**Bicentennial
Issue**

The 1975-76 Bi-Centennial edition of the Argus Annual is dedicated to the graduating class of 1976.

The theme was chosen to depict the freedom and independence of young adults in today's society. "... that they are endowed by their Creator with certain unalienable Rights; that among these are Life, Liberty, and the pursuit of Happiness."

You've Come A Long Way, Baby!

The "Spirit of America" salutes the women of the United States. Women play a very important role in America. There was a sharp increase in women employment in 1975-76. Many women lead the role of the families. Women are now equal to men, not in strength, but in ability. Women are now sharing the same responsibilities as men.

Women not only have the right to vote but they are now being voted for. There are women in our U.S. Senate and House of Representatives. Many people predict that there will be a woman governor before too long.

Also, let's take a look at our outstanding women in sports. For example: jockey Mary Bacon, golfer Carol Mann, skater Sheila Young, and tennis pro Billie Jean King. These are just a few of the many outstanding women athletes that have made their way into professional sports.

The women in sports here in our own school are also outstanding. Women's sports at OHS include basketball, track, swimming, and track. Not too long ago at our school, only men's sports were played.

The women in our school speak out, too. There are girls on our outstanding speech and debate teams. Also, there are more and more girls enrolled in the tech classes. Printing, mechanics, and the like were often

referred to as the boy's classes.

Women are becoming more educated to be more important people. There are many women doctors, lawyers, scientists, and engineers. The number of women in law is rapidly increasing every year.

Many women are now entering our military services. The first woman general was commissioned May 15, 1970. Also, for the first time, women are now being admitted to the Air Force Academy in Colorado.

Women have played a major role in the United States during 1975-76. Women will probably be making many more important steps as our world and economy develops.

Bill Stewart carries many responsibilities at the local Hy-Vee store.

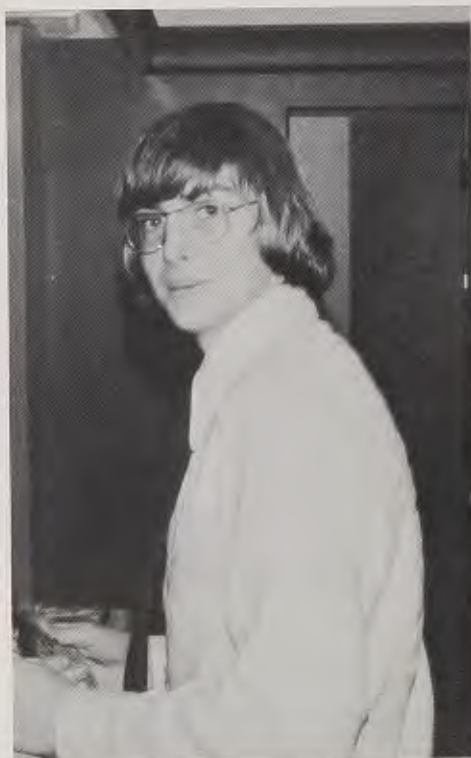

Work Study Programs at OHS are on the grow. This year alone there are 160 students involved in the four co-op programs. The Office Education Association provides jobs in office related occupations. It involves secretarial and clerical types of occupations. The co-ordinator of this program is Miss Deb Houston.

DECA (Distributive Educational Clubs of America), under the guidance of Mr. Mike Thies, trains students to be a part of the world of marketing. DECA has been in operation since 1946.

VICA (Vocational Industrial Clubs of America) offers jobs and training to students interested in trade, industrial, health, and technical areas in our community. It is directed by Mr. Frank Fleagle.

The newest co-op program at OHS is HERO (Home Economics Related Occupations). With it's co-ordinator, Mrs. Connie Helgersen, HERO involves students whose interests lie Home Economical related areas.

The co-op programs consist of teamwork between four main groups

of people: Students, Co-ordinator, Parents, and Job Supervisors. Together they work to make the individual students' placement a worthwhile learning experience.

All the Vocational Programs involve three main phases: 1. Classroom-This involves the students instruction in skills, attitudes, and knowledge that aid him in the working world. 2. On the job training-The student is placed into the business community on a part-time basis. There, the skills he has obtained are put to actual use. 3. Co-op

Club-This phase deals with working with others within his group. It is also an opportunity to be a part of activities and in State and National contests.

Work-study Programs are set up mainly to give those who are not planning to go on to college an opportunity to learn a skilled vocation. They provide an excellent way to become oriented with the business world and can often offer them a full time job after graduation.

JOBS

How do high school students spend their free time? Well, around the OHS campus they find a number of ways.

In August of 1975, the new student lounge opened its doors to all students in study halls. The Student Council has expressed time and time again how successful the lounge has been. Instead of the student being confined to the cafeteria with "nothing to do," they now have the opportunity to spend their time in a student lounge with a variety of games to keep them occupied. There has been some question as to if the lounge has been taking away time from the student's studies, but so far, there have been no serious drawbacks.

There is a wide range of activities presented to the student in the lounge. They range anywhere from sitting at the tables talking with friends to playing a fast-moving game such as air-hockey or foosball.

Now, for the student who isn't "in" to any of these activities, he can go outdoors during his lunch period and ride around the school building in his car or motorcycle for 25 minutes. This seems to be one of the most pop-

ular pastimes when warm weather prevails.

Now you ask, "What about the student who doesn't like the lounge and can't drive?" Well, he has a few alternatives. He can WATCH the cars and motorcycles go around and around or he can always turn to vandalizing school property. Unfortunately, this has become a problem that is getting far out of hand. Researchers and psychologists still have not found the cause for vandalism but still it exists everywhere. It's unfortunate that it also exists at OHS.

And, of course, some students turn to studying during their spare time. This must be accomplished in a

quiet area and the library seems to be one of the few places for this activity.

Whatever the student wishes to do during his spare time, he can probably find it during the course of one day at OHS.

A Year To Remember

1975-76 was indeed an interesting year to remember. The events included everything from a 25-foot shark to attempted assassinations. And, of course, we should not forget to include our nation's 200th birthday.

The movie, JAWS, made its appearance in the midwest at just the right moment. It was the beginning of the summer. The movie, in six months alone, became a household topic in homes across the United States. Why was this movie so popular? Maybe because of the same reason that hula-hoops were popular. A valid reason may be that people can believe in things such as a 25-foot, man-eating shark. The fact is that the movie WAS popular and became a multi-million dollar money maker for the writers and producers in 1975.

And who can forget the flurry of assassination attempts on President Ford? He became America's number one shooting target. Fortunately, everyone missed.

The first attempt came in California when Lynette "Squeaky" Fromme (a Charles Manson family member) lunged out of a cheering crowd and pulled the trigger on her automatic pistol. Her plan was foiled when she apparently forgot to load a bullet into the firing chamber. She was quickly subdued by Secret Service agents and a quick trial eventually ended in a long prison sentence for Miss Fromme.

Not long after "Squeaky's" attempt to kill the President came another shot from the crowd. The attempted assassin was Sarah Moore. This time the gun did go off but her plan was disrupted when an alert citizen hit her arm at just the right moment. A speedy trial and sentence quickly followed this incident.

Since then, extreme protective measures have been taken to prevent crimes similar to these not only for the President but also those who are vying for his position in the 1976 election.

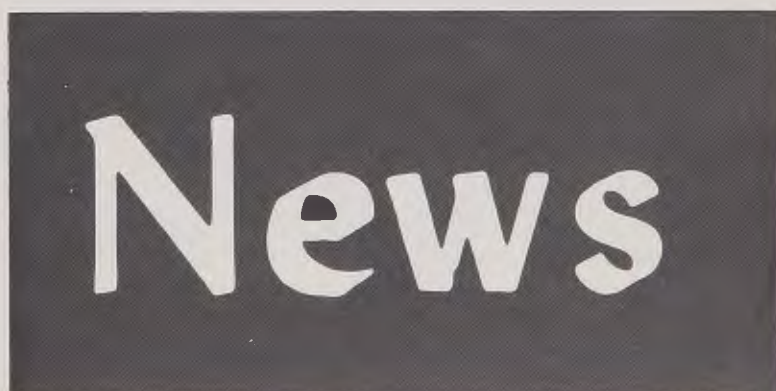

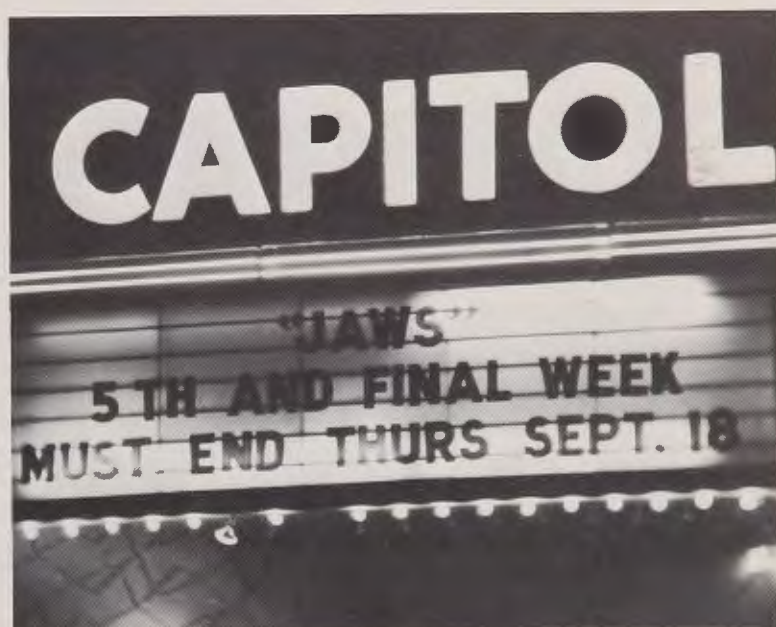

One of the most bizarre and mysterious cases in 1975-76 was that of Miss Patricia Hearst, daughter of wealthy millionaire Randolph Hearst. Patty was kidnapped outside her home one night by a group which called themselves the SLA. While Patty was held captive, a series of strange events occurred. First came the tape recordings from Patty telling her family of the food distribution program which was to be set up in order for her to be released. After a very unsuccessful program, Patty's voice seemed to undergo somewhat of a change. No longer was she the sweet, innocent daughter of a millionaire. She changed her name to Tanya and apparently joined forces with the radical group and their cause. A series of bank robberies and shoot-outs occurred in the next few months before Miss Hearst was captured by the F.B.I. Bank robbery charges were brought against Patty and she was placed behind bars awaiting her trial.

The Hearst's called upon the high-priced F. Lee Bailey to take Patty's case. After a trial that was predicted to take months but actually only took a few weeks, Patricia Hearst was found guilty of bank robbery charges by a jury of twelve.

But 1976 will probably be remembered best as the Bi-Centennial anniversary of our nation. Any general survey will probably indicate that most Americans are already tired of hearing of the Bi-Centennial. But let's take a different outlook on this occasion. Through 200 years, the United States has been through a civil war, two world wars, a devastating depression, the Korean War, the Vietnam War, etc., etc., etc., and still we are the number one nation in the world today. Countries which have been in existence for centuries and centuries cannot come close to the progress that we have made in just 200 years. We should all be proud to be Americans in this, the greatest country in the world.

The Bi-Centennial was celebrated in communities all over the United States on July 4, 1976. This was a day in which most of us had the opportunity to sit back and realize what the Bi-Centennial was all about. Happy Birthday, America.

" . . . Life, Liberty, And The Pursuit Of Happiness . . . "

1976. The United States' 200th anniversary. Naturally this means parades, T.V. specials, speeches, celebrations, the whole works. But what does this really mean? And what is the true meaning of America?

We have been taught that the U.S. is the most democratic country on earth. We are the best. We vote, we elect, we are sovereign. Some people declare our freedoms as a farce. They tell us the "average citizen" is being used by the government and big business, which is the same as telling us we are not free. Just how much of this is true?

The U.S. is a free country and we are a free people. However, we must realize the possibility of having too much freedom. We must have some means of creating what is best for most. If we had complete, absolute freedom, there would be no freedom at all. Right and wrong would be non-existent, for there would be no means of determining what was right and what was wrong. This in itself would be an infringement of freedom. Obviously it is quite possible to go overboard and take away too much

freedom. Because of this possibility, we must have safeguards to fall back on.

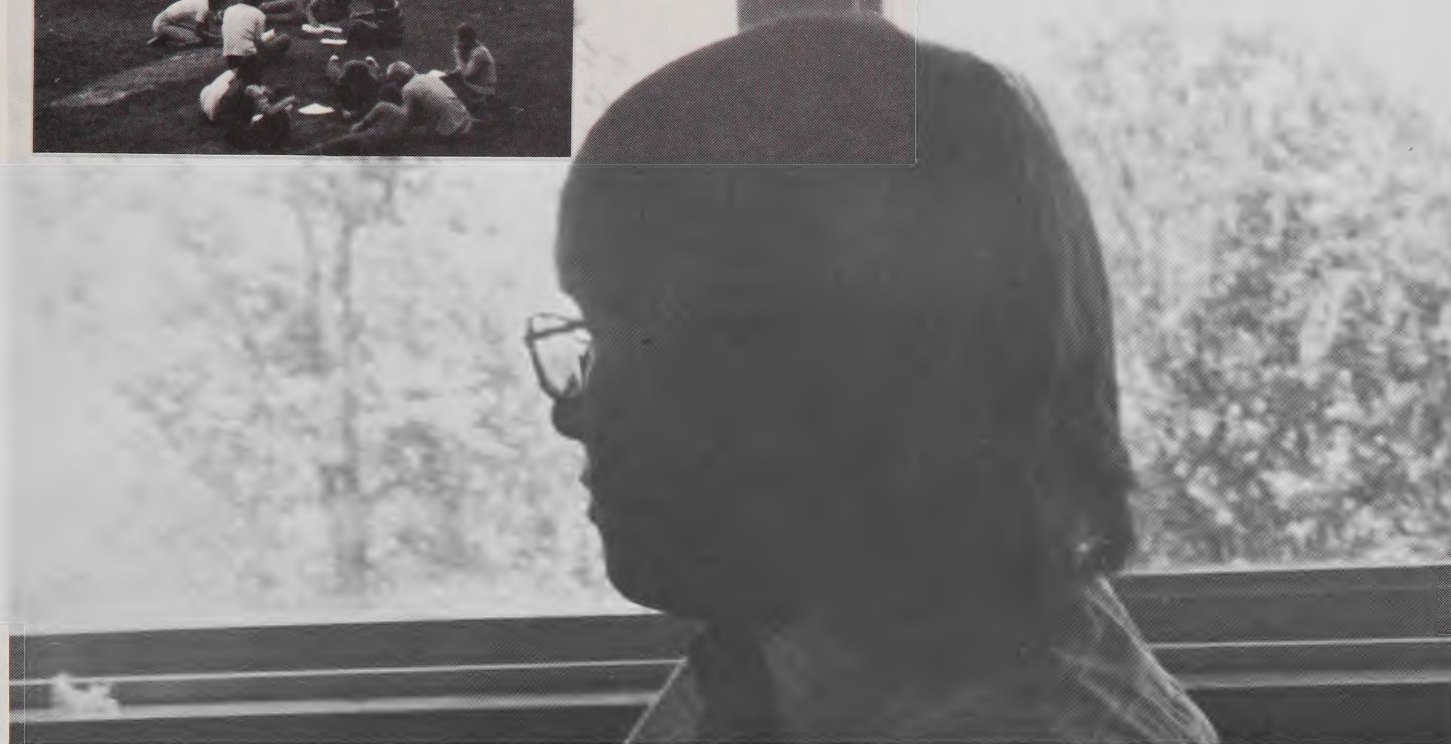

In America, our means of establishing the most effective amount of control is a system of Checks and Balances. This system prevents any one branch of government from gaining too much power. Congress can check the Executive Branch, the Executive branch can check Congress, the Supreme Court enforces the Constitution, therefore protecting the people. Without this system, it would be comparatively easy to have too little representation and possibly too much representation.

With the occurrence of Vietnam, the Cuban Missile Crisis, and, of course, Watergate, Americans have become increasingly cynical and distrustful towards their government. It seems that there has never been such a large scale of corruption and dissatisfaction. However if we look back to the years 1865-1869, we would find the near impeachment of Republican President Andrew Johnson, a move that would have given a radical Republican group power over

all branches of government. Half a century later would find us to the term of Warren G. Harding, an extremely popular President. During his administration Attorney General Harry Daugherty sold pardons, paroles, and liquor permits to criminals, Charles R. Forbes, head of the Veterans' Bureau, swindled the U.S. out of \$250 million by taking bribes from contractors and supplies, and perhaps the most famous scandal of the Harding administration, the Teapot Dome Affair.

The U.S. has obviously had times just as corrupt as Watergate, etc. History has proven that we have always mastered these black periods. However, while we cannot change these periods of history, we can do something about the future. Our future. Many young adults feel they cannot find any basis for pride in

America. If this is so, why don't we work to establish a basis, one of our own? Today's youth is so capable of improving our present situation. We can do it, if we only would. Pride in America can also come through self-pride. It is never too early to begin improving the future.

The Ottumwa High School Marching Band is now under the direction of Mr. Barney Onerheim with Mr. William Corneluis as assistant. Having a successful marching band was a good way for Mr. Onerheim to start out his first year here at OHS. Mr. Onerheim believes that the best kids in the state of Iowa are in the OHS music program. They are all self-sacrificing, devoted kids.

The OHS band activities for 1975-76 included many concerts, the musical "Carnival", solo and ensemble contests, the Tri-Cities festival, and the marching band which appeared frequently at the home football games. The band also did many community

services throughout the year.

Mr. Onerheim feels that each concert is getting better and better and one can't ask anymore of the kids than the desire to improve. He also said, "We are beginning to equalize all phases of music . . . string program, concert and marching band, and jazz ensemble music.

Mr. Onerheim also expressed how much he was impressed with the school and it's fine faculty. All students seem to have a good positive action towards leadership.

The OHS music department is looking forward to an even more successful year in 1976-77.

Sophomore Band Shows Talent

The Ottumwa High School Symphony Orchestra, which involves 47 student musicians, is now under the new direction of Mr. David Patterson.

The Symphony Orchestra performs a variety of music at festivals and concerts all over the state of Iowa.

The Symphony Orchestra practices frequently to prepare themselves for various contests and festivals throughout the year. This year, Ottumwa was the host school for the 1975-76 Tri-City Festival. This involves bands, orchestras, and choruses from Ottumwa, Burlington, and Davenport West who will be competing against one another.

On May 24, 1976, the OHS Symphony Orchestra concluded their performances by giving a short concert at the 1976 commencement exercises.

The Pep Band performs at a pep rally in the gym.

The OHS Jazz Band, under the direction of Mr. William Cornelius, has participated in jazz festivals around the state of Iowa. Some of these include performances at Augustana College, Cedar Falls, Kirksville, Missouri, and Washington, Iowa. The Jazz Band also travelled to Moravia for a concert at Moravia High School. Last March, the OHS Jazz Band took third place in the Fifth Annual Washington, Iowa, Jazz Festival.

In addition to being an educational organization, the Jazz Band is partially a service organization for the school. They are frequently called upon for spot appearances. The Jazz Band can also be found in the balcony of Evans Auditorium during home basketball games playing as the pep band.

The Concert Choir (Junior - Senior Choir) is a performing group of 85 singers. This type of mixed group has been in Ottumwa High School for as long as the school itself has been in existence.

Under the direction of Mr. Merlin Schneider, the groups main performances during the year were school concert presentations. The Fall Christmas Concert was the first presentation of the year, which was followed by a February musical program. The year's end was highlighted by the Tri-Cities Festival, which was held last May.

The All-State Musicians have been selected from Iowa Schools since the beginning of All-State Festivals in 1948. They include players of band and orchestra instruments and also vocalists. These students are selected by State Auditors

in October. They are truly the finest musicians in the state of Iowa.

The students chosen from OHS are students of Mr. Onerheim, Mr. Cornelius, Mr. Patterson, and Mr. Schneider. The fall of last year was filled with rehearsals in preparation for those students trying out for the All-State Music Festival. The statewide selection is made in October. Those chosen as All-Staters from the state of Iowa gather together in Des Moines and Ames for a two-day rehearsal for band, orchestra, and chorus in preparation for the All-State Festival concert.

A special recognition should be given to these fine performing musicians of OHS who were chosen the best in the state.

There have been two mixed choruses at Ottumwa High School for many years. The Sophomore Chorus is a building and stepping stone for the Junior-Senior Chorus. It brings together, for the first time, the singers from the junior high schools. The singers become acquainted and learn to work together as an organization that requires a high degree of discipline and control.

First on the performance agenda for the Sophomore Chorus was the Christmas concert followed by the school concert in February. The final performance was in May at the "pop" concert.

The Treble Choir, an all-girl vocal group, has been in existence at OHS for many years. Several years ago it included only the girls who were not involved in any other vocal organization. Today, the girls chorus includes all girls who are not involved in instrumental groups. Because of this change, the group is larger and is able to perform more difficult music with greater success.

The Treble Choir is performance oriented. Their first

presentation was the Christmas concert. This was followed by a presentation for the February school concert. The Treble Choir also performed at the May "pop" concert.

The Madrigal Singers were first formed in 1961. At that time the number of students chosen to form the group was fewer than today and they sang basically Madrigal style literature. Today, the organization is much larger and all types of music are studied.

The Madrigal Singers are the most involved vocal group at OHS. They sing not only in several school concerts, but in the community for service clubs, women's clubs, and other gatherings of all types. The Fall opened with All-State music preparation, All-State tryouts, and the Festival. At Christmas time, many community groups were entertained by the Singers. A January school concert was the mid-winter presentation. They ended the year with the State Ensemble and Solo Contest and the "pop" concert last spring.

Fine Arts Festival Is

April 6, 1976. This marks O.H.S., first Fine Arts Festival which proved to be an outstanding success. Over 300 students performed events, ranging from chamber music to the use of a pottery wheel for a continuing audience of more than 800 students.

Just recently organized, the Fine Arts Department displayed an exciting array of music, drama, theatre, and art. The festival lasted the entire day and continued on into the early evening for the public. Events were presented both in the gym and the auditorium. The Don Blew Trio completed the festival with a free, hour long concert.

Hopefully, this colourful program will be presented annually, for as explained by one participating instructor, "It was the best way we could think to get our students before others in the high school." But what are the chances of the festival becoming an annual event? Considering Principal Lewis Dye's comment, "It was just fantastic, really great," it appears that the Fine Arts Festival shall become a regular outstanding success.

What is a yearbook? To some it is a public relations medium for the community. To others it is a bunch of pictures inside two covers. But for all of us, a yearbook is an everlasting treasure of memories which remind us of those three youthful years at our high school.

A lot of time and effort goes into the production of a yearbook. The staff makes a desperate attempt to capture school life for one year within 200 pages. This is not an easy assignment to cover. And, of course, many aspects of school life go uncovered due to many technical problems.

The yearbook is a one-shot project. Once it goes to press, it cannot be changed. Therefore, sometimes it becomes a source for much criticism. The staff encourages criticism so that we can make each year's book a little better. These 200 pages may look simple, but a lot of thinking goes into each page before it is published. We need imaginative minds. If you have one, come on in and lend a hand.

What is a Thespian? We hear that word quite frequently on the daily announcements and very often we see many students scratching their heads and shrugging their shoulders. Thespis (a Greek playwright and actor) was the first person to step outside of the chorus and speak as an individual. Thus, he was the first actor. Thespians take their name from him.

The Thespians, along with the Drama Club (totaling approximately 65 members) made four presentations this year under the direction of Mr. Mike Ernst. They began with the Chili Theatre presentation of "Bits and Pieces, USA." The fall presentation was TO KILL A MOCKINGBIRD. The musical drama, CARNIVAL, was successfully presented in late March and the final presentation of the year, I REMEMBER MAMA, was presented in early May. All of these dramatic productions proved to be quite successful for the OHS Drama Department in 1975-76.

French Club Visits Clinics

The French Club was established during the 1973-74 school year. This club enables French students to learn more about the language and cultures of the people who speak it in situations other than in classrooms.

The French Club sells cheezes every year to earn money. They frequently visit language clinics in surrounding towns and try to promote travel abroad. The club sponsors parties in which French foods are served and also makes an attempt to promote school spirit by putting up French banners in the hallways. In the near future, the French Club is planning to interact with other French Clubs in neighboring communities.

The Health Careers Club was chartered in 1955 with 15 charter members. It was organized for girls who were interested in nursing. Members did volunteer hospital work and this service continues as an activity of the club today.

The club is an organization for any student who is interested in health careers as opposed to nursing only. Programs are scheduled once a month which are related to some area of health careers. Films and speakers are most frequently used. Club members have money making projects and every two years a trip to four health facilities is taken. The club members are discussing a way of doing some community projects for the upcoming year.

The OHS Student Council, advised by Mrs. Mary Zesiger, has a current membership of 24 hard-working individuals. It was first formed in 1923 in order to develop a high type of school citizen to aim for a greater spirit of democracy.

The Student Council organization promotes harmonious relationships throughout the school, stresses good student-teacher relationships, improves school morale, assists in the management of the school, and promotes all things that are good for OHS and the community.

At one time, the Student Council had a student court where a student was tried for such things as being in the hall without a pass, leaving before the bell rings, etc. Sentences were usually confined to time spent after school. In recent years, this justice system has been abolished.

In 1975, the Student Council raised over \$7,000 in money-making projects, most of it going into the construction and maintenance of the lounge. The Council has been very active in community projects such as UNICEF and Muscular Dystrophy campaigns. School projects included Homecoming activities and assemblies, dances, and the March 22-27 Winter festival. They ended the year with a successful Recognition of Winter Sports Week (ROWS) in which the students and faculty had a week of fun and laughter.

Nationally, Future Homemakers of America was first organized in 1945. Home Economics Related Occupations was organized nationally in 1971, and the first FHA-HERO Club was organized at OHS in 1975.

This is the first year for HERO at OHS. Its objective is to help young adults assume their roles in society through areas of personal growth, family life, vocational preparation, and community development. They finance their own projects through money-making activities.

The organization has attended district and state meetings as a class and also organized a Christmas party last December. They constructed a homecoming float and also decorated downtown windows for the event. HERO also spends a lot of time working with the community on various projects.

HERO's 29 members are very pleased with the progress of this first year organization.

The Distributive Education Clubs of America (DECA) is an organization whose program of leadership and personal development is designed specifically for students enrolled in Distributive Education. It is a program of instruction which teaches marketing, merchandising, and management. DECA was founded in October of 1946. There are approximately 400,000 members nationwide.

The OHS chapter of DECA has been to conferences in Burlington, Madrid, Des Moines, and Chicago. These conferences are very worthwhile because it gives the different chapters an opportunity to share new ideas.

DECA, sponsored by Mr. Michael Thies, has sponsored many projects during 1975-76. These include the Donkey Basketball game, blood donations to the Blood Bank, and also selling Halloween insurance to Ottumwa merchants.

ROW 4: Jeff Stevens, Jim Stevens, Ken Anderson, Stan Harsch, Jim Farnsworth, Jim Marts, Jeff Bernard, Mike Bainbridge.

VICA (Vocational Industrial Clubs of America), under the guidance of Mr. Frank Fleagle, currently has an enrollment of 64 members. This organization strives to develop leadership ability, to help students attain a purpose in life, to create enthusiasm for learning new ideas, and to establish realistic vocational goals.

The Ottumwa chapter of VICA has accomplished many things during 1975-76. They have sold various items such as candy, candles, and raffle tickets. Also, besides attending VICA conferences around the state, they sponsored the Valentine's dance, built a homecoming float, and participated in the Octoberfest activities last fall.

VICA is becoming a popular organization among the student body. A lot of hard work and determination on the part of each member is a necessity in order for this organization to work. So far, it's working.

The Office Education Association was established in 1966 as an independent youth organization for students enrolled in high school and post-secondary office occupation programs. With a membership of more than 56,000 students, it is designed to develop leadership abilities in the American business world and competency in office occupations.

Office Education week (February 8-14, 1976) had special significance this year. This year marked the Tenth Anniversary of OEA. The Otumwa Chapter planned a variety of activities in observance of National OE week.

This past year, OE held a Thanksgiving Food Basket and Christmas toy drive as service projects. OE members make an attempt to have a social get-together each month. This tightly knit relationship makes for a successful organization.

The Future Teachers organization is a program for high school students who are interested in going into teaching as their profession.

A tutoring program was developed in order to give each member an opportunity to work with young children on a one-to-one basis. This becomes a very meaningful experience for both the future teacher and the student. The club also visits surrounding area schools to observe the many different methods of teaching.

The Future Teachers organization is a very worthwhile experience. It gives the student an opportunity to see the skill and work involved in being a classroom teacher in everyday situations.

Can you imagine what the library would be like without any librarians? Probably very unorganized. This is why many students feel that it is necessary to help out the regular staff whenever possible.

As long as anyone can remember, students have helped in the library. A number of years ago, they were organized as a club, but this has not been active for some time.

The student assistants perform very essential services, and without their help it would be difficult to run the library. Most of their duties consist of working at the Circulation Desk where they check books in and out, check passes, and shelve books. They also assist with the circulation of magazines and the verticle file.

Many duties around the building need the assistance of students for a flow of cooperation. The student librarians serve as an important part of our school library.

Dixie Larson serves as an important student librarian.

Key Club Develops Leadership

Key Club was first started in May of 1925 in Sacramento, California. It is a service club doing projects for both the school and the community. Key Club strives to develop the qualities of leadership, initiative, and citizenship in its members. It is sponsored by the local Kiwanis Club and is very unique because it is the only high school club sponsored by an outside organization.

During the Octoberfest celebration, Key Club operated a concession stand. During the Christmas season, they made and distributed bicentennial souvenirs to elderly people in the community who are not able to get out of their homes.

Key Club may appear to be small in number, but it is big in achievements.

Upward Bound Cites Goals

The Upward Bound programs at OHS is a pre-college program for all high school students. It involves a six-week summer program at a sponsoring college and then a follow-up program at the high school during the regular school year.

The OHS Upward Bound students are sponsored by Central College in Pella, Iowa. Mr. Ed Banfield is the director of Upward Bound activities at Central College. Mrs. Curfman has taught two years in the Upward Bound program and has been the OHS sponsor for Upward Bound students for the past four years.

Cheerleaders Show Great School Spirit

The cheerleaders here at OHS are often times taken for granted. They are always there cheering on our teams to victory but many times their efforts go unnoticed. The girls put in many long hours practicing their routines until they are perfected. Then they demonstrate this perfection at all of the school's sporting events.

This year, besides cheering at school activities, the cheerleaders have been working hard on their money-making projects. Through their determination, they have already earned enough money for new cheerleading outfits for the 1976-77 school year.

The OHS cheerleaders are always there, whether the crowd notices them or not. Some ask why we need cheerleaders; others wonder what school spirit would be without them...

A.V. Club Aids Faculty

Audio Visual-ROW 1: Kim Hobbs, Melody Foster, Vickie Hull. ROW 2: John Potter, Advisor, Russell Gladdern, Sharon Anders. ROW 3: Terry Lee Lumsdon, Karl Wiltz.

The Ottumwa High School Audio-Visual Club was formed in 1963 with Jack Pence, a veteran teacher and coach, as its sponsor.

In 1965 Mr. Pence retired from the Ottumwa school system and John Potter, Industrial Arts teacher at Franklin Jr. High School, transferred to the High School as Audio-Visual Director.

The Audio-Visual student assistants were organized to help teachers and students whenever possible from minor repairs of the equipment to setting up the equipment for use in the classroom.

The equipment found in the Audio-Visual Resource Center ranges from 35 MM Slide Camera, Polaroid, 8 MM Bolix, 8 MM projectors, 16 MM Projectors, Record Player, tape recorders, up to Video tape camera and recorders.

Within recent months the Audio-Visual Department is capable of sending a live video or taped signal via cable to any room in the building.

The Audio-Visual Department is presently developing a collection of multi-media materials such as filmstrips, records, open reel, and cassette prepared tapes. Many of these are in kit form with printed instructional booklets.

The ultimate goal of this collection is to aid the learning process and to improve instruction. In addition to the printed professional materials that keep teachers informed about developments in learning resources, the resource center provides the actual materials and devices so that teachers may examine and become familiar with them.

They work with new teachers upon their arrival to the building. They have brought in many companies to provide In-Service programs for teachers and student teachers. The student assistants are given the opportunity to travel to nearby communities and visit companies that provide the educational materials.

The Ottumwa High School K-9 Corps was organized in the fall of 1973 to service all athletic functions and to promote school spirit, sportsmanship, and attendance at all OHS athletic events. The K-9 members are frequently seen at all entrances of the sporting events handing out programs.

This year, the K-9 Corps successfully sponsored the homecoming dance in the fall. A lot of hard work went into the promotion of the dance.

Although the 14-member K-9 Corps serves many functions in and around the school, their primary function is to service athletic events.

Speech And Debate Enjoy

Debate-ROW 1: Chris Mondanaro, Debbie Pickens, Deanna Wanat, Brian Barker, Rusty Dennison, Bob Wollenberg, Kevin Caster, Susan Heise, Vanessa Vaal, Joan Rawls. ROW 2: Chris Wolfley, Roberta Beisch, Mike

Brody, Pat Ingram, Gregg Owens, Ted Sporer, Terry Beeler, Kathleen Uehling, Robert Beisch. MISSING: Debbie Fear.

The OHS Debate Team is a competitive team of many years. In 1975, the Debate team was combined with the Speech Team to form one competitive unit. Debate maintains three levels of competition, which are Championship, Varsity, and Novice.

The Debate season, which begins early in November and ends in early March, is coached by Mr. Robert Beisch who took this position in 1963. For nine consecutive years, the OHS Debaters have been ranked in the top five Debate Teams in Iowa (1967-1976). This outstanding record includes three state titles, three runner-ups, and two third place finishes. The Debate Team has sent numerous debaters on to College Debate and 11 are now active as college debaters.

1975-1976 was indeed a good year for the Debate Team. They were ranked third in the State when the last two polls of the season ranked Ottumwa as the number two team in the State. This outstanding season was due to the overall depth in all divisions. They won 29 team awards and 14 individual citations and awards during the Invitational season. The teams major surge came after Christmas Vacations. Many of the 1975-76 debaters will be returning next year.

The OHS debaters scored well in the state tournament last season. In the IHSSA District tournament, they

made a clean sweep by taking first, second, and third places with only three OHS teams entered. In the IHSSA State tournament, OHS took a third place finish.

At the National Forensic League Qualifying Tournament, Roberta Beisch and Patrick Ingram finished first and competed in the National Tournament last June at the Air Force Academy in Colorado. OHS won the overall Sweepstakes Trophy and the Outstanding N.F.L. Chapter in Iowa Trophy.

Since Beisch and Ingram had already qualified for the National Tournament, they did not compete in the Iowa Forensic League State Tournament. However, Terry Beeler, Gregg Owens, Chris Wolfley, and Kathy Uehling were all quarter finalists which resulted in a fourth place State finish.

Many individual awards were received at the end of the Debate season. Roberta Beisch and Pat Ingram were both nominated for the Hugh F. Seabury Award for the Outstanding Debater in Iowa. The winner was selected in June. Mr. Robert Beisch, Debate Coach, was named Coach of the Year at the UNI Tournament last January and Pat Ingram received the Charles Book in Memorial Award which is presented each year to the Outstanding OHS Senior Debater.

The OHS Speech Team is just that—a team. It consists of 35 members (six seniors, 11 juniors, 18 sophomores) working together. Although there are no officers, the Speech Team does have a captain, Senior Kim Bradley, and is coached by Mr. Robert Beisch.

Like the Debate Team, the Speech Team has been a competitive team for many years. Combined with the Debate Team just this year, the Speech season runs from early November until late March. There are twenty different events during the year, including Interpretation, Acting, and Public Speaking in individual events, and Duet Acting, Choral Reading, Reader's Theater, and Mime for the group events.

Sophomores made up the large majority of team members. Because of this, the year was one of rebuilding. By the end of the season, tremendous progress had been made, considering only four members returned from the previous season.

The OHS Speech Team is a member of the National Forensic League, the Iowa Forensic League, and the Iowa High School Speech Association.

Roberta Beisch, Kim Bradley, Robert Davis, and Pat

Ingram were consistent winners at Invitational Tournaments throughout the year.

At the IHSSA District large group contest, OHS captured five I's out of six entries. The IHSSA State large group received three I's out of five entries. Outstanding All-state large group performers were Kim Bradley and Denise Johnson in Duet Acting.

At the IHSSA District Individuals Contest, OHS captured 23 I's out of 31 entries and at the state individuals contest captured 15 I's out of 24 entries. Robert Davis, Marjorie Hain, Julia Aldrich, and Kim Bradley were each named Outstanding Performers there.

At the National Forensic League (NFL) National Qualifying Tournament, Kim Bradley captured second place (state runner-up) in Dramatic Acting and was the Finalist in Prose and Poetry Reading. Roberta Beisch received fourth place in Original Oratory, and the Semi-Finalist in Extemporaneous Speaking was Pat Ingram.

Closing up the season with the Iowa High School Forensic League State Tournament, Kim Bradley was the semi-finalist in Dramatic Acting, while Chris Wolfley was the Outstanding Congress Competitor.

The members of the Ottumwa High School Shark Club successfully displayed their various talents at the annual Shark Club Pageant last spring.

The pageants was entitled "Aqua Boogie" which featured a number of dances from the 1900's to the present. Dance routines ranged anywhere between an early burlesque from 1900 to the West Coast craze in 1975 of "The Hustle."

The "Aqua Boogie" pageant was under the new direction of Miss Mary O'Brien. She was quite pleased with the overall performances of the swimmers. A lot of hard work proved to be well worth the success of the 1976 Shark Club Pageant.

Seniors Are Honored At

D.E.C.A. Girl Student of the year: Connie Payne.

D.E.C.A. Boy Student of the year: Phil McDavitt.

Ottumwa High School honored approximately 100 seniors at its annual Honors Assembly held last Spring. Awards ranged anywhere from top scholastic achievement to outstanding athletes.

Twenty three seniors were inducted into the Torch Club which is the National Honor Society organization. This is the highest academic honor a student can achieve at OHS.

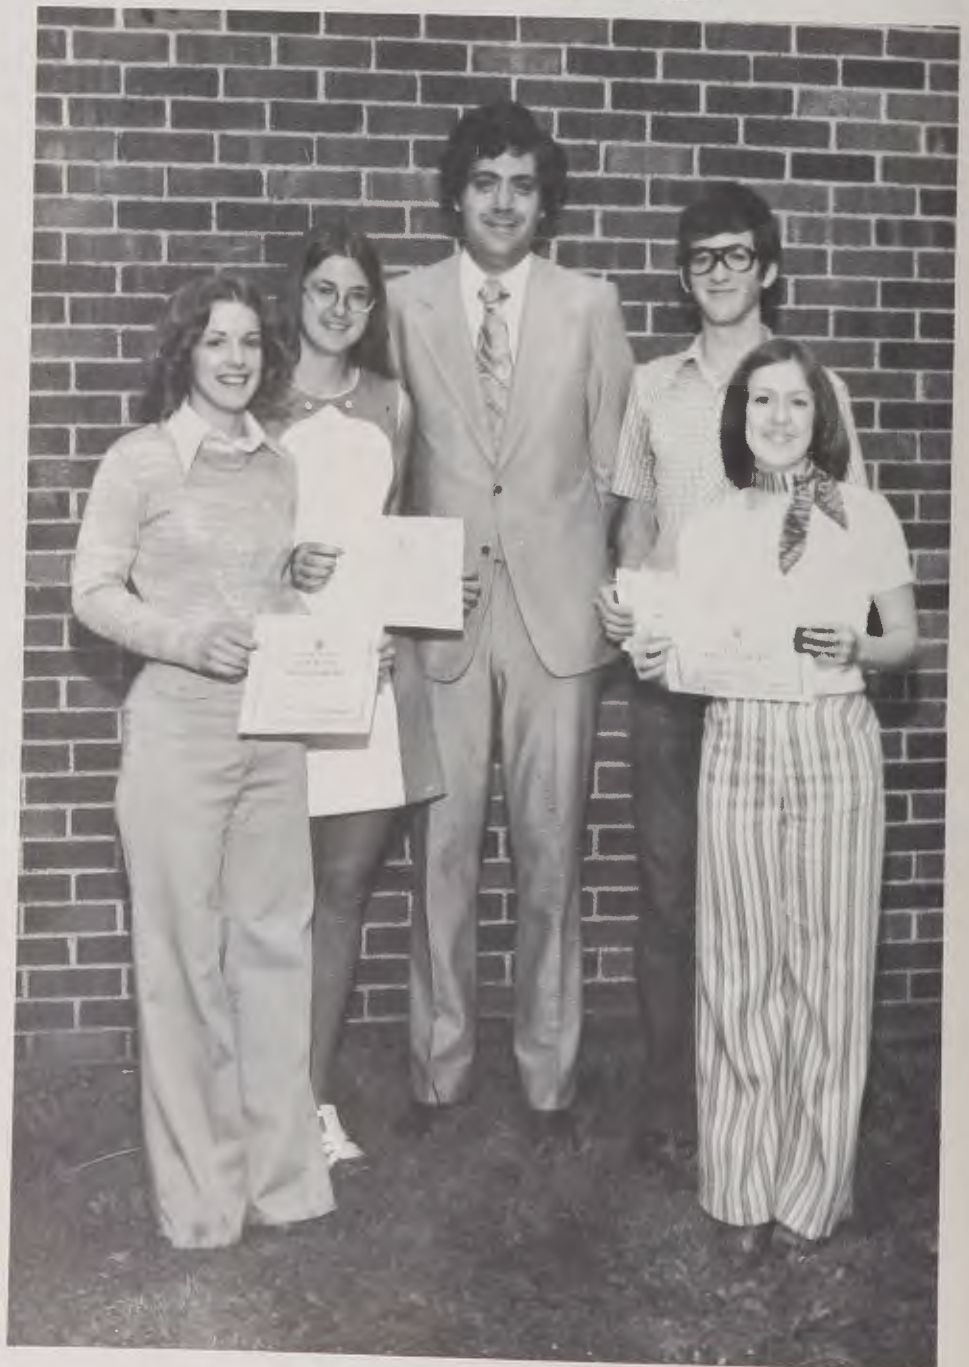

The Iowa State Bar Association awards for citizenship were given to Roberta Beisch, Sue Leyda, Monica Schneider, Stacy Simpson, and Mark Wollenberg.

The Mason Award was presented to Mike McClure while the Art Club Awards went to Lisa Fritz and Jim Streeby.

The Civic Music Awards were presented to Monica Schneider and Jeff Bunjer for vocal music, Jill Swanson for band, and Phyllis Duncan for orchestra.

Other honors included the Student Library Awards, Argus News Most Valuable Staff Member Awards, and the top OHS Debators Awards.

The Student Council was commended for their fine efforts and hard work during 1975-76 by Mrs. Mary Zesiger and Mr. Brony Kastantin recognized the forty OHS seniors who received academic scholarship awards.

Jim Wilcox and Monica Millard are presented top honors by Mr. Hammersly.

Jim Wilcox and Monica Millard were named Ottumwa High School's Outstanding Senior Athletes for the 1975-76 school year at the annual Senior Honors Assembly.

Jim Wilcox was an all-state selection last season in football and also a state medalist in diving competition. Wilcox also played an important role in last season's track team.

Monica Millard was Ottumwa's first girl to qualify for the Girl's State Track meet since the sport began. She was also an all-stater in basketball.

Wilcox was the 19th boy athlete to be honored at OHS while Millard was the fourth girl athlete.

Good-Bye Sylvia Lobo

During the 1974-75 school year, Ottumwa High School had the pleasure of a young, smiling, foreign exchange student from Brasil. Her name was Sylvia Carvalho Lobo.

Sylvia was a Rotary Exchange Student who spent one year here in the United States learning about our culture. Her own thoughts of being here were, "This is my second life, second school . . . all new friends." She

said that she really did not want to go back home and leave all of this behind. Instead, Sylvia wanted to bring her parents here to live forever.

When Sylvia first came to us in Ottumwa, she could barely speak nor understand our English language. She could always be seen with her school books in one hand and her dictionary in the other. But after a few months and summer vacation, Sylvia

was speaking our language flawlessly without the use of her dictionary.

Sylvia's future plans are to be a student at the University of Mogi das Cruzes and a career in architecture.

All of us here at Ottumwa High School, especially those who were very close to Sylvia, will miss her cheery face in our hallways. It was, indeed, a pleasure to have her here for the short period of time.

Welcome Gerry Van Os

The Rotary Foreign Exchange Student at Ottumwa High School for 1975-76 is Gerry van Os from Australia.

Gerry comes from a family of two brothers and two sisters as well as her parents. She also included her dog "Blacky", her pet canarie, and her twelve chickens.

Gerry mentioned that she does miss her native homeland, it's warm climate, her friends, and especially her family. But she said that Ottumwa is such a fantastic place that it is making her feel right at home. She is very impressed with Ottumwa because of the many kinds of people that live here. Gerry said, "Everyone is super-fantastically kind and helpful in making me feel welcome. I also love Ottumwa because it is so old and different to what I am used to. Just about everyday I see something that I

haven't seen before and I really enjoy it."

Gerry is already quite involved in school activities. Some of these include Alpha Delta Chi's Easter Ball, Junior-Senior Prom committee, and the Student Council. She came to school a little late to enter the Spring sports program but she is hoping to join next year.

When Gerry gets back to Australia, she will have to go back to school and redo her Senior year because she receives no school credit for this program. Her school in Australia runs from January to December so she should return just in time to start her final year. After graduation Gerry plans to attend college to work on a professional degree.

"Spirit Of America"

Surrounded by red, white and blue streamers, over 300 students danced to the music of "Rushmore." With "Spirit of America" (which was based on the Beach Boys album) as the theme, the 1975-76 Junior-Senior Prom was quite a success. This success was accomplished through the hard work of the members of the Jr. class and faculty, especially Mrs. Rose, Mr. Blackman, and Mrs. Van Epps.

The decorations added a special touch to the already special evening. Murals (from the album by the Beach Boys, "Spirit of America") were hung on both sides of the gym, while streamers were twisted from the center of the ceiling to the track and on down to the floor. Minnie and Mickey Mouse flanked each side of the band. The walls of the gym were covered with hundreds of silvery stars, each bearing the name of a senior.

Barb Ostrander was chairman of the Prom Committee. By conducting bake sales and selling OHS pennants, enough money was raised to contract the popular local five piece band, "Rushmore", provide free refreshments, and excellent decorations.

And how did the seniors feel about their Prom? Comments ranged from "It was really good," "We had a great time; just loads of fun," to "The music was fantastic; a great success."

So congratulations to the Jr.-Sr. classes for their enjoyable Prom.

The Way We Were

The Graduating Class of '76.

Mr. Dye makes last minute preparations as the graduates file in.

Rushing, hurrying, trying to find a place in school, making new friends, learning new ways of spending your time, have finally come to a day of pause. A time when all good things must come to an end. A time to realize that your place in life is somewhere else. A time to appreciate the way you used the three years for preparation to solve today's problems. Graduation has come at last. Some thought it would never come, and for others it had come too soon. The thoughts, the memories, the dreams, the hopes, all have come to pass. They will never be forgotten of Ottumwa High School. Ottumwa will never be disregarded from the students' minds, in that it served an essential purpose in bringing the student's potential and hidden talent to the fullest possible in the three year span.

Athletics

Competition. What's it all about? The dictionary defines it as "an effort to outdo a rival in business or sports."

With all the many forms of athletic activities today, it is hard to specialize in one area. Not only are there so many different sports, but there are a lot of different levels and divisions. Is it any wonder that so much emphasis is put on athletics today?

Just as society changes with the times, sports have also become quite commercialized. New equipment, higher paid salaries, and long term contracts make the super-hero athletes some of the best paid men and women in the world today.

What about sports on the highschool level? The pressure always seems to be great and pride is forever on the line.

New ideas and promotion of athletics has recently had quite an effect on sports on the high school level. More and more scholarships are offered to those who stand out in a particular event.

It would be hard to determine the most popular of seasonal sports, but probably football and basketball

would rate numbers one and two, in no particular order. High school events have a reputation for being highly motivated, competitive, and spirited activities. A lot of time, practice, physical and mental training goes into the making of a team no matter what level.

This is also the year of the Olympics; sports on a world wide basis. Every country has a lot at stake by going into such a significant and important happening. It is more than competition at this level. It no longer means athlete against athlete. It goes deeper to become country against country, ideals against ideals, race against race, and leadership against leadership. But can this result in too much of a good thing? A tragic example is the 1972 Olympics in Munich, Germany, when several Israeli competitors were murdered all because of discontentment between countries concerning ideals and beliefs.

This year, the 1976 Olympics in Austria were highly successful.

It is the dream of every American athlete to win a gold medal for the United States in an Olympic event. Only the best in the world can do this and one step to getting there is competing in high school athletics.

In his first year as Bulldog grid mentor, Coach Dave Clement brought a fighting and spirited brand of football to O.H.S.

Never outfought, the Clementmen, winning four out of nine, were usually long in first downs and short in scores. With co-captains "Spinner" Spence Byrum and Larry Chmelar spearheading the attack, the Red and White gridders fast moving and intricate plays provided thrills aplenty.

After downing Muscatine in the seasons opener, Keokuk and Burlington provided successive stumbling blocks. But Homecoming hopes ended on a cheerful note as the Bulldogs effectively downed Oskaloosa. A touchdown scarcity then beset the squad with losses to East Peoria and Fairfield. Not giving up, the gridders dug in and won back to back thrillers against Mount Pleasant and Newton. Then with a winning season within reach the Bulldogs lost

a heartbreaker to underdog Clarinda.

At the close of the 1975 football season there was a definite air of optimism on the O.H.S. campus. The fighting spirit and determination displayed by the squad somewhat offset the balance of past defeats.

In keeping with the new look in Bulldog grid fortunes, the Clementmen managed to outplay many of their opponents. The old refrain of "Wait till next season" seemed to be nearer fulfillment than in past years.

Bulldog Jim Wilcox won recognition as an end on the All-state Fifth Team. Spence Byrum, Joe Frana, and Jr. Rick Rozenboom were elected All-state Honorable Mention.

Coach Clement and the 1976 Varsity Squad hope to go on and become champions for the 1976-77 Football Season.

The Ottumwa Bullpup Football team, coached by Bill Kramer and Mark Dalton, finished the 1975 season with a winning record of 6 wins 3 losses.

The season itself got off to a cold start losing 2 out of the first 3 games. These were lost by considerable margins to Muscatine and Newton. After shaking off these loses, the Pups came back with a 3 game winning streak before losing a heartbreaker to Centerville in the last seconds. The Bullpups closed the season with a winning record, the best since 1972.

Most of the offensive yardage was gained on the ground with a remarkable rushing attack for a total of 1,898 yards. Leading rushers were Chris McBeth, followed by Jack Holmes. In their passing game, a total of 751 yards was gained with the leading receiver being Joe Curran followed by Dave Williams.

Defensively, the Pups proved to be a strong team also, giving up an average of only 16 points a game. The leaders in tackles were Dan Celania and Jeff Miller.

With a balanced team both offensively and defensively, prospects for next year look good.

Successful Events Mark 1975-76 Homecoming

Silvia Lobo: "I feel that Homecoming is a very good idea because I feel the ballplayers will do better because it's exciting. I wish we had it in Brazil."

Rex Jones carries for a gain during the victorious Homecoming game at Schaffer Stadium.

Homecoming 1976 was one that will remain memorable to O.H.S. students and faculty.

Monday, September 22 opened the week of events with the traditional powderpuff game and bonfire. After three days of practice and preparation, the Red team was ready to take on their temporary rivals, the White team. It was a tough defensive game, with only one touchdown being scored in the fourth quarter for the Red team. Following the game, the atmosphere became filled with school spirit and determination as the students gathered around the bonfire.

The spirit and pride was carried over into the community as many school clubs and organizations participated in painting the windows of downtown businesses. The cheerleaders took first place in the competition with their entry at Seifert's window.

Friday, September 26 was a busy day for everyone at O.H.S. After a rousing pep assembly in the afternoon, the Homecoming Parade was held, starting at the high school and going through downtown Ottumwa. At the end of the parade, Ed Bogden was elected O.H.S.'s first Homecoming King. The Senior class took first place in the float competition with the theme, "Time for a Victory."

During halftime of the game with Oskaloosa, Diana Sims was crowned queen. In her court were Julie Larkin, Janet Larsen, Carol Young and Amy Von Schrader. Excitement reigned as our football game proved to be one of the most thrilling of the season. Our players put up a good fight and came away with a 28-14 victory. Following the game, Queen Diana and her court reigned over the Homecoming Dance which was held in the gym. It featured the band Dark Horse. The turn out was one of the best in OHS history. This was a great climax to the interesting events of the previous week of excitement.

Dennis Fleming: "Shows the pride in the school."

Jane Stewart: "Kings and Queens should be based on involvement in school, not a popularity contest."

Mr. Kramer: "If there is enough student involvement, I think it is great. I feel it would bring the students, faculty, and community closer together."

The 1975-1976 OHS Wrestling Team awarded Senior Chris Carr their annual "Outstanding Wrestler" trophy at the Wrestling Banquet March 15th. Chris's record for the year was an outstanding 16-9-1. Co-captain Rick Rozenboom, junior, was named the team's "spark plug" with a 19-8-1 record for the season.

The "Most Improved Wrestler" award for the season went to Junior Ray Duning, who started the season on the J.V. team, but finished with a 12-8 Varsity record.

Other honors were awarded to Senior Rick Tiegs for the most pins in the season and Chris Carr was given the award for the most take-downs.

Coach Larry Kilmer was quite satisfied with the team's performance for the year and he is looking forward to an even more successful season in 1976-1977.

Rick Boyd adds six points with a pin.

Girl Swimmers Finish 7-7-1

This was the third year for girl's swimming with a full schedule of dual meets. The Bulldog gals placed second this year in the 1st River Valley Conference meet behind a very strong Burlington team. They ended their season with an impressive 7-7-1 record, winning twice as many meets as in the previous two years combined.

"It was quite a year for us when you consider that the girls broke all previous records except for the 100 yd. backstroke."

The main problem this year had to be lack of depth. They had good swimmers but they just didn't have enough in some of the events.

Chosen most valuable swimmers of the season were freshman Karen Wilcox and junior Jean Maixner. Both of these girls have great potential and are not afraid to work. They were major point winners for the team throughout the entire season and were leaders and great boosters for the entire team.

Chosen the swimmers who had most improved throughout the season were junior Liz DeKraay and senior co-captain Anne Steffen. Both of these girls showed a 10 second time drop from the previous year. Ann now holds the school breaststroke record with a 1:27.9 clocking and Liz was just a few seconds off the record set by Theresa McGiverin in the 100 backstroke.

"I'm looking forward to an even better season next year," said Coach Mary O'Brien. "Of course, the loss at graduation of 6 seniors will hurt us so we'll be counting on the performances of our 12 returning varsity letter winners."

Bulldogs Finish 12-8

This year's Boy's Varsity Basketball team will be remembered as one which started shakily by losing four of their first five games and then had a direct turnabout by winning eight straight before losing a disputed ninth game by one point. The team then ended the season with a 12-8 record.

The turnabout was the result of the development of a team with excellent balance and a brilliance verified by setting a new OHS shooting record of 47.15%.

The Bulldogs had four players in double figures this year led by the team's Most Valuable Player, Mike Courtney, and his record setting 56.8% shooting

average and a 21.3 point average. Following Mike were David Wilkinson (13.3), Jon Ferguson (12.5), and Pat Flahive (12.4). The Most Improved Player of the year was Doug Mottet who developed into a whizz on defense by his fine play against some of the best big men in the state. Jon Ferguson also made his mark in the record book by becoming the third best assist leaders in OHS history.

Although the six seniors will be missed next season, the sophomore and junior players should be very complimentary to each other to form a fine team next year.

David Wilkinson goes up high for a jump shot over the Fairfield defense.

Girls Finish 21-6

The fourth edition of the Ottumwa High School Girl's Basketball team got off to a very fast start by winning fifteen of their first sixteen games. Included in this string of victories was an opening game upset of No. 9 rated Urbandale.

This early season surge was the Bulldogs vault to their highest IGHSAU rating in history—9th place. The second half of the season saw the Bulldog gals complete their third straight twenty game victory season with a 21-6 mark and third place finishes in both Sectional and District Tournaments.

Monica Millard became OHS third All-State performer as she received fourth team honors from the IDPA. Jo Billings and Jody Wilkinson received Honorable Mention Status.

Awards voted on by the squad and presented at the annual banquet were: Most Valuable

Player—Monica Millard; Hustle—Jo Billings; and the Oil Can Award—Connie Payne.

The OHS Bullpups, under the direction of Coach Lloyd Patrick, recorded their finest season in the history of Girl's Basketball by completing the season with a 19-1 mark. Rhonda Terrell and Connie Fogle headed the attack while Kelly Keep and Lisa Foxx spearheaded the defenders.

Varsity Coach Frank Huston is quite optimistic about the 1976-77 season. "With three successful back-to-back seasons, six girls returning who were starters (Jody Wilkinson, Paula Stufflebeam, Kelly Longstaff, Kathy Pickrell, Shari Gottschalk, and Kim Boitnott), plus a very fine group of upcoming Sophomores, the outlook for a winning tradition in Girl's Basketball is here!"

SWIM TEAM

"Two new school records, constantly ranked 16th all season, second in District (which is the highest finishing in OHS history), is not a bad season for a relatively young and inexperienced team," says Coach Mike McWilliams.

Next year, 11 out of the 14 varsity swimmers will be returning for the 1976-77 season.

"Next year should be an even stronger team," said Coach McWilliams. "We will have good strength in our backstroke events and we expect a good showing in every other event."

Coach McWilliams also pointed out that the work-outs really helped the team to develop it's skills. "Most of these kids were swimming up to 10,000 yards each day."

The loss of Seniors Jim Wilcox, Gust Soteropulas, and Joel Hulke will hurt the team in the areas of strength and leadership.

Wilcox, during the 1975-76 season, took first place honors in the Conference and District meets, and he finished sixth in the State Tournament. Hulke turned in many outstanding times in the 500 and 200 yard events.

Gust Soteropulas led off the 400 free relay team of Bruce McGiveren, Craig Bauerle, and Curt Zimmerman, which captured eighth place in the state meet. Curt Zimmerman placed sixth in the 200-yard freestyle and eighth in the 100-yard backstroke. OHS finished eleventh in the state tournament.

Coach McWilliams and the swimming team members are looking forward to an even more successful season in 1976-77.

Varsity Track Team-ROW 1: Mike Kirby, Jack Holmes, Larry Starr, Jim Chebuhar, Dave Williams, Jeff Schrantz, Tom Langland, Paul Sandell, Roger Langhoffer, Tom Gettings, Ed Claussen, Joel Hulke. ROW 2: Vic Winston, Steve Darnielle, John Ware, Jeff Bates, Kent Pilcher, Dave Wilkinson, Jim Wilcox, Larry Chmelar, Steve Wilson, Randy Woodard, Gary Kosman, Rex Jones, Mark Woofert, Laura Swanson, Steve Morrissey.

ROW 3: Coach Ron Utech, Coach Mike Milby, Mike Farrier, Eric Winston, Je Hillje, Mark Clarridge, J. D. Peters, Billy Mathis, Jeff Buchholz, Bob Axtell, Joe Curran, Gary Freeman, Tom Guiter, Pat Odgen, Pat Flahive, Coach Harold Stevens, Head Coach Robert Warren. ROW 4: Bob Jay, Steve Merkey, Bruce Pedrick, Mike Gee, Jim Streeby, Chip DeKraay, Bill Peden, Jim Nickerson, Ron Roberts, Rick Johnson, Nick Workman.

One of the most successful athletic teams at OHS is the Ottumwa High School Track Team, coached by Mr. Robert Warren, Mr. Harold Stevens, Mr. Ron Utech, and Mr. Mike Milby.

Track is largely made up of individual events. Outstanding individual performers were Larry Chmelar, throwing the discus 151 feet and 3 inches; David Wilkinson, High-Jumping 6 feet, 4 inches; and Jim Chebuhar's outstanding times in the 880-yard run. At the Atate Federation Indoor Meet, Ronald Roberts set the fourth longest jump in OHS history by jumping 21 feet, 2 $\frac{3}{4}$ inches in the long-jump.

However, OHS also had excellent relay teams. Ronald Roberts, Tom Guiter, Joe Curran, and Jim Nickerson compiled one of the fastest 880 relay teams in the state, with a time of 1:31.9. In the mile relay, Tom Guiter, Joe Curran, Jim Nickerson, David Wilkinson, and occasionally Ronald Roberts captured fourth place at the Drake Relays. Their best time for the season thus far has been 3:24.5, third fastest in the state.

At the Burlington Dual Meet, OHS was defeated 97-45, but came back to lick Newton at the Newton Dual Meet 89-49.

OHS finished the 1975-76 Track season with the Ft. Madison Relays and the District and State Meets.

Ron Roberts shows his long jump style.

Gymnastics-ROW 1: Tammy Walker, Leslie Smith, Sue Rourke, Joan Roush, Kelly Murphy, Trisha Buttell. ROW 2: Kelly Regner, Julie Zimmerman, Holly Taylor, Laurie Sawyer, Becky Gross. ROW 3: Mr. Buttell, Kathy O'Lear, Lisa O'Lear, Julie Thomas, Karen Owens, April Schrieber, Shelley Hutton, Stacy Simpson.

Gymnasts honored at assembly.

Ted Buttell's gymnastics team completed another highly successful season leaving behind a record book that was totally rewritten. The team's roster was comprised mainly of talented underclassmen who were bolstered by team main stays Senior Captain Stacy Simpson and junior April Schrieber.

Highlighting the season was the district team title which advanced the whole team to regionals. In Regionals, Buttell's team placed 7th, with Stacy Simpson advancing to state in floor exercise, one of the toughest events in which to advance.

Next year looks very promising because of the experience the underclassmen now have. To help lead the team on will be co-captains Karen Owens and April Schrieber.

Monica Millard shows her style which qualified her for State.

Connie Fogle puts the shot.

Karen Otis flies over the hurdle.

Girl's Track Shows Improvement

Girl's Track—ROW 1: Lisa Mosher, Diane Muldoon, Lorie Vaughn, Connie Fogle, Julie Larkin, Dana Ferguson, Terri Moore, Sheila Bunnell. ROW 2: Coach Lloyd Patrick, Brenda Sammons, Connie Johnson, Sherry Simpson, Desi Kranz, Patty Bunnell, Monica Millard, Karen Owens, Leone Harper,

Kay Larkin, Sue Stegeman, Coach Mary O'Brien. ROW 3: Managers Jolene Davis and Bonnie Dooley, Julie Bevan, Missy Carson, Karen Jameson, Dina Gottschalk, Stacie Hutton, Joan Bailey, Lisa Foxx. MISSING: Mary Jean VonSchrader, Katie Wilz, Julie Zimmerman.

In its second year of competition, the Ottumwa High School Girl's Track team showed steady improvement as times and distances improved considerably. New school records were set in 10 of 22 track and field events.

The greatest highlight of the season was the qualifying by Monica Millard for the State Track meet in the 100-meter hurdles. Monica set new records in all of the individual hurdle events and also in the long-jump.

Several freshmen competed and were instrumental in setting records in the 880-relay, 440-relay, 100-yard dash, and the high-jump.

With the new surface on our home track and with a good nucleus of young girls returning next year, we can look for better things in Girl's Track at OHS for the 1976-77 season.

Leone Harper gracefully takes a low hurdle.

In State

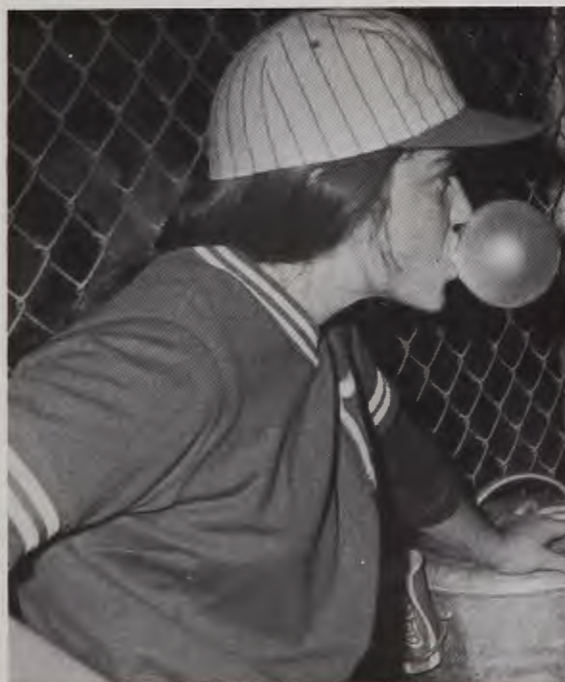

Jody Wilkinson makes a long stretch for a close call at first base.

Coach Huston talks to a dejected team after their only defeat of the season.

Jody Wilkinson shows the power of a .408 batting average.

The Ottumwa High School Girls Softball Team, under the management of Coach Frank Houston took second place in the 1975 Iowa Girls Softball Tournament.

With an outstanding record of 17 wins, 1 loss, the girls maintained their perfect record until the final championship game. Nine of these wins came from Sectional, District, Regional, and State Tournaments. During the championship game, the team suffered a heartbreaking loss to North Polk by a score of 3 to 0.

Team members receiving special awards and honorable mentions were Seniors Jo Billings and Janet Hindman; Juniors Paula Stufflebeam, Kelly Longstaff, Kathy Hugen, Jody Wilkinson and Sue Mitchell; and Sophomore Missy Carson.

The career leaders are Paula Stufflebeam with 110 hits, 56 stolen bases and 134 runs scored. Next is Kathy Hugen with 83 R.B.I.'s, 15 triples, 60 pitching victories and is tied with Jody Wilkinson with 16 doubles. Kelly Longstaff, Jody Wilkinson and Paula Stufflebeam are tied with three home runs each.

Paula Stufflebeam also led in career batting with an average of .447. Kathy Hugen followed close behind with an average of .437. Next was Jody Wilkinson with .408 and Kelly Longstaff with .398.

This years team had a lot of spirit and determination behind them to carry them into the championship game. Ottumwa went into the game ranked second in the state polls. This in itself was a mark of confidence and pointed out the remarkable talent our team was made of. Next year promises to be a successful one also.

Faculty

In the spirit of '76 the OHS faculty leads the way. We found in the midst of the friendly familiar faces of OHS some new and just as friendly faces also.

Take for instance our new head football coach, Dave Clement. He, along with our talented football squad, brought new recognition to our football program.

Our music department has not only one but three new additions. They are Mr. Bernard Ohnerheim, William Corneluis, and Dave Patterson. With them had come new techniques and styles and many other improvements that continue to make the music department of OHS the best in the state.

Miss Deb Houston, coordinator of the Office Education Co-op program, can be found down in room 19. Along with her many other duties, she is responsible for finding and placing the O.E. students in office oriented jobs within our community.

Miss Mary O'Brien is a welcome addition to the OHS staff. As Physical Education instructor, she also is the Girl's Swim Team coach.

Dan Matheney, who is now a part of the Biology department, is a native of Ottumwa. He graduated from OHS in 1964 and served in the Army for two years. He graduated from Northeast Missouri State University in 1968 and since then has taught in Brookfield, Missouri, for years.

James Estey graduated from Des Moines North High School in 1966. He then joined the Navy and traveled to such places as Japan, The Phillippines, and Hong Kong. He became interested in special education and then finished his college education in 1975 when he received his Bachelor of Science degree. He is also a member of the big brother organization.

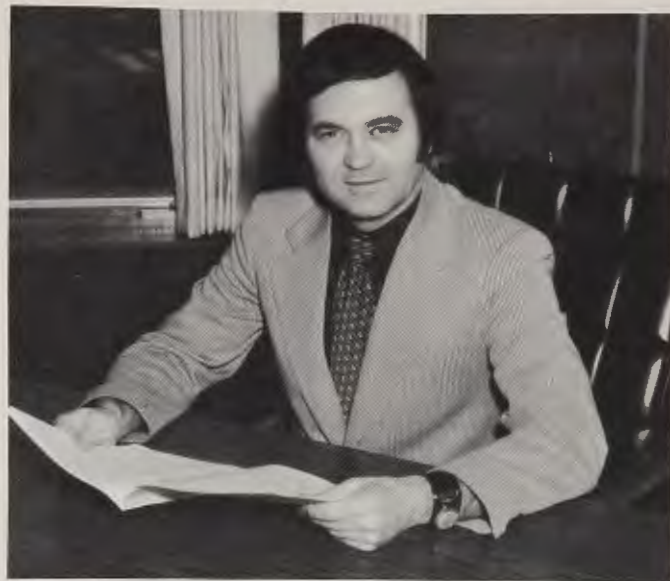

Joyce Johnson, another new Special Education teacher at OHS, graduated from high school in Stickney, South Dakota. In her freshman year, she attended Dakota Wesleyan University. The following summer, as a member of the "All-Student Chorus, USA", she toured nine European countries. Miss Johnson then transferred to Augustana College and joined the Student Council for Exceptional Children. She completed her education by receiving her B.A. degree in 1973. Before moving to Ottumwa, she previously taught in Sibley, Iowa.

This seemed to be the year of change in many areas for the students and faculty. One of the most talked about rearrangements was moving to the six period school day. This eliminated early dismissal from a last period study hall. When this arrangement was first presented before the student body, it caused a flurry of mixed emotions. It was believed that such a schedule would cut down on campus freedom. But with the coming of another change, the Student Lounge, study hall time is not what it used to be.

With all the pride we have in our school, student body, and athletic program, we should take more notice in our fine faculty. They work hard to find new and different ways to make their classes more interesting as well as educational. Only the best of materials are used in aiding the faculty in bringing a new approach to education.

It is a difficult job and there is a lot of responsibility in bringing up the students to meet today's educational demands. The faculty at OHS is meeting that responsibility—and much more!
