Engle Camp, No. 2524 Modern Woodmen of America Died of Appendicitis. Death Records say he Died Dec 16 1911 Cemetery Records say Nov 16 1911.

State Center Enterprise 11/23/1911 Obituary: William Wilkening, whose serious illness had been noted in these columns from time to time, died at 11 o'clock last Thursday morning at Englewood hospital, where he had submitted to an operation for

Christoph Wilkening Sr. Register Report by Generation

appendicitis seven weeks before. Following the operation complications set in that baffled the physicians and a post mortem examination showed a secondary infection which resulted in a multiple access of the liver. The autopsy was held at the Brimhall undertaking rooms where the body had been removed for preparation for burial. Friday morning the remains were taken to the family home five miles southwest of town, and from there the funeral was held on Sunday afternoon. Rev. J. G. Oltmann, pastor of St. Paul's Lutheran church, officiated. Burial was made at Hillside cemetery.

The death of Mr. Wilkening was a particularly sad one, notwithstanding it brought relief to his intense sufferings. He leaves a large family of children together with their mother, who have the sympathy of the entire community. Mr. Wilkening was a member of Engle Camp, No. 2524, Modern Woodmen of America, and it will be recalled that during his sickness practically the entire membership of the camp went to his home one day and gathered his crop of corn. Members of the camp also attended the funeral, but they were present merely as sympathizing friends.

William M. Wilkening was born June 29, 1871, at Long Grove, Kendall county, Illinois. He was the third child of Christopher and Mina Wilkening, his parents still living in this place. In Long Grove he lived the happy days of his childhood and youth and remained there with his grandparents after the family moved to Iowa. But after his confirmation he followed his parents, who were then living near State Center. On November 1, 1894, he was married to Miss Lina Koppey. To them was born seven children, all whom are living. He is also survived by four brothers and one sister besides their parents.

He was looked upon as a good husband and kind father, a true friend and trusty neighbor, as well as a faithful and consistent member of the Lutheran church in which he died.

On 1 Nov 1894 when Hienrich Friedrich "William" was 23, he married Lena Helena KOPPEY, 231, F, daughter of Heinrich KOPPEY Sr., 2763, M & Regina Sophia WESTPHAL, 2764, F, in St. Paul Lutheran Church, State Center, Iowa. Born on 26 Dec 1872 in Echte, Hanover, Germany. Lena Helena died in State Center, Marshall, Iowa, on 28 Dec 1942; she was 70. Buried on 31 Dec 1942 in Hillside Cem., State Center, Marshall, Iowa.

!Came to USA from Germany in 1885

1920 Census: Lena 47, Head of the house with children Raymond, Ernest, Carl, Frances, August and Henry with Henry's wife Hazel and children Marion and Virgil in State Center Iowa.

After her husband passed Lena made her living doing laundry for people and the hotels. She also worked helping to deliver babies for people. Lena was a very hard working person.

12/2/08 - Aunt Frances said that her mother's name was definitely Lena with a middle name Helena.

They farmed north (about a mile) of Howard and Evelyn Weuve's farm north and west of State Center, Iowa on a high hill called "Koppey Hill".

The following information was prepared by Clifford P. Wilkening. Lena H. Koppey, daughter of Henry Koppey (1842-1913) and Regina Sophia Westphal Koppey (1841-1930), spent her teenage and young adult years in the State Center area. On 1 November 1894 at age 21 she married "William" Wilkening age 23 in the St. Paul's Lutheran Church in State Center. They rented a farm 5 miles Southwest of State Center.

After "William's" death in 1911, Lena sold all of the farm equipment at a farm sale and in 1912 moved into nearby State Center. At the time of his death, Lena was pregnant with their 8th child, August Frederick William "Lucy" Wilkening. Her oldest son, Heinrich Christian Wilhelm "Henry" Wilkening, was 15 years of age. While living in State Center, she raised all 8 children making a living doing laundry for neighbors and local hotels, and helping to deliver babies for people. She also attended a very large garden. She canned and sold fruit and vegetables, and baked and sold pies. At age 65, she gave up

housekeeping and took turns living with her children. When visiting her son, Ray Wilkening, she had a stroke. She never recovered and died on 28 December 1942 at age 70.

*September 21, 1905 State Center Enterprise: **Obituary:** Mrs Bert Swartz, whose low condition following an operation for appendicitis was noticed last week, died at her home in this place at 1 o'clock Friday afternoon, September 15. Funeral services were conducted at the home at 12:30 Sunday afternoon by Rev H Foelsch, of Streeter, Illinois, one of the ministers in attendance at the meeting of the Lutheran conference. Burial was made in*

Hillside.

Minnie Wilkening was born west of town April 18, 1878. She was one of the children of Mr and Mrs Chris Wilkening, who with five sons and one daughter survive her. She was married July 18, 1893 to Bert Swartz and two children were born to them, both of whom are living, although the daughter is pretty sick with the disease that took her mother away, and it is possible an operation will be necessary later on.

*Mrs Swartz was a member of Republican Lodge No 81, Iowa Legion of Honor, members of which together with a very large number of other friends and relatives attended the funeral make one of the largest processions here for along time, over fifty ??? *(article fades out quite bad and hard to read) The floral offerings were numerous and extremely beautiful. Ernest must have gone back to Germany about 1900 and came back to America with Otto WESTPHAL, his cousin. He is listed on the ship manifest with Otto and was a US Citizen from State Center, Iowa. They traveled on the ship Kaiser Wilhelm Der Grosse and landed at Ellis Island March 27, 1901. Listed as being born May 1874 in the 1900 census and was a servant for John Lullan. 1920 Census: Ernest 47 with Wife Louise 47 and Mother Regina 87. 1/30/2017 - Ernest was reported to have been born in 1872. This would be in conflict with his sister Lena born 12/26/1872, just 7 months later. the 1920 census suggests that Ernest was 47 at the time the census was taken (probably in June -July 1920). I will leave the birth dates unchanged, but there is something wrong! There is also something wrong with his death date or burial date.

Dwight received his education in the State Center Schools. During World War II, he served in the U.S. Marine Corp. as an anti-aircraft gunner stationed at Kodiak, Alaska from 1943 to 1945.

By Larry Wilkening 2/23/17. My father served in World War II with the Marines 4th Raiders in the Phillipines where he got shot in the leg. The military surgeons wanted to remove his leg, but he refused. He ended up serving with a Military

Police group in Alaska, riding a motorcycle.

My mother and father meet at the Forest Park Ballroom in Marshalltown Iowa. He swept her of her feet and rode away with her on his motorcycle. They remained together until my father passed away.

When I was two years old they took a trip on the motorcycle to Yellowstone National Park. They rode day and night to get back home when they found out I had been run over while staying with my grandpa and grandma Holubar on their farm.

My father always took exceptional care of anything that he owned, always cleaning and shining them. He used to say that if you took care of your things they will last. When he cleaned his vehicles he would clean everything inside and out. The engine compartment of his vehicles looked almost as good as they did when he purchased them new. He even took black shoe polish and polished his radiator hose until you could almost see yourself in them.

College, now University of Northern Iowa. After completing a two year teaching certificate, she began teaching kindergarten in the Brooklyn Public Schools. During those two years, through extension, correspondence courses and summer school, she completed her degree and then moved to Cedar Rapids. During the next several years, she met and married Milton Matzek and they adopted two children, Mitchell and Michelle. At that time Milt was an engineer with Collins Radio, but over the years his work took the family to Winston-Salem, North Carolina, back to Cedar Rapids, and then to Kansas City, Missouri, and Plano, Texas. As the family moved around, Marilyn's teaching certificate was not valid in other states, so she left the classroom and worked in other areas of education. In 1990, Milt and Marilyn retired to Hot Springs Village, AR. They traveled extensively, both with their RV and timeshare.

Their daughter, Michelle, died of cancer in 1996, leaving two children, Joshua and Jordan. They both live in Texas.

Their son Mitchell lives in the Virginia/West Virginia area, and has a daughter, Parker. Milt passed away in 2013 and Marilyn still lives in Hot Springs Village.

We aren't planning any kind of service at this time....hoping for a memorial celebration at some time in May. I'm still not settled in, barely know where my bed, the toilet, the refrig and my toothbrush are. That and getting started at unpacking our business and finances has to be the first order of business. I know you'll all be thinking of me, but I would appreciate no phone calls at this time. They're coming in faster than I can keep up with. Love to you all. I'll be okay. Marilyn

Clifford Paul
WILKENING

Clifford Paul Wilkening was born on May 30, 1943 in Marshalltown, Iowa.

He grew up on a farm Northeast of Baxter, Iowa. He started going to school in a nearby one room country school (grades K – 1st), transferred to Melbourne Consolidated School (grades 2nd- 5th), and transferred again to Baxter Community School (grades 6th- 12th) where he graduated May 1961. He was baptized and confirmed at the Bethany Reformed Church at Baxter. In fulfilling expectations of running the family farming business, he studied Farm Operations and Agriculture Business 1961-1963 at Iowa State University. In September 1963 he married Sandra C. Jontz, daughter of a neighboring farmer, Charles and Lois Jontz. The relationship ended after 1 ½ years. He continued farming with his father while pursuing a side interest in learning the skills of flying an airplane. In 1966 he left the family farm and moved to Denver, Colorado to pursue his flying interests. After earning his commercial, instrument, and multi-engine pilot ratings, he did ferrying of aircraft and charter pilot work for Clinton Aviation and aerial traffic reporting for KHOW radio station. While in Colorado, he pursued an Aerospace Engineering degree at the University of Colorado and graduated in 1971. He then started working for the Naval Air Research, Development, and Procurement Dept. in Washington D.C. He was able to apply his flying experiences and academic technical skills to future Navy fighter cockpits. While working in aircraft design, he also continued graduate studies at University of Southern California and received a M.S. degree in advanced Aerospace Systems and Management. He married Virginia L. Ward (born August 31, 1941 in Portsmouth, Virginia), daughter of Henry Handley and Bonnie Ward of Palo Alto, CA. after graduation in 1974. They settled in Alexandria, VA. Virginia had already finished her graduate and internship studies in dietetics and was working with the Food & Nutrition Service, U.S. Dept. of Agriculture in Washington D.C. Between 1985-1990, he gradually changed professions from technical to management and became a Navy program manager. As a program manager he was influential in leading a technical team to change the cockpits of frontline Navy aircraft to accommodate female pilots' different weight distributions, different center of gravity, shorter reach of controls, and other numerous differences. During this time, Virginia moved to the Food and Drug Administration to lead a team to develop the Nutrition Facts labeling that you see on all the packaged foods today. In 1998-2000, President Clinton was promoting more friendly relations with Russia and decided to increase the technical exchange of information between these two countries. Clifford participated in the exchange involving technical aviation, primarily areas of aircraft cockpits and ejection seats. This lasted for several years and he visited different Russian facilities, bases, and government departments. Over the years, Clifford's side hobby was real estate rental properties and apartment buildings in Old Town, Alexandria, VA. This hobby grew into a full time business and in 2002 he retired from the aerospace industry and started a business called Wilkening Rental Properties, LLC.

In 1963 when Clifford Paul was 19, he first married Sandra JONTZ, 4952, F, daughter of Charles E. JONTZ, 8948, M, in Congregational United Church of Christ, Baxter, Iowa. Born on 18 Oct 1944. They were divorced in Jan 1969 in Baxter, Iowa.

On 10 Aug 1974 when Clifford Paul was 31, he second married Virginia "Ginger" Lee WARD, 1300, F in Washington D.C. Born on 31 Aug 1941 in Portsmouth, Virginia.

4/30/2016: Our daughter, Michelle, married Troy Stanley and they had a son Joshua. Several years later Michelle and Troy separated, and during that time Michelle met Rickie. The plan was that Troy and Michelle would divorce and she would marry Rickie. In the midst of the divorce proceedings which the kids chose to drag out for well over a year, Michelle became pregnant with Jordan. Jordan was born a couple of months before Troy and Michelle were to sign their final divorce papers. Michelle had been having health issues which didn't help getting the divorce worked out. Just two days before Michelle and Troy were to sign the final divorce papers, Michelle was diagnosed with cancer. That cancer then became a pre-existing condition which Rickie's insurance wouldn't pick up. Since she was still on Troy's policy all parties decided that she and Troy should not divorce, and she and Rickie should not marry because Michelle would have no insurance. Michelle and Rickie moved from the Dallas area to Waco, Texas and she passed away a couple of years later. They never could marry. Jordan stayed with his father and they now live in the Austin area. Rickie has never married. Josh went back to the Dallas area to live with Troy. Troy later remarried.

Good luck trying to put that on a genealogy form so it makes sense
