## Foreword

The Ottumwa High School Argus Annual, throughout its many years of publication, has come to mean various things to the many people in different walks of life who come in contact with it.

To most of the citizens of our community it is simply a book with pictures of their friends and relatives, and a summary of the events and accomplishments of that year, which they can refer to in future years. Some businessmen regard it as merely a means of advertising with the money spent for furthering a good cause.

However, to the people most closely affiliated with it -the administration, the faculty, and most of all the students-- it has come to mean much more than that. To these people it is a symbol of cooperation and workmanship of the very highest quality.

The Argus represents a resumé of the students, activities, and achievements throughout the year. It is truly "our" book. From cover to cover its many pictures serve to recall fond memories and pleasant friendships. And in the years to come this book will be a memory for you and me of our very best days--our days at Ottumwa High School.

The building itself is only a small part of Ottumwa High School. The students, teachers and counselors each year work so that they may show their "finished product" at the end of each school year--a fine group of graduating students.

A good theme--a new technique--a hard working staff--these were the tools used to create the O.H.S. Argus Annual for 1961.

This book is completely centered around our theme, "What is Ottumwa High School?" Each section is a part of the answer to this question, but none is the answer in itself.

Several revisions have been made and many improvements. The largest of these undertakings was sending the Argus to an out-of-town publisher in order to have a better book for the benefit of you, the reader.

It took a lot of work and a lot of patience to put this book together but we of the staff feel it is one of the best Argus's ever!

Don't look now, but here he comes, Jo!

Wait till I get done with this one, PLEASE!

Hi Ho! Hi Ho! It's off to work, work we go!

#### WHY AM I IN OTTUMWA HIGH SCHOOL

If every pupil in OHS seriously asked himself that question, I am sure we would have a variety of answers. Over the years that I have been connected with Ottumwa High School, I have heard various answers. I shall list just a few of them. Perhaps the most common answer is, "I had to enter high school because of my age and then the thing to do seemed to be to finish." Second, "My parents wanted me to go and I want to please them." Third, "Since I expect to go to college, I am attending high school as a preparation." Fourth, "I always planned to go into some particular profession such as medicine, law, dentistry or engineering and I am attending high school to prepare myself for taking technical training later." Fifth, "I wish to make myself a more capable individual and a more able member of my community." Sixth, "I want to be educated to enjoy a richer and fuller life." We have very many pupils who say, "I have no particular reason for being here and I have no particular plans for the future."

My advice to the students of OHS is to think over this question very seriously. Perhaps you fall into one of the above categories. Re-evaluate your reasons and see if you are really getting the most out of your high school work so that you will gain the ends you are seeking. Since very many fall under the last category and have no particular plans for the future, they are the people who should give most consideration to this question. Education is becoming more expensive every day. In order to get the most value for each dollar spent by your parents and by the community, you should do your very best to justify the expenditure. Talk over this question with your parents, your counselors and your teachers. Then when graduation time comes, you will have reason to feel that your time was well spent and that everyone concerned got value received for the expenditure.

## The Board of Education

Superintendent FRANK W. DOUMA

To me, Ottumwa High School, with the yearly enrollment of students, represents the annual enrichment and improvement of our society through the study and work completed by high school students. Each year the graduates leave with the benefit of three years of experience and training, and our community also benefits, depending on how capable each student may be. Just as a factory superintendent looks back on a profitable production year and the farmer takes pride in a bountiful crop, so the school faculty looks with pride upon the progress made by the student body.

To the individual student, Ottumwa High School may be a 3-year span in his or her life. However, to our community, Ottumwa High School is a continuous business which provides the community with a service each year for the people of high school age. We strive to make that service as effective as possible for the individual student and for the community. In so doing we make our community a better place in which to live.

**Is It The Senior Class?**

President, John Raney; Vice-President, Karen Bates; Class Sponsor, Miss Jump; Secretary, Terry Swalm; Treasurer, Dave Aanestead

A high school is never complete without the senior class. Each year O.H.S. has graduated a fine senior group. This year we, the senior class of 1961, have tried to live up to this tradition. We have put forth our best efforts to make this year a year we will always remember.

This past year has brought our high school career to an end but it has also brought us to the time when we must think and plan our futures. To those of us who are going on to college or business school, high school has been a means of preparing us. And for those who are entering an occupation, high school has been our training center.

As we leave high school now, we want to express our appreciation to our teachers and our sponsor, Miss Jump. We take with us many happy memories and the knowledge to help us in the future. We are proud to have been a part of O.H.S. and will always proudly say: "MADE OF SPIRIT, WORK AND FUN, WE'RE THE CLASS OF '61'."

Too bad, but a year of science is required to graduate.

Well, I don't know for sure, but they say that the boys outnumber the girls six to one at Purdue, so I might go there!

T-Y-P-I-N-G space C-L-A-S-S

Dig right in, boys!

We just want the facts, sir, just the facts!

The line-up!

Ulla signs up for classes while Marge Gill, her American sister, looks on.

The students at O.H.S. were happy to welcome Ulla Mortenson from Copenhagen, Denmark as our foreign exchange student for this year.

Ulla lived with the Rev. Donald Gill family during her stay here, and Marge Gill was her American sister.

She spent the year attending senior classes, participating in various activities, and learning more about our country.

Ulla's friendly smile and genuine personality have come to be well known, and when the time comes it will be hard to say "Good-bye."

**Is It The Junior Class ?**

Vice-President, Francis Yochum; Treasurer, Dave Holman; Class Sponsor, Mr. Lawrence Hamley; President, Larry Schaefer; Secretary, Mary Lynn Meadows.

The second chapter of our high school career has been written and is now only a memory. Throughout the year, we, the junior class, have put forth our greatest efforts and have striven to make O.H.S. proud to claim us as one of her many components. This year has been full of joyful and thrilling moments that will always remain in our hearts. In the far future, we know we will say, "I remember my sophomore year and I remember my senior year, but my junior year was the greatest!"

Our class would like to express our deepest appreciation to all of our teachers, counsellors, friends, and parents who have led us so wisely through our first two years of high school. With their guidance and our own ambitions we know we can go nowhere but upward in our careers.

Next year, we plan to work diligently in order to uphold the high standards which the graduating seniors have established. In conclusion, we would like to say, "ALWAYS LOYAL, ALWAYS TRUE, WE'RE THE CLASS OF '62'."

ME

Hail, Hail, the gang's all here!

Oops! I just remembered I wouldn't tell!

Two Agricultural students make use of their green thumbs.

No wonder the teachers have to issue so many pink slips, with a reserve force like this!

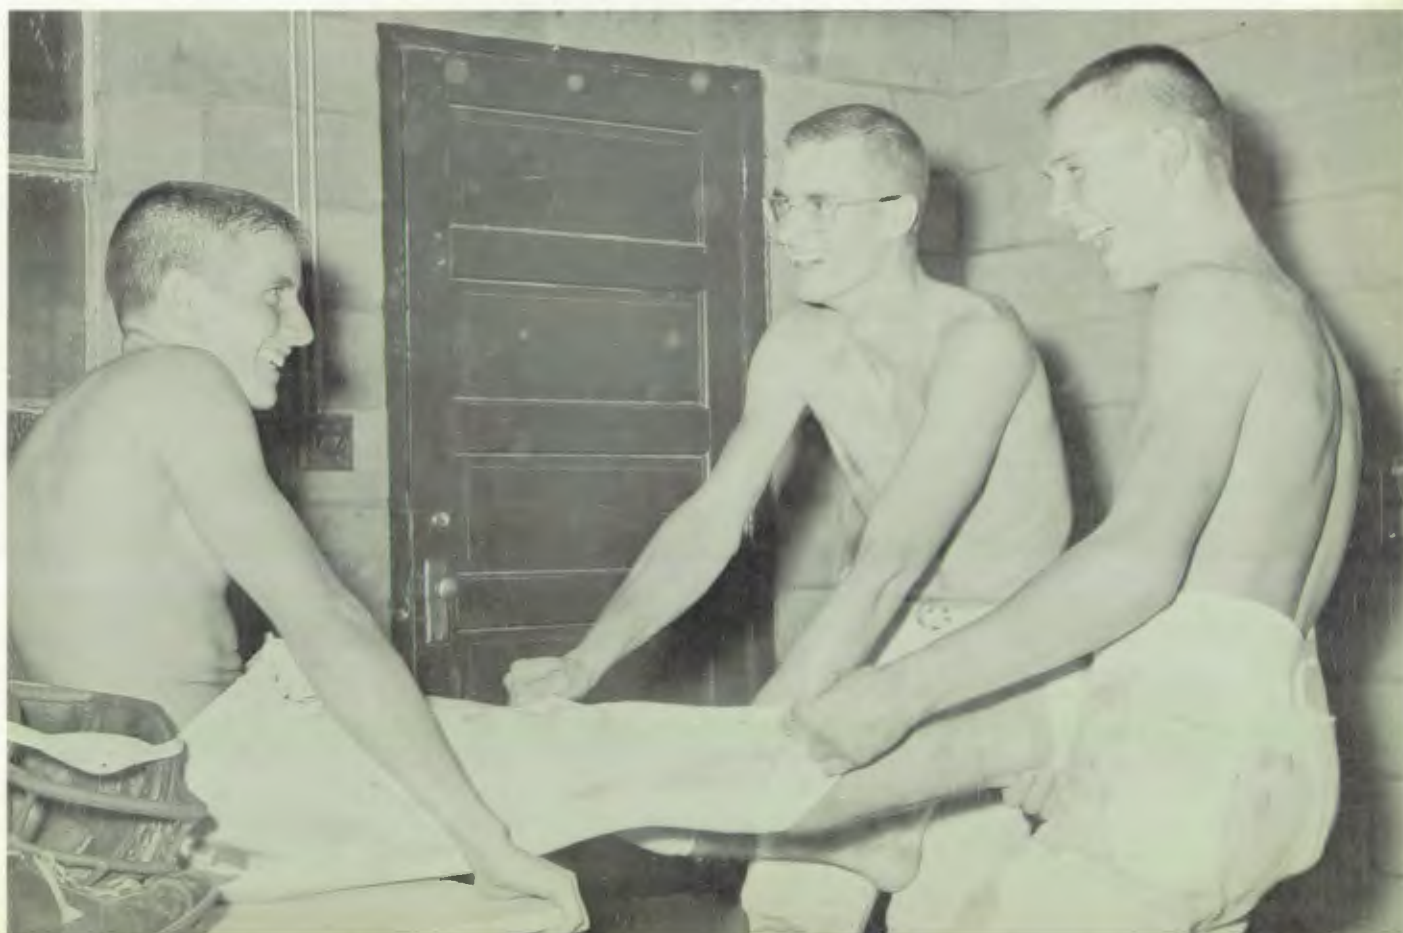

Just wait till Ernie finds out about this!

Darn it! I know that book's in here someplace.

One more pull, and this picture would be censored!

C'mon kids, let's really yell!

Eveline Hogg and Judy Belger use the polisher in the third period art class.

Study hall students use this hour for readin', writin', and 'rithmetic -- or do they?

**Is It The Sophomores?**

Sophomore Class Officers and Sponsor: Mr. Ware, Mark Hancock, Connie Carpenter, Shirley Bruns, Sharon Law.

This year we, as sophomores, have earnestly tried to contribute our part to O.H.S. We have met the challenges of high school and have tried to overcome them. We have tried to take our place among the upperclassmen and to establish ourselves as true students of O.H.S.

This year we have continued to increase school spirit and loyalty initiated by the junior class. We have aimed for academic excellence and have taken an active part in the extracurricular program. These were all in preparation for our participation in community affairs and for our college careers upon graduation.

As we end our year as sophomores, we take with us many memories and the knowledge to help us in our final years of high school. We want to thank the faculty for the help we received this past year. We are proud to be students of O.H.S. and even more proud to say, "Success and wisdom is the key; we're the class of '63!"

## Student Council Is School Government

The Student Council is the main governing body of O.H.S. The council consists of seventeen students plus the foreign exchange student. In the spring of each year, the sophomore and junior classes select their representatives for the coming school term.

Meetings are held weekly, and the council takes care of such matters as the club room, reserves, victory bell, lost and found department, assemblies, Teen of the Week, coat check at basketball games, and light bulb sales. This year the students were invited to attend the council meetings.

Through the work of the council's sponsor and these student representatives, the Student Council works toward its aims of developing a high type of school citizen and a greater spirit of democracy.

Student council members sponsor the coat-check at our home games.

## Argus Annual Staff Works Many Hard Hours To Develop A Fine Annual

Members of the Editorial staff work on the layout sheets for the Argus.

The members of the O.H.S. Argus Annual Staff work very hard to produce a good yearbook. This year there has been a lot of extra effort put forth in hopes of having the best annual Ottumwa High has ever had.

Such improvements in our 1960-61 Argus include a full color cover, a good theme carried throughout the yearbook--and having the book printed in a professional publishing house in Marceline, Missouri.

Mr. Kriwanek, sponsor, Mr. John Anderson, critic, and Mr. Sisk, head of the ad staff, deserve special recognition for the time and help which they have given towards the production of this book.

Although the Ottumwa Bulldogs don't always win, the team is made up of hardworking athletes with a tremendous desire to do their best.

Lack of school spirit and precise teamwork resulted in this year's record of 5 wins and 13 losses. Injuries of three top players didn't contribute to the success of the team either. However, good sportsmanship was a characteristic of our team throughout the season.

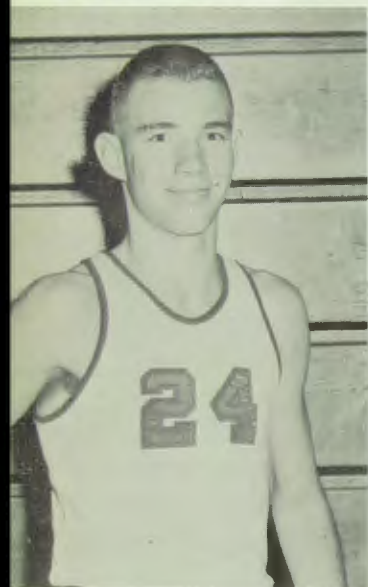

Coach Christensen felt that the team made an extensive amount of improvement before the season ended. This was evident at the rousing final home game between the Muskies and Bulldogs. Our team closed the season with a well deserved 82-62 victory.

Much time was spent by the cheerleaders on practice and hard work. Completely self-supporting, the cheerleaders attended out of town games and sponsored pep assemblies.

## Some Beautiful Sharks

This year Shark Club had a total of thirty-two members. New members initiated last fall were selected differently from previous years. Any sophomore willing to compete attended practices and the tryout sessions. Twenty of these girls were then selected as tentative members. They were expected to attend more practices. After the final tryout, the ten girls with the best scores and attendance records were chosen to become regular members.

Before Christmas the members of this active O.H.S. Club chose "Disneyland" as the theme of their annual swimming pageant held at the end of April. The girls then worked every day planning and preparing their swimming and dance routines and their costumes.

As extra projects, the girls presented the Thanksgiving Assembly, decorated the Cafeteria for the Christmas holidays, and bought Club sweatshirts.

Madison Relays and the District and Little Six Conference Meets. They have defended these championships to the best of their ability and we commend them for a job well done.

Due to the early schedule of the Argus Annual we were not able to obtain a picture of the entire squad, the staff of the Annual promises to add another page to the track section next year.

## We Have Asked, What Is Ottumwa High School?

Ottumwa High School is not just a building. It is not just the administration and faculty, nor is it only the student body. It is not merely the clubs, sports, and activities. What is it then? It is all of these together with many years of hard work, good times, friendship, school spirit, and traditions.

The building has housed many thousands of students. The walls and ceilings have vibrated from the hearty shouts of class yells and peppy cheers. The corridors have heard the laughing voices of friends down through the years. The administration and faculty have striven to send out each graduating class with as much knowledge and good judgment as is in their power to give, and the clubs and activities have offered not only good clean entertainment but also a knowledge of better human relations among the students. The various sports have given healthful recreation, good self-discipline, and exercise of fair sportsmanship. It is the students down through the years who have carried on the traditions and brought about improvements to make O.H.S. a better school for in-coming classes. All of these put together make up Ottumwa High School, none stands alone to make up our school, and yet, without one, the school is not complete.

Our school has grown and prospered to its present state under the leadership of fine, capable men such as Mr. Frank W. Douma, our retiring school superintendent. He has been the head of our Ottumwa school system for the past twenty-five years and is, without a doubt, due much recognition and praise for the fine job he has done.

Mr. Douma has devoted his life to education and much of it to our own high school. He came to Ottumwa in 1920 and taught and coached here at O.H.S. until 1927 when he was made principal. After proving his fine capabilities he was promoted to the position of superintendent in 1936.

We, the students of O.H.S., would like to extend a heart-felt "Thank you" to Superintendent Douma for a job well done and as a small token of our appreciation we dedicate this 1960-61 ARGUS ANNUAL to him, Superintendent Frank W. Douma, a truly deserving man.

Another year comes to a close. The senior class is graduated and each member takes with him not only his diploma, but also many fond memories of the classes and buildings of O.H.S. to be cherished through life. The sun sets on O.H.S. and dusk covers all in a hazy cloud; likewise our school moves into the memories of the class of 1961.

*Hasty, we have had a lot of fun together this year in geometry. Although sometimes we did get called down. You are an American, and you are free. You can speak as you please and pray as you wish; serene in a birthright freedom from fear and from want.... and secure in your FREEDOM TO PICK AND TO CHOOSE.*

*I will see you next summer and I hope you will be glad to see me. I will see you together next year. Good-bye in all your future years. Good-bye in all your future years. Good-bye in all your future years.*
