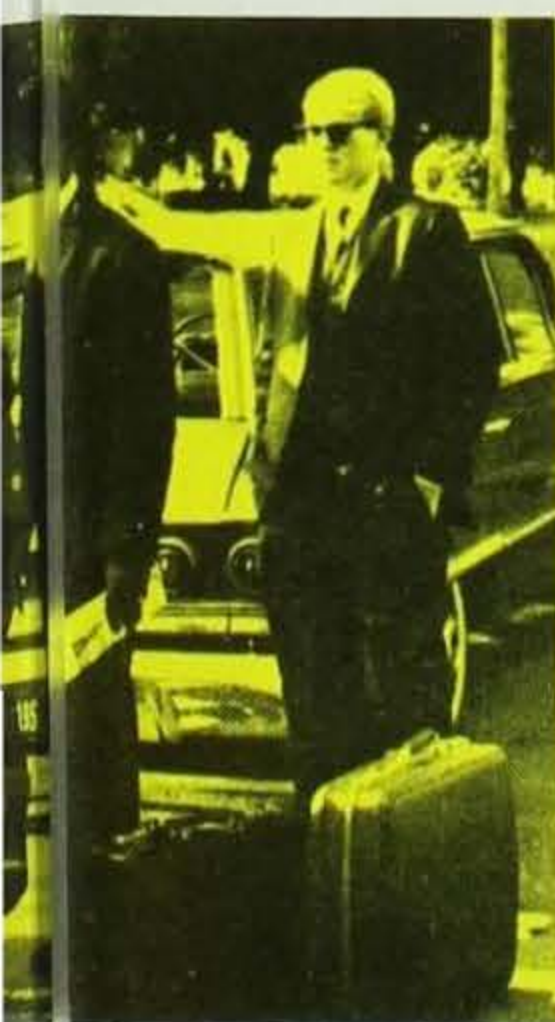

Above; Mr. Kang helps Kerry Tutt complete his schedule during registration.

Bottom of page left; Kerry offers his new roommate, Chuck Davis, a hand with his luggage.

Bottom of page middle; Tom Stephenson aids his friend in carrying up the last of his gear.

Bottom of page right; "Little Guinea" gets his first look at his new home-away-from-home.

CERF

Right; Bennett Cerf is a guest on our campus for a day.

Below; Bennett Cerf talks off-the-cuff to students.

Occasionally, just for excitement, we had a riot or two. Once, we shocked them all with a go-go girl. Other times we listened attentively to the wit and wisdom of such distinguished men as Bennett Cerf.

But mostly it was hum-drum.

Right; A couple of old-pros trade experiences.

AND DEMONSTRATION HIGHLIGHT FALL

Whatever it was, Heaven or Hell, Buena Vista became our home for a few months and we loved and hated it.

Thus it is always.

COURT PRESIDED OVER HOMECOMING

The contest for Homecoming Queen gave each campus organization a chance to sponsor a queen candidate. After the contestants were introduced to the student body during a Convocation, the students voted for seven girls to be finalists. Prior to the voting for Queen, each organization sponsoring a finalist conducted an intensive poster campaign for the girl of its choice.

Miss Helen "Teddy" Wackher was chosen the 1966 Homecoming Queen. Teddy was sponsored by the Delta Phi Rho Fraternity, and had been a member of the previous year's Homecoming Court. She was a twenty-one year old senior from Palatine, Illinois, majoring in elementary education. The remaining finalists formed the Homecoming Court. Lynn Richarz, a twenty-one year

old senior, was sponsored by Swope Hall. She was a biology major from Sioux City. Michelle Pelle, a twenty year old junior from Baldwin, New York, was sponsored by the Lettermen and was a biology major. Marianne Patterson, a twenty year old junior, was from Knoxville, Iowa. She was sponsored by Circle K and was a Spanish major. Ruth Heglin, a twenty-two year old senior, was sponsored by Gamma Sigma Phi Fraternity. She was an elementary education major, from Glidden. Judy Milazzo, a twenty year old junior from Clarendon Hills, Illinois, was sponsored by the choir, and was an elementary education major. Pat Freeman, a twenty year old junior, was from Kent, Connecticut. She was sponsored by Phi Alpha Pi Sorority and was a biology major.

MARKED HOMECOMING

The stroke of twelve, noon, on Friday, October 21, signaled the official beginning of the 1966 Homecoming weekend. By car, foot, piggyback, and marching in the band, most students reached the Bank Corners, where the traditional pep rally took place. The introduction of the football players to the eager crowd was punctuated by band music, cheers led by

the cheerleaders, and spontaneous roars from the crowd. Thus fired up, the students flocked back to the campus, to watch the frosh and upperclassmen battle with hoses over a basketball. No one knows which team of wet warriors won, but all agreed the freshmen had avenged themselves for the upperclassmen's "Beanie Courts".

HOMECOMING VARIETY SHOW WAS THE

The 1966 Homecoming Variety Show emphasized satire and parody as well as musical talent.

Winner of first place in "Theme" category was Gamma Sigma Phi Fraternity with their skit, "Super Jock Jones." Second Place winner was Phi Alpha Pi Sorority whose skit was a humorous satire on campus manners and mores.

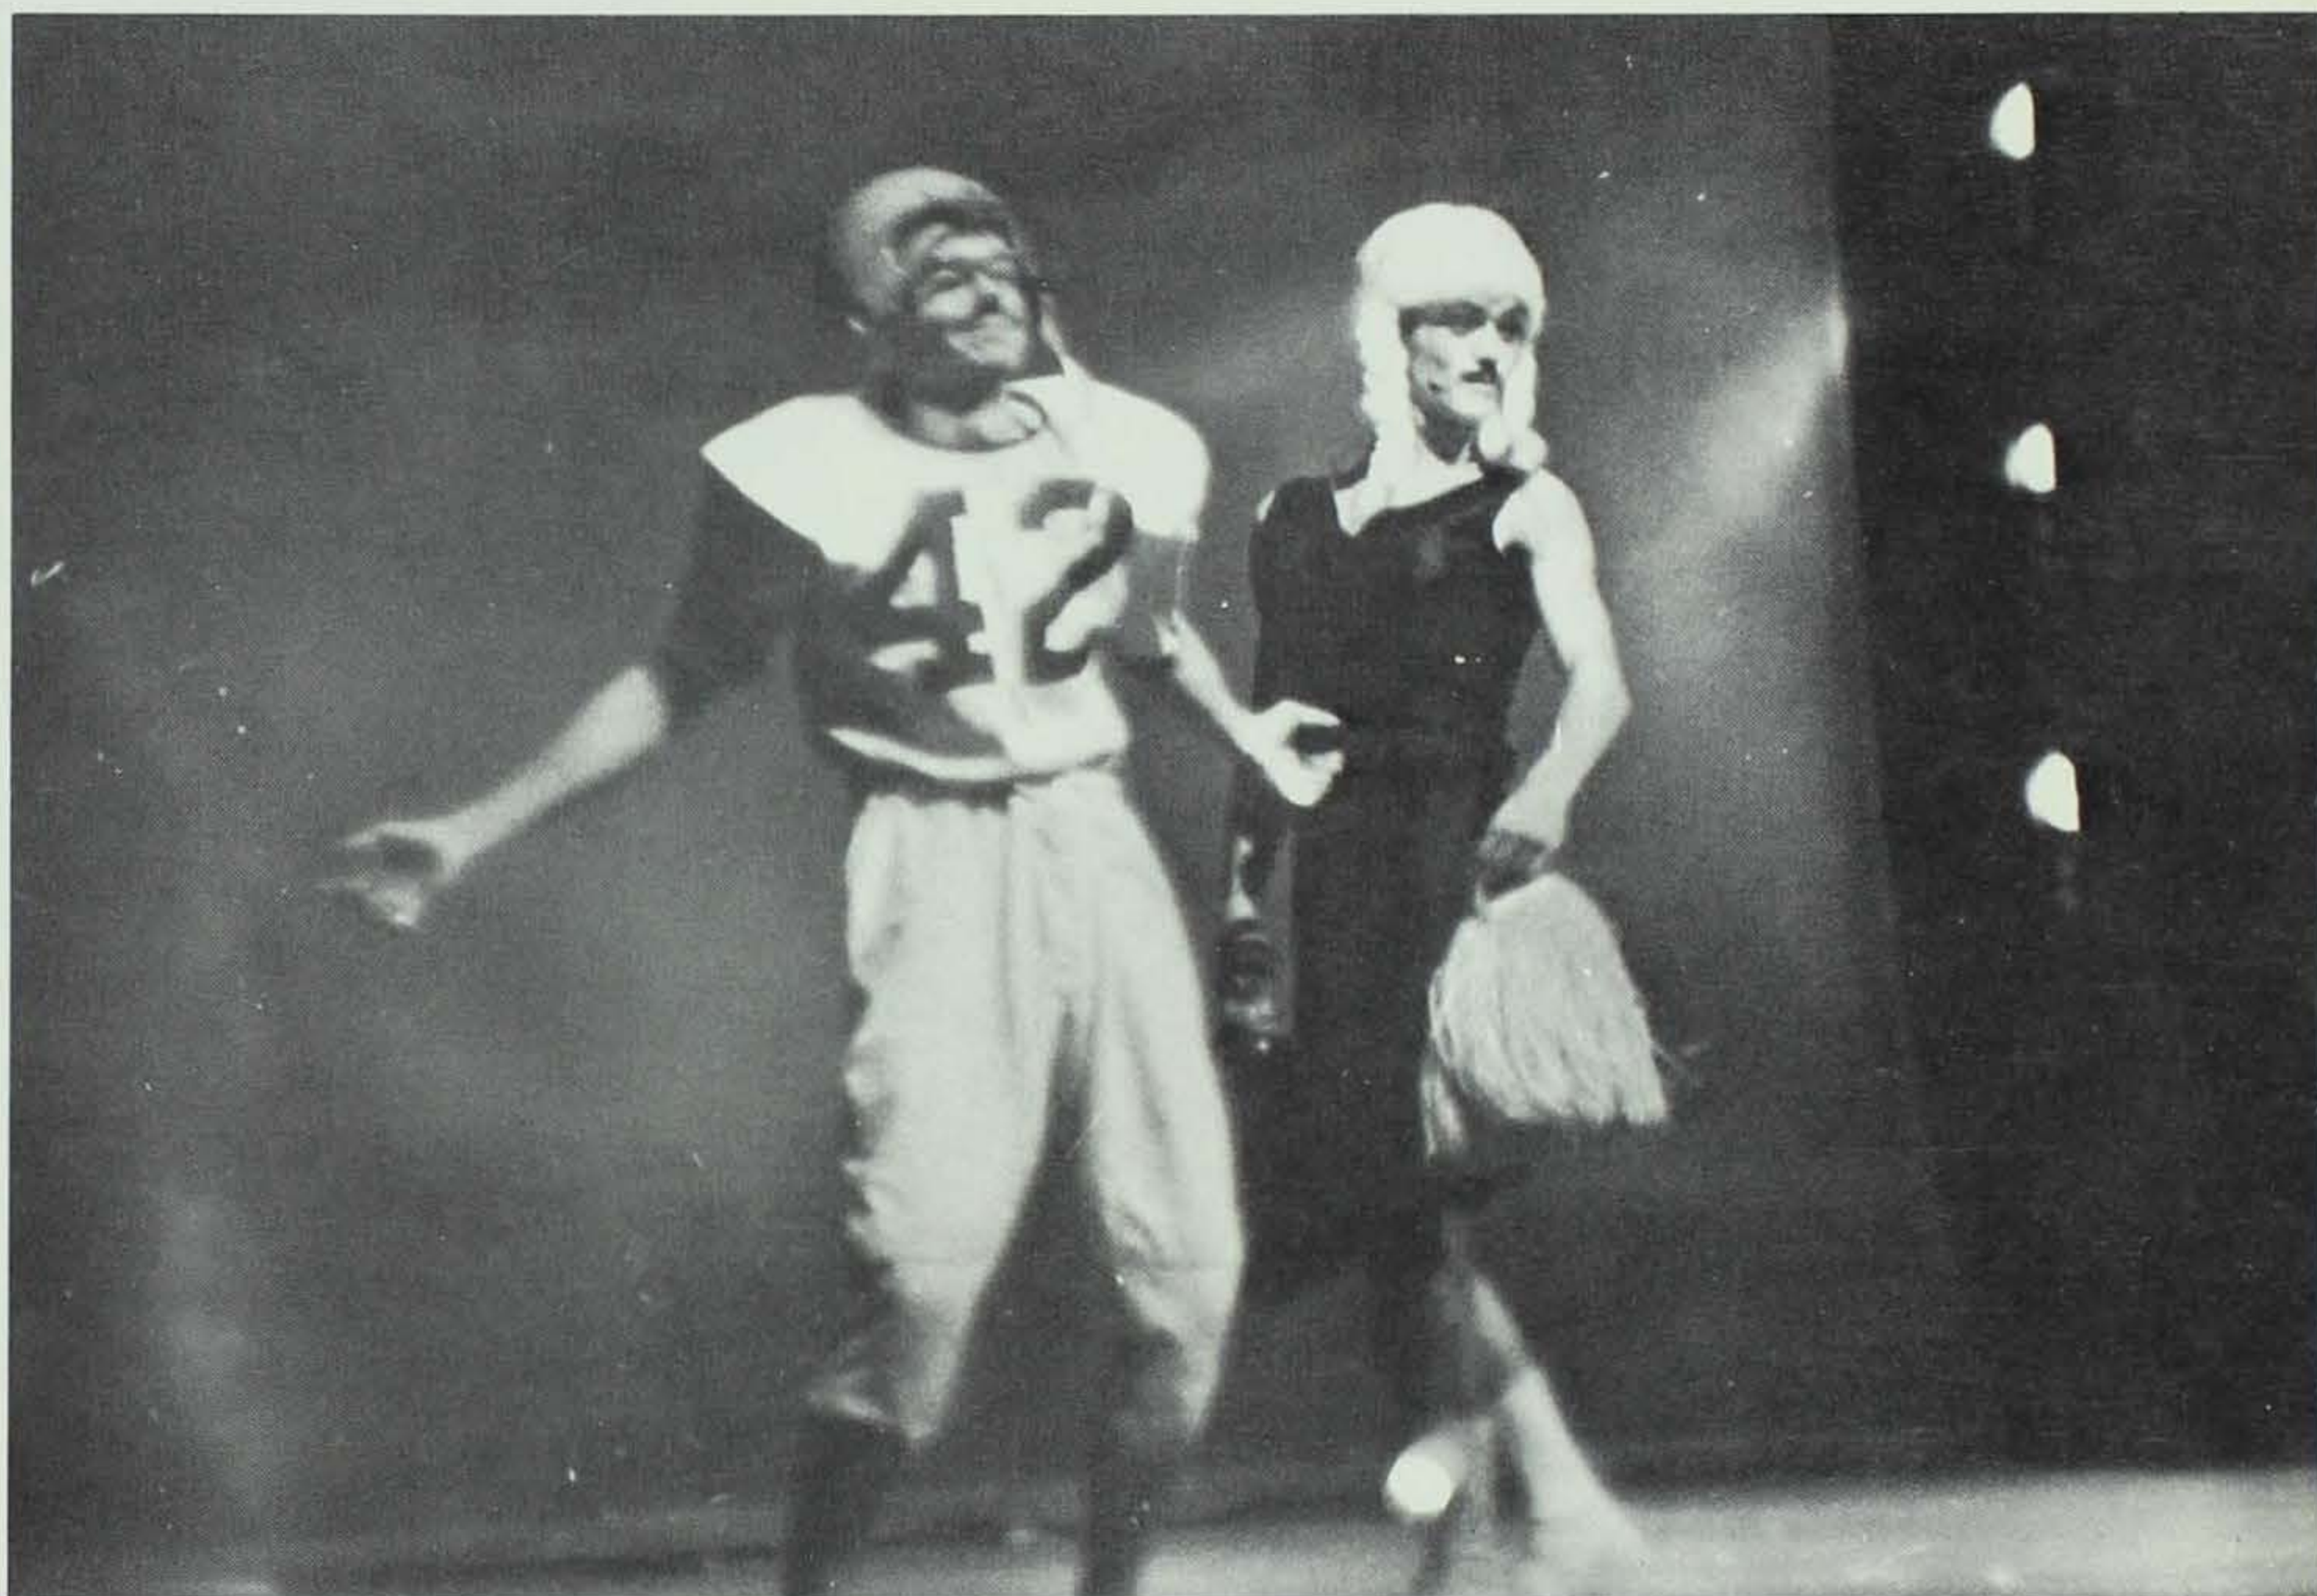

The first place prize in "Talent" category was won by freshmen Chuck Davis and Rick Cashman. Davis sang an original song by Cashman while the composer accompanied on the guitar. Winners of the second prize were folk singers Alan Parker and Steve Richardson.

Kappa Tau Delta presented "The Man From W.E.N.D.E.L.L.," a hilarious skit spoofing the administration. The Delta Phi Beta sorority presented "Knightly Repair Shop," correctly predicting the defeat of the Wartburg Knights. Delta Phi Rho presented a quartet of folk Singers.

At the climax of the Variety Show, Master of Ceremonies Gene Poklitar announced that Teddy Wackher had been elected Homecoming Queen.

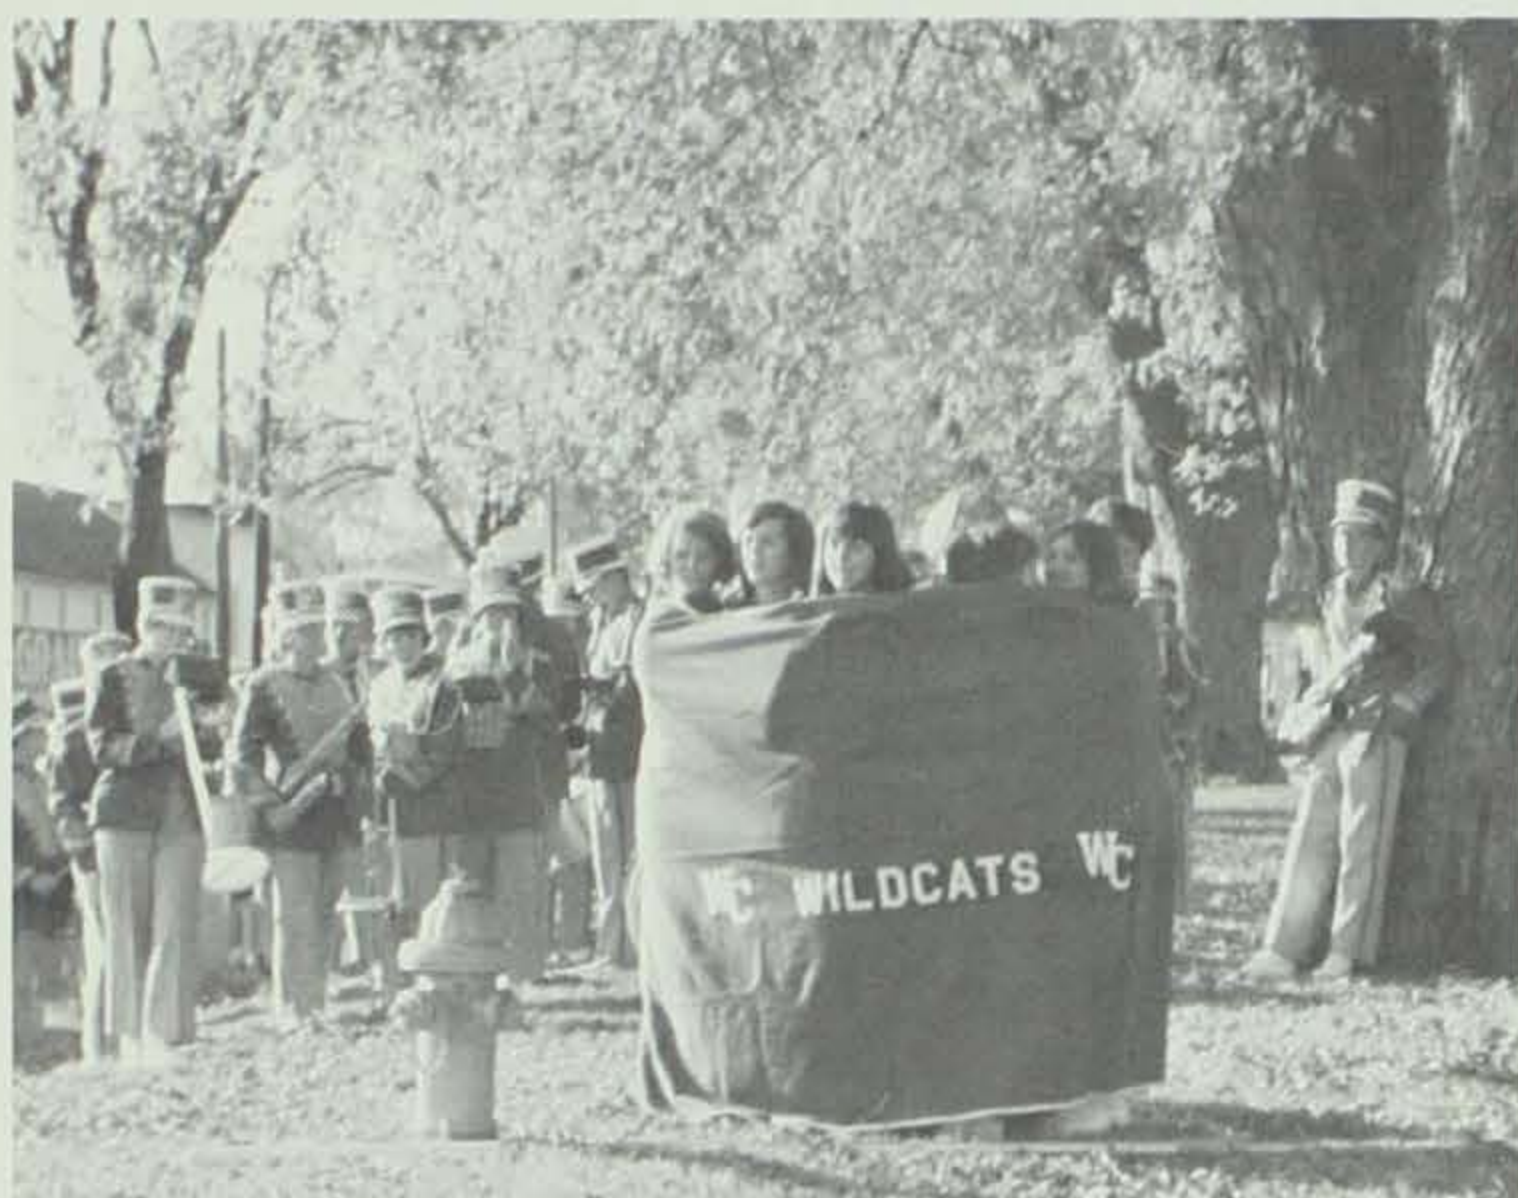

BIGGEST AND BEST EVER PRESENTED

The Homecoming Parade was a success despite strong winds that tore at high band hats and floats. Forty-five bands, a large number of floats, and entries by Storm Lake business men took part in the Parade.

One of the many visiting bands is shown warming up.

LARGEST PARADE EVER

Delta Phi Beta—Sweepstake Winner

Pi Kappa Delta

Phi Alpha Pi, school spirit winner

The float built by Phi Alpha Pi Sorority won the "School Spirit" award. Gamma Sigma Phi Fraternity was the "Theme" winner. The Circle K float "Education for Service" took the "organization" prize. Delta Phi Beta Sorority grabbed the Sweepstakes with their entry theme of which was "Frost The Knights." Highlight of the parade was a motorcade with Queen Teddy Wackher and her court. Grand Marshal of the parade was Dr. Henry Cumberland.

Following the parade was a giant barbecue in the college cafeteria for students, alumni, guests, faculty, and band members.

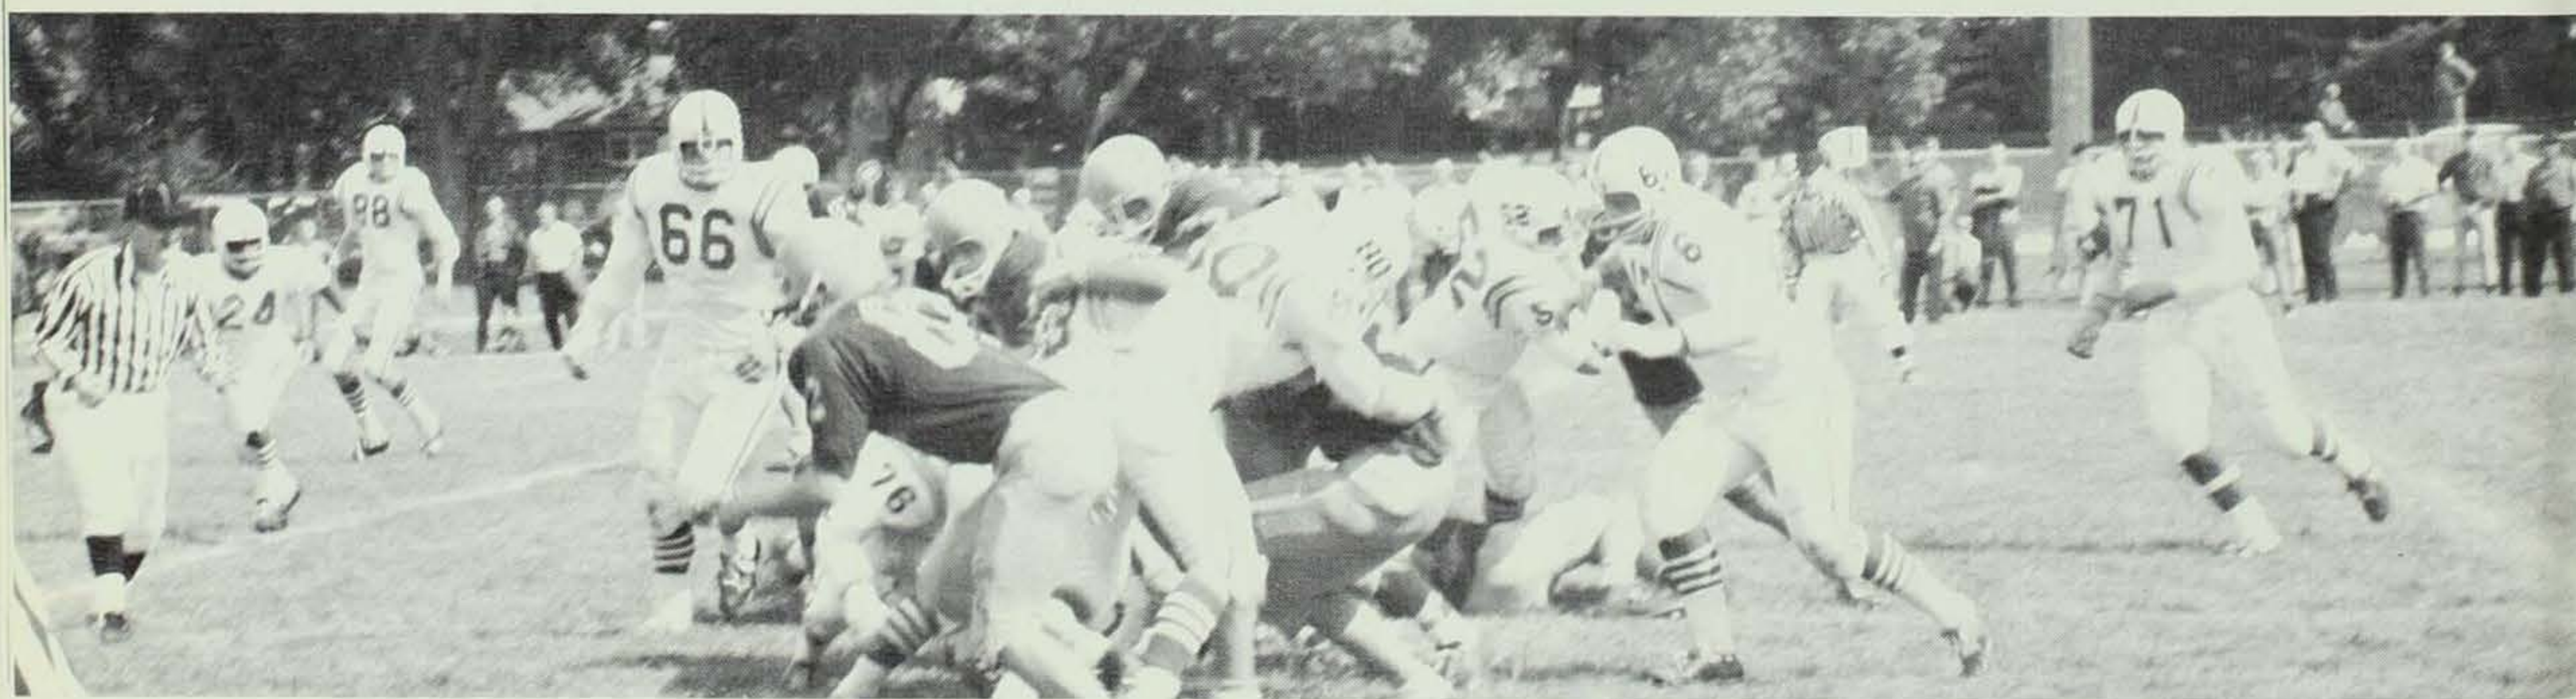

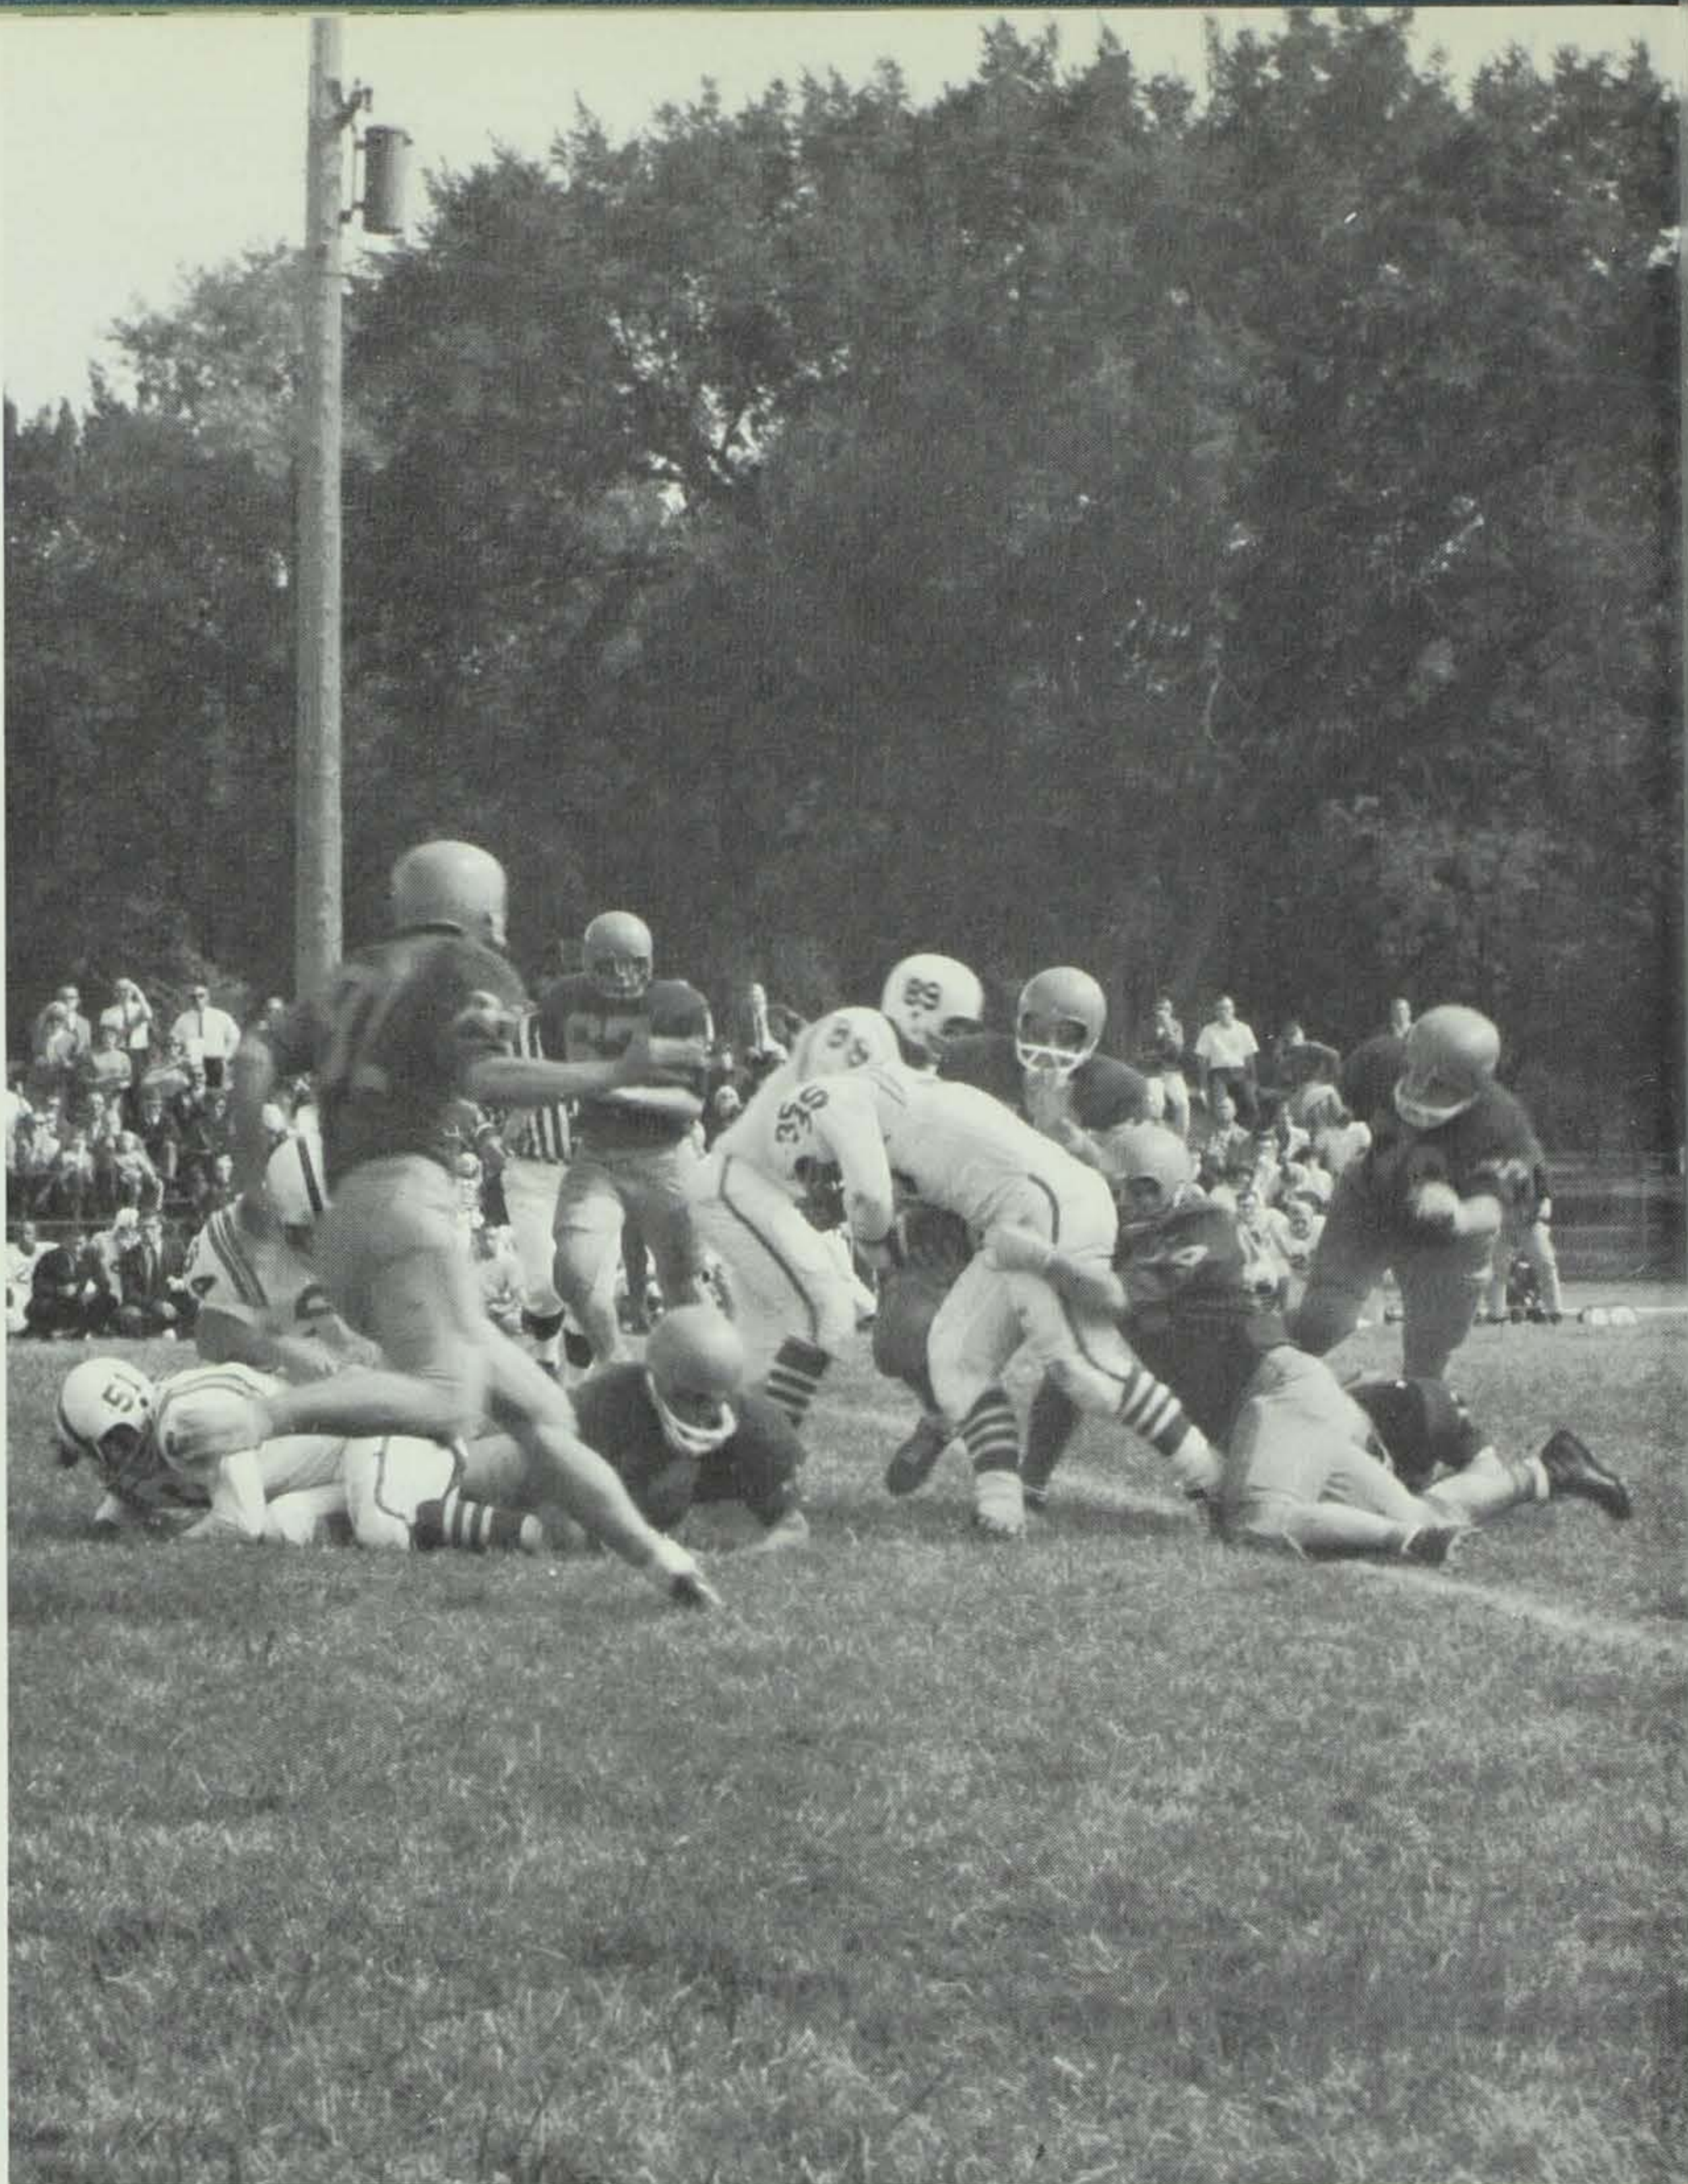

Many hundreds were fed at the barbecue following the parade

For the first time in five years Buena Vista won a Homecoming football game, defeating the Wartburg Knights 32—28.

Keyman in the Beaver victory was quarterback Rick Wulkow, whose passes accounted for four touchdowns, and who ran the ball in for another score. End Phil Wells caught three of the touchdown passes, while halfback John Peterson snagged another pass and scooted thirty yards for another score.

With seconds left Buena Vista held a slim four point margin. Wartburg threatened to score, but linebacker Dan Ott intercepted a Knight pass. The Beavers tried to run out the clock, but were unsuccessful and the Knights took over again. In desperation the Wartburg quarterback faded back to pass, but was snowed under by the Beaver line as the final gun sounded, with Buena Vista on top, 32—28.

GAME, DANCE CLIMAXED HOMECOMING

THE HOMECOMING DANCE,
TRADITIONAL LAST EVENT OF THE
BIG WEEKEND ...

... A FITTING CONCLUSION TO THE
BIGGEST AND MOST EXCITING HOME-
COMING IN BUENA VISTA HISTORY.

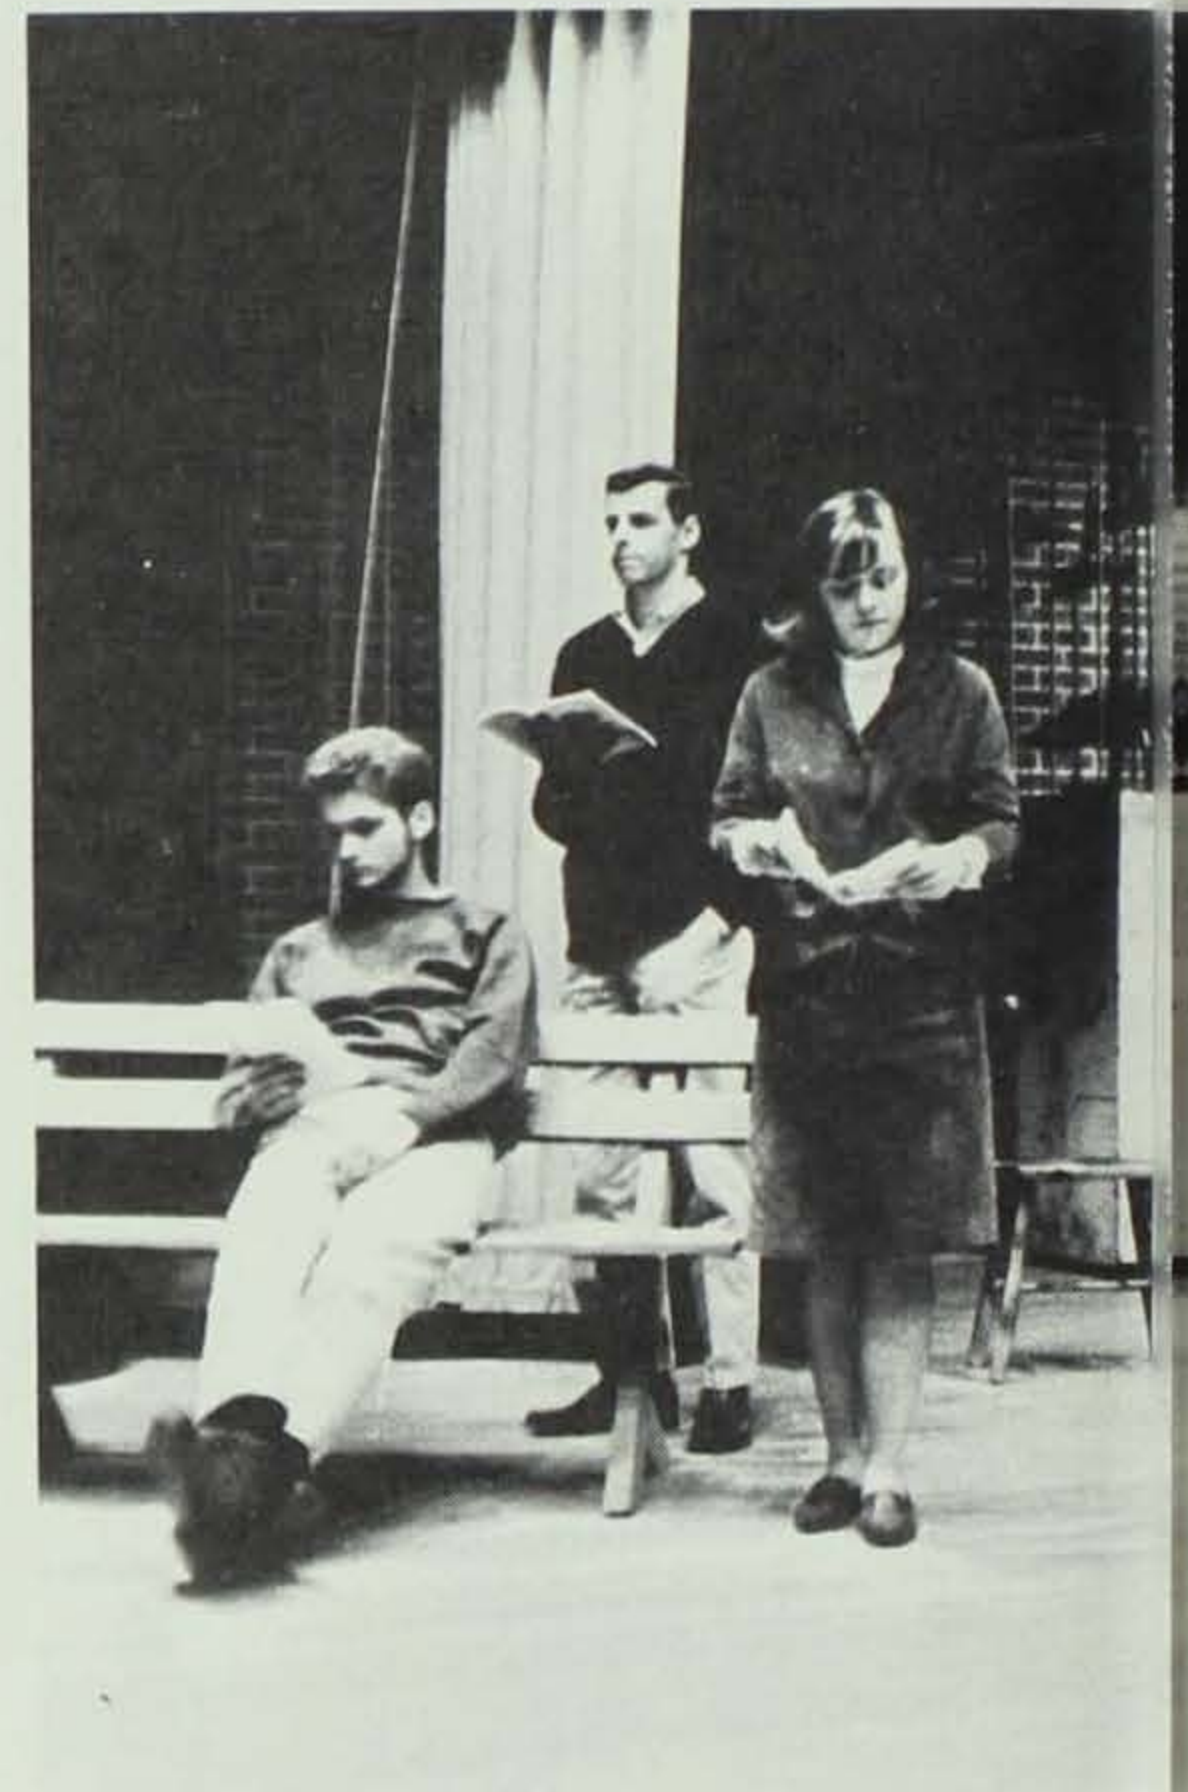

To properly set the idyllic scene the Freshmen showed their flair of talent in decorating the hall, the National Guard Armory in Storm Lake. Students and alumni danced to the music of a great band, and enjoyed renewing acquaintances. This was a "victory" dance, truly a happy event for Buena Vista.

DRAMA DEPART

The purpose of the Drama Department was to present a wide variety of plays from various authors in different literary periods.

Practice for *The Crucible*.

Moliere's *Tartuffe*.

Three Sisters practice.

The third major production was staged at the end of April. *Three Sisters*, by Anton Chekhov, a nineteenth century Russian playwright, concerns people who long for full and useful lives, but are frustrated by circumstances and by their own personalities.

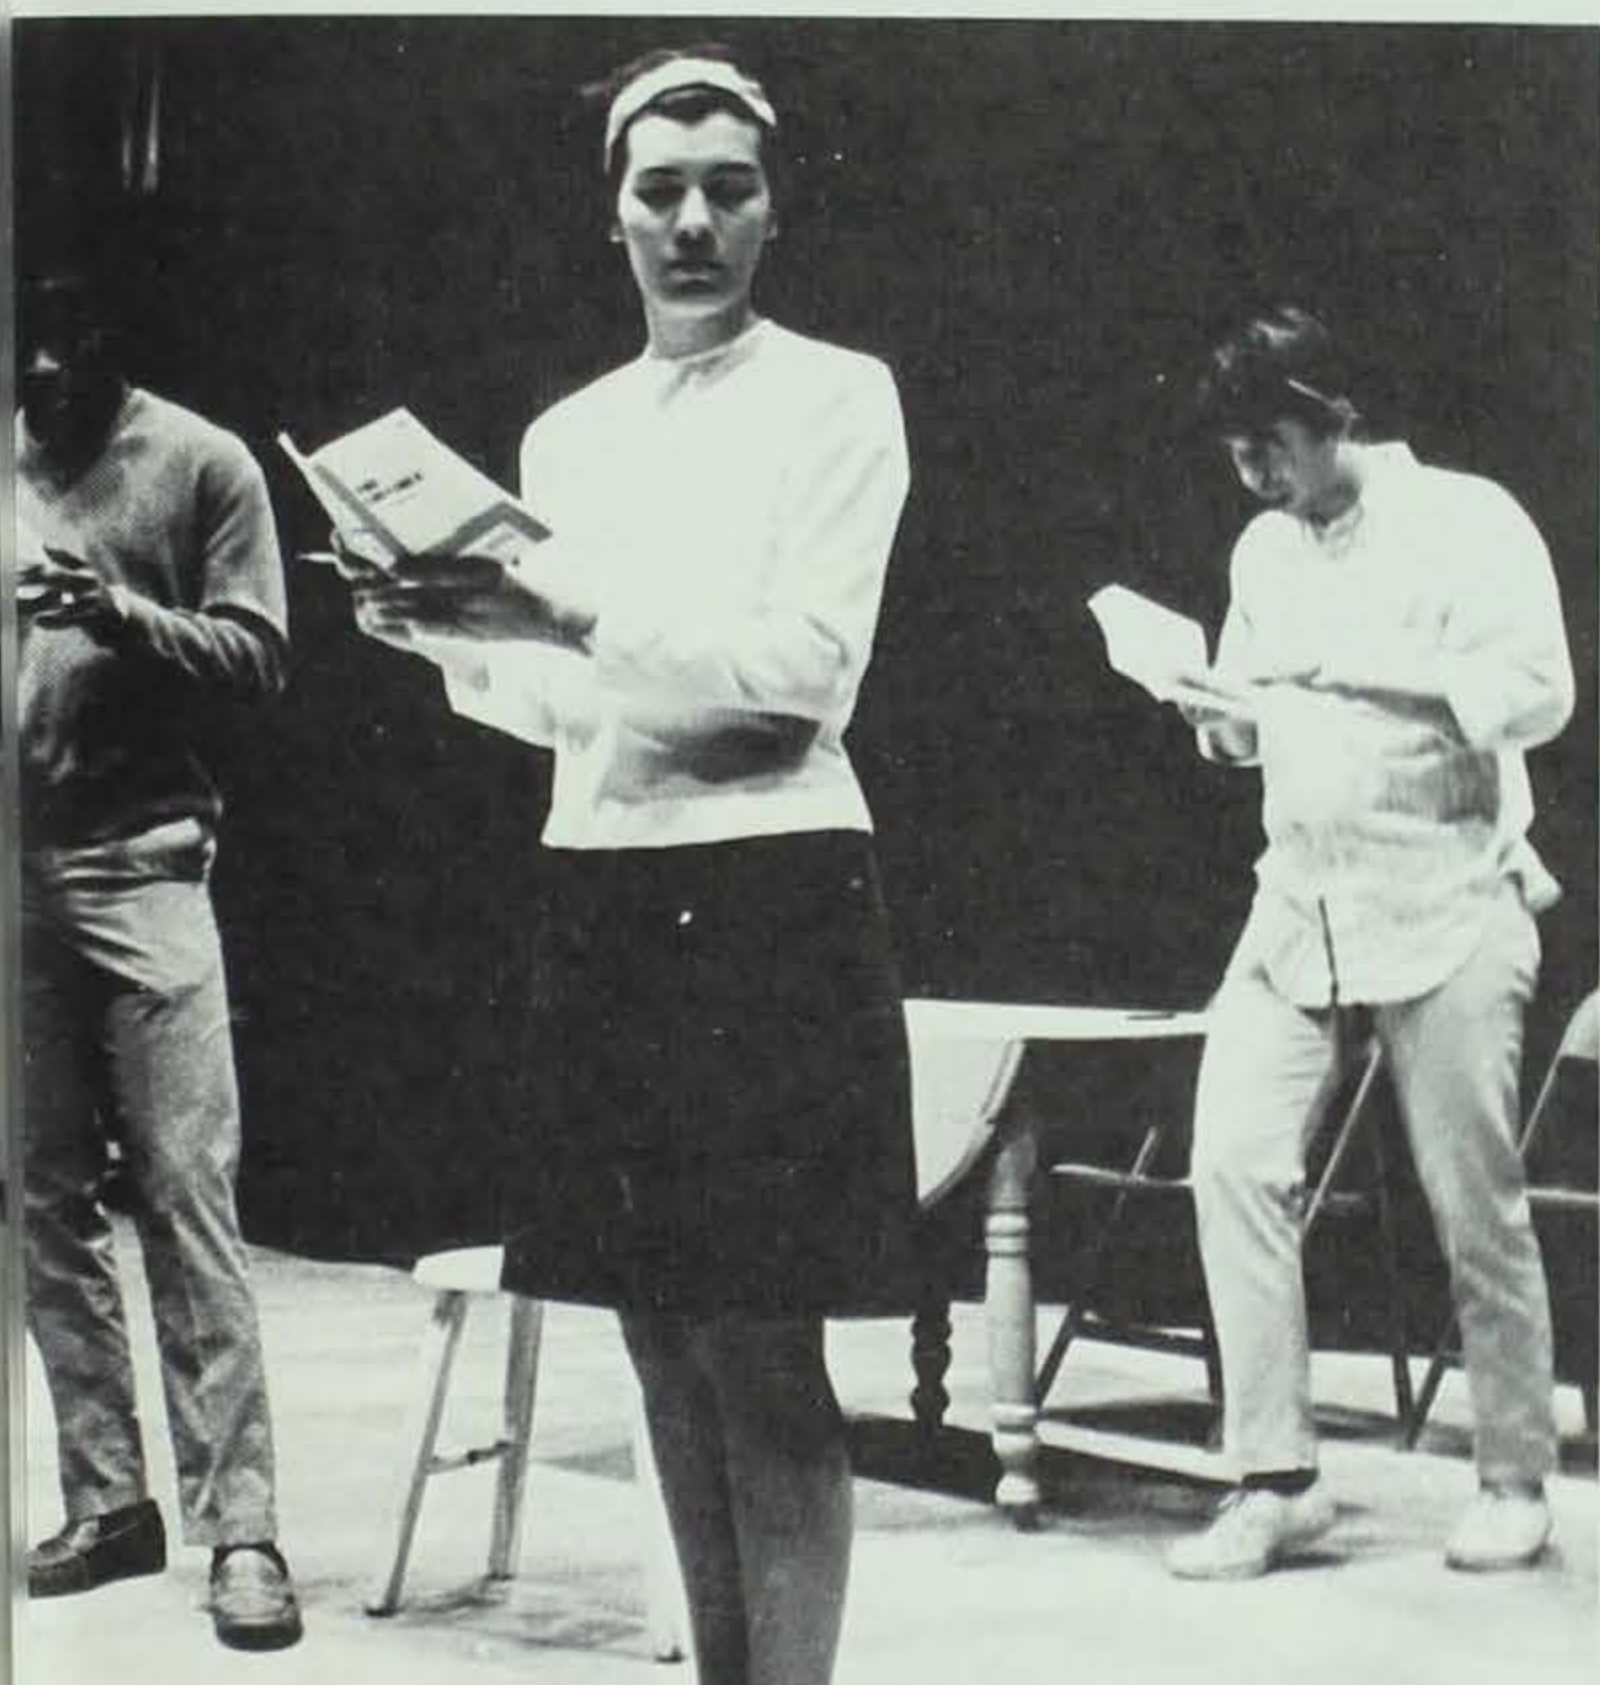

The play was given in the Little Theater as an arena production. Included in the cast were: Andrey Prozorov, Joseph Spataro; Natalia Prozorov, Linda Delbridge; Olga Prozorov, Linda Hoffman; Maria Krolyghin, Anita Gustafson; Irena Prozorov, Alice Madsen; Fiodor Krolyghin, James Struck; Col. Vershinin, Denton May; Vasily Soliony, Weldon Crabb.

MENT STAGED VARIETY OF PRODUCTIONS

The year's first production, given in November, was *The Crucible* by Arthur Miller. It dealt with the seventeenth century witch trials in Salem, Massachusetts. John Proctor, the hero, is falsely accused of witchcraft, and although condemned to die, refuses to admit any guilt. The cast included: John Proctor, Peter Ciccone; Elizabeth Proctor, Alice Madson; Abigail Williams, Kitty Hardgrove; Rev. John Hale, Stanley Longman, and Mary Warren, Sandi Hildebrandt.

Practice for *Three Sisters*

Tartuffe, presented early in March, was written in 1664 by the Frenchman, Moliere. It is about a seemingly pious man, Tartuffe, who wins a hold on one gentleman's mind, and while pretending to be a moral example, attempts to gain possession of the man's property. It is an attack on hypocrisy in all forms. Among the cast were: Elmire, Anita Gustafson; Dorine, Sandi Hildebrandt; Damis, James Brophy; Cleante, Alan Parker; Mariane, Joyce Determan; Orgon, James Struck; Valere, Peter Ciccone; Tartuffe, Weldon Crabb.

James Struck, actor of the year, puts on the finishing touches.

Arthur Beaulieu at the light board.

Two one-act plays were given in the Little Theater. "Hughie," by Eugene O'Neill and directed by Robert Rohden, and "The Bald Soprano" by Eugene Ionesco and directed by Ben Mordecai. The latter play was also given during convocation with the following cast: Peter Ciccone, Mike McDuffie, Sandi Hildebrandt, Linda Hoffman, James Brophy, and Mary Steiner.

Also active was the Pantomime Troupe, which performed its silent art before the college students and high school audiences. Participating as mimes were: Alice Madsen, Ben Mordecai, Peter Ciccone, Mike McDuffie, Joyce Determan, K. C. Parkinson, Chuck Davis, Pat Innanen, and Ingrid Halverson.

"The Bald Soprano," by Ionesco

Play practice started early.

Actors went through a great deal to get ready for "The Show."

The 1967 Fine Arts Festival extended over almost a month. During this time college students and townspeople were treated to concerts by The New York Sextet, the college band and choir, a performance of *Three Sisters* by the drama department, art exhibits by the St. Cloud State College faculty as well as by Buena Vista's own students, a convocation piano concert by Mr. Dayton Fowler Grafman, and two lectures on modern art by Dr. Lester D. Longman of the University of California.

The 1967 Festival was undoubtedly the best in history and gives hope for an increase in interest in the fine arts on the Buena Vista Campus.

OF ACTIVITIES AS SPRING ARRIVED.

SPRING, WITH HER GOLDEN SUNS AND SILVER RAIN, IS WITH US ONCE AGAIN.

—Timrod

Free hours are fun hours and the nature study of day turns to the "finger-pickin' fine arts" when the sun goes down. Music 'like they don't teach in class' is the subject matter to which all give their relaxed attention.

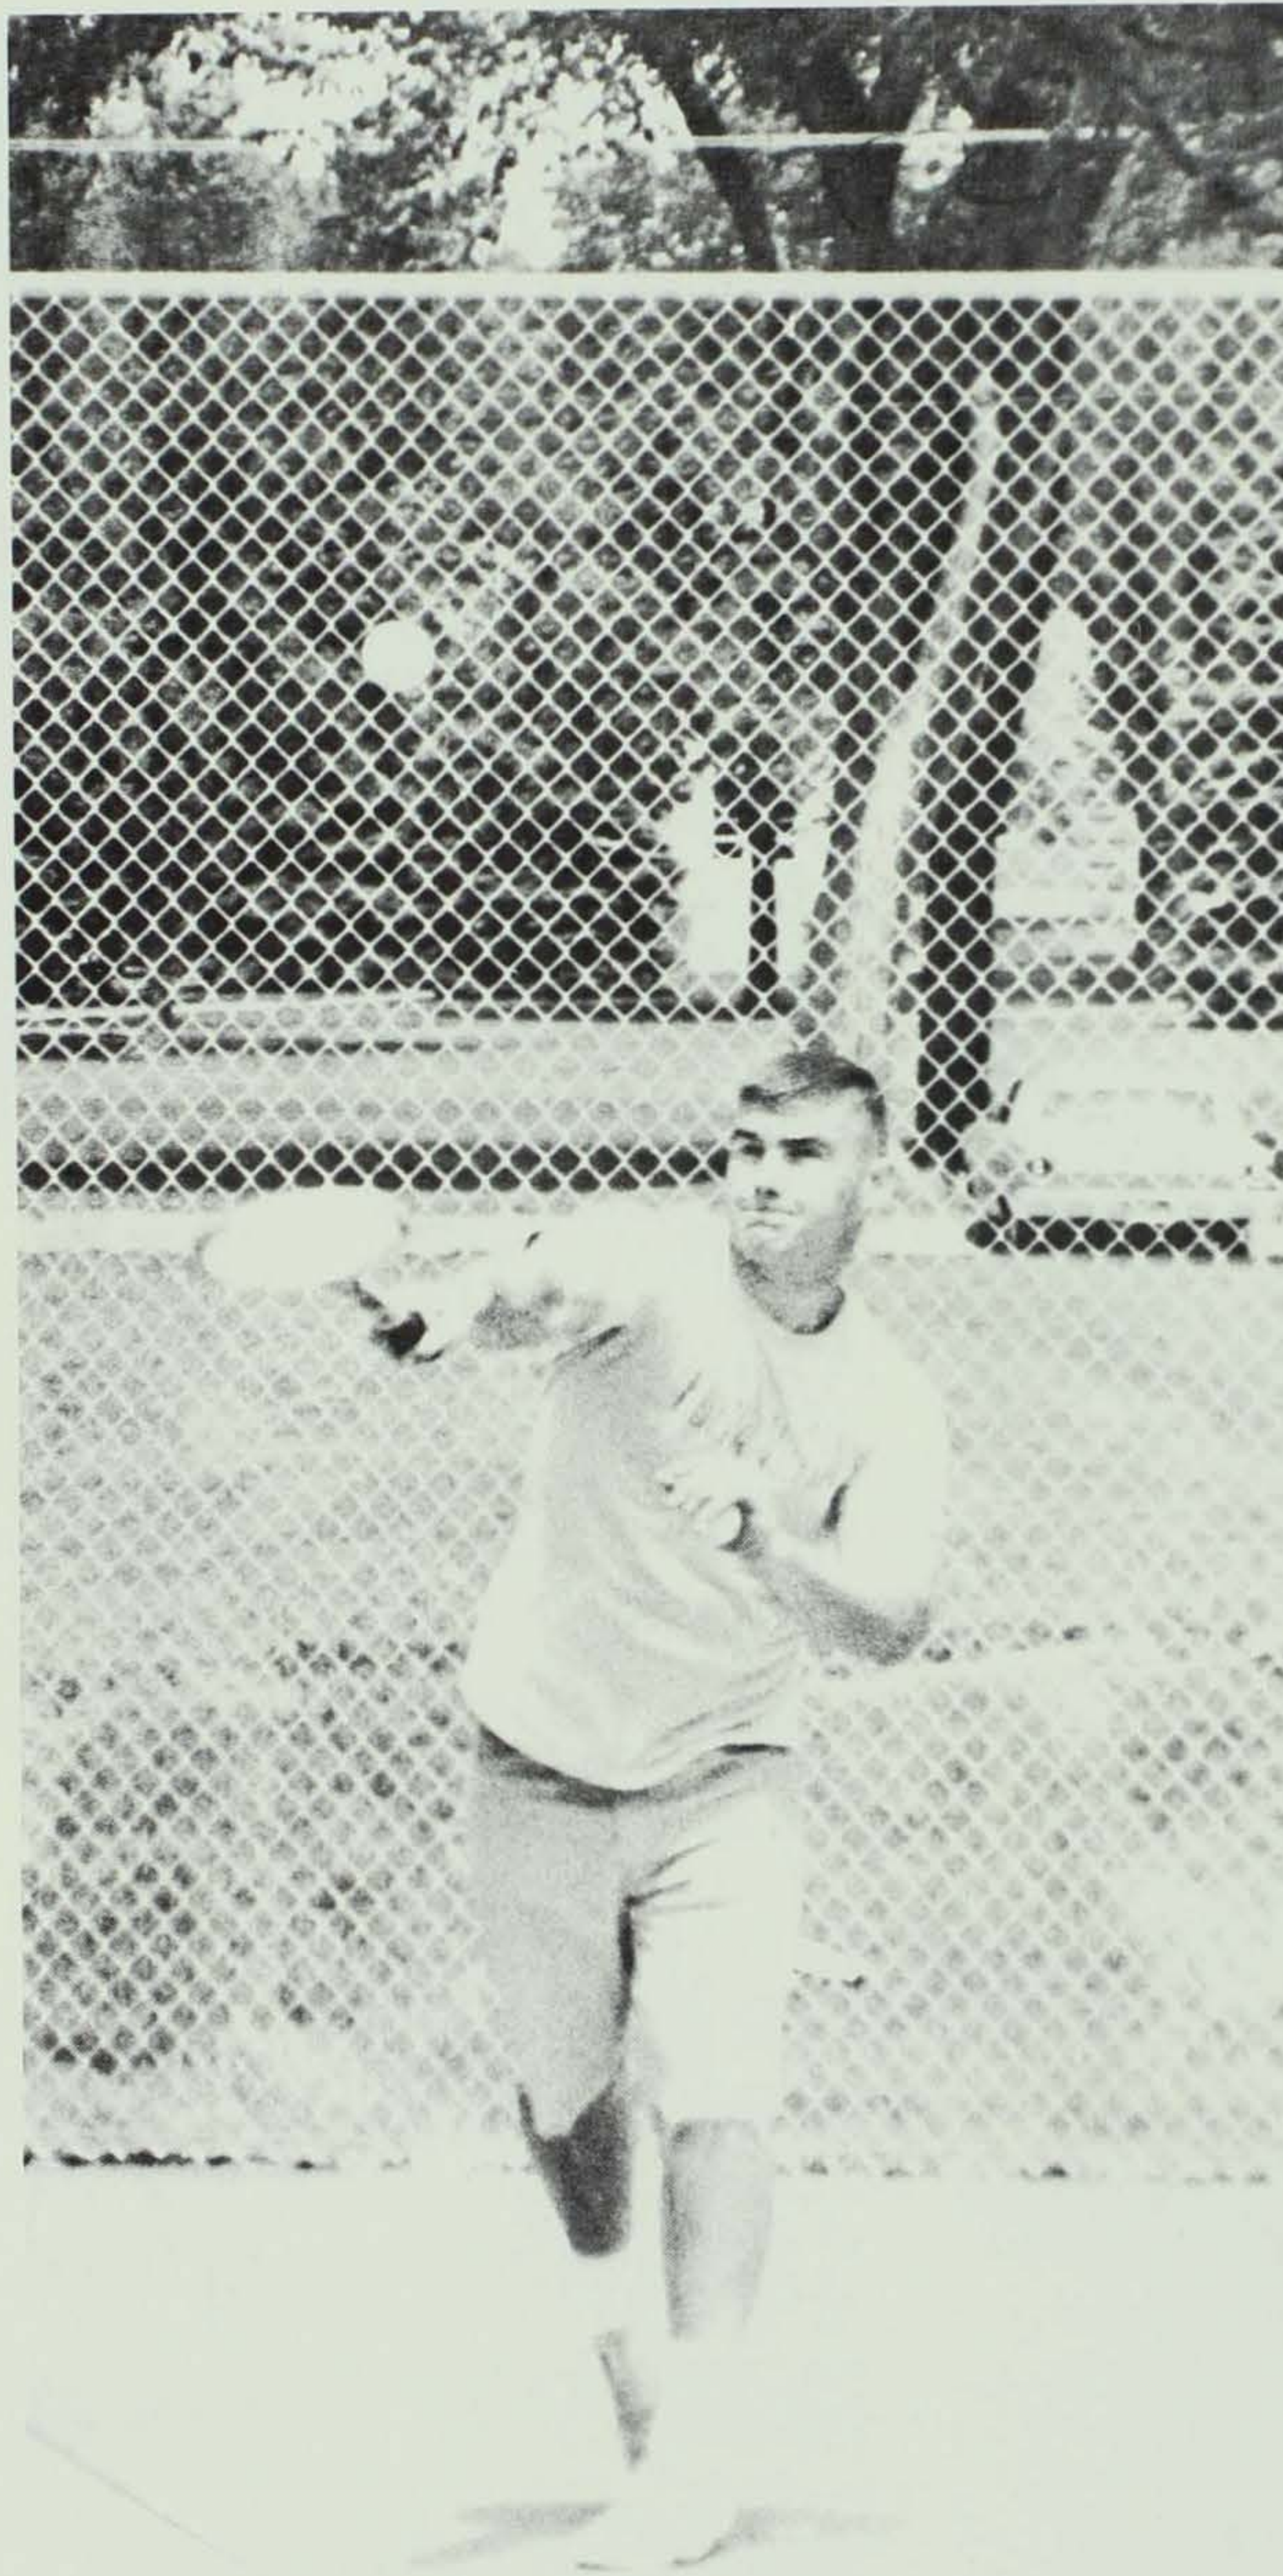

The lake, its sand beaches, the billowing sail, new grass, birds on the wing, the budding trees, the lengthening warm days—all signaled the call to study the "natural sciences." Although no college credits were given for this extra-curricular "study" those participating gave it credit for furnishing some of their best hours at good old Buena Vista!

SPRING EMPHASIS WAS ON S

Rich Early tried his hand at tennis.

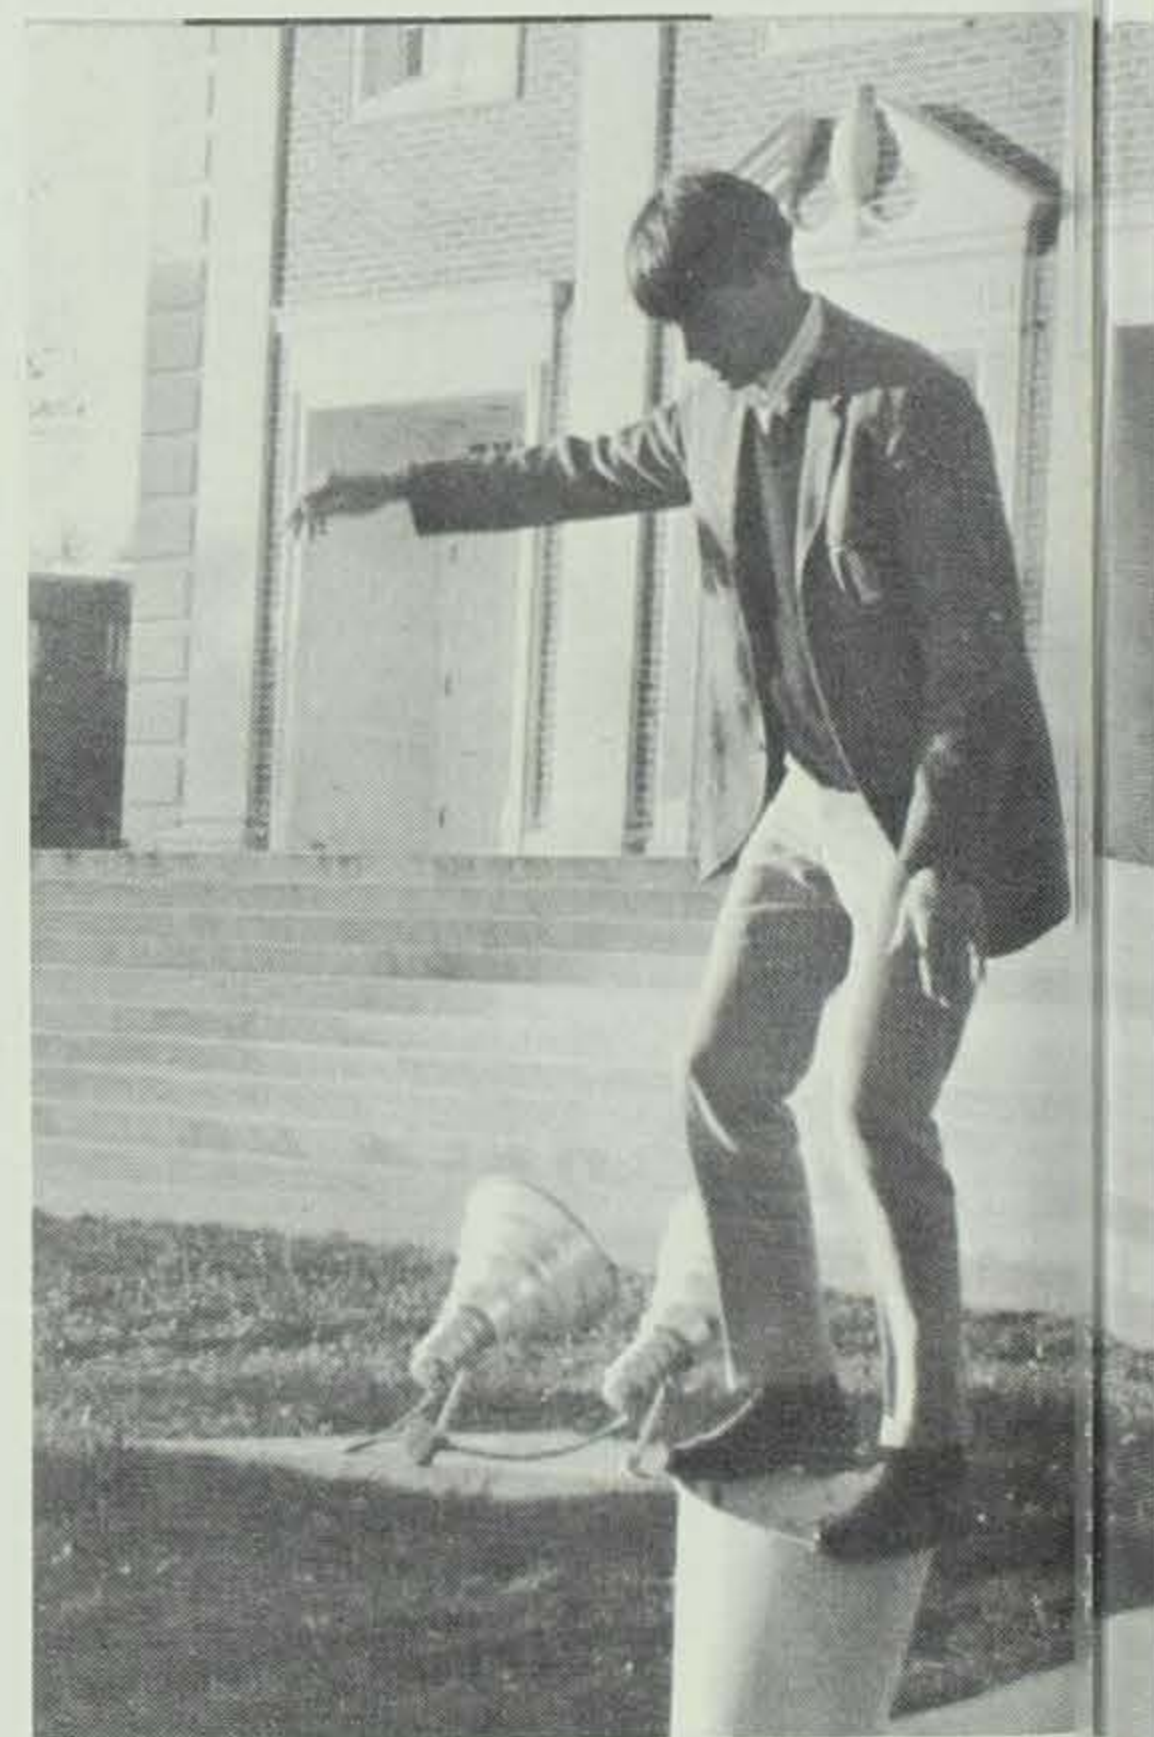

Spring brought with it a flurry of activity. There was a greatly increased interest in both inter-collegiate and intramural sports, including the best softball intramurals to date.

Spring fever even touched the faculty. Faculty members, under the guidance of manager "Casey" May, fielded their own softball team. It proved to be Buena Vista's answer to the New York Mets.

Spring was also a time for the organizations to take tours. Highlighting these were the baseball tour to the South and a Western tour by the Band, both of which were very successful.

Dave Gabrielson and Frank Math tried some acrobatics.

WHO'S WHO, HONOR SOCIETY RECOGNIZED

WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES
STANDING, left to right, David Wolfe, Dan Ott. *SEATED*, John Peterson, Charles Pendleton, Dallas Jensen, Ellen Degner, Anita Gustafson, Trudy Lane, Linda Williams.

WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES is a national organization with which Buena Vista College has been associated since 1949. For a student to be selected for recognition in this organization's publication is one of the greatest honors which he can receive to climax a college career marked by scholarship, extra-curricular activities, and service.

Although the national body issues general guidelines for selection to Who's Who, the Buena Vista faculty determines the exact procedures and makes the final choice. Full time senior students with a minimum of ninety hours credit, forty-eight of which had been taken at Buena Vista, and a grade point average of at least 2.75 are considered. Students from this group receiving at least forty percent of the votes cast are elected to membership.

Announcement of and presentation of the Who's Who winners was made at the Awards Convocation in May.

The honorees for 1967 and some of their activities are:

ELLEN DEGNER, 21, majoring in Foreign Languages. Editor, assistant editor, staff member of Log, staff of Tack, SISEA, Student Council secretary, Phi Alpha Theta, assistant in Language laboratory. in one body persons interested in the development of high standards of scholastic achievement. Its first meeting was held on May 28, 1936, in the home of Dr. Luman Sampson, with the Society continuing to meet in Dr. Sampson's home for sixteen years.

Six students were initiated into the group that first year, and since that time more than 250 students have become members. In addition, six former students who had graduated before the formation of the society in 1936 signed the Nunc Pro Tunc (now instead of then) section, and in this way became members.

Members of the graduating class who had earned a minimum of 104 semester hours of academic credit with a grade average of 3.3 out of a possible 4.0 were eligible for membership. After presentation by their faculty advisors, the eligible seniors became members upon signing the society's scroll.

Students becoming members of the Honor Society this year included: Betty J. Bardole, Lorna M. Bonnema, Richard A. Brenzo, Tom B. Grapes, Anita D. Gustafson, Trudy J. Lane, Linda Layman, Alice A. Madsen, Ronald L. Olesen, Charles B. Pendleton, Dora L. Polzien, Margaret A. Sandine, William K. Stoakes, and Linda S. Williams.

Invited to be an Honorary Member of the Honor Society for her long and faithful service to Buena Vista College was Miss Dagmar H. Peterson, Associate Professor of Biology. She is the ninth person to be so honored since the foundation of the Society.

MANY INTERESTING EVENTS MARKED THE END

Mr. Max McCord of Indianola can never be accused of presenting a boring Convocation program. During the spring he arrived on stage and one by one called the coaches to be pre-

sented with a "gift." Mr. Beekman received several large bags full of baseballs, Mr. Ewalt a bunch of basketballs, and Mr. Naughton plenty of footballs.

In the picture above, Danny Southard is shown dumping a load of balls on a happy Coach Naughton. A check was presented to Dr. George Reynolds to start an athletic grant.

Highlight of the Junior-Senior Breakfast was the traditional lighting of the peace pipe. Dr. Wesselink explained that the pipe ceremony had been initiated to patch up the differences which used to occur between the Junior and Senior classes, thus insuring a peaceful graduation week. President Halverson, pictured below, lit the pipe and passed it to Student Body President and others at the head table.

Shown below at the table are Dr. Felix Cruz (voted "Most Popular Teacher" by the seniors), Marianne Patterson, Scott Whyte, Mr. L. E. Williams, Dr. Wesselink, President Halverson, and Dave Wolfe.

OF AN EXCITING YEAR

The Annual Awards Convocation was held in Schaller Chapel May 11, 1967, with Mr. L. E. Williams presiding.

Miss Henry presented Cheerleading Awards to Michelle Pelle, Ruth Heglin, Terry Etter, Kerri Hauser, Catherine Stark, and Ted Wise. Also presented by Miss Henry was the Girl's Intramural Award to 1st floor, Swope Hall.

Rick Wulkow won the Jerry Ibach Award, having won nine letters in athletics while at Buena Vista. Rick and John Peterson were honored as most valuable football players. The Men's Intramural Football Award went to 3rd floor, Pierce Hall, and the Intramural Basketball Award to the C. C. Riders. Presenting the intramural awards was Ray Vander-Velden. Other awards in athletics were presented as given on pages 104-119.

The Wall St. Journal Student Achievement Award was presented by Mr. Bonnema to Kenneth Stoakes. Circle K Distinguished Service Award went to Floyd Rogers, who also accepted for the local club the District Single Service Award. Bill Hill, newly elected Governor of the Nebraska-Iowa District Circle K, accepted the Governor's Banner from Steve Smith, retiring Governor. Dr. Christiansen presented the award bearing his name to Edward Urban as outstanding Chemistry student. Phi Alpha Theta Award in History was presented to Robert Kreft by Dr. Cumberland, and the Martha L. Barnes Award went to Linda

Harries, while Sue Klein received the Swope Hall Appreciation Award.

Student Council Awards, presented by Steve Smith, went to Dan Ott, and sponsors Dr. R. J. Tollefson and Jack Hobbs. The Yearbook award, also presented by Steve Smith, went to Mr. Denton May, assistant professor of English (see page 2-3).

MENC awards went to Gary Clark, Larry Knipfer, Robin Swartz. They were presented by Miss Heusinkveld.

The drama department presented the following awards; with Mr. Longman making the presentations: Best actor, James Struck as Orgon in Tartuffe; best actress, Anita Gustafson as Marsha in Three Sisters; best supporting actor, James Struck, Koolyghin, Three Sisters; best supporting actress, Alice Madsen, Irena in Three Sisters. Miss Madsen was also given a special award for devoted service to the drama department.

Mr. Green presented Band awards to John Meredith, Sally Johnson, Diane Clowes, Gary Clark, Charles Manning, Richard Chambers, Gary Moser, Robert Forbes, William Gast, Larry Knipfer, and Alice Madsen.

The Who's Who Among Students in American Colleges and Universities awards were presented by Dr. J. P. Williams. The winners are listed, page 32.

Top academic award for Men's Dorms went to the Basement of Pierce Hall.

39 WINTER AND 100 SPRING GRADUATES

Two graduation exercises were held in 1967, one in January and one in May.

The January Commencement took place at 3:00 PM, Sunday, January 29, 1967. Following President Halverson's invocation, the Buena Vista College Mixed Double Octet performed. Then Kermit Buntrock, Vice Chairman of the Board of Trustees of the College introduced the Commencement speaker, the Honorable Harold E. Hughes, Governor of the State of Iowa. John Williams and Dr. Halverson conferred the degrees and recognized the honor students. An honorary Doctor of Laws degree was conferred on Governor Hughes.

At 10:30 AM, Sunday, May 28, 1967, Baccalaureate was held. The Reverend Henry W. Andersen, Pastor, First Presbyterian Church, LaGrange, Illinois, delivered a stirring sermon, "Who Are You?" He said that in spite of the many disturbing factors that constitute external threats to us, our internal shortcomings are even more menacing and that only through God can we fulfill our dream for a full and worthwhile life. President Halverson presided over the morning service. Frances Heusinkveld, associate professor of music, played the chimes and organ music that rounded out the traditional ceremony.

Graduates, their parents and honored guests partook of a noon dinner in the Student Center between Baccalaureate and Graduation.

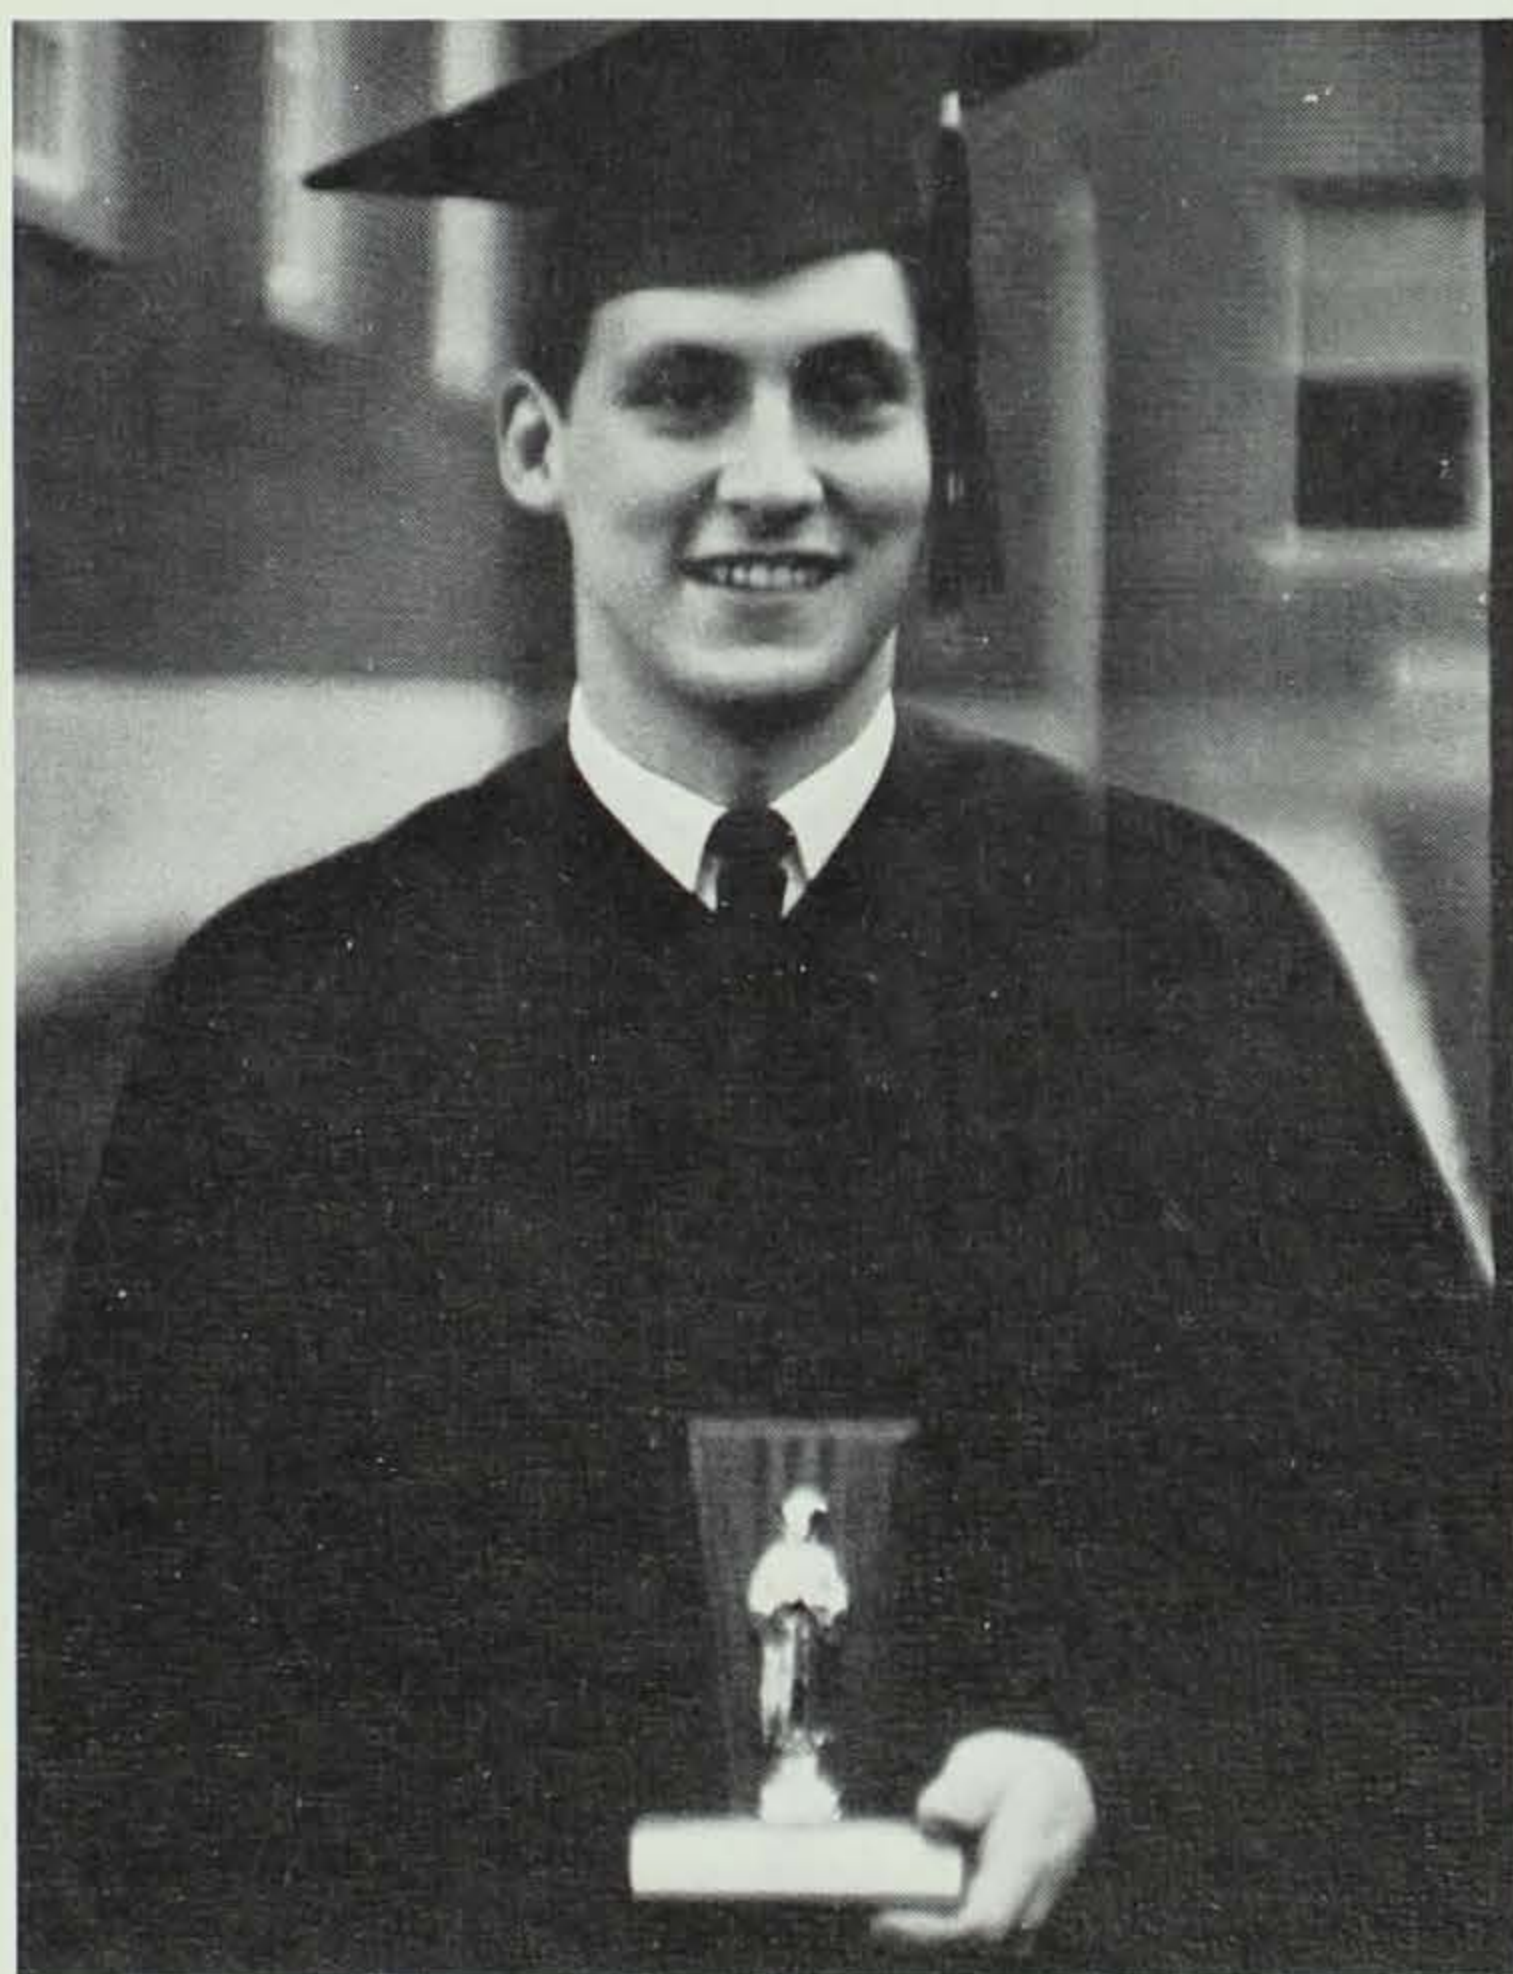

At 2:30 PM, the graduates and their friends assembled in Schaller Memorial Chapel for Graduation exercises. Closed circuit television was used to broadcast the ceremonies from Schaller Chapel to Edson Hall. Commence-

ment speaker Paul F. Sharp, President of Drake University, told the 100 graduates "We must respect our leadership or before long we will not have any. We must respect others to retain our own self respect," he said. "Graduates should foster dignity for all people—dignity that comes from the honoring of honesty and truth.

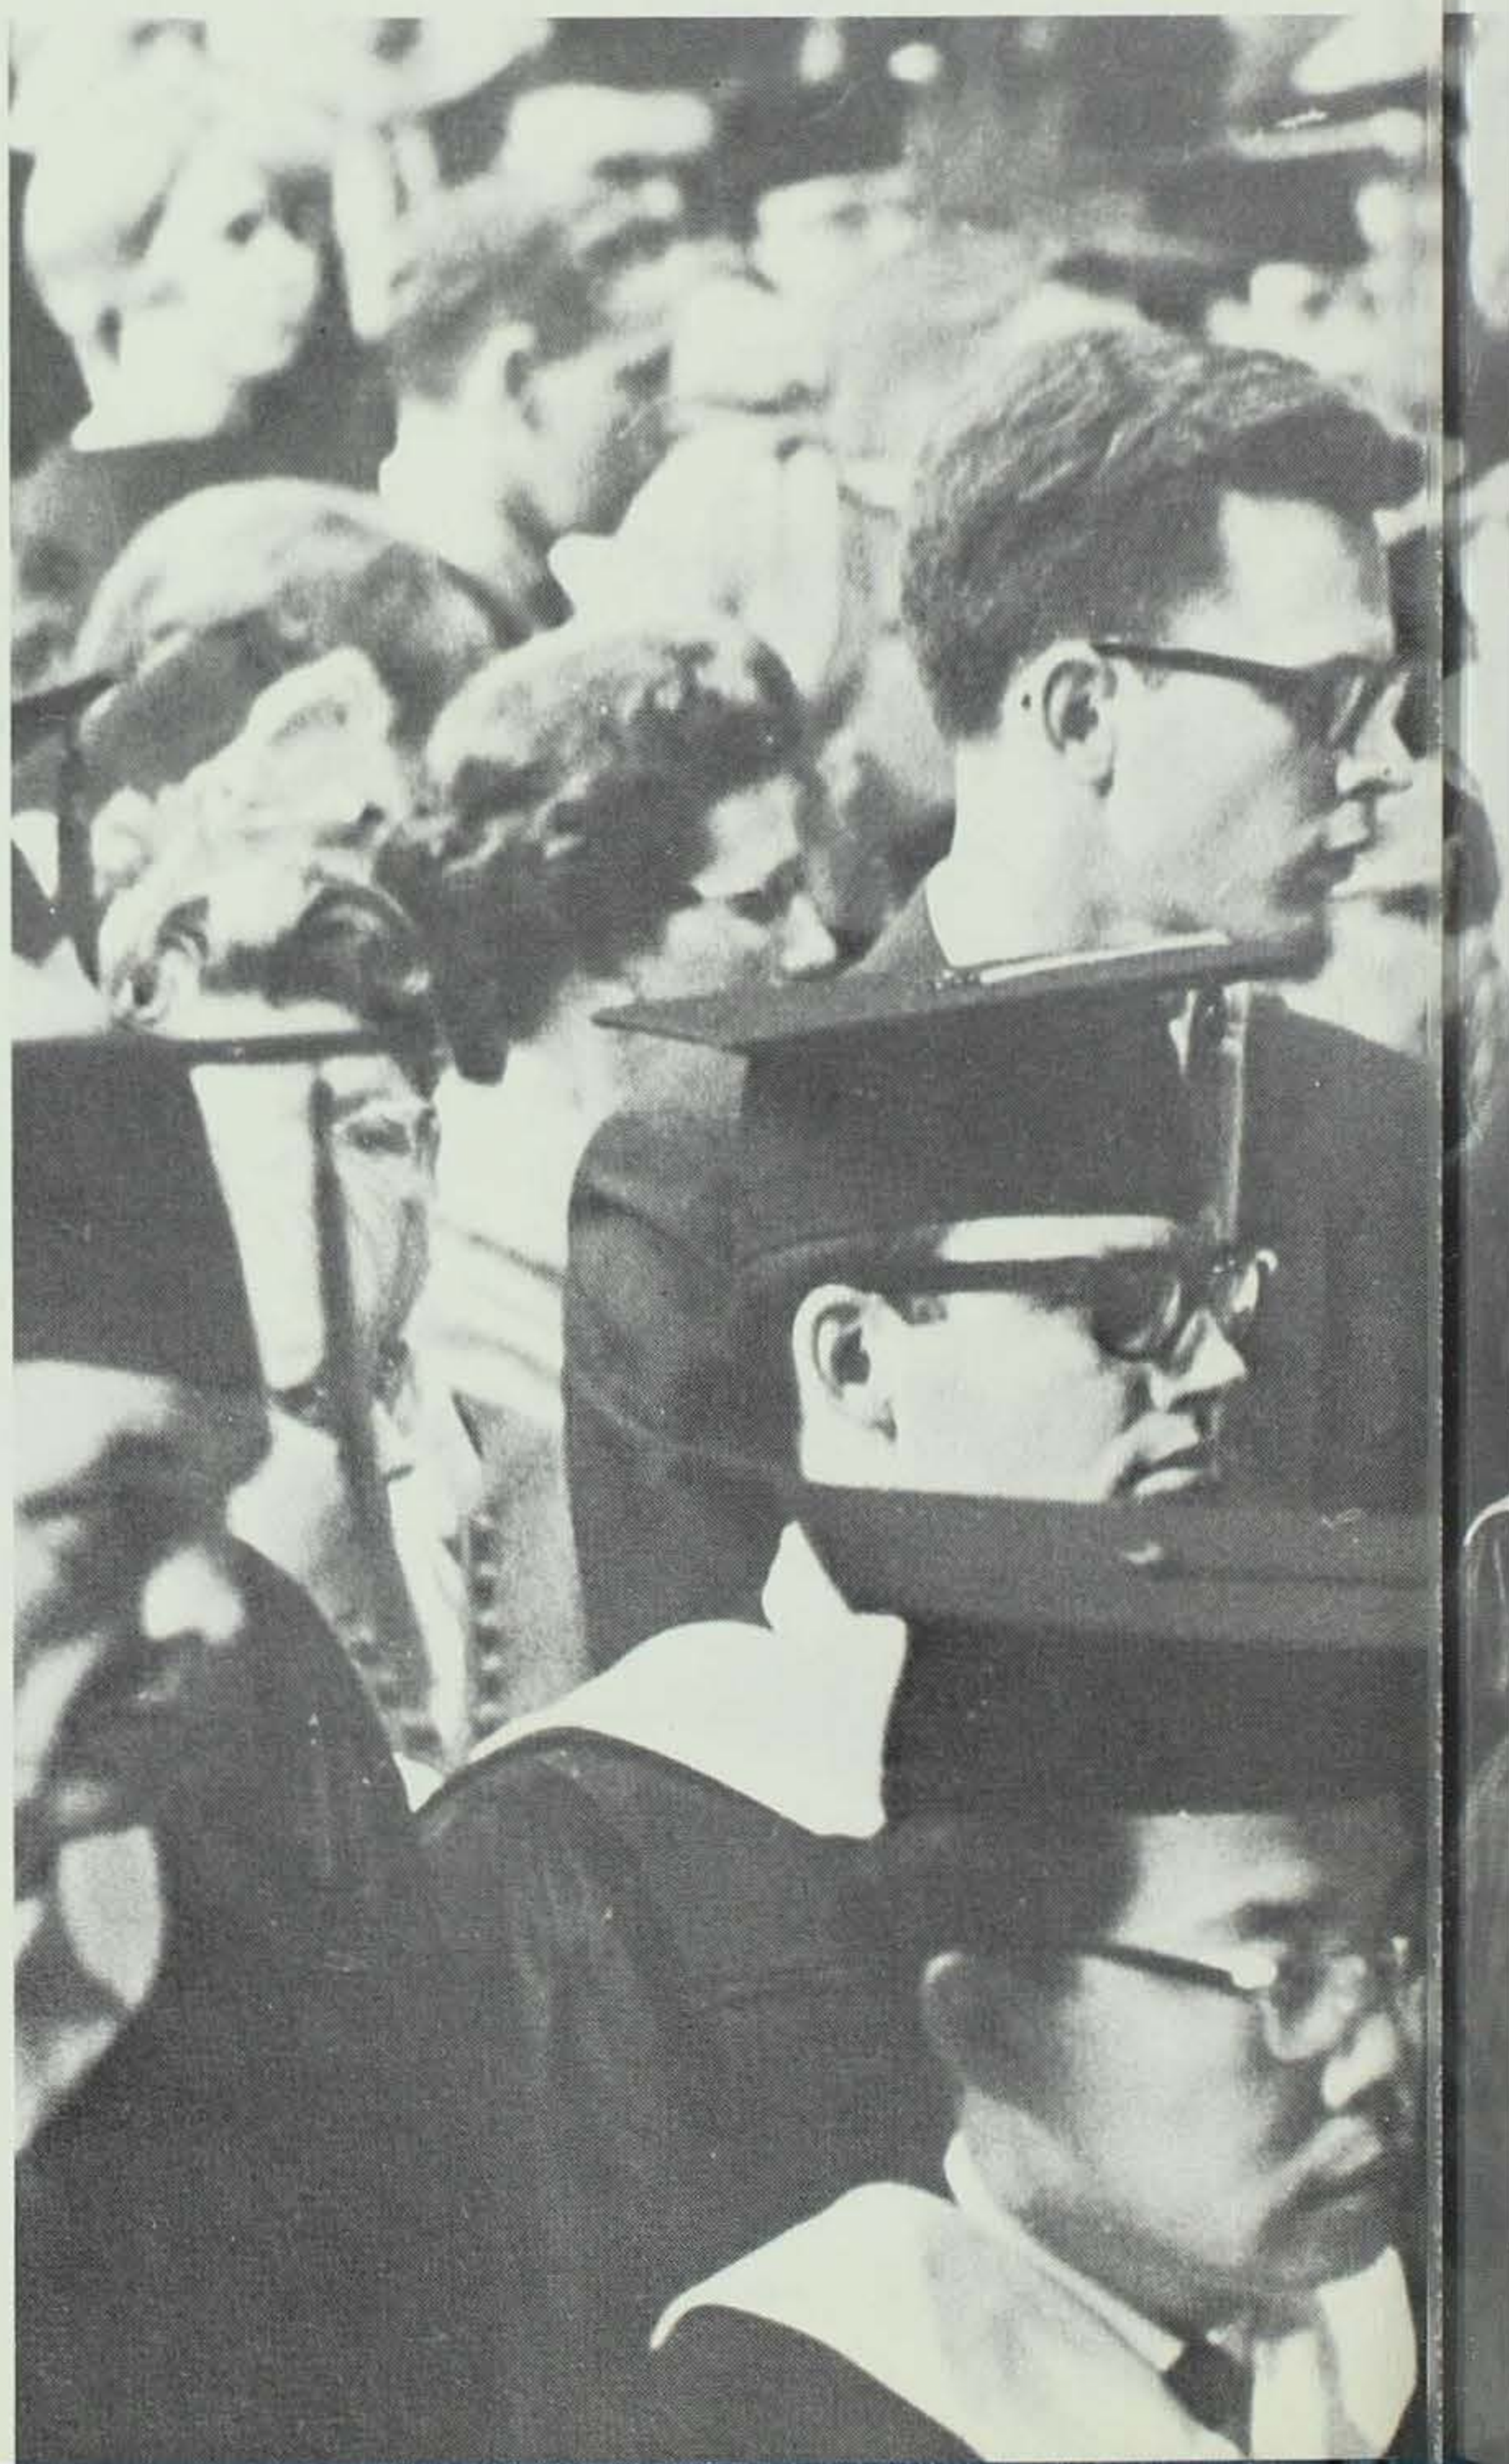

"Use your learning for unselfish ends. Adventurous thinking is your birthright, avoid dull conformity or addiction to the world of fantasy. Remember that any individual person may mould ideas which could change the shape of the world," the educator declared.

"Courage is the highest quality a graduate can cherish—courage to defend justice and freedom for all people. There are more slum dwellers in our country than there are people living on farms.

"The function of education is to cope with change," Dr. Sharp stated. "A graduate's asset is his searching and inquiring mind. He recognizes the rapid obsolescence of learned knowledge and research data. He began his education with the admonition that half of the information he would learn at school would be out-of-date by

graduation, but which half? We must change the hazards of uncertainty into paths of progress."

Dr. Sharp received an honorary degree of "Doctor of Humane Letters" conferred upon him by President Halverson.

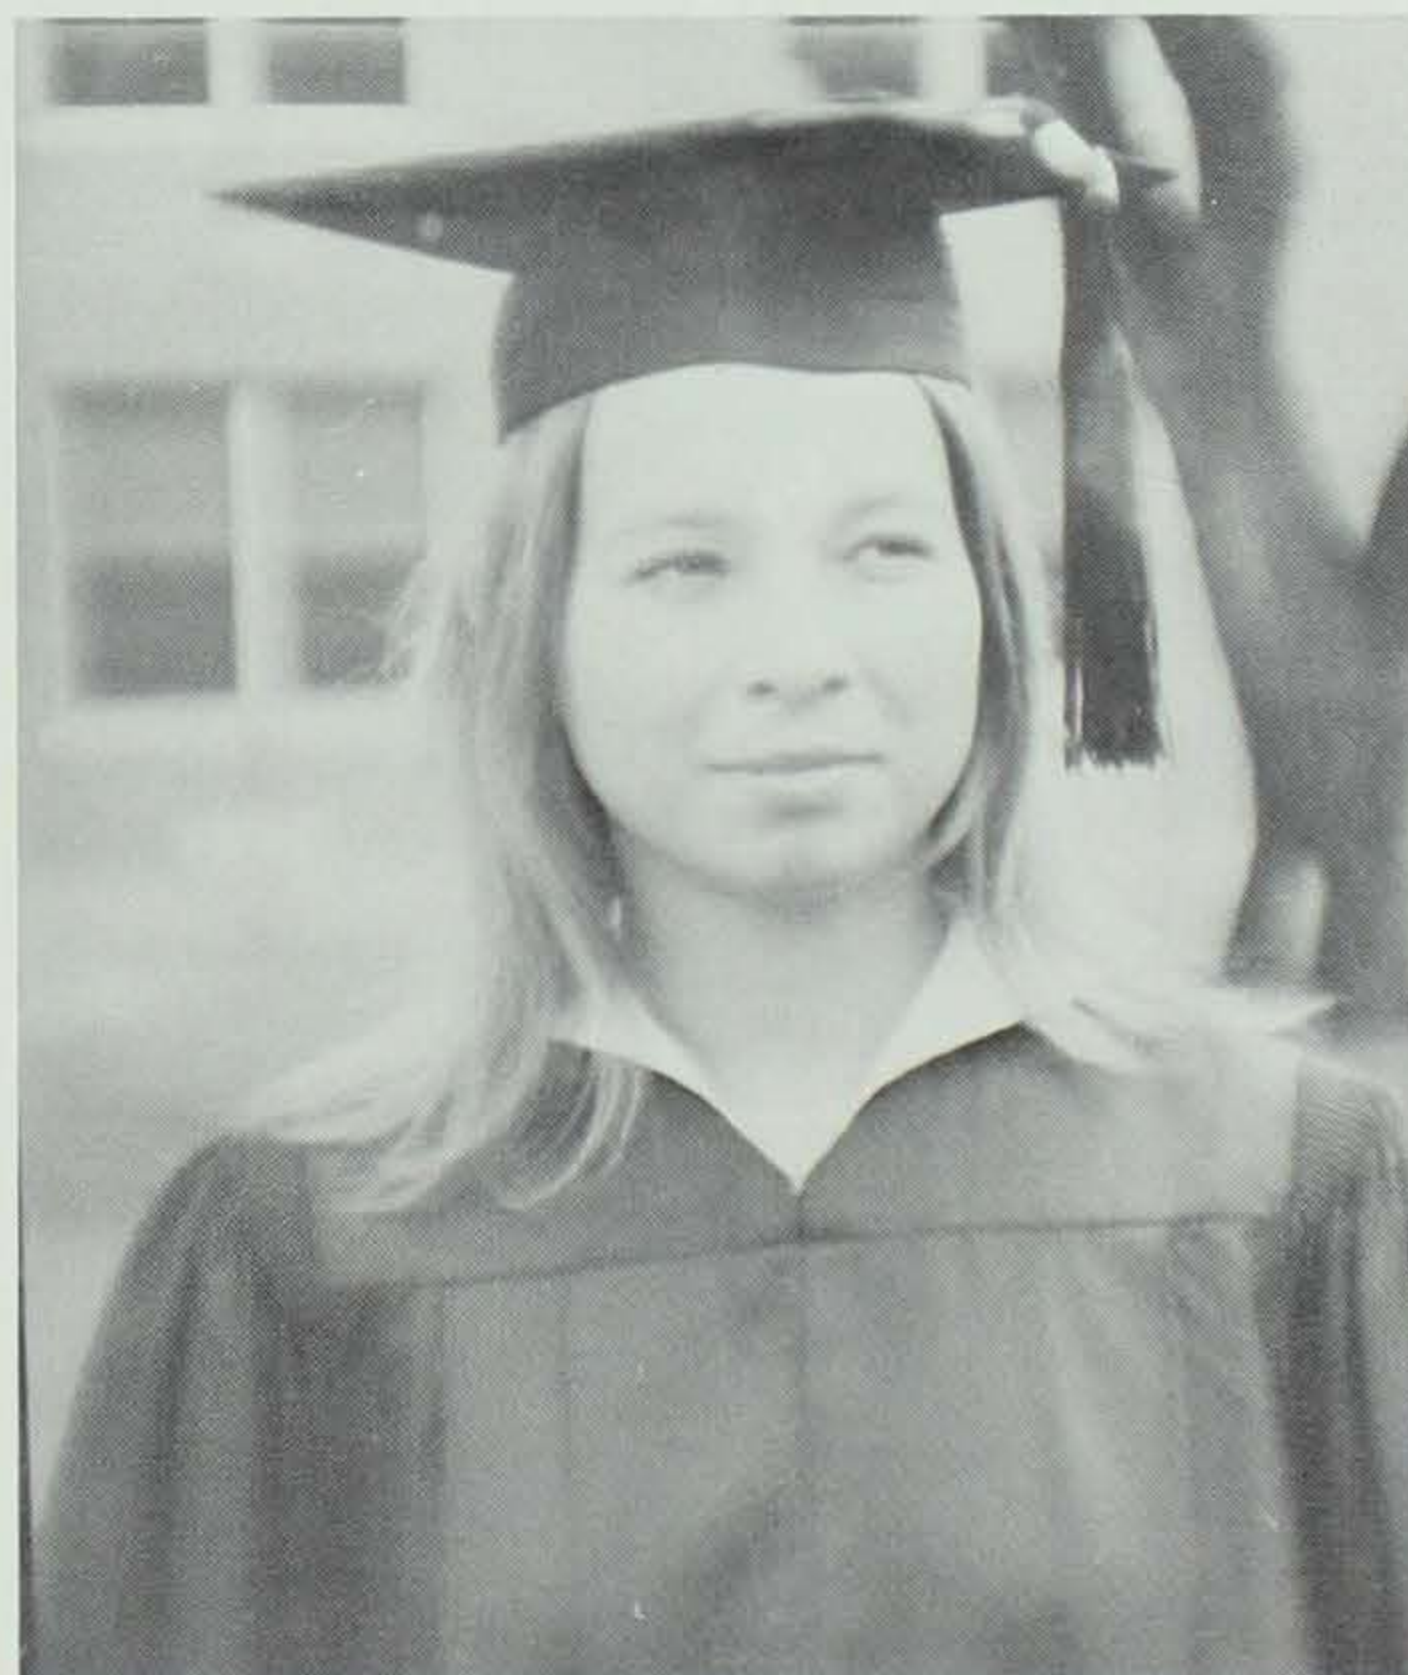

Also conferred by Dr. Halverson was an honorary degree of "Doctor of Divinity" upon Rev. Henry William Andersen.

Richard Allen Brenzo of Fort Dodge was the class valedictorian, and Alice Ann Madsen of Storm Lake was the salutatorian. Brenzo's grade point of 3.85 out of a perfect 4 point was given the summa cum laude honor. Miss Madsen's 3.67 grade point gave her the magna cum laude honor.

Other graduates receiving cum laude honors and their grade points were Betty Bardole, 3.45; Trudy Lane, 3.31; Linda Layman, 3.35; Dora Polzien, 3.33; Charles Pendleton, 3.49; Anita Gustafson, 3.49; Robert Olsen, 3.52; Thomas Grapes, 3.42.

sponsored by the Student Council

Planning started months before the 75th Anniversary celebration did.

Many distinguished visitors were on the campus for the Honor Iowans Convocation.

The birthday year began officially on July 8, 1966, with a birthday party in the Bradford Hotel. Throughout the year, hundreds of alumni, faculty, friends, and students participated in programs which spread the name of the college across the county.

The first big anniversary celebration was the Honor Iowans' Convocation on September 17. Clark Mollenhoff, Pulitzer prize winner, addressed a large crowd at the convocation which honored 75 Iowans of national renown.

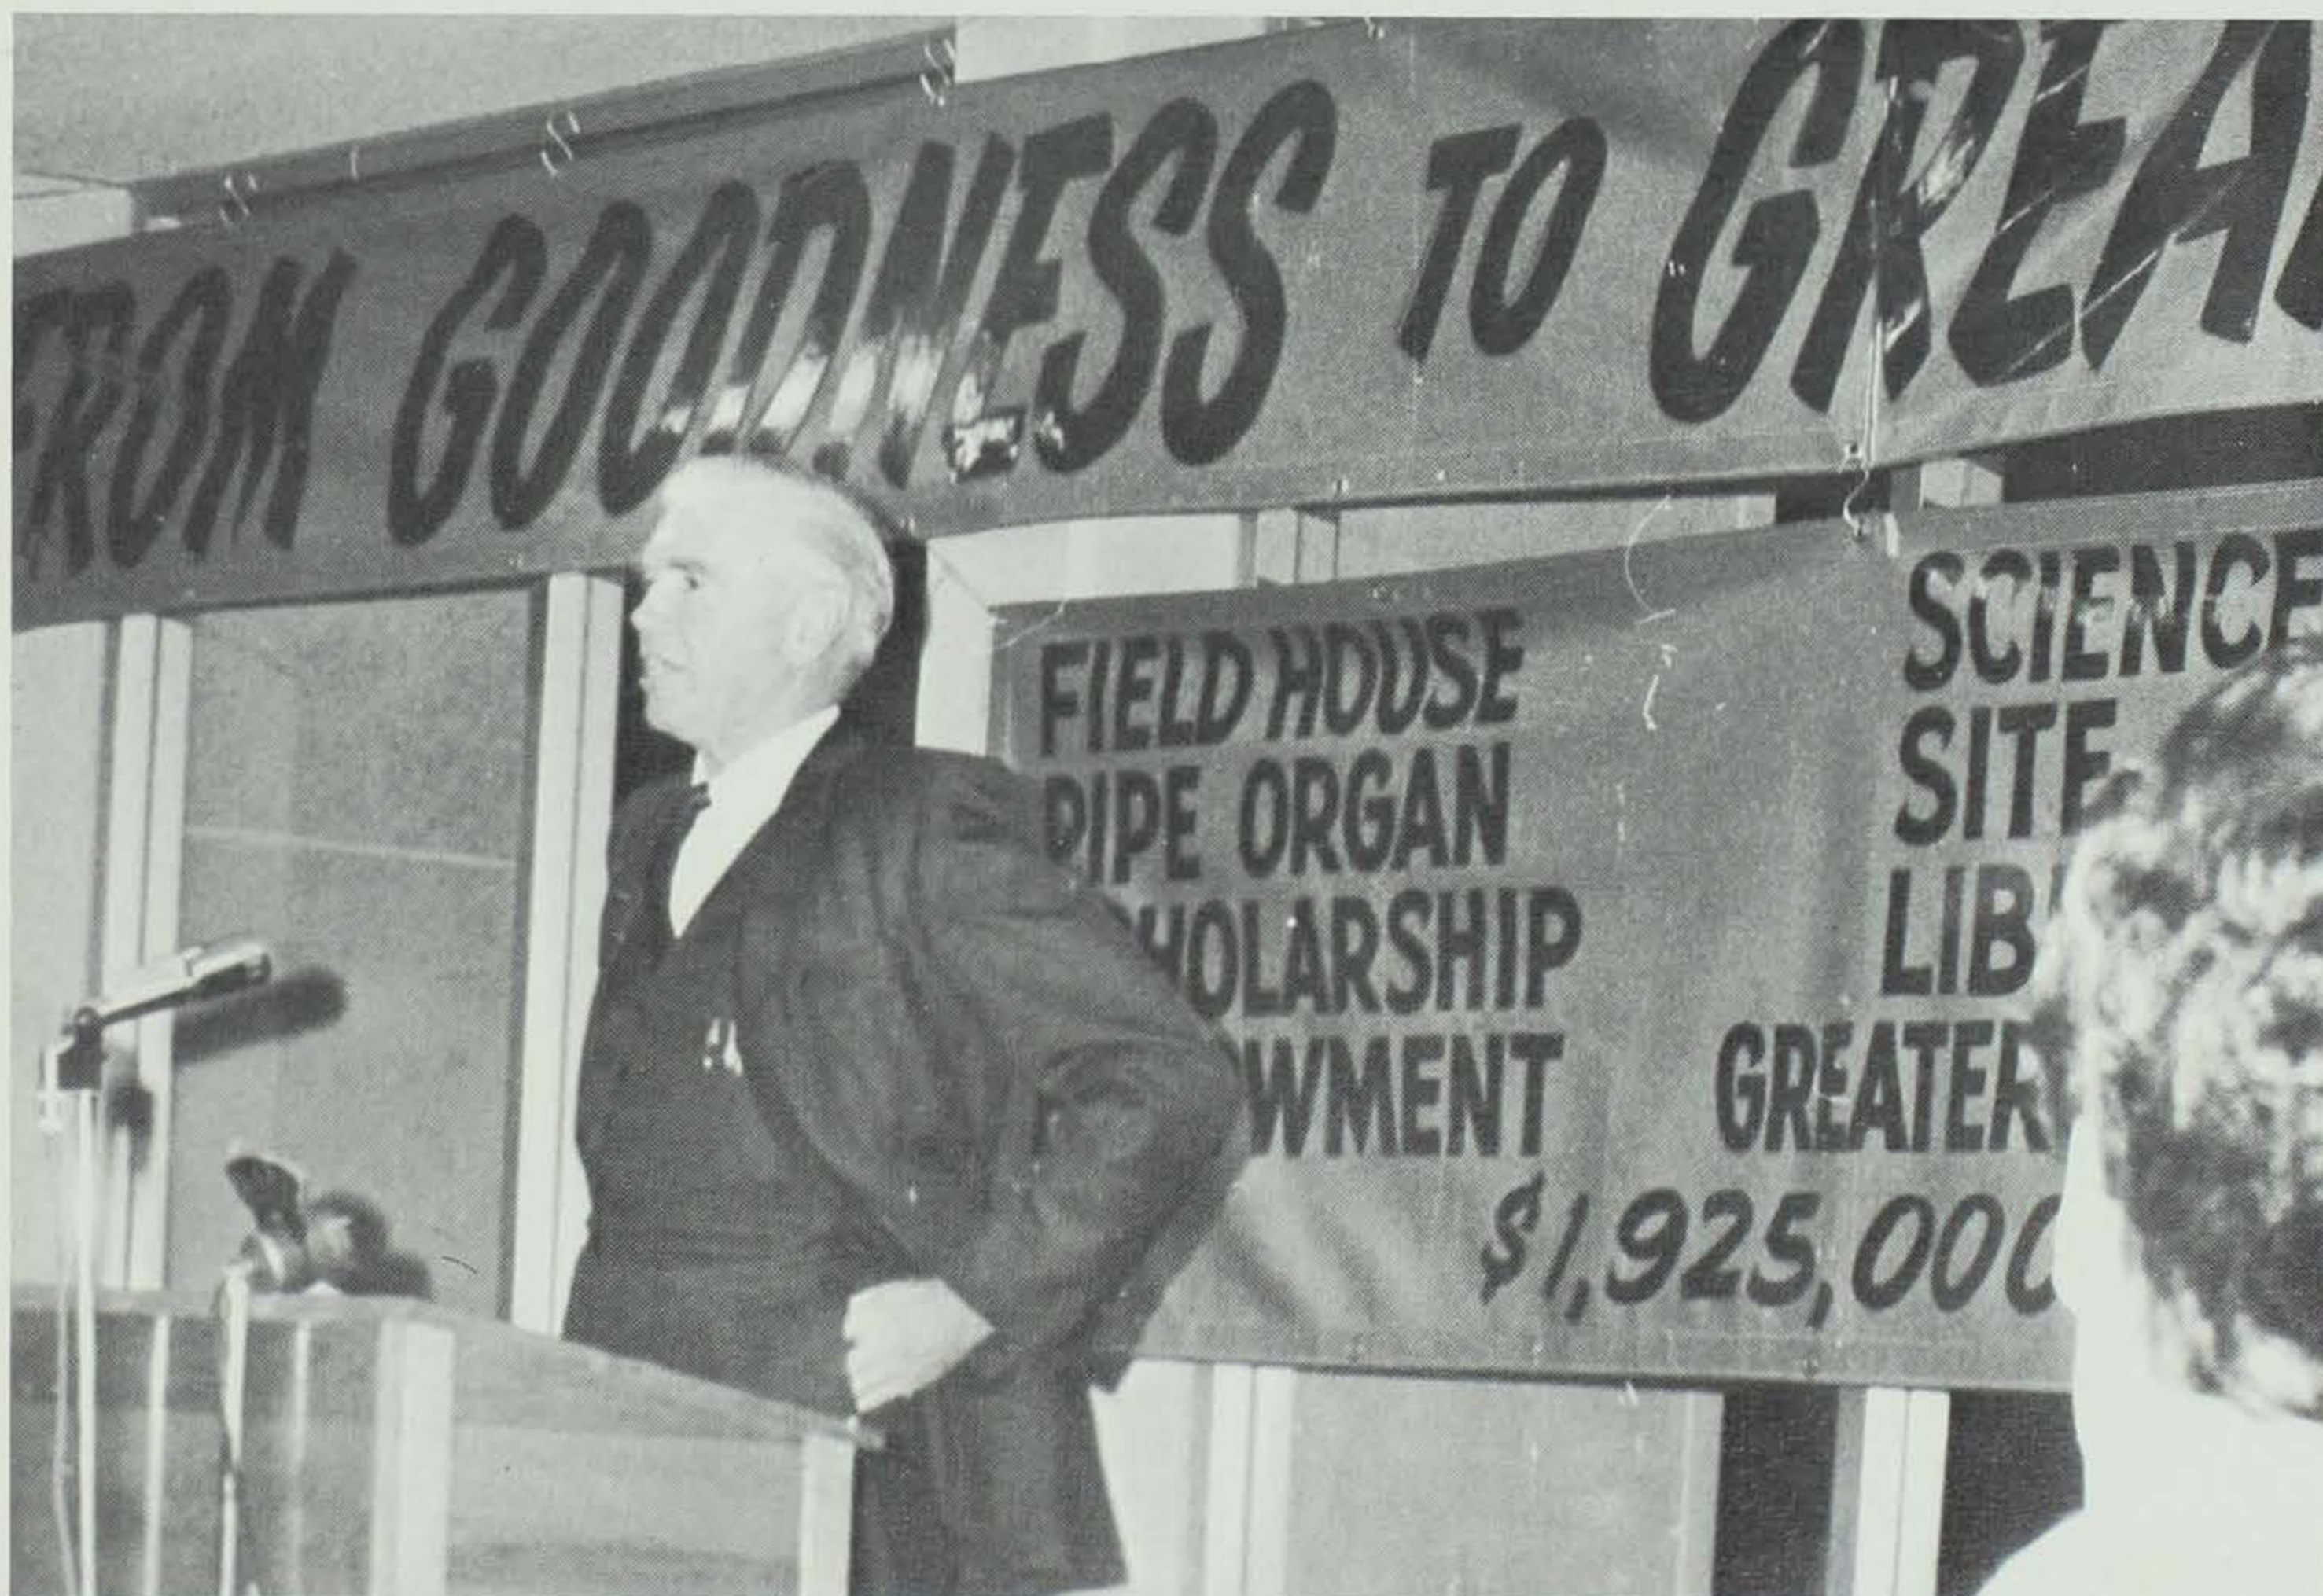

After that came Homecoming and a barbecue for the public. Over 3,000 people ate at the barbecue. It was a great weekend, but only the beginning! In November came Bennett Cerf and a list of entertainers and nationally known speakers.

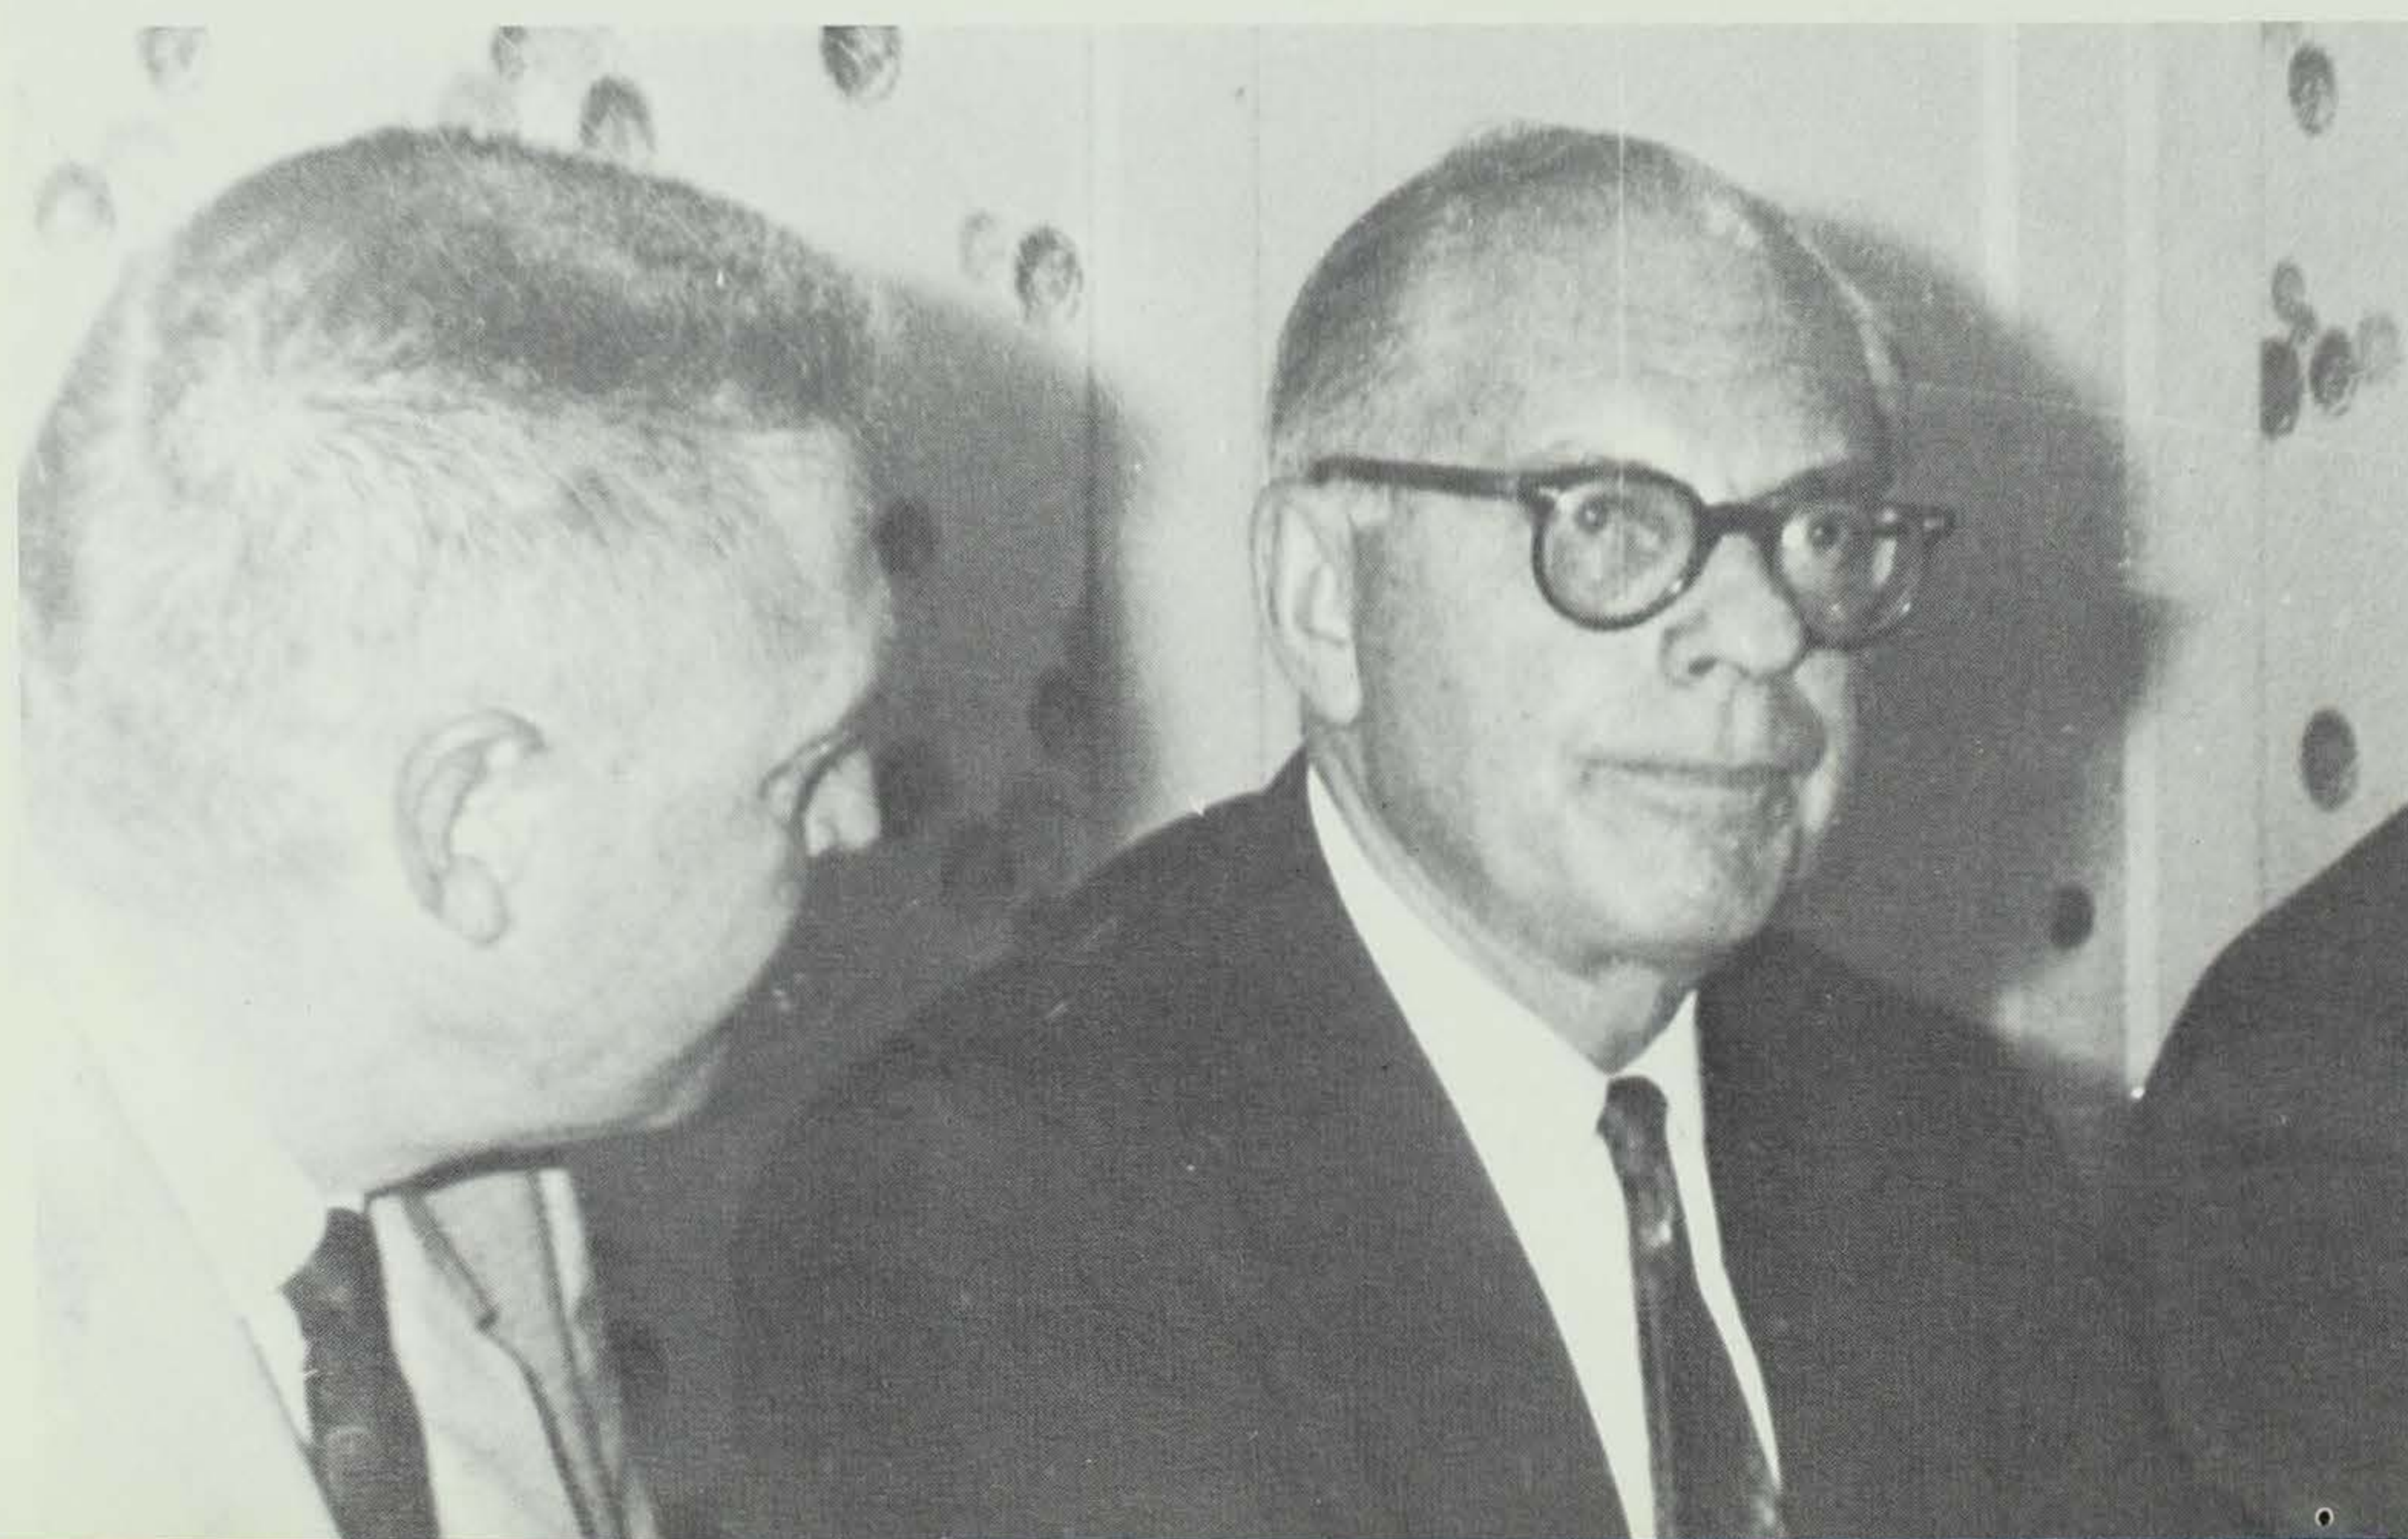

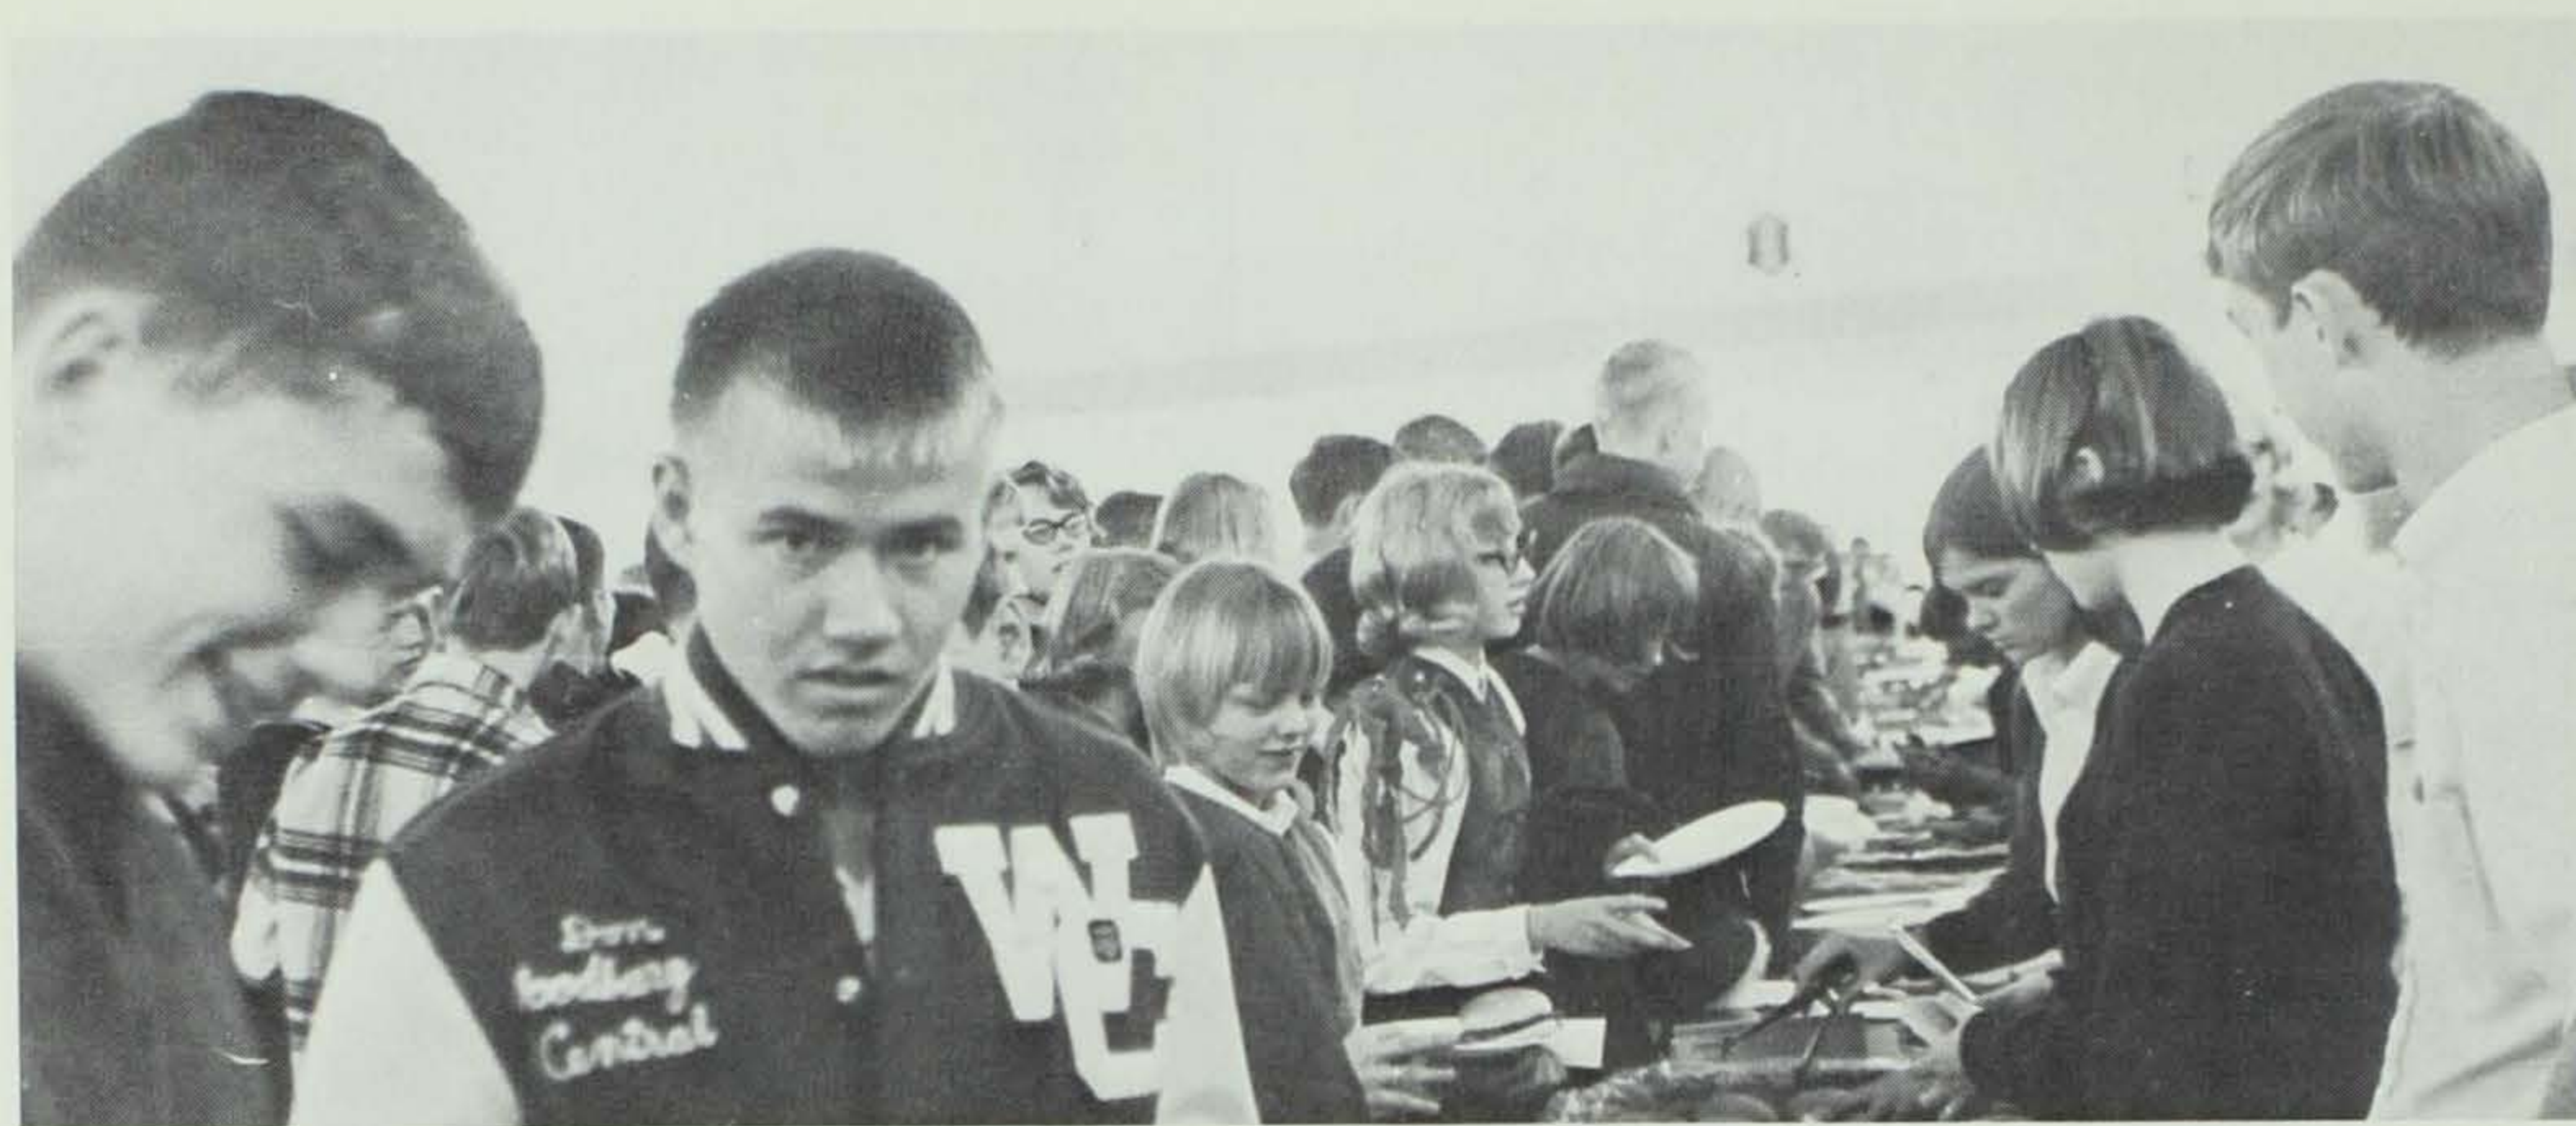

For the first time, two graduation ceremonies were held in one year. In January, graduates heard Iowa's Governor, Harold Hughes, and saw him receive his first honorary degree. Then, spring graduation, and the end of the 75th Anniversary academic year—a big year and “a commencement” for Buena Vista College.

John Dvergsten, Chairman of the Anniversary Celebration enjoyed the Honors Convocation.

Dr. Harvey Rice, President of Macalester College was the featured speaker at the 75th Anniversary kick-off dinner.

Left: A big Bar-B-Que was staged following the Homecoming Parade for the parade participants.

Left middle: The anniversary celebration featured many cultural events, such as superb concerts.

Academically, Buena Vista extended from Iowa to Jamaica. From a lecture to a trip to a mental health institute, and from a language lab in Storm Lake to a biology lab in Jamaica, Buena Vista students were in a "classroom."

New to the College during the 1966-67 year was a micro-film reader which was installed in the library.

Education at Buena Vista College is a mixture of theory and practice. Practical experience is gained under supervised conditions. Student Teaching, for example, gave Education students the opportunity of practicing the art of teaching under the careful guidance of a supervising teacher. Student Teachers were sent to elementary and high schools throughout Northwest Iowa. Those who participated in the program considered the practice teaching a time of "practical learning."

The language laboratory gave students learning foreign languages a chance to communicate in those languages.

Student teachers found that a variety of skills was necessary during their

EXPERIENCE

Mr. Thomas explained a machine sociologists use.

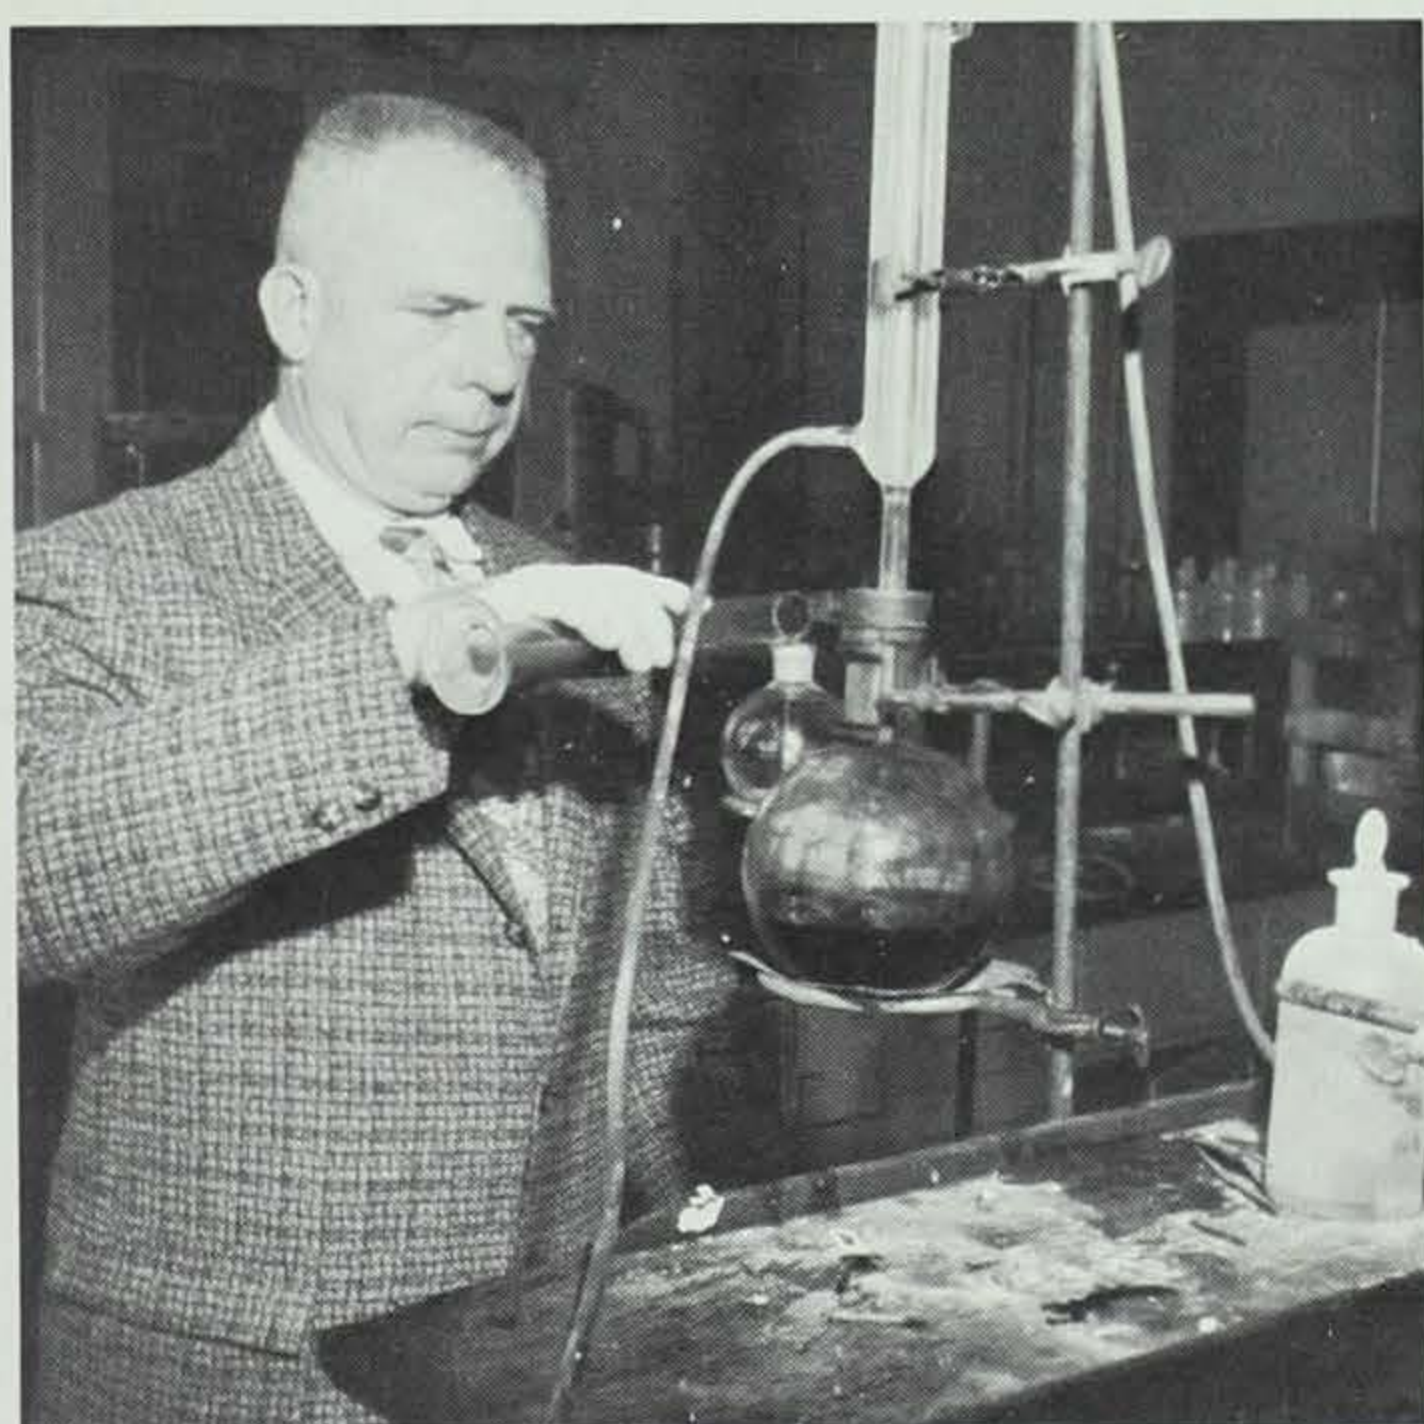

BUENA VISTA OFFERED A WIDE VARIETY OF SCIENCE COURSES, AND THUS A WIDE RANGE OF LABORATORY ACTIVITIES.

Professor Ronald Smith was photographed as he pondered an unusual organism he had just discovered under the Microscope.

The greenhouse that was added to the west side of Smith Hall proved to be a great help to botany students. By the end of the 1966-67 year it was filled with many plant varieties.

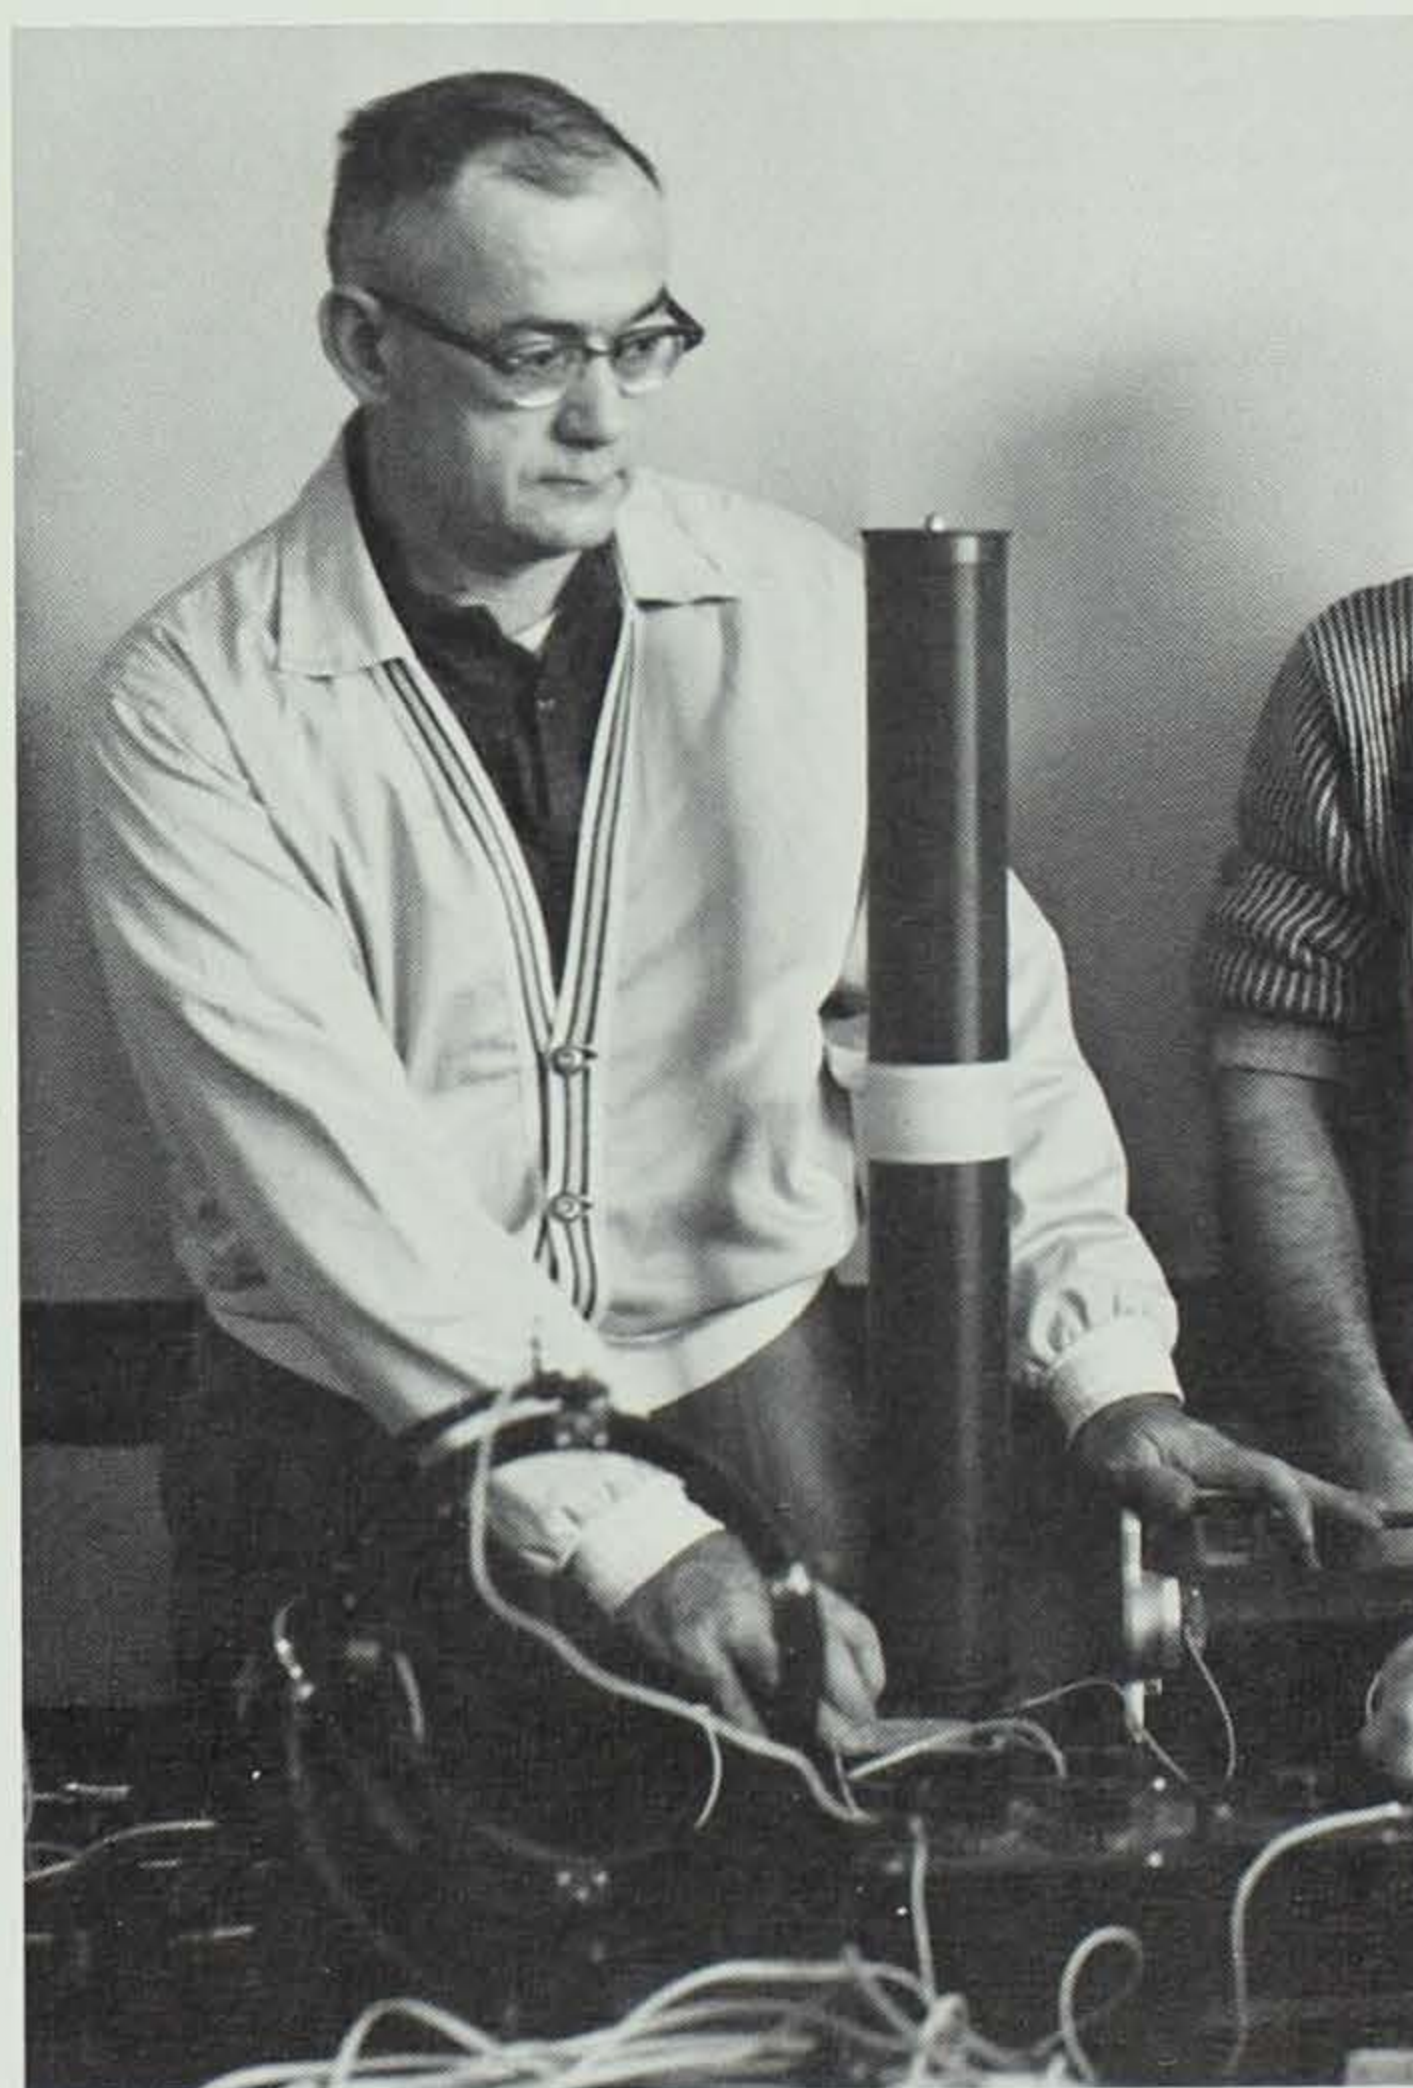

Dr. James Christiansen, who published a lab notebook for his introductory students, set up an experiment for his first-year chemistry course.

Professor Wayne Wild checked out a piece of electrical equipment.

Professor Iftikhar Bhatti used a plastic model as a teaching aid in his zoology laboratory.

The science classes used the somewhat less than adequate facilities of Smith Hall, but by the end of the year the new science building was taking shape and students and staff alike were hoping it would be in use late in 1967.

MANY SERVICES WERE AVAILABLE TO STUDENTS AND STAFF AT L. E. BALLOU LIBRARY

Under the able direction of Mr. Virgil Lichtenberg, the L. E. Ballou Library was a real asset to students who needed and regularly used its facilities. In addition to Head Librarian Lichtenberg, Mr. George Miller, Mrs. Mary Persing, Miss Jacqueline Hansen, and Mrs. Eva Myrick went out of their way to be helpful and courteous.

MARINE BIOLOGISTS TRAVELED TO OCHO R

Professor Jack Harr identified some specimens the students had found. Checking their catch are Carl Johnson, Arnold Harmsen, and Roger Allan.

The group making the trip to Jamaica included Melvin Gutz, Carl Johnson, Helene Dahl, Loren Kline, William Winnike, Patricia Freeman,

James Kilts, Roger Allan, and Ed Laird. Mr. Harr and Mr. Smith accompanied these students.

RIOS, JAMAICA, FOR LAB

A laboratory for marine biology in land-locked Iowa presents an obvious problem, but professor Ronald E. Smith found the ideal solution and thus made Buena Vista one of the few Iowa colleges to offer a course in marine biology. The marine biologists, as well as professor Smith and professor Jack L. Harr, gave up their spring holiday to travel to Ocho Rios, Jamaica, West Indies, to study the marine life of the area. The group left March 18, and returned April 2. While in Jamaica they stayed at the Caribbean Biological Center.

Three other colleges studied at the Caribbean Biological Center along with the Buena Vista group. They included: Tufts University, Medford, Mass.; Wake Forest College, Winston-Salem, N.C.; and Wells College, Aurora, N.Y. The Center is on the outskirts of the town of Ocho Rios on the north coast of the island, about 65 miles from Montego Bay. The property includes fourteen acres of tropical plantings, both native and exotic. The half-mile of shore consists of both sandy beach and rugged rock-bound areas. Streams flow into the ocean from caves nearby and these provide great potential for scientific investigation.

The men were successful in getting a large number of underwater pictures of their work on color slides, and were able to locate, identify and classify many marine specimens common only to the Jamaica area.

Although the group accomplished a great deal, and spent most of their time studying the biological features of the area, they had time for some fun. For example, they returned with glowing reports of a tortoise race they entered. Having chosen a tortoise they named "Sneaky Pete," (picture not available, unfortunately) they entered it in the race. After a slow start, Pete managed to slip by most of the rest of the entries and came in a photo finish tie for first. The judge's decision went against Sneaky Pete, and the Beaver Tortoise Trainers considered petitioning the result.

When the group returned, complete with pictures, specimen, and a deep golden tan, all agreed that the trip had been well worth while. They had received a top-notch education and had an enjoyable time too. The Jamaican trip has become one of the highlights of the year for the College and provides an opportunity for study found in few other inland colleges.

No, he really doesn't have the bends.

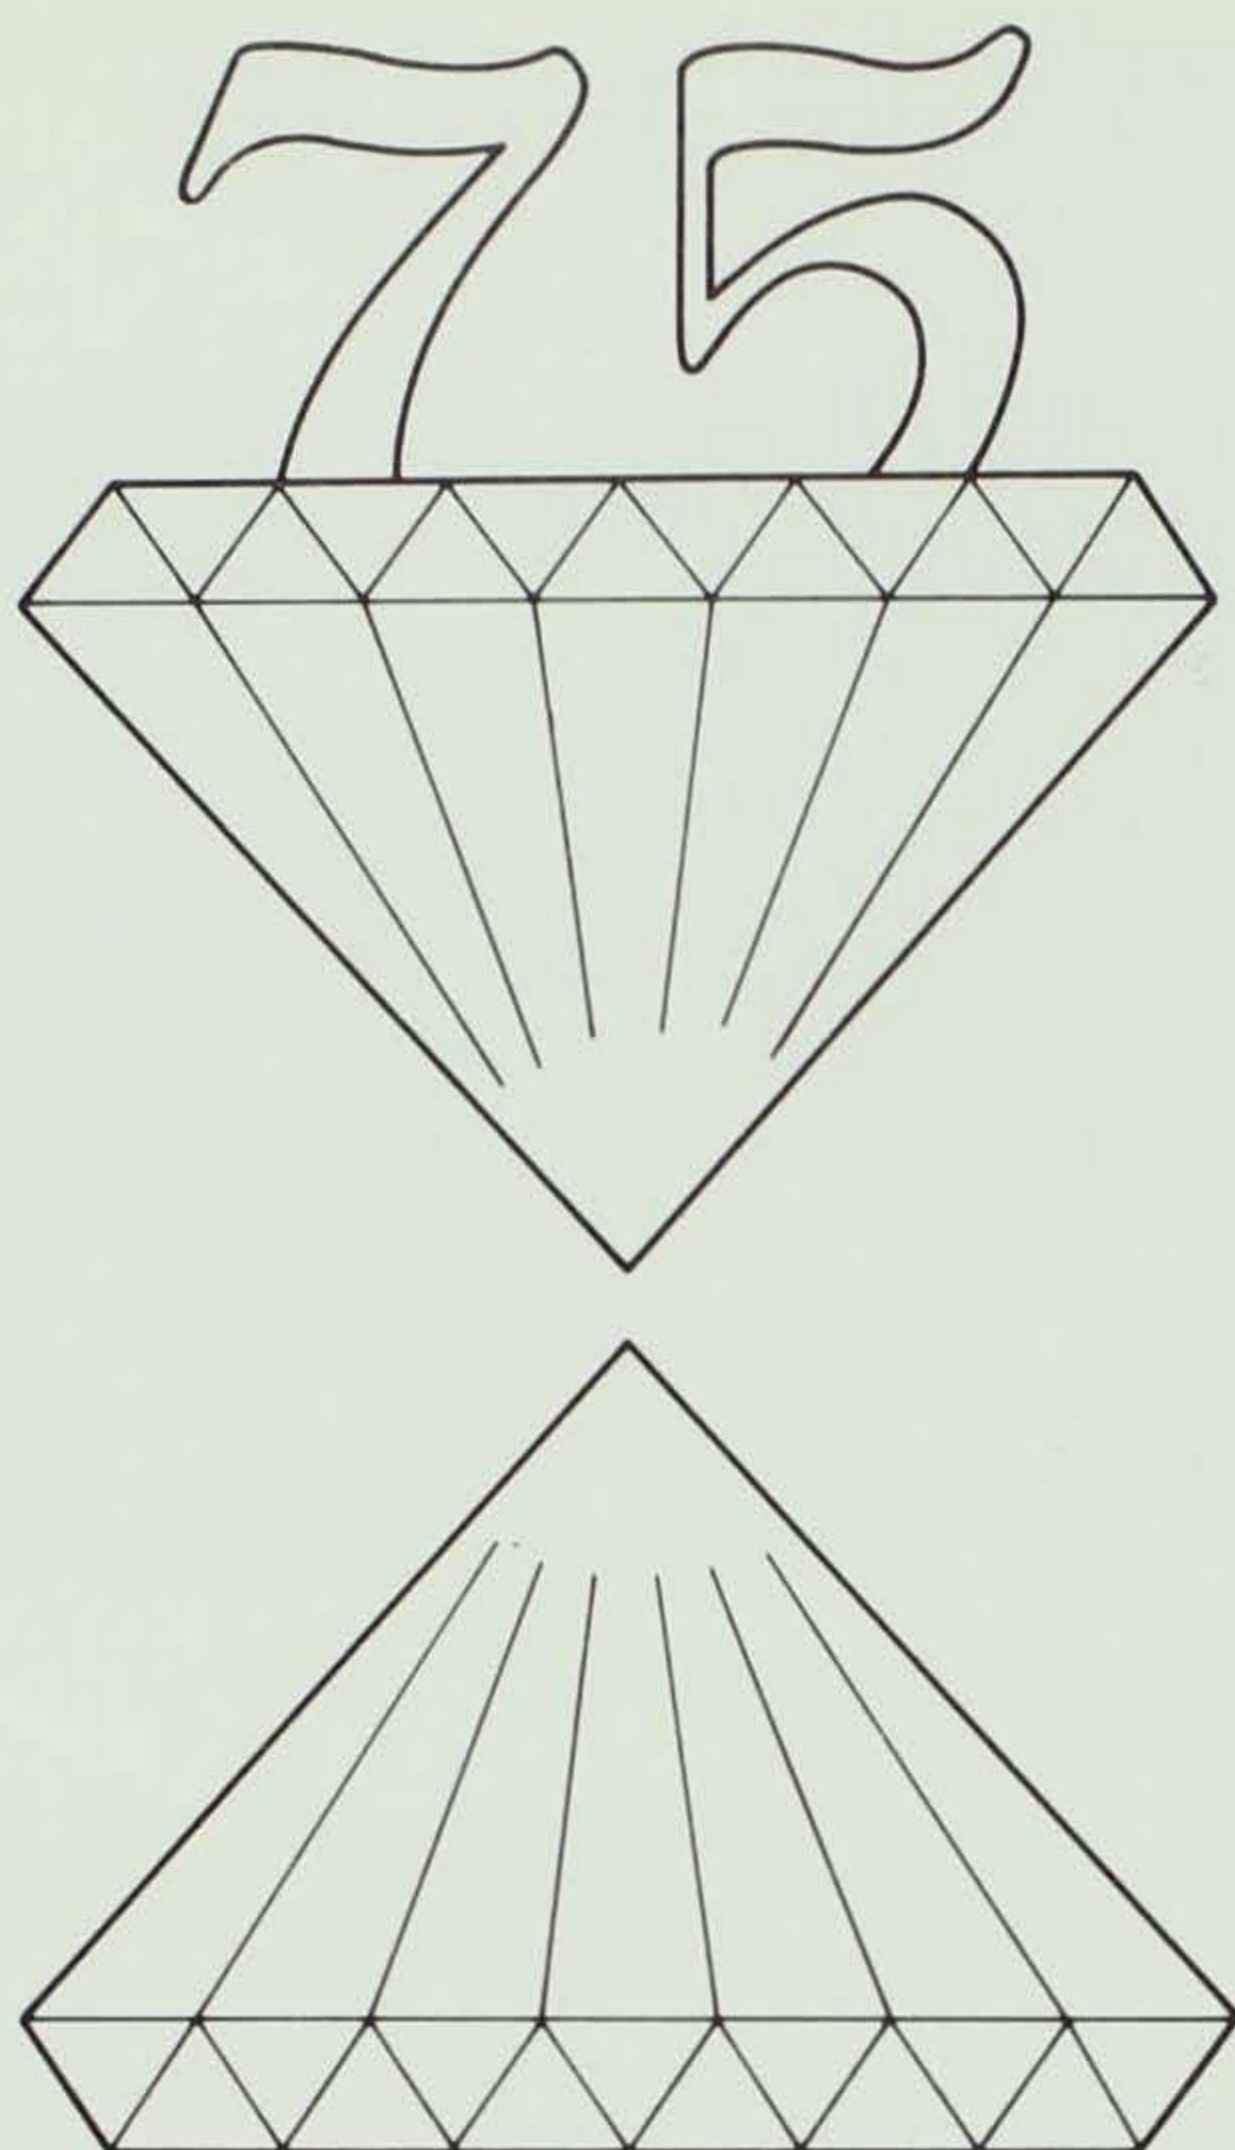

Ed Laird examined his gear before diving for specimens.

A few of the finds were difficult to identify.

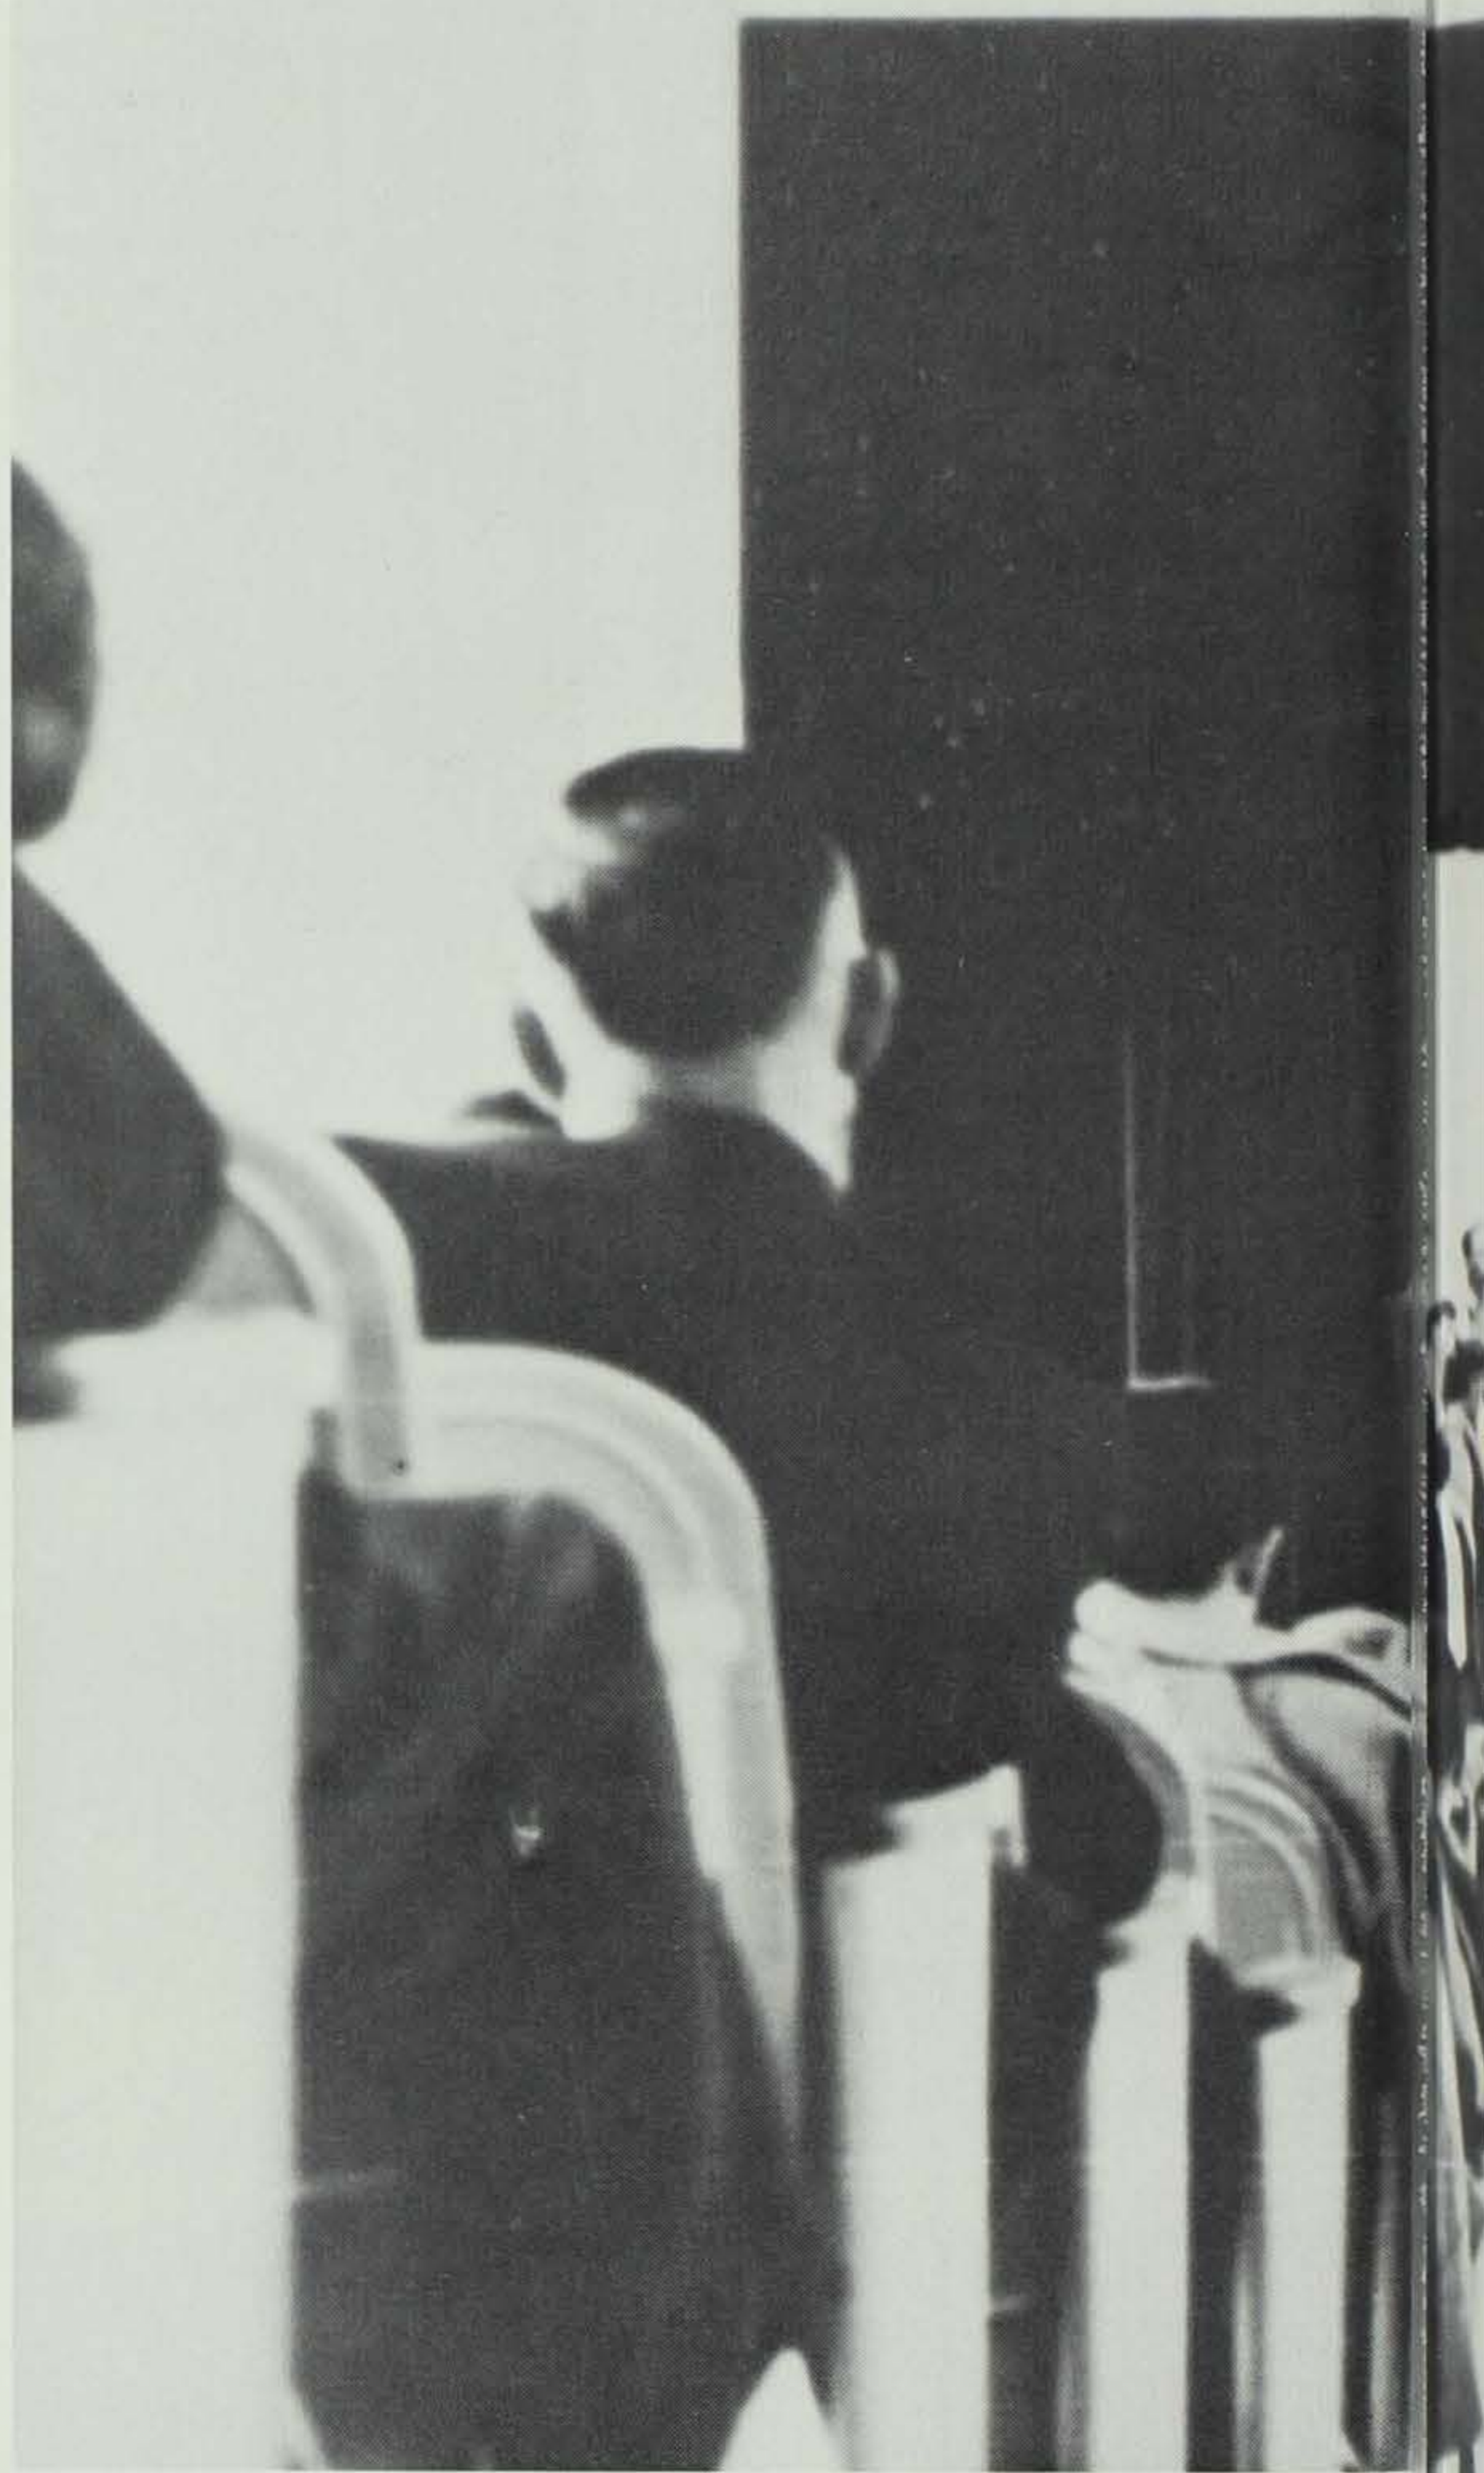

Toward evening the student's gathered together on the beach to review the day's work.

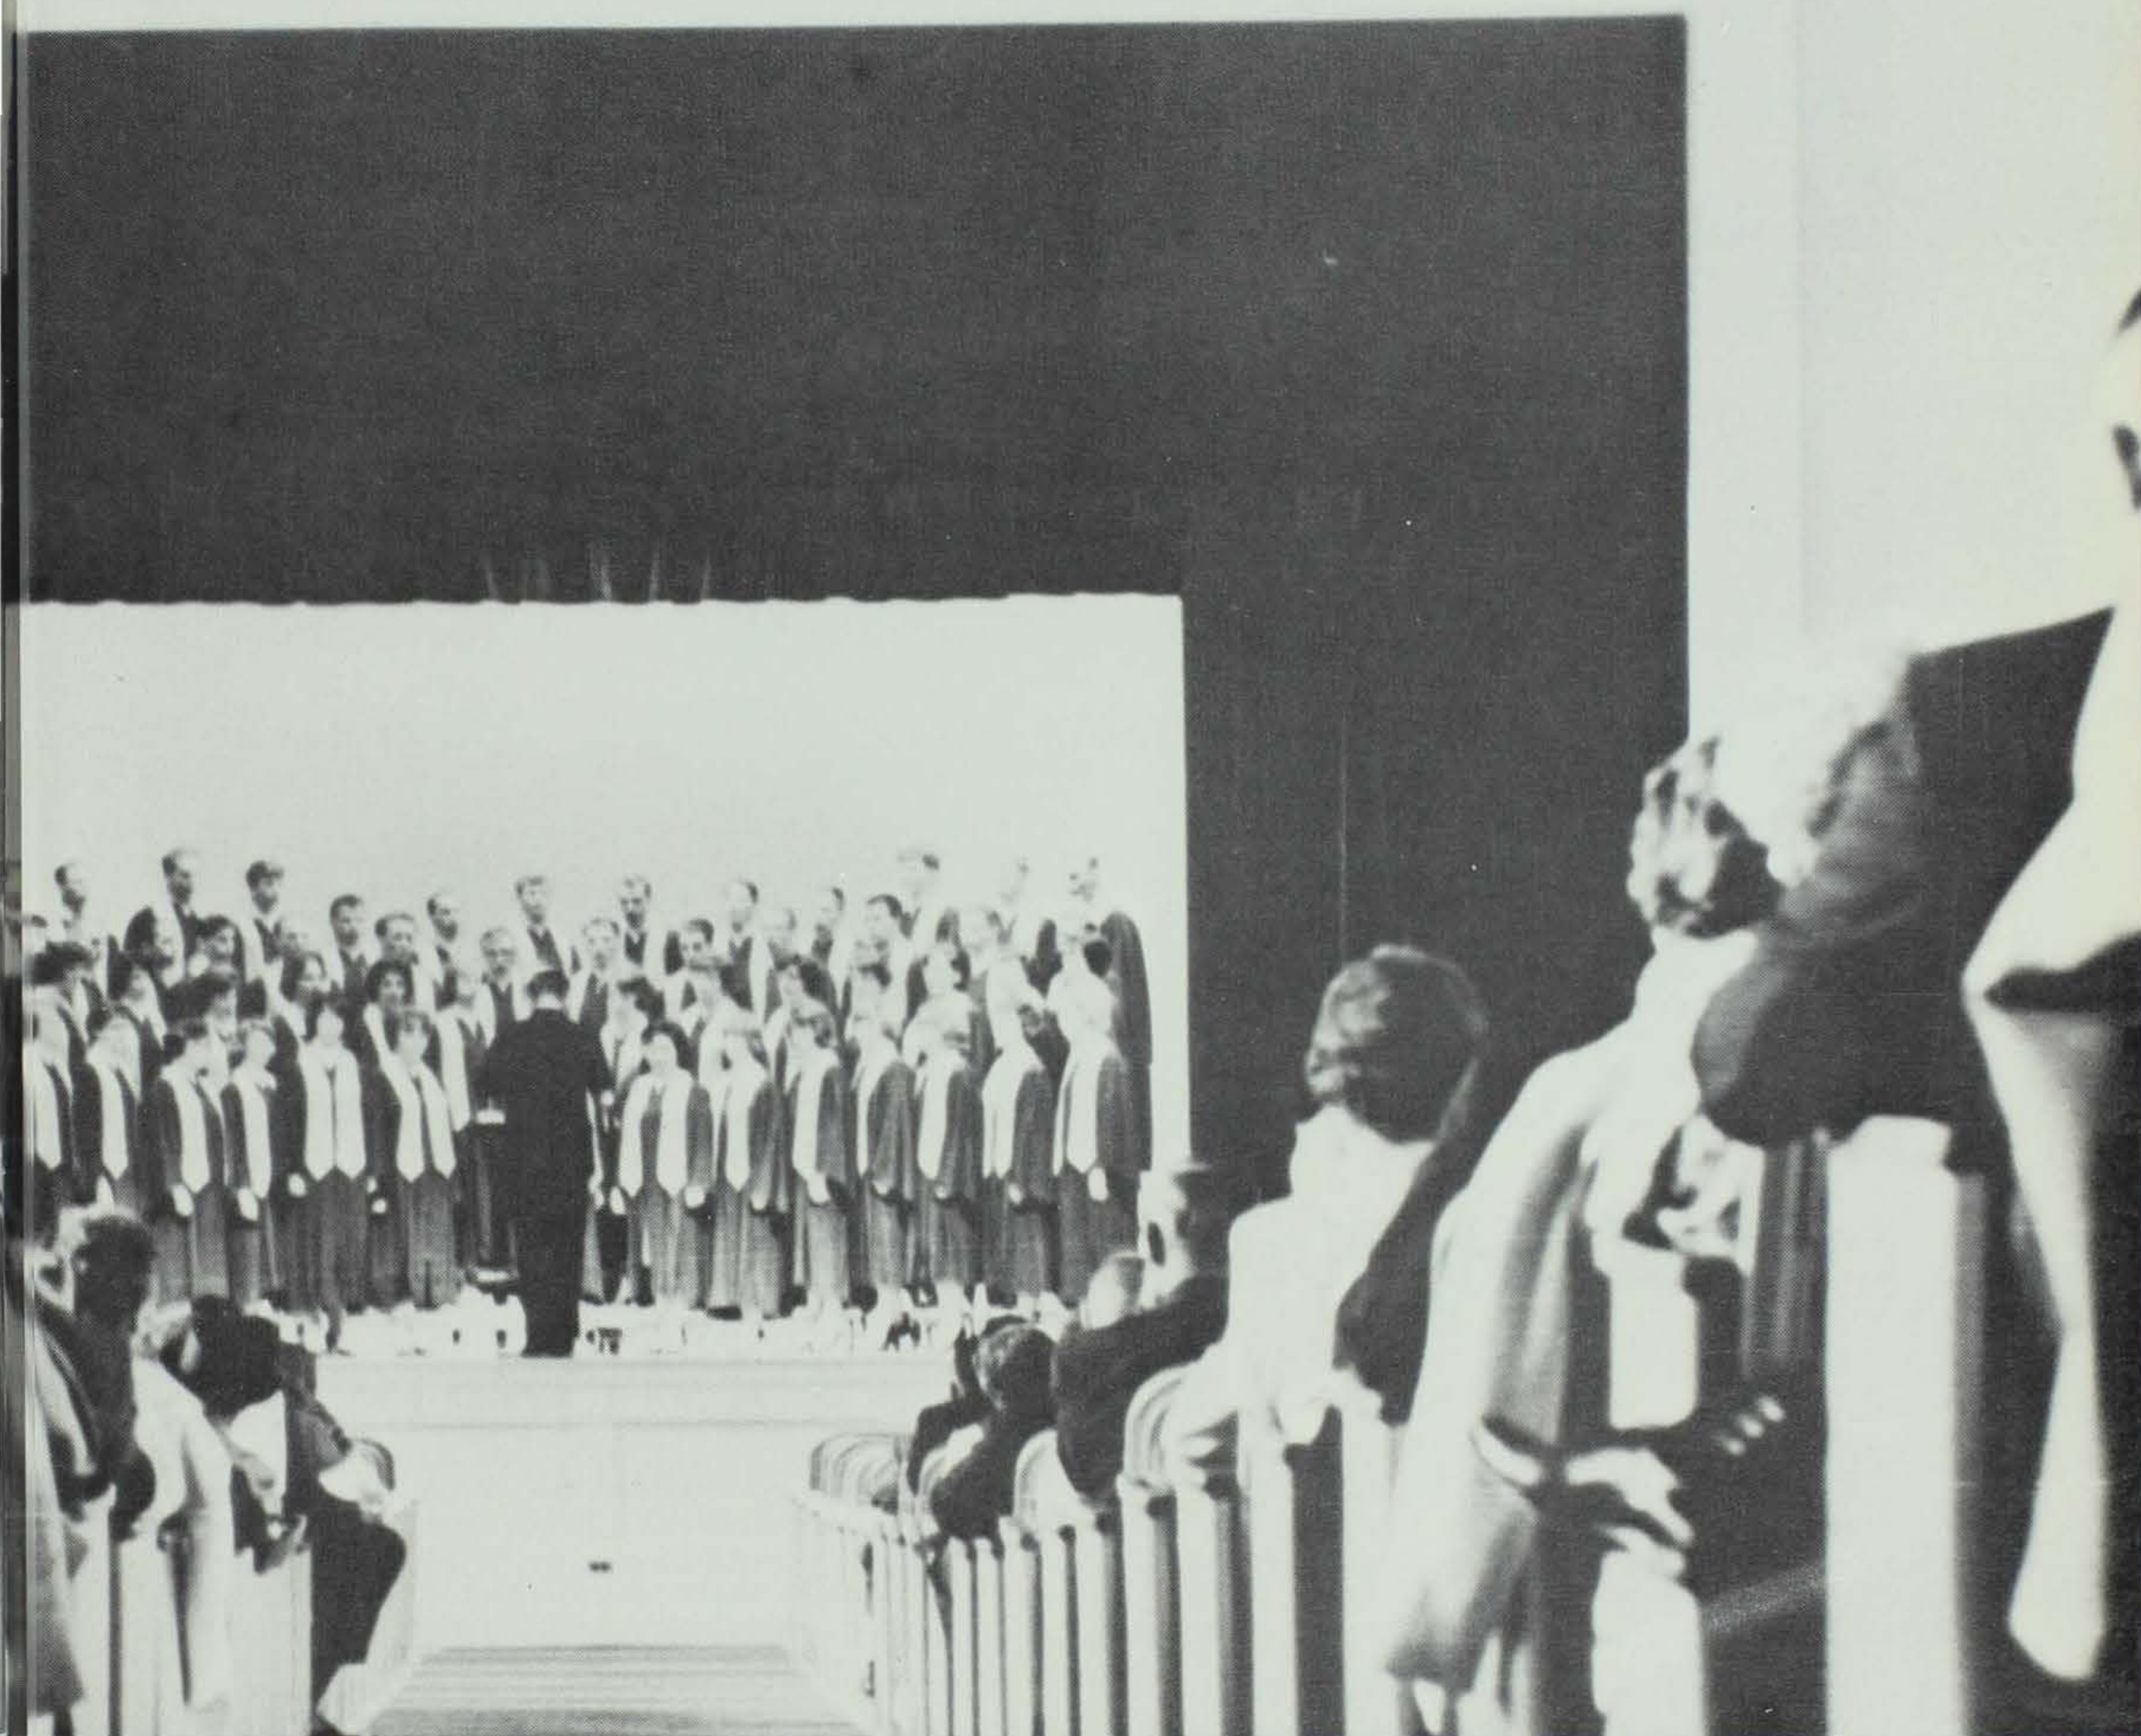

We would like to thank Ron Smith for making these pictures of the trip available to the LOG.

The organizations on the Buena Vista campus gave students practical experience in such widely diversified areas as student government—journalism—athletics—speech—politics—service—dramatics—academics.

COUNCIL HANDLED A VARIETY OF ACTIVITIES AND PROBLEMS

The Student Council was the highest student-elected governing body at Buena Vista College. It was composed of a total of fifteen representatives, five seniors, four juniors, three sophomores, and three freshmen. The activities of the Student Council were many and varied. It was responsible for sponsoring many of the social activities of the campus. The Council had a budget of \$7,000 for the entire year, which was taken from student fees. The Council soon found that this was far short of the amount needed to bring a sufficient amount of entertainment to Storm Lake to satisfy the needs of the students of Buena Vista College. The Council also assisted with freshmen orientation and selected class officers for the freshmen at the beginning of the college year. The big activity in the fall for the Council was organizing Homecoming. The Council was in charge of the Homecoming Variety Show, pep rallies, and the largest parade Buena Vista had ever seen, in addition to half-time ceremonies during the game. The Council also sponsored several "big name concerts" during the year.

More important than the organizational function of the Council was its function as a representative of the student body. The members of the Council met with the faculty and administration several times in an effort to work out some of the problems that existed between the two groups. These meetings gave the Council members

an opportunity to express their opinions to the administration and faculty concerning college policy, but appeared to provide few changes in that policy. From time to time, the Council took the lead in presenting an issue that had aroused strong student support. One of these was "Revolution '66." When angry students, frustrated when action by the Student Council and a petition by hundreds of students failed to bring results, marched on the chapel, the Council took a leading role in the discussion with the president of the College that followed.

In March the Student Council held elections for the Council officers for the following year. The campaign produced a number of surprises, including a go-go girl in Convocation during the campaign speeches. While a very small minority objected to the "pollution of the stage in such an obscene manner," most students and staff alike cheered, yelled, and whistled at near-riot pitch; and it appeared for a moment as though Miss Dawn would sweep the election, but when the votes had been tallied the officers for the next year were to be Steve Smith, president; Tom Daniels, vice-president; Steve Anderson, secretary; and Steve Spark, treasurer. Professor R. E. Smith was chosen as the new advisor.

The officers for the 1966-67 year were Dan Ott, president; Eugene Poklitar, vice-president; Dave Smith, secretary; and Scott Whyte, treasurer.

FUTURE OF STUDENT SENATE IN DOUBT AT END OF YEAR

The purpose of the Student Senate was to represent the student body by making recommendations, suggestions, and otherwise assisting the Student Council. The Senate did not have the power to take final action, but was formed only to assist the Student Council in planning and coordinating campus activities and it was made up of one representative from each campus organization.

Dan Ott, as president of the Student Council was also president of the Student Senate. He felt that the Senate had not been active enough in the past to warrant its existence, so after some discussion in the Student Council, the Senate was disbanded late in the fall of 1966.

The Student Council's plan was to replace the

Senate with a "Student Union Board." The organizational structure of the Board was formulated and applications were received for membership on the Board, but no action could be taken by the Council before the end of the year in setting the new Union Board into motion.

At the end of the year, the organization of the Student Senate was still intact on paper, at least, because the constitution of the Student Council still recognized it as an aide to the Student Council. As the year ended, there were many who wondered whether the Senate would function again or not. The answer seemed to depend upon the attitude of the new Student Council officers.

The Buena Vista College A Cappella Choir, under the direction of Robert D. Pfaltzgraff, played an important part in the cultural life of the College. Its first major appearance was the annual Christmas Concert on December 11. Performing before a capacity crowd, the choir presented a program of sacred music, which was highly praised.

First event of the second semester was a performance at the Northwest Iowa Choral Festival in Cherokee, Iowa. The real highlight of the year was the Concert Tour. This year, the choir headed west. Leaving Storm Lake Friday, April 21, the members sang their first concert that night in Omaha. The next day was entirely devoted to travel, as the choir crossed Nebraska and part of Colorado to Denver, where they sang at four churches on Sunday. Staying in the Denver area, they sang at high schools in Cherry Creek, Ault, and Lakewood; in churches at Littleton, Arvada and Longmont; as well as in Central and North Presbyterian Churches in Denver. Tuesday after-

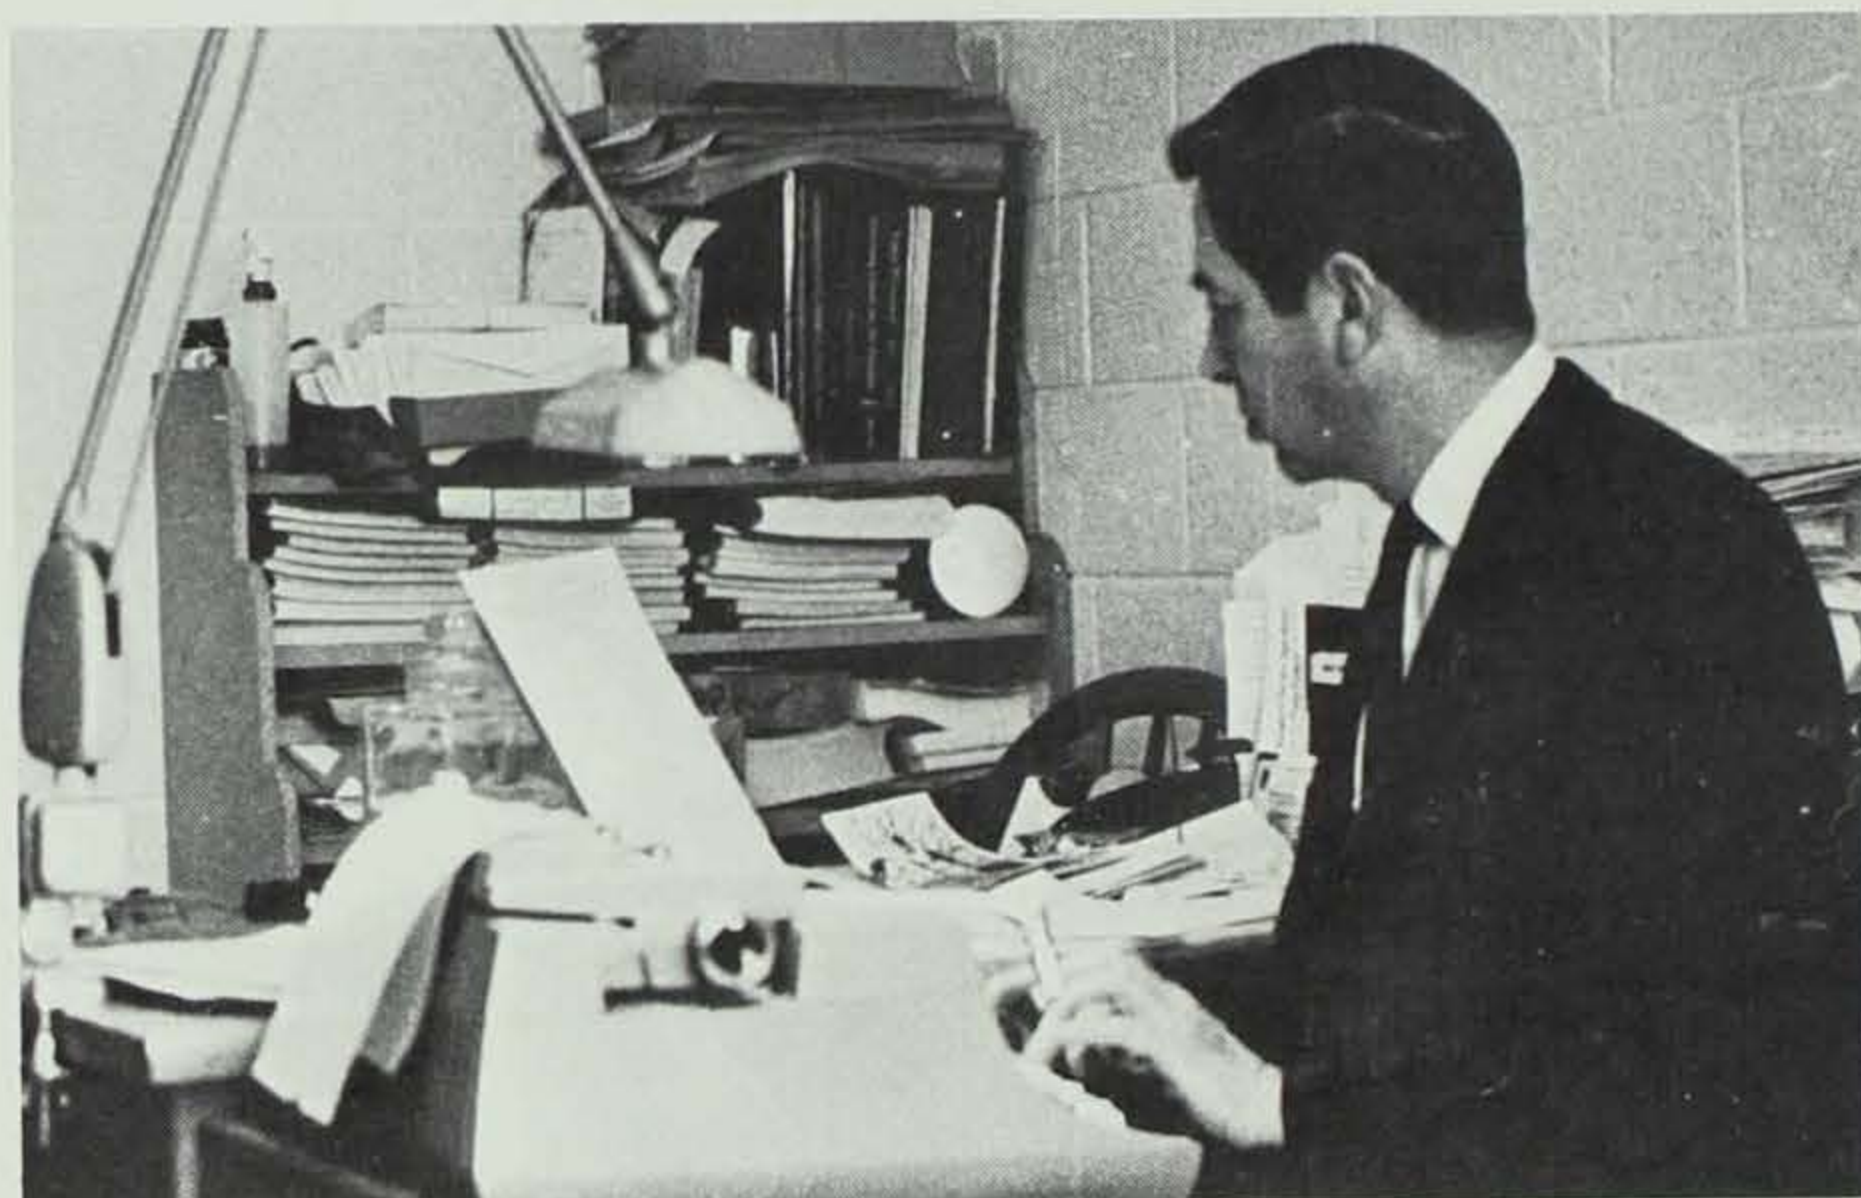

noon the choir checked into the Cosmopolitan Hotel, and then had the rest of the day and the following morning for excursions into the mountains, to Golden, and Central City Colorado and the area of Buffalo Bill's grave. Continuing the next day, the Choir visited the Air Force Academy and sang in Colorado Springs and La Junta. Crossing into Kansas, they gave concerts in Dodge City, Hutchinson, and Overland Park. On Sunday morning, April 30, the group sang for three church services at Westminster Presbyterian Church, and then completed the tour by singing in Fort Dodge that night.

All in all, the Choir was gone for ten days, traveled almost 2,000 miles, and sang eighteen times. Besides sacred concerts at churches, it also presented concerts of both secular and sacred numbers for high schools. In spite of the busy schedule, the Choir never sang a poor concert and received plaudits in every town. The final concert of the year was on April 7 in Schaller Memorial Chapel.

The Choir, from "the wings."

Professor Pfaltzgraff worked for months arranging the Choir's western tour.

Baggage sorting was a chore from start to finish.

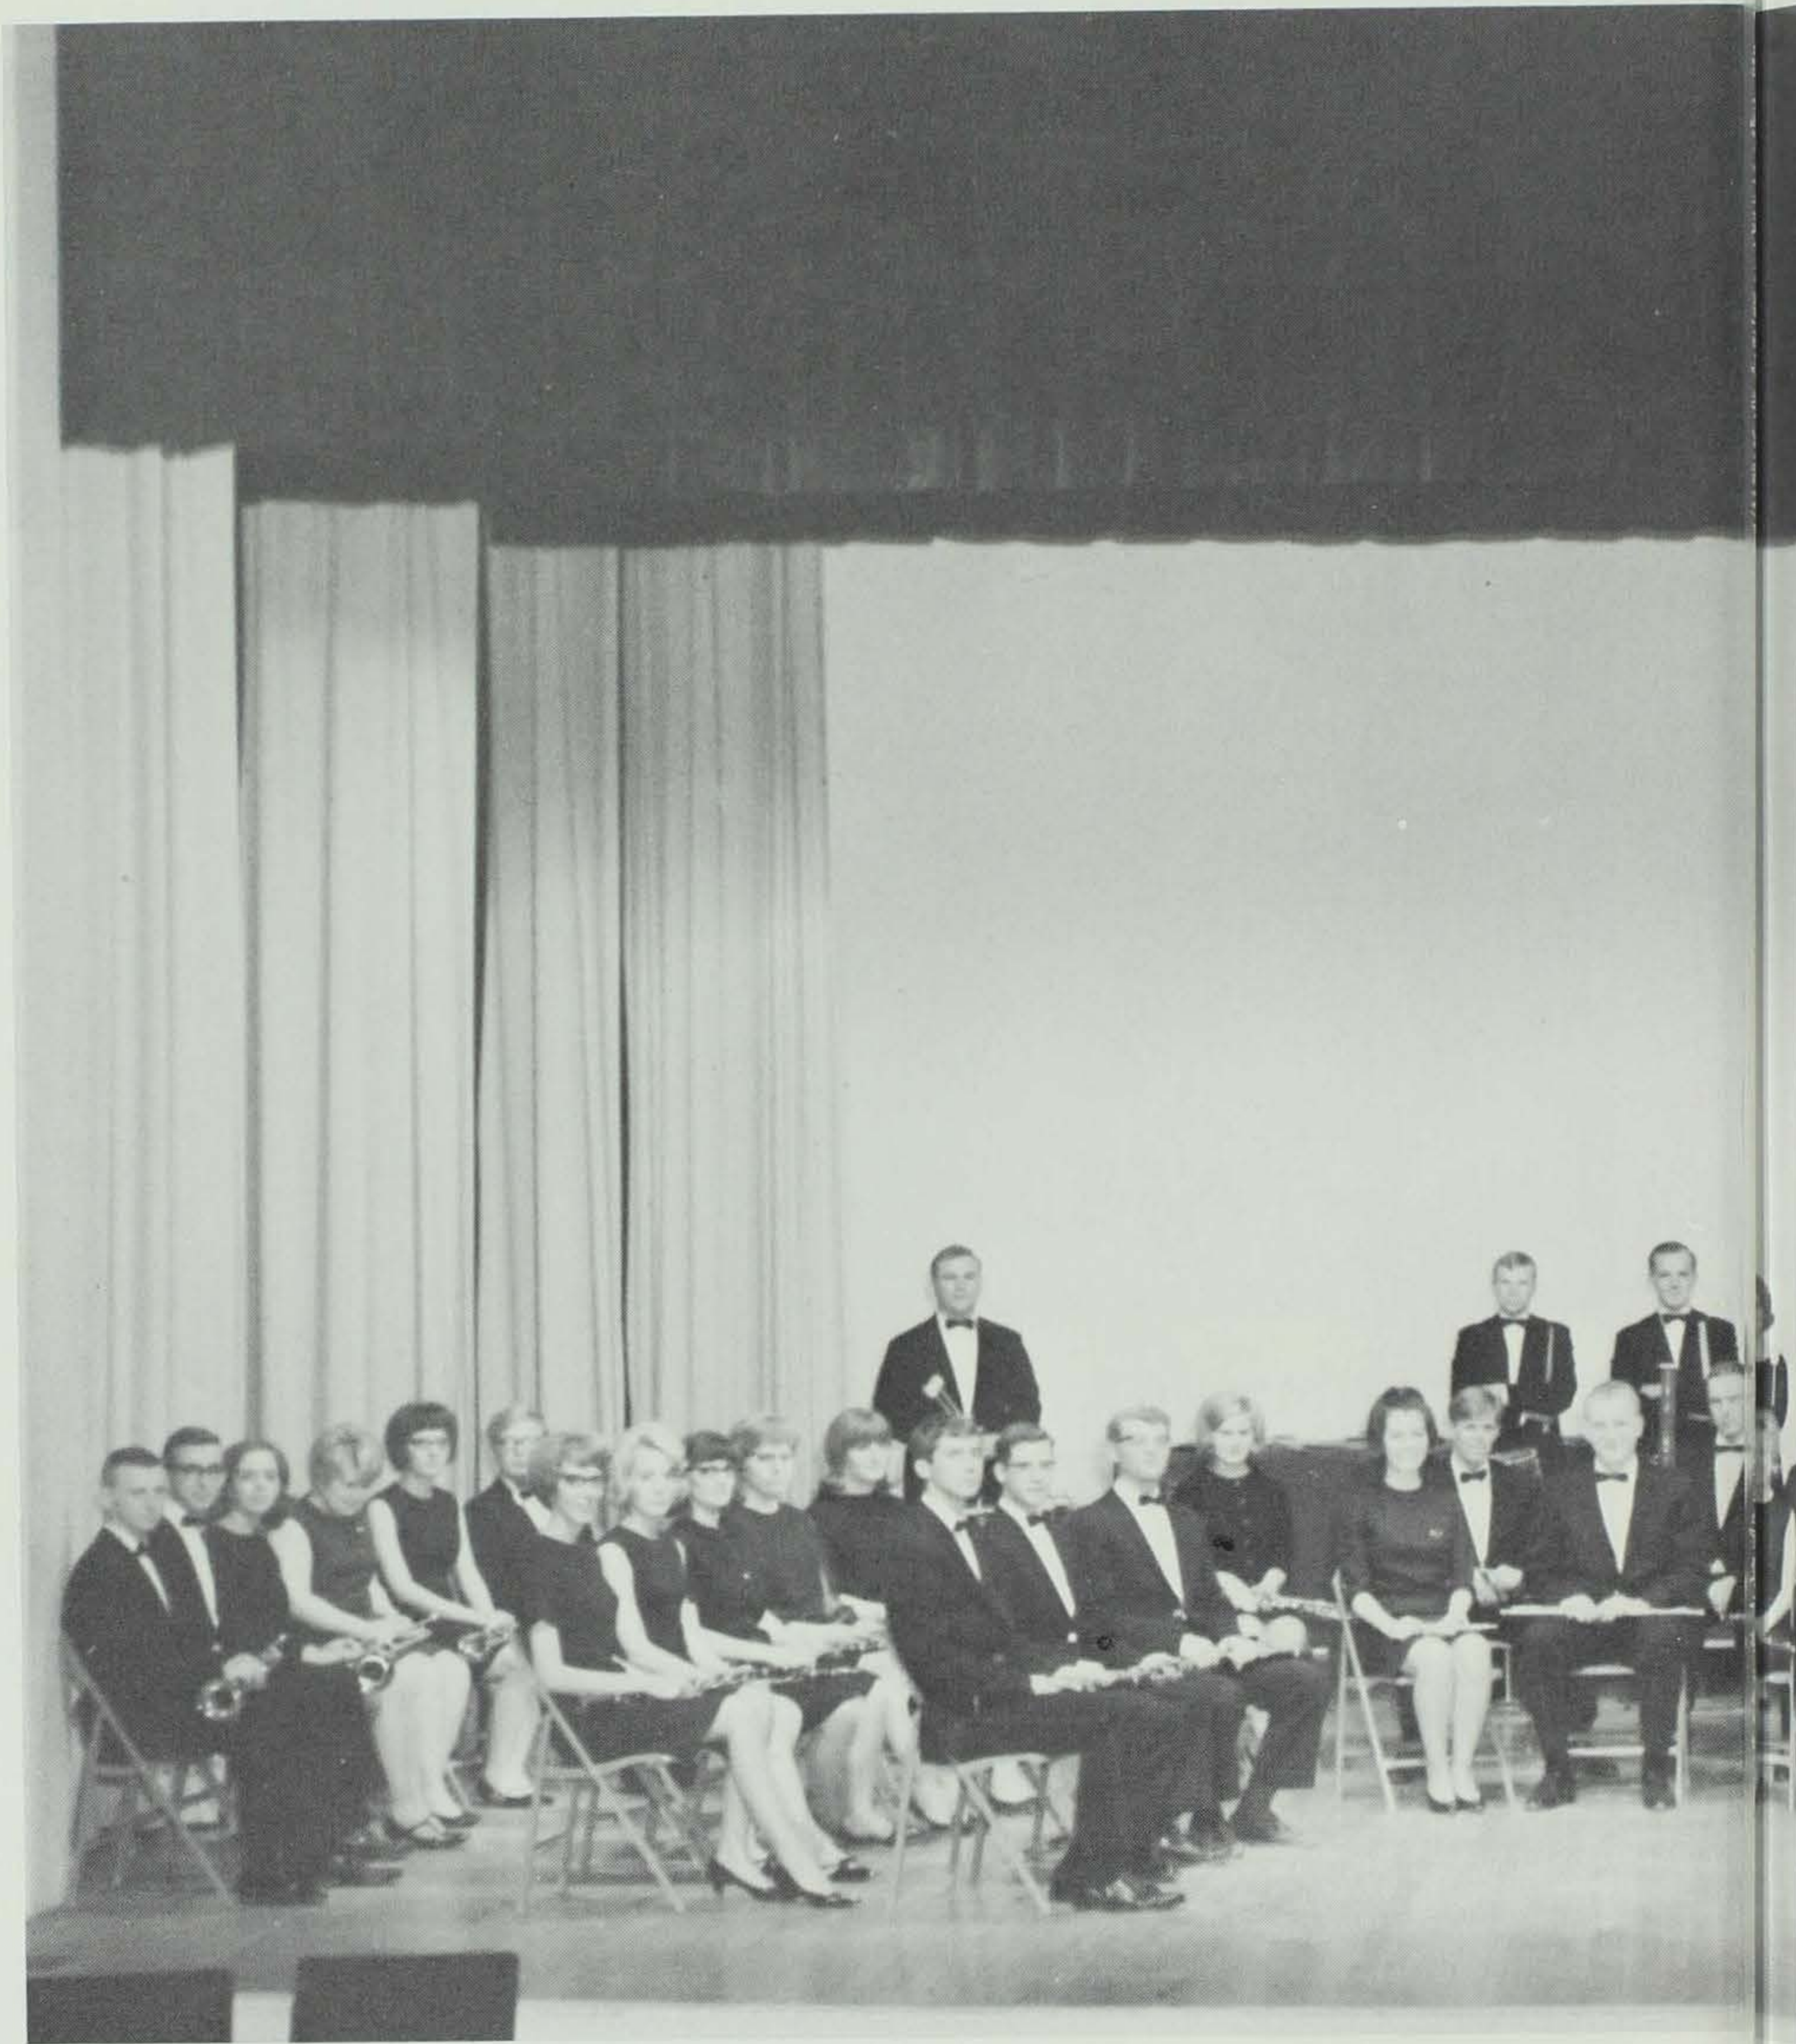

Keith Nealy and Robert Lindsay conferred with Mr. Pfaltzgraff on last details.

"All Aboard!" Ready to begin one of the Choir's most successful tours.

The Buena Vista Band, under the experienced baton of W. B. Green, was very busy during the 1966-67 year. During the first two months it marched and played a halftime show at all home football games. In addition, it marched in the Homecoming Parade and traveled with the team to Dodge City, Kansas, where a halftime show was given for the game with St. Mary's of the Plains.

At the end of the marching season, the band became the Concert Band. Band officers, elected at the beginning of the year, were Andy Meredith, president; Sally Johnson, vice-president; Diane Clowes, secretary-treasurer; Charles Manning and Richard Chambers, librarians; Gary Clark, manager; and Gary Moser, properties manager.

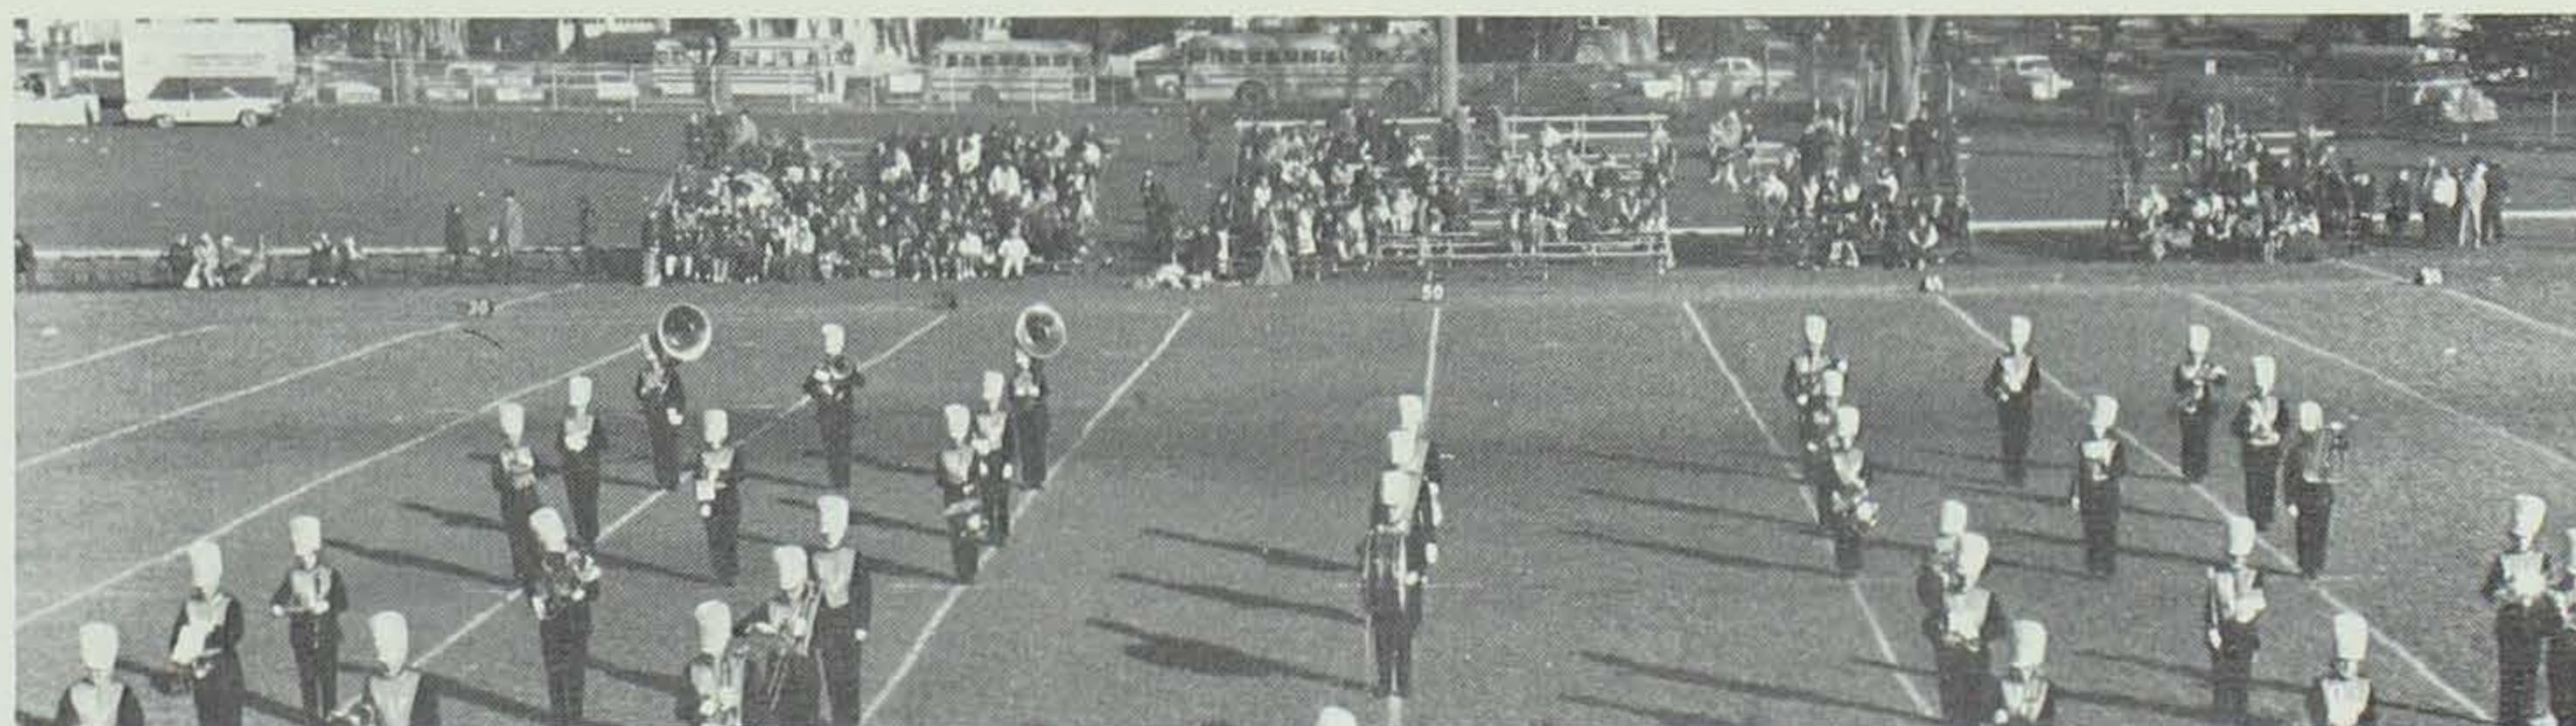

The first formal concert of the year was given March 16 in Schaller Memorial Chapel. Despite a small crowd, the band gave an excellent concert. The band also performed again on May 11, during the Buena Vista Fine Arts Festival.

Besides these concerts, the band had other activities. The members assisted in the Northwest Iowa Grade and Junior High School Music Contest. Some of the members also had an opportunity to play in the Mid-America Intercollegiate Band, composed of select members of various college bands in the Midwest. This band gave a concert on April 8 in the Little Theatre, under the direction of Mr. Revelli, Director of the University of Michigan Bands. Climaxing the year was the annual band banquet, held at Stub's Country Kitchen in Spencer.

M.E.N.C. SPONSORED

BARBERSHOPPER CONCERT

The Music Educator's National Conference had as its main goal the promotion of music in schools. Majors and minors in music or music education were allowed membership in the organization.

M.E.N.C. members were active in choir, band, and Phi Mu Alpha Sinfonia, as well as the weekly Chapel services. At Christmas, the organization went caroling with members of the band and choir and assisted with the annual Tree Lighting Ceremony.

One major project of the organization was the sponsoring of a concert by the Storm Lake Barbershoppers, which was open free of any admission charge to all students and non-students who were interested in music.

During the year, the club had as its sponsor Professor Frances Heusinkveld. Officers were: Gary Clark, president; Larry Knipfer, vice-president and program chairman; and Robin Swartz, secretary-treasurer.

PHI MU SPONSORED CONCERT, ATTENDED REGIONAL CONVENTION

Mu Omega chapter of Phi Mu Alpha Sinfonia, national professional music fraternity, was organized on the Buena Vista campus in April, 1965. Its activities on campus were intended

Below, the four members of the Mu Omega chapter of Phi Mu Alpha who attended the Regional Convention in Kearney are welcomed by a special sign at the Holiday Inn, where they stayed.

to advance its ideals of helping the cause of music in America, fostering the welfare of students of music, developing brotherhood among its members, and encouraging loyalty to the *alma mater*.

Sinfonia's first major activity was during Homecoming, when the group sponsored a float and a musical act for the Variety Show. Highlight of the year was the American Composer's Concert in the spring. The fraternity also helped usher at concerts and provided entertainment for Convocations. Its stage band was in great demand at dances and proms.

Not neglecting the social side, the club sponsored a hay ride, a tobogganing party, and a steak fry during the year. At the Regional Convention in Kearney, Nebraska, Mu Omega chapter received special recognition from the motel housing the delegates.

Through the year the club was guided by its sponsors Mr. Pfaltzgraff and Mr. Green. Officers were: John Meredith, president; Doug Patten, vice-president; Clair Nerem, secretary; Charles Manning, treasurer; Gary Clark, alumni secretary; Bob Forbes, historian; Larry Knipfer, warden; and Tim Harvey, pledge trainer.

The members of the Buena Vista Circle K Club enjoyed one of the most successful years in their seventeen year history. The Buena Vista Club was the third club formed and the thirteenth chartered in Circle K International, an organization that by 1967 totaled 750 clubs and 15,000 members.

Operating under the theme "Serve With Purpose," the Club assisted the campus and community. Projects included ushering at athletic and dramatic events, helping to organize the largest Homecoming Parade in the history of the College, assisting with an auto safety check, providing pop machines around the campus, assisting with the Storm Lake blood drive, sponsoring a slave auction, and guiding prospective students around the campus. Two projects stood above the rest—the Korean Clothing Drive and the B. V. Sign Project. Noting an absence of signs around Storm Lake directing visitors to the College, the Circle K men made and erected the needed signs. The Bulletin of Circle K International printed a description of this project as a guide and inspiration to other Circle K clubs throughout the United States and Canada.

When Buena Vista Circle K received a letter from a Korean orphanage asking for clothing, a drive was organized and staged to fill the needs of these Korean children. This project was so successful that it was awarded the Single Service Award at the Convention of the Nebraska-Iowa District Circle K.

During the Circle K Christmas Party, Santa Don Guthrie held a private conference with President Floyd Rogers under the watchful eye of Jim Number.

ACTIVE IN DISTRICT AFFAIRS

One of the many signs the Circle K men erected to direct visitors to the College. This project won International acclaim.

Buena Vista Circle K, in addition to sponsoring projects for the benefit of College and community, was an important factor in both District and International Circle K operation. A Buena Vista delegation was sent, late in August, 1966, to the International Circle K Convention in Dallas, Texas, where it played an active part in elections, as a Buena Vista member nominated the young man who was elected International Secretary.

A member of the club, Steve Smith, served as Governor of the Nebraska-Iowa District during the year. His duties took him more than fifteen thousand miles during his term of office. Ten new Circle K Clubs were started on campuses in the two states during the '66-67 year, with Buena Vista men assisting with forming a number of these.

The climax of the year came in April at the District Convention held in Omaha, Nebraska. Not only did the Buena Vista group win the Single Service Project Award, but it was also able to elect member Bill Hill as District Governor, the first time the District Governor had been elected from the same club two consecutive years. Also at the Convention a resolution was adopted supporting member Steve Smith for an office in Circle K International. At year's end the club members were planning the campaign to be carried on at the International Convention to be held in Ottawa, Canada, in August.

1966-67 Circle K officers were: Floyd Rogers, President; Jim Numbers, Vice-President; William Stoakes, Secretary; Ray Vander Velden, Treasurer, Mr. Norman Bonnema was the club's sponsor.

The Buena Vista Club was active in helping to start new Circle K Clubs. Here Steve Smith, District Governor, presents Charters to new clubs at Vennard and William Penn Colleges. This twin-charter party at Oskaloosa made Circle K International history.

BETAS STAGED JAILBREAK

Delta Phi Beta sorority actively participated in various service and social functions during the year. Through these activities the Betas carried out their purpose in promoting a feeling of sisterhood among their members, encouraging high academic achievement, and developing social grace through their associations with each other, their sponsors, and their patronesses.

The first activity of the year was the informal fall rush period. After an inter-sorority party and a preference dinner at the Cobblestone, seven fall pledges were initiated into the sorority. The new members pledged in time to assist with the planning of the Beta Homecoming skit and the float, "Frost the Knights," which won the Sweepstakes Award. The Annual Alliance Luncheon, held during Homecoming, provided opportunity for present and past Betas to get together. Alliance members were also invited to the traditional Christmas Party. Betas were a "vocal" group in December as they sang Christmas carols for patients at Buena Vista County Hospital and had a caroling exchange with a fraternity.

Second semester brought the formal rush period. Twelve "active" pledges did not disappoint the actives in their enthusiasm and vitality during pledge period. In addition to giving four actives an "expense paid" trip to

Newell on the train, the pledges managed to perform a "highly successful" jailbreak from the Storm Lake Police Station while wearing the traditional red and white prison suits. Activation of new members took place at the Bradford Hotel and the Spring Banquet at the Steak House in Storm Lake. New officers were installed and seniors graduating this spring were honored.

Projects sponsored by the Betas this year included the sale of 75th Anniversary pennants at various functions throughout the year and a joint sorority-fraternity car wash in the spring. Betas also served at tea for Marjorie Holmes, a former Beta and now prominent author and columnist.

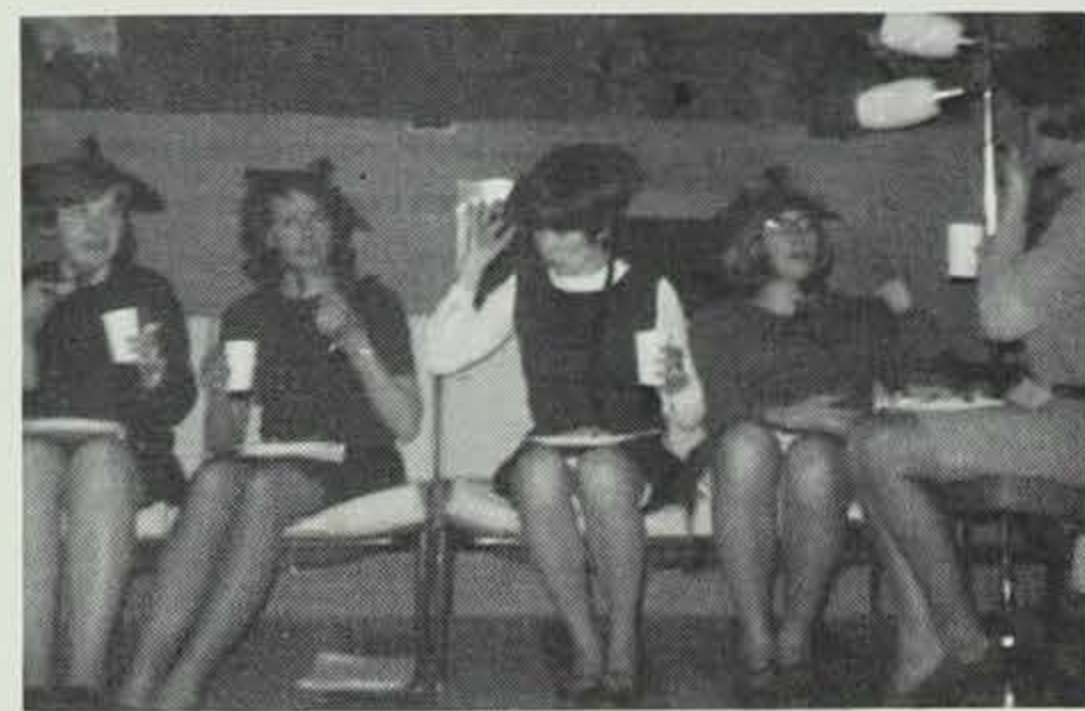

The girls of Delta Phi Beta worked efficiently through the year to promote sisterhood that will last far beyond their time at Buena Vista.

Officers for 1966-67 were: President, Ruth Heglin; Vice-President, Marianne Patterson; Secretary, Janet Aube; Treasurer, Margy Barber; Historian, Sabra Brewer; Reporter, Rosemary Pritchard; and Inter-sorority representatives, Jane Berglund and Joy Kadlecik.

The second semester pledge class is shown in the Storm Lake Police Station under the watchful eye of Chief Andrew "Brodrick" Carstensen. Just hours later the girls executed a brilliant and breath-taking escape from the jail. The police were unable to recapture the desperados, and the "ex-cons" remained at large.

PHI ALPHS STAGED RAID ON MEN'S DORM

Phi Alpha Pi was established at Buena Vista in 1906. It took as its motto "Friendship, Harmony and Fidelity," and its flower and jewel were the pink carnation and the pearl. The sorority colors were pink and white. On becoming activated, each girl was entitled to wear the black and gold triangular Phi Alpha Pi pin.

Officers for the 1966-67 year were LuAnn Beck, President; Arlene Monthei, Vice-President; Shirley Howieson, Secretary; Jackie Zalesky, Treasurer; Joyce Olson, Historian; Judi Milazzo, Pledge Trainer; and Pat Freeman and Michelle Pelle, ISC Representatives. The sorority's sponsors were Mrs. James McDiarmid and Mrs. Dean Persing.

The first activity of the new school year was Fall Rush. Pledges dressed in black, wore clown hats, and carried buckets of candy for the actives. Hell Night activities included tricycle riding up and down Main Street, followed by swimming at the Peterson home.

Homecoming was another challenge for the Phi Alphs. Activities included selling traditional mums and a banquet for members at the Alliance. The Phi Alph float won first place in the school spirit division, while the skit took honorable mention in the Variety Show. Four Phi Alphs, Judi Milazzo, Lynn Richarz, Michelle Pelle, and Pat Freeman, were on the Homecoming Court, while a fifth, Miss Teddy Wackher, reigned as Queen.

At the Christmas Party the traditional Booty

Exchange took place. Two sisters brought a pair of matching baby booties and filled them with candy and nuts. All the booties were then put on a big tray and picked by the girls at random. Girls picking matching booties became booty partners, which meant that the first sister to marry and have a baby received the booty from the other girl. Thus, sorority members could keep in touch after graduation.

During Spring Rush each pledge wore a self-made clown suit and carried candy and a "special" object, such as lettuce or onions, assigned to them by the actives. Rush started with a "Round the World Party", and included a noisy 5:30 AM "raid" on the men's dorm by the pledges. During pledge period the sorority sponsored an all-school Mardi gras Dance.

Other spring activities included the Alliance Luncheon, where each graduating senior was presented with a silver spoon; and the Patroness Tea, sponsored by the ISC to thank Storm Lake women who opened their homes to the sororities for meetings throughout the year.

Phi Alpha Pi was also proud that one of the sisters, Terry Etter, was elected "Miss Storm Lake" for 1967.

Although primarily a college organization, Phi Alpha Pi provided a means of continuing contacts with former members through the alumni organization. Each girl was able to establish a perpetual bond of friendship which continues long after graduation.

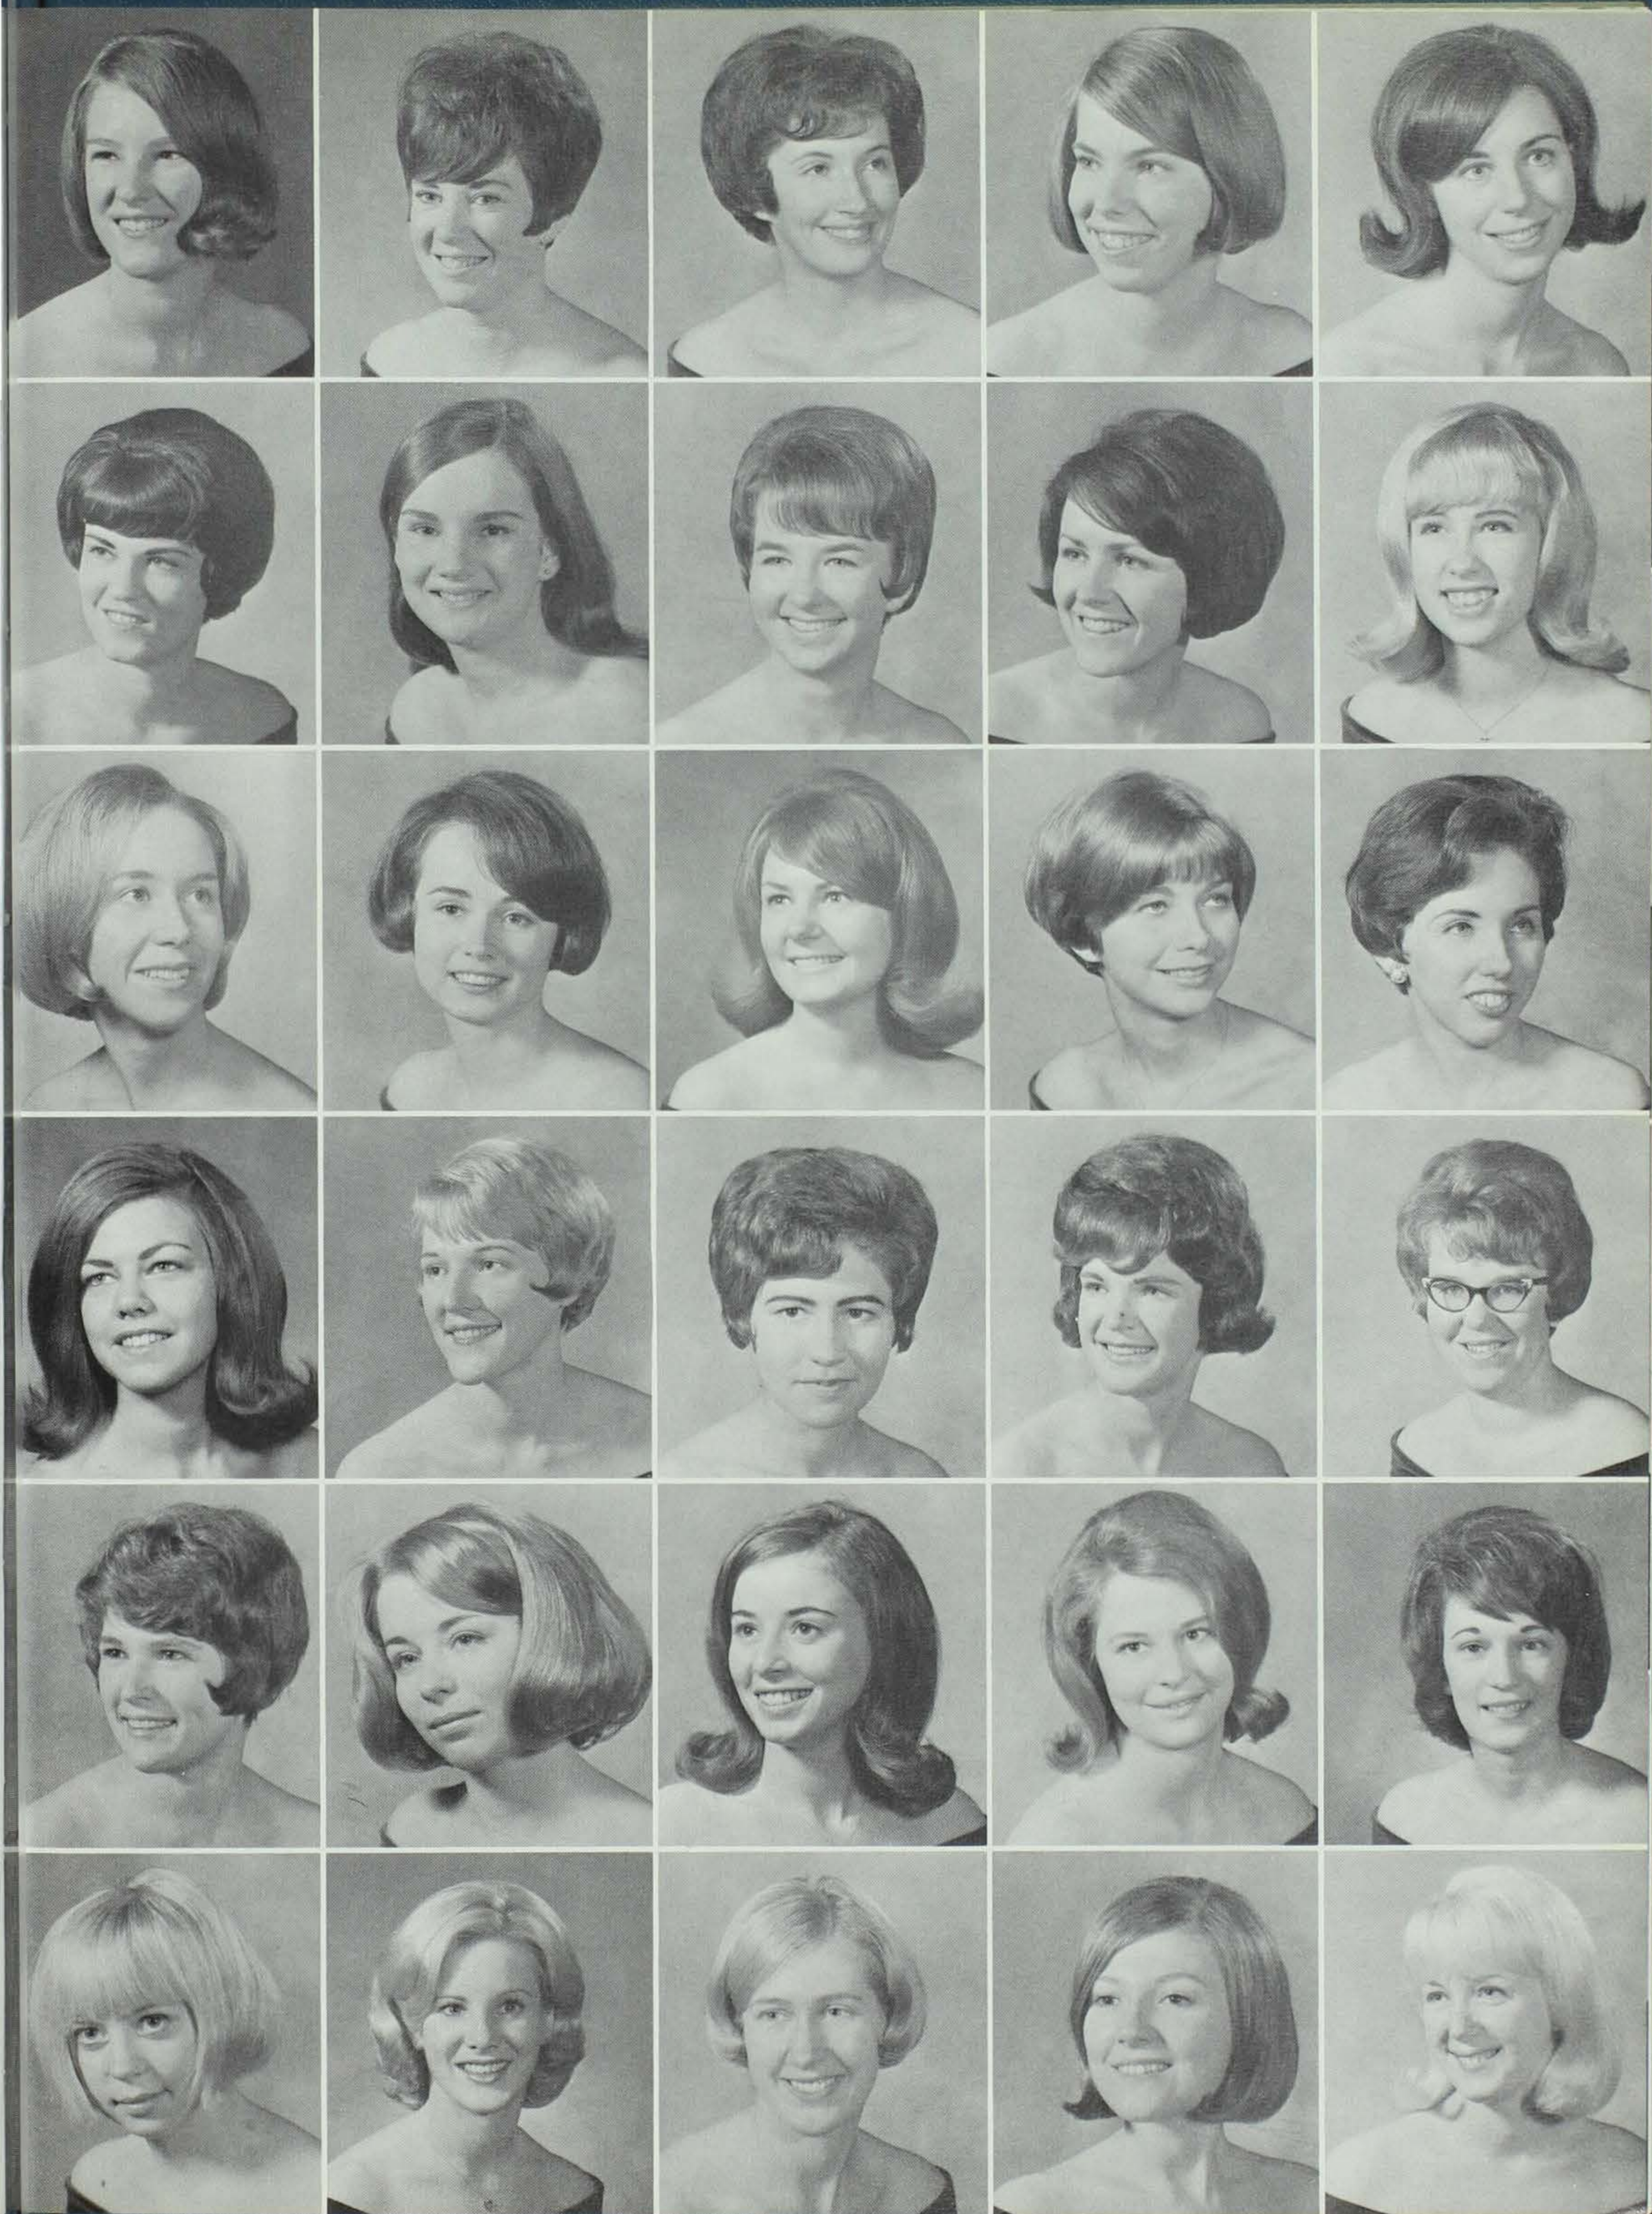

At the Spring Rush Party the theme "Phi Alphs Around the World" was used, and games were played in keeping with this theme.

LuAnn Beck, Michelle Pelle, Mary Wahlert and Jeanie Kluver greeted the rushees as they came in.

DELTS HAD OFF-CAMPUS LODGE

The Gamma chapter of the Delta Phi Rho fraternity was established in 1925 to create a social organization whose membership would maintain and further the scholastic and moral standards of Buena Vista College. The oldest social fraternity on campus, it boasted a membership of almost forty men with an active alumni organization of 350.

Delta Phi Rho's objectives stressed judgment, responsibility, equality, and respect; while study habits, scholastic achievement, physical stamina, and etiquette were "subtly" instilled during the pledge period. Delt men were encouraged to participate in outside activities, and they played a leading role in campus organizations, including honorary fraternities, athletics, and student government. The fraternity strove to be a benefit to both campus and community.

This year the fraternity was fortunate enough to secure consent of the College for furnishing a lodge off campus, where parties and other fraternity functions could be held. Such functions included a Halloween Party and a Christmas Party, a Beatnik Party, a Western Party, and the annual Spring Pajama Party. The Delts also let the rest of the College get into the party spirit when they took over the Cafeteria one

evening and converted it into a giant casino. Besides serving dinner, the fraternity gave students a chance to "gamble" and "drink" in a genuine Keno atmosphere. Major social event of the Delt year was the Winter Formal in February at Vern & Coila's restaurant on Lake Okoboji.

The Delts were also proud of their queen candidate, Miss Teddy Wackher, who was elected Homecoming Queen.

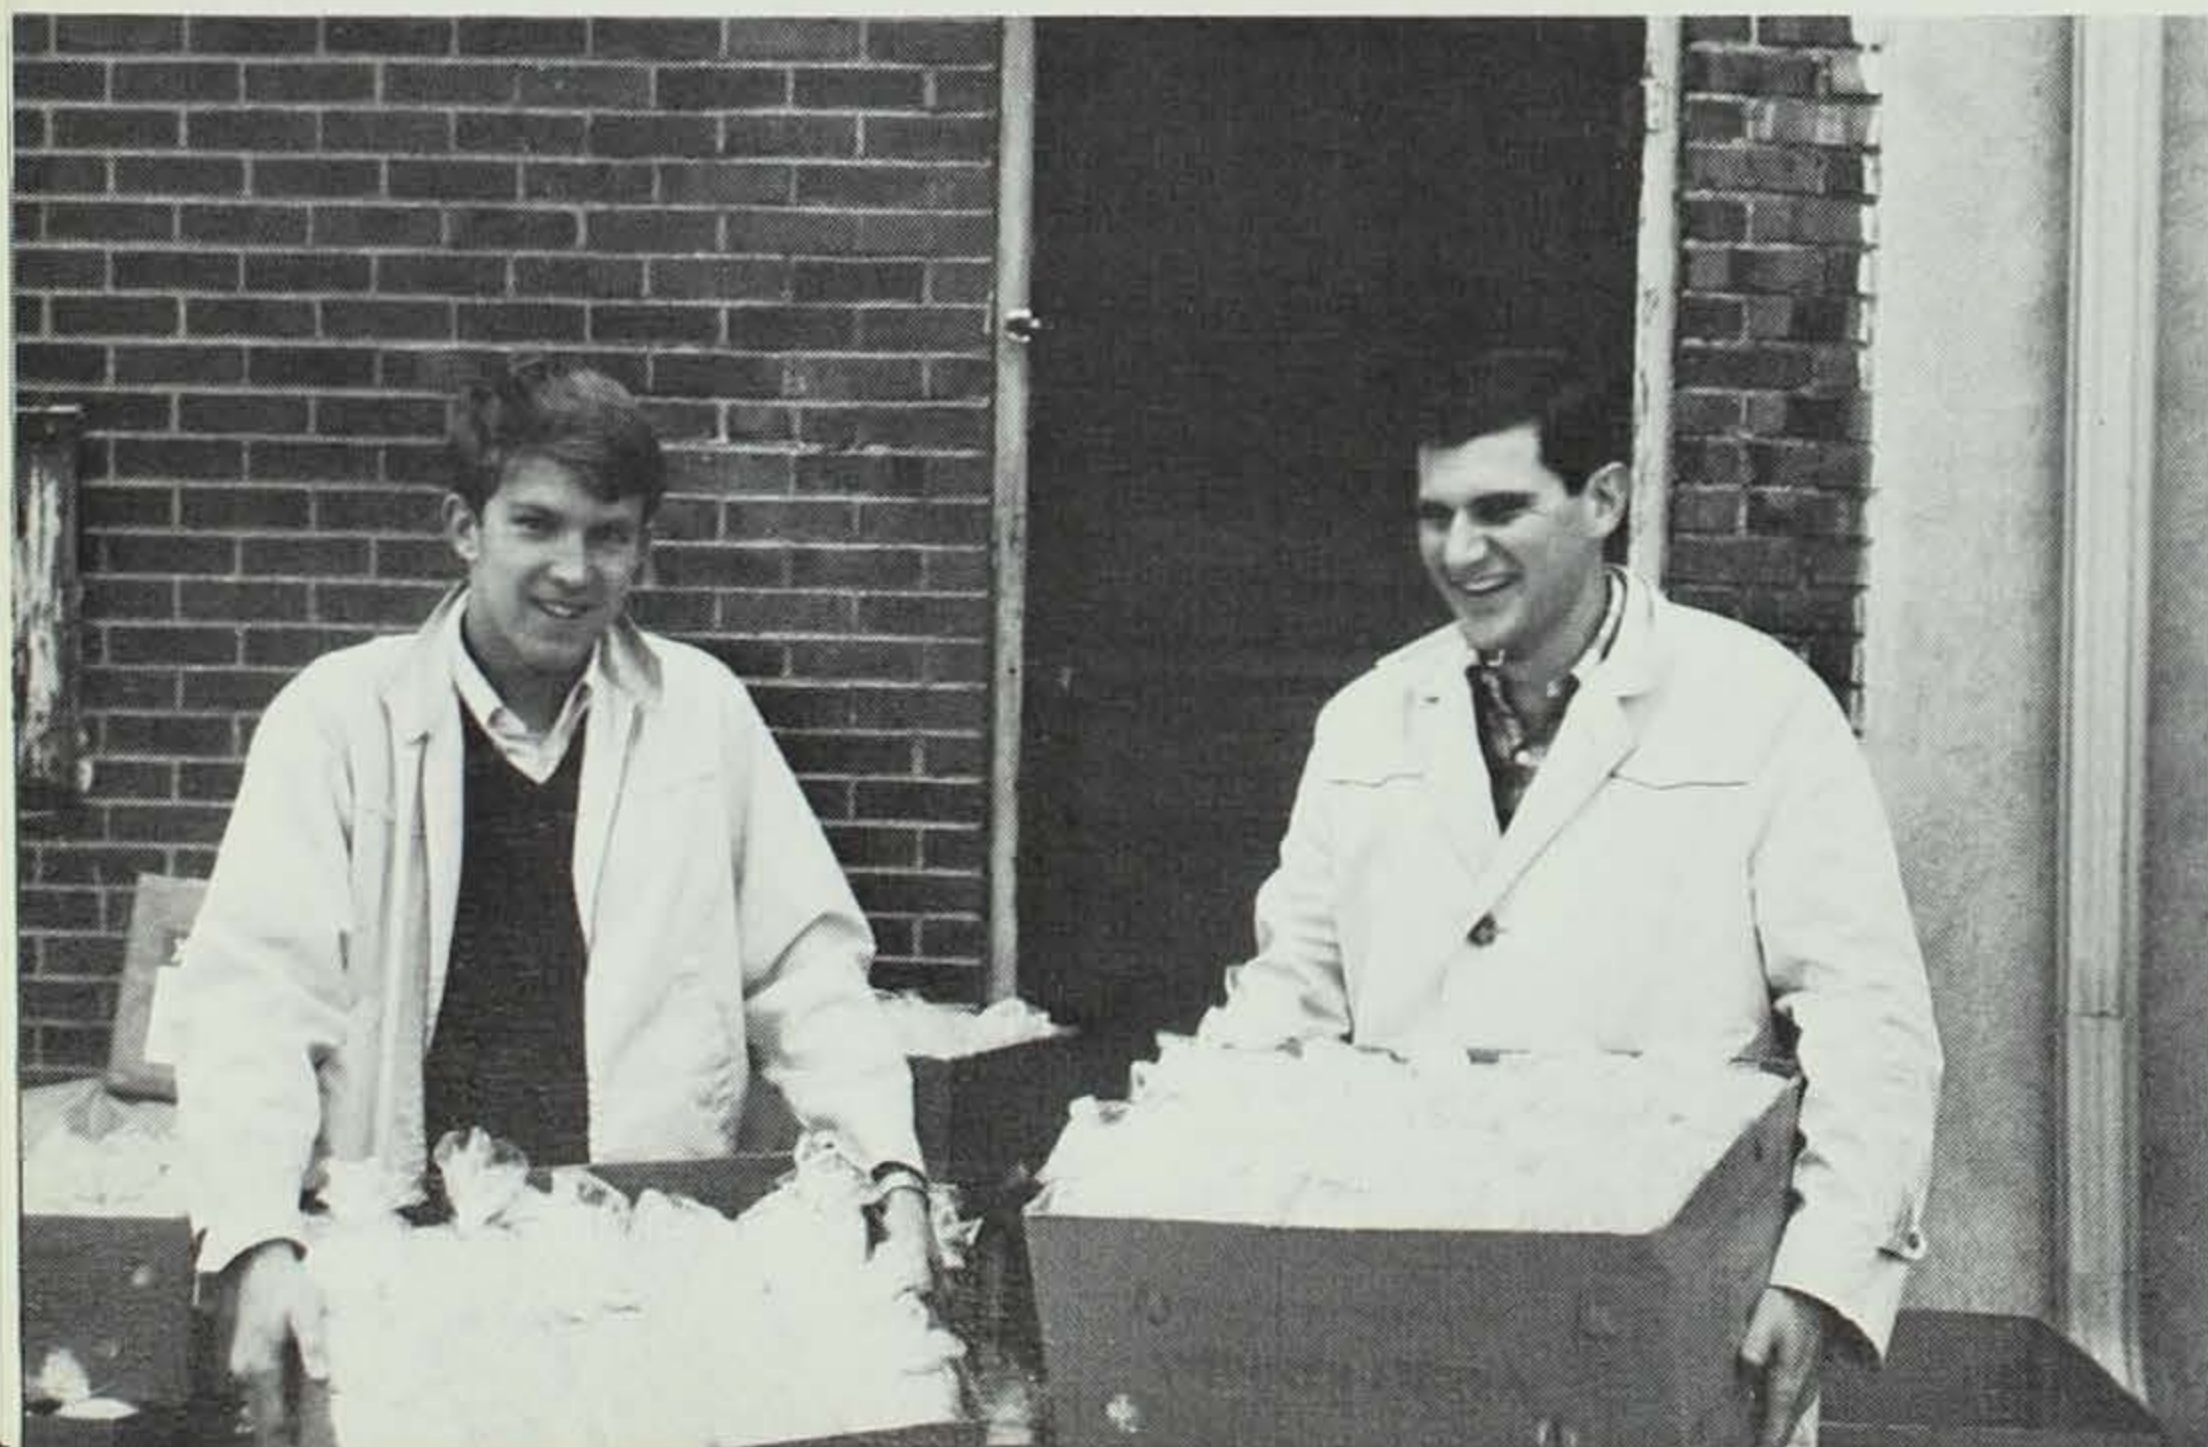

Officers for the 1966-67 year were Bill Neff, President; Marty Pitlik, Vice-President; Jerry Hilton, Secretary; and Bill Eilers, Treasurer.

The fraternity's sponsor was Professor Anthony Stone.

Bill Neff, Bill Clark, Al Hawkins and Marty Pitlik cooked up a storm in the cafeteria when the Delts served dinner in the spring.

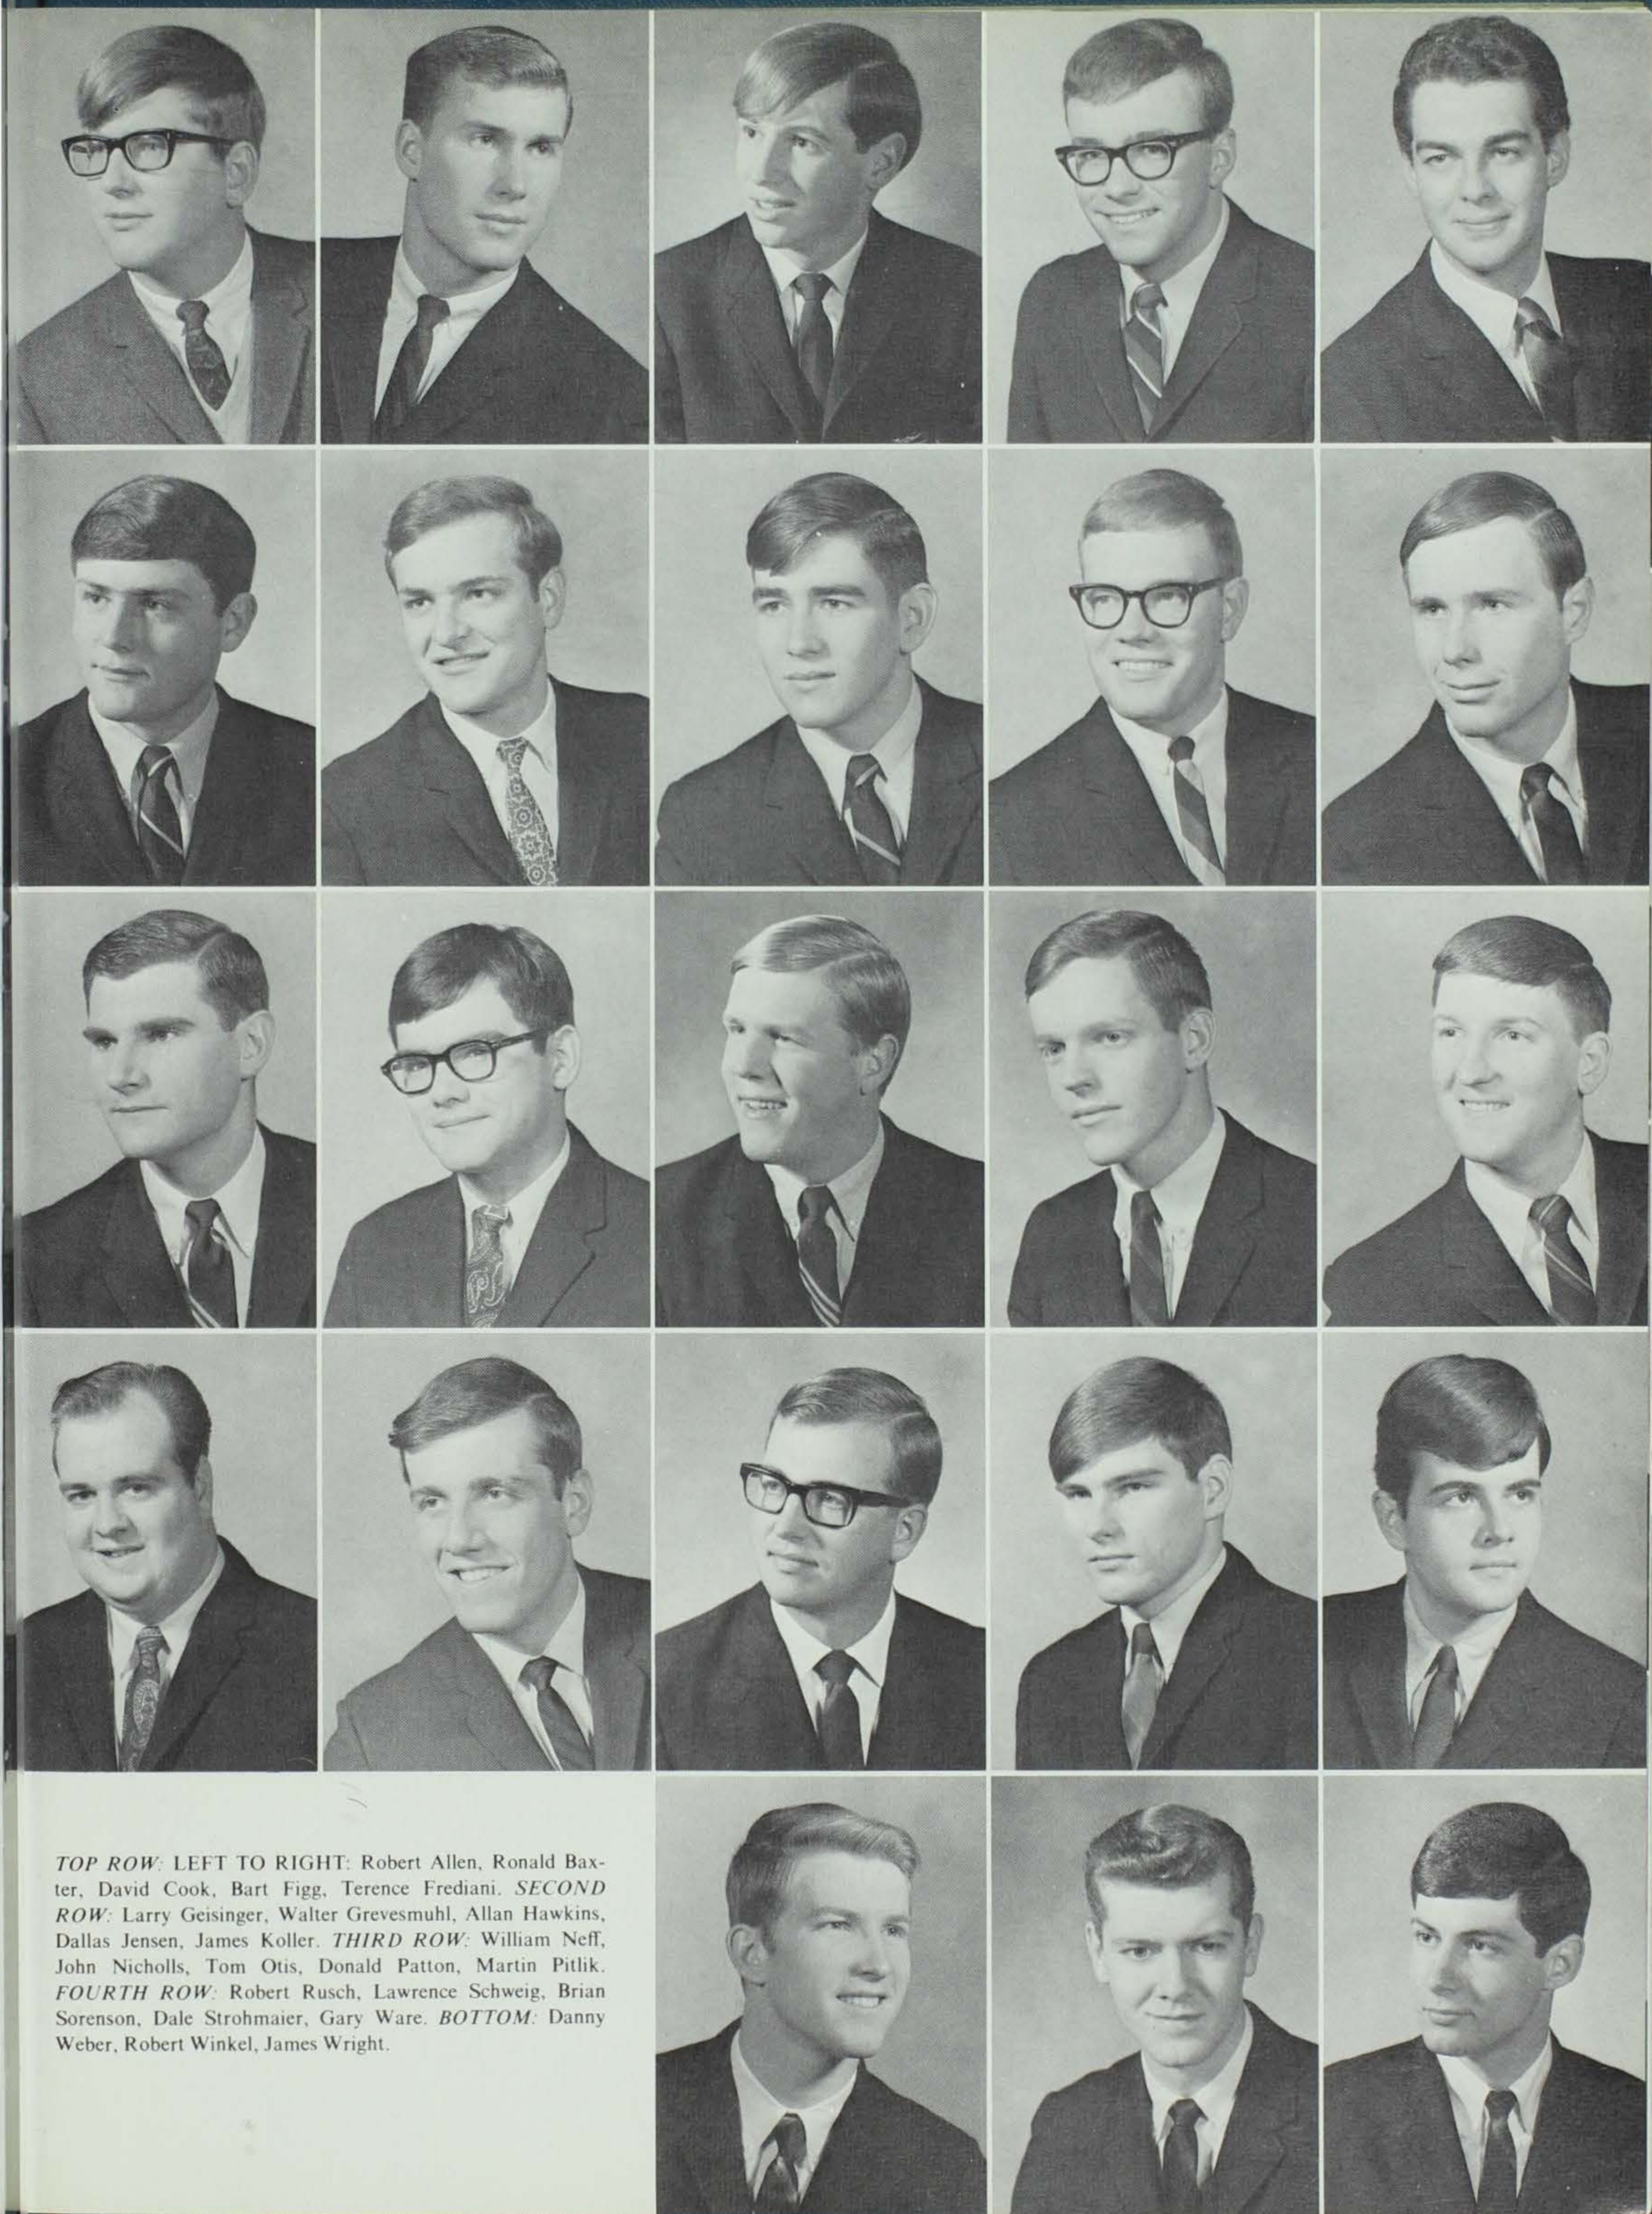

Danny Webber and Grand Delt Bill Neff, loaded up with fresh bread, set out for the annual March of Dimes fund raising drive, and annual service project of the Delts.

GAMMA SIGMA PHI SPONSORED

APRIL CHRISTMAS PARTY

The Gamma Sigma Phi Fraternity was organized to promote social activity on the Buena Vista campus, to exhibit and to strive for gentlemanly standards, to encourage and to maintain scholarship, to provide security in the social graces, and to further college spirit.

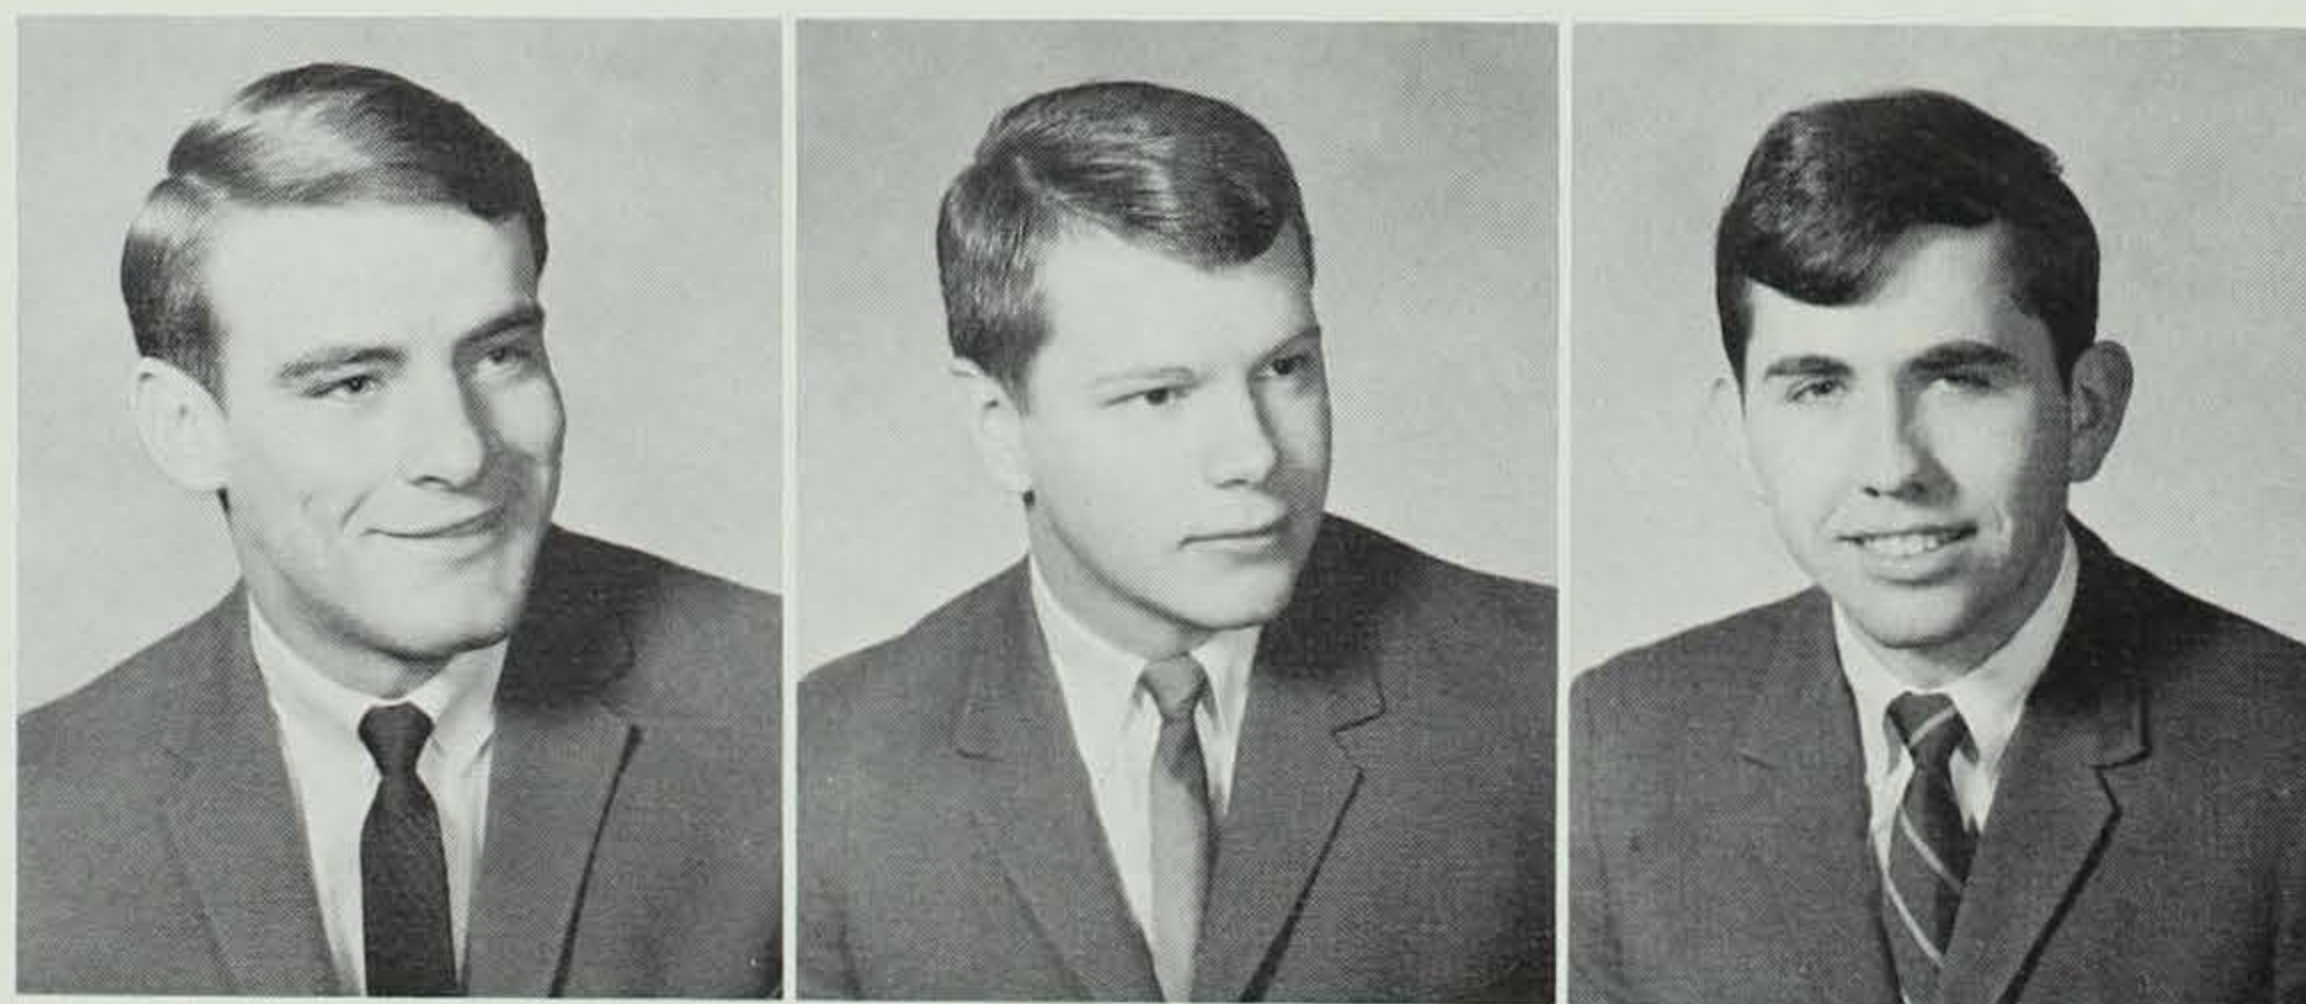

Under the leadership of President Dave Wolfe, the Gammas began the 1966-67 year by pledging a small, but select, class of five men. They were active during Homecoming, when their queen candidate, Ruth Heglin, was elected to the Homecoming Court, and their Variety Show act, "Super Jock Jones," an hilarious parody on the sacred cows on the Buena Vista campus, won first place in the talent category. The Gamma's float was the "theme winner" in

the Homecoming Parade. Other first semester activities included a Thanksgiving Party, two car washes, a Gamma sponsored all-school dance at the Cobblestone in December, and Christmas caroling.

Second semester saw a mighty pledge class of eleven. Further activities included a Beatnik Party, a Come-as-you-are Party, and most unique, a Christmas Party in the middle of April!

Assisting President Wolfe as officers were Scott Whyte, Vice-President; Dave Thomas, Secretary; and Kerry Spaur, Treasurer. The fraternity sponsor, whose towering presence was advantageous in the Variety Show skit, was Professor Jackson Ragsdale.

KAPPAS HELD VARIETY OF ACTIVITIES

Kappa Tau Delta was the youngest social fraternity on the Buena Vista campus. It was founded in 1963 and had twelve charter members. Its purpose was to develop a close brotherhood with strong bonds between actives, pledges, and alumni. The principles of campus leadership, social poise, and high scholarship were among the goals of the group.

The fraternity started off the year in fine style, as it sent out nine bids to prospective pledges and had all nine bids accepted. The Kappas were represented in the Homecoming parade and Variety Show by a float and a skit. The float, the members felt, was a contribution to the ecumenical movement, as it was built by two Jews and an Arab.

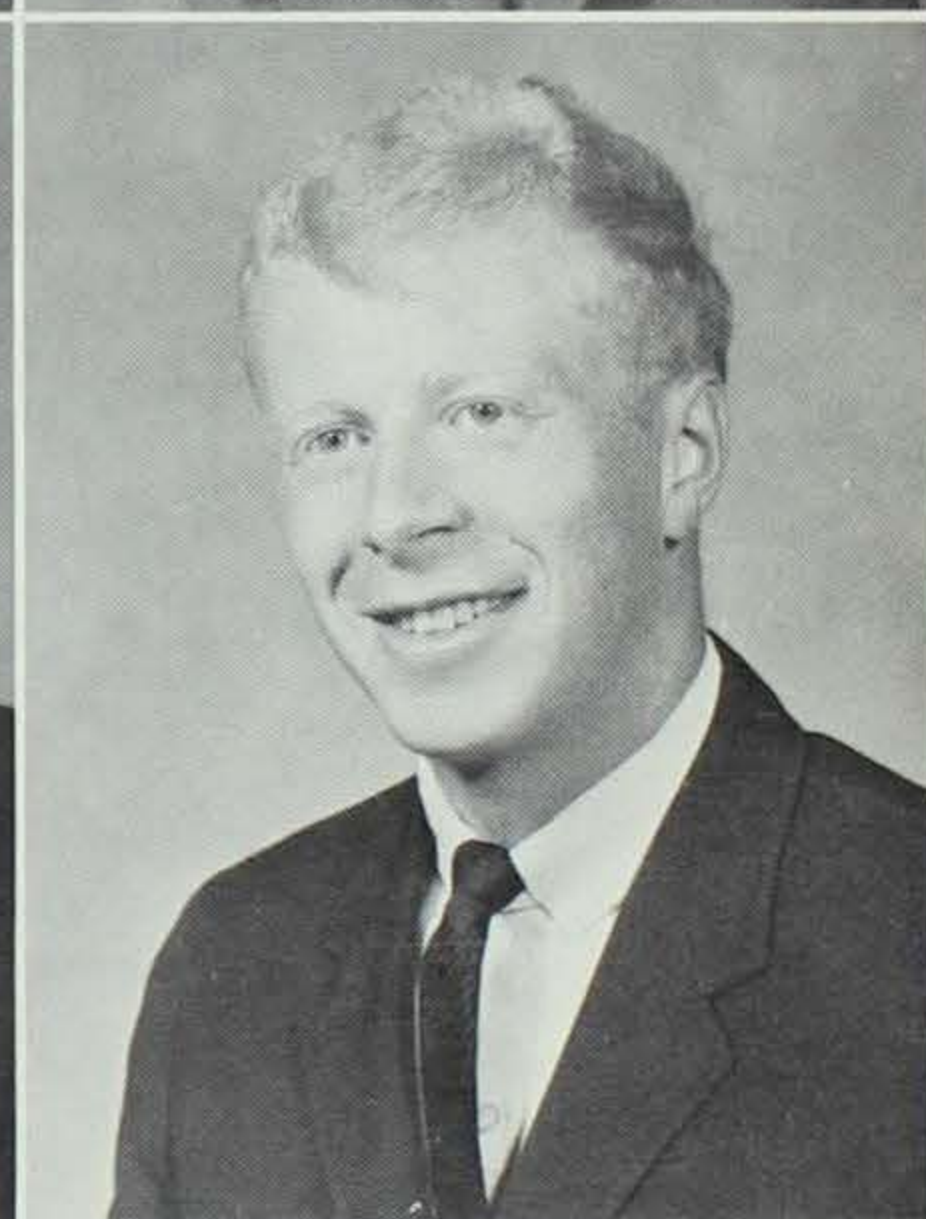

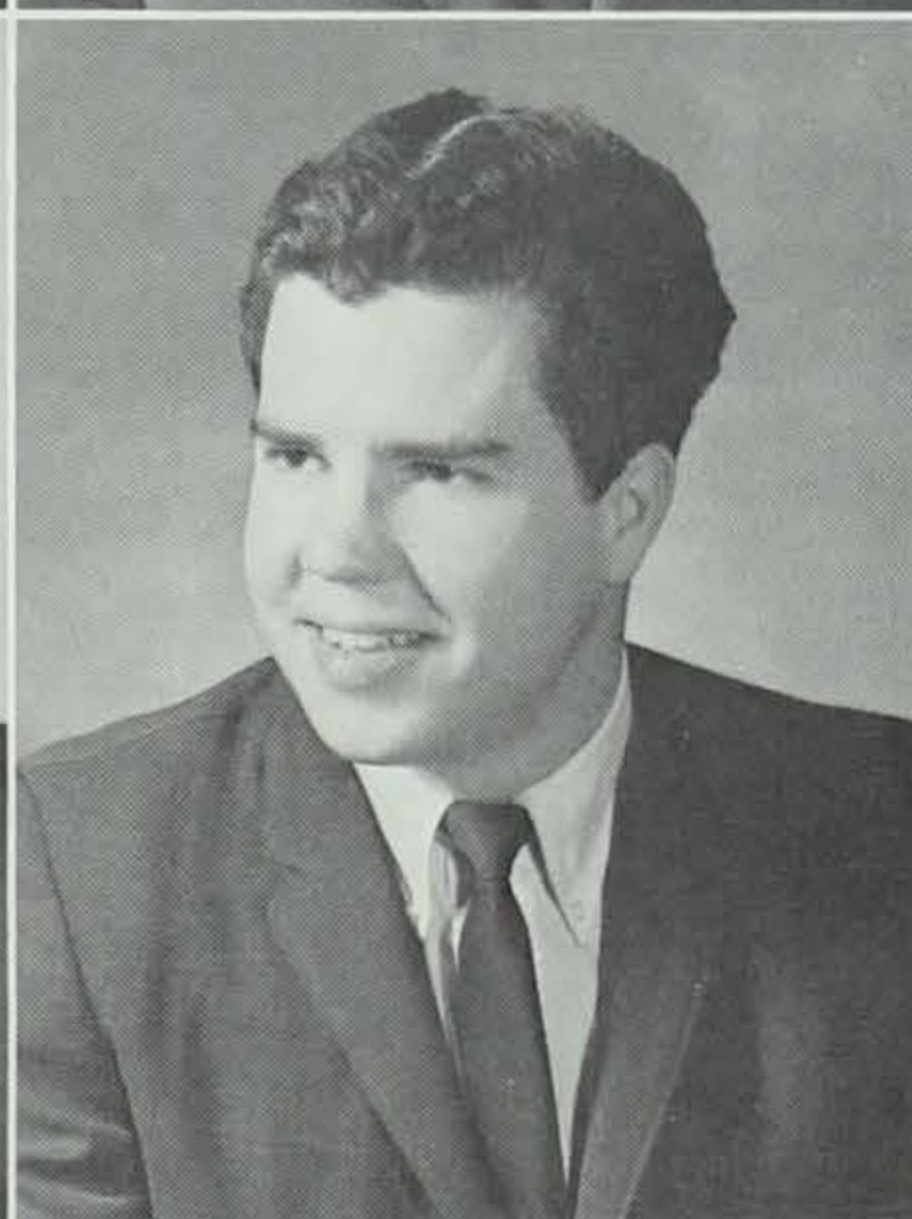

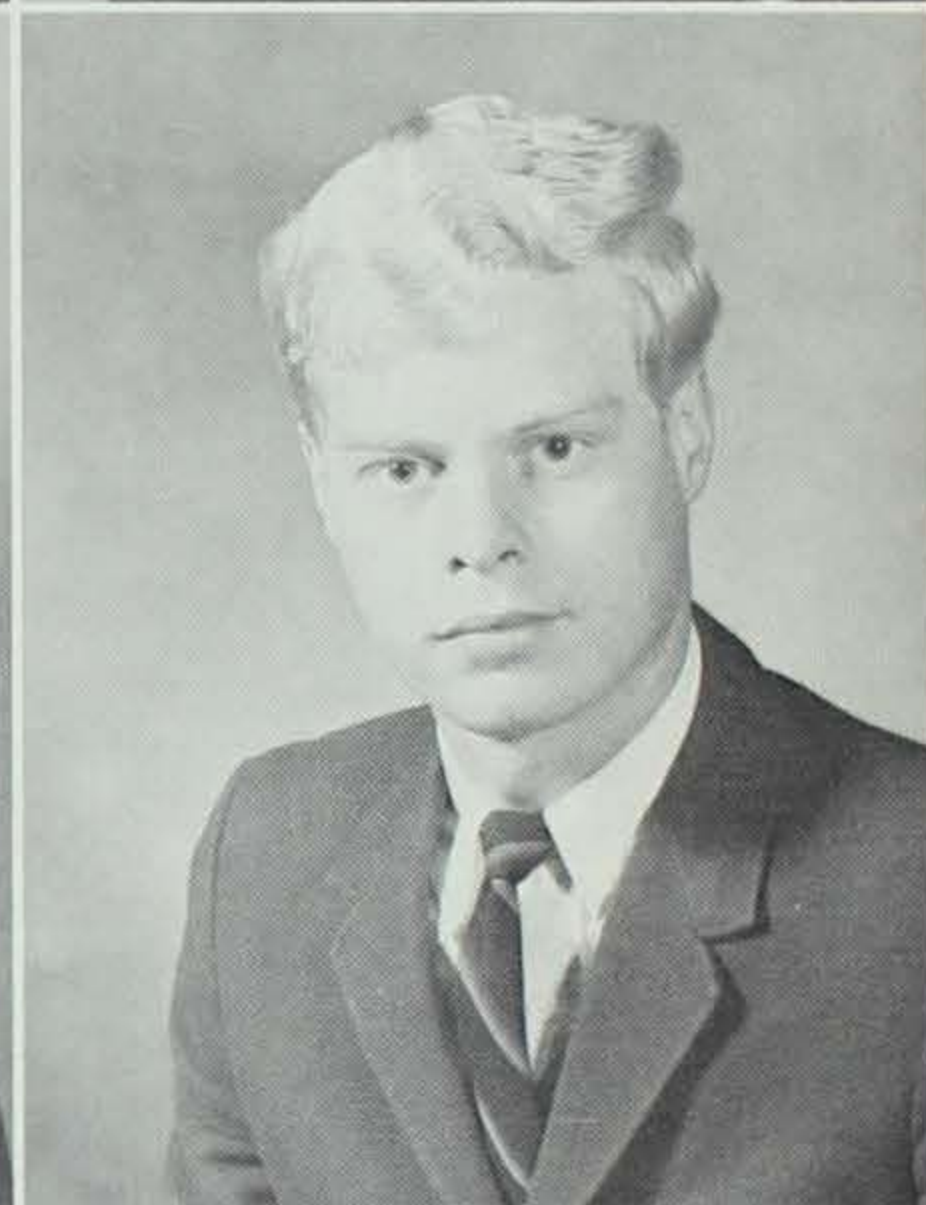

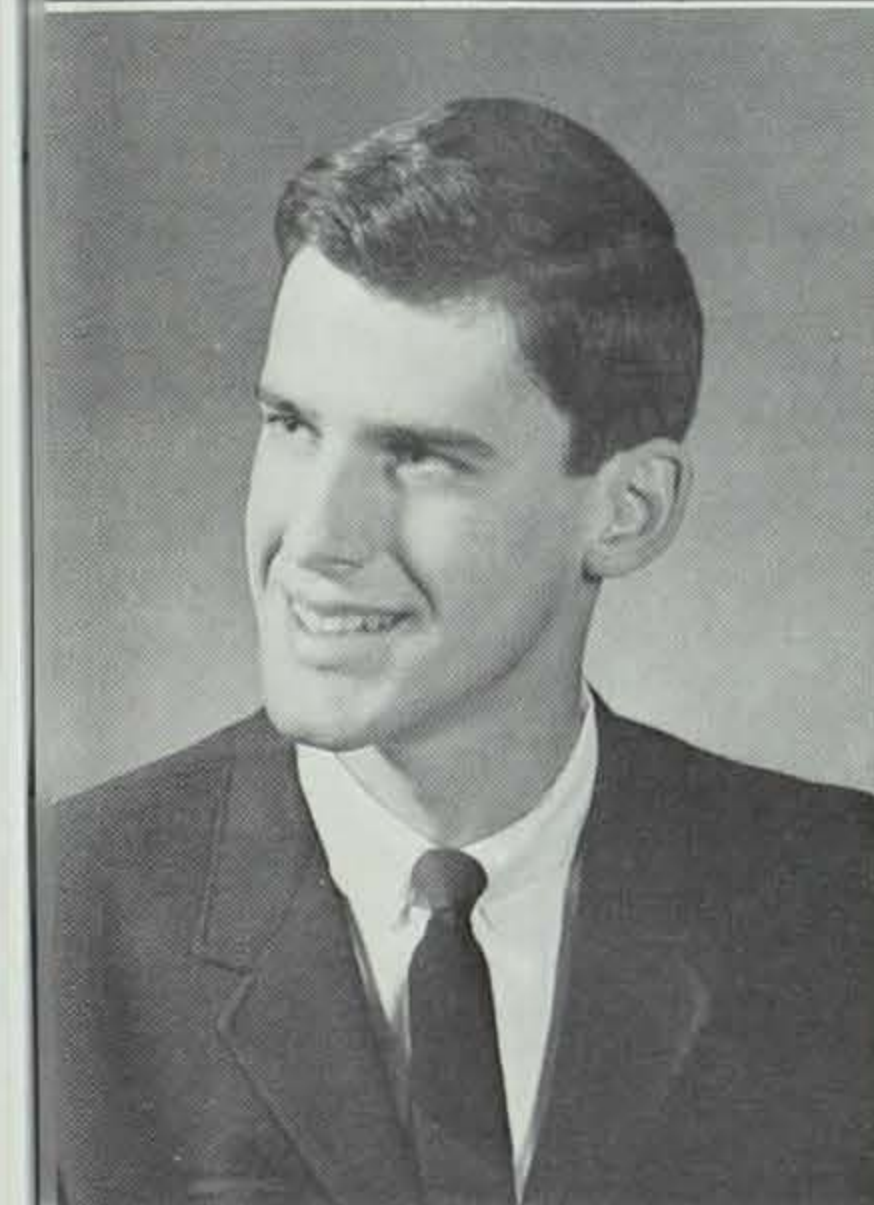

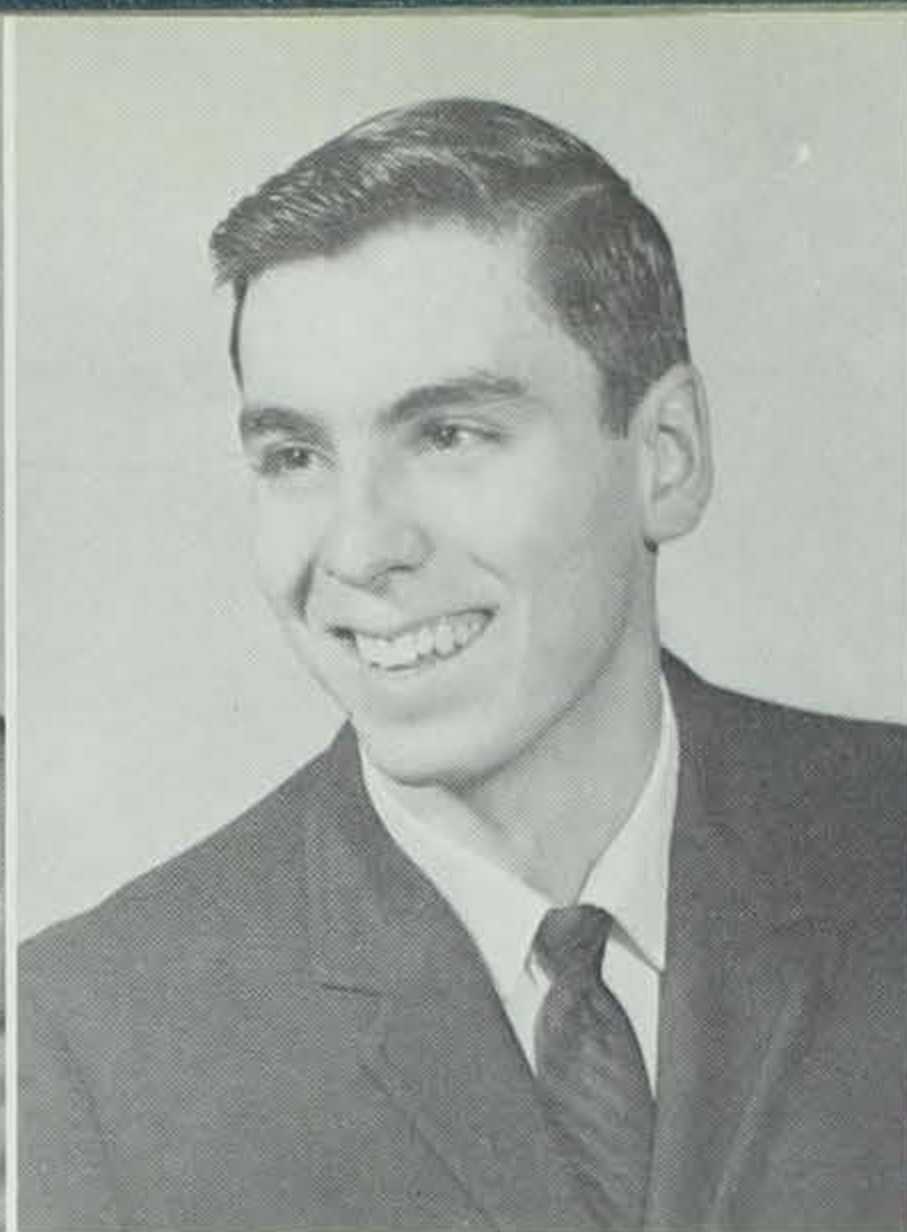

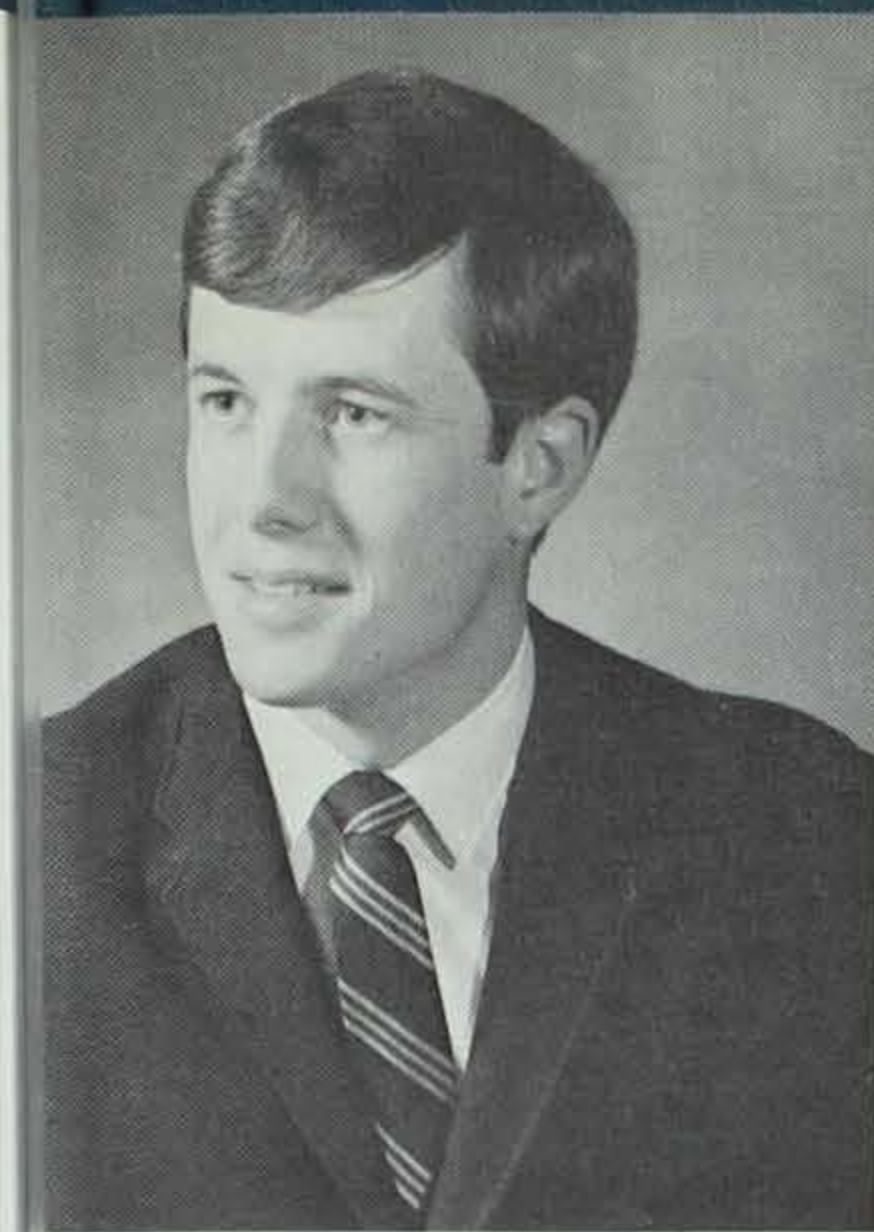

Kappa social calendar included a Halloween Party and a Christmas Party, as well as other informal functions. The fraternity was proud that one of their brothers, Thomas "Doc" Daniels, running on the "Go-Go" ticket, was elected Vice-President of the Buena Vista Student Council.

During the year the Kappas received guidance from their officers: Floyd Simpson, President; Robert Fiorendino, Vice-President; Al Garreau; Secretary; Bill Winnike, Treasurer; and Tom Daniels, Historian. The group's sponsor for four years, Mr. Denton May, stepped down from his position amid the regrets of the fraternity members, and was replaced as sponsor by Mr. William Strube.

STUDENTS PRESENTED ORIGINAL PAPERS TO PHI ALPHA THETA

The Kappa Chi chapter of Phi Alpha Theta national honorary history fraternity began its second year of existence on the Buena Vista Campus under the leadership of Dallas Jensen, president; Lester Bullock, vice-president; Charles Pendleton, secretary-treasurer; and Margaret Sandine, historian. Dr. William Cumberland and Dr. George Reynolds served ably as faculty advisors.

The objective of the organization was the promotion of the study of history by the encouragement of research, good teaching, publication and the exchange of learning and thought among historians. Membership in Phi Alpha Theta was granted to students who had completed twelve hours or more in history with a grade point average of 3.1 or better in history courses and at least a 3.0 in two-thirds of all of their other courses.

The first meeting of the new school year was held in September at the Campus center. Following a brief business meeting, Dr. Reynolds showed slides of his European trip of the previous summer. The chapter did not meet again until November, at which time a banquet was held.

Dr. Boyd Schaffer, noted historian from Macalester College, was the guest speaker. Dr. Schaffer spoke of the importance of studying history and also discussed his favorite historians.

The January meeting was devoted to the impressive initiation of new members including Jay Campbell, Bob Kreft, Steve Smith and Dave Thomas. In March several members prepared papers on areas of history with which they were most familiar. Then, these papers were read by their authors at the March meeting and thoroughly discussed by the other members present. This program was well received and will be continued in the future.

In April another banquet was held and the members enjoyed a delicious meal at Ken-A-Bob while listening to summaries of the year's activities by President Jensen and Dr. Cumberland. The final meeting of the year was held to initiate new members and elect officers for the next year. The May meeting brought down the curtain on another highly successful year for Buena Vista's newest honorary fraternity.

LAMBDA SIGMA TAU SPARKED INTEREST IN MANY FIELDS OF SCIENCE

Members of Lambda Sigma Tau, national honorary science fraternity, were science majors and could be admitted at the end of their sophomore year with a minimum of nineteen hours of science and mathematics. In order to be admitted, a student was required to hold a 3.0 grade average in all science and math courses with at least a 2.7 cumulative grade average.

Membership in the fraternity, which has been on the Buena Vista College campus since 1959, was bestowed on science students in recognition of superior scholastic attainment and their development of those special abilities which culminate in the scientific method. The fraternity proposed to keep its members abreast of current scientific developments and to interest the stu-

dent body and the community in the many areas of scientific and mathematical study.

At their meetings the members heard speakers whose aim was to give them a greater understanding of modern scientific techniques and ideas. Many of the members also had a chance to participate in scientific activities and research, such as the marine biology trip to Ocho Rios, Jamaica.

Officers for the Buena Vista organization—officially known as the “Delta Chapter”—for the 1966-67 year were: Robert Olson, president; Ed Laird, vice-president; and Lynn Richarz, secretary-treasurer. The group’s faculty sponsor was Professor R. E. Smith, assisted by other science and math instructors.

B.V. PLAYERS RESPONSIBLE FOR ALL AREAS OF PRODUCTIONS

The Buena Vista Players was the organization responsible for the dramatics staged at the College. Organized in 1925, its aim was "to stimulate progress and encourage such dramatic activity as may serve to enrich the traditions, honor, and fame of Buena Vista College." The group was extremely active, since it not only encouraged dramatic activity, but also was responsible for lighting, set design and construction, make-up, properties, costumes, advertising, stage management, and last, but most important, acting for all College dramatic productions. In addition, the Players assisted with lighting and stage management for all the concerts and movies presented in Schaller Memorial Chapel.

The Players presented three major play pro-

ductions: *The Crucible*, by Arthur Miller; *Tartuffe*, by Moliere; and *Three Sisters*, by Chekhov. The group also staged two one-act plays in The Little Theater which were very well received. They were *Hughie*, by Eugene O'Neill; and *The Bald Soprano*, by Eugene Ionesco. The latter was also presented in Convocation to the delight of the student body.

A new group within the Buena Vista Players was the Pantomime Troupe. This group gave a pantomime show before the students of the College and also appeared at many high schools in the area.

Officers of the Buena Vista Players during the 1966-67 year were Alice Madsen, president; and James Struck, vice-president. The Players' adviser was Mr. Stanley Longman.

ALPHA PSI OMEGA INITIATED

THREE NEW MEMBERS

Alpha Psi Omega, national honorary dramatics fraternity, was organized at Buena Vista College in 1925 and is the oldest fraternity on campus. The purpose of the fraternity was to stimulate interest in collegiate amateur dramatics, and to honor by membership those students who had made a significant contribution to dramatics at Buena Vista College.

Membership was granted to students who had earned a designated number of points in at least two different areas of dramatics and who were judged by the cast to have shown an enduring interest in, and to have made a notable contribution to, dramatics at Buena Vista College.

It was also necessary that members be of good academic standing.

The group worked closely with the Buena Vista Players in staging the three major productions (*The Crucible*, *Tartuffe*, and *Three Sisters*) and also assisted with several minor productions.

Three new members were initiated into the fraternity in 1967: Elsie Heikens, Anita Gustafson, and Pat Innanen. The group was under the leadership of President Nicholas Credgington, and Advisor Professor Stanley Longman. James Struck was chosen president-elect.

SIGMA TAU DELTA MEMBERS SENT WORKS TO NATIONAL PUBLICATION

Sigma Tau Delta, national English fraternity, began its twenty-ninth year of activities on the Buena Vista campus. Members of the fraternity, chosen from English majors and minors, pledged to uphold the fraternity's ideals of truth, sincerity, and design. The purpose of the fraternity was to encourage the mastery of the written forms of expression and to further the appreciation of literature.

The fraternity held its monthly meetings in the homes of faculty members. Programs were varied, and included a paper by Dr. Hinck on Byron's *Manfred*, a lecture by Jerry Thompson on Tolkien's *Lord of the Rings*, and a recording of Dylar Thomas's *Under Milkwood*. The high-point of the year was the open meeting in Janu-

ary, when Dr. Barnett spoke on "Sartre and Existentialism." The last major event was the annual banquet in the spring.

An important part of each meeting was the reading of prose and poetry written by the members. These were read before the group and then submitted to *The Rectangle*, the national student literature magazine of Sigma Tau Delta.

The year's program was planned and guided by the sponsor, Miss Stolee; Jerry Thompson, president; Judy Cammack, secretary-treasurer. Making up through talent and enthusiasm what they lacked in numbers, the members carried on lively discussions during their meetings and plunged into the study of literature and composition as part of their academic curriculum.

PI KAPPA DELTA MEMBERS

LED VIET NAM DISCUSSIONS

Pi Kappa Delta, was the national honorary fraternity for intercollegiate debaters, orators, and instructors of debate and forensic speaking. Its purpose was to promote scholarship, especially in the field of forensic speaking. Members were encouraged to strive for honors by the giving of a scholarship award and the members were united in the ideal of free speech and the art of persuasion. The fraternity promoted a spirit of harmony and cooperation for the welfare of forensics in the college. The members strove through leadership and service to encourage and to promote higher ethics and increased proficiency in the use of speech.

Pi Kappa Delta had an important role to play in the 75th Anniversary celebration. Its members aided the Anniversary Speakers' Bureau by

sponsoring speech teams at tournaments, and the group also sent groups to area high schools to carry on discussions on the Viet Nam War. All members of the fraternity went to Tucson, Arizona, for the Desert Invitational Meet sponsored by the other large forensics organization, the American Forensic League. In addition to these activities, the fraternity represented Buena Vista College at debate and speech tournaments throughout the Midwest.

In the spring Pi Kappa Delta held its traditional banquet. Officers for the 1966-67 year were: Rick Lampe, president; Jim Carlson, vice-president; and Dave Thomas, secretary-treasurer. The group's sponsor was Professor Ragsdale.

DORMITORY COUNCIL WAS GOVERNING BODY OF SWOPE HALL

The Dormitory Council was the governing body of Swope Hall and acted as the judicial body of the almost two hundred residents of Swope Hall. The members of the Council were elected by the residents of the various "houses" within the dorm. Their chief responsibilities were representing the girls, bringing ideas and suggestions before the Dorm Council, and assisting the floor counselors.

Within the dormitory were several floor counselors who were considered to be staff, and were carefully chosen by the Dean of Women. The dormitory president was elected during the first week in May, while the remaining officers were elected the following September. Officers during the 1966-67 year were Sue Klein, president; Janet Aube, vice-president; Delma Morris, treasurer; and Judy Wright and Laurel Schipull,

secretaries. Head advisor for the Dorm Council was Miss McClish, the Dean of Women. Mrs. Jones, Head Resident of the Dorm, was also an active advisor for the Dorm.

Three major social events highlighted the year. The first was the Big-Little Sister Banquet, which gave new Dorm residents a chance to meet and become acquainted with other girls. In October, Swope Hall's candidate for Homecoming Queen, Miss Lynn Richarz, was elected to the Homecoming Court. Early in December, Swope Hall sponsored the Yule Log ceremony. The traditions of the yule log, the Christmas tree, and the meaning of Christmas were presented. In May the Senior Farewell honored June graduates with a special ceremony, which also marked the end of the Dorm year.

DORM COUNCIL NAMED PIERCE BASEMENT TOPS ACADEMICALLY

The Men's Dorm Council completed its second full year of operation by recognizing and emphasizing academic achievement in the dormitories. At the annual Awards Convocation, Dorm President Ray Vander Velden presented Basement Pierce with an award for having the top floor academically. The Basement "Cellar Dwellers" were the first recipients of the new award, which the Dorm Council hoped to award annually.

Members of the Dorm Council were chosen from each floor in Pierce and White Halls, then officers were chosen from these representatives. Ray Vander Velden served as president, Bob Schuckmell was vice-president, and Clay Dix was secretary-treasurer.

The Dorm Council became involved in many

activities. From time to time the members, along with the Swope Hall Council and the Student Council were asked for disciplinary "opinions," some of which were implemented. The Dorm Council was also responsible for the pop machines in the dorms and assisted with all-dorm meetings which were held periodically in an attempt to clarify college rules and to discuss grievances. The Dorm Council decided to set up a concession stand as a money-making project. As a result of this and pop receipts, the Dorm Council had one of the largest year-end balances of any campus organization.

Dorm Council members had to solve many problems during the year. They supervised the intramural programs, and near the end of the year sponsored a dance.

CHEERLEADERS SPARKED INTEREST IN FOOTBALL, BASKETBALL

One of the most anticipated events of the early school year in 1966 was the election of cheerleaders. The committee of faculty members and lettermen who chose the cheerleaders picked six girls and two boys to make up the cheerleading squad. Marianne Patterson was captain during the first semester, and Michelle Pelle was captain during the second semester. Cheerleader advisor was Miss Harriet Henry.

The cheerleaders shared responsibilities among themselves; the boys provided acrobatics and flips while the girls supplied beauty and

crowd appeal. Homecoming was the first big job for the cheerleaders. They led cheers at the pep rally uptown, rode in the Homecoming parade Saturday morning, sold Homecoming buttons, and yelled and cheered the Beavers to victory Saturday afternoon. Since three of the cheerleaders, Michelle Pelle, Marianne Patterson, and Ruth Heglin were members of the Homecoming Court, the remaining yelled even louder at the game. The cheerleaders managed to get to every football game and cheered at all home basketball games.

LETTERMEN ENCOURAGED SUPPORT FOR THE BEAVERS

The purpose of the Lettermen's Club was to create a closer relationship between the athletes of Buena Vista College, to encourage sportsmanship in all athletic contests with other schools, to promote better relations between athletes and the College administration, and to attempt to instill the qualities of leadership in its members. In addition, the membership promoted support of the Beavers in all sports. The Lettermen's Club is one of the largest and oldest organizations at Buena Vista College.

These objectives were put into practice through a wide variety of campus activities. The organization was led by President Rich Early, Vice-President Rick Wulkow, Secretary Tom Grapes, Treasurer Bob Anderson and Sponsor Mr. Jay Beekmann. The Club swung into action soon after school started by sponsoring a Beanie Court during freshman initiation. The "punishments" dealt out by the Lettermen were in the highest tradition of Beanie justice, and struck tremendous terror into the hearts of freshmen throughout the College. In October

the Lettermen's Club played a big part in Homecoming festivities. The Lettermen were proud to sponsor Michelle Pelle as their candidate for Homecoming Queen. Miss Pelle brought honor to the Club through her selection to the Homecoming Court. The Club also took the initiative in selling programs at all football games and running a concessions stand at the games. These activities provided a service to the fans attending the games and also provided a money-making project for the group.

During the winter months the Lettermen remained active. Highlighting the period was initiation of new members by old members in Edson Hall. The members assisted with basketball games and had their usual concessions stand. New officers were chosen during the winter. The Club took advantage of the spring weather to hold their annual slave auction. Money made by the Lettermen helped to purchase letter jackets and sweaters for qualified members. At the Awards Convocation in late spring, Coaches Beekmann, Ewalt and Naughton announced letter winners for the year.

P.E.M.M. CLUB COMPLETED FOURTH SUCCESSFUL YEAR

The P.E.M.M. (Physical Education Majors and Minors) Club participated in a wide variety of activities during the fourth year of the club's existence at Buena Vista College. Its activities included informative talks by guests, participation in Chapel programs, intramural sports activity, building a Homecoming float, and sponsoring a queen candidate at Homecoming. The group also assisted at the "Play Day" for grade school children at the Storm Lake High School.

The club's last major activity was in May, when the annual banquet for the installation of new officers was held. All girls majoring or minoring in physical education were invited to the banquet. At the final meeting several of the girls who had been teaching physical education related some of the interesting and ex-

citing experiences they had enjoyed while teaching and gave helpful hints to the girls facing student teaching in the future.

The P.E.M.M. Club was organized in 1962 to provide a professional association for the majors and minors in women's physical education on the Buena Vista College campus. In the spring of 1963 the group received a charter from the American Association of Health, Physical Education, and Recreation, thus giving it a national affiliation.

Officers for the club for the 1966-67 year were Diane Clowes, president; Lynn Dodge, vice-president; and Linda Fredrickson, secretary-treasurer. Faculty sponsors were Professor Elizabeth Peterson and Professor Harriet Henry.

NEW CAMPUS ORGANIZATION ENCOURAGED PARTICIPATION IN SPRING ACTIVITIES

The Buena Vista College Ski Club was a new organization on the campus, being organized in December, 1966. The purpose of the club was the furthering of interest in skiing at Buena Vista College, and, as the first president of the group expressed it, "To provide shelter and refuge for destitute skiers stranded on the hill-less wastes of Northwest Iowa. The Club provided a means for students interested in one of the most exciting and fastest growing sports to get together to compare skiing notes and to plan future skiing expeditions.

The organizational year (1966-67) for the Ski Club saw officers elected and a constitution written. The officers were Dave Thomas, president; Chris Martone, vice-president; and Husam Al-Mufti, secretary-treasurer.

The Club had a large and active organization during its first year of existence and many of the members expressed a hope that the organization will expand both in membership and in activities. It was hoped that several trips could be planned to skiing areas in the western states in the future.

Although warm winter weather and lack of snow kept the Ski Club off the slopes part of the winter, the members took advantage of every opportunity they had to ski.

As the last snows of winter slowly melted, the Ski Club took one last look at the snow-capped peaks and packed their skis away to await another chance to brave the icy winds of winter to go swiftly sliding down the slippery slopes again.

Y.R.'S SPONSORED TRIPS, RADIO PROGRAM, HELPED G.O.P.

The Buena Vista College Young Republicans were very active during the 1966-67 year and participated in a wide variety of activities. The group worked closely with other Young Republicans in the county, district, region, state and nation during the fall to help elect Republicans in the November '66 election. The group also invited officers from the state organization to their meetings which included in-depth discussions of national problems.

The organization took an active interest in campus activities by sponsoring a Homecoming float, participating in Chapel programs, discussing campus problems and politics, and assisting in the successful election of three of its members as executive officers of the Student Council.

In November the Young Republicans assisted the G.O.P. as poll-watchers, providing both good experience for the Y. R.'s and a real service to the Party. In February the Young Republicans cooperated with the Storm Lake J. C. organization in a breakfast at which Republican Congressman Wiley Mayne spoke. In March the Y. R.'s cooperated with the Y. D.'s in sending a delegation to Des Moines for a seminar on the

State Legislature, sponsored by the Iowa Center for Education in Politics. In April the organization sent a delegation to the Young Republican State Convention in Des Moines where Steve Anderson assisted Mickey Staton, a student at Estherville Junior College, in his successful drive for State Chairman of the Party. Terry Etter was named first runner-up in the State Young Republican Queen contest at the Convention. Throughout the year the Young Republicans encouraged their members to see their government in action. As a result, several members traveled to the State Legislature and were warmly received and guided by the legislators. Steve Smith was appointed by Congressman Wiley Mayne to work in his Washington, D.C., office during the summer. Two members, Charles Pendleton and Steve Smith, were responsible for staging a weekly radio program on political questions for KAYL.

The officers for the year were: President, Steve Anderson; Vice-President, Steve Smith; Secretary-Treasurer, Pete Farley; and Senate Representative and Immediate Past President, Charles Pendleton. Dr. Reynolds acted as sponsor for the group.

Y.D.'S SAW INCREASED ACTIVITY SECOND SEMESTER

The Buena Vista Young Democrats were few and far between on campus in 1966-67. This was not an unexpected situation, for campus political clubs have a history of lacking membership quotas in the "off-election" years.

Getting off to a slow start, the Club saw more second semester interest than it did first. At the February meeting Clay Dix was elected as president of the Y.D.'s for the remainder of the year and for first semester of the following year.

It was in March that President Dix and Jay Campbell joined with Young Republican members and Professor Reynolds and journeyed to Drake University in Des Moines to attend the Iowa Political Education Day sponsored by the Iowa Center for Education in Politics from the University of Iowa, Iowa City. The day was spent in dialogue with various Iowa legislators and concluded with an address by State Treasurer, Paul Franzenburg.

In April, former Young Democrat President

Jay Campbell was fortunate in being the recipient of a "Week-In-Washington" grant awarded by the Center for Education in Politics, and the Republican and Democratic parties. The week included meetings with numerous Congressmen and Senators including all those from Iowa and Speaker of the House of Representatives, John McCormack. Hosted by Congressmen Fred Schwengel and Neil Smith, Campbell and the other students from Iowa enjoyed tours of the Supreme Court, the State Department, National Committee Headquarters, the White House, French Embassy and numerous other governmental offices.

"The outlook for next year as another 'off' year is not promising as far as club interest is concerned," claimed the Y.D.'s at the end of the year, "But the Young Democrat group is optimistic and will most assuredly be noticed on the Buena Vista campus."

S.I.S.E.A. PREPARED MEMBERS FOR TEACHING

S.I.S.E.A. (Student Iowa State Education Association) was one of the largest organizations on the Buena Vista College campus. Among its stated purposes were to develop among the members of the organization a local education association which offered its members all the opportunities, responsibilities, and privileges of associate membership in the National and Iowa State Education Associations; to develop a program designed to acquaint all students with the history, ethics, and program of the organized teaching profession, thus impressing upon them the importance of membership in a professional organization; and to provide members many opportunities for practical experience in working together in a democratic way on the problems of the profession so that they might develop skills in cooperative action and leadership.

The activities of S.I.S.E.A. included attending

the fall Regional Meeting at Northwestern College in Orange City, Iowa, and the Spring Regional Meeting at Westmar College, in Le Mars, Iowa. Various guest speakers gave talks on the formation of F.T.A. (Future Teachers of America) groups and on how to prepare for a job interview. Panels composed of S.I.S.E.A. members, including student teachers, presented discussions on the formation of F.T.A. groups in high schools. At the annual Spring Banquet, the new officers were installed.

Sponsors for S.I.S.E.A. were members of Buena Vista's education faculty: Professor Carl Larson, Dr. Audrey White, Professor Floyd Connors, and Professor John Martin. The organization was led by: Elsie Heikens, president; Diane Clowes, secretary; and Robert Kreft, treasurer.

CELTIC CROSS SENT DEPUTATION TEAMS TO AREA CHURCHES

Celtic Cross continued the expanded scope that it initiated in 1965. Before that time the organization had been primarily for those who were interested in church vocations. Celtic Cross continued to be an interdenominational group of students seeking Christian fellowship on campus. Emphasis was placed very strongly upon making Christ meaningful to college students and upon growing through Christian service.

The organization assisted with many areas of the Chapel programs, and sponsored many distinguished speakers throughout the year at their regular meetings. Following their programs, the members of Celtic Cross participated in in-depth discussions of many religious subjects including the "God is dead" issue. The group also assisted with Homecoming by presenting a float in the Homecoming parade. The group also provided opportunities for its members to become acquainted with the work of the Church throughout the United States and the rest of the world.

Several members, for example, traveled to Chicago for a national meeting of Presbyterian men.

Highlighting the year for the members of Celtic Cross were the opportunities that the two Religious Emphasis Weeks, at the beginning of both the first and second semesters, presented to the members to meet with religious leaders from other parts of the nation. Celtic Cross took the initiative in showing these men around the campus and in leading discussions during the "Week."

The members of Celtic Cross did not stop with expanding their knowledge of the Church and the mission of the church by listening to other speakers and by discussing issues among themselves, they also took the responsibility of sharing their knowledge with others. Many Sundays Celtic Cross members were traveling to churches in the area as members of deputation teams which presented church services to the churches.

LOG STAFF USED MODERN TECHNIQUES AND DESIGN

"Who has the 'cropper'?" "What happened to that picture?" "I will have to change this layout!" "How many hours until the deadline?" These were all sounds that could be heard coming from the Student Publications Room as the *Beaver Log* staff rushed to meet its deadlines. Few students realized that a small group of dedicated fellow students was working all year to produce an historical survey of the entire college year.

Early in the fall the staff voted to dedicate the yearbook to the former sponsor of the *Log*, Mr. Denton May. It also "brainstormed" a great number of ideas, many of which finally were put into effect to produce a better annual.

The *Beaver Log* staff continued to work hard to bring the student body a book that was accurate, interesting, and up-to-date, and thus continue in the fine tradition of the Buena Vista College yearbooks of the past. The student yearbook was known as the *Rudder* when it was first published in 1907. Prior to the first publication of the *Rudder*, the *Tack* printed a special edition covering organizations and events. The *Rudder* was published

through 1947, when its name was changed to the *Beaver Log*. In the fall of 1965 the staff moved their headquarters to the Student Publication's Room in the new Campus Center.

The staff was able to make several important changes in the plan used in previous years. A modern "informal" layout style was adopted for much of the book. A special technique for creating layouts was tried, with the assistance of the American Yearbook Company. The new system was extremely successful, and American hoped to be able to share the technique with other schools. Experiments with printing styles, color and cover style and layout were tried, producing a unique book and enabling the staff to present a special cover for the 75th Anniversary edition. In general, the staff worked hard to provide the students with a literary and pictorial history of a memorable college year.

The staff was led, or some claimed, driven by editor Steve Smith, assistant editor Don Guthrie, copy editor Rich Brenzo and advisor Mr. Brophy.

TACK VOICED STUDENT OPINION

Due to the enthusiasm of the student body and the large number of freshmen that volunteered their services to the *TACK*, the staff began the year fully prepared to provide adequate coverage of the year's activities.

Perhaps it was the colorful and extensive, special Homecoming issue that highlighted the efforts of the first semester. The editorial policy of publishing all points of view soon established the *TACK* as a concerned spokesman for the students. The feature department, headed by Joel Francis, applied itself to the purpose of bringing to focus many discussable topics, the most prominent of which was the lethargy of the students and the secrecy of the administration in many matters. The issue most remembered certainly was the one which was dedicated to the famed, "Revolution of 1966."

The traditional Buena Vista April Fool's *ATTACK* provided the promised hilarity as in the past and stood out as the highlight of second semester. Buena Vista's answer to *Playboy*, which came with the *TACK*'S first pin-up, Miss Dawn, following the Student Council elections, will never be forgotten.

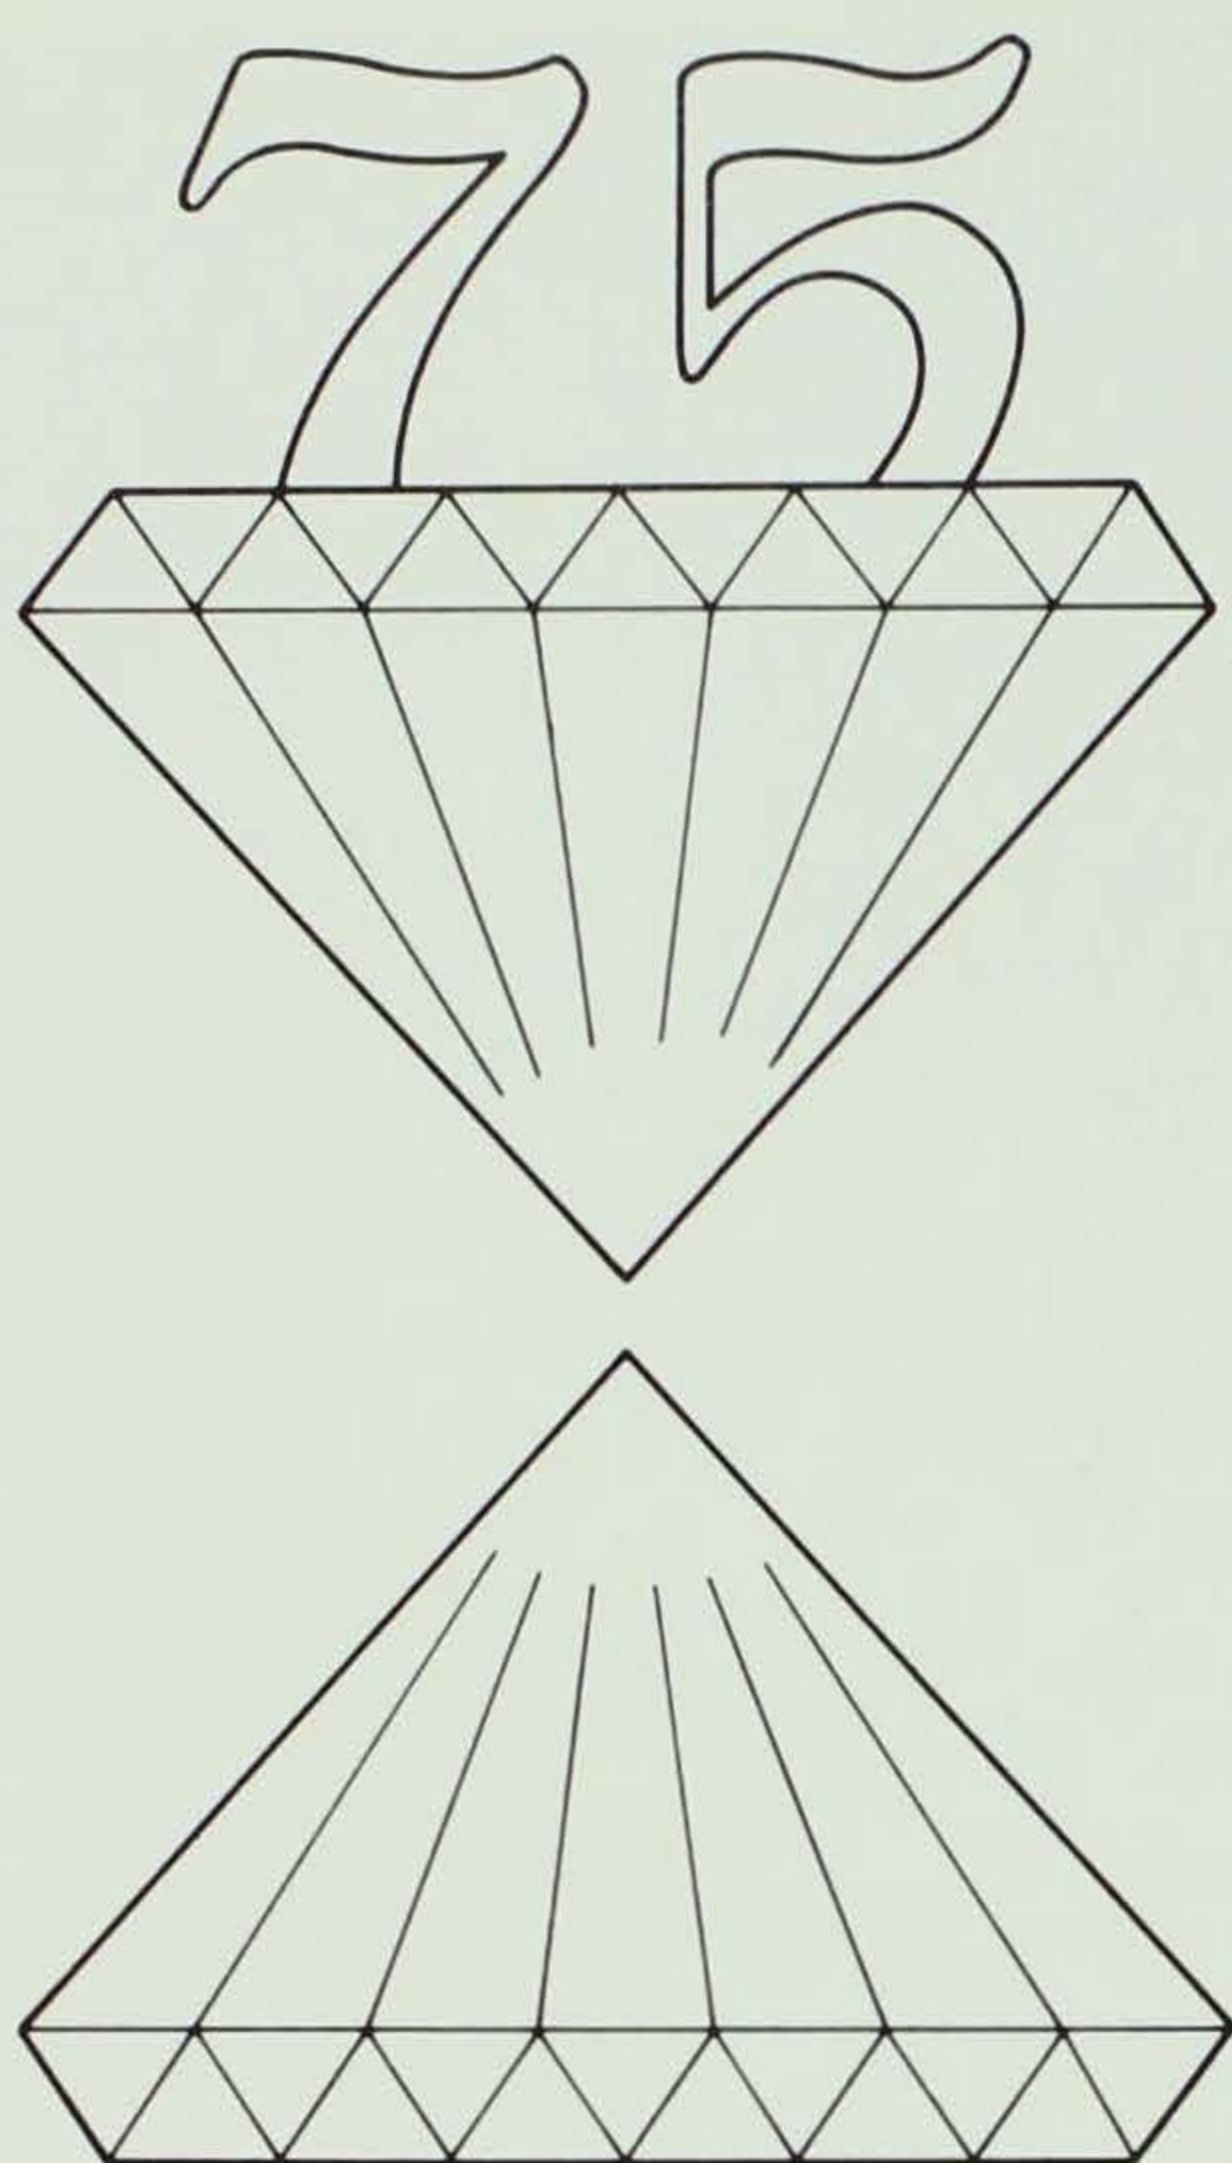

The purpose of the *TACK* as a college newspaper was under much discussion, especially as the year opened.

It was the established policy of editor, Jay Campbell, that on a small campus a student newspaper should primarily fulfill the role of representing the student's voice. The 1966-67 year at Buena Vista was one of the first years of a really vocal student body and the *TACK* felt itself to be instrumental in promoting an interest in the College by the students. Because of the small campus size it was also established that the *TACK* should only secondarily be a "newsy" newspaper but primarily serve those who would rise to be heard. Although straight news stories were by no means neglected, they were subordinated in emphasis.

It was Professor George Reynolds who once said, "Other colleges have their humor magazines, but Buena Vista has the *TACK*." And so it was that the *TACK* was indeed unique as a student publication.

Summing up the year the *TACK* had this to say,

"The Buena Vista *TACK* never associated itself with the provincialism, nay conservatism, that had pervaded the total institution but instead prided itself on its spice, innovation, and unpredictability."

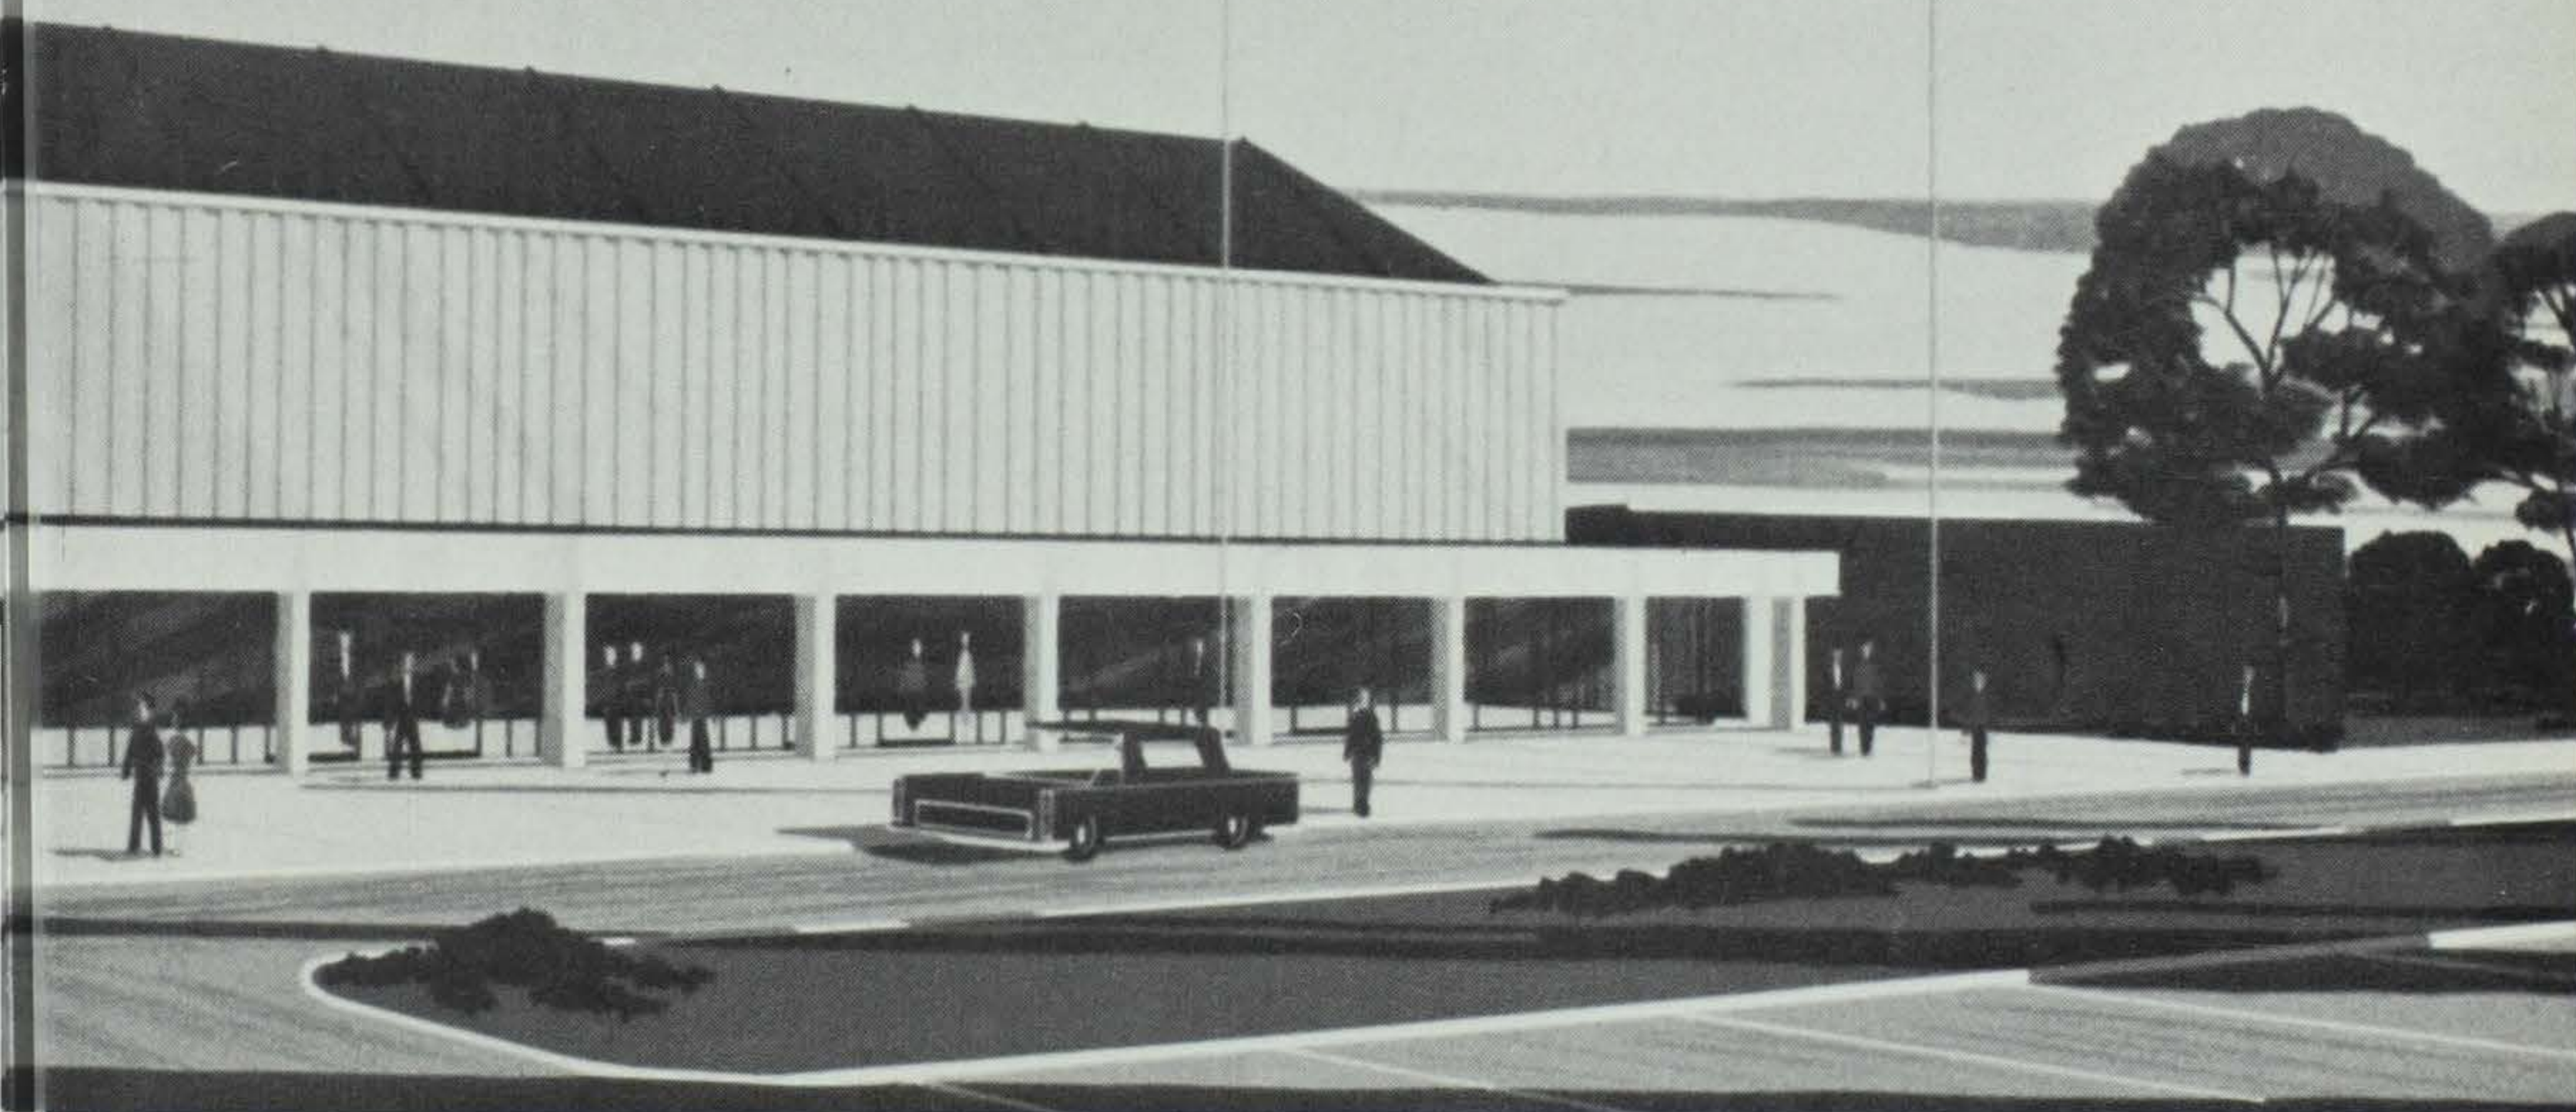

The 1966-67 year saw an increasing interest in athletics as plans were made for a new Athletic Building, and as a new sport, tennis, was added to the list of athletic activities.

SECUTIVE 6-3 SEASON

For the second consecutive season, the Buena Vista Beavers compiled a 6 win—3 loss record on the gridiron. This included a 4—3 Iowa Conference mark.

Several school records were broken by the Beavers. Senior quarterback Rick Wuldow set a new total yardage standard of 3689 yards. He tossed 39 career touchdown passes, easily surpassing the old mark of 20 during the 1966 season. John Peterson, a four year veteran halfback scored 253 points in his college career. This included 96 points in his final season. Wulkow and Peterson were among the conference leaders in total yardage and points, respectively. Guard Rich Early, along with Peterson, was selected for the N.A.I.A. District 15 team. Early also represented Buena Vista on the Iowa College all star team in a post season Shrine game. Phil Wells was the recipient of the Troutman Memorial Award, which is given each fall to the most promising freshman lineman.

Irresistible force meets immovable object.

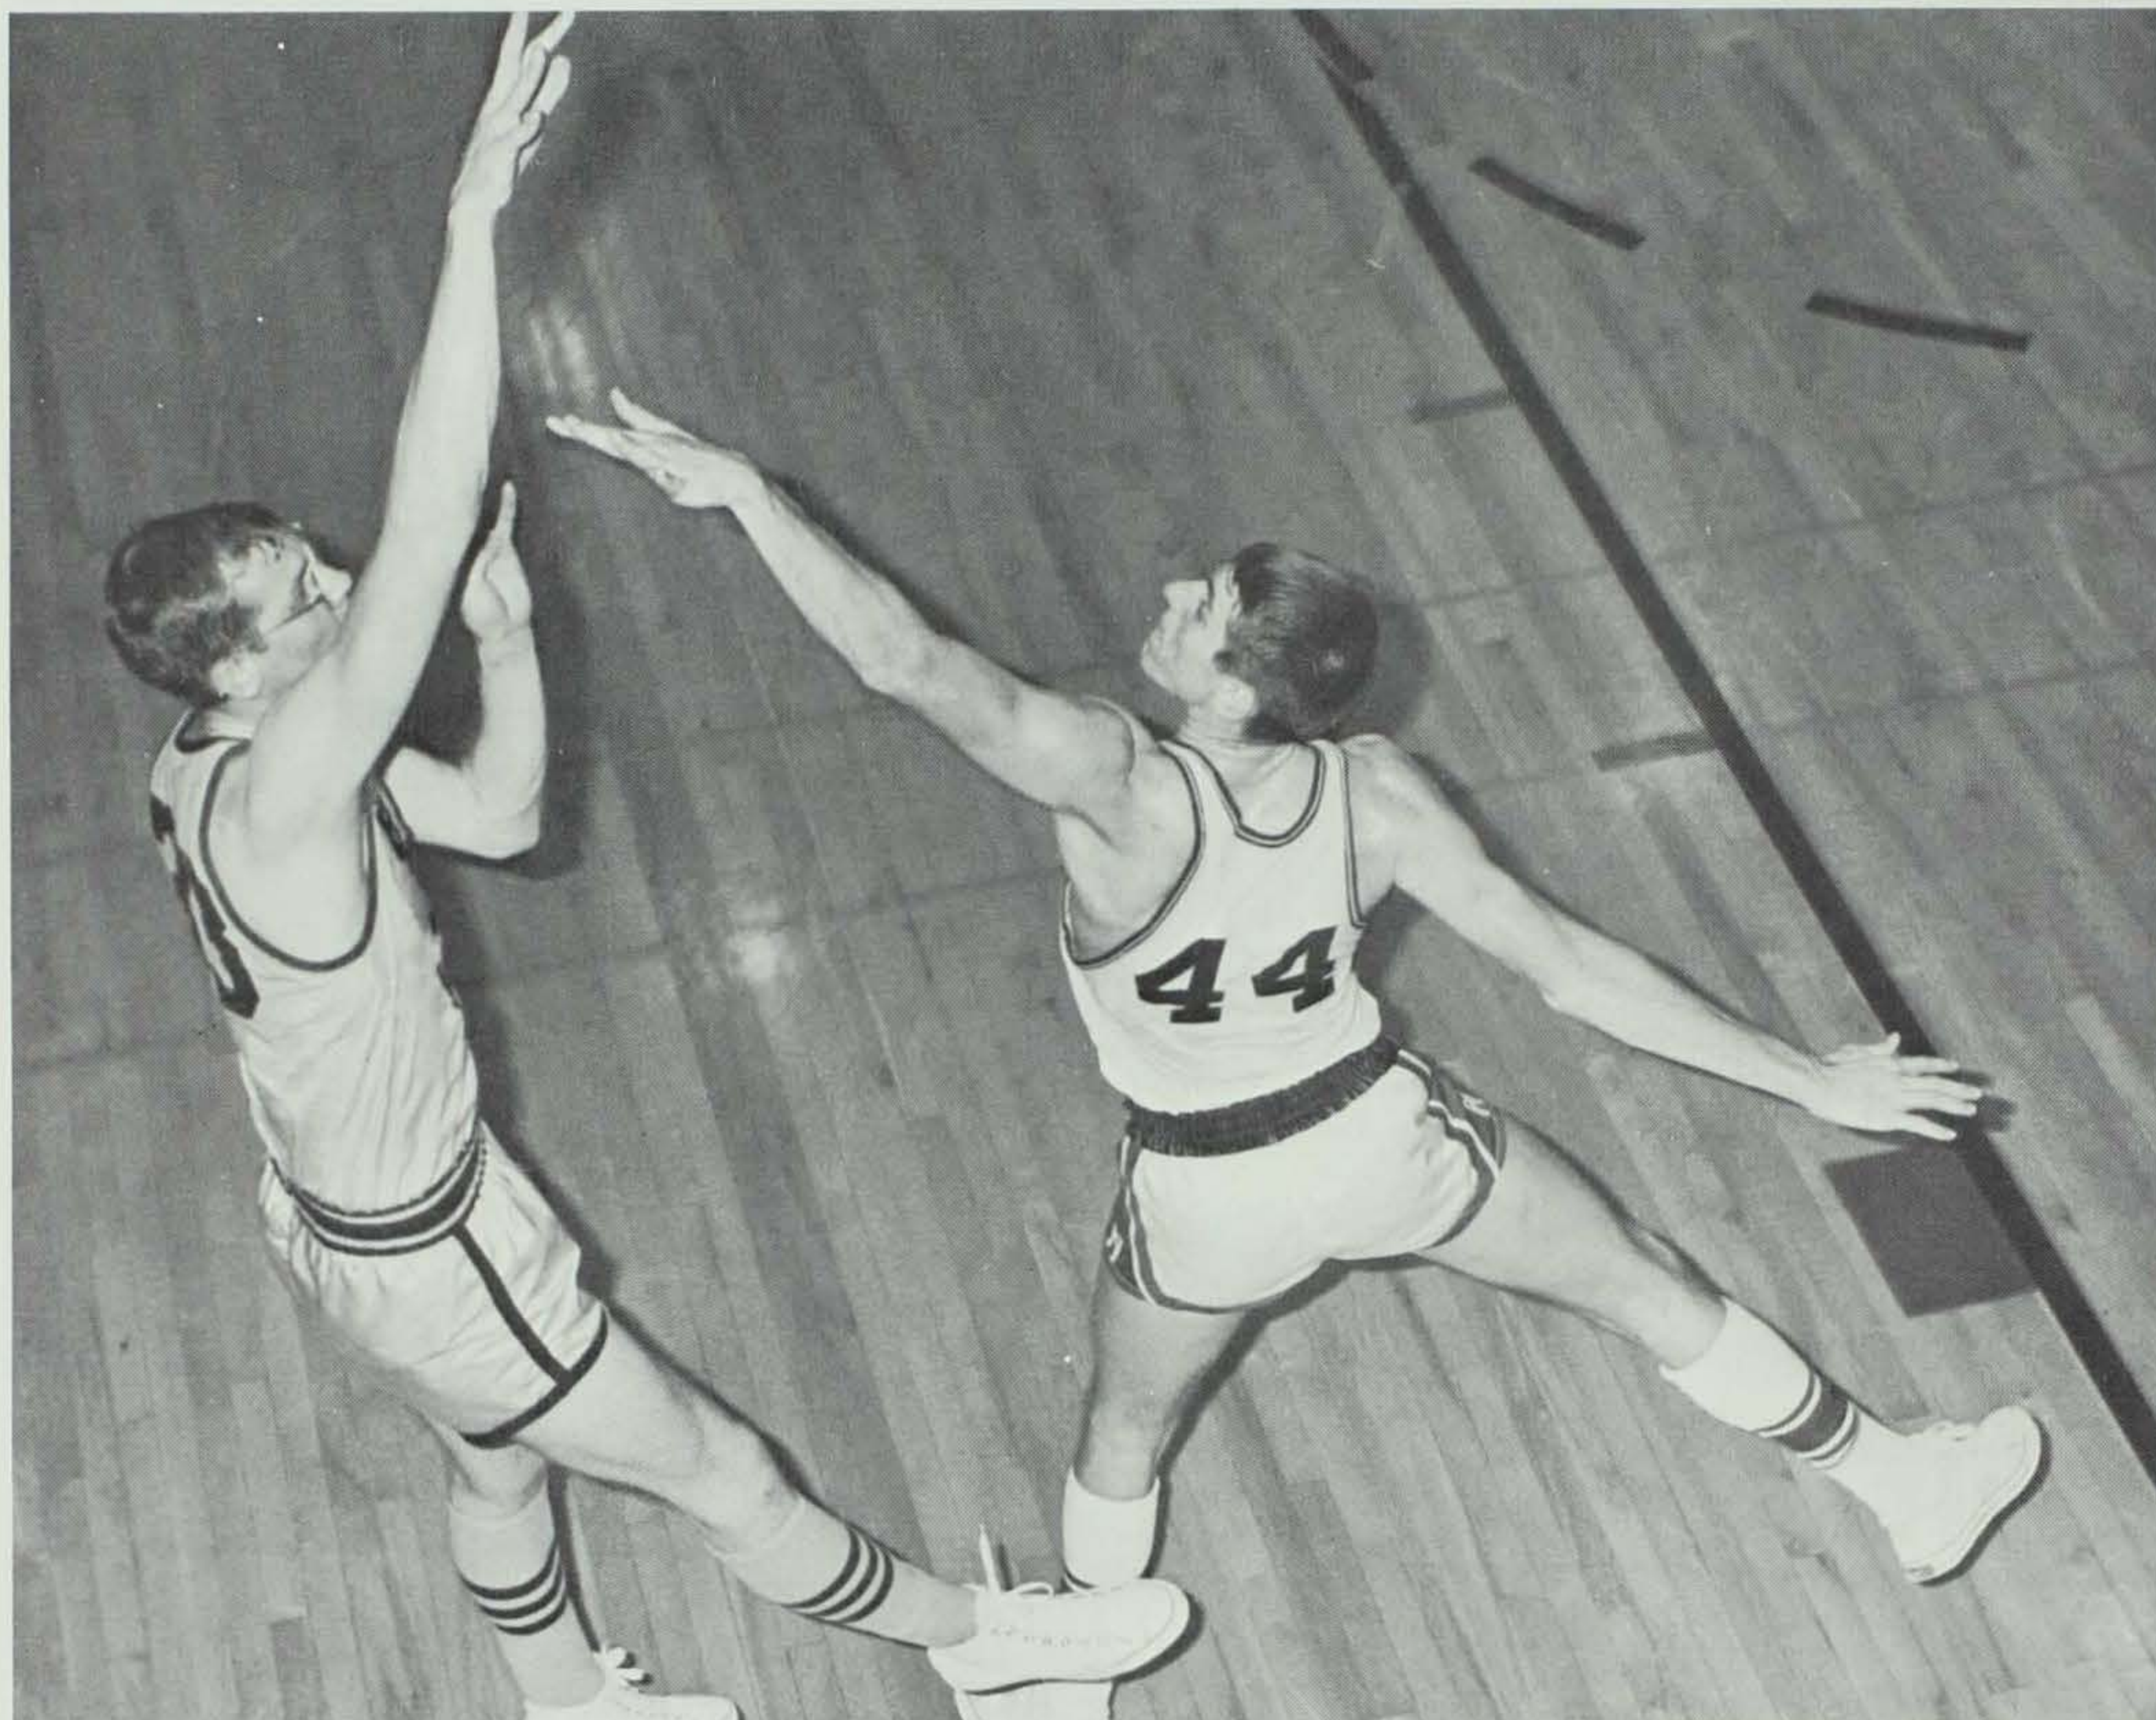

A Buena Vista trademark throughout the 1966 season was an outstanding defense. In the closing seconds of the Homecoming game, the Beavers tightened on the one yard line to hold off the Wartburg Knights and preserve a 32-28 victory. Many times throughout the season, enemy drives were thwarted by alert pass defense and a hard charging line.

Although several key personnel completed their college careers, prospects for the future remained bright with twenty-three lettermen returning for the next season.

SEASON FOR FANS

Although the size of the team varied during the year, as of the Christmas Holiday tournament, team members included forwards Larry Biittner, Pocahontas, a junior; Marvin Brandts, Sheldon, a sophomore; Steve Farquhar, Sutherland, a freshman; and Gary Williams, Newton, a senior. Guards were Dean Boettcher, Rembrandt, sophomore; Jim Jones, Ft. Dodge, junior; John Peterson, Missouri Valley, senior; Furman Rentz, New York City, senior; Giles Struck, Cherokee, freshman; and Rick Wulkow, Lytton, senior. Team centers were Noel Austin, Spencer, a sophomore and Clifford Mortenson, Jewell, a senior. Coach Merritt Ewalt was assisted by Mr. Jay Beekmann.

The Buena Vista College basketball team, under the guidance of Coach Merrit Ewalt, provided the fans with one of the most exciting seasons ever. More than one-fourth of their games were decided by three points or less, and many others went down to the last minute before any one team gained a deciding lead.

Left: Larry Biittner lays one up around his guard.

The Beavers won more than half of their games, with a season record of 14 wins, 12 losses. The team outscored their opponents by a margin of 2,052 to 2,017. An "average" game would have found Buena Vista scoring 78.9 points and the "Visitor" scoring 77.6.

Several individuals stood out during the year. Clifford Mortenson led the Iowa Conference in scoring with 558 points to his credit. Butch

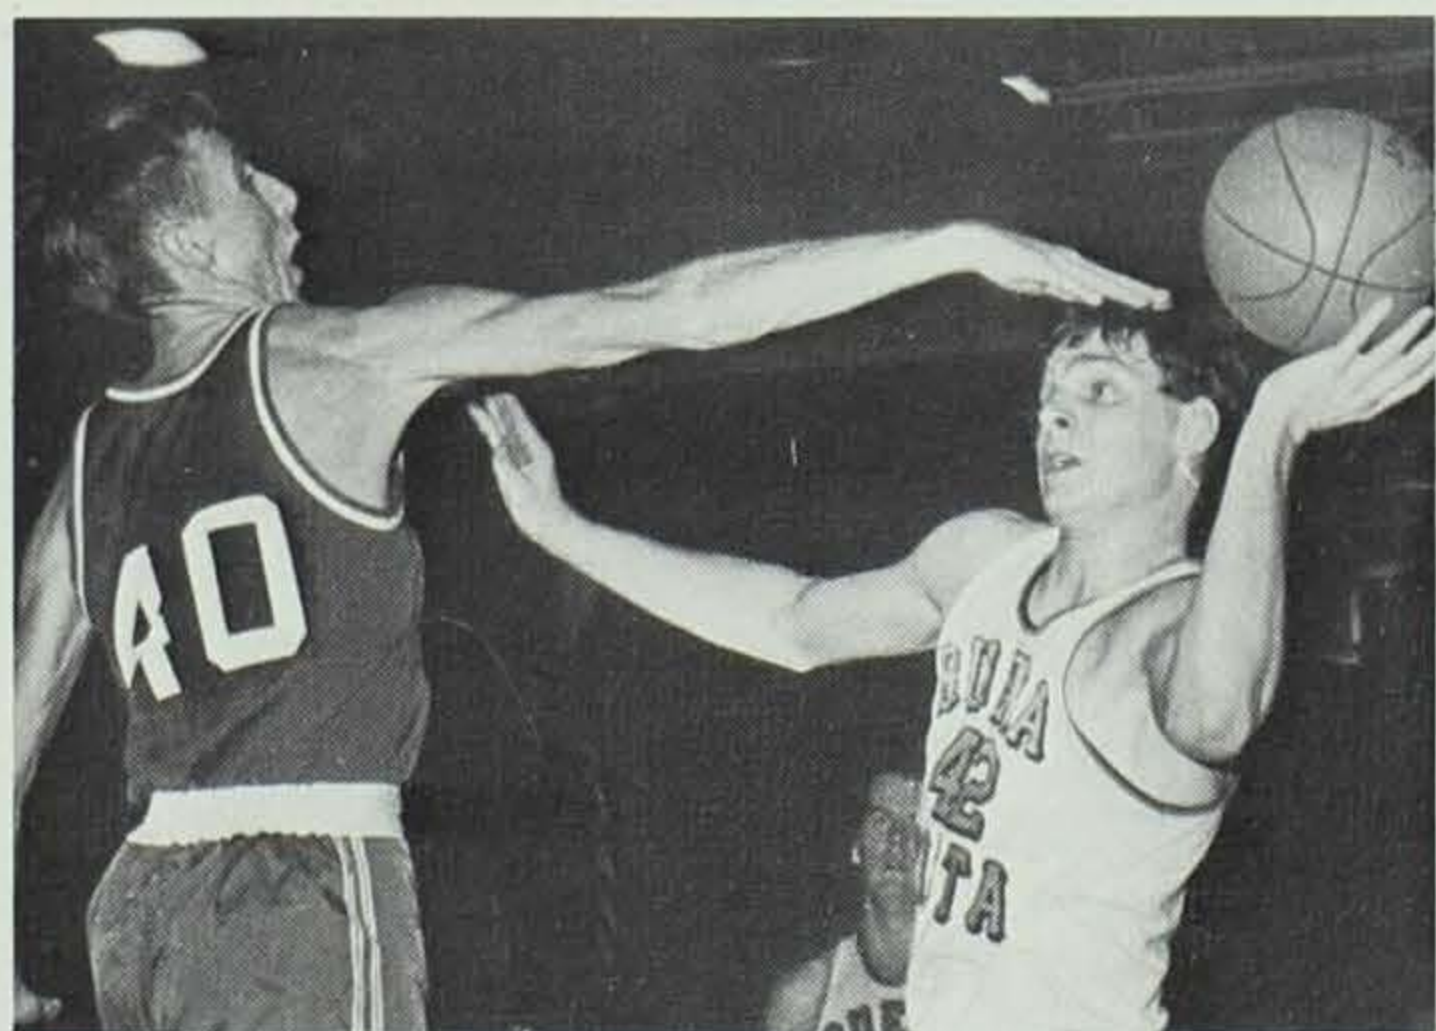

Biittner scored 434 points. John Peterson was one of the leaders in free throw percentage, hitting almost 85 percent of his charity tosses.

Fans like this inspired the players to victory.

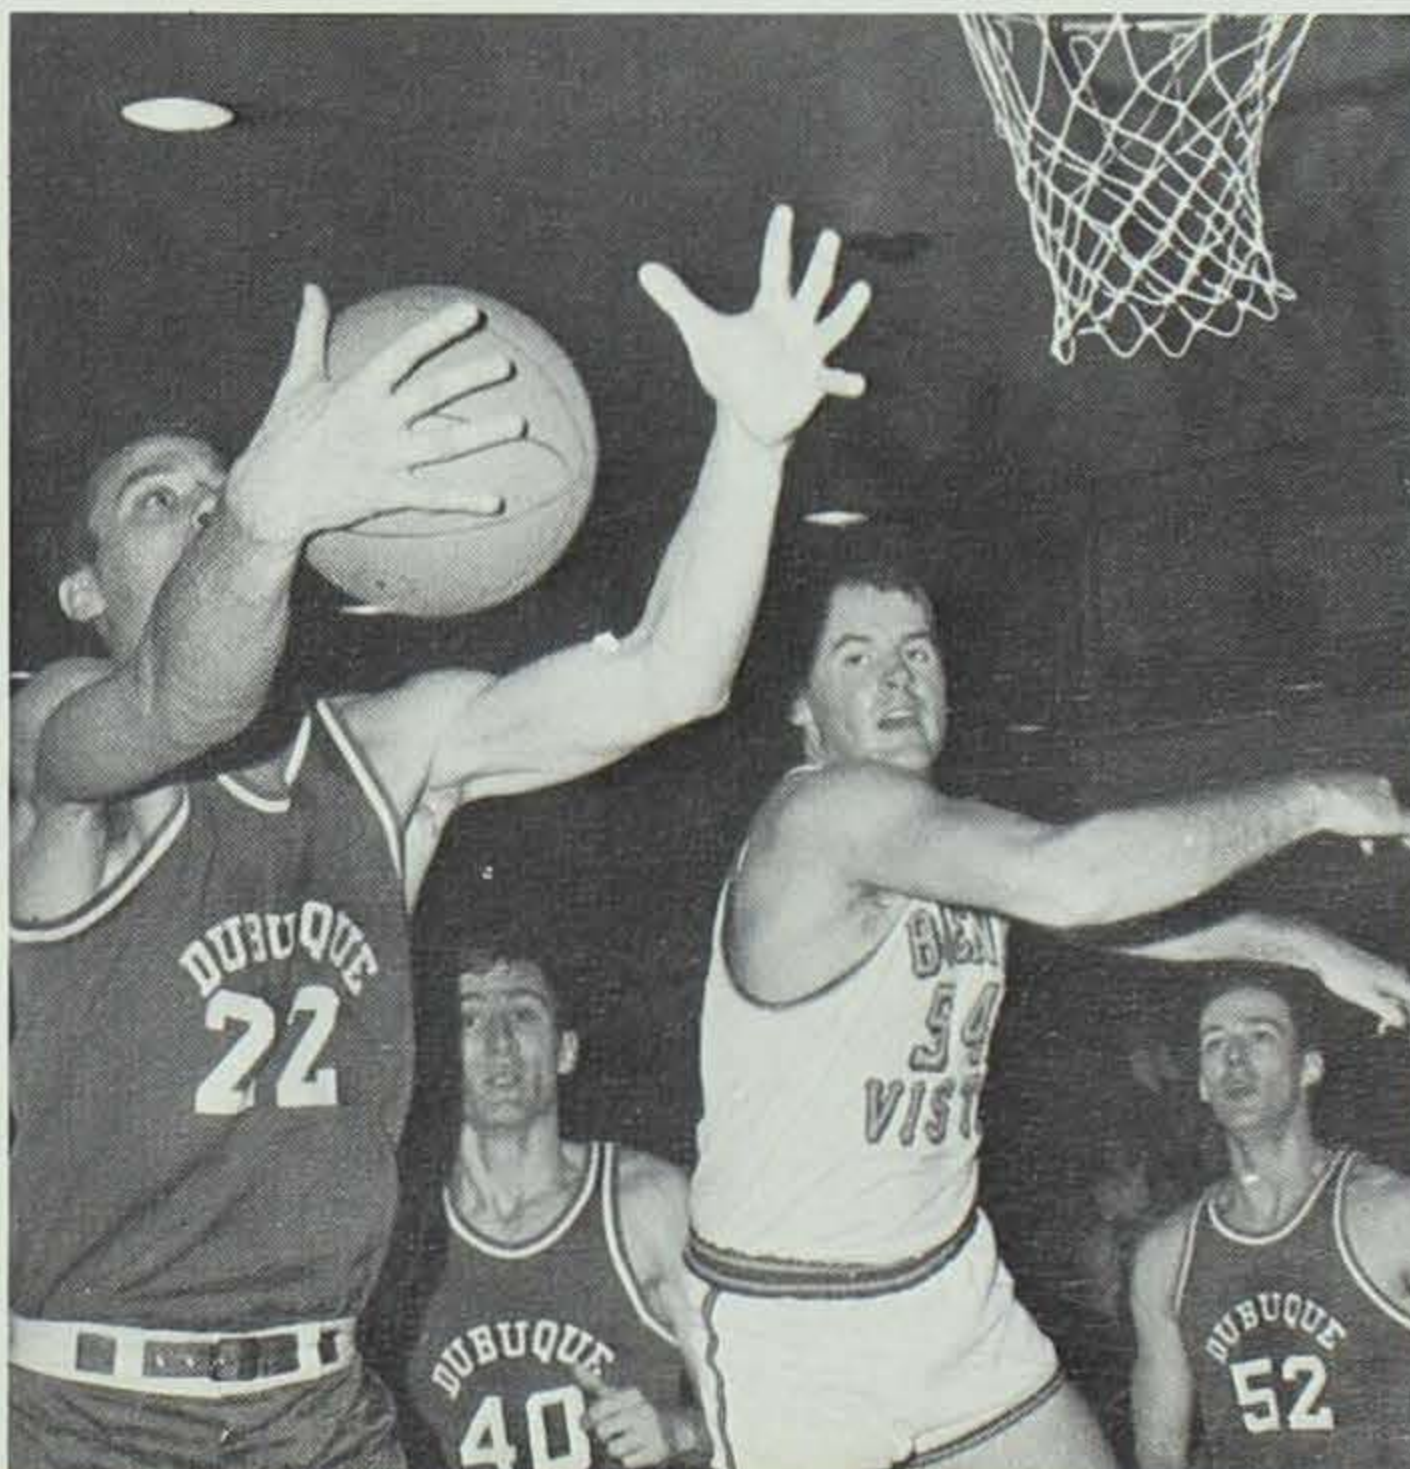

At the Awards Convocation Coach Ewalt presented the basketball honors. He singled out Furman Rentz and Clifford Mortenson for their work as co-captains and recognized several others for their superior performance. Letter winners, in addition to Rentz and Mortenson were Rick Wulkow, John Peterson, Marvin Brandts, Gary Williams, and Noel Austin.

The dust flies in a tight play at home plate.

Beaver bats took their toll, with eight players hitting .200 or better. Biittner hit .439, Monzon .358, and Doug Smith .351 to top the list.

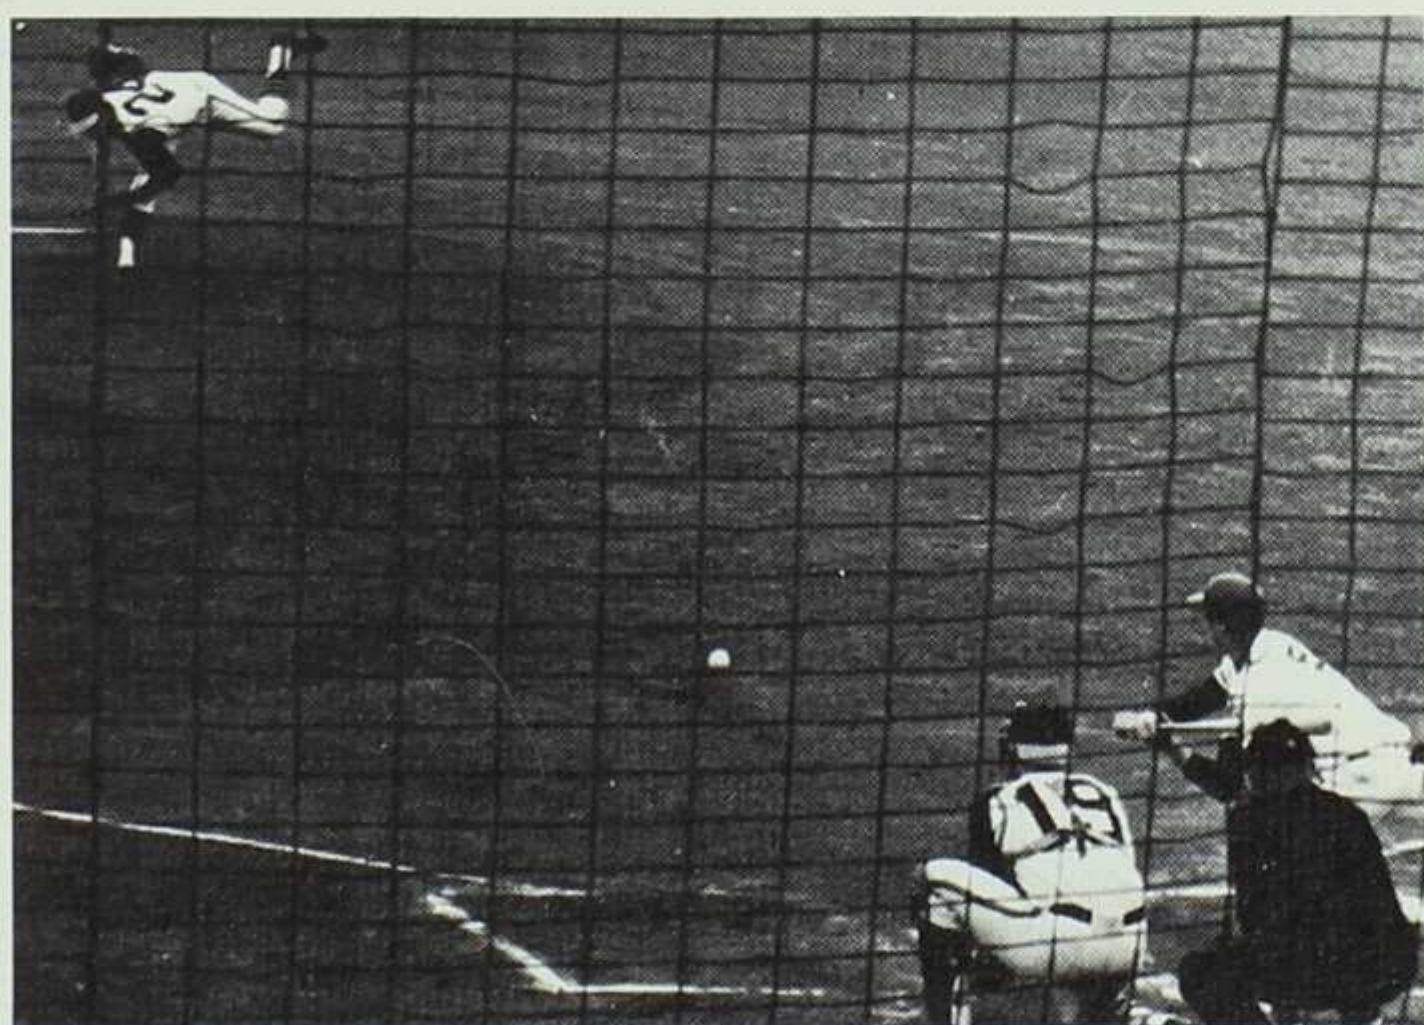

The alert Beavers were seldom caught off base.

"RAIN" had a high batting average for the 1967 baseball season and spoiled Buena Vista chances of being Conference champions. Eleven of the 35 games scheduled were rained out, allowing Upper Iowa the top spot by virtue of having played two more games than the Beavers. The BV record in Conference play was 8—2, while Upper Iowa had 10—2.

Larry Biittner headed the Beaver team in both pitching and slugging. The husky lefthanded hurler had five wins and no defeats in Conference and a 7—1 record for the season. In loop games he hit an astronomical .567, with a .439 for the entire season.

As a team the Beavers topped their loop opponents in most departments, including: runs 55—24; hits 75—44, batting percentage .281—.179; two base hits 10—6; triples 4—1; stolen bases 25—3, walks received 30—21; strike outs 57—72, and RBI's 57—20. The full season results showed similar comparisons. With only one senior, Rick Wulkow, graduating from the regulars, the 1968 season shows great promise.

Beaver pitchers tallied 57 strike-outs in ten Conference games.

The reception line for home run hitters was formed 11 times during the '67 season.

TENNIS ADDED AS A SPRING

New to Buena Vista in the spring of 1967 was tennis. The new sport was organized as a result of the installation of tennis courts east of Pierce Hall. The team participated in only a couple of meets during the year, but the ground work has laid for an active sport in the future.

Besides inter-school competition the new courts added an important segment to the expanding recreational facilities for all students at Buena Vista College.

LINKSTERS PLAGUED

1967 was a year of ups and downs for Coach John Naughton's Buena Vista golf squad. Seven meets were originally scheduled, but two had to be cancelled in the face of inclement weather. The Beavers were later able to add a quadrangular meet at Westmar to their schedule.

Buena Vista opened the 1967 campaign on April 10 at Storm Lake with a convincing 12 1/2 to 2 1/2 victory over Northwestern. Two weeks

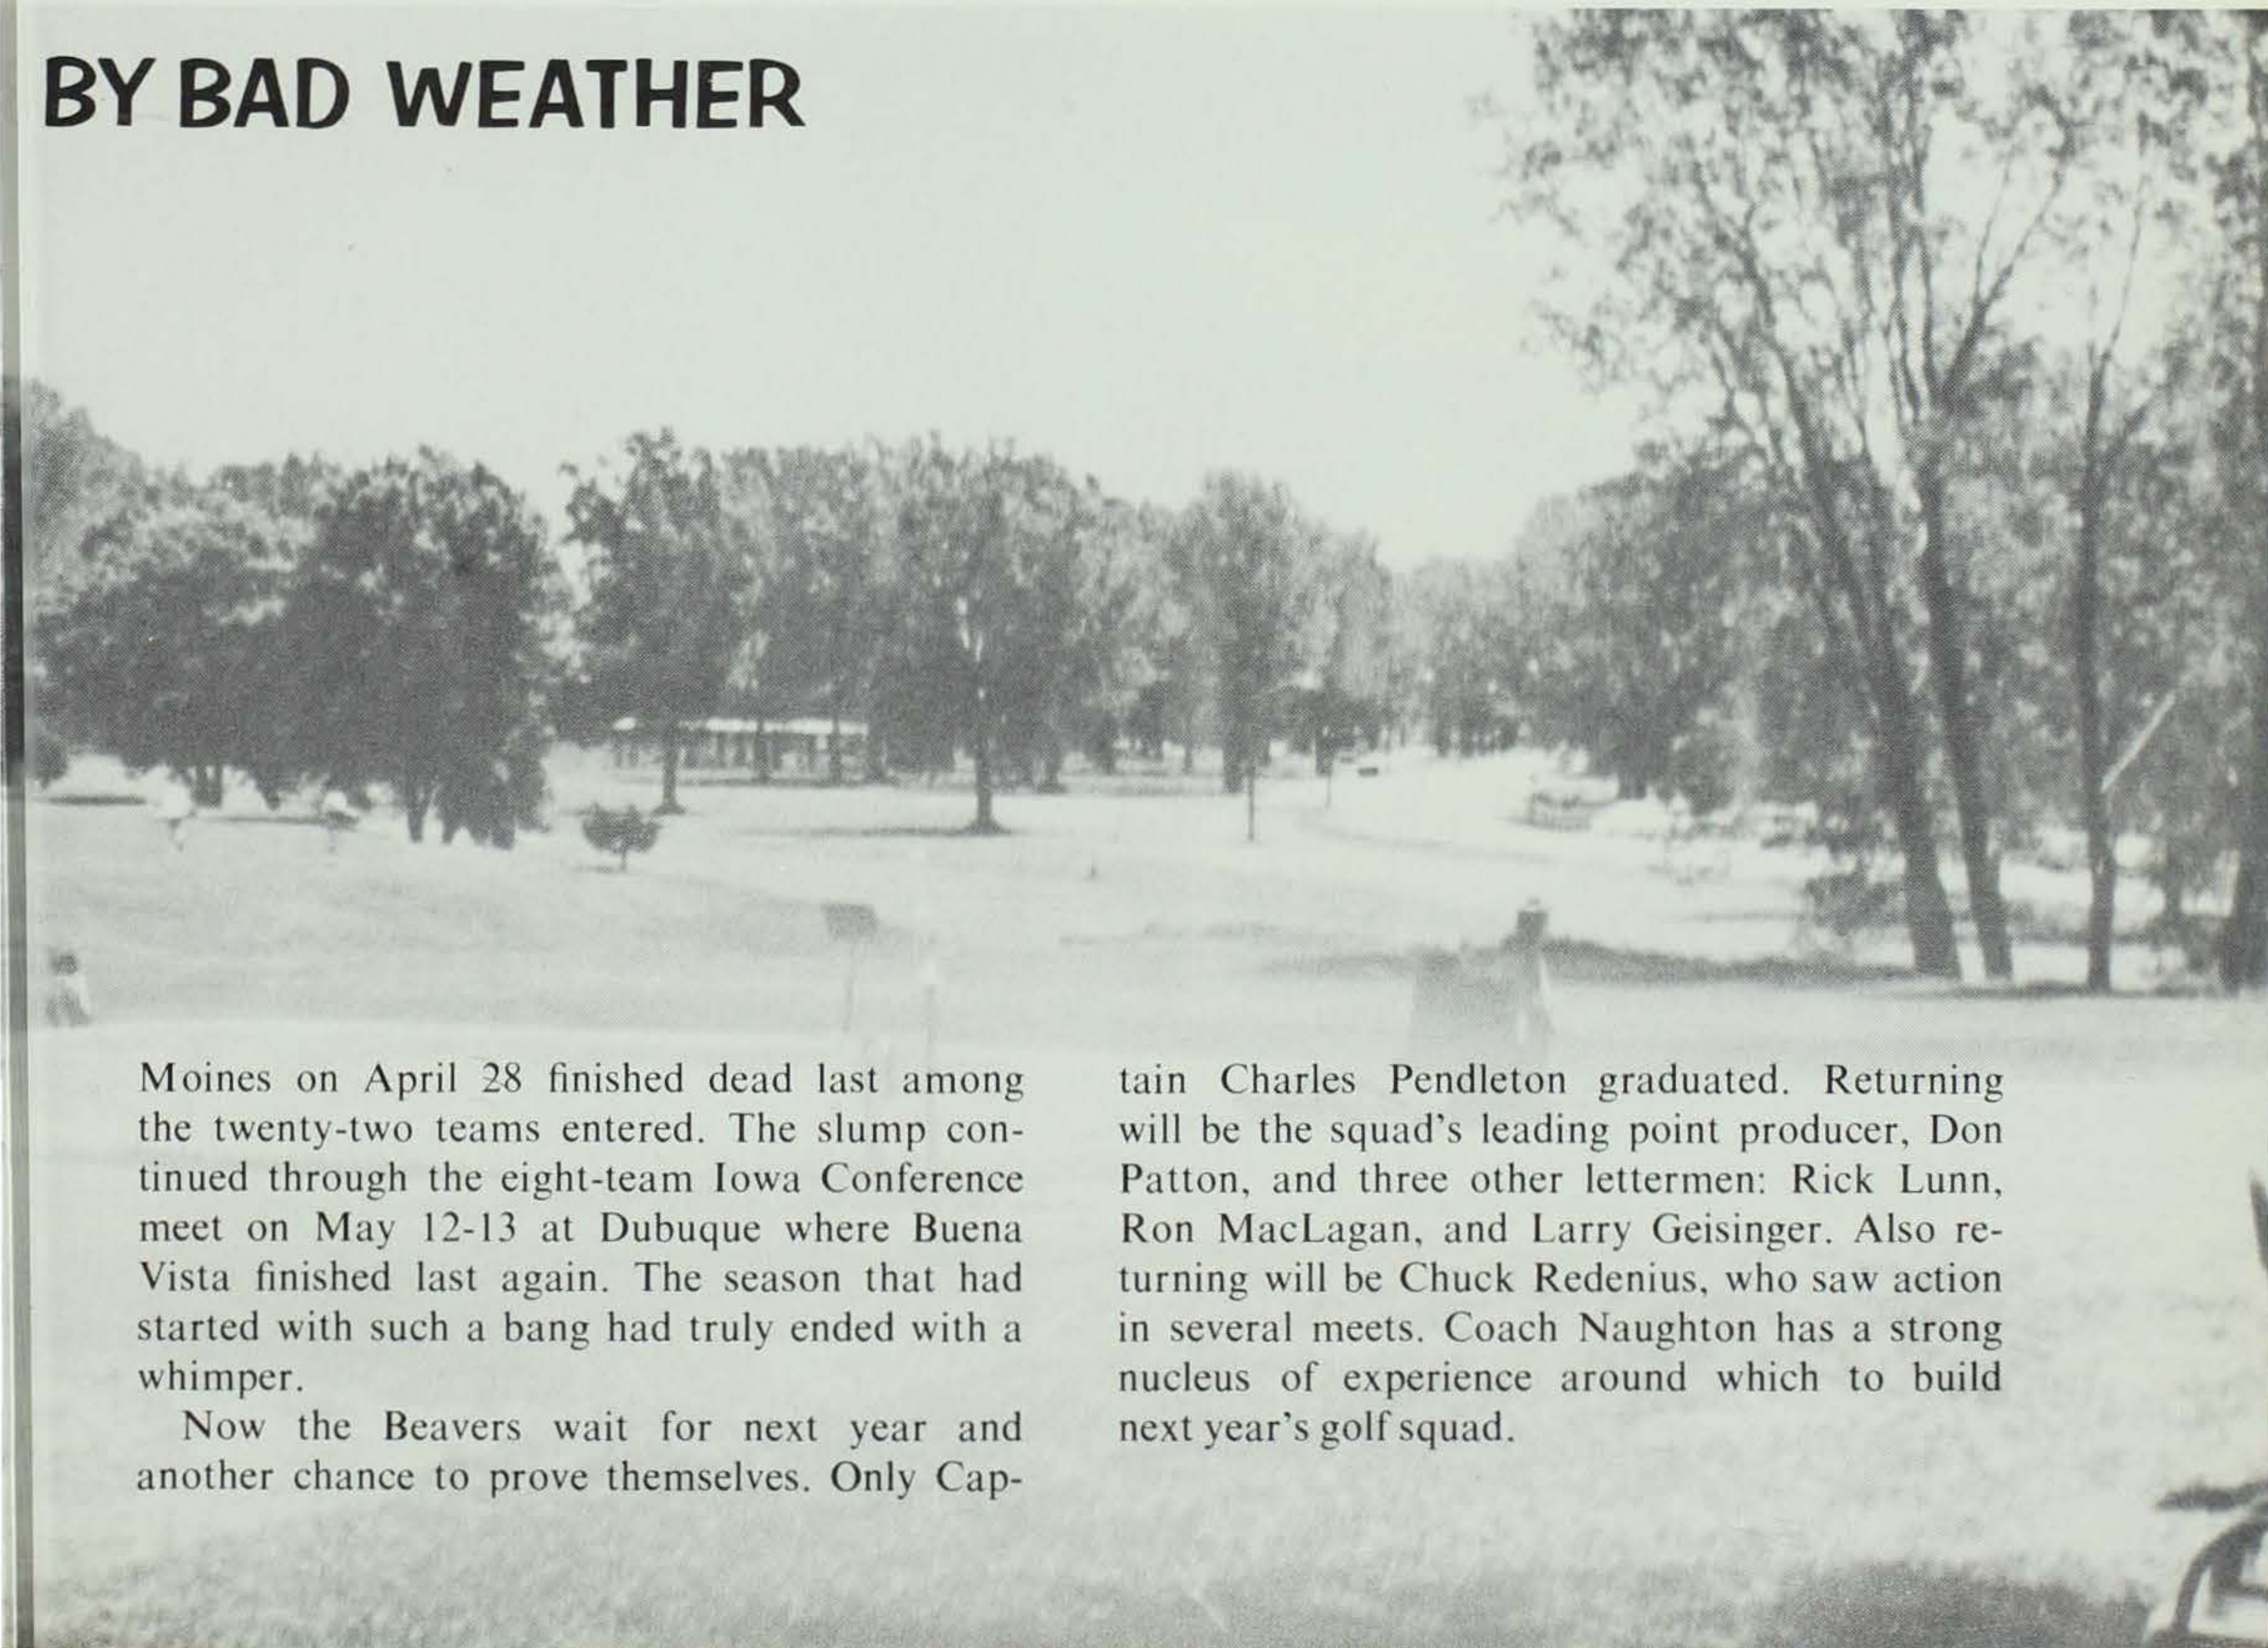

later, and again at Storm Lake, the Beavers squeezed past Westmar by a narrow 8—7 margin. Return matches scheduled with each of these opponents were cancelled. As a substitute Buena Vista participated in a quadrangular affair at LeMars where the Beavers finished second behind host Westmar, but ahead of both Yankton and Dana. Here the Beavers went into a tailspin and at the Drake Invitational in Des

SPORT AT BUENA VISTA

Members of the first tennis team at Buena Vista were, from left to right, David Cook, a sophomore from Concord, Mass.; James Moeller, a sophomore from Loveland, Colorado; Larry Hackett, a junior from Gary, Indiana; Charles Pollack, a senior from Maplewood, New Jersey; and Dean Jewett, a senior from Buffalo, New York. Dr. Wesselink was coach for the team.

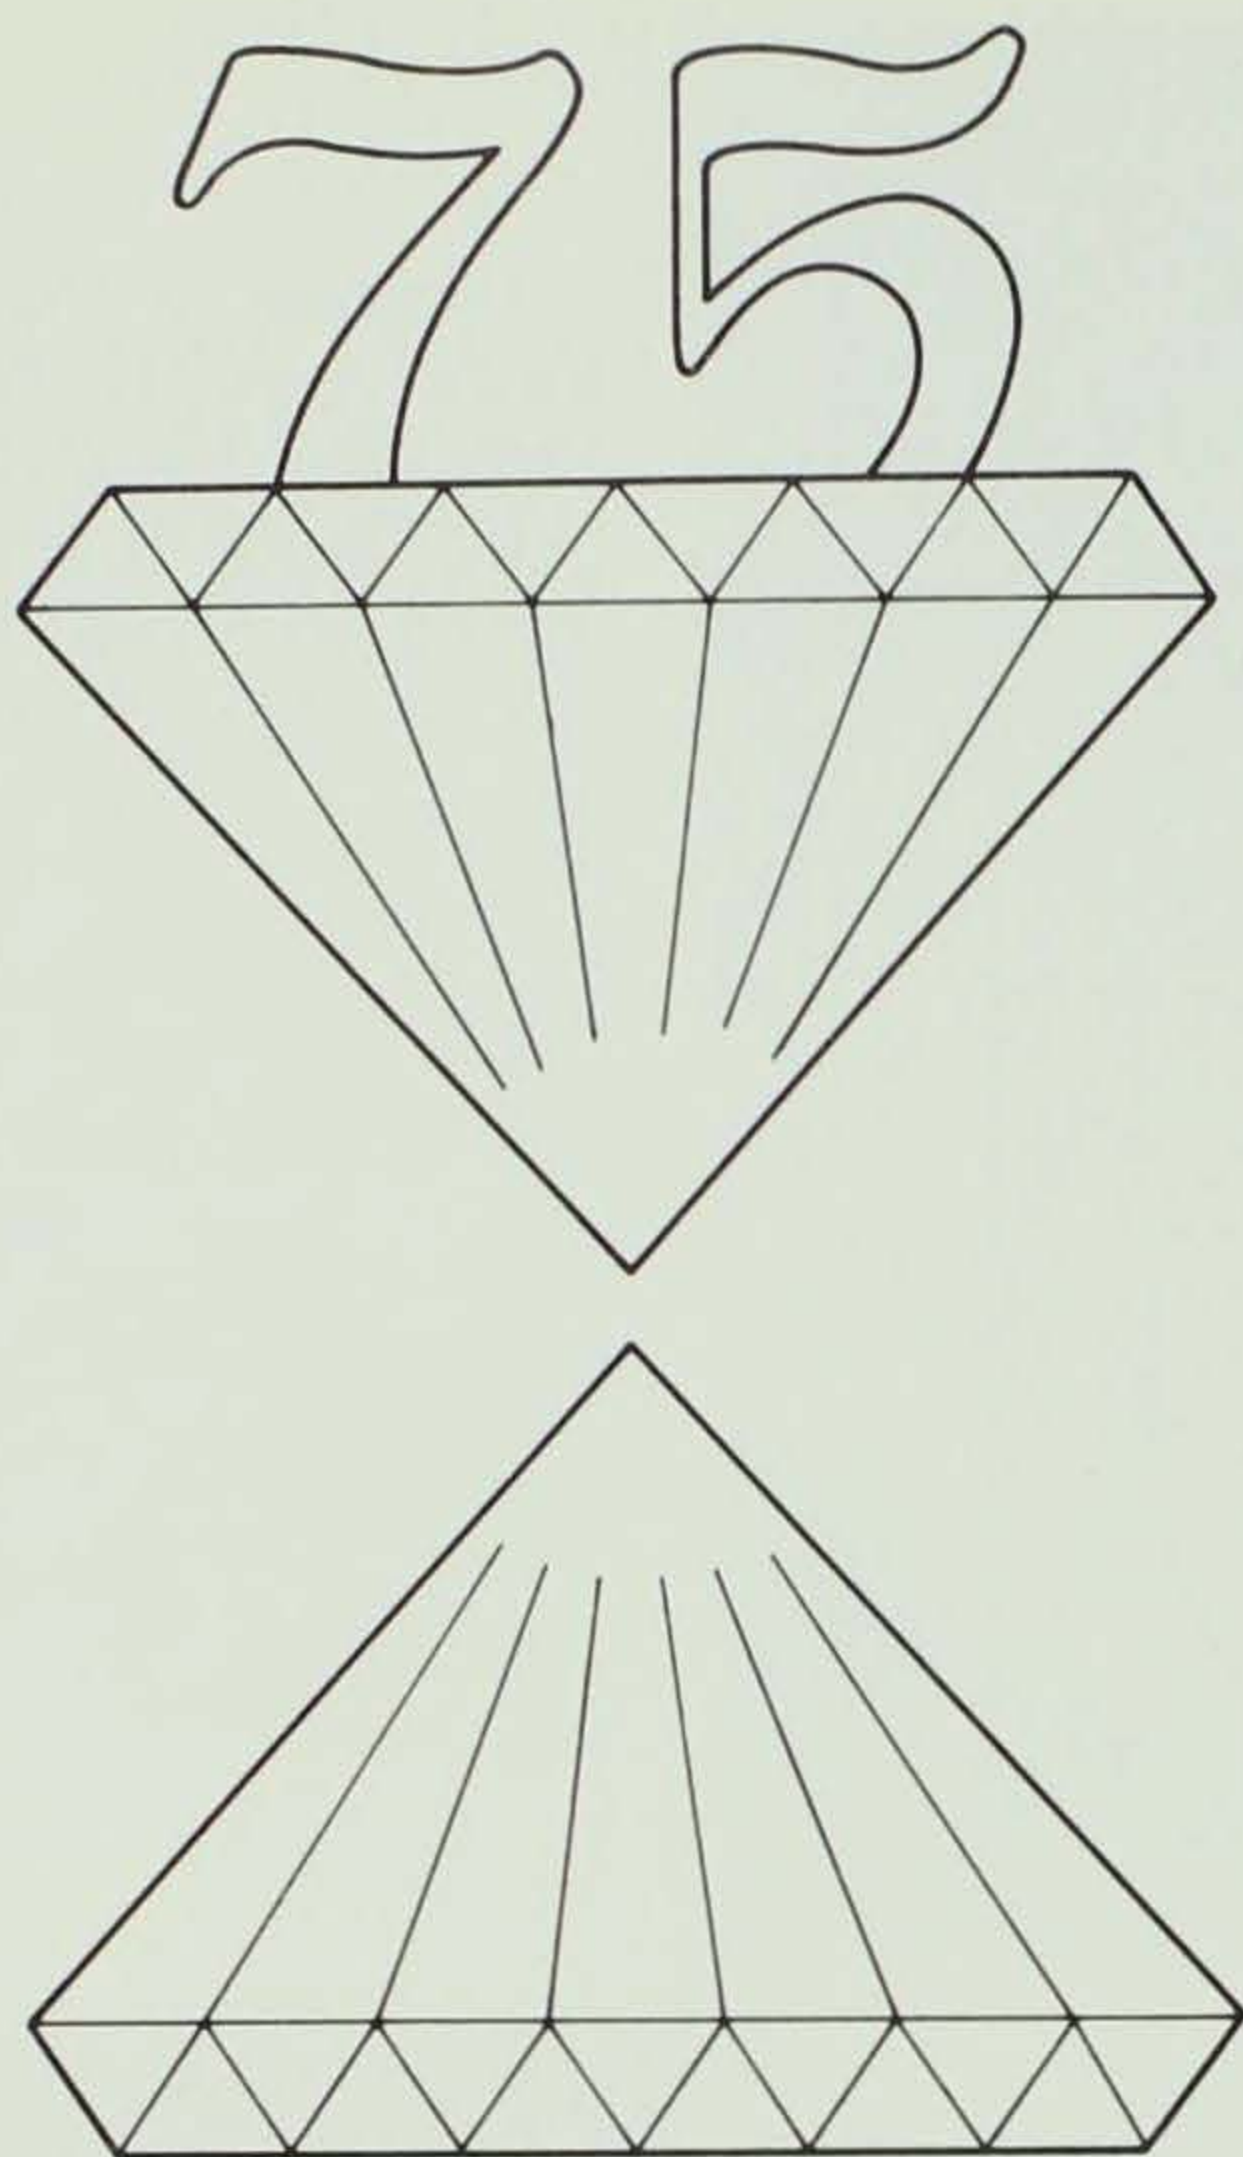

BY BAD WEATHER

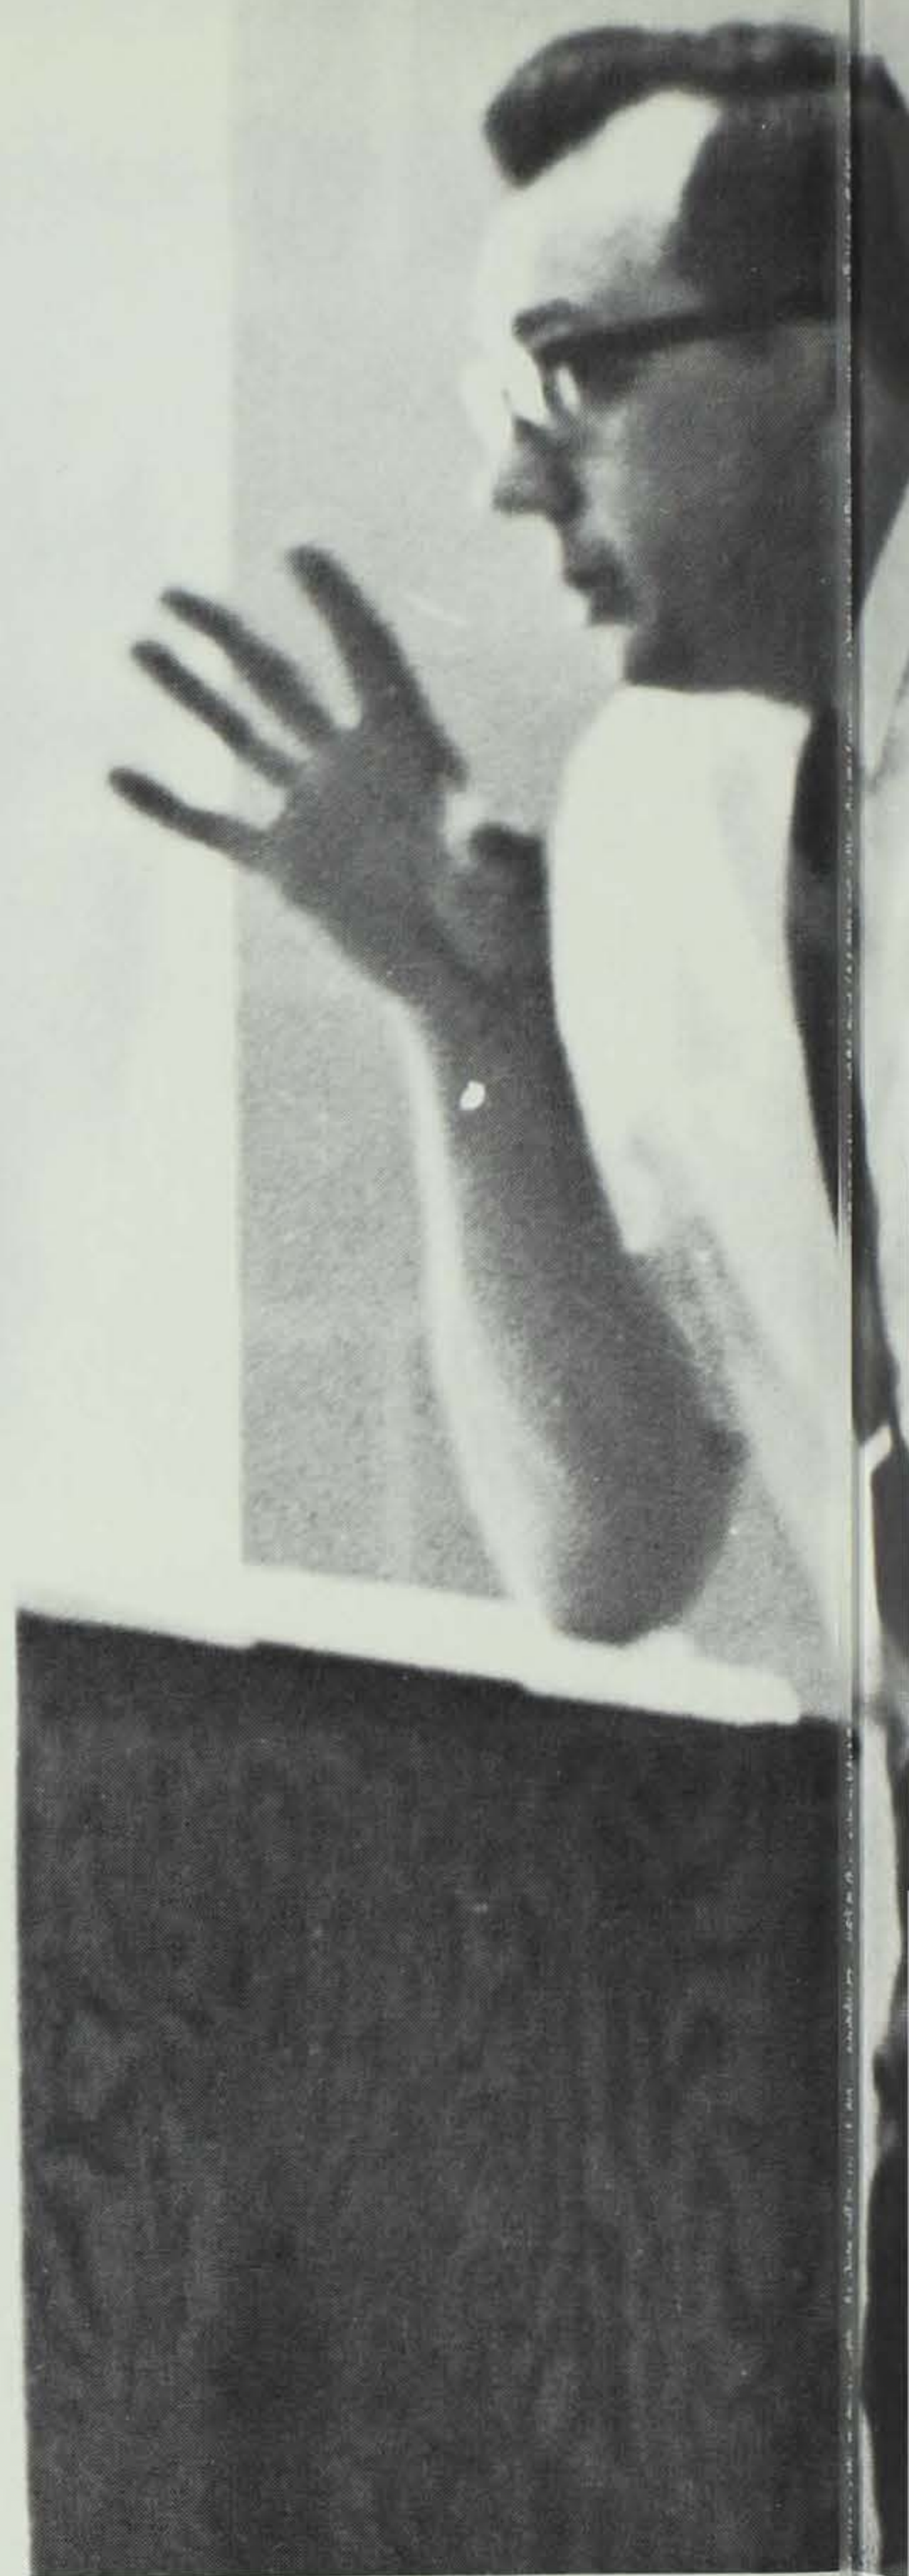

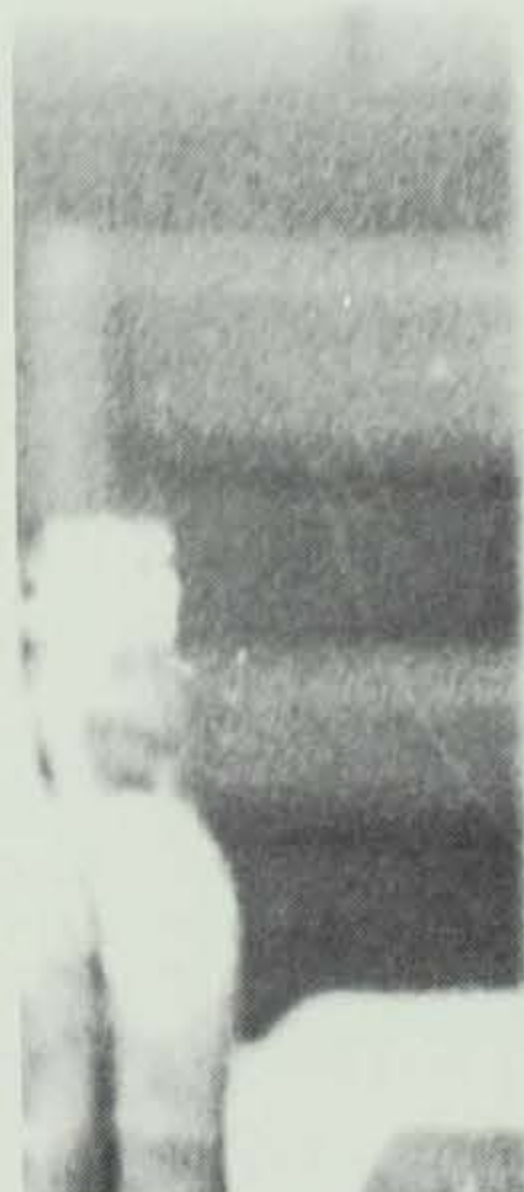

Moines on April 28 finished dead last among the twenty-two teams entered. The slump continued through the eight-team Iowa Conference meet on May 12-13 at Dubuque where Buena Vista finished last again. The season that had started with such a bang had truly ended with a whimper.

Now the Beavers wait for next year and another chance to prove themselves. Only Cap-

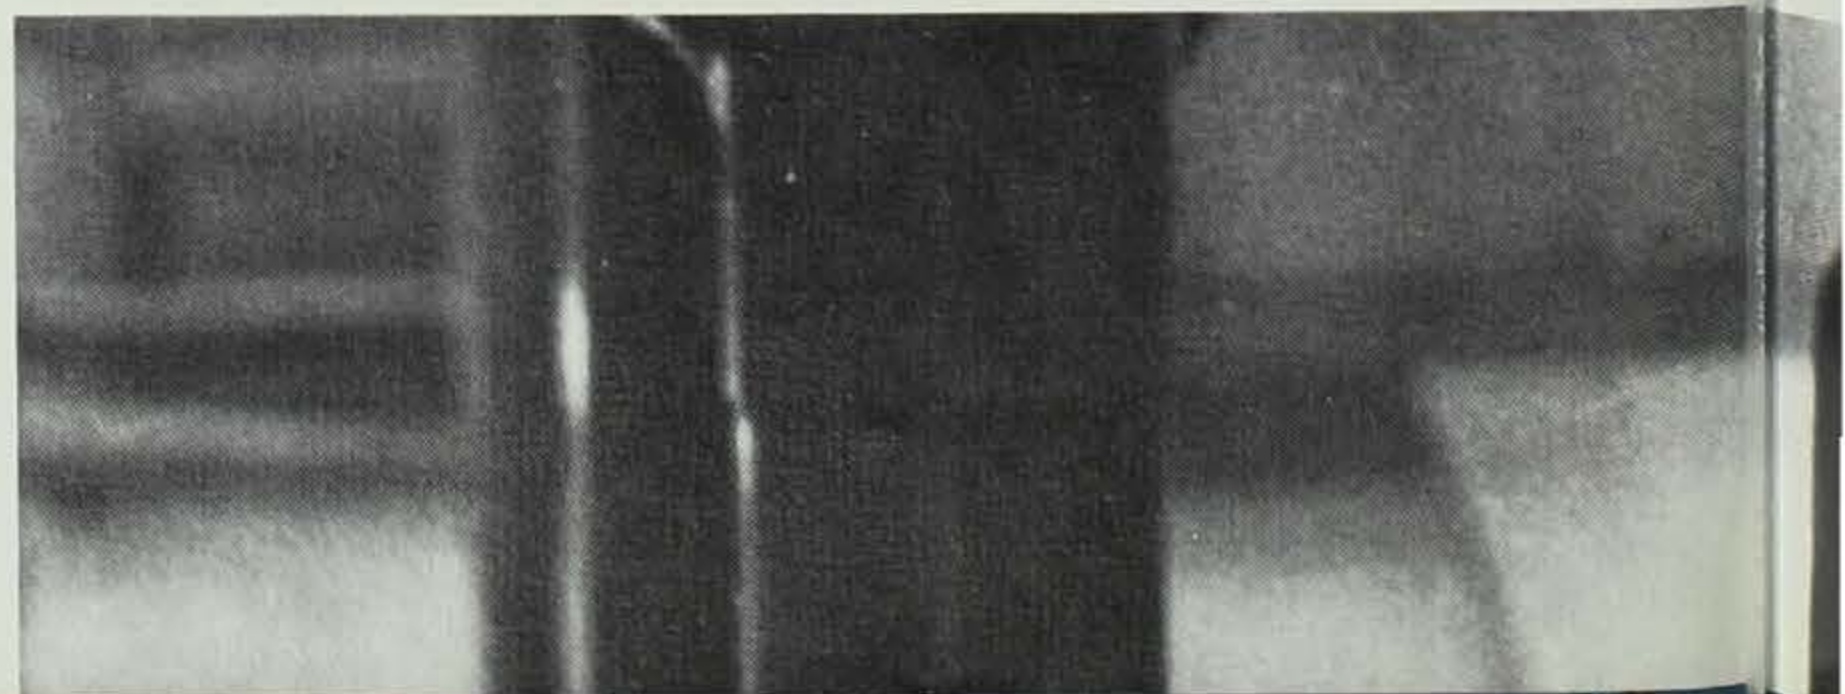

tain Charles Pendleton graduated. Returning will be the squad's leading point producer, Don Patton, and three other lettermen: Rick Lunn, Ron MacLagan, and Larry Geisinger. Also returning will be Chuck Redenius, who saw action in several meets. Coach Naughton has a strong nucleus of experience around which to build next year's golf squad.

Faculty and staff members from a variety of cultural, religious, and social backgrounds provided Buena Vista College students with valuable insights into many of the great issues of our day.

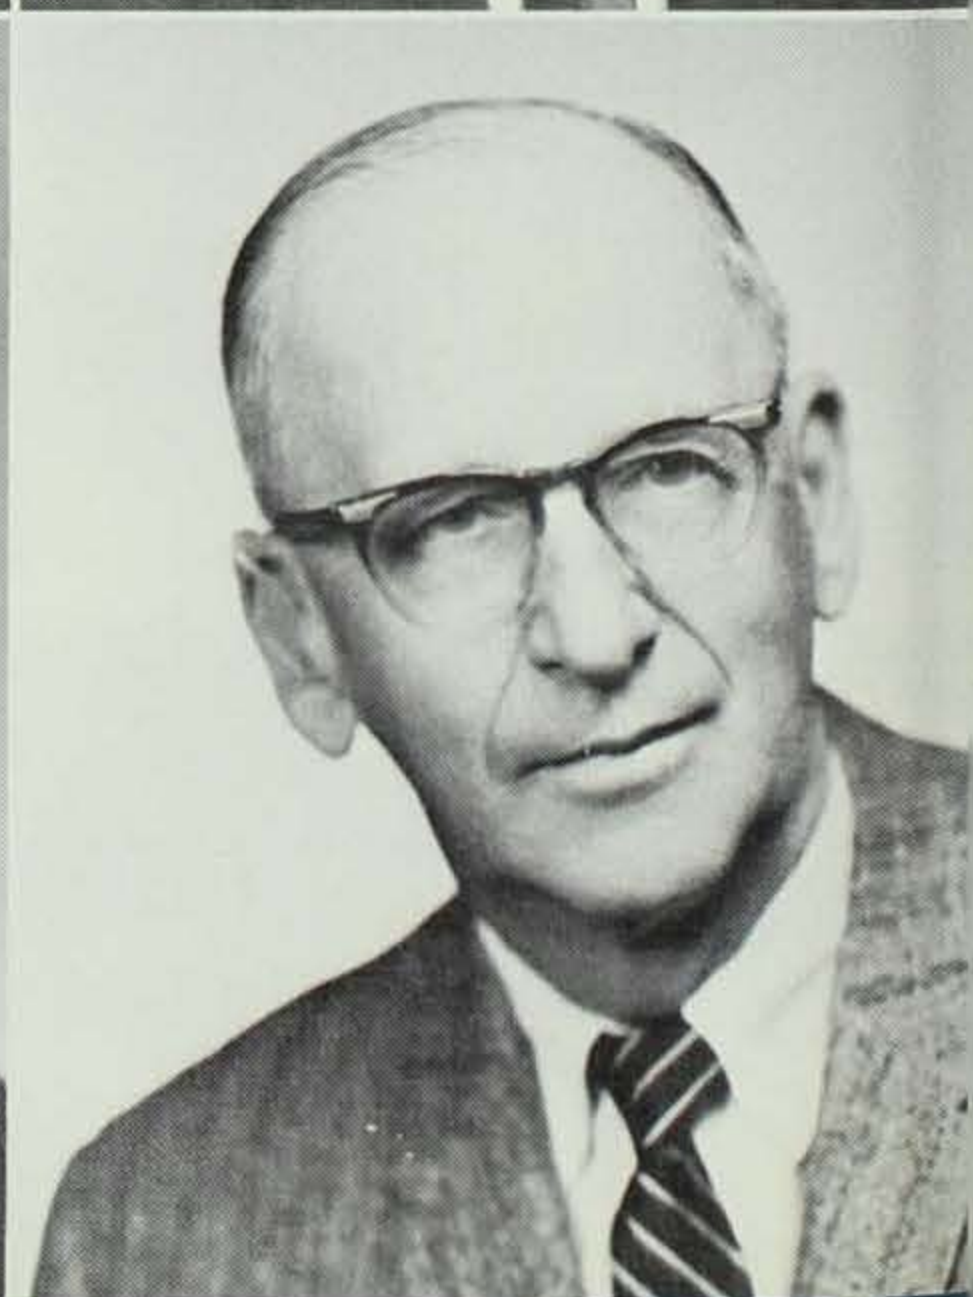

FACULTY, DIVERSITY FACULTY

PROVIDED AN INTERESTING YEAR

BARTIZAL TO SUCCEED DIXON AS CHAIRMAN OF BOARD OF TRUSTEES

President Halverson assists Chairman Dixon at the May Board Meeting. Mr. Jarnagin looks across the table (lower right) while Mr. Buntrock discusses a problem with another trustee.

The members of the Board of Trustees are the men who are legally responsible for Buena Vista College. These men are nominated by the Board itself and elected to staggered three-year terms by the Synod of Iowa. The Trustees had a number of very difficult problems to solve during the year including the laying of plans for the future expansion of Buena Vista, and a lawsuit brought against them and the College by a former student.

The Board meets several times each year on the Buena Vista campus, and its effective organization includes six standing committees.

PICTURED FROM LEFT TO RIGHT are *TOP ROW*: John R. Bartizal, Kermit L. Buntrock, William E. Cairnes, LuVerne K. Clark. *SECOND ROW*: Paul W. Dixon, Wayne J. Siefer, and Zeno Z. White. Tom D. Eilers (page 168) also served on the Board.

The chairman, Mr. Paul Dixon of Sac City, a member of the Board for eighteen years, and serving in the capacity as chairman for thirteen years, asked to be retired as chairman. At their May meeting the Board chose John R. Bartizal, a Board member of four years, to succeed Mr. Dixon. Mr. Bartizal had served as chairman of the Finance Committee of the Board and is a resident of Barrington, Illinois, a suburb of Chicago. At the May meeting the Board also elected Gilbert Geisinger as vice-president to succeed Kermit Buntrock, Phil Jarnagin to succeed Geisinger as Board secretary and re-elected Dr. Howard Pierce as treasurer.

The Board was saddened by the loss of one of its most active members, Mr. Tom D. Eilers of Omaha, Nebraska. A tribute to Mr. Eilers appears on the last page of the *Log*.

PRESIDENT WENDELL HALVERSON CITED EFFECTS OF 75TH YEAR

"Among other things, the 75th anniversary of Buena Vista College has made us painfully aware of the quickened pace of life," stated President Halverson at the end of the year. "The issues grow more complex, the time for contemplation before decision-making is shortened, and the stress of everyday life increases the tensions by geometric proportions. We all prefer tranquility to tension. All of us are tempted to run away from the tortuous problems of our time, yet we must not. It is in facing the tough problems that we are strengthened for the great battles. The truly great battles are always within. They are deeply personal."

Dr. Halverson came to Buena Vista in 1961

as the College's fifteenth president. Before this he had filled several pastorates in Ohio and Illinois, and served as General Presbyter of the Presbytery of New York. He received his bachelor's degree from the State University of Iowa and the B.D. degree from Union Theological Seminary, New York City, New York. He also did advanced graduate study at Oberlin Graduate School of Theology, the University of Oslo, the University of Chicago, and the Chicago Lutheran Seminary.

Dr. Halverson left these words with the seniors who left Buena Vista at the year's end, "We expect great things from you as you begin to carve your niche in the work of our needy world."

WESSELINK NAMED V-P FOR STUDENT AFFAIRS

Dr. William D. Wesselink served with distinction in his first year as Vice-President in charge of Student Affairs, a post created in 1966. Dr. Wesselink brought a great wealth of experience to the new office. His office was in charge of coordinating and overseeing the work of the Dean of Women and Dean of Men and assisting in the guidance of students in areas of personal and academic problems. Dr. Wesselink also was in charge of the committee which allocated student aid. He also proved very helpful to campus organizations by assisting them in solving their many problems.

Dr. Wesselink received his B.A. degree from Central College in 1931 with a major in mathematics. In 1932 he was graduated from the University of Iowa with a major in education, and since then he has done additional graduate work at the University of Iowa and Minnesota University. In 1960 he received an LL.D. from Central College.

Prior to his appointment as the head of Student Affairs, he taught junior high school and junior college math. He served as Dean of the Junior College at Webster City, Iowa, from 1938 to 1942, at which time he became a member of the U.S. Army Air Corps. From 1942 to 1946 he was a Veterans Administration Vocational Counselor and Chief of the Guidance Center. He was acting president of Buena Vista College from 1953 to 1954 and was Vice-President of Academic Affairs from 1961 to 1966.

ZALESKY SERVED AS BUSINESS AFFAIRS V-P

Mr. Charles J. Zalesky has served as Vice-President of Business Affairs since his arrival at Buena Vista College in 1959. Previously he was employed at Drake University in Des Moines, Iowa.

As Vice-President in charge of business affairs, Mr. Zalesky (known to those around him as "Mr. Z") had a wide variety of duties and responsibilities. He estimated the income of the College and helped to set-up a budget for the entire year. Since there were fewer students than had been estimated during the 1966-67 year, Mr. Zalesky had a difficult task in trying to keep the budget balanced. Mr. Zalesky's office was also in charge of keeping the accounts of all of the College organizations, as well as keeping all of the financial records for the College and preparing financial statements for the Board of Trustees and other groups.

Mr. Zalesky received his B.A. degree from Washington State College in 1938, and did graduate study at the University of Omaha.

His activities included membership in the Elks, Rotary, the Association for Higher Education, the National Association of Educational Buyers, the National Association of College and University Business Officers, and the College and University Personnel Association.

IN RETROSPECT

Webster's college edition defines "log" as "any record of progress . . ." The staff members of this Diamond Anniversary issue of the BUENA VISTA LOG respectfully present it as a record of progress to, for, and about the students of BUENA VISTA COLLEGE. This has indeed been a year of change for Buena Vista, and we hope that this book reflects those changes. If it faithfully does that, the hours of work to produce it will have been well worth while. It is our hope that these pages will bring back fond memories to you year after year.

Putting a yearbook together is no easy task and the entire staff deserves a great deal of thanks for the hours the members contributed to make this book what it is.

I would like to add special thanks to Copy Editor Rick Brenzo, Special Assistant Charles Pendleton, the Buntrock-Salie Studio, Public Relations Director Johnnie Powell, Log Advisor Professor James Brophy, American Yearbook Company representative Vic Eaton, and to my family who joined the Log staff unofficially after school was out to help in the final preparation.

STEVEN R. SMITH
Editor

A LOOK AHEAD

A yearbook is, by its very nature, chiefly concerned with the immediate past, but part of the value of examining the past is in its application to the future, so we ask ourselves what the events of the seventy-fifth year mean to the future of Buena Vista College.

The physical plant of the College is extremely important, and we are happy and proud to see giant steps being taken to improve the physical part of the institution. More important than the plant is the quality of the professional staff and the student body the College is able to attract. The Buena Vista policy must be to continue to engage the high quality professors we have had the honor and privilege to study under during the 1966-67 year. Good professors attract and enthuse good students.

The trend in colleges throughout the country is toward students gaining a greater voice in the operation of their schools. Picketing, sit-ins, parades, and riots on some campuses, have branded the trend as a "revolution." Realizing that no one of the three main groups concerned with the College operation—the Administration, the Faculty, the Students—can progress at the expense of the others, "evolution rather than revolution" has been and should continue to be the factor of change at Buena Vista. As the students gain a larger voice in the affairs and operation of the College they must accept their voice with mature responsibility.

How Buena Vista meets the challenge of change will decide the fulfillment of the well chosen Diamond Anniversary motto——

FROM GOODNESS TO GREATNESS

COLLEGE MOURNED PASSING OF TRUSTEE TOM D. EILERS

Buena Vista College was saddened on October 2, 1966, to learn of the passing of one of the true leaders of the College, Mr. Tom D. Eilers. Mr. Eilers was active in many community and service activities and he was well known for his humanitarian and charitable works. The College lost a good friend with Mr. Eiler's passing.

The men of the College who knew him gave us some great insights into this remarkable man. Paul W. Dixon said, "We have worked together for seventeen years and it has been a joy and satisfaction to work with him in solving our many problems. Tom Eilers was a man who succeeded because he had a clear idea of what he wanted to accomplish and because he set the example of how a thing should be done to those who worked with him and for him and he did what he undertook to do

well. We on the Buena Vista Board feel not only a sense of privation and frustration in our planning for the development of the College without his advice, but also a deep personal loss."

Dr. Howard A. Pierce, another member of the Board said, "He was always involved in some project of benefit to his community and he was a man who backed his projects with material aid. He was a staunch friend of this College. As a personal friend he was unsurpassed."

Dr. William D. Wesselink, speaking for the entire College said, "He was a man of humility, with a common touch; a man with interest in youth; a counselor for adults, and a true and loyal friend. He had the courage of his convictions and the diplomacy to present opposing ideas without creating antagonism."
