PLEASE HELP THE YEARBOOK THANK THESE BUSINESSES FOR SPONSORING THE 2010 AHS YEARBOOK!

Colophon

The 2009-2010 *Hawk* is a 208 page yearbook with a press run of approximately 850 books. The student body totals approximately 1600 students. The cost of the book was \$50.

All type was set using Jostens Yearbook Avenue online. Pages were submitted online to the Jostens web site. The cover was created and designed by Reid Rorebeck. Interior paper is 100 # glossy with black ink.

The entire book is in process color. The *Hawk* is able to consistently publish in color because of the support it receives from businesses that buy sponsorship packages and the parents who purchase baby ads at the end of the book.

All photos were taken with Canon and Nikon digital equipment. The senior large photograph was taken and provided by Mullica photography. Sports group shots were supplied by Photographic Enterprises. Student portraits were supplied by LifeTouch Photography. Senior photographs were supplied by a number of local photographers. The homecoming court photograph was supplied by Jamison Studios. The Show Choir photos were taken by Doug Martin. Several of the band photos were taken by Jolesch Photography. The senior baby ads were designed by Dena Berry and Jo Dee Wickings.

A big thank you to the entire Ankeny community of students, parents and staff that helped out the yearbook throughout the school year by providing digital photographs of a variety of clubs, events and trips that the yearbook could not cover by itself.

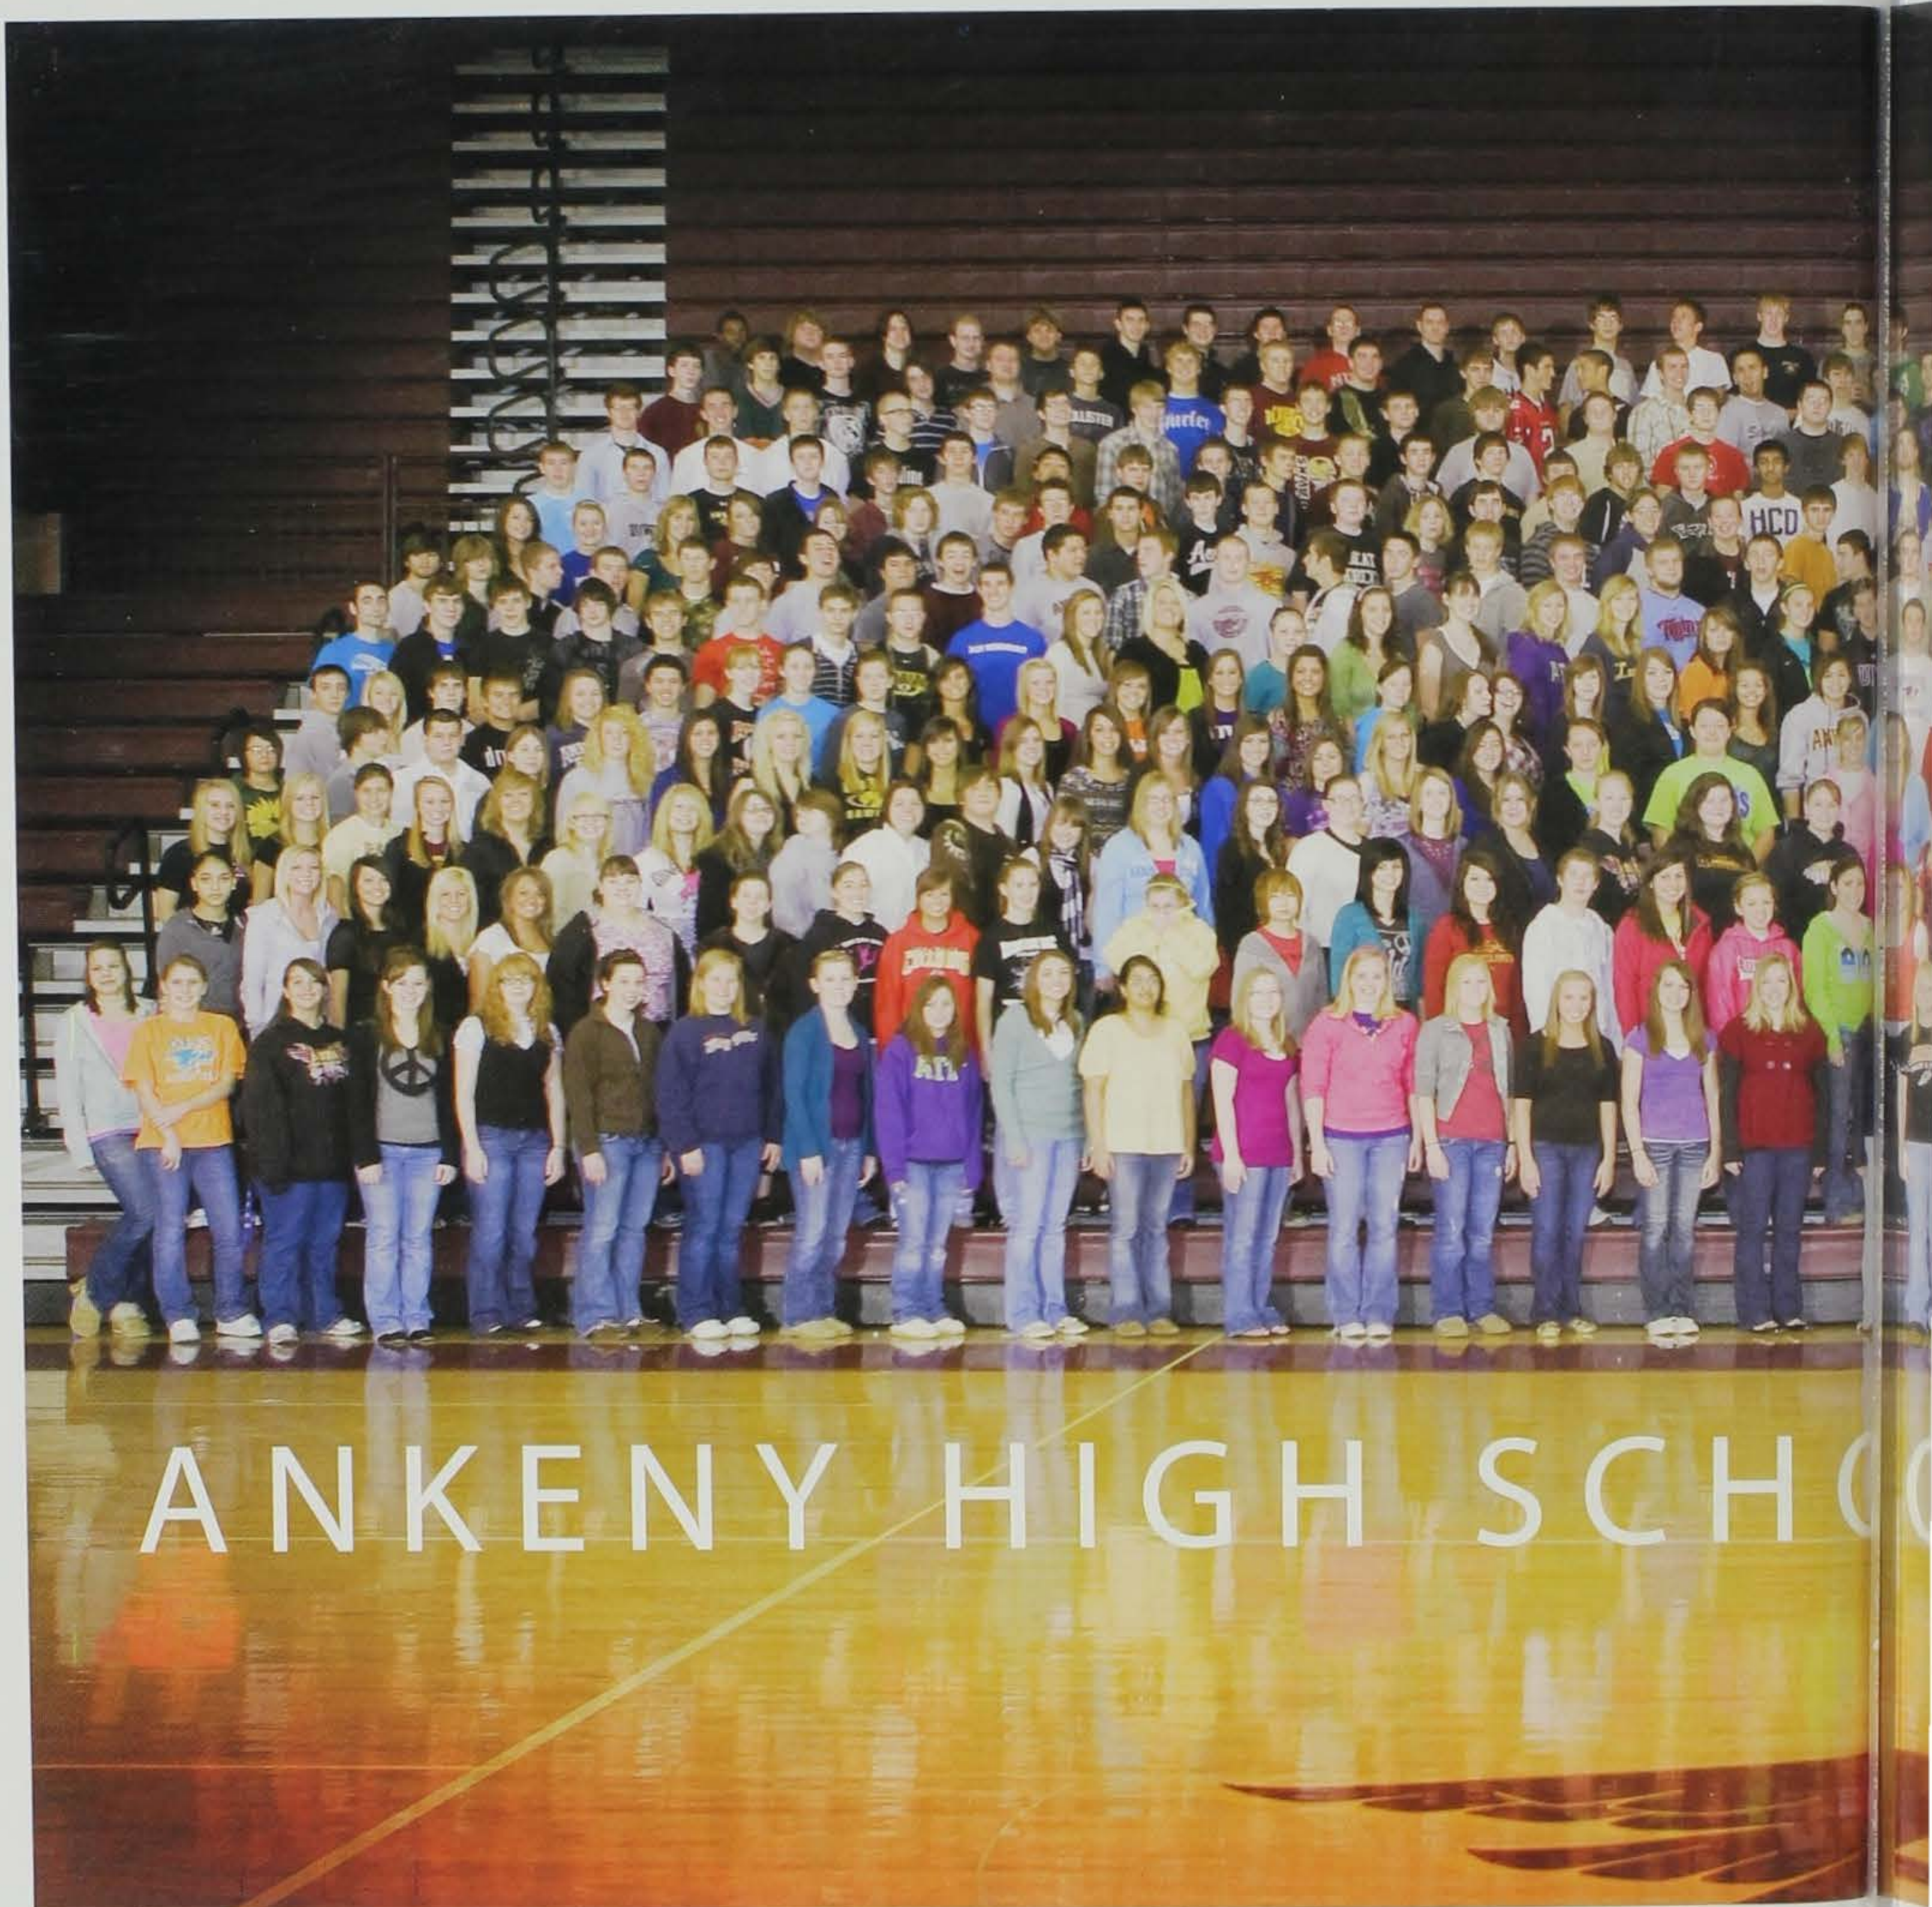

Editors: Lauren Miller, Hannah Davies and Kaley Borchardt

The 97th Commencement Activities for Ankeny High School took place in the Knapp Center on the Drake Campus on Sunday, May 23rd. The ceremony began at 1:00.

There were many traditional events at this year's graduation, including the Processional, *America the Beautiful* and *Battle Hymn of the Republic*. Thanks to the dedicated staff and students of the band and choir departments for making the music and the traditions at the ceremony special.

Mrs. Brenda Colby, principal at AHS, introduced many of the speakers during the ceremony, including Board President Andrew Martin, Superintendent Matthew Wendt, and the 4 student speakers: Kate Armstrong, Sara Cassabaum, Ryan Gean, and Elle Wignall.

After the speakers and the recognition of the seniors, diplomas were presented to the class of 2010. Congratulations to the class of 2010 and good luck in all your future endeavors.

The theme for Homecoming Week 2009 was Welcome to the Jungle. Students showed lots of spirit as they dressed up for all the theme days.

The dress up days this year were clash and crazy hair, wild west, generations (sophomores-babies, juniors-middle age, and seniors-old folks), jungle day and the traditional spirit day on Friday.

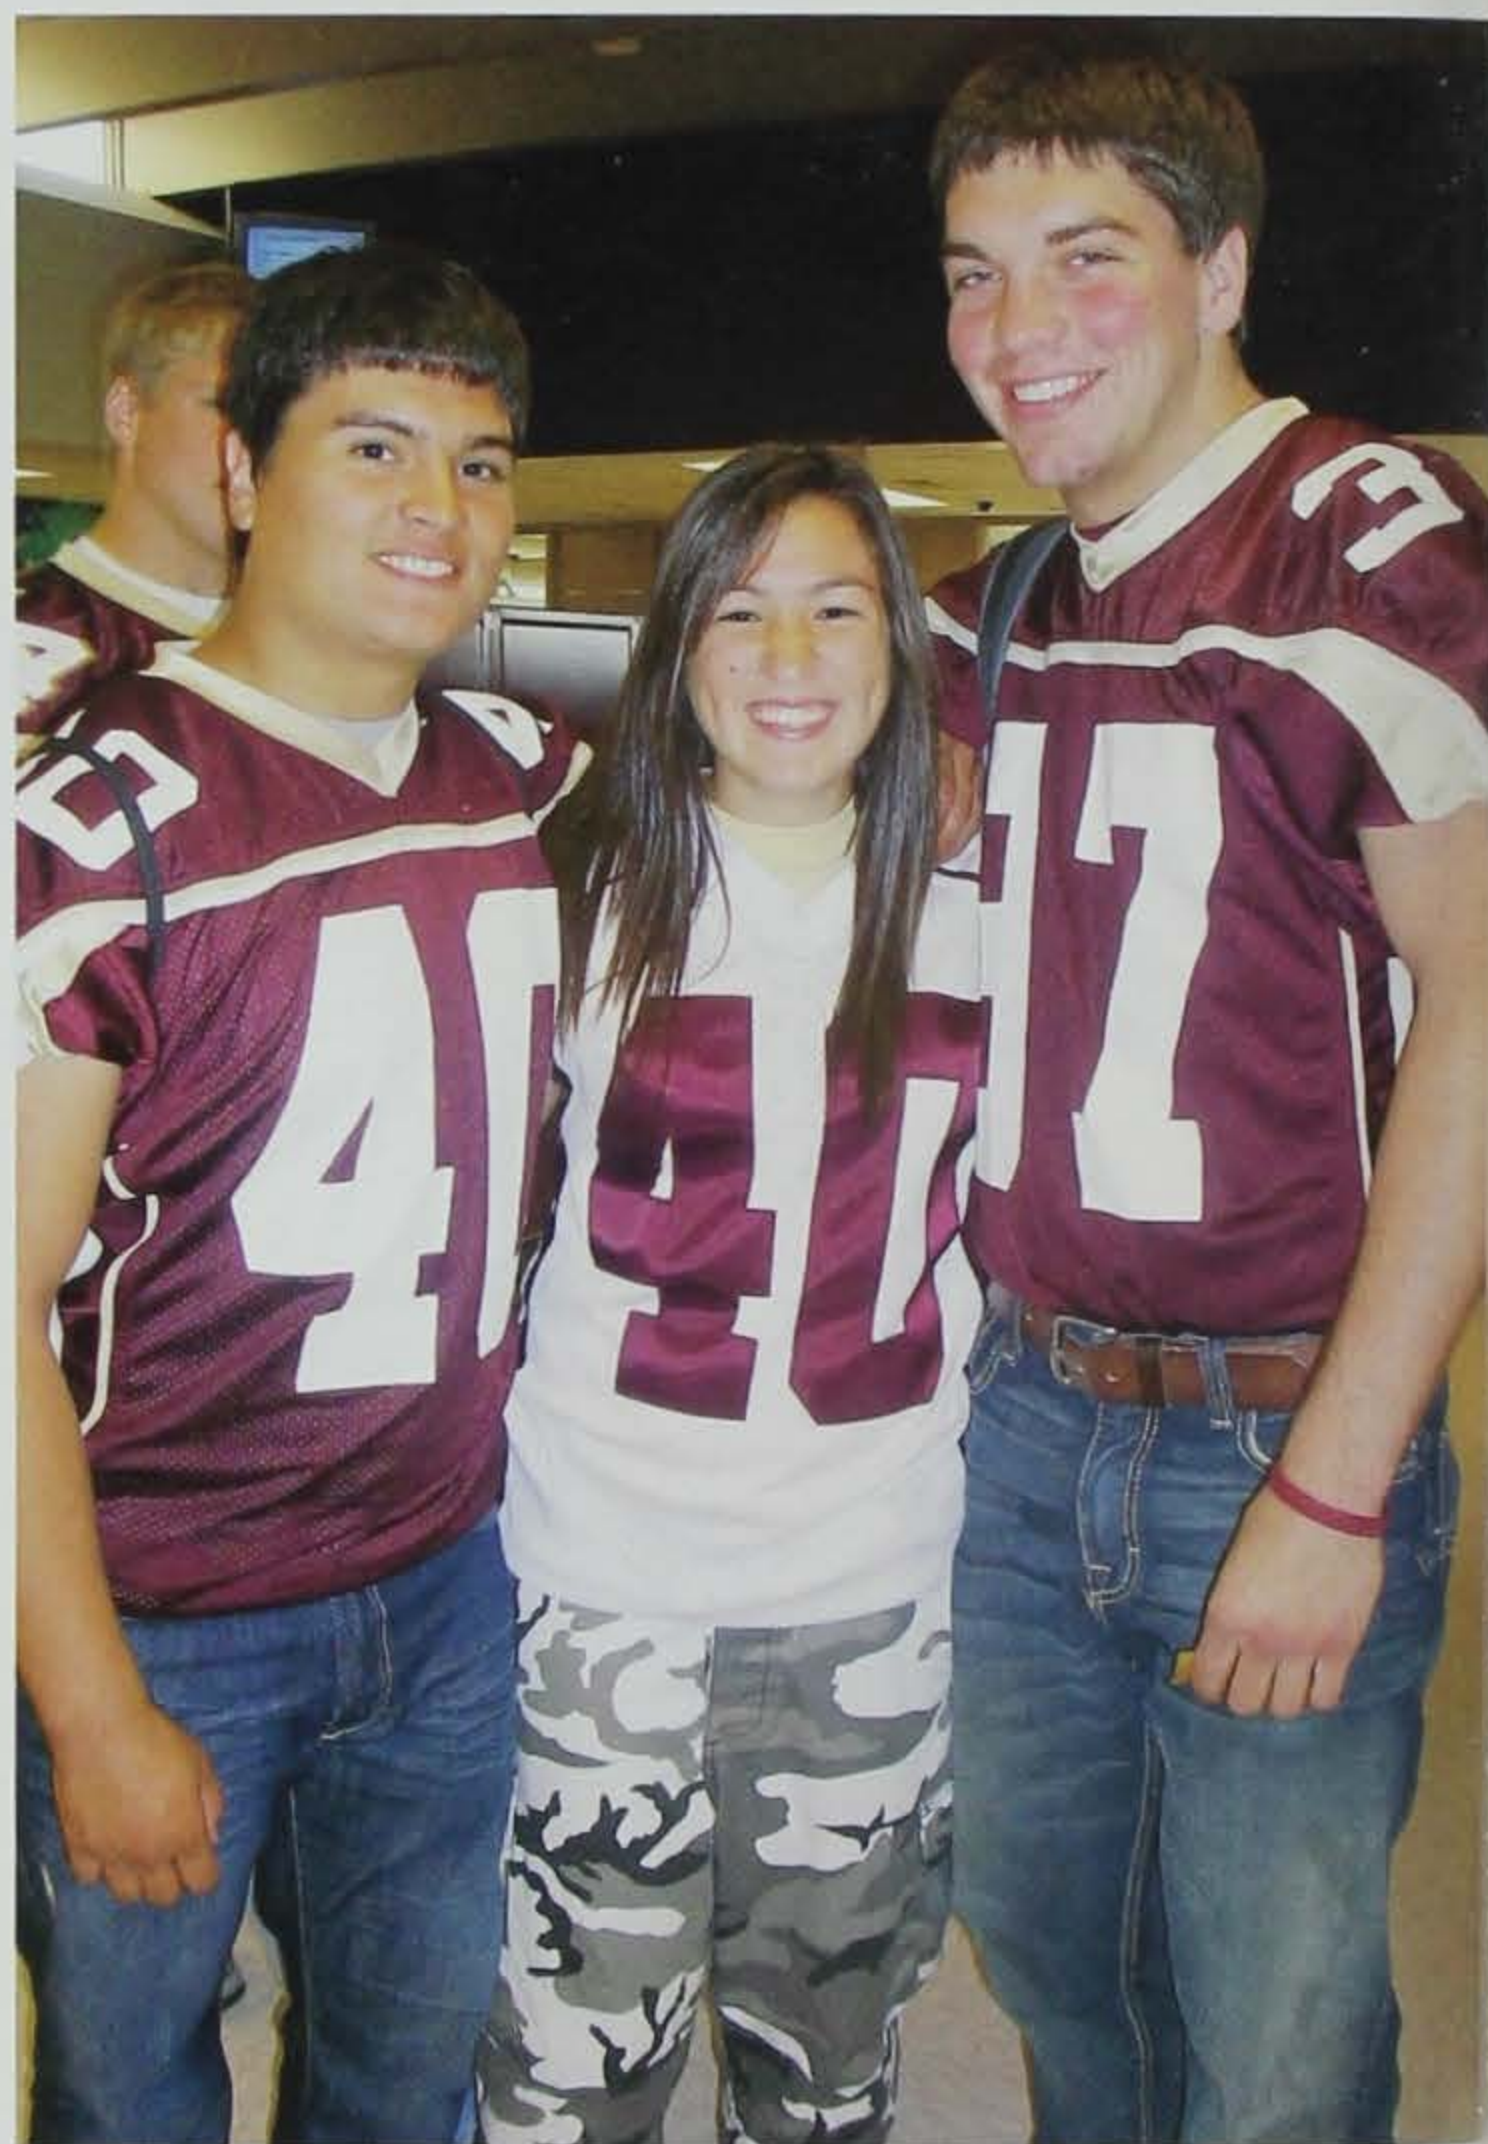

There were a lot of creative costumes and the students had fun dressing up and showing their school spirit. AHS came away with another win against Council Bluffs-Jefferson Friday night. Before the game Jessie Whitaker and Alex Erickson were crowned king and queen.

To top off homecoming week before the dance there was the annual powder puff football tournament. The winners were the Dream Team, consisting of mainly girls from the junior class. What a great homecoming week!

Seniors **Emily Layton** and **Austin Cappaert** dressed up as old people for generations day. What a cute couple!

Seniors **Denice Dillavou**, **Nickolas Fisher**, and **Bryce Hundley** root for their team on spirit day.

Homecoming SPOTLIGHT

Senior **Matt Fontana** had one of the best costumes for generations day when he dressed up as an old person. He really committed to going all out with his beard, bifocals and walker. He said he got his inspiration from walking past a retirement home and seeing all the old people. When asked if he thought he should get an award for dressing up so well, Matt said he would have no problem with that.

Senior **Moriah Casteel** made jungle day count by dressing up as an elephant. Moriah said her favorite part of homecoming was dressing up for all the dress up days and especially on jungle day.

Moriah dressed up as an elephant on jungle day and said she got her inspiration from her friend Kaitlyn Burma who dressed up as a tree.

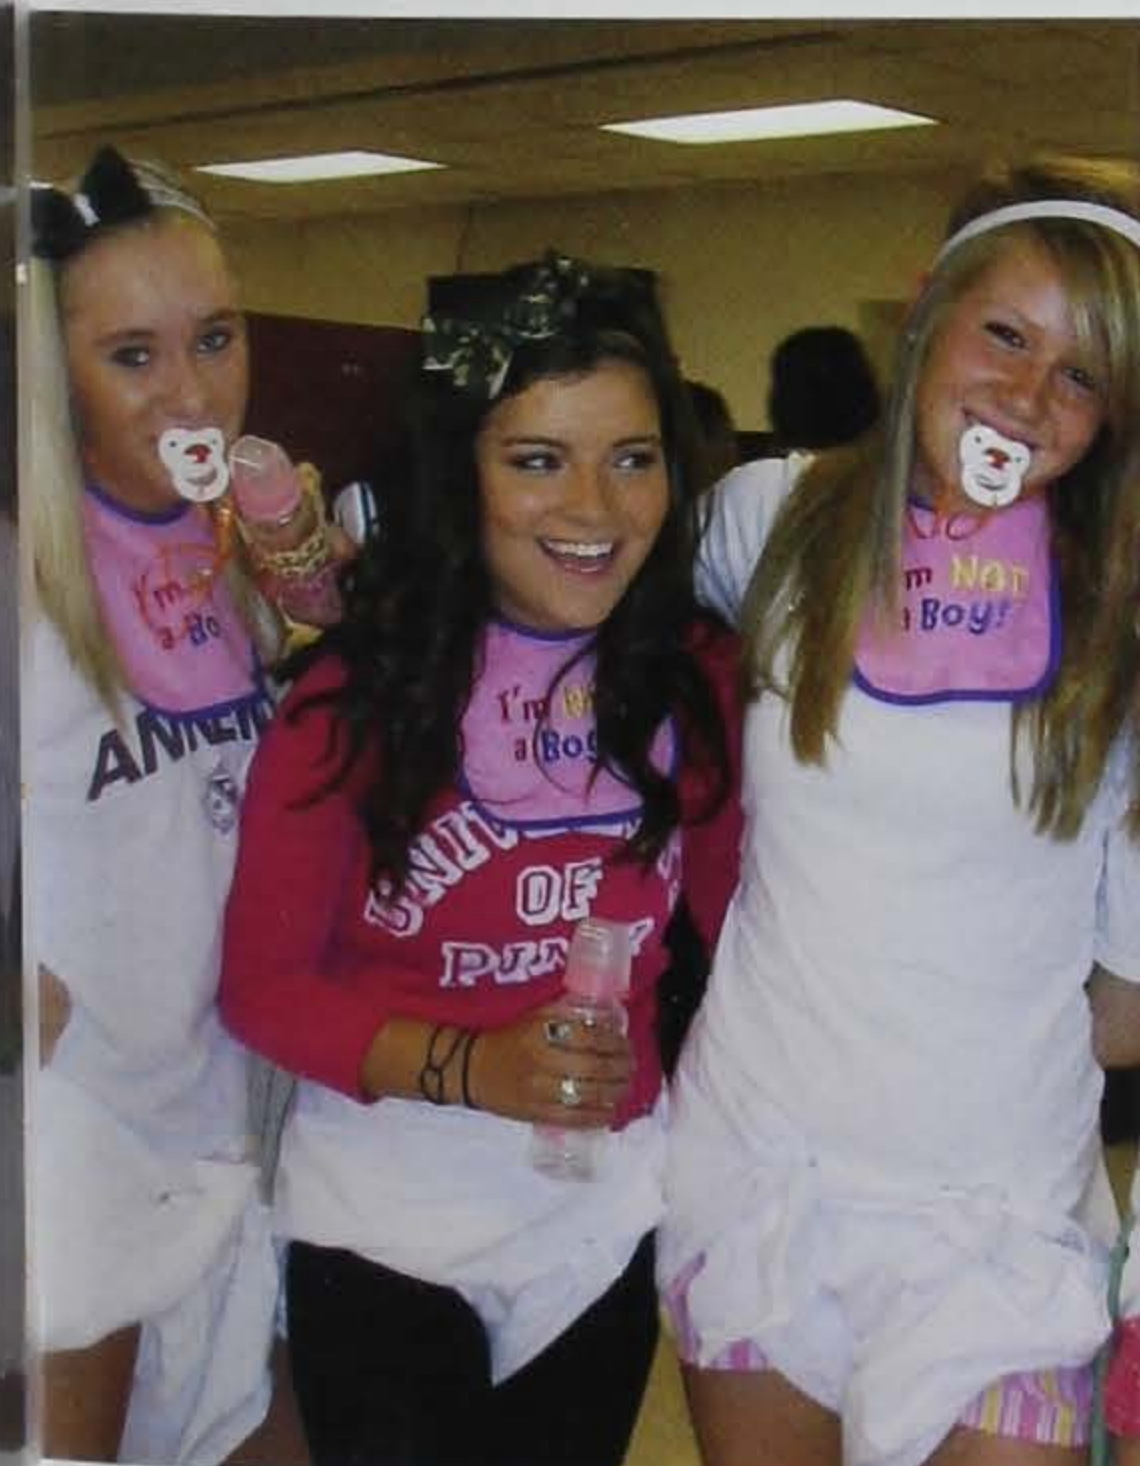

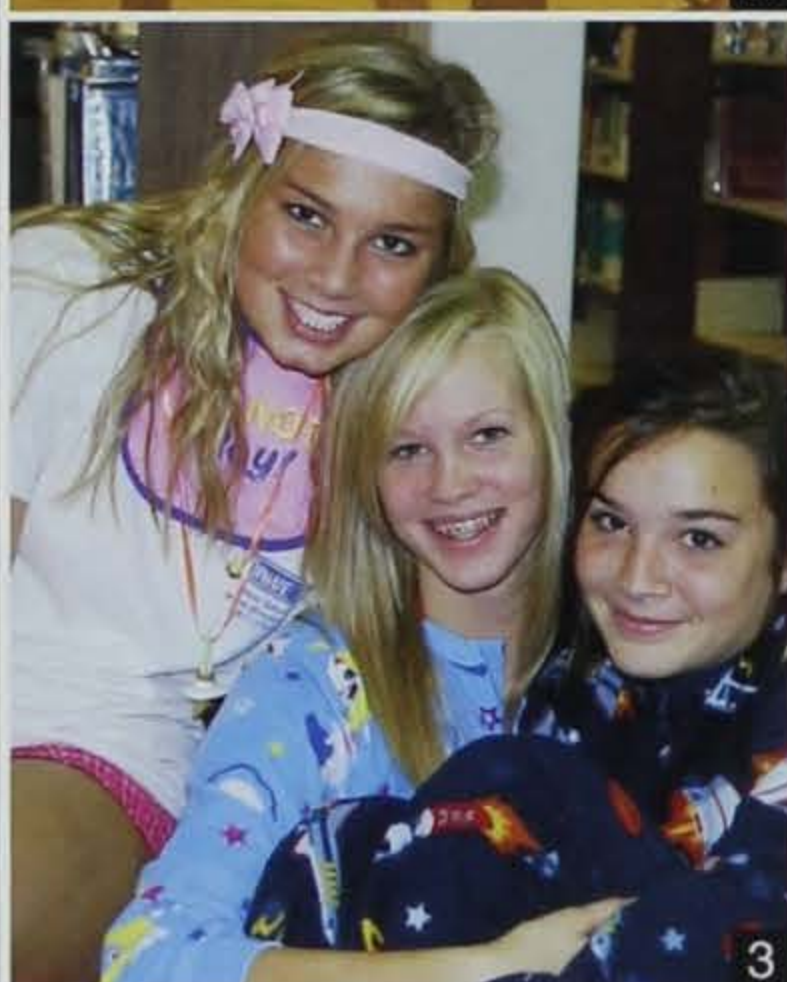

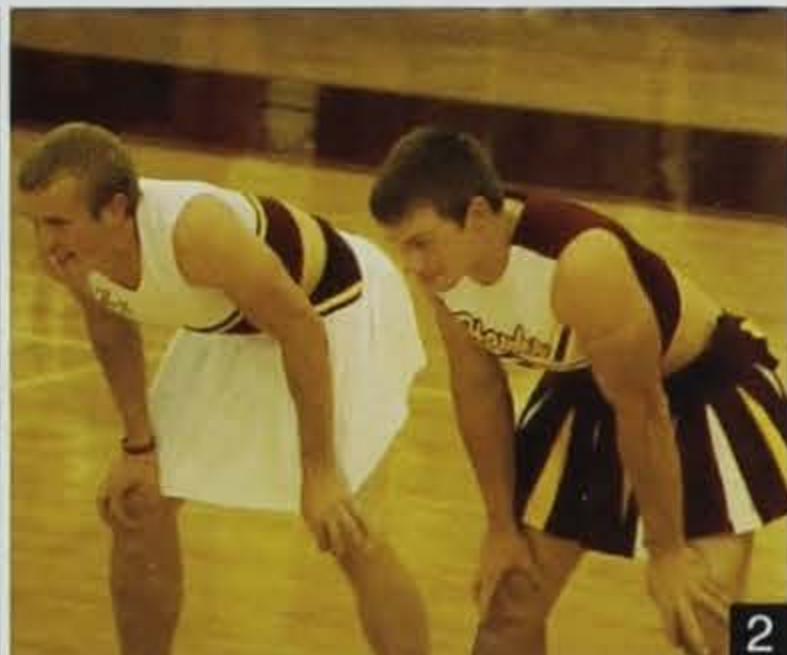

Senior **Brock Sillman** in his cowboy on wild west day.

Seniors **Ross Ryan** and **Erik Mussen** entertain during a pep assembly as the Spice Boys.

Sophomores **Nickie Keuck**, **Kayla Rer**, and **Maddie McClure** dress as babies for generations day.

Seniors **Jeff Robinson**, **Colby Pagliai**, **Reichenbacker**, **Ryan Hedrick**, and **Big Finnerty** support their football team in the front row.

Sophomores **Katelyn Stahl**, **Marissa Fisher** and **Brady Clark** dressed up as babies for generations day, completing their outfits with homemade diapers.

Juniors **Maggie Elleby**, **Becca Kritenbrink** and sophomore **Alyson Rickabaugh** have fun dressing up for clash and crazy hair day.

What was great about homecoming?

"My favorite part of homecoming was the hypnotist."

Senior **Nick Robertson**

"My favorite part of homecoming was all the dress up days."

Sophomore **Sam Lopez**

Joe Bredice
Junior

"I showered before the dance, and then went to the dance. The best part was the good music and dancing with girls."

Senior

"I liked making up my own dance moves on the floor. Dancing with the guys was fun, but it's sad that it is my last homecoming dance."

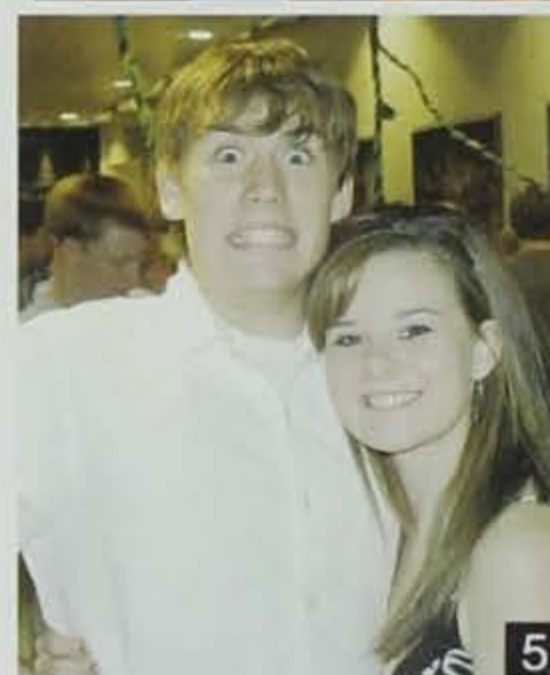

Maggie Hugen

"I thought the dance was very fun. I would say that it was one of the best nights of my life because I went with my friends and the music was really good."

King and Queen SPOTLIGHT

I liked being on the homecoming court this year. It was kind of awkward when they announced that I was the king because they got my last name mixed up with Erik Rasmussen's name.

The most fun part about being on the court was making the videos for advisement. Overall I'm really glad that I was nominated to be on the court, and that I was chosen to be the king."

Alex Erickson

"I was really excited when I found out that I was on the homecoming court. My mom was so happy she cried.

When I won it was exciting because it was good to know that my school likes me. It was something fun to be a part of.

My life hasn't changed at all since I won, but the crown is pretty sweet!"

Jessica Whitaker

Welcome to the Jungle was a great theme for the 2009 Homecoming dance. The dance floor literally became a jungle when the DJ played the songs "Icecream Paintjob" and "Party in the USA". Many of the female students chose to wear zebra or cheetah print to go along with the theme.

The AHS Student council spent hours decorating the gym before the stampede of AHS students busted through the gym doors. While student council was hard at work senior **Katie McHone** was "getting pumped up while getting ready with her girls." After that, she "met up with a big group of girls and guys and took group pictures." Senior **Katie Bryant** "Took pictures at Bucket's with other seniors and then went to Chelsea's house. Nicki's brother hooked our group up with a sweet limo to ride in to the high school."

Now that I've discussed what high school girls did before the dance you might wonder what a high school guy does. Sophomore **Drew Lindaman** said, "All of the guys met at my house, and then the girls came over to take pictures."

It is apparent that anyone from girls to boys and sophomores to seniors had a good time before during and after this year's homecoming dance.

This year's Crystal Ball dance was put together by Ankeny's National Honor Society led by Mr. Garner. The theme for this year was "Bets on Love". It was set around a Las Vegas and casino idea. The decorations included mainly big imitations of cards with red, black, and white balloons.

Although many people were elected by teachers for the Crystal Ball court, there were only two selected for each grade. The sophomores that won were **Cole Myers** and **Madison McClure**; for juniors the winners were **Cameron Griffith** and **Jenna Yates**; the senior king and queen for 2010 were **John Greaves** and **Rheanna Egli**.

This year's music matched our generation with all genres including hip hop, pop, rap, some rock, and even a little slow dancing. For attire the girls wore mainly shorts dresses and the guys wore the usual nice button down shirts with nice dress pants.

With all the time and preparation put into this year's Crystal Ball dance we would like to thank NHS and Mr. Garner for a fun successful dance.

The decorations included mainly a beach theme with a lot of palm trees, sand and beach towels. After prom was held from 12:00-5:00am on April 18, 2010. Many parents helped to set up and work after prom.

This year's after prom included several blow up obstacle courses, bull riding, a casino and other fun games and activities throughout the morning. There was also a lot of food choices that we could all choose from while hanging out with their friends at after prom.

Students came to after prom from prom and walked into the casino part of the gym. You could play black jack and at the end you could win real money. There was also prizes that everyone had a chance to win.

The hypnotist was later the night many students wanted to get hypnotized and they all had the chance to. It was a great evening for everyone!!

For the 2010 Prom the theme was "Arabian Nights." With the hard work of the Ankeny High School prom committee, it was decorated to fit the theme of the night. With purple and silver balloons, music blasting, and smiles everywhere, the night was a success.

On April 17th, many students prepared for the long night. Students took pictures, went out for dinner, headed to Val Air Ballroom for prom, and ended the night at after prom held at the high school.

As the students walked into Val Air, many parents were there waiting to capture one of the many high school memories that their child has experienced during their time at AHS. For the seniors, it was a great night to spend with classmates one last time before graduation.

"Maddie's hugs every day were awesome this year. I really liked watching Alex and Casey interact too."

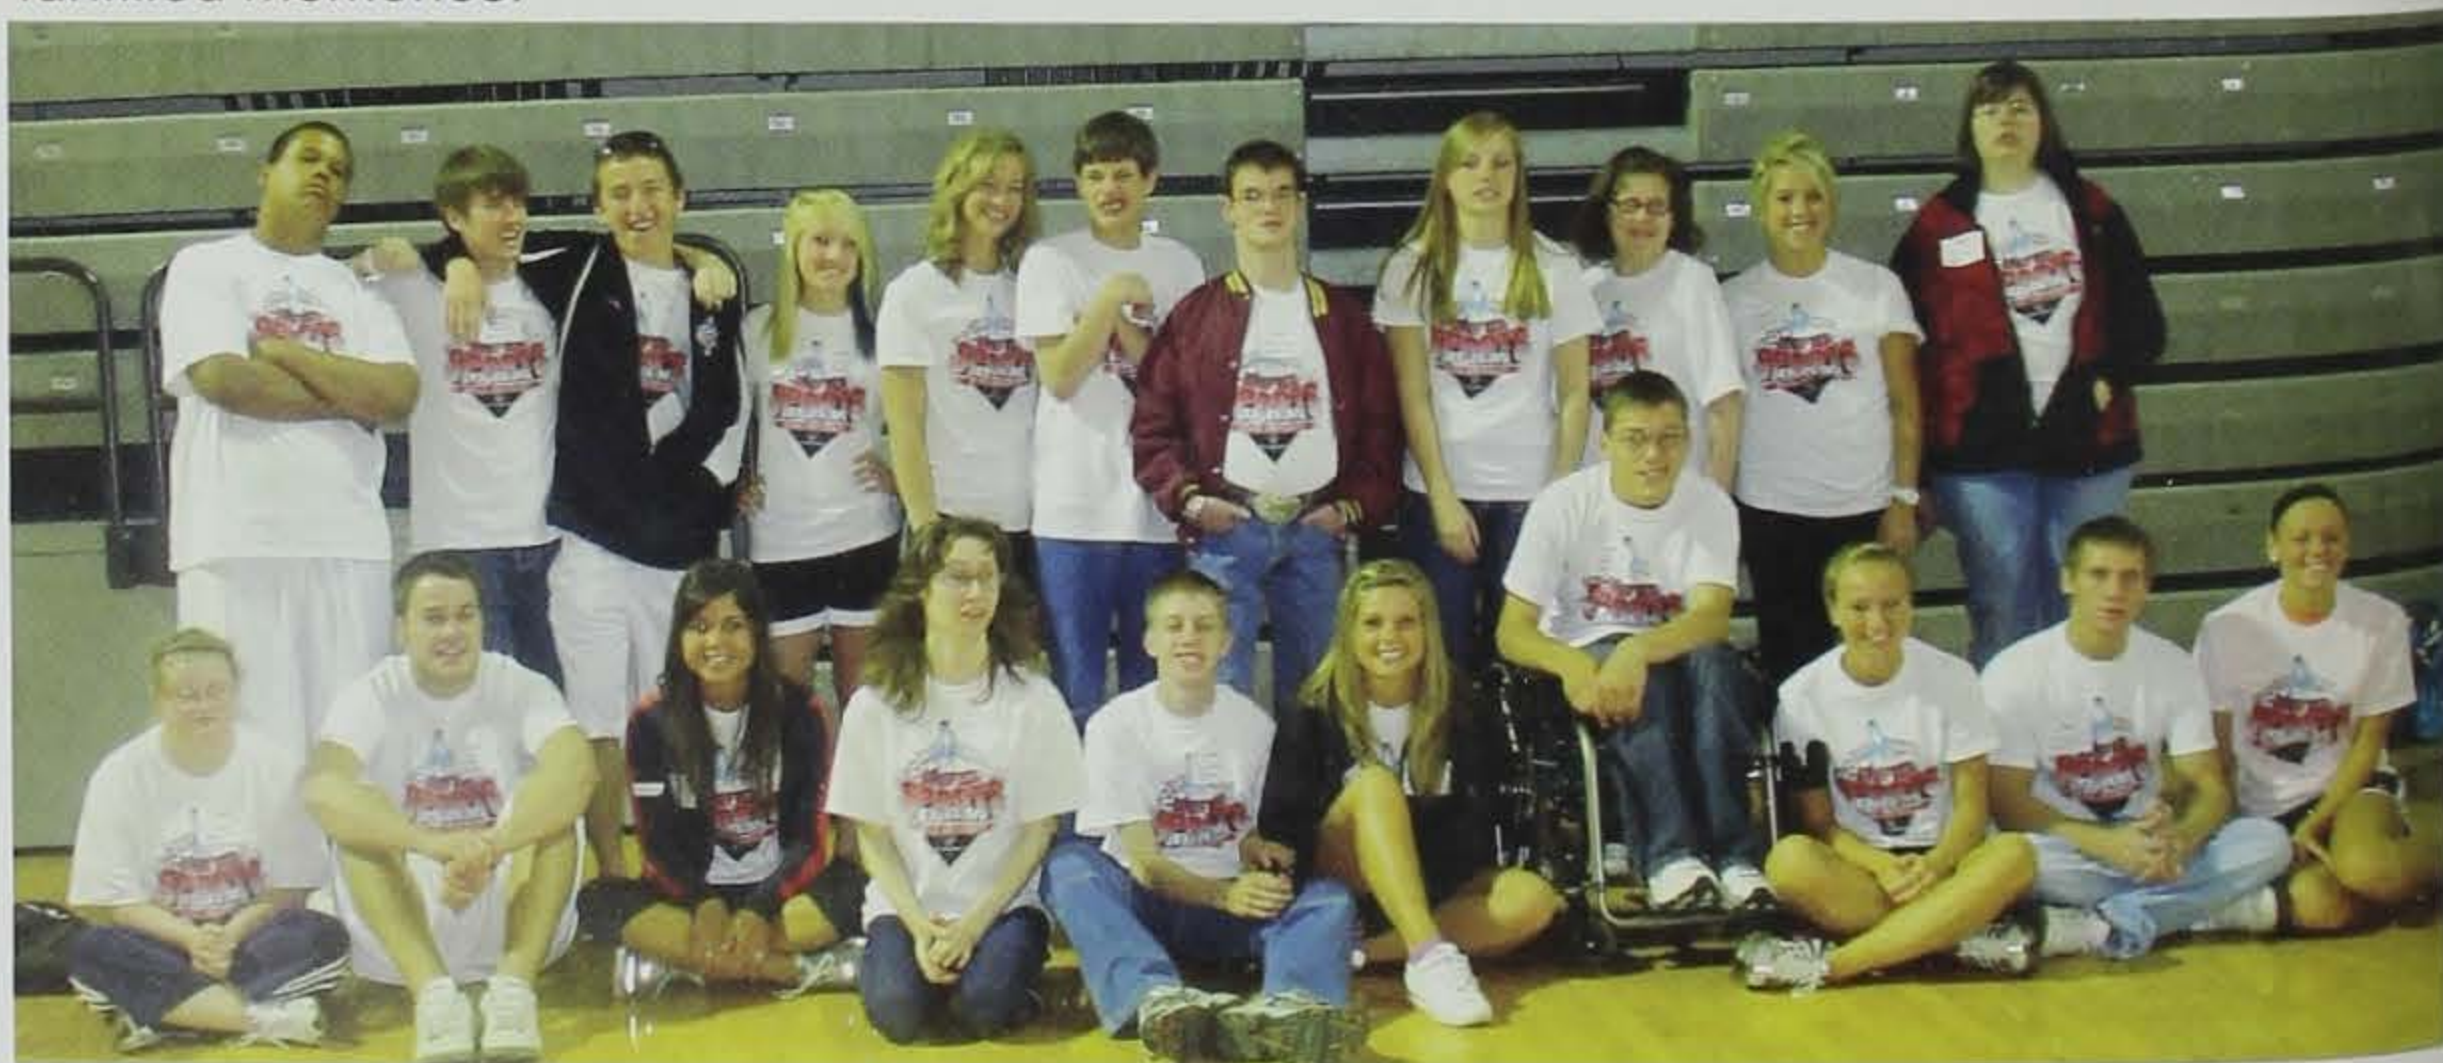

Many students at Ankeny see the PEOPEL PE class during the Special Olympics pep rally or walking around during 5th period. However, this class does more than meets the eye. The students partake in many fun activities such as glow in the dark tag, scavenger hunts, and relay races. Also, the last few weeks of school the class was able to attend unified sports day. Senior **Alex Erickson** says, "Unified sports day was one of my favorite parts of being in PEOPEL PE." Students have a variety of things to do during the day. Seniors get free periods, juniors and sophomores get restricted or privileged study hall. Some spend time at the Perky Hawk or at the library. Oh yeah...there's class as well.

Senior **Jenni Noel** says, "I like having free periods and spending them in the library doing homework." Most seniors do the same.

Juniors receive open campus lunch and study hall if they had good attendance throughout the fall semester. This new policy has been a new adjustment for many students and staff, but it seems to be working out well for everyone.

Sophomore **Derrick Huber** says, "I like study hall because you can do whatever you want." Sophomores in the second semester also had the opportunity to earn privileged study hall.

New this year was also late start Wednesday mornings with advisement. After a few weeks of adjustment, many students and faculty liked the new approach to in service days, although many miss early outs. So goes life at AHS.

There are many students at Ankeny High School that have a job. While some may work with others that attend the high school, others get to meet new people that they don't go to school with. There are lots of places to work in Ankeny so it's not hard to find a workplace that interests you.

Jobs are taken for various reasons. Some work to save up and pay for college, some because they need something to do when not working on school work, and others to have some extra spending money. A few AHS students mention why they work at their job. Senior **Shelby Herink** says, "I work at KFC to pay for my car and just to have extra money." Junior **Josh Sinclair** says, "I work at HyVee so I can pay for my car, college, and to have money to spend for different things."

The Hungry Hawk is a block scheduled class that students at AHS can take for both credit and for fun. It is run by Mrs. Anderson and her food prep classes. Mrs. Anderson's students make the food and drinks for their restaurant about once a month. Students, teachers, and staff can sign up during one of their lunch periods for a meal that is prepared, served, and cleaned up by the staff.

After getting all of the food prepped, the students are also responsible for all areas of a restaurant, including waiting tables, busing tables, and the cash drawer. The classes also prepare and sell meals throughout the year, making it a demanding yet fun experience for everyone.

Sophomores **Brooke Boelman** and **Brooke Pierce** helps with up before the big meal.

Senior **Jeremy Hindman** and Junior **Cameron Smith** set the table.

Junior **Genevieve Thomas** helps clean up.

With sophomores **Geoff Lewis** and **Nick Sage** enjoy the friendly confines of the Perky Hawk.

The Perky Hawk has grown into one of the student body's favorite hang out areas at AHS. This business sells cookies, smoothies, coffee and treats to the students and staff throughout the building. The business is co-sponsored by Mr. Prather and Mrs. Dagel, but it is mostly staffed through student volunteers throughout the year.

With the new policies of privileged study hall, the Perky Hawk has seen its business boom during the school year. Staff also like the consistently good coffee and the availability to come with advisement classes, as long as there is a little warning.

The Perky Hawk has also continued to invest its profits in the school, giving a number of scholarships to teachers for materials in their classrooms. It is a win-win situation for the entire staff and student body of AHS. Thanks Perky Hawk!!

Ankeny sends students on foreign trips each year to experience different culture around the world. This past summer, a large group of students traveled to Spain. During their travels, the students toured around the country and experienced new culture, food, and places. Junior **Jordan Brennecke** stated, "My favorite part of the Spain trip was going to the bull fight in Seville and laying out on the beach in Costa Del Sol." During the twelve day trip, the students put their Spanish-speaking skills to use in the cities of Madrid, Toledo, Seville, Costa Del Sol, Granada, and Cordoba.

Another group of students spent their spring break in Copan, Mexico. In Copan, the students stayed with host families and attended school for a few days, dyed Easter eggs with students at an elementary, presented powerpoints about life in Iowa, and went to the ancient Aztec pyramids, referred to as Teotihuacan. Senior **Michael Stocks** commented, "My favorite part was meeting new people and eating good food."

AHS allows students to experience these once in a lifetime opportunities and travel to different places around the world.

As usual, the seniors took their senior trips to various regions like Mexico, Florida, Hawaii, and other places around the country. A group of AHS students traveled to Copan, Mexico for the Spanish foreign exchange trip. They helped out in the schools and did a lot of sight seeing around the area.

Some students went with large groups of friends, while others went on family vacations. This week was a time for students to make fun memories. For the seniors, it was a good time to spend with the friends they may not see for a long time after graduation.

Coming back to school is always hard after a fun break, but all of the students managed to get back in the swing of things and end the school year off with a success.

After a long year of sitting inside, the advisement classes packed up their bags and headed for the track. The all school advisement barbeque took place on May 5th this year. After many continued days of cold weather we were lucky to find a warm day with a little bit of wind to help keep students cool.

Throughout the hours spent outside students were given the options of walking the track, listening to Ankeny classmates play music under the bleachers, hang out with friends, or even show your strength on the rock wall that was supported by the National Guard.

When all the students piled out the doors ready to have some bonding time with their advisement they took a few minutes to create a picture of "Swinging into Summer" on the sidewalk. When the pictures were finished the classes headed over in shifts to get lunch. As the day started to come to an end everyone said goodbye to their friends and headed back inside to finish their day in school. Thanks to the entire AHS family for a great BBQ.

The summer of 2009 saw the Ankeny Hawkettes continue their progress and success that they experienced the previous summer. At one point, the team was ranked 8th in the state and had 9 individuals end the season with All-Conference Honors.

After battling all season in the CIML, the Hawkettes found themselves tied for 1st place headed into the SE Polk game. Unfortunately, they were not able to pull out a victory and ended 3rd in the CIML.

On the way to the state tournament, the Hawkettes were upended by Johnston, the eventual state champion. 3 girls earned All-State honors, and with only 5 seniors graduating and a core of the team returning, the Hawkettes look forward to winning even more in 2010.

Congratulations on a great season!

FOOTBALL

ONE TOWN. ONE TEAM. ONE DREAM.

The 2009 Hawk Football Team came together during the summer to work and make their dream come true. They wanted to make it to the UNI Dome and win. Even though their season ended early due to a loss in the quarterfinals against Marshalltown, the Hawks still ended the season with a winning record of 10-2 with their only losses coming against Dowling and Marshalltown.

The Hawks started their season with their first game going into overtime against the Waukee Warriors. One of the most memorial game that players have said was the Homecoming game because the stadium was packed full of fans cheering the Hawks to a 35-7 victory against Ottumwa. The Hawks had their last regular season game under the lights against Johnston making it senior night and making it a game the seniors will always remember winning 31-15.

Each player had an impact on the team just as **Andrew Putz** lead the team with 111 tackles and **Brandon Jensen** with 8 quarterback sacks. **Tyler Leo** had 21 touchdowns and rushing yards of 1,522 along with **Joel Lanning** having 418 total passing yards for the season. The Hawks had 12 All Central Conference players and 3 Honorable Mentions. Congrats!!

EVERYBODY RUMBLE!

The Cheerleading season starts when the first cheer meeting is held in the spring. Cheerleaders then go through a week long process of learning what they will need to do to try out. They perform jumps, a dance, cheers, and go through an interview. Every movement should be sharp, and their voices must be loud to score well.

Depending on whether they are on the varsity or sophomore squad depends on what nights they cheer. Sophomores cheer throughout the week because the sophomore football team plays on any given night. As for varsity, every Friday is game day.

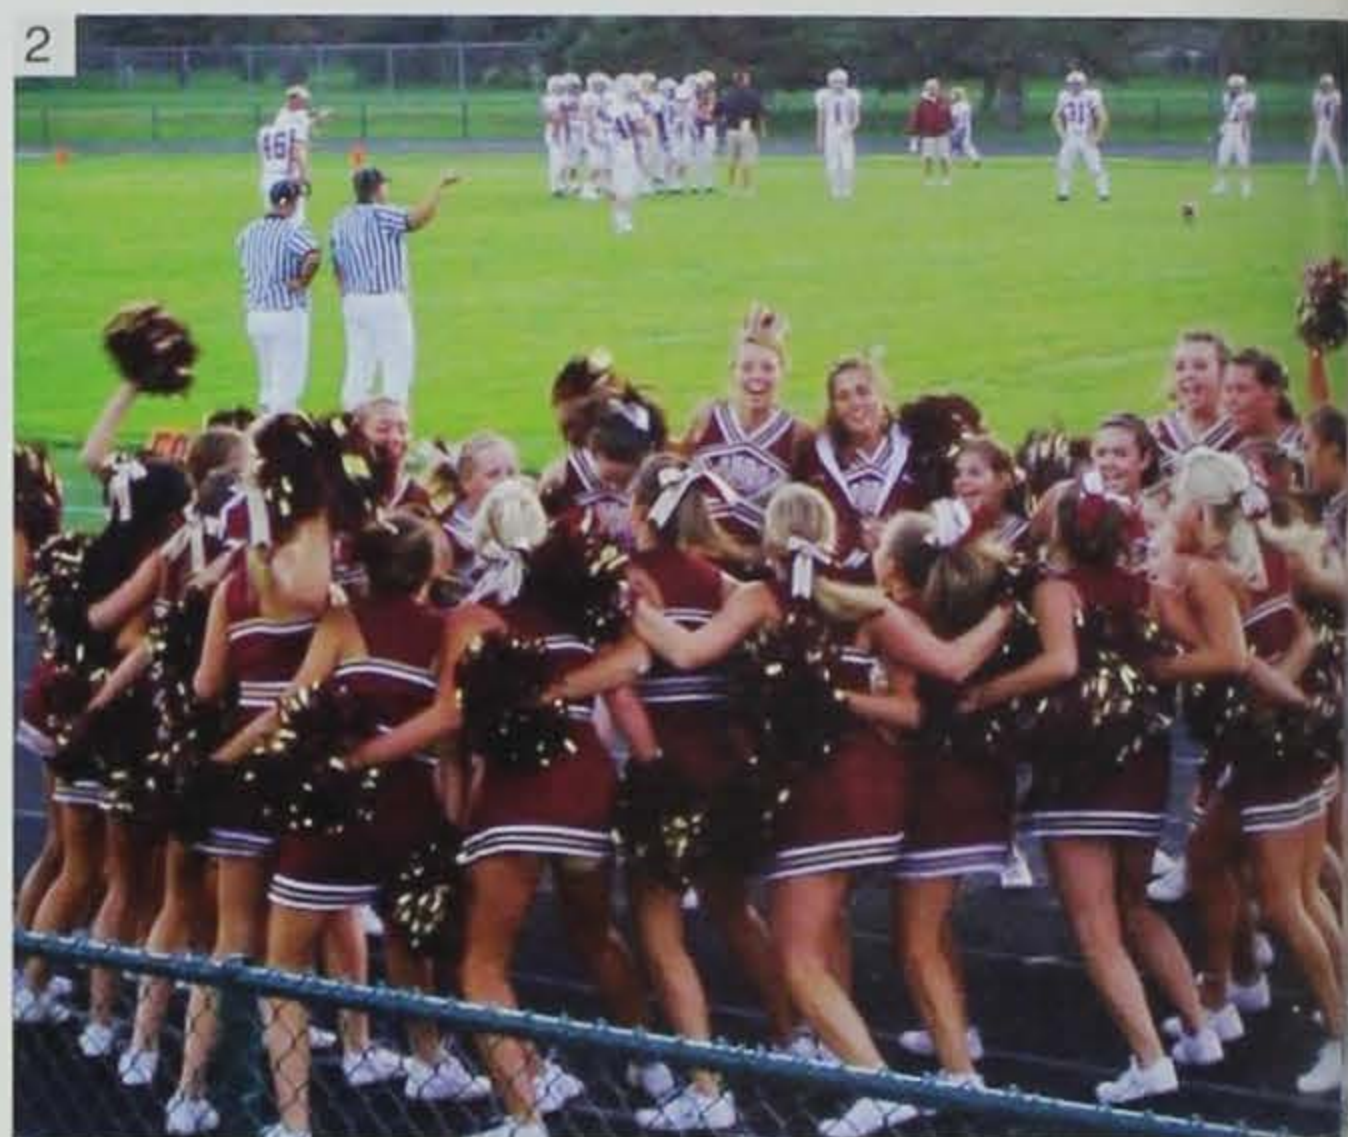

During Homecoming week, cheerleaders decorate hallways, get the city pumped up at the pep assembly, and get to TP the football player's homes before the big game on Friday. They also get to wear a football player's jersey when they cheer that night at the game.

Later in the season, Varsity cheerleaders compete at the state cheer competition in Des Moines. Their routine includes music, stunts, a dance, and a cheer. This year, the girls placed 5th overall. The cheerleaders had a fun and exciting season.

1: Seniors **Kaylee Brugioni, Hailey Stockdale, Hannah Starr, Taylor Dawson, Brooke Cheek, and Kate Armstrong** sit by the fence during halftime at the homecoming game.

2: The Varsity cheerleaders get pumped before games with the chant "Hoorah Hoorah, AHS!"

The Ankeny Girls Bowling team got off to a great start towards a very successful season. Preparation for the variety of skills of each school put some stress on the girls but they were never worried that they wouldn't walk away with a win. Every Wednesday the Ankeny Girls Bowling team would rush over to Ankeny Lanes and start knocking down the pins. After a few weeks of collecting scores from each individual bowler, Coach Mullins started separating the team into varsity and junior-varsity. As the girls began to pack up their equipment and take off for their first meet, the anxiety kicked in and the girls just weren't sure if they were ready for a long bus ride out to Mason City. As the night started to come to an end and the scores were tallied up, both Varsity and Junior-Varsity walked away with a victory with many more to follow. At the end of the season **Brianna Payton** had been the first Ankeny student to be sent to state.

What has been your greatest memory of bowling this season?

Junior **Lydia Molnar**
"My greatest memory of bowling was meeting new people and still being able to have fun."

Sophomore **Gabby Lewis**
"The most memorable moment this season was being the CIML Champs."

Top: Senior **Leah Pieper** and freshman **Kaylinn Wilson** and **Emma Bryant** sit on the side during their meet waiting for their turn to strike.

The Ankeny Boy's Bowling team had gotten off to a slow start but they were ready to step it up and strike out their opponents.

Preparing for the variety of skills of each school put some stress on the boys but they were never worried that they wouldn't walk away with a victory. Every Wednesday following school the Ankeny Boys Bowling team would rush over to Ankeny Lanes and start knocking down the pins.

After a few weeks of collecting scores from each individual bowler, Coach Mullins started dividing the team into two varsity and junior-varsity.

It took some time to get going, but mid-way through the season the boys finally tallied up a few victories. It was tough because of the break the boys had to endure without a sanctioned league or coach last year, but they look forward to building off of this year's experience and improve next season.

This season was a successful one for the Hawkettes this year. Their great season began with preparing during the off-season and their late summer practices. Along with their summer runs as the season began they had optional Saturday morning practices, which were an hour long. When asked what her favorite part about those runs were, **Stacy Klein** replied, "Getting to know other teammates and getting a T-shirt for going to five."

The team also had fun team dinners on the nights before meets. This gave the team time to bond while eating food and desserts. The parents did a wonderful job supplying their runners with snacks for after their races, which is said to be the "best part."

The team started off great by placing 2nd in their first SE Polk Invitational. **Taylor Lang, Emily Roberts, Alex Nissen-Pickard, Lauren Doocy, Brooke Long, Katie Stych, and Emily Glanz** later qualified for state and placed. With seventeen seniors leaving, the Hawkettes will look to the underclassmen to step up into leadership roles and continue their success.

1. Sophomore **Jenna Dengler** stretches out before the big race at the Marshalltown Invitational.

2. The Girls Cross Country Team huddle up to celebrate their win.

3. Senior **Rachel Jones** pushes herself as she passes other runners in the Ames Invitational.

3. Sophomore **Sam Reichenbacker** stays in the midst of a small group at a meet in Saydel.

This Cross Country season was very successful for the boys on the team. They went to state for the 20th consecutive year and came in at 11th place. Out of the ten meets participated in, every outcome usually resulted in any place from 1st to 5th giving the boys a great record for the season.

Not all of the season was just work; practices throughout were fun according to the members on the team, creating a bond between the boys that lasts all through the school year in the off season as well.

There are a number of seniors graduating and their leadership will be missed on race day and during practices. However, the underclassmen seem ready to make another trip to state next year.

Congrats on a great season.

This season, the girls put on three halftime performances during football games and six performances during basketball games.

The team worked hard to perfect three routines to take to state at Vets Auditorium on December 4th. They competed a pom, jazz and lyrical routine and earned all Division I ratings. The Ankeny girls swimming team had a very solid season. Throughout the season, they practiced two times a day with strength training and dry-land work in the mornings and two hours of swimming after school.

Their hard work culminated in a second place finish at conference, a third place finish at districts, and a tenth place finish at state. They were able to win four out of their nine dual meets while dealing with injuries.

With only two seniors, the younger girls stepped up and had a lot of success this season. The team as a whole matured a lot and grew closer together as teammates. Senior **Gwen Sorensen** led the team and had a few great swims at state. Sophomore **Alex Flatness** improved a lot this year and finished fifth in the hundred yard freestyle at state. Junior **Allie Hable** and sophomore **Brittney Buckner** tied for seventh in the fifty yard freestyle. The two-hundred yard freestyle relay placed eighth and the two-hundred yard medley relay placed seventh.

The girls will hope to have even more success next year returning all but one of their state qualifiers. Believe in your team!

The Ankeny boys swimming team had another great season this year, even with the adjustment of having a new coach. They finished 3-3 in their dual meets, but finished the season strong. The team finished third at conference, second at districts, and capped off the season with a top ten finish at state.

The road to these accomplishments wasn't an easy one. The swimmers practiced from 6:15 to 7:45 every morning, and from 4:00 to 6:00 after school. They also had morning practice on Saturdays. All the practice paid off, and several swimmers made great improvement.

Seven swimmers made it to state led by Senior **Matt Loney**. Sophomores **Jorden Studer** and **Lucas Klinker** both earned podium finishes in an event, and there were several other good swims. Losing only four seniors and one state qualifier, the hawks are poised to have an even stronger season next year.

The Ankeny Hawk Golf team finished the year with, yet again, another great season. Starting the season off with a 7th place finish in the CIML scared some, but with tremendous effort the team progressed to outstanding wins.

The team won duel meets against Indianola, Dowling, and Urbandale but lost to Johnston, and SE Polk. In eight of the ten meets the boys placed above 5th place.

This year the team had many outstanding players. For example, returning varsity golfer **Matt Kristensen** medalled in over 5 meets. His best was at the Valley Invite with a 2nd place finish. Along with Matt, **Bryan Laraia** medalled with a 2nd place finish at the Ankeny Invite.

With hard work the team ended the season with fantastic 4th place finishes at the Otter Creek Conference and Districts. Way to go Boys Golf--you had a great season.

The Ankeny Hawkette Track team started off the season with trying to figure out how to combine the talented runners and performers together to make the best team. There were several meets early on that were not scored, but they did allow the coaches to see where the girls would compete best. The early practices and meets allowed 4 relays to qualify for the Drake Relays, and the 4 X 400 group placed 4th overall.

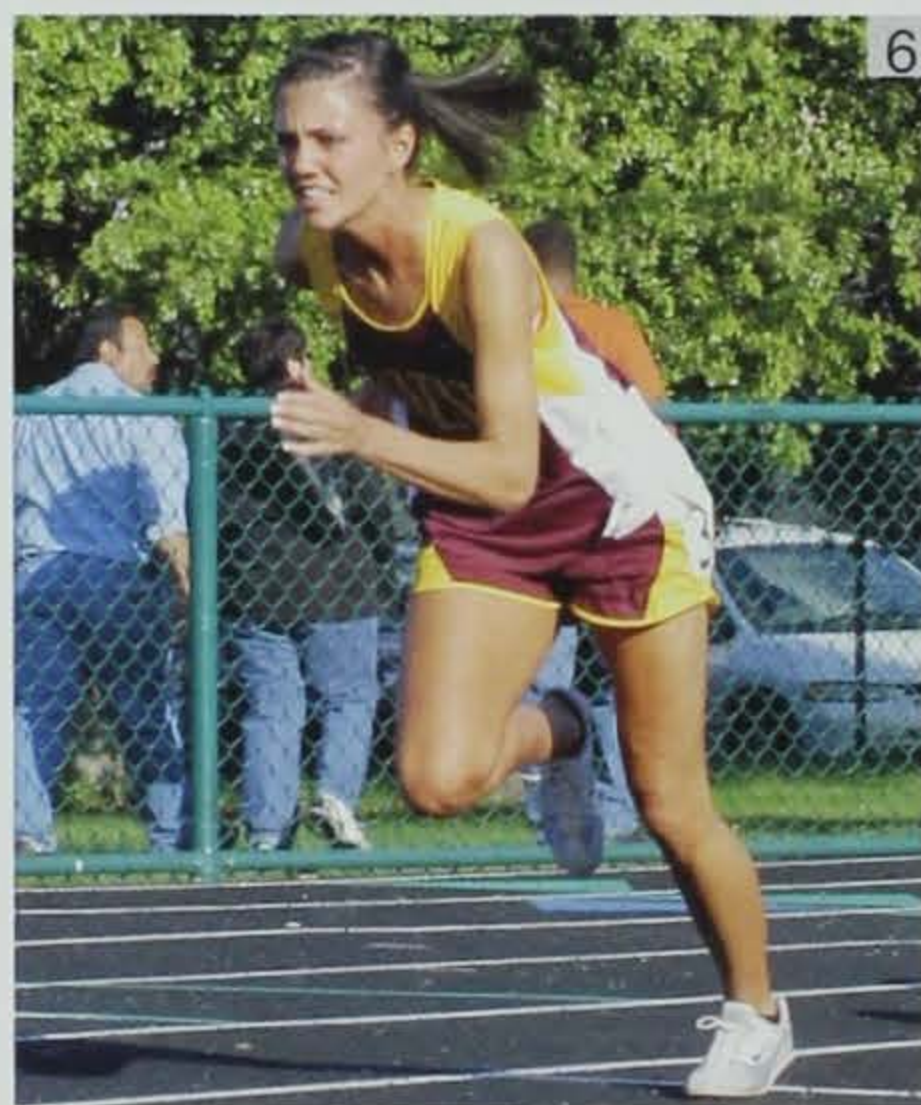

As the season rolled closer to the finish, the girls were able to win the Newton Invite and place 3rd at Regionals. More importantly, 12 events and 25 individuals qualified for the State Meet at Regionals. Senior **Emily Roberts** repeated as state champion in the 400 hurdles, and she also was state champion in the open 400. Emily also anchored the sprint medley to a 2nd place finish.

Maddie Manning placed 3rd in the high jump and the 4 X 400 team placed 3rd. **Madi Robson** also placed 5th in the 400 meter dash and 7th in the 400 meter hurdles. When the meet was over, Ankeny had scored 46 points, good enough for a 7th place finish. It was a great ending to a successful year for the Hawkette Track Team.

6. Senior **Kelsie Kelly** sprints towards the finish line.

7. Junior **Sarah Reeve** grabs the baton and sprints around the corner.

8. Senior **Allison Gerths** throws the shot at the Ankeny Home Meet.

8. The team gets together in a huddle before starting matches at a home meet. They do the same before every meet whether it is at home or away, creating a stronger bond between all the players.

The boys on the 2010 spring tennis team have a lot to be happy about. The bond between every player has been notably strong this year, and the chemistry each doubles team has had on the court was like a dream. The team will only be losing four seniors after this season, but they will be missed as they were great components to the tennis team.

Throughout the season, whether dual meets or invitationals, the team showed off their skills and talents, racking up several 11-0 victories against North, Indianola, and Mason City. When the team reached the sub-state pairings of regionals, they knew they had a tough Ames team in front of them. While the team was not able to advance past Ames, Daken Starkenburg qualified as an individual and the doubles team of Dan Anderson and Collin Daniels placed 3rd in their district.

Congrats on a great season.

The Ankeny Hawkettes had one of the best soccer seasons in its history.

With a senior lead squad a tons of game experience, the Hawkettes took on opponent after opponent and ended up with a victory. They ended up winning the CIML Central title easily, allowing only 5 total goals in conference play while scoring 100.

As the girls entered Regional play, they continued their success, beating Ft. Dodge and SE Polk 8-0. At the state tournament, the squad easily beat SC North 3-2. In the second game, the girls only gave up several shots on goal, but 3 went in and they fell to Bettendorf 2-3.

The team's final 18-1 record reflects their dedication to the team and each other. With 14 individual conference and post season honors, the girls showed how much they worked for their team. Congrats on a great season.

The Ankeny Hawks Soccer Team was looking for a trip back to state and hoped to repeat its success from several years earlier. As the season began, it was difficult finding weaknesses in the team. It took a late game against Valley for the Hawks to finally lose a match after racking up 11 victories in a row.

While the team was getting victories, a big record fell as well. John Heffernan broke the single season goal record (22) held by assistant coach and former Hawk standout Jake Misel. The team also saw 6 individuals earn 1st team all-conference on their way to a conference title.

In the sub-state rounds, the Hawks defeated Ft. Dodge 5-0 and SE Polk 5-2. In the state tournament, the Hawks were up against Iowa City High. The Hawks came up short in a tough game, 1-2.

Congrats on a great season.

YEARBOOK

This year, the AHS Yearbook class has worked hard to bring you your yearbook. First, a theme must be decided. This year's theme is Galaxy of Possibilities. Next, the work begins. Pages are assigned, pictures are snapped almost non-stop, and then there's the Business Day. Students go around Ankeny and try to sell Yearbook ads. After that, it's back to picture snapping and page assignments. The Yearbook staff goes to sporting events, dances, and other school activities to get pictures. Who wants a Yearbook with no pictures, right? Lauren Miller, Hannah Davies, and Kaley Borchardt, the main editors, have worked hard to correct any mistakes to make the yearbook something the students and staff will enjoy for years to come. We hope you enjoy your 2009-2010 Yearbook!

Almir Smailbegovic, Senior

"It feels great working on something we can and probably will look at for a long time. Knowing that we get to be a part of that is awesome."

Alli Whittick, Junior

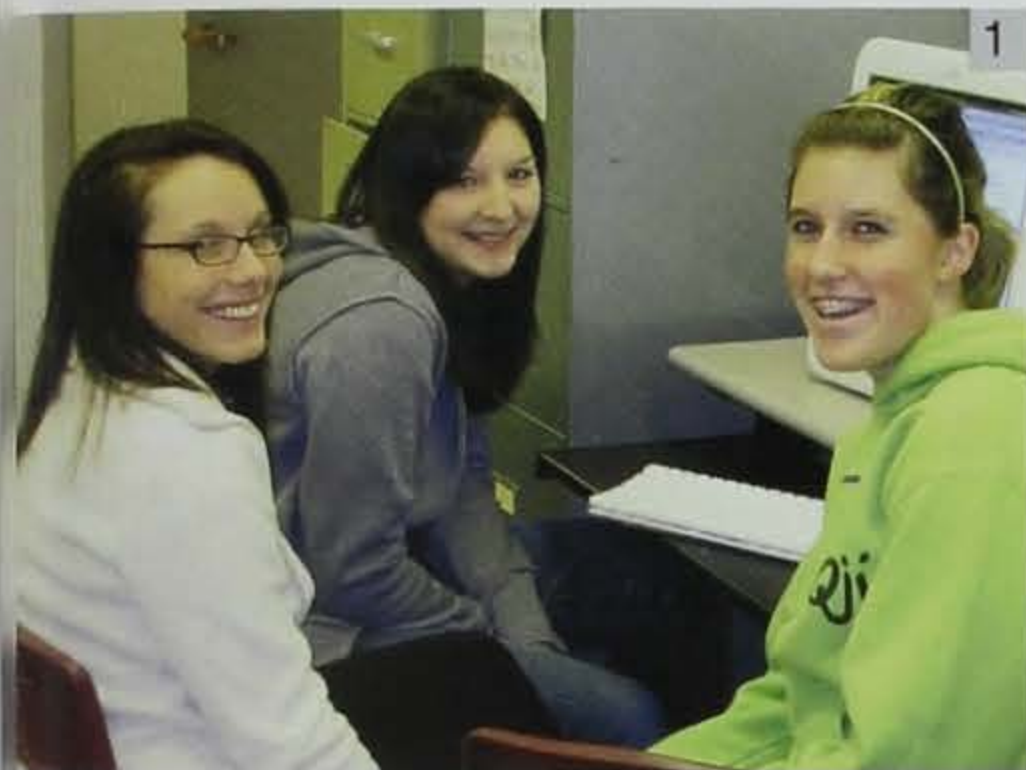

"The best thing about Yearbook has to be making my friend Jenna Yates do all the work!"

Senior **Kaylah Johnson** gives a thumbs up for being in yearbook.

Seniors **Kaley Borchardt** and **Tara Kline** interview **Tyler Leo** for a quote to be put in the yearbook. This is a demonstration of one thing that goes on in yearbook to complete all our pages.

1. Juniors **Alma Ibrahimovic**, **Codie Gliem** and **Jessica Holck** pause while working on their junior school pictures page. It takes a group of staff members to put it all together.
2. Junior **Seth Clark** grins as he turns for the picture.

What was the best thing about yearbook?

Denice Dillavou, Senior

Lauren Miller, Senior

Circle of Friends

Circle of Friends is a group that works to introduce students who normally don't see or connect with each other at AHS. The group is led by Mr. Dagel and Mrs. Dagel. Many activities are planned throughout the year, such as a Friendship Dance, a trip to Adventure Land, a trip to the Omaha Zoo, a hockey game and so much more! Unfortunately, the zoo trip and hockey trip were both canceled on account of bad winter weather that we experienced this year.

As the year goes on, many lasting friendships are formed. The group bases on acceptance and friendship, and lets people of different walks of life connect like they wouldn't during school hours. It really is a wonderful group full of wonderful people.

Book Club

Some students who are in art classes like Painting 1 and 2, Drawing, Graphic Design, Pottery, and Jewelry at the high school get together on Thursday's after school to put their creativity to the test.

Students may be working on projects from class or just drawing or designing whatever comes to mind using techniques they learned in class. Seniors in art club take time to work on art based scholarships to put their artistic talents to use.

Some of the students who were in graphic design and art club helped design the cover for the yearbook this year.

Junior **Maddy Haws** said her favorite part of art club is the flow of creativity when all the students are working on their projects for fun or for class.

What was the best part about Art Club?

"Working on projects with Maddy and Ashley."

Senior **Carlen Goldhorn**

Members of book club meet once a month to choose and discuss books to read that have universal themes.

This year students and teachers met to discuss books and enjoy a cup of coffee or hot chocolate at Cafe Diem.

Some books the students discussed this year were *A Thousand Splendid Suns*, *The Hunger Games*, *The Devil in the White City*, and *Broken*.

These book discussions allow students to widen the range of books they read and talk about important real life issues.

Students also get a view of the world in different places and times from reading gripping books like *A Thousand Splendid Suns* and the *Devil in the White City*.

What was a good book that Book Club read this year?

"*Broken* because it shows that anyone can be capable of anything."

Junior **Lydia Molnar**

What was the best part about being on the Talon staff?

Sophomore **Brittney Buckner**

"Hanging out in class with all my friends."

Sophomore **Tanner Westberg**

"I liked having Mr. Caldwell as a teacher."

The Talon

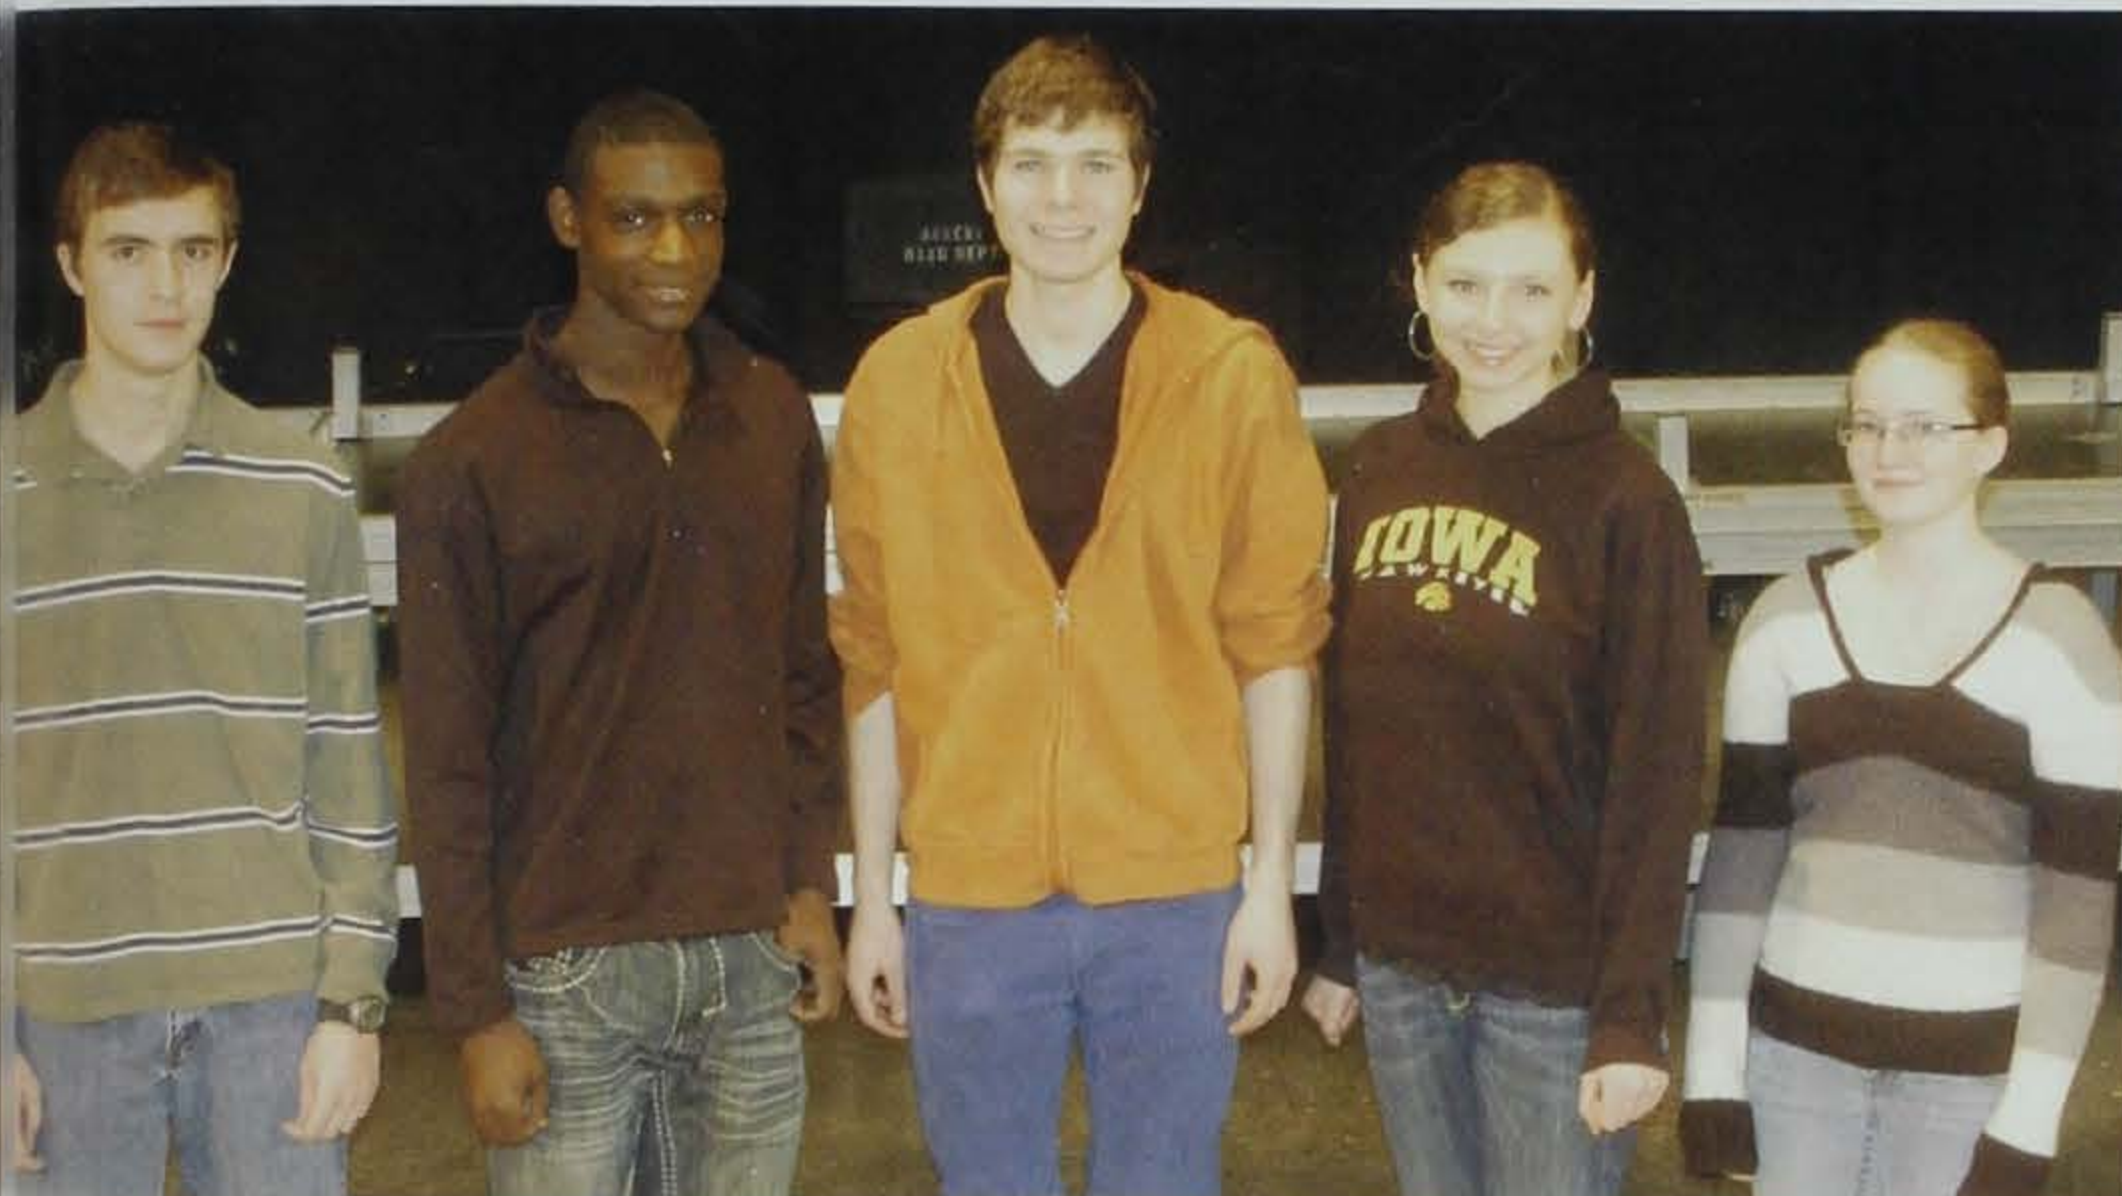

This is the first year that the *Talon* was linked up with Mr. Caldwell's Journalism I classroom. The students had to learn many things before making their first issue, such as InDesign and Photoshop. After learning all of the skills, the class would cooperate with the staff working in their free time to produce press issues for the student body.

In the spring, it was difficult to get out many copies to the student body because there was no Journalism I class or *Talon* class. However, several very dedicated individuals worked together to help Mr. Caldwell host Battle of the Bands and get out the traditional Senior Edition before graduation.

Writers Club

The Writer's Group is sponsored by Mrs. Lofgren and Mrs. Cowger. All the students get together and meet only once a month after school, usually in Mrs. Cowger's room. The purpose of writer's group is to share writing and generate writing outside of the regular school day.

Sometimes there are specific activities and specific writing assignments they receive. Other times, it's just free writing about anything and everything they feel or think. The students really enjoy this club because they're free to say how they feel. They also like it because it's unlike any other club at Ankeny High School; it allows their freedom and creativity to shine.

Student Council

Each spring, a group of new student representatives are elected for the next school year's Student Council at Ankeny High School. The qualifications to run for Student Council elections are to have a GPA of 3.0 or higher, write a personal statement about why you think you'd be a good candidate for the club, and twenty signatures from fellow students. Each year, twelve students are elected from each grade to serve for the next school year. At the beginning of the year, the council then elects a president and vice president to represent the group. This year's president was Senior **Ryan Gean** and vice president Junior **Luke Williams**.

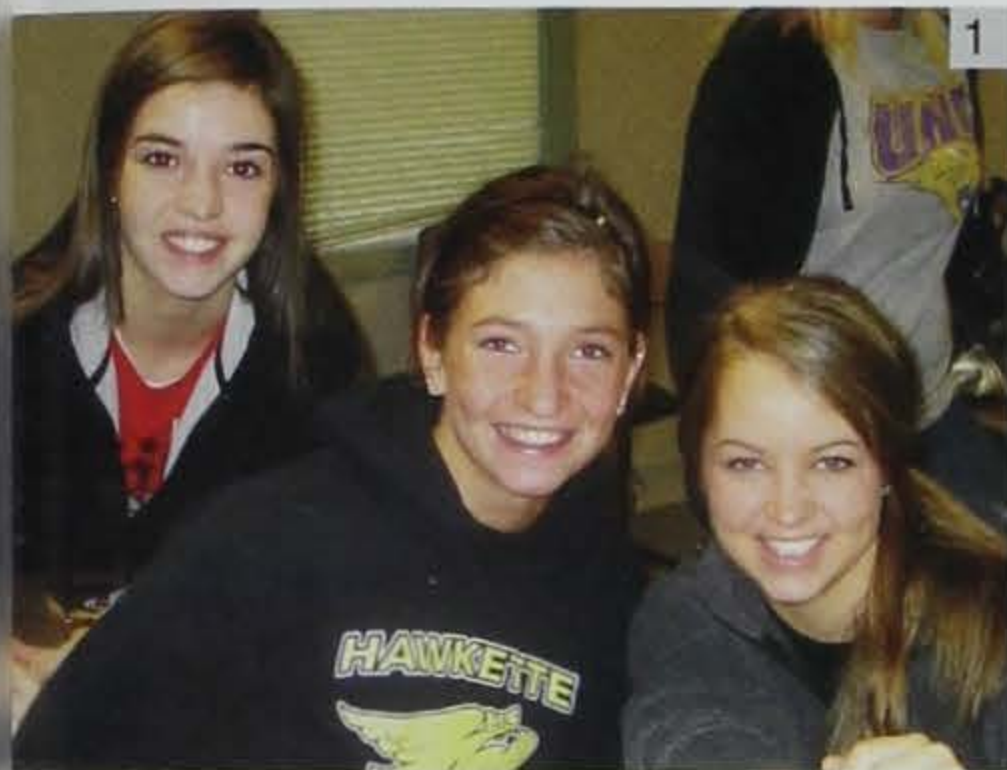

Ankeny's Student Council takes part in improving the school and serving the community. The main event that the council coordinates each year is homecoming week. The members vote on a theme, dress up days, and the dance. The AHS Student Council also helped with the food drive, raising money for Haiti, the blood drive, and a student exchange.

What was your favorite part of Scholastic Bowl?

Senior **Rachel Pearson**
"The people in it because they crack me up."

Junior **Bob King**
"When no one knew the answer so we made up one that made absolutely no sense!"

Scholastic

High school jeopardy? Scholastic Bowl comes close. In the activity, students answer questions from a few broad categories, which include: social studies, language arts, math, and other miscellaneous topics. They score points as a team for correct responses. The club is very informal, and doesn't actually meet to practice. The students simply use the knowledge they've gathered from school and other sources to answer the questions. Some may even watch Jeopardy or Who Wants to be a Millionaire to prepare. The students attended tournaments in Chariton and Boone and hosted one in Ankeny.

Model UN

Model United Nations is a club that does exactly what their name suggests: they simulate the United Nations. The club meets on Wednesdays to talk about American foreign policy, learn parliamentary procedure, and write resolutions and position papers to prepare for their fall and spring conferences. At these conferences they represent different countries and debate global issues. The fall conference was held at the state capital and was meant to celebrate UN day and produce U.S. resolutions. The spring conference was held at UNI. At this conference, Ankeny Model UN students represented the United States and Austria. This was Mr. Chasse's first year and he is looking forward to expanding the program. Their goal is to attend conferences in Chicago and New York City in the future.

Chess

Chess club meets every Tuesday and Thursday in the high school Media Center for an hour. Mr. Learman is the adult sponsor of the chess club. Chess club has had a good turn out this year. Most of the students who were in chess club had some kind of knowledge of the game and how to play, but those who didn't or wanted to learn more about chess were taught to give them handouts to help the players improve their skills.

Robotics

The robotics club had a great turn out this year; several people joined this year and had a fun experience in this club. The robotics club met every Wednesday from 3:30 to 5:00. This year in robotics they built many robots. They had two main robotics projects they worked on throughout the year. One of their newer robots was given to the school for this specific club to work on and help design and learn more about how to install more complex robots. This year many more students were involved and they have had so much fun building relationships while building robots.

Anime

The Anime club was created by the students of Ankeny High School this year who wanted to have a specific club for just Japanese anime. The anime club met every Wednesday after school. In this club they focus on anything that had to do with anime drawing, talking about manga, watching anime movies and of course having fun! This specific club was very neat they had a lot of interest and enjoyment in the learning of anime. There were several positive things about this club: they met new people and got to share an interest with others over something they enjoyed. They learned about the Japanese culture and how anime came about; it wasn't just a club to get to know people, but also a club where they got to know another kind of culture.

What was the main activity that you enjoyed doing in your group?

Senior **Brian Duerson**
"I'm hiding behind my castle."

Senior **Nathan Anderson**
"I like working with all the electrical robots and working with everyone."

Junior **Lindsey Statler**

BPA

This year's BPA has been a successful one. Earlier in the fall, the first conference was held in Des Moines at the Holiday Inn hotel. It lasted for two days so the members got to spend a night in the hotel. During the conference there were various learning experiences to help students gain knowledge in the business world, voting for certain chairs in the BPA club, and even a dance at the end of the night.

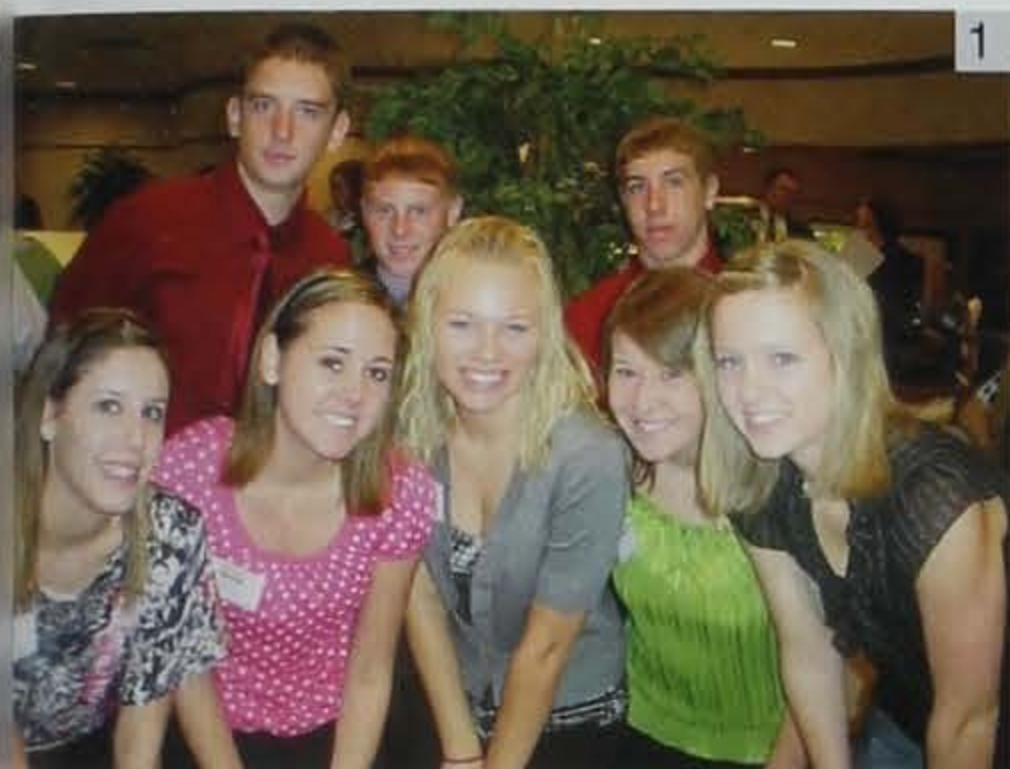

As soon as the first conference was done, the club members began their preparations for the state conference in February held in Cedar Rapids. Some got together with other students to create team projects, while others got themselves prepared for a single entry. This conference lasted three days. Some students came back with awards for different events which then qualified them for nationals. Overall the BPA season was successful.

Trap Shooting

The Trap Shooting team at AHS is in it's second year of existence. It is an example of a club that really did not exist until students came forward with the idea.

The team had a total of 22 participants last year, but during the 2009-2010 school year membership grew to 45 students. This was the first year the club included 9-12th graders on the team.

Club members practice on Tuesday's and Wednesday's at the Ankeny Izaak Walton League, and participated in 8 matches including the State Scholastic Clay Target Program and Championships on June 4th and 5th in Cedar Falls.

Think Tank

Junior **Jenna Yates**
 "I really enjoyed discussing our school issues while eating bagel bites."

Senior **Andrew Goodrich**
 "I really like how we work hard to improve our school. I had fun at our first ever high school lock in."

Student Think Tank truly does many things for Ankeny High School. The club meets every other Friday in the AHS conference room. This year the club held their first annual lock in. During the lock in the club members enjoyed tin foiling Mr. Lage's room. They are also producing a video to be shown at Northview for the activities fair. The still photos in the hallways needed updating so the students involved in Think Tank were called upon to update them. Junior **Jenna Yates** says, "Being a member of Think Tank is a great way to improve the school and to have students brainstorm various solutions to solve these problems." Junior **Hilary Rinker** explains, "My favorite part about being in this club is the fact that there are always bagel bites from CJ's for us to eat." Student Think Tank is always looking for new members, so join today.

Spanish Club

This year Spanish Club has accomplished many great things. One thing many Ankeny High School students do not know about Spanish Club is that it is run solely by the students with little help from Ms. Metheny. The head student this year is senior **Kristin Myers**. The club meets every Wednesday before school where they involve themselves in various activities and discussions. Have you ever wondered where the flags hanging at the top of the library came from? Thanks to The Perky Hawk's generous donation the Spanish Club was able to purchase and hang the flags for the students of Ankeny High School to admire and enjoy.

NCYL

Ryan Gean
 "It was great working with outstanding leaders from the metro area."

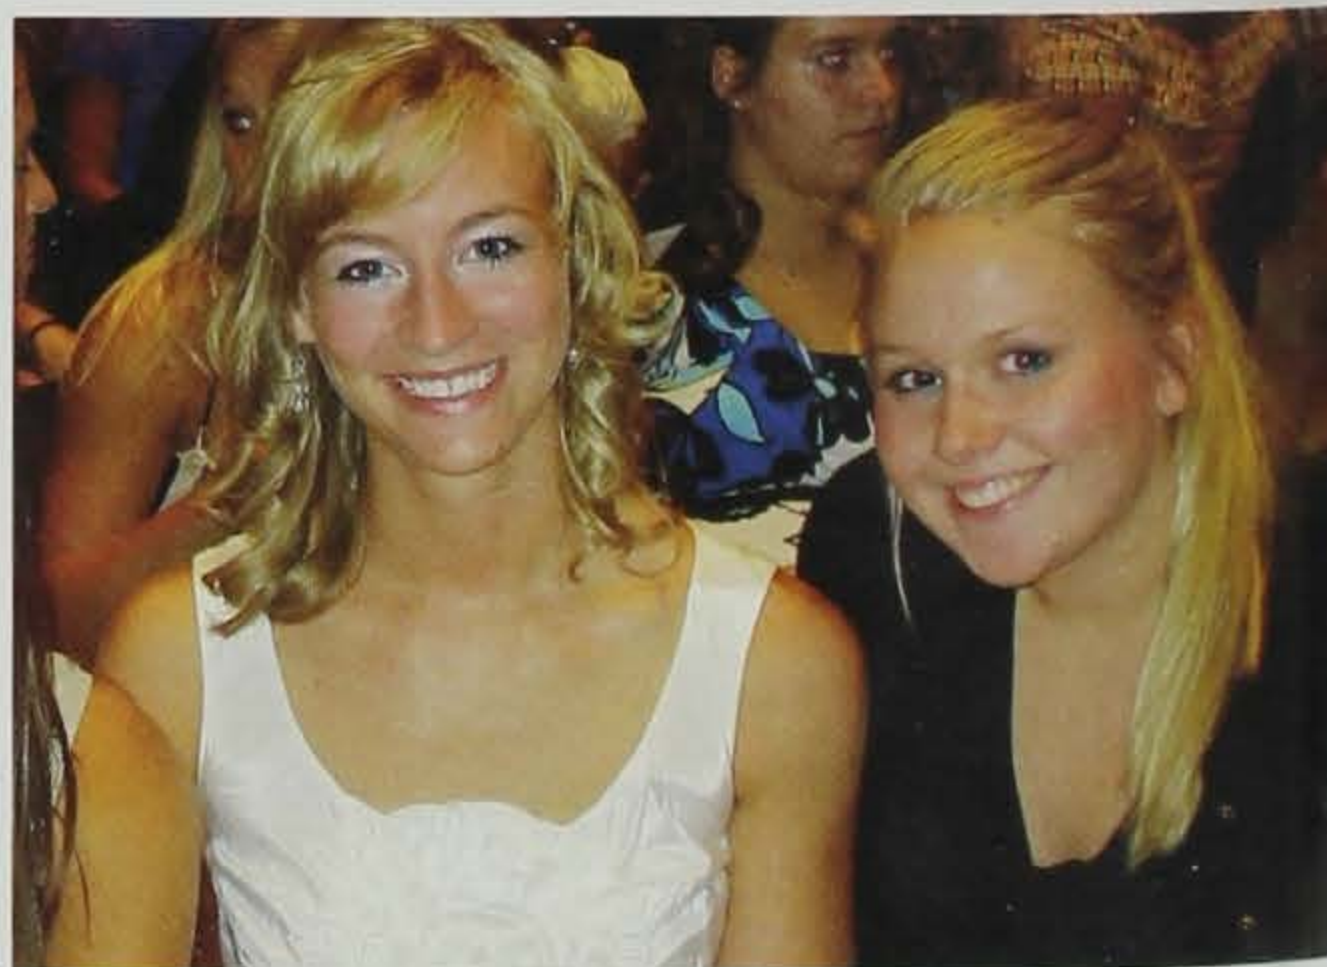

Elle Wignall
 "I really enjoyed meeting new people at the leadership conference."

Many students at Ankeny High School do not truly know what the club NCYL is about and stands for. NCYL stands for the National Council on Youth Leadership. At the end of their junior year, the select students chosen to be in this club must write an essay and fill out various sheets about themselves and different leadership roles they have portrayed. In the summer the students underwent an interview process on the Drake campus. The essay and the interview were all required so judges can critique and later select certain students to receive scholarship money.

Senior **Elle Wignall** said, "The best part was getting our senior pictures done by Tim Vorland. They turned out really good and we got them at a huge discount." The pictures are turned into a NCYL board that is displayed at certain places around the community such as Jordan Creek Mall. The last step for NCYL members is to attend a two day workshop. Senior **Michael Stocks** commented, "The speaker was hilarious. That was my favorite part of the workshop." The workshop comes to an end on the night of the second day. That night family and friends gather to watch scholarship winners receive their certificate and to hear important men and women from across the community speak.

Overall, being a member of NCYL is a great honor and provides the students involved with an awesome experience.

Elizabeth Longnecker

Key Club

Senior **Olivia Schell**
"I really like all the projects we do and I'm excited to help out with the teddy bear drive with friends."

Senior **Tessa Shultice**
"I had fun volunteering for Key Club."

Key club was created to promote student volunteer work and provide opportunities for high schoolers to grow as individuals. Meetings are held often, one in the morning and one in the afternoon, to make sure there is a convenient time for everybody. Volunteer projects happening around the community are suggested by members in the hope that the club could get involved. Projects are also hosted and created by the club itself. Every year the members of Key Club collect dresses from students and any individual willing to donate dresses they've previously worn and give them to girls who can't afford to buy one for crystal ball or prom. Other activities include helping set up for Jolly Holiday Lights at Waterworks Park in Des Moines in December. Mrs. Lawler is the teacher who helps organize the club, and a lot of effort on her part has really kept the club going and helped volunteering opportunities come through.

Senior **Scott Martin** works to help build the flower bed that key club created. According to members, it was a very enjoyable activity and the good weather made it even better.

Seniors **Kaylah Johnson** and **August Hoffman**, and Juniors **Rachio Adams**, **Haley Walsh**, and **Nicole Hall** sit on Santa's lap while helping set up for the annual Jolly Holiday Lights. Cubbie also made a guest appearance. Kaylah Johnson has reported that she wished for a pony from Santa for Christmas. She was disappointed come Christmas Day.

Interact

Interact is a club at the high school that focuses on service projects around our community, the whole world, and within the school itself. Every project is an opportunity for students to learn more about the value of giving back and see what volunteering does for others. Members of Interact say they have enjoyed projects and working together in order to see the outcome of everything they do. Two of the projects that the club takes part in have become favorites over the years. Reggie's sleepout, which takes place at Drake Stadium, and making blankets for children at Blank Children's Hospital in Des Moines have proved most popular. Putting together shoe boxes as care packages and sending them to children around the world in need is another project most meaningful for Interact members. Awareness of these poverty stricken countries is also raised not only to members, but to the student body.

Seniors **Catherine Gehlsen**, **Taylor Goetzinger**, **Colleen Riker**, **Matt Kristensen**, and **Sara Nieland** brainstorm their next project for Interact in the media center.

Sophomore **Kelsey Russell** shows her enthusiasm for Interact while thinking of ideas for a new project.

What do you think is the most important reason to be in/have Interact as a club at school?

Senior **Catherine Gehlsen**,
"Interact is a great service group with excellent opportunities to grow and help your community."

Junior **Kayla Johnson**,
"To help out others and give back to the community I think is the most important part of Interact."

*Why did you join

French

While many more students choose to study Spanish as opposed to French, the French Club is one of the highest profiting (for charity!) clubs in AHS. The French Club sponsors two events: Jar Wars, in mid-February; and the Cystic Fibrosis basketball game in late March. This year, Jar Wars was held from February 17th to the 24th. Mrs. Rasmussen won in points, but Mr. Peterson won in total cash raised. \$4,700 was raised from this event.

On Tuesday, March 30th, the French Club hosted the CF Basketball Game, which consisted of two games: boy's varsity vs. girl's varsity and teachers vs. students. The girl's varsity beat the boy's, and the teacher team beat the students. With fun fundraisers like these French Club continues to be a thriving and beneficial Ankeny High School Club.

SADD

The club students against destructive decisions, or SADD, had a great turnout with the events that took place during the year 2009- 2010. The students in SADD are in charge of Red Ribbon week as well as the blood drive.

Ms. Sanders, science teacher here at AHS, is the leader of this group. She has the students meet several mornings throughout the school year. They also put together many videos against drinking and doing drugs that are shown during advisement. This group is a positive influence on our high school.

Junior **Michelle Johnson** is happy, but a littler tired, after donating blood.

What was the favorite part about being in SADD?

Senior **Jenna Russell**

"My favorite part of being in SADD was helping out with the blood drive."

Junior **Alee Ronchetto**

"I learned so much and realized how bad drinking and driving can be a bad decision with the videos we watched during advisement."

FCA

Fellowship of Christian Athletes is a club that meets once or twice a month. It is a student volunteered club for students throughout the high school. They meet and talk about how to be a follower of Christ in a public school. Mr. Caldwell is the leader of the group and he is always known to have fun and lead a game to start the meeting off with.

Josiah Luster, Junior, joined FCA to be part of a Christian based group in the high school and to talk about the Bible. Along with the others who join they enjoy talking about the Bible and playing the fun games and eating the yummy food.

Student Ambassadors

Student Ambassadors is a group that meets once or twice a month and helps all new students to the Ankeny district. Ambassadors are to be leaders for Sophomore Orientation, speak to 9th graders, host Career Day, College Planning Night, Financial Aid Night, Senior Award Ceremony, and Scholarship Night. To be an ambassador students must go to a mini summer workshop.

Kayla Johnson, Junior, said, "I joined Student Ambassadors to welcome new students into our school and to get to know more people." Kayla also likes to meet new people.

NHS

National Honors Society is a great club to have at AHS. It gives students the chance to do fundraising and the money will go to the school or to different charities. To join NHS students have to have a 3.5 GPA or higher and they have to be approved through a board of teachers. The club is led by Mr. Garner. NHS organizes, plans, and decorates Crystal Ball. Being selected for NHS is one of the top AHS academic honors.

This year's officers are: President **Sara Cassabaum**, Vice-President **Rachel Gean**, Treasurer **Jessica Schaeffer**, Secretary **Bryce Hundley**, and Publicist **Ryan Gean**.

Suzanne Sontag, Junior, said "NHS is a unique opportunity to be involved in and help with many different aspects of AHS. Planning Crystal Ball is fun and I enjoy helping with the decorations after we pick our theme."

What was the main activity that you enjoyed doing in your group?

Debate

The 2009-2010 AHS debate team had a successful season. The team began preparing for the season before the school year in August and four students will be attending the national tournament at Kansas City this June. The four finalists include **Lauren Burdt**, **Tanner Westberg**, **Nicole Nitschke**, and **Ethan Fredrick**. At state, the team placed second overall. Ankeny was also one of eight schools invited to participate in the Drake University Citizen's Arise debate series and juniors **Lauren Burdt** and **Sarah Sutter** won every ballot.

In order to achieve great success at the events, the AHS debate team met two-to-three days a week. The team prepared by researching newspaper and journal articles to support their speech. Head coach Mr. Miller and assistants Mrs. Russell and Mrs. Webster lead the team throughout the debate season. Overall, the Ankeny debate team has enjoyed the season and look forward to another successful season next year!

AHS Marching Hawks

When August came around again for 144 students of Ankeny High School, that meant summer was ending early; it meant waking up early and preparing for another great season of Ankeny Marching Band. Their practices started on August 6th through the 12th, the first steps of a long yet great season. The Johnston Marching Invitational was held on September 19th, and Ankeny placed 3rd. A few weeks passed until Iowa City/Cedar Rapids, and Ankeny did very well during this competition ending the night with a 1st place victory.

The sun started to set and the cold air started to blow in but it wasn't going to stop Ankeny from competing in Valleyfest and placing first. At the end of a long successful season of marching, the band members woke up bright and early to play one last performance for the World War II honor flight members. The season was over and the instruments were being put away until the next year would bring the band more memories.

What has been your favorite memory of Band?

Sophomore **Erin Kaiser:**
"My best memory of band is the bus rides to and back from competitions."

Junior **Desi Wickus:**
"My best memory of band this year was the Band Dance; it's where all the kids that went to band camp and graduated kids from marching band come and eat and dance for 3 hours."

Strike Up the Band

The Band Program at AHS continues to be one of the largest fine arts groups in the school. After the students finish up their marching band season, they immediately transition into their concert bands and prepare for the numerous concerts throughout the year. Their hard work paid off and both bands received Division I ratings in May at Large Group Contest.

In the fall, 24 individuals prepared and auditioned for the All-State Band and Orchestra. 3 students earned the honor of representing AHS at All-State, one of the highest honors a music student can receive.

The Jazz bands are also practicing, rehearsing, and competing throughout the year. Both bands received a Division I rating at Jazz Band Contest.

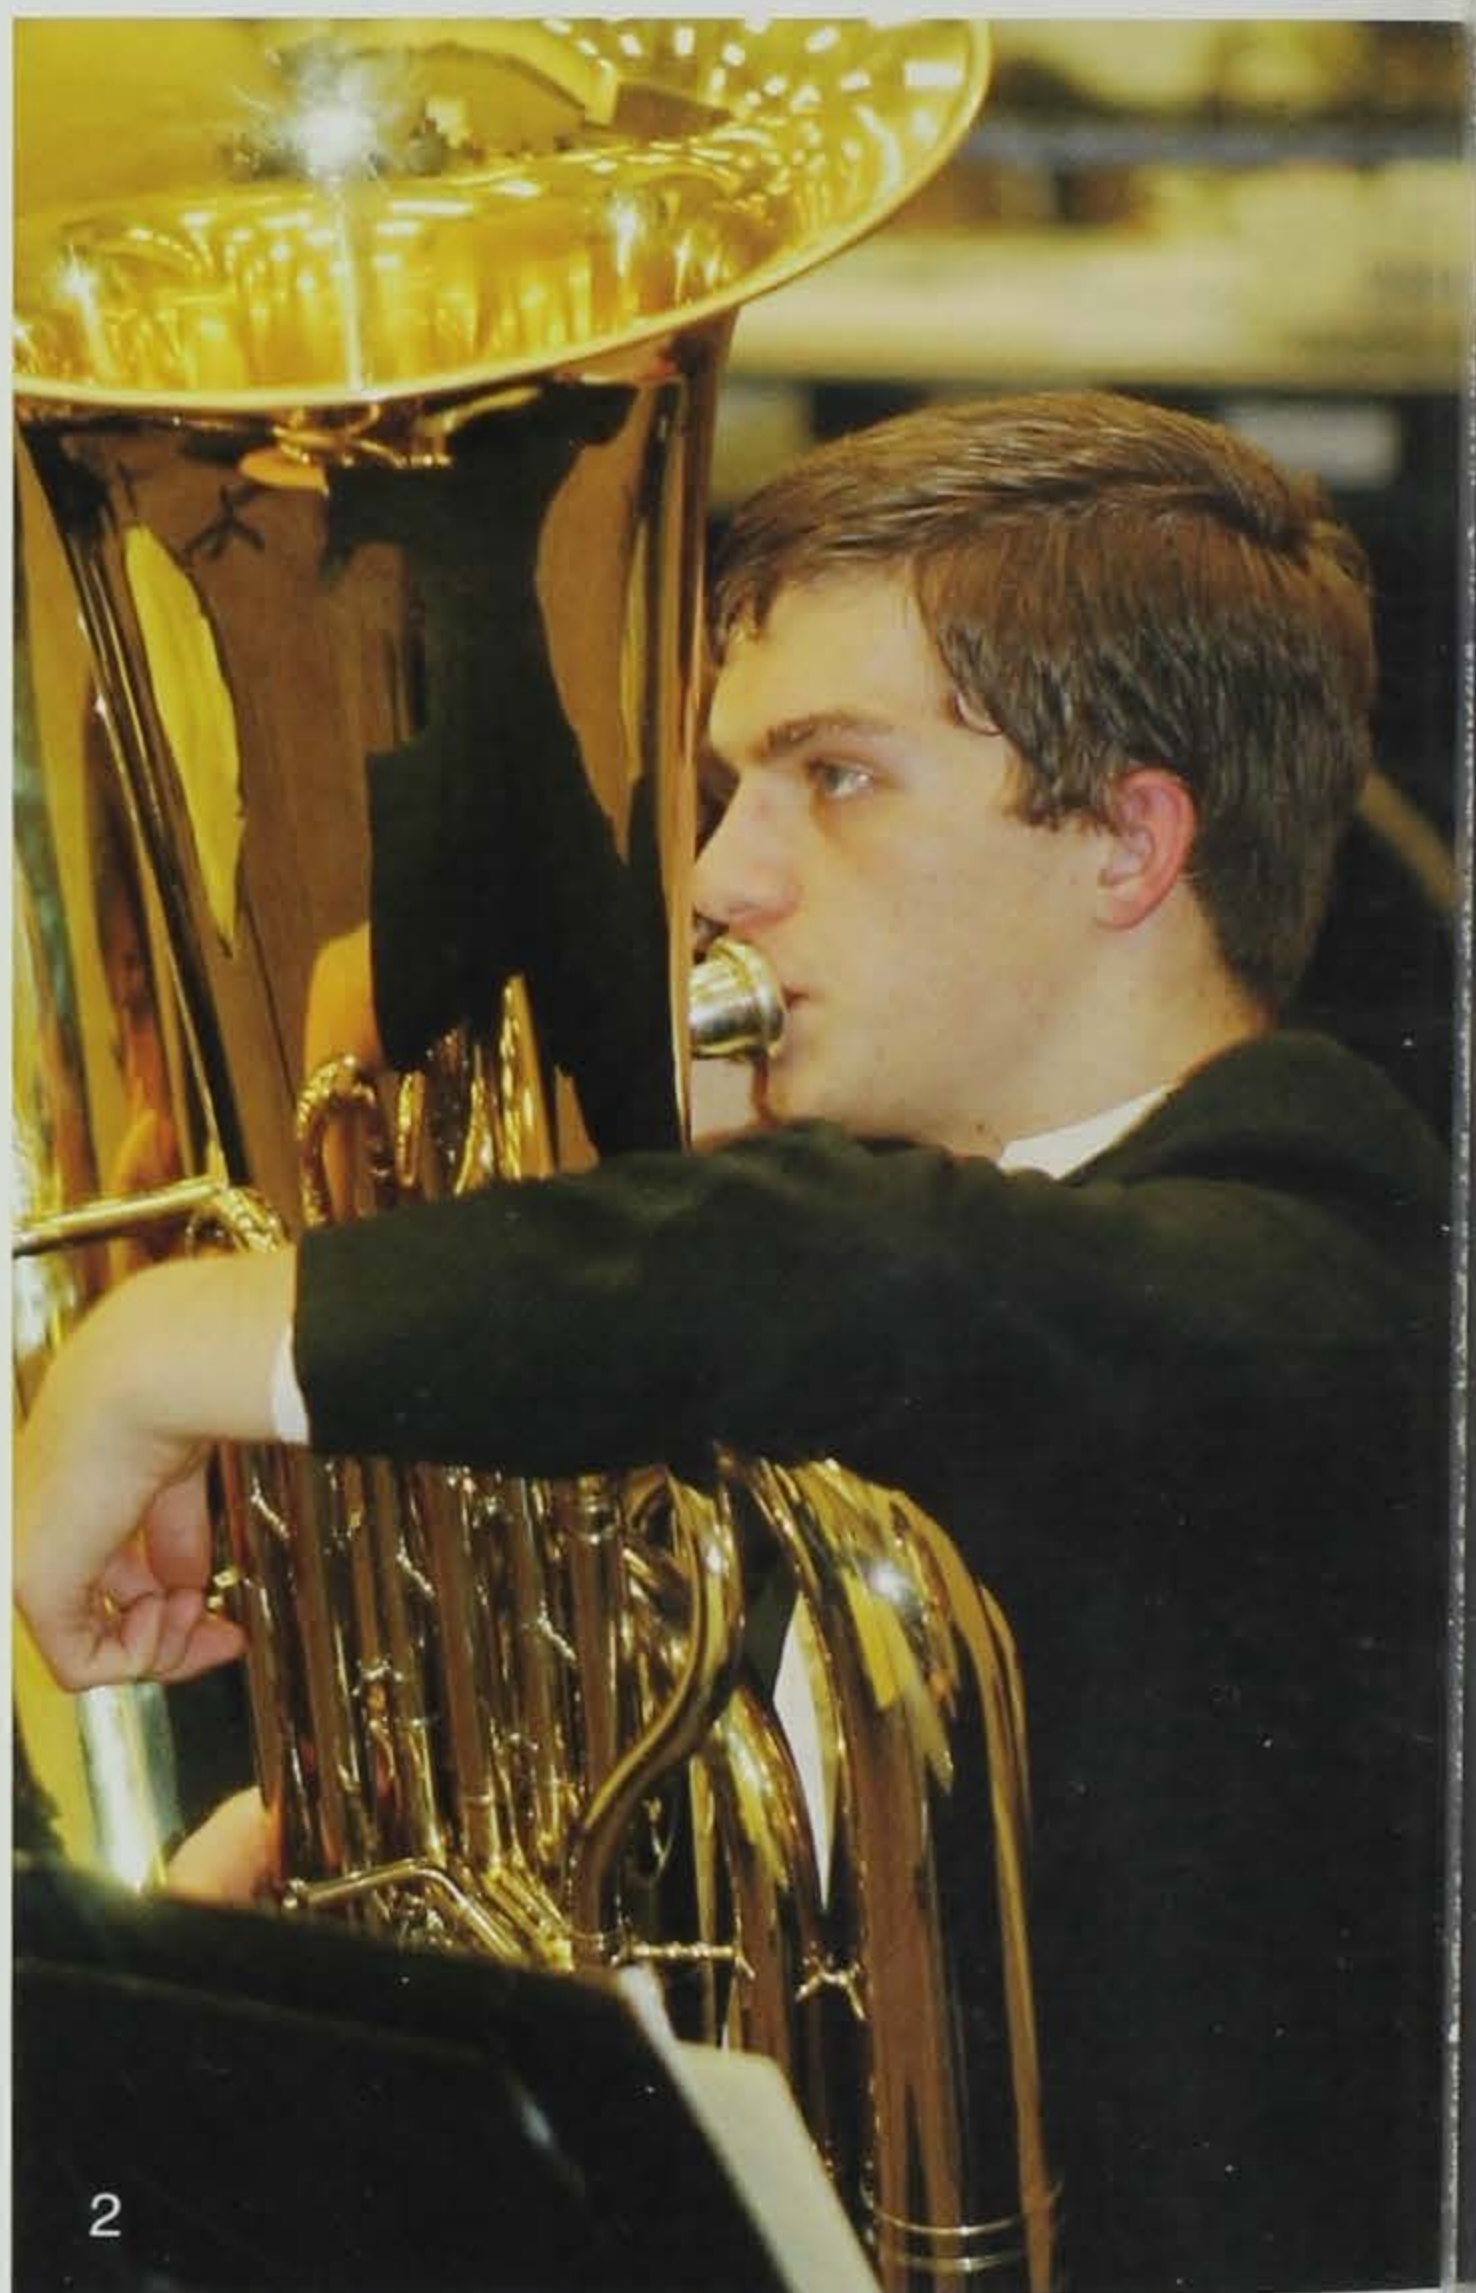

In February, the band program took 126 solo and group performances to the Perry Band Olympics, earning 82 Division I, 43 Division II, and 1 division III ratings. At this competition the students also took home 25 top 5 performances of their centers. It is easy to see that students involved in band are some of the busiest students at AHS.

Express Yourself

Individual and Large Group Speech has always been a favorite activity at the high school. This year proved that yet again, with 26 students involved in individual and 45 in large group. While being in speech students have several different times to perform: parent's night, districts, state, and if lucky enough, All-State. All-State is the highest honor for a speech competitor. Like usual, AHS had fantastic results: 9 groups and 28 individuals received Division I State ratings, and 2 groups and 12 individuals were honored with All-State nominations.

When asking students what they're favorite part of speech was we got many different answers. Senior Ethan Peterson responded with, "During Improv I can make the whole room laugh, and when performing in drama I can make the whole room cry." When asking senior Kate Armstrong she said, "The best part of speech is stealing Mr. Shapiro's licorice and performing at state." Both seniors have been involved in speech throughout their high school career. And with speech, success is the obvious result of long hours of dedication and practice.

At Ankeny there are three choirs that students can participate in: Ankeny Singers, Cantamus, and Concert Choir. There are two small groups which include Women's Chorale and Men's Choir. They have three main concerts: Fall, Winter (Festival), and Spring.

One of the main focuses of the choirs in the fall is All-State auditions. AHS had 28 individuals audition, and 19 were selected for the choir in the fall. Junior **William Xie** was also selected to accompany the All-State choir on piano for the 2nd year in a row. This is one of the highest honors a piano player can obtain in the state of Iowa.

In the spring, the choirs participate in Large Group Contest. 4 of the 5 choirs received a Division I rating at State. The choirs also help send off the graduates at the commencement ceremony in May. It was a great year for AHS choir.

What Makes Show Choir, Show Choir?

Senior **Emily Aukes:**

"Ice cream challenges, the running of endless laps, and VA parties!"

Senior **Garrett Phelps:**

"The people and friends that are in it with you. And of course performing; it's fun to see the response of the audience."

Junior **Katie McCoy:**

"The countless hours of rehearsal, and working together to achieve a strong bond."

Show Choir

Show Choir has become one of the largest extra curricular activities at Ankeny High School. Between 3 different groups there are over 130 students involved.

Intensity is the all girls group. This year Intensity was choreographed by Ankeny Alumni Lexi Robson. They performed the songs "No More Tears," "The Human Heart," "Buenos Aires," and "I'm Gonna Getcha Good." Intensity completely rocked the competition this year by earning two 1st places: one at Lincoln, Nebraska and the other at Urbandale.

The Junior Varsity Division, Perpetual Motion, had another fantastic year. This year PM received 5th place at Urbandale, and 1st place in the Prep Division at Bishop Heelan. Their show consisted of the songs "Bring it On," "So Close," "You and I," and "Sell Out."

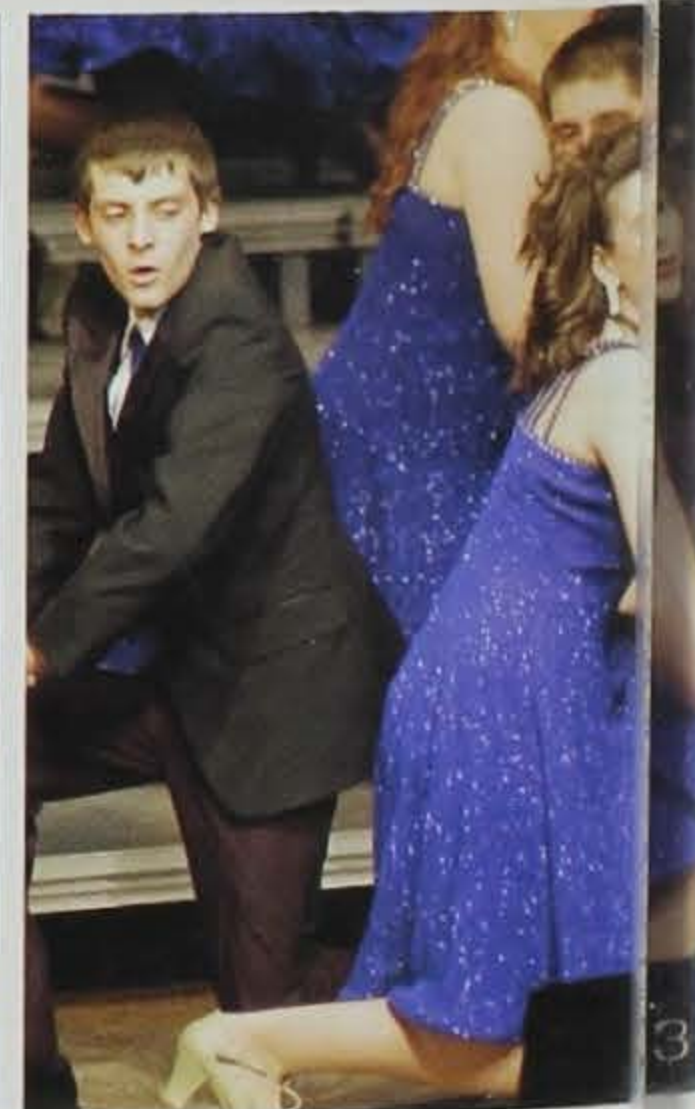

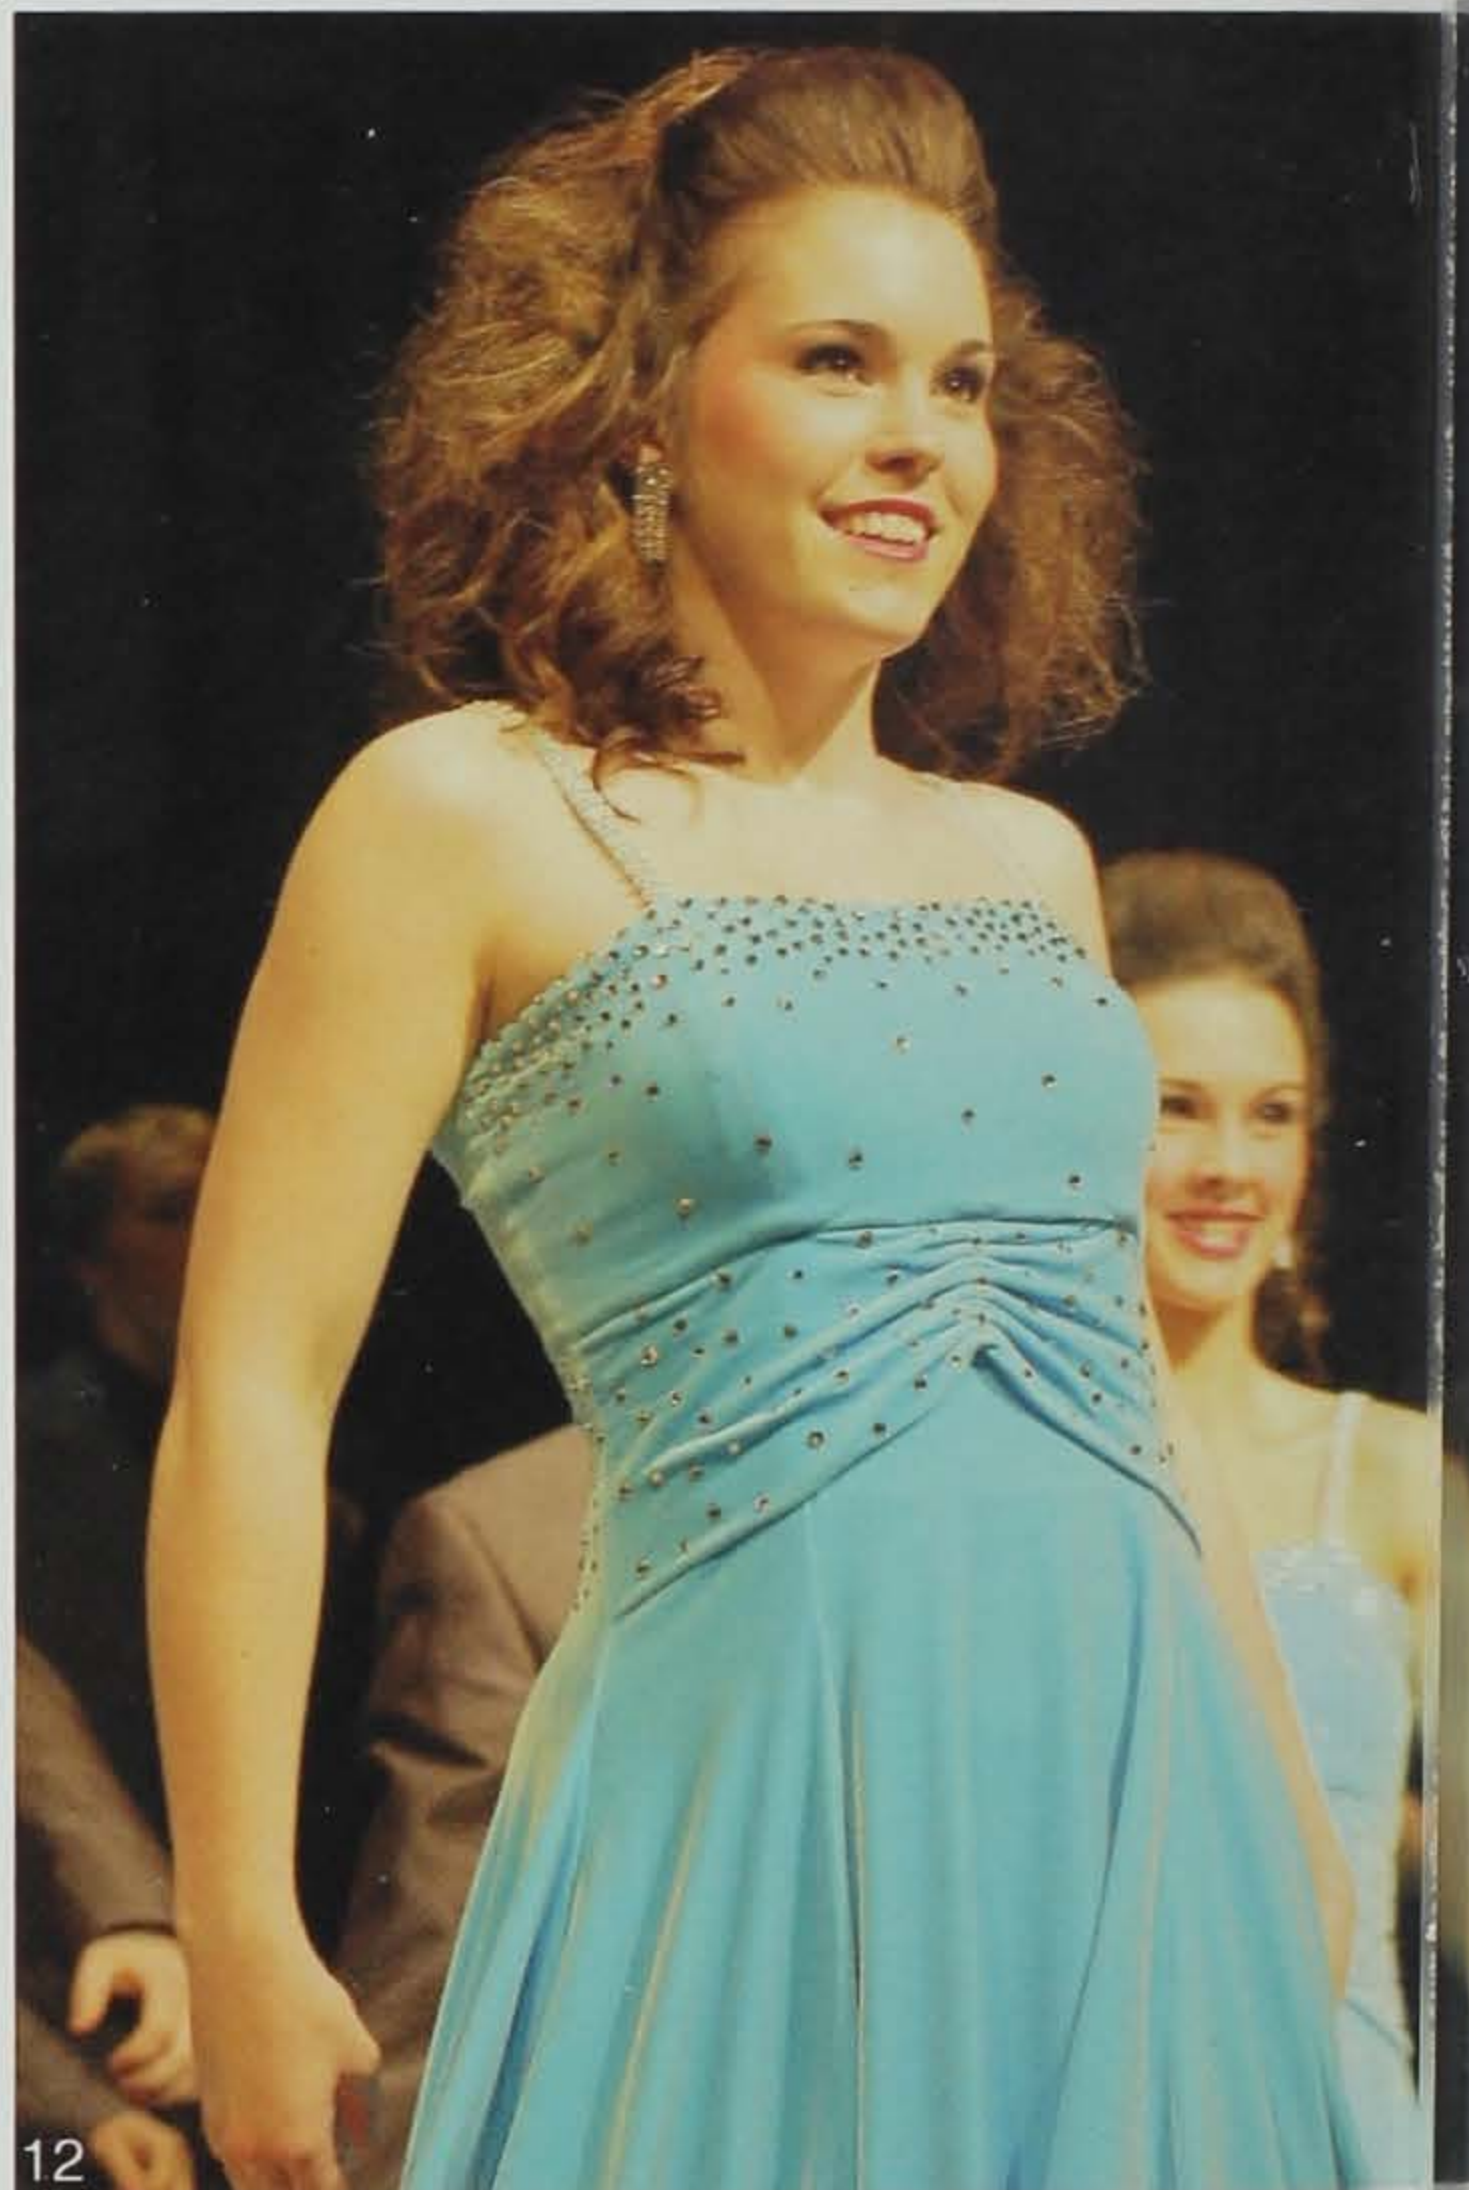

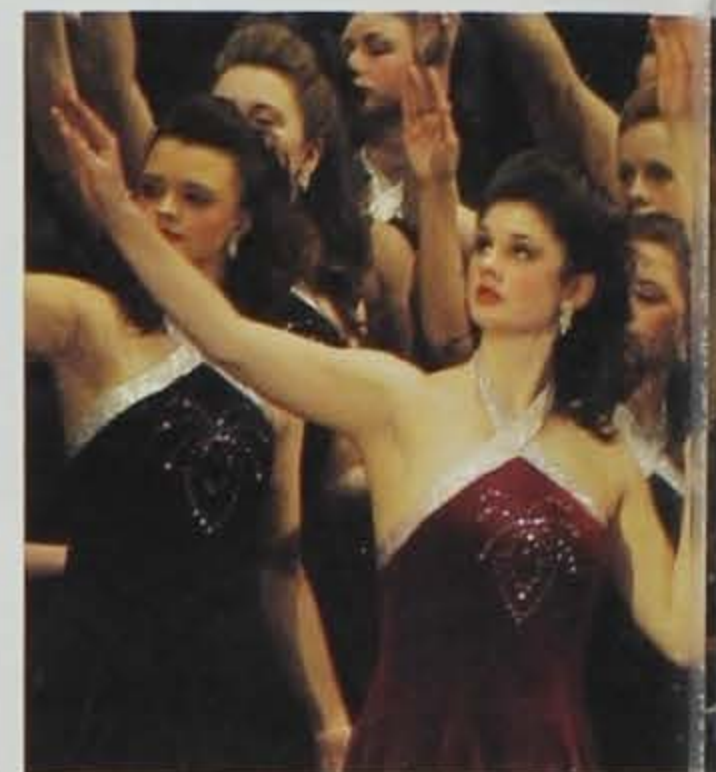

The Varsity group, Visual Adrenaline, yet again had another amazing year. Their show was like nothing ever done before, and each member loved every second of it. VA performed the songs "Glass of Water," "We All Need Saving," "No Ordinary Love," "Industry," and "Born for This." This show earned VA 3rd at Johnston Showzam, and two First Runners Up. Congratulations everyone for another amazing year!

"I always liked Oedipus Rex. Destined to kill his father, he's banished and left to die. Then, he accidentally kills his dad and marries his mom. Delicious irony."

Senior **Nick Robertson** said:
"I would want to be Zeus because he's the 'big guy.'"

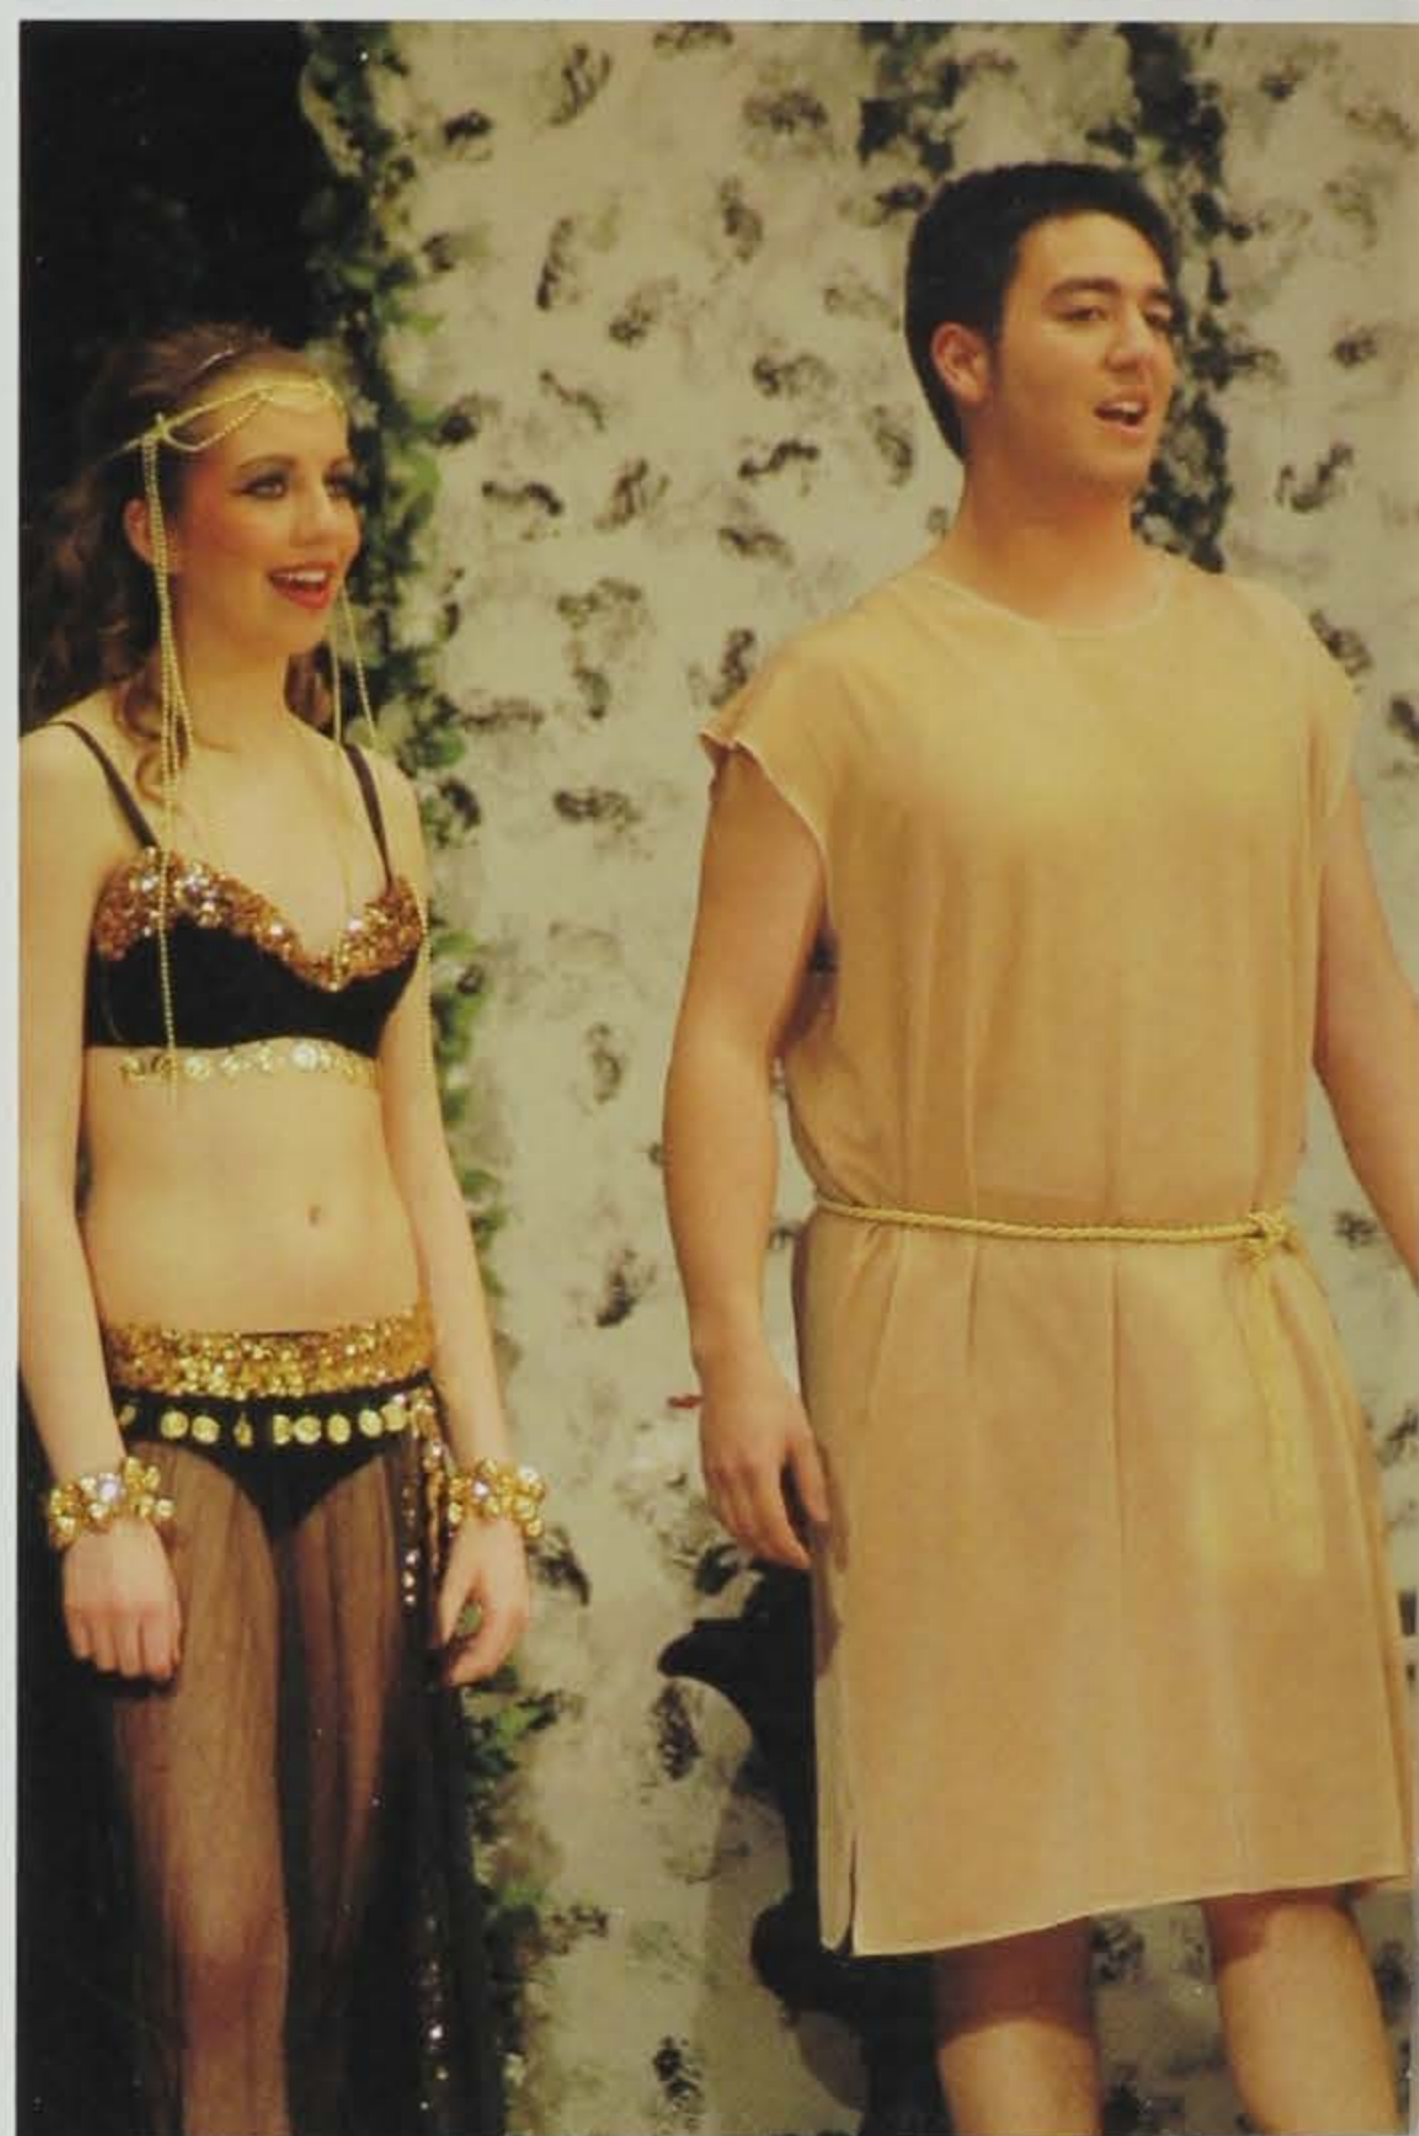

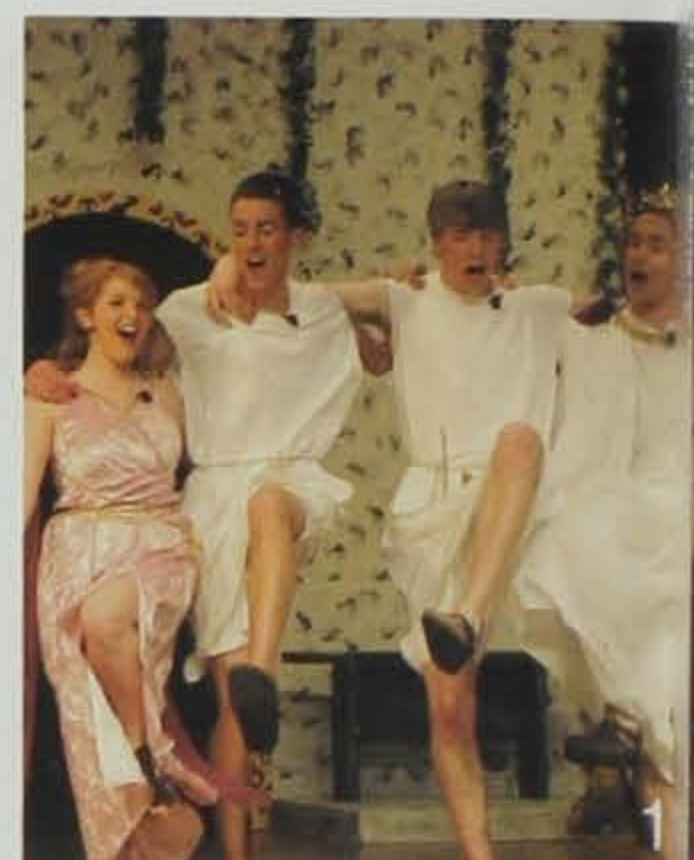

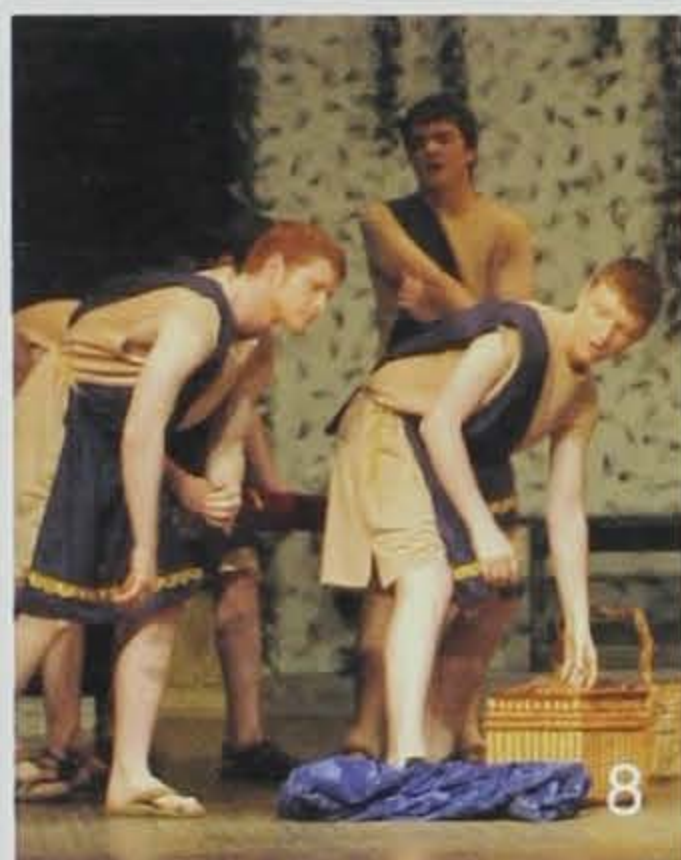

Junior **Becca Strachan** said:
"I would want to be Athena, the goddess of war. She's pretty awesome and can beat her brothers during battles."

The 2009 fall play was *The Iliad, the Odyssey, and All of Greek Mythology in 99 Minutes or Less*. To ensure that they were true to their word, the set included a large digital timer, counting down from 99 minutes. The play was held on October 30, October 31, and November 1.

At times, the actors on stage seemed to be lost as one actor played several different roles. However, after some audience participation and a few more laughs, we realized how much hard work and dedication the cast had in preparing a great performance.

For the third time, the Ankeny High School Drama department has been invited to the Edinburgh, Scotland Drama Festival. Congrats!!

8. Senior **Tim McGrath** and Sophomore **Justin Pearson** play the Proteans.
9. Senior **Aaron Ehrlich** plays Erronius.

The 2010 Spring Musical was *A Funny Thing Happened On The Way To The Forum*. It was held in the Auditorium from April 8 - 11. Music and Lyrics by Stephen Sondheim.

This year the spring musical was able to reuse the same costumes, props and some set pieces from the fall play.

The musical is about Prologus who is the laziest slave in Rome trying to get his one wish, which is to have freedom. His master fell in love with a young mistress and Prologus tries to help the young woman. It can't be that simple as everything tends to go wrong. When things go wrong, it leads to lots of laughs for the audience and a good time for everyone involved.
