

Rhodes High School Alumni Association

From 1890 thru May 30, 1903 there were a total of 38 graduates but to date there had not been an Alumni Association formed. On March 23, 1904 Ben Richards, Lelia Rhodes, Sopha Herbold, Harold Hildreth and Myrtle Daughtery had a meeting, wrote the constitution and by laws and organized the Rhodes High School Alumni Association. The newly formed Alumni Association held a reception and banquet for the class of 1904 given on Friday May 27, 1904 at the "White House" in Rhodes.

*The Rhodes High School Alumni
cordially extend an invitation to you to
be present at the
Fourth Annual Banquet,
to be held in the
High School Reception Room, Friday
Evening, May 31, 1907.*

*Ethel Lei Van, Pres.
Edna Buck, Sec.*

1907 Alumni Invitation

Records show each year from 1904 thru 1915, except 1912 there was a business meeting of the Association held with election of officers and appointment of committees for the social function to be held. There was no recorded business meeting in 1916 and 1918. In the spring of 1917, however, information was that Iva Snowgren, Nina Baker, Lelia Rhodes and some others did revive the Association and ask Edna Buck to assist. Edna Buck just having returned from Yakima, Washington reported in the High School there each year the president of the graduating class handed down to the junior class a hoe to which they tied their class colors and she thought the Rhodes committee might use the idea. The Alumni committee bought a shovel "a badge of hard work", gilded the shovel and then invited the classes to tie ribbons of their class

colors to the handle which they have continued to do ever since. Edna Buck gave the address to the graduating class the night the shovel was inaugurated into the Alumni Association. She told the class the committee had tried to find a symbol, common to all, on which to display the colors of each and every class. "For such a symbol a shovel was chosen because it seemed to typify the conditions imposed on everyone whether successful or unsuccessful, all must dig. The handle also lends itself to the easy tying on and display of the class colors."

The Alumni in 1921 wrote an addition to the Constitution of the instruction and care of the shovel.

The Alumni Shovel

Up to 1931 only those Alumni members who had paid their dues were sent invitations to the Alumni social banquet. As of 1932 it was decided every Alumni member should receive an invitation.

Locations the banquets have been held vary. The first in 1904 was held in the White House, 1907, 1908 and 1911 were held in the High School Reception Room and 1909 was held in the Rhodes Opera House. In 1920 the desks were removed from the basement room in the school house and tables put in to make it a banquet hall. Many of the banquets were held in the Rhodes Opera House. With the addition of the new gymnasium in 1942 the Alumni banquets were held there thru 1969. The 1970 banquet was held at the West Marshall High School Building. In the year 1971 the banquet returned to the former Rhodes gymnasium then owned by Paul and Bonnie Trowbridge. The next nine years the Alumni Association has rented the Melbourne Recreation Center for its annual meeting and banquet.

Over the years the banquets have been prepared by various groups. Some were Rhodes Volunteer Fire Department, WSCS of Rhodes Methodist Church, Rosary Society of St. Joseph's Catholic Church, one year by Joe Malachek Jr., and several years by Edna Wignall assisted by Adria Gibbs, Harriett Good, LaVonne Weaver and Esther Wignall. These groups were assisted in serving by the junior and sophomore classes. The last few years the meals have been catered by various companys. One year the meat was pork chops cooked by the Pork Producers and another year, steaks prepared by the Beef Association.

From the beginning of the banquets in 1904 thru 1928 the Seniors were given an initiation into the Association. In 1929 it was voted to discontinue the initiation of the new members and the seniors are honored guests of the Association. May 1962 the seniors attending the banquet was the first class to be graduated from the State Center Community School since the unity of Rhodes with State Center. The seniors invited were those living in the Rhodes District. The 1963 seniors were graduated from the newly formed West Marshall District. Each year the seniors that graduate from West Marshall High School who live in the original Rhodes District are invited to the banquet. These seniors continue the tradition of tying ribbons of their class colors on the handle of the shovel. The seniors in attendance at the banquet each year receive from the Association a flower which was chosen by the class.

First recorded special recognition of over 50 year members was in 1954. The two attending were from the first and second graduating classes; Mrs. Minerva Fish Scott, class of 1890 and Mrs. Luella Fish Watson, class of 1893. The 50 year members are honored guests of the Alumni and presented corsages to the ladies and boutonniers to the men, by the Association. Special recognition is given to all over 50 year members attending the banquet.

First recorded recognition given the 25 year class was in 1965. Since that time the 25 year class is given special recognition of those present and reports if possible from those unable to attend.

Officers were elected up thru 1938 at a business meeting held prior to the social function. As of 1938 the officers for the ensuing year were elected at the Alumni banquet. In 1950 the by-laws were updated to appoint a nominating committee for the selection of officers and it was decided the previous years officers made up the nominating committee. In 1973 the system was changed to the present one being used and that is the 25 year class of each year is responsible the following year for the banquet.

Entertainment for the social event has been varied with some paid entertainers, but many of the years were done by Alumni members.

The banquet has been followed by the business meeting and the entertainment of the evening and most always these have been followed by a dance. Music for the dances have been furnished in various methods. In some years there were phonograph, record player and nickelodeon. Several years the music was by the Lucky Seven Band which consisted of Alumni members. In more recent years out of town bands have been hired.

The number of seniors graduating from the Rhodes High School from 1890 thru 1961 was 607. 1962 the number of Rhodes seniors graduating from State Center totaled 6. The number of seniors from the Rhodes District graduating from West Marshall High School from 1963 thru 1982 has totaled 232. Total Alumni Association members recorded to date are 845.

Through the years since its beginning, the Alumni Association has had many members who have faithfully worked hard and financially supported the Association to keep it going strong.
